ROTARY TO HELP NEEDY

Clarkston Defeats Holly To Start Season 72-49

By Mel Vaara
Clarkston had no trouble in beating arch rival Holly 72-49. Holly couldn't overcome the fine shooting and the tough rebounding by the Wolves.

Gary Pearson led the Clarkston team with 26 points. This was Gary's first game of varsity ball, and he certainly did a fine job in putting the ball through the hoop. The best effort for Gary last year in basketball J.V. competition was 11 points. Dan Craven, who lead the Wolves in scoring last year with 297 points, netted 21 points. Many of Dan's

points were made by driving lay-ups. Ken Miskin contributed 11 points to the cause, Ken was Clarkston's 2nd leading scorer last year with 238 points.

The rebounding department was led by Mike Bray, who seems to rebound his best against Holly. Mike was one of the leading rebounders in the school's history when he played J.V. ball. Also rebounding very well was Dan Craven and Mike Miskin. It should be pointed out that Ken Miskin led the team with 238 points, as he did last year during varsity ball. Ron Lippert and John Wilberg played well for their first Varsity game.

Coach Dom Mauti let reserves

Coulter, Bass, Bray, Hinkley and McCarrick play most of the 4th quarter.

Wolves are hoping to achieve the same kind of success as the football team. If they play the kind of ball they are capable of playing we will have another championship in Clarkston.

The Junior Wolves played well for their first ball game, they dumped Holly 56-42. The team was led by Dan Fife with 14 points, Dave Osgood with 13 points, Tom Allen 8 points, Rod Allen 9 points and John Holcomb with 6. These five boys played only a little more than two quarters, with 12 other J.V. players playing the rest of the game.

Rotarians of the area will once again be doing their share during the Christmas season. Through the sale of their Goodfellow Papers, the Rotarians will be able to distribute shoes to the needy children of Independence Township, aid the Oakland County Society for Crippled Children and help finance Christmas decorations for Clarkston Village.

The Goodfellow Papers will be sold Friday morning thru Saturday, December 6-7 in the Village Streets and surrounding area. Their headquarters will be at the village hall next to Ronk's Barber Shop.

Christmas Eve Rotarians will go from door to door to present roses to the sick and invalid.

A few fuitcakes are still available from Rotarians, monies of which are used for the same purpose as monies from the Goodfellow Papers.

"Hello Son!"

A "Voice from Home" recorded Christmas greeting can be sent by wives, parents and children to their servicemen and women overseas or in military hospitals anywhere without any charge through the facilities of the American Red Cross.

Announcement made by Carleton C. Patterson, Jr., chairman of the Oakland County Chapter, invites servicemen's families to come to the chapter headquarters in Pontiac or to the branch office in Royal Oak between December 2 and December 13 to make recordings on discs that will be supplied and mailed in a special protective envelope to be received by the addressee on or before Christmas Day.

A Red Cross disc can contain a fifteen minute personal message from one or more members of the serviceman's family. It can be played on any kind of a record player in military or hospital bases.

To assure an interesting and satisfactory message, the Home Service Division of the American Red Cross urges families to plan in advance what they want to include in the recording, which adults and children will talk on what subjects and in what sequence, and to bring the correct and complete address, including the serial number, of the individual to whom the recording will be airmailed by the Red Cross.

Recordings can be made any time between 8:30 A.M. and 5:00 P.M. Monday through Friday between December 2 and December 13. Families are urged to make complete arrangements and definite appointments in advance by calling the chapter headquarters at 118 Franklin Boulevard, Pontiac, or the chapter's branch office at 315 West Sixth Street, Royal Oak.

Independence Twp. Appoints Planning Commission

The Independence Township Supervisor, Duane Hurstall, has recommended to the Township Board for their approval, the appointment of the following persons to the Township Planning Commission:

Joseph Rhoades, Frank Turck, Kenneth Thayer, Frank Reynolds, and Harold Bauer.

The Planning Commission having become effective the 11th day of November, the aforementioned appointees will officially take office effective the 1st day of January 1964.

Provisions of the Planning Act provide for a 5 to 9 member Planning Commission, 5 members having now been appointed. The Supervisor will now consider the need for additional appointments to the Commission, and who would qualify to complete such a Commission when and if such a commission shall reach 9 members. Any additions must be approved by the Township Board.

The Planning Act provides that the Supervisor, Duane Hurstall, SHALL make such recommendation (membership appointments) to the Township Board. Thus, by law, the Supervisor is faced with a delicate

responsibility. Mr. Hurstall must deliberate and proceed with extreme caution, with first consideration being the Township. He must recommend for appointment the type of persons who will be most capable of accomplishing the desired program.

There are many qualified and interested people who live in this Township who might be desirous of

serving on a Planning Commission.

To become aware of these people, and giving all such an equal consideration, and then making a selection, poses to be a formidable task.

Perhaps Mr. Hurstall's ultimate choice may not be favored by all, but the responsibility is his and he intends to resolve the completion of the Commission Board membership as soon as possible.

Dial '1' for Long Distance

A simplification of the long distance access code and a simultaneous introduction of new numbers for making service calls will go into effect December 7 in Clarkston, the Michigan Bell Telephone Company announced.

After 12:01 a.m., December 7, telephone users will need only dial the number "1" instead of the three digits, "112" to reach the Direct Distance Dialing equipment before making a long distance call.

John D. Kamego, manager here for Michigan Bell, said use of the single numeral "1" for access to long distance equipment is being adopted rapidly to be standardized on a nationwide basis.

Kamego said that long distance calls attempted on the 112 code beginning December 7 will be intercepted and routed to an operator who will remind subscribers to use the new single-number code.

Also effective December 7, new numbers will be used for reaching

Information, Repair Service, and Time Service. Kamego said the changes will be as follows:

Information will change from 33-113 to 33-411; Repair Service will be reached on 33-611, instead of the present 33-114, and Time Service will be changed from 33-116 to 33-6022.

The new service call and access code numbers will be shown in the new Clarkston telephone directory on which Michigan Bell will begin delivery December 3.

Male Chorus To Perform

The MacDowell Male Chorus of Pontiac will present their annual Holiday concert at Pontiac Northern High School on Monday, December 9, at 8:15 P.M. Mr. Jerry Libby, director of the chorus, is a graduate of the University of Michigan and has had several years' experience in the Pontiac school system. Mr. Libby is currently playing professionally at Wilken's Lounge, Pontiac Trail.

The program will include such numbers as "The Lord's Prayer," "Creation," and Cole Porter's popular "Night and Day". Mr. Thomas Marsh, vocal director at Rochester Central Jr. High will sing "O Holy Night".

Tickets may be purchased at the door. The program promises to be an enjoyable evening to welcome in the holiday season.

Receives Fourth Varsity Letter

Bob Porritt, senior Albion College safety man from Clarkston, has won his fourth varsity letter award with the Briton football team. Porritt also has been named to the All MIAA Conference squad for the third consecutive year as a defensive backfield specialist.

Masonic Christmas Party

The annual Christmas party for Masons and their families will be held at the Masonic Temple, in Davidsburg this Saturday night, December 7th. A pot luck supper will be served at 6:30 P.M.

Governor Romney Reports

Representing the people of Michigan at the funeral of President Kennedy was a profound and unforgettable experience.

What happened on November 22 and on the following days disclosed the best of America and the worst of America.

The events in Washington constituted a moving spiritual and patriotic experience. I question whether ever before in history there has been a comparable experience in terms of the joint grief of an entire nation and to a considerable extent the entire world.

Certainly, Mrs. Kennedy and the family and the world leaders did things to inspire all of us. Outstanding, of course, was Mrs. Kennedy's courage and devotion, and even the remarkable conduct of Caroline and John.

In addition, I think the people who were in Washington at the time of the funeral evidenced a depth of sympathy and grief that is remarkable. I had my daughter and son with me and we couldn't get within a mile of the Capitol. There were thirty blocks of people waiting to go into the Rotunda at the time it was necessary to move the casket to the services.

I think another aspect of the experience has been the degree of self-examination that is going on. We have experienced a tremendous tragedy, but we will experience an even greater tragedy if this grief and self-examination fails to produce an improvement in our attitude as a nation.

Let's hope that it will end the support or indifference towards those few fanatics of the extremes that are stimulating hate and violence.

Let us also hope that out of this unforgettable experience will come a deeper realization on the part of all of us that we are Americans first and foremost, and partisans only as a subordinate part of the fulfillment of our citizenship.

I hope, too, that in the future we will have greater honor for our President and the office of the presidency.

Let us hope that we have seen the end of false and vicious stories about the president. Such stories occurred to an extreme degree under President Roosevelt and they were beginning to occur again to an extreme degree under President Kennedy. Such bearing of false witness is part of the conduct that has played a part in what we have just experienced.

I think we all realize that this most recent series of tragic events followed others of a reprehensible character during the summer and spring.

We have had bombings of churches — we have had killings that preceded these events. Let us hope that out of this will come a renewed dedication to practicing more fully our inspired and eternal American principles.

During my stay in Washington, I talked with President Johnson. I told him that in Michigan we were ready to respond to any request he might make in helping him discharge his tremendous responsibilities.

I also indicated that I felt certain that I spoke for all the people of Michigan in expressing gratitude that one of his experience and capacity was available to step into the heavy role of leadership at this critical time.

Clarkston Debate Team

Open With Two Victories

The Clarkston High School Debaters opened their Wayne-Oakland League season at Clarenceville yesterday with two victories. The Affirmative team of Tom Masters and Gary Fitch defeated Holly,

while the Negative team of Rick Lausten and Roger Pearson won over Brighton.

Rotary Anns Plan Christmas Party

Last week the Rotary Anns held their November meeting in the home of Mrs. Robert Wertman. Mrs. Lewis Wint and Mrs. Frank Ronk were co-hostesses.

At the business meeting Mrs. L. M. Oakley announced that the Christmas meeting would be held at the Waterford Hill Country Club on Tuesday evening, December 3rd, starting at 7:00 P.M. The members will bring the crippled children's gifts to this meeting.

The group enjoyed a trip to Mexico via a color movie. The picture was "Journey into Friendship" with Girl Scouts and Girl Guides from several countries meeting in their compound in Mexico. The scenery was indescribable and the activities emphasized the fact that meetings of this nature tend to further friendliness between nations.

To close the evening, dainty refreshments were served with Mrs. Fleming presiding at the refreshment table.

Next Monday the squad will again go into League competition at Brighton. League standings after the first round of debate are:

	Won	Lost
Clarkston	2	0
Northville	2	0
Bloomfield Hills	2	0
West Bloomfield	2	0
Holly	0	2
Brighton	0	2
Clarenceville	0	2
Milford	0	2

JC's to Pick Junior Miss From Six Local Students

Clarkston News Photo

Ted Jackson, local chairman of the JayCee Junior Miss Pageant is shown with candidates (standing — from left) Teresa Coleman, Bonnie Black and Carol Hunt, (front row) Nancy Stanquist, Beverly Galligan and Carolyn Masters.

The Clarkston Jaycees have announced that six senior girls will compete for the crown of Clarkston Area Junior Miss on Saturday, December 14 at the Clarkston High School Little Theatre. Competing will be Bonnie Black, Teresa Coleman, Carol Hunt, Carolyn Masters, Beverly Galligan, and Nancy Stanquist.

The girls will be judged on intelligence, poise, personality, and creative ability. The local winner will then compete in the state pageant held in Pontiac. Then the lucky State winner will travel to Mobile, Alabama to compete against 49 girls for the title of America's Junior Miss.

The local pageant will be the final event that Janet Tisch will attend in her official capacity as Clarkston's first Junior Miss. We are all proud of Janet and we know that she and all of the Clarkston area will be proud of the new winner.

Life of A Shepherd To Be Shown

Dr. Charles Shaw, instructor at the Detroit Bible College, will present his colored pictures illustrating the 23rd Psalm, at the First Baptist Church in Clarkston Sunday evening, December 8, at 7:00 P.M.

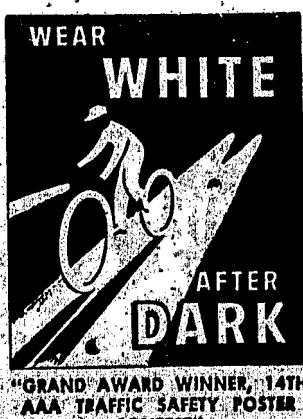

Dr. Shaw was a missionary in Palestine for 25 years and an instructor at the Israel Bible College. He is thoroughly familiar with life in the Orient and the language of the people. The pictures, which he took while there, show life as lived by the shepherd as he guards and cares for his sheep, relating it to the 23rd Psalm and the Christian under the Shepherding care of his Saviour.

The public is invited to attend and view this lovely and informative picture of life in a land so much in the news today.

Great Books Club To Meet

The Waterford Great Books group under the leadership of Mr. Kay Rector will discuss "Aristotle", Friday, December 6th, 8 p.m. at the C.A.I. library. Assistant leaders are Miss Patricia Hott and Mr. William Ott.

Newcomers are invited.

Many Gifts Suggested for Pontiac State Hospital Patients

Donald W. Martin, M.D., medical superintendent of the 3,000 bed Pontiac State Hospital, is presenting to Clarkston a suggested gift list for those wishing to remember the hospital patients at Christmas time.

The superintendent stated, "although I have only recently assumed the directorship of the hospital, I had already learned in advance the wonderful relationship existing between the hospital and the surrounding counties serviced by it," (i.e. Oakland, Genesee, Macomb, Lapeer, St. Clair, Sanilac, Huron, Shiawassee, Livingston, and Tuscola).

He further said that the traditional suggested Christmas gift list sent to all media of communication was an excellent idea that he would continue because "The needs for mentally ill patients do require adherence to a few rules in the best interest of the patient's safety and comfort."

It was felt by Dr. Martin that all Christmas donations should be new, because of the therapeutic effect it would have on patients who quickly realize that their presents are a personalized nature and not just used "hand-me-down" gifts.

Donations should be brought or mailed to Ted A. Panaretos, director, community relations department, Pontiac State Hospital, Pontiac, Michigan.

Births

Mr. and Mrs. Jack Harkin of 116 N. Main St., announce the birth of a son, Richard Earl, November 28th, Thanksgiving day. Traffic toll worse in 8 years

With Michigan headed for its worst traffic death toll in eight years, the 1963 count through November 20 had already climbed to 1,609 or 38 more than the 1,571 fatalities for all of 1962, State Police Commissioner Joseph A. Childs reports.

If the daily average of six deaths for the first 20 days this month continues through the remaining 41 days of the year, Michigan's provisional annual toll would be 1,855 or 284 more than in 1962. It would be the worst toll since 1955, when 2,016 were killed, the third highest record in state traffic history.

Even the rate of four deaths a day — the state's average in 30 years of record keeping — in the remaining month and a half would give a projected annual toll of 1,773. This would be greater than 1,746 in 1956, the highest since 1955. Other recent Michigan tolls were 1,548 in 1957, 1,382 in 1958, 1,473 in 1959, 1,604 in 1960 and 1,567 in 1961.

The current year's accumulated total of 1,609 through November 20 was 191, or 13 per cent, more than 1,418 in the same period a year ago. November's toll in the first 20 days was 123 compared with 75 at the same time last year.

Childs emphasized that only great-

School Buses Might Be Late

During the next three months there will be some severe weather when there will be a question as to the operation of the buses in the Clarkston Schools district. According to Mr. Floyd Vincent, Administrative Assistant, each morning the roads are checked for safe driving conditions. A decision as to the operation of the buses is not made until just before 6:30 A.M. If it is necessary for the schools to close, we have made arrangements with

er vigilance by drivers and pedestrians in complying with the traffic rules and adjustment to seasonal traffic conditions can prevent the year's final death toll from reaching what is now in prospect.

State Police Tpr. Hubert C. Rosema, of the Rockford post, has graduated from a 12-week course in police science and administration at the Southern Police Institute, University of Louisville, Kentucky.

His attendance was financed by the \$500 award he received in 1962 as the first winner of the State Police "Trooper of the Year" award. The award was provided by Dr. and Mrs. Carl A. Gerstaecker, Midland, to honor annually a state trooper for outstanding community service or heroic action. Dr. Gerstaecker is chairman of the board of the Dow Chemical Company.

Planning a Trip Abroad?

The fall and winter seasons are gaining rapidly in popularity as a vacation time.

Hundreds of thousands of Americans are busy right now planning for a trip abroad. They know they can miss the busy tourist seasons in other lands; they may be able to save money through off-season rates on planes and ships and in hotels.

If you're planning a fall vacation, keep in mind a few pointers that

radio stations WWJ, WPON and WJR to announce the closing over their 6:30 A.M. to 8:00 A.M. news programs.

If it is possible for the schools to remain open, the buses will travel those roads, on the regular routes that are passable, and will try to maintain their time schedules. Students living on snow-blocked roads should walk out to the nearest cleared road for transportation, as we do not want to delay picking up other students who are waiting.

It is best not to telephone, because the incoming calls load the school trunk lines and prevent the school keeping contact with the buses. However, if a call is necessary, please call Mr. Vincent, MA 5-1126, after 7:00 A.M.

will help to insure that your trip is a pleasant, healthy journey.

Depending on where you are going, you probably will need some vaccination shots. Smallpox vaccination within the last three years is required for re-entry into the U.S. With your passport application you get a form for your international certificate of vaccination. It will save red tape snarls, and possibly severe illness, if you follow the rules on this form. Ask your doctor whether you'll need any other shots, such as typhoid.

And while you're getting your shots, ask your doctor to give you a general physical checkup. If you take regular medications, make sure of your supply while away from home. Medications for motion sickness and intestinal disorders also can help avoid considerable discomfort.

Check up on what to expect from the climate, and select your travel wardrobe accordingly. Be sure to include good walking shoes.

In many countries the local water supplies are perfectly safe, but in others the water teems with dangerous germs. Don't take the water for granted. Find out if it's safe. If not, stick to bottled water or drinks. When in doubt about foods, avoid raw fruits and vegetables, unless you can wash and peel them yourself. Cook everything else.

If you wear glasses, take along an extra pair. Or at least a copy of your prescription.

Non-College-Bound Students

To Receive Counseling

Clarkston Schools will share in a \$19,268 Federal grant this year to study and improve counseling offered to non-college-bound students.

Dr. William Moorhouse, director of the Oakland Schools guidance program, will coordinate the efforts of 60 counselors from junior and senior high schools in Pontiac, Waterford, Royal Oak, Clarkston and South Lyon school districts.

Clarkston community Schools are project sponsors under Federal regulations regarding NDEA demonstration projects.

"Counseling for college bound students is generally adequate," Dr. Moorhouse said. "Counselors are college-educated, college oriented people. It is easy and natural for them to assist in college and careers selection for the 30 to 50 per cent of the students who are headed in that direction. It is less easy for them to assist students who will enter employment or job training directly from high school."

Moorhouse said that traditionally the same guidance methods have been used for all pupils. The project will analyze the methods, tools, and techniques that could be developed to serve the employment-bound portion of junior and senior high school student bodies in the participating districts.

Six objectives are listed in the project outline. Guidance counselors and their advisory committee will

1.) Study the feelings and understanding of students concerning their opportunities.
2.) Find ways of identifying young people who are employment bound.
3.) Evaluate the needs of employment students.
5.) Work toward a specific program in helping employment-bound

students develop desirable concepts of the occupational and educational choices available to them.

5.) Help counselors understand and appreciate the difficulty and the importance of their work in counseling employment-bound students.

6.) Evaluate the effectiveness of guidance, counseling and testing programs for employment-bound students.

An advisory committee for the project includes the guidance directors of the participating school districts and three university consultants. The school guidance directors are Arnold Embree of Pontiac, William Gerard of Royal Oak, Dr. Edgar Johnston of Waterford, and Terry Thomas of Clarkston. Dr. James Costar, associate professor, Michigan State University; Dr. Gary Waltz, associate professor, University of Michigan, will be consultants. Moorhouse and Glenn Smith, chief

of guidance services, State Department of Public Instruction, are also members of the advisory committee.

The first meeting of counselors and committee members was held in two sections at the Oakland Schools offices on Monday, November 11.

Amorning session with half the counselors will be held at 11 a.m. A repeat meeting will be held at 2 p.m.

Both counselors and students will be surveyed as early steps in the project. The student survey form will be administered to youngsters in grades eight through twelve during the fall semester this year and again in 1964 and 1965.

The data processing center of Oakland Schools will be used throughout the project to compile statistics on the characteristics of the employment-bound student and to help counselors identify some of his needs.

The project will run for two years. The Federal funds, granted for the current year, are renewable for 1964-65.

Clarkston Boys

Attend UN Tour

John Wilberg and Mike Turek, two Clarkston High School Hi-Y Club members, represented their school and club on a recent tour of the United Nations in New York November 10-14.

Clarkston High's Hi-Y Club was among several area-wide Hi-Y Clubs that accompanied Detroit YMCA Clubs on their annual tour and study of the UN.

Through the financial assistance of the Clarkston Rotary, both Clarkston delegates were able to attend the tour.

Leaves

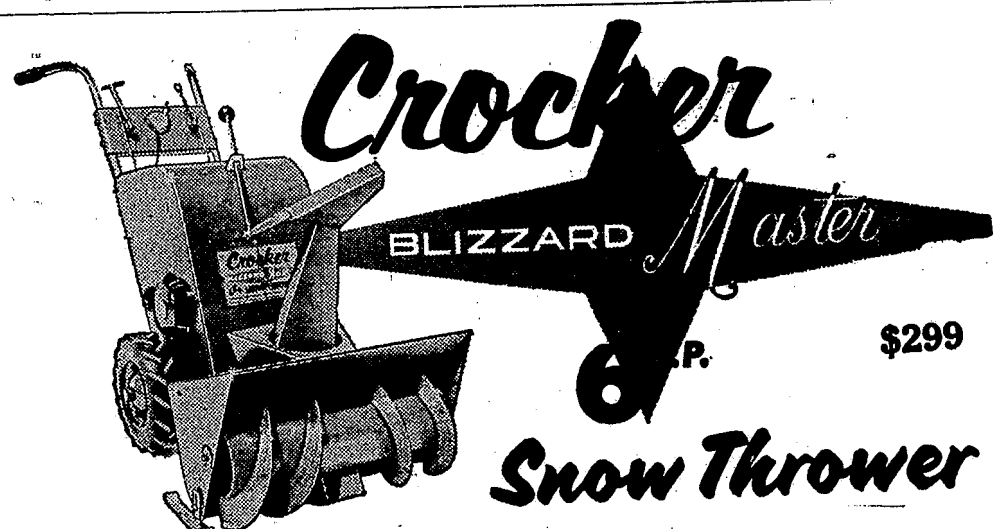

On my couch I lie, looking out the window, looking at the leaves fall down.

I imagine I am the King of the Leaves — standing aloof.

I picture many cities, towns and communities — many groups of buildings and areas of land.

But when the leaves all fall, they will own this land — and not a space will be vacant.

The Coming Cold

What can you do for the common cold?

Most folks know you can't cure it. And yet we still waste a lot of time and money on pills and nostrums and treatments — all in the faint hope that maybe this time something will help.

Actually, grandma's home therapy is still good. If you get a cold, stay home in bed. Keep warm. Gargle to ease a sore throat. Take aspirin for the discomfort. None of this will cure the cold, but it will make you feel somewhat more comfortable while your body's natural defense mechanisms are building up enough steam to overcome the cold virus.

From time to time there have been vaccines to protect against colds. To really protect, the vaccine would have to include many different viruses. Some of the viruses that cause colds most likely haven't yet even been identified. It's unlikely that a vaccine will help much. Ask your doctor for his recommendation in your individual case.

Almost everyone has a cold or two during the course of the winter. Usually we try to keep going to the office, but sometimes we feel too bad to work and spend a day or two at home.

There are medications now available — in the area of antihistamines that sometimes can make the symptoms of a cold much less severe and make it possible for us to keep going. These have their limitations and their problems. The antihistamines can cause drowsiness, which could be highly dangerous to the driver of an auto. If you get a cold, ask your doctor about the new medications that reduce the runny nose and sneezing and coughing.

As youngsters we heard the old folks say: Treat a cold and you can cure it in two weeks; let it alone and it will go away in a fortnight. The time element isn't that exact, but the theory is the same.

Much research is being done on cause and possible cure for colds. Perhaps the answers will be found some day. But as of now we can't cure colds and anyone who tells you he can, deserves at best considerable suspicion.

Music Boosters Meet

The December meeting of the Brandon Music Boosters will be held Monday night.

Reports from the cider sales indicated that the project netted about \$300.00.

Mrs. Wilson showed samples of junior choir robes and the group voted to purchase thirty robes at an approximate cost of \$8.20 each.

The Christmas music concert "Christmas Story" will be held on December 16. Taking part in the performance will be the Senior Band, Junior Band, Mixed Senior Choir, Junior Choir, Girl's Glee Club, Octet. There will be a special number by the speech, drum and art departments.

Preparations for the concert have been difficult for the music groups because they haven't been able to practice for three weeks while the drama group has been using the stage for the play. However, they expect to apply extra effort for the next two weeks to get together a fine musical evening's program.

FIGURE CLUB PLANS PARTIES

The Waterford Fashion Your Figure Club enjoyed the talk Dr. L. K. Mathews gave on dieting Wednesday night at the Community Activities Building.

The club meets Wednesday nights 7:00 - 9:00 p.m. for those interested in losing weight.

The trophy winners for the week for losing the most weight are Mrs. John McGowan and Mrs. Arthur Raisanen.

The club will have the following program for December: December 4th, White Elephant Party; December 11th, Bake Sale; December 18th, Christmas Party.

SMORGASBORD TO BE HELD

The Reorganized Church of Jesus Christ of Latter Day Saints will hold their monthly smorgasbord dinner on Friday, December 6, at the C.A.I. building on Williams Lake Road in Drayton Plains. Dinner will be served from 5:00 p.m. to 7:00 p.m. and prices will be the same as always.

The balmy Thanksgiving Day weather just gave us one more thing to be thankful for but now, what a change, Brrrrr!!

Enjoying in person the pageantry and color of the J. L. Hudson Co. parade in Detroit were the Samuel Bilger family of Ortonville. They completed the day by having dinner at Victor Lins and viewing Walt Disney's "Incredible Journey".

The Brandon All School Play, "The Boarding House Reach" which was postponed because of the death of President Kennedy, will be presented Saturday, December 7th in the High School Auditorium at 8 p.m. The students who saw the play at school on Friday afternoon say that it is hilarious.

Twenty-six members and chaperones of the Ortonville 4-H Club enjoyed a real horse-drawn hayride at Sherwood Forest last weekend. The trail which wound around the 200 acre farm went through the woods and over a stream. Later the group went to the clubhouse for refreshments. Accompanying the boys and girls were Mr. and Mrs. Vernon Hutchings, Mr. and Mrs. Ray Smith, Mr. MacHenry Cornell and Mrs. Wilmer Kilbourn.

Guests of the Wilmer Kilbourns for Thanksgiving were Mrs. Fay Cox from Thornville and Mrs. Albert Jones and sons.

A joint school of instruction conducted by Mildred McNally, Grand Warden from Byron, was held jointly Wednesday evening by the O.E.S. Ortonville Chapter No. 286 and Joseph C. Bird Chapter of Clarkston.

The next regular meeting of Ortonville Chapter No. 286, Order of the Eastern Star will be held at the Masonic Hall on South Street, December 11th at 8 p.m. There will be a Christmas gift exchange.

The Harold Schmidts served Thanksgiving dinner for nineteen, including Mr. and Mrs. Norman Stough and family, Mr. and Mrs. Ed Plumb and family, Mr. and Mrs. Richard Plumb and family and Mr. and Mrs. Fred Kwapis.

All of the Ortonville Boy and Girl Scouts held a skating party at the Clarkston Roller Rink on Monday evening. Proceeds will be used to buy something for the new Goodrich Hospital.

Mr. and Mrs. Ronald Johnson, former counselor at Ortonville School, was in town over the weekend to visit old friends. They stayed with Mr. and Mrs. Freymiller of Holly and made several calls on local acquaintances. They now live in Galeen.

Miss Donna Flick and Miss Pamela Flick were holiday visitors at the home of their grandparents, Mr. and Mrs. Harry Featherston of Church Street.

St. Anne's Altar Society will have a potluck supper and Christmas party meeting beginning at 6 p.m. December 11th at the Rectory. All of the ladies of the parish are invited. There will be no gift exchange. A short business meeting will be held.

Tuesday, December 10th will be the date of the Senior Citizen's Christmas party. Potluck dinner will be at noon at the Brandon Grange Hall. There will be games and a fifty-cent gift exchange.

Gilbert Gray, who has seen the world with the Marines (Korea, Okinawa, Japan, Vietnam) will soon be flying home to spend the Christmas holidays with his parents, Mr. and Mrs. George Gray, of Croup Road, Ortonville.

The Past Matrons of the O.E.S. had their annual Christmas party meeting at the home of Mrs. Ray Long of Sherman Court, Ortonville. A special treat served by the refreshment committee were macadamia nuts brought from Hawaii by Miss Leece. Prizes for games were won by Helen Turnoull, Phyllis Saunders, Madeline Vantine and Mabel Stevens. Grace Kohn won the door prize. Refreshment committee was Frances Leece, Jean Long, Pauline Westlake, Helen Turnoull and Louella Kier.

The President Speaks

During the Christmas season each year the Clarkston Rotary Club sponsors the annual Goodfellow Newspaper Sale, and the funds received are used to support various community activities. Our chairman for this year is Jess Berg, and he has set up a schedule to assure that all business activities can contribute as well as individual contribution on the sale of the newspapers. Jess anticipates a much higher sale this year than at any time in the past, and he has teams set up to make sure all Rotarians devote some of their time toward raising money for our community sponsored activities.

The funds received from the sale of the papers will be used to buy shoes for children of families in our area that are not as fortunate as most of us at this Holiday Season. Most of us do not realize the importance of this project, but if each of you could have a opportunity to help in the providing of these shoes each year, you could personally see the heartfelt appreciation of the shoes.

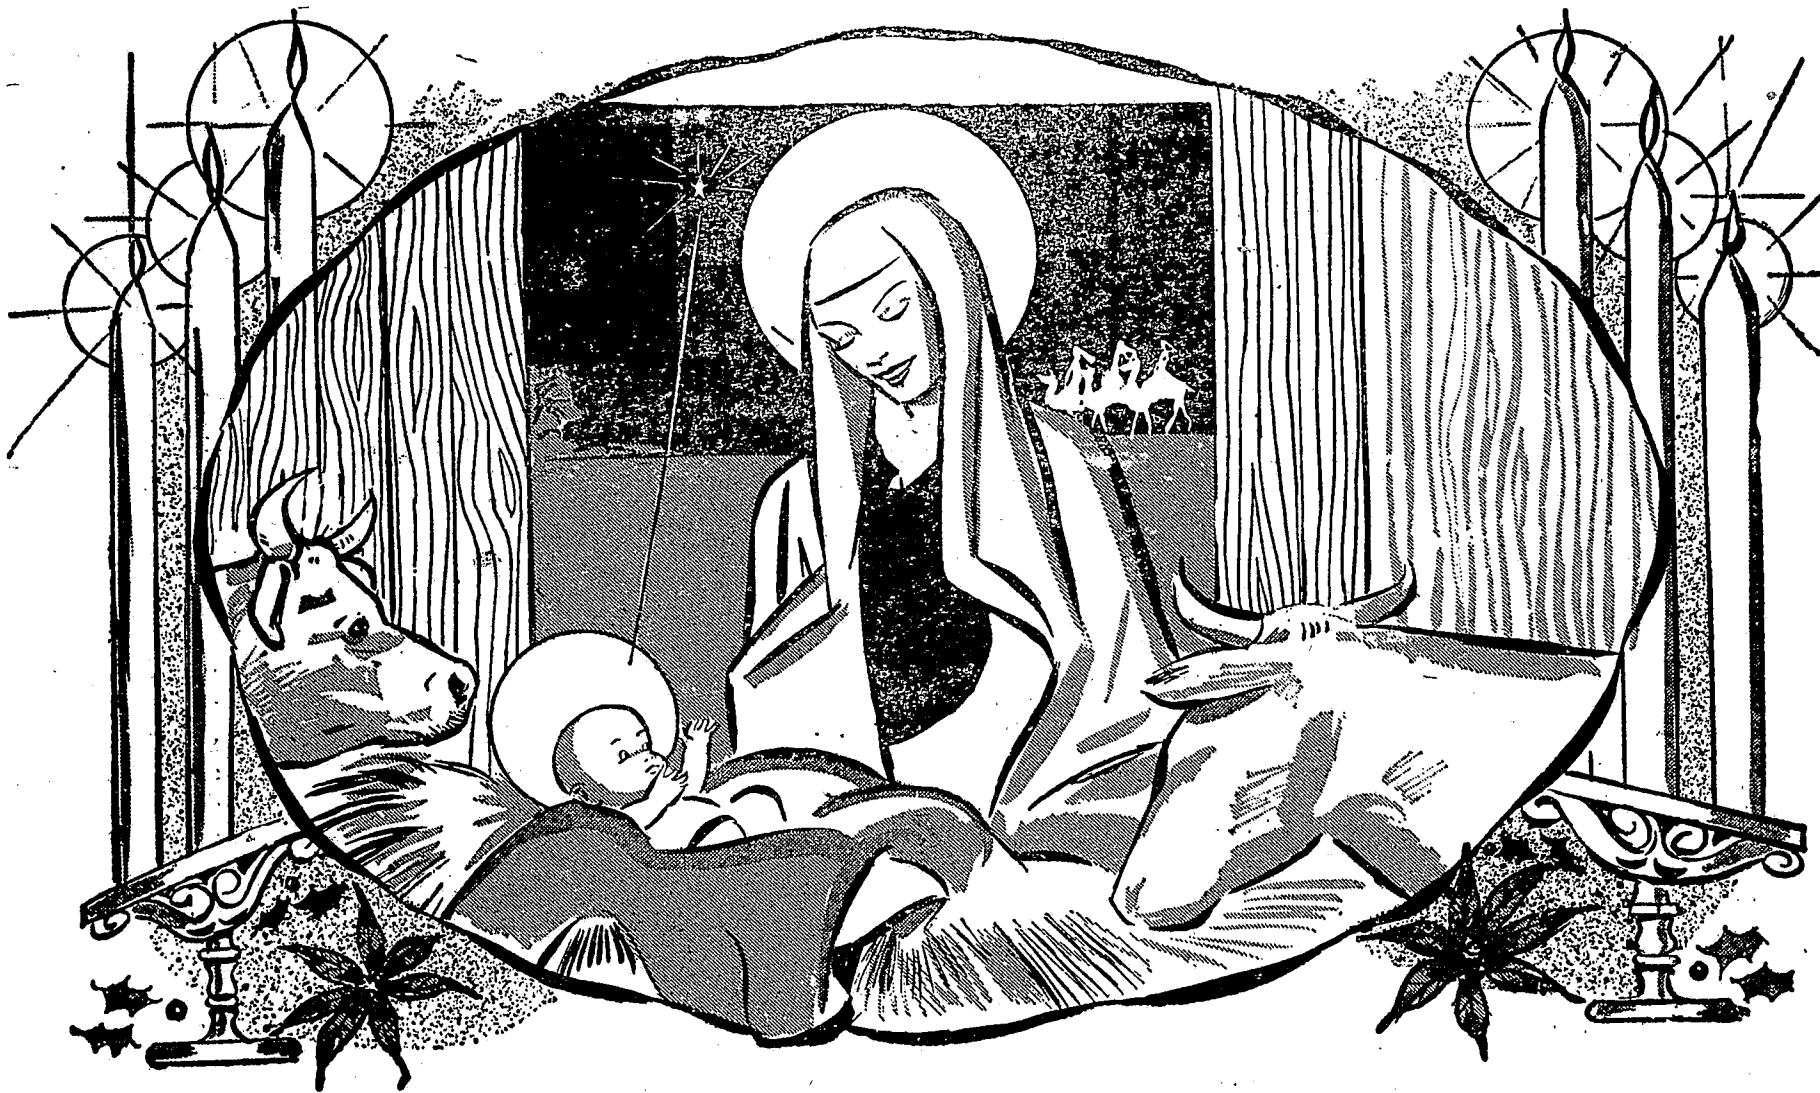

Another use of the money collected from the paper sale is in aiding the Oakland County Society for Crippled Children. The Society each year has a special Christmas program for the children of the home with a gift for each child plus candy and all the things that make Christmas for children, (including Santa Claus).

The Rotary Club will decorate the Main Street of the town for the Holiday Season, and we hope to have complete decorations up soon. This year we have new street lights in the business district and we will start to build a plan for annual decoration in conjunction with our new street lighting system. The financing of the decorations does not come from the money contributed in the Goodfellow Paper Sale, but rather from other Rotary programs such as the Pancake Supper that is enjoyed by many throughout the community. Our Pancake Supper held a few weeks ago was a great success, and we hope all residents will plan to have supper with us at our next pancake supper on April 6, 1964.

Another of our Christmas Eve activities of our club, is the delivering of small remembrances to the aged people of the community. Some of the members of the club, give their time on Christmas Eve to go door to door and present a rose to the elderly women and a cigar to the men. This does not seem like much to most of us, but to these people who receive the gifts it means a great deal just to know that some one is thinking of them.

Every year we receive many calls from people who live next to, or know of a family that needs help in order to have any form of Christmas. We provide help to as many of these families as possible, but we always run short on money in this assistance program. We do, however, try to refer the ones we can't help to larger organizations with the hopes that they can help them in some way.

It is the hope of the Rotary Club that the time and work put forth through the Holiday Season will bring as much happiness as possible to as many people and homes as we can, and we wish to sincerely thank each of you for your part in making this possible. Howard M. Kieft, President Clarkston Rotary Club

Christ is in Christmas

Child With A Purpose

If our recently departed late President, John F. Kennedy, had been allowed to deliver his message at the Trade Mart in Dallas on that fateful day of his assassination, he would have closed with the words, "As it was written long ago, 'Except the Lord keep the city, the watchmen are awake in vain.' There is prophetic utterance in these words taken from Psalm 127:1, because notice how closely they resemble a sentence such as: 'Unless the Lord is in control even the Secret Service men cannot really fulfill their task.' Unless people have the law of God written into their hearts it is impossible to have a truly free and orderly society.

In this time of preparation for Christmas, in our Church called the Advent Season, we focus attention upon great utterances which would help us prepare for the coming of the Christ child. One of these utterances has to do with the Messianic motivation to live by the law of God written into the human heart and not just in statute books. The utterance is spelled out by the prophet Jeremiah in his great 31st chapter (our Old Testament lesson for the First Sunday in Advent) when he says, "But... says the Lord: I will put my law within them, and I will be their God, and they shall be my people."

The point of Jeremiah's utterance is this, that the Christ comes so that men are motivated to live the good life, the "Goodfellow life," not because of force but because of forgiveness. When men commit themselves to the Christ and personally experience his loving forgiveness and cleansing, they are motivated to live the good life not because someone says, you must, but because this is what the Christ, our Savior, desires. If I claim to be a forgiven person I cannot willfully do or refuse to do that which my Savior died to forgive. Therefore the Christian lives the good life not because of the law of compulsion but because of the love of Christ. I would like to submit for your consideration that this Christ is the only hope for our society, which has been shocked by an act

of lawlessness, and is disillusioned because of an ever-growing rate of crime and lawlessness. I could throw numerous statistics at you to support this contention, but you know that it is true. You are well aware of this ever increasing rate of lawlessness and disrespect.

Christ is the only hope for this situation. The law of God written into human hearts is the only answer. We know that even with added Secret Service protection for the President, it is impossible to be completely positive that a re-occurrence of a Lee Harvey Oswald assassination will not again take place. Even in this situation, was it not significant that the reaction of Oswald's mother was something like this - How could he have done it, he was a good boy. Sounds like parents after a teen-age son has been arrested and found to be quite under the influence of alcohol saying - How could he have done it, we have always tried to teach him to use these beverages in the right way.

Honesty would therefore force us to admit that it is impossible to really have a good society by simply increasing the police force. Parents will be disillusioned if they think that morality can be communicated simply by "teaching what is right." Within 15 minutes time a young person can be many miles away in his automobile from parental pressure and social pressure.

The discipline, therefore, that is the most effective is self-discipline. The law that has significance is the law of the still small voice of Christ's Spirit directing from within the human heart. The good life, the "Goodfellow" life is motivated not because of force but because of forgiveness. It is in Christ, not compulsion, that our answer lies.

This Christmas Season we focus attention upon the Christ who comes to write the law of God into human hearts. You will hear many sermons, both in Church and outside of Church about getting the right meaning out of Christmas. You will hear people say that we need to put Christ back into Christmas.

I am not sure that the an-

Christmas is traditionally a festive occasion. We gather with our friends from house to house. We blend our voices joyfully in the singing of carols. We present each other with beautifully wrapped Christmas gifts.

All of these things reflect the attitude of the heavenly host who appeared at the time of Christ's birth singing "Glory to God in the highest and on earth peace goodwill toward men" (Luke 2:14).

While the angelic hosts sing to the shepherds their song of praise to God, we find Joseph and Mary announcing the name of the new born babe. Joseph acting upon the instruction that he had received from his celestial visitor, announced "He shall be called JESUS, for He shall save His people from their sins" (Matthew 1:21).

The joyful, festive side of Christmas finds universal expression, but we do well to stop and think of the serious side.

Never was a baby born with such important destiny resting upon Him. From His birth, He was a **CHILD WITH A PURPOSE.**

Doubtless the primary pur-

pose of His coming to REDEEM a lost and dying mankind. When sin became a part of the human race, the consequent depravity made man unfit for the presence of God. Men were no longer eligible to dwell with Him.

Neither did men have the resources to atone for sin. Each person born into the world was born with a sinful nature. Each one could die but for himself. None could be delivered from the edict of God, "The soul that sinneth it must surely die" (Ezekiel 18:4).

But Jesus was unique - He had no human father. He was miraculously conceived of the Holy Spirit. Thus, though born with a human body, He did not have a depraved nature.

Even His strongest enemies time and again were forced to admit that they could find no fault in Him. None could convict Him of even one sin. Jesus, then, was the only person in history who could offer to die in someone else's place! And His entire life was oriented toward the goal of Calvary.

When offered an opportunity to escape the ordeal, He answered, "For this cause came I into the world" (John 18:37).

But there was a second purpose for the coming of Christ. He came not only to redeem; He came also to REVEAL - for in Christ God in a tangible way manifested Himself to men. The Scriptures tell us "in Him (Christ) dwelleth all the fullness of the Godhead bodily" (Colossians 2:9).

For centuries prior to the birth of Christ men had tried to understand God on the basis of abstract theological concepts. God had spoken through Moses and the Prophets. But an understanding of Him always came through the interpretation of Him shown forth in a finite, human instrument and the vehicle of word symbols. Now with the birth of Christ came One who could say, "He that hath seen me, hath seen the Father" (John 14:9).

Now we can understand the mercy of God as we see the Lord Jesus praying for His tormentors, "Father, forgive them for they know not what they do" (Luke 23:34). We can understand the omnipotence of God when we see the sealed tomb - impotent to contain His glorious presence - yield to the resurrection power.

In Jesus we have the ultimate in divine revelation. He has evidently told us everything we need to know so far as God is concerned, for in communion with God He said, "I have given unto them the words which thou gavest me" (John 17:8).

But there is yet a third purpose for which Christ came. He came to redeem a lost mankind, He came to reveal the Divine Creator, but He also came to RECRUIT sincere believers into the service of Almighty God. It was on the basis that He said to His disciples, "as the Father hath sent me even so send I you" (John 20:21). Christian service seemed to be in the mind of the Apostle Paul when he wrote his first letter to the church at Corinth, in which he said, "We are laborers together with God" (I Corinthians 3:9).

Here is a truth which defies understanding. We can never cease to marvel that an Almighty God would deign to work through the instrumentality of the regenerated human personality. Yet some 1900 years of the Christian history bear repeated testimony to the fact that God dwelling in and working through human personality has literally shaken the world.

When the Apostle Paul met the risen Saviour on the Damascus road and experienced the miracle of regeneration for himself, immediately there was the awareness of God's call to a life of service. Paul's missionary journeys are potent testimony to the grace and power of God in the life of an individual.

These three purposes for which Christ came must be taken in their sequence. No one can KNOW GOD until he has first experienced the miracle of regeneration. Then the indwelling Holy Spirit becomes his teacher, and God is REVEALED to him through his fellowship with the risen Saviour. Moreover, no person

Rotarians Say "Thank You"

This paper sale is put on by the Rotary Club of Clarkston in order to help make a Christmas for the children of this community. It is one of our Community Service projects. We thank you for your help in making this possible. Your splendid cooperation and the very fine work of the active corps of Goodfellow salesmen last year helped us realize the largest fund from the paper sale in the history of the Club. Thus we were able to do more good at Christmas time. I wish to take this opportunity to explain what Rotary is and how it got started.

The first Rotary Club in the world was organized in Chicago, Illinois, on February 23, 1905 by Paul P. Harris, a young lawyer, who gathered together in a spirit of friendship and understanding a group of men, each of whom was engaged in a different form of service to the public. That basis of membership - one man from each business and profession in the community, still exists in Rotary. At first, the members of the new club did not meet at luncheon, but met in rotation at various places of business of the members, and this suggested the name of "Rotary."

Since 1905 the ideals of Paul Harris and his friends have become ideals which have been accepted by men of practically all nationalities and of many political and religious beliefs. Today there are Rotary Clubs in Algeria and Australia, in Ceylon and Chile, in the Fiji Islands and French West Africa, in Sweden and Switzerland - 129 countries of the world. The universal acceptance of Rotary principles has been so great, there are now more than 1,500 Rotary Clubs which have a membership of some 541,000 Rotarians.

The general objectives of Rotary Clubs in every country are the same - the development of fellowship and understanding among the business and professional men in the community, the promotion of community-betterment endeavors and of high standards in business and professional practices, and the advancement of international understanding, good will and peace. Rotary Clubs everywhere have one basic ideal - the "Ideal of Service" which is thoughtfulness and helpfulness to others.

The slogan of Rotary is "Service Above Self" and "He Profits Most Who Serves Best". We who are members of the Clarkston Rotary Club, have accepted this slogan wholeheartedly and are trying to plan and introduce to our little community, People, with many projects and have plans for many more. Our members want nothing more from their membership in CLARKSTON ROTARY but the privilege of serving their community with the best.

Charles W. Robinson, Secretary Clarkston Rotary Club

is qualified to SERVE God until he or she has been first of all brought into this vital relationship with Jesus Christ. God calls the sinner to repent and to receive, but only the believer is called to serve. So at this 1963 Christmas season, let the Christ child fulfill HIS PURPOSE IN YOU. "Believe on the Lord Jesus Christ and thou shalt be saved" (Acts 16:31).

or is the subject of this Sunday's Bible Lesson to be read at all Christian Science church services. God's government of the universe and all mankind will be emphasized in many of the readings, including this Bible verse: "For the kingdom is the Lord's: and he is the governor among the nations" (Psalms 22:28).
 A corresponding passage from the Christian Science textbook reads: "When man is governed by God, the ever-present Mind who understands all things, man knows that with God all things are possible" (Science and Health with Key to the Scriptures by Mary Baker Eddy, p. 180).

Many Gifts Suggested for Pontiac State Hospital Patients

Donald W. Martin, M.D., medical superintendent of the 3,000 bed Pontiac State Hospital, is presenting to Clarkston a suggested gift list for those wishing to remember the hospital patients at Christmas time.

The superintendent stated, "although I have only recently assumed the directorship of the hospital, I had already learned in advance the wonderful relationship existing between the hospital and the surrounding counties served by it" (i.e. Oakland, Genesee, Macomb, Lapeer, St. Clair, Sanilac, Huron, Shiawassee, Livingston, and Tuscola).

He further said that the traditional suggested Christmas gift list sent to all media of communication was an excellent idea that he would continue because "The needs for mentally ill patients do require adherence to a few rules in the best interest of the patient's safety and comfort".

It was felt by Dr. Martin that all Christmas donations should be new, because of the therapeutic effect it would have on patients who quickly realize that their presents are of a personalized nature and not just used "hand-me-down" gifts.

Donations should be brought or mailed to Ted A. Panaretos, director, community relations department, Pontiac State Hospital, Pontiac, Michigan.

Panaretos said it would be appreciated if presents were sent unwrapped, accompanied by gift paper and ribbon, in order that employees and volunteers may personalize each item for the individual patients' needs.

Deadline for receiving gifts at the hospital is December 18th. This date is set so that all gifts will be ready for the patients on Christmas morning.

On behalf of all hospital patients, employees and volunteers, the superintendent wishes Clarkston the holiday season's best and a thank you to everyone.

Traffic toll worse in 8 years

With Michigan headed for its worst traffic death toll in eight years, the 1963 count through November 20 had already climbed to 1,609 or 38 more than the 1,571 fatalities for all of 1962, State Police Commissioner Joseph A. Childs reports.

If the daily average of six deaths for the first 20 days this month continues through the remaining 41 days of the year, Michigan's provisional annual toll would be 1,855 or 284 more than in 1962. It would be the worst toll since 1955, when 2,016 were killed, the third highest record in state traffic history.

Even the rate of four deaths a day — the state's average in 30 years of record keeping — in the remaining month and a third would give a projected annual toll of 1,773. This would be greater than 1,746 in 1956, the highest since 1955. Other recent Michigan tolls were 1,548 in 1957, 1,382 in 1958, 1,473 in 1959, 1,604 in 1960 and 1,567 in 1961.

The current year's accumulated total of 1,609 through November 20 was 191, or 13 per cent, more than 1,418 in the same period a year ago. November's toll in the first 20 days was 123 compared with 75 at the same time last year.

Childs emphasized that only great-

School Buses Might Be Late

During the next three months there will be some severe weather when there will be a question as to the operation of the buses in the Clarkston Schools district. According to Mr. Floyd Vincent, Administrative Assistant, each morning the roads are checked for safe driving conditions. A decision as to the operation of the buses is not made until just before 6:30 A.M. If it is necessary for the schools to close, we have made arrangements with

er vigilance by drivers and pedestrians in complying with the traffic rules and adjustment to seasonal traffic conditions can prevent the year's final death toll from reaching what is now in prospect.

State Police Tpr. Hubert C. Rosema, of the Rockford post, has graduated from a 12-week course in police science and administration at the Southern Police Institute, University of Louisville, Kentucky. His attendance was financed by the \$500 award he received in 1962 as the first winner of the State Police "Trooper of the Year" award. The award was provided by Dr. and Mrs. Carl A. Gerstacker, Midland, to honor annually a state trooper for outstanding community service or heroic action. Dr. Gerstacker is chairman of the board of the Dow Chemical Company.

Planning a Trip Abroad?

The fall and winter seasons are gaining rapidly in popularity as a vacation time.

Hundreds of thousands of Americans are busy right now planning for a trip abroad. They know they can miss the busy tourist seasons in other lands; they may be able to save money through off-season rates on planes and ships and in hotels.

If you're planning a fall vacation, keep in mind a few pointers that

radio stations WWJ, WPON and WJR to announce the closing over their 6:30 A.M. to 8:00 A.M. news programs.

If it is possible for the schools to remain open, the buses will travel those roads on the regular routes that are passable, and will try to maintain their time schedules. Students living on snow-blocked roads should walk out to the nearest cleared road for transportation, as we do not want to delay picking up other students who are waiting.

It is best not to telephone, because the incoming calls load the school trunk lines and prevent the school keeping contact with the buses. However, if a call is necessary, please call Mr. Vincent, MA 5-1126, after 7:00 A.M.

will help to insure that your trip is a pleasant, healthy journey.

Depending on where you are going, you probably will need some vaccination shots. Smallpox vaccination within the last three years is required for re-entry into the U.S. With your passport application you get a form for your international certificate of vaccination. It will save red tape snarls, and possibly severe illness, if you follow the rules on this form. Ask your doctor whether you'll need any other shots, such as typhoid.

And while you're getting your shots, ask your doctor to give you a general physical checkup. If you take regular medications, make sure of your supply while away from home. Medications for motion sickness and intestinal disorders also can help avoid considerable discomfort.

Check up on what to expect from the climate, and select your travel wardrobe accordingly. Be sure to include good walking shoes.

In many countries the local water supplies are perfectly safe, but in others the water teems with dangerous germs. Don't take the water for granted. Find out if it's safe. If not, stick to bottled water or drinks. When in doubt about foods, avoid raw fruits and vegetables, unless you can wash and peel them yourself. Cook everything else.

If you wear glasses, take along an extra pair. Or at least a copy of your prescription.

Non-College-Bound Students

To Receive Counseling

Clarkston Schools will share in a \$19,268 Federal grant this year to study and improve counseling offered to non-college-bound students.

Dr. William Moorhouse, director of the Oakland Schools guidance program, will coordinate the efforts of 60 counselors from junior and senior high schools in Pontiac, Waterford, Royal Oak, Clarkston and South Lyon school districts.

Clarkston community Schools are project sponsors under Federal regulations regarding NDEA demonstration projects.

"Counseling for college bound students is generally adequate," Dr. Moorhouse said. "Counselors are college-educated, college oriented people. It is easy and natural for them to assist in college and careers selection for the 30 to 50 per cent of the students who are headed in that direction. It is less easy for them to assist students who will enter employment or job training directly from high school."

Moorhouse said that traditionally the same guidance methods have been used for all pupils. The project will analyze the methods, tools, and techniques that could be developed to serve the employment-bound portion of junior and senior high school student bodies in the participating districts.

Six objectives are listed in the project outline. Guidance counselors and their advisory committee will

1.) Study the feelings and understanding of students concerning their opportunities.
2.) Find ways of identifying young people who are employment bound.
3.) Evaluate the needs of employment students.
5.) Work toward a specific program in helping employment-bound

students develop desirable concepts of the occupational and educational choices available to them.

5.) Help counselors understand and appreciate the difficulty and the importance of their work in counseling employment-bound students.

6.) Evaluate the effectiveness of guidance, counseling and testing programs for employment-bound students.

An advisory committee for the project includes the guidance directors of the participating school districts and three university consultants. The school guidance directors are Arnold Embree of Pontiac, William Gerard of Royal Oak, Dr. Edgar Johnston of Waterford, and Terry Thomas of Clarkston. Dr. James Costar, associate professor, Michigan State University; Dr. Gary Walz, associate professor, University of Michigan, will be consultants. Moorhouse and Glenn Smith, chief

of guidance services, State Department of Public Instruction, are also members of the advisory committee.

The first meeting of counselors and committee members was held in two sections at the Oakland Schools offices on Monday, November 11.

Amorning session with half the counselors will be held at 11 a.m. A repeat meeting will be held at 2 p.m.

Both counselors and students will be surveyed as early steps in the project. The student survey form will be administered to youngsters in grades eight through twelve during the fall semester this year and again in 1964 and 1965.

The data processing center of Oakland Schools will be used throughout the project to compile statistics on the characteristics of the employment-bound student and to help counselors identify some of his needs.

The project will run for two years. The Federal funds, granted for the current year, are renewable for 1964-65.

Clarkston Boys

Attend UN Tour

John Wilberg and Mike Turek, two Clarkston High School Hi-Y Club members, represented their school and club on a recent tour of the United Nations in New York November 10-14.

Clarkston High's Hi-Y Club was among several area-wide Hi-Y Clubs that accompanied Detroit YMCA Clubs on their annual tour and study of the UN.

Through the financial assistance of the Clarkston Rotary, both Clarkston delegates were able to attend the tour.

Leaves

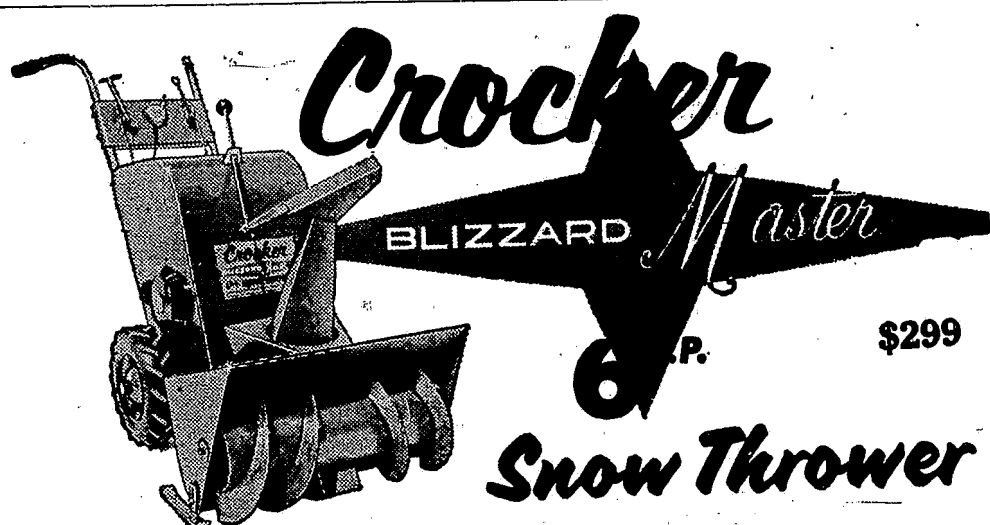

On my couch I lie, looking out the window, looking at the leaves fall down.

I imagine I am the King of the Leaves — standing aloof.

I picture many cities, towns and communities — many groups of buildings and areas of land.

But when the leaves all fall, they will own this land — and not a space will be vacant.

The Coming Cold

What can you do for the common cold?

Most folks know you can't cure it. And yet we still waste a lot of time and money on pills and nostrums and treatments — all in the faint hope that maybe this time something will help.

Actually, grandma's home therapy is still good. If you get a cold, stay home in bed. Keep warm. Gargle to ease a sore throat. Take aspirin for the discomfort. None of this will cure the cold, but it will make you feel somewhat more comfortable while your body's natural defense mechanisms are building up enough steam to overcome the cold virus.

From time to time there have been vaccines to protect against colds. To really protect, the vaccine would have to include many different viruses. Some of the viruses that cause colds most likely haven't yet even been identified. It's unlikely that a vaccine will help much. Ask your doctor for his recommendation in your individual case.

Almost everyone has a cold or two during the course of the winter. Usually we try to keep going to the office, but sometimes we feel too bad to work and spend a day or two at home.

There are medications now available — in the area of antihistamines that sometimes can make the symptoms of a cold much less severe and make it possible for us to keep going. These have their limitations and their problems. The antihistamines can cause drowsiness, which could be highly dangerous to the driver of an auto. If you get a cold, ask your doctor about the new medications that reduce the runny nose and sneezing and coughing.

As youngsters we heard the old folks say: Treat a cold and you can cure it in two weeks; let it alone and it will go away in a fortnight. The time element isn't that exact, but the theory is the same.

Much research is being done on cause and possible cure for colds. Perhaps the answers will be found some day. But as of now we can't cure colds and anyone who tells you he can, deserves at best considerable suspicion.

Music Boosters Meet

The December meeting of the Brandon Music Boosters was held Monday night.

Reports from the cider sales indicated that the project netted about \$300.00.

Mrs. Wilson showed samples of junior choir robes and the group voted to purchase thirty robes at an approximate cost of \$8.20 each.

The Christmas music concert "Christmas Story" will be held on December 16. Taking part in the performance will be the Senior Band, Junior Band, Mixed Senior Choir, Junior Choir, Girl's Glee Club, Octet. There will be a special number by the speech, drum and art departments.

Preparations for the concert have been difficult for the music groups because they haven't been able to practice for three weeks while the drama group has been using the stage for the play. However, they expect to apply extra effort for the next two weeks to get together a fine musical evening's program.

FIGURE CLUB PLANS PARTIES

The Waterford Fashion Your Figure Club enjoyed the talk Dr. L. K. Mathews gave on dieting Wednesday night at the Community Activities Building.

The club meets Wednesday nights 7:00 - 9:00 p.m. for those interested in losing weight.

The trophy winners for the week for losing the most weight are Mrs. John McGowan and Mrs. Arthur Rainsford.

The club will have the following program for December: December 4th, White Elephant Party; December 11th, Bake Sale; December 18th, Christmas Party.

SMORGASBORD TO BE HELD

The Reorganized Church of Jesus Christ of Latter Day Saints will hold their monthly smorgasbord dinner on Friday, December 6, at the C.A.I. building on Williams Lake Road in Drayton Plains. Dinner will be served from 5:00 p.m. to 7:00 p.m. and prices will be the same as always.

The balmy Thanksgiving Day weather just gave us one more thing to be thankful for but now, what a change, Brrrrr!!

Enjoying in person the pageantry and color of the J. L. Hudson Co. parade in Detroit were the Samuel Bilger family of Ortonville. They completed the day by having dinner at Victor Lins and viewing Walt Disney's "Incredible Journey".

The Brandon All School Play, "The Boarding House Reach" which was postponed because of the death of President Kennedy, will be presented Saturday, December 7th in the High School Auditorium at 8 p.m. The students who saw the play at school on Friday afternoon say that it is hilarious.

Twenty-six members and chaperones of the Ortonville 4-H Club enjoyed a real horse-drawn hayride at Sherwood Forest last weekend. The trail which wound around the 200 acre farm went through the woods and over a stream. Later the group went to the clubhouse for refreshments. Accompanying the boys and girls were Mr. and Mrs. Vernon Hutchings, Mr. and Mrs. Ray Smith, Mr. MacHenry Cornell and Mrs. Wilmer Kilbourn.

Guests of the Wilmer Kilbourns for Thanksgiving were Mrs. Fay Cox from Thornville and Mrs. Albert Jones and sons.

A joint school of instruction conducted by Mildred McNally, Grand Warden from Byron, was held jointly Wednesday evening by the O.E.S. Ortonville Chapter No. 286 and Joseph C. Bird Chapter of Clarkston.

The next regular meeting of Ortonville Chapter No. 286, Order of the Eastern Star will be held at the Masonic Hall on South Street, December 11th at 8 p.m. There will be a Christmas gift exchange.

The Harold Schmidts served Thanksgiving dinner for nineteen, including Mr. and Mrs. Norman Stough and family, Mr. and Mrs. Ed Plumb and family, Mr. and Mrs. Richard Plumb and family and Mr. and Mrs. Fred Kwapis.

All of the Ortonville Boy and Girl Scouts held a skating party at the Clarkston Roller Rink on Monday evening. Proceeds will be used to buy something for the new Goodrich Hospital.

Mr. and Mrs. Ronald Johnson, former counselor at Ortonville School, was in town over the weekend to visit old friends. They stayed with Mr. and Mrs. Freymiller of Holly and made several calls on local acquaintances. They now live in Galeon.

Miss Donna Flick and Miss Pamela Flick were holiday visitors at the home of their grandparents, Mr. and Mrs. Harry Featherston of Church Street.

St. Anne's Altar Society will have a potluck supper and Christmas party meeting beginning at 6 p.m. December 11th at the Rectory. All of the ladies of the parish are invited. There will be no gift exchange. A short business meeting will be held.

Tuesday, December 10th will be the date of the Senior Citizen's Christmas party. Potluck dinner will be at noon at the Brandon Grange Hall. There will be games and a fifty-cent gift exchange.

Gilbert Gray, who has seen the world with the Marines (Korea, Okinawa, Japan, Vietnam) will soon be flying home to spend the Christmas holidays with his parents, Mr. and Mrs. George Gray, of Croup Road, Ortonville.

The Past Matrons of the O.E.S. had their annual Christmas party meeting at the home of Mrs. Ray Long of Sherman Court, Ortonville. A special treat served by the refreshment committee were macadamia nuts brought from Hawaii by Miss Leece. Prizes for games were won by Helen Turnbull, Phyllis Saunders, Madeline Vantine and Mabel Stevens. Grace Kohn won the door prize. Refreshment committee was Frances Leece, Jean Long, Pauline Westlake, Helen Turnbull and Louella Kier.

NOTICE

At a regular Township Board meeting, November 26, Attorneys George Fulkerson and John Francis representing the Oakland County Sportsmen Club, asked the Board to consider entering a law suit which has been filed by the Pelton Heights Homeowners Assoc. The Township Board reserved any decision pending the outcome of the two parties involved in their attempt to reach a settlement.

An amendment to a previous resolution was passed which would prohibit the dumping of garbage at the

Township dump.

January 17, 1964 was set as a date to hold a public hearing for Street lighting purposes in the Richmond Knolls Sub. of Orion Road between Sashabaw and Clintonville Roads.

Planning Commission appointments were withheld pending a meeting with the Township Attorney later in the week.

Township bills were paid as follows:

General Fund Account \$1,727.22
Fire Millage Account 170.16
Water Dept. Account 261.43

All proceedings and records of the Township are a matter of public record and information may be acquired from the Township Clerk.
