CLARKSTON, MICHIGAN, THURSDAY, AUGUST 15, 1963

NUMBER 48

Local Man Succumbs

Charles D. Carr, prominent businessman and resident of 100 Wampole Drive, Clarkston, died last Monday, August 12, at Jennings Memorial Hospital in Detroit following an illness of several months. Mr. Carr was 72 years of age.

Services will be held Thursday (today), August 15, at 11:00 a.m. at the All Saints Episcopal Church in Pontiac. The Reverend Alexander T. Stewart of Episcopal Church of the Resurrection in Clarkston will be officiating. Final resting place will be the Lakeview Cemetery. Arrangements were made by the Lewis E. Wint Funeral Home of Clarkston.

A resident of Clarkston for 23 years, Mr. Carr was the accomplished owner and president of John V. Carr and Son Customs Brokers in Detroit. He was also a member of the Detroit Rotary Club for 40 years, and a member of St. Paul's Cathedral (Episcopal) Church of Detroit.

Surviving are Mr. Carr's wife, Katherine; three daughters, Mrs. Wallace Whitmer of Clarkston, Mrs. Richard Lowrie of Birmingham and Mrs. Alex Galton of Romeo; one brother, Edward Carr of Detroit and 10 grandchildren. Memorials may be made to the building fund of the Church of the Resurrection (Episcopal) in Clarkston.

FLOWER AND VEGETABLE SHOW SCHEDULED

The Oxford Garden Club is holding their 29th annual Flower and Vegetable Show on August 24 and 25 in the Danie Oxford School, corner of Crawford and Mechanic Streets in Oxford.

Visiting hours are Saturday, August 24 from 3:00 p.m. to 10:00 p.m. and Sunday, August 25 from 12:00 noon to 7:00 p.m. A warm welcome is extended to all to attend. Admission free.

"BOBBINS" FROM BOB

Should the Independence Township attorney represent any group within this township, who is bringing a complaint against another group in this township?

Of course not, but such is the case in the township right now! A court hearing has been ordered for August 26 by a number of residents of the Pelton Heights subdivision, against the Oakland County Sportsmen's Club Road Racing Association. Representing the Pelton Heights Association (as they are known) is the legal advisor for the Independence Township Board, Paul Mandel. Both of the named organizations are in Independence Township.

If the tables were turned, would not the Pelton Heights subdivision residents who are bringing the complaint, be alarmed to have their township attorney representing a group against them?

In my opinion Mr. Mandel should be discharged as the Independence Township attorney. This township has many fine, qualified attorneys within its boundaries. Why have we reached into Drayton Plains?

We constantly hear cries to persuade area residents to trade within their township. Does this not also go for governmental bodies?

According to Mr. Cash Bond, president of the O. C. S. C., the grounds of this club are available, free of charge, to sponsored organized groups or clubs, free of charge, simply by making an appointment.

Mrs. John Leslie Greene

Greene-Rohloff Vows Said in Saginaw

Vows were taken by Jane Elizabeth Rohloff and John Leslie Greene Saturday, August 10 at 3:00 p.m. at the First Presbyterian Church of Saginaw, Michigan. Dr. Henry W. Fischer officiated.

Present were parents of the bride, Mr. and Mrs. Hubert J. Rohloff of 2325 Mershon Street, Saginaw, and Dr. and Mrs. Leslie F. Greene of 9 N. Holcomb Street, Clarkston, parents of the groom.

The bride's dress of Ivory pure silk sheer over taffeta was ornately trimmed in matching Alencon lace around the neckling and down the sides of the controlled skirt. Three-quarter length sleeves, a fitted bodice and a chapel train with a peplum and bow in the back accented the gown. Her ivory veil of illusion was secured to a full-blown rose headpiece.

The bride's bouquet was a semi crescent of white roses, stephanotis backed with ivy.

Attending the bride was maid of honor, Miss Gail L. Smith of Saginaw, and bridesmaids, Miss Nancy Wilson of Saginaw and Miss Peggy Aylin Cole of Detroit.

The bridesmaids wore faulle taffeta floor length belle skirts styled with a fitted bodice, scooped neckline and elbow length sleeves. The back featured a self trim bow with a panel extending to the floor. Hogarth Line crescents of bronze daisy mums were carried by the bridesmaids. Each wore circle headbands of feathered yellow mums.

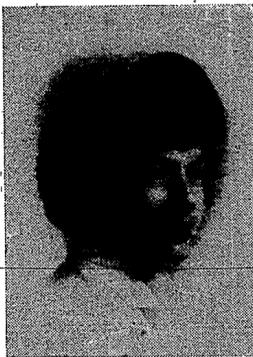

Best man was Mr. Jerry M. Goin of Berkley, Michigan. Attendants were Duane VerVoort of Saginaw, Bruce F. Sias of Drayton Plains, James A. Webb of Midland and John A. Dean of Port Huron.

The reception, held in the Garden and Crystal Ball Rooms of the Hotel Bancroft, featured a buffet dinner which served 300 guests.

After their honeymoon, the bride and groom will reside in Battle Creek where Mr. Greene is working for the International Harvester Company. The bride will be a member of the Springfield Schools teaching staff.

Both the bride and groom are 1963 graduates of Central Michigan University.

Engagement Told

Jean Louise Powell

The engagement of Jean Louise Powell to Thomas R. Humphreys, Jr. is announced by her parents, Mr. and Mrs. Jess C. Powell of 6300 Orion Road, Clarkston. Her fiancé, the son of Mr. and Mrs. Thomas R. Humphreys, Sr. of 355 South Marshall Street, Pontiac, is a student at R.E.T.S. Electronic Schools, Detroit. No date has been set for the wedding.

Art Classes Begin Soon

Enrollment will be taken for Children's Art Classes Saturday, September 14 from 1:00 to 4:00 p.m. at the home of Mrs. Helene Russell, 20 N. Main St. Clarkston. These eight-week courses will be

Vow Ceremony Planned for Young Colombiere Jesuits

Three young seminarians of the Society of Jesus will pronounce vows of poverty, chastity, and obedience on August 22 here in the community chapel at Colombiere College, the novitiate for the Detroit province of the Society of Jesus. Rev. Fr. Ara. F. Walker, S.J., Colombiere seminary rector, will receive the vows which, taken after a two year novitiate, are an important step towards the Roman Catholic priesthood.

The three are: Mr. Robert D'Amico, son of Mrs. Flora D'Amico of Detroit, Michigan; Mr. James Farrell, son of Mr. and Mrs. Arthur Farrell of Birmingham, Michigan; Mr. Sidley Sullivan, son of Mrs. Hazel Sullivan of Birmingham, Michigan.

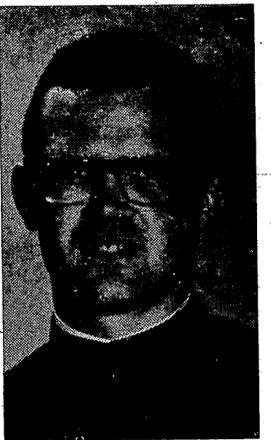

During the past year each of these seminarians has taught catechism weekly at Our Lady of the Lakes parish. This period of teaching serves as actual teaching experience wherein the young Jesuit can see the great need for teachers and priests in the world and thus will desire to dedicate his life to helping others both in body and soul.

These young Jesuits, in continuing their thirteen years training for the priesthood, will spend two more years at Colombiere College studying literature and humanities. Then they will go to West Baden College, West Baden, Indiana, for three years of philosophy. Next will come three years of teaching in one of the Jesuit high schools of the Detroit province. Finally, they will return to West Baden College for four years of theology with ordination to the priesthood following the third year.

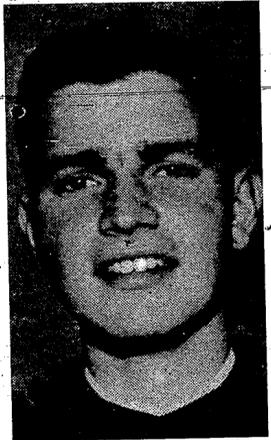

Players Group Stages Fairy Tale

The Lakeland Players will present "Rumpelstiltskin," their first Children's Theatre presentation, on Saturday, August 24 at 1:00 p.m., 3:00 p.m. and an evening performance at 8:30 p.m. at the C.A.I. Building, 5640 Williams Lake Road.

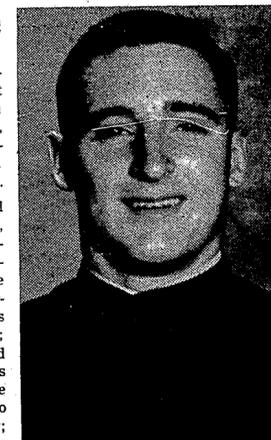

On Sunday, August 25 there will be a matinee at 3:00 p.m. The cast, directed by Tamara Ellsworth, includes: Rumpelstiltskin, Sharon Huffman; Mother Hulda, Jeannie Willette; Miller's Daughter, Charlotte Braden; Miller's Wife, Iris Babb; Miller, Jack McCaffrey; Gothol, Ralph Ellsworth; Inger, Ted Owen; King, Lee M. Pike; King's Son, Ken Behrend; Karen, Ellie Judd; Nurse, Gayle Brimer; Two Ladies in Waiting, Donna Helvey; Rene' Plautz; Pages, Collen Nowlan, Sandra Lane.

Pontiac Hospital Nurse Dies

Funeral services were held for Luella L. Elwell, 61, of 32 Murphy Street, Pontiac, Wednesday, August 14 at the Lewis E. Wint Funeral Home at the 2:00 hour. Dr. Paul S. Vanaman officiated. Burial was at the Harlan Cemetery in Hartan, Iowa.

A 1925 graduate from Wiseman Memorial Hospital School of Nursing in Harlan, Iowa, Mrs. Elwell died at her home following a brief illness Sunday, August 11.

Mrs. Elwell was a registered nurse at the Oakland County Contagious Hospital from 1929 to 1956 at which time she transferred to Pontiac General where she worked at the Nursery until time of her death.

Surviving are three sisters, Mrs. Leora Swicegood, Yucaipa, California, Mrs. Alta Johnson, Compton, California and Mrs. Pearle Bicker of Omaha, Nebraska. Also surviving are several relatives in the Clarkston area.

Funeral services were conducted by Ingvor Davison and Mrs. Eleanor Steiner.

Enrollment for Adult Art Classes will begin in September also. The place and the date will be announced later.

Please call Mrs. Sanford McLean, OR 3-1128 or Mrs. Jack A. Miesel, OR 3-6330 for any further information.

OCSC Annual Family Picnic Enjoyed by Members - Guests

Pictured above are several scenes from the activities of the Oakland County Sportsmen's Club Annual Picnic last Sunday. Top — Dozens of ears of corn were cooked at a time in this large kettle and sold for a dime. The remaining scenes show the young children's penny scramble, and a balloon breaking game.

News on Area Servicemen

Charles L. Ott, fire control technician third class, USN, son of Mr. and Mrs. Lawrence Ott of 5030 Cecelia Ann, Clarkston, is serving aboard the guided missile frigate USS William V. Pratt, an Atlantic Fleet unit participating in the Navy's guided missile improvement program.

In keeping with her present missile improvement role, the Pratt recently completed operations in the San Juan, Puerto Rico area.

During the past months the ship has fired more than 40 missiles, obtaining several "firsts" for surface-to-air missile operations afloat. Equipped with the Tarrier, a two stage supersonic weapon, Pratt is one of 10 COONTZ-class guided missile frigates.

In addition to the missile system, Pratt also carries conventional armament.

Commissioned in November 1961, Pratt operates out of Norfolk, Va.

Navy WAVE Emily E. Bullard, seaman apprentice, daughter of Mr. and Mrs. Wilburn Lawson of 11855 Shaffer Rd., Davisburg, Mich., recently completed Disbursing Clerk Class "A" School, graduating in ceremonies conducted at the Naval Supply School, Newport, R.I.

The 11-week course covered payroll records and allowances, naval accounting systems and naval correspondence.

Festivities Planned for Clarkston

This coming Labor Day weekend will mark the Annual Clarkston Village Days to be Friday, August 30 and Saturday August 31.

Included in the holiday activities will be a sidewalk sale with each merchant participating. Drawings will be made and many prizes given away by each dealer.

Featured will be rides and a seat belt clinic sponsored by the Clarkston Area Jaycees.

Save your money for the fantastic bargains which will be available at this time!

Watch this newspaper for additional information.

Clarkston Schools Enrollment Increases

The 1962-63 school enrollment was 4323 students of which 441 were kindergarten enrollees and 160 were seniors.

The 1963-64 school enrollment is expected to exceed 4500. Kindergarten and graduation classes are expected to remain about the same as last year.

The new summer driver-training course was completed by the first of August and some 300 children satisfactorily completed the requirements for obtaining a drivers license during this six week summer session. The program, although experimental, was deemed very satisfactory both from the students and the schools view point. Driver training will not be offered again in the curriculum until the summer session of 1964 at which time all resident students meeting the age requirements are eligible to enroll.

Progress on the specifications and drawings for the proposed new elementary school should be ready for publication and acceptance of bids by late September. This will mean that if there is a successful bidder that construction of the new elementary should be underway by early October.

The willing response of the electorate to support an increase in the operation millage that resulted in an improved employee salary schedule has enabled the school district to successfully complete its staff with well qualified personnel for the ensuing year.

Approximately three quarters of the necessary summer building and ground renovating and refurbishing has been completed to date and it is believed that everything will be completed in ample time for the opening of the fall term.

Display sign — A structure or device that is arranged, intended, designed or used as an advertisement, announcement of direction; and includes a sign, sign screen and advertising devices of any kind.

Ground sign — A display sign supported by uprights or braces in or upon the ground surface.

Marquise sign — A display sign attached to or hung from a marquise, canopy, or other covered structure projecting from and supported by the building and extending beyond the building wall, building line or street lot line.

Open sign — A display sign in which at least fifty (50) percent of the enclosed area is uncovered, or open to the transmission of wind.

Projecting sign — Projecting sign means a sign which is affixed to any building or structure and any part of which extends beyond the building wall or parts, thereof, structure, building line or property line more than eighteen (18) inches.

Roof sign — A display sign which is erected, constructed and maintained above the roof of the building.

Temporary sign — A display sign banner or other advertising device constructed of cloth, canvas, fabric or other light temporary material, with or without a structural frame, intended for a limited period of display; including decorative displays for holidays or public demonstrations.

Wall sign — A display sign which is attached directly to the building wall and which extends not more than eighteen (18) inches from the face of the wall.

SECTION 2.0 PLANS, SPECIFICATIONS AND PERMITS:

2.1 OWNERS CONSENT — Before any permit is granted for the erection of a sign or outdoor display structure, plans and specifications shall be filed with the Township Building Inspector showing the dimensions, materials and required details of construction including loads, stress and anchorage. The applications shall be accompanied by the written consent of the owner or lessee of the premises upon which the sign is to be erected.

2.2 NEW SIGNS — No new sign shall hereafter be erected, constructed or altered except as herein provided and until after a permit has been issued by the building official and the bond, where required, shall have been filed in accordance with Section 8.

2.3 ALTERATIONS — No sign shall be enlarged or relocated except in conformity to the provisions of the ordinance for new signs, nor until a proper permit has been secured. The changing of movable parts of an approved sign that is designed for such changes, or the repainting or repositioning of display matter shall not be deemed an alteration provided the conditions of the original approval and the requirements of this article are not violated.

SECTION 3.0 EXEMPTIONS. No permit shall be required for the signs or outdoor display structures covered by the provisions of this section. Such exemptions, however, shall not be construed to relieve the owner of the sign from responsibility for its erection and maintenance in a safe manner.

(A) WALL SIGNS — The wall signs herein listed shall not require a permit.

(B) PAINTED SIGNS — Signs painted on the surface of masonry, concrete, frame or other approved building walls;

(C) GOVERNMENT BUILDING SIGNS — Signs erected on a municipal, state or federal building which announce the name, nature of occupancy and information as to use or admission to the premises;

(D) OTHER WALL SIGNS — Any wall sign erected on a building or structure, which is not more than two (2) feet in height and fifty (50) feet in length or two (2) feet in width and six (6) feet in height;

(E) FENCE SIGNS — Signs painted on the surface of enclosure or division fences, or on picket or other ornamental fences.

(F) GROUND SIGNS — The ground signs herein listed shall not require a permit:

(1) Any ground sign, the top of which is not over six (6) feet above the ground nor more than sixty (60) square feet in area.

(G) TRANSIT DIRECTIONS — The erection or maintenance of a sign designating the location of a transit line, a railroad station or other public carrier when not more than three (3) square feet in area;

(H) STREET SIGNS — Signs erected by the municipality for street direction.

(I) TEMPORARY SIGNS — The temporary signs herein listed shall not require a permit.

(1) Construction Signs — Construction Signs, engineers "and architects" signs and other similar signs which may authorized by the building official in connection with construction operation.

(J) PROJECTING SIGNS — No permit shall be required for any projecting sign less than two (2) square feet in area and not projecting more than three (3) feet from the face of the building.

SECTION 4.0 UNSAFE AND UNLAWFUL SIGNS:

4.1 NOTICE OF UNSAFE SIGNS — When any sign becomes insecure, in danger of falling, or otherwise unsafe, or if any sign shall be unlawfully installed, erected or maintained in violation of any of the provisions of this code, the owners thereof or the person or firm maintaining same; shall upon written notice of the Building Inspector, forthwith in the case of immediate danger and in any case within not more than ten (10) days, make such sign conform to the provisions of this Ordinance or shall remove it.

If within ten (10) days the order is not complied with, the building inspector may remove such sign at the expense of the owner or lessee thereof.

4.2 UNLAWFUL SIGNS

(A) EGRESS OBSTRUCTIONS — The building official shall notify the owner or lessee of the building or structure by registered mail to remove same whenever a sign is so erected as to obstruct free ingress to or egress from a required door, window, fire escape or other required exitway.

(B) PROJECTING SIGNS — A projecting display sign erected at other than right angles to the wall of a building or structure outside the building line which extends beyond the roof cornice or parapet wall, or above the roof level when there is no cornice or parapet wall and which obstructs access to the roof is hereby deemed unlawful. Such signs shall be reconstructed or removed as herein required.

SECTION 5.0 MAINTENANCE AND INSPECTION: The building inspector may order the removal of any sign that is not maintained in accordance with the provisions of this Ordinance.

5.1 MAINTENANCE — All signs for which a permit is required, together with all their supports, braces, guys, and anchors shall be kept in repair in accordance with the provisions of this Ordinance; and when not galvanized or constructed of approved corrosion-resistive non-combustible materials shall be painted when necessary to prevent corrosion.

5.2 INSPECTION — Every sign for which a permit has been issued and every existing sign for which a permit is required including roof, ground, wall, marquis and projecting signs, shall be inspected by the Building Inspector from time to time and as nearly as possible once a year.

5.3 LICENSES FOR MAINTAINING SIGNS — No sign for which a permit is required shall be maintained unless the owner thereof shall have a license therefor.

5.32 PERMIT TO BE ORIGINAL LICENSE — The permit required

herein for erecting a sign shall also be a license to maintain such sign until the first day of January next following in the case of signs erected prior to September 1st of any year and until a year after the first day of January next following in the case of signs erected after September 1st of any year.

5.33 SUBSEQUENT LICENSES — At the expiration of the original license, the owner of every sign shall renew his license to maintain such sign annually.

5.34 FEES — Maintenance licenses shall be obtained from the Township Building Department upon payment of such fee as hereinafter provided.

(A) THE SCHEDULE OF FEES SHALL BE:

| | |
|-------------------|------|
| Combination Signs | 3.50 |
| Display Signs | 2.00 |
| Ground Signs | 3.00 |
| Marquise Signs | 5.00 |
| Projecting Signs | 5.00 |
| Roof Signs | 5.00 |
| Wall Signs | 3.00 |
| Temporary Signs | 1.00 |

ANNUAL INSPECTION RENEWAL PERMIT FEE:

| | |
|-------------------|------|
| Combination Signs | 2.00 |
| Display Signs | 2.00 |
| Ground Signs | 1.50 |
| Marquise Signs | 2.50 |
| Projecting Signs | 2.50 |
| Roof Signs | 4.00 |
| Wall Signs | 1.50 |

5.35 EXPIRED LICENSES — Signs maintained after the expiration of maintenance license shall be removed. If the owner shall fail to remove such sign when notified in writing to do so the Building Inspector shall cause such sign to be removed. Failure to remove any such sign shall be a violation of this ordinance.

SECTION 6.0 EXISTING SIGNS:

6.1 REMOVING OR RECONSTRUCTING SIGNS — No sign heretofore approved and erected shall be altered or moved, nor shall any sign, or any substantial part thereof, which is blown down, destroyed or removed, be re-erected, reconstructed, rebuilt or relocated unless it is made to comply with all applicable requirements of this Ordinance.

6.2 REPAIR OF UNSAFE SIGNS. This section shall not be construed to prevent the repair or restoration to a safe condition as directed by the building inspector of any part of an existing sign when damage by storm or other accidental emergency.

6.3 RELOCATING SIGNS — Any sign that is moved to another location either on the same or to other premises shall be considered a new sign and a permit shall be secured for any work performed in connection therewith when required by this article.

SECTION 7.0 IDENTIFICATION: — Every sign for which a permit has been issued and hereafter erected or constructed shall be plainly marked with the name of the person, firm or corporation owning, erecting or operating such sign.

SECTION 8.0 FILING BOARD — No person shall erect, install, remove or rehang any sign for which a permit is required under the provisions of this code until an approved photograph shall have been filed in the sum of One Thousand (\$1,000.00) Dollars as herein required.

Such bond shall indemnify, save and keep harmless the Township of Independence from any and all costs, damages or expenses of any kind whatsoever which may be suffered by said township, or which it may be put to, or which may accrue against it by charging to or recovering from said Township of Independence from or by reason of the granting of permission to erect said signs, or reason of any acts or things done under or by authority or permission granted by the Building Inspector to erect such signs in said Township of Independence, or by reason of the negligence, failure or refusal of any person, firm or corporation to comply with all the provisions of this ordinance applicable to such signs.

8.1 NOTICE OF CANCELLATION — The obligation herein specified shall remain in force and effect during the life of every sign and shall not be cancelled by the principal or surety until after thirty (30) days notice to the Building Inspector.

SECTION 9.0 GENERAL REQUIREMENTS FOR ALL SIGNS: All signs shall be designated and constructed in conformity to the provisions for materials, loads and stresses of Articles 7 and 8 of the Basic Building Code (Latest Edition) and the requirements of this Ordinance.

9.1 DESIGN LOADS — The effect of special local wind pressures shall be thoroughly considered in the design; and except as approved by the building official. No roof sign, except skelton parapet signs, shall be placed so that the face of the sign shall come within three (3) feet of the inner plane of the outer wall of the building upon which it is placed.

9.2 ILLUMINATION — No sign shall be illuminated by other than electrical means and electrical devices and wiring shall be installed in accordance with the requirements of the National Electrical Code. In no case shall any open spark or flame be used for display purposes.

9.3 OBSTRUCTIONS TO EXITWAYS — No sign shall be erected, constructed or maintained so as to obstruct any fire escape, required exitway, window or door opening used as a means of egress or to prevent free passage from one part of a roof to another part thereof or access thereto for the municipal fire-fighting forces.

9.4 OBSTRUCTION TO VENTILATION — No sign shall be attached in any form, shape or manner which will interfere with any opening required for ventilation except that such signs may be erected in front of and may cover transom windows when not in violation of the provisions of this code.

9.5 USE OF COMBUSTIBLES — Wood or approved plastic or other materials of combustible characteristics similar to wood may be used for moldings, cappings, nailing blocks, letters and latticing and for other purely ornamental features of signs.

9.6 SIGN FACINGS — Sign facings may be made of approved combustible plastics when complying with the general requirements and the areas listed below:

NON-ILLUMINATED AND EXTERNALLY ILLUMINATED SIGNS (OTHER THAN GROUND SIGNS) INTERNALLY ILLUMINATED FLAT AND SKELTON PARAPET SIGNS.

| Area of Facing or Display Surface | Area Occupied or Covered by Plastics |
|---|---|
| 100 square feet or less | 100 per cent of display surface area. |
| Over 100 square feet but not over 300 square feet | 100 square feet plus 50 per cent of the difference between 100 square feet and the area of the display surface. |

INTERNALLY ILLUMINATED ROOF, PROJECTING AND MARQUISE SIGNS

| Area of Facing or Display Surface | Area Occupied or Covered by Plastics |
|---|---|
| 100 square feet or less | 100 percent of display surface area |
| Over 100 square feet but not over 300 square feet | 100 square feet plus 25 percent of the difference between 100 square feet and the area of the display surface |

GROUND SIGNS

| Area of Facing or Display Surface | Area Occupied or Covered by Plastics |
|-----------------------------------|--------------------------------------|
| 300 square feet or less | 50 per cent of display surface area |

9.53 WOOD POSTS — Wood posts shall not be used for the construction of pole-supported projecting signs.

9.6 PAINTING AND PROTECTION — All signs for which a permit must be secured, must be erected in such a manner and with such material as to remain safe and secure during the period of the original maintenance license and all bolts, cables and other parts of such signs shall be kept painted and free from corrosion by the erector during this time.

SECTION 10.0 ROOF SIGNS:

10.1 MATERIALS — All roof signs shall be constructed entirely of metal or other approved noncombustible materials except as provided in 9.5. Provisions shall be made for electric ground of all metallic parts; and where combustible materials are permitted in letters or other ornamental features, all wiring and tubing shall be kept free and insulated therefrom.

10.2 CLEARANCE — There shall be a clear space of not less than five (5) feet between the lowest part of the sign and the roof level except for necessary structural supports

line of any alley. No such sign shall have its inner edge more than two (2) feet from the wall upon which it is erected.

10.3 CLOSED SIGNS — A closed roof sign shall not be erected to a height greater than twenty-five (25) feet above fireproof and noncombustible buildings nor more than twelve (12) feet above the roof of non-fireproof buildings.

10.4 OPEN SIGNS — An open roof sign shall not exceed a height of twenty-five (25) feet above the roof of buildings of fireproof and noncombustible construction; and not more than twelve (12) feet above the roof of nonfireproof buildings of construction.

10.5 COMBUSTIBLE SUPPORTS — No roof sign which exceeds twelve (12) feet in height shall be supported on or braced to wooden beams or other combustible construction of a building or structure.

10.6 SKELTON PARAPET SIGNS — Skelton parapet signs will be permitted, providing they are built entirely of metal or approved noncombustible material. A base may be provided not more than twelve (12) inches in height with skelton letters erected thereon not exceeding three (3) feet in height above the base nor more than twelve (12) inches in thickness. The length of the sign shall not exceed fifty (50) per cent of the length of the parapet wall upon which it is erected. Such signs must be erected entirely separate from the parapet wall with an independent support from the roof or other suitable structural members.

10.7 ORNAMENTAL FEATURES — Ornamental features may be added to roof signs not to exceed six (6) feet above the permissible height of the sign and ten (10) per cent of the closed area.

SECTION 11.0 WALL SIGNS:

11.1 MATERIALS — Wall signs for which permits are required in Section 2 shall be constructed of metal or other approved noncombustible materials except for nailing rails and as provided in Section 5.

11.2 REFLECTORS — Lighting reflectors may project eight (8) feet beyond the face of the wall provided such reflectors are at least twelve (12) feet above the sidewalk level; but in no case shall such reflectors project beyond a vertical plane nearly two (2) feet inside the curb line.

11.3 EXTENSION — Wall signs shall not be erected to extend above the top of the wall, nor extend beyond the ends of the wall to which they are attached unless meeting all the requirements for roof signs, projecting signs or ground signs as the case may be.

11.4 CLEARANCES — No flat signs shall be more than eighteen (18) inches thick, and no such sign projecting over public property shall be erected less than eight (8) feet six (6) inches above any sidewalk, or less than fifteen (15) feet above an alley. In no case shall any signs be allowed to cover any windows or exit doors, except as provided in Section 9.4.

SECTION 12.0 PROJECTING SIGNS:

12.1 MATERIALS — Projecting signs shall be constructed entirely of metal or other approved noncombustible materials except as provided in Section 9.5.

12.2 MAXIMUM SIZE AND PROJECTION. (A) — Projecting signs which are illuminated with lights in or on the sign shall not exceed ninety-six (96) square feet in area except that projecting signs of greater area, but not exceeding two hundred (200) square feet, will be permitted provided that the structural supporting members shall be so designed as to require no auxiliary supports of any sort.

(B) Projecting signs which are not illuminated, or which are illuminated only with reflectors or flood lights, shall not exceed thirty-two (32) square feet in area and the maximum projection shall not exceed nine (9) feet.

(C) No swinging sign shall be constructed larger than sixteen (16) square feet in area.

(L) The thickness of a non-rigid sign shall not exceed sixteen (16) inches but a sign may be made in two (2) portions joined at one (1) point similar to a letter "V" provided the least angle of intersection does not exceed ninety (90) degrees and the total projection from the building does not exceed ten (10) feet.

(E) No sign shall project more than fourteen (14) feet nor up to a point five (5) feet from the center

12.3 No sign shall be erected so that any part of it, including cables, guys, etc., will be within four (4) feet of any electric light pole, street lamp, or other public utility pole or standard. The minimum clearance of a sign from public utility conductors shall be not less than twenty-four (24) inches from conductors carrying not over six hundred (600) volts, and four (4) feet for conductors carrying more than six hundred (600) volts.

In all cases where a sign is proposed to be hung adjacent to an electrical conductor carrying a higher voltage than six hundred (600) volts, the erection of the sign shall not be made until a representative of the Public Utility Company shall have examined and approved the conditions.

SECTION 13.0 MARQUISE SIGNS:

13.1 MATERIALS — Marquise signs shall be constructed entirely of metal or other approved noncombustible materials except as provided in Section 9.5.

13.2 HEIGHT — The height of such signs shall be limited to the equivalent of one-fifth (1/5) of the length of the marquise. For marquise fifteen (15) feet or less in length, the fascia of the marquise shall not be included in determining the height of the sign. (The length of the marquise shall be taken as the horizontal distance of the face of the building or structure.) The bottom of such signs shall not be less than eight (8) feet six (6) inches above any sidewalk. Such signs shall not extend beyond the ends of the marquise.

13.3 LENGTH — Marquise signs may extend the full length but in no case shall they project beyond the ends of the marquise.

SECTION 14.0 CLOTH AND BANNER SIGNS:

No permit shall be required for the erection of any cloth, pennant or banner signs, but the erector thereof shall notify the Building Department in writing of the erection of such sign, giving the date of erection, address where erected, and the name of erector. No such signs shall be suspended across or project into any public street or alley. No such sign shall exceed two (2) feet in least dimension or one hundred (100) square feet in area and not more than one (1) such sign shall be placed upon any building for each story in height and when two (2) or more signs are erected on any building, they shall be separated vertically by the height of one (1) story less the width of sign or horizontally by a distance of at least nine (9) feet. All such signs shall be strongly constructed and securely attached flat against the building. They shall not obstruct any door, window or fire escape. They shall be removed as soon as torn or damaged and in any case sixty (60) days after erection. It shall be a violation of this Ordinance to fail to notify the Building Department of the erection of such signs or to fail to remove them after sixty (60) days.

SECTION 15.0 ILLUMINATED SIGNS:

15.1 CERTIFICATES — All electrically illuminated signs shall be certified as to wiring and devices by the Electrical Inspector and all wiring and accessory electrical equipment shall conform to the requirements of the National Electrical Code.

15.2 LIMITATIONS — Permits shall be issued for the erection or maintenance of illuminated signs within the limitations set forth in this article for the location, size and type of sign or outdoor display.

15.3 RELETTERING SIGNS — The requirements of this section shall not apply to the relettering of illuminated signs, except where such relettering requires a change of wiring or piping of the sign.

SECTION 16 SEVERABILITY — Should any sentence, phrase or section of this Ordinance be held unconstitutional or invalid, such holding shall not be construed as affecting the validity of any of the remaining provisions or sections of this Ordinance.

SECTION 17 PENALTY — Any firm, corporation or person who is convicted of violating any of the provisions of the Ordinance shall be fined not less than \$25.00 nor more than \$100.00 plus costs of prosecution for each offense or shall be punished by imprisonment in the County Jail for a period not to exceed 90 days for each offense, or may be both fined and imprisoned as provided herein.

In Uniform

Elton C. Houston, gunner's mate third class, USN, son of Mr. and Mrs. Elton C. Houston, Sr. of 6521 Northview Dr., Clarkston, serving aboard the guided missile destroyer USS Lynda McCormick, is a member of the ship's rugby team.

The McCormick recently returned from seven months duty with the Seventh Fleet in the Far East.

While on the cruise McCormick crewmen learned that rugby, the ancestor of football, is played in many of the countries visited and that most British Commonwealth ships have rugby teams.

McCormick's rugby team was organized in February, playing their first game with a team representing the New Zealand ship HMNZS Taranaki. The New Zealand team challenged the Americans after losing a softball game to the McCormick sailors. Taranaki provided a coach and several key players to aid them in learning rugby; after a short practice session, McCormick won the game.

Shortly after, in Hong Kong, McCormick's team challenged two other British ships to rugby matches. Since organizing the team, McCormick crewmen have played other matches in the Far East, competing with people of five different nations. The McCormick is a Pacific Fleet unit and normally operates out of San Diego, California.

Groveland Twp. Board Meets

Groveland Township Board met on August 5th and continued the meeting on August 12th because all of the business could not be completed in one meeting.

The main business of the first meeting night was the adoption of a resolution of intent to adopt a building code in connection with the Township zoning ordinance.

There were several local citizens present to protest the operation of a gravel pit which began operation without authorization by zoning officials or members of the Township Board. No immediate promise of solution of the problem was offered by Supervisor Earl Rhinevault.

The Board accepted the resignation of Constable Paul Ballow. The Township attorney, Mr. McKinney also declined to represent the township in further legal matters.

At the second meeting a letter from Mrs. Burek was received and placed on file stating that the gravel pit was detrimental to the operation of her motel business because of the dust and noise.

Supervisor Earl Rhinevault assuming office for the first time since the contested April election, refused to sign a voucher to pay the salary of William Scramlin who had been sworn in immediately after the election. He demanded that a bill be presented before a voucher could be signed. The other Board members

Celebrate Silver Anniversary Year

Sunday, August 11, Saint Anne Parish, Ortonville, honored their pastor Father John Hardy on the occasion of his twenty-fifth year of service. Events of the day included a 9:00 a.m. Mass of Thanksgiving for Parishioners; 1:00 p.m. Mass of Thanksgiving for out of town visitors; 2:30 p.m. Jubilee Banquet at Brandon School and 5:00 - 7:00 p.m. Reception at Brandon School.

Father Hardy was born and baptized in St. Vincent Parish, Detroit, on the border of "Old Cork Town". His days of formal education were spent in St. Vincent Grade School; Divine Child Hall, Monroe; and St. Cecilia High School, Detroit. His Seminary training began at Sacred Heart Minor Seminary, Detroit, and continued at Mt. St. Mary Major Seminary, Cincinnati, Ohio.

On June 11, 1938 Father Hardy was ordained to the Holy Priesthood at Blessed Sacrament Cathedral, Detroit, by Archbishop Mooney, who later became Cardinal Mooney. His First Solemn Mass was offered at St. Cecilia's Church, Detroit, on June 19, 1938.

September 17, 1957 Cardinal Mooney appointed Father Hardy first pastor of St. Anne Parish, Ortonville.

Father Hardy comes from a family that is multiply blessed with vocations to the religious life. He is the son of John C. and Ellen (Mulry) Hardy (deceased); the brother of Monsignor Frank J.; Monsignor Walter R.; Margaret (deceased); Ellen (deceased); and of Sister M. Frances Clare of the Sister Servants of the Immaculate Heart of Mary.

Go-Getters Awarded at Fair

The Groveland Go-Getters 4-H Club did well at the county Fair last week in their Food I projects.

Janelle Malik won a blue ribbon and State Show honors. She is entitled to send her cookies to East Lansing for the 4-H State Show later on this month. She was awarded a cup from the Farm Bureau.

Gail Reye took county honors and a blue ribbon with her cookies.

Red Ribbons went to Janet Dargel and Laura Hopkins. White Ribbons were awarded Betsy Fisher, Betsy Good, Barbara and Peggy Graves, Christine Schmidt and Wendy Hopkins.

Although Gail and Laura belong to this club, they also belong to the Oakhill Horse Club. Gail won a blue ribbon with her mare and a blue ribbon with her colt. Laura Hopkins also showed her horse but it went lame and could not show in any contest.

Four Teachers to Further Studies

Four Brandon primary teachers will start to school early this fall to sharpen their skill in teaching phonics to young readers.

They are among 150 Oakland County teachers who will attend a week long series beginning August 26 at the Oakland Schools office. Dr. Helen Murphy and Dr. Lee Indrisano of the Boston University Education Clinic are in charge of the sessions.

The Brandon teachers include, Miss Mary Redmond, Mrs. Irene Homan, Miss Marjorie Hangett, and Miss Susan Douglas.

Dr. Dodd Roberts, director of language arts education for Oakland Schools, said Dr. Murphy was invited to this area because of her talent in developing effective teaching methods in the primary grades. Methods of teaching reading developed at Boston University by Dr. Murphy and her associates will be demonstrated in the August clinic series.

Old friends of Mr. and Mrs. James Staples were quite rightly indignant at the article which erroneously stated that he hanged himself in the barn which recently burned. Though we were certain that the information was secured from an impeccable source, it evidently was not correct and we wish to correct the error. Mr. Alex Solley said that Mr. Staples died of a heart attack on the occasion of a mail carrier's dinner. There was a suicide in the old barn but it was not Mr. Staples and we will not attempt to go further into the matter here.

We would like to say that we are grateful to Mr. Solley and one other person who called to tell us we were off base on this item. The telephone is a wonderful invention. We wish more people would use it. It isn't always possible to be correct although we try our very best to get our information straight. When we are wrong we appreciate having someone take the time to call and tell us about it.

Sunday, after spending a sex-haunting week at the 4-H Fair, Mrs. Leona Hutchings entertained guests including her mother, Mrs. Lloyd Algoe for dinner.

Mr. and Mrs. Alex Solley and Mr. and Mrs. Al Premis traveled together for a picnic at Akron, Michigan in Tuscola County. Alex will report further on the solution of the mystery of the pickle barrels without ends.

Jet propelled Patty Poll has flown into town after spending two weeks at Jacksonville Beach, Florida visiting her cousin, Mr. R. Chanacki and family. She was met by her family at the Metropolitan Airport near Ann Arbor.

On August 6th Mrs. Sam Bilger was thrilled to receive a telephone call from her son, David, who is serving with the Army on the DEW Line in Alaska. Sgt. Bilger, who is now spending five weeks at N.C.O. school was pleased with the birthday cake recently sent to him.

Miss Jo Sutton, Ortonville's lovely entry in the Peach Queen contest at Romeo last Friday was one of

eleven area young women who competed for the honor. Susan Pfl. Pontiac's Junior Miss was selected as Peach Queen. First Maid of Honor was Miss Charlotte Braden of Waterford and Second Maid of Honor was Miss Norma Guisler of Oxford. Winners were chosen on the basis of poise, personality, beauty and public speaking ability.

Mr. Alert Smith of Perryville Rd. has had a fishing holiday at his nephew's lodge at Elk Lake, North-ern Ontario.

Mr. and Mrs. Don Baker have returned from a vacation trip to New Jersey.

Mrs. Alfred Smithing, leader of the Groveland Co-Getters 4-H Club has attended the weddings of six of the girls who were in the 4-H Club she led at Rochester, Mich. She says she hopes their 4-H training will make for happy, efficiently run homes.

The John Autens of Brandt Road held an "International Day" recently when they entertained their son's family, Mr. and Mrs. Ivan Auten on vacation from Alaska; Mr. and Mrs. Smith from France (Mrs. Smith is Japanese) and also Mr. and Mrs. Edgar Auten who are enroute from Spring Valley, Maryland to Albuquerque, New Mexico. Mr. and Mrs. Ivan Auten, former teacher at Brandon High, plan to return to Alaska on August 19th.

Mr. and Mrs. Harold Webb and son, Harold Jr., are in Louisiana to visit Mrs. Webb's mother. Mr. and Mrs. Kenneth Townson and their daughter are staying at the Webb home until they return. Kenneth has just received his discharge from the Marines at Camp LeJuiene, North Carolina.

Last Wednesday while the Tail-mans waited all afternoon for the moving van that was to move their furniture to their new home, little Sam was observed gazing intently down the street. When asked what he was looking for, he said "I don't want to miss the band when it comes marching down the street".

Brandon Schools Open September 3rd

Excerpts from School News Letter of August, 1968.

Tuesday Sept. 3 — School Opens: First Day Schedule as follows:

Grades 1, 3, 5, 7, 9 Report to School at 8:30 A.M. Dismissed at 11:30.

Grades 2, 4, 6, 10, 11, 12 Report at 2:30 P.M. Dismissed at 3:30.

Kindergarten will not report this day.

Wednesday, Sept. 4 — Regular classes start.

High School 8:00 A.M. to 2:48 P.M. Elementary 8:45 A.M. to 3:40 P.M. Bus routes the same as last year.

Hot lunch will be served starting Wednesday September 4.

Kindergarten, A.M. group only on Wednesday.

Thursday, Sept. 5 — Regular class schedule for grades 1-12 Kindergarten P.M. group only.

Friday, Sept. 6. Regular class schedule for all students.

Kindergarten pupils living south of Granger and Grange Hall Roads are assigned to "Belle Ann" and those living on the north side of these roads are assigned to Brandon, with a few exceptions necessitated by transportation.

It is desirable that all kindergartners be registered before school starts, because of planning for an extra large group. The Elementary Office is open from 7:30 - 11:30 A.M. and from 12:30 - 3:30 P.M. Please pick up and return all forms to the Elementary Office. The following is required:

(1) Proof of date of birth (on or before December 1, 1958)
(2) Certificate of Health showing results of physical checkup by your family doctor.

(3) Office forms: Registration, Health Department, Emergency Medical and family file.

Kindergarten pupils must wear a tag for the first two weeks of school. It must bear: name, address, and bus number.

Belle Ann students will be served hot lunches this year. Students living near the school, if not taking hot lunch, will go home at this time.

Students at the Brandon Building will eat in the cafeteria regardless of buying or carrying lunches. Students living near the school may go home for lunch with a permission note from their parents. Lunch period will be 25 minutes long. No student will be allowed to go downtown.

Students are expected to conduct themselves as ladies and gentlemen at all times. Neatness of attire and personal grooming will make the school a much nicer place to work and study.

BOYS

- 1. No Levis — blue or white.
- 2. No fancy haircuts
- 3. Shirts buttoned except for top button

4 Clean shaven with normal sideburns

5 Pants hung at the waist not the hips.

6 CLEAN — SOAP AND WATER ARE CHEAP! ! ! ! !

7 Belts

Practice manners and courtesy — it pays.

GIRLS

1 Correct sweater sizes

2 Skirts to middle of knee cap

3 Moderation in make-up

4 Moderation in hair style

5 CLEAN

6 Don't use powder and perfume to cover dirt.

The Student Council would like to sponsor a "dress-up day" once a month. I'm sure you would all enjoy that.

The Board of Education meetings are held on the second Monday of each month in the Superintendent's office at 7:30 P.M. Meetings are open to the public. Anyone wishing to bring a matter before the Board of Education should submit their request in writing by Thursday of the preceding week to the Superintendent's Offices.

Junior and Senior Varsity Football practice starts August 26. Equipment will be issued on August 23. We would like to have a large turnout again this year.

All 7-8-9th grade students will be enrolled in Physical Education classes. Boy's gym clothing must be purchased from the school at a cost of \$1.80 per uniform. Last year's uniforms may be used. Girls must

have a plain, short sleeved white blouse and Jamaica or Bermuda shorts. NO SHORT SHORTS! ! ! ! These garments should be made of material that can be washed regularly.
