Local Doctors Receive Certificate

Clarkston News Photo

Laura Biondi presents a Certificate of Appreciation to Ronald LePere, (center) and Alfred Hamilton, D. O., for free physical examinations to 135 Girl Scouts to allow them to attend the camp of their choice.

Drs. Hamilton and LePere, D.O. were recently presented a certificate of appreciation by the Northern Oakland County Council for their time and effort given in the interest

of Girl Scouting.

Acting for the Girl Scouts in Clarkston and on behalf of Mrs. H. E. Richmond, acting Neighborhood chairman, was Laura Biondi, 6156 Cramlane Dr. Jr. Girl Scout, Troop 89.

The Doctors freely gave of their valuable time and knowledge to

examine more than 135 girls on June 19, 1964, to enable the girls to attend Troop camping at Camp Sherwood and Day Camp at Pontiac Lake Recreation Area. They also received tiny Trefoil Lapel Pins which they immediately put on their suit coats and promised to wear with great pride.

Judges Announce New Policy

A new three-point policy aimed at reducing juvenile drivers' accidents and moving violations has been announced in Oakland County by Judges Norman R. Barnard and Donald E. Adams.

This policy, outlined in a pamphlet distributed by Automobile Club of Michigan, was made known July 24, as follows:

1. Racing with an automobile calls for suspension of driver's license.

2. Moving violations indicate bad driving which calls for suspension of license.

3. Firm treatment for those who drive after their licenses have been suspended.

"We are not starting a 'get tough' policy," said Judges Barnard and Adams, "but, those youths who do not respect the rights and privileges of other drivers can expect to lose their own driving privileges."

Copies of the pamphlet, titled "Statement of Policy on Juvenile Traffic Violators," will be distributed through the juvenile court and driver education courses.

Township Meetings

During the regular meeting of the Independence Township Board June 23 the main item on the agenda was the passing of an amendment to the township zoning ordinance to include section 16, signs.

The sign addition to the zoning ordinance defines the type signs permitted in residential, agricultural, recreational and commercial zones. James Gragg of the Sundale-Pelton Heights subdivision asked Supervisor Hursfall to investigate weed growth in that subdivision.

Upon the inquiry of Jerry LeBonte, it was explained that Independence Township has greened thus far to participate only in the study and engineering of the planned Clinton Oakland sewage Disposal System.

A discussion between board members, Jerry LaBonte and Robert Wilson on the operation of racing on the Oakland County Sportsmen's

Road Racing Track took up much of the Township Board's meeting July 7.

Also discussed and tabled was the matter of granting the Oakland County Sportsmen's Club or its corporations beer and wine licenses for July 18 and 19 and August 15 and 16 races and August 2 annual Picnic.

A hardback of the "Hartwick Village" plat was presented for approval. A letter from the Township Engineer Howard Kieft recommended certain changes be made in the plat before its approval. The plat was rejected.

In the absence of the Supervisor a special meeting, July 13 was presided over by Clerk Howard Altman. The purpose of the meeting was to consider the application of the Michigan Midget Racing Assn. for a special beer and wine license.

The license, to be used July 18 and 19, was approved.

The Township Budget for the fiscal year 1964-65 in the amount of \$160,868.80 was approved during the regular board meeting, July 21.

Discussed and passed during the meeting was the application of the Oakland County Sportsmen's Club for a special beer and wine license for August 2, 15 and 16.

Supervisor Hursfall brought to the attention of the board, the fact that the Independence Township Racing Ordinance sets racing hours on an approved track, at 12 noon till 8 p.m. These hours conflict with a consent judgement between G. LaBonte of the Pelton Heights Association and the Oakland County Sportsmen's Road Racing Corp. The judgement sets the racing hours from 10 a.m. to 6 p.m.

Assuming that the latter hours were what the subdivision wanted, Mr. Hursfall recommend the amending of the Racing Ordinance to include the 10 to 6 time rather than 12 to 8.

It was immediately admitted by Mr. LaBonte that the Pelton Heights Assn. agreed to the 10 to 6 hours in the judgement with the intention of still holding the O.C.S.R.C. to the 12 to 8 hours stated in the Independence Township Racing Ordinance.

Much discussion followed and the matter was tabled until the Board had an opportunity to discuss the question with the Oakland County Sportsmen's Club.

William Yoh, Township Constable reported that the Township should consider the Township Junk Yard Ordinance to include boats as well as inoperative automobiles.

Richard Thornburg asked the Board to assist in the attempt to acquire a blinker light at the corner of Sashabaw and Woodhull Roads.

Results of Survey

PURPOSE OF QUESTIONNAIRE:

In March of this year the Clarkston Area JayCeers were seeking ideas for community service. A committee of JayCee members was formed to initiate a community attitude survey which would provide them with project ideas.

The committee believed that a survey of this type might also be of value to the various township officials. The main purpose of this survey was to provide the JayCeers with project ideas. Community leaders have been given the information on the attitudes of people in the township in regard to certain areas.

It was impossible to cover all areas in this survey, but residents were given the opportunity to express themselves in any area they wanted to by writing on the back of the survey.

The JayCeers tried to get a certain number of responses from each section in the township. Some people were contacted by the JayCeers personally and many were contacted at P.T.A. meetings. Questionnaire letters were sent to people in certain sections of the townships where they had received the least number of responses.

The JayCeers express their thanks to Duane Hursfall Township Supervisor, Howard Altman Township Clerk, Dr. L. F. Greene Superintendent of Clarkston Community Schools, Don Beach Township Fire Chief, and Bob Phillips Police Chief, for their excellent cooperation in this project.

RESULTS OF SURVEY:
Part I - Part II
The results of Part I and Part II are presented in percentages. For example: in part I the respondents rated the township dump as follows: 26% rated it good, 40% rated it average, 8% rated it poor and 26% of the respondents didn't feel that they knew enough about the dump to rate it.

In Part II for example 62% of the respondents agreed that they would like to see a swimming pool in Clarkston High School, 33% of the people didn't feel it was necessary to have a swimming pool in the high school.

Part III
This area called for the people to

rate in order of importance all of the items in Part II. They were ranked by the respondents in the following order.

1. A social activities center for teen agers.
2. Dog regulations enforcement.
3. Adult education program.
4. Township Police Department.
5. Garbage collection as a township service.
6. Swimming pool in Clarkston High School.
7. More park and picnic areas.
8. A large community activities building.
9. Area ice skating rinks.

COMMENTS ON WHY I LIKE MY COMMUNITY:

There were many reasons given in this area and they are all listed in the major report, however it would be impossible to list them all in this report. The following items were the ones most frequently mentioned and appear in order of total responses.

1. Schools.
2. Friendliness of people.
3. Clean community.
4. Physical attraction, lakes, recreation areas.
5. Churches.
6. Peacefulness.

SOME THINGS IN OUR COMMUNITY WHICH I WOULD LIKE TO SEE IMPROVED

There were many comments made in this area, however they were divided into 15 major divisions and are listed as follows with most frequent comments as stated by the respondents following the major division.

1. Roads and Sidewalks There should be a sidewalk on Waldon Road leading into Clarkston Gardens Subdivision.

(continued on back page)

Students Intrigued With Switzerland

Switzerland . . . pronounce it softly and feel the ecstasy and intrigue as it ripples from your lips. Switzerland . . . and though you want to believe, you know it can't be true you're really here . . . yes here . . . here where the big cow bells sing a saucy hello as you gaze your eyes upward on nature's proudest creation . . . the mountains. They bear the naive quality of a child yet the royalty of mighty kings . . . you feel a little insecure as you glance at their towering heights. Yes here, where little wooden houses decorated like gingerbread cookies stand bright and perky, yet ever so strong as they withstand the rugged Swiss winters.

Switzerland . . . say it again, and perhaps this time the brilliant smiling eyes and red apple cheeks of her people will swiftly cross your mind. For not one of us could forget their gracious welcome as we made one of their little toy villages our faraway home. The people . . . how we've learned from them . . . their even steady patience as we struggled with their native tongue. Oh, how proud we were when we conquered a new phrase! The Swiss have made their land what it is - a paradise, in which to live, breathe, love, and grow . . . Switzerland . . . a synonym for a way of life, a life filled with joy and happiness.

Area Men Receive Degrees From GM

Dr. Edward Teller, nuclear physicist and Professor-at-large at the University of California will make the commencement address at General Motors Institute's graduation exercises Friday evening, July 31, at the IMA Auditorium, it was announced by Dr. Harold P. Rodes, Institute president.

A total of 380 Bachelor's degrees in Mechanical, Industrial and Electrical Engineering will be granted. Thirty-five General Motors Overseas Scholarship students will receive certificates for having completed a special two-year cooperative program, and approximately 182 graduates of the Class of '54 will receive 10-year graduate keys in recognition of high performance on the job that has warranted recommendations by their divisions for the honor.

Men of this area receiving a Mechanical Engineering degree are: John R. Nasti, 5987 Kingfisher Lane and Victor E. Quigley, 1940 Lakeville Rd., Oxford. Receiving Graduate Key Awards are: Donald G. Hamaker, 5525 Kingfisher, Robert F. Schons, 6695 E. Eastlawn and Bernard T. Marshall of Drayton Plains.

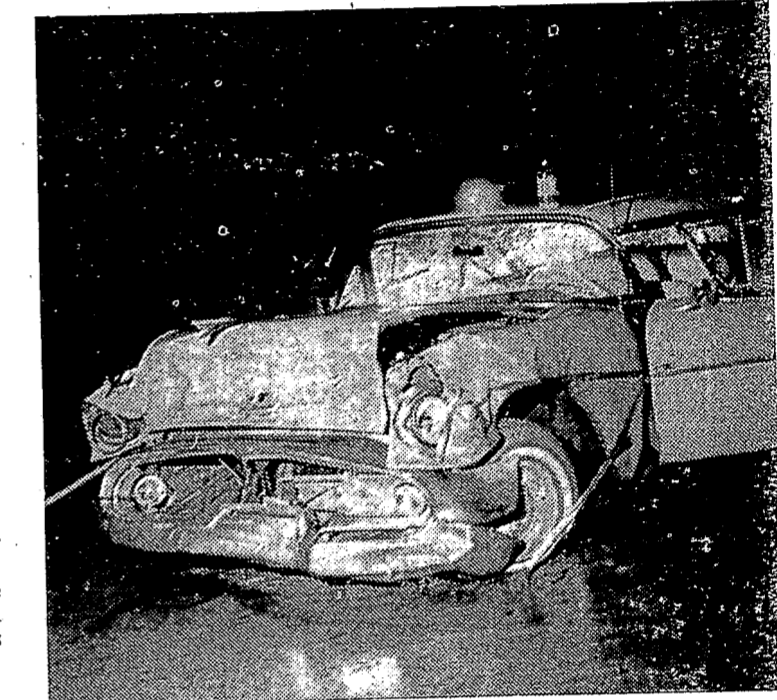

O.C.S.C. Plans Annual Picnic

Independence Township residents are being extended a special invitation to attend the Oakland County Sportsmen's Club Annual Picnic August 2 at 10 a.m.

A gala affair planned mostly for the kids, the picnic will feature many games for children and adults alike.

To be held at the club on Waterford Road, 1/2 mile off Dixie Highway, plenty of food and drinks will be available or you may bring your own lunch.

Many lovely prizes will be awarded during a drawing later in the afternoon.

Clarkston News Photo

A severe thunderstorm with driving rain was believed to be the major factor in this accident on I-75 north of Clarkston Monday evening July 20.

Kenneth Campbell, 27, of Waterford, the driver of the car in top picture had pulled off the highway to give assistance to a friend, William Warner, 27, of Lavonia who had been in a slight accident moments before at the same location.

Bertram Wallen, 47, of Orchard Lake (picture below) rammed into the rear of the Campbell car and all three men were hospitalized.

Air Force Recruiting Office Announces New Hours

The Air Force Recruiting Office, located at 53 1/2 W. Huron Street, Pontiac, Michigan, will have new office hours according to Technical Sergeant Warren J. Smith, Recruiter-Salesman for this area.

New office hours are: Monday, Wednesday and Friday - 8:00 A.M. to 9:00 P.M. Tuesday, Thursday and Saturday - 8:00 A.M. to 5:00 P.M. Sunday - 8:00 A.M. to 12:00 Noon.

Each Monday at the Pontiac Office, the Air Force Aptitude Test is administered, with no obligation on the part of the interested persons, Sergeant Smith said.

Air Force is now seeking high school graduates to attend technical schools and participate in Air Force sponsored college programs.

Interested persons may contact the local Air Force Recruiting Office in Pontiac or phone FE 2-9116.

Should Your Boy Play Football?

(Editors Note: This is the fourth in a series by Bill Hanson, Line Coach at Clarkston High School.)

Athletics - a means to an end. We realize that athletics are not an end in themselves. You cannot choose to make playing end for the Detroit Lions as a life's work. We can, however, use athletics to help us reach some desired end.

We cannot buy food for a family with letters or trophies won in athletics, but we can very well use athletics to get us into a position where we can provide the resources to purchase the necessities of life.

In a previous article of this series, we stated that many young men would not receive their high school education were it not for football or some other athletic event. This same statement can be made about a college education. Many young men graduate from the nation's colleges and universities each year who were able to start in college because of athletic ability. Many of these would not have had an opportunity to even begin in a college if they had not some athletic background. Many of course, fall by the wayside so far as college athletics are concerned. However, by the time they do, they have come to realize the opportunities that a college education will provide. Consequently they will struggle on to complete the work leading to a position in their chosen field.

In an age when the price of higher education is great and ever increasing in cost, this initial opportunity can be very important.

Generally up to the time a young fellow is ready to begin his college work, his earning power has been rather limited. He has been able to provide himself with spending money probably, but has had little chance to stock pile funds. The financial burden must therefore fall upon the family. If he can, through athletics, help ease this burden, he can go through school where otherwise it might have been impossible.

A few young men have an opportunity to play professionally in some of the athletic events. Even this is not an end in itself. The ability to play professionally lasts only a few years compared to the life expectancy of the individual. The financial reward plus the contacts made during his playing days can and should provide opportunities for a life's work once the legs have gone.

While participating in athletics, personal characteristics of the individual are developed that stand out in good light with the outside world. Characteristics such as the ability to get along with other people, alertness, willingness to work, are only a few of many we might mention. Such personal characteristics certainly help the individual get and hold gainful employment.

An activity that will provide for the development of desirable personal traits and possibly provide opportunities that might not be accessible otherwise, is certainly an activity that should be considered when you are deciding whether or not your boy should play football.

U.F. Plans In Process

Clarkston News Photo

Mrs. Merrill D. Petrie of Pontiac, (left) Women's Division Chairman, passes United Fund campaign posters to Mrs. James Hart (right), business chairman

At a District Orientation Meeting scheduled for August 13 at the Independence Township Hall starting at 10:00 A.M., women who have volunteered to help in the United Fund's 1964 Campaign will assemble to learn of plans, activities and new procedures.

Mrs. James Cowen of 6170 Overlook Clarkston will serve the area as Chairman for Independence Township. Assisting her will be Mrs. Harry Horsch of Eastlawn and Mrs. Richard Johnston of Northview Dr. as Co-Chairman of Area I. Mrs. Philip Stomberg of Clarkston Rd. and Mrs. Glenn C. Bernor of Pine Knob will be acting as Chairmen of Areas II and III respectively. Acting as Business Chairman will be Mrs. James Hart of Hummingbird Lane. As part of the Pontiac Area United Fund, these women will be working under the direction of Mrs. Merrill D. Petrie of Cherokee Rd., Pontiac. Other appointments will be announced after the August 13 meeting.

Last year, women in the Independence Township area collected 137% of their quota, or a total of \$4,013.12. The quota for the 1964 campaign will be announced after Budget Committee Meetings in early August.

Are you driving this vacation? If it is a long trip - and expressway trips often are - stop at the rest areas and take a good walk, the Michigan Heart Association suggests. Stimulating the circulation of blood is good for you.

Easy-to-Make Hors d'Oeuvres

Highlight Your Party Table

You don't have to be a gourmet genius to serve party hors d'oeuvres that have that professional look and taste. Top Hi Ho cracker circles with your own cream cheese-and-bacon and snappy cheese spreads, and garnish with colorful rings of mushrooms, cucumbers, olives, radishes and pimiento for eye-appeal. Put them on your prettiest platter and you're all set for a party. Here's how:

Cream Cheese-and-Bacon Spread
1 pound cream cheese, room temperature
2 tablespoons lemon juice
1/2 teaspoon Tabasco sauce
1 teaspoon grated onion
12 strips bacon, cooked and finely crumbled

Blend ingredients together, refrigerate until needed. Before using, let soften, then spread on Hi Ho crackers.

Snappy Cheese Spread
1/2 pound creamed cottage cheese, sieved, 1 cup
1/2 pound sharp Cheddar cheese, grated, 2 cups
1/2 cup soft cream
1/2 teaspoon grated onion
1/2 teaspoon Tabasco sauce
1/2 teaspoon celery salt

Blend all ingredients together. Refrigerate until needed. Before using, let soften, then spread on Hi Ho crackers.

Garnishes
Stuffed olives, sliced
Pitted black olives, sliced
Fringed sliced cucumbers
Sliced radishes
Slivered pimiento
Parsley

GOVERNOR ROMNEY REPORTS

One of the happiest and most satisfying reports I have been able to issue in the 18 months I have been Governor is Michigan's financial statement as of the end of the fiscal year on June 30, 1964.

After closing the books on the year's activities, I was able to report this good news:

Michigan ended the fiscal year with an actual surplus of \$48.8 million.

This means that in two years' time, Michigan has gone from \$105 million in debt to almost \$50 million in the bank.

Two years ago, Michigan had a general fund deficit of \$85.6 million. This was well known.

But we also had a hidden, unpublicized obligation that had to be paid. This was about \$20 million that we owed to suppliers of liquor.

So, in addition to completely wiping out the well-known \$85.6 million deficit, Michigan also has paid up a continuing and unpublicized \$20 million obligation to liquor suppliers.

And in addition, we have built up an actual \$48.8 million cash surplus.

received. This delayed payment provided millions of dollars in cash for immediate needs.

So instead of a pay-in-30-days system, which is the usual system for paying for state purchases, the liquor suppliers were told they had to wait for 90 days or even 120 days for payment for liquor supplies already purchased by the state and distributed through our state warehouses and retail liquor outlets.

The liquor suppliers had no choice; the state just didn't pay its bills on time. This was an obligation of the state, just as much as paying for food for hospital patients, or gasoline for cars, or anything else the state buys. But the liquor suppliers were told to wait.

Well, today, these payments to liquor dealers have been brought up to the normal 30-day period.

So, in addition to completely wiping out the well-known \$85.6 million deficit, Michigan also has paid up a continuing and unpublicized \$20 million obligation to liquor suppliers.

And in addition, we have built up an actual \$48.8 million cash surplus.

That's what I call financial progress of the highest order.

In the meantime, of course, Michigan has not lagged in taking care of legitimate needs of people. Our budget for the current fiscal year provides needed increases for higher patient loads in hospitals, higher student loads, increases in cost of living, and in selected additional programs.

The primary reason our state treasury looks so healthy, of course, is the fact that Michigan's economy is booming. Our sales tax collections are higher than ever, and the yield of our other revenue sources is high.

More people are working than was the case a year ago, and when people work, they spend money and they pay taxes. Thus our healthy economy makes itself felt in how much money is on hand to run state government.

But that's not the whole story. With more people working, fewer people need welfare assistance. Thus a booming economy reduces our welfare costs at all levels of government, and this is the case this year.

But of special significance is the care with which state government is being operated.

This administration has conducted a continuous but undramatic program of spending reform. We have watched carefully how every penny is spent, and have searched diligently for new and better ways of doing things. During the fiscal year just closed, and estimated \$6 million was turned back to the general fund from various state agencies, largely due to our intensive efforts to provide public services more effectively and with the least cost possible. This is the kind of fiscal integrity that is welcome news to taxpayers.

WMU DEGREES GRANTED TO 770

A record number of Summer Session students at Western Michigan University were awarded diplomas in Commencement Ceremonies at 6:30 p.m. on Friday, July 24.

This group included 400 bachelor's degrees and 379 master's degrees. Featured speaker at the program was Dan Ryan, editor of the Kalamazoo Gazette. His talk was entitled "Do Something." Ryan, a member of the Gazette's staff for 18 years, succeeded the late Jack Walsh as editor five years ago.

Dr. James W. Miller, WMU president, presented a special citation to Ralph Willis, chief of custodians at the university since 1947 and a staff member for the past 25 years. Willis retired from the post last week.

Margaret E. Malsstrom of 6773 Transparent Drive received her M.A. degree and Donald W. Sharrard, of Ortonville, his B. S. Secondary Cert.

Northern Honeymoon Follows Vows

Devon Gables was the setting for a reception following the nuptials of Diane Harriet DeLongchamp and James Clarence Clabush, Saturday in Grace Lutheran Church, Pontiac. Parents of the couple are Mr. and Mrs. Paul DeLongchamp, Clarkston, and Mr. and Mrs. Clarence Clabush of Saginaw.

With her imported hand-embroidered floor length silk organza gown, the bride wore a hand-made lace trimmed Mantilla and carried white Phalaenopsis Orchids, white roses, stephanotis and ivy.

Miss Susie Wolff attended as maid of honor along with bridesmaids Miss Judie Clabush (sister of the groom) and Miss Kathy McPhail, Owendale.

They wore floor length embroidered organza over ice blue taffeta with matching head pieces and carried white Fuji mums and ivy.

On the esquire side, were best man Richard Ludike, Ann Arbor and ushers David DeLongchamp, Clarkston (brother of the bride) John Lynch, Livonia and Larry Mortimore, Saginaw.

Mr. Daniel Addis of Clarkston was Soloist.

The young couple left for a week honeymoon at Higgins Lake and will reside at Adrian, Michigan upon their return.

Mrs. James Clabush

Area Woman Receives Award

On the Michigan State University campus this week to receive "pioneer" extension awards were, left to right (standing): Mrs. Helen M. Backman, Highland; Mrs. Alfred H. Volz, Highland; Mrs. Howard Tinknell, Romeo; (seated): Mrs. Julia Chamberlain, Romeo, and Mrs. J. P. Hubbard, Clarkston. The presentations were made by the Michigan Home Economics Extension Council and the Cooperative Extension Service at MSU's 37th annual Homemakers' Conference, "College

Week for Women." The award certificates recognized these women for "long-time participation in home economics-family living programs." Each Woman has been a member of a home economics extension study group for 37 years or more. College Week, an educational program for homemakers, this year celebrates the 50th anniversary of the Cooperative Extension Service.

Legal Notices

RONALD A. WALTER, Attorney, 43 W. Washington Clarkston, Michigan

No. 85,037
STATE OF MICHIGAN — The Probate Court for the County of Oakland

At a session of said Court, held at the Court House, in the City of Pontiac, in said County on the 14th day of July A.D. 1964,

Present: Hon. DONALD E. ADAMS, Judge of Probate.

In the Matter of the Estate of Andrew L. Lampi, Deceased.

Theodore E. Lampi having filed in said court a petition praying that the administration of said estate be granted to the petitioner or to some other suitable person, and for determination of the legal heirs of said deceased.

It is Ordered, That the 8th day of September A.D. 1964 at nine o'clock in the forenoon, at the Court House in the City of Pontiac, Michigan, be and is hereby appointed as the time and place for hearing said petition;

It is further Ordered that notice be given to all interested parties as shown by the records in this cause by delivering a copy of this order to each of them personally, or by mailing such copy to each of them by registered or certified mail with return receipt demanded addressed to their respective last known addresses as shown by the files and records in this cause.

And it is further Ordered that public notice thereof be given by publication of a copy of this order once each week for three successive weeks previous to said day of hearing in the Clarkston News a newspaper printed and circulated in said county.

Donald E. Adams, Judge of Probate
RONALD A. WALTER, Attorney
43 W. Washington
Clarkston, Mich. J. 23.30. A. 6.

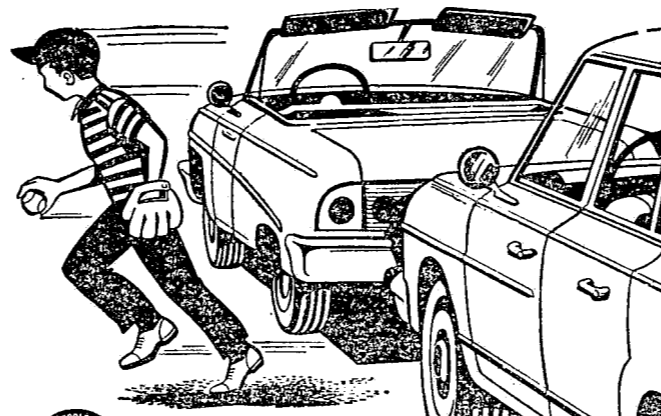

"The smoothest running families are those that believe in teen work."

"A dandelion is another thing which, if given an inch, will take a yard."

Suddenly...

AHEAD

Michigan motorists killed or injured 18,036 children in traffic in 1963!

This was 14.6 per cent more than the year before!

Of these, 220 were killed—12.2 per cent more than in 1962!

12 per cent of all persons killed in Michigan traffic last year were children!

14 per cent of all persons injured in Michigan traffic last year were children!

One-third of all pedestrians killed were children!

58.7 per cent of all pedestrians injured were children!

95 per cent of children were killed while playing—not going to or from school.

65 per cent of children were hit darting into the street, often from behind parked cars.

The majority of accidents to children occur on residential streets—a few blocks from home!

WHEN YOU DRIVE... WATCH OUT FOR KIDS!

Data prepared by Michigan State Police for the 19th annual WATCH OUT FOR KIDS safety campaign of Michigan oil companies.

FOR THE MAN WHO HAS EVERYTHING (well, almost)

Ever feel like getting away from it all and heading for the back country? It's the easiest thing in the world in a 'Jeep' Gladiator with a camper unit. Just pack up your gear for hunting, fishing, skiing, birdwatching, rock hunting or whatever your pleasure may be.

No need to worry about sleeping accommodations, either. They're right with you wherever you go to keep you snug, warm, dry and comfortable regardless of the weather.

And because it's attached to a 'Jeep' Gladiator, you can go wherever you like... places which might previously have been accessible only on foot or on horseback. The unit is removable, too. Whenever you require a workhorse of a pickup truck with a large bed and extra load carrying capacity, you have it.

Sound exciting? It is! It's available in either 2- or 4-wheel drive, in 7- or 8-foot length. Deluxe or standard. Why not see your 'Jeep' dealer today and have a look at the Gladiator with attached camper unit. Maybe you can become the man who has everything. (Well, almost)

Local News

by Sylvia Seaman
Phone: MAPLE 5-1895

Please call the News Office, MAPLE 5-1611, with your local news for next week only. Deadline is 5:00 P.M. Monday.

Mr. and Mrs. Jack Dougherty and family of Pear St. spent last weekend visiting her aunt Miss Alma Johnson of Tawas, Mich. The Dougherty's are entertaining their nephew Jim Dougherty of Columbus, Ohio for two weeks.

Mr. and Mrs. John Webber with their daughters Robin, Susan and Tricia of Pear St. spent last weekend at their cabin in Lewiston. Joining the Webber family on vacation was Kathleen O'Malley of Lake Orion.

Mr. and Mrs. Rexford Graham and children of Ascension St. returned home recently following a weeks vacation at Little Bay DeNoc in the U.P. Highlights of the vacation was a ride on the all steam railway out of Marquette and the boat cruise to Munising.

Mr. and Mrs. Leslie Purslow returned to their S. Main St. home last Friday winding up a two week vacation. First on the agenda was the World's Fair and a tour of New York City, then on to Birmingham where Mrs. Purslow enjoyed a visit with her former W.A.C. friend Miss Maria Gracin. They then went on to Philadelphia, Penna. and Washington D.C. where they paid homage to our late President Kennedy's Grave.

The David Lowe Family of Snow Apple Dr. attended their family reunion held at the Willows Park in Saginaw last Sunday. Some 52 members were on hand for the affair, the farthest guest coming in from Orange, Virginia. Their daughter Teresa visited with relatives in Clio all last week and while there, learned that prayers are answered. It all came about when Teresa lost her billfold containing all her allowance for her vacation. She waited hopefully for its return, then prayed it would be returned to her, and it was.

Mr. and Mrs. Clayton Davis of

Almond Ln. entertained her brother, Mr. Miles Arbuckle of Flint last week end.

Mr. and Mrs. Robert L. Jones of Robertson Ct. returned home last Saturday following a vacation in Niagara Falls and Sturbridge, Mass. While on vacation the couple celebrated their 29th wedding anniversary, July 22.

Mrs. Frank Lambert of N. Main St. is home following recent surgery at Women's Hospital in Ann Arbor.

The Matthew Husbchens of Shroongville, Ohio returned home last Monday after a two weeks vacation visiting Ister Mother, Mrs. Clinton W. Russell of N. Main St.

Mr. and Mrs. Walton Robbins and their son Scott of Waldon Rd., spent last weekend at the Jerry Wilford family cabin at South Haven, on Lake Michigan. Mary Robbins joined her parents there after taking a break from the summer session at the University of Wisconsin.

Mr. and Mrs. Ed Brisson of Orion Rd. will leave today for a 3 week vacation in Minnesota where they will visit relatives. On their return her parents Mr. and Mrs. Henry Bourque of Arizona will accompany them to make their home with their daughter and family for two years.

The Earl Hawke family of Hummings Lane with neighbors, Mr. and Mrs. Leslie Johnson and son Melvin and the Bernard Rheaults returned home recently after vac-

ationing at Muskoka Lake in Ontario, Canada.

At home following a weeks vacation at Higgins Lake is the Richard Campbell family of Hummingbird Lane.

Mr. and Mrs. Bill Sadler with their family of N. Holcomb St. have returned home after vacationing for a week at Long Lake in Cheboygan.

Mr. and Mrs. Clayton Davis of Almond Ln. are a little puzzled at the large 6' tall rock in their backyard. It weighs over 20 tons and has a lot of little stones resting inside the larger one. Any rock enthusiast would be welcome to come and view the rock and give their opinion.

Mrs. G. Duncan and son Michael of Peach Dr. were joined by Mrs. Richard McKibben and her son Richard Jr. for a weeks holiday at Bud Lake in Marriison, Mich. The families returned home last weekend.

Birthdays go to Terry Coulter, Suzanne Peters, Wanetta Peters, Kathy Rothbarth, and Steve Ronk, July 31; Carol LePere, Diane Fox, Janet Miller, Chloanne DeLorge and Bob Tilley, August 1; Billy Seymour, August 2; John Reichert and Gordie Howe, August 3; Char Frost, August 4; Sue Yoh, and Howard Kieft, August 5; and Teresa Lowe, August 6.

Gary Fuller and Patty Mulcrone have just returned from Interlochen Music Camp located near Traverse City. While there they saw Lucy

Johnson and Van Cliburn.

The Willard Turk family and the Stanley Rowe's, all of King Rd., attended a family reunion near Owosso Sunday.

Mr. and Mrs. Stanley Rowe and son Ricky will spend the next two weeks in the Upper Peninsula at Munising and Copper Harbor.

Mrs. Ronald Collins, 6125 Lakeview is leaving for Atlantic City this weekend to attend the convention of National Mothers of Twin Club. She is a delegate from this vicinity.

Births

Mr. and Mrs. Frank Glowzinski of Plum Dr. announce the birth of their 3rd son and fourth child, 7 lb. 6 oz. Patrick John, who arrived on his mother's birthday, July 21. Proud grandparents are the Frank Glowzinski's of Atlanta, Mich. and Mr. and Mrs. Floyd Zielinski of Waterford.

Attorney Files For Independence Twp. JP

Robert W. Carr, a resident of Independence Township has filed his Petitions indicating his intention to run for Independence Township Justice of the Peace. On the Republican ticket.

Mr. Carr has been a practicing attorney in the Pontiac area since 1960. From 1960 to 1961 he was an Assistant Prosecuting Attorney for Oakland County, which office he left to establish a private practice. Mr. Carr is presently engaged in the practice of law as a partner in the firm of Powell, Peres, Carr & Jacques, located at 3505 Elizabeth Lake Road.

Mr. Carr is a graduate of the University of Michigan, University of Pittsburgh and the Detroit College of Law, and is a member of the State Bar Association of Michigan, the Oakland County Bar Association and the National Association of Claimants Counsel of America. He is also a member of the Board of Directors of the Oakland County Chapter of the American Red Cross.

He resides with his wife and four children at 6505 Waterford Hill Terrace.

Robert W. Carr

Local Teacher at U of D

A \$58,300 National Science Foundation grant is enabling 70 high school science teachers to spend six weeks at the University of Detroit maintaining and improving their competence in biology, physics and chemistry.

Participating from Clarkston High School is Mr. Ralph Kenyon of 75 S. Holcomb St., Clarkston.

The grant is supporting a Summer Institute for Secondary School Teachers of Science under the direction of Dr. E. L. Henderson, professor and chairman of the chemistry department, through July 31, 1964.

The program carries six credits applicable to a graduate degree. In addition to tuition and fees, the Foundation grant also provides stipends (\$450 for non-residents, \$400 for residents), travel allowance up to \$80, and an allowance of \$90 per dependent up to four dependents.

The prime objectives of the Institute are to help these science teachers maintain and improve their competence in their chosen specialties.

The Institute is concerned with the content of science courses, new information and developments, rather than teaching methods.

Of particular importance are the many opportunities the Institute provides for the cultivation of a closer understanding between high school and college science faculties, solution to their mutual problems, and elevation of standards at both levels.

The Golden Years

Mr. and Mrs. Charles O'Lanning of 145 N. Holcomb, are celebrating their 50th wedding anniversary Sunday, August 2. An open house will be held from 2:00 to 5:00 p.m.

Alcoholism and You

Alcoholism is a growing disease problem confronted frequently by families, communities and physicians.

As with many other diseases it can be treated, but not really cured. The alcoholic can learn to completely control his disease, but the affliction cannot be stamped out so that he can return to alcohol without adverse consequences.

While the treatment primarily involves merely not taking a drink, the course of the treatment is often long, harrowing and beset by relapses. As with so many diseases, early detection usually brings about better results.

Among the signs of the disease are increased consumption of alcohol, often combined with constant thinking about drinking and making it an important part of life.

The alcoholic usually drinks more than he intends, or gets drunk when he doesn't intend to, for he uses alcohol as a drug rather than a beverage. Despite obvious excesses, however, he usually denies that he drinks too much or offers alibis for his drinking.

Other symptoms include getting drunk alone, taking an "eye-opener" in the morning, digestive disturbance and loss of appetite, and missing time from work or duties because of drinking.

Alcohol, aside from its addictive qualities, also has a psychological effect that modifies thinking and reasoning. One drink can change the thinking of an alcoholic so that he feels he can tolerate another, and then another, and another.

Most alcoholics cannot break the cycle alone, for it means giving up the thing in life he wants most.

Help for the alcoholic can come from many sources -- the physician, the clergy, governmental agencies such as the local health department and volunteer organizations like Alcoholics Anonymous.

In addition the family can help by listening to his problems and helping him to face them realistically; encouraging him to help himself, but without scolding or lecturing him. And, when he gives up drinking, keep up his morale, emphasize his good points, not his bad ones. After all he's sick, not wicked.

Goodwill Pickup

The next visit of Goodwill Industries pickup trucks to Clarkston is scheduled for Monday, August 3 and 4. Goodwill will collect household discards of clothing, shoes, hats, toys, most types of furniture and other household discards.

To arrange for a Goodwill Industries truck pickup, call the local Goodwill representative Mrs. Alfred Lee telephone number MAPLE 5-3381.

TIPS FROM THE TACKLE BOX

by B. F. GLADDING

There's No Such Thing
NO SUCH THING as a "magic" lure, that is. There are dandy lures for spinning and bait casting but the true "wonder" lure has yet to be invented. A good lure can do so much but no more. The rest is up to the fisherman -- you.

Take that old reliable, the wobbling spoon. No deadlier lure has ever been devised, yet the best of spoons becomes a poor lure when merely cranked in at a steady pace. To pull strikes, a spoon should spurt, fall off in a fluttering dive, dip, zoom and, in general, do what watching fish least expect it to do. The trick is to make it act like crazy, for that's when excited fish charge in and whang it. Try a routine something like this.

Start your retrieve slowly, then give the spoon a sudden spurt by quickly raising the rod. Then, just as suddenly, kill all action. The spoon will promptly go into a fluttering dive and this manifestation of vulnerability is likely to encourage any trailing or interested game fish to zoom in for the kill. If not, let the spoon sink well down, then put it through another quick spurt with a lift of the rod and several fast turns of the reel. Repeat the process (with variations) throughout the retrieve. See if you don't take more and bigger fish!

Surface plugs are made to order for "teasing." Pop your floating lure down in a likely spot, then let it lie motionless. About the time the lure has disappeared, a lunger bass may rise up and smash it. If this doesn't happen, twitch the rod just enough to make the plug rock over so gently. Bass are peculiar critters and will often attack viciously at the first twitch of the rod. If this doesn't work, pop the plug under with a sudden jerk that makes the water fly. Let it rest again, then quickly reel in a few turns. Make believe the plug is a mouse on a string and the quarry a tail-witching cat. It's the way to fool bass with surface lures.

Finally, for a special thrill, try this. Cast over a horizontal stub or branch, then reel until the plug rises above the water. Jiggle it while it dangles. When a big bass leaps high to grab it, you'll know one of the big moments in bait casting!

'Any fishing questions? Send them to me, in care of this newspaper.'

MISS CAROL CHANNING IS THE HOSTESS FOR N.Y. WORLD'S FAIR SUMMER FESTIVAL

Carol Channing, star of the season's biggest musical hit, "Hello, Dolly!", welcomes visitors who are flocking to New York during the summer of this World's Fair year. Miss Channing is New York's official World's Fair Summer Festival Hostess for 1964.

"Hello, Dolly!" is only one among scores of comedy, musical, and dramatic hits at Broadway and off-Broadway theaters throughout the Summer Festival season. And all this is in addition to the spectacular theatrical attractions at the World's Fair itself.

For a free, up-to-date set of folders on shows to see and places to go, many visitors will make an early stop at the organization that sponsors the Summer Festival season. It's the New York Convention & Visitors Bureau, at 90 East 42nd St. in Manhattan.

The 1964 season of Shakespeare-in-the-Park offers free performances of "Hamlet" and "Othello" at the outdoor Delacorte Theater in Central Park.

Music and dance events ranging from "The Merry Widow" to the Bayanhan Philippine Dance Company comprise the World's Fair Festival at New York's Lincoln Center.

Walking tours, sponsored by the Museum of the City of New York, offers Sunday excursions to such interesting sections as Wall Street and Greenwich Village.

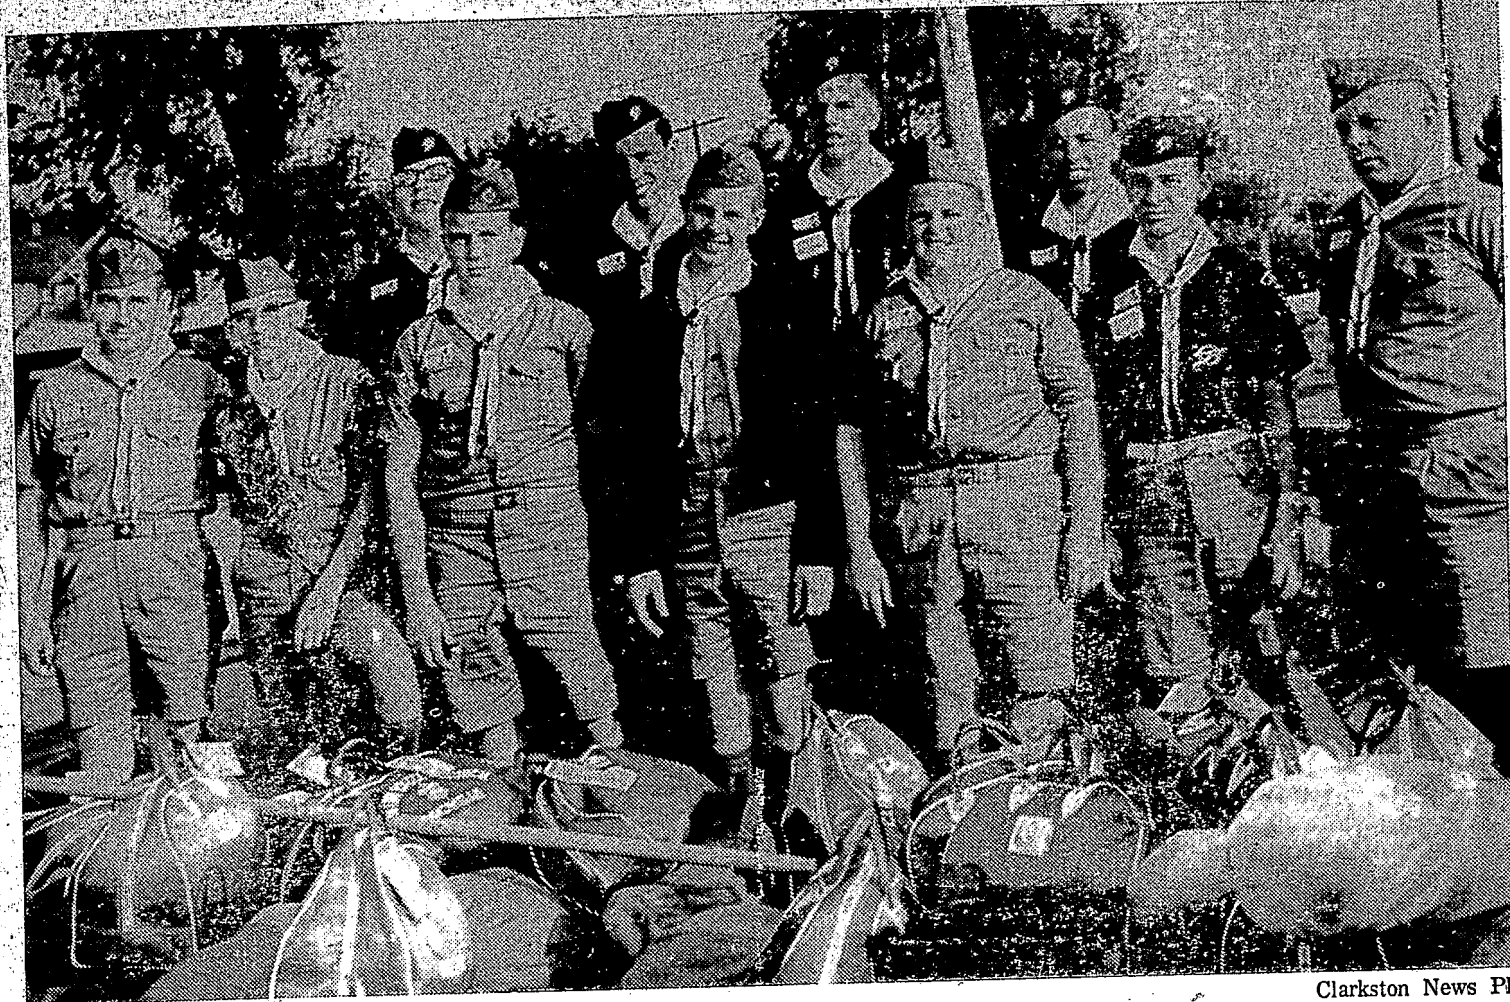

Most visitors, of course, plan to walk, taxi or ferry over to New York's "Fabulous Five" attractions: the Statue of Liberty, the Empire State Building, Times Square, Rockefeller Center, United Nations headquarters.

A boat trip around Manhattan Island is a cool and classic way to enjoy a sweeping view of the Summer Festival City.

If you want to get a line on past fairs, the Cooper Union Museum is showing the designs and decorations from World's Fairs of yesteryear.

But for most visitors, there's no Fair like the present one, and no city like New York, which manages to be both a World's Fair and a Summer Festival!

Nine Scouts, Two Leaders Attend Jamboree

Pausing momentarily before leaving for the Boy Scouts of America Sixth National Jamboree at Valley Forge, are nine Clarkston boys and their leaders. They are (front row from left) assistant leader

Royce Hyatt, Greg Chartier, John Auglar, Chris Rose, John Lynn, Chuck Beach, and Jack C. Frost scoutmaster; (Back row) Tom Woodward, Larry Duncan, Mark Richard, correspondent, and Jack W. Frost.

Jaycee Survey

(Continued from page one)

2. Traffic Control Traffic light needed at Maybee Road and Dixie Hwy. especially in the summer.
3. Street Lights and Street Name Signs Street light at Waldon Road and M-15.
4. Building and Zoning Building codes should be enforced.
5. Deer Lake Beach and swimming area should be improved. There should be a Life Guard at Deer Lake Beach.
6. Dog Regulations The most bitter comments, concerning dog owners who allow their dogs to run wild, were made in this area.
7. Community Water Township water system is needed.
8. Community Sewage Sewage disposal will soon be needed.
9. Garbage Collection This is needed as a township service.
10. Police Department. More police are needed. Better traffic control around schools. Be more firm with teenage law violators.
11. Fire Department There should be a fire station on Maybee Road, Sashabaw area.
12. Township in General Improved library facilities.
13. Education Adult education programs are needed. There should be improved traffic control at Junior High School at Clarkston Elementary.
14. Recreation A recreation program for teen agers is needed. A year round recreation program is needed.

CONCLUSION
This survey represents approximately 20% of the people in Independence Township. The results would be more meaningful if one would read the entire report. There is too much material in the original report to cover all aspects of it in the newspaper. We have tried to provide you with the most important and interesting phases.

The Clarkston Area Junior Chamber of Commerce would be most happy to furnish a copy of the entire report to any individual or service group in the township. If any organization would like to arrange one of these programs around this survey the Jaycees would be most happy to furnish a speaker and copies of the final report. Copies of this report and any information about this report may be secured by calling Mr. Terry Thomas at MA 5-1539.

LAST DAY

August 3rd (8 a.m. to 8 p.m.) will be the last day for registering to vote in the September 1st Primary Election. If there is any doubt, you may verify your registration by calling the Clerks office, 625-5111. If you voted in the 1962 November Election your registration is still valid as the law requires a person to vote within a two year period to maintain his registration.

If a person has not voted within the prescribed 2 year period BUT HAS REINSTATED his registration by written request to the Clerk, that persons registration IS VALID and eligible to vote in the September 1st primary.

Howard Altman
Independence Township Clerk

Sharpe-Goyette FUNERAL HOME

Don't Hesitate

A good way of gaining information about any subject is to ask questions. Very often, people have questions about funeral service procedure but hesitate to seek a funeral director's counsel. At Sharpe-Goyette's, all your questions are always welcome.

IN UNIFORM

Marine Lance Corporal Larry W. Bedford, son of Mrs. Mildred Vandewater of 5517 Rowley Dr., Waterford, recently participated in a sea assault exercise called "MAR-LEX" at Camp Pendleton, Calif.

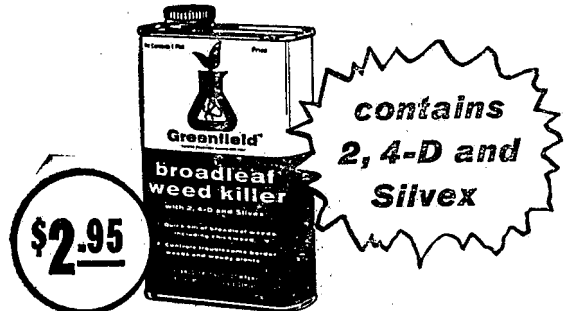

The operation, with Marines from Camp Pendleton and some 250 Midshipmen participating, served as a graduation from sea assault warfare school at San Diego, Calif. for the Midshipmen.
