NEW CHEVELLE!
BY CHEVROLET

The kind of handling ease you'd expect in a smaller car. Come on down and drive it.

The kind of comfort you'd expect in a large interior. Come on down and sit in it.

Only a car that looks as good as this could come between Chevrolet and Chevy II. Come on down and stare at it.

New Chevelle Malibu Sport Coupe

Now—Chevy spirit in a new kind of car!

We built this one to do more than just stand around looking beautiful! Held its weight down in the 3,000-pound range. Then built four lusty engines—two sixes and two V8's—with output all the way up to 220 horses*1
And if that makes you think this is one frisky car, you've got the right idea.
You've also got a roomy car here. Yet its 115-inch wheelbase keeps it highly maneuverable in traffic and very easy to park.
With its Full Coil suspension, it's got a ride that reminds you of the Jet-smooth kind the way it muffles noise and cushions bumps.
And the fine hand of Body by Fisher craftsmen shows up beneath this one's suave good looks, too.
Sound good? There's more. Like the fact that Chevelle comes in three series with eleven models—convertibles, sport coupes, sedans, wagons, even Super Sport models with front bucket seats. Like the fact that (and see if this isn't one of the nicest surprises of all) the new Chevelle comes at an easy-to-take price!
Like to hear more? The listening's wonderful at your Chevrolet dealer's—and so's the driving.

From the trenches of 1918... to the neighborhoods of 1963...
45 YEARS
Americans joined in service for GOD and COUNTRY

45 Years Ago...

**Armistice Day
November 11, 1918 -**

The battle was over, but out of the horror and devastation wrought by war there sprang an association dedicated to the perpetuation of the lofty principles for which that war was fought — Justice, Freedom, and Democracy.

**Veterans Day
November 11, 1963 -**

The American Legion — whose members are united by a grim bond forged in war and strengthened by memories of heroism, sacrifice, affection, and devotion — has become a dynamic symbol that patriotism continues to be a virtue... that service to country does not end when the military uniform is put aside... that there is still a sacred duty to exalt the precious heritage of American citizenship.

American Legion Weeks are observed from October 20 to November 11 (formerly Armistice Day, but now designated by the Congress as Veterans Day to honor veterans of all wars). During this period, veterans who served honorably during World War I, World War II, or the Korean War are extended a cordial invitation to become Legionnaires. For further information, contact The American Legion organization whose name appears in this advertisement.

OPEN HOUSE SET FOR THIS WEEKEND

(Continued from page one)

Ray M. Ackerson, David Teggerdine, Guy A. Walter, William J. Perry, Frank O. Willie, Joseph H. Alger, and John F. Deacon.

After the Directors were elected, they convened and elected:

Guy A. Walter, President — no salary; David Teggerdine, Vice-President — no salary; Ray M. Ackerson, Cashier — Salary \$1000 per annum.

These men purchased the old E. Jossman State Bank from E. Webster, Receiver of the E. Jossman State Bank, on November 26th, 1913. They paid \$4500.00 for the building and \$1375.00 for the furniture and fixtures.

Now they had the Charter and the building, the next thing was to start the business.

Having little knowledge about the actual operations of a bank, the Cashier was dragging his feet a little. He wanted to take his sweet time — he wanted to find out more about deposits, loans, commercial and saving deposits, etc. In fact, the records don't show it, nor does anyone admit it, but it appears they had a bank but didn't know what to do with it. It's the old story of a dog chasing a car — "What would he do with it if he caught it?"

Then came an unexpected move that spurred them to action!

E. Webster, Receiver of the E. Jossman State Bank, was going to make his first pay-off to the old depositors on Friday, November 28th, 1913. This was a few months ahead of time.

The Clarkston State Bank had to organize and in a hurry! they had to be open by November 28th, 1913 in order to be able to receive deposits when the Receiver started paying off, if it was not open, the depositors would put this money in one of the Pontiac Banks. It now became a timely thing.

Ray Ackerson, as those of you who know him, was not a person to go down without a fight.

Without any knowledge of how to run a bank, he announced that the NEW CLARKSTON STATE BANK would open for business on Friday, November 28th, 1913.

He went over to Alger's Hardware and bought a garbage can (or what we would now call a garbage can) person would come in with a demand and put it beside his desk. When a posit, he would take a scrap of paper and write his name on it and how much he had to deposit. Pin them all together and drop it in the garbage can. He did this all day Friday and Saturday.

By Saturday night, he had a pretty good start on a nice bank, but it was nothing but scraps of paper attached to money and checks and drafts. He had ordered pass books and had them on hand, so he called up a number of friends in Detroit who had worked with and for him in the Grand Trunk Paymaster's office and invited them out to his home for the weekend.

When they arrived they were setting up the accounts in the Clarkston State Bank. Monday morning the job was done and when people came in the bank, they were handed their account book and never knew the trouble it had caused. The Clarkston Bank was now a seasoned bank and ready for business.

Ray Ackerson, remember, was retired. This bank job was to be sort of a play thing for him. But after a few days on the job, he had found out that banking is work, in fact, more than he figured on or wanted.

So, on December 29th, 1913, he asked the Board to reduce his salary to \$750.00 per annum from \$1000.00 and hire Frank O. Willie (one of the Directors as Assistant Cashier, at a salary of \$750.00 per annum to assist him and give him an opportunity to get away once in awhile.

This move didn't seem to work out too well.

The records do not show just what went on in the background, but I noticed this little item in the Director's minutes of March 4th, 1914:

"Ray Ackerson was authorized by the Board to see George D. King of the Old Detroit National Bank and arrange to employ him as Assistant Cashier, if he could make suitable arrangements".

Guy Walter and other members of the Board went to Detroit to one of the large banks to see if they had anyone who could run a small town bank. The Detroit banker said, "See that young fellow over there on that stool, he is George King who has had experience in banking here in Detroit at our bank and also in Akron or Toledo in Ohio." "Let me talk with him and see if he is interested."

Martha Wright, Audrey Friday, Marie Calvin, standing and Frances Wampfler, seated, our bookkeepers — Happy at the end of the day when the final posting is completed and they are in balance.

Ackerson down to talk with Mr. King. George King came to the bank around the middle of 1914 and on August 24th, 1915, Ray Ackerson resigned and Mr. King was made Cashier. He remained the manager until his death in 1947.

Here is another interesting note from that period:

In the December 30th, 1914 minutes of the Board of Directors, the following Resolution was made: "Resolved that the bank has earned \$1000.00 net to date as shown by the books after paying all expenses, taxes, etc. due to date, and provided for interest in all deposits due or to become due during the year to December 31st, 1914, the Board by their vote hereby authorizes a dividend of 2 1/2%, amounting to \$500.00, to be paid to the outstanding stockholders on December 31st, 1914, and that \$500.00 be carried to the surplus fund from net earnings".

The next June when the examiners were in, the bank received a stinging letter saying, what is the matter with your heads, a new bank, barely meeting expenses and paying Dividends! Stop — stop — stop.

The records show that the next Dividend to the stockholders was on June 30th, 1919.

The report of the EXAMINATION COMMITTEE on May 11th, 1916 showed the following figures:

Commercial Deposits — \$23,000.00
Savings Deposits — 45,000.00
Certificates of Deposits — 30,000.00

Total Deposits — \$98,000.00

They had become almost a \$100,000.00 bank, in about three years.

The First World War came and the little Clarkston State Bank played a major roll in the bond program.

They were the center of all sales of Liberty Bonds, and also set up a Safekeeping Department to keep them for the customers.

In going through some of the old papers in the basement years ago, I noticed posters about the Bond sales, recruiting men, food collections and a number of other functions, which makes me believe the bank was pretty much the legal financial and personal representative of the Clarkston area, carrying on in much the same manner we did during World War II.

The bank grew and prospered after the war and when the great depression hit in 1932, the deposits were around \$300,000.00.

Roosevelt was elected President of the United States, and on March 4th, 1933 he declared the now famous bank holiday. All banks were closed. However, we didn't close our front door and we allowed people to make deposits and withdraw money because we felt that Roosevelt didn't mean us, but he did. We re-organized our assets on July 1st, 1933.

On July 1st, 1934, the Federal government started the Federal Deposit Insurance Corporation (FDIC for short), which insured bank deposits up to \$5000, later being increased to \$10,000.00, or the present limit.

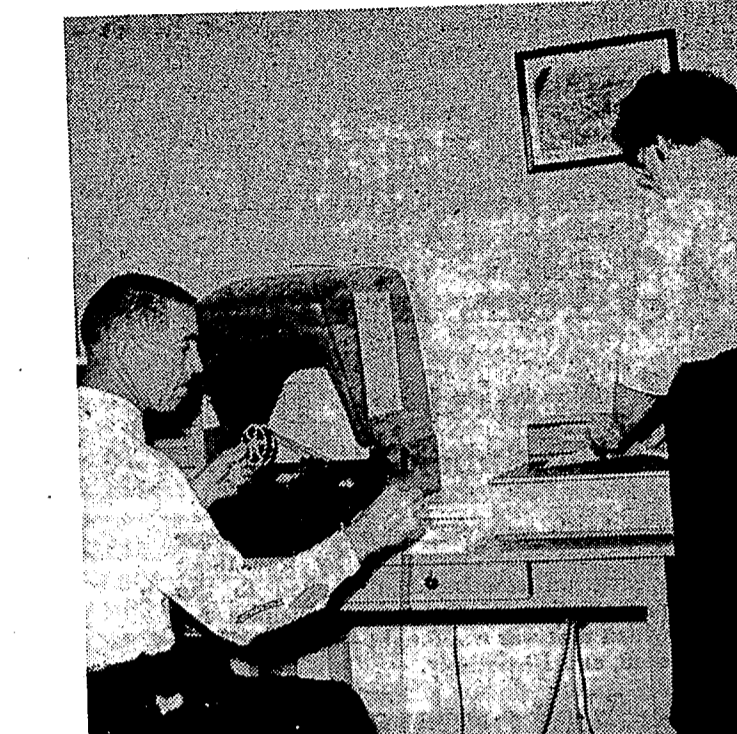

Then our bank started to grow. The past fears about bank crashes were forgotten and the bank began to prosper. We joined the Federal Reserve System in July of 1937.

Also, during the bleak depression, we had a bank robbery. Two masked men came into the bank on Saturday night, July 18th, 1932, one of them herded the customers in the lobby out to the office and held a gun on them and Mr. King and Mr. Teggerdine. The other bandit jump-

Charles Robinson and Elsie Smith operating the microfilm reader and duplicating machine.

When you think of it, 50 years is a long time. Since that time, much of America's History has been written. Two World Wars, a major depression, many World problems and prosperity. Changes have been vast and far-reaching, and an even more promising future lies ahead.

THE ORTONVILLE EAGLE

CLARKSTON, MICHIGAN, THURSDAY, NOVEMBER 7, 1963

Single Copy 10c

He Finally Made it, We Think

An Ortonville man, PFC Lewis J. Palshan, whose parents are Mr. and Mrs. Lee Palshan, 720 Oakwood Road, was one of the servicemen who took part in the recent gigantic airlift to Germany.

Excerpts taken from a letter to his parents describe his experiences: "Monday, October 28, 1963"

"I got here Friday morning about 3:00. We had a long plane ride here and a few troubles. We got loaded in Texas about 2:00 last Wednesday morning and were ready to take off and one of the engines blew an oil line so we had to switch planes. We finally got off the ground about 3:30. We rode about ten hours and landed in Goose Bay, Labrador and had a hot meal.

"We got back on the plane and were about two hours out over the Atlantic Ocean and one of the

plane's motors gave out so we headed back for Goose Bay where we got another plane. From there we flew into Mindenhall, England where we had another hot meal.

"There, again, we had to switch planes because two of the motors were gone out again. This made the fourth plane we had to switch all of our duffle bags and equipment from. All the planes we rode on were C-124 Globemasters. We got into Rhein-Main Air Force Base in Frankfurt, Germany about 11:00 Thursday night. There we had a steak dinner and loaded on trucks for a three hour ride to our field site. We are located five miles from Kaiserslautern on a French tank range. The weather here has been foggy and cold. We are all set up and ready for business. Saturday the Sect of the army Vance came down

and went through our area and gave us all a good word for the way we have things set up.

"We have a few Polish troops pulling guard around our area. I was talking with one and every time I said something, he started rattling off Polish real fast."

PFC Palshan, who was married a year ago to Miss Joan Cheney from Flint, expects to be back at their Texas home, 1002 Atlas, Killeen, Texas, in time for Thanksgiving.

GRAPEVINE

Mr. and Mrs. Clarence Moore returned home from a two weeks motor trip to Yuma, Arizona to one of the joys of country living — their water system wasn't working. They had been visiting their daughter's family, Mr. and Mrs. Dale Suttchen and their two granddaughters.

MEGAN WOODINGTON TO NATIONAL HORSE SHOW

Miss Megan Woodington, sixteen year-old Brandon High School senior left for New York Wednesday with her father and a group of young riders from Birmingham and Bloomfield Hills to participate in the International Horse Show which opened this week in Madison Square Garden.

In order to qualify for the show which draws the best riders from all over the United States, each rider must have placed first in one or more shows. Miss Woodington won first place at the Waterloo Horse Show at Jackson. This Saturday she will make her first appearance as a competitor in the International, jumping her six-year-old thoroughbred "Masterpiece" in the American Horse Show Class.

A member of the Metamora Hunt Club, Miss Woodington, rides and trains her horse at the Hadley Hills Farms Riding Academy owned by her parents, Mr. and Mrs. Robert Woodington, 1344 Hadley Road, Ortonville.

Elmer L. Conrad

Rotary to Hear District Governor

Mr. Elmer L. Conrad, Rotary Governor of District 638 was the guest of honor when the Ortonville Rotarians met Tuesday night at the Roto-Jay Hall.

One of 272 District Governors elected at St. Louis in June, Mr. Conrad will call upon each of the clubs in his district to check on the effectiveness of their programs and their co-operation with Rotary International.

Home from Okinawa for a twenty day leave is PFC Kile Ward ("Bucky Pearce") who is staying with his mother and stepfather, Mr. and Mrs. Harold Pearce of Bird Road. Bucky graduated from Brandon High School in 1960. He is now a member of the United States Marine Corps.

The Harvest Supper and Bazaar at the Christ Lutheran Church, South Hadley, will begin at 5 p.m. Thursday, November 7th.

Mrs. Charles Merrill, Mrs. Murray Holtzman and Mrs. Fred Silfvon were guests of Mrs. Katherine Tower for 12:30 luncheon on October 30th to help her celebrate her 70th birthday. The luncheon menu included Mrs. Tower's famous molasses cookies and an unusual pumpkin ice cream. Games and pinocle provided the afternoon's entertainment.

Mr. Vernon Filton of Allen Road made a most dignified Roman Senator at the Halloween party of which he was the host — only we think he discovered that togas weren't made for square dancing.

John Kier, Duane Frick and Trevor Merrick, students at Brandon High School, were slightly injured in an automobile accident last Friday night at Leece and Hammer Lake Roads.

Downtown Ortonville businessmen met Wednesday, October 30th for luncheon at the O'Fonville Hotel. Present were Mr. Carlis and Dr. Richardson of Richardson Dairy. They expressed an interest in opening a dairy in Ortonville. Also present were Mr. Melborn from Neagle Outdoor Advertising Company and Mr. Arris, who expects to soon open a drug store in the Kohn building. The group of men and women have decided to call themselves the Ortonville Progressive Club.

Anna Mae Romberger and Glenda Simonson of Anna Mae's Beauty Shoppe will go to the Cadillac Shear-ton Hotel in Detroit next week to the National Hair Dressers Convention where they will attend workshops in the latest hair styling.

Miss Betty Pethick, 9 year old daughter of Mr. and Mrs. Harry Pethick of Grange Hall Road, won first prize for her accordian solo "Harvest Time" on November 24th at the recital held in Goodrich by the American Academy of Music. Betty, who is in the fourth grade at Brandon School, has been taking accordian lessons for the past year at the Brandon Grange Hall.

Karen and Judy Palshan went to East Lansing for the weekend to see the Wisconsin-Michigan football game. They were guests of Paula Teal at the East McDowell Hall, Michigan State University.

Mr. and Mrs. George Waldbauer, 1890 M-15 have returned to Ortonville from their summer home at Newberry, Michigan, where they have been staying since last May.

Congratulations to the Brandon Blackhaws football team for upsetting the gloomy pre-season predictions by winning six games. And also to Bob Stevens for his fine reporting.

Sinclair Station Re-opens

The clock is back in the window of the Sinclair Service on Mill Street! The Sinclair station formerly operated by William Sutton is now operating under the management of Mr. Virgil Stanfill, formerly with Ortonville Tire and Battery Co.

Mr. Stanfill who opened the station for business last Saturday, lives at 333 Sherman Court, Ortonville, with his wife, Josephine, and daughter, June. He has worked in and around Ortonville for the past eighteen years.

Clarkston Northville Tie 13-13

(Continued from page 1)

The other was made by Cummings of Northville. Late in the game he broke away for a long run and what appeared to be a sure touchdown, but an extra effort by Williams caught up to Cummings and hauled him down on Clarkston's 28. Northville drove to Clarkston's four yard line, and nearly scored, then the defensive line, led by Dave Coulter (some say this was Dave's finest game), rose to the challenge and stopped Northville from scoring.

With only 56 seconds in the ball game, Clarkston nearly pulled the game out of the bag, but time ran out with Miskin catching a pass on Northville's 15 yard line.

The whole Clarkston team is up for praise, starting with coaches Keryon, Jones, M'Grath, all players, down to field manager George White. Special praise goes to seniors Len Bullard and Jon Gary (two of the finest linebackers in the league), Don Clement (a rookie last year, but a true tested veteran in carrying out blocking assignments in the offensive line), co-captain Ken Miskin (the outstanding end in the league), and John Williams (a cinch to make honors in the area for his

fine running). Also up for praise are Dan Craven (co-captain and one of the finest quarterbacks Clarkston has seen in some years), Dave Hollis (a fine reserve lineman who saw a lot of action for the Wolves), and Jim Hubbard (his first year out in football).

More will be coming in future articles about Clarkston's football and basketball teams.
