New Football Squads To Take Football Field

The huddle is forming on the forty yard line. Hushed, excited whispers can be heard issuing from the quarterback. Left pitch on two, left pitch on two. Fiercely the hands clap together, and the mad furious Wolves edge-up for another bone-breaking scrimmage.

This is not a typical Friday night Varsity game, as you might expect, but a novel game. This one is played by girls, who really have something to fight about. The junior girls reverse the senior girls to prove "who is the fairest in the land". This laugh-a-minute game will

be the beginning of this year's Homecoming Ceremonies. Parents, bring your whole family for a fun-filled evening. The game will begin at 7:30 Wednesday October 14. So... right turn on Waldon, right turn on Waldon, READY — COME.

P.S. Dad's don't forget to come and watch your female "All-Stars."

Bloomfield Hills Defeats Wolves on Home Field

by Mel Vaara
Bloomfield Hills used ball control tactics in defeating Clarkston 18-7. Clarkston had the ball for only 10 plays in the middle two quarters, while Bloomfield Hills had the ball for 47 downs. Bloomfield Hills had the ball for a total of 80 plays while Clarkston had a total of 49 plays.

Coach Bill Turnaich of Bloomfield Hills a former football player at U. of M. remarked, "we certainly learned a lot playing against Ohio State on the matter of ball control."

Clarkston opened the scoring by driving 67 yards for an early touchdown. Armstrong and Jenks are up most of the yardage, on runs up the middle of the hills line. Palladino called a good series of plays on the 67 yard march. This was the only time Clarkston crossed the goal line, where as Bloomfield Hills was successful three times. Bill Barnes scored in the 2nd quarter, incidentally Barnes carried the ball for 43 times, earning himself 125 yards in the rushing department. Bloomfield Hills scored in the 3rd period on a pass play, and in the 4th period on a short plunge.

Clarkston was always in the ball game, but three factors were against the Wolves on this particular evening.

1. A disastrous fumble in the 3rd quarter at the midfield strip.
2. Inability to score in the 4th quarter when Ethey put together two nice drives, but fell short on the 15 yard line.

3. The inability to cope with the ball control tactics of Bloomfield Hills, which allowed Bloomfield Hills to run twice as many plays as Clarkston.

The rushing yardage was led by Randy Armstrong with 45 yards, Ricky Blinka had 44, Dan Jenks had 3 and Rich Palladino had 6 yards.

Barry Fortin had a good punting yardage, as the shoeless boy averaged over 43 a kick, and one kick traveled 58 yards.

The offensive line opened up fine holes for the runners, but the defensive team didn't play up to their capabilities. The week before against Northville, it was a complete reversal, now if the two units can get together for this Friday against the Milford Redskins, it could be a "howling" night for the wolves of Clarkston.

Cross Country Team Defeats Oxford

Clarkston's Cross Country team defeated Oxford 28 to 29, Tuesday. This evens coach McGrath's runners with a record of 2 and 2. The five top runners for Clarkston were Ron Swayne, 2nd place; Mike Turek, 3rd; Neil Stocker, 5th; John Simonds, 6th; and Skip Allen, 12th.

Antique Show and Sale

The Chapel Choir of Cross of Christ Lutheran Church will sponsor an Antique Show and Sale on Tuesday, October 13th; Wednesday, October 14th; Thursday, October 15th in the Church Fellowship Hall located on the corner of Telegraph and Lone Pine Rd. Bloomfield Hills. The hours of the show and sale will be 11:00 a.m. to 10:00 p.m. daily. Luncheon will be served daily from 11:00 a.m. to 2:00 p.m. There is ample parking in the church parking lot off Lone Pine Road.

Some of the dealers participating are: Continental Clutter, Detroit; Mrs. Maude Cook, Birmingham; The Old Colonial Shop; Oxford; Green Shutters, Clarkston; Y-Knot Shop, Holly; Mrs. Daisy Dowling and Mrs. Emogene Davis,

Bloomfield Hills; Fredrick's Jewelers Detroit; Troy Corners, Troy; Antiques by Annis, Southfield; Romeo Country Store, Romeo; Mrs. Marion Zell, Farmington; The Quaker Bonnet Shop, Troy.

Mrs. Doris Ballentine of Green Shutters will show a pine table with two drawers, fluted legs and iron hardware, a beautiful Lincoln rocker, matching walnut Victorian chairs, wash stands and other items.

David Fredericks, jewelers of Detroit, will display a wide selection of handsome antique pieces of jewelry of all types. The Fredericks suggest that anyone having questions about their old jewelry or having pieces of jewelry that need to be restored, to bring them along. They also make an exact copy of an earring that has lost its mate.

An unusual and interesting booth in the antique show will belong to the Romeo Country Store who will have various cheese, candies, etc. in an atmosphere of yesteryear.

Mrs. Mae Redman of The Old

Colonial Shop in Oxford will be showing among other items a tilt-top table over 150 years old and a beautiful bonnet commode.

Mrs. Braude Cook of Birmingham will bring an old, very unique walnut spoon cabinet and a large variety of clocks grandmother's clocks, school clocks and regular clocks.

Antiques by Annis in Southfield will feature a lovely Viennese clock, German stitens and tiffany lamps.

Mrs. Sue Pettipiece of Troy Corners is planning to bring a Pennsylvania country grandfather's clock, with the original hand stenciling which dates back to 1800, also a Pennsylvania country kitchen table of black walnut which is hand pegged and dates to 1820.

There will be various pieces of furniture at the show in cherry, pine, walnut, mahogany, etc.; glassware, copper, brass, fine pieces of iron and tin, pewter, antique jewelry and many more interesting items.

All items are for sale with the exception of props used by the Romeo Country Store.

Proceeds from the Antique Show and Sale will be used to purchase choir robes for the Chapel Choir of Cross of Christ Lutheran Church. Director of the choir is Mr. Ira J. Davis, Jr. of Pontiac and organist is Mrs. Briane Keen of Union Lake. The Reverend D. H. Pauling is Pastor of the church.

General chairman for the Antique Show and Sale is Mrs. Wm. Fahringer; of Bloomfield Hills; Refreshment chairman is Mrs. Norman Dehnke of Pontiac; Publicity chairman is Mrs. James Putnam of Pontiac and Ticket chairman is Mrs. Briane Keen of Union Lake.

Vows Exchanged

Mr and Mrs. Howard Taylor of Pine Knob Road, announce the marriage of their daughter, Sally Marie, to Robert J. Delisa, son of Mr. and Mrs. John Delisa of Schenectady New York.

The Reverend J. Kyle performed the ceremony Saturday, October 3, in the St. Paul Methodist Church of Rochester, Michigan.

After honeymooning in northern Michigan, the couple will make their home on West Maple in Birmingham.

Mary Helen Bates

Engagement Announced

A February 20 wedding is planned by Mary Helen Bates and Robert Vernon Terpstra.

Their parents are the John R. Bates of 5402 Frankwill Ave. Clarkston and Mr. and Mrs. Obel Terpstra of Grand Rapids, Mich.

Robert is a Michigan State University graduate.

In Uniform

Jay D. Campbell, machinery repairman third class, USN, son of Mr. and Mrs. Ralph J. Campbell of 8478 West Ellis Rd., Davisburg, is participating in a Naval training operation called "Exercise Union Square" off the coast of California while serving aboard the attack aircraft carrier USS Hancock.

The exercise is designed to increase the combat readiness of Pacific Fleet units in strike, anti-aircraft and anti-submarine warfare. Eighteen surface ships, two submarines and several air units are participating in the operation.

Training operations of this type are held periodically to increase the combat readiness of fleet units.

Clarkston Rotary Club News

The local Rotary Club is meeting at Howes Lanes for the month of October. Rotarians which have met at the Community Center for many years seem to be enjoying the change of atmosphere according to club president, Keith Hallman. Local Rotarians are busy planning for the annual visit of the District Governor which will be the 26th of October. Four new members are also being taken into the club this month. A question often asked Rotarians is, "What is Rotary International?" Rotary International is the association of Rotary clubs throughout the world. Its office serves as a clearing house for all Rotary clubs, aiding in the standardization of their practices and in the translation of the ideal of service into business and community life.

To Hold Choir Practice

By Margaret Keech, Job's Daughter's Reporter

The International Order of Job's Daughter's Bethel No. 25, of Clarkston, will hold a choir practice, Saturday, October 10th, at the Masonic Temple on Main Street. All girls are asked to please, be there by 10:00 A.M. as the meeting will last until noon. Refreshments will be served.

Also, a regular business meeting will take place, Monday night, October 12th at 7:00 P.M. with refreshments served.

Larrie Walter, Honored Queen, would like all the girls to be present at both choir practice and the meeting.

Invitation to Mothers of Twins

Area mothers of twins are invited to attend a meeting of the Twins' Mothers' Club of Oakland County, Thursday, October 8th (tonight) at 8:00 p.m. in the "300 Bowl."

The club will be celebrating their 5th anniversary with Mrs. Douglas Sutton as acting Mistress of Ceremonies.

A clinic will be conducted to discuss problems relating especially to twins.

We will also have an oral buy, sell or trade of twins furniture and clothing.

Hostesses will be Mrs. Frank Molina, chairman, Mrs. Howard Sherwood, Mrs. Richard Schwarz and Mrs. Kenneth Goit.

For information about the club please contact Mrs. Al Cesaro, EM 3-4643.

Merry Makers Start Season

Sets will square up in Lake Orion Saturday, October 10, for the first regular dance of the Merry Makers season.

Callers will be Chuck Futrell, Bill Toll, Bruce Allen, Lee Gustafson, Jim Fyie, and Gene Shaw.

Square dancing will begin at 9 o'clock and will be preceded by a round dance workshop from 8:30 to 9, with Dorance and Frances Galloway, instructors.

A refreshment intermission is set for 10:30.

The dance takes place in Blanche Sims Elementary school on Florence St. north from E. Flint St.

Guests are welcome.

Light-up for Safety

Don't blink your headlights at the Greyhound bus. The driver knows his lights are on, even in broad daylight; he's under orders to keep them on. This policy has reduced the company's daytime accident rate by 11 per cent in the United States, and by a remarkable 24 per cent in its Canadian division.

Backing up the Greyhound policy, new research, by two Indiana uni-

versity optometrists has confirmed that motor vehicles can become perilously camouflaged to the point that they sometimes blend in completely with their surroundings, even in bright daylight. A driver cannot safely assume his car is always visible to other drivers just because it's daytime.

The optometrists recommend that all vehicles in motion be required to display running-lights, during day as well as night.

They are Professor Merrill J. Allen and James R. Clark. Their report was published in the July issue of the American Journal of Optometry, scientific journal of the American Academy of Optometry.

Preferably, the researchers said, special running lights should be as high and as wide apart as possible on the front of the vehicle. They recommended two lights for daytime driving rather than one to avoid confusion with bicycles, motorcycles or flashlights.

Goodwill Pickup

The next visit of Goodwill Industries pickup trucks to Clarkston is scheduled for Monday, October 12. Goodwill trucks collect household discards of clothing, shoes, hats, toys, most types of furniture and other household discards.

To arrange for a Goodwill Industries truck pickup, call the local Goodwill representative Mrs. Alfred Lee telephone number MPAE 5-3381.

Couple to Honeymoon In Sunny Florida

Nadine Carlyle Riley became the bride of Larry Eugene Braniff Saturday evening in the Clarkston First Methodist Church. Reverend Jack Giguere performed the ceremony.

The bride is the daughter of Mr. and Mrs. L. D. Riley of Batalee Lake Rd. and Mr. and Mrs. Henry T. Braniff, the bridegrooms parents live in Prudenville, Michigan.

Miss Riley designed her floor length gown of white embroidered linen. Drop and seed pearls accented the bodice and skirt. Her silk illusion veil fell from a pearl tiara. She carried white rose buds surrounded by stephanotis attached to a white evening purse.

The maid of honor, Miss Betty Lou Degroat, wore a street length dress of peacock blue silk shantung and she carried yellow rose buds and white mums. Bridesmaids were Miss Annette Green and Miss Sharlene Miller.

Bouquets of bronze mums complemented their dresses of red silk shantung and gold silk shantung respectively.

Mr. Paul Beith was best man. Seating the guests were Mr. Robert Burns, Mr. Neil Haselhuhn and Mr. Roderick Boyle. Acting as ring bearer was Master Michael T. Braniff.

Highlighting the reception that was held at the Knights of Columbus Hall, was the five tier wedding cake baked and decorated by the bride. It was trimmed with pale yellow frosting and was adorned with dozens of roses ranging from dark orange to pale yellow. Blue butterflies added the finishing touches to the cake.

The newly wedded couple are honeymooning in Florida.

Pat Reynolds admits she was wrong!

(She was sure electric dryers were more expensive. Then we showed her these money-saving facts.)

- 1 Gas dryers cost a couple of pennies less per load to operate; we'd be the first to admit it. But with electric dryers you still come out ahead. Read on.
 - 2 Electric dryers cost less to buy. Model for model, prices run about \$20 to \$40 lower than gas dryers.
 - 3 And now, for a limited time, this lower price includes installation and wiring, if needed. For details, see your dealer.
 - 4 Electric dryers cost nothing for electrical repairs or labor. According to manufacturers' service policy premiums, the average dryer requires about \$200 worth of repairs over a 10-year period. But, of course, if your dryer is electric, Edison comes out, repairs it, and leaves without leaving you a bill! (It's the only no-charge dryer repair service offered by a utility company in this area.)
- Add up ALL the costs and you'll see what Pat Reynolds saw — electric dryers cost less to own.

Two Clarkston Students Honored

Two seniors at Clarkston High School have been honored for their high performance on the National Merit Scholarship Qualifying Test (NMQST) given last spring. Each student who is endorsed by his school receives a formal Letter of Commendation signed by his principal and the president of the National Merit Scholarship Corporation.

Mr. Milford Mason, the school's principal, has announced that the Commended students are: Karen A. Cooper and David L. Curl. John M. Stalaker, president of the National Merit Scholarship Corporation, said: "Letters of Commendation are being awarded to 38,000 students throughout the country in recognition of their outstanding performance on the qualifying test. We wish to call attention in this way to their high academic achievement. Although they did not reach the status of Semifinalists in the current Merit Program, they are very capable students. The Semifinalists and Commended students together constitute about 2 percent of all high school seniors. This certainly signifies noteworthy accomplishment by all these bright young people. We urge the Commended students to make every effort to attend college, and to develop to the fullest their promise of future achievement. By doing so they will benefit both themselves and the nation."

The National Merit Scholarship Corporation gives recognition to two groups of students who achieve high scores on the NMQST. The Semifinalist group is composed of the highest-scoring students in each state and in U.S. territories. Some 14,000 Semifinalists take a second examination to establish further their eligibility to become Finalists and to receive consideration for Merit Scholarships. To increase their opportunities to obtain financial assistance if they need it, the Merit Corporation sends the names, home addresses, test scores, and proposed college majors of all Commended students to the two colleges they indicated as their first and second choices at the time they took the qualifying test. The Commended students were among the high school juniors in approximately 17,000 schools who took the NMQST last March. The test is a three-hour examination that covers five separate areas of educational development. It was the first step in the tenth annual Merit Program. The annual Merit Scholarship competition is open to all high schools in the United States and its territories. There are about 5,000 Merit Scholars currently enrolled in more than 400 colleges and universities. Approximately 9,100 Merit Scholars have been appointed to date. This year's program will conclude about April 28, 1965, with the naming of Finalists who will receive four-year Merit Scholarships to the colleges of their choice. Scholarships awarded through the Merit Program are financed by the National Merit Scholarship Corporation itself and by more than 230 sponsoring business corporations, foundations, colleges, unions, trusts, professional associations, and individuals.

College News

Goucher College will open on September 27 with the arrival of an estimated 337 new undergraduates. An expected total enrollment of 997 students, including 30 graduate students, will represent an increase of 7 percent over last year and the largest enrollment on Goucher's Towson Campus. Among the new students registering at Goucher this fall is Miss Maria S. Barrett, daughter of Mr. and Mrs. Arnold L. Barrett of 10275 Sashabaw Road. Miss Barrett graduated from Kingswood School.

Hillsdale College, southern Michigan liberal arts institution founded 120 years ago, specializes in preparing young people for positions of leadership in their respective communities when they leave the college with their bachelor's degree. Students from this area now studying at Hillsdale for the 1964-'65 academic year are Chris Buerhig, son of Dr. and Mrs. R. C. Buerhig of 6100 Overlook Dr. and Peter Wilford, son of Mr. and Mrs. Jerome Wilford of 91 N. Main.

To increase their opportunities to obtain financial assistance if they need it, the Merit Corporation sends the names, home addresses, test scores, and proposed college majors of all Commended students to the two colleges they indicated as their first and second choices at the time they took the qualifying test. The Commended students were among the high school juniors in approximately 17,000 schools who took the NMQST last March. The test is a three-hour examination that covers five separate areas of educational development. It was the first step in the tenth annual Merit Program. The annual Merit Scholarship competition is open to all high schools in the United States and its territories. There are about 5,000 Merit Scholars currently enrolled in more than 400 colleges and universities. Approximately 9,100 Merit Scholars have been appointed to date. This year's program will conclude about April 28, 1965, with the naming of Finalists who will receive four-year Merit Scholarships to the colleges of their choice. Scholarships awarded through the Merit Program are financed by the National Merit Scholarship Corporation itself and by more than 230 sponsoring business corporations, foundations, colleges, unions, trusts, professional associations, and individuals.

October 4th thru 10th Is Fire Prevention Week

In a special Fire Prevention Week reminder that carelessness contributed to Michigan's record highs in fires and fire deaths in 1963, Det. Capt. Glenroy M. Walker, chief of the State Police fire marshal division at East Lansing, urged vigilant attention to fire safety practices throughout the year.

The week is being observed October 4 to 10.

Michigan's fire fatalities last year totaled 273, or 64 more than in 1962. The total of 88,845 fires was up by 10,451.

Almost a third of the fires, 23,943, resulted from acts of carelessness, most of them in the burning of rubbish, in smoking, and in the use of matches.

Walker cited the following fire safety guides for homeowners and others to follow:

School the family members in fire safety practices. Have an emergency fire evacuation plan for the family. This is especially

important at night when many dwelling fires break out. Keep matches and other fire-creating devices out of the reach of children.

Don't overload electrical circuits and keep electrical appliances in good repair.

Promptly and properly dispose of combustible waste materials.

Make regular inspections of home and building heating equipment.

Properly store paints, oils and other inflammable liquids.

Be especially careful in using tobacco in any lighted form and be sure cigarettes, other burning tobacco and matches are out when discarded.

Scout Calendars Now Available

Girl Scout calendars for 1965 are now available from all Scouts and leaders in the Northern Oakland County Girl Scout Council. Dates for the sale are from September 28 through November 21.

Calendars which sell for 35 cents are an excellent source of income for Girl Scout troops. Eleven cents profit from each calendar goes directly into the troop treasury.

Pictures on the new calendar give the viewers a colorful glimpse of the many areas encompassed by the Girl Scout program. The Girl Scout laws, outdoor program, and the international phase of Girl Scouting are all presented pictorially on the calendar which features large open date-spaces in which to write appointments.

Information about the Girl Scout Senior Roundup planned for next July at Lake Pend Oreille, Idaho, is featured on the back of the calendar.

Death Toll Rises

Michigan's traffic death toll at the year's three-quarter mark stands at 1,531, an increase of 215 or 16 per cent compared with 1,316 in the first nine months of 1963, according to State Police provisional figures.

The accumulated count is second only to that of 1937 when 1,601 were killed.

The toll includes 162 deaths in September which were one less than 163 in the same month a year ago. Delayed deaths, however, will increase this total and make the month another with an increase over the same month of the preceding year. September deaths averaged 151 for the last 10 years, 1954-63.

More complete figures for August show 190 killed and 13,235 injured in 23,483 accidents. These were increases of 14, or eight per cent in deaths, 1,951 or 17 per cent in injured, and 3,690 or 19 per cent in accidents compared with the same month last year.

Final figures for the first eight months included 1,369 killed and 88,816 injured in 175,210 accidents. These were respective increases of 19, 15 and nine per cent over the same period in 1963.

Estimated mileage for the first seven months, the latest information available, was 21.7 billions, a rise of seven per cent over this period last year, while the death rate of 5.2 per 100 million vehicle miles was an increase of eight per cent on the same comparison basis.

Year's most talked-about new cars

'65 Chevrolet Impala Sport Sedan

'65 Chevrolet Impala

It's '65's biggest, most beautiful change. There's striking new styling. New length, width and lowness. A roomier new Body by Fisher housing an interior that's a knockout. And a more serene Jet-smooth ride with a new Full Coil suspension system. Fact is, if you overlook just one thing you can easily convince yourself you're onto a big expensive car here. And that thing is its Chevrolet price.

New Corvair Corsa Sport Coupe

'65 Corvair Corsa

There's never been anything like it from either side of the Atlantic. There's new thin-line hardtop styling for all closed models. More length and width, more entrance and shoulder room in all models. And a higher powered range of engines—with up to 180 hp available in the top-of-the-line Corsas. How sporty can a car get? Your dealer's got the Corvair that'll show you.

Guidance Corner

By Terry Thomas

All 1966 graduates of Clarkston who wish to enter the 1965-66 National Merit Scholarship competition should register now at the school office. Mr. Terry Thomas Director of Guidance announced today.

The National Merit Scholarship Qualifying Test will be given in the school at 8:30 Saturday, March 13, 1965.

Students who will complete secondary school in 1966 and enter college in the same calendar year are eligible for scholarship consideration in the 1965-66 Merit Program. Merit Scholarships are four-year awards. The extent of a winner's financial need determines the amount of his stipend.

To receive consideration, the student must take the test when it is offered in his school. Participating students pay a \$1.25 fee. Any interested student who is unable to pay the fee should consult Mr. Thomas.

A student's performance on the qualifying test also provides him with information that is useful in career planning or in selecting courses in high school and college.

After the test, each participating student receives a Handbook for Merit Program Participants, prepared by Science Research Associates, the testing agency. The Handbook is designed to help students understand their individual test results, to make comparisons with scores of high school students across

the country, and to use this information in making educational and vocational plans. Thus, Mr. Thomas said, students can learn more about their educational

strengths and weaknesses, whether or not they plan to attend college.

In addition to the awards made by the National Merit Scholarship Corporation, about 230 business corporations, foundations, colleges, professional associations, unions, trusts, and individuals give scholarships through the Merit Program. A considerable number of other

scholarship agencies utilize the service of NMSC in awarding their scholarships.

NMSC was established in 1959 through grants from the Ford Foundation and the Carnegie Corporation of New York. An additional Ford Foundation grant to extend the Merit Program through 1970 was announced in 1962.

In the period 1956-64, about 9,100 students have received Merit Scholarship awards and thousands of other high-scoring students have been assisted in obtaining financial aid from other sources.

ing for the next dance December 19. The Alter Society of Our Lady of the Lakes is planning a Halloween masquerade dance to be held October 24 in the high school gym 9 to 12 p.m. Tickets will be available at the door or by calling Mrs. Bildstien 625-1477. Refreshments of cider and donuts will be served. Dr. and Mrs. James Johnston and sons of Traverse City spent the weekend with her sister and family Dr. and Mrs. Harold Ford. They were the Ford's guests at the

Chatham Dance Saturday night. Sunday a birthday dinner was held for 7 year old Laurie Ford.

Mr. and Mrs. Neil Braun hosted a Cocktail party before the Chatham Club Dance for neighbors and friends.

Mr. and Mrs. Donald Brown and family spent Sunday with the George Lange's of Rochester. The Langes are Mrs. Browns aunt and uncle. The occasion was a dinner to celebrate Mrs. Brown's birthday.
