

Township Board to Hear Pro's And Con's on Water Fued

An extremely controversial issue, will be discussed Wednesday, March 17, 7:30 p.m., at the Independent Township Hall. Township officials will try to decide whether to join with or oppose the Genesee Valley Utilities Authority.

In an effort to find out what is good for their community, Independent Township officials have invited board members of the villages of Lake Orion and Oxford and townships of Avon, Brandon, Orion, Oxford, Waterford and White Lake. The planning commissions and/or zoning boards of these governmen-

tal bodies have also been invited. Professional consultants will also be present.

Howard Altman, Independence Township Clerk, has stressed the importance of an orderly meeting. He brought out that the board cannot themselves learn the facts on what is being and has been done by the GVUA if there are too many interruptions.

The Genesee Valley Utilities Authority was formed to seek new water sources for eleven townships. The above mentioned townships are among those being considered.

The GVUA applied for a federal loan to investigate the feasibility of using north Oakland wells as a water source. Five southern Genesee County townships are also under consideration.

Board members of the GVUA have been invited to attend the March 17 Township meeting to give their views on this water feud.

Sherry Moore, MY FAIR LADY's musical director, demonstrated the versatility of the Hammond for accompaniment of musical shows.

MY FAIR LADY's opening musical number, Henry Higgins' "Why Can't the English," was sung by Arnold Taylor, Penny Cook, as Eliza Doolittle, then sang "Wouldn't it be Lovely," accompanied by her Cockney friends, Gary Fitch, Charles Golden, Louise Sexton, Catherine Hoffman, Gwen Ostrom, Anne Lausten and Linda Spencer.

Eliza's father, Alfie P. Doolittle (Paul Taylor) with his cronies, John Merkel and Rodger Chrysler, added to the night's liveliness with their song and dance rendition of the rollicking "With a Little Bit of Luck." Mary Wertman as Eliza and Arnold Taylor as Higgins were joined by Colonel Pickering (Paul Walker) in the frolics of "The Rain in Spain." Mary returned in the next scene with Charlene Bachand (as Higgins' housekeeper, Mrs. Pearce) and the servant (Louise Sexton) to sing "I Could Have Danced All Night."

The final scenes of the program were solos by Ted Hollis (Freddie Eynsford-Hill) singing the show's most popular ballad, "On the Street Where You Live"; Arnold Taylor in Higgins' "I'm an Ordinary Man;" and Penny Cook with "Just You Wait."

Kate McLean to Direct Art Classes

A local artist, Kate McLean, will conduct children art classes at the Waterford CAI Building on Williams Lake Road. The classes will start Saturday, March 13 at 9:30 a.m. They will be two hour classes.

The students will learn the basic fundamentals of drawing still and life like objects in charcoal and pastels.

These classes are aimed at the beginning and intermediate students who want to draw.

For further information call the CAI at Orlando 3-9102.

Miss and Mrs. Michigan Wing C.A.P. Chosen at Military Ball

A highlight of the Michigan Wing Civil Air Patrol Military Ball held at the Park Shelton Hotel in Detroit was the crowning of Miss and Mrs. Michigan Wing CAP. Chief Warrant Officer Kathleen Hawkins (Mrs. Harold Hawkins), representing Clarkston Squadron, was selected Mrs. Michigan Wing CAP for 1965. Chosen by a panel of judges after an interview which determined her knowledge of CAP duties and activities Mrs. Hawkins was presented with a bouquet of American Beauty roses, a sash and a ribbon with her new title lettered in gold. Present at her "coronation" were her husband, Harold, her sons, David and LeRoy and daughter Karen. Karen,

who represented Clarkston Squadron in the Miss Michigan Wing CAP competition, was runner-up to Brenda Walker of Detroit Composite Squadron.

Greeting guests at the Ball were Col. J. Isitt, CAP, Wing Commander and Mrs. Isitt; Capt. A. Schultz (USN Retired), Deputy Wing Commander and Mrs. Schultz; Major J. Gray (USAF), Wing Liaison Officer and Mrs. Gray; and Major R. Gubb, CAP Deputy for Aerospace Activities.

The theme of the 1965 Military Ball was International Understanding and stressed the worldwide scope of the Special Activity Program of

Civil Air Patrol and the International Air Cadet Exchange Program. In the I.A.C.E. male cadets visit foreign countries for four weeks each summer while we are hosts to visiting cadets from abroad. From 4 to 7 cadets between the ages of 17 and 19 will represent Michigan in the I.A.C.E. These boys are top advanced cadets chosen after strenuous state-wide screening.

Carrying out the International theme of the Ball were silk flags of foreign countries on the covers of the programs given to the guests. The International Student Society of Wayne University presented a skin and souvenirs and crafts from many lands were displayed.

Conservatory to Present Music for 2 and 3 Pianos

The Clarkston Conservatory of Music will present a program of music for two pianos and three pianos at the Clarkston High School Little Theater, Sunday, March 14 at 3:00 p.m.

Pianists, Norman Gifford, Sally Dow and Ivan Rouse will present music by such composers as Bach, Adkinsell, Debussy and Rachmaninoff.

Selections for two pianos will be Threnody, Praeludium in E, Clair de Lune, Granada, The Banjo, Warsaw Concerto, Valse-Musette and, Brasileira.

Trefoil in F and Ballet Scherzo, both first American performances, are among the three piano arrangements.

Other selections for three pianos will be Le Petit Reve, Romance and Concerto in C (version by Harold Bauer).

Ivan Rouse, director of the Clarkston Conservatory of Music and organist-choirmaster of St. Andrew's Episcopal Church in Waterford, studied with the late Edward Bredshall in Detroit and with Kazuo Sako in Yokohama. He was pianist for the Yokohama Symphony for several years.

Sally Dow studied with Detroit pianist, Edward Bredshall, followed by six years abroad at the Conservatoire de Paris and with Viennese pianist, Friedrich Gulda at the Salzburg Mozarteum.

A graduate of the Juilliard School of Music and the University of Michigan, Norman Gifford studied with London pianist, Philip Philipovsky and French pianist, Jacqueline de Moor. Mr. Gifford is also a flutist and was a protege of the illustrious Georges Barrere.

Village Residents Elect New Slate

Eighty-six village of Clarkston voters went to the polls Monday and elected the entire Citizens party slate of candidates.

James W. Huttenlocher was elected to a one year term of president with 71 votes.

Re-elected were Clerk Artemus Pappas, Treasurer Mrs. Mary Pappas and Assessor Ralph Thayer. They received 76, 75 and 76 votes respectively.

Robert Wertman with 75 votes and Donald Cooper with 80 were elected to the one-year trusteeships on the council.

James Mahar with 75 votes, Stanwood Radoye with 74 and John Witherup with 74 were elected to two-year terms as trustees.

Norman Daniels and Frank Ronk both received two write-in votes for president.

Receiving one write-in vote for clerk was William Kelly and Donald Beach, one for treasurer.

W. H. Yoh received a write-in vote for a two-year term as trustee.

Members Occupy New Building

The Church of the Resurrection, Episcopal, will hold its first services in its new church building, Clarkston-Orion Road at Perry Lake Road, on Sunday, March 14th, at 9:30 A.M.

The building will be virtually complete at this time, with the exception of a few items of furniture, the most important of which is the pews. However, the pews and the remainder of the furnishings are expected to be installed by April 1st. This will leave only outside work to be completed which, of necessity, must wait until after the frost has completely left the ground.

However, to all intents and purposes, the Episcopal Church in Clarkston is now meeting in its own building.

Clarkston, Michigan

Dear Mr. Wilson:

Thank you most sincerely for your cooperation with our recent Mothers' March. Without the coverage you gave to the various phases of the Mothers' March and other March of Dimes events we could not have achieved our goal.

The MARCH OF DIMES has been successful in aiding in the development of two effective ways of against polio. Now, with the emphasis on birth defects plus present aid for residual polio patients, funds are in greater need.

Our programs of direct patient aid, medical research, professional education of therapists, nurses, and physicians, will continue only as long as you and your media will be willing to cooperate as you have in the past.

Sincerely,
(Mrs.) Dorothy K. Roosevelt

Mrs. Edna Stout, 18th District Auxiliary President (left) presents a permanent charter to Mrs. John Lynch, Clarkston's Unit 63 President as Floyd Tower, 18th District Commander looks on.

Campbell-Richmond Post Auxiliary Presented Charter

Services Held for Rev. William Cullen

The Reverend William A. Cullen of 5640 Maybee Rd., Independence Township passed away suddenly Friday, March 5 at the age of 48.

Married to Ethel VonBerg in Chicago, Ill. on December 25, 1938. Reverend Cullen was a member of the First Baptist Church of Clarkston.

He was last employed as a pipe fitter at Pontiac Motors.

Surviving besides his wife, Ethel and mother, Clemence Cullen, are seven children, Mrs. Joseph Spitate of Benton Harbor, Ernest of Pontiac, David of Walled Lake and Carol Lynne, Cheryl Lynne, Daniel E. and Jerrylynne, all at home.

Also surviving are two brothers, George and Thomas of Chicago, Ill. and three sisters, Mrs. Joseph Hacker of Lansing, Ill., Mrs. Donald Hazen of Grand Blanc and Mrs. Charles Mayhew of New Hampshire.

Two grandchildren also survive. Services were held Monday, April 8 at the First Baptist Church in Clarkston. The Reverend David Dee officiated with interment in Lakeview Cemetery.

Arrangements were made by the Sharpe-Goyette Funeral Home.

Panel to Discuss Problems Between Teens and Parents

Officers and members of the Campbell-Richmond Post No. 63 Auxiliary recently were presented with their permanent charter.

Mrs. Edna Stout, 18th District Auxiliary President from Hazel Park presented the charter on behalf of the Michigan Dept. of the American Legion. Assisting her was Floyd Tower, 18th District Legion Commander and past Commander of the Clarkston post.

Following the ceremony, the list of charter members was recorded and members of the Legion joined the women for a buffet lunch under the chairmanship of Mrs. Homer Richmond.

Officers for the newly formed unit are: Mrs. John Lynch, president; Mrs. Art Kelly, vice president; Mrs. John Adams, secretary; Mrs. Floyd Tower, historian; Mrs. William Jens, chaplain; and Mrs. Lois Jens, set at arms.

Commander John Lynch joined in the past with double honors, and he and his wife Shirley are two of the 5000 privileged Commander and Post, but (man and wife) team to serve for the same year.

Guests for the evening included Paul Beazart, 18th Dist. Sr. Vice Cmdr.; Mrs. Beazart, Dept. Committee member; Gerald Joyce, Dist. Treasurer; Mrs. Joyce, Dist. Aux. Historian; Al Daisley, Auburn Hts. Post Cmdr.; Mrs. Daisley; Hugh McHugh, Post Cmdr. of Dist.; Mrs. McHugh, Post 1 Dist. Pres.; and Joe Stout, Post 184 member.

Panel to Discuss Problems Between Teens and Parents

Teen-agers and their parents are urged to attend a panel discussion on the problems between teen-agers and adults. Sponsored by the Oakland County Council of P-TA, the meeting will be Tuesday, March 16, 7:30 p.m. in the Clarkston High School Little Theater.

Students on the panel will be Dave Coulter, Kris Smith and Gary Fitch.

Adults on the panel will be George Barrie, Elementary Co-ordinator of the Clarkston school system and Charles Jehlie of the Pontiac Police Department. Mr. Jehlie works with teen-agers in special training and rehabilitation. The other panel member will be Mrs. Kenneth Pawley of the Oakland County Council of P-TA.

Steve May, who teaches the class, "Problems of Democracy," will serve as moderator. This Clarkston High School class will submit the questions for discussion by the panel.

Group to Hold Sale March 12

Don't miss this very important meeting. Don't miss it, because IT CONCERNS YOU!

A rummage sale will be held Friday, March 12 from 9:00 a.m. till noon at the Community Center in Clarkston.

The sale will be sponsored by the Women's Association of the Sashabaw United Presbyterian Church.

Members of the Pontiac Central High School January and June, 1945 graduating classes are planning a twenty year reunion.

Class members interested in assisting with arrangements are to meet at the new administration building, 350 E. Wide Track Drive, Pontiac, on Monday, March 15 at 8:00 p.m.

Peace Corps To Give Tests March 13

An opportunity for Clarkston area residents to test their aptitudes for Peace Corps service will come at 8:30 A.M., Saturday, March 13, in room 123 of the Federal Building, 231 Lafayette Blvd., Detroit and room 206, Federal Building, Church at W. 2nd Street in Flint.

The opportunity is the Peace Corps Placement Test. It is not passed or failed, but simply indicates where your greatest potential lies. The Peace Corps Questionnaire, which must be filled out and brought to the exam unless previously submitted, tells what an applicant has done in the past. But the placement test is aimed at showing what he or she can do in the future. Applicants do not have to register for the test ahead of time.

The Peace Corps Questionnaire can be obtained at all Post Offices. On college campuses, they are available at college placement centers or the offices of Peace Corps Liaison Officers, who are members of the faculty or college administration. If you can't find a Questionnaire, write the Peace Corps, Washington, D. C. 20525.

There are two parts to the Peace Corps Placement Test: a general aptitude test and a modern language aptitude test (for which knowledge of a foreign language is not necessary). Applicants should plan on about one and a half hours at the testing center, unless they wish to take the Spanish or French Language achievement test, which requires an additional hour.

Test results are used, with the character references and Questionnaires, to estimate the applicant's potential for completing the intensive training program and his ability to be an effective Volunteer overseas.

Wild Game Dinners Aid March of Dimes

Moose, venison, beef and even spaghetti will be served at remaining Wild Game and Tame Dinners to be held at the following locations for the benefit of March of Dimes —

March 12th — Oxford Tavern — Oxford.

March 18th — Pontiac Lake Inn, Route 59 — Pontiac.

March 24th — Five Spot Bar and Restaurant, 2585 Dixie Hwy. — Pontiac.

A total of sixteen Wild Game and Tame Dinners have been held and nearly \$7,000.00 will be raised for the Oakland County chapter of March of Dimes.

The County Wild Game and Tame Dinner Committee consists of Jack Kinnally, Ortonville; Lou Michel, Ken Cumberworth and Paul Sparrow, Pontiac.

Donations for the dinner will be used to help fight crippling birth defects by providing funds for direct patient aid, medical research, health career scholarships, and support of the Birth Defect Study and Treatment Center, Ann Arbor.

Even comparatively small fixed objects can stop a high powered automobile cold; also the driver and passengers. Chief causes of fixed object collisions according to the Institute for Safer Living of the American Mutual Liability Insurance Company are inattention, inexperience, and misjudgment of distance. Alcohol is a known factor in many such collisions. The most fatalities from this cause occur among drivers from ages 15 to 25.

How everyone must eventually find the "substance" of his own life is brought out in the Christian Science textbook: "It is only by acknowledging the supremacy of Spirit, which annuls the claims of matter, that mortals can lay off mortality and find the indissoluble spiritual link which establishes man forever in the divine likeness, inseparable from his creator" (Science and Health with Key to the Scriptures, by Mary Baker Eddy, p. 491).

News Notes from Local Youths Honored At Many Colleges

John Merkel
The ski club's annual ski trip this year was to Nubs' Nob. They went there for two days of skiing.

The club left Friday at five o'clock and, travelling by bus, arrived at Wolverine Sports Camp at eleven o'clock the same evening.

Saturday morning, the 27th, they left for the slopes and were the first ones to open the slopes for the day.

A chicken dinner greeted the weary skiers when they returned to the lodge after spending the entire morning on the slopes.

Most of the members went to the Pony Trail in the evening to spend a few hours dancing.

Sunday morning they returned to Nubs' Nob and skied until it was time for the bus to leave for the return trip.

The bus returned them to the high school parking lot at 7:30 ending this year's ski trip.

This year the club's officers are Mike Turek, president; Rick Thomson, vice-president; and "Cricket" Embrey, secretary.

The Explorer's Club, a new group at the high school, met in room 224 Friday after school.

Mr. Thibadeau mentioned that he would have considered the club a success if only two people showed up.

A total of twenty-eight interested students showed up for the meeting. The club is off to a great start.

Three faculty members originated this club and put a lot of planning into it. They are Mr. Thibadeau, Mr. Rice and Mr. Rupert.

A few students have made quite deal over the trial put on by the Teens for Christ. You may have heard about it.

I attended this trial personally. Here are the facts so that you may judge for yourself.

The trial, or trials as they turned out to be, were called "Day In Court," with Judge Nolan-Carnell presiding.

The first case was the "People vs. Roger Chrysler." Rüdger, it seems, is a boy who goes around school with his hair "uncombed and his shirt tails hanging out." That was his case.

The TFC could have had a better writer, but they got their point across.

Prosecuting attorney Jeanne Slinkard asked him how he felt, going around like that.

He replied that it was all right and he didn't care.

After a little more of this battling back and forth, the case was given to the jury, who found him guilty. Guilty of what?

Next came the "People vs. Patsy Cook." Patsy was a girl who went around school with her hair ratted and wearing all kinds of make-up. That was her case. Prosecuting attorney Rosanna Rogatz questioned her.

When asked if she knew how she looked, Miss Cook said, "Why should I care? I don't have to look!"

The prosecuting att'y hadn't prepared her case very well. It was up to Miss Cook to answer unasked questions before her case was turned over to the jury.

She was also found guilty. Again I ask of what? No charge had been made in any of these cases.

Prosecuting att'y, Ruth Damon handled the case of "Pat Waterworth and Carol Baker vs the People" in a very forceful manner.

It seemed that they liked to hold hands, etc., in school. The boy sat in the girl's lap on the stand.

They were asked if their parents cared about how they acted. They replied that their parents didn't know.

After a few similar questions they were found guilty by the jury. No charges pressed, no sentence passed, but they were guilty.

"The People vs. Doug Baker" ended the cases before the court.

Mr. Baker's case was that he was a "wierdo." He went around school telling people about religion.

Prosecuting att'y, Mickey Blacker-

by, was the villain this time. He acted as if he were on the stand rather than Mr. Baker.

He sat down and witness, Sandy Berry questioned the defendant. That's right. The witness got to play prosecuting attorney.

Believe it or not, when Mr. Baker's case was given to the jury by witness Berry, he was found not guilty.

Not guilty! He confessed openly right on the stands. Like I said, the trial had a few bugs, but it was a good try.

Thing like the project of the TFC. Yet, to mock the TFC's trial, some Most clubs don't even try any people have taken to bringing their Bibles to school.

None of these mockers even attended the trial. What do they know about what occurred.

The TFC's sponsor is Miss Cor's.

CSU FORESTRY COLLEGE
DEAN'S LIST ANNOUNCED

Dean Clinton H. Wassser of Colorado State University's College of Forestry and Range Management has announced his college's honor roll for the fall quarter of academic work.

On the list is a Clarkston woman, Miss Judith L. Hoffman of 9543 Whipple Shore Dr.

To make the CSU dean's list students must maintain a 3.0 (B) grade average or better in all work for one quarter. The list includes 109 students from throughout Colorado and 23 other states.

LOCAL WOMAN NAMED TO OU DEAN'S LIST

Tor-Olav Heglund of 6085 Cramlane Dr. in Clarkston, a junior at Oakland University, has been named to the Dean's List for the fall semester.

The total honors list includes 185 freshmen, 115 sophomores, 71 juniors and 68 seniors.

KALAMAZOO STUDENT ENGAGED IN OFF-CAMPUS STUDY PROJECT

Richard Foster of Clarkston is among the 40 per cent of Kalamazoo College seniors who are spending the winter quarter off campus engaged in an independent project. The off-campus quarter, required of all seniors, is a phase of Kalamazoo's Plan for full-year education.

Richard, son of Mr. and Mrs. O. F. Foster, 970 Baldwin Rd., Clarkston, is working on a project in the field of chemistry.

This year's seniors at Kalamazoo are well accustomed to taking part in unique programs while acquiring a college education. Their enrollment as freshmen in 1961 coincided with the beginning of Kalamazoo's operation as a year-around college offering four 11-week quarters per year.

LOCAL MAN IN ALMA FRATERNITY

David DeLongchamp, a freshman at Alma College, is a new pledge of the Alma College chapter of Delta Sigma Phi Fraternity. He is the son of Mr. and Mrs. Paul DeLongchamp of 6671 Eastlawn in Clarkston.

In Uniform

Marine Private First Class Charles A. Rockwell, son of Mrs. Grace Rockwell of 11 S. Holcomb, Clarkston, is participating February 23-March 12 in a major fleet training operation called "Silver Lance" off the coast of California while serving with the Fifth Marine Regiment, First Marine Division, Camp Pendleton, Calif.

The operation, under the direction of the Commander of the First Fleet is providing extensive training in every facet of Naval and amphibious warfare. Participating units are receiving training in strike, anti-submarine, mine and countermine, anti-air and electronic warfare.

"Silver Lance" involves more than 60 ships and 50,000 Navy and Marine Corps personnel.

Headquarters and one battalion of the regiment are in the role of enemy units. The remaining two battalions are serving with friendly forces.

In theory, they are the nucleus of a brigade which becomes isolated by a larger enemy force and the balance of the First Division is landed to overcome the enemy.

RICHARD CAVERLY NAMED TO DEAN'S LIST

Richard Caverly, one of 21 Hillsdale College students to earn an all "A" average, has been named to the Dean's List in recognition of his scholarship ability during the first semester of 1964-65. He is the son of Mrs. Edna Caverly of 4955 Oakvista, Drayton Plains.

The operation, under the direction of the Commander of the First Fleet is providing extensive training in every facet of Naval and amphibious warfare. Participating units are receiving training in strike, anti-submarine, mine and countermine, anti-air and electronic warfare.

"Silver Lance" involves more than 60 ships and 50,000 Navy and Marine Corps personnel.

The battalion's task is to support the division my road construction and mine laying and the construction and demolition of bridges.

Be sure that you give the proper signal for the turn you intend to take. Jehovah's Witnesses Plan Bible Conference

Initial plans are being made by the Pontiac-North Unit Congregation of Jehovah's Witnesses to attend a 3-day Bible conference in Crosswell, Michigan, March 26-28.

In announcing the event to the congregation this week, Mr. Joseph LaBarge, the presiding minister, explained the purpose of the conference.

"Jehovah's Witnesses, under the direction of the Watchtower Bible and Tract Society of New York, are interested in fulfilling their ministry and willing to train to achieve this goal.

"The Crosswell convention will be based on that theme. Each minister attending will be able to improve his own personal ministry," concluded Mr. LaBarge.

The conference will be highlighted by the free public discourse "The Moral Breakdown - What Can Be Done About It?" Sunday the 28th at 3:00 P.M.

Check Car Before Summer Driving

A car kept in first class condition is in a class by itself. Urging the need for a spring auto safety check, the Institute for Safer Living of the American Mutual Liability Insurance Company estimates that two out of every three cars driven through the winter have developed minor or major operating conditions which should be corrected before faster warm weather driving. Have a thorough mechanical check up before driving headlong into spring. It means greater safety and operating economy.

Daughters of The American Revolution Meet

Members of the General Richardson Chapter of the Daughters of the American Revolution met Thursday in the afternoon at the Garland St. home of Mrs. Albert Kohn on Sylvan Lake.

Regent, Mrs. T. W. Jackson led in the flag salute and the American's Creed. The National defense program was given by Mrs. Allan Monroe.

Annual reports were given by officers, among which Mrs. Harvey Bidstrup named eleven Pontiac City and area schools in which active Junior American Citizens' Clubs have been organized. Mrs. L. L. Echinaw reported recently sending 500 pounds of clothing to the DAR supported Kate Duncan Smith school at Grant, Alabama. Money and gifts also to American Indians in the West and to the Gov. Wisner Home, our local historical center.

Further plans were made to send delegates to the state DAR conference in Detroit, March 17-19, and to the Continental Congress at Washington in April. Attending that will be Mrs. Jackson and the incoming regent, Miss E. Grace Clark.

Mrs. L. L. Dunlay was hostess chairman for Mrs. Kohn and was assisted by Mrs. Bradley Scott, Mrs. E. D. Benjamin, Mrs. Allan Monroe and Mrs. Harry Bates.

Fabric Softeners Can Be Harmful

One of the newer laundry aids that is used today is the fabric softener. The fabric softeners form a lubricating film on the fabric that help the fibers retain a certain amount of moisture and, therefore, feel soft.

Michigan State University Cooperative Extension Service Home Economists explain that the fabric softeners have no effect on the water as water softeners do. Fabric softeners will help prevent the building up of static electricity, which causes some synthetic fabrics to cling. For best results, fabric softeners should be used in the last rinse, so that the fabric is clean and free of soap. However, using fabric softeners constantly can cause the fabric to become water repellent. Some buyers recommend eliminating the use of the fabric softener for one or two washes, if the waterproofing is not desired.

Michigan State University Extension Home Economists advise that the repeated use of fabric softeners has a tendency to give some white fabrics a grayish appearance. So it is not wise to use this product constantly.

Frick-Hutchinson Vows Spoken in Candlelight

Candlelight vows of Donna Jean Hutchinson and Gerald Lee Frick were spoken before Reverend Harold Johnson February 27 in the Davisburg Methodist Church.

White carnations with lily-of-the-valley were carried by the bride who chose a floor length gown of chantly lace over taffeta with chapel length train, scalloped neckline and long tapered sleeves. A crown of sequins and pearls held her waist length silk illusion veil.

Parents of the bridal couple are the Clyde Hensley's of M-15 in Clarkston and Mr. and Mrs. Earl Frick of Sashabaw Road, Independence Township.

Maid of Honor, Florence Schultz of Drayton Plains, wore a floor length gown of pink satin and carried white roses with blue carnations.

Linda Vincent of Orionville, cousin of the bride, and Ruth Schultz served as bridesmaids. They wore floor length gowns of blue lace over taffeta and carried white roses with pink carnations.

The bridesmaids, Cathy Hensley and Tammy Vincent were flower girls. Ring bearers for the double ring ceremony were Jimmy Reed, nephew of the bride, and Bobby H. Peterson.

The groom's best man while Larry Frick, a cousin, Thomas Brozier and William Sullivan did the ushering.

Coronas for the mothers of the bridal couple were of white carnations and lily-of-the-valley.

A reception in the church parlors followed the ceremony.

Mr. and Mrs. Gerald Frick are now at home in Lake Orion following a honeymoon at the U.P.'s Tahquamenon Falls.

GIRL SCOUT TROOP 433

Laura Biondi, scribe
Last week we found out that we are going to take a knitting class. We are going to make slippers.

A couple weeks ago a Swedish exchange student came to our meeting and told us about Girl Scouts in Sweden.

Last Tuesday we met in the Home Economics Room. We will be meeting there instead of meeting in Room 165 until 4:30 p.m.

We are learning to do some dances. The first two dances were okay but maybe we better practice the last one. So let's get to work and practice it!

BOY SCOUT TROOP 189 NEWS

Tuesday, March 2, Troop 189 got three new scouts. They are Mark Cushman, Jim Seffens, and Joe Crosby. All are former cub scouts from Clarkston.

On Saturday, March 13, Troop 189 will hike out to Kohn's farm. They will carry everything out on their backs.

Scribe, Mark Withers

Oakland County Physicians and Pharmacists Sponsor Poison Antidote Kit Campaign

The week of March 14 thru March 21, 1965 is "National Poison Prevention Week" and the physicians and pharmacists of Oakland County are doing something worthwhile to offer greater poison protection to every citizen in Oakland County, especially the youngsters.

Under the joint sponsorship of the Oakland County Medical Society, the Oakland County Osteopathic Society, and the Oakland County Pharmaceutical Association, a Poison Antidote Kit (PAK) will be made available to all pharmacies in Oakland County by merely obtaining a prescription from your family physician.

Participating stores in the Clarkston, Independence Township area will be O'Dell Drug Store, Professional Center Pharmacy, Wonder Drugs and Pine Knob Pharmacy.

To underwrite the actual costs of making this "PAK" kit available to everyone, a donation of fifty cents (50c), deposited in a canister at your local pharmacist, is requested. However, no one will be denied a Poison Antidote Kit, upon presenting your doctor's prescription, for lack of funds. The "PAK" kit is manufactured by Pharm-A-Lab, Inc., of Hazel Park. It contains two

(2) one-half ounce bottles of Syrup of Ipecac packaged with specific administering instructions in an attractive, identifiable, white, non-breakable plastic box for easy storage in your bathroom medicine chest.

This cooperative campaign, on the part of the Oakland County Medical and Osteopathic Societies, in conjunction with the Oakland County Pharmaceutical Association, is a community wide effort to place a "PAK" kit in every home throughout Oakland County so that, in case of accidental poisoning, an antidote will be immediately, however, before administration of the antidote for verification that it should be used to induce vomiting in your case. Call your nearest Hospital Poison Control Center.

The extreme accessibility to poisonous medicines and household products, to children especially, has increased alarmingly in recent years so the importance of having a "PAK" kit in your home cannot be ignored.

The Emergency Poison Control Center at St. Joseph's Hospital in Pontiac handled over one thousand (1,000) calls on accidental poisonings during 1964, plus the number

which were treated by private physicians is not known but surely hundreds more.

Every citizen (household) is urged to obtain his Poison Antidote Kit (PAK) at his local pharmacy during "Poison Prevention Week" this March 14 thru March 21, 1965.

Two half-ounces of poison protection could mean life or death. Why bargain? The stakes are too high. "PAK" the deal in your favor.

CAI to Organize Camera Club

Community Activities, Inc. (CAI) on Williams Lake Road in Waterford will hold a meeting Thursday, March 18 at 8 p.m. for the purpose of organizing a Camera Club.

The CAI has completed the equipping of a dark room to be used by club members and for class instructions.

Open to children and adults, the Waterford Camera Club could be a helpful class for those interested in photography.

Further information may be obtained by calling OR 3-9102.

Blood Bank Will Visit Clarkston This Month

The Clarkston Area Blood Bank will be here at the end of this month, and all Independence Township residents are urged by the Clarkston Community Women's Club, the sponsoring organization, to save the date.

Under the supervision of the American Red Cross, the Blood Bank is scheduled at the Independence Township Community Center from 2 until 5 p.m. and 8 until 8 p.m. Wednesday, March 31.

Further information or appointments may be obtained by calling the Blood Bank co-chairmen: Mrs. Elwood Johnson, MA 5-3891, and Mrs. William Kreiner, MA 5-1209.

Women's Club Meets Tonight

The Clarkston Women's Club will meet tonight (Thursday), 8:00 p.m. at the Community Center. This meeting was cancelled two weeks ago due to the snow storm.

Members are urged to attend and help with final plans for the blood bank.

Guest speaker for the evening will be Inger Ljung, a Clarkston exchange student from Sweden.

Herbert Thayer, Mt. Holly ski instructor, victor of the Pine Knob Cup Slalom race for pro instructors, comes through the finish gate with the winning time of 23.8 seconds. The time for his second run was 24.8 and the best average over the twenty ski racers from other areas in Michigan.

Ski areas such as Mt. Holly, Boyne Mt., Boyne Highlands, Silverbell and Pine Knob were represented. Kurt Raml, ski director for Pine Knob, was host for this event.

Music Tuition Grants At Oakland University

Auditions for Oakland University music tuition grants will be held Sunday, March 14, according to Walter S. Collins, chairman of the OU music department.

Students interested in enrolling in the University's music program next year and who need financial assistance are invited to appear for auditions from 2 p.m. to 6 p.m. in Room 110 of North Foundation Hall. An accompanist will be available.

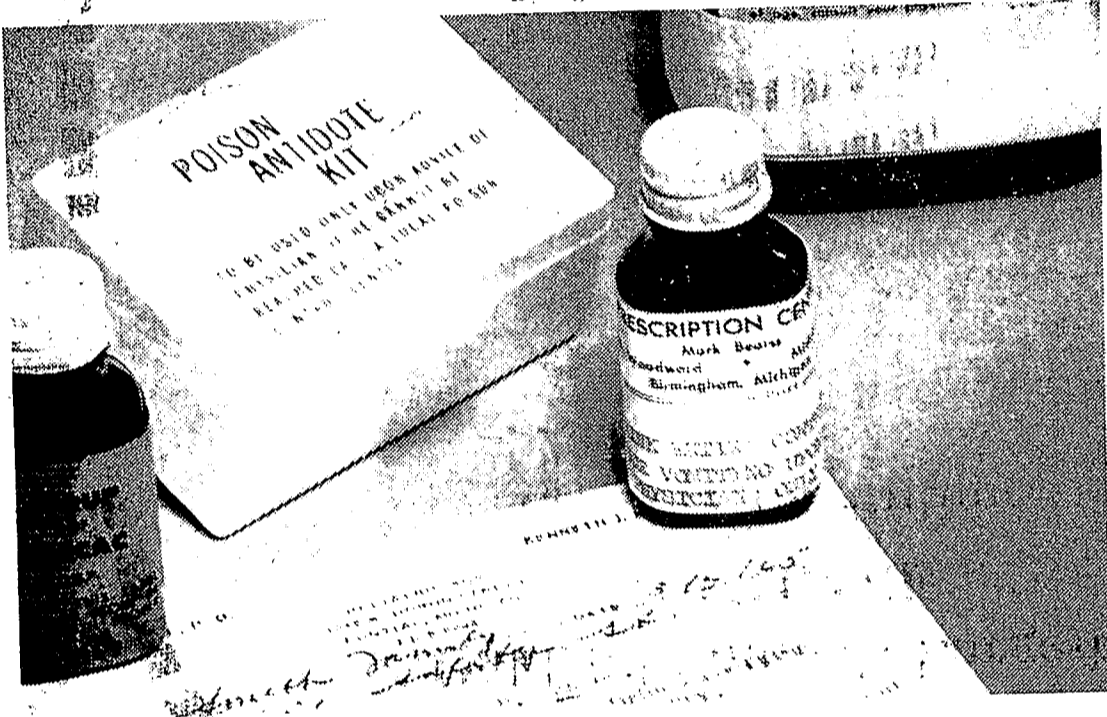

According to Collins, prospective students may perform for the faculty at that time, or submit a tape recording on or before that date.

These awards are not related to these being made for this summer's

Meadow Brook School of Music, although it will be possible for those who have applied to the Summer School to be auditioned on the same day.

Amount of the available grants-in-aid will range up to full tuition. Further information may be obtained from Dr. Collins.

The world's highest artificial jump is located at Iron Mountain, Michigan. The slide has a vertical height of 500 feet with a traveling distance of more than 900 feet. Annual ski jumping events attract competitors from all over the world and more than 25,000 spectators.

The finishing work on the interior of the Professional Center Building on M-15 near Dixie Hwy., has been going ahead at a good pace and according to Keith Hallman the O'Dell Drug Store will open sometime soon after April 1st. This new

pharmacy in the Professional Building is owned by Mrs. Rowena O'Dell and Keith Hallman who have been in partnership for the past seven years at 10 S. Main St., Clarkston.

planet from a star is by its "non-twinkling". As Mars rises higher and higher in the sky, the one of three bright objects (Mars, Regulus, and Denebola) that does not twinkle will be the planet.

Mars Offers 'Close' Look

Stargazers can take a "closer" look at Mars Thursday (March 11) when it reaches its closest distance about 62,000,000 miles - to the earth in two years. University of Michigan astronomer Hazel M. Losh says.

The red planet, rising in the east around sunset, reached "opposition" Tuesday (March 9). About every 26 months, Mars, earth and the sun line up in that order, with Mars reaching its nearest distance to the earth. Mars is then said to be in "opposition."

Mars is located in the constellation of Leo, and may be seen to the right or south of Denebola and below Regulus. "During March," says Professor Losh, "one can easily observe its change of position, its moving westward and finally on toward toward the sickle of Leo."

Isn't it amazing that the Car of the Year is also the buy of the year?
Not really, that's the way we do things.

Who says the Car of the Year has to be expensive? Value is one of the things Motor Trend magazine takes into account when it gives the honor. Witness Pontiac for 1965: it doesn't take much shopping to convince yourself that a buck goes farther at your Pontiac dealer's. He can put you in anything from a swinging six-cylinder model to a roaring 421-cubic-inch tiger with stick shift or automatic transmission. And any model you pick will probably be less than you'd pay for some low-voltage copycat. Top it off with our sleek styling and Wide-Track ride and there's just no comparison. Come to Wide-Track Town—make the year's shrewdest investment.

Card of Thanks

We wish to extend our sincere
thanks to friends, neighbors and
relatives for the beautiful floral of-
ferings and the many, many acts
of kindness during the loss of our
husband and father, LaVern Jarvis,
who passed away February 16, 1965.

Special thanks to Mr. and Mrs.
Harold Goyette, the nurses at the
Medical Care Facilities and the
Reverend Jack Giguere.

Mrs. Hilda Jarvis and
family

I wish to thank all my friends
for the flowers and cards sent me
during my sickness and convales-
cence at home.

Kettering Slips

Past Clarkston

In a game played in front of screaming fans, Waterford Kettering dropped Clarkston from district play 53-51, in overtime play.

This game was a replica of last year's tournament game between these spirited schools. However, Clarkston won 34-32 on 50-50 split Kettering's 16 game winning streak when they were led by

Y. J. Bray, Craven and Gary. This time Clarkston had a 8 game winning streak and coach McGrath and his boys were again at their

This game was close from start to finish. Clarkston had a 9 point lead in the 2nd quarter and the 10 point lead for Kettering was four points. To describe this game, one could use the words "clutch" and "close" will be sufficient. "Clutch" when the game was over, fans had to catch their breath before they left the Clarkston gym.

Clarkston led 13-10 in the 1st quarter. McGrath and Pearson scored 3 baskets each. Lippert added 3

points, and Rod Allen scored his only basket in the quarter. Jim Nyberg had 3 buckets for the Skippers. Kettering played a sticky man-to-man defense and Clarkston played a multiple type defense.

In the 2nd quarter, Sophomore Bob Venturone of Kettering had a hot hand. He hit 4 out of 6 attempts. Kettering's other fine play was by Dale McGraw. He did not play, as he injured his knee when he fouled in 15 points against Milford. Clarkston's Lippert and Pearson scored 5 points each, as Clarkston outscored Kettering 15-14, to lead at half-time 28-24.

Gary Pearson was holding up well after being sent home from school

the day before with a temperature of 101 degrees.

It was a well played 1st half, with only seven fouls called.

In the 3rd quarter, the Skippers made their move outscored Clarkston 15 to 9, to take a 39-37 lead. Dan Fife scored the only two buckets for Clarkston, hit on two free throws. Clarkston took few shots, in an attempt to get the best shot in the quarter. Jim Nyberg again paced Waterford with 6 points. With the strain of Pearson's illness hanging in the air, Coach McGrath decided to give Pearson a rest at the 2:30 mark in the 3rd quarter.

The 4th quarter action was not

a place for a person with a weak heart, as it was one constant heart thumper.

Jim Nyberg paced Kettering with 4 points, and Fife a lead 48 points for Clarkston. All of Fife's points were on free throws. Gary Pearson added 6 points, as the rest was good for Gary. The lead changed hands many times and with 8 seconds remaining, Kettering had a 3 point lead. It was then that Tim McGrath fouled Dan Fife. Fife made the 1st attempt and he decided to purposely miss his last attempt. The plan succeeded as Pearson was fouled on a field goal attempt. Pearson responded with two Pressure Packed free

throws to tie the game 49-49.

In the 3 minute overtime, Tim McGrath sank a bucket. Fife tied the contest with two free throws. With 25 seconds left, Kettering controlled the tip and Jim Nyberg drove in for a difficult shot and scored the winning basket for the Skippers. Clarkston had one more chance at the basket, but the ball hit the rim and rolled off.

Clarkston had a string of 6 straight District basketball crowns. A more enviable record by winning 57 straight titles out of 12 years.

This was the 13 District title for Waterford Kettering. Hats off to coach Joe Dudy and his players for their fine play at Clarkston.
