"BOBBINS" FROM BOB

Seven in seven years! Seven drownings in seven years is the gruesome statistic of Clarkston's Deer Lake. The latest victim was a 12 year old from Drayton Plains, Shirley Ann Garten, daughter of Mr. and Mrs. Garfield Garten.

Shirley's death last Saturday might have been prevented if someone had not moved the markers placed along the safe swimming area by the Clarkston Jaycees. Deer Lake, known for its treacherous drop offs, was marked with barrels by the Jaycees this year to keep swimmers from the shelf-like drop-offs.

Whether the barrels were moved intentionally by vandals, or by swimmers playing around the barrels, is not known. The barrels, anchored with cement blocks, can be moved according to Lt. Donald Krutt, Safety Director of Oakland County Sheriff's Department.

What is to be done? The Jaycees have already marked the swimming area and are responsible for the telephone recently installed at the beach. In case of emergency, the operator may be reached by picking up the receiver and dialing 0. The Jaycees deserve a pat on the back for their efforts in making Deer Lake safer. But, what more can be done? When you swim at Deer Lake, watch for anyone moving the barrels and either tell them to stop or report them to the authorities.

Why not add a life guard? According to Lt. Krutt, a qualified life guard may be hired for the nominal fee of \$75 a week. Along with this, a tower would have to be built and a boat should be available for use by the life guard.

Services Held for John Day

Services for John B. Day, 64, of 7265 Pontiac Lake Rd., Waterford, were held at the Sharpe-Goyette Funeral Home Saturday, July 27, at 2:00 p.m. Brgd. Ernest Alder of the Salvation Army officiated preceding burial at the Lakeview Cemetery in Clarkston.

Mr. Day, a world War I veteran and former truck driver for the Pontiac division of the Salvation Army, died Thursday, July 25, at the St. Joseph Mercy Hospital following a two-week illness.

Surviving are his four daughters, Mrs. Tom Bliss of Waterford, Mrs. Joseph Thompson, Lowell, Michigan; Mrs. Donald Moore of South Haven, and Mrs. Eugene Schmus of Ada, Michigan; three sons, Mr. Robert C. Bown and Richard D. Brown, both of Clarkston, and Donald W. Brown, a resident of Pontiac.

A talk with Independence Township Supervisor, Duane Hurstall, gave us the spark of hope we needed. Mr. Hurstall said he was sure the Township Board would give much consideration to anything they might do to help make Deer Lake safe. Perhaps with the Village Council, Township Board and other civic groups working together, a life guard can be hired. Although donations would help, they can not be accepted until an organization is formed, (perhaps the 'Deer Lake Life Guard Association') and officers are elected. Anyone interested in joining such an organization please contact Mrs. Robert Wilson at the Clarkston News office. Your help and cooperation will be greatly appreciated.

Relay Races Planned Clarkston Jaycees Plan Golf Tourney

Clarkston's 10th annual swimming relay races will be held Saturday, August 3 at 11:00 a.m. on Deer Lake. A special race will feature two youngsters not yet seven. Carol "Mermaid" Warren will race Malcolm "Porpoise" MacDougall for the honor and glory of their sex and age.

Last year the boys won for their first victory against the girls in two years.

So far this year the girls have been giving the guys a rough time. On the boy's team Greg Matzel scored 5.6, Pat Galligan 5.8 and Jerry Cobb 5.9. The girls have placed 5.8 scored by Janice Norbey, and 6.0 scored by both Janet Cobb and Terry Len MacDougall. These are some of the best scores for both teams.

The best times for beginners were placed by Kurt Richardson with a 9.8, and Jody Hawks with a 10.6 time.

Members on the girls team are: Sara Doremus, Valerie Warren, Pat Mulchrome, Debbie Goyette, Patty Osbo, Diana Martin, Lori Jacky, Betsy McLay and Lynn Norbey. Others include Janet Cobb, Lynn Race, Mary Jo Cobb, Jill Norbey, Terry Lou MacDougall and Ann Lookadoo.

The boy's team includes Kevin Shaughnessy, Robert Studebaker, Blain Warren, Gary Stelmach, Tom Haweson, Tom Smith and Danny Waid. Others are George Bennett, David Elliott, Mark Smith, Jerry Cobb, Jim Navarre, Pat Galligan, Greg Matzel, and Frank Galligan.

All preparations have been made for the first annual Clarkston Jaycee Golf Tournament August 7. From the number of entries it looks like lots of fun for everyone. There is still four days left to register. Any boy from 7 to 17 years of age is eligible to compete. This is a handicap tournament thus a beginning golfer will have the same opportunity to win as the experienced golfer.

Four trophy awards will be presented. Two trophies will be presented in the Class "A" flight which will be for those boys 12 to 17 years of age. Two trophies will be presented in the Class "B" flight which will be for those boys 7 to 11 years of age.

Register now at Ronks Barber Shop in Clarkston or at the Clarkston Golf Course.

Area Church Breaks Ground

Ground breaking ceremonies were held recently for the new auditorium being erected by the congregation of the Dixie Baptist Church, Clarkston.

Limber Your Voices

The Dixie Baptist Church is located at 8585 Dixie Highway, Clarkston, Michigan.

The new \$150,000 structure is 75' x 110' and will accommodate 1,000 persons.

Immanuel Kimmich Builders of Birmingham is the contractor and Eldon Eroh of Pontiac is the architect.

The calls will ring out loud and clear, and don't be surprised if the livestock at the 11th annual Michigan State Fair gets a bit jittery during the husband-calling and hog-calling contests.

World championships will be at stake as the best husband-callers and hog-callers from around the nation compete for cash prizes.

Any farmer in the nation is eligible to compete in the hog calling. Any member of the gentler sex between 18 and 80 is eligible for the husband calling-provided she ever expects to have, now has, or did have a husband.

"So Says Sonja"

During our recent vacation in the U.P., we were viewing the upper Tequahmenon Falls when Melody spotted a hollow log. She said, "Boy Mommie, a bear could be in there. huh?" Mark, overhearing her question, got on his knees and looked through the log. He remarked, "Ya, Melody, a square bear could!"

— Visiting the lower falls we were abesssed with an urge to walk under the Falls, so we did, in our clothes. — Going swimming in your clothes is okay. That is, if you have another set of clothes to put on. Bob didn't — Melody approached me and asked me to feel her face. I did. Then she said, "It's so smooth because I use Dial soap. Don't you wish everybody did?"

— Children get more out of the TV commercials than they do out of programs. For instance one company advertisers repair for your flat tire, in a can. After the demonstration, the car with the fixed tire pulls away and leaves the can on the curb. Melody's only reply was, "Litterbug!" — Of course most everyone's seen the "Newlywed Mr. and Mrs. Gray" commercial. Can't help but chuckle over the way that scene would go in real life. — Now I'll go along with a dog, or even a cat on a leash, but when the children tied strings around two grasshoppers and took them for a walk, I was sure I'd seen everything.

Hey Mom, Susie's Eating the Aspirins

(The sixth in a series of six articles on CHILD'S PLAY written for parents of preschoolers by Rosella Bannister, a home economist and the mother of a preschooler.)

What should you do if your child climbed up to the medicine cabinet and ate an unknown amount of aspirin?

If you live in the Detroit area, call the Poison Information Center at Herman Kiefer Hospital, TRinity 2-3334, or the Poison Control Center at Children's Hospital, TEmple 3-1000.

The person who answers the phone will be qualified to tell you what to

do. If the child must go to the hospital, and if you don't have transportation, the Poison Center will notify the police to come to your home.

In the case of an overdose of aspirin, you will be told to give the child milk or water in order to get fluid into the stomach to dilute the poison.

Try to get the child to vomit by laying him over your knee in a spanking position and tickling the back of his throat. Get the child to the hospital as soon as possible.

If a 25 pound child eats 4 aspirin tablets, the dose is equivalent to a 150 pound adult eating 24 tablets.

In Uniform

Elton C. Houston, Jr., gunner's mate third class, USN, son of Mr. and Mrs. Elton C. Houston, Sr. of 6521 North View Dr., Clarkston, Michigan, is serving aboard the guided missile destroyer USS Lynde McCormick, which recently returned from a seven-month cruise with the Seventh Fleet in the Far East. During her deployment with the Seventh Fleet, McCormick participated in several major anti-air warfare exercises designed to test the capabilities of both fleet and shore-based units. Such operations also provide training for the units involved.

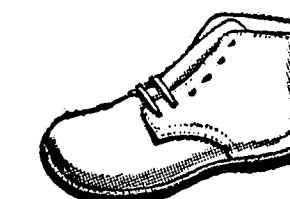

McCormick also conducted intensive anti-submarine training, using a U.S. submarine as the "enemy". One week was spent in combined anti-air and anti-submarine operations with ships of various British Commonwealth nations. During a ten-day period in April, the McCormick operated with four different task groups, two of which were separated by more than 1,500 miles.

Ports of call during the McCormick Seventh Fleet assignment included Yokosuka, Japan; Manila and Subic Bay, Philippines; and the British Crown Colony of Hong Kong.

The McCormick is a Pacific Fleet unit normally operating out of San Diego, California.

Rhinevaul Regains Supervisor's Office

Earl Rhinevaul, Groveland Township supervisor who apparently lost out to challenger, William Scramlin, in the Spring Election, has been reinstated in his office following a decision last Friday, July 26th in the court of Judge Dondero, Pontiac.

Mr. Scramlin was declared the victor for the office at the time of the election with a margin of two votes. A recount (in which the ballots were counted twice) resulted in a tie. Mr. Rhinevaul and his attorney elected to take the case to court rather than draw for the office.

In question were one ballot in which the vote for Alice Brooks had been blocked out and a sticker vote case for Wm. Scramlin and five ballots on which the voters had pasted the sticker for William Scramlin but did not put an "X" in the square.

Judge Dondero ruled that the blocked out vote was legal and that the ballots without the "X" could not be counted and thus the vote was a tie. He advised that the proper procedure was to draw for the office.

M. Rhinevaul drew the "elected" ballot from the box and has now been sworn in to office. Mr. Scramlin had been sworn in immediately following the election and has been serving in the capacity of supervisor and doing very well.

Earl told clerk Donald Titsworth that the township officers have all known each other a long time and they should have no difficulty in working together now.

Wed In Candlelight

Mrs. Gary Allan Williams

Mary Lou Ann Steele became the bride of Gary Allan Williams in a double ring, candlelight ceremony performed Saturday evening, July 20th, at the Ortonville Methodist Church, the Reverend Ardo Carmichel officiating.

The bride wore a gown of white chantilly lace with nylon inserts, the skirt scattered with rosebuds. Her crown of seed pearls held her fingertip veil. She carried a cascade bouquet of red rosebuds and white carnations.

Well folks, Howard Burt finished his wallpapering so he and Mrs. Burt could leave with a clear conscience for week's fishing in Canada. They were accompanied by Mrs. Floyd Bust and William Van Wermer.

Mr. and Mrs. Duane Porter of Boulder, Colorado are driving through Canada and will arrive in Ortonville for a ten day visit to the Howard Burt's. Mr. Porter graduated this year with a Phd from the University of Colorado.

Mr. and Mrs. Paul Poli recently returned from a two week's vacation in Florida.

Mrs. Lee Palshan recently entertained her mother, Mrs. Celia Daniels of Detroit for a week's visit.

Traveling through Canada to Niagara Falls and back across the new bridge at Sault Ste. Marie, were Mrs. Jean Garcia and her children.

Edna Mae Steele, of Clarkston, sister of the bride, was maid of honor. Her gown was yellow nylon. Bridesmaids Judy Williams and Mrs. James Quick of Ortonville, sisters of the groom, wore blue nylon.

Best man, John Noble of Ortonville, Fred Kwapis of Pontiac, and Everett Cleveland of Ortonville wore ice blue dinner jackets.

Flower girl, Debbie Williams, sister of the groom, was dressed as a miniature bride and carried a matching colonial bouquet.

Robert Steele, brother of the bride dressed similar to the ushers, was ring bearer.

For her daughter's wedding, Mrs. Joseph Steele of Clarkston, chose a pink brocade sheath gown with gold accessories.

Mrs. Norman Williams of Ortonville, mother of the groom, wore beige silk with orangeade accessories.

Following the ceremony, the two hundred guests were received by the bride and groom at the Mountain View Country Club at Maceeday Lake.

The newlyweds are now at home at Washington Street, Holly, Mich.

Hill - Wells Take Vows

Vows were taken by Trudy Jo Wells and William D. Hill Saturday, July 13th, at the Ortonville Methodist Church.

Present at the wedding were Mr. and Mrs. M. S. Wells of 3390 Bird Rd., parents of the bride and the Douglas Hills of Atlas, parents of the bridegroom.

The bride chose a floor length gown of silk illusion over taffeta with inserts of Chantilly lace on the skirt, bodice and sleeves.

A lace and pearl headpiece with

a pearl crown and a veil of silk illusion adorned her head. A white orchid surrounded by white carnations accented with blue lace was carried by the bride.

Bouquets of white gladiola decorated the church altar.

Maid of honor was Kathleen Burton with Janet Wagner and Evabelle Walker serving as bridesmaids.

Gaylord Spain, cousin of the groom, served as best man. Ushers were Omer Welty of Flint and Jerry Allen of Goodrich.

Peach Crop Under Last Year

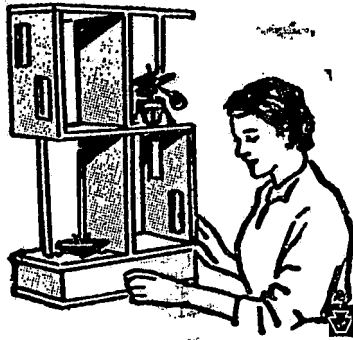

This year's peach crop is expected to total about 1 per cent less than last year. But this simple statistic hides more than it reveals about this year's production, particularly for the fresh market, reports the Consumer Marketing Information Agent, Mrs. Josephine Lawyer. Two types of peaches are included in the overall estimate - clingstones, used for canning, and freestones, used mostly for the fresh market. The clingstone crop is the largest on record, and this means plenty of canned clings next winter. The remaining freestone peach crop is the smallest since 1957, 7 per cent less than last year and 12 per cent less than average. Shoppers have been finding large

supplies of fresh peaches at markets during the past few weeks because of the exceptionally large crop in the South. But shipments from the South to metropolitan markets taper off sharply when the local crop matures. Michigan's peach production for this year has been estimated at 1.8 million bushels. This is nearly one-half below average, but more than one-tenth above last year.

Look for Michigan peaches beginning about July 25 for the Sun Haven variety. The season will last until about September 15. Remember that some of the finest varieties for canning and freezing arrive early in the season.
