FIRST CHURCH OF CHRIST SCIENTIST
Oxford, Michigan

At Christian Science services this Sunday, the Bible Lesson on "Christ Jesus" will include the promise recorded in Mark (16): "And these signs shall follow them that believe. In my name shall they cast out devils; they shall take up serpents; and if they drink any deadly thing, it shall not hurt them; they shall lay hands on the sick, and they shall recover."

Also to be considered is a related passage from the Christian Science textbook: "Jesus established in the Christian era the precedent for all Christianity, theology, and healing. Christians are under as direct orders now, as they were then, to be Christlike, to possess the Christ spirit, to follow the Christ example, and to heal the sick as well as the suffering, blindness and health will key to the Scriptures by Mary Baker Eddy, p. 138."

DRAYTON HEIGHTS FREE METHODIST CHURCH
Corner Maybee and Winell Roads

Adults meet in the sanctuary
CYC meet in the basement

News Notes from Scout News Clarkston High

John Merkel

There's still one night left for those of you who haven't gone to the '64-'65 Clarkston High School Talent Show.

The students have really been working on this show, so come on out and at least see what they've done.

They've been working together for two months, and working by themselves before that.

You'll be able to see their results for the last time tonight (Thursday). Come on up and watch.

It's being presented for a worthwhile cause. All proceeds go to the Student Aid Fund.

What is the Student Aid Fund? It is the high school's extra contribution to the student who wants to go to college.

It will loan students the money they need, without interest, if they only need a few hundred dollars.

Several organizations around town also help this fund.

High school students aid with small contributions during the course of the day, if they care to, by putting their contributions into the box outside the counselors' office.

Once in a while gun wrappers find their way into the box. Maybe, the students who place them there think some one's going to study gun wrapping?

You have to admit that very few colleges offer that course. Wrappers may come in handy.

Spirits are high around the high school. We won our last home game. Ah what a victory. Northville and Clarkston have always been friendly rivals.

The game with Holly this Friday will be our last. Here's hoping our winning streak lasts.

Lately, spirit is one thing that isn't lacking before a game at Clarkston. Everyone is excited.

If you're in doubt as to who we're playing, all you have to do is take a walk around the halls before school starts.

Everywhere you look there's a fight slogan painted in blue and gold letters. I mean everywhere.

Last week, while going to class I saw that a few enterprising students had taped one large sign to the roof of the commons area.

There's another play, coming to Clarkston High School. It's a musical version of the story "Lambert".

It's called "Lambert". It has about four members, but it is good.

Why go to it? There is another reason, besides that it is a very comical play.

The proceeds are going towards renting the costumes needed for "My Fair Lady".

Several scenes call for costumes that just have to be rented. It would either cost more to make them, or they are just impossible to make.

Mr. Bill Owen, a teacher since 1926 is the interviewee this week. After teaching math for one year, he became a permanent substitute.

He received his Bachelor of Arts from Westminster University in Missouri and his Master of Education degree from the University of Vermont.

He is qualified to teach English and social studies. His favorite hobbies are playing golf and bridge.

NEWS FROM MRS. MOORE'S FIRST GRADE ROOM, CLARKSTON ELEMENTARY

We have a "Store."
We will buy and sell groceries.
We will add.
We will take away.
We will use money.

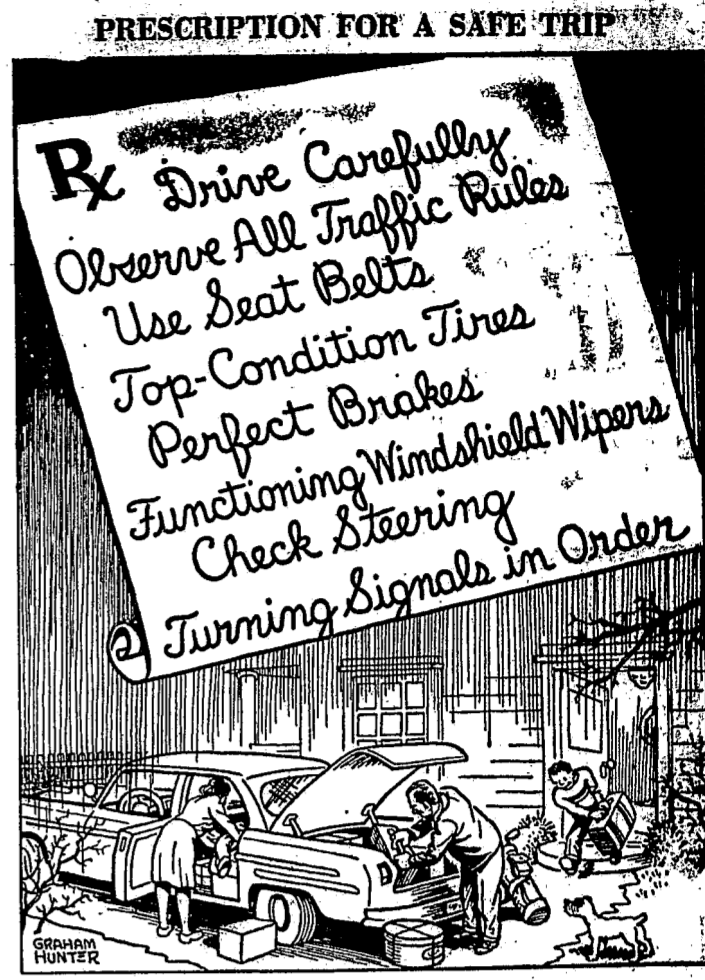

Regular Board Of Education Meeting

Board Members Present: Keith Leak, R. A. Weber, Arthur Rose, Harold Hicks, Walter Wilberg, Melvin Pohkotte, T. O. Doremus.

Administration Present: Dr. L. F. Greene, Floyd Vincent, G. W. Barrie.

Minutes. The meeting was called to order at 7:30 p.m. Minutes of the last regular meeting of December 14, 1964, were read and approved.

Treasurer's report. Treasurer's report was presented by R. A. Weber. Motion by Arthur Rose, seconded by Melvin Pohkotte, approved report as presented. Motion carried.

BE SCARED -- STAY ALIVE

The purpose of this editorial is to scare the living day-lights out of you; to frighten you to the point that you will not only drive carefully but rigidly observe every safety precaution.

- 48,000 persons were killed in traffic accidents, more than in any previous year, and within 5,000 of all the American servicemen killed in battle in World War I.
- 587 men, women and children lost their lives in automobile accidents over the Christmas weekend, an all-time record that brought sorrow and misery to their loved ones at a time that should be given over to joyfulness.
- Two million persons were injured in automobile mishaps and the cost of the damage hit \$8 billion.

If these stark figures do not have any effect on you, if they do not make you vow to adhere to every safety measure in the book, then nothing will. You know all the things you are supposed to do to insure a safe trip — whether you are going a few blocks or a few thousand miles. Things like driving carefully, observing all traffic rules, keeping tires in top condition, using seat belts, having brakes and steering apparatus regularly checked, seeing that signal lights are in order and having functioning windshield wipers.

One little slip from prudent roadway practice and you may be one of the fatal statistics that other people will read about — in editorials like this one.

NOTICE

INDEPENDENCE TOWNSHIP BOARD OF REVIEW MEETING

The Independence Township Board of Review will meet at the Township Hall, 90 N. Main Street, Clarkston, Michigan, on the following dates, for the purpose of reviewing the 1965 Assessment Roll of said Township:

TUESDAY
7:30 P.M. Choir practice.

SATURDAY
10:00 A.M. Catechism Classes

Space problems happily solved here

Families on-the-grow often create the need for more living space. Frequently this can only be obtained by moving into larger quarters. Best solution, in many cases, is to buy a new home of their own. If this raises the question of financing, we have the best answer to that. We'll arrange a Home Loan that can be repayed just like rent. A single monthly repayment is usually set up to include principal, interest and property taxes as well. Cost of the loan is low. Service prompt. Come in, talk it over.

In other cases, the necessary extra living space can be developed right in the family's present home by finishing off extra rooms in attic or basement, enclosing a porch, converting an attached garage. The necessary funds can be obtained on a low-cost Home Improvement Loan from us.

6751 Dixie Highway Clarkston MAple 5-5071

Chevy II With aluminum exhausts that discourage corrosion... Delcolton generators that encourage longer battery life... brakes that adjust themselves... rocker panels that flush themselves free of dirt and salt. Tight? They're downright miserly!

You're looking at the lowest priced sedan and station wagon that Chevrolet makes. They neither look nor act their price. They're roomy. The sedan seats six. The wagon has nine feet from the back of the front seat to the tip of the lowered tailgate.

They're good looking. Clean. Functional. You can get an economical 4-cylinder engine in the sedan or in both cars, a 120-hp Hi-Thrift Six that's quick to do everything but cost you money. As we said earlier, these are our lowest priced cars. Try one out today.

Clarkston News, February 25, 1965

The Clarkston News, Clarkston, Michigan

By Mrs. Shirley Lynch
Maple 5-1065

Pack 199 sponsored by the Oakland County Sportsman's Club held their annual Blue and Gold Banquet February 20 at the Sportsman's Club. Sixty boys with their families attended with Boy Scout Troop No. 62 of Waterford doing the serving. A program featuring "Jimbo and Jerry" a clown and a ventriloquist act was enjoyed by all. Awards were handed out to happy cub scouts with a den mothers presentation of a gift to the Cub Master and his wife, Mr. and Mrs. William Grant to show their appreciation. Children and adults alike enjoyed the evening. Mr. and Mrs. Floyd Coulter of Pontiac, Mr. and Mrs. Bill Debnick

of Waterford and Mr. William Kreiner of Royal Oak were dinner guests last week of Mr. and Mrs. William Kreiner. Mr. Coulter showed slides of the hunting trip the men took to Wyoming last September.

Mrs. Douglas Kuechle, a member of the Les Girls team in the Howe's High Shooter League, was thrilled as were those that watched when she bowled an actual 233 last Tuesday morning.

The family of T. J. O'Rourke celebrated his birthday February 18 with a dinner on Saturday.

Michael Coulter was eight years old February 18. Friends, Ronnie Erb and Pat Tilley along with his two brothers, Chris and Terry, joined him for ice cream and cake. Sunday, Mike is the son of the Carl

Coulter's of Transparent.

Mary Lou Smith was sweet sixteen Friday February 19 and for the occasion several of her girl friends took her to dinner and a movie Saturday evening. Mary is the daughter of Mr. and Mrs. Cecil Smith of Eastlawn.

Rod, Diane, and Chris fixed dinner for their parents the Henry Kline's of Warbler last Tuesday while twins, Brett and Brenda made sure they did it right. The occasion was the Klines 19th wedding anniversary. Mrs. Kline received red roses.

Mr. and Mrs. Glenford O'Berry of Drayton Woods brought their grandson Michael a birthday cake Sunday in honor of his first birthday February 22. Michael is the son of the Larry O'Berry's on Robertson Court. His brother Jeff 3 years old and sister Cheryl 6 years old sang Happy Birthday loud and long after which they all enjoyed dessert.

Last Wednesday evening Mr. and Mrs. M. A. Marrow of Transparent, attended the Master Salesman Guild Banquet which was held at the Elmwood Casino in Windsor, Ontario.

Shirts 'n' Skirts Square Dance was held at the Clarkston Community Center last Saturday night with forty-eight people attending. Bob Longe from Pontiac was the caller. Refreshments were served at the end of the evening.

Mr. and Mrs. Roy Taylor of Big Lake Road, Mr. and Mrs. George Shiner of Royal Oak and Mr. and Mrs. Homer Richmond of Overlook enjoyed a Saturday evening of

square dancing at the Cummings Jr. High School in Flint. Dub Perry was the caller for the Bring'em and Swing'em Dance Club.

The James Freitag family on Transparent have had more than their share of illness. Five year old Diane has just returned home after a stay in the hospital recovering from pneumonia while Doreen, three years old is still in Pontiac General Hospital. But, her parents hope she'll be out this week. Diane almost wishes she had stayed in the hospital as she has now broken out with the hard measles. Debbie, Denise, Danny, and Doris are waiting for their measles shots so they won't become quite so ill. After the measles make the rounds Mrs. Freitag hopes to be able to take a rest.

Chuck Kidd, son of the Charles Kidd's of Ortonville Road celebrated his birthday early with his cousins, Rodger Higgins and Penny Striggow of Holly. They all celebrated their birthdays Sunday although they were all born on February 23, 1952 in the same hospital and the same doctor delivered them. Dinner, a large family affair, with ice skating and games after, made the day extra special for them.

A family dinner was held Sunday February 21 at the home of Mr. and Mrs. A. W. Hawke of Middle Lake Rd. in honor of their son Terry's eighteenth birthday which was the 20th. His sister Holly with brother and wife Mr. and Mrs. Thomas Hawke, were on hand to wish him the best.

Mr. and Mrs. Darrell Cooper of N. Holcomb are proud parents of a boy Christopher Clay born Feb-

rury 5. He weighed 5 lbs. 8 ozs. Grandparents are Mr. and Mrs. Howard Cooper of Waterford and Mr. and Mrs. G. G. Fright of Jonesboro, Arkansas.

Last weekend Mr. and Mrs. M.A. Marrow of Transparent, joined seven other salesmen and their wives at the Guildwood Inn, Saginaw, Ontario, as a result of being the winners at Pontiac Royal Shore where they work. Grandparents, Mr. and Mrs. Stachler of Pontiac, enjoyed having Theresa, Victor and Rosam visit while their parents were away.

Pastor Paul Johns of Calvary Lutheran Church, has returned from Minnesota where he was a guest preacher and teacher for an Evangelism Conference from February 18 to the 25. His oldest son, Michael accompanied him while Mrs. Johns enjoyed a little rest at home.

HAPPY BIRTHDAY: Feb. 16: Guy Inman, King Robinson, Dave Gunter; Feb. 18: Nancy Tiley; Feb. 19: Bob Radovey; Feb. 20: Becky Cooper, Al Johnson, Tom Manti; Feb. 21: Vicci Hamilton, Lucia Wilford; Feb. 23: George Washington.

Anniversary, Mr. and Mrs. Jake Leonard.

Seymour Lake News

Mrs. Lee Bryant and Mrs. Clyde Wood were hostesses at a shower in honor of Barbara Messingill at the Oakwood Easter Star Hall Friday, February 19. Miss Messingill will wed James Ashby February 27 in the Free Methodist Church in Oxford. A buffet luncheon was served.

Eleanor Scott of Cincinnati spent the weekend at the home of her parents here.

George Scott is still in Pontiac General Hospital.

Mrs. Mable Irish of Clyde Road was a caller at the Gladys Sherwood home Sunday.

Mr. and Mrs. Roy Hotchkiss and Mrs. Roger Jacobs were in Warren Sunday to attend the funeral of Leonard Barnes.

Acne, A Teen's Problem

Are you one of those many, many individuals whose appearance is marred somewhat by the pits and scars resulting from acne? Possibly something can be done to improve your appearance.

A technique known as "dermabrasion," or skin plaining is currently recommended for many of those left scarred by acne, says Today's Health, the magazine of the American Medical Association.

Dermabrasion will not completely remove scars and pits. But it tends to reduce their size and depth, making them less noticeable. Not all types of scars are helped, or helped equally. Consultation with a physician experienced in this work is necessary to determine whether dermabrasion is likely to be helpful in a given case. Your family doctor can help you locate such a specialist.

In dermabrasion the skin is "frozen" and a rapidly rotating brush is stroked across the face to remove the upper layers of the skin. This procedure may be done in a doctor's office and does not require hospitalization.

The procedure requires skilled techniques and extensive training to minimize the danger of unsightly scarring. Although dermabrasion has been in use for more than 10 years, it still is regarded as in its infancy by medical authorities. Today's Health says.

Swelling and extensive crusting develops in the first 24 to 48 hours. The crusts are shed in 10 to 14 days, leaving the skin pink. The skin gradually returns to a normal state within six weeks to six months.

Some doctors feel that maximum cosmetic benefit is not obtained in many cases after one abrasion but at intervals of three to six months may be necessary. However, each subsequent attempt tends to yield less improvement.

DON'T LOSE IT— LOCK IT!

OVER ONE-HALF OF ALL CAR THEFTS ARE DUE TO CARS BEING LEFT UNLOCKED... USE YOUR HEAD—USE YOUR KEY!

INSURANCE INFORMATION INSTITUTE

CAR THIEVES PRAY ON UNLOCKED CARS

Teen-agers account for about 85 per cent of all car thefts, the National Automobile Theft Bureau reports. And nothing is more tempting to them than an unlocked car.

The NATB says that about 50 per cent of all cars stolen were left unlocked by their owners. The best way to prevent theft is to turn off your ignition, remove the key and lock your car whenever you park.

Car-thieves pray on unlocked cars. Why make it easy for them?

From our EARLY FILES

February 24, 1933

School Chatter

Oh, I heard... That Mr. Waters was the hero of the scene of an accident last week. At first a little girl was walking on a seat in the gym and her foot fell through. She was a bit frightened but our hero came along and helped her. Later that day the same child was telling her mother about the accident. Her mother then asked her who helped her. She replied "The man with the pink suit on."

We understand that former village president Robert Waters was a teacher at that time. Suppose there's any connection?

February 22, 1935

Portions of Rudy Schwarze' ad (now Rudy's Market)—
Pork Steak 19c lb., Bacon Squares 19c lb., Sirloin Steak 18c lb., Coffee 37c for 2 lbs., Corn Flakes 3 med. boxes 23c.

February 25, 1938

Local
The H. W. Huttenlochers were alarmed on Tuesday when they found that a flower box full of flowers had fallen on little Richard. The chap got quite a knock on the chin and the chest but x-rays showed that the damage is not serious.

February 10, 1939

Local
The employees of Beattie Bros. Sales and Service met at the home of Mr. and Mrs. Robert Beattie near Columblaville on Saturday evening. The guests included Mr. and Mrs. Elmer Collins, Mr. and Mrs. Allison Holcomb, Mr. and Mrs. Ferris Holcomb, Mr. and Mrs. Edward Fuller and Mr. and Mrs. Charles Batloff.

February 24, 1939

Local
The flu epidemic that has been spreading in various parts of the country has been gradually coming into Clarkston and vicinity. Rudolf Schwarze has been quite ill. Lou Chamberlain was confined to his home for several days. Mrs. Clarence Johnson is ill and is confined to her bed.

February 16, 1940

The Chas. Robinsons hosts at housewarming
On Wednesday evening friends of Mr. and Mrs. Charles Robinson gathered at their new home on Robertson Court for a housewarming. . . About nine o'clock the group went to the Clarkston Opera House where they tripped the light fantastic until about eleven-thirty when they climaxed the night's fun by going to the Cheeseman Shop for refreshments.
The group included . . . Mr. and Mrs. G. Robertson, Mr. and Mrs.

R. L. Jones, Mr. and Mrs. H. W. Huttenlocher Mr. and Mrs. J. Walker, Mr. and Mrs. R. Waters, Mr. and Mrs. H. Bauer, Mr. and Mrs. G. O'Dell, Mr. and Mrs. L. A. Volberding, Mr. and Mrs. A. E. Butters, Mr. and Mrs. W. Shuck, Mr. and Mrs. H. Woodenden, Mr. and Mrs. R. Bullen, Mr. and Mrs. Kieth Oak, Mr. and Mrs. R. Thayer and Mr. and Mrs. D. M. Winn.

February 28, 1941

Locals
Mrs. Elizabeth Ronk attended a meeting of the postmasters at the Post Office in Detroit on Tuesday.
Curtis Allen went to Detroit this week to serve on the Federal Grand Jury. He expects to be in Detroit for several weeks.

Taking part as guest vocalist was Mrs. Wyn. Mansfield.
The students participating included: Judy Walker, Joan Dark, Salvje Pettersen, Janet Hudson, Patty Thayer, Lois Cornwell, Ann Spohn, Gail Oswald, H.W. Ross, Eloise Bradley, Sylvia Petersen, Carolyn Yoder, Norma Terry, Mary Lou Althouse, Katherine LaPlante, Adele Thomas, Ruth Davis, Lanny Leak, Joe Kleiner, Charles Walford, Ivan Rouse, Judy O'Dell, who was to have taken part was confined to her home with mumps.

February 27, 1948

Rotary Anns Hear Mrs. Ruth Shain
Last Friday night the Clarkston Rotary Anns met at the home of Mrs. R. N. Parker on N. Main St. for their regular meeting.
February 25, 1949
"Chuckie" Hancock is 8 years old

On Wednesday afternoon Mrs. Fred Hancock entertained at a birthday party honoring her son "Chuckie" who was eight years old. Among the guests were Freddie Turck, Larry Powell, Bobby Schwarz and Jimmy Greer.

February 23, 1950

3 Families Made Homeless by Fire
Fire of unknown origin broke out in the Hutchins house just south of the Dairy Par on S. Main St. in Clarkston about 10:30 a.m. Wednesday and totally destroyed the building. Three families were made homeless . . . Mr. and Mrs. Archie Greer and family . . . Mr. and Mrs. Earl Greer and family . . . and Mr. and Mrs. Edward Carter and family.

"Of 21 notable civilizations, 19 perished not from conquest from without, but from decay from within."

Arnold Toynbee, British historian

Many Americans are concerned about the ease of life in our country today—and what it may do to our children. Will the "soft living" of our times bring a continuing decline in their physical and moral stamina? This could happen if our children aren't encouraged to develop their bodies as well as their minds. Parents should insist on a minimum of 15 minutes of vigorous activity each school day—for every boy and every girl. Tell your school officials about your concern. For information about a program that your school—any school—can put into effect promptly, write the President's Council on Physical Fitness, Washington 25, D. C.

Published as a public service in cooperation with The Advertising Council.

Sgt. Authon (left) watches as Richard Chartier is given the Distinguished Service Award by Keith Hal-Jaycee President, chairman of the judging, and Lewis Wint, Clarkston

The Safe Winter Driving League presents the following reminder from the National Safety Council: "Be sure your wiper blades are in good, live condition, and have arm pressure of one ounce per inch of blade length to sweep snow and sleet off instead of sliding over it." Dead blades may make dead drivers. Check defroster, too. You must see a hazard to avoid it.

Newest in luxury cars is Chevrolet's Caprice Custom Sedan

The newest Chevrolet-built passenger car, making its bow this week at the Chicago Auto Show, is the Caprice Custom Sedan. The Caprice is a luxury-type car featuring a plush interior with rear-seat folding armrest, distinctive courtesy lights and a noticeable ruffled ride accomplished by new chassis improvements. A color-keyed paint-stripe and special nameplates and emblems distinguish the exterior of the Caprice. The new luxury car will soon be in Chevrolet dealer showrooms across the nation.

GOVERNOR ROMNEY REPORTS

This is the fourth in a series of articles discussing the various aspects and problems of traffic safety.

Michigan is and has been the leader among all states in high school driver education. Current problems, however, requiring attention include:

1. Excessive disparity between state aid provided and the cost of a program that fully answers driver education needs.
2. The need for increased driver education teacher training and competence beyond the present minimum certification requirements.
3. Availability of driver education to all new drivers regardless of age.

I shall call for recommended improvements in our driver education activities including these measures:

1. To provide schools an assured reimbursement for actual costs up to a maximum of \$40 for each student trained and to raise driver license fees to finance this increase in state payment to the schools.
2. To make driver education mandatory for new drivers regardless of age.
3. To provide the State Board of Education with funds necessary to increase the field and evaluation staff of the driver education program.

program.

The long-range planning of an optimum highway system must be related to the complex man-machine combination which it is to serve. Immediate engineering needs include:

1. Correction of high-accident or potential-accident trouble spots in our highways system with particular attention to rural highways and roads, since seven out of ten traffic fatalities in Michigan occur on rural highway and 40 per cent of these are on the secondary system.
 2. Assistance and encouragement to county, smaller city and village agencies to establish better engineering practices.
 3. Expanded educational programs for traffic and transportation engineers.
 4. Re-evaluation of present criteria for speed zoning, signs and parking control.
- Many other recommendations need to be implemented. Helpful as these I have presented will be in strengthening our accident prevention effort in Michigan, there

is great need for thorough study of many additional problems. The committees of the Special Commission repeatedly voiced the need for more factual information and the development of better means of accident prevention.

To conduct some of these needed studies I have asked that we increase the appropriation provided to the Michigan State University Highway Traffic Safety Center to \$300,000 in 1965-66. With this increased appropriation, the Center can study the effectiveness of our high school driver education program, our driver license examination and improvement program and other problems.

Public understanding and support by Michigan voters and taxpayers is essential for the success of any effort to improve our traffic accident prevention activities. Without such support, recommended safety improvements such as vehicle inspection, more attention to ridding highways of hazardous conditions, more effective law enforcement, to mention but a few, will not be obtained.

Two Cultures Discussed At Columbiere

A two day seminar on "The Two Cultures" was held on February 11 and 12 at Columbiere College, the Jesuit Seminary in Clarkston. During the seminar two students and three noted educators gave their views on the two diverging cultures of our society.

The question of the two cultures—the scientific and the literary—as they affect the modern world and the educational and the social environments of the twentieth century was first brought to light by British scientist-author Sir C. P. Snow in 1959.

The object of the seminar was not to solve the rift but rather to discuss the problems objectively.

The first session was held on the afternoon of February 11 with the two Jesuit seminarans, Mr. Joseph Jan's, S.J., and Mr. Richard Rosenberg, S.J., discussing the respec-

tive areas of science and the humanities. Jan traced the historical development of technology from Sir Isaac Newton to Albert Einstein. Rosenberg approached the question of the literary humanists from a psychological point of view.

The two explanations were followed by remarks by three of the faculty members—Rev. Walter M. Hayes, S.J., Rev. Norman G. Kendrick, S.J., and Rev. Thomas E. Porter, S.J.

The second session, held the following day, was devoted to comments of three educators who presented their views on the matter of the cultural rift.

John F. Mahoney, Ph. D., chairman of the Department of English of the University of Detroit, was the first speaker. He remarked: "This old culture (the literary)... stands in relation to the new

culture, which may always be said to be scientific, as one which always dies and is always reborn. Whereas the continuity of the new culture... is in a perfect continuum—progressive, dependent on its immediate forebears, confident of its immediate future."

The second speaker was W. Bernard Fleischmann, Ph. D., chairman of the department of comparative literature at the University of Wisconsin. He pointed out that "in final analysis and in spite of Sir Charles, no amount of external organization and administration can compel trained minds to expand their horizons."

Harold P. Rodes Ph.D., LL.D., president of the General Motors Institute, told the 146 people assembled at the seminar that although there was no simple answer to the problem, nonetheless these "af-

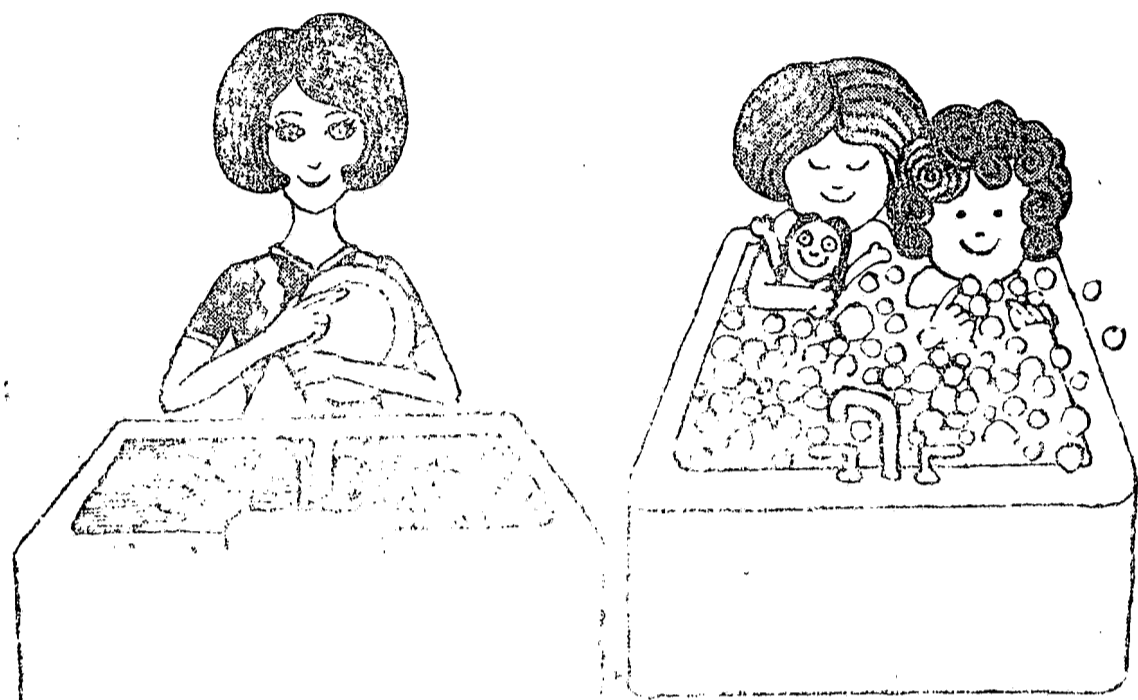

filed with education as students, faculty members, and administrators have a particular responsibility to find the answers."

Rodes added that there was need of a common language to bridge the gap between members of the two cultures.

Largely responsible for the success of the seminar was Rev. Howard J. Gray, S. J., dean of the Columbiere College.

Guests for the seminar included Pasilian, Benedictine, Franciscan, and Archdiocesan seminarians from the Detroit area.

with an electric water heater you get all the hot water you need [and you get your money back]

SATISFACTION GUARANTEED
DETROIT EDISON

What even if you pay for the installation cost. And it doesn't matter where you buy your electric water heater; if it's E.D. approved, the Edison guarantee applies. What heater will you need? Call us. We'll send out a sales representative who can point out the proper heater size and the best location for it. He can also tell you about the low operating cost—as little as \$3.58 a month for a 40-gallon heater. Get all the hot water you need—guaranteed. Call your Edison representative for the dealer who displays the Edison Satisfaction Guarantee sign.

EDISON

TOP AREA WINNERS IN 1964 GENERAL MOTORS SUGGESTION PLAN—Five General Motors employees in the Pontiac area were among 60 in the nation who earned the maximum \$6,000 award in the 1964 GM Suggestion Plan. Pontiac Motor employee, Arthur R. Ripley (4th left) of Clarkston, explains his idea for an engine hose supporting bracket to Earl

A. Boyea, Pontiac Motor (left) of Waterford; John W. Nelson (2nd left) and Eugene Soper (3rd left), both of Fisher Body, and Leonard C. Taise (right) of Clarkston, Pontiac Motor, each of whom also earned the top GM Suggestion Award in 1964. A total of \$79,191 was applied to Pontiac area GM employees in the GM Suggestion Plan last year.

Some tigers are fierce. Some tigers are ferocious. We build both.

It's getting so that choosing between our Wide-Track Tigers is as distressing as it is enjoyable. For instance, should you choose the incredible GTO with its extra helping of horsepower (360), or the way it comes (335)? Or should you go for the Le Mans with a 285-hp V-8, a 250-hp V-8, or 140-hp six? Either way they're all tigers with bucket seats, carpeting and lots of Oh-you-kid!

Quick Wide-Track Tigers Pontiac Le Mans & GTO

Know Your Michigan Law

By Attorney Gen. Frank J. Kelley
(This is a public service article explaining in general terms a provision of Michigan law. Individuals who wish to determine the effect of any law upon their private legal affairs should consult a private attorney.)

"The King can do no wrong." This is an ancient legal doctrine which has application today. In modern times this ancient concept has been used to justify the principle of governmental immunity. Governmental immunity is a legal doctrine which holds that the state is immune from liability arising out of the negligence of its governmental activities or of the state, unless it accepts that liability.

In 1943 the Michigan legislature abolished governmental immunity, but in 1945 it reinstated it except in the negligent operation of state-owned motor vehicles.

Finally, in 1964 the legislature took major action by enacting a bill which affirms governmental immunity from liability for negligence except in four areas:

- 1) The maintenance of highways for use of the public;
- 2) The maintenance of public buildings open for use of the public;
- 3) The operation of government-owned vehicles when operated by state employees and
- 4) When the state is acting in a proprietary function, that is, an activity carried out primarily for the benefit of the public.

Actions against the state for failure to maintain its highways are usually not barred by governmental immunity. For example, a driver who is injured after July 1, 1965, by a pothole in a newly paved highway in the township public road, knows the defect and had a reasonable chance in which to avert the injury, the driver is not barred by governmental immunity. Where the defect existed in the highway for 30 days or longer before the injury occurred, the law of knowledge of the defect and the opportunity to avert the injury is not applicable.

If the state is acting in a proprietary function, that is, an activity carried out primarily for the benefit of the public, the law of knowledge of the defect and the opportunity to avert the injury is not applicable.

Governmental immunity is not applicable to the operation of state-owned motor vehicles when operated by state employees. This means that if a state employee is negligent while operating a state-owned motor vehicle, the employee is liable for the negligence.

New Cinerama To Open In Cass Theatre

The long-awaited opening of Detroit's second Cinerama Theatre, the all new Summit Theatre, will take place on Tuesday evening, March 16 with the Michigan Premiere of "Cinerama Circus World."

The new Summit Theatre was formerly the Cass Theatre, one of Detroit's best known legitimate theatres. Renovated at cost in excess of \$200,000, the Summit will open as Detroit's finest downtown theatre. It is equipped with the latest Cinerama projection equipment including the newest eight channel transistor Cineramasound system.

The opening night will be a charity performance sponsored by the Women's Auxiliary of Children's Hospital of Michigan. The funds raised will be used to purchase a new Promature Baby Ambulance for Children's Hospital.

Mrs. Gerald H. Slattery is Honorary Chairman of the event and Mrs. Clarence Wormuth is General Chairman. Co-chairmen of the fund-raising committee are Mrs. R. Stuart Paves and Mrs. James B. Paton.

"Cinerama Circus World," a Summit Theatre Cinerama presentation, is truly international in scope. It was shot, for the most part, on location in Spain. Among its roster of stars in John Wayne, Claudia Cardinale, Rita Hayworth, John Smith, Lloyd Nolan and Richard Conte.

Performing in the film is the Franz Alfons Circus, the famous European Circus, featuring stars from all parts of the globe, including acts from France, Austria, England, Belgium, Germany, Turkey, Morocco, Denmark, Yugoslavia and Mexico.

For any performance of "Cinerama Circus World" can now be seen in the mail and at any Summit Theatre. Auto Club Branch Office. The modern boxoffice at the Summit Theatre is scheduled to open on or about March 1st.

Cure for Arthritis Likely Very Soon

Hope for an early cure in the struggle against arthritis has been strengthened substantially with the concrete progress made in the last year, according to Dr. James J. Lightbody, medical director of Michigan Chapter Arthritis Foundation, a member of your local United Fund.

Dr. Lightbody explained that arthritis is a disease which has been known for centuries but until recently was considered incurable. He said that recent research trends are moving

to a direct line of attack and added that "new team approaches to diagnosis and a unified effort through expanded programs and methods by the recently organized Arthritis Foundation is doing a lot of good in the nation."

Dr. Lightbody said that in the past few years of research, it has been determined that the disease is caused by the attack of disease

conquered by medical science, Dr. Lightbody declared.

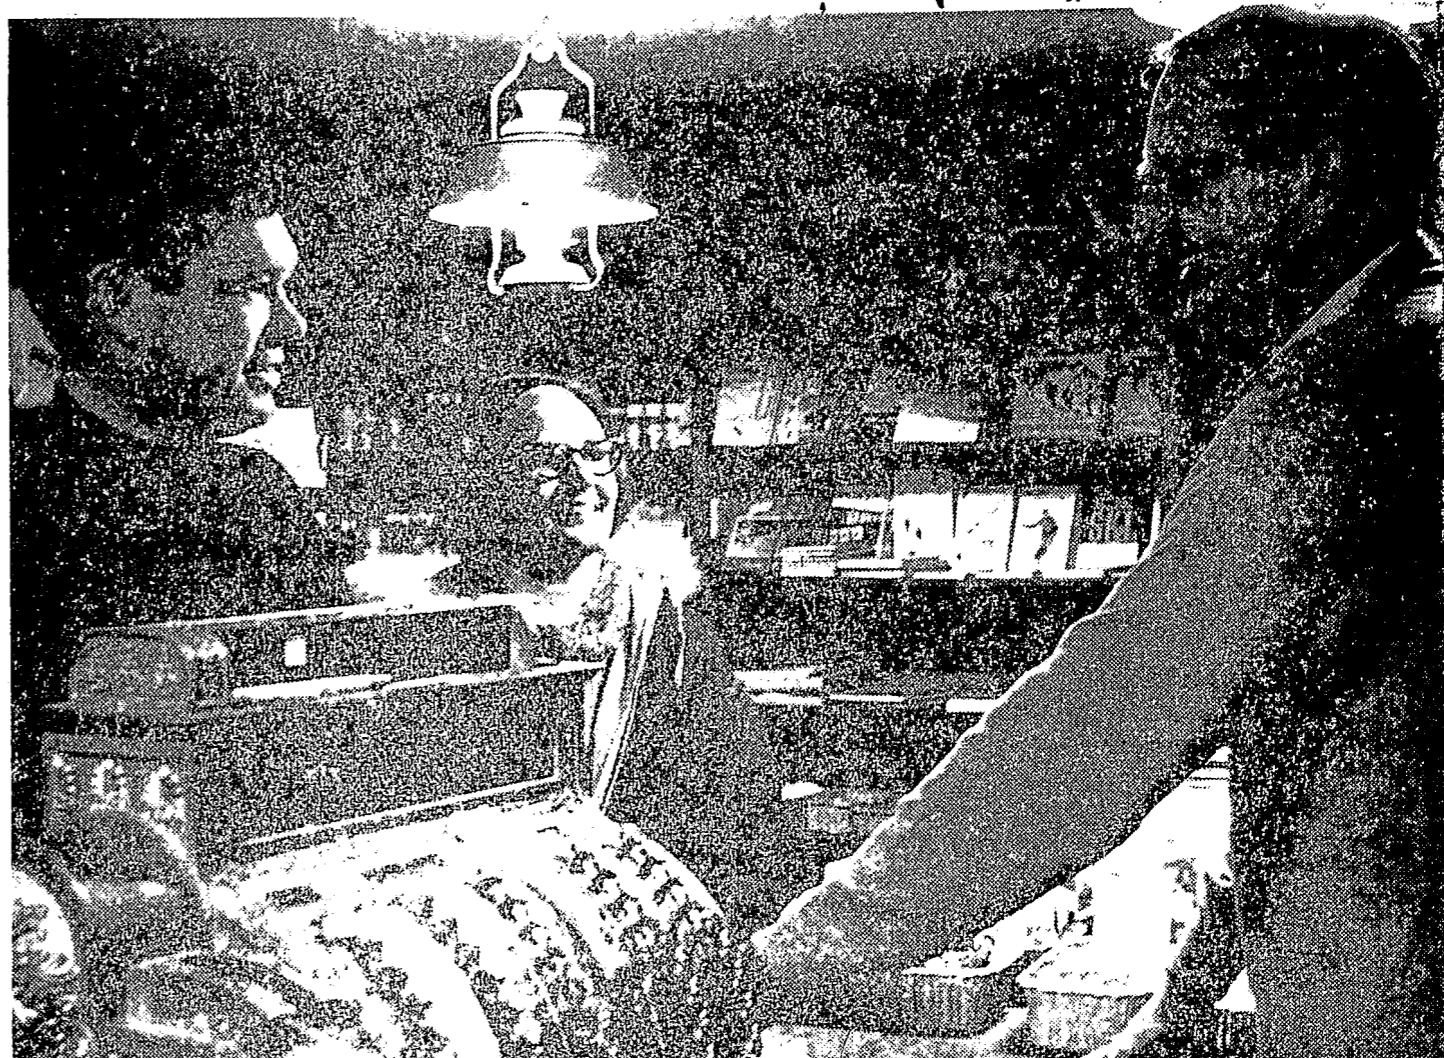

Old theories, once widely held and now being viewed with a new skepticism, Dr. Lightbody noted, are still held that "An interesting new theory of an infectious agent as a factor in the disease is being investigated."

Team research for arthritis sufferers is being reported on sufferer's minimum benefit from the medical care they receive, and plans to research the Arthritis Foundation,

now the sole voluntary health agency combating arthritis, will better meet the challenge of arthritis and rheumatic diseases, Dr. Lightbody pointed out.

Public education and the recruitment of young scientists fighting the disease are stepped-up programs for this year.

Further information which affects arthritis sufferers may be obtained from Arthritis, Box 1914, Detroit 31, Michigan.

Sharp brisk nights and bright sun are drawing Michigan skiers to Northwood ski lodge for a winter vacation and with March corn snow in the air, the staff is well prepared to serve. Among the skiers enjoying a ski week vacation at Bone Mt. Lodge are Mr. and Mrs. John Bell of Clarkston, talking to the Old Storekeeper Tom Swanson.

"The average inactive American man when he reaches age 26 has a middle-age body."

This shocking fact comes from an authority on physical fitness after studying more than 50,000 individuals. Why this early physical decline? Lack of activity—not enough vigorous daily exercise. Today, our children risk all the hazards of easy living. Right now, in fact, one-third of them are unable to pass simple physical achievement tests. That's why it's so important for all youngsters to participate in vigorous exercise for at least 15 minutes during each school day. To learn about a basic fitness program that any school can carry out, send for the free leaflet put out by the President's Council on Physical Fitness, Washington 25, D. C.

February 27 Deadline for Late Plate Shoppers

Late harvest of winter wheat is the cause of the shortage of this commodity which is used in the production of flour. The shortage is expected to last through the summer months. The price of flour is expected to rise from 8.00 cents per bushel to 10.00 cents per bushel by the end of the year. The shortage is expected to last through the summer months.

Secretary of State James A. Hare has it confirmed that 200 branch offices of the State of Michigan are to be closed by the end of the year. The State of Michigan is expected to lose 200 branch offices by the end of the year.

Clarkston to Host District Tourney

Clarkston will play host to Waterford Kettering, Grand Blanc and Milford in district basketball play.

There will be three nights of competition, with Clarkston playing Grand Blanc on Tuesday, March 2 and Waterford Kettering playing Milford, March 3.

The two winning teams will play on Friday, March 5. All games will start at 7:30 and will be played at the Senior High. Tickets will be available at the door.

Clarkston has a record of ten wins and six losses: Grand Blanc is 4 and 11; Milford 4 and 11 and Waterford Kettering 7 and 7.

Clarkston Takes Northville 74-57

Clarkston won their sixth game in a row by defeating Northville 74-57. Clarkston, one of the hottest ball clubs in the league, led at a 15-10 lead for most of the game. They played an excellent first quarter, leading 11-5. Northville is defeated by 15-11 in the first quarter and led 23 to 12 at the first quarter break. This was a 10-point margin by Northville and enabled Clarkston to build up a ten point lead. The Mustangs never recovered from

Powell Truckers Defeat CJHS Faculty

The Ben Powell Truckers defeated the Clarkston Junior High faculty by the score of 71-68. The faculty led throughout the game. However with two minutes to go, the Truckers pulled ahead on two clutch baskets by Jerry Powell and Bill Weston.

The Faculty gave the Truckers a good run for their money, but their great health and size difference led to the downfall of the Mustang Faculty. It was an exciting game with all the prospects going to the March 6 Dimes.
