CLARKSTON, MICHIGAN, THURSDAY, JULY 16, 1964

NUMBER 46

New Dentist In Clarkston

Within a one mile radius Clarkston now boasts four dentists. Recently moving into the former Village Clinic building in downtown Clarkston is Gary Richard Ushman, D.D.S.

A former Southfield resident, Dr. Ushman graduated from the University of Michigan School of Den-

Dr. Gary Ushman, D.D.S.

tistry this year. He is a member of Phi Kappa Sigma and Psi Omega Fraternities.

Dr. Ushman, his wife Judith Marie, an Eastern Michigan University graduate, and their 11 month old daughter Kelly Lynn are making their home in Drayton Plains. The family plans to move to the Clarkston area in the near future.

EXAMINATIONS URGED BEFORE AUGUST

The doctors of this area have requested that the parents of children beginning kindergarten this fall, avail themselves of the opportunity to avoid the last minute rush, and get their children's pre-school examination before the last of August.

New School To Be Bailey Lake Elementary

former Bailey Lake primary school district (Independence No. 4) that annexed to the Clarkston Community School System in 1951 together with Independence No. 1 (Sashabaw), White Lake No. 5 (Fair), Springfield No. 5 (Andersonville) and Springfield No. 6 (Springfield). The new elementary is located in the former Bailey Lake district not too distant from the original primary school.

New Rector at Colomiere College

The Very Rev. Marshall L. Lochbiler, S. J., 69, a native Detroit, has been named rector of Colomiere College, Jesuit seminary at Clarkston, Michigan.

The appointment was announced by the Very Rev. John A. McGrail, S. J., provincial of the Detroit Province of the Society of Jesus.

Fr. Lochbiler succeeds the Very Rev. Ara F. Walker, S. J., who has been Colomiere rector for the past six years. Fr. Walker's future assignment has not yet been announced.

The appointment will be effective Sunday, July 12.

Until March of this year Fr. Lochbiler was rector of the University of Detroit, succeeded at that time by the Very Rev. Laurence V. Britt, S. J.

Prior to his Detroit appointment in 1956 Fr. Lochbiler had been a teacher at St. Xavier High School, Cincinnati, and at the Milford Novitiate, Milford, Ohio; rector of St. Stanislaus Novitiate, Cleveland, and spiritual director, St. Stanislaus Retreat House.

From 1936 to 1940 Fr. Lochbiler was chairman of the University of Detroit English department and from 1940 to 1943 its librarian.

He entered the Society of Jesus in 1918 upon his graduation from U. of D. and was ordained in 1929 at St. Louis, Mo. While at U. of D. Fr. Lochbiler served as advisor to the student newspaper, The Varsity News, and participated in several radio programs.

Bobbins From Bob

Either Independence Township is growing or cavities are! We have now added to our very fine medical corp in Clarkston, another dentist, Gary Ushman, bringing the total of dentists, alone, to four.

May I say that I enjoyed a recent conversation with Dr. Ushman and found him to be a very warm and friendly person. Therefore, I was not surprised to find that he is already "yanking" and "drilling" on many people from this area.

I am sure that Clarkston joins with me in welcoming Dr. Ushman to our fine community.

During the Thursday night meeting of the Independence Township Planning Commission three subdivision plats were accepted for the erection of homes. Two requests for rezoning were brought before the board, both were tabled. One of the requests was to rezone land from agricultural to the proper zoning for a trailer park.

Discussion was held on four planning consultant firms, one of which will be chosen to draw up a master plan for the township.

Last Saturday proved to be quite an enjoyable day for yours truly as the guest of the Detroit-Edison Company at the Tiger baseball game. A fine luncheon was served at the Detroit Press Club to editors of the Detroit and suburb papers, prior to the game.

Appropriately named "Editors Day Off", this has become an annual affair sponsored by Detroit-Edison. By the way, the Tigers won!

New Elementary Principal Picked

John Reabe

John Reabe named principal of the new Bailey Lake Elementary School. Mr. Reabe a teacher in the Clarkston School System for 9 years has served successfully the past 4 years as principal of the Sashabaw School. He will begin his duties at the Bailey Lake School on August 15th of this year.

Area Residents to Attend Meeting

The Frank Woods family of Patmore Street are making final arrangements to leave in two weeks to attend a four-day meeting of Jehovah's Witnesses at Detroit, Michigan, July 23-26.

Mr. Joseph La Barge presiding minister of the Pontiac North Congregation, said the Woods family and 110 other area residents are going to Detroit to meet hundreds of friends from other Michigan congregations and to attend refresher classes of ministry instruction. Upwards of 15,000 Witnesses are coming to the convention from the Detroit area and other locations in the United States and Canada.

C.A.P. Cadets Attend Camp

Six cadets from the Clarkston Civil Air Patrol, left Sunday morning to attend summer encampment, to be held at Shaw Air Force Base, South Carolina and Custer Air Station, Battle Creek, Michigan for a ten day period. Cadets were flown to encampment in U. S. Air Force Aircraft.

1/Lt. Charles Klann, Commander of the Clarkston Squadron has been selected to act as Training Officer at Shaw Air Force Base.

CA/IC Robert Grace, C/AB David Hawkins are attending encampment at Shaw Air Force Base. CA/C Kathy Eudis, C/AB Kathy Marshall, and C/AB Cathy Withrup are attending Custer Air Station. They are living on the Air Bases in Air Force barracks and eating in the Air Force Chow halls.

These cadets, along with several hundred other cadets will go through the strict Air Force Basic training, including drilling, physical training, Jet aircraft, Link Trainer and other training similar to Air Force Academy Training. Some cadets will have rides in Jet Aircraft. All cadets will receive Officer type training. They will wind up their encampment with graduation exercises.

Goodwill Pickup

The next visit of Goodwill Industries pickup trucks to Clarkston is scheduled for Monday and Tuesday, July 20 and 21. Goodwill trucks collect household discards of clothing, shoes, hats, toys, most types of furniture and other household discards.

To arrange for a Goodwill Industries truck pickup, call the local Goodwill representative Mrs. Alfred Lee telephone number MAPLE 5-3381.

Jervis Named to Staff

Lynn Jervis

Lynn L. Jervis named principal of Sashabaw Elementary School by Clarkston Community School Board of Education for the 1964-65 school year. Mr. Jervis a teacher in the local school system for the past eight years has taught both in the Sashabaw School and in the Junior High. A native of North Carolina, Mr. Jervis graduated from Marshall High School, Marshall, N. C. and Asheville Biltmore College in Asheville, N. C. Following a two year tour of duty with the army, he returned to college and completed the requirements for the B. S. and the M. A. degrees in Education and Administration at Western Carolina College, Cullowhee, N. C.

Mr. Jervis is a past officer of the Clarkston Community Employee's Credit Union, a member of the local Junior Chamber of Commerce, the Michigan Education Association, the National Education Association and the Clarkston Education Association.

Lynn, his wife Mary Lee and their daughter Judy Lynn reside at 6271 Church St. in Clarkston.

Methodist Church To Have Fund Raising Dinner

Mrs. Floyd Nelsey, one of the Good Cooks of Clarkston, is in charge of the dinner to be served to the public at the Education Building of First Methodist Church (Buffalo at Church) this Friday evening, 5:30 to 7:00 P.M.

A choice of spaghetti or ham and potato salad is offered. No frills-

just a good dinner at a reasonable price, with half orders available for the children. Just come as you are. All are welcome.

Also, take-out orders will be written up on Thursday and Friday mornings for those who wish to take their food home. Call the Church Office, MA 5-1161, before noon.

This fund-raising project is to assist in sending members of the Boys' Choir to the Choir Workshop Camp at Port Huron, in August. Director of the Choir, Mrs. William Mansfield, is hoping to be able to send several of her young singers to this fine workshop for the training offered there.

Students to Attend Music Camp

Approximately 160 high school musicians are attending the 13th Annual Summer Music Camp at Western Michigan University.

The camp, which is open to high school students throughout Southwestern Michigan, continues through July 18. During their stay on the WMU campus, the high school musicians will have classes in Choir, Orchestra, Band, Music Literature, Theory, Conducting and Applied Music, in addition to a jam-packed series of social activities, university concerts and the Annual Camp Concert at 2:30 p.m. on July 18 in the University Student Center.

Serving as music camp chairman this year is Leonard Meretta, professor of music and university band director.

Carol Claader, 6448 Snow Apple and Linda Heath, 6654 Pear St., Clarkston, are among the students participating in the summer music camp at WMU.

Local Teacher Attending MSU

David Skillman of 6050 S. Main, is one of the fifty high school teachers from fifteen states enrolled in the tenth Summer Mathematics Institute underway at Michigan State University.

The session which runs from June 22 to August 28, is designed for secondary mathematics teachers interested in increasing their understanding and proficiency in mathematics.

The institute also stresses the principles of modern mathematics in order to illustrate their use in the classroom.

The National Science Foundation is sponsoring the institute.

Teachers in the institute may earn a maximum of 16 credits to be applied toward the master of arts degree in mathematics.

Ruesing-Lippincott Vows Spoken

Wed Saturday in Mission Covenant Church, Negaunee were Miss Carol Jean Ruesing, daughter of Mr. and Mrs. Charles E. Ruesing, and Dallas Leonard Lippincott, son of Mr. and Mrs. Charles H. Lippincott, Grand Blanc.

The ceremony was performed by the Reverend A. Vernoy Peterson.

The bride's gown, designed and made by her maid of honor, had a lace panel down the front accented by three bows near the hemline, and the bodice was fastened in the back by tiny covered buttons.

A matching forward pillow held by the bride's veil, and she carried a white Bible topped by cymbidium orchids. Her necklace of pearls was a gift from the bridegroom.

Miss Alice Lindstrom was the honor attendant, assisted by Mrs. Arthur Gamelin, Glenna Lippincott and Denise Ruesing, nieces of the couple, served as flower girls.

The bridal attendants wore gowns of pale blue eyelet over taffeta with blusher veils or circlet headpieces. They carried Colonial bouquets of pink and white flowers.

Charles W. Lippincott was his brother's best man, Robert Kilpatrick was groomsmen, and also served as usher, with Charles E. Ruesing Jr.

A reception was held in the church parlors, and the couple then left for a wedding trip through the Upper Peninsula. They will reside at 7159 Snowflake Dr., Clarkston.

The new Mrs. Lippincott attended Negaunee High School, and received a B.S. degree from Northern Michigan College. She is a teacher of Physical education.

Mr. Lippincott attended the Leelanaw schools also attended Rolar College in Florida. He is employed by Kieft Engineering.

Wives to Go Fishing

Monday evening the Clarkston Rotary Club and their wives will be the guest of the old fisherman August Bessinger at Fisherman's Paradise.

Local Rotarians and their guests have been going annually for the last five years to the local trout pond, but this year will be a first for the wives.

Two well known local fishermen Bob Jones and Lou Lessard are chairmen for this years event. Rumor has it that wives will be required to bait their own hook and catch their own fish if they hope to eat.

Road Racer Out to Break Record

Glenn Lyall, Garden City sports car driver, will be shooting for the Waterford Hills track record when the road racing course holds its Mid-Summer Trophy Races this Saturday and Sunday.
Lyall, many years a popular driver on the midwest circuit, has a good chance to do it. In May, his new Ford-powered C-Modified Racer set a new class record of 1:23.2 for the 1 1/2 mile twisting course. He thinks he can better the 1:20.0 time set last year by Ralph Durbin of Dearborn, driving a Lotus XX.

The new car is definitely a hybrid. It was designed and built by three local engineers and has a 289 HP Fairlane Engine, basis of the HP racers. The four-speed gear box utilizes Chevy components, and the rear end is a modified Pontiac Tempest system. Space frame construction is utilized, with a commercial fiberglass body. Other features include four-wheel independent suspension, and four-wheel disc brakes.
Lyall will be competing in the 15-lap Modified feature on Sunday with other top drivers of modified sports cars. Among them: Ken Nielson (Lotus XX) from Clawson, a consistent winner this year; Frank Cipelle (Porche Formula Vee), Detroit; Art Wilhelm (GSM Delta Formula Libre), East Detroit; Ken Woodward (DKW), Lake Orion; Pete Dawson (Lola 1100), Royal Oak. Both Cipelle and Wilhelm have set new class records this year.

Seven events are slated for Saturday, starting at 2:30 p.m., and nine scheduled for Sunday, starting at noon.
"I shall not die, but live, and declare the works of the Lord" -- this verse from Psalms is part of the Golden Text that will introduce the Bible Lesson to be heard at Christian Science churches this Sunday. The subject is "Life" and begins a series on names which belong to God.
Readings will include the following lines from the Christian Science textbook: "Because Life is God, Life must be eternal, self-existent. Life is the everlasting I AM, the Being who was and is and shall be, whom nothing can erase" (Science and Health with Key to the Scriptures, by Mary Baker Eddy, pp. 289, 290).

Know Your Michigan Law

By Attorney General Frank J. Kelly
(This is a public service article explaining in general terms a provision of Michigan law. Individuals who wish to determine the effect of any law upon their private legal affairs should consult a private attorney.)

Water is one of our most valuable resources. In Michigan we have nearly one-third of all the fresh surface water area in the nation. However, we don't have enough to squander and our advantage in its abundance is worthy of careful preservation and enhancement.

Michigan law provides that it is unlawful to discharge into the waters of the State any substance which injures public health, the conduct of industrial enterprises or other lawful occupations; or, where by fish, migratory bird life or wild animal life may be destroyed or injuriously affected. In addition, any person requiring a new or substantial increased use of the waters of the State for sewage or waste disposal purposes must file a report with the Michigan Water Resources Commission setting forth the nature of the enterprise or development contemplated, the amount of water required to be used, its source, the proposed point of discharge of wastes into the waters of the State, the estimated amount to be discharged and a fair statement of the expected bacterial, physical, chemical and other known characteristics of the wastes. State law also prohibits the extension of municipal sewer systems and additional connections to existing systems where such is deemed necessary to control pollution and protect public health.

Michigan's consistently effective pollution control and abatement programs evidence the readiness of state enforcement agencies to initiate whatever action is required to correct violations of state law. To prevent pollution and to abate existing pollution of Michigan's water resources, the Attorney General, on behalf of the people of the State enforces in the courts the provisions of the pollution control statutes.

REMEMBER! LANE 70 Lot C

You'd never forget where you left a car that looks this good.

You simply can't lose a looker like the Catalina, especially in a crowd. It's too distinctively Pontiac. So's its ride (Wide-Track smooth) and the way it moves (Trophy V-8 quick). Only thing you can forget is your notion about how much all this Pontiac should cost. You will, when you price a Catalina.

Nature Week at Playgrounds

Nature week is underway on the playgrounds. Monday at Pine Knob a nature trip was taken and many objects were collected. Today these are being displayed and prizes awarded for the best displays.

Clarkston playground had a nature hike Wednesday with more events planned for today. Friday a picnic is scheduled to help convey nature even more to the participants.

"Fantasy" is to be the theme next week and many ideas are being planned from the world of dreams. At Clarkston the stories "Push" and "The Little Duck who loved

the Rain" all being read.

Attendance was high during nature week. There were 55 at Andersonville, 130 at Pine Knob, and Clarkston had 365 participants for the week. At the dance there were 320, 500 took swimming lessons, and 1000 in Little League. Total attendance was over 2400.

There is still room for any interested parties, and fantasy week is a good time to come. Also new swimming classes are being begun with room in the intermediate classes.

The Junior champ race winners at Andersonville last week are: 50 yds. Mike Hooper, George Bishop and Tom Bishop. 75 yds. Mike Hooper, Dennis Bishop, George Bishop, and Tim Bishop.

Should Your Boy Play Football?

(Continued from page one)

realizes academic work is important in itself and works for what he can learn, rather than just to stay eligible.

Many young fellows, as we have indicated, who do not participate (and some who do) quit school at this period of their lives. They go out only to wander aimlessly for several years before deciding that they must sometime settle down and get on with the business of earning a living and becoming good citizens of the United States. Many have the idea that by getting a job early, they will have the jump on

those who hang around that "prison" called the school. This, as the experts tell us, and can prove, is very wrong. A fellow, by the time he reaches his peak earning period with the high school education will be earning 30 percent more than the fellow who dropped out. It is estimated that the high school graduate, during his adult years, will receive \$50,000 more than the eighth grade graduate, and \$30,000 more than the high school drop-out. This is quite an item for a young fellow to consider. If we wish to think merely in monetary terms, football is a worthwhile activity. It will keep the boy in school so that he can earn that extra money.

Athletics have a great holding power for a boy. A factor that should be considered when deciding whether or not your boy should play football.

In Michigan...
after a swim, beer is a natural

On a hot summer day, a dip in a cool stream can be wonderfully refreshing. Equally refreshing when you're relaxing afterwards with friends is a hearty glass of beer. There's hardly another beverage around that suits what you do for fun as much as beer. Camping, hiking, or just lounging on a lawn chair—beer brings to each just the right touch of extra good living.

Your familiar glass of beer is also a pleasurable reminder that we live in a land of personal freedom—and that our right to enjoy beer and ale, if we so desire, is just one, but an important one, of those personal freedoms.

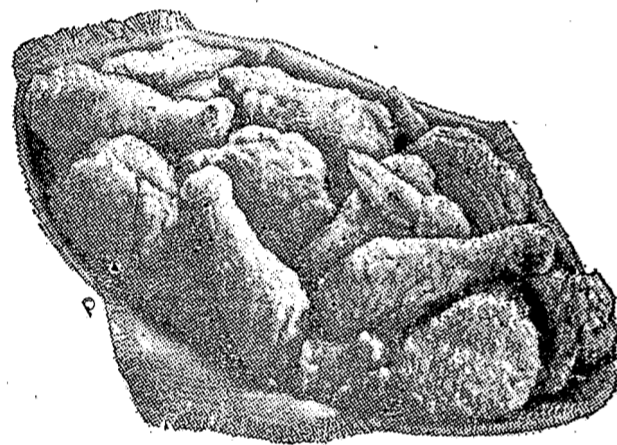

In Michigan... beer goes with fun, with relaxation
