CLARKSTON, MICHIGAN, THURSDAY, JUNE 27, 1963

Mrs. Richard Spohn

Spohn-DeLong Wed In Methodist Church

White gladioli and carnations graced the altar in the First Methodist Church, June 22nd at 4:00 P.M. in the uniting in marriage Rebecca Frances DeLong and Richard Drury Spohn.

Mr. and Mrs. Randall H. DeLong of 6613 Northview Dr. are parents of the bride who chose an organdy wedding gown appliqued with roses. Her finger tip veil of silk illusion was secured by an appliqued rose headpiece.

Her white prayer book was topped by a spray of white roses, stephanotis and centered with white orchids.

Her matron of honor, Mrs. J. Edwin Glennie of Clarkston, Mrs. Jack McCall also of Clarkston and Mrs. Lynn E. Howell of Detroit, the bride's mother, sister and bridesmaids wearing identical blue organdy gowns. They carried bou-

quets of yellow roses and white carnations. Christine and JoAnne VanTine of Goodrich, cousins of the bride, were junior bridesmaids and flower girl, also in blue organdy.

The bridegroom, son of Mr. and Mrs. R. E. Spohn of 62 N. Main St. had J. Edwin Glennie as best man. Seating the guests were David DeLong of Scottsdale, Arizona, brother of the bride, Dr. Lynn E. Howell of Detroit, brother-in-law of the bridegroom, and Russell Widger of Royal Oak.

The brides mother wore gold silk with matching accessories. She pinned a corsage of orange jubilee sweetheart roses to her purse.

The groom's mother wore yellow silk and matching accessories with yellow sweetheart roses also pinned to her purse.

The brides grandmother wore a blue silk print and a corsage of yellow and white roses.

A reception was held in the church parlors following the afternoon ceremony.

They left on a honeymoon in northern Michigan.

'So Says Sonja'

As I innocently remarked, "This foolin' around is for the birds!" Melody piped up, "Mommie, were you foolin' around with the birds?"

— Anyone that would drive four miles in this hot weather and try to bring back 3 ice cream cones to her family, certainly needs her head examined! Is there a doctor in the house? — Large turtles are okay in their place. Wish someone would tell Melody that doesn't mean in the house! — Want to no a sure fire way to keep company away? — Clean your house! They won't show up till it's in a mess again. — "Yes Tina, hands were invented before spoons, but you must agree that spoons make soup eating a wee bit easier!" —

Local Youth Wins Honors, Jaycees Mark Swimming Area goes to Sarnia

At the Regional contest for best "Boy Preacher of the Year" held recently at Waterford Community Church, the winner for Oakland County was Richard Lord, son of Mr. and Mrs. Howard Lord of Clarkston. The contest is sponsored by Youth for Christ International.

On Saturday Richard went to Sarnia, accompanied by Oakland County Youth for Christ Representatives to compete for the state title. Here he placed fourth.

Richard, a member of the First Baptist Church of Clarkston, has been active in Youth for Christ during his High School years as both song leader and preacher. A June graduate of Clarkston High School, he is presently attending the Detroit Bible College Summer School and will begin his ministerial studies there in the fall.

Jaycees Mark Swimming Area

The Clarkston Area Jaycees have completed one part of a program that will make the Deer Lake swimming area safer. Sunday morning, barrels were placed in the water to mark the safe swimming area and to keep boats away from the swimmers. The barrels have been placed just inside the areas where the water gets deep. It is hoped the swimmers will be careful not to go outside the areas marked and that people with boats respect the swimmers rights and stay away from this area.

Plans are now being made to install a telephone on the beach for the convenience of the public. Should an emergency arise, help can be reached quickly.

Summer Rec. Enjoyed by All

The Independence Township Recreation Program is well under way as the first week draws to a close with a record attendance of nearly 4,000.

Pine Knob, Clarkston, and Andersonville playgrounds have been frequented by approximately 900 children over the course of the week with 500 enjoying the benefits of the free swimming classes held each day at Deer Lake. Attendance and participation in the baseball games have attracted over 2,500 people, with the dance expected to at least provide another 200 with an evening of fun.

Monday was filled with registration on all playgrounds and the organization of the swimming classes at Deer Lake. It was Safety Week on the playgrounds so the games and projects in Arts and Crafts were centered around this theme.

Preparation for one of the Recreation Departments biggest projects, the 4th of July, has already begun. The children started work on flags, giant model firecrackers and posters to represent the Recreation Program in the annual 4th of July parade which will take place at 10:00.

In a joint effort, the Fire Department and Recreation Department, have planned a demonstration on the use of such things as the Rescue Unit, fire trucks, and other points of interest. Not only will this be entertaining but also educational, so anyone who is interested should be at the Mill Pond immediately after the parade.

Other planned activities for the big "flag waving" day will be a carnival, complete with booths, and competitive games from 11:00 till 2:00 at the Junior High. Baseball games will be taking place on all diamonds during the afternoon and evenings.

To bring this fun-filled day to a close there will be a dance held at the Senior High tennis courts from 7:00 till 11:00 for young and old alike.

Or, last reminder to all parents is that if you wish your children to obtain the free swimming lessons you must contact Mr. Mackson who is the swimming director before the 28th of June in order that they may be enrolled in the second four week session. The first four weeks have already been filled as there has been such a demand.

Get In The Swim

Mr. MacDougall's swimming classes will begin Monday July 1st. This will be the twelfth year "Mac" has been instructing swimming lessons for the young people of Clarkston.

Boys classes will be Mondays and Thursdays from 1 to 3. Girls will swim Tuesdays and Fridays from 1 to 3.

For further information call "Mac" MacDougall at Maple 5-1040.

Sign up Saturday morning on the vacant lot next to Gentry's on Main St. Sign up between 10:30 and 12 o'clock.

Oakland County Road Commission Plans Open House

The Board of County Road Commissioners of the County of Oakland announces plans for an open house type celebration commemorating the 50th anniversary of the founding of the Road Commission on May 7, 1913.

The open house will be held at the main office and garage building, located at 2420 Pontiac Lake Road on Sunday, June 30, 1963, between the hours of 2:00 and 6:00 P.M.

Many special invitations have been extended to our Congressmen, State Officials, members of the Oakland County Board of Supervisors, County and Municipal Officials, service clubs, neighboring County Road Commissions and many others. In addition, a general invitation is extended to the public and it is the hope of the Commission that everyone who can will attend this affair.

Tours will be arranged through the offices, garages and other buildings and about the grounds. Construction and maintenance equipment of all types will be on display as well as signs, traffic signals and controllers, materials, barricades and safety devices.

There will also be special exhibits by the Engineering and Forestry Departments as well as exhibits by the Oakland County Sheriff's Department and the Michigan State Police.

Jaycees Install New Officers

Richard Johnston was installed as President of the Clarkston Area Jaycees at their regular monthly meeting on Wednesday, June 19. Richard Jorgenson and James Huttenlocher of the Pontiac Jaycees presented the new officers and directors their pins. The other officers for 1963-64 are: Robert Jones, Internal Vice-president; Lewis Wint, External Vice-president; Theodore Jackson, Secretary; Harry Fahrner, Treasurer; Ronald Olliffe, Maxium Morrow, and Roger Thompson, Directors.

The new President issued a challenge to all the members to strive to make the Clarkston Area a better community by submitting projects that would benefit all its citizens.

The installation climaxed an afternoon of golf and a buffet dinner at the Clarkston Golf Club.

Engagement Told

Judith Marlene Tedder

Mrs. Mabel Tedder of Sally Street and Mr. Bob Tedder of Pontiac announce the engagement of their daughter, Judith Marlene to David E. Newton, son of Mr. and Mrs. Frank Newton, Marlington Street, Drayton Plains.

This week I would like to examine data processing operations. Instead more closely the need for spending of maintaining eight or nine electronic installations in a single building, which is an essential to fiscal reform as yeast is to bread making, we will consolidate them to make the most efficient use of this equipment. In addition, we have established a permanent center for controlling state spending. This center is currently eliminating paper work in three of the state's biggest departments, rearranging work assignments and taking other steps to increase efficiency and promote savings.

We are also moving toward a new kind of budgeting called the performance budget, which measures services or production in terms of unit costs and makes spending control more effective.

We are also studying the possibility of eliminating duplication of state laundry facilities, contracting out maintenance work in state buildings and modernizing procedures in liquor warehouses and we will continue to seek new ways to save money.

In addition, when the new Constitution takes effect January 1, it will bring about further savings. For one thing, it will eliminate costly and unnecessary spring elections. For another, it will consolidate more than 140 agencies into 20 principal departments, eliminating much duplication and bringing savings.

No one can reliably estimate how much money these reforms will save. A reasonable guess would be from \$5 to \$10 million a year.

In any event, these changes are a big step toward governmental economy, and they recognize the fact that true fiscal reform is not just a matter of collecting more tax dollars more efficiently, but also a matter of putting them to the best use possible.

Chevy II Wagons—The heft of a suitcase. The rustle of a road map. There's something about one of these spruce, surprisingly spacious wagons that can turn even the routine preparations into a happy part of your trip.
Take that old bugaboo of packing, for instance. No bother. With the kind of room you get in that easy-loading cargo compartment, you can just about toss things in any old whichway and come out with space to spare. The load won't dampen the spirits of the spunky 6-cylinder engine either. It just hums along passing up gas pumps (there's also a choice of an even thrifter 4 in most models) like it didn't have a care in the world. Fact is, it has far fewer cares than most engines—being built with the special knock Chevrolet engineers have for dependability and ease of maintenance.
Like a car with ginger—without a lot of needless fuss. Your dealer's got a full line of Chevy II's to pick from. Why not drop down and check now while the trading and the traveling are especially good?

Scouts Hold Final Meeting

Saturday, June 15th, twenty-seven Girl Scouts and guests of Troop 501 had a final meeting, combined with a picnic, at the home of their co-leader, Mrs. N. Nicholas. Among the guests were Mr. and Mrs. Robert Morse, and Mrs. Sydney Centelli.

During the meeting, the girls received their world association pins, completed plans for a trip to the Zoo, and enjoyed a very timely and informative talk on basic first aid by Mrs. Centelli, who is a registered nurse.

After the meeting we adjourned to the charcoal grill where Bob Morse, as chief chef and keeper of the hot coals handed out delicious hot dogs, and filled our plates from the loaded tables. The girls then played croquet and badminton until it was time to leave, tired, happy, and "still stuffed up to here".

Ortonville Group Elects Officers

Mrs. Ralph Smith was hostess for the East Ortonville Extension Club at their regular meeting last week.

Officers were elected who will take office next October after the customary officer's training session. They are president, Arlene Pipe; Vice-president, Phyllis Allen; Secretary-Treasurer, Pauline Paschal; Recording Secretary, Edna Price; Project leaders, Ruth Kennaday and Ruth Smith.

A new member, Mrs. Rosina Tennant joined the group. Mrs. Ann Tucker who was reinstated as an active member was elected recreation leader. Mrs. Walter Allen shipboard and the Brandon Fire committee.

Following a dessert luncheon, Ruth Kennaday gave a lesson on the selection and use of different cuts of meat. A demonstration was made by Ruth Smith of the use of the various sewing machine attachments.

Child's Play Isn't All Kid-Stuff

(The first in a series of six articles on Child's Play by Mrs. Rosella Banister, Wayne County Extension Agent in Home Economics).

"How you go play" has a familiar ring. And sometimes we add "and don't bother me".

We adults are quick to consider child's play as simply a good way to get the kids out from under foot for a little while.

To the young child play is work. Play, fun and learning are mixed up with all he does. Play helps the child develop physically, mentally, socially and emotionally.

Active play develops muscles. A child should have a place where he can run, jump and throw a ball when he wants to. Push and pull toys, something to climb, a tricycle, a swing and garden tools are good materials for active play.

It is not necessary for a child to have a great variety of toys. Often the most loved toys are simple household items rather than expensive toys.

Creative play gives a child a chance to experiment, to find out things for himself, and to develop confidence in his abilities.

Crayons and finger paints with large sheets of blank paper, puzzles, blocks, scissors, clay and musical

Summer Fun Club

YMCA Summer Fun Club registrations are now being accepted by mail and at the Pontiac Y on Mt. Clemens Street. Boys and Girls as young as eight may join this six week program of FUN that starts on July 1st. Parents are urged to enroll their children early as reservations are limited.

The Fun Club is primarily a butting centered program, of fun with a purpose, doing worthwhile things with other boys and girls, ages 8-14.

This six week program is scheduled July 1st through August 9th. The boys schedule includes: Mondays 8:45-12:15; Wednesdays 8:45-4:15; Fridays 8:45-1:45. The girls come:

Tuesdays 8:45-12:15; Wednesdays 8:45-4:15; Thursdays 8:45-1:45.

Wednesdays 8:45-4:15 will be the exciting educational trips for both the boys and girls together. These trips tentatively include: Greenfield Village, Detroit Zoo, Bob-Lo, Cranbrook and a Tiger Baseball Game.

Each Y day will have three basic periods, including: instructional and recreational swimming, creative crafts and outdoor sports including archery etc. The latter part of each week the children bring their lunches and stay over in the afternoon for a movie.

Directing this program will be John Miller, Youth Director along with Ronald Rafferty, Physical Director; John Goodwin, Aquatic Instructor; Mrs. Raymond Ellsworth, Creative Crafts Director.

Yes, honestly, most accidents happen to people just like you!

Contrary to popular opinion, the record shows that all types of people are involved in highway accidents. It isn't just a drinking driver or joy-riding teenager... even though they cause more than their share.

A thoughtless moment, by good solid citizens like you and neighbors on your street, is the heaviest contributor to the increasing toll of deaths, injuries, and damaged cars.

Don't count yourself out. Making Michigan's streets and highways safer is a job for all drivers. Drive even more carefully... for your own sake, and to help make motoring safer for everyone.

YOUNG IDEAS from Polly Ponds

Q: Every summer I try to get a nice even tan but my skin just goes all red and peely. What's wrong?
A: You're burning it. This happens when you expose a sensitive skin to sunlight without giving it a chance to adjust gradually to ultra-violet rays.

Try limiting your first five or six sunbathing sessions to no more than half an hour at a stretch (fifteen minutes for each side) and always make sure your skin is well-coated with sun-tanning cream or lotion.

Don't try to rush it. You're more likely to end the summer with the kind of tan you've always wanted to wear... if you take it slowly in the beginning.

When you go home, take a shower-pat yourself dry with a towel-then massage all skin areas that have been touched by the sun with a hand and body lotion. This will restore moisture that's been drained from the surface and will help prevent excessive peeling.

How to Pack a Suitcase

June brides lacking experience at packing suitcases may be unfamiliar with such terms as "layer packing" and "heavy things toward the hinge", but now's the time to learn, says a travel expert.

These are among the hints on packing a suitcase developed by Miss Carol Lane, women's travel director for Shell Oil Company.

"They are especially timely now", Carol says, "and they apply to both bride and groom, and anyone else who is planning a trip."

She shows how to pack a two-week wardrobe with ease into a single 26-inch suitcase. Here are some of the things that make it possible:

ONE: Layer packing — Clothing should be packed in layers divided by luggage leaves made of peltan, with one complete outfit or type of clothing to each layer. Layers keep clothes wrinkle-free and make it easy to find any item.

TWO: Heavy items such as shoes, cosmetics, shaving gear, should be packed towards the hinge so they won't slide and wrinkle clothing when suitcase is carried.

THREE: Pack cosmetics and sundries in small plastic bags to avoid the weight and clutter of large containers. Tuck other items in the toes of shoes.

FOUR: Pack shoulders of suits, dresses and blouses towards the hinge of the suitcase. Fold the bottom of the garment up at the waist, fold in the sleeves from the sides, crossing them.

FIVE: Pack trousers and skirts the width of the suitcase, trousers folded first with a bit from each side to the back of the skirt then laid the width of the suitcase.

SIX: Miscellaneous hints include: scarves and veils allow dress and hat changes without taking up space clutch bags and tote-bags pack flat and add little weight... a beach towel can serve as a layer on which play clothes are packed.

There are other hints in Miss Lane's booklet, "Touring Can Be Child's Play," available on request to Miss Carol Lane, Shell Oil Company, 50 West 50th Street, New York 20, New York.

With these hints, Miss Lane says, it is easy to pack each of the following wardrobes into a 26-inch suitcase:

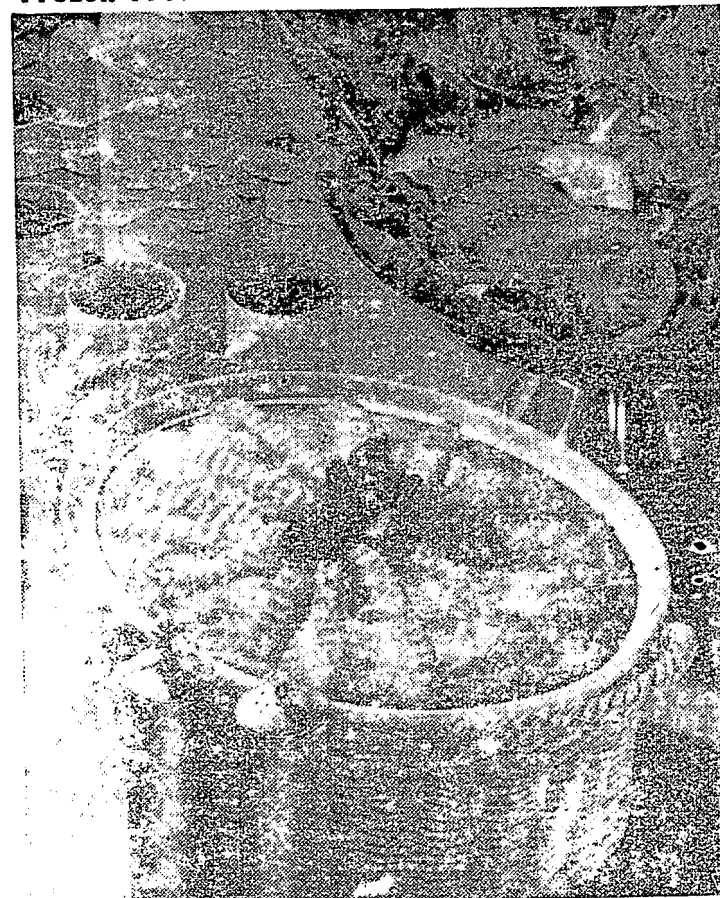

For the bride: 2 dresses or en-

sembles, 2 casual dresses in drip-dry, 1 sweater, 6 hose, 3 pair gloves, 2 bathing suits, 2 Bermuda shorts, 1 capri set, 1 clutch bag, 3 sets lingerie, 2 nighties, 2 robes, 2 scarves, 3 pair shoes, 1 soft packable hat or veil, personal items including jewelry.

For the groom: 1 lightweight suit (one suit worn), 1 sports coat, 4 shirts, 2 T-shirts, 2 swim suits, 3 Bermuda shorts, 1 sweater or jacket, 3 sets underclothing, 5 pair socks, 4 ties, 1 robe, 2 pair shoes (1 pair worn), 8 handkerchiefs, 2 pajamas, personal items.

A Fast-Do Dinner Delight

Frozen French Fries And Canadian Bacon Bake

If the committee meeting... or the bridge game... goes on longer than you had expected, don't be dismayed. There's no need to give your family a pick-up dinner, just because you've gotten home late! Even with the hungry cries of "What's for dinner?" echoing before you get your hat off, you can produce a nutritionally sound, stick-to-the-ribs, satisfying dinner in minutes... with the aid of the most popular efficiency food, frozen French fries. This savory casserole can be put together in jig time and while it bakes you're time to assemble the rest of the menu and set the table.

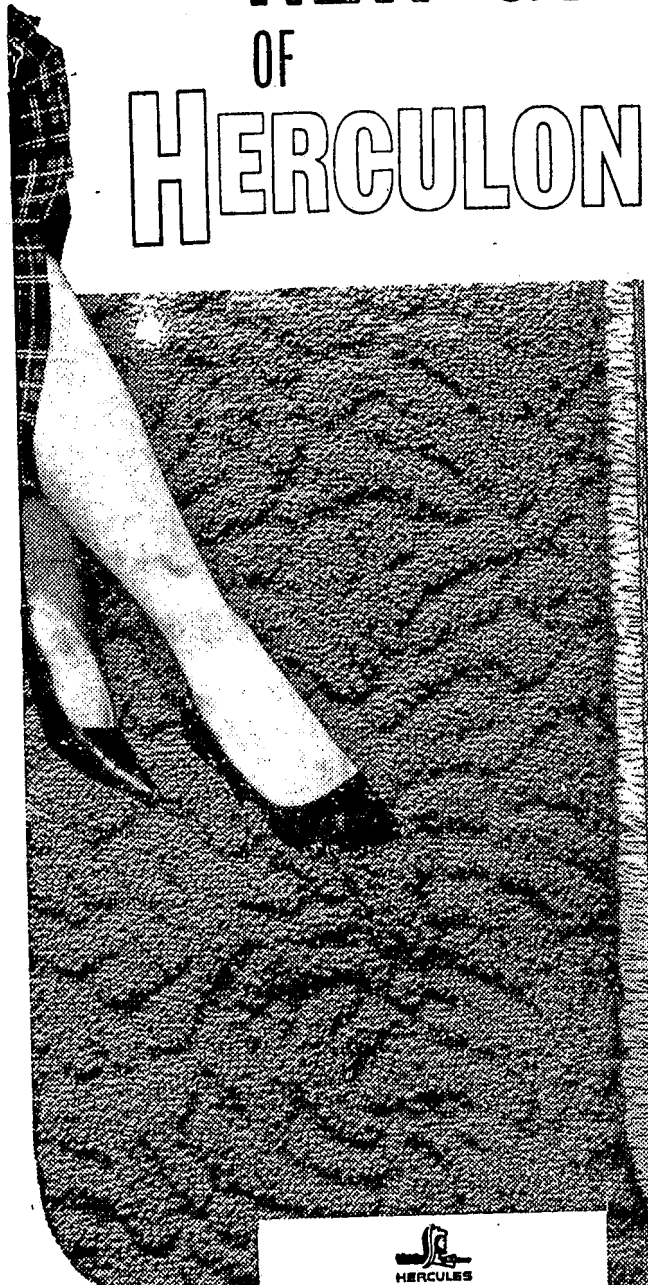

BACON FRENCH FRIES BAKE

- | | |
|--|---|
| 2 packages (18 ozs.) frozen French fries | 1/4 pound pasteurized process American cheese, shredded |
| 2 tablespoons chopped onion | 3 eggs, beaten slightly |
| 2 tablespoons butter or margarine | 2 cups milk |
| 1/2 pound Canadian bacon, cut into julienne strips | 1 tablespoon flour |
| | 1 teaspoon salt |
| | 1/2 teaspoon dry mustard |
| | 1/2 teaspoon pepper |

Brown frozen French fries and onion in butter or margarine. Arrange frozen French fries, Canadian bacon and cheese in layers in shallow 1-1/2 quart casserole (10 x 6 x 1-1/2 inches) using 1/2 of each of the ingredients at a time. Combine eggs, milk, flour, salt, mustard and pepper. Pour into casserole. Bake in moderate oven (375° F.) until mixture is set, 35 to 40 minutes. Yield: 6 generous servings.

VIEWS HEARD ON ANNEXATION

Wed in Ortonville Methodist Church

Wednesday, June 19th a meeting was held in the Brandon School Gymnasium for the purpose of hearing the views of interested persons regarding the annexation of a portion of Brandon Township to the Village of Ortonville. A committee was present from the Oakland County Board of Supervisors to hear the discussion to assist them in making a final determination.

Mr. Ray Barrick, former Ortonville Village President, stated that last January a petition was received asking that the area in question be annexed to the Village. The Village orrick Council then appointed a committee to investigate and handle the request. Mr. Barrick stated that although the Village was desirous of acquiring the new addition, the first request came from the people involved and there was no attempt by the Council to force the issue.

"Ortonville needs room to grow", said Mr. Robert Sutton, councilman. The Town has the same limits as it had 114 years ago. The present eleven mill tax assessment would not be appreciably changed by annexation.

Brandon Township Supervisor, Alex Solley, said that the meeting should have been held a year ago. He is opposed to the annexation because it would take tax money away from the township. Mr. Solley said that many of the residents of the township requested him to oppose the proposition. Further, Ortonville has always ruled the township and now is the time for the people to speak out.

Mr. Roger Jacobs asked if the question could be put to a vote of the people. The Chairman of the meeting read the law in question

stating that the annexation can be decided only by petition to the Board of Supervisors. There is no provision for an election, but there must be a public hearing on the proposal to be announced three weeks before the meeting.

Following are some of the questions and answers brought out by the meeting:

Q. Would the village pay for paving the subdivision?

A. Yes, we have the money and if we don't use it, it will be taken away.

Q. The subdivision would be thirty acres. Would it be another Lake Louise?

A. The building code would not permit it to happen.

Q. What disadvantage do the people fear will result from the annexation?

A. Acreage owners are afraid that if annexed to the village, they could not sell their property as they wish. Also they might fear double taxation.

Bridal Shower

Miss Carol Spencer of Groveland Road, was guest of honor at a bridal shower given June 19th by Mrs. Ray MacDiarmid and Mrs. Clyde Hartwig at the MacDiarmid home on Jossman Road, Ortonville. A pink and white theme was carried out in the carnation tree table centerpiece and other decorations. Each guest received a pink and white carnation corsage. Luncheon was served by candlelight.

The fifteen neighbors and friends who attended were entertained by games preceding the showing of the shower gifts.

Q. What does the Village have to offer?

A. Very little. The area would be part of the village and receive benefits such as street paving, sidewalks etc., when there is enough money and the work is deemed necessary. It was brought out that F.H.A. financing cannot be obtained for property outside of the Village.

Q. Why does F.H.A. finance in Waterford Township then?

A. Because F.H.A. will finance property on blacktop roads.

Q. Must public hearing be held on the annexation?

A. Yes. According to the law the announcement of such a hearing must be made public at least three weeks prior to the meeting.

Q. How do township taxes compare with Village taxes?

A. Village taxes are based on almost the same assessment value as the township.

Q. Would the village consider removing Mr. Krucke's farm from annexation?

A. It would be too hard to draw the annexation line any other way.

Q. Why does the Village need more land? What do they want, land or money?

A. Probably a little bit of both.

Q. Is the old law in effect that land farmed inside village limits can be exempted from village taxes?

A. Never heard of such a law. You can, however, go to Circuit Court to have your farm removed from the Village if at least one border touches the township, and if the property is used for farming purposes. You must have at least three acres to qualify as a farm.

Q. If the village has nothing to offer, what progress is being held up by not annexing?

A. The village can grow harmoniously. During the last half century Ortonville has not progressed. With a little effort we can improve tremendously; beautiful homes could be built in this new area. You can make progress or you can kill it.

The Boundaries Committee of the Oakland County Board of Supervisors will announce a public hearing on the annexation question.

The weather was perfect and there was a good turnout last Saturday for the June Jubilee held by the Ortonville O.E.S. at the Masonic Hall on South Street.

Despite slight apprehension caused by a swarm of bees which picked that day to invade the hall, the dinner committee under the direction of Mrs. Ellis Jencks, prepared and served approximately 125 chicken dinners.

Bazaar Co-charman Mrs. Merlin Saunders and Mrs. Lester Troyer, reported that all booths were well patronized, the home-baked goods proving the most popular item of all.

Winner of the patio set was Mrs. Jean Kapson of Mill Street, Ortonville. Mrs. Paul Bindig of Sands Road, Ortonville won the fitted picnic basket.

Approximately forty-five members and guests of Ortonville Chapter No. 286 of the Order of Eastern Star were present at the Masonic Hall Tuesday evening, June 18th.

As Mrs. James Arrant and Mrs. Alan Solley received the degrees of the Order.

Preceding the initiation ceremony, Worthy Matron, Mrs. Merlin Saunders, introduced and welcomed Mrs. Wilma Stewart, a former member of Pontiac Chapter No. 228, who became a newly affiliated member of the Ortonville Chapter.

Following the ceremony, refreshments were served by Mrs. Everett Uloth, Mrs. Clarence Kier and Mrs. Monroe Frick.

Guests from Pontiac and Rochester attended.

A general discussion was held regarding the business of the various departments.

The Fire Board asked for an adjustment of the cost of heating the fire hall as they paid for heating the entire building and used only the corporation lawyer as to paying the cost.

Mrs. Lucille Saunders, Brandon Township Clerk was asked to consult half of it.

Mr. Marvin Featherston for serving on the Board. Discussion disclosed the fact that a special assessment is made on the township taxpayers for funds for the Fire Board. The Board has the right to use the assessment money for expenses and salaries without further application to anyone for permission.

Mr. MacFeely discussed the possibility of placing some radio equipment alloted to Civil Defense in the Fire Hall. There are four persons who have had thirteen weeks training and are fully qualified to use the equipment.

Someone asked Mr. MacFeely about the possibility of securing a tornado warning system for the area. Mr. MacFeely replied that the question had come up at a township Board meeting some time ago and had been voted down.

Mrs. James Quick

Married Saturday, June 15th at 8 P.M. at Ortonville Methodist Church were Jacqueline Kay Wil-

atians and James Richard Quick. The Reverend Mr. A. A. Carmitchel officiated at the ceremony.

The parents of the bride are Mr. and Mrs. Norman Williams of Church Street, Ortonville. The groom's parents are Mr. and Mrs. William Vorce of Mt. Pleasant, Michigan.

The bride's bouffant nylon dress with lace insets had a beaded, sculptured neckline. She wore a shoulder length veil falling from a teardrop crown. Her flowers were a cascade of red roses.

All of the bride's attendants wore mint green nylon dresses, mint green cabbage rose hats with matching veils and white accessories. They carried white carnations with red rose buds.

The mother of the bride wore a shocking pink lace frock with beige accessories. The groom's mother wore white nylon with black dots with white accessories.

Mrs. Karen Hodges of Pontiac was the matron of honor. Bridesmaids were Eva Walker and the bride's sister Judy Williams, both of Ortonville. Serving the groom as best man was Jerry Quick of Fenton.

Ushers were William Vorce of Ortonville and William Middleton of Dayton Plains.

Following the ceremony a reception honoring the newlyweds was held in the church parlors.

After a short honeymoon in northern Michigan, the couple now reside in the Sherman apartments on South Street, Ortonville.

The St. Anne's Church annual roast beef dinner will be served at the Brandon School cafeteria at Ortonville on Sunday, June 30th from noon through 6 P.M. At 6:30 P.M. there will be a grand prize drawing for a Chevy II on the church grounds.

The Roaring Twenties pinhole club met last Saturday at the home of Mr. and Mrs. Ray MacDiarmid on Jossman Road. Ten couples enjoyed an evening of cards and the refreshments served by the hostess.

First prizes were won by Mrs. Frances Irwin and Mr. Cy Giroux. Anna Giroux and Ray MacDiarmid were the recipients of the consolation prize.

A cross-country bus trip will be taken by Colleen and Christine Saunders ages 10 and 14 of Jossman Road when they travel from Ortonville to visit their sister in Corpus Christie, Texas.

The recent Athletic and Achievement banquet held jointly by the Ortonville Rotary Club and the Brandon P-TA netted about \$60.

Mrs. James Meadows from Anaheim, California (now better known as the location of Disneyland) will be here about a month visiting her sister, Mrs. James Bradford. Mrs. Meadows made the trip by jet to Chicago in three hours.

Brownie Troop 664 had a picnic at Bloomer State Park. Seven families were present. The group enjoyed hiking and a potluck dinner at noon. Mrs. Toth was the leader and Mrs. Ray MacDiarmid, assistant leader.

Last Thursday, the leaders and new officers of the Ortonville 4-H Club held a meeting to outline their plans and prepare for the coming Fair. Lillie Kilbourn agreed to act as parliamentarian to assist the new officers. Cheryl Leece is working with the girls taking first and second year foods. Many of the girls taking home improvement and family living projects are now very color scheme conscious.

Area Boards Meets Jointly

A joint meeting of the Ortonville Village Council, the Brandon Township Board and the Brandon Fire and Police Board was held Monday night June 24 at the village offices.

The Fire Board asked for an adjustment of the cost of heating the fire hall as they paid for heating the entire building and used only the corporation lawyer as to paying the cost.

Mrs. Lucille Saunders, Brandon Township Clerk was asked to consult half of it.

Mr. Marvin Featherston for serving on the Board. Discussion disclosed the fact that a special assessment is made on the township taxpayers for funds for the Fire Board. The Board has the right to use the assessment money for expenses and salaries without further application to anyone for permission.

Mr. MacFeely discussed the possibility of placing some radio equipment alloted to Civil Defense in the Fire Hall. There are four persons who have had thirteen weeks training and are fully qualified to use the equipment.

Someone asked Mr. MacFeely about the possibility of securing a tornado warning system for the area. Mr. MacFeely replied that the question had come up at a township Board meeting some time ago and had been voted down.

Resident Dies

Injuries sustained in an automobile accident near Ann Arbor, Michigan on June 23 were fatal to Mrs. Clyde King, 89, a lifelong resident of Oakland County. Mr. and Mrs. King 561 Allen Street, Ortonville, were riding in a station wagon driven by their son, Francis, when the car was struck broadside by another automobile.

Mrs. King was born in Ortonville January 16, 1874. Her father was Francis Jones; her mother's maiden name was Martha Bird. Mr. and Mrs. King were married August 16, 1906 and would have celebrated their fifty-seventh anniversary this summer. The Kings were members of the Ortonville Methodist Church.

Surviving Mrs. King are her husband, Clyde; one daughter, Mrs. Dorothy Langely of Detroit; a son, Lewis of Novi and son, Francis of Farmington; seven grandchildren, two great-grandchildren and a sister, Mrs. Martha Nardin of Allen Street, Ortonville.

Funeral services were held at 2 P.M. Wednesday, June 26th at the C. F. Sherman Funeral Home, the Reverend Ardo Carmitchel of the Ortonville Methodist Church, officiating. Burial was in the Ortonville Cemetery.

Had an interesting conversation with a charming chatterbox, 10 year old Judy Anderson, who is visiting her aunt and uncle, Mr. and Mrs. Jerome Huff, Judy, whom we are convinced could talk nonstop all day, says that she has two nieces and one nephew (and is hoping a new baby coming will be a boy so she will have two of each), fifty cats, several gold fish and a pony.

Mr. and Mrs. Joseph Pont, former residents of Michigan who now live in Leisure City, Florida, are visiting friends and relatives in Flint, Detroit and Armada and have called on Mrs. Pont's sister, Mrs. Grant Tennant on Sashabaw Road.

The 4-Hers report that their chicken barbecue held last Saturday at the Fairgrounds north of Pontiac served over four hundred customers and made a tidy profit for the expenses of their Maine trip in July.

Crispy Stuffed Meat Loaf

An inexpensive year 'round treat for family and friends is "Crispy Stuffed Meat Loaf"—a novel new main dish that stretches two pounds of meat into 8 to 10 servings. The secret of the stretching is a stuffing of crispy saltine crackers, and the addition of stuffed olives and dry mustard give a true gourmet flavor. Serve hot or cold. Make it this week, this easy way:

- Crispy Stuffing**
 2 cups coarse Krispy Saltine Cracker crumbs (24 doubles)
 1/4 cup chopped stuffed olives
 1/2 teaspoon dry mustard
 1/4 cup melted butter or margarine
 1 egg, beaten
- Mix together all ingredients. Set aside.
- Meat Mixture**
 2 pounds ground round or chuck beef
 1 teaspoon salt
 3 tablespoons minced onion
 2 eggs, beaten
 1/4 cup catsup
 1/2 cup very fine Krispy Saltine Cracker crumbs (10 doubles)
- Glaze**
 1/4 cup catsup
 1/2 teaspoon dry mustard

Meat loaf: Mix all meat mixture ingredients together. Lightly grease meat loaf pan (about 9" x 5" x 3") with a neutral salad oil. Line bottom and sides with about 1/2 of the meat mixture, pressing gently. Add stuffing mixture and press gently. Make layer of remaining meat on top and pinch edges together, press down gently. Loosen loaf from sides of pan with spatula, invert on shallow baking pan, tap bottom of pan and remove. Glaze with catsup with mustard and spread, or brush, over top and sides of loaf. Bake in preheated hot oven, 400 F., for about an hour or until done. If desired, about 15 minutes before cooking is complete, top may be decorated with sliced whole olives. Serve hot or cold. Accompany with more catsup if desired. Yield: 8 to 10 servings.

Thirty-five Youths Oakland Univ. Plan Trip to MSU Aids 183

Thirty-five young people from Oakland County 4-H Clubs are making plans for a busy week on the Campus of Michigan State University July 8-12. Among them are: Joanne Koslowski, Ortonville; Louis Norris, Seymour Lake; Donald Wentz, Seymour Lake; Allen Bess, Ortonville; Tim Stayton, Ortonville; Cecil Caverly, Clarkston Happy Helpers; Mary Ann Baer, Clarkston Happy Helpers; Jessica Jockwig, Clarkston Happy Helpers; Gail Stayton, Ortonville; Sheryl Tilton, and Sharon Minard, Ortonville.

Scholarship aids have been awarded to approximately one fourth of next fall's entering freshman class by Oakland University.

Glen Brown, director of scholarships and associate director of admissions announced that 183 awards had been made to deserving high school seniors with outstanding scholastic records. This is the largest number yet.

Theresa Wooley from Clarkston High school was among those receiving grants.

These awards total \$51,400 for an average of approximately \$280. They comprise scholarships, loans, and campus jobs.

Mr. and Mrs. Gary McDowell (formerly Janet Long) will attend as leader chaperones. Included in the busy schedule of these members (all of whom are 15 years of age or older) is a preview of college life in various academic areas, a study of life in other countries and meetings with student representatives. There will be time too for fun and the building of new friendships.

Most of the expenses of this memorable week are borne by the members themselves — but the opportunity to make the investment is regarded as a high honor.
