Independence Township Board Busy In February

During a regular meeting of the Independence Township Board February 18, residents of Jack's Greens Lake Subdivision, located on White Lake Road, were present to discuss the problem of septic systems and condemned homes within their subdivision.

March 18 was set as a tentative date for a special meeting to discuss the problems of the properties in Jack's Greens Lake Subdivision.

The resignation of Kenneth Thayer from the Township Planning Commission was accepted.

During a special meeting, February 25, the Township Board approved a new entertainment and additional bar permit to Lester C. and Barbara J. Howe at Howe's

Lanes, 6697 Dixie Highway. The new permit will be held in conjunction with the establishment of 1963 Class C license.

February 25 was also the date of a joint meeting between the Township Board and the recently established Township Planning Commission.

Mr. William Fucik of the Urban Planning Assistance Section of the Department of Economic Expansion Program was present for the purpose of explaining to the joint boards the procedures and opportunities offered to the Township through the 701 program. The general purpose of the 701 program offers financial assistance to a community for the preparation, completion and continued review of a master plan for the orderly development in terms of planning for such a community.

Also present at the joint meeting were the Township Attorney, Paul Mandel, Township Building Inspector, Leonard Bullard and Assessor, James Gardiner.

Mr. Mandel's presence was requested for the purpose of review and discussion of the Township Sign Ordinance.

In order to simplify or reduce the difference of opinion as to what the said ordinance should provide, it was agreed that Board Planning member, Frank Reynolds, meet with Mr. Mandel to discuss the provisions of the Sign Ordinance and what changes or additions might be considered and presented to the Boards for their consideration.

During their regular meeting Tuesday evening, the Independence Township Board approved the Waterford Hill Golf Estates Plat (presented by Howard Kieft, Engineer) upon approval of the road commission.

A tentative date of March 12 was set as the next meeting date for the Township Planning Commission.

The next regular Township meeting will be March 17 at 7:30 p.m.

Clarkston shares the basketball title with Bloomfield Hills by defeating Northville 56 to 39. Bloomfield Hills defeated Clarenceville by 23 points.

The game was fairly close in the 1st quarter as neither team failed to score a basket until Miskin hit one with 4:15 left in the 1st quarter. With 1:39 to go in the 1st quarter, Clarkston reeled off 15 quick points and the lead stayed about the same through out the whole game.

Northville had considerable trouble in penetrating Clarkston's 1-2-2 zone defense. Northville had to shoot most of their shots from long range, much farther than they planned. Many of their shots were way off the mark. When you hold a team to 39 points, your defense has done a good job.

This was one of the roughest games that I have witnessed in many a moon. The officials let everything go, as they called only 6 fouls in the 1st half. But they were consistent for both teams. Both teams adjusted well to the ball game and they were off and running on a "Stam bang affair". It was the 1st time in a long time that a Clarkston starter hasn't fouled out of the game, so one can see it was a loosely called ball game.

Clarkston had balanced scoring with Craven getting 17 points, Miskin 16 and Bray 15. Clarkston had no trouble controlling the boards as much improved Jon Gary and Mike Bray gathered in the rebounders.

Clarkston ended up with a 14-2 record. A fine record when a team can win 88% of their games. Coach Mauti commented— "This is the finest record in regular season play", for a Mauti coached team.

He is very proud of his boys for the fine display of basketball that his boys have shown.

Tonight we will be playing the winner of the Grand Blanc-Howell game in the Grand Blanc gym. The game will start at 8:30. Milford and Kettering will play the 1st game, starting at 7:00. Predictions are not usually made in this column, but look for Milford to give undefeated Kettering a run for their money.

If Clarkston can win their 7th straight district title, Clarkston will have the opportunity to play in their own gym for the regional games. As Cassius Clay remarked, "If you want to go to heaven, you have to get them in seven".

JV Wins Title

J. V. still captures their 3rd J. V. basketball title in six years despite losing to Northville 61-31. They ended up with a record of 14 wins and 2 losses, for a winning percentage of .875.

One fan remarked, "When the J. V. loses, they really get bombed."

The boys were just not putting the ball through the hoop. When you don't score, the team starts to fall apart at the seams. They took 65 shots; made only 10%, for 15%. In the Milford defeat, Clarkston took 69 shots and made only 9 for 13%. There are no shooting figures for Northville, but it could be 40%. Even U. of Michigan found out they couldn't win games if they don't put the ball through the hoop. Against Minnesota they shot for 27% and U. of Minnesota shot for 57% consequently they defeated Michigan by 15 points.

This being their last appearance of the year for ole C. H. S. the J. V. really played their hearts out for a victory. Even when they were down by 19 points in the 3rd quarter, they came back with a flourish. The J. V. netted 11 straight points, and had Northville on the ropes but Clarkston missed 3 straight free throws, one easy lay-up, and one pass went awry for an easy basket for Northville. Northville gained their composure against the press and it was "Kitty by the door" for the Wolves.

Next week will be the final article on J. V. basketball. Statistics and pictures on the J. V. team will be featured.

Scout Pack Holds Banquet

Cub Scout Pack 133, Andersonville, assembled for their Blue and Gold Banquet at Mountain View Club House at Maceday Lake, Waterford, last Tuesday. There were 167 cub scouts and their families and guests present.

After Mrs. Lyle Wheatley's Den No. 1 presented the opening, Cubmaster Alfred Willockx introduced the pastor of Andersonville Com-

munity Church who led the invocation. The meal was pot luck with ham as the main course. Parents in Mrs. Pete Mason's Den No. 7 led the group in singing "Happy Birthday" to the Cub Scouts.

Mrs. Genevieve Van't Roer, principal at Andersonville Elementary School, spoke to the Cub Scouts stressing their motto, "Do Your Best".

Mr. Royce Hyatt, District Commissioner was present with a few suggestions on how both the Cubs and their families can get the most out of the Scouting program.

After the Cubs in Den 1; Den 2; Den 3, Mrs. Ray Loba; Den 5, Mrs. Richard Detkowski; Den 7 and Den 8, Mrs. Johnnie Moore received awards, they were honored by the remainder of the Cubs with the "Akela Yell".

The closing was led by Den 2, Mrs. Alfred Willockx and the Pack singing "America".

Births

Mr. and Mrs. Ivan Brooks of Holly announce the birth of their first child, a daughter, Wendi Ann, February 29. Wendi arrived weighing 6 lbs. 14 1/2 ozs.

Proud grandparents are Mr. and Mrs. William Wooley of Clarkston and Mr. and Mrs. Frank Brooks of Pontiac.

Great grandparents are Mr. and Mrs. J. W. Krause of Pontiac; Mr. and Mrs. Leland Ensign of Kingston Michigan; Mr. and Mrs. John Henry Moore of Dexter, Missouri; and Mr. and Mrs. William Brookes of Oxford.

Dr. and Mrs. John T. Kennedy of North Harwell, Maine announce the birth of John Peter, born February 18th.

Proud grandparents are Mr. and Mrs. T. Kennedy, Sr. of Wauwatosa, Wisconsin and Mr. and Mrs. Leslie T. Shanks of Ferndale.

Exchange Student Tells of Home

When the Waterford-Clarkston Business and Professional Women's Club met last Thursday evening for a dinner meeting at Howe's Lanes, Angelika (Geli) Lehmann, an exchange student from Hanover, Germany, gave an enlightening talk on "Family Life in Germany".

Miss Lehmann came to this country last August and will return to her home land in July of this year. She is making her home with the Howard Kieft family on Sagamore Drive, Clarkston. The program was arranged by The World Affairs Committee, Mrs. John Landon, chairman; Mrs. Elizabeth Ronk and Mrs. Harry Mitchell.

At the business meeting conducted by the president, Mrs. Eldon Rosegart, a card party was planned to be held on April 9th in the banquet room at Howe's Lanes. Mrs. E. J. Lolly, Jr., and Mrs. Jean Landon are co-chairman for this event, the proceeds of which will aid the club's Scholarship Fund.

The following were appointed to the Nominating Committee: Mrs. Basil Thompson, chairman; Mrs. Harold Soper and Mrs. Arthur McIntyre.

Due to the Holy Week schedule the next meeting will be held on the evening of March 12, with Mrs. Ralph Williams, chairman of the Civic Participation Committee in charge.

Guests at last Thursday's meeting were Mrs. George Mazola, Mrs. Velma Britton and Mrs. Virginia Thomas.

Share The Fun Contest

Share the Fun preliminary contests at the Green School in West Bloomfield Township on March 16th and at Lake Orion High School, March 19th, will draw aspiring 4-H entertainers and Public Speakers from all over Oakland County. These programs provide a talent showcase to club members and really do share the fun. The public is invited and no charge is made.

Finalists from the two evenings will be performing at the Achievement Day Program at Pontiac Northern High School on April 4th. At that time the entertainment those members provide will be additional spice interspersed in the All-County 4-H Dress Revue.

On the April 4th date, younger performers and younger seamstresses will begin their part of the program at 3:00 p.m. continuing until 5:00. The balance of the program of entertainment and style will be continued from 8:00-10:00 the same evening with final winners announced for all areas of the day's events just before 11:00 p.m.

104 agencies of the media of communication, that is, newspapers, radio and television facilities.

Pontiac State Hospital serves the following ten counties: Oakland, Genesee, Macomb, Lapeer, St. Clair, Sanilac, Huron, Shiawassee, Livingston and Tuscola.

Hospital To Hold Open House

Donald W. Martin, M.D., medical superintendent of the 3,000 bed Pontiac State Hospital, announced (Wednesday, February 26th) that his hospital will observe National Mental Health Week (April 26 through May 2) with its 16th Annual Open House to be held April 26, 27 and 28th.

Chairman for this year's Open House will be Phyllis Bursey, M.D., director, adult in-patient service.

Dr. Bursey has already held several planning sessions with her Open House Committee and advises that program emphasis will be placed on audience participation workshops with the aid of color slides highlighting the problems of mental health and the mentally ill.

In addition to inviting the general public, the committee plans to mail out invitations to 900 volunteers, 179 schools, 301 civic organizations and

IFC Council Names President

The Inter-fraternity Council at Michigan State University, East Lansing, recently held elections of new officers and Ron L. Walter, from Psi Upsilon fraternity, was elected IFC president for the coming year.

The new officers were installed February 18th, at an Installation Banquet, at Kellogg Center.

Ron is a 1961 graduate of Clarkston High School, and the son of Mr. and Mrs. Ronald Walter, Washington St. He is majoring in accounting in the school of Business Administration.

Church To Hold Smorgasbord

The Reorganized Church of Jesus Christ of Latter Day Saints will sponsor a smorgasbord dinner on Friday, March 6 at the C.A.I. building on Williams Lake Rd. in Drayton Plains. Dinner will be served from 5:00 p.m. to 7:00 p.m.

National Girl Scout Week

More than 9,000 members of the Northern Oakland County Girl Scout Council will be among 3 1/2 million Girl Scouts throughout the country celebrating Girl Scout Week from Sunday, March 8 through Saturday March 14.

"A Promise in Action" is the theme both of Girl Scout Week and of the Girl Scouts' 52nd birthday which occurs March 12. This date marks the anniversary of the first meeting of the first Girl Scout troop in the United States.

Girl Scouts throughout the Council are planning special programs to celebrate "their" week.

Clarkston area girl scouts are observing girl scout week by having a reredication service, Sunday. The cookie cupboard is being stressed also in their particular week.

The aim of Girl Scouting is to provide a quality program of informal education for girls from

Jobs Daughters Plan Smorgasbord

How about taking mom and the family out to dinner Sunday after church? The Jobs Daughters of Bethel No. 25 in Clarkston are having a smorgasbord at the Masonic Temple, serving from 12:30 to 3:30 P.M.

Tickets may be purchased at the door and children under five will be served free.

A good selection of food is promised and plenty of it, so why not give mom a day off from her cooking chores and have these lovely teenage waitresses serve you while you are helping them? See you there!

Police Dog Admired By Group

On Tuesday evening of last week the Clarkston Rotary Anns met at the home of Mrs. Paul DeLongchamp with Mrs. Earl Terry and Mrs. W. H. Stamp as co-hostesses.

The business meeting was conducted by the president, Mrs. Harold Goyette at which time the Rummage Sale was discussed and committees were named by the Sale's Chairman, Mrs. Earl Terry. The Sale will be held in the building at the rear of the Community Center on April 10 and 11.

Following the business meeting Trooper Charter of the Pontiac State Police Post was introduced. He showed colored slides of the Police Dog Training Camp and explained how these dogs are used in the police service. It was surprising the number of questions that were asked by the members and Trooper Charter was very gracious in answering every one of them. To close his program the Trooper brought in his German Shepherd Dog, "Hans", and the group was more than delighted. The dog, all black and weighing about 95 lbs., was really alert. He obeyed his master completely and as "man's best friend" Trooper Charties informed the group that the dogs were not trained to be vicious but to be obedient and serve a useful purpose.

To close the interesting evening dainty refreshments were served. The March meeting will be in the home of Mrs. W. H. Stamp with Mrs. Rudy Schwarze and Mrs. Richard Christensen as co-hostesses.

GOVERNOR ROMNEY REPORTS

While the basic purpose of education must continue to be to impart knowledge, our place in history imposes new demands on education.

First we must have education for freedom. Every young American must understand man's struggle for freedom — here in our own nation and elsewhere.

He must understand the sacrifices needed to win freedom and preserve it, the forces at work to destroy it, and the hard fact that every generation must prove itself worthy of freedom and be willing to sustain it.

We can no longer afford to relegate the course that used to be called "citizenship" to an inferior role in our schools, or leave it to teachers incapable of teaching more specialized courses in mathematics or languages.

Education for freedom must be the first — not the secondary or last — responsibility of our schools and colleges.

We must also have education for servival and victory. The menace to freedom and to free men posed by international communism has confronted our nation with its greatest struggle for survival.

Education must be a major force in demonstrating that freedom in the world will not just survive but will win.

The truth is on our side. This we must prove over and over again to our youth. We must prove it by comparing freedom with communism, not by isolating them for its false and synthetic theories.

It is the role of education to teach the truth — "Ye shall know the truth and the truth shall make you free."

Finally we must have education for peace. Another general war could mean the destruction of most of mankind.

But there are fates worse than death, and one is slavery. Although war is almost the ultimate calamity we cannot place peace before freedom.

We cannot ignore aggression in any form. This we must make indelible to every American. But we must be certain there is no other alternative.

As the United Nations Charter indicates, wars must have their origin in the minds of men. It is to education, therefore, that we must look as our best hope for peace.

Know Your Michigan Law

By Attorney General Frank J. Kelly
(This is a public service article explaining in general terms a provision of Michigan law. Individuals who wish to determine the effect of any law upon their private legal affairs should consult a private attorney.)

In order to keep traffic moving smoothly and safely on State trunkline highways, it is sometimes necessary to control parking in the cities through which the highways are built. The Michigan State Highway Department has found it increasingly necessary to impose more restrictive and even prohibitory regulations on the parking of motor vehicles on State trunkline highways in cities. Many have asked by what right does the State Highway Department regulate parking on public streets within cities.

The answer is that State law requires it. The legislature has imposed a duty upon the highway commissioner, acting jointly with the commissioner of state police, to conduct engineering surveys on State trunkline highways located within cities for the purpose of determining whether stopping, standing or parking is dangerous to those using the highways or would unduly interfere with the free movement of traffic thereon.

Except in situations involving home rule cities parking orders made pursuant to engineering surveys and traffic studies are issued

inure has provided that "home without public hearing. The legislature may request that a hearing be conducted wherein the regulatory authorities are required to disclose, through expert witnesses, the information obtained by the engineering surveys and traffic studies. Pursuant to published Administrative Rules of Procedure, city legal representatives may question the witnesses and require that a written record of the proceedings be reviewed by the highway commissioner and the commissioner of state police prior to making a decision thereon.

The Michigan State Supreme Court has held such regulation of parking to be constitutional and not violative of due process of law because the "right" to park upon a public street is a privilege and not a vested right.

What To Do About Asthma

Asthma is a chronic illness in which the victim has difficulty in breathing. It is not contagious and, fortunately, most attacks of asthma are relatively mild, but if neglected, it increases in severity, and endangers health as time goes on.

A majority of asthma attacks are triggered by an allergy. It could be almost anything -- foods, furs, feathers, pollens -- that starts the flare-up. Sometimes a bacterial

infection of the throat, nose or sinuses can touch off asthma attack. Nervous tension sometimes is a factor.

In a severe attack, the victim appears to be suffocating. He becomes pale and turns bluish, perspires heavily. He is using all of his strength to breathe. Fortunately, these attacks can be relieved by your doctor or by treatment in a hospital.

Finding the allergen is the first step in dealing with chronic asthma. Occasionally it is obvious, but most often a series of tests and studies are required.

The important thing is to seek medical advice and counsel if you suspect that you have an asthmatic condition. Self-diagnosis is almost impossible. Only a physician can make an accurate diagnosis. If the allergen is something you can avoid, such as a dog or a cat, your problem can be solved with relative simplicity. If it should be pollen in the air, the case is more difficult. But it still can be kept under control, with proper medical direction.

Occasionally, an asthma patient will be helped by a change of climate, but doctors advise that you proceed with caution in making a cross-country move. You may develop a new allergy to things in the new climate which you haven't encountered before. If you must move try to arrange an extended visit to the proposed new home to find out for yourself whether you feel better.

Asthma can be controlled in most cases. In almost all cases, a doctor can provide relief from asthmatic attacks, and by careful management reduce the frequency and severity of attacks.

Annual Holy Hour To Be Held

All friends of Girl Scouting are invited to attend the 20th Annual Holy Hour which the Archdiocesan Committee for Girl Scouts will present at the University of Detroit Memorial Building from 4 to 5 p.m. Sunday, March 8.

Catholic girls who belong to troops that are not under parish sponsorship are especially urged to come.

No advance reservations are necessary. The U. of D. Memorial Building has ample seating capacity and parking facilities.

Fr. Thomas Egan will give the sermon. Fr. James Mahoney will be the celebrant of the Mass. Fr. Thomas Pedham will be the deacon and Fr. William Child the sub-deacon. Fr. Jerome P. Mandel will lead the prayers.

Public recognition will be accorded during the Holy Hour to the 1963 recipient of the Marian Award for the highest academic achievement in Girl Scouting and to the 1963 recipient of the Girl Scout Award for the highest academic achievement in the world.

Mrs. Doreen W. ... chairman for the program of the Lawrence Institute.

There are 100 Girl Scout troops under Catholic auspices in the archdiocese with an enrollment of 19,910 girls and 2,100 adult leaders.

Guest Editorial

By J. Edgar Hoover

THERE ARE FEW CRIMES, if any, more brutal, more shocking, or more revolting to a civilized conscience than those committed by sexual degenerates.

Some months ago a young woman was brutally attacked and slain by a maniacal killer who repeatedly stabbed the victim with a knife and left her body wrapped in a transparent laundry bag. The perpetrator of this vicious crime had been convicted for rape four years previously and was out on parole at the time of the murder.

Another example involved the case of an 11-year-old boy by a strange man into an automobile. The young boy's body was found 4 days later evidence of a very sexual assault. The assailant was identified and readily admitted the crime. Behind him lay a long, sordid record of perverted sexual activities and the dangerousness of such deviates can result in the tragic behavior. Obviously, errors in evaluation of young life.

With the advent of spring and the following summer months, law enforcement can, with reasonable certainty, expect a 20 percent rise in forcible rapes and a large increase in sexual assaults and child molestations. Again, as in the past, police authorities will muster their forces, issue and broadcast public warnings, and take all possible precautions to stem this rising flood of perversion and rapacity, knowing all the while that their utmost efforts alone will not be enough.

All too often law enforcement is confronted with the deplorable results of a sex crime that might have been prevented by the proper instruction at home by parents, by prompt reporting of sexual deviates to police, and by realistic punishment of offenders by the courts.

There is little doubt that many sex crimes are the products of sick minds and that these minds are in dire need of treatment. It is sheer stupidity, however, to rely upon brief therapy and confinement to rehabilitate degraded sex criminals. Bulging police records on known repeaters and daily headlines on sex crimes are testimonials to the fallacy of such practice. Community protection demands the separation of these degenerates from society.

There is no shortage of theories on sex crime causation. Textbooks are filled with them. However, sex criminals for the most part strike knowingly and with deliberate intent. No amount of maudlin rationalization can hide this fact.

The real tragedy of sexual atrocities lies in the suffering of the innocent victims. Unfortunately, in many instances the victim's rights are never considered. The sexual degenerate, shielded by an array of technicalities and loopholes, barely his wrist for a light pudicial pat and soon is free to resume his assaults, rapes, and murders.

Ed. Secretaries To Meet

The regular spring meeting of the Oakland Association of Educational Secretaries will take place on March 17, 1964, at the Clarenceville High School, Livonia, Michigan, 6:45 p.m.

Speaker for this dinner meeting will be Mr. Roger J. Callahan, Ph.D., of Southfield, Michigan. Dr. Callahan, whose hobby is flying, is in full-time private practice of psychotherapy and marriage and family counseling. He received his bachelor's degree from the University of Michigan in 1950 and his Ph.D. from Syracuse University in 1955. Besides belonging to many professional organizations and being certified as Consulting Psychologist by the state of Michigan, Dr. Callahan has published a number of articles on anxiety in children, psychotherapy with children, and the use of tranquilizers with disturbed and retarded children. His topic: "How to Keep Birds from Building Nests in Your Hair."

New officers of the Oakland County Association for the school year 1964-65 will be installed at this meeting.

Is Your Home Safe From Fire?

How long has it been since you last checked the attic, the basement and that catch-all closet for fire hazards?

The National Board of Fire Underwriters strongly recommends that "periodic clean-ups" be held to prevent these areas from becoming cluttered with stacks of old magazines and newspapers, broken furniture and other household flotsam that can make a tinder box of your home.

Another important thing to remember, the NBFU says, is to avoid striking matches, or carry lighted candles or matches when searching in closets, attics and other places where combustibles are kept.

Don't Send Cash

Don't send cash in the mail to pay your Federal taxes. If cash is lost or mislaid, there is no way to trace it and you will have no record of your payment.

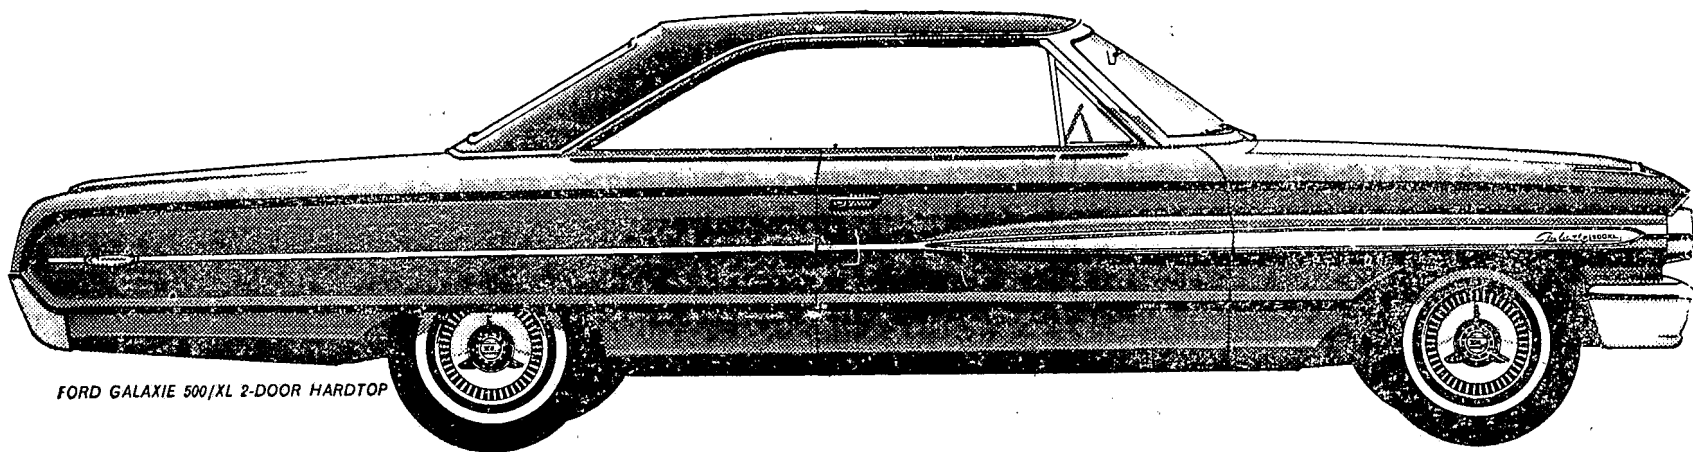

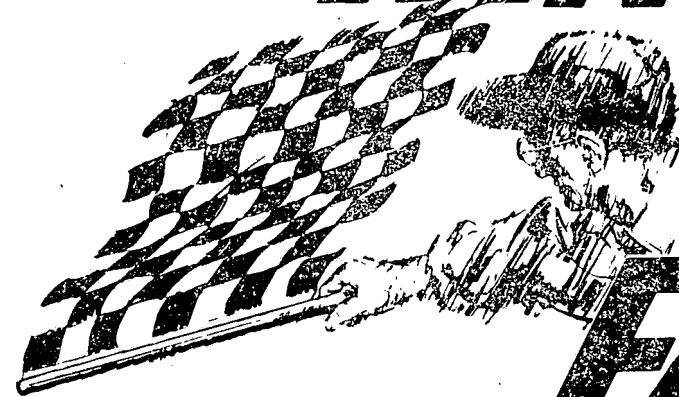

This was the advice today from R. I. Nixon, Detroit District Director of Internal Revenue.

Mr. Nixon recommends that you use a check or money order, made payable to Internal Revenue Service and addressed to District Director of Internal Revenue, Detroit, Mich. 48231. If a check or money order is misplaced, the taxpayer may always stop payment.

If, for some reason, a check or money order is sent apart from a return, be sure to attach a note explaining the exact purpose of the payment.

Mr. Nixon said that taxpayers who prefer to pay in cash should bring the payment personally to the cashier in the Internal Revenue office.

ELECTRIC HEAT HELPS KEEP YOUR WHOLE HOUSE CLEANER!

Customers say with electric heat, you won't have to dust under beds, wash walls or clean draperies nearly as often. Why? Electric heat is flameless. Dust-laden outside air, in the quantities necessary to support a fire, is not drawn into your home. And because it is flameless, there's no soot. No fumes.

You get more out of life electrically. And Edison's new low All-Electric Living Rate gives you more reason than ever to consider electric heat. Before you buy, build or modernize, talk to an Electric Heating Contractor or Edison about electric heat.

Mr. and Mrs. Glenn Sommers and children Glenda and Bruce of King Rd. attended the Ice Capades at Olympia Stadium last Monday night.

Mr. and Mrs. Robert Jones of Robertson Ct. arrived home last Sunday following a three week vacation in West Palm Beach, Florida. On their return trip home Mr. and Mrs. Jones stopped off in Williamsburg, Virginia for three days.

A birthday party for little friends marked the fifth birthday of Jill Hagen of Crescent Dr. February 29. On hand for the fun and games were Suzy Allemang, Dawn Centers, Betsy Hobby, Marion Hein, Lori Hagen, Sue and Autumn Matlock, Lisa Shawn, Sheree Stomberg, and Lynn DeFrayne.

Birthday greetings go to: Kathy Kizer, Ken Bayns and Dr. Roy Landry, March 6; Mary Ann Robbins, Dale Stelmach, Mark Baynes, and Beth Ann Tower, March 7; Fred Tarek Jr., March 8; Beth Cameron, Jim Baynes and Scott Swaright, March 10; Nancy Cooper, Diane S. Jencinski and Chris Dawley, March 11; Janette Schultz and Kyle Satterlee, March 12.

Some 8 cub scouts of pack 133 were joined by their parents for an evening at the Olympia Stadium last Monday night where the Ice Capades were featured. "Salute To Scouting" was the theme for the evening.

Mrs. Glenn Kirchoff of Allen Rd. was honored at a pink and blue shower February 27 at the home of Mrs. David McInnes of M-15. Mrs. Art Lausten assisted the hostess. Some 21 friends and relatives were on hand for the occasion.

KAY'S KITCHEN KAPERS

By Kay Lewis

Hello Again! I'm occasionally a lazy cook or maybe it's a lazy dishwasher but anyway I do like one dish meals. A crisp salad a hot bread and a simple dessert rounds out a one dish meal very nicely.

ONE DISH BEEF MEALS
Here's a economical dish. Pick out lean short ribs.

SHORT RIBS OF BEEF

3 to 4 pounds short ribs
2 lbs. fat
Salt and pepper
1 onion sliced
1 cup water
6 carrots quartered
8 small white onions (omit if you're not an onion lover)
Box frozen lima beans
Brown meat in fat. Season add onions and water. Cover and bake 375 degrees 2 hours until tender.

Add carrots and onions sprinkle with salt cook covered 30 minutes. Add beans and cook 30 minutes longer. Serves 4.

HUNGARIAN GOULASH

2 lbs. boneless beef chuck
2 tbs. fat
2 cups thinly sliced onions
2 tsp. paprika
Salt
Water
1 can whole potatoes (drained)
1 pkg. frozen peas
Cut meat into 1 1/2" pieces. Heat fat add meat and onions sprinkle with paprika and salt. Brown slightly and cook covered stirring occasionally for 1/2 hour. Add 1 cup water cook slowly 2 hours till meat is tender. May have to add water. Add potatoes and peas simmer 5 more minutes.

QUICK HOT DESSERT

In a hurry? Sprinkle canned peach halves with sugar cinnamon and slivers of orange rind dot with butter and bake in hot oven 10 minutes. Top with whipped cream for a fancier dessert.

CHEVELLE! by CHEVROLET—a great highway performer

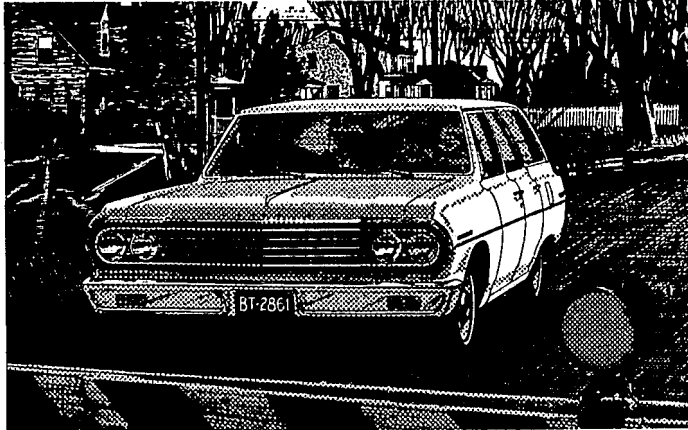

Malibu 4-Door Sedan

Malibu Super Sport Coupe

Malibu Super Sport Convertible

Chevelle 300 6-Passenger Station Wagon

Chevelle balanced performance is best!

Passing, cornering, threading through traffic, sudden stops—Chevelle excels all around! Chevrolet's new surprise package has what it takes to meet any driving challenge: Six or V8 engines, hefty brakes, Full Coil suspension—and a trim size that makes the most of them!

Chevelle means performance aplenty—standard 120-hp Six or 195-hp V8—and optional at extra cost, a 155-hp Six, a 220-hp V8, a new 327-cu.-in. V8! But Chevelle's performance means more. Chevelle's a foot shorter than the big cars. And the space Chevelle saves in size comes off the ends, not the middle. So it rides like you want a car to ride.

Chevelle lets you choose Powerglide*, 4-speed manual* or 3-speed manual transmission. Knowing how people like the custom touch, we wrote out a long list of extra-cost options. Knowing all this, what's keeping you from a test drive? Certainly not your Chevrolet dealer!

Howes Ten Pin Chatter

By Pat DeLongchamp

Congratulations were in order last week for Maurice Lackey, "Mo" to his friends.

Mo is from Drayton Plains and bowls in the Thursday morning Mens League. He carries a 155 average and has never bowled a 600 series. But last Thursday was different. Mo started out with a 221-247 and came back in the third game with a 235 for 703. He bowled it on the same pair of lanes (1 and 2) that Tony Zografos had his 716 series last December.

Other good scores that day were bowled by C. Zanacki 201-255-633, Tony Zografos 213-217-616, Dewey Dean, 244, Ralph Long, Jr. 241 and Jerry Brown 223.

In the Dixie All Star League, Standard Oil moved out in front by 3 1/2 points with Berg Cleaners dropping four points to Ireland's Upholstery. Beach Fuel and Supply took four from R. M. Wood Co. and moved into second place, half a point ahead of Berg Cleaners and Barnetts No. 1.

George Partlo had a 226-597, Lyle Saum 200-200-597, Jack Davidson 209-218-595, Ray Jarvis 225-203, Ken Graves 224, Ivan Craycraft 222, Frances Sommers 221 and Dave Skillman 215.

The Ladies Doubles Classic League posted their first 600 series for the season last week Ruth Rose had 198-202-208 for a real nice 608.

Janet Willson had a 537, Marvel Sotz 203-518, Jo Ann Gohl 516, Julie Wiginton 510 and Margaret Shafts 201-502.

Arnie Kind was high in the Men's Doubles League with 226-203 for 619. Ed Clark had 223-596, Tom McDermott 211 and Doug Christian 210.

Waterford Market took three points from Heads Barber Shop in the Waterford Merchants League with the help of Bill Wood having a 269-632 and taking over season high game with handicap of 287. Howe's Lanes downed Waterford Hotel for three, and put them just four and one half behind Head's.

Paul Barnum had 213-200-609, Hal Dobratz 225-600, Jack Topham 235, Adrian Dutcher 210-223-593,

Jerry Staley 224-224-599, Glen Bartle 212-201-592, Jack Davidson 226, Jim Roberts 218 and Ken Young 217.

Evelyn Rembach posted a 216-199-593 in the Clarkston Women's League. Jackie Haxer had a 203.

Mary Moon took over high game and series in the Waterford Ladies League with a 207 game and a 560 series.

Grace Beardsley had a 185-513, Sue Wilson 483, Juliette Widginton 481, Madelyn Knox 499, Pat Ripley 185-495, Maggie Lalby 192, Marie Bruce 189, Kay Jones and Sue Lamberton 183.

Ruth Cordray who carries a 106 average had a 431 series, 113 pins over her average.

Thirty Drug is still out in front in the Howe's Jets League with Kieft Engineering 7 1/2 points behind.

Dorothy Kampon had a 203 for high game and Barb Howe a 532 series.

Eunice Whipple posted a 553 series in the Ortonville Women's League with games of 192-181 and 180. Peg Hiser had 207-526, Dorothy Groves 207-185-525, and Bea Richards 199-502.

Bloch Bros. Realty split with Clarkston Realty to maintain an 8 to 9 point lead over about seven teams battling for second place in the Tri City League. Don Croom had a 213-264-640, "Hoot" Gibson 224-200-605, Tom McDermott 250, Lloyd Vergin 247, Bill Kelly 242, Red Davis 233, Dick Ryan 222 and Mac Hanson 217.

In the Howe's Senior Classic League, J and I Pattern Company swept into first place by taking four points from Howe's Blue Lounge. Davisburg Golf lost four to 300 Bowl but managed to hold second place, one and one-half behind J and I and one half in front of Ferrell Heating and Plumbing.

High Series for the night were, Al Swaney 201-222-613, Paul Barnum 225-218-611, Phil Christos 233-606, Ken Whitcomb 253-600, Pablo Rodriguez 226-600, Ron Kind 234-599, Lee Marino 202-226-599, Del Kasat 257, Jim Carr 234, Dick King 225, Paul Proddell 223, Bill Johns 222 and Earl Card 221.

In the Saturday Morning Beginners League, David Campbell had a 145 game. David has a 63 average. Danny Mobbs, 137, Bill Conrad 136, Larry Martin, 111-119, Marty Thomas 116 and Ricky Yourdan 111. Lynda Yourdan had a 116 game.

Jeff Rothbarth was high in the Advanced League with a 157-166-463, Herb Beach 149-160-421. Mark Christie 158-410, Don Moon 143-401 and Dirk Hughes 139.

C. Wice was high for the girls with 131-140-378 and Sue North and Carolyn Mobbs 128.

Cindy Kolos had a 178-188-162 for a 528 series in the Jr. Classic League.

National Girl Scout Week

(Continued from page one)

seven through 17, with a wide range of activities in the arts, the home and the out-of-doors.

Six principles underlying all Girl Scouting activity are considered so fundamental to Girl Scouting that they have been termed the "foundation elements" of the program. They are: The Girl Scout Promise and Laws, service, citizenship, international friendship, troop management and health and safety.

The Girl Scouts are a member agency of the United Fund.

Very necessary to Girl Scouting is able leadership. Qualified persons are constantly being recruited and trained as troop leaders for the four age levels - Brownies, Juniors, Cadettes and Seniors.

Girls meet weekly by troops and patrols usually at schools or churches with a leader and co-leader.

Girl Scout activities for Brownies (ages 7 and 8) appeal to the imagination and curiosity of this age. Activities are based on the three Brownie "B's": Be discoverers, Be ready helpers, Be friend-makers.

Junior Girl Scout (ages 9-11) may do their exploring and experimenting by working to earn proficiency badges in fields that interest them. As a girl earns badges, she becomes closer to completing one or both of the Signs of Junior Girl Scouting - the Sign of the Arrow and the Sign of the Star.

As a Cadette Girl Scout (ages 12-14) a girl is ready to delve deeper into the subjects that interested her as a Junior. At the heart of the Girl Scout program for this age level lie the four Challenges of Cadette Girl Scouting - Social dependability, Active Citizenship, E-

mergency Preparedness and the Challenge of the Girl Scout Promise and Laws. When a Cadette has completed six badges and has met the Four Challenges, she is eligible for First Class rank, the highest award of Girl Scouting.

Senior Girl Scout (ages 15-17) are ready to assume responsibility as citizens of their community. At this age girls are thinking serious thoughts about the future - Higher education, career, marriage. Senior Girl Scouting is aimed to-

ward this future. Senior Scouts find many ways to give service while exploring vocational possibilities at the same time. Girl Scouting also offers Seniors opportunities to attend Senior Conferences, Senior Roundup and other regional and national Girl Scout events.

A girl may come into Girl Scouting at any level, the only requirements that she accept the Girl Scout promise and laws and pay her national membership dues.
