Thanksgiving Eve Service To Be At First Methodist

Clarkston News Photo

Pastors participating in the United Thanksgiving Eve Service to be held at the Methodist Church in Clarkston are, from left: Reverend Alexander Stewart, Reverend Donald Sinclair, and Reverend Jack Giguere.

The Protestant Churches of Independence Township will unite for a Thanksgiving Service, Wednesday evening, November 25, 7:30 P.M. at the First Methodist Church in Clarkston. Pastors in the Independence Township Pastor's Association will be taking part in the Worship experience.

General Chairman for the Thanksgiving Service is The Reverend Mr. Alexander Stewart from the Church of the Resurrection, Episcopal. Bringing the evening message will be The Reverend Mr. Jack Giguere of First Methodist Church.

The Reverend Mr. Giguere will speak on the Theme "Thanksgiving". Music will be provided by the choir of Calvary Lutheran Church.

It is therefore a united invitation which beckons people to pause during this National Holiday and significant Religious Festival and join in giving thanks at the Union Service this Thanksgiving Eve.

Other churches participating are: Calvary Lutheran, Reverend Paul A. Johns; Drayton Heights Free Methodist, Reverend Thomas Dunn; and First Baptist Church Reverend David E. Dee.

"Bobbins" from Bob

As Americans - one should be specific and say as North Americans we have much to be grateful for this Thanksgiving Season. Perhaps we are a little bit blasé about the matter. And perhaps some of us consider Thanksgiving just another one of the many holidays we celebrate in an offhand, casual fashion. To some of us it is the football day of the year. To others, it is "a day off," a welcome interlude to enjoy a lavish turkey dinner and then laze around the house in slippers and robe.

It might be wise to think for a moment and realize that this Thanksgiving Day will simply be another twenty-four hours of gnawing hunger for peoples of many climes. Experts say that by 1970 hundreds of millions of children and adults in Asia, Africa and Latin America will face slow death by starvation.

Our three great faiths, the Catholics, Protestants, and the Jews

jointly help feed many millions of undernourished men, women and children in scores of countries overseas. Every Thanksgiving Season, the three faiths unite in a public appeal and urge Catholics, Protestants and Jews to contribute to this vital humanitarian endeavor through their places of worship.

Once again this newspaper adds its voice to the Religious Overseas Aid appeal and asks everyone to mark their Thanksgiving for the abundance of America by helping those across the seas who are not as fortunate. These worthwhile appeals are: Catholic - The Bishops' Thanksgiving Clothing Collection; Protestant - the Share Our Substance program; and the United Jewish Appeal. Funds raised through these religious endeavors help feed and clothe the naked and hungry, regardless of race, creed or color.

Wilberg and Turek Elected Most Valuable

by Mel Vaara

Clarkston concluded their fall sports program with an elaborate banquet. Over 300 people attended. It was the largest attendance ever recorded at a Clarkston Sports banquet. This is a fine tribute to Clarkston's athletic program, which is under the direction of Dom Mauti.

Coach Ralph Kenyon and assistants Pete Thompson and Bill Hanson handed out 33 Varsity awards. John Wilberg was elected as the most valuable member of the team. Wilberg also earned all Oakland County class "A" second team at an end position.

Gary Pearson was elected as the most improved player on the team. Pearson seemed to improve as each game progressed. The combination of Fife and Pearson clicked for a lot of yardage.

Coach Bill Mackson and assistant Jim Davidson handed out 37 J.V. awards and coaches Bill Adams, Bob Mills, Pat Nowak and Larry Thibault handed out 33 freshmen awards.

Coach Bud McGrath Cross Country Team voted Mike Turek as the most valuable member of the team. This is the 3rd straight year that Mike has earned this award. An outstanding tribute. Bill Swayne was elected as most improved. Bill wasn't able to participate last year and did a good job in pursuing Mike Turek for top honors.

Ralph Thayer, (the Jack Benny of Clarkston), did another outstanding job as Master of Ceremonies. Doc Thayer first came to Clarkston in 1935. Doc coached every sport in Clarkston, football, basketball, track, and baseball. Doc drove the bus, was the team doctor and trainer you name it and Doc had the position. Doc Thayer coached for several years at Clarkston before retiring from the game.

The banquet was concluded with Film Highlights of 1963 College Football and Clarkston High School Football.

New Clarkston Junior Miss to be Selected From High School Seniors

Clarkston News Photo

To choose a Junior Miss from these lovely teen age girls completing in the Junior Miss Contest to be held Saturday, November 28, will be difficult. Who will wear the crown? Standing, left to right: Nancy Gotshall, Jennifer Pike, Lucy (Cricket) Embrey, Robyn Rutzen, Clara (Cookie)

Nancy Stanquits, the 1964 Clarkston Junior Miss, will crown her successor in the Annual Clarkston Junior Miss Pageant that will be held Saturday night in the Clarkston Little Theater. Nancy, who is a freshman at Michigan State University, won the local contest and placed as first runner-up in the state pageant. For her effort she received a \$250 scholarship.

This year's queen will be picked from 14 contestants, all seniors at Clarkston High School. Judging this year's pageant will be Mrs. Carolyn Wallace, a student counselor at Pierce Junior High School, Waterford; Miss Julie O'Brien, a secretary at Pontiac Motor Division; and Mr. Robert Crane Civil Defense Director of Oakland County. They will judge the girls on poise, personality, physical fitness, scholastic achievement and talent. Judging will take place during personal interviews with the judges on Saturday morning.

Highlight of the pageant is the show portion which will be held Saturday evening in the Clarkston High School Little Theater. The contestants will then display their talent portion of the competition. The evening will end after presentation of trophies to the winner and runner-up. Final judging is done by an evening competition portion of the program.

Additional entertainment will be provided by a woman's barbershop quartet the "Top Kords". Tickets are available from any Jaycee or can be purchased at the door.

Bullard, Linda Queternous, Sandy Smalley, Vickie Fife, Belette Buchrig, and Gloria Bridges. Kneeling, left to right: Carol Cinader, Carol Sage, Kris Smith, and Connie Papi.

Men Faculty Members to Play All Girl Team

How do the amazing Arkansas Travelers Basketball Team (All Girls), who play more than 200 games during their season, stand such a gruelling, back-breaking pace? ? ? That seems to be the question every basketball fan asks after seeing this great team, which makes its first showing of the season here Monday, November 30 against the High School Faculty

complicated against many of the strongest male teams in the nation. Miss Walker has the answer to the questions and it's one of the reasons for the Travelers tremendous success at the Nation's No. 1 Girl's Basketball Team.

"Condition" says Miss Walker, who owns the Travelers. The girls are in tip-top condition from the beginning of the season through the end over a six-month period."

Actually the girls are prime athletes who've had many seasons of basketball experience. They've learned the art of pacing themselves going full steam during a drive and then slacking up while executing a particularly intricate pass pattern. They have also learned the art of relaxing under pressure, a test of true ability. Each girl, in her own right, is an outstanding athlete, not only possessed with a knack for basketball but with the ability to excel in other sports.

(All Men's team) at the High School gym. Game time is 8 o'clock.

Although they perform night after night and often in doubleheaders, Hazel Walker's talented girls never appear to be exhausted or weary. Every night they stage their dazzling whirlwind show with the same enthusiasm and skill from October through May in a different town each night.

How do they do it? ? ? During the past season, for instance, they played a total of 220 games and set an amazing record winning 201 and losing only 19. This record was ac-

Frolic Dance to Benefit Hospital

The Women's Auxiliary to Pontiac General Hospital is sponsoring the High Fever Frolic Dance to be held on December 4 at the Elks Temple in Pontiac, proceeds from the dance will be used to purchase equipment for the hospital.

Chairman of the dance is Mrs. Edward Dalton of Drayton Plains, and her committees are Mrs. Clark Adams and Mrs. Cecil McCallum, patrons; Mrs. Donald Redmond and Mrs. Peter Hoogerhyde, publicity; Mrs. Louis Scariotti and Mrs. Leo Donaldson, tickets; Mrs. John Benson, program book; Mrs. William Fox and Mrs. Eugene Carey, break-fast and Mrs. Gene Connell, advertising.

The dance will feature Carl Edson's Big Band Sound and professional entertainment. Breakfast will be served following the dance.

Tickets may be purchased from the hospital or any of the committee members. The dance is open to the public

Wax and Wick Candle Shop Member of Terrace Building

Clarkston News Photo

Recently opened in downtown Clarkston was the Wax and Wick Candle Shop. The new shop is in the same building with the newly opened Maria-Lore Young Villagers Shop and The Carriage Trade Yarn Shop. Kathy Bisha (pictured) will operate this novel little shop for the owner, John Bisha.

Questionnaire With VA Pension Checks

More than 68,000 disabled veterans or the widows and parents of deceased veterans will be seeing colors when they open their pension checks about November 30.

Inside will be not only the familiar green check but also an income questionnaire card with a stripe in one of four different hues, depending on the kind of pension received.

This card must be filled out and returned to the Veterans Administration by January 31 or, under the law, February pension checks must be suspended. However, Robert M. FitzGerald, Manager of the VA Regional Office in Detroit, urged pensioners to get the cards back as soon as possible, not to lay them aside until the last minute. Each year this results in several thousand delayed checks which have to be suspended by VA until the cards are returned.

Mr. FitzGerald pointed out that this year VA needs all the extra time possible to process the income information due to a number of complicated changes under a new pension law. Some veterans will not be eligible for a seven per cent increase and other benefits unless they change from the older, so-called protected, pension plan to a newer program enacted in 1960. Complete information will be found on an instruction sheet with the card.

The VA Manager cautioned veterans not to attempt to apply the new benefits when answering the income questions. All questions should be answered fully, he explained. The 10 per cent exclusion from public or private retirement income as well as the exclusion of the spouse's earned income will be figured by VA when the cards are returned. The seven per cent increase will be made automatically.

Instructions for the various categories of pensioners were outlined by Mr. FitzGerald as follows:

Protected Pension - On the card with a salmon stripe, 25,410 veterans and 9,788 widows must report their 1964 income and estimated 1965 income. Veterans in this group have or will soon receive an election

Readying New Silverbell Village Slopes for Skiing

Silverbell Village, Southeastern Michigan's newest and most challenging ski resort, is "moving

card and return envelope so that they may change to the new pension law and receive the increased benefits.

If they elect to do this, VA urges them to return the election card and the income questionnaire in the same envelope to speed processing.

New Pension Program (1960) - Some 19,378 veterans will get a card with a rose-colored stripe and 13,202 widows will get cards with green stripes. For the first time, orphans receiving pension payments do not have to report by card. Veterans must report their 1964 income, their 1965 income, the income of their spouse and changes in net worth, such as property, gifts, and inheritances. Widows must report income and changes in net worth but do not need to report disability or death benefits, including insurance. Payments to both veterans and dependents are on a sliding scale.

Dependent Parents (DIC) - There are only 370 parents of deceased veterans receiving Dependency and Indemnity Compensation payments in Michigan. They will get blue lined cards and must report income of self and spouse. Payments to this group are also on a sliding scale, dependent on income.

mountains" to be ready to greet the thousands of skiers who will test their skills on some of the highest and most exciting ski runs in Michigan.

For Metropolitan Detroit Area ski "buffs", the location of Silverbell Village, so near, means 30 to 40 more minutes of skiing at its best every day and evening each week, during this season. The exact location is just North of the Lapeer Road (M-24) Exit from the I-75 Freeway . . . on Lapeer Road (also called Odyke Road) in Pontiac Township, adjacent to the Bald Mountain Recreational Area.

One of the largest resorts (approx. 300 acres), Silverbell Village will become one of Michigan's most extensive year-around recreational resorts according to Tom Gardner and Ted Bookmyer, Silverbell Village's co-owners.

In addition to the marvelous ski slopes and modern new Ski Lodge, now nearing completion, next to be built will be a beautiful 200 room motel complex with swimming pool, tennis courts and other club-type recreational facilities in addition to charming dining and cocktail lounges facing the many and varied ski slopes.

Also, plans call for a professional 18 hole golf course to occupy some of the finest rolling "golf acreage" obtainable anywhere in Michigan.

Necromancy, Alms Mesmerism and
Hypnotism, Denounced."

News Notes from Clarkston High

Teachers had a shock Monday as their pictures were taken, unexpectedly, for the '63-'64 Hilltopper.

Everyone is looking forward to the new basketball season. The boys have been practicing every day after school. They'll be ready for our December 4 game with Milford.

Strains of music could be heard coming from Mr. Thompson's typing room as his classes practiced

typing to music. The purpose of this was for the students to try and achieve an even rhythm.

For those interested people, here is what the cast gave Mr. Moore. On Thursday we presented him with a sweater. Friday, we just congratulated him. On Saturday, backstage, we presented him with an appropriate memento, a 1931 plastic model of a "Solid Gold Cadillac".

In return, he presented us with words to set our hearts in motion. During Saturday night's performance, he had been casting for the next play.

Several group pictures were taken Monday. The editor of the yearbook is after other poses.

In memory of the death of President John F. Kennedy, the Communications Club had a special program last Friday.

The boys gym classes are engaged in volleyball games at the present time. Volleyball is a fore-runner for basketball as it requires a great deal of speed and team co-operation.

Yearbook sales sold very well this year. Over a thousand dollars were turned in. The colors for this year's yearbook are going to be blue and gold.

Seniors voted on their announcements Monday. They had four styles to choose from. They placed their orders on Tuesday.

Can you name all 36 Presidents of the United States? The front

bulletin board in Mrs. May's Government room poses this challenge, then displays a picture of each of the 36 men who have held this office.

Now here are a few details about a little known club that is one of the most important clubs in school. I am referring to the AudioVisual Aids.

These boys set up the film projectors, record players and tape recorders used by the teachers during the school day. During the day, boys from the Special Education class give up their time to show the movies.

Sponsoring the club this year, and

doing a good share of the work is Mr. Dick Thibadeau. Mr. Thibadeau is the permanent substitute teacher at the High School this year. This is his first year of teaching.

At the present time he is attending a course in educational psychology at Oakland University. He is working for a degree in guidance and counseling.

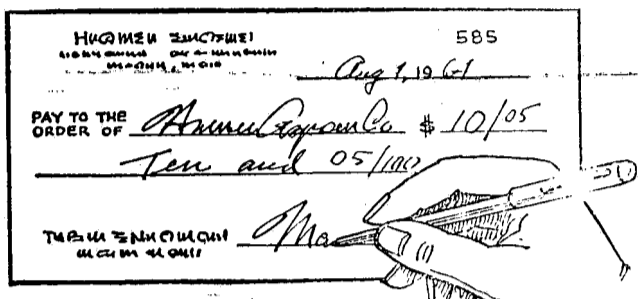

He received his Bachelor of Arts degree from the University of Detroit.

The Clarkston High School Y-Teens are sponsoring a most fun-filled Sadie Sawkins Dance this coming Wednesday, November 25.

The price of admission will be nominal. If, by chance you do not have a date, come anyway and join the fun. The clothing apparel will be sportswear, usually bermudas or cutoffs. The time of the dance will be 8:01 p.m. to 11:31.

After the dance the girls will take their dates out to eat. For some reason the boys end up eating twice as much as they usually do, and the girls eat much less. A few weeks of money saving by the girls has now gone to the stomachs of the guys, but it is all done in fun and no regrets a single moment of the night. Come on girls, ask those guys out now and have a great time!

Guest Editorial

America Still Free and Strong on This Thanksgiving

THREE HUNDRED FORTY-THREE years ago a small number of grateful Pilgrims assembled in prayerful tribute to God for an abundant first harvest. That occasion marked the launching of a meaningful custom which has become one of our Nation's most cherished holidays - Thanksgiving Day.

In 1621, the Pilgrim Fathers were bound by spiritual unity and love of and faith in the Supreme Being. Their special observance of thanks was a testimonial to their belief that God, in His omnipotent wisdom, looked with favor on their quest for a land where freedom's blessings flow. In this humble and devout setting, the true meaning of Thanksgiving was born.

Today, America is free and strong - a monument to the hopes and ideals of the Pilgrims. It stands as the greatest fortress of brotherhood in the history of man. Conceived under God, our country represents a people whose progress has been blessed with divine guidance and whose history is rich with evidence of His power and glory. We have emerged triumphant from devastating world wars. Our scientific achievements stagger the imagination. Our standard of living surpasses all expectations. Truly,

the goodness and mercy of God have been with us.

Regrettably, too many Americans no longer care about religious ideals and heritage. To some, our country is a fantasyland filled with complimentary handouts of rights and freedoms without obligations. With patent indifference, they shirk the mere suggestion of individual responsibility. Their purpose in life is lost in moral lethargy, self-indulgence, and neglect of duty.

Time and experience have proved our Constitution to be the greatest document for freedom ever drawn by man. This instrument of self-government is a reality envisioned by our Founding Fathers who were dedicated to the ideal that man is superior to the State. It embodies the fundamental principle of liberty which is dearer than life, the precept that men shall live as equals under government by law, not by men.

Law and order are pillars of democracy on which our safety and welfare rest. Without law and order, our society would falter and be destroyed. Law enforcement, as the main line of resistance against all enemies of our heritage, may

indeed be proud of its contributions to the growth of a Nation founded on mutual trust, understanding, and faith in God. On this Thanksgiving, we should lift our hearts in humble thanks for this special privilege and pledge to uphold our noble cause to promote tolerance, to preserve the rule of law, and to protect and strengthen our God-given ideals and faith in freedom.

We Americans must never lose sight of the fact that our power, wealth, and happiness come directly or indirectly from our belief in God. Let us commemorate Thanksgiving by refurbishing our religious ideals. And as we meet the forces throughout the world which seek to destroy our way of life, let us find strength in the Biblical quotation, "If God be for us, who can be against us?"

John Edgar Hoover,
Director of F.B.I.

Clarkston Shoe
Service**

Know Your Michigan Law

By Attorney General Frank J. Kelly
(This is a public service article explaining in general terms a provision of Michigan law. Individuals who wish to determine the effect of any law upon their private legal affairs should consult a private attorney.)

long-needed extension of mental services to citizens in their communities is made possible under a new Michigan law establishing a partnership between state and local agencies to administer many such services on the local level. This program, is it thought, will save money now spent to transport mental patients in state hospitals far from their homes, and will afford better treatment not only by releasing the money saved for therapy, but by sparing many patients from being withdrawn from the context of their family and community life.

Collaboration between state and local entities in helping those with mental problems is not new. In adult and child guidance clinics, we have developed an arsenal of experience upon which state and administrative and professional experts can now call in warding off mental illness, mental retardation, emotional disorders and other psychiatric conditions.

The legislature proposes to establish community mental health programs by cities of 10,000 or more, or any county or counties, or counties, in collaboration with the state department of mental health. The statute provides for this program. Some of the steps to include collaboration with

health and other groups for prevention of psychiatric disabilities; information and educational services; alternative services to courts, schools, health and welfare agencies; outpatient diagnostic and treatment services; rehabilitative services for those with psychiatric conditions, and treatment of those who have received psychiatric treatment in an inpatient facility; and inpatient diagnostic and treatment services.

More than 200 ninth and tenth grade Clarkston High School students will take the three-hour National Educational Development Tests (NEDT) March 13, according to Mr. Terry Thomas, Director of Guidance.

"The NEDT battery," he said, "is a series of tests in English, social studies, mathematics, natural sciences, and word usage, which have been designed to measure each student's ability to apply basic learning skills rather than his ability to

memorize particular facts or specific subject matter.

They have been used in Clarkston High School since 1960 as a help to students, parents, and teachers in identifying strengths and weaknesses in each student's educational and vocational objectives," Mr. Thomas said.

Published by Science Research Associates, the nation's largest commercial publisher of standard-

ized tests, the NEDT battery was constructed under the direction of E. F. Lindquist, author of the widely used Iowa Tests of Educational Development. It has been administered to more than two million students throughout the country since it was introduced in 1959.

"One of the most interesting aspects of this program," Mr. Thomas said, "is that students who do exceptionally well on the test battery are singled out for formal recognition. Each student who scores in the top 10 percent nationally is awarded a special certificate of merit signifying his high achievement. These certificates serve to stimulate a respect for academic excellence among the student body."

You build a new home to get exactly what you want

why not get the heating system that gives you exactly what you want

Electric heat is custom heat. There's a thermostat in each room so you can dial the exact warmth you want... in the baby's room, the den, the kitchen, every room! Electric heat is the clean, modern heat. No drafts or cold spots. You get even heat from head to feet. Ideal for your new home.

It's also a good choice as supplemental heat for your present home—to warm up a chilly bedroom or new family room.

The cost? That depends on your particular home. Electric heat may be your most economical heat. It won't cost you a penny to find out for sure. Just call Edison for a free estimate.

EDISON

P.S. A lower all-electric rate saves you as much as 20% on your heating bill if yours is an All-Electric Home. More reason than ever to enjoy all-electric living.

By Mrs. Shirley Lynch
Maple 5-1055

Mr. Stewart Bell's cabin on Mt. Pleasant was where Mr. Wallace Bell, Mr. James Hunt, and Mr. Alfred Beebe gathered last weekend for some hunting. They didn't see a single deer.

Mrs. Gerald Seagle and son, Kenneth of Jeddo, Mich., were the house guests of the Lyb-Cah family last week for a few days. Mrs. Seagle and Mrs. Cole are sisters.

Mrs. Jack Craven of Wealthy St. was honored at a baby shower at the home of Mrs. Norman Phelps on Kingfisher last week. A stack

of Holcomb Road. Daniel Joseph weighing 6 lbs. and plus joined the O'Neil family. His two brothers and two sisters are pretty happy with him.

Mr. Leonard Bullard, and his wife of Snow Apple Dr. have been deer hunting near Oshtemo on L. & E. Huron since last week. Fat was not, no luck.

Last weekend Mr. and Mrs. Louis Seffens, Mr. John Adams, Mr. Al Gyvens of Detroit and Mr. Leroy Houslander of Detroit journeyed to South Branch for a little deer hunting. Mrs. Seffens' mother, Mrs. Gyvens watched the Seffens children while they were gone. Mrs. Seffens sighted a deer but her gun misfired so she came back without a deer. The men will be returning for another chance this next weekend.

The Don Reene home on Estor Road was the setting for a family birthday party for Mark who was one year old. Grandparents, Mr. and Mrs. Leon Reene of Pontiac, and Mr. and Mrs. Earl Bailey of

Clarkston, plus lots of aunts and uncles were on hand to wish him happy birthday Saturday evening.

New residents in Clarkston are Mr. and Mrs. Peter McMillan of 5th Court who arrived here from St. Clair. Mrs. McMillan is a teacher at the Lincoln High School. Their family consists of three boys and three girls from pre-school to high school age. Welcome.

Mrs. William Reing of Lexington, Kentucky, is the house guest of her daughter and son-in-law. Mr. and Mrs. Edwin Justice of Eastlawn, until after Thanksgiving. The grandchildren are excited about the visit.

Richard Allen Cole, 7 lbs. 9 ozs., was born November 10 to Mr. and Mrs. Lyle Dean Cole of Transparent Ave. Four brothers and two sisters eagerly awaited his arrival home and the arrival was greeted with lots of kisses.

Mr. and Mrs. Tom Brooke and Mr. and Mrs. Fay Dohm of Traverse City, will enjoy Thanksgiving dinner with the Norman Phelps family of Kingfisher.

Chris Seffens, 7 years old, had to have stitches taken in his arm the first of the week after he fell on a can. He had been playing in a field near his home when the accident happened.

Pack No. 126 of the Cub Scouts held its meeting last Wednesday with a large program planned. Twelve boys were invested as Bob Cats, with one advancement to Wolves and many other awards given out. Den 1 won the Totem Pole by attendants and advancement they hope to be able to keep it

next month too. All dens put on Charades with parents and cub scouts doing the guessing. On display were works of the boys that had been done the past months.

Mr. Tom Purves of Allen Rd. and Mr. William Purves of Dixie Hwy. were in Rudyard for the past five days and each brought home a deer. Their wives were delighted.

Aaron Lynch after having just recovered from having his tonsils out is now recovering from a broken nose. Saturday, first day out to play, he collided with another sled leaving him with a deep cut between his eyes and a broken nose. He is happy it wasn't his teeth what with Thanksgiving coming.

Last week Mrs. Gary Eichbrecht of Meigs was hostess at a baby shower for Mrs. Hennig and her new son, Jeffery James. Twenty five guests enjoyed games and conversation with coffee and a baby blue cake served later in the evening. An umbrella was used as decoration over the shower table of gifts.

Nancy Odgen of Ewart, Michigan, was named good citizen in a project sponsored by Isabella Chapter, Daughters of the American Revolution. She was one of three finalists in the Ewart School. She was chosen by classmates with final selection made by members of the faculty. Miss Odgen, with her mother and sponsoring teacher, went to Mt. Pleasant November 14 as guest of the D.A.R. chapter at a tea where she received a pin. Her parents are Mr. and Mrs. Maurice Odgen formerly of Rattalee Lake Road now living in Sears, Michigan.

Funeral services for Mrs. M. Pamela Lovejoy will be held at 10:30 a.m. Saturday, November 28, at the First Baptist Church, Clarkston, Michigan. Burial will be in the Clarkston Cemetery. Friends may call at the home of the family, 6015 Wadsworth Rd., Clarkston, Michigan, from 9 a.m. to 9 p.m. Friday, November 27.

Funeral services for Mrs. M. Pamela Lovejoy will be held at 10:30 a.m. Saturday, November 28, at the First Baptist Church, Clarkston, Michigan. Burial will be in the Clarkston Cemetery. Friends may call at the home of the family, 6015 Wadsworth Rd., Clarkston, Michigan, from 9 a.m. to 9 p.m. Friday, November 27.

Friends may call at the home of the family, 6015 Wadsworth Rd., Clarkston, Michigan, from 9 a.m. to 9 p.m. Friday, November 27.

Mr. and Mrs. Glenn Kerton of S. Main spent 3 days deer hunting with Mr. Kerton's sister and brother-in-law the Maurice Odgen's of Sears. Mr. and Mrs. Maurice Kerton of Columbiaville were also the Odgen's house guests.

Happy Birthday to Nancy Carpenter Scott Cameron, John Whittier, Pam Weir, Victoria Fench, Karl Beattie, Mike Harrison, Carl Coulter, Shannon Satterlee, Lorraine Rice, Bob Wilson and many others.

Mr. and Mrs. Jerome Galligan, Mr. and Mrs. Gus Birtas and Mr. and Mrs. Max Fogt celebrated a wedding anniversary last week. Owen Baker of N. Main Street was a successful deer hunter this year. He brought home a seven point buck from Lo-Lakes Woods Club near Lincoln.

Eddie Glenn of Holcomb and Ray Jarvis of White Lake Road were two other deer hunters that got their buck.

Happy Thanksgiving

Various Forms of Indigestion

Indigestion is a common complaint. It occurs at all ages from infancy to old age, and probably nobody has failed to experience indigestion. That's why we call it "common."

There are various forms and degrees of indigestion," says a publication of the American Medical Association.

Food poisoning is a dramatic, extreme type in which the stomach contents are evacuated by violent vomiting.

It isn't natural to take some form of antacid as a part of daily living, the AMA publication declares.

The natural digestive process is such that there is a balance that does not require our getting into the act with the bicarbonate bottle. Such dosing has two drawbacks: First, we are "treating" ourselves in an aimless way without knowing what really is wrong; second, we are interfering with natural digestive processes which may result in undesirable side-effects such as constipation or perhaps even an imbalance of electrolytes (minerals) in the blood and body fluids.

What may be wrong? Well, it could be inflammation of the stomach lining, due to a variety of causes that probably can be identified and treated satisfactorily. It could be due to poor stomach motility, perhaps a partial obstruction, again, identifiable and treatable. It could be due to an ulcer, which surely will be helped by proper treatment, but not by home-remedies. Cancer of the stomach can and does cause indigestion, and its progress could be masked by the vague, ineffective "antacid" routine.

Engagement Announced

M. Pamela Lovejoy
Mr. and Mrs. Frank Lovejoy of 6015 Wadsworth Rd. announce the engagement of their daughter, M. Pamela, to Robert E. The son of Mr. and Mrs. Clyde T. Hensley of 1019 N. D. A. is planned.

Scout News
November 17, 1964 Junior Troop 89 had their 4th meeting. The new leader, Bob, presented their Girl Scout Wares. The Junior Troop had their first year star. They had a door prize which was a Girl Scout notebook won by Kathy Mayer.

Have you priced a tiger lately?

Take the GTO, for instance. The greatest tiger of them all. Even real tigers cower when this baby speaks. It loads 335 horses under that hood. Plus bucket seats. Carpeting. Real walnut dash. And like that. Yet it sells for less than a lot of pussycats with imitation stripes. And of course the GTO's optional 360-hp engine puts it so far out in front of the pack that it gets kind of lonesome. Then there's the Le Mans. Same kind of pizzazz. Same kind of crackle. Only with slightly smaller teeth. But don't worry. It can still handle the pussycats. So quick, go price a tiger!

We're building Wide-Tracks again! See them all at your authorized Pontiac dealer now!

News About Area Men in Armed Services

PFC Charles A. Rockwell, son of Mrs. Grace Rockwell 11 S. Holcomb St. has just returned to his base at Camp Pendleton, California after spending a twenty day leave at home.

Charles is a Tele-type operator and will remain at Camp Pendleton until he receives his orders for overseas duty.

Gary C. Scott, engineman third class, USN, son of Mr. and Mrs. Charles A. Scott of 5450 Marvin Rd., Clarkston, returned to Norfolk, Va., November 19, aboard the attack cargo ship USS Capricornus, completing a tour of duty with the Sixth Fleet in the Mediterranean.

While in the Mediterranean, Capricornus participated in various fleet training operations designed to increase her combat readiness.

Shipfitter Fireman Robert E. Miner, USN, son of Mr. and Mrs. C. J. Miner of 5420 Center St., Clarkston, is visiting ports in the European area following participation in the largest amphibious combat training exercise in the Atlantic since World War II.

He is serving aboard the amphibious command ship USS Pocono.

The operation, called "Steel Pike", featured U. S. and Spanish Marines landing from landing craft and helicopters of a combined U. S. Spanish Fleet of 94 vessels which included ships of the United States Military Sea Transport Service and chartered ships of the United States Military Sea Transport Service and chartered ships of the U. S. Merchant Fleet.

The mock assault on the beaches of Southern Spain was staged by Marines of the Second Marine Division, Second Marine Aircraft Wing and Force Troops, Fleet Marine Force, Atlantic, along with a battalion of Spanish Marines.

"Steel Pike" showed the ability of the U. S. and Allied amphibious forces to rapidly transport large numbers of troops and all their equipment, get them ashore and maintain them for as long as necessary. It also trained the forces of operations.

His ship, with Vice Admiral John S. McCain, Atlantic Fleet Amphibious Force coordinate the landing phase of the operation.

Donald G. Beem, airman apprentice, USN, son of Mr. and Mrs. George S. Beem of 6455 Waterford Hill Tr., Waterford, is serving aboard the anti-submarine aircraft carrier USS Randolph operating out of Norfolk, Va.

Randolph operates with anti-submarine warfare "Hunter-Killer" groups, composed of surface, subsurface and air units designed to seek out and destroy enemy submarines.

Thomas J. Lawless, 18, son of Mr. and Mrs. Bernard S. Lawless of 7698 Phelan Ave., Clarkston, has begun basic training at the Naval Training Center, Great Lakes, Ill.

The nine-week training includes naval orientation, history and organization, seamanship, ordnance and gunnery, military drill, first aid and survival.

During the training recruits receive tests and interviews which determine their future assignments in the Navy. Upon completing the program they are assigned to service schools for technical training or to ships and stations for on-the-job training in a Navy rating specialty.

Naval training produces the power in seapower by supplying qualified personnel to man the ships, planes and shore stations of today's Navy.

How to Thaw Your Thanksgiving Turkey

Thanksgiving traditionally means a turkey on the table and in the modern supermarket there are many shapes and sizes to choose from. When choosing the right size turkey for your dinner Michigan State University Cooperative Extension Home Economists recommend you allow approximately 1/2 to 3/4 pounds per person. Unstuffed turkeys and turkey parts should be almost completely thawed before cooking. Do not thaw commercially frozen stuffed birds before cooking. The refrigerator is the best

place to thaw. Unwrap small parts and separate them so air can reach each piece. To shorten the time, turkeys sealed in watertight wrappers may be thawed in cold water. A large whole bird may take as long as 2 to 3 days to thaw in the refrigerator. Do not stuff the turkey until time to roast it. Stuffing a turkey and refrigerating or freezing it at home for later use is not recommended by the Co-operative Extension Service Home Economists.

Scientists to Have Special Service

Thanksgiving Day services will be held in the First Church of Christ, Scientist, Oxford, Michigan at 11:00 a.m. visitors are welcome.

One feature of the service will be a period when individual Christian Scientists stand up voluntarily to express their thanks to God in their own words.

The sermon on "Thanksgiving" as in all Christian Science services - will consist of readings from the Bible, and also from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy. There

will also be hymns and a period of prayer.

The Golden text for the day is from Psalms 22: "All the ends of the world shall remember and turn unto the Lord: and all the kindreds of the nations shall worship before thee."

A related passage to be read from Science and Health includes these lines: "It should be thoroughly understood that all men have one Mind, one God and Father, one Life, Truth, and Love. Mankind will become perfect in proportion as this fact becomes apparent, war will cease and the true brotherhood of man will be established" (p. 467-9:13).

Registered Nurses Asked to Contact Red Cross

The Oakland County Chapter, American Red Cross, Disaster Nursing Committee is anxious to obtain the names and addresses of all resident registered nurses. The purpose of this survey is to enlarge the list of all county R.N.'s whether currently registered or not. Filing your name with this Committee does not obligate service, but guarantees you current information regarding the natural disaster plans

concerning your local community. The next TORNADO may not touch Oakland County so lightly. Now is the time to organize.

Please send your name, address and phone number to Mrs. Jean Ashby, R.N. (Chairman of Disaster Nursing Service-Oakland County Chapter, ARC) 3213 North Elder, Orchard Lake, Mich. 48064. Or call Mrs. Val Beaser, EM 3-3107; Mrs. Robert Brennan, 682-3797; or Mrs. Bruce Emmert, MI 6-8893.
