Increased Area Growth Prompts School Expansion

School Census Begins May 8

Staff workers, totaling 250 in number, will begin a house to house tally May 8, compiling facts and figures for the annual Oakland County school census. Included in the survey will be a regular child count, a federally sponsored survey of the need for vocational high school training in the area and a project of the Department of Public Instruction aimed at finding the proportions of the drop-out problems.

Every pre-school and school age child in the schools of Oakland County will be listed on individual census cards.

A switch to data processing techniques in compiling the census has ruled out the family information sheet previously used in most districts.

Rex Wood, Oakland Schools director of administration, said cards have already been punched and printed for 328,000 children counted last year. Except for children of families who have moved and babies born since May, the census enumerators will merely verify cards for the children of each household.

Information cards for children who have not been counted before will

be punched, printed and added to verified cards. Cards needing correction will be marked, sorted out of the main decks by mark-sense equipment and corrections can be made. Another mark could indicate that the child no longer lived in the district so the card could be eliminated.

Twenty-four districts will use standard cards. The remaining districts have previously used data processing for census and have cards that produce the same information, but in slightly different form.

Electronic processing promises completed returns on the number, age, grade and sex of children in the county by the end of June. October has been the earliest date census information could be compiled in the past.

Special education needs will also be tabulated from individual census cards. A code number indicates if the child is mentally handicapped, blind, deaf, orthopedically handicapped, or has a combination of these conditions.

Census takers have a triple task this year. In addition to the usual count of children, they will also conduct a survey to determine the number of people over the age of 14 who need high school level vocational training. A third survey at the request of the State Department of Public Instruction, will determine the number of youths between the ages of 16 and 19 who are not in school.

Richard Huizenga, assistant superintendent in the Rochester Schools has coordinated the efforts of school business officials to set up a standard procedure for making the three surveys.

A training session for local census coordinators was held April 26 in the offices of Oakland Schools. Classes have been scheduled in each district for the 250 enumerators who will actually make the house-to-house count.

Fire Chief Urges Caution

A grass fire in the Green Acres Hill area blazed over 40 acres of open field last week before being brought under control by Independence Township firemen. Cause of the fire was attributed to children. Two fire trucks and seven firemen were needed to extinguish the blaze.

Nine other grass fires were listed in fire department records for the week. They were located on Snow Apple Drive, Dixie Highway, Clintonville Road, Pine Knob Road, Ensmore, Orion, Estion and Waldon Roads. A swamp fire at Deer Lake on April 26 spread over a 50 yard area of tree stumps before being put out. One fire resulted in a warning being issued to the property owner regarding careless burning of rubbish.

Fire Chief Don Beach urges extreme caution at this time of year regarding the burning of trash, leaves or other rubbish. Because of the dry ground conditions and spring winds trash fires must be closely supervised he said. Chief Beach commented that burning rubbish without a permit is in violation of an existing township ordinance and punishable by fine.

Goines Found In Contempt

Scott Goines of Pine Knob Road, charged with violating the Independence Township zoning ordinance, was sentenced to five days in Oakland County Jail Tuesday when he appeared before Circuit Judge Frederick Ziem. He was found in contempt of court for failure to remove within the allotted time the junk cars located on his property.

Representing Independence Township in the move to rid the area of unsightly conditions was township attorney, Paul Mandel.

Death Takes Pedestrian

An April 27 auto-pedestrian accident on I-75, south of the Waldron Road overpass, resulted in the death of LeRoy Lavigne, 47, of Holly, Flint resident, Raymond Jenkins, 37, was driver of the car.

According to the Michigan State Police department, Jenkins who was going south, did not see the pedestrian and thought he had hit a deer. Following questioning he was released.

Judy Kay Williams, 8, of 3355 Addie, Drayton Plains was taken to Pontiac General Hospital Monday suffering from injuries received in an auto-pedestrian accident at Sashabaw and Monroe Roads in Waterford Township. Driver, Edna Heaslip, 34, of 6641 Mason Drive, Waterford, was not held. According to police the child ran in front of the Heaslip car.

Involved in a two car collision April 26 on Dixie Highway south of Andersonville Road, were Terry Hunt, 18, of 6536 Northview, Clarkston and Antoinette Ross, 38, of 3290 Schoolhouse Drive, Drayton Plains. The Ross auto was struck from behind while waiting to turn left off Dixie. Hunt was taken to Pontiac General Hospital.

SECRETARIES HONOR BOSSES

Willard D. Cheek, senior physicist at the General Motors Research Laboratories, will be the featured speaker May 11 when Oakland Association of Educational Secretaries hold their annual bosses' banquet.

Joe Bechard, principal of Troy High School, will be toastmaster of the event which will take place at Roma Hall in Livonia. Dinner music will be furnished by the Al Hopper Strolling Duo with Mannie Aquino as vocalist.

Blacktop Project Begins in June

Independence Township Board members were informed last week by Oakland County Road Commission that bids on the Waldon Road black top project from Sashabaw to Almond Lane have been awarded to the Ann Arbor Construction Company at a cost of \$18,897.

Preparatory work for the blacktopping, which will begin in June, was completed last year. Nineteen sixty four township portion expenditures on the Waldon Road project amounted to \$27,118.

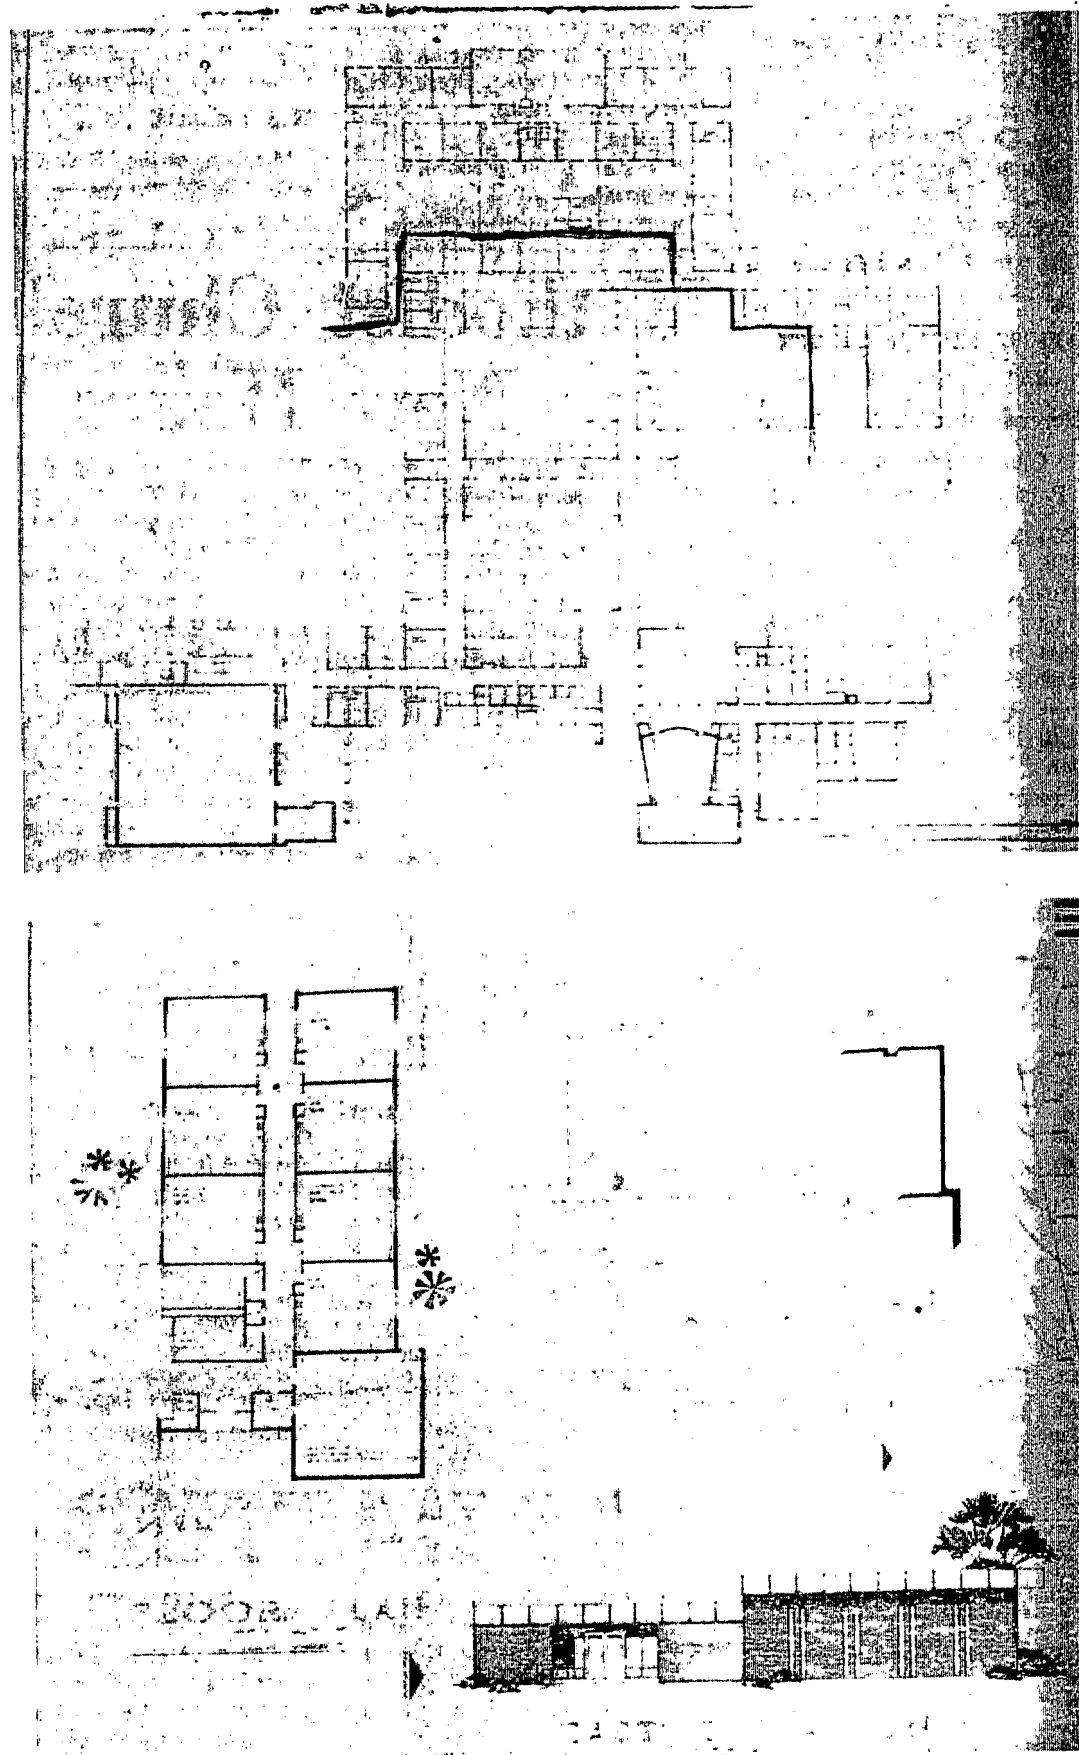

Suspect Quized Party Store Murder

Stating that the circumstances of a murder committed in Warren last week were similar to the February 8 Party Store murder on Dixie Highway, Oakland County Sheriff's Department revealed this week that a suspect is under investigation and in the process of being questioned.

Donald Wilkinson, 23, of Ferndale, has admitted the 22 sawed off rifle murder in Warren. A 22 sawed off rifle was also used at the Dixie Highway murder scene.

Wilkinson, an ex-convict, has been involved in several breaking and entering cases.

There are more than 1,500 railroad cars to transport the New York City telephone directories from Chicago which prints the major volume of the nation's telephone directories.

Top photo shows the preliminary drawing of the proposed high school addition area (above the heavy dark line). Lower photo is the site and floor plan drawings of the proposed Bailey Lake Addition.

Two Additions Being Planned

As a result of increased need for additional facilities, the Board of Education of Clarkston Community Schools has authorized additions at the high school and at Bailey Lake Elementary. Preliminary estimated cost figures have been placed at \$1,030,770 with funds for the project coming from the \$3,000,000 bond issue approved by voters in February.

Plans call for an expansion of 42,800 square feet to the high school, increasing its current capacity of 1000 students to a new high of 1500, and an 11,057 square foot addition to Bailey Lake. (Detailed preliminary drawings may be seen at the left).

New facilities at the high school, amounting to \$358,600, will include an enlargement of the vocational training program. Additional space will be available for automotive mechanics and technology, small engine repair, basic electricity and electronics, welding, machine work and drafting.

Classrooms for business education and social studies also will be erected and the present language laboratory is to be moved to an area designed to meet the increasing needs of the foreign language department.

The Bailey Lake School enlargement calls for nine class rooms, one big enough to handle groups of up to 100 students. Primary function of the oversize classroom will be to accommodate the needs of the audio visual department and to have an area for community meetings.

The expansion program, in the initial planning stage, resulted from long range discussion sessions between faculty and administration staff members regarding present and future growth needs and student enrollment.

Dr. L. F. Greene, superintendent of schools stated, "The new Bailey Lake School was constructed from surplus monies remaining from the \$2,500,000 senior high school bond issue in 1958. It was not possible to build the school larger at the time," he continued, "as available funds were not sufficient. The approval of the \$3,000,000 bond issue by the electorate in February provided authority for the board of education to expand school facilities together with the erection of other new facilities."

Dr. Greene explained that the elementary addition is receiving initial consideration because the school was over crowded by the time it was completed and secondly, the additional nine rooms can be erected sooner at that location than at any other site.

Upon the completion of the Bailey Lake and the high school additions, a new elementary school building project will be started along with consideration for additions to, or new, junior high facilities.

"It is hoped that this procedure program will provide the necessary facilities to meet the increasing enrollment rapidly enough to avoid any half-day or otherwise curtailed school program," Dr. Greene said.

EDWARD BUTTERS

Safety Patroller to Visit Our Nations Capital

Eleven-year-old Edward Butters, of 6470 Waldon Road, will represent 85 Clarkston-area safety patrollers at the AAA National Safety Patrol Rally in Washington, D.C., May 6-9. He is the son of Mr. and Mrs. Spencely Butters.

Edward, a patroller at Clarkston Elementary school, will be the guest of Automobile Club of Michigan during its annual all-expense-paid trip to the nation's capital.

He will be among 130 Michigan patrollers representing 65,000 fellow patrollers at over 2,500 schools. Each patroller has spent about 180 hours at street corners protecting classmates during the past year.

Michigan youths will join 25,000 patrollers from 20 other states and the District of Columbia upon arrival in Washington May 7. They will march in a five-hour morning parade down Constitution Avenue,

annually the longest parade in Washington.

The parade pays tribute to the safety efforts of the nation's 850,000 patrol members. Seventy-five bands and 80 floats will be featured. Patrollers will carry "Bring 'Em Back Alive!" banners -- a safety slogan familiar to this state's motorists and pedestrians for the past four years.

Youngsters from 105 Michigan communities chosen to make the trip will converge on Detroit by bus May 6 from Muskegon, Kalamazoo and Saginaw. The three buses from those points will join a Detroit bus at the Veterans Memorial Building that afternoon in a Greyhound caravan to Washington.

They will spend May 7 and 8 seeing the sights of Washington and will be returned to their homes by Sunday, May 9.

INDEPENDENCE TOWNSHIP LIBRARY THEN

Township Library Changes Hands

Changing from a private library to a public facility involves much more than a fresh set of crisp draperies at the windows and a new broom in the broom closet, as township board officers well know.

Independence Township library, founded and voluntarily operated by civic minded members of the Clarkston Women's Club, will officially become a public library Saturday in a dedication ceremony placing it under the jurisdiction of the township.

Behind the scenes action in the operational transfer has included a meeting with Michigan State Library representatives to determine proper precedures to be taken.

According to Township Clerk Howard Altman, who attended the Lansing meeting last Monday, certain requirements must be met to qualify for state aid and benefits. He also stated that a three year grace period has been given in order to set up the minimum standards.

Coming under the heading of a Class Three library, (serving a population of 5,000-12,999) the standards to be met will include acquiring a chief librarian holding a five year certificate and an assistant who has a certificate of library experience and having completed two years of college.

Research has shown that Printing is truly "The Art Preservative of all Arts" with approximately ninety-two per cent of the knowledge we accumulate being gained through the printed word.

The library must also be open to the public a minimum of 40 hours per week, and it was recommended by the State Library Board that the book stock be built up according to five basic objectives -- education, information, aesthetic appreciation, recreation and research.

Altman commented that in the near future, possibly next month, a library advisory board will be appointed by township officials. "It is felt," he said, "that there are several community residents qualified to serve on such a board."

Following appointment, the group will meet with state field representatives for operational discussions. The township will receive state aid for the facility at the completion of the first full year of operation. Certain requirements to be met still by the township are to notify the County Clerk and State Library Board that the library has become a public facility; a separate bank account must be established; appoint a librarian or acting librarian and such personnel as required. Library hours are yet to be determined as are non-resident card fees and fines. Adequate insurance protection for employees and the building must also be provided.

Future library plans under consideration by the township board officers, is the establishment of a mobile library unit to serve outlying township areas.

Building Permit Tally Revealed

Independence Township building permits totaling an estimated value of \$189,996 were issued during the month of March. The figures show a substantial increase over both January (\$88,200) and February, (\$98,095).

Of the 17 permits issued in March eight were for new house construction, seven for remodeling and additions, one for a service station and one for a garage.

The spiritual requirements for release from guilt and suffering will be examined at Christian Science church services this Sunday. Subject of the Bible Lesson is "Everlasting Punishment." Included in the scriptural passages to be presented are these verses from Ezekiel: "Make you a new heart and a new spirit. For I have no pleasure in the death of him that dieth, saith the Lord God: wherefore turn yourselves, and live ye."

These related passages will be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The way to escape the misery of sin is to cease sinning. . . The belief in sin and death is destroyed by the law of God, which is the law of Life instead of death, of harmony instead of discord, of Spirit instead of the flesh" (pp. 327, 253).

THE CHURCH FOR ALL ALL FOR THE CHURCH

Ever thought about that word — its deep, stirring meaning? We start out as part of a family. And even though we know we are "little" it doesn't matter. We are part of the family—that's important. And what we will become—the family is looking out for that!

Then one day we are grownups. And again we are part of a family. But now we are "big." Oh so big! For what the rest of the family will become—that depends on us!

How important a part did the Church play in your transition from being little to being big? Well, in this free land, the chances are good that you grew up spiritually as well as physically.

But, even if you didn't—it's not too late! Not only can you see your children off to a free and fine education, but you can come with them to church . . . where the "little" and the "big" learn of GOD . . . where the truth of Christ's teaching guides the destiny of THE FAMILY.

Mr. and Mrs. Richard Kronmayer and family of Chickadee have returned home after a two week vacation. They enjoyed visiting relatives in Evansville, Indiana, Fort Rucker, Alabama and Ft. Petersburg, Beach, Florida. While in Florida they visited many points of interest.

Party two "Parables" enjoyed a

steak fry at the Calvary Lutheran Church Saturday evening. Guest speaker was Capt. Waide of the State Police "The Parables" learned, through pictures and talk, the work of the State Police. In charge of hosting the evening were Mr. and Mrs. William Fawcett, Mr. and Mrs. Rodger Olney and Mr. and Mrs. Donald Cooper.

Mr. and Mrs. J. D. Powell of Church St. celebrated their fifth anniversary with Mr. and Mrs. Mel Kramer of Drayton Plains who were celebrating their second anniversary. The couple dined at Rip's and then went to Howe's French Cellar for an evening of dancing.

Mrs. Edward (Ethel) Craft has returned home from the hospital and is on the mend.

Belated Birthday Greetings to Anne Bennett, Ruth Johnson, April 23; Stuart Conroy, April 24; Stephen Rose, April 25; Margaret Kevch, Cheryl Wilson, April 26; Sharon Fahrner, April 27; Gordon Mason, Ricky Clements, Beth Cowen, April 28; Evelyn Cushman, Bertha Baker, Linda Williams, April 29.

Celebrating anniversaries recently were Dr. and Mrs. Billard and Mr. and Mrs. Richard Surro, April 24; Mr. and Mrs. Romo Raibbarth, April 25; Mr. and Mrs. Jim Martin, April 26; Mr. and Mrs. Pat Thomson and Mr. and Mrs. George Gray, May 3.

Happy Birthday, Mike Seemon; Peggy Dougherty, Mrs. Steven Lucia Wilford, May 1; Betty Richard, Mary Hankley, May 2; Mary Pappas, Julia Wood, Jane Lock, also, May 3; Tudor Ap. Madon, Patrick Dano, Tracy Nowhardt, May 4; Herbie Beach, May 5; Marie Keli, Elva Schwarz, May 6.

Follows Candelight Vows Niagara Falls Honeymoon

MRS. HUBERT LOUIS HICKS

Wearing baby blue floor length gowns of chiffon over taffeta the bridal attendants preceded Sharon Marie Turner in her April 26 marriage to Hubert Louis Hicks. The candelight ceremony was held at Emmanuel Lutheran Church, Ypsilanti with Reverend Paul Bretzlaff officiating.

Parents of the couple are Mr. and Mrs. Clare W. Turner of Ypsilanti and Mr. and Mrs. Hubert Louis Hicks of Maple Drive, Clarkston.

Sharon chose a bridal gown of floor length white print tiered lace featuring a fitted bodice and full skirt ending in a chapel train. Her bouffant elbow length veil fell from a tiara of pearls and she carried an arrangement of orchids, white roses and carnations.

Sharon Dorow of Belleville served as maid of honor and bridesmaids were Dawn Hicks of Clarkston, Judy Novak of Ypsilanti and Tammy Waltz of Concord, California. Flower girl was Toni Waltz of Concord,

News Notes from Clarkston High

John Merkel

Whoever said that good things come in threes knew what he was talking about. If good things come in threes, what are things that come in sixes, such as Clarkston High School's first musical "My Fair Lady" by Lerner and Loewe?

If you haven't gone to see it yet, you'd better hurry. This Thursday and Friday at eight o'clock the last performances will be held.

Why should you come? To see the result of the months of work put into the play by the cast, Mr. and Mrs. Moore and several parents if for no other reason.

The play is a very good one. Everyone who saw it the first three nights enjoyed it immensely.

Here are a few examples of what you will see when you come.

The curtains open, after a short musical introduction, to reveal a street scene just outside a London opera house.

Eliza (Mary Wertman) and her flowers are knocked into the mud by Freddy Eynsford Hill (Ted Hoffis) which sets the wheels of the play into motion.

Next Henry Higgins (Arnold Taylor) comes down the opera steps and berates the way Eliza murders the English tongue. This has an effect on Eliza.

After overhearing Higgins say to Pickering (Paul Walker) that in six months he could pass her off as a dutchess at an Embassy ball, Eliza goes to Higgins home to pay him to teach her English.

Pickering is intrigued by the idea and Higgins decides to teach Eliza to speak English; especially when Pickering bets the cost of the experiment on the outcome.

Eliza has a "dress rehearsal" for the Embassy ball after Higgins feels she is ready. He takes her to his mother's box at the Ascot race track, where she meets a few English peers.

But, something happens at the Ascot. Something that gives both Pickering and Higgins' mother (Carol Taylor) qualms about the ball.

Still, Higgins has his way, and Eliza goes to the ball.

Trouble lurks at the ball for the quartet, however. Prof. Zoltan Karpthy (Charles Pearson), a master of languages and a blackmailer, shows up very eager to get hold of Eliza.

During the waltz he gets his

chance as the partner exchange is made. The last we see of Prof. Karpthy is when he is taking Eliza out of the ballroom.

Again I leave you at that, suspense-filled point. What comes after that may be seen tonight or Friday in the high school auditorium at eight o'clock.

Tickets are available.

As you know both Mary Wertman and Penny Cook are portraying Eliza Doolittle; each on different nights. Mary portrayed Eliza last Thursday and will close the show tonight and Friday. Penny carried the role for the center nights of the show last Thursday and Friday, and this Wednesday.

When you see the curtains open and all of the various sets that are used for this play, I think you'll agree that Lerner and Loewe's "My Fair Lady" was handled marvelously by Mr. Moore, the director, Mrs. Moore, the musical director and the thirty-five students who make up the cast and stage crew.

Harvard University Library has a collection of more than six million printed volumes.

Club Women to Observe Annual Extension Day

"Aloha" and "Appearance by Design" will be the theme of the day, when 400 M.S.U. Extension Women of Oakland County gather for their annual Extension day program.

The event will be held on May 5 from 10 a.m. - 3 p.m. at Central Methodist Church in Pontiac.

Included in the morning program will be speakers Miss Anne Field, M.S.U. Extension Specialist in Home Management and Mrs. Herman Trost of Troy, Extension council president of Oakland Co. They will talk on and show slides of the National Home Economics art Family living Conference held recently in Hawaii. A Hawaiian luncheon will be served by the ladies of the church.

New Extension Groups 25 year members, and new council members will be honored.

Afternoon speaker, Miss Joan Jewett of the Joan Jewett Modeling School in Lansing, will lecture on the "Natural Look".

Council members planning the event are: program, Mrs. Berle Dean of Wixom; Registration, Mrs. Raymond Nelson of Commerce; Decorations, Mrs. Robert Elbert and Mrs. Robert Pursley of Rochester, Mrs. R. Steinman of Commerce and Mrs. Gerald Wright of

Pontiac. Hostess for the event will be Mrs. John White of Drayton Plains, Mrs. Edward Schultz of Davisburg, Mrs. Francis Ashley and Mrs. Richard Haban of Pontiac, Mrs. Otto Wagner of Rochester, Mrs. Alfred Volz of Commerce and Mrs. H. P. Smith of Royal Oak.

The invocation will be delivered by Oakland County Extension Director, Mrs. Lyle Abel. A glimpse into the 1965-66 M.S.U. Extension program for Oakland County will be given by Home Economics Agent Mrs. Carol Kurth.

Area O.U. Student Receives Degree

Among the 211 graduating students at Oakland University's third commencement last Saturday was David J. St. Clair of 9730 Dartmouth who received a bachelor of science degree in chemistry.

Other area graduates included Ginger J. Dodge of Lake Orion who was awarded a bachelor of arts degree in elementary education and Gary L. Bandy of Ortonville who received departmental honors and a bachelor of arts degree in art.

Local Family Will Tour England

Clarkston News Photos

Starting on the first lap of their journey to England are Mrs. Harold Fitch and son Keith (in the car) of Clarkston. Bidding them farewell is Gary Fitch. They left Friday for London via Washington D.C. Two other sons, Gary, a Clarkston High School senior and Dale, a junior, will leave Clarkston June 9 with their grandmother, Mrs. Paul Pappas, to join their family for three weeks.

Mr. Fitch an employe of Mechanical Handling Systems, Inc. of Warren, is in London on business. He will return home this fall.

His family plans to visit England, France, the Netherlands and Switzerland. Gary and Dale plan to take a bicycle tour of England.

The Fitch's daughter and son-in-law, Mr. and Mrs. Rodger Bennett of Ferndale will be staying in the Fitch home while they are away.

Scottish Program Enjoyed by B.P.W.

"A Little Bit of Heather" was the theme for the April dinner meeting of the Waterford-Clarkston Business and Professional Women's Club, held last week in the French Cellar at Howe's Lanes.

Participating in the program was the Ralph Grate family of Holly, including Elspeth, Marilyn, James and Heather.

Featured in the program were James and Marilyn Grate of Holly who played the bagpipes for the Scotch dances performed by nine-year-old Heather Grate. Elspeth Grate presented vocal and organ selections.

The committee in charge of the event included Mrs. L. V. Kline, Mrs. Lewis Cornell, Mrs. H. C. Tinney and Mrs. W. H. Stamp.

At the business meeting Mrs. George Tallerdar was welcomed as a new member.

Newly elected officers for 1965-66 slate are, president, Mr. H. C. Tinney; First vice-president, Mrs. Harold Soper; Second vice-president, Mrs. Elizabeth Ronk; Recording Secretary, Mrs. L. B. Kline; Corresponding Secretary, Mrs. Oliver Dunstan and Treasurer, Mrs. Velma Baynes.

Delegates to the state convention scheduled for May 21-23 in Lansing will be Mrs. Stamp, Mrs. Soper, Mrs. Baynes and Mrs. Tinney. Alternates are Mrs. Dunstan, Mrs. John Landon, Mrs. John Mazola and Mrs. Lottie Haimm.

A guest at the meeting was Mrs. Ralph Grate, mother of the entertainers.

The human heart rests about eight-tenths of a second between each contraction.

Shown from left to right is the committee in charge of preparations for the April dance of the "4th Nighters" dance Club held last Saturday evening. They are: Bill Hampshire, Jim Hart, LaVern Webber, Mona Hart, Bill Wilson, Elythe Hampshire, (cut of view - Doris Wilson) and Violet Webber.

"Chuck Wagon Jamboree" was the theme for the evening, which featured a chuck beef dinner served from a wagon. The only lighting was from kerosene lamps. A saddle atop a bale of hay greeted members. A surprise hay ride followed the dinner.

Annual Conference In Uniform Of First Baptist

Five missionaries who have served in various parts of the world will be featured speakers at the May 2-5 annual conference session at First Baptist Church, Clarkston.

Gordon Donaldson, a counselor on the staff of Missionary Internship in Farmington, will speak at the 11 a.m. worship service Sunday. Lecturing at the 7 p.m. evening service will be Eddy Levine, who represents Israel's Remnant, Incorporated, Detroit.

Scheduled for the Monday night gathering will be Mrs. Ione Reed McMillian of Pontiac. Mrs. McMillian's husband, Rev. Hector McMillian was killed last November while serving in the Congo.

Other speakers who will appear are Mr. and Mrs. Phil Christiansen, recently returned from Southern Rhodesia. They will speak Tuesday and show slides of their work.

A 6:30 p.m. banquet will precede the Wednesday evening service which will feature Don Silvis, a missionary intern, as guest speaker. A film on Pakistan, titled, "The Harvester," will be shown.

Pack 133 Visits Selfridge AFB

Forty cubs, four den mothers and three den fathers braved the chilly winds Saturday to attend Scout Day at Selfridge A.F.B.

On hand for the show were jet fighters, transports, helicopters and various other planes.

The boys enjoyed a cook-out on the way to the base. Hot dogs and pop were the menu for the chilly picnic at Bloomer State Park.

May 8 the pack will visit Upton Farms in Rochester for a hayride and spaghetti dinner. Parents are urged to give a helping hand on this trip.

The annual picnic is set for June and in mid-summer the boys will travel to Tiger Stadium. The exact date will be announced soon.

New boys ages 8-10½ are needed to replace those boys who have advanced to Webelos. Pack meetings are held every fourth Tuesday at the Andersonville Elementary School and everyone is welcome to attend.

When a star precedes the number on some U.S. currency, it indicates that the bill is a substitute, issued to replace one that was worn or defective.

SERVICEMAN ASSIGNED TO DESTROYER

Machinist's Mate Third Class Richard B. Price, USN, husband of the former Miss Sandra L. Powell of 5050 Clearview Drive, Clarkston, is serving aboard the destroyer USS Ingraham, operating out of Newport, R.I.

The Ingraham is equipped with the latest submarine detection and anti-submarine warfare equipment. She operates as part of the U.S. Atlantic Fleet's anti-submarine warfare force, seeking out and destroying enemy submarines.

HOME ON LEAVE

LeRoy Franklin, fireman apprentice, son of Mr. and Mrs. Cecil Franklin of 6480 Pine Knob Road, Clarkston, Michigan is home on 14 days leave, after completing nine weeks of Recruit Training at San Diego, California.

Franklin who enlisted in the U. S. Navy in December 1964 is a graduate of Pontiac Central High School. Upon the termination of his leave, he will report to the U.S.S. Ranger CVA61 at Alameda, California for specialized training as a metalsmith under the High School Graduate Guaranteed Training Program.

Shucks!

Here we were set to tell you all about the snappy new things Rambler has come up with, like the Marlin, our hot new sports-fastback, and optional reclining bucket seats and anti-fade disc brakes, and two kinds of floor shifts, manual or automatic, and our big choice of hustling new engines... then we got this flash news—

Rambler American 440 wins Class B... 25⁶⁵ m.p.g.

Beats all other large-engine compacts in Mobil Economy Run

Use of Mobil Economy Run data approved and certified by the United States Auto Club

A Rambler American 440, with three-speed Flash-O-Matic transmission and peppy 125-hp Overhead Valve Six, has won its class again in the 1965 Mobil Economy Run.

And it won this victory over the roughest, toughest, longest, fastest course the Mobil people have come up with yet. Over 3,200 miles of sizzling desert, snow-capped mountains, gas-wasting city traffic, high-speed turnpikes. But Rambler's got a lot more—the lowest-priced* U.S. sedans, wagons and convertible... high resale value, proved by Official Used Car Guides. See how smart and sporty the Economy King can be—at your Rambler dealer today. American Motors—Dedicated to Excellence.

*Based on manufacturers' suggested retail prices—American 220 sedan and wagon, 440 convertible.

Best economy of all cars, all classes, 4th straight year
