NUMBER 17

## OUTSIDE CHRISTMAS DECORATIONS JUDGED

### Wolves Make It Five Straight, Beat West Bloomfield 74-51

By Mel Vaara

Clarkston rolled over West Bloomfield for their 6th straight win, 74 to 51. The Pontiac Press asked the question, "How good is the Clarkston Five?" Well, West Bloomfield found out and now it will be Bloomfield Hills turn on the 3rd of January to test the Wolves. Both teams will be entering the contest with identical records, five wins and no losses.

By defeating West Bloomfield on their own court, was the first time for a Dom Maui team in the last five years. West Bloomfield always give Clarkston a battle, and for one half of the game it was a typical game for the Wolves and Lakers. But in the second half, Clarkston's fine offense tore West Bloomfield's man-to-man defense to shreds. Clarkston's scoring twins Dan Craven and Ken Miskin had a field day in scoring against West Bloomfield. Dan netted 25 and Ken scored 26. In the first half Miskin played brilliantly, rebounding well, scoring well, and in the second half it was Dan

Cravens turn to do the same as Miskin.

Mike Bray scored a valuable ten points and controlled the defensive boards for the Wolves. Mike played his usual steady game. Coach Art Paddy was very impressed with Bray, Miskin and Craven.

Ron Lippert scored only 4 points, but he too has a valuable job on Clarkston first five. He passes well, handles the ball very good and as coach Maui stated, "Lipperts type of play is very deceiving." Gary Pearson helped the cause by scoring five points.

Clarkston's J.V. team also won their 5th straight game by the score of 63-56. The junior Wolves didn't play their typical fine game, they had enough to win their 5th game.

Dave Osgood played his second fine game in a row, by scoring 21 points. Dave scored 15 points in the second half and also led the team in rebounding, with 10.

Dan Fife also scored 21 points,

Dan played very well again, but missed several easy lay-ups.

Rod Allen scored 9 points and had 6 rebounds to his credit. John Holcomb scored 6 points and netted 6 rebounds. Mike Madison played an outstanding game for the Wolves. Mike came off the bench in the 1st quarter and sparked the team with his fine rebounding and hustle. Mike scored 6 points and netted 9 rebounds.

Tom Allen scored only two points, but when he left the game due to a knee injury, Clarkston had a ten point lead. Before the Ass't. coach and trainer Bud McGrath could tape up the knee, the lead had vanished, but when Tom reentered the game, the Wolves rang up ten straight points. So one doesn't have to score many points to be a star. Tom Allen proved that point Friday night.

See all of you next Friday night, January 3rd for battle of the unbeaten Bloomfield Hills and Clarkston.

### Local Man Wins Scholarship

Richard A. Beutel, a student in Wayne State University's mortuary science curriculum, is the 1963 winner of the Wilbert W. Haase Memorial scholarship, a national award applicable to accredited schools of mortuary science.

Selection was made on the basis of Mr. Beutel's essay, "What My Contribution Would be to Funeral Service."

Mr. Beutel graduated from Clarkston high school in June, 1961. He completed two years of Liberal Arts work at Michigan State University before entering Wayne State University and will complete the third year of his professional training at Wayne in June, 1964.

He is employed on a part-time basis at the Lewis E. Wint Funeral Home in Clarkston while completing his professional year at Wayne.

### JC'S Announce Winners Of "Santa" Trophy

Outdoor Christmas decorations in the Clarkston area were judged Thursday, December 19. After viewing the many attractive displays, the judges awarded the Clarkston Jaycee's first place award to Mr. and Mrs. Jerry Dark of 63 Robertson Court. The traveling "Santa" trophy will be in their possession until next Christmas, at which time they will have the privilege of defending the award.

Second place went to the R. T. Novotney's of 6394 Snow Apple, and third place was awarded to the Robert Neuharths of 6382 Snow Apple. Residents of Robertson Court are to be congratulated, as their street was judged the outstanding street of decorations.

The judges reported that it was a difficult decision in naming only three homes from the many beautiful displays. The Clarkston Jaycees wish to express their thanks to all the residents who displayed outdoor decorations, no matter how large or small. They encourage these and other residents to be thinking of ideas for next years contest.

Clarkston News Photo  
Shown above is the winning home in the Clarkston Area Junior Chamber of Commerce, Outdoor decorating contest. Below Mr. Gordon Speilberg (right) is presenting the "Santa" trophy to Mr. Jerry Dark and son.

### Cards Of Thanks

Mrs. Hecl L. Anspaugh wishes to give thanks to her many friends and neighbors, Minister Al Hinz, Eastern Star from Davisburg and the Masonic lodge of Davisburg, for their many thoughts of kindness during her recent bereavement.

Mrs. Hecl L. Anspaugh

The family of Joseph Hubbard wish to express their appreciation for their help and kindness during his illness. Especially to Reverend Jack Giguere his tribute, and calls of Reverend Dee, and Reverend Harold Johnson, members of Cedar

Lodge No. 60 of Clarkston, Drs. John Stageman, Robert Leichtman, and Robert Buchrig. We wish to thank all the neighbors and friends, members of Mary Circle, Clarkston Extension, Eastern Star, also Wint Funeral Home for their many acts of kindness and services in this time of need.

Mrs. J. P. Hubbard,  
Mr. and Mrs. Eugene C. Hubbard and family,  
Mr. and Mrs. Robert J. Hubbard and family,  
Mr. and Mrs. Russell N. Hubbard.

### Engagement Announced

Miss Marjorie Thayer

Mr. and Mrs. Thomas H. Wilson of Clarkston, announce the engagement of their daughter, Marjorie Thayer, to Mr. Charles B. Spaulding, son of Mr. and Mrs. John B. Spaulding, of Winnetka, Illinois.

Miss Wilson graduated from Kingswood School Cranbrook and from Hollins College. While attending Hollins College, she participated in the Hollins Abroad Program and received her diploma from the Sorbonne in Paris. She also studied at the Connecticut School of Dance and at the Pontiac Business Institute.

Mr. Spaulding graduated from New Trier High School in Winnetka, attended Avon Old Farms School in Avon, Connecticut, and will graduate from Cornell University next June. He is a member of the Theta Delta Chi Fraternity.

The engagement was made known on Saturday, December 21 at a Christmas Dance given by Mr. and Mrs. Wilson.

Miss Wilson and Mr. Spaulding plan a late June wedding.

### Lunar Eclipse on Dec. 30, for Early Risers

A total eclipse of the moon will take place on the early morning of December 30, but Michigan stargazers will see only the first half of the spectacle.

The reason is that the moon will be leaving the earth's shadow at about the time that it sets over the horizon, explains University of Michigan astronomer Hazel M. Losh.

"At 4:25 a.m. the moon will first touch the earth's shadow, and the eclipse will begin. At about this time the full moon will be found about 30 degrees above the western horizon," Professor Losh says.

"Soon after, a noticeable dimming at the eastern edge of the moon will show up this darkened area gradually spreading over the moon's surface until 5:28 a.m. when the moon will be entirely in eclipse.

"The mid-eclipse will come at 6:07 a.m. with totality ending at 6:47 a.m., but it will take about an hour for the moon to leave the shadow completely at 7:05 a.m. Throughout the entire period that the moon is above the horizon in eclipse it will be visible."

Professor Losh continues: "During the partial phase the earth's shadow will appear dark in contrast with the remaining section of the full moon, but when the moon is completely immersed, it will not be hidden, as one at first might suppose.

"During the total stage, it is illuminated by sunlight, which filters through the earth's atmosphere, and is bent and refracted into the shadow cone on to the moon. The moon then will shine with a dull reddish glow, having been deprived of its blue rays by the earth's atmosphere, which scatters and diffuses the blue light.

### Guidance Corner

Planning on College next fall? Then how does this sound?

Four years' free college tuition. An extra five hundred dollars a year for expenses. Enrollment in one of the nation's major colleges or universities. A total package worth \$8000, qualifying you for a good job in aerospace industry upon graduation.

How do you get it? Through a Lockheed scholarship.

The Lockheed Leadership Fund is offering 15 all-expense-paid scholarships to qualified high school seniors. Ten are in engineering and science, five in other fields. Scholarships are for next fall in colleges and universities throughout the nation.

What study fields are available? Anything related to the aerospace-electronics industry — and this is a very broad area including almost all the physical and life sciences, related technologies, and every aspect of modern business and management. If you have demonstrated leadership potential by your school grades and participation in school and community activities, you owe

it to yourself to apply. How do you apply? You can get full details from the counselors of office, including a list of schools and colleges to which you should direct your application. Don't delay. Deadlines for applying vary from college to college. You should get your application in to the college of your choice as soon as possible to be considered for scholarships beginning in 1964.

### Local Men In Uniform

Murrell Kilburn, aviation machinist's mate third class, USN, son of Mr. and Mrs. Carl L. Kilburn of 6620 White Lake Road, Davisburg, is participating in a coordinated U.S. and Government of the Republic of China amphibious exercise titled "Big Dipper" while serving aboard the amphibious assault ship USS Iwo Jima along the southern coast of Taiwan.

Navy Ensign Nathan L. Riffle, son of Mrs. Sherman Lowery of 40 Buffalo Street, Clarkston, has been congratulated by Navy Captain J. H. Caldwell, his commanding officer, upon being commissioned a Navy Ensign.

He received the commission after completing the Aviation Officer Candidate course at the Naval Pre-Flight School, Naval Air Station, Pensacola, Fla.

Pre-Flight School is an officer indoctrination program designed to introduce officer candidates to the fundamental requirements of being an officer and to equip them with a physical and mental background needed for further flight training.

During the course he studied aviation science, flight physiology and military administration.

A graduate of Michigan College of Mining and Technology, Houghton, Riffle entered the Navy in June 1963.

Marine Private Dennis L. Kendall, son of Mr. and Mrs. Edwin Kendall of 5011 Waldon Road, Clarkston, has completed four weeks of individual combat training at the Second Infantry Training Regiment, Marine Corps Base, Camp Pendleton, Calif.

While with the regiment all new Marines are trained in tactical and combat skills needed for battle. Emphasis was placed on the small unit tactics the four-man fire team and the 13-man squad.

Raymond L. Ott, son of Mr. and Mrs. Lawrence Ott of 5030 Cecilia Ann, Clarkston, completed basic training December 6, at the Naval Training Center, San Diego, Calif.

The nine-week training includes naval orientation, history and organization, seamanship, ordnance and gunnery, military drill, physical fitness, first aid and survival.

Marine Lance Corporal George K. Thomas, son of Mr. and Mrs. George R. Thomas of 7093 Sashabaw Road, Clarkston, is serving with the First Marine Aircraft Wing at the Marine Corps Air Station, Iwakuni, Japan.

During his 13-month overseas assignment he will visit such cities as Hiroshima, Osaka, Kyoto and Tokyo, Japan.

Ensign N. L. Riffle (right) receives congratulations from Capt. L. E. Caldwell.

### ROCK AND GEM CLUB TO MEET AT C.A.I. BUILDING

The Rock and Gem Club will hold their regular meeting in the C.A.I. building, December 26th at 7:30 p.m. Jim Cole will show color slides of his rock collecting trips.

## GOVERNOR ROMNEY REPORTS

One of the Christmas gifts which all Michigan citizens received this year was a share in the savings which has resulted from a concerted drive for economy in state government.

The Task Force on Expenditure Management which I appointed before taking office has compiled a report on its activities which should encourage the most economy-minded citizen.

Our program to bring further efficiency and economy to state government is gathering momentum. We have made substantial savings already and have placed machinery in motion to insure further savings. Considered individually, the savings resulting from each of the cost-cutting projects do not appear large. But when the task force's recommendations are fully implemented, the savings will be measured in millions.

During the past year, the purchasing department has made several changes which resulted in savings of \$319,000.

See your doctor every year for a thorough health checkup, no matter how well you may feel.

**DAY-TO-DAY POLICY:**

See your doctor immediately if you have any one of Cancer's Seven Danger Signals that lasts more than two weeks: (1) Unusual bleeding or discharge (2) A lump or thickening in the breast or elsewhere (3) A sore that does not heal (4) Change in bowel or bladder habits (5) Hoarseness or cough (6) Indigestion or difficulty in swallowing (7) Change in a wart or mole.

AMERICAN CANCER SOCIETY

Eye-catching new styling is combined in the 1964 Thunderbird with unique luxury features including thin-shell bucket seats and the auto industry's first retractable seat belts. A longer hood, integrated bumper and grille and rectangular taillights enhance its traditional look of elegance (top photo). New features of its cockpit motif interior styling (bottom photo) include separate instrument pods, a distinctive new command console, and covered rear seats. An optional reclining seat for the front passenger includes an extendible head rest for complete relaxation on long trips. A new Silent-Flo ventilation system includes a vent at the bottom of the rear window on Landau and Hardtop models. The new Thunderbirds will be introduced in Ford dealer showrooms September 27.

**CHILD GUIDANCE**

Before the guidance director talked to him, Peter sat in class and paid little attention to what was taking place. He exerted even less energy in his studies. Tests given to him by the school counselor revealed the youngster to be a potentially bright student. The counselor talked to Peter and his parents and told them of the child's actual abilities and how he might use them. Gradually, an improvement in Peter's study habits and grades became evident. Fortunately for Peter his school had a guidance program which met his needs.

Schools with active child guidance programs help students discover their own abilities and show them how they can be developed to their fullest capacities.

An important part of the child guidance program in elementary and secondary schools and colleges is the counselor who functions in a highly personalized relationship with the student of limited intelligence, the gifted student and the student with academic and personal problems. "As the twig is bent, so shall it grow."

Child guidance is handled by highly skilled, specially trained persons who keep in close contact with such specialists as the school psychologist, workers in mental-hygiene clinics, visiting teachers, school physicians and nurses who work together to assist every student in attaining his maximum personal development and achievement

This is one of a series of education features published as a public service in cooperation with the Michigan Press Association, the Michigan Education Association and this newspaper.

# HAPPY NEW YEAR GREETINGS TO ALL

**Resolved for 64**

Hooray! Mr. New Year is here and we're resolved to start 1964 right by wishing you and yours a bountiful, wonderful year, with every dream fulfilled and every hope brought to fruition. Indeed, we wish that happiness will walk with you always on your every endeavor!

We thank you sincerely for your patronage, which has helped to make the past year so pleasant for us, and we firmly resolve to serve you ever better in 1964!

by Mr. Elgan Wood, the father of  
brownie Patricia Wood.

Mrs. Muriel Murphy of Norman Road flew to Memphis, Tenn. last week to spend the holidays with her son, Gordon J. Murphy, D.K.—1 and family. Gordon is stationed at the Naval Air Base in Millington, Tenn.

A holiday motif was carried through out the evening last Saturday evening when the Chatham Club held their Christmas dance at the Clarkston Golf Club. A buffet supper of turkey and ham, and german potato salad, combined with dancing to the music of Wayne Francisco, made the evening a gala affair. Mr. and Mrs. Pete Rose won the main door prize for the evening, the novel prize was a real door, beautifully decorated. New members were introduced at this time.

Serving on the committee for '64 are: Committee Chairman, Mr. and Mrs. Keith Hallman; membership, Mr. and Mrs. James Mahar; orchestra, Mr. and Mrs. Robert Kraud; decorations, Mr. and Mrs. Robert Jones, Jr.; arrangements, Mr. and Mrs. Brooke Bennett; secretary, Mr. and Mrs. Joe Chamberlain; treasurer, Mr. and Mrs. William Kushman; and advisors, Dr. and Mrs. Ronald LePere.

Brownie Troop 694 held their first Christmas party at the home of Mrs. Philip Stomberg, Clarkston Road last Thursday. The brownies made their own hot chocolate, and enjoyed Christmas cookies. The highlight of the occasion happened when the girls received their world pin, presented

The Big Lake Beavers Extension Group held their Christmas party at the home of Mrs. Harold Hoffman, Long Point Dr. last Monday. Co-hostess was Mrs. Margaret Campbell. A festive luncheon was followed by exchange of gifts, some 12 members were present.

Mr. and Mrs. Delbert Hammett, Jr. and family of Whipple Lake Rd. were dinner guests of her parents, the Rex Fosters of Sylvan Lake Christmas Day. In the early evening they were present at the home of his parents the Delbert Hammetts of Pontiac, for exchange of Christmas gifts.

Mr. and Mrs. Wally Baumann hosted some 15 members of the family for Christmas dinner, at their lovely Pear St. home. The guests arrived in from: West Branch, Pontiac, and Waterford.

Mr. and Mrs. James English, Transparent Dr. have as their house guests over the holidays, his mother, Mrs. C.A. English, and brothers, Raeford, and Mr. and Mrs. Lee English, all of Marshall, N. Carolina.

Mr. and Mrs. E. J. Leonard and daughter Jacquie, of Waldon Rd. arrived home today after spending the holidays with her parents the L. D. Wedges of Bradford, Penn. On their arrival they will have as their house guest, over the New Year holidays, Mr. and Mrs. Charles Vollar and family, of Cincinnati.

Mr. and Mrs. Donald Graham and

family, Snow Apple Dr. joined his parents, the Bert Grahams of Pontiac for a traditional turkey dinner Christmas Day, places were also set for his brother and family the Rexford Grahams of Assension St. Christmas night saw the Donald Grahams at the home of her brother and family the Frank Schwenz of Bloomfield Hills, where they enjoyed a second Christmas dinner with her side of the family. Places were set for parents Mr. and Mrs. John Watts of Pontiac and a sister and her family Mr. and Mrs. Frank Ruggeri of Detroit.

Your reporter and family had as their guests Christmas Day his parents, Mr. and Mrs. Charles Seaman, and a sister and her family the Dallas Hauns and children Jim, Bill, and Susan, all of Pontiac. Christmas night saw the Seaman family at the home of friends Mr. and Mrs. Carl B. Niemi of Waterford, for their traditional exchange of gifts and good cheer.

Mr. and Mrs. James Chipman Jr. and children, Cindy, Mike, Claudia, and Kurt arrived last Monday from Lexington, Ohio to spend the holidays with his parents Mr. and Mrs. James Chipman of Ortonville Rd. Also on hand for Christmas dinner was their daughter and family Mr. and Mrs. Robert Costello and their children, Chan, Jon, Sue, and twins, Lori and Lisa.

Mr. and Mrs. William Tucek and children, Terry and Ricky of Joliet, Illinois arrived last Sunday to spend the holidays with her sister and family, Mr. and Mrs. Ernest Hobson of Clearview Dr.

Mr. and Mrs. Vincent Giacalone of Ember Rd. had places set for their daughter and family, the Robert Kroons, of Livonia, Christmas Day.

A traditional family gathering Christmas Night was enjoyed by the Kenneth Leslie family, Snow Apple Dr. at the home of her sister and family Mr. and Mrs. William Carter of Union Lake.

Mr. and Mrs. Earle Hawke and family, of Hummingbird joined his brother and family, the A. W. Hawkes on Dixie Highway for their Christmas dinner, and exchange of gifts. Places were set for his parents the A. E. Hawkes of W. Washington St. and S. N. John A. Blaine, who arrived from New London, Conn. to join the family for the festivities.

Mr. and Mrs. Richard Svetkoff, Snow Apple Dr. hosted a Christmas Eve family gathering, on hand were his father Mr. George Svetkoff of Pontiac, and Mr. and Mrs. Roger Hoyt and children, Jeffrey, Linda, Cindy and David of Waterford. Christmas Day the Svetkoff family joined her parents for the day, they are the William Wrights of Lake Angulus Dr.

Field trials of vaccine against Asian influenza conducted in 1957 by Commission on Influenza, Armed Forces Epidemiological Board. Data from American Review of Respiratory Diseases, 83: 147 (1960). Variation in figures due to differing potencies of vaccines tested.

Your chance of remaining well during the cold winter months ahead may be increased if you take certain simple precautions now.

With the onset of winter, the commonest causes of illness are various respiratory infections. Of these, influenza is undoubtedly most important. It breaks out in epidemic form about every two or three years, affecting large numbers of individuals within a short time.

It is a more serious disease when it occurs in the middle-aged and older groups and in pregnant women. Influenza takes its greatest toll among those who are chronically ill with such debilitating diseases as high blood pressure, rheumatic heart disease, asthma, bronchitis, tuberculosis, and hardening of the arteries.

The health hazard from flu has in the past been lessened by a simple immunization program. Vaccination now is recommended as a useful precaution, and, if the virus does not change, should provide protection for a significant number of

individuals. The chart above shows that in 1957 Asian flu was substantially reduced after vaccination.

Flu vaccine is manufactured according to formulas and procedures prescribed by the United States Public Health Service. It presently contains killed virus of the A and B strains now prevalent in the United States, and of several other strains known to cause influenza in the past.

Surgeon General Luther L. Terry strongly urges the use of flu vaccine, especially by certain groups. He has repeatedly emphasized that the chronically ill and those over forty-five, but especially those over sixty-five, should be vaccinated. For some of these people, timely immunization may be a life-saving measure.

# TO THE 1,185,000 FAMILIES SERVED BY DETROIT EDISON

People often ask if Detroit Edison is a part of any other electric company which has "Edison" in its name. The answer is no. Years ago, Thomas Edison licensed a number of newly formed companies to use his patented devices to generate and distribute electric power. In each agreement was a clause—long since expired—which stated that his name be a part of every company name. We are proud to continue this historic tie.

Detroit Edison serves Southeastern Michigan only. This being so, we are always deeply interested in the progress of the area. Edison employees are your neighbors and their concerns, as good citizens, are the same as yours.

About 110,000 individuals and organizations are Detroit Edison shareowners. Their dollars, working for the company, earn dividends at the current rate of about four per cent of the market value of the shares.

Nearly 73,000 Edison shareowners live in Michigan. Of this number, 63,000 are also Detroit Edison customers. So our company is very much a part of Michigan. Many insurance companies and retirement funds own Edison shares too. Thus other Americans, here and elsewhere, are indirect owners of the company.

Investor ownership is basic to the American way of life and is largely responsible for the economic progress of the nation. Ours is an economic system which, more than any other in the world, supports and enlarges personal freedom. And it is an appropriate time, as an eventful and historic year draws to a close, to pledge ourselves anew to the cause of freedom.

May I, on behalf of my associates  
and myself, wish you a Happy New Year!

Sincerely,

*Walker L. Cisler*

WALKER L. CISLER, PRESIDENT  
THE DETROIT EDISON COMPANY

**Notice**

At a regular Township Board meeting of December 17, the Supervisor recommended, and the Township Board appointed two local men to the Township Planning Commission, Delton Lohff for the one-year term and Irving Fleming for a two-year term.

In the same vein, the Board passed a resolution which abolishes the existing Township Zoning Board, as such, and transfers all the duties and responsibilities of said Zoning Board to the recently established Planning Commission.

The transfer of responsibilities and the passing of the Township Zoning Board will be effective the 1st day of January, 1964.

The Board approved a plat of Cranberry Heights Sub., a new development located on the property formerly owned by Mrs. Lillian Stein, on Cranberry Lake Road in Section 16.

Township bills were approved for payment as follows:

General Fund Account \$3,239.37  
Fire Millage Account 367.25  
Water Revenue Account 297.46  
Howard Altman,  
Township Clerk

**Governor Romney Report**

(Continued from page 1)

been most gratifying. In the first three units of government studies, a 10 per cent reduction in the number of jobs was recommended.

This study will be applied to the some 1,500 to 2,000 positions which are measurable, and the savings could be considerable.

The important fact about this reduction of personnel is that it is being carried out with the full cooperation of the employes themselves, and that it is being done without hardship to affected personnel.

As vacancies occur in other job positions through retirement or normal turnover, the employe involved in the reduction program will be given the first opportunity to fill the vacated position.

The fact that the cost of government rises inevitably because of the growth in population makes it doubly important that we find ways to increase efficiency and bring about economies.

The many ideas which are being submitted through the work of the task force and individual citizens

should result in even greater economies in state government during the year ahead.

This will mean a happier new year for everyone who believes that the old-fashioned virtue of thrift can be applied to governments as well as to individuals.

**G.A.A. Plans Alumni Fun Day**

The Clarkston Girls Athletic Association invites you to attend the G.A.A. Alumni play day to be held December 30th at 6:30 p.m. in the Clarkston High School gym. R.S.V.P. to Robin Rutzen by calling OR 4-1053 before December 27th.

**Wingfoot Express Worlds Fastest Car**

The Wingfoot Express, a jet-powered racer that owner-builder Walt Arfons (of Akron, Ohio) believes will break the world land speed record next summer, will be on display in Detroit's huge Cobo Hall during the 12th annual Autorama here Jan-

uary 3-4. The car, 26 feet long and 38 inches high (less fin), already has been over the Bonneville Salt Flats in Utah. Last year it hit 362 miles per hour with a faulty engine.

Bob Larivee, (of Harper Woods, Mich.) producer of Autorama, said a new engine has been installed and some minor modifications made by Arfons and driver-body designer Tom Green. Green is confident he can break the existing record of 407.45 miles per hour.

The Wingfoot Express is capable of 515 miles per hour through the measured mile. Its turbo jet engine, encased in the aerodynamically-designed body, develops a thrust of 7,000 pounds without the after-burners and 3,000 additional pounds with them.

The creation weighs 4,650 pounds. It has independent braking system, plus two 16 foot parachutes mounted on the tail section as a stopping device. It is started by two 400 amp generators.

The car is similar to the famed Green Monster, world's fastest jet dragster, which also was built by Arfons.

The sleek speedster will be among more than 250 sports cars, rods,

customs, modifieds, restored and competition cars in Halls B and C.

The exhibition, labeled "show of the year" by International Show Car Association, is sponsored by the Michigan Hot Rod Association.
