News Notes from Clarkston High

John Merkel

The official cast for "My Fair Lady" was released Monday morning, now the work starts. Three rehearsals are already scheduled for this week.

The leading roles in the play have been double cast. Double casting means that two people are placed in one role.

"My Fair Lady" will be setting several precedences when it is played here. Naturally, it is Clarkston High School's first musical.

Along with that, it will also be one of, if not the longest play ever presented. It will also have the largest cast.

Many of the actors and actresses have more than one role, also some have two, and even three parts.

The Talent Show tryouts were rescheduled from Monday to Tuesday this week. They had quite a turnout.

Last week, Mr. Rice took his History classes down to Detroit to visit the Natural History Museum. They rode school busses down to Detroit and spent the larger portion of the school day.

It is doubtful that any more excursions like this will be attempted again soon.

One bus was left littered with the remains of a "peanut-shell" fight which they had to "while away the time on the trip back."

It is remarkable that last year's Junior Class managed to go to Lansing and back without making a mess on the chartered busses.

I feel they could have found a more sincere way to show their thanks for being permitted to make the trip.

The blame should not be placed on the teachers in charge. Mr. Rice and Mr. Thiedbeau are only human, and trying to cope with a busload of freshmen and sophomores is no easy job.

Come on students, if you go on a field trip, be a credit to your school. Try and act so that the teachers will want to have more trips, not fewer.

Mrs. Palmer-Smith's Freshman English classes are currently reading Homer's "The Odyssey".

To help the students get a little more out of it, she's having the student's act it out as they go along.

League band tryouts were held at Clarenceville, Tuesday. The band members were away for most of the school day.

A weekend trip is being planned for the Ski Club. Depending on the weather, it will be some time in February.

Several students from the English classes will be going to the Hilberly

Fred Burr, a well known resident of this community will be laid to rest in the Seymour Lake Cemetery Thursday afternoon.

The funeral was held at the Bos-sardet Funeral Home in Oxford. Reverend Leonard Kemp of Len-non, a former pastor here, officiated.

One son Harry, one sister, and four grandchildren survive.

The W.S.C.S. will hold a monthly meeting in the church parlors Wed-nesday, January 20th.

Reverend Arn Carmitchell was able to conduct church service Sun-day for the first time since having the misfortune to fall from a horse ten days ago.

Find out what 350 hp feels like

in America's favorite intermediate size car

Next time you're feeling low, come on in and plunk yourself down in the bucket seat of a Chevelle Malibu Super Sport. Flick the ignition—bring that special-order 350-hp power plant to life. Then go find a road and try not to smile.

We think it's the greatest pep pill since weekends—and that goes for the other Chevelle V8's too. The 195-hp. And the 250- and 300-hp jobs we can order for you.

And of course if power doesn't sell you right off, maybe Chevelle's short turning radius and overall handling ease will. Or its Full Coil suspension ride. Or its all-vinyl, carpeted interior. Or maybe it's just plain old Chevelle value.

Civilian Review Boards Not Answer; Minutes of Township Board Meetings Uninformed Don't Judge Police Fairly

Law enforcement, by the very nature of its responsibilities, has always been a handy scapegoat for those who resent law and order and those who seek public sympathy on controversial issues. As a front-line representative of government, law enforcement often bears the

brunt of criticism—just or unjust—levied at constituted authority.

Admittedly, law enforcement has its shortcomings, as do all professions. Contrary to some viewpoints, however, it is not responsible for all the grievances with which it is charged. Furthermore,

wholesale harassment of law enforcement is not an antidote for all the troublesome issues facing communities throughout the country.

A questionable move currently being championed in some localities is the establishment of civilian review boards to hear complaints

against law enforcement officers. To a large degree, these panels would consist of appointed individuals who are generally inexperienced and uninformed in law enforcement and police administration.

When carefully considered, it is clear this drive for external boards is an ill-advised maneuver. It amounts to the usurpation of authority rightfully belonging to the police commander. It is a practice which could damage effective law enforcement and reduce the orderly processes of community life to petty bickering, suspicion, and hatred. The police executive cannot become a mere pawn of bureaucratic committees. He must have full responsibility for the performance, discipline, and control of his officers.

Valid objections to external review boards are too numerous and extensive to be summarized. Such panels represent a backward step for law enforcement toward ineptness and mediocrity. Moreover, one of the major weaknesses of these boards is their inherent political overtones. In many instances, appointments will be made for political expediency rather than merit, and every faction, clique, group, or organization which has an axe to grind will demand representation. If there is one thing career police executives have learned over the years, it is that politics has no place in effective law enforcement.

The average law enforcement officer today is already saddled with greater responsibilities that he can fully comprehend and capable discharge. Society demands of the officer total compliance with the mandates of the law; however, it has yet to give him a clear-cut picture of what the law demands and what it forbids. Even those learned in the law cannot agree with certainty what powers the police officer possesses. Many times, his actions are adjudged wrong by the thinnest of margins in split deci-

Regular Township Board Meeting held December 1, 1964

The meeting was called to order by the Supervisor, Duane Hursfall.

Roll: Hursfall, Altman, Johnson, Bauer, Bennett, present.

The minutes of the last Board Meeting of November 17, 1964, were approved as corrected.

Communication from the Oakland County Cooperative Extension Service regarding the prohibition of Sunday hunting in Oakland County was read and filed for future consideration.

The Board reviewed and discussed the recommendation of the Planning Commission to hire a consulting firm to assist in its program of orderly development through a plan of organized proceedings.

Motion by Altman supported by Hursfall that the Township of Independence, Oakland County, Michigan engage the services of the Development Planning Company to assist the Township in its development program as provided for under the 701 Governmental Program and such contract as may be agreed upon and approved by the Federal Agency. Such contract between the Township and Development Planning Co., shall not exceed the sum of \$21,000.00 for the term of the contract, a two year period, with the Township's cost not to exceed one-third of that total cost and such one-third to be paid by the Township of Independence from the Townships' General Fund Account in the manner and proportionate amounts as provided for under the contract and or provisions of the enabling act under which any such Federal subsidized program may be contracted.

Roll: Hursfall, yes; Altman, yes; Johnson, no; Bauer, no; Bennett, yes. Motion Carried.

William Paul and Lester Smith were present for consideration of their request of Maurice Cole for rezoning.

Motion by Altman supported by Bennett that the Township Board accept the recommendation of the Township Planning Commission and the County Coordinating Commis-

sions by the highest courts. He should not be subject to public ridicule and penalized in salary, promotion, and personal career based on decisions reached by outside overseers to whom professional law enforcement and public protection may be of secondary interest.

Experience has shown that high selection standards, outstanding training, realistic pay scales, and advancement based on merit are fundamental principles of good police service. It is a pity that the efforts being wasted in promoting impractical review boards could not be applied to these proven elements.

J. Edgar Hoover, Director of F.B.I.

sion and that the request of Maurice Cole to rezone from Suburban Farms to Recreational that part of NW 1/4 of SE 1/4 lying Northwesterly of Waterford Road in Sec. 33 of Independence Township, Oakland County, Michigan be approved and hereby rezoned the same being effective 30 (thirty) days from date of publication as provided by law applicable thereto.

Roll: Hursfall, yes; Altman, yes; Johnson, yes; Bauer, yes; Bennett, yes. Motion carried.

Township Constable, Bud Yoh informed the Board members of several junk car situations that exist in the Township.

Motion by Johnson supported by Bauer that the Township Board approve the final plats of Waterford Hill No. 2 and No. 3 and that the Clerk be hereby authorized and directed to sign said plats.

Roll: Hursfall, yes; Altman, yes; Johnson, yes; Bauer, yes; Bennett, yes. Motion carried.

Motion by Bennett supported by Johnson that the Township Bills be paid in the total amounts listed: General, \$2,857.88; Water 128.50; Fire, 267.48.

Roll: Hursfall, yes; Altman, yes; Johnson, yes; Bennett, yes; Bauer, yes. Motion carried.

Mrs. Bionti, Mrs. Eastland and Mrs. Gallivan were present with approximately 35 girl scouts from Troop No. 453. The scouts were working for their active Citizen Merit and Sign of the Star Badges.

Motion was made and supported that the meeting adjourn.

Motion carried. Respectfully submitted, Howard Altman, Clerk

Special Independence Township Board Meeting, December 17, 1964

The meeting was called to order by the Supervisor, Dupane Hursfall.

Roll: Hursfall, Altman, Johnson, Bauer, Bennett present.

The reading of the minutes of December 15, 1964 were waived. Motion by Altman, supported by Bauer that:

WHEREAS, the Township Board of the Township of Independence, Oakland County, Michigan has, by resolution, provided for the creation of an official Planning Commission; and

WHEREAS, the Supervisor has appointed members of the Township Planning Commission; and

WHEREAS, said Planning Commission is now duly constituted and operating; and

WHEREAS, said commission has determined that for the orderly future growth of the Township of Independence, and to prevent the spread of blight, that it is necessary that a comprehensive community plan be prepared; and

WHEREAS, the Township of Independence has a population of less than 50,000 and does not have sufficient finances to pay for all of

plans; and

WHEREAS, the Planning Commission has requested the Township Board of Independence Township to request the Michigan Department of Economic Expansion to enter into a contract with the Housing and Home Finance Agency for Urban Planning Assistance under the provisions of Section 701 of the Federal Housing Act of 1954, as amended:

NOW THEREFORE BE IT RESOLVED that the Township of Independence, Michigan request that the Michigan Department of Economic Expansion make application to the Housing and Home Finance Agency for Urban Planning Assistance for the Township of Independence, Michigan;

BE IT FURTHER RESOLVED that the Township of Independence provide \$7,000 which represents 33 1/3 per cent of the cost of the proposed planning work.

AND BE IT FURTHER RESOLVED that the Supervisor be and is hereby authorized to enter into a contract for Urban Planning Assistance for an amount not to exceed the aforesaid sum of \$7,000.

This Resolution was adopted by the following vote:

Yeas: 5
Nays: 0
Motion carried.

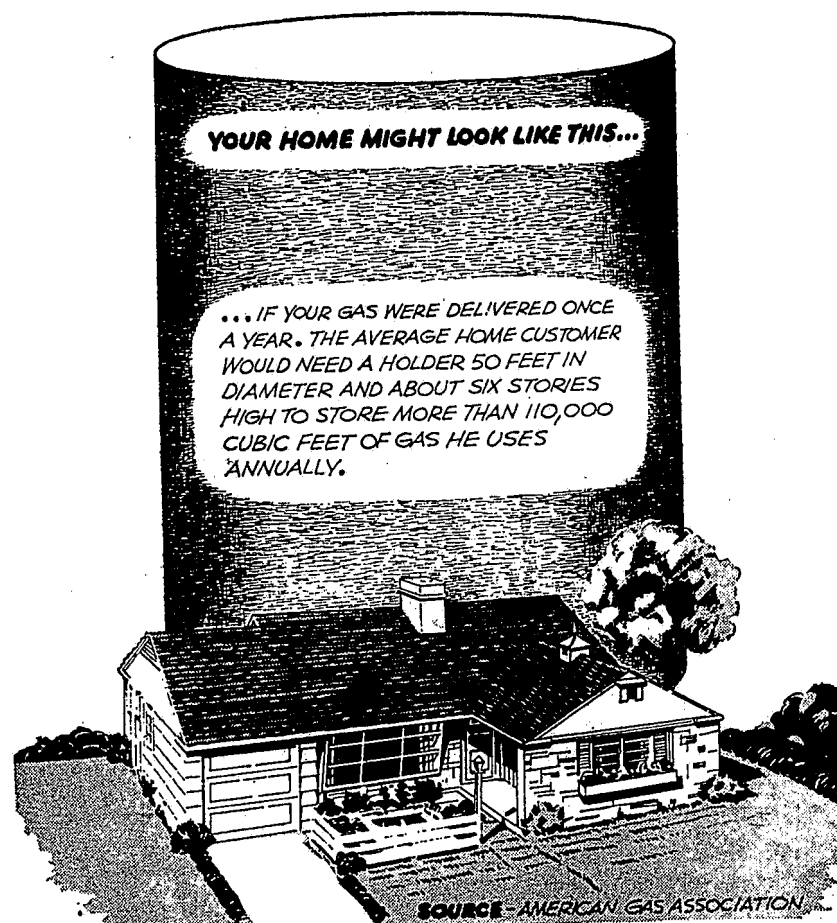

The motion was made that the meeting adjourn.

Respectfully submitted, Howard Altman, Clerk

SUCCESS NEWS! AMBASSADOR BY RAMBLER

Sales up 110%...greatest increase of any 1965 car!

Read the reasons why:

Ambassador 990-H Hardtop

reason one: Advanced Styling. Ambassador's glamorous new styling came out first against all direct competitors in a survey at the first major show of 1965 cars. Look at the sweepingly changed Ambassador. Spectacular new size and length. New power, including big V-8 options, other sporty options like wire wheel covers, reclining bucket seats, and other sports equipment.

reason two: Extra Value. The '65 Ambassador keeps all the solid Rambler virtues and extra-value features such as: Double-Safety Brakes (separate systems, front and rear), Deep-Dip rustproofing, Advanced Unit Construction, Ceramic-Armored exhaust system, Coil Spring seats, Weather Eye Heating and Ventilating and more—all standard at no extra cost!

reason three: Low Maintenance Costs, High Resale. The Ambassador, like any Rambler, makes sense when you buy it, returns more in trade. You'll find all the reasons "why" in the '65 Car X-Ray Book. 48 pages with side-by-side comparisons of leading '65 cars. Can save you hundreds of dollars in the purchase of your next car. He is back at work but on crutches.

Twenty six bowlers on the Monday night community league at Howes Lanes attended a brunch at the home of one of the members, Mr. and Mrs. William Keiner, Monday night after bowling.

Cheryl Shrapnell, daughter of the Houghtby Shrapnells of Transparent, fractured her right foot while on vacation in Florida. She jumped into the water the wrong way and the result is that she'll have to wear a cast for 3 weeks.

Mrs. Rena Boice, E. Washington, is a patient at Pontiac General and friends hope she'll recover soon.

Mrs. Cubia Mason has left her home in Twining after spending the holidays with the Edward Ross family on Middle Lake Road. Mrs. Ross is Mrs. Mason's daughter.

Mr. and Mrs. James Easton and family enjoyed themselves at the Clarkston Rollerade Sunday. The occasion was their twelfth wedding anniversary. Their 11 year old daughter, Janet baked and decorated the anniversary cake which delighted her parents.

Mr. Clarence Sage of Orion Road fell while at work last week and sprained his ankle quite badly.

Mrs. Richard Steiner of Midland, was the weekend guest at the home of her sister and husband, Mr. and Mrs. John Lynch. A surprise visit from a brother, Myron Warren of Flint, Sunday made it a nice family visit.

A family gathering at the Dale Bratt home on Church Street January 8th was in order as it was the 9th birthday of Melinda Bratt. Cake and ice cream was the highlight of the day.

Diane Humbert of Snowapple Dr. was twelve years old January 5 but instead of celebrating at home they took ice cream and cake to the home of her aunt and uncle the Malcolm Humberts of Pontiac to celebrate.

Mr. and Mrs. Harold Squires entertained Mr. and Mrs. Richard Arnold and children of Rochester, Saturday evening. They enjoyed games with a luncheon being served later.

A dinner menu of chicken and dumplings was chosen by Valerie LePere in honor of her twelfth birthday January 6th. Of course she didn't forget the important part of the meal, cake and ice cream.

Doug Bennett of Flint, was guest

January 6th at a birthday dinner at the home of Hillard Lambaugh of Transparent, in honor of their daughter, Gayle Ann who was seventeen.

Ten friends gathered at Jerry Mantyla's home on Overlook Drive to help celebrate her birthday. They enjoyed supper with games after and though Lori was 8 years old on January 5th she didn't mind waiting till Thursday for the party.

Mr. and Mrs. Keith Humbert had Mrs. Keith Humberts aunt and uncle, Mr. and Mrs. Carl Anderson, of Ferndale as guests at their home on Snow Apple Drive, Sunday.

Three birthdays in one day means a celebration and that is what happened at the John Roy home on Dale Ct. the fifth of January. Eddie was 8 years old, Janet was 4 which called for a birthday dinner cake and ice cream. After the children's dinner and party Mr. Roy took his wife out for dinner to celebrate her birthday.

Christmas season Ronny LePere, four year old son of Dr. and Mrs. Ronald LePere, had the mumps with sister Julie, 2 years, puffing out with them on New Years. Now that they are able to go out and play with neighbor children, several of them are in with the measles.

Mrs. Kent See of Eastland, is in Jackson, Tennessee visiting relatives. She expects to be home next week sometime.

Friends of the Lewis Carpenter family formerly of Clarkston now Pontiac will be happy to know that they are parents of a fine boy, David John, born the first part of December.

Mr. and Mrs. Robert Parsons of East Lansing, were guests of Mrs. Parsons parents the Ciel Jennings, Waldon Road, this weekend. They had their son John Lorenz baptize Sunday in the church in which they were married. First Methodist Church, Clarkston.

How Can You Fight Birth Defects? March of Dimes Has Good Advice

What would you do if a defective child were born in your family or to friends or neighbors? Would you know where to turn?

To answer these questions, marching mothers, more than a million strong, will distribute a new leaflet with sound advice for every family in the nation as they call on their neighbors during January for support of the March of Dimes fight against birth defects.

More than a quarter of a million babies are born each year in the U.S. with serious birth defects.

The leaflet being distributed by Mothers' March volunteers is called "THINGS TO DO IF..."

IF You Are About To Be Married,

- Select a family physician;
- Each partner should have a complete medical examination, providing the doctor with complete medical histories;
- Learn your blood groups and Rh factors (+ or -);
- Consult your physician together for advice important to your marriage, particularly if either family has a history of birth defects or if there is Rh incompatibility.

IF You Are Expecting a Baby,

- See a physician as early as possible to confirm pregnancy;
- Keep in close touch with him, reporting any unusual discomfort or bleeding;
- Follow the diet prescribed by your doctor;
- Do not take any drugs or medicines unless he tells you;
- Do not knowingly expose yourself to infectious diseases—particularly German measles;
- Tell your doctor you consult that you are pregnant so he may avoid prescribing harmful X rays or medication.

IF a Birth Defect Occurs in Your Family,

- Seek the best medical advice and treatment. Modern skills can often prevent or correct serious disability;
- Don't feel ashamed of yourself or the child born defective. No one is to blame so long as the stricken child is

JANE WYATT, National Mothers' March Chairman, reads to Tina Tidwell, 4, who was born with an open spine and is a patient at a March of Dimes Birth Defects Center in Los Angeles, Calif.

helped to make the most of his precious gift of life;

- Do not despair. Professional help from physicians, clergy and others experienced in dealing with these problems can lead to a wholesome adjustment;
- Remember that there are many persons and organizations such as The National Foundation-March of Dimes that stand ready to help. Seek them out.

IF You Have Friends With a Defective Child,

- Treat them as you would any other friends. They do not desire pity, but the sympathetic understanding of true friendship is always welcome;
- Avoid giving advice. Let them make their own decisions with the aid of competent professional consultation.

The National Foundation-March of Dimes is using the experience gained in the fight against polio, which led to the

development of both the Salk and Sabin vaccines, to back its attack on birth defects. March of Dimes funds now support:

- more than 50 March of Dimes Birth Defects Centers across the U.S. which make the most advanced medical care and treatment for birth defects available to young victims and their families;
- a national research program which finances the work of scientists studying the causes of birth defects and seeking ways to prevent or correct them;
- a professional education program to train medical professionals in diagnosis and detection, and in practical application of scientific advances to treatment techniques;
- a public education program, of which the marching mothers' leaflet is a part, to alert the people to the magnitude of the birth defects problem and to let them know how much can be done to help defective children.

GOVERNOR ROMNEY REPORTS

"Michigan — Dynamic in World Progress", is the theme of this years Michigan Week, which will be officially observed May 16-22. It is my hope that Michigan citizens will start now to emphasize this theme and continue throughout the coming year.

All Michigan businesses and industries, labor organizations and public and private institutions should carry forward programs to highlight the importance of the State's contributions and influence throughout the world in all fields.

Michigan is a large distributor of mail that goes to all parts of the world. We can use the theme on letterheads, envelopes, bulletins, pamphlets, advertising material and publications at no extra cost to the individual or institution. I hope that this can be started at once.

Our State is moving forward. We have again assumed our rightful place among the States and are leading all of them in such fields as personal income, economic expansion, highway construction educational opportunities and human rights. During 1965, we must let the world know more about the greatness of Michigan.

We can all point to the contributions our own people in communities everywhere are making in world progress through international trade, various types of foreign services education of foreign students and the world wide distribution of Michigan products that are helping to raise the living standards of people everywhere. Our industries, centers of science and research, educational institutions and the many skills and talents of our people have made and are making great contributions to the betterment of mankind.

As the arsenal of democracy in peace, our contributions to freedom of people around the globe have been many fold. What we do here in Michigan is improving the knowledge and well being of people in almost every nation on earth.

"Michigan — Dynamic in World Progress" can be highlighted on posters, signs, cards and stickers; through photos, slides and displays; in speeches before clubs and other meetings; in newspapers and on radio and television; by award and

recognition ceremonies and in the wide publication of facts on Michigan's role in world affairs and commerce.

In carrying forward the Michigan Week theme all during 1965 we will give full recognition to the industries and institutions of our state, and to the men and women who are doing so much in many fields to improve social and economic conditions around the world.

Meeting for their 65th anniversary luncheon at Devon Gables Inn. Thursday were forty-one members and guests of the General Richardson Chapter of the Daughters of the American Revolution.

The hostess chairman was Mrs. E. L. Tibbals assisted by Mrs. Lucius Howlett, Mrs. E. V. Howlett, Mrs. H. E. Windlate and Mrs. R. W. Kemp.

Guest speaker was Mrs. Walter A. Kleinert, State Vice Regent from Birmingham. She gave a review of stagecoach days and traveling accommodations in these parts in early days.

Another interesting short history of the local DAR chapter was given from the research done by Mrs. L.L. Dunlap. Sixty-five years ago in 1900 the chapter was given a charter from state DAR.

Present today and given special honor for long and efficient service was Mrs. E. V. Howlett. She has been given by the Michigan DAR an honorary title, state consulting registrar for life.

Another old and active member specially honored was Mrs. Wm. Todd.

Three songs were given by members, Mrs. Victor Lindquist accompanied by Mrs. F. Gainsborough.

A short business meeting was conducted by Regent, Mrs. T. W. Jackson. The national Defense Program was read by Mrs. Allan Monroe.

The head of membership committee, Dr. Sarah Jones announced the new members in the chapter are now: Mary Jane Doerr, Dr. Mildred T. Travis, Mrs. E Stewart Turner, and Mrs. Wesley J. Stewart. Special guests at the luncheon meeting were Mrs. Howard Berg from Utica, N.Y., Mrs. Walter Kleinert, Mrs. Graeme Supple from Picty Hill chapter in Birmingham and the regent from Sarah Ann Cochran chapter from Plymouth. Her name is Mrs. Felix Hoheisel.

Other visitors were Mrs. Edgar Plympton, Mansion St., Mrs. Roy Doolin, Whitfield Ct., and Mrs. Delyle Wilson from Pontiac.

Permanently Pleated Wool Improved

You can now have skirts made from an improved permanently pleated wool.

The wool is "presensitized," according to Mary Hardy, extension agent in home economics in Oakland County.

This new finishing process allows pleats to be set in the fabric just as a permanent wave is used on your hair.

Mrs. Hardy explains that the fabric is first chemically treated. Then it is cut, hemmed and pleated. In the final step the chemical first applied sets the pleats in the presence of moisture and heat.

Skirts made from permanently pleated wool are comfortable to wear, show practically no wrinkles, keep their shape and have sharp pleat retention, a two year study shows. If pleats separate during wear, the wool has the ability to recover when hung up overnight.

Pleat retention may vary from one skirt to another, she points out. The sharpness of the pleat depends on the construction and the thickness of the fabric, the dye of the fabric and the type of pleating style.

Drycleaning is recommended for permanently pleated skirts. The cleaner should be alerted that the wool is "presensitized" since it will make a difference in his cleaning treatment.

"Presensitized" wool is identified by hand tags or sew-in labels.

What a wonderful thing the telephone is in getting you through the busy day! And how little it costs!

Sports Beat

By Mel Vaara

A lot has happened in sports since Clarkston upset West Bloomfield in basketball on Dec. 18th. Sports - Sports - there have been more sporting activities for the past three weeks than ever before and with channel 50 starting, (this will make the wives happy), one will be able to watch sports on T.V. for 7 days instead of just two.

The University of Michigan football team deserves the No. 1 ranking by their overwhelming victory over Oregon, with the No. 1 team losing to Texas and the No. 2 team Arkansas squeaking by Nebraska in the last quarter. Michigan is No. 1 Coach Tom Prothro of Oregon will vouch for that.

The University of Michigan basketball team was up and down the ladder of the top ten and if they

continue to have lapses on defense and playing against a zone press, they will never get a chance to meet UCLA in the NEAA finals - although they did look good in defeating Illinois. Watch out for Minnesota, they are the sleeper in the big ten.

Hal Schram of the Detroit Free Press rates Benton Harbor as the class A, but I hear that East Detroit is loaded and will surprise a lot of teams. River Rouge is in a class all by themselves in "B" - but can expect trouble from a veteran ball club from Allegan.

Keep your eye on Fenton, they look very good. Rudyard is the only hope in the U.P. In class "C" Grosse Pt. St. Paul could do it again. Muskegon Christian has a veteran ball club and plays one of the toughest schedules around the state. In the U.P. it could be Hancock with a 7-1 record.

In class "D" the U.P. has their best chance with Negaunee St.

Paul with a record of 9-0 or Hermansville with a record of 9-1. Hermansville is a real tiny community in the U.P., they barely have enough for a foreosome in bridge.

Clarkston's basketball team ran roughshod over Clarenceville by the score of 67-41. Clarkston was scoring at will, as Clarenceville's defense fell apart after the 1st quarter. Coach McGrath substituted in the 3rd quarter and this helped keep the score down. Clarenceville couldn't cope with Clarkston's fast break or pattern basketball.

Ron Allen started in his first ball game and scored with 10 points. Gary Pearson scored 10 points on 5 jumpers. Ron Lippert added 13 points, here is a boy who is the most improved player on the team. Dan Fife was high with 18 points. Ten points coming on free throws. The J.V. team lost a heart thumper by the score of 35-34. The J.V. team had 20 turnovers in the 1st

half, as the boys were a little rusty after the two week lay off. Clarkston played a rare Saturday game at Bloomfield Hills and was defeated by the score of 76-57. The score is misleading as Clarkston was in the ball game with 2:20 left on the clock, when Fife scored on a driving lay-up to make the score 44-42. At that point Bloomfield Hills began to pull away with Anderson hitting on jumpers and Gottlieb and Menger scoring on rebound

shots and Righter driving around the key for easy lay-ups. Ron Lippert played a strong game for Clarkston, leading the team in rebounds and adding 14 points, John Wilberg played impressive ball and added 14 points to the cause. Wilberg scored his personal high while playing basketball for Clarkston. Gary Pearson was also a member of the 14 point club. Ron Allen and Dan Fife each added 8 points for the wolves.

Fife fouled out in the 4th quarter, his eagerness led to two foolish fouls and his absence definitely hurt the team.

This was a good Bloomfield Hills team, probably the cream of the crop in the W.O. league. Coach Hal Henderson of Hills says, "It was the teams finest performance of the year".

The J.V. team lost to Bloomfield Hills by the score of 56-47. This evens their record at 3-3.

Sure.

You might find another car as new as the Delta 88.

But not this year.

This is Oldsmobile's Delta 88. It's unique. Unique because it's new. New clear through. Styling is new. So new, not a line nor a highlight was borrowed from last year. Power plant is new. Super Rocket V-8 is the biggest in Olds history: 425-cubic-inches big, up to 370-horse strong. Transmission is new, too. Turbo Hydra-Matic, available on any Delta 88, provides up to 40% more torque from a standing start, superlative performance at all speeds. New styling. New engine. New transmission. This year, only Delta 88 lets you have all three, all new. Other cars have a lot of catching up to do.
