NUMBER 25

Two Sustain Injuries In Accident on M-15

Clarkston News Photos

The Reverend Alexander Stewart, Vicar of Church of the Resurrection Episcopal in Clarkston is under observation at Pontiac General Hospital following an accident at M-15 and Paramus Tuesday afternoon. The car in the top picture is Reverend Stewart's. The hospital reported his condition as good.

Driving the other car (lower photo) was Bozene Karbownik of 9530 Columbia, Independence Township. Her passenger, Christine Karbownik is in fair condition at Pontiac Osteopathic Hospital. The driver was not admitted to the hospital.

Bozene Karbownik stated that she was going south on M-15 when the Stewart car attempted to, but did not stop at the stop sign on Paramus as he approached M-15. Reverend Stewart denied the statement.

Services Held for Three From Area

LEON B. LEECE

Leon B. Leece of 6052 Middle Lake Rd. in Clarkston, passed away February 25 after a long illness.

He was a member of the First Methodist Church in Clarkston, Campbell-Richmond Post No. 63 of the American Legion and member and past Master of the Ortonville Lodge No. 339 F. & A.M.

Services were held February 27 at the Lewis E. Wint Funeral Home with the Reverend Lewis C. Sutton officiating. Burial was in Lakeview Cemetery.

Surviving besides his wife Ruth, are a brother, Otis of Ferndon, and sister, Frances Leece of Ortonville.

JUANITA L. DEAR

Juanita L. Dear, 56, of White Lake Township passed away February 28.

The Reverend Orville J. Wendell officiated at services March 3 at the Lewis E. Wint Funeral Home. Burial was in Mt. Clemens.

Surviving are her husband, Louis, four children, 17 grandchildren and three sisters.

MAE DREW

Services were held March 3 at the Lewis E. Wint Funeral Home for Mae Drew of 4651 Forrest Drive, Waterford Township. Mrs. Drew died February 28 at the age of 75.

A member of the Central Christian Church in Pontiac, Mrs. Drew is survived by her husband William, three children and a brother and sister.

The Reverend James W. Lemmons officiated with interment in Cawwa Park Cemetery.

Village to Hold Annual Election

The annual village election will be held Monday, March 8 for the purpose of electing a village president, clerk, treasurer, assessor, three trustees for two years and two trustees for one year.

The hours of the election to be held at the Village Hall, 25 S. Main, will be 7 a.m. to 8 p.m.

Boy Scouts Honored At Blue and Gold Banquet

Approximately 130 people attended the Blue and Gold Banquet of the Andersonville Cub Pack 133 Tuesday evening, February 23.

The meeting place was decorated in the appropriate blue and gold colors by Cub Scouts and Den Mothers.

Cy Adams of the Michigan Department of Conservation showed an interesting film on Michigan mammals, followed by a question and answer period.

During the awards ceremony William Trim of Mrs. Glen Sommers' Den 5 was initiated as a Bobcat. Jeff Trim received his Lion badge and one gold and six silver arrows.

Bruce Sommers received his Lion badge and both a gold and silver arrows.

Ricky Detkowski was awarded two silver arrows while Nathan Dixon of Mrs. Ray Smith's Den 3 earned his Wolf badge and Jimmy Loba his two year pin.

David Parker of Mrs. A. Wilcox's

Den 2 received his one year pin.

From Mrs. Pope's Den 7, Jeff Lane earned his Wolf badge and gold arrow.

Mrs. Joyce Butler's Den had Donald Moore receiving one gold arrow, Louie King a Lion Badge and gold arrow and Danny Taylor and Rick Butler their Lion badges.

Unable to attend the banquet due to illness, was Mrs. Helen Kennedy.

Mrs. Glenn Sommers led the group in three songs followed by Mrs. Ray Smith and Mrs. Gil Stuart of Den 3 presenting an impressive candle-light ceremony depicting the seven steps of Cub scouting. Telling of each step were Mark Zelenak, Jimmy Smith, Larry Metrick, Loy and Marvin Perkins, Nathan Dixon, Dennis and Jim Loba and Neil Stuart.

Den 5 with 36 present had the best den attendance.

Cub Master Fred Wilcox presented the following den mothers with pins in an appreciation ceremony: Zona Sommers, Theresa Wilcox, Beryl Pope, Barbara Smith, Barbara Stuart and Joyce Butler.

The Pinewood Derby models were given to each den mother for distribution. The derby will be held Tuesday, March 23 during the regular pack meeting. Trophies will be awarded for speed and design.

Local Boy Finds Crocus in Bloom

Gordon Mason of 6279 Cramlane Dr. called the News office Monday to report he had discovered a crocus in bloom between the garage and house on their property. He is the son of the Milford Mason's.

The crocus is a plant of the iris family with long grass-like leaves and large tubed flowers.

The news will not come as too great a surprise to those who know Mrs. Mason — she has quite a green thumb.

"Annie Get Your Gun" This Weekend

The Lakeland Players production of "Annie Get Your Gun" will continue March 5 and 6 at Pierce Junior High School in Waterford. Curtain time is 8 p.m.

A two act musical under the direction of Patti Hoit the play promises to be a delightful evening for those who attend.

Tickets will be available at the door.

YMCA to Feature Dancing Lessons

The Pontiac YMCA will hold a ten week course for boys and girls beginning ballet and beginning tap dancing on Friday afternoons beginning Friday March 5, 1965. The "Y" will also offer kindergarden for 4-6 year old boys and girls. All classes are open to both members and non-members.

Class fees for the course are \$10 for Pontiac "Y" members and \$15 for non-members.

Schedule of classes:
Kinderballet 3:45-4:30 P.M. Friday
Beginner Ballet 4:30-5:15 P.M. Friday
Beginner Tap 5:15-6:00 P.M. Fri.

All classes will be taught by Mrs. Dolley D'ibley of Usica who is an experienced instructor and choreographer.

For more information, call the YMCA FE 5-6116. The "Y" is located at 131 Mt. Clemens St. in Pontiac.

OES "Sew-Whats" To Meet March 9

The OES "Sew-Whats" will meet at the home of Mrs. Vernon Kath, 5860 Hummingbird Ln., Tuesday, March 9 at 10 a.m.

Members are to take a sandwich and their own table service.

Extention Group To Meet Tuesday

The Clarkston Extension Study Group will meet Tuesday, March 9 at the Community Center.

Starting at 10:00 a.m., the meeting will include a lesson on "Dressing by Design" given by Mrs. Arthur Lausten and Mrs. Bernard Rausch.

Hostesses for the noon luncheon will be Mrs. Frank Williamson, Mrs. Dean Granzow and Mrs. Arthur Lausten.

Rotary Anns Hear Mackinac Story

The Clarkston Rotary Anns held their February meeting at the home of Mrs. A. E. Butters last week. Mrs. Earl Terry was co-hostess.

Illness caused the absence of the president, Mrs. Paul DeLongchamp, so the vice-president, Mrs. A. W. Hawke, conducted a short business meeting. Following the meeting, Mrs. Hawke introduced the speaker for the evening, Mrs. Robert Anderson of Pontiac.

Mrs. Anderson reviewed the book "Loon Feather" by Iola Fuller. This book was interesting indeed as it outlined the early history of the Island of Mackinac. Mrs. Anderson told the story so well that her listeners decided they must read the book.

To close the evening daily refreshments were served.

Modern Hogs Are Reduced in Weight

Modern hogs come to market minus 57 per cent of the fat they formerly carried. Today's pork chop has an average of 5 to 6 square inches of lean meat in the loin muscle compared to 3 or 4 inches in the past.

Diseases Are Killing Seven People Out of Every Ten Annually

More than 10,000 Michigan people 59 years of age or under were killed last year by heart disease, cancer, stroke, and diabetes, according to State Health Commissioner Dr. Albert E. Heustis.

According to the Commissioner, heart disease, cancer, stroke, and diabetes together account for seven out of every ten deaths in Michigan each year. He said that records compiled for the first nine months of 1964 show 20,008 deaths due to heart disease, 8,794 due to cancer, and 5,855 due to stroke -- a total of 34,657 out of the 52,597 deaths from all causes.

"Of course many of the victims of these diseases were aged persons -- to whom death must come in one form or another eventually," Dr. Heustis said. "However, a significant percentage of these were premature deaths that could have been prevented.

"The young business executive

who drops dead from a heart attack -- the mother of a family of teenagers who dies from cancer -- the 60 year-old retiree who is denied the opportunity of enjoying his hard-earned leisure years by a killing or crippling stroke -- these are needless, preventable tragedies which annually account for far more deaths than our highway slaughter," Dr. Heustis said.

He said that in 1963, diseases killed 2,258 persons under 44 years of age, 1,701 between 45 and 49 years of age, 2,626 between 50 and 54, and 3,748 between 55 and 59.

"Considering that 70 years is the normal life span today, these figures represent several hundred thousands of man-years."

The largest group of heart deaths are due to arteriosclerotic and hypertensive heart disease -- hardening of the arteries and high blood pressure -- according to Dr. Heustis.

"A few years ago very little could be done about disability and death in these two categories," he said. "Now, there is good treatment for hypertension which can prevent many of the complications of high blood pressure.

"Things are not quite as hopeful as far as arteriosclerotic heart disease is concerned. We do not know as yet how to prevent arteriosclerosis, but we do know that there are good preventive measures for at least some of the complications and deaths arising from coronary artery disease.

Will Demonstrate Geodimeter on 10th

Independence Township engineer, Howard Kieft, will demonstrate the use of a geodimeter to the Oakland County Engineering Society Wednesday evening, March 10 at Howe's Lanes.

The geodimeter, a device which measures long distances precisely and is used in survey work, is owned by Mr. Kieft.

Men and women of the area are invited to attend the meeting which will start at 7:30 p.m.

Coffee and donuts will be served.

Father of Area Woman Dies After Prolonged Illness

Hubert E. Kuhns, 60, of 703 O'Brien St. in Monroe, died February 17 in Monroe Memorial Hospital where he was admitted January 16. He had been in poor health for months.

Services were held February 20 in the Earle Little Funeral Home with Reverend Dale Kuhns, a nephew, pastor of the United Christian Church in Hubbard, Ohio officiating. Burial was in Woodland Cemetery.

Surviving are a daughter, Mrs. Albert (Thca) Robinson of Clarkston; two brothers, and five grandchildren.

Scout News

GIRL SCOUT TROOP 89

Lynn Tower, Scriber

Inger Lumb came to troop 89 on February 23, 1965 to help observe Thinking Day. She talked about school, Girl Scouts, Skiing and the Climate in her own country Sweden. The climate in Sweden is cold and dark most of the day of winter. She is an exchange student from Sweden. She will return to her home in July.

TROOP 126 ENJOYED OUTING AT LAKE ORION

By Craig Hutchins

Troop 126 went to Oberlee-Bush- (Continued on Page 5)

Birth

Born to Mr. and Mrs. Jack McCall (Kathy Taylor) of Ortonville, a son, Robert Earl, February 25 at Pontiac General Hospital. Robert weighed 7 pounds 8 ounces.

Grandparents are Mr. and Mrs. Robert Phillips and Mrs. Earl Taylor and the late Mr. Taylor, all of Clarkston.

Great-grandparents are Mr. and Mrs. "Bob" Parker and Mr. and Mrs. "Ed" Rimmings all of Clarkston; Mrs. Ethel Taylor of Rochester and Mrs. Vern McCall of Pontiac.

"This includes identification of persons highly susceptible to heart attacks -- those with what we call a 'coronary profile'."

The Commissioner explained that studies have shown that persons with two or more conditions such as a family history of heart disease, high blood pressure, over-weight, high serum cholesterol, lack of regular exercise, and excessive smoking, are potential victims.

"If persons with coronary profiles can be identified and placed under medical supervision, we believe the number of heart disease deaths could be reduced significantly using the knowledge presently available," he said.

Many forms of cancer can be cured today through radical surgery, the use of new chemicals, or combinations of these, but the key is early detection, the Commissioner said. He cited cervical cancer in women as an example for which there is a simple test known as the "Pap smear" to detect the disease in the early stage.

"In spite of the fact that cervical cancer is nearly 100 percent curable when found early, more than 300 Michigan women die from this disease each year."

He said that there is a definite treatment for persons who have early signs of impending stroke, including medication for high blood pressure, and use of anti-coagulant drugs.

"But in order for the treatment to be effective, the condition must be spotted in time," he added.

While declining to comment on President Johnson's proposal to construct medical centers for the detection and treatment of chronic

disease, Dr. Heustis said that much could be done on the state and local level and by individuals in the fight against these killers.

"We need to expand our cancer research facilities at the Michigan Department of Health Laboratories, so as to accelerate the search for effective anticancer drugs.

"We need increased state financial aid to help local health department personnel conduct case-finding programs for the detection of early warning signs of chronic illness.

"We need intensified educational and informational programs to encourage people to practice 'preventive health maintenance' in their daily living, such as eating a good balanced diet, getting plenty of the right kind of exercise, avoiding over-exertion, and seeing their physician for regular health checkups.

"And perhaps most important, we need to encourage adults to quit smoking and to convince young people of the importance of not starting to smoke."

Millionaire Party Soon at OCSC

March 6 at 8:00 p.m. is the date and time of the Oakland County Sportsman's Club Millionaire Party.

Tickets, available at the door, will include games, dancing, raffles, food and refreshments.

The Millionaire Parties have become a familiar activity at OCSC and provide much fun for those who attend.

Scenes like the above car in a drift of snow were the rule rather than the exception following last Thursday's snowfall.

It was 'hip and juck' in downtown Clarkston last Friday following a storm that dumped eleven inches of snow on the area. Traffic jams were common throughout the day.

Clarkston News Photo

By Mrs. Shirley Lynch
Maple 5-1065

Mr. and Mrs. Lee Batchelder and family of California spent Sunday with his cousin and family, the Darrel Batchelder's of Waldon Rd.

Mr. T. J. O'Rourke is taking his vacation this week so his wife and daughter, Linda age 4, will be able to visit her parents Mr. and Mrs. J. J. Masi in Fort Lauderdale, Florida, for a week. Before they leave they will celebrate two birthdays, Christine, 1 year old, February 29, and Mrs. O'Rourke.

The Fourth Nighters Dance Club was cancelled due to the snow. They will hold their regular dance next month.

Chris Seffens has returned to school after being home ill with the hard measles for several weeks.

Karen Temple celebrated her seventh birthday February 27 by

having Shelly Connors as a dinner guest. Karen is the daughter of the Warren Temples of Cramlane Dr.

Chris Buehrig, son of Dr. and Mrs. Robert Buehrig, will be home this weekend. He is a student at Hillsdale College.

The Pinochle Club met at the nesday evening. Mrs. Stanley received the prize for high score with Mrs. Elwin Justice taking home the prize for low score.

Mr. and Mrs. Wallace Whitmer of Wampole entertained eight girl friends of their daughter's (Mary Ellen) last Saturday with an afternoon of roller skating. The occasion was Mary's seventh birthday. Lots of ice cream and cake were eaten before going roller skating.

The "Parables" were to enjoy themselves at the Robert Kloc home Saturday evening but it was postponed until this coming Saturday.

Mr. and Mrs. Keith Densmore of Tappan Dr. were among the few lucky ones to be away from the deep snow. They left by plane for a weeks vacation in Nassau just the day before the storm. Mr. and Mrs. Victor Coleman of Union Lake parents of Mrs. Densmore, stayed with their grandchildren, Mary Ann, Dianne and Joanne while their parents were away.

Mr. and Mrs. Norton Redwood celebrated their wedding anniversary February 28 with friends at the home of the William Hanson's on Snow Apple Dr. with dinner and an evening of bridge.

Mark Baynes, son of the Robert A. Bayne's, will be six March 7 and is hoping the weather stays nice. His grandparents, Mr. and Mrs. Robert J. Baynes of Sheffield, Pennsylvania are planning on being here for the weekend to help celebrate his birthday.

Ronnie Gray is glad this week has finally come. For, if all goes well, he will be getting the cast off his foot and leg. Ronnie's foot was broke in two places four weeks ago and during this lovely snow he has had to stay in.

Scott Chambers was 4 years old February 27. To honor the occasion his family, Mr. and Mrs. Ralph Chambers of Parmus with brothers, Paul and Robbie were dinner guests of the Harold Chambers in Troy, Sunday. Lots of ice cream and cake was on hand.

The Officers Club of Austin Chapter 396, OES met at the home of Mrs. Clarence Davidson of Highland Thursday, March 4. Refreshments were served later in the evening.

Kathy McCann enjoyed her seventeenth birthday which was February 27. Her parents, Mr. and Mrs. Harold McCann held a dinner with Cheryl Slade, Mary McCann, Andy Rossano, Paul Walker and John Slade as guests. The evening was spent dancing to the latest records.

Dr. and Mrs. Don Stackable were guests Sunday evening at the home of Dr. and Mrs. Edwin Gates where a surprise bon voyage dinner was held. Twenty-four friends were on hand to give advice to the Stackables for their trip to Europe. They will be leaving soon with their daughter, Debbie, for Europe and other points of interest.

A birthday dinner was in order for David Lee Taylor who was 3 years old March 1. Grandparents Mr. and Mrs. Paddy Donofrio of Norman Rd. enjoyed the party almost as much as David. Mrs. Taylor's parents, Mr. and Mrs. Peter Rakdy of Frankfurt, Germany sent their best wishes.

Mr. and Mrs. Roy Thomas of Tappan Dr. have been seeing spots lately. Peggy, 3 years old and Greg 1 1/2 years old, have been quite ill with the hard measles but are starting to feel better.

Clarkston Evening Extension Study Group held their meeting March 3 at the home of Mrs. Pete Prader on Clement Rd. Mrs. Arthur Kelley and Mrs. Kenneth McCrum presented the lesson on "Dressing by Design". Refreshments were served.

Mrs. Robert Buehrig has been confined to home for the last three weeks with illness.

Mr. and Mrs. Earl Terry left Sunday morning to spend two or three weeks at Florida's Daytona Beach.

Cindy Porritt, daughter of the William Porritt's on Bluegrass, found skiing a bit dangerous Monday night. While braving the slopes at Pine Knob, along with a friend, Karen Evans, Cindy fell and broke her leg. A sixth grader, Cindy will be out of school for a few days due to her unfortunate accident.

Dr. and Mrs. Ernest F. Denne of Clarkston returned Saturday from a four week vacation in Florida. The Denne's left here January 31 and traveled by car to Largo, Florida where they stayed a week. One night stops were made in Naples, Key West and Miami Beach. From there the Denne's traveled to Palm Beach where they enjoyed the sunny beach, deep sea fishing (no luck) and golfing. They also visited Marine Land at Daytona Beach. Dr. Denne reported that Florida weather was at the 80 degrees mark most of the time they were there, therefore they weren't a bit sorry to miss our eleven inches of snow last Thursday.

Mr. and Mrs. Bill Richard, Mr. and Mrs. T. J. O'Rourke and Mr. and Mrs. Robert Kloc dined at Rip's Saturday evening. Later they danced, and then on to the O'Rourke home for cake and coffee.

Linda Ann Skarritt, daughter of the Hawley Skarritt's had her tonsils removed Tuesday morning. Billy VanCurler of Waldon Rd. in Clarkston had his tonsils out Tuesday morning at St. Joseph Mercy Hospital. He is the son of Mr. and Mrs. Douglas VanCurler.

HAPPY BIRTHDAY: Chad Little, Tull Lasswell, February 23; Diane Wint, Jeffery Laatsch, February 24; Zac Bell, Gwen ApMadoc, February 25; Gill ApMadoc, February 27.

ANNIVERSARY GREETING: Dr. and Mrs. Robert Buehrig, February 25; Mr. and Mrs. John Adams, February 28.

Boy Scouts

Many more boys in the Ottawa District would like to enjoy the fun and benefits of Boy Scouting, but the district is in need of more men to help bring the Scouting program to these boys, according to Edward Goetz, district Scout executive.

Ottawa District, which includes all the territory from Eight Mile Rd. in Farmington on the south to Pontiac Lake Rd. on the north and between Inkster Rd., on the East and the county line on the west, has at present 75 units with an enrollment of 3000 boys and 1400 adult Scouters. Many organizations are ready to sponsor troops, packs or Explorer posts, but men are needed to administer the program.

Anyone who is interested in helping with this vital program may call the Boy Scout Service Center in Pontiac, FE 4-2509 for more information.

Also, any man of the district who is interested in giving some time to Scouting is especially invited to attend the next district meeting to be held at the Aunt Jimema Pancake House in Wixom on Wednesday, March 10. This will be a supper meeting which will begin at 6:30. Films depicting the Scouting program and the part played in it by adult Scouters will be shown.

"You need not make a reservation, just come. You will be most welcome," said Albert C. Graebner, district chairman.

"Scouting is much more than just a program to keep boys busy in their leisure time," he pointed out. "It is preferably the finest, most complete character-building, citizenship training program ever devised. Boys do lots more than just learn to tie knots and cook over an outdoor fire. While they are doing all these things they are also acquiring habits of honesty, loyalty and responsibility, learning to be leaders and to work together."

Men are needed for many kinds of jobs, stated George Otis, chairman of the Manpower Drive. They can help with organization of units, training leaders, planning and directing troop and district activities, such as camporees and weekend camp-outs; assist with advancement training, or work to assure safety and protection for the boys engaged in Scout activities.

"Your contribution of time and effort may make a great difference in the life of a boy, and it will result in great satisfaction and enjoyment for you," Otis said.

Girl Scouting Theme is "A Promise In Action" During Girl Scout Week

"Girl Scouting - A Promise in Action" is the theme for Girl Scout Week, March 7 through March 13. Girls in Northern Oakland County Girl Scout Council will join with almost three and three-quarter million Girl Scouts throughout the country in celebrating the Girl Scouts' 53rd anniversary on March 12. This date marks the anniversary of the first meeting of the first troop organized in Savannah, Ga., by Juliette Gordon Low, founder of the movement in the U.S.A.

Since that first troop of a few girls, more than 20 million members have made the Girl Scout Promise to do their duty to God and country, to help other people at all times, and to obey the Girl Scout Laws of loyalty, honesty, courtesy,

cheerfulness, usefulness, kindness and thrift.

This year Girl Scouts are paying special attention to the "bridges" which give continuity to their program. The program adapts activities related to the arts, the home, and the out-of-doors, to the changing interests and need of girls ages seven through 17, thus "bridging" the four age levels:

Brownie Girl Scouts, Juniors, Cadettes and Seniors.

Members of Northern Oakland County Girl Scout Council will observe Girl Scout Week in a variety of ways. Many will attend church services in uniform on Girl Scout Sunday, March 7. Mother-Daughter banquets are being planned in several areas in observance of the Scout birthday. Events with an international theme are also scheduled.

Another Scout group plans a program for parents and friends to demonstrate troop activities such as knitting, first aid, painting, crafts, singing, foreign cooking, and dramatics.

Throughout the year Girl Scouts meet in troops weekly with their leaders, carrying out the Girl Scout program with the help of the new handbooks, adult consultants, council committee help, and professional staff assistance. Girl Scouts are a member agency of the United Fund.

Service to others is an essential part of Girl Scouting, stretching from the home deep into the community. Many girls as members of Girl Scout troops make favors for hospitals and convalescent homes, bring joy to older members of the community through visits and gifts, feed the birds in the winter, and plant flowers near community centers.

Older Scouts participate regularly

in community parades. Willingly volunteer to act as ushers, serve banquets, make posters and help in community libraries. They also help with troops of younger girls, polishing their own skills by teaching them to others. Currently the Senior Girl Scouts are raising money in their own troops to contribute to the JFK Memorial Library.

The community has the opportunity to help support the Girl Scout camping program by buying Girl Scout cookies through March 21.

Frozen poultry of all types accounts for almost one-fourth of the total per capita consumption of frozen foods. Approximately 86 per cent of all turkey produced in the U.S. is frozen before entering sales channels.

Engagement Announced

Maryann O'Brien

Mr. and Mrs. Frank O'Brien of White Lake Rd. in Clarkston announce the engagement of their daughter, Maryann, to John R. Clark of Pontiac.

The wedding date has been set at April 24.

"What is man, that thou are mindful of him?" This question asked by the Psalmist is explored in the Bible Lesson which will be featured at Christian Science services Sunday. The subject is "Man."

From "Science and Health with Key to the Scriptures by Mary Baker Eddy, these lines will be read: "The human capacities are enlarged and perfected in proportions as humanity gains the true conception of man and God. Mortals have a very imperfect sense of the spiritual man and of the infinite range of his thought" (p. 258).

Egg prices continue low, making eggs an outstanding bargain in protein. This is the time to get out those recipes which call for an abundance of eggs such as souffles, meringues, and puffy omelets.

News Notes from "The Greatest Story Ever Told" Clarkston High Receives A-1 Rating

John Merkel

Last Thursday's Talent Show was cancelled by the snowfall we had. The group met Monday to decide when it will be held.

That means there is still a chance for those of you who didn't attend it last week to see the '64-'65 Talent Show Thursday, March 4 at 7:30 p.m.

Snow or no snow, the Ski Club still had its ski trip.

Tuesday a group of students held a trial after school. As this is being written on Monday, I won't be able to have any details until next week.

Clarkston's last regular game of the season was also postponed by the weather. Fortunately, it was only postponed one day.

Saturday night our boys proved that the Wolves weren't affected by any amount of snow as they charged to victory on the floor of the Holly gymnasium.

With a fairly good regular season behind them already, the team, now has the tournaments to look forward to.

The team that wins when the Clarkston High School Wolves battle Grand Blanc High School will go on to play the winners of the Milford-Waterford Kettering game.

The team that wins that game will be the regional champions.

Here's another result of Saturday night's basketball game. It gave Clarkston High School's Wolves clear title to second place in the league.

Plays are certainly going to be affected the high school this month.

First of course, is "Lullaby," a play being put on by Mr. and Mrs. Moore, and Mrs. Thomas with the help of Ted Hollis, the only student in it.

This is certainly going to be a change from the regular plays put on by the Dramatics Department.

Usually the students are on stage acting with Mr. Moore behind the curtains keeping things running smoothly.

This time Mr. Moore will be on stage. It will be up to the students to keep lighting, curtains, etc. running smoothly.

It's a very good play, and a few more details will be appearing here later.

The proceeds are going toward the musical which follows in April. And there is another play affecting some of Clarkston High School students. Most of the third year French students are going to Ann Arbor the 19th of this month to see

a play performed entirely in French.

It's called "L'Annonce Faite a Marie" (The Announcement made to Mary). It is put on by a company that puts on one play a year in Ann Arbor.

Next week, a few more details on this mysterious trial.

Warning

It has been come to my attention that certain correspondence school salesmen working in the Oakland County Area are using improper sales procedures. Some young people have signed contracts for expensive courses which are not accepted by our high school as credit toward graduation.

Anyone desiring information concerning the procedures to be followed for receiving high school credit for correspondence courses please contact the counselors at Clarkston High School.

The Oakland Area Counselors Association is investigating this situation and I hope to provide you with more specific information in the near future.

Snow - Snow - Snow.
Well, we found out what lots of snow can do.
Snow and wind can cause trouble with the roads.
Our parents didn't like it.

The George Stevens production of "The Greatest Story Ever Told" has received an A-1 Classification from the Legion of Decency which then declared: "this film deserves the patronage of the entire family."

The United Artists release, now being presented in Cinemas as a roadshow attraction at the new Warner Cinemas Theatre, not only received the Legion's highest rating, but also was highly praised by that organization.

Following is the complete text of the Legion of Decency's report on "The Greatest Story Ever Told":

"In this reverent and pictorially splendid work, George Stevens has created the most successful film treatment to date of the life of Christ. In spite of reservations which some may have, either with regard to the length, pace and occasional theatrical effects of the film or concerning the dramatic adaptation of scriptural sources, the cinematic craftsmanship that is brought to the subject matter de-

serves high praise. Moreover, as a work of dedication to the Gospel of Love, this film deserves the patronage of the entire family."

"The Greatest Story Ever Told" produced and directed by George Stevens in creative association with Carl Sandburg was filmed in Ultra Panavision 70 and Technicolor. James Lee Barrett and Mr. Stevens wrote the screenplay.

Following the world premiere in New York on Monday, the picture opened in Los Angeles at the Pacific Cinemas Dome Theatre on Wednesday (17). Both premieres were for the benefit of the United Nations Association of the United States of America and the Eleanor Roosevelt Memorial Foundation. President and Mrs. Johnson were premiere patrons.

The Michigan Premiere will be held at Detroit's Cinemas Music Hall on Tuesday, March 9.

GM Offering Scholarships to High School Seniors

Senior students at Clarkston high school are eligible to apply for nearly 400 four-year scholarships offered by General Motors at more than 200 colleges and universities which participate in the GM Scholarship Plan.

Anyone desiring information concerning the procedures to be followed for receiving high school credit for correspondence courses please contact the counselors at Clarkston High School.

The Oakland Area Counselors Association is investigating this situation and I hope to provide you with more specific information in the near future.

Any secondary school senior or graduate who is a citizen of the United States is eligible for consideration. The initial awards are made to entering freshmen and may be renewed through the normal four undergraduate years for those with satisfactory records. There is no restriction on course of study or career. Stipends range from an honorary award of \$200 to a maximum of \$2,000 per year, depending on demonstrated need.

The participating institutions include 125 private and 77 public colleges and universities in 50 states, the District of Columbia and Puerto Rico.

Participating colleges have full discretion in the awarding of the scholarships. Their scholarship committees review the applicants' high school academic records, available entrance test scores, participation in extracurricular activities and

'65 CHEVROLET

These great performers are the lowest priced models at our One-Stop Shopping Center

Each of these beauties is the lowest priced in its line. But the ride doesn't show it. Or the interior. Or the performance.

That luxurious Biscayne is as roomy as many expensive cars, has color-keyed interiors, plush vinyls, fine fabrics, full deep-twist carpeting.

Chevelle, America's favorite intermediate-size car, has clean new styling, wide doors, roomy, tasteful interiors and Chevrolet easy-care features.

Chevy II got a lot smarter for '65—but stayed sensible! Still family-size, easy to handle, economical, and the lowest priced Chevrolet you can buy.

Or get a sporty rear-engine hardtop in a Corvair Sport Coupe or Sport Sedan for fun in the months ahead.

Chevrolet, Chevelle and Chevy II are available with the Turbo-Thrift Six for fuel economy, quick warmups, quiet idling. It's light, efficient, smooth and spirited.

Corvair's air-cooled rear-mounted Turbo-Air Six delivers the best balance and traction for this size car.

So, be practical. Only you will know. Because it sure won't show!

Robert C. Waters, President
Artemus M. Pappas, Village Clerk

Once you found a parking place in downtown Clarkston last Friday, the next problem was how to get to the stores.

This father and son who live on Almond Ln., like so many others last week, thought they'd never get their driveway cleaned after the storm.

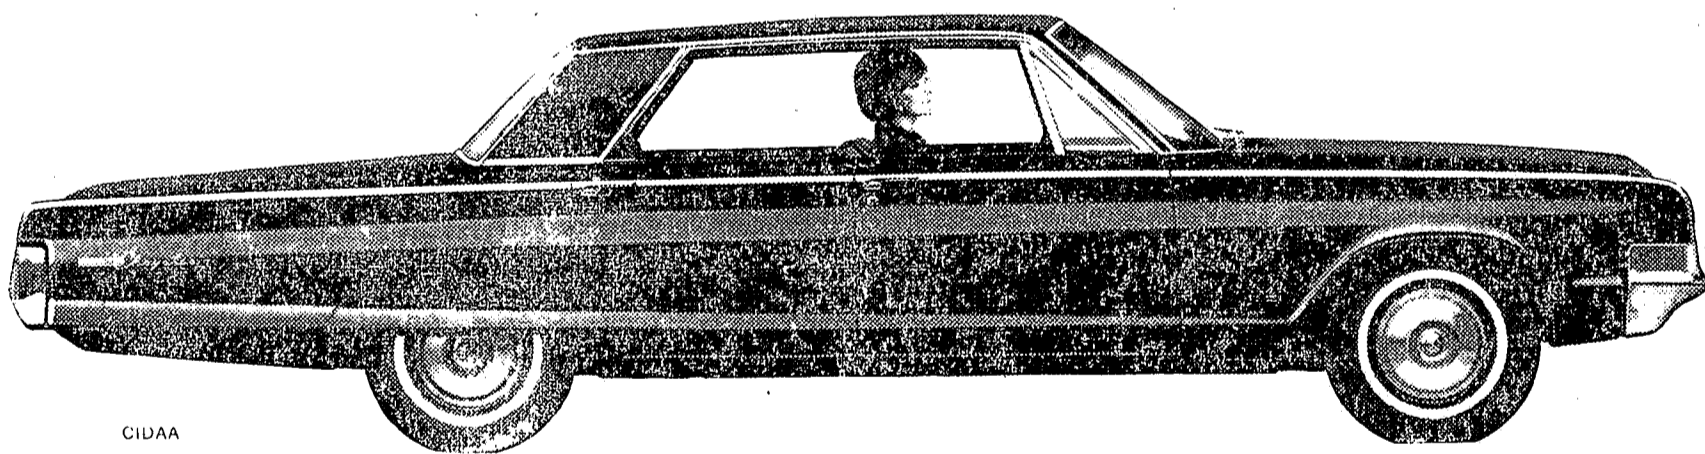

The Clarkston Elementary School appears to be almost buried under the mounds of snow, but, this was the scene after the drive running in front of the school had been cleared. Snow was piled as high as 8 to 10 feet.

Driving north on Peach Drive, drivers suddenly found themselves at a dead end. Unless of course they were brave (or foolish) enough to travel the unplowed portion of the road. These conditions were the same throughout the Township.

UNDEFEATED CHAMPIONS

With the victory over the Keego Harbor team last week and with six other well-earned victories and one tie score, our girls basketball team came home with an Oakland County League Championship.

We are proud of them! Hazel Francis, Betty Hundt, Cecilia Seeterlin, Marian Dunston, Gladys Cundley, E. H. Mortens, Beryl Orr, and Winnifred Holcomb... main players... and Florence Chamberlain, Sarah Lowrie, Charlotte Spencer and Mary Katherine Hammond... reserves.

Much of the credit... is due to Mrs. Dorothy Hittenlocher, who has guided the girls...

NOTICE OF MORTGAGE SALE
DEFAULT having been made in the conditions of a certain Mortgage made by Joseph F. Perrault, Jr. and Dorothy F. Perrault, his wife, to Post Lane Farms, Inc., a Michigan Corporation, dated December 30, 1951, and recorded in the office of the Register of Deeds for the County of Oakland and State of Michigan, on January 3, 1962, in Liber 4261 of Mortgages, on pages 520 and 521, which said Mortgage was duly assigned by said Post Lane Farms, Inc. to the undersigned George Essex and Helen C. Essex, his wife, and Thomas D. Essex, as joint tenants, with right of survivorship, and not as tenants in common, by assignment thereof, dated June 4, 1962 and duly recorded in the office of the Register of Deeds for said County of Oakland, on June 12, 1962, in Liber 4311 of Assignments of Mortgages on page 426 on which Mortgage there is claimed to be due at the date of this notice, for principal and interest the sum of Seven Thousand Three Hundred Twenty Eight and 39/100 Dollars, and no proceedings having been instituted to recover the debt now remaining secured by said Mortgage, or any part thereof, whereby the power of sale contained in said Mortgage has become operative.

Now Therefore, Notice is Hereby Given that by virtue of the power of sale contained in said Mortgage, made in pursuance of the statute in such case made and provided, the said Mortgage will be foreclosed by sale at public auction, to be held at the Court House in the city of Pontiac, Michigan, at the place of holding Circuit Court in and for said County, on May 11th 1965, at 10:00 o'clock Eastern Standard Time in the forenoon of said day, and said premises will be sold to pay the amount so as aforesaid then due on said Mortgage together with seven per cent interest, legal costs, Attorneys' fees and also any taxes and insurance that said Mortgagee has paid or may pay on or prior to the date of said sale, which said premises are described in said Mortgage as follows:

Situate in the Township of Commerce, County of Oakland and State of Michigan described as: Lots numbered 18 and 19, Block 4, Frontage on Mount Royal Country Club & Sub. 2d, part of Section 10, Town 2 North, Range 8 East, Township of Commerce, Oakland County, Michigan, according to plat recorded in Liber 48, Pages 1-1A-1B-1C-1D, Plats, Oakland County Dated February 3, 1965

Notice of Public Hearing

VILLAGE OF CLARKSTON OAKLAND COUNTY, MICHIGAN

TAKE NOTICE that a public hearing will be held by the Board of Appeals of the Village of Clarkston, Oakland County, Michigan, on March 22, 1965, at 8:00 o'clock, P.M., at the Village Hall 25 S. Main, in said Village for the purpose of considering the following changes, amendments or additions to Ordinance No. 34, known as the Zoning Ordinance of said Village.

I. That subsection (2) of section (5) of said Ordinance be amended to read as follows:

2. HEIGHT REGULATIONS. In a Residence "B" District no building shall hereafter be erected or altered which shall exceed thirty-five (35) feet in height from finished grade level nor shall the height of any one-half (1/2) of the building exceed the height of the other half.

II. That subsection (3) and subsection (5) of said Ordinance be amended to read as follows:

3. AREA REGULATIONS. In a Residence "B" District the minimum dimensions of area of yards and courts, and the minimum living area per family shall be as follows:

(1) AREA REQUIREMENTS. PER FAMILY. Every building hereafter erected or altered shall provide living area and lot area of not less than required in the following table for each dwelling (family) unit built.

Type of Dwelling	Living Space	Lot Area
Efficiency or 1 Bedroom	600 sq. ft.	3000 sq. ft.
2 Bedroom	750 sq. ft.	4000 sq. ft.
3 Bedroom	900 sq. ft.	5000 sq. ft.

(2) COURT, INNER. The least dimension of an inner court shall never be less than twice the minimum footage prescribed by this section for an outer court. The length of a court shall never be greater than five times its width.

(3) COURT, OUTER. The minimum width of an outer court shall never be less than twice the requirement for a side yard as described in this section. The required width shall increase six (6) inches for each one (1) foot that the highest point of the tallest adjoining building exceeds twenty feet.

(4) SETBACK. There shall be a building setback line of not less than twenty (20) feet, provided however that, when the majority of the lots on the same side of the street between two intersecting streets at the time of the adoption of this amendment have been improved by permanent buildings, no building hereafter erected or altered shall project beyond the average setback line established by prior construction. PROVIDED that this regulation shall not be interpreted as to reduce the buildable width of a corner lot facing an intersecting street and which is separate and distinct from adjacent lots and is included in a plat or deed of record at the time of adoption of this ordinance. PROVIDED that the building setback shall be as great as that on the nearest adjoining lot if said adjoining building is set back farther than the average setback except that in no case shall the setback be greater than 40 feet.

(5) YARD, REAR. There shall be a rear yard having a depth of not less than thirty (30) feet. An additional six (6) inches shall be required for each one (1) foot of height that a building being erected or altered exceeds twenty-five (25) feet.

(6) YARD, SIDE. There shall be a side yard on each side of the lot of not less than ten (10) feet and where a building exceeds forty (40) feet in length adjacent to residentially zoned property the side yard requirements shall be increased one (1) foot for each ten (10) feet or portion thereof that said extension exists.

III. That new subdivisions (7) and (8) be added to subsection (3) of section (5) of said Ordinance, reading as follows:

7. PARKING. There shall be provided on the same lot three (3) parking spaces for each two (2) dwelling units. A parking space shall be considered to be an area not less than ten (10) feet by twenty-five (25) feet or two hundred and twenty-five (250) square feet per parking space.

(8) SCREENING. A four foot obscuring wall or fence of type approved by the building inspector shall be provided on side and rear lot lines that abut a Residence "A" District, however, said fence shall not extend into the required front yard (setback) space.

All interested parties will be heard.

SPORTS

Fife-Lippert-Pearson Gain Honors

At a meeting of all basketball coaches in the Wayne-Oakland League, they selected an all league team. Dan Fife was selected to the 1st team, Gary Pearson, second team and Ron Lippert, Honorable Mention.

1st Team Selection
Fagen, Holly; Fife, Clarkston; Anderson, Bloomfield Hills; Righter, Bloomfield Hills; Insland, Northville.

2nd team selection
Pearson, Clarkston; Hacht, West Bloomfield; Newcomb, Holly; Evanson, Brighton; Ward, Milford.

Dan Fife is the second sophomore in ten years to gain all league honors in Wayne-Oakland play. The other sophomore was Ron Morlon from Holly, as he made the all league team in 1959.

Clarkston Dumps Holly

I know you have heard of the expression about the University of Michigan basketball team "Down Bloody Nose Lane". Last Saturday in a game between Clarkston and Holly, not only the lane was bloody, but the whole playing floor was a mixture of blood as the two officials let the boys play everything but basketball.

In the second half it became rather ridiculous as the boys were showing, kicking, holding, you name it and a violation was committed. If it was a miracle that none were hurt. With this being tournament time neither Coach McCreary nor Coach Sherman of Holly wanted any injuries to befall the ball players.

It was a nip and tuck ball game all the way, and if a player could free one of his arms long enough to shoot, he was able to score two points. All five starters for Clarkston had a lot of practice shooting one handers with Wilbers and Tipton leading the way with 18 points each. Fife and Red Allen had 10 each with Gary Pearson adding nine points.

Even though it was a rough and tumble game, it was an exciting one to watch. It was close all the way and only when Clarkston regained their pulse in the latter stages of the game were they able to pull out a 65-61 victory.

Clarkston Stumbles Past Grand Blanc

Clarkston had a tough time defeating Grand Blanc in a game much closer than the score indi-

ing. It was a game where Clarkston would score 10 quick points for a comfortable lead, but Grand Blanc would have a rally themselves to make the game close.

Coach Chuck Creasey of Grand Blanc thought his boys had a good chance in defeating Clarkston, because of his superior height. But he commented, "The Clarkston team gave his boys a tesson in rebounding." Coach Creasey was disappointed in his teams free shooting. The Grand Blanc team outscored Clarkston in field goals, but the Clarkston team was superior at the free throw stripe.

Gary Pearson and Dan Fife led the Clarkston team in scoring with 24 points each. When Grand Blanc would rally against Clarkston, it was Fife or Pearson who scored on "clutch" baskets. In a close ball game you turn to the boy who can make the pressure shot, certainly Pearson and Fife made these pressure shots. Ron Lippert chipped in with 11 points and led the team in rebounding.

Tom Delude of Grand Blanc thrilled the crowd with his shooting, as the boy hit on 4 long shots of 30' or more. Delude and McAuliffe led Grand Blanc in scoring with 12 a piece. Grand Blanc was only 4-12 on the season, but they represented their league well in their first play against Clarkston.

Clarkston will play either Milford or Kalamazoo this Friday. Clarkston will have to improve their play for that game as it will be a mighty lonesome Wolves Den.

Tournament Predictions

Once again it's tournament time and 750 schools will start district play. On March 20 there will be only four teams left in the limelight to be crowned champion in classes A, B, C and D.

There will be approximately 12,000 boys competing in the 1965 State Assn. Basketball Tournaments. The state will provide 194 trophies to the winning schools and 2,325 medals to the winning basketball players.

Here are my selections, State Champions on March 20.

In class "A" it has to be Benton Harbor. This team is scoring 100 points a game. They have a high school All American on their team L. C. Bowen. He is averaging 35 points per game.

My second pick is Hamtramck. They have an explosive ball club and also have an All State player in Ralph Brisker. So, it will be Benton Harbor with Hamtramck as runner-up.

In class "B" everybody sticks with River Rouge, but I have to go with Fenton. Fenton is rated number two in the state and I think they have the team and the coach-

ing to take River Rouge.

Rouge has taken four titles in a row and the only team to give them a run for their money was Holly, when LeRoy Decker was coaching them. The score was 48-42. This year Decker is coaching at Fenton and I'm sure he realizes you can't run with Rouge.

Rouge and Fenton meet in the quarter finals. Fenton will be that team.

In class "C" there are several teams with a chance, Portland, 16-0 or Fenwick with a 15-2 record. Fenwick has a boy who is averaging over 36 points a game and he is only 5'7". One could venture up to the UP and pick a team like Hancock as they have a record of 18-0. Another team is Muskegon Christian with a 14-4 record. When they get to Lansing it will either be Hancock or Muskegon Christian, with the nod going to Hancock.

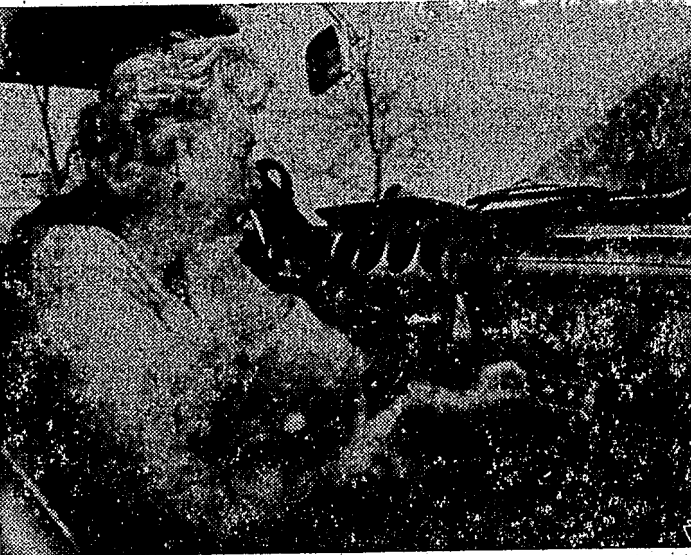

Class "D" has two great teams, Barryton (Mr. Bill Owens a Clarkston teacher was a former Superintendent of Schools at Barryton) and from the U.P. Negaunee St. Paul. Both are powerhouse teams with the nod going to the U.P. team Negaunee St. Paul.

The Old Timer

"The general complaint about cars is that the motors won't start and the payments won't stop."

H.E.L.P. On The Highway Can Be Handy

DETROIT — Plans to encourage establishment of a nationwide communications network to aid motorists in distress have been announced by the Automobile Manufacturers Association.

The system, to be known as H.E.L.P. for Highway Emergency Locating Plan, calls for the use of Citizens Band two-way radio equipment in private passenger cars.

Motorists in need of aid would make their needs known on CB Channel Nine where it would be picked up by a round-the-clock monitoring station within the 10 to 20 mile range of the equipment. Monitors would include volunteer citizen teams, police agencies, road service stations and hospital emergency rooms.

The AMA pointed out that well over two million pieces of CB equipment already are in use. Nearly all are transceivers, which both receive and transmit messages, and approximately half are in motor vehicles.

Officials said the plan grew out of a growing concern by government agencies and highway safety groups over the lack of emergency communications facilities for motorists. They pointed out that this lack will become even more apparent as the nation expands construction of its limited access roadways.

In seeking a solution to the problem, various states and areas have experimented with systems of roadside telephones, solar powered emergency signal systems, roadside radio transmitters and emergency road patrols.

"Such systems, while commendable, may not be the most practical or economically fea-

sible in attempting to cover the nation's entire road system," AMA said. Government agencies asked the industry to aid in developing improved systems.

A special AMA engineering task force has been working for more than a year in cooperation with leading radio manufacturers and volunteer citizen groups.

A number of volunteer groups are successfully operating smaller programs in various parts of the country, AMA said, and are being urged to join H.E.L.P. to effect a coordinated plan throughout the nation.

Transceivers presently are available from radio supply shops throughout the country so that interested drivers can begin using them immediately. Prices vary depending on the number of channels provided and special features offered.

Operation of the transceiver requires merely turning on the set, switching to Channel Nine, pressing a button to talk and releasing it to listen.

Use of the equipment is controlled by the Federal Communications Commission but no operator's license is needed. An application for the required station license, valid for five years, can be sent to F.C.C. when equipment is ordered. Licenses are open to non-residents over the age of 18 years.
