Clarkston CAP to Host Lansing and Grand Ledge

Clarkston Composite Squadron, Civil Air Patrol, was host to groups from the Squadrons in Lansing and Grand Ledge during a three-day encampment September 17-19. Camp was set up by the Clarkston Squadron at their campgrounds on Crooked Lake early Friday evening. The visiting units were guided into the camp area by two-way radio operated by Chief Warrant Officer Robert Leach, Commandant of Cadets, who supervised all cadet activities on the encampment.

All visitors were registered by cadets under the supervision of Mrs. Kathleen Hawkins who is in charge of the administrative section of the Clarkston Squadron. Mrs. Hawkins supervised the mess facilities for the encampment and the cadets said "chow was great."

A briefing session, outlining the weekend's activities, was followed by refreshments and "lights out".

6:00 A.M. reveille was the start of a busy Saturday. After breakfast a map and compass mission was carried out. After lunch the cadets played "capture the flag" with the opposing teams returned to camp they found that a launching area had been set up and a solid fuel single-stage missile and a solid fuel two-stage missile had been readied for launching.

These missiles had been built and were launched by some cadets, while others were assigned to track the missiles and make movies of the launchings. The cadets collected and coordinated data to determine the speeds and altitudes attained by the missiles.

A "free time" after supper was enjoyed by the cadets, who sang around a campfire until "lights out".

Part of the group left camp Sunday morning to attend church services with their leaders in Clarkston. The rest attended services held in camp.

After lunch Captain Klann took the Clarkston cadets to Pontiac Airport to log flying time, returning Sherry Sparkman, Senior Princess, and Jody Strother, Junior Princess of Bethel No. 25, Order of the Jobs Daughters Clarkston.

The Worthy Matron's escort will be Sherry Sparkman, Garry and Linda Sparkman will escort their father to the East. The Associate Matron's grand-daughter Holly Young will be her escort. The Associate Patron's wife Mrs. R. J. Stanton, will escort her husband to the West.

The Worthy Matron elect will have an officers practice for the installation at the Clarkston Masonic Temple Sunday, October 11, at 2 P.M. please be on time.

to break camp late Sunday afternoon.

At the regular meeting of Clarkston Composite Squadron, Civil Air Patrol, held October 7th, Captain Charles Klann made the following appointments:

Cadet David Hawkins, Cadet Commander; Cadet Stewart Moore, Flight Commander; Cadet 3/c David Rowden, Flight Sergeant; Cadette 1/c Ruth McDermott, Flight Commander; and Cadet Joe Fredericks, Cadet Information Assistant.

T/Sgt. Kathy Eudis and S/Sgt. Robert Grace were named representatives to the Michigan Wing Advisory Council.

Lifetime Resident Dies

Services were held Sunday, October 11, for Elmer E. Conklin, 72, at the Sharpe-Goyette Funeral Home. A life time resident of Independence Township, Mr. Conklin died October 7.

Surviving besides his wife, Florence, are three daughters, Mrs. Laurel McDonald, Mrs. Arnold Nelson, Mrs. Lyman Emery, all of Clarkston; one son, Donald A. of Holly, also 12 grandchildren and 11 great grandchildren.

Obituaries

Paul L. McLaughlin, 4983 Dixie Highway, Drayton Plains, died October 9th at the age of 69.

He was the owner of a laundry and belonged to the Clinton Valley Barracks 2803, Veterans of World War I.

Services were held Monday, October 12, at the Sharpe-Goyette Funeral Home. An Honor Guard was present from the Clinton Valley Barracks No. 2803, Veterans of World War I. Burial followed at Perry, Mount Park Cemetery in Pontiac.

Mr. McLaughlin is survived by his wife, Hazel, two children, Mrs. Jack Echlin, of Clarkston and Dale, of Drayton Plains; one sister, Mrs. Glenna Duguid also of Drayton Plains, and two grandchildren.

Paul Hart, 74, 9640 Gale, White Lake Township, died October 9. He was a retired Supervisor at the James Vernon Co. for 24 years. Services were held Monday, October 12, at the Lewis E. Wint Funeral Home.

Mr. Hart is survived by his wife, Martha M.; one daughter Mrs. Ernest R. Bergman; two sons, Arthur P. and Ralph C., and four grandchildren.

Wolves Beat by Milford

By Mel Vaara

Milford rolls over Clarkston 43-0, in a cold, damp, snow filled evening. From the start of the game, one could see that Milford was intent on putting on a good offensive show for the home fans. Milford's Jim Ward tallied four touchdowns, he leads the county in scoring with 54 points. Mike Yeager (his dad is Athlete Director at Milford) scored one from 28 yards out, Kasper scored the final T.D.

Milford played an extremely fine game, their tackling was crisp and the blocking was ideal to clear the way for their speed ball runners. One Milford Coach remarked, "This was one of the finest exhibitions put on by a Milford football team".

John Wilberg played the whole game for Clarkston, the only player to do so, some players were injured, nothing serious, they were all expected to play this Friday, and some did not play up to their expectations, so there were many new faces in the line-up during

progress three weeks and will continue three more weeks.

Seated left to right are coaches Cliff Irwin, Gordon Grille, Don Cooper and Bill Morgan. Standing are Bill Poivin and Barry Wheeler.

Clarkston Jr. High School has started an intramural program which will contain 10 different activities for boys and girls through out the year. The first activity is touch football. There are 10 teams and 135 boys out for football. The complete schedule calls for 40 games. The league has been in

Kick-off Dinner Held at Pine Knob

At a combination Kickoff- Training meeting held at Pine Knob resort last Monday, Clarkston and Independence township women volunteers of the 1964 United Fund drive heard Mrs. James Cowen, chairman, officially start the 10-day women's campaign.

With an overall goal for the Independence township women's drive set at \$4,018.58, Mrs. Cowen explained that residential goal is \$3021.58; that of the business teams is \$967, and clubs and organizations, \$30.

General Campaign Chairman Bruce J. Annett was the featured speaker. Also on the program were Mrs. Merrill D. Petrie, Women's campaign committee chairman; Donald J. Frey, executive director of the Pontiac Area United Fund; Mrs. Robert C. Anderson, women's division speakers' bureau chairman, and Virginia Loveland, women's division director. Mrs. Paul Johns gave the invocation.

A skit entitled "Will The Meeting Please Come to Order", written and directed by Mrs. Anderson, introduced new solicitations methods. Participating were Mrs. Harold Babb, Mrs. Donald Redmond, Mrs. Edward Dalton, Mrs. Sydney Jones, and Mrs. Roscoe Goddard from Waterford township. Also taking parts were Mrs. William Belaney and Mrs. Robert Irwin of Pontiac.

The meeting closed with the showing of the movie, "The Living Flame", which featured several area residents.

Assisting Mrs. Cowen in the campaign and in attendance were Mrs. Richard Johnson and Mrs. Harry Horsch, co-chairmen of Area I; Mrs. Philip Stomberg, Area II; Mrs. Glenn C. Boner, Area III; and Mrs. James Hart, women's business chairman. They will be working with some 33 district chairmen and 125 solicitors, all of whom will be making reports on October 16, 21, 23 and 26. The drive officially ends October 23 and will culminate with a Victory luncheon on October 28 at the Elks Temple in Pontiac.

Banded together for a common cause, the Pontiac Area United Fund, women volunteers from Clarkston and Independence Township, Waterford village and township, Drayton Plains, Lake Angelus, Lake Orion and Orion township, Pontiac, Auburn Heights and Pontiac township are soliciting residences and small businesses in their respective areas in an attempt to reach a total goal of \$31,698.83 for the women's division campaign.

Percentage-wise, this amount figures out to be only 3.9% of the campaign's \$815,500 overall goal, but dollars-and-cents-wise, it's a lot of money, and a lot of less fortunate and needy persons will be receiving benefits through the 55 community service agencies the United Fund drive supports. Keeping this in mind, these women, some 1500 strong, plan to reach and possibly surpass this goal in

only a 10 day period.

Volunteers in the Independence township have a goal of \$4,018.58 to reach. Those in Lake Angelus will be trying for \$3914. Waterford township workers seek to raise \$10,473.93

and those in Lake Orion, who recently joined forces with other area women, are striving for \$2815.92. Pontiac city and township women volunteers will strive for \$10,476.40.

Sponsors of the kick-off dinner were the Clarkston, Jay's, Clarkston State Bank, Clarkston Rotary Club and Pine Knob Resort. Also assisting was Waterford Hill Greenhouse.

At the kick-off luncheon for Independence Township women volunteers of the Pontiac area United Fund, held last Monday at Pine Knob Resort, are Mrs. Norman Raedeke, Mrs. Robert Johnson, and Business Teams Chairman, Mrs. James Hart. They stand and admire

the special "red feather" cake which commemorated the occasion. Mrs. Hart later announced that the Business Teams had already collected 124% of its goal for a total thus far of \$1200.

Mrs. Philip Stomberg, area II chairman, center, looks at "heap big brave red feather", the award given volunteers at the close of the United Fund campaign. Looking on are Mrs. William Hagen and Mrs.

Ferrel Wagner. They were three of the 145 volunteer workers who attended the kickoff luncheon for the Independence Township women campaign of the Pontiac area of the United Fund held last Monday at Pine Knob.

FAIR HUGE SUCCESS

Mr. and Mrs. Richard Kroninger and Mr. and Mrs. Harry Fahner, Clarkston Elementary School fair co-chairmen, announce that the annual P-TA fair was an overwhelming success. They would like to use this medium to thank all the room mothers for their cooperation in this project.

All mothers who are holding outstanding bills are asked to please turn them in to the school office by Tuesday, October 20th.

CHURCH TO HOLD HARVEST SUPPER

The Davisburg Methodist Church will have a "Harvest Supper" to be held at the Church on Saturday night, October 24th.

A grand turkey dinner with all the trimmings including homemade pie will be served beginning at five o'clock.

A bazaar and bake sale sponsored by the ladies society, the W.S.C.S., will be held in conjunction with the Harvest Supper. The ladies have been making items for the bazaar all during the year.

"Bobbins" from Bob

Anyone doubting the fast growth of Independence Township would do well to attend a few Planning Commission or Independence Township Board meetings. Following are a few of the subdivisions of what have you, brought before these boards for approval within the last few months: "Deer Lake Heights", "Pine Knob Acres", "Allen Wood Estates", "Waterford Hill Manor No. 2", "Clarkston Hunt Club Estates", and "Clarkston Hills Estates".

It isn't any wonder the Planning Commission has found it necessary to have "Subdivision Submittal Procedures" drawn up.

The boards have received two somewhat recent requests to have property rezoned to Commercial-1. One request came from Mary Cocking Long and another from Rose and Paul Eghigan.

At present it looks as though the firm of Parkins-Rogers and Associates, Inc. of Detroit will be working with these Township Boards in

the field of planning consultants. The Planning Commission requested a master plan of the township from the firm.

This week being National Newspaper Week seems like an appropriate time to extend a cordial invitation to you, the subscribers to and advertisers in the Clarkston News to stop in and say hello. We would especially welcome your criticisms, compliments and/or suggestions for improving your hometown newspaper. What type articles would you like to see more of?

Bake Sale

The Clarkston Evening Extension Club will hold a bake sale Saturday, October 17 at Bob's Hardware in Clarkston.

It will begin at 9 A.M.

Communism Striking Hard at Youth

WANTED: YOUNG PEOPLE TO HELP BURY AMERICA. OPENINGS FOR PALLBEARERS OF TRUTH AND GRAVE DIGGERS OF DEMOCRACY. NO PRIOR EXPERIENCE NECESSARY.

If communism advertised its true aims in this manner, it would become a dusty, cobweb-covered doctrine untouched by young Americans steeped in a heritage of liberty and freedom. But the treachery of communism does not permit such a factual recruiting poster.

A record number of young people are now entering college classrooms to engage in one of man's most noble pursuits: the search for truth through the acquisition of knowledge. In America, this endeavor is as honored as the freedoms which make it possible. It is

an undeniable fact that under communism these freedoms do not exist. Communism stipulates the "truths" its scholars must embrace and spreads its venomous lies and distortions through any available medium.

This academic year will undoubtedly see intensive Communist Party efforts to erect its newest facade on the Nation's campuses to draw young blood for the vampire which is international communism. In its continuing drive to attract young Americans, the Communist Party, USA (CPUSA), spawned a new national Marxist youth organization in June, 1964 -- the W. E. B. DuBois Clubs of America.

Top Communist Party functionaries decided in October, 1963, that

additional measures should be taken to recruit young citizens. Now, one year later, by mandate of CPUSA General Secretary Gus Hall, the true face of communism has another mask to wear -- a new disguise calculated to dupe unwary youth.

As an example of communist deception in action, the DuBois Clubs chose as their official insignia a half white, half black circle encompassing a white hand and a black hand under a dove. Thus the symbols of unity, brotherhood, and peace wave as a banner for an ideology that countenances discord, hate, and violence.

This organization and its communist parent would have us believe that communism has only

one hand -- the extended, open hand. But a look over their shoulder sees the other hand clasp the Berlin wall and squeezing freedom's breath from enslaved millions. It is this duplicity that is difficult for young Americans to comprehend. If our young citizens turn an objective, analytical searchlight on this ideology and its organizational arms, they will understand communism for what it is -- a materialistic, goddess dogma dedicated to world domination.

By spreading its poison through young veins, gangrenous communism is attempting to render the future America a quadriplegic amputee -- a nation without freedom of speech, press, assembly, and religion. The youth of this Nation, armed with the scalpel of truth, can and must cut this disease from the body of America.

Governor Names October P-TA Membership Month

Governor George Romney has declared October as P-TA Membership Enrollment Month. The Michigan and the National Congress of Parents and Teachers invites civic minded adults to join in its program.

Local and council officials stress that in all P-TA's parents and teachers work cooperatively, seeking to determine what their community wants its schools to accomplish and to act upon the unsolved or most critical problems.

The Governor and the Michigan P-TA Congress urges citizens to join their local P-TA unit, whether or not they have children currently attending school. Congress officials say this important school-community organization is dependent on local leadership and member participation.

GOVERNOR ROMNEY REPORTS

Today, Michigan is on the move in the field of education. We have moved to correct past deficiencies, to meet current needs, and to build the foundation for a strong educational system for the entire state.

The return of fiscal integrity to state government has been essential to good state educational programs. Fiscal integrity became the primary and most important goal of state government in 1963. This goal was achieved. We now have a solid foundation upon which to build future progress in education.

In elementary and secondary education, here is the record:

1. State aid to local school districts has been increased in two years by about \$52 million. For years, the percentage of the total local school budget paid by state aid has been declining. This decline has been halted.
2. An orderly procedure to reduce the number of school districts and increase the local quality and efficiency has been established by the School District Reorganization Act of 1964.
3. Local programs for education of the mentally and physically handicapped have been expanded and strengthened by an increase of \$2-1/2 million in state matching funds for special education.
4. Improvements in the School Bond Loan Program have stimulated needed school construction.
5. New ways for school districts and community colleges to set up area vocational education programs, and other new state-local cooperative programs of vocational education and technical training will help the dropout problem.
6. We have extended to Michigan children attending non-public schools the health and safety protection of bus service in districts where it is extended to public students.
7. We have encouraged religious training through the "Release Time" Bill whereby public school students can receive their own religious education more easily.
8. The people, through the new Constitution, have provided a new State Board of Education, with the responsibility to plan, coordinate and budget all education from kindergarten through university.

We still need a broader and fairer school aid formula, and I am dedicated to that end so that state aid to local schools will be fuller, fairer and more equitable to all students across the state.

I pledge to continue working for the most outstanding program of education in the nation.

Know Your Michigan Law

By Attorney General Frank J. Kelly (This is a public service article explaining in general terms a provision of Michigan law. Individuals who wish to determine the effect of any law upon their private legal affairs should consult a private attorney.)

There is an old axiom in law that "he who acts as his own attorney has a fool for a client."

This is a truism in many instances when a person who desires to dispose of his property by will attempts to draft the instrument himself without seeking competent legal advice.

Actually the few dollars that an attorney charges for his services is the best investment that can be made by one desiring to make particular arrangements to dispose of his property.

The most likely possibility of a defect in a homemade will is that the legal formalities were not observed in its execution. The law requires strict compliance with the statutory prescribed formalities so as to minimize the possibility of fraudulent wills.

For example, numerous wills have been held invalid for lack of proper execution and witnessing. In such cases where the exact legal formalities were not observed, the person's property is distributed as if there was no will at all and goes to his surviving spouse, if any, and blood-heirs, or next of kin, if any, in certain portions as provided by law. Otherwise, it escheats to the state of Michigan.

Even though the formalities might be observed, legal training and experience would cause the avoidance of certain legal traps in wording and ambiguities often found in the

80 Million Phones at Your Fingertips

Ever operate a computer? Before you shake your head from side to side, glance toward the telephone. Each time you use this instrument, you, in effect, are operating what has been called the world's largest computer.

The local telephone central office building in your community houses switching equipment which is part of this giant computer. When you dial a friend, the switching equipment functions like a computer to set up the necessary pathway to his house.

At each pull of the dial, your

telephone generates a series of electrical pulses. For instance, when the five is dialed, that number of pulses is transmitted over the phone lines to the switching equipment. Three pulses flow over the lines when the three is twirled, and so on.

Switching equipment counts, stores, and processes the digital pulses generated by your phone. Each pull of the dial closes a connection and extends the circuit until the pathway to your friend's house is completed.

Suppose your friend's number is 555-2368. The first three numerals specify the central office of the phone you wish to reach. The last four numerals select your friend's phone in that central office.

On long distance calls, you dial in at least 10 digits. The first three digits, called the area code number, indicate to the switching equipment the geographic area you wish to reach. For example, 212 directs your call to New York City. The next three digits specify the central office you wish, and the last four numerals pinpoint the telephone you want.

With computer precision, the switching equipment can connect your telephone to any of more than 80 million phones in the continental United States and Canada.

The coast-to-coast network of switching systems includes more than 31 hundred trillion connections that are required to link your phone to any other.

Written out with zeros, that's 3,100,000,000,000 possible connections, or 31 followed by 14 zeros.

As imposing as that figure is, there is no end in sight to the demand for communications links. In the future, it is expected that phone users will dial calls overseas with no more spins of the dial than it now takes to reach Chicago.

Already in service is a system that is the forerunner of worldwide customer-to-customer dialing. Overseas operators in the United States, including Alaska and Hawaii, and in the British Isles, France, Japan, and West Germany can dial calls straight through to telephones in each other's countries. Other countries are expected to follow.

The day is nearing when dialing Piccadilly or Pigalle or anywhere in the world will be as simple as calling Pittsburgh, Pa.

Now! '65 Chevrolet

'65 Chevrolet Impala Sport Coupe—with new Sweep-line roof.

If what you see moves you, wait'll you take the wheel
(V8's with—GRRRR!—up to 400 hp)

One look at those longer, wider lines tells you it's the kind of car you just couldn't buy before without getting into the higher price brackets. But one drive will tell you a lot more.

You've got your kind of engine going for you. There's an even half dozen of them available this year—anything you name from a quieter, sweeter running 6 to a V8 with the authority

of 400 hp. And the road feels like satin because our engineers came up with a new Full Coil suspension system, teamed it with a Wide-Stance design, and made our famous Jet-smooth ride smother and more stable than ever.

Beginning to feel like it's your kind of car? There'll be no doubt about it when you drive the real thing at your Chevrolet dealer's.

Mr. and Mrs. Eugene Friday and daughter, and Melvin Friday of Silverwood, Mich.; Mrs. Rose Friday of Clifford, Mich.; and Mr. and Mrs. Dave Ruppel and Mr. and Mrs. Charles Elrich of Saginaw, attended the celebration. Many lovely flowers and plants were presented to the honored couple.

Douglas Rousa of Eastlawn Ave. was the house guest of his grandparents, Mr. and Mrs. Alfred Kuenzer at Bear Lake, Mich. for a few days last week. They took him to see the Mackinaw Bridge and other sights during his visit.

Mr. Dave Naumann and Mr. William Fairse have returned to their homes after spending 10 days in the Upper Peninsula hunting. They report quite a bit of snow and quite a few woodcock and partridges bringing home their share.

Mrs. George Gray and Mrs. George Higgins spent Wednesday in Port Huron visiting Mrs. Richard Burgett who is their daughter and granddaughter. Mr. Richard Burgett is attending Port Huron Jr. College.

Kim Rae Beebe's grandparents, Mr. and Mrs. Arthur Yarger of Pontiac, and Mr. and Mrs. Alford Beebe of Aterford, and her uncle, Mr. Dale Yarger of Pontiac, gathered at the James Beebe home on Northview Dr. for dinner to celebrate Kim's 4th birthday, October 8.

Karen and Kim Schebor, Ann Marie and Lisa Vaara and Michael Roy attended Kim Rae Beebe's birthday party Thursday. A clown cake and ice cream delighted the children on Kim's 4th birthday.

Mr. and Mrs. Frank Carrier and daughter from Maryville spent Sunday with Mr. and Mrs. Howard Elsholz and family.

Randy Robinson has been home ill and as if that wasn't bad enough, his birthday October 12 came the same time that he was ill. He'll celebrate his 6th when he is feeling better.

October 15 was the 10th birthday of Roland Sage and to help him celebrate, 12 boy friends came to join in the games and spend the afternoon. Of course ice cream and cake with plenty of candy were eaten. In the evening a family dinner was held with more cake and ice cream.

Mr. and Mrs. John L. Heald left for Florida Thursday after a month's stay with their daughter and family Mr. and Mrs. Dave Naumann. There were many family dinners and other occasions that honored them. Mr. and Mrs. John E. Heald and family also joined the gatherings to enjoy his parents visit.

Miss Helen O'Brien was 13 Wed-

nesday and dinner with her family was in order. She is a graduate of Clarkston High and presently attending Pontiac Business Institute.

Mrs. Dorel Jarvie of Rudyard, Michigan is in the hospital there. Her sister-in-law and family, Mr. and Mrs. Howard Elsholz of Eastlawn Ave. spent the first part of the week visiting her. They were guests of Mrs. Elsholz's parents, Mr. and Mrs. Eino Jarvie in Rudyard.

October 13 was a happy birthday for Cindy Christiansen. Friends and cousins helped her celebrate after school with games. Lunch was served with 6 candles on a cake as dessert.

Mr. and Mrs. Wilbert Fitzthomas were hosts to Mr. and Mrs. Everett Pike and Mr. and Mrs. Richard Christiansen Saturday night for an evening of cards. A luncheon was served later.

Helen Ann, born September 26, has thrown the household of the Floyd Davidsons off schedule so that late celebrations for Earla Jean, who's birthday was October 1, and Mr. Davidson, October 2, were in store. Helen also has a brother at home, Dwayne, 5 years, who joined the party.

Mrs. Logan Duff left for Kentucky last weekend after spending 2 weeks with her daughter and family, Mr. and Mrs. Floyd Davidson. She arrived in time to help out with her new granddaughter.

Mr. and Mrs. Edward Brisson spent a week at Au Train, Michigan as guests of his sister, Mrs. Frank Voegtline and her husband. While

there they hunted partridge and did fairly well.

Mrs. Forest Ketzler is in St. Joseph's hospital where she was operated on earlier this week. She is coming along quite well.

Happy Birthday to a few more and the best ever: John Adams, Gary Mason, Anne Birtas, Uldene Jones, Dawson Bell, Macrina Nicholas, Bob Wertman, Mary Peter, Danny DeLongchamp, Diane Fuller and Mike Duncan. More next week.

Mrs. Edwin Brodcorp, who has been ill in Pontiac Hospital, returned home the first of the week.

The members of the Susanna Wesley Circle met at the First Methodist Church where they discussed the subject "Changing World". Mrs. Jerome Galligan was nominated to replace Mrs. Gus Birtas as president. Mrs. Birtas has become inactive due to returning to work. Hostess and co-hostess, Mrs. Tom Purves and Mrs. Raymond Carpenter, served coffee and rolls.

Mr. and Mrs. Harry Squires and family of Eastlawn, spent the weekend with Mrs. Squires' sister and family, the Alvein Larrance's of Rosebush. The occasion was marred by a horseback riding accident. Mr. Squires was hit by a low hanging branch and taken to Mt. Pleasant hospital where it required 13 stitches to close the wound in his forehead.

Mrs. Robert Kloc was hostess to 15 guests at her home on Waldon Rd. last week. The occasion was

a baby shower for Mrs. Donald Wilson of Pear St. where she was honored with many lovely gifts. A luncheon was served at the end of an enjoyable evening.

Mr. and Mrs. Donald MacLeod of Detroit, babysat with their grandchildren this weekend while their daughter and son-in-law, Mr. and Mrs. W. G. Temple of Cramlane attended their class reunion. The reunion was held the same time as the homecoming, so Hillsdale College was the scene of renewing old friendships and memories plus the football game.

Mr. and Mrs. Rufus Judd of Pine Knob Rd., spent the weekend in Jackson watching their horse "Out Come" race in the harness races at the Raceway. Mr. Gordon Frazier was the driver.

Mark Fitzthomas, 13, just missed a 6 point buck Sunday while spending the day with his father Wilbert at Reed City. They left early for bow and arrow hunting and if the deer hadn't moved behind a tree, Mark would have brought home a nice rack.

Mr. and Mrs. Gary Duncan, Mr. and Mrs. George Gray, and Judge and Mrs. Clark Adams attended the Michigan State and Michigan University football game Saturday. After the game they were guests of Judge and Mrs. Adams at the Pine Lake Country Club for dinner.

Mrs. Walter Norberg Sr. of Dearborn is visiting her son and family the Walter Norbergs, of Main St. for the week.

Mr. and Mrs. C. F. Erikson of Rapid City, South Dakota, have returned home after spending 2 weeks at the home of their daughter and family, Mr. and Mrs. Norman Phelps of Kingfisher Ln.

Card Of Thanks

The family of Herbert R. Beach wish to express their sincere thanks and grateful appreciation for the many kindnesses and expressions of sympathy extended to them at the death of their husband, father, brother and uncle. Special thanks to Reverend (Pastor) David Dee and the Lewis E. Wint Funeral Home and those who sent the beautiful flowers and messages of sympathy and who contributed to the living memorial fund also to the others who helped in any way to ease the sorrow of parting from our loved one. May God bless you all.

Now Kelvinator brings you the beauty of Wedgewood for washdays

This beautiful new washer gives you a full 5-year guarantee* and the right wash and rinse temperature for every fabric

You'd never think any washer could be so beautiful. Or so reliable. Or so efficient. And cost so little.

With three wash and two rinse water temperatures, plus two agitator and spin speeds, it gives you the cleanest, gentlest washing possible for every fabric.

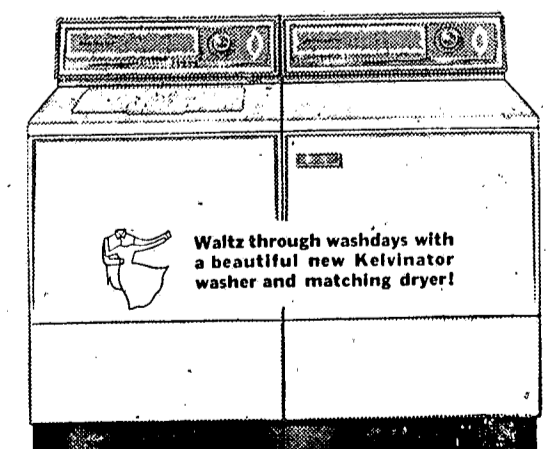

It prescrubs clothes automatically, traps lint and has the big capacity you want. Washdays can be beautiful, so see your nearest Kelvinator dealer today.

There's a 3-cycle Kelvinator electric dryer to match that dries both normal and wash-wear loads... even airs and fluffs your clothes with no-heat tumbling.

Distributor suggested retail price: the Kelvinator Electric Dryer is \$149.95, with trade-in, (gas dryer slightly higher.)

*Kelvinator will repair or replace any defective drive mechanism part, except electrical, for five years, and any other defective part for one year. Labor costs will be paid by the dealer the first year and by the customer thereafter.

Waltz through washdays with a beautiful new Kelvinator washer and matching dryer!
