CLARKSTON, MICHIGAN, THURSDAY, SEPTEMBER 26, 1963

## Oakland University Enrolls Seventeen from Clarkston

Seventeen residents of the Clarkston area are among 1500 students who have entered Oakland University this school year.

The four-year-old liberal arts institute has enrolled 969 students from Oakland County alone, the largest number from any of Michigan's counties. Seventy-seven students enrolled at the university are from out of state while nine are from Austria, Canada, Germany, Greece and Liberia.

Those from Clarkston who are majoring in Teacher Education include: Gary James Allen, 21, senior, son of the James K. Allens' of 6630 Transparent; Marcia Mary Booth, 18, a freshman, daughter of Mr. and Mrs. Edward Booth of 9825 Marmora; senior Shirley McCracken Bryce, 34, 7750 Easton Road; freshman Lynn Ellsworth, 18, daughter of the M. Ellsworths' of 55 N. Main; and Marcelene Fox, 18, freshman and daughter of Mr. and Mrs. A. C. Fox of 6311 Peach Drive. Others are: Joyce Ann Tallman, 30, sophomore, 5135 Cecilia Ann; freshman Theresa Ann Wooley, 18, daughter of

the Herbert Wooleys' of 9333 Rattaloe Lake Road, and Jeanette Margaret Yarbrough, 37, senior, 5220 Maybee Road. Also a Teacher Education major is 23 year-old Judy Ann Weaver, a sophomore. She is the daughter of the F. S. Weavers' of 132 N. Holcomb.

Wilma Christine Hampton, 31, wife of Philip Hampton of 5219 Stevens is a junior majoring in German. An English major, Norman Edwin Masters, is the 21 year-old son of the Edwin E. Masters' of 9500 Bridge Lake Road. Norman is a senior.

Majoring in Psychology is 21 year-old junior, Paulette Sharon Kimball, daughter of the Paul Kimballs' of 6281 Peach Road. The daughter of Mrs. Evelyn O'Mara, Maureen Nancy, is a 19 year-old sophomore majoring in Sociology.

Freshman Michaelene Krithers is a History major and daughter of the R. Krithers' of 5449 Waldon Road. Michaelene is 19. Chemistry is the chosen major of sophomore Dave John St. Claire, 19 year-old son of Mr. Walter St. Claire, 9730 Darimouth, Philip Thomas Wells, 18, freshmen, is a major in Engineering. Philip is the son of Mr. and Mrs. Hillard H. Wells of 5021 Mary Sue. Also of Clarkston is John Allen Yasaitis, 36, a freshman. John as yet has no particular major. He is the son of the John Yasaitis' of 100 Baldwin.

## Church Classes Announced

The Commission on Education of The First Methodist Church, Clarkston, announces its schedule of Fall Adult Fellowship Classes. Registration will take place on October 6, 1963 at the Church School Building on Buffalo Street at 8 p.m.

Classes offered in the Fall six week series are —

**The Methodist Hymnal** — Adele Thomas, teacher. A look at the hymnal, its history, authors, and music.

**The Life of St. Paul** — Everett Butters, teacher. A survey of the stirring events in the life of Christians' first missionary.

**Basic Christian Beliefs** — William Richards, teacher. Guidance in what Christians believe and why.

**Our Mission Today** — Jack Giguere, teacher. A look at the task of the Christian in our changing society.

Registration fee is \$3.00 per person. The classes will meet from October 13 — November 17 at 8 p.m. rotating in the homes of those registered. All persons seeking insight into the Christian faith are invited.

## Activities Planned for Exten. Group

On Wednesday, September 11, the Clarkston Evening Extension Study Group met at the home of Mrs. Jerry Neilson. The meeting was primarily devoted to reviewing the home economic projects for the coming year.

The Group will be holding a bake sale Saturday, September 28. Proceeds from the sale will be given to the Oakland County Extension Council Scholarship Fund.

The October 2nd meeting will be held at the Community Center. A young homemakers folder is available for loaning to anyone interested. The information in this package would prove helpful to any homemaker.

## Local Graduate Back From Calif.

Ron L. Walter, son of Mr. and Mrs. Ronald A. Walter of Clarkston, arrived last Friday, at Detroit Metropolitan Airport, from Los Angeles, California, where he had spent the summer in the employment of the Bank of America.

Ron reports many interesting experiences. Among them, his trip to California. Many of his friends will recall that he and a Psi Upsilon fraternity brother at Michigan State University, East Lansing, hitchhiked to Los Angeles, at the end of their spring term.

Ron has returned to MSU this fall and is a junior in the college of Business Administration, majoring in accounting.

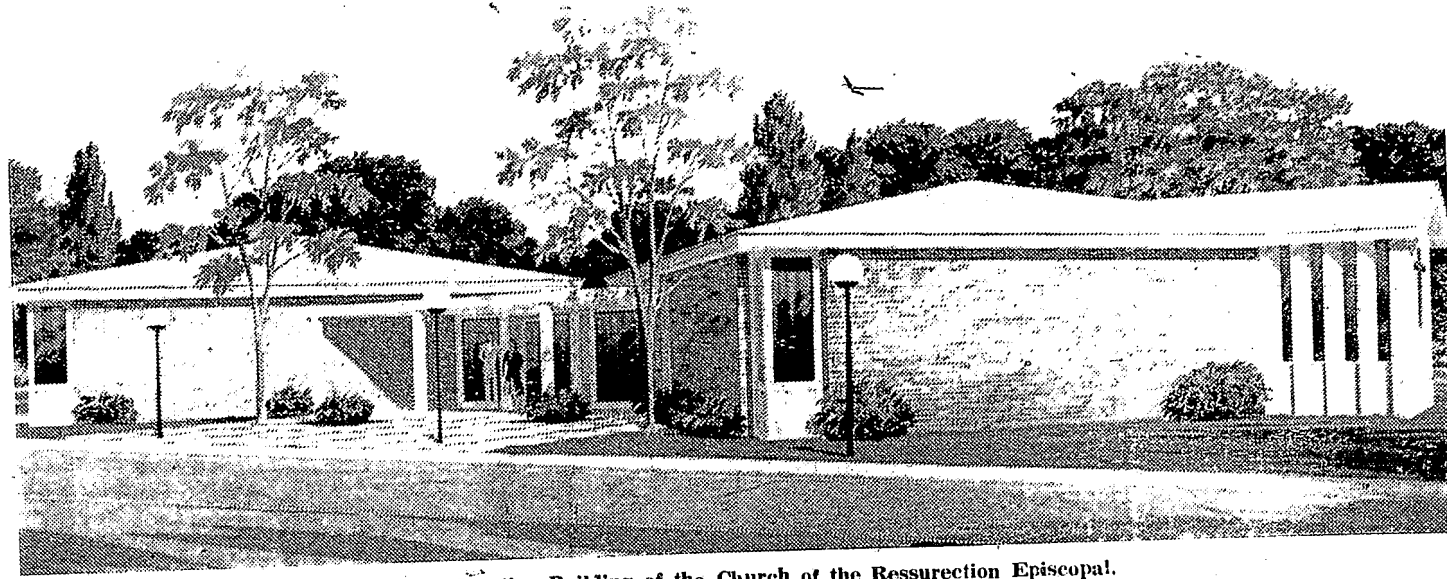

## Goodwill Pick-Up

The next visit of Goodwill Industries pickup trucks to Clarkston is scheduled for Wednesday, October 2. Goodwill trucks collect household discards of clothing, shoes, hats, toys, most types of furniture and other household discards.

To arrange for a Goodwill Industries truck pickup, call the local Goodwill representative Mrs. Alfred Lee telephone number MAPLE 5-3381.

## Reminder

Just another reminder about the Clarkston Garden Club Rummage Sale the last Friday and Saturday in September, the 27th and 28th. We will be glad to pick up any discards big or small, old or new. Please call Mrs. Keith Leak at MAPLE 5-4411. The Sale will be in the annex of the Community Building.

Architect's conception of the new Christian Education Building of the Church of the Resurrection Episcopal.

## Episcopalians To Build

### Similar Accidents

On Wednesday, September 18, at approximately 7:31 p.m., Ralph Mason Burgess, 50, of Saginaw, was killed on I-75, north of Sashabaw at the overpass.

Police reported Burgess had evidently been traveling at a high rate of speed and had failed to make a curve. The Chevrolet convertible Mr. Burgess was driving was a total loss after leaving the road and hitting some guard rails.

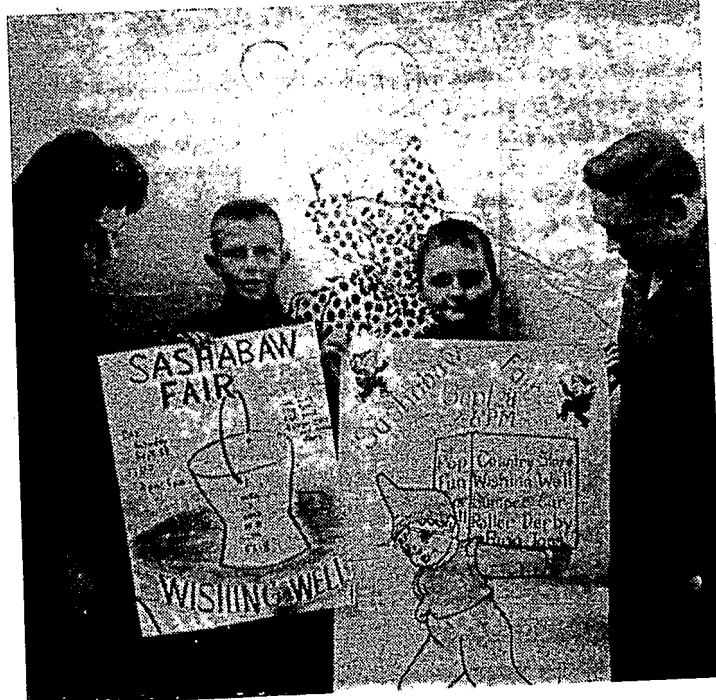

### Strike Area

Thursday, September 19, at 7:55 p.m. (24 hours following the Burgess accident), Mark E. Mundwiler, 60, of Caro, Michigan, was killed on Orion, south of Clarkston Road.

Police reported that Mundwiler had been speeding and his car flipped over and rolled after missing a curve.

Although 24 hours separated the similar accidents, both men were reported dead on arrival at Pontiac General Hospital.

## Sashabaw PTA Fair Set for Saturday

Left to Right — Mrs. Robert Scott, Robin Prater, Bobby Garner, and Mr. Donnelly.

The Sashabaw P-T-A School Fair will be held September 28th from 2 thru 6 p.m. at Sashabaw School.

Bumper Cars, Roller Derby, Country Store 'Cake Walk', Pony Rides and many other things to see and do. Join the fun!

## Final Race This Weekend

Michigan's final big weekend of sportscar racing is scheduled for the mile and one half course at Waterford Hills this weekend, September 28-29th. Officials anticipate a record entry for the two day Fall Classic, as well as a record spectator gate.

Two big trophy races will add special emphasis to the challenging program slated for the road racing course. The bigger cars in A thru E Production Classes will fight it out for the News Trophy. The Formula Junior cars will make up most of the field battling for the Ed Lawrence Memorial Trophy.

Tom Payne of Ann Arbor and Joe Mulholland of Bloomfield Hills are expected to be a major part of the drawing card in the big race. Payne drives a Ford powered AC Cobra and Mulholland a Jaguar XKE.

In earlier races this year at Waterford, Mulholland dominated the A Production races. Last month he grabbed the front and was in that position through the full fifteen laps. Corvette driver Tom

## Annual Hat Sale Drawing Near

The Annual Women's Club Fall Hat Sale will be held Friday, October 11. The sale will be at the Power House from 1:00 p.m. to 8:00 p.m.

Swindell of Pontiac is also expected to offer stiff competition in the production feature.

Ralph Durbin of Dearborn continues to be the front runner in the rear-engine Formula Junior Class. Durbin set a new course record in the Labor Day Races with a time of 1:20.4 for the mile and a half.

Ken Neilson of Birmingham was last year's winner of the Lawrence Memorial Trophy with his Lotus XX. Durbin and Neilson are expected to offer fans a thrilling race in the Formula division.

Norm Luther of Royal Oak won the News Trophy Race last year in a Chevrolet Corvette in B Production. Luther is driving an A Production car this year.

On Monday, September 23, the Church of the Resurrection, Episcopal, held the "Kick-off" dinner for its building fund campaign. The proposed first unit building will be erected on a site at the corner of Orion Road and Perry Lake Road.

Although this building on the proposed master plan will be designed for Christian education, it is used in such a way as to provide a separate and attractive worship area as well as Christian education and fellowship facilities.

The building was designed by Robert Yokom, A.I.A. of Detroit with Mr. Richard Logan heading the church building committee. The fund raising campaign is under the chairmanship of Keith Hallman, with Jerome Wilford in charge of campaign workers. Mrs. Ronald Schebor has been appointed Building Fund treasurer.

The new building will contain 4500 square feet.

## Local Man Fatally Injured

### During Accident at Work

Funeral services were held for John D. Conrad, 34, of 5544 Hummingbird Lane, Clarkston, Monday, September 23 at the Lewis E. Wint Funeral Home at 2:00 p.m. The Reverend William J. Richards of The First Methodist Church officiated before burial at Lakeview Cemetery.

Mr. Conrad, a service engineer at Pontiac Motor, was dead on arrival at Pontiac General Hospital following an accident while working at the plant.

Mr. Conrad, a former graduate of General Motors Institute of Flint and a member of the Elks Lodge Number 810 in Pontiac, is survived by his wife, Myrna; 3 children, Virginia, William, and Patricia, all at home; and his mother and father, Mr. and Mrs. Harry Conrad of Holly.

## OES to Hold Annual Meeting

The regular and annual meeting of the Joseph C. Bird Chapter, No. 294, O.E.S. will be held on Tuesday, October 1st at 8 p.m. at the Clarkston Masonic Temple. There will be a pot-luck dinner for members and their families at 6:30 p.m.

Please note the change in day and date. This is necessitated by Grand Chapter proceedings this year.

## P-TA Council Has Monthly Meeting

"Words, sing, hurt, teach and sanctify," declared Mr. David Soule in his keynote speech to the 80 delegates attending the meeting of the Oakland County Council of Parent-Teacher Associations Tuesday, September 1 at Hudson Covert School.

Mr. Soule, director of university conferences at Eastern Michigan University, punctuated his address with entertaining anecdotes and offered many pointers for communicating with others.

Workshops were held for the following areas of P-TA work: presidents and vice-presidents, Mrs. J. E. Frankenfield and Mrs. Iva O'Dell; program, Mrs. A. R. Dahl; room representatives, Mrs. Paul Graves; membership, Mrs. Allan Cunningham; library, P-TA Magazine, and publications, Mrs. Kenneth Pawley; treasurers and budget and finance, Mr. David Soule; secretaries, Mrs. Alfred Keith; mental health, Mrs. Victor Babka; and publicity, Mrs. Richard Morgan.

At the brief business meeting the delegates adopted the budget for 1963-64 and voted to increase Council dues to ten cents per member.

Program chairman Mrs. A. R. Dahl announced that the next Council meeting will be held Tuesday, November 19 at the Oakland County Board of Education office at 8 p.m. Delegates will be able to observe the facilities and their operation.

## "But the Front Door was Locked"

Although breaking and entering is a serious offense, a bit of humor entered into the following incident. As a result, Al's Waterford Hardware is considering staying open 24 hours a day to accommodate their over anxious customers.

Lannie Hinz passed his fathers store (Al's Waterford Hardware) last Sunday evening about 9:30. Noticing a truck parked in front of the store, Lannie passed it off as possibly someone napping. Continuing down the highway, Lannie suddenly realized it could be a burglar and returned to a business near the hardware. Sure enough it was a burglar.

Having visited with several school chums moments before in a nearby restaurant, Lannie ran to the restaurant, summoned three of the boys and told the other to call the sheriff's department.

As the boys guarded the possible exits, ready to apprehend the burglar, the sheriff's department arrived on the scene.

Upon apprehending the 47 year old burglar, the sheriff asked him what he was doing here.

The man replied "I thought this was a grocery store and I wanted a bottle of wine."

"Are you in the habit of going thru back windows?" the sheriff asked.

"No," the burglar replied, "But what else could I do, the front door was locked?"

## Harvest Moon to Rise Oct. 2

The Harvest Moon, looking reddish and large, will make its first appearance at 11:44 p.m. on October 2, reminds Associate Prof. Hazel M. Losh of The University of Michigan astronomy department.

The Harvest Moon, defined as the full moon that occurs nearest the date of the autumnal equinox (Sept. 23), will do three things to make itself specially attractive:

"On the average the moon rises nearly an hour later each night but in the autumn this delay is the slightest of the whole year, being around 20 minutes.

"The full and nearly full moons, rising at about the same hour for several nights in succession, give bright moonlight in the early evening and the whole night through for an unusual number of nights," Professor Losh says.

The Harvest Moon is likely to take on quite a reddish appearance near the horizon, due to the conditions of the earth's atmosphere and not the moon itself.

## The Golden Years

Mr. and Mrs. Clair A. Hopkins

Mr. and Mrs. Clair A. Hopkins of Clarkston, Michigan. The event is 72 East Washington Street, Clarkston hosted by the couple's sisters and will celebrate their golden wedding sister-in-law and members of the anniversary of Eastern Star, Joseph C. Board of Education office at 8 p.m. Delegates will be able to observe the facilities and their operation.

Robert Geleskie

## De Molay To Install Officers

Installation of officers for Cedar De Molay will be Saturday, September 28 at the Masonic Temple in Clarkston beginning promptly at 8:00 p.m.

Robert Geleskie will be installed as Master Counselor. Senior Counselor will be James Cronnell; Junior Counselor, Larry Wilmont; and Secretary-Treasurer, John White.

Other officers will include: Addison Hubbard, Phillip Coughlin, Donald Nolen, Thomas Rohrer, Timothy Thurston, Dennis Urick, James Rogers, John Alexander, Gregory Berg, Dan Smith, William Merz, and Alfred Spang.

**THE DROPOUT**

**E**ducators view high school dropouts as a tragic waste of manpower. Once a potential mechanic, salesman, or secretary who could have been making a comfortable living, the dropout becomes a growing part of the labor force competing for the unskilled and semi-skilled jobs which offer an unstable income and uncertain employment.

Approximately one million teen-agers drop out of school each year for a number of reasons, ranging from personal financial needs to a dislike of school. The squandering of their talents on low-paying jobs gives them a false, temporary feeling of financial security. It is a pity that so many of them soon join the ranks of the unemployed when the demand for untrained labor decreases because of lay-offs or technological changes. Too late and too frequently dropouts realize their limited education is a handicap when their salaries show no appreciable increase over the years, while the educated worker passes him by in a career and financial sense.

President John F. Kennedy's Committee on Youth Employment, an out-growth of the President's concern for the dropout, points out that a solution to the dropout dilemma is the responsibility and obligation of every citizen.

This is one of a series of education features published as a public service in cooperation with the Michigan Press Association, the Michigan Education Association and this newspaper.

## Before You Buy a Freezer or Food Plan

August is a top month for freezer sales. Food freezers sold along with various types of food plans cause the largest share of consumer fraud complaints in Michigan Attorney General Frank Kelly's office.

Mr. Kelly suggests that before you sign any contract for a freezer and food plan you consider the following:

1. The food freezer itself may be greatly overpriced. Always check the price with a reputable local equipment dealer before you sign any contract.

2. Do not sign a blank contract for the purchase of the food plan. See that all promises made by the salesman are included in the contract.

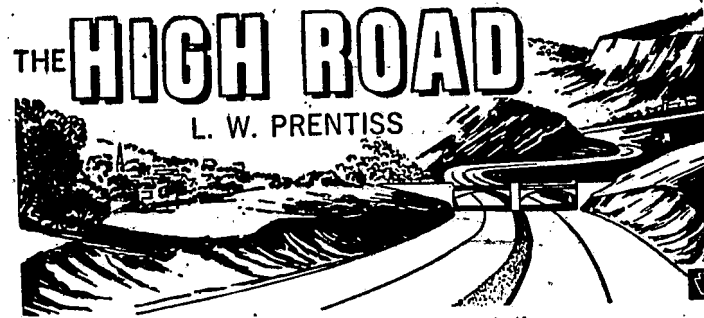

3. Sales gimmicks stating that a food plan will allow you to buy foods at special discounts or wholesale prices are often grossly exaggerated. The food plan generally will not

save you money. It may cost you much more than purchasing a freezer and food separately from legitimate merchants.

The discount or wholesale prices are usually the same as you would pay by careful food shopping. The grade of meat and other items may be misrepresented. The stock from which you select your groceries may be limited and inadequate.

Companies involved in freezer and food plans on several occasions discontinued business, leaving food plan members with no place to get their food and with no one to return their money.

### The Age of Private Transportation

"Get the farmer out of the mud" was the battle cry of the highway program in the 1920's and 1930's. In the early days of the automobile age, a paved road outside of the limits of a city or incorporated town was rare enough to be a curiosity.

Today, almost 70 percent of the 3,272,226 miles of rural roads in the United States have some kind of surfacing. A substantial amount of the remaining non-surfaced road mileage is so little traveled that paving is not justified; nevertheless, much remains to be done before we can claim a complete all-weather road system in the United States.

Nowadays, however, "getting the farmer out of the mud" is one among many objectives of the national highway program. The automobile and the truck have become such an integral part of American life that good highway transportation is essential to the success of almost every activity. Industries, schools, churches and shopping centers share the farmer's vital concern with the highway program. Commuters get stuck in urban traffic jams more often than farmers get stuck in the mud.

The essentiality of highway transportation to the national economy and the national defense is reflected in the Federal-

aid highway program, which has assisted the States in the improvement of their highway networks since 1916.

Federal-aid expenditures for highways, increasing in line with the increase in highway travel, now approximate \$3 billion per year, all of which is collected by means of special taxes on highway users, chiefly the 4c-per-gallon Federal tax on gasoline.

These special tax receipts are allocated by Congress to four categories of Federal-aid highway expenditures: (1) aid to the State primary, or trunk-line, highways, (2) aid to farm-to-market roads, (3) aid for the improvement of city arterial streets and expressways and (4) aid in the construction of the 41,000-mile National System of Interstate and Defense Highways, the new system of coast-to-coast interconnected expressways designed to meet our defense needs and to serve as the backbone for our total highway network. The Federal government pays 90% of the construction cost of the Interstate highways and 50% on other Federal-aid highways.

State, local and Federal officials are all working together to coordinate their highway construction activities, recognizing that the roads are economic and social lifelines which are the key to better living for all of us.

PROCEEDINGS OF THE INDEPENDENCE TOWNSHIP BOARD  
REGULAR MEETING — SEPTEMBER 17, 1963

At a regular Township Board meeting last Tuesday, September 17, 1963, with some 40 to 45 people in attendance, the Township Board, upon request of the majority of those present, denied petitions to establish special assessment street lighting districts in Cameo Homes and Richmond Knolls Subdivisions.

A Special Beer and Wine License was denied the Oakland County Sportsmen's Club, and action was tabled on the request for a S.D.M. License for Maurice Boucard and Paul Rochon.

General fund bills were paid in the total amount of \$5,315.38 of which \$3,400.00 was paid for the resurfacing and enlargement of the Community Center drive and parking area.

Marine Lance Corporal Gary W. Ollie, son of Mr. and Mrs. Walter W. Ollie of 8459 Foster Rd., Clarkston, is serving with Headquarters Company, Seventh Engineer Battalion, First Marine Division at Camp Pendleton, Calif.

The battalion is a combat engineer organization specializing in road, bridge and building construction, demolitions, and land mine warfare.

It is at installations such as Camp Pendleton, 35 miles north of San Diego, that the most important Marine Corps weapon is trained — the individual Marine.

Jay D. Campbell, machinery repairman, third class, USN, son of Mr. and Mrs. Ralph J. Campbell of 8478 West Ellis Rd., Davisburg, is serving aboard the attack carrier USS Hancock which recently visited the port of Sasebo, Japan.

The Hancock is deployed on a seven-month cruise to the Far East. She has made three visits to Subic Bay, Philippines and spent several days at the British Crown Colony, Hong Kong. During the time at Hong Kong, Hancock donated nearly 200,000 gallons of fresh water to the drought-plagued colony.

Hancock is currently conducting extensive air operations in the South China Sea. She is a unit of the Seventh Fleet of the Pacific.

**GIRL SCOUTS ENGAGE "NEW DESIGN"**

One of the busiest weeks in the history of Girl Scouting started Monday, September 9 for the Scouts of Clarkston and the rest of Northern Oakland Council. The reason is the "newdesign" in the Girl Scout program.

This week will mark the first meetings of Girl Scout troops in four new age levels. New Girl Scout Handbooks, developed to correspond to the new age levels, also went on sale Monday for the first time.

The four new age levels in Girl Scouting are: Brownie, Girl Scouts (ages 7 and 8), Junior Girl Scouts (ages 9, 10, 11), Cadette Girl Scouts (ages 12, 13, 14), and Senior Girl Scouts (ages 15, 16, 17). This is in contrast to three age levels — Brownies, Intermediates and Seniors — which were formerly the basis of Girl Scout troop organization.

All handbooks purchased this week will contain special book plates indicating that they were acquired during the first week of sale. The handbooks may be purchased for one dollar per copy at the Girls Scout equipment agencies in Pontiac (Federal's) and Rochester (Mitzel-feld's). A new Leader Notebook is also available.

The four handbooks represent successive stages in one continuous program for girls aged 7 thru 17. Each was produced by a team of specialists, including a Girl Scout program advisor, a writer, a designer, and an illustrator — experts in the age level for which their book was intended. The teams incorporated into the books ideas which came from Girl Scouts all over the country. As a result, the books are packed with facts, how-to-do-it information and ideas for projects encompassing every aspect of activity in the arts, the home and the out-of-doors.

**Music Bridges Generations**

Do you enjoy teenager's music — or cringe at the sound of it? How does your teenager feel about your music preferences?

Build a bridge of better understanding between generations by planning a "Meet You at the Bridge" program. Teens can tell why they prefer certain types of music... while adults impress teenagers with melodies of an earlier generation.

For this program, you'll need your own group, some young adults, a musical instrument and refreshments.

An electric organ with the harmonic drawbar system of mixing tones permits the player to choose from thousands of tones, and has both the instant response needed for popular music, and legato action for the smooth, lilting songs of yesterday.

Invite at least one teen who plays the harmonic drawbar electric organ and another who can explain why teens like heavy beat, dissonant songs.

Give the teens twenty minutes for their kind of music. Then let a member of your own group demonstrate your generation's favorite melodies.

The result will be a better understanding of each kind of music, a greater respect for each, and a closer relationship between generations.

**Expect great things from Chevrolet again-for '64**

**Today... Jet-smooth Luxury '64 CHEVROLET**

*'64 Chevrolet Impala Sport Sedan—one of 15 Jet-smooth luxury Chevrolets.*

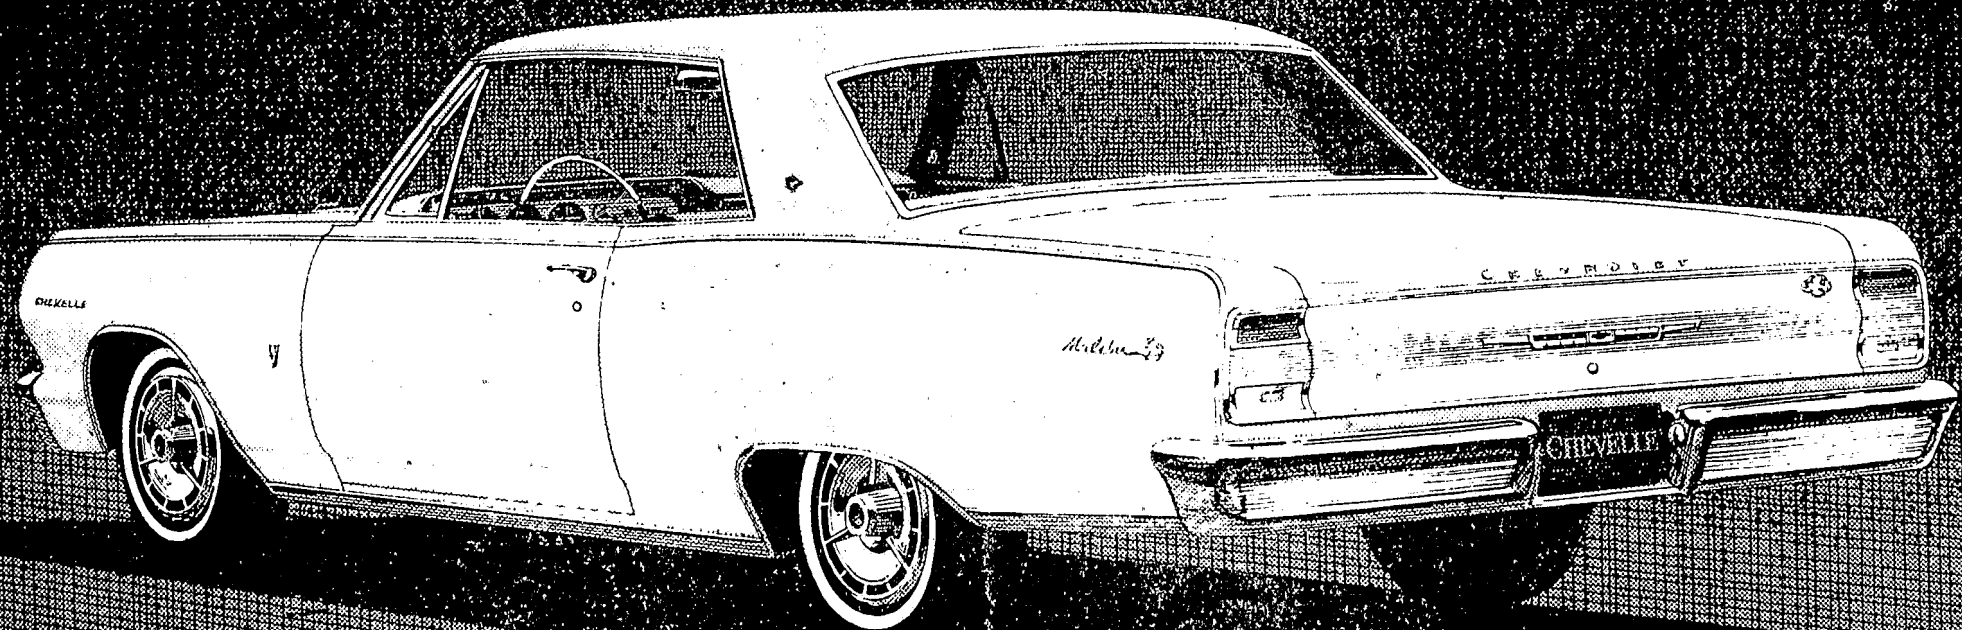

Chevrolet was luxurious before, but you should see it now. With smart new styling, the '64 Chevrolet looks even longer (but isn't). There's even a whole new series this year—the Impala Super Sports—with front bucket seats

as standard equipment. (The new Impalas and Bel Airs are more luxurious, too. Even the lowest priced Biscaynes have new foam-cushioned seats front and rear and are fully carpeted.) Of course, you expect more than just

luxury from Chevrolet. A choice of 16 power teams, for instance—a 6 and six V8's up to 425 hp (optional at extra cost). And quieter transmissions. Jet-smooth ride with Full Coil suspension. Flush-and-dry rocker panels, Delco-

tron generator, self-adjusting brakes and other low-upkeep features. If you've ever wondered how luxurious Chevrolet could get—with all the extra-cost options there are to choose from—that's entirely up to you.

**Take your first look at the first CHEVELLE!**

**CHEVELLE! by Chevrolet**

*New Chevelle Malibu Super Sport Coupe—one of 11 models in three great series.*

You've never seen anything like this totally new line of cars before. Chevelle is new in everything but Chevrolet quality. Chevelle is a good foot shorter than the big cars, so it parks easily. Yet the interior of its Body by Fisher gives you a generous

supply of passenger and luggage room. The ride is surprisingly smooth with a rugged coil spring at all four wheels. And not so surprisingly for Chevrolet, the new Chevelle offers a choice of engines ranging from an economical 120-hp 6 to a 220-hp

V8 (optional at extra cost). Choose the Chevelle you like best from the three series—the Malibu Super Sport, the Malibu and the 300 Series, eleven models in all—at your Chevrolet dealer's. (This good-looking Malibu Super Sport maybe?)

**OH - OH. THERE'S A PATROL CAR RIGHT BEHIND YOU**

Breath squeezes your throat—a hot flash runs around the hair line—a startled peek at the speedometer—Whew! That was close! You slow down a bit to get below the speed limit!

Sound familiar? You bet. Nothing sharpens good driving practices like the sudden appearance of the law in your rear-view mirror. Proof: in 85% of all accidents—somebody broke the traffic rules! Never seems to happen when the police are around.

More cars than ever swarm the roads—and the police can't be everywhere. So, tell you what; next time you're driving—maybe over the long weekend coming up—try pretending there's a patrol car behind you. All the time. (Bet you stay out of trouble.)

## The Grapevine . . .

By Doris Mayhew  
National 7-3191

We find it pretty hard to put into printable language our opinion of the vandals who last Friday night not only destroyed the birdhouses in Alex Solley's yard, but removed the late-hatching baby birds and tore them into bits. Surely this depraved cruelty is not someone's idea of fun!

Mr. and Mrs. Ronald Sutton, chairman of the Brandon Township United Fund Drive report that this season's goal is \$1,837.

The Roaring Twenties Pinochle Club met at the home of Mr. and Mrs. David Denton on Oakhill Road last Saturday night. Twenty members and two guests, Mr. and Mrs. Andy Anderson, enjoyed an evening of cards and the luncheon served by the hostess. High point winners were Martin Giroux and Gladys Giroux. Boobies were Marjory Hertz and Cy Giroux.

Bobby Giroux, son of Mr. and Mrs. Martin Giroux of Jossman Rd., will celebrate his sixteenth birthday on October 6th.

Mrs. William Sutton, who had been convalescing at home following an illness, was returned last Friday morning to the Pontiac Osteopathic Hospital.

Saturday, September 28, the Brandon High School Band will travel to Ann Arbor to participate in the annual Band Day at the stadium. This year the band has a serious problem in that its drummers are also football players and their schedules conflict with the band's planned activities.

Miss Elizabeth Westerby of Caro was a house guest at the home of Mrs. Oren Frick. She also visited friends and relatives in the city.

Andrea Turnbull, daughter of Mr. and Mrs. Ronald Turnbull returned home from Pontiac General Hospital where she had been treated for

asthmatic bronchitis and pneumonia.

The Stanley Solleys will miss three-year old Rhonda Lynn McCulley who has returned to her home in Wichita, Kansas after spending the summer with her grandparents.

Randy French is back home after spending a few days in the Pontiac Osteopathic hospital where he had his tonsils extracted.

Mr. and Mrs. Rene Boschma were guests of Mr. and Mrs. Jerry Boschma of Royal Oak last week on the occasion of Dorothy's birthday.

A daughter, Andrea Lynn, was born to Mr. and Mrs. Boyd Titus of Southfield at New Grace Hospital, Detroit, on September 9th. Grandparents are Mr. and Mrs. Horace Kohn of Ortonville.

Brandon School students' magazine sales will begin on October 26 for ten days. With the proceeds they hope to sponsor a foreign exchange student next year.

School will be dismissed early this Friday.

### My Neighbors

"Ah—there's a cheery group with plenty of refreshments—Range East 46... North 62... Let's go!"

## Postmaster to Visit Hawaii

Miss Frances Leece, Postmistress of the Ortonville office left Wednesday, September 25, from Metropolitan Airport for San Francisco. Her traveling companion will be Nina Wall, postmistress from Parma, Michigan.

The women plan to spend a couple of days sightseeing in San Francisco before they board the steamship "Lurline" for Honolulu, Hawaii.

## Farm Bureau

The regular meeting of the Ortonville Farm Bureau was held at the home of Mr. and Mrs. Stewart Owen.

Officers elected for the coming year are: Chairman, George Gray; Secretary, Margaret Gray; Treasurer, Madeline Vantine; Discussion Leaders, James Vantine and Claude Crompton; Recreation and Song Leaders, Theresa MacDiarmid, and Gerry Spencer; Minute Man, Jack Spencer; Legislative Reporter, Vernon Hutchings; Vice-chairman, Glenn Mills and County Committeewoman, Thelma Hartwig, alternate, Betty Owen.

Committee on Resolutions, Claude Owen, George Gray and Alden Mills.

The subject under discussion at the meeting was the elimination of the local justices of the peace when the new Constitution goes into effect.

Drag racing on Oakwood Road was also given consideration during the discussion period.

## Women Visit Toledo

On September 19th, Mrs. Leona Hutchings went with a group of 38 Oakland County Farm Bureau women by bus to Toledo. There they visited Lasalle's Department store where they learned the many things that go on behind the scenes in the running of a large store.

The women learned that Lasalle's is celebrating its 98th year and is connected with Macy's of New York. Some of the departments visited were advertising, alteration, accounting, window display, shipping and receiving. The main store buys for several branch stores in nearby shopping centers in Ohio.

In the afternoon, the women were guests of the Libbey Glassware Co. Because of the heat of the ovens safety glasses were a must during the hour and a half tour. The women were impressed with the speed of the workmen and surprised to see how many glasses were discarded for small defects and later remelted. They also visited a small museum near the lobby where they viewed hand blown glass of many years ago.

Before departure, each woman was given a beautiful glass fruit juice decanter.

## Area Citizens Attend Forum

At the Citizens' Political Forum held September 21st at Oakland University, Rochester, the Oakland County Farm Bureau was represented locally by Mrs. Leona Hutchings, Mrs. William Scramlin, Mrs. Grant Beardslie, Clarkston, Mrs. Violet Porritt, Pontiac, Mr. and Mrs. Edward Bourin, of Wixom.

522 persons were registered for the forum which filled to capacity the gold room at Oakland University.

The all-day program featured speakers, William S. Broomfield, Neil Staebler, U.S. Senator Philip A. Hart and Governor George Romney.

There was a panel discussion "Who's to Pay for Public Services?" panelists Richard H. Austin, Sanford A. Brown, Defos Hamlin, Alfred M. Pelham and Richard C. Van Dusen. Moderator Robert E. Pickup.

A second panel was "Is More Efficient Local Government Now Possible?" panelists, William T. Patrick, Mrs. Harriett Phillips, Farrell E. Roberts, Mrs. Thomas Shelham. Moderator Arthur W. Bromage.

## Brandon Upsets Hartland

Fifty Yards . . . that was the total yards gained by Hartland last Friday night when Brandon's defense gave Hartland not one first down.

At their first home game of the season, Les Saunders, Ed McNulty, Melv McDowell and Joe Spress played very fine, defensive ball.

Steve Hubbs ran touchdowns of thirty-two and sixty yards. Roger Willis added the third touchdown with a four yard run. George Pal-

### Blood Bank at CAI

The annual Blood Bank sponsored by the Waterford-Clarkston Business and Professional Women's Club will be held from 2 to 8 p.m. on Monday, October 7, at the C.A.I. Building, 5640 Williams Lake Road.

Donors must be in good health. Ages 18 to 59 inclusive may be donors. Single minors, 18 to 21 years, must have written permission from a parent or legal guardian. Minors, 18 to 21 years, who are married, divorced, member of U.S. armed forces or member of National Guard on active duty are not required to have permission from parents. The donor must weigh at least 110 pounds.

This annual Blood Bank is an "open" bank. The donors can have their donation of blood credited to any Bank they wish.

Remember the date and time — Monday, October 7, from 2 to 8 p.m. at the C.A.I. Building on Williams Lake Road.

### MUSIC MASTERS

**WOODY HERMAN: BIG BAND**  
Celebrating his twenty-fifth year in the music business, Woody Herman is very much on the 1963 scene with a big band that's both new and NEWS!

Woody Herman has assembled what critics judge to be his best band to date and with the most exciting new jazz sound to break the Big Band barrier. The brass is brilliant, the trumpets blast as one, the saxes are loose and easy and the rhythm section has a fantastic, contagious drive. The band has its live audiences stomping and cheering wildly.

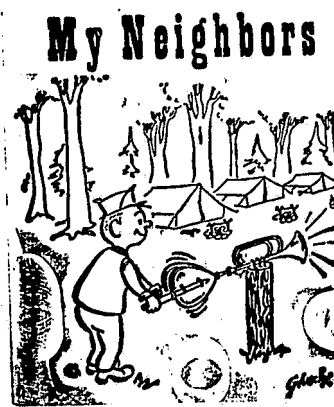

Solid bookings have kept the Herman Band on the move since it was formed less than a year ago and SRO audiences from the Metropole in New York to Basin Street West in Los Angeles are creating a great swell of enthusiasm from coast to coast for the new Herman sound.

A new legion of Herman fans has been caught up in the excitement of his big new band and the sales of Herman's 10's for Woody Herman Phillips Records reflect a market for his product far beyond the jazz buffs. His new album, "Encore: Woody Herman 1963" is enjoying outstanding action as have his other Phillips releases scoring high on jazz and pop charts.

The man with the clarinet and business man's air has hit the eye in the needle in a climate known for its unfriendliness to the big band sound. In an era of trios and small groups, the big Woody Herman Band is blasting a happy music and cutting an explosive swath across the country gathering fans in its wake.

"At middle age, your tripping becomes less light and more fantastic."

### Put Coffee In The Main Dish When You Serve Venetian Veal

No matter how many wonderful recipes we collect, we're always looking for something just a little different to serve for Sunday night supper. Since veal is one of our favorite meats, and extremely versatile, we have innumerable ways of making it absolutely delectable.

For instance, this time we've made Venetian Veal, served over rice that has chopped water chestnuts added for texture and flavor interest. The veal has a surprise ingredient, too — a half cup of extra strength coffee. The coffee doesn't outshine the other ingredients — it simply enhances the meat and the other flavorful fixings.

When it comes to the coffee which accompanies the Venetian Veal — that's a different story! Then we want all the coffee flavor we can get. If the coffee is measured and brewed properly, it will always be hot, fragrant and delicious.

**Venetian Veal**  
8 slices bacon  
3/4 cup chopped onion

8 garlic cloves, minced  
1-1/2 lbs. veal, thinly sliced (as for veal scaloppina)  
Salt, pepper, paprika  
1 can (1-1/2 oz.) chicken noodle soup mix  
1 cup canned Italian plum tomatoes  
1 can (8 oz.) sliced broiled mushrooms  
1 teaspoon Worcestershire sauce  
1/2 cup strong coffee  
1 tablespoon cornstarch  
2 tablespoons cold water  
1/2 cup sauteurs

Fry bacon crisp. Drain. Reserve. Cook onion and garlic in drippings until lightly browned. Discard garlic. Remove onion and reserve. Brown veal in drippings. Remove. Sprinkle veal with salt, pepper and paprika to taste. Prepare soup mix as directed, but use only 2 cups water. Simmer 7 minutes. Add tomatoes, mushrooms with their broth, Worcestershire sauce, coffee and soup to drippings. Blend cornstarch and cold water. Add and stir until thickened. Return chopped bacon, veal and onions to pan. Simmer 30 minutes. Stir in sauteurs. Serve over Rice with Water Chestnuts. Serves 6.

### Watch How You Cook Frozen Foods

Here's more Food News from your Detroit Consumer Marketing Agent. How to thaw is the question . . . Asparagus cuts, green or wax beans, lima beans, cut corn and peas do not need to be thawed before cooking. But, asparagus spears, broccoli, Brussels sprouts spinach and corn on the cob should be partially defrosted in the sealed package to aid in even thawing . . . For meats, follow the label instructions for whether to thaw before cooking . . . If you do thaw meat before cooking, allow it to thaw in its original wrap or package in the refrigerator or under cold running water . . . Frozen meat that has been thawed can be kept in the meat compartment of the refrigerator as safely as meat that has not been frozen . . . Thaw

### Cub Pack Meets

The first fall pack meeting was well attended with many new boys and parents.

Pack 126 has increased to a Fourth Den. The new Den Mother is Mrs. Elizabeth Walker. Assistant mothers are Mrs. Doris Storer, Mrs. Katherine Whitmer and Mrs. Elsholz.

Bear Badge awards were presented to Steve Snover, Gary Frost and Rick Kroninger. Arrow points were awarded to Mike Lynch, John Ross and Doug Kath. The Bobcat Award went to Albert Domrose III.

Thanks goes to all who donated baked goods, and to those who bought them.

bakery products in the original wrapper to prevent soggy . . . If the product is to be heated or toasted, this can be done from the frozen state while thawing.

## This one sets the standards

Standards that have never been equalled. Standards of usefulness . . . performance . . . value. They all add up to why the 'Jeep' Universal takes the toughest jobs you have in its stride. After three, five, ten years of pounding from roads and loads the 'Jeep' Universal goes on delivering the rugged performance that was built into it. It's the "jack-of-all-jobs" and their master too. Test the 'Jeep' Universal, check it out for performance . . . for usefulness . . . for features like the three power take-off points. See for yourself why the high standards set by the 'Jeep' Universal make it the world leader in its class. Available with half or full cabs—or convertible top. Also available in 80", 81" or 101" wheelbase.

**Jeep** UNIVERSAL  
VERSATILE, POWERFUL, VIRTUALLY INDESTRUCTIBLE  
Made only by KAIER CORP.
