Residents Object to Lights During Township Meeting

During the regular meeting of the Independence Township board Tuesday evening, a petition requesting street lights for the Richmond-Knolls Subdivision of Clarkston Rd., was denied. Residents of Northview Drive also decided against lighting of their Street.

Residents of Eames, Marconi and DuBuque Streets (Richman-Knolls sub.) are considering petitioning for street lights by the street, rather than the subdivision as a whole.

Next on the agenda was a request for a beer license by the O.C.S.C. for the races September 28 and 29 on their road racing track. The request was denied.

The denial brought opposition

"So Says Sonja"

Think how pleasant life would be for mothers, if manufacturers didn't put pockets in little boy's (or girl's) slacks or jeans! — Bob says my motto is: When all else fails, read the directions. — I should have read The Clarkston News. The Tuesday after Labor Day I was sure Melody was to start her first day in 3rd grade, so I sent her to school. — 15 minutes later — Melody back home — "Mommie," she said, "There weren't no kids there!" "Was there anyone there?" I inquired. "Yes!" she answered. "Who?" I asked. "The janitor," she giggled. "What did he say?" I asked her. "Hi!" she answered. — Well anyway my heart's in the right place. Expecting the kid's "adopted" Aunt Jen and Uncle Murph from Brooklyn (Mich.), I baked a big batch of cookies. The only thing was, I forgot to serve them. — Talking about baking, you haven't lived unless you've tried the new flour that pours like salt, can't be sifted, and is 'dust' free. It's too good to be true. Ask at Rudy's or Terry's Markets for "Wondra" flour. — The first four days of kindergarten Marks only answer to his dad's question, "What did you learn in school today?" was "Nothing!" — Lo and behold, the same question received a new twist Friday. Mark answered, "We learned to say hey." Bob asked, "Why do you say hey?" Mark answered, "Well, the teacher calls our name and we say hey." I spoke up and added, "Don't you mean here, Mark?" Mark, "Oh yea. that's what we learned!"

Births

Mr. and Mrs. Ted Hennig of 3180 Allen Road, Clarkston, announce the birth of their daughter, Teresa Marie.

The lucky package was delivered last Friday the 13th.

Announcing the June 14 birth of their daughter, Julia Susan, are proud parents, Mr. and Mrs. Earle Hawke of Hummingbird Lane. Grandparents are the Allen E. Hawkes of Clarkston. Mr. and Mrs. Hawke recently moved to their beautiful new home on Hummingbird Lane. They originally made their home on Middle Lake Rd.

A daughter, Vicki Lynn, was born to Mr. and Mrs. Ronald Sandage of Hummingbird Lane. September 6 at Pontiac General Hospital. Grandparents are Mr. and Mrs. Herbert Resco and the Bill Petruskas of Pontiac.

Born Friday, September 13, to Mr. and Mrs. Kelly Burnette, a son, Edward Franklin at Pontiac General Hospital. Edward tipped the scales at an even 8 pounds.

Proud grandparents are The Reverend and Mrs. V. S. Burnette and Mr. and Mrs. E. S. Crawford, all of Tennessee.

Young Couple Found Dead

A young couple was found dead in a 1937 Pontiac last Saturday, September 14 on Wolfe Lake Road west of M-15 in Brandon Township.

Police reports stated that the couple, Frank Helias, 33 Church Street, Orionville and Judy L. Dunn, 5497 Sherwood, Oxford, both 20, were apparently overcome by carbon monoxide fumes from the car.

Police reports were clarified by Dr. Bullard who was called at the time the couple was found, and stated that death was due to carbon monoxide fumes from the car.

Both funerals were held Tuesday, September 17 at the Sherman Funeral Home in Orionville.

Money Needed For Scholarship Fund

Each year, through the diligent efforts of the women of the Clarkston Garden Club, funds are raised by means of a Rummage Sale. These funds are then given to an outstanding student of the area to help him or her to obtain a college education.

This year, the Scholarship Rummage Sale is to be 9:00 A.M. to 8:00 P.M. on September 27, and 9:00 A.M. to 12:30 P.M. September 28, at the Clarkston Community Hall, 90 North Main, Clarkston. It is hoped that many people will attend the sale. Incidentally, the quality, variety and low cost of sales merchandise is always most tempting.

But despite these attractive features for any buyer, the most important fact is that he will be contributing to a college scholarship for a very deserving teen-ager.

Please save your rummage for this sale. Call Mrs. Lloyd McGee MA 5-3861 for pick up.

WAGON WHEELERS BEGIN NEW SEASON

Township recreation director, Mr. Chris Neilson, is anticipating much excitement and fun for the youngsters of the Clarkston area this fall as the recreation department continues to expand its program.

Ortonville Village Council Meets

Present at the regular meeting of the Ortonville Village Council held September 9, 1963 were President, Charles Sherman, and Messrs. Barrick, Barns, Boutell, Teare, Sutton, Richards and Borst. Minutes of the last regular meeting were read and approved. Joe Voyvadic, present to ask permission from the Council to open a motorcycle shop in Ortonville, was told to find a definite location and to report further at the next Council meeting, when a committee would be appointed to consider the request.

Walker were present to request that something be done about the deep ditches the County had dug along Church Street.

On motion of Mr. Barrick, supported by Mr. Barns, bills read by the Clerk were allowed as read and an order drawn on the treasury for the same.

Mr. Flynn and Mr. Pollena were present to discuss the black topping of Varsity Drive. A motion by Teare, supported by Barns to pay the Flynn Paving Company, Service Trucking Company and Ann Arbor Construction Company for completion of the contract on black topping Varsity Drive, carried.

The Clerk, Vern Borst, read a letter from the State Highway Department stating it had definitely decided that Ortonville would be included in the I-75 signing. The Council instructed the Clerk to write a letter of appreciation to the Highway Department.

A motion by Sutton, supported by Barrick to renew the trailer permit of Clarence Graves for another six months or until March 1, 1964, carried. However, Mr. Barrick was to question Mr. Graves regarding two question cars on the Graves property.

Robert Sutton reported that the Street Committee had met with Russell Jencks and arrangements had been made to correct his problem.

Motion by Barrick, supported by Sutton to install 3 new street lights on South Street, carried. The meeting adjourned at 11:30 P.M.

Ortonville vs Birch Run

Ortonville won 18-14 last Saturday when they played their first game away from home with Birch Run.

Touchdowns were made by Captain Roger Wills and Ed McNulty who both played very good all-around ball.

Roger ran off left tackle for a 37-yard touchdown and received a 40-yard pass from Steve Bolyea for his second touchdown.

Ed McNulty ran six yards for his touchdown.

On the second play of the game, Steve Hubbs ran for a 57-yard touchdown that was nullified by a holding penalty.

PONTIAC SYMPHONY TO BEGIN NEW SEASON.

Local residents will again have the privilege of hearing guest artists of nationwide importance who will appear with the Pontiac Symphony Orchestra when it begins its new concert season on October 15 under the skilled baton of Felix Resnick.

Since its formation ten years ago, the Pontiac Symphony has shown steady growth and musical development. Now numbering approximately sixty-five members, (three of whom, Robert Button, Violinist, Donald Button, French horn and Loren Mayhew, French horn, are locally known,) the orchestra has enjoyed a steady increase in attendance from year to year.

Concerts and artists to be heard this year are:

October 15, 1963, University of Michigan School of Music Harp Ensemble.

December 3, 1963, Coleman Blumfield, Pianist, who holds the unique position of "Pianist-teacher in Residence for the City of Flint" under the sponsorship of the Mott Foundation.

January 28, instrumental concert of the Pontiac Symphony Orchestra.

March 24, 1964, Phyllis Smith Harris, soprano and Richard L. Morse, Guest Conductor.

May 5, 1964, Jerome Jelinek, Cellist.

The five-concert 1963-64 season will be performed in the acoustically perfect auditorium of the Pontiac Northern High School. Season tickets (\$6.00) may be obtained from Mr. Robert Button of Ortonville.

Parents Meet Teachers At Tuesday's PTA

Approximately 130 parents and teachers attended the first meeting of the 1963-64 season of the Brandon Township P-TA on Monday, September 16. President James Bradford reminded the group that this is the seventeenth year for the Brandon P-TA and that the October meeting will feature a historical "This Is Your Life" program.

109 members joined the group at Monday's meeting. The total membership last year was 136 and it is hoped that the number can be doubled this year.

The program, directed by the

Program Committee, Mrs. Emeline Hamilton, Mrs. Shirley Schmidt and Mrs. Mary Lou Seelbinder, began with the singing of "Twenty Froggies went to School" and "Old Kentucky Home" with piano accompaniment by the new vocal instructor, Mrs. Geraldine Smith.

President Bradford gave a little pep talk "Make This Your P-TA".

The attendance trophy which was last in the possession of Mrs. Frank Sherman's room went to Mr. James Krieg.

Mrs. Harold Schmidt conducted the introduction of the teachers and parents present and then a get-acquainted mixer game followed in which Mrs. Ray MacDiarmid won a prize for being the first to discover the names of persons who were purposely wearing unmatched shoes, socks and other apparel.

Coffee and cookies were served by Mrs. Stewart Owen and Mrs. Robert Sutton, who are the refreshment chairmen for September and October.

The merger of the Ortonville and Oxford Locals of the Michigan Milk Producers' Association, contemplated at the dinner of the Ortonville Local held last February 21st, was consummated at a special meeting of the officers of the two locals held at the home of Alden Mills on September 12, 1963.

Present at the meeting was Norman Peterson, who has charge of the membership relations of the M. M. P. A.

Action was favorable on a motion to merge the memberships and treasuries of the two locals and name the new organization the Ortonville-Oxford Local. The officers were: Elroy Scott, Secretary-Treasurer, Abe Lake, President, Melvin Mott, Vice-president.

The officers of the new Local will be Merland Gregory, president; Abe Lake, vice-president; Alex Solley, secretary-treasurer. The first autumn meeting of the Ortonville M.Y.F. Junior and Senior groups was held at the church at 7 p.m. Sunday, September 15. Present were Rev. Ardo Carmichael and two advisors, Mrs. Charles Pangus and Mrs. Joseph Roman. Officers for the club are: president, Paul Pangus; vice-president, Barry Young; secretary, Debby Ferris and treasurer, Gerald Tilton. The group will meet at the church each Sunday evening.

Mr. Alex Solley, Brandon Township supervisor, left for a trip to New York with members of the Oakland County Extension Service where they will study programs, financing and administration of Extension work as carried out in New York Extension offices in Buffalo, Rochester and Syracuse.

Mrs. Thelma Hartwig of Groveland Road, who is the new Public Relations officer for the Groveland Hills Extension Club, attended the Holly District Extension Rally and officers Training. Discussion was held on the subject of the "new image" of Extension. They wish to stress their services to the homemaker and the work done by the various Extension groups rather than appearing as "social and gossip clubs".

In keeping with the new image, the Groveland Hills Extension Club which met last Wednesday at the home of Mrs. Fred Lesha, invited

The Ortonville Rotary Anns met Tuesday, September 10 for a pot luck luncheon at the new home of Mrs. Gerhard Treffehn on Perry Lake Road. Don't forget the Ortonville Methodist Church Festival on Thursday, September 19, beginning at 3 p.m. Dinner will be served from 5:30 p.m.

Five-year-old Gregg Titsworth is busily target practicing with the new B-B gun, his consolation prize for being such a good patient during his recent tonsilectomy at the Flint Osteopathic Hospital.

P-TA president, James Bradford, panicked the members at the last meeting with the remark that at the October meeting the first P-TA president would be present "wearing her original hat and other interesting things".

Clarkston Area

By JOHN D. KAMEGO, Manager

OUTGUSSING A GROUP OF YOUNGSTERS on their way to or from school requires special alertness, special skill, on the part of every driver. That's why Michigan Bell's safe driver training program gets extra emphasis right now. Actually, traffic safety education is a year-round program with us, required of every employee whose job includes driving a company car or truck. It's one of the most important ways in which we try to be good citizens and good neighbors.

IN A STEW about lots of errands to do—when you have to stay home and cook a meal, too? If so, you need a handy kitchen extension phone! With a kitchen phone you can order groceries, call a TV repairman, check up on the youngsters at a neighbor's house, ask if that dress in the ad comes in blue... and still keep your eye on what's cooking. Besides, an extension phone adds just the right spot of color to your kitchen wall. Costs just pennies a day, after a small, one-time installation charge. Call us now and order yours.

"FAST AND ACCURATE"—that's the motto of Michigan Bell's Long Distance Operators when they take down information concerning calls you place through them. They use an "electrographic pencil" that writes at the inerest touch, glides swiftly to the next line. A specially designed card is used for recording the exact information for each call. Of course, in

many areas, customers can dial most of their calls direct. But it's nice to know that your calls placed through the Operator, too, will go through swiftly and accurately.
