Early American Motif In Newly Built Country Club

A lovely stone and brick building complimented by a white marble chip roof, near the towering Waterford Hill, will house the newly established Waterford Hill Country Club. Opening this week-end, the Clubhouse is paneled throughout in walnut and antique maple and tiled in Oxford quarry Sierra tan. Continuing with the Early American motif are quaint chandelier high-lighting the exposed beam ceiling.

The beautiful glassed in bar room affords a wide, panoramic view of the par 3, nine hole golf course to be open soon. (See pictures on page 3). A horseshoe shaped bar encircles 4 trophy cases. Eighteen Early American bolt-down type stools with mates seats surround the "padded armrest" bar. Seating for an additional 48 persons is available at tables in the bar room.

Blue carpeting and a stone fire place highlight the small cocktail lounge. A "settee" covered in black nagoyde follows two walls of the lounge, while the remainder of the seating for 42 is provided for with E. A. chairs and several tables.

Complete meals and sandwiches will be available from the stainless steel kitchen. Featured here are a grille stand complete with french fryer, grill and charcoal broiler.

The traditional Pro Shop is available here, while a basement room will be open for use as a meeting room for clubs, leagues, etc.

Facilities now open at the Waterford Hill Country Club include a Putt-It Golf Course and a driving range, with the 9 hole, par 3 golf course to be open soon.

The grand opening to be held this weekend (see page 5) will be an ideal time to inspect this pictorial clubhouse.

Watch Your Eyes Rather than Sun

"Serious damage to vision often results from viewing an eclipse of the sun" warns a spokesman for the Oakland County Medical Society.

A solar eclipse, visible from most of the United States and Canada, will take place on Saturday, July 20, 1963. Authorities anticipate a record number of viewers. This will also mean a record number of retinal burns unless some adequate precautions are taken to prevent them.

Retinal burns, like those caused by watching an atomic bomb explosion, are due to the thermal effect of visible and near infrared rays focused on the pigment structure behind the retina. The retina is insensitive to pain so people are not aware of the damage being done.

One can tolerate fleeting glances at the sun, but prolonged viewing often leads to temporary or permanent blindness. Ordinarily when we look at the sun directly we are only protected from injury by the fleeting duration of the glare; only on an unusually determined fixation is injury sustained.

Every eclipse has thus brought to light a number of injury cases; possible because the intensity of solar radiation is misjudged in the apparent twilight.

Previous experience indicates that the majority of the casualties will occur in children from 9 to 15 years old, and the majority of these will be boys. Persons who have had cataract surgery are also especially susceptible to damage. Even a short period of ten seconds watching an eclipse can be harmful.

Previous experience with eclipse burns of the eye indicates that ordinary colored lenses, smoked glasses, and the usual filters are poor and inadequate protection against eye damage.

No generally available filter is safe. Accidents to vision are more likely to happen if an individual attempts to watch an eclipse through a telescope, binoculars, or magnifying glass.

Those who insist on watching the eclipse should definitely consult their own eye physician for advice as to the safest filters to be used. However, no filter offers guaranteed protection. To be on the safe side the best advice is to stay home and watch television.

"BOBBINS" FROM BOB

During the regular meeting of the Independence Township Board held Tuesday night, the Oakland County Road Racing Corporation, a branch of the Oakland County Sportsmen's Club, was denied a special beer and wine license to sell beer during a sports car race the last of this month.

This is the second time in four years that this permit has been denied the club. The previous time was last month.

Property owners in the Pelton Heights subdivision adjacent to the race track have protested the issuance of the license due to beer cans and bottles thrown in their yards by spectators, and because of the increase of speeding traffic on their streets.

We wonder if these property owners are aware of the many ways this club benefits them, either directly or indirectly.

Monies derived partially by the sale of beer during the races is used for such worthy causes as feeding the wild animals in the winter and the club also built a road thru the Holly Recreation Area. Early in August many children will participate in a bike race at the track.

Concerning the speeding of spectators on the subdivision roads, it would seem logical for sheriff patrols to be on the streets in question when the races let out. We wholeheartedly can understand the property owners concern for the safety of their children and feel police patrol would help this situation immensely. The races held by the O.C.R.R.C.

Independence Township Board Denies Beer License For OCSC Road Racing Corporation

Over 125 people attended the regular meeting of the Independence Township Board Tuesday evening. According to Supervisor Hursfall, this was the largest attendance of his 6 years in office.

The large attendance was attributed to differences between the Oakland County Road Racing Commission and members of the Pelton Heights subdivision, located near the track.

Members of the subdivision opposed the issuing of a beer and wine license to the O.C.R.R.C. for their sports car race July 27 and 28, on the grounds that spectators are throwing debris over the track fence, onto their property. Mr. Gerald LaBonte, spokesman for the Pelton Heights subdivision, told of other opposition such as motorists leaving the track often speed through the subdivision. This point was argued to the negative by Leslie Smith, vice president of the Oakland County Sportsmen's Club, who pointed out that patrolled traffic, leaving the races, is directed from Pelton Rd. to Sashabaw or Waterford Rd. to U.S. 10.

A question - answer period, kept in hand by Mr. Hursfall, between O.C.S.C. members and residents of the P.H. subdivision brought out interesting pros and cons.

Q - Why is the selling of beer necessary? How does it enter into good sportsmanship?
A - The public in general asks for it (beer). It is sold under supervision in the spectators area and is not sold in the pit area.

Q - We are tired of the beer bottles and cans being thrown into our back yards. Why should we have to put up with this?
A - We have not sold beer in bottles for two years. When it was sold in bottles, the beer was emptied into cups at the concession stand. Bottles did not leave the stand. Receipts are provided throughout the

area. Why a certain few don't use these we do not know. (Editors note) One must not forget the cans, bottles and trash that are thrown along our streets and highways by these same "certain few" people with no respect for the other persons property or their country. Remember, the Litterbug attends everything from Little League ball games to races and even concerts!

Q - Spectators from the track drive through our streets at a high rate of speed!
A - Mr. Smith, "Don't you think it would be advisable to call in the Sheriff's Department?"

Following nearly an hour of questions and answers the board was asked to either approve or disapprove the special license. Following three requests by the supervisor for a motion from the board, and a very interesting speech by Frank Lawrence of Waterford Township, Mr. Hursfall entertained a motion to disapprove the license, seconded by Altman. These two board members were the only ones of the four board members present, that voted.

Mr. Smith, who pointed out that the club was never refused this license during their four years of operating the race track, but wished to meet with his attorney first.

To further add to the burden of the Sportsmen's Club, the Pelton Heights Assn. asked recently that a racing ordinance be adopted in Independence Township. The proposed ordinance in its early stages, was read and tabled for further discussion.

Davisburg Plans Blue and Grey Shoot

Festive activities will mark the Davisburg Jaycees' third annual Blue and Grey Shoot to be staged at the Davisburg Park on Saturday, July 27 starting at 10:00 a.m., and Sunday, July 28 from 10:30 a.m. to 6:30 p.m. beginning with a parade assembly.

The two-day shoot will include Pistol, Rifle and Cannon matches as well as games and rides. An Antique Show will be held in town with antiques being bought and sold. An open pit barbecue will begin at 4:00 Saturday afternoon with chicken as the main dish. Refreshments will be sold at the park during the entire two days.

The shoot will be comprised of members from the North-South

Skirmish Association representing all parts of the United States. These members will be participating in individual and unit competition with cannons and muskets. The musket shooters will vie for awards in marksmanship shooting at clay pigeons, dinner plates and balloons.

The North-South Skirmish Association first originated in 1950 with its objectives to preserve the history and spirit of the Civil War and to promote muzzle loading rifle shooting through the use of Civil War type weapons fired in the original manner, and also to encourage the preservation of Civil War material. The association also fires weapons and displays equipment and education of spec-

ment and accountments for the tators. All weapons to be used in the shoot will be authentic.

Members of this non-profit organization use original Civil War Company designations, names guidons, etc. Their uniforms are exact and authentic reproductions based on Civil War photographs and military records.

During the two-day event, the Davisburg Jaycees will be welcoming the 8th Michigan Calvary Association. The objections of this association is to promote a better understanding of the historical aspects of Oakland and Macomb Counties as a commemoration to the heroism of the men who fought for both North and South during the Civil War

Dance for Adults Friday Evening

This Friday evening from 8:00 to 11:00 o'clock the adults in the area are being given an opportunity for an evening of fun and relaxation at the first dance being held specifically for adults. The Recreation Department was contacted and informed that dances such as this would provide an evening of entertainment without being expensive. Appropriate music has been purchased for tomorrow night's dance so everyone tell their friends to come along for an enjoyable evening of dancing on the Senior High tennis courts.

Card Of Thanks

I wish to thank the many friends and neighbors, Drs. Bullard and Buehrig, the Sharpe-Goyette Funeral Home, and the Reverend David G. Ludwig who were so kind during and after the illness and death of my husband.

Mrs. Leo G. Srock

as a reminder of our National Heritage.

The 8th Michigan Calvary was formed in February of 1960 in tribute to the original 8th Regiment of the Michigan Calvary formed in the early months of 1863. This organization has actively taken part in over 30 North-South Skirmish Association muzzle loading shoots, has participated in parades throughout Michigan, and has re-enacted many of the battles fought by the original 8th Regiment in this and nearby states.

Greenfield Village is Setting For Candlelight Ceremony

Mrs. Paul F. Bennett

The Martha Mary Chapel at Greenfield Village, Dearborn, Michigan, was the setting for the marriage ceremony of Marjorie Ann Jordan and Paul F. Bennett Saturday, July 13. The Reverend Thomas Bailey, pastor of the Dearborn Woods Presbyterian Church, officiated at the candle light ceremony. The reception followed at the historic Clinton Inn located on the Village grounds.

Parents of the couple are the John M. Jordons of Dearborn and the Merle F. Bennetts of Clarkston.

The bride chose a crystal white peau-de-soie gown with embroidered Alencon lace on the bodice, designed with petal scalloped decollatage, brief shoulder-covering sleeves, a bell moon trip through the New England shaped skirt with court train of two States.

wattiau panel pleats. The camelot cap of the same lace held the multi-tiered veil of filmy illusion, waist length. She carried a bouquet of white roses and stephanotis cascade.

Gowned alike in pink were Linda Jordan, sister of the bride as maid of honor, and Sandra L. Kuhn of Dearborn, Mrs. William Sullivan of Detroit, and Judith McKewen of Birmingham, bridesmaids.

Daniel Althouse of Clarkston served as best man. Ushers were C. Vincent Luzie, William Sullivan and Leroy Volberding, Jr.

The newlyweds will make their home in Clarkston following a honeymoon trip through the New England States.

Clarkston Area Telephone Lines

By JOHN D. KAMEGO, Manager

IT'S NEVER TOO EARLY to learn . . . and that's true where the telephone is concerned, too. That's why it's such a good idea to teach young children how to use the telephone correctly—especially for emergencies. A child can easily learn how to dial the Operator—and, if need be, ask the Operator to call the police or fire department. When children understand what a phone is for and how to use it, they're less apt to regard it as a toy, or "play games" that could interfere with calls from people trying to reach you.

CAREFREE TRIPS are at your fingertips this summer . . . when you remember to phone ahead. It's really amazing how many summer-fun problems the phone can solve for you. And how many ways the phone can add to your fun! Like making sure of your reservations, on a two-week trip. Or inviting a friend to join you for a swim on a warm Saturday afternoon. And when you're on the move, Michigan Bell has 45,000 public phones to serve you. You'll find them alongside highways, near the beach, in stores and office buildings.

COST CONSCIOUS? Costs are on everybody's mind these days. And that goes for your telephone company, too. For example, Western Electric, the manufacturing and supply unit of the Bell System, recently developed a new method of making the familiar "plungers" for the handset cradle on telephones. The new method cuts nearly two cents from the cost of manufacturing each phone—an aggregate saving of over \$100,000 a year. Cost reduction is an everyday part of our job, helping us provide you with telephone service that is high in value, low in cost.

Driving is cap and gown stuff, too.

Bad driving comes from bad thinking. Thus, a great preventive of highway tragedy is sound driver education—like that which most of the 150,000 youths graduating from Michigan's high schools this month

fortunately will have had. But the brain as well as the reflexes should be used in driving regardless of whether you've ever attended a formal driving class. Study your own driving habits, today.

Fall Freshman Sample Campus Life At WMU

New freshman at Western Michigan University are getting a pre-taste of campus life in a two-day exposure during late June and July as the special orientation program is in full swing.

Some 2,500 students are expected to take part in the program of counseling, testing and advance registration. University residence halls are opened for them, with new groups registering on four days of each week. A social program is also planned.

With this part of beginning college out of the way, students pay their fees by mail, and report for beginning of classes on Tuesday, September 17.

Among those participating in the orientation program is Trudy Kobrak of Clarkston.

Rock Hunting "Gems"

Each year, more people are striking it rich in outdoor fun collecting rocks and minerals in Michigan. Specimens that may be worked into pendants, earrings, and other jewelry are found in a number of places with the foremost area being the Keweenaw Peninsula—"Copper Country." Shores of Lake Superior are some of the best collecting places; colorful agates and thomsonite are much sought after along pebbly beaches. Waste rock dumps of old copper mines offer excellent opportunities for finding such treasures as datolite. Another rock that takes a gem-like finish is jaspilite, found in the Marquette region of the "Iron Country." Garnet and magnetite are other popular collector's items from this country. Among the lower peninsula's outstanding display specimens are calcite crystals, located in limestone quarries near Monroe. The Potoskey stone, a fossil common in beach rubble along the south shore of Little Traverse Bay, rates high on the "wanted list" of many "gem" hunters. To learn more about rocks and where to find them, write the Department of Con-servations, Publications Room, Lansing 26, for a free copy of "Collecting Minerals in Michigan."

Salmon Loaf A Good Bet

CANNED SALMON forms the nutritious base for this colorful loaf which steams in a 1-quart mold to delectable perfection. Surrounded by peas and garnished with lemon slices, it becomes a handsome dish to set before family or guests.

Appetites are keen these wintry days, dishes that satisfy are in demand, and the prime requisites for a healthy diet are plenty of vitamins, minerals, and protein, combined with flavor and variety.

For all this, canned salmon is one of your best bets. It's easy to work with, available to all, and is an exceptional source of good nutrition. Apart from the loaf's honest flavor, you might serve boiled potatoes, golden with melted butter, and a salad of thinly sliced cucumbers, marinated in a dressing of oil and vinegar. A simple dessert and coffee completes a meal that has everything—flavor, quality, and economy.

DELECTABLE SALMON LOAF

- 1/2 cup butter or margarine
- 1/4 cup minced onion

- 3 eggs
- 1 cup fresh bread crumbs
- 1/2 teaspoon salt
- 1/4 teaspoon pepper
- 1 tablespoon lemon juice
- 1/4 cup minced parsley
- 1 1-pound can salmon

In a skillet saute onion in butter until golden. In mixing bowl beat eggs lightly. Stir in onion and butter, bread crumbs, salt, pepper, lemon juice, and parsley. Drain and flake salmon (save liquid for the sauce) and stir in. Turn into a buttered 1-quart mold and cover tightly. Place in a large kettle of boiling water, letting water come halfway up sides of mold. Cover and simmer for 1 hour. Turn out and serve hot with parsley sauce.

Sauce: Make a medium cream sauce, using salmon liquid for part of the milk. Flavor to taste with lemon juice and add plenty of minced parsley.

Mrs. Mary Jo Carlson and son Paul, Snowapple Dr. spent the week end at the family cottage on Higgins Lake. They are planning a two week vacation at the cottage starting July 20th.

Mr. and Mrs. Philip Stomberg and daughter Sheree, Clarkston Rd. arrived home by plane recently from Minneapolis, Minn. after visiting his parents, the Carl Stoubergs'. Mr. and Mrs. Stomberg Sr. will celebrate their 54th wedding anniversary in September. The happy couple are 81 years and 83 respectively. They have two children and three grandchildren.

Dinner at China City with Mom and Dad, marked the 14th birthdays of Gloria and Greg Seaman, twin children of your reporter, last Friday evening.

The James Leavers and family, Snowapple Dr. returned home late

Friday winding up a vacation in Niagara Falls, Canada. The scenic tour of Niagara On The Lakes, was taken for the return trip home.

Birthday Greetings go to: Bobette Buerhig, July 15th; Denise Jadwin, July 15th; Jacquie Leonard, July 16th; Sally Radoye, July 17th; Jane Utter, July 17th; Cathy Anderson, July 17th; Susan Huttenlocher, July 18th; Kristina Groninger, July 18th; Mark Richard, July 19th; Ricky Richards, July 20th; Martha Elliot, July 20th; Timmy Adams, July 20th; Mark Witherup, July 20th; Bruce Whitmer, July 21st and Diane Hoff, July 21st.

Mr. and Mrs. Melvin Pohlkotte, of Crabapple Dr. marked July 16th as their 8th wedding anniversary.

Mrs. Jean Roy, Mrs. Ronald Roy, Mrs. Richard A. Roy, and Mrs. Gerard A. Roy hosted a house warming for the John E. Roys' at their new home on Dale Ct. Cranberry Lake, Wednesday evening July 10th. This was also a reunion of the six sons and their families of Mr. and Mrs. Gerard A. Roy, guest of honor being Staff Sgt. Robert G. Roy of Denver Colorado. Other guests were; Mr. and Mrs. Randolph Nelson 5535 Clarkston Rd.

Mr. and Mrs. Edward Barnes and sons, Mark and Gary of Westminster, Maryland, visited friends Mr. and Mrs. Elmo Huntwork, Hillsboro Rd. enroute to Chicago. Mr. Barnes was with Elmo in the 8th army air force in England and France. They last saw each other December of '45.

Doreen Huntwork will return home this weekend completing a months vacation with her uncle and family, in Pinconning, Michigan.

How to Pamper A Sick Child

The third of a series of articles on CHILD'S PLAY written for parents of pre-schoolers by Rosella Bannister, a home economist and the mother of a pre-schooler.)

When a young child is well enough to be restless but not well enough to be up, it's Mom's job to make him comfortable, see that he has things to do, and be with him as much as possible.

Even a pre-schooler child likes to have a bell or a whistle so he can call Mom when he needs help or company. A few balloons tied to his bed will cheer your patient. A radio will help keep him company when you can't be there.

You can make a dandy bed tray out of a large pasteboard carton. A

competitive examinations given bi-annually. The promotions resulted from successful participation in the February tests.

Jay D. Campbell, machinery repairman third class, USN, son of Mr. and Mrs. Ralph J. Campbell of 8478 W. Ellis Rd., Davisburg, is serving aboard the attack aircraft carrier USS Hancock, a Pacific Fleet unit which is currently on six months deployment with the Seventh Fleet in the Far East.

The Hancock departed her home port, Alameda, California, June 7. Her cruise with Seventh Fleet includes drills and exercises in conformance with the fleetwide operational readiness inspection. This phase of training is conducted under simulated wartime conditions and shows the Hancock's operational capabilities.

Pearl Harbor, Hawaii, is the Hancock's first port-of-call on the cruise. Her crewmen will be able to see the memorial of the sunken World War II battleship USS Arizona, lost when the Japanese bombed Pearl Harbor. In addition, Hawaii offers sightseeing and recreation at Waikiki Beach, and at the numerous pineapple canneries, greenhouses and scenic areas of the island.

15 x 24 inch box that's about 10 inches deep is a good size. Remove the top flaps and cut semi-kneeholes from two sides of the box. Turn the box upside down and you have a tray for mealtime as well as for playing.

When he wants you nearby, try setting up the ironing board in his room and talk, tell stories or play games as you iron. You might mend and sew buttons on, or even wash the windows and woodwork in his room.

"I Spy" is a good game to play with your patient, and other children, while you're ironing. One of you is "it." "It" says I see something yellow" (or some other color). The players, in turn, try to guess what "it" sees. The player who guesses correctly then becomes "it".

Hang a shoe bag with pockets on the edge of the bed, a handy place for the patient to keep his treasures. Fill the pockets with such things as his favorite toys, crayons, and paper, blunt scissors, modeling clay, a mirror, a hand puppet, books and simple puzzles.

When a child's illness is short, the difficulty of caring for him is temporary, but when he is ill for a long time, the problem becomes more serious. How to Help the Shut In Child, a book by Margery D. McMullen, published by Dutton, has helpful suggestions for parents of children who face a long convalescence.

Veterans who still carry their Government Life Insurance under the RS prefix, 5 year term policy, will not be able to convert these policies to the 5 year limited term or permanent policies after that date and receive the special dividends. Why convert? You be the judge.

Your Present RS 5 Year Term
Premiums increase every 5 years.
No dividend.
No cash value.

The Offered 5 Year Limited Term
Premiums increase every 5 years but are about 2/3 less than the RS term.
One-time dividend.
No cash value.

The Permanent Policies
Premiums stay the same.
One-time dividend.
Cash value, loan value, extended and paid-up insurance after first year.

It is suggested that all those who carry the G. I. Insurance make sure the beneficiary selection is up to date.

Diamonds Are A Girl's Best Friend...

So goes the old song, but in today's busy world there's nothing more valuable to the homemaker than her Blue Star Gas Home with its efficient, dependable, fully-automatic gas appliances! In the Blue Star Gas Home, built-in gas servants take over major household chores... meals are turned out quickly and with little supervision, laundering is coordinated with daily chores, hot water is always available, trash and garbage can be disposed of indoors, ample refrigerator and freezer space save marketing trips and fingertip climate control keeps the family comfortably warm all winter. Forgotten is the old-fashioned refrain... today it's the modern miracles of natural gas that a girl prizes!

Solley - Thurley Rites Read; Honeymoon in Niagara Falls

Mrs. Grant Thurley

In a candle light ceremony Saturday, July 13 at 8 p.m., Allyn C. Solley, daughter of Mr. and Mrs. Alan F. Solley, 3819 M-15, Clarkston, became the bride of Thomas R. Thurley, son of Mr. and Mrs. Grant Thurley of 8000 Oakhill Road, Clarkston.

The marriage was performed at the Ortonville Baptist Church by the Reverend Roy Bufford. The bride, given in marriage by her father, wore an imported lace gown with a scalloped Sabrina neckline embroidered with tiny seed pearls and sequins. The basque bodice and long tapered sleeves complimented the full bouffant skirt. A queen crown of Alencon lace and crystals fashioned with a bouffant imported English illusion veil adorned her head. She carried a white Bible with a bouquet of White Roses and Stephanotis with rose bud streamers.

Matron of Honor was Mrs. Charles Adkins of Melvindale. Bridesmaids were Mrs. Charles Heichel of Union Lake, and Hazel Solley, sisters of the bride. The bridesmaids wore Aqua, silk, organza sheath gowns with detachable overskirts, and flat bows in the front of the skirts. Matching crowns with circuline Maline veils completed their ensembles. They carried bouquets of pink ranunculus.

Jennifer Saunders, cousin of the bride, served as flower girl wearing a floor length, white silk organza with aqua taffeta trimmings. Alan Dean Solley, brother of the bride, was ring bearer.

Serving as best man was Ronald Swanson. Ortonville ushers were Ed-

Four Local 4-H Club Members Attend Annual 4-H Club Week Romney Guest Speaker

"Education, Cornerstone to Democracy" was the title for the forty-fifth annual 4-H Club Week held on the campus of the Michigan State University at Lansing, Michigan, July 8th through 12th.

Local 4-H members who attended were Sandy Brooks of the Oakhill Club and Sharon Minard, Tim Stoyton and Gail Kilbourn of Ortonville Club.

The group left the County Extension Building at 8:30 a.m. on the 8th and arrived on campus at 10:30 a.m. When they reported to their counselors, they were given a name tag and a flag from one of twenty-one different countries. This flag represented the country to which the member was to belong for the coming week. Approximately 1200 members representing twenty different Michigan counties were present.

General assemblies were held in the morning, afternoon and evening, which the following speakers were present: Monday evening, Dr. Russell Mawby, who spoke on, "On The Lamb". Tuesday morning, David Gottlieb, whose message was "Education, A Matter of Survival".

Tuesday evening Mr. Charles Vetter spoke about "World Competition of Ideas". Wednesday morning, Mr. Charles Vetter again addressed the group on "The Challenge to Communicate." Wednesday afternoon, Amalie Vasold, "How Am I

ward Starky and William Solley, uncle of the bride.

Reception followed in the church parlors. Mrs. Solley chose for her daughters wedding an ivory beige, re-embroidered gown with pure silk organza over taffeta having a scoop neckline and a sheath skirt complimented with a side peplum. Matching accessories completed her ensemble. Mrs. Thurley chose a pale green Dacon dress with a round neckline and pleated skirt with white accessories. Their flowers were red roses.

The couple are honeymooning in Niagara Falls, Northern Michigan, and Canada. On return they will reside in Ortonville.

Doing?" Thursday morning, Polly Johnson Hanst "Rebel With A Cause".

Thursday afternoon the delegates were privileged to hear Governor George Romney whose topic was "Michigan, My Michigan". Also on Thursday Polly Johnson Hanst, "Let's Talk It Over". Friday morning, Reverend Robert Richards "My American Heritage".

Tuesday and Wednesday mornings career classes were held wherein each member selected two subjects from a total of thirty offered. Some of the subjects were: Agricultural, Business and Industry, Art, Biological Sciences, Conservation, Elementary Teaching, Engineering, Home Economics, Hotel and Motel Management, Landscaping, Mathematic and Physical Sciences, Medical Technology, Military, Music, Nursing, Teaching and Veterinary Medicine.

Skill classes were also held on Tuesday and Thursday. These skills were: Song Leadership, Social Dancing, Square and Folk Dancing, Party Mixers, Games for Club Meetings, Public Speaking, Parliamentary Procedure, Clothing, Modeling, News-writing, Know Your Manners, Photography, Peace Corps, Junior Leadership, Tennis and Evaluating Your 4-H Records.

From three to five each day there was relaxing recreation.

The educational and fun-filled week ended when the group returned to Pontiac Friday afternoon July 12th.

Chaperones for the Oakland County group were Mr. and Mrs. Gary Long.

The annual Methodist Church Chicken Barbecue will be served at the church August 3 beginning at 5:30 p.m. Tickets will be adults \$1.50, children 75c or \$4.50 for a family ticket. (This is the Ortonville Church).

Mr. and Mrs. William Sutton and Mrs. Cora Algoe spent the weekend at the home of the John Veencants at Allegan, Michigan.

Mr. and Mrs. Vernon Hutchings were guests at a private showing of travel slides by Mrs. Harry Whittaker in the County Service Building at Lapeer. The meeting which lasted from 10:30 A.M. to 5:15 P.M. included a potluck dinner. Present also to view the films were eight fellow travelers of Mrs. Whittaker and seven guests. Scenes were shown of Spain, Portugal, Italy, Lebanon, Israel, and Egypt.

Mrs. B. L. Hamilton, Mrs. Freeman Peace, their daughters Bonnie and Gwen and guest, Barbara Hemminger of Allen Park are enroute to Billings, Montana. They will stop off for a one week workshop at E.M.U. and will spend a week at the Grapho International at Chicago.

The dearth of news this week is due partly to the fact that there just wasn't much happening that was newsworthy and partly to the fact that the little rainstorm, gentle as it was, completely disrupted our local telephone system. On the day we should have been making calls to gather news for you, all our phone would produce was loud whistling and cracking noises.

The defunct telephone was merely the last straw. On the same day our sewing machine, electric mixer, washing machine and hot water heater all gave up the ghost together leaving us in complete frustration which reminds us of the plight of a friend of ours.

This fellow, whom we'll call Red Clark (because that really is his name and there isn't a chance in a million that he will ever see the Ortonville Eagle) was an apprentice typesetter and it was his first day on his new job.

He was too new on the job to know how to look busy but just at this time several of the big shots, whom he wanted to impress with his industry and initiative, happened to be standing near him. Desperately he looked around for something to do - and discovered just the thing! A large, heavy piece of sheet metal was used to cover the crack between the floor of the building and the floor of the elevator when it was necessary to wheel equipment trucks into the elevator. When the metal was in place the elevator couldn't be used. So helpful Red grasped the sheet firmly with both hands and started to drag it from the elevator.

Only it was heavier than he had thought and when the edge of the sheet reached the crack in the floor, it lodged there and, worse, began to slide down into the crack. Now, Red fought desperately to maintain his precarious grip on the slippery metal but it was just no use. The sheet metal gained momentum, sliding from Red's now frantic grasp and making an unearthly clatter and bang as it rocketed ten stories down the elevator shaft, cutting cables as it went and landing with a final gigantic crash in the basement.

There really isn't any point to all this except to prove as they say that "Some days you can't lay up a cent."

Girls, there's still time to enter the Miss Ortonville Contest. Just send your qualifications in writing to Mrs. Douglas Grovesteen, 3071 Grange Hall Rd. Ortonville. The public judging will be held July 26, 8-11 p.m. in the Brandon High School Gymnasium. The winner will compete in the Romeo Peach Festival Queen contest in August. The winner's crown is on display at the Colonial Floral Shoppe on Mill Street Ortonville.

About seventy members of the Ortonville Methodist Church congregation attended the reception held for Reverend and Mrs. Ardo Carmichael following the morning service last Sunday.

Mom's Unit No. 14 met at the home of Mrs. Alfred Smithling, 6595 Perryville Road, Holly, Michigan on Tuesday, July 16th at 12:30 for a potluck picnic and regular meeting.

Saturday, July 20th, is the date set for the big Ox Roast sponsored by the Brandon Democrats at the Bald Eagle Lake Resort from 2 p.m. on. They promise swimming, dancing and fun for all. Donation, \$1.75, Children 5-12 \$1.00.

The Board of Directors of Lake Louise Subdivision announce that there will be a meeting open to all residents, held at 49 Viola at 7:30 P.M. on July 20th. Unless the residents co-operate, this will be the final meeting of the Association and all equipment owned by the Association will be sold and the money taken in will be divided among those who were dues-paying members for the past two years.

In Groveland Township, attorneys for a gravel company are questioning the validity of the zoning ordinance. They base their challenge upon the premise that the required notice was not published in a newspaper within ten days after the ordinance was approved by the Township. Further details will follow when a determination has been made. It would be a tragedy for the township if it were shown that we had no ordinance after all the work some of the citizens put into getting one.

The Roaring Twenties Pinochle Club held their annual picnic at Richfield Park near Davisburg on Sunday, July 14. About forty-two adults and children were present for the sumptuous dinner prepared under the direction of Mrs. Anna Giroux, Mrs. Ted Freymiller and Mrs. Ralph Swinehart. Games for the adults and children were in charge of Mr. Ralph Swinehart, club president, Mr. and Mrs. Norbert Giroux and Mr. and Mrs. Bernard Giroux. The rain which threatened all day held off long enough for the group to have a successful outing.

The Groveland Go-Getters 4-H Club held a regular business meeting on Saturday, July 13th at the home of Mrs. Albert Smithling. They took in four new members, Peggy and Barbara Graves, Christine Schmidt and Valerie Moore, making a total of thirteen members. Plans were discussed for exhibits to the 4-H Fair to be held at the Pontiac 4-H Fair Grounds August 6-10. Christine Schmidt was the prizewinner for the games played. Refreshments were served by Betsy Fisher. The next work meeting will be Friday, July 19th at the Smithling residence. The next general business meeting will be August 17th after the Fair.

Boy Scouts of Troop 135 who are spending the week at Camp Agewam are: Bill Roman, Rodney Bradford, John Guishert, Don Perry, Paul Schoen, Mike Hubbs, Don Medlin, Vaughn Westerby, Eddie Westerby, Gary Barnes, Brent Pangus. Taking turns as counselors are Mr. Charles Stewart, Mr. James Bradford and Dr. Paul Schoen.

Seventeen members and their children attended the annual potluck picnic of the Groveland Hills Extension Club held last Wednesday at McFeely's Resort. This will be the last meeting of the group until September. When the Club reconvenes, Mrs. Bernice Burt will be chairman. Theres MacDiarmid and Pauline Westlake will be leaders.

Sunday, July 14th, the home of Mr. and Mrs. Lester Westlake of Jossman Road, Ortonville, was the scene of the Bidwell family re-union. About seventy-two people attended.

There really isn't any point to all this except to prove as they say that "Some days you can't lay up a cent."

Girls, there's still time to enter the Miss Ortonville Contest. Just send your qualifications in writing to Mrs. Douglas Grovesteen, 3071 Grange Hall Rd. Ortonville. The public judging will be held July 26, 8-11 p.m. in the Brandon High School Gymnasium. The winner will compete in the Romeo Peach Festival Queen contest in August. The winner's crown is on display at the Colonial Floral Shoppe on Mill Street Ortonville.

About seventy members of the Ortonville Methodist Church congregation attended the reception held for Reverend and Mrs. Ardo Carmichael following the morning service last Sunday.

ORDINANCE NO. 13 - VILLAGE OF CLARKSTON

An ordinance relative to the cutting down and destruction of noxious weeds.

The Village of Clarkston ordains: Section 1. That it shall be the duty of every owner, occupant or person having charge of lands in the Village of Clarkston to cut down or cause to be cut down all Canada Thistles, Mikweed, Burdock, Yellow Dock, or other noxious weeds, in each and every year, so often as necessary to prevent any such weeds going to seed.

Section 2. That any such owner, occupant or person shall, upon premises under his control, permit any such weeds to grow upon and

ripen so as to cause or endanger the spreading thereof, he shall upon conviction thereof, be punished by a fine not to exceed ten dollars and in default thereof be confined in the county jail for a period not to exceed ten days.

Section 3. That upon the refusal or failure of the owner or occupant to destroy the weeds as herein before provided, the Council of said Village may cause the same to be done and the expense thereof shall be a proper charge against the lands upon which any of such weed shall be cut by the order of the Council, and such expense shall be assessed against said lands by special assessment.

BY ORDER OF THE VILLAGE COUNCIL, PROPERTY LOCATED WITHIN THE VILLAGE LIMITS FOUND NOT COMPLYING TO OR-

DINANCE NO. 13, VILLAGE OF CLARKSTON, WILL BE MOWED BY THE VILLAGE AND THE PROPERTY OWNER ASSESSED ACCORDINGLY.

NOTICE

Moved by Altman, supported by Bennett, that the Township Ordinance No. 8, a Junk Yard Ordinance, be amended to include the following amendment, which shall be hereafter referred to as Sec. 1A; Definition: Of the said Ordinance:

THE TOWNSHIP OF INDEPENDENCE ORDAINS the following Amendment to Ordinance No. 8:

1A. A "junk yard" as used herein is defined to be any establishment or premises where worn out or discarded material is bought, kept, sold and/or stored; any premise upon which two or more unlicensed used motor vehicles which cannot be operated under their own power are kept or stored for a period of 15 days or more shall be deemed to be a "junk yard" within the meaning of this ordinance.

In the event any section, sentence, word, phrase or part of this ordinance shall be held invalid by a Court of competent jurisdiction, such holding shall not affect the balance of the provisions hereof.

Passed this 25th day of June, 1963 to become effective August 7th, 1963.
