The general theme of our Vacation a.m. and be dismissed at 11:45 a.m. Church School is "Widening Horizons". It will be taught in each grade under relative themes. The kindergarten class will learn of "Friends Near and Far", Mrs. Ben Parr is the lead teacher for the kindergarten class. This class will consist of children who will attend school this fall and children who have just completed kindergarten. The primary department will study "Friends From Many Lands". The first grade will be under the

direction of Mrs. Roger Galligan. Mrs. Alvin Cosselmand is lead teacher for the second grade and Mrs. Ralph Jones will take charge of the third grade. Many interesting projects and film strips have been planned for this group.

The junior department consists of the fourth, fifth and sixth grades. These grades will meet in one class. The lead teacher for this class is Mrs. James Sinclair. She has planned several surprise projects that I am sure will interest and entertain all.

As well as lessons and projects each day, a period is set aside for recreation which will be led by Mrs. Charles Purves. A song fest is planned for each day also. Mrs. Adele Thomas is in charge of this music period. Cookies and kool-aid will be served each day after recreation.
