Witnesses Plan Services

Jehovah's witnesses of the Pontiac North Unit congregation will celebrate the Memorial of Christ's Death, Saturday, March 28 at 6:30. Mr. Joseph LaBarge, presiding minister of the local congregation, said in making the announcement, "March 28 this year, after sundown, corresponds with Nisan 14 of the calendar used by the Jewish nation in Jesus' day and is the anniversary of the betrayal and death of Christ."

Emphasizing the importance of this date in Jehovah's witnesses' calendar, Mr. LaBarge stated that a peak attendance is expected not only at the local Kingdom Hall, 4400 W. Walton, but in all the congregations of Jehovah's Witnesses around the world. The memorial attendance world-wide last year according to the year book, official report of the Witnesses, was over 1,693,300.

The Memorial service will be conducted by Arlon Koerber, a minister from Washington, D.C. Mr. Koerber is a long-time member.

Sunday Service 11:00 A.M.
Sunday School 11:00 A.M.

The effect of the resurrection on Jesus' disciples will be one of the themes at Christian Science church services this Sunday.

Both Matthew's and John's account of the resurrection will be read as part of the Bible Lesson on "Reality." Also included will be this passage from the Christian Science textbook: "Through all the disciples experienced, they became more spiritual and understood better what the Master had taught. His resurrection was also their resurrection. It helped them to raise themselves and other from spiritual dullness and blind belief in God into the perception of infinite possibilities" (Science and Health with Key to the Scriptures by Mary Baker Eddy, p. 34).

Wins Trophy

Gwen ApMadoe, 13 year old daughter of the Tudor ApMadoes of Cranberry Lake Rd., was awarded the class "B" grand championship trophy at a banquet following the fifth and final Michigan Jr. Olympic Team Show at the Grosse Pointe Hurst Club on Sunday, March 15. Gwen rode with a team of three other jr. horsemen from Zander Huffield's Stoney Creek School of Horsemanship in Rochester. She was mounted on her own brown mare "Pride".

Gwen started taking English instruction from Zander in May of 1962. She started winning her ribbons the following year. Her first two blue ribbons were won at the 1963 Metamora Fall Horse Show for equitation on the flat and equitation over jumps.

Her horse "Pride" was purchased in March of 1963. The horse was Western but Mr. Duffield trained her English and she has turned into an excellent jumper.
Gwen and "Pride" will be on the M.H.S.A. circuit this year along with others from the Stoney Creek School of Horsemanship.

Girl Wins Award

Peggy Schones, twelve year old daughter of Mr. and Mrs. Robert Schones of Eastlawn, went to the A.G.M. Regional in Detroit Sunday.

Peggy won a white ribbon in her division playing the accordion. This was quite an achievement because of the stiff competition from three other states.

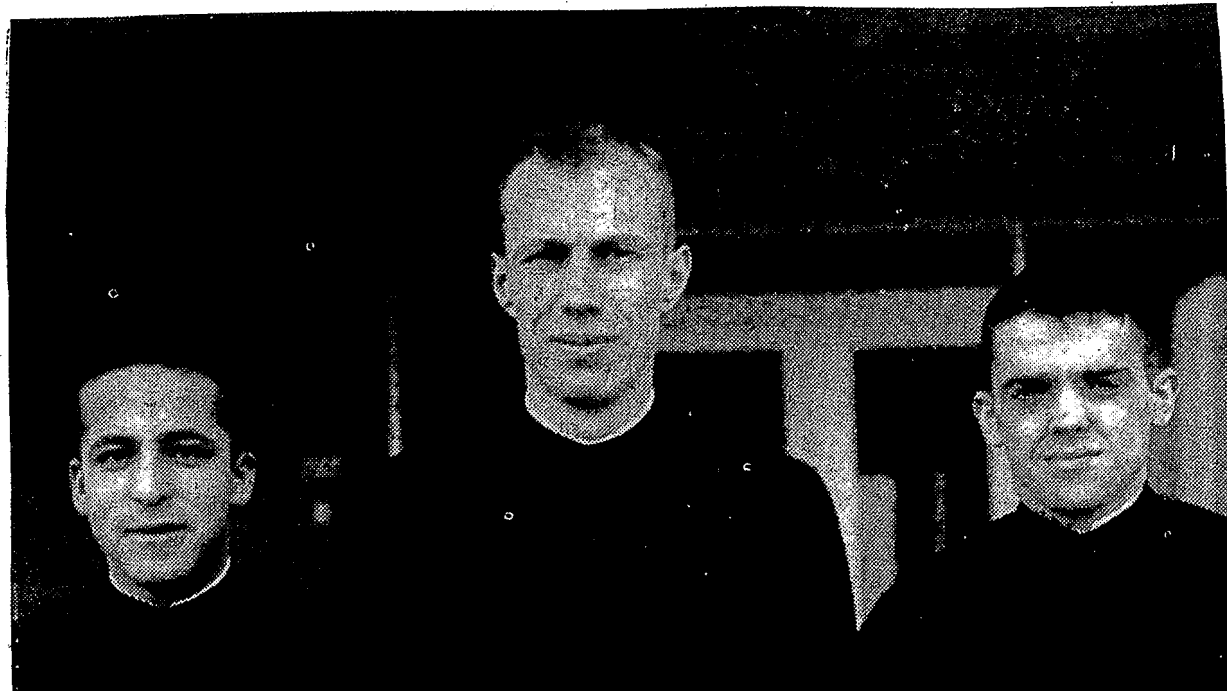

To Present Play

The March meeting of the Clarkston Community Women's Club will be held Thursday, (tonight) March 26 at 8:30 p.m. at the Community Center. This meeting is open to all individuals in the community.

A one act play, entitled "Suppressed Desires" will be presented by the Village Players. This light comedy revolves around the dreams of its characters, which include Mrs. Richard Logan, Mrs. Vincent Luzi and Mr. Harry Fahrner. The play is directed by Mr. Vincent Luzi, president of the Village Players. The program will begin at 9 p.m.

Mrs. Irene Meadon from the DeRae Studios is Peggy's teacher. The Studio is proud of having three trophy winners in the Regional.

Brothers Pronounce Vows

Bro. Trinidad Sanchez, S.J. Bro. Lawrence G. Welling, S.J. Bro. Paul P. Becklenberg, S.J.

Three young Brothers of the Society of Jesus pronounced perpetual vows of poverty, chastity, and obedience here toward the end of March at Colomiere College, the novitiate for the Detroit Province of the Society of Jesus. The vows are taken after a six-month postulancy and a two-year novitiate.
Rev. Fr. Ara F. Walker, S. J., rector of the Jesuit Seminary, will

receive the vows of Bro. Trinidad Sanchez, S. J. son of Mr. and Mrs. Trinidad Sanchez, who reside at 186 Rapid Street, Pontiac, Michigan. Bro. Sanchez graduated from St. Frederick High School, Pontiac, Michigan. Bro. Paul P. Becklenberg, S. J., son of Mr. and Mrs. Fred Becklenberg Jr., who reside at 865 Auburn Road, Winnetka, Illinois, graduated from St. George

High School, Evanston, Illinois. Bro. Lawrence G. Welling, S. J., son of Mr. and Mrs. Harry H. Welling, graduated from St. Xavier High School and attended Xavier University in Cincinnati, Ohio.

After taking their vows, these men will depart for the Milford Novitiate, Milford, Ohio, to continue their training as Jesuit Brothers. There they will continue their

spiritual development and will be sent to various schools for the training needed for their future work in the Society of Jesus. Br. Sanchez will train for the Missions in Peru, South America, Br. Becklenberg for library work and business management, and Br. Welling will continue work toward his Bachelor's Degree in Chemistry.

Know Your Michigan Law

(This is a public service article explaining in general terms a provision of Michigan law. Individuals who wish to determine the effect of any law upon their private legal affairs should consult a private attorney.)

Michigan citizens have an excellent record for voluntarily complying with the tax laws of our State. A little know tax and one which continually is the subject of inquiry of my office is the Michigan intangibles tax, which imposes a tax on cash on hand, shares of stock and bonds in profit making corporations, income from land contracts, real estate mortgages and chattel mortgages, conditional sales contracts, and other obligations for the payment of money. Generally

banks and savings and loan associations pay the intangibles tax for depositors of money in their institutions. However, one should not overlook cash in banks and savings and loan other thrift associations on deposit outside the State of Michigan. These deposits are taxable and should be included in the computation of the tax, since such out-state institutions do not pay the tax on behalf of the depositor.

The law also provides for the exemption from the tax certain types of income producing property. Some examples of the exemptions granted are in the income from bonds issued by the United States Government, such as savings bonds and income from bonds issued by Michigan municipalities, which would include bonds issued by a Michigan city for public improvement. Amounts paid through pensions under a public authority such as Social Security are exempt, as well as the amounts paid as pensions by a private employer, payable to a former employee.

The tax is due on or before March 31, 1964, for income received from intangibles during the year 1963. Tax returns and payments are made to the Michigan Department of Revenue, 200 Tussing Building, Lansing, Michigan, or by contacting the probate office in your county, which will advise you of the time at which an intangibles tax auditor will be available in its office.

If you have overlooked this tax, it would appear advisable to make a voluntary disclosure to avoid penalties otherwise provided by law.

ist's mate third class, USN, son of Mr. and Mrs. Carl L. Kilburn of 6620 White Lake Rd., Davidsburg, is participating aboard the amphibious assault ship USS Iwo Jima in a coordinated U.S. Nationalist Chinese amphibious exercise called "Operation Backpack" being conducted off the coast of Taiwan.

Backpack is an exercise to test the amphibious capabilities and readiness of the forces of the Seventh Fleet and the Nationalist Chinese Navy. The exercise, with over 40,000 men and 140 units participating, will culminate in an amphibious assault on beaches of southern Taiwan, and will demonstrate the effectiveness of the United States Seventh Fleet to rapidly move a significant combat force to a troubled area in order to assist an ally.

Prior to the assault, aircraft of the Seventh Fleet will soften beach defenses. In addition, support ships will conduct anti-submarine warfare exercises and the area surrounding the beachhead will be cleared of any obstructions and mines.

"Backpack" is similar to those exercises conducted periodically by units of the Seventh Fleet with SEATO and other allied nations in the Far East to improve their proficiency in coordinated amphibious warfare operations and to maintain working relationships with allied nations.

Polio Vaccine On Sugar Cubes Slated For Everyone In Area

A massive project to feed two doses of polio vaccine to everyone in the Detroit Metropolitan area over the age of one year was announced today by the medical societies of Wayne, Oakland and Macomb counties.

The doses will be given on Sundays -- the first on April 19, the second on June 14. Immunization stations will be set up in schools throughout the three counties.

The Detroit area program is part of a campaign being conducted on a community-by-community basis to wipe out polio throughout the country.

Although the nation is now relatively free of this dread paralyzing disease, health authorities warn that polio runs in waves. There is always the danger of an outbreak. Health authorities feel mass immunization programs will eliminate that danger and make polio as rare as vaccinations have made smallpox.

Chairman of the campaign in

Wayne County is Dr. Francis P. Rhoades, who is chairman of the Wayne County Medical Society's Public Health Committee.

In Macomb County, the campaign is headed by Dr. Gerald Morris. The Oakland County chairman is Dr. Worth W. Henderson, with Dr. Robert Bookmyer as co-chairman.

They emphasize that all persons over the age of one year should take the two doses, regardless of previous immunization through Salk shots or oral vaccine.

The vaccine to be used in the Detroit program is Orimune, made by the Lederle Laboratories, a division of the American Cyanamid Co.

It is the relatively new trivalent type vaccine. That is, it provides protection against all three strains of poliovirus. Earlier oral vaccines were monovalent, providing protection against one strain and requiring three dosages six weeks apart to be completely effective. Only two doses of the trivalent

are needed, and protection starts two to three weeks after the first dose.

The vaccine will be given in liquid form on sugar cubes. It is pleasant tasting, designed to appeal particularly to children, who are the most susceptible to polio.

There are no harmful after-effects.

A donation of 50 cents or more will be asked of each person receiving the vaccine, but the medical societies stress that no one will be turned away because of lack of funds.

The funds will go for administrative costs of the project and for the vaccine.

All of the work at the immunization stations will be performed free, with doctors and other professional personnel donating their services, and volunteers supervising registration.

It is estimated that 30 to 40 persons will be required to man each station. Participating will be physicians, nurses, pharmacists, the women's auxiliaries of the medical societies, and the Boy and Girl Scouts to handle the lineups.

About 800 stations will be set up, with each expected to handle 3,000 to 5,000 persons. Locations of the stations and the exact times they will be open will be announced later. Advance registration for the immunizations may be set up to save time at the stations.

Besides Dr. Rhoades, the Wayne County steering committee for the immunization program includes Dr. Charles W. Sellers, Dr. Louis E. Heideman, Dr. James J. Lightbody, Dr. John G. Slevin, and Dr. Brock E. Brush. Administrators are Fred Westphal and Arthur Sheffle.

The committee in Macomb County, in addition to Dr. Morris, includes administrator Richard Cantley; Dr. Oscar Stryker, and Dr. Cameron McCrea, of the Macomb County Public Health Department; Dr. Herbert Hiller, Dr. Ann Lublin, Dr. Ralph Hinz, Dr. Robert Ward, Dr. Lewis Rickman, and Dr. John Bashaw, a major at Selfridge Air Force Base.

In Oakland County, in addition to Dr. Henderson and Dr. Bookmyer, the committee includes: Armin Roth and John Chapman - co-ordinators; Raymond Jensen, president of the Oakland County Pharmaceutical Assoc.; Dr. Bernard Berman, acting head of the Oakland County Department of Public Health; Dr. Edgar J. Geist, Jr. and Dr. John Simpson.

GOVERNOR ROMNEY REPORTS

I know of a few subjects which are of more immediate concern to everyone than the question of their own health and the health of their families.

While health care is basically a responsibility of individual citizens, there is no question that government should be deeply concerned with the health of the public.

This governmental concern has been demonstrated for many years in our country. The most recent example of it was the federal government's study on the effects of smoking.

Here in Michigan, our State Department of Health and the state-supported universities have been working for years toward the maintenance and improvement of public health.

The recognition that health is vital to the national defense and to the happiness of our citizens has not been a matter of politics. Both parties have supported existing public health programs and initiated steps to further improve the level of physical excellence which Americans inherited from their sturdy forefathers.

In 1956, Governor Williams appointed a Governor's study commission on Pre-paid Hospital Care and in 1961, Governor Swainson appointed a Commission on Pre-paid Hospital and Medical Care plans.

Both of these study commissions produced outstanding reports, but unless they are acted upon, they are useless.

Our task now is to press forward with action based on the recommendations of these studies. For that reason, I appointed last week an Executive Committee of the Governor's Action Committee on Health Care.

Easter Week Changes Mad World Schedule

A full schedule of Easter Week Holiday extra performances of Stanley Kramer's "It's A Mad, Mad, Mad, Mad, Mad" at Detroit's Cinerama Music Hall Theatre will begin Friday, March 27.

The giant comedy will have special matinee performances at 2:00 P.M. from March 30 through April 2. These performances will be in addition to the regular showings which start at 8:30 P.M. The Saturday and Sunday performances will be at 1:00, 4:45 and 8:30 P.M.

Currently the top grossing film in the United States and Canada, "It's A Mad, Mad, Mad, Mad, Mad World" is presented by Kramer in the new Cinerama single-lens projection process. Heading the cast of the United Artists release are Spencer Tracy, Milton Berle, Sid Ceaser, Buddy Hackett, Ethel Merman, Mickey Rooney, Dick Shawn, Phil Silvers, Terry-Thomas, Jonathan Winters and Jimmy Durante, and co-stars Edie Adams and Dorothy Provine. Kramer produced and directed the film in Ultra Panavision and Technicolor from a story and screenplay by William and Tania Rose. Ernest Gold wrote the music.

House Flies Start Early

On the first warm day you may find a house fly which spent the winter in your home. Use a fly swatter on that lone flitter before it sets up housekeeping.

Everyone knows the worldwide common house fly is a constant household insect control problem. Everyone should know that it carries such diseases as typhoid fever, tuberculosis and dysentery.

Its maggots live in the filth of garbage, manure, dead animals and rotting plants. Adult flies carry this filth to your face, food and hands.

You can keep flies out of your home if you begin now by getting rid of their breeding places. Dispose of all manures including pet manure rotting plants and other waste material in and around your house.

Get rid of sewage and garbage regularly and promptly. Keep a tight lid on that garbage container. A screen with a hole in it is little better than no screen at all. Repair house screens now and install them on doors early, especially if there are young children in the house.

Automatic door closers will keep the screen doors closed when children are running in and out of the house while playing.

You may not need to use insecticides this summer if you practice fly control in the spring.

Fire Department Answers 23 Calls

As of Tuesday afternoon the Independence Township Fire Department had answered twenty-three fire calls during the month of March. Of these, nineteen were grass fires.

Burning papers and trash was the cause of 13 of the fires which, all toll, burned approximately 150,000 yards of land.

A fire March 21 on Maybee Road was started by children in a field. Careless smokers caused two of the grass fires.

According to Frank Green, assistant chief no burning permits are being issued at the present time. Due to lack of rain and much wind, residents are urged to take care in burning trash and to always use a container for burning necessary trash.

Births

A daughter, Patricia Marie, was born to Mr. and Mrs. Gerald Thomas of Tappan Dr. on St. Patrick's Day. Mr. and Mrs. Herman Thomas are grandparents on the esquire side, while maternal grandparents are the Robert Bullocks, all of Keego Harbor.

Chevrolet will go to any length to make you happy

Things have changed a lot since a Chevy was only a Chevy. Especially your ideas of what you want a Chevy to be. So now you have the Jet-smooth Chevrolet—17½ feet of pure luxury, bumper to bumper. The size makes it a luxury car. But not the price. Or you can choose the thrifty Chevy II, a 15¼-foot family car with all kinds of passenger and luggage space. This year, your choice might be the new 16-foot-plus Chevelle, sized to fit nicely between Chev-

rolet and Chevy II (and between parking meters, with five whole feet left over). Then, too, there's the sporty 15-foot Corvair, so right for so many people (you girls, in particular) that we've never touched an inch of it. And finally, Corvette—still 14½ feet and still too much for any true sports-car lover to say no to. The long and short of it is, you don't have to go to any length to find exactly the kind of car you want. Just see the five different lines of cars at your Chevrolet dealer's.

ANOTHER 700 SERIES AT HOWE'S LANES

Top honors in the Waterford Merchants League is now held by Al Swansey who bowls for Pauly Insurance Co. Last week Al had a 716 series with games of 223-266 and 227. Although he carries an average of 187, this is his first 700 in 20 some years. Al also bowls in the Friday night Senior Classic League and on Howe's Lanes team in the Traveling league.

Other good scores shot in the league were by Bill Wood who had 203-237-205 for 645. Earl Rudd had 248-200-637, Al Bennett 227-219-636, Ben Shepard 210-221-620 and Hal Dobratz 204-236-602.

There was a total of 39 200 games Don Krause had a 238, Earl Weber 233, Art Latimer 224 and Chuck Young 220.

Heads Barber Shop took four points from Bodycrafters Credit Union to increase their lead to 8 1/2 points. Willie says "the magic number is 16." This means they need 16 points in the next 6 weeks to win the league.

Last Tuesday night in the Tri-City League, Hanson's Plastering, led by Clarence Laatch's 215-235-639, shot the season high team series, 2887, in taking four points. This closed the gap on Bloch Brothers Realty to seven as the Realtors could manage only one from Joe's Bar. Hanson's still has their work cut out for them with only four weeks to make up the deficit. Other high scores for the night were thrown by Larry Meyers 255-618, Del Lohff 242-607, Mike Zook 216-583, John Able 210-577, Al Hamilton 225-562, George Eaglen 227, Jim Stiles 225, Joe Perry 212, Bob Coin and Jack Hess 209, Don Croom 208 and Lloy Vergin 203 and 200.

In the Dixie All Star League, Berg Cleaners took 4 points from R. M. Wood Co. to move into second place by 1/2 point. Standard Oil dropped 3 to Howe's Lanes which cut their lead to five.

Al Bennett had high series of 625 with games of 219-205 and 201. Chris Nicholas shot 234 for an even 600 series. Other high games were Ed Johnson 237, Ivan Craycraft 235, Francis Sommers and Jay Vargo 233 and Stan Rowe 232.

In the Ladies Doubles Classic, Dorothy Hawns 534 was high for series, with a 216 by Pat DeLongchamp for game. Barb Howe 210-527 and Janet Wilson 527.

Karl Froling had a 237-227-622 in the Mens Doubles. Tom McDermott 226 and Bill Kelly 221.

The Clarkston Women's League posted a 613 for Lorraine Cloutier with games of 221 and 223. Jackie Haxer had 209-202 for 579.

Mary Lou Barker converted the 4-7-6-10 split in the Howe's Lanes Community League.

Thrifty Drug is in the lead in the Howe's Jets League with Bald Eagle Bar trailing by 2 points. Madelyn Anderson had a 190 for 519, Marie Kremer 181-512 and Thea Robinson 185-503.

In the Howe's Senior Classic League action last Friday night the Dew Drop Inn team did the rest of the league a favor by taking four from first place J & I Pattern Co. It was not an easy task as all games were decided in the tenth frame and two games by the anchor men, one and seven points. Davisburg Golf won three from Hi-land to move into second place, three and one half out. Hi-land dropped into a third place tie with Ferrell Heating & Plumbing. These three teams are within five of first place.

Jim Debow shot a 179 trivulgate, the only one so far this year.

A season high of 54 games of 200 or better were thrown, this averages better than one out of four. Some of these were, Al Wittingham 225-622, Jim Beebe 209-232-619, Norm Jennings 213-207-618, Paul Barnum 203-242-617, Chuck Larr 213-200-609, Ray Stitts 226-609, Mel Norman 215-603, Bill Johns 230-602, Ken Smith 215-216-600, Walt Honchell 242, Joe Kuhr 239, Duane Formwall 226, Bill Wilson 224, Bob Ream 223, and Art Latimer 221.

Don Bilbey had a 211-191 for 574 in the Clarkston Men's League. Al Gaudl 205-535 and E. Bryant 199-190 for 576.

Walt Lucas had a high game of 256 in the Howe's Lanes House League. Vern King shot 182-201-222 for a 605 series.

Orv Warren was high for the men with a 617 in the Howe's Foursome League. Morie Moon had a 223. Mary Devine 189 was high for the women.

A lot of good games were bowled in the Beginners League last Saturday.

Al Watson had a 180-141 for a two game series of 271. Larry Kuder, 123-122, Benny Magall 118-108, Jeff Hendry and Al Wickman 115, Claude Skelton 114. Sharon Mayo was high for the girls with 105 and 110.

Pictured are two Clarkston J.V. and three Varsity basketball players in action. They are, from left, Dan Craven, leading scorer with 382 points, chosen to all League 1st team; Mike Bray, leading rebounder with 201, third leading scorer with 200 points and picked for All League 1st team; Ken Miskin, second leading scorer with 306 points, 2nd in rebounding with 182 and picked All League 1st team; Rod Allen, most valuable J.V. scored 149 points and had 144 rebounds; and Dave Osgood, most valuable J.V., scored 178 points and had 97 rebounds.
