CLARKSTON, MICHIGAN 48016, THURSDAY, MAY 27, 1965

Views Aired At Special Village Meeting

Preparing for their part in the Memorial Day Parade are, left to right, Ann Chad, Tammy Mahar, Barbara Boyd, Mollie Lynch and Susan Girffiths. The girls represent Cadette Girl Scout Troop

547, one of several scout groups to take part in holiday activities this weekend.

Clarkston News Photo.

Parade Headlines Plans For Memorial Day

"Area Scouts, and Civil Air Patrol Organizations are once again urged to participate in the Clarkston Memorial Day Parade to the Lakeview Cemetery," states Commander John Lynch, of the American Legion Campbell-Richmond Post 63. The parade will assemble at 9:30 a.m. May 31, at Church and Buffalo Sts. Final destination will be the Lakeview Cemetery where the Memorial Day Observance will be held. In the event of rain the parade will be cancelled.

Clarkston High School Band, under the direction of Barton Connors will open the observance with the "National Anthem." Scheduled to give the invocation is Rev. Thomas Dunn of Drayton Heights Free Methodist Church. "Meaning of Memorial Day" will be the topic of a speech to be delivered by Everett Butters. Floyd Tower will read the "Roll Call of Deceased Veterans," and Commander Lynch will assume the honor of the "Placing of the Wreath."

Also participating in the program will be an area vocal group who will sing, "Battle Hymn of The Republic," and "Camping on the Old Camp Ground."

In addition to the traditional formal services, the Legionnaires of Post 63 will be responsible for placing flags on the graves of all known veterans.

The first order for the observance of Memorial Day was issued in May 1868 by General John A. Logan of the Grand Army of the Republic, "for the purpose of strewing with

flowers or otherwise decorating the graves of comrades who died in defense of their country . . ." For many years after the Civil War, the Grand Army of the Republic in the North and the Confederate Veterans in the South took charge of Memorial Day in their respective communities.

When these founding organizations became unable to actively carry on these rites, the American Legion pledged to help perpetuate the annual observance of Memorial Day. Although it began as a day to commemorate the Civil War dead, Memorial Day has since become an appropriate occasion for the decoration of graves of family and friends.

In urging the widest possible participation by Clarkston residents in Memorial Day rites, Commander Lynch referred to the following excerpt from General Logan's original order of nearly 100 years ago:

"Let no avarice or neglect, no ravages of time, testify to the present or coming generations that we have forgotten as a people the cost of a free and undivided republic."

Commander Lynch is hopeful that the observance of Memorial Day in Clarkston will include the display of a United States flag by every home and business firm.

Lighting the way of men to betterment is the finest profession known.

Clarkston Woman Hurt in Car Accident

Minor injuries resulted from a car accident Monday at Eston Road, south of Clarkston Road. Taken to Pontiac General Hospital was Clarkston resident, Mary Ann Williams, 22, of 4955 Mohawk Road, driver of the vehicle. There were no passengers.

According to Oakland County Sheriff's Department, the Williams auto left the right lane of traffic, came back onto the roadway, traveled 500 feet and left the road again where it struck a tree before stopping.

Cause of the early morning accident was not listed.

Officials Attend Lansing Meeting

Representing Independence Township at a Lansing meeting last week of the Michigan Township Association were Supervisor Duane Hursfall and Township Clerk, Howard Altman.

Highlight of the meeting was the dedication of new association offices located on South Holmes Street. New proposals in Michigan government and possible effects resulting in the passage of such bills were explained by attending legislators and government officials.

William Howard Taft was the first U.S. president to receive a salary of \$75,000 a year.

Township Justice Resigns Office

John Evans, Independence Township Justice of the Peace since 1961, submitted a letter of resignation this week to Township Board officials. Other business obligations were the reason given for the action which is to take effect immediately. Assuming the position for the interim period until July 4, when he will officially take office will be Robert Carr of 6505 Haterford Hill Terrace.

A practicing attorney in the Pontiac law firm of Powell, Peres, Carr and Jacques, Carr was elected to the four year Justice of the Peace term in November. Necessary arrangements for his appointment will be considered at the next regularly scheduled township meeting.

Antique Show Set for Early June

Clarkston's First Annual Antique Show and sale, sponsored by the Women's Society of the First Methodist Church, will be held June 10 and 11 at the new Church grounds, 6600 Waldon Rd. Hours of the affair will be from 11 a.m. - 10 p.m.

Included in the merchandise to be offered by antique dealers will be hanging cabinets, unusual buttons, and jewelry and pine harvest tables.

An outdoor cafe will add to the atmosphere with food from Clarkston kitchens being served under green and white striped canopy tents.

Chairs and benches will dot the lawns where visitors may relax. The public is invited to attend.

CLERK'S FILE

Web of Administrative Boards Make Up Twp. Government

By Howard Altman

In the initial articles some 17 or 18 boards of administration were listed that help make Township Government function and thereby achieve the purpose for which it exists. In working toward the review of more complex units, such as the Township Board and the Planning Commission, we have briefly discussed the Township Board of Health and the Board of Appeals. Let's continue to note some of the lesser known administration boards. The Library Board, recently established, is a five member unit made up of officers of the Township Board. Basically, they are charged with appointments, rules and regulations, buildings and maintenance as well as the purchase of books and other materials that may be required under the law governing public libraries.

An advisory board may be created by the Township Board (this has been done) to assist in the proper operation of the public library.

The Election Commission is a statutory board comprised of three members . . . the supervisor, clerk and treasurer . . . and has the primary duty of setting precinct boundaries and appointing election inspectors.

The Canvassing board is made up of four members (two from each major political party) who serve four year terms of office. Current appointees are Merle Brendle, Hazel Chipman, Mary Ronk, and Edith Stewart. Included in the duties of the Canvassing Board is the review of all election results and certification of their findings. The Township Clerk serves as secretary to the board.

Created by a resolution of the township board, the Township Recreation Board consists of seven appointed township citizens. Serving in this capacity are Edward Gunter, Mel Vaara, Robert Brumbach, Mary J. Butters, Duane Pife, Donald Auten and Fernando Sanchez. The group is authorized to establish a recreation program for the benefit of Township residents. The Recreation Board is permitted to hire such assistants and purchase such equipment as may be necessary to carry out proposed programs and also arrange, or enter into agreements, with the school boards or other units of government for the use of facilities.

The Independence Township Community Center Board, whose current members are Thomas Boyns, Edward Rummings and Charles Robinson, is an appointed unit primarily responsible for setting policy for the use of the Community Center facilities.

Also appointed by the Township Board is the five member Township Electrical Board. Present members include Clark Souby, Del Walter, Al Lee, Red Currell and Harvey Little. Each municipality is responsible for the licensing of electrical

contractors and journeymen offering electrical services in the area.

Following a filed application, the Electrical Board (through ordinance as well as being a member of the Reciprocal Electrical Council) administers a uniform examination. Results are reviewed and graded and, if satisfactory, the applicant is granted permission to perform electrical services in the township. Serving as Independence Township Electrical Inspector is Harvey Little. With the other members, they provide a valuable service to the community by insisting on sound qualification and proper installations.

Among the Township officers elected are at least one and not more than four constables, determined by resolution by the Township Board at least six months before the Township election. (Note: the new state constitution has eliminated the township constable and since January 1, 1964, area constables have been active permissively by legislature and are completing their four year terms of office.) Serving currently are Ferris

(Continued on Page 3)

Story Hour Ends for Summer

The Independence Township Library Children's Hour will hold their final meeting of the season June 10.

The programs of adventures and story travels have been held every other week and were sponsored by the Clarkston Women's Club with Mrs. B. Bennett and Mrs. B. Hanson acting as co-chairmen for the year.

Quiet Week for Area Firemen

Independence Township firemen responded to just one call this past week. Cause for the lone May 20 car fire was listed as an overheated rear axle. Seven firemen answered the call and two fire engines were used.

Memorial Day Reminder

Along with happy memories of past Memorial Day Observances, we are forced to recall a few unpleasant recollections.

In past years it has been noted that citizens have not always shown proper regard for marked graves. Greater respect, through thoughtfulness, may be shown by using designated cemetery roadways and pathways while displaying our tribute to those who have died for our country.

Council OKs Parking Lot

At a special Clarkston Village meeting Tuesday night, councilmen re-affirmed their opinion that a Village public parking lot is needed. Council, businessmen and interested community residents gathered in an attempt to iron out snags standing in the way of the project.

Location for the proposed parking lot site is between Washington and Church Streets. Plans call for the lot to run from land behind the store properties on Main, east to residential property on Buffalo Street. Development of the area, which would include a six foot green belt bordering the residential property and an island of plant growth, hinges at the moment on acquiring lot 50 lying within the outlined boundaries. Owners of the lot have offered to sell a westerly 16 foot strip of land, but according to Village engineers this amount would not be adequate for ingress and egress.

Following discussion, council members recommended the purchase of lot 50 in its entirety. No action was taken as to methods to be used in acquiring the needed land.

Property for the project, according to outlined plans, is to be purchased by merchants and donated to the Village, who in turn would assume the cost for leveling, grading and blacktopping the area. In addition to the plant and tree growth green belt, the businessmen have proposed a 14 foot service area behind the stores for loading and unloading purposes and for concealment of boxes, etc.

Board Member To Retire

Clarkston Community Schools Board of Education President, Keith Leak, will end 20 years of active service to his community as a school board member this June. His retirement draws to a close the presidency he has held for the past 15 years.

Leak, who is Assistant Superintendent of the Pressed Metal Plant at Pontiac Motors, was born in Lake Odessa and attended Michigan State University. He lives with his wife, Helen, at 6195 Middle Lake Road, Clarkston. They have three children, David who lives in Utica, Keith of Saginaw and Carolyn (Mrs. Gus Birtzas) of Clarkston.

He has served as president of the Methodist Men's Club, president of the Young Peoples' Dance Club and is a member of the Methodist Church Board of Trustees, Official Board, Finance Committee and choir and is an honorary member of the Clarkston Rotary Club. At the present time he is serving a second term as director on the Oakland County School Board Association.

Superintendent of Clarkston Community Schools, Dr. L. F. Greene, in commenting on Leak's retirement, said, "His diligent and able service on the board will be greatly missed. It is fine to have people in the community such as Mr. Leak, who are willing to donate so much of their time and effort toward the service of others."

Other business brought before council was a report by Village Attorney Ronald Walter, regarding legal and insurance matters connected with the Village owned beach area at Deer Lake. It was suggested by Walter that the beach should be a governmental function, making the Village immune to liability in case of accident, rather than a proprietary function. It was felt that since about 80% of the Township residents use the facility, a joint Village-Township governing board should be considered.

A study committee was appointed by Village President James Huttenlocher for the purpose of arranging a joint meeting with the Township to discuss the proposal. Committee members, Donald Cooper, James Mahar and Robert Wertman will present a completed report at the June 14 council meeting.

Area Jaycees Elect New Officer Slate

At the fourth annual election of Clarkston Area Jaycees held May 19th, Robert Newlin was elected President for the coming year. He assumes presidency of the 76 member chapter on July 1st.

Other newly elected officers of the organization are Ralph Chambers, internal vice president; Robert Brumbach, external vice president; Charles Curry, ways and means vice president; Gordon Spelbring, secretary; and Donald Auten, treasurer.

Elected to the board of directors are Kenneth Barks Donald Bostwick and Harry Fahrner. Lewis Wint will also serve on the board as the retiring president.

Installation of officers will be held June 30th at a ladies night dinner at the Community Activities Building in Waterford. A featured part of the officer installation will be the presentation of achievement awards.

A bill passed by the House of Representatives in Lansing last week, and now up for vote by Senate members, may help troubled local government units rid their areas of community "eyesores" such as those shown above. (The examples of current problem spots the Township is trying to clean up are located in the Woodhull

Lake area and on Waldon Road. Pictured is burned debris left by owners following accidental fires which occurred several months ago.) When contacted at his office, Township Clerk Howard Altman commented, "If the bill becomes law it will give us the needed tools

to clean up some of the existing conditions in the Township; however, the Township Board may proceed with the adoption of a local nuisance ordinance now under study so that either by state or local law greater control may be exercised." The township, though actively concentrating on corrective

measures regarding unsightly areas, has in many instances according to officials found "their hands tied" because legal avenues were not open to totally eliminate the problem.

SUNDAY in the Churches

FIRST METHODIST CHURCH
6600 Waldon Road
Clarkston, Michigan

MINISTERS:
Lewis C. Sutton
Jack E. Giguere
Lay Leader: A. Everett Butters

NOON by the Chapel Clock

One . . . two . . . three.
Four years Connie and I have listened to that deep, resonant chime counting off the hours of our college days. Sometimes it was just part of the setting at State — like the Commons, and the Quad, and Moonlight Walk. But often it called us to high moments of worship and thought and prayer.

Four . . . five . . . six.
Today we pause, and count! Exams are over. Trunks are packed. Books are on their way back to the Library. Tomorrow — Commencement.

Seven . . . eight . . . nine.
Again we're reading each other's thoughts. Let's walk once more through that graceful arch, hand-in-hand and smiling. Let's kneel together in the sacred stillness, breathing our thanks . . . our hopes . . . our needs . . . our dreams. For life and love await us. And these we will share with God! It is Noon by the Chapel Clock.

Ten . . . eleven . . . twelve.

THE CHURCH FOR ALL • ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

The Clarkston News, Clarkston, Michigan

Clerk's File—

(Continued from page one)

Holecomb, Everett Fredericks, Robert Phillips and Harry Phamer (the first three are also officers of the Oakland County Sheriff's Department).

Before assuming his duties as constable, a bond is furnished which must be satisfactory to the supervisor and Clerk. The following is taken directly from the statute and reads in part: "Constables shall serve all warrants, notices and processes lawfully directed to them by the township board, or clerk or any other officer, and shall perform such other duties as are required by law. A constable may serve any writ, process or order lawfully directed to him, in any township in his county." It has also been declared, that with certain and defined authority, the constables act as peace officers.

Section 17 of Article VI of the new constitution ends the "fee system" or the Township Justice of the Peace, although a five year grace period has been extended to 1969.

It is difficult to anticipate what will be the "end result" for the Justice Court. There are many who think that a "lower" court similar to the present system will still continue to function with perhaps a name change, salary instead of fees and a different system of election. Until changes, or until 1969, we will continue to be served by the Town-

ship Justice of the Peace.

Elected to a four year term of office which begins on the fourth of July after the date of election, the Justice must post bond and qualify at the county level. He has jurisdiction over both civil and criminal matters, through there are many areas which may not be initiated. He is limited in civil matters by a \$100 amount from exclusive jurisdiction and concurrent jurisdiction to the amount of \$300.00.

Criminal Jurisdiction is limited to all offenses arising within the county in which he has been elected. These offenses are punishable by fine, not to exceed \$100, or imprisonment in jail not exceeding 90 days - or both. The Justice is empowered and authorized to perform all official acts and duties and to exercise jurisdiction in criminal cases in any Township or city situated in the county in which he was elected.

In certain criminal offenses, before binding a supposed offender over to Circuit Court for trial, the Justice may conduct preliminary examinations to determine whether or not the accused has committed a crime. He maintains docket, or record, of all proceedings that come before him. This becomes a permanent record that can be passed on to succeeding Justices and is subject to inspection and examination.

All fines and costs collected by the Justice of the Peace are turned over to the Oakland County treasurer not later than 30 days from receiving such monies. Reports are given to the County Prosecutor, Clerk and Treasurer. Motor Vehicle violations are reported to the Secretary of State.

For his services the Justice is entitled to a schedule of fees as permitted by law. In civil matters these fees are collected from parties of the action as cost and in criminal cases the J. P. is paid his fees by the County Treasurer, based on his bill of fees.

Finally the Township Justice is, if active, in a fine position to assist the Township enforcement of Ordinances and codes designed to protect the general health, safety and welfare of the people.

Past Officers Honored

Mrs. Glenn Everson, pastoral assistant of the Lincoln Park Methodist Church of Flint, was guest speaker last week at the twenty fifth anniversary luncheon of the Women's Society of Christian Service.

Mrs. Glenn's unique presentation included the mixing of a Spiritual cake during her oration. Following the speech she installed the officers for the coming year.

Highlight of the service was the honoring of eight past officers who have been with the society since its inception, five years ago. Those honored guests were: Mrs. Lewis S. Walter, Mrs. Forrest Jones, Mrs. George A. Perry, Mrs. Harry B. York, Mrs. Ada Serace, Mrs. Howard Huttenlocher, and Mrs. Herbert S. Gliby.

Quality has everything in its favor including the price.

More than 150 pieces of art work will be exhibited in the June 5 Annual Art Show sponsored by Clarkston Arts and Crafts. Judging the event will be Doctor John Galloway, director of art at Oakland University and James Ewer, art instructor at the Waterford School system.

General chairman of the show is Mrs. Henry Rankin, president of Arts and Crafts. Directing the display arrangement will be the well known

local artist, Mrs. Sanford McLean.

Categories of the exhibit, to be held at the Independence Hall Annex, 90 North Main, include Sculpture, crafts, oils, water color, pastels, drawings and graphics. Number of entries has been limited to four. Shown with works of art to be entered in the show are Mrs. Oldrich Vavrou; at the left, Mrs. McLean and Mrs. Jack Hansen. Clarkston News Photo.

American Red Cross Continues to Aid All

Each Memorial Day the nation pauses to honor those who served and died in its service -- a solemn annual tribute by millions of Americans.

During the past year, these same Americans, many without realizing it, have been paying another kind of tribute to our military people through their American Red Cross: A tribute in the form of material aid, counsel, and financial assistance.

During these days of limited peace, the Red Cross job continues to grow. Throughout the world, wherever servicemen are stationed, Red Cross field directors are also assigned. Of these 1,200 field directors, about one-fourth serve overseas in such locations as Vietnam, the Dominican Republic, Korea, Turkey, and Ethiopia.

For instance, last year the Red Cross helped an average of 80,000 servicemen each month at military installations and hospitals around the world, and served more than 118,000 servicemen and veterans and their families each month through chapter service to Military Families. A total of \$11,632,000 was given in financial assistance to servicemen and their dependents and \$401,000 to veterans and dependents.

In addition to the many services provided servicemen, including financial aid and counseling, the Red Cross assisted thousands of veterans in preparing and presenting claims to the Veterans Administration for government benefits.

At overseas locations selected by the Department of Defense, the Red Cross meets special recreational and morale needs of American servicemen. In Korea, clubmobile workers, traveling in teams of two, cover more than 14,000 miles each month to meet schedules planned with the military. They bring to even the most isolated military units weekly recreation programs full

of American flavor. Only 50 young women, all college graduates, are chosen each year for this unique Red Cross service assignment.

The Red Cross also did a big job in keeping the communications lines open between the servicemen and their families. Last year, 505,000 communications were exchanged between field personnel at military posts and hospitals overseas and Red Cross chapters in local communities. The communications included requests for securing information for the military authorities as to the need for an emergency leave; notification of illness or death in a family; and in a more happy vein birth announcements.

In all, the Red Cross last year spent almost 40% of its nearly one million dollar budget for welfare services to the armed forces, veterans, and their families, and for special services and recreation in military and Veterans Administration hospitals. It plans to spend approximately the same amount during 1965 as a "living memorial" to our service men, past and present.

GIRL SCOUT NEWS

Andersonville Elementary School Girl Scouts of Junior Troop 8 held a Court of Awards last week. Opening the program with the flag ceremony were flag bearers Diane Koehler and color guards Robin Wells and Denise Stevenson. Following the ceremony various badges were presented.

Marilyn Schultz received the Cook Troop Dramatics and observer, Sherry Garrison received the Cook and Backyard Fun, Denise Stevenson received the Collector and Housekeeper, Cathy Dillow received the Troop and Dramatics badges and Diane Koehler received the Pets badge.

Leader of the troop is Mrs. Glenn Sommers.

You build a new home to get exactly what you want

why not get the heating system that gives you exactly what you want

Electric heat is custom heat. There's a thermostat in each room so you can dial the exact warmth you want... in the baby's room, the den, the kitchen, every room! Electric heat is the clean, modern heat. No drafts or cold spots. You get even heat from head to feet. Ideal for your new home.

It's also a good choice as supplemental heat for your present home—to warm up a chilly bedroom or new family room. The cost? That depends on your particular home. Electric heat may be your most economical heat. It won't cost you a penny to find out for sure. Just call Edison for a free estimate.

EDISON

PS A lower all-electric rate saves you as much as 20% on your heating bill if you're in an All-Electric Home. More reason than ever to enjoy all-electric living.

Letter to The Editor

The class of '66 would like to express its appreciation to a fellow-classmate, Cindy Mosier. Cindy was the chairwoman of the decorations committee for the recently-held Junior-Senior Prom. Her excellent leadership and well-developed plans made this year's prom one of the most successful proms in Clarkston High's history. Cindy's ability to co-ordinate the dance decorations with the theme and her willingness to devote long hours of hard work for her class's presentation to the Class of '65, have been orations with the theme and her co-workers. We, the Junior class of Clarkston High School, thank you Cindy!

We would also like to thank our sponsors, Mr. Robert Casteel and Mr. Roebert Lawrence Thibault, for their guidance and help during the time we worked on the Prom. A special thanks goes to Mrs. Robert Buehrig for help in the creative and artistic departments.

Class of '66

Severe injuries to the occupants and the totally demolished car shown above were the results of an early morning accident last Friday at Sashabaw and Maybee Roads. Driver of the 1965 Corvair convertible was Charles B. Paul, 22, of 1509 Furnwall, Union Lake. His passenger was James Underwood, 22, of 6465 Barker, Drayton

Plains. The car, which left the road traveling at a high rate of speed, according to Oakland County Sheriff's Department, hit a tree and traveled 300 feet beyond the impact area. Both Paul and Underwood were hospitalized.

4-H Scholarships Offered To Agriculture Students

Young people are encouraged to seek college degrees in agricultural sciences and forestry through 4-H scholarships. There is a shortage of such graduates to fill existing positions in the vast field of agribusiness and forestry, says the Cooperative Extension Service.

The two firms offering a helping hand are the California Chemical Company, Ortho Division, San Francisco, Calif., and an East Coast manufacturer - Homelite, a Division of Textron Inc., Port Chester, New York.

The California Chemical Company annually provides two \$800 scholar-

ships to college sophomores or juniors majoring in the areas of crop protection and production. Students are advised to study agronomy, entomology, plant pathology, horticulture and related courses.

Experts point out that the farm operator who succeeds today needs knowledge of land and water use, construction, chemistry, genetics and business management. Non-farm positions in the multi-billion dollar agricultural industry also demand college education and technical know-how.

Another specialized field related

to agriculture is forestry, and trained people are needed here. The U.S. Department of Agriculture advises that the timber supply in the year 2,000 will depend largely on action taken in the next few years.

To help fulfill this need, Homelite provides four \$1,600 scholarships to college freshmen planning a major in forestry.

Applicants for these scholarships must be 4-H members or former members. Special 4-H scholarship application forms may be obtained from the County Extension office or the State 4-H Club office.

News Notes from Clarkston High

John Merkel

Last Friday, at the start of second hour (9:30 to be exact), two sophomore English classes and their teachers, Mrs. Palmer-Smith and Mrs. Horgan, left via school bus for a field trip to Greenfield Village and the Henry Ford Museum.

There were two groups. One paid to see both the museum and the village. They left with Mrs. Horgan to see the museum before seeing the village.

The other group, which wanted

to see just the village, went with Mrs. Palmer-Smith and spent the day in Greenfield Village.

Everyone enjoyed the trips. To quote one of the people who went, "We were one happy bunch."

They returned to the school at 2:30.

Wednesday night, something that has happened in colleges and universities all over, happened right here at Clarkston High School.

After two weeks of mysterious posters asking, "What's Happening?" and one week of posters say-

ing, "It's Happening, May 26 at 8:00 p.m. 50c it happened.

A number of vaguely related, and some completely unrelated skits during which there was absolutely no talking comprised the "Happening". Here are a few examples.

In one skit we see a boy busily pounding a typewriter, frequently brushing his greasy hair back on his head. In the background we see a girl struggling to get out of a tube of "Brylcreem." The boy doesn't notice her. Finally the girl gives up and slides back into the tube. The boy turns as if looking for her, then picks up the typewriter and exits.

Another example? To the tune of "The 1812 Overture" several girls dance through the audience throwing puffed wheat.

At one point in the show five boys come out into the audience carrying sleeping bags. They lay down and go to sleep.

There were many other such skits, but I think you get the idea.

Now, if you aren't yet aware of it, the 1965 Junior-Senior Prom was held in the high school cafeteria.

The theme this year was "Some where Over the Rainbow." Inside were such things as "The Rainbow Inn" and "Rainbow Land."

To the left, as people entered the gaily decorated and nearly unrecognizable cafeteria, was the night skyline of a large city.

The entire cafeteria had been decorated by members of the Junior class Friday night.

At opposite corners of the cafeteria were a swing, with the trees on either side of it.

Across the cafeteria was a small spring, lending an even greater touch of reality.

All in all, it was a magnificent job.

Notice To Seniors

Clarkston High School Seniors who do not have their picture in the composite picture please bring a wallet size picture to the Clarkston News office no later than 5 p.m. Friday, May 28, if you wish to be pictured with the rest of your class. A special section on Seniors will be included in next week's Clarkston News.

Clarkston Seniors Hold Prom

"Somewhere Over The Rainbow" was the theme of Clarkston High School Junior-Senior spring prom held May 22.

Sponsors of the event were Lawrence Thibault and Robert Casteel.

Serving on the refreshment committee were Rod Allen. Publicity was handled by Steve Barnett; Linda Barnett, favors, Cindy Mosier, dance decorations and Jeanne Slinkard, tickets.

Mrs. Romney to Speak at United Fund Tea

Two local women, Mrs. Harry Horsch at the left and Mrs. James Hart will be among those who receive certificate awards at the United Fund Award Tea scheduled for June 2 at Pine Knob

Resort. Each of the women has donated eight years of service to the organization. Clarkston News Photo.

Michigan's First Lady, Mrs. George Romney, will be guest speaker at the Pontiac Area United Fund Women's Division Annual Awards Tea on June 2, at Pine Knob

Resort. The affair will honor over 125 men and women from the Pontiac area. Included will be eight from Clarkston and Independence Township, who have given

many hours of service to agencies associated with the United Fund. Serving on the tea's committee is Mrs. James H. Cowen, mistress of ceremonies for the program, who was Independence Township Chairman in the 1964 Women's Division Campaign. She is currently serving on the Women's Division Board.

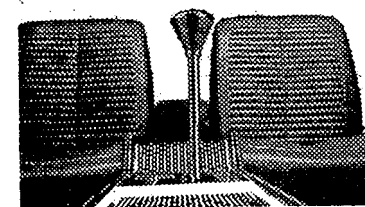

Awards will be presented to volunteers of the Motor Aide committee, Friendly Visitors, Speakers' Bureau, Tribute Fund and the Women's Campaign Committee, all of which are committees of the Women's Division of the United Fund. Other awards will be presented by the following United Fund agencies: Boys' Club of Pontiac, Incorporated, Auburn Heights Boys' Club, Big Brothers of Oakland County, Boy Scouts of America, Michigan Cancer Foundation, Camp Fire Girls, Catholic Social Services of Oakland County, Oakland Child Guidance Clinic, Waterford Community Activities, Incorporated, Family Services of Oakland County, Girl Scouts, American Red Cross, Salvation Army, St. Joseph Mercy Hospital Clinic, Pontiac Area Urban League, Pontiac Visiting Nurse Association, Y.M.C.A., Y.W.C.A., and Community Chest of Pontiac. Each agency has selected an outstanding volunteer who will receive special recognition.

The tea is being sponsored by the Pontiac State Bank.

Demonstration completed items used in Mrs. Mae Marsh's 3rd grade "Sound Unit Project" at Bayly Lake School are, left to right, Brian Carlson, Brian Fox, Brenda Broadway, and Chris Murrell. The presentation was presented for mothers of the third grade class, May 20.

Included in the project were studies of vibration and sound waves, how sound travels through the air, how we are able to talk and hear and the importance of sound.

Clarkston News Photo

Summer Beauty Enhances Village

Beautification of Clarkston's downtown area grew into a community wide effort this year. Initiating the project were the Clarkston Jaycees.

Artificial floral arrangements, consisting of peonies and ferns, fill attractive baskets which have been attached to lamp posts on Main St.

Clarkston businesses and organizations who helped finance project costs include: Clarkston Rotary Club, Clarkston Community Women's Club, O'Dell Drugs, King's Insurance Agency and Berg Cleaners.

Others were Clarkston State Bank, Clarkston Town Shop and Rudy's Market.

Mr. Lewis E. Wint, president of the Clarkston Jaycees commented, "Our organization greatly appreciate's the local support given to this worthwhile project."

What better way to spend a warm summery afternoon than to enjoy the water and trees of Mother Nature while being entertained by antics of loud speaking ducks just passing by. Although

names of the neighborhood ducks were not given, the charming miss at the left is six year old Colleen Hagen of 42 North Holcomb, Clarkston.

Appointments Announced At County Sportsmen's Club

The Oakland County College Board of Trustees approved the appointment of four administrative and 35 instructional personnel in a meeting held at the Highland Lakes campus last week.

Dr. Jack B. Nelson, Vice President for Academic Affairs at the College of Guilford, was appointed Dean of the Auburn Hills campus.

Stanley Heron, Director of Instruction at Lake Michigan Community College, was appointed Director of Instruction at the Auburn Hills campus.

Arthur W. Jackson, Assistant Dean of Men at the University of Rhode Island, was appointed

Director of Student Personnel. William Deutsch, Manager, Educational Systems Department, Barch's Aircraft Corporation, was appointed Director of Research on campus buses.

Seven Oakland County residents were among the instructional personnel whose appointments were approved by the Board.

They are: Philip J. A. C. Bollinger, 2065 South Commerce Road, Walled Lake, Faculty Assistant - Psychology; Robert F. Zang, 8019 Locklin, Union Lake, Assistant Professor - Drafting; Leonard P. Burns, 4466 Cass, Elizabeth Lake Road, Pontiac, Faculty Assistant - English;

Celebration Set for June

Robert R. Higgins, 5044 Durkham, Pontiac, Faculty Assistant - Psychology.

Helen W. Kurrasch, 909 Verona Drive, Lake Orion, Faculty Assistant - Art.

Adam D. Szouros, 82 S. Edith, Pontiac, Faculty Assistant - Mathematics.

Gerald H. Stollman, 23481 Wildwood, Oak Park, Faculty Assistant - Social Sciences.

Jerry J. Tobias, 366 Concord Place, Bloomfield Hills, Instructor - Sociology.

Robert F. Zang, 8019 Locklin, Union Lake, Assistant Professor - Drafting.

Leonora P. Burns, 4466 Cass, Elizabeth Lake Road, Pontiac, Faculty Assistant - English.

Holly's centennial celebration, June 18-20, promises to be a field day for antique collectors, according to Mrs. Wilford Parcell, downtown chairman.

At least five antique dealers from Holly and nearby towns plan to set up shop in Wheeler's (Ford) Garage on Friday and Saturday. Mrs. Parcell said. All the antiques in the show will be on sale, she added. Hours are from 10 a.m. to 9 p.m.

In addition to individual booths sponsored by various antique shops, Mrs. Parcell plans to have demonstrations of spinning and weaving, two arts common in the days when Holly was chartered.

Also on display will be a nickelodeon which will be played at times throughout the two-day sale.

Honor Queen to be Installed by Bethel 25

Jude Strother, daughter of Mrs. L. V. Strother, 7220 Sagamore, will become honored queen at the Bethel 25 International Order of Job's Daughters installation of officers May 29. The 8 p.m. event will take place in the Community Center.

Serving as installing officer is Sherry Sparkman, daughter of Mr. and Mrs. Jesse Sparkman, of Draxton Plains, who is the 1964 honored queen.

Others to be installed are: Clint Rags, senior princess; Jeanie Simard, junior princess; Sue

Packing guide; Cathy Yarbrough, maid-of-honor; Rebby Humphries, chaplain; Dawn Eddy, treasurer; Marge Cinque, musician; Mary McKee, librarian; and Sue Baskie, recorder.

Still others are: Elizabeth Cinque, first messenger; Bonnie Hevey, second messenger; Suell Rags, third messenger; Bonita Williams, fourth messenger; Doretta Conley, fifth messenger; Machelle Routh, sixth messenger; Shirley Jean Ketch, outer guard; Jim Morse, inner guard; and Pam Patterson, inner guard.

Track Stars Named at Clarkston High School

BOB GRAY

In 4 years of varsity competition Bob Gray earned 239 points as a high jumper and as a hurdler. His record amount of points is phenomenal and is the leading point maker in the history of track at Clarkston. Bill Powell and Bill White two top dashmen in past years

scored 210 and 115 points respectively.

Gray has been the leading high jumper in the W.O. League for the past three and has been one of the leading jumpers in Oakland County for the past two years.

A new record in the high jump was set by Gray a mark of 6'2". He also holds the record in the high hurdles with a time of 16.0 and is a member of the shuttle hurdle team, which holds the record of 1:02.

Hats off to Bob Gray in leading the Clarkston track team and putting his name on a list as one of the great ones in track.

Mobile Unit Offers Family Service Now

A new method of providing family counseling service to a widely scattered population has been announced by the family service of Oakland County.

The method is the use of a mobile casework unit, the first of its kind of any family agency in the country. Inspection of the new unit was open to the public last Tuesday at the Central offices in Berkley.

Goodwill Pick-Up

The next visit of Goodwill Industries pickup trucks to Clarkston is scheduled for Wednesday, June 2. Goodwill trucks collect household articles of clothing, shoes, hats, toys, major types of furniture and other household discards.

To arrange for a Goodwill Industries truck pickup, call the local Goodwill representative Mrs. M. J. Lee telephone number MA 5-3281.

MIKE TUREK

In the three years that Turek ran the mile for Clarkston, he scored 126 points. Turek, who has been Clarkston's supreme mile for the past three years holds the mile record in 4:37, and was a member of a relay team.

When Mike was a freshman hurdler the assistant track coach, Tom Taylor, suggested Mike try out for the mile. It was a wise suggestion, because Turek became the finest mile runner in the history of Clarkston. Turek's record should last for some time. Hat's off to you Turek, your name is near the top of the list as the runner for Clarkston High School.

Teamed up with 'Jeep' 4-wheel drive.

The 'Jeep' Wagoneer is the only wagon to offer you this combination of options. A hot 250 hp V-8 engine for more zip on the highway, Turbo Hydra-Matic* automatic transmission for fast, smooth pick-ups. New power steering so gentle you can park the Wagoneer with one finger. And the big extra of 4-wheel drive traction.

To make 4-wheel drive even more effective with automatic transmission, we've added a low range to the transfer case. On the road... off the road... it handles just about anything nature puts in your way... hills, snow, mud, even deep sand. It's one of the "Unstoppables."

Test drive this "Unstoppable" at your 'Jeep' dealer's soon.

BILL SPENCE, INC., 6673 Dixie Hwy., Clarkston, Mich.

Girl Scout News

Plans for Day Camp, to be held during the week of June 21-25 at Davisburg Park, were announced by Mrs. Donald Wells at the May meeting of the Andersonville Parent Teacher Association. Several of the girls of the Davisburg Neighborhood Scouting attended the meeting

representing the four levels of scouting.

The Scouts expressed appreciation to the Parent Teacher Association for their sponsorship and to Mrs. Vent Roer who has been active in the organization and function of troops.

Participating in the program were: Suzanne Trim, Brownie; Wanda Dee, Junior; Glenda Sommers, Cadette; and Gloria Edwards Senior.

State Police Plan Special Patrols This Week End

With hundreds of thousands of cars expected on Michigan highways for Memorial Day weekend, the State Police will operate special traffic patrols for the holiday period from noon Friday, May 28, to midnight Monday, May 31. Commissioner Joseph A. Childs reports.

Traffic accidents killed 24 persons in the '78-hour holiday last year, the same toll as during the Memorial period in 1963. Highest toll for this holiday in postwar years was 34 killed in 102 hours in 1961.

Pass days are cancelled for the four-day period for all State Police uniform personnel at posts and districts. Detectives, where available, will take over desk duties to relieve uniformed officers for patrols.

Seventy-five officers attending an advanced trooper school at East Lansing headquarters will get off a day early on Thursday, May 27, to return to their home posts in time for the holiday patrols.

The State Police again will be assisted by 108 members of the National Guard who will serve as second men on two-man patrols or on point control.

Maximum patrol coverage will be from 3 to 9 p.m. daily during the holiday period, with special consideration to be given to sections of highways having bad accident experience.

"While monthly traffic death tolls this year are less than in the corresponding months of 1964, injuries and accidents continue to reach new highs," Childs emphasized. "The Memorial holiday weekend begins the season of increased recreational travel which means greater potential for accidents. For this reason, drivers should be extra vigilant in following safety rules. It's the surest way to continue the improved death record and gain a change for the better in the injury and accident trend."

Director at O.C.C. Heads County Business Group

The newly elected president of the Oakland County Business Officials Association is Lloyd H. Buskirk, of Franklin Village.

Buskirk is also the Director of Campus Development for Oakland Community College.

He received his B.S. and M.A. degrees from Eastern Michigan University and has held positions as teacher and Business manager at L'Anse Creuse High School, and Director of finance for Birmingham Public School System prior to his recent election.

Obituary

MRS. MARGIE O. WRIGHT
Service for Mrs. Martin (Margie O.) Wright, 38, of 4335 Elm Dale Rd., Independence Township, will be tomorrow at Waterford Township Church of Christ with Robert M. Cross officiating. Burial will be in Lakeview Cemetery. Funeral arrangements were by the Lewis E. Wint Funeral Home, Clarkston.

Mrs. Wright, who died May 25, following a brief illness, was a member of Waterford Township Church of Christ.

Surviving in addition to her husband, is her mother, Mrs. Velma Whitmire and a son Keith at home. Also surviving are four brothers and sisters: Mrs. Velma Powell of Memphis, Tennessee; Raymond Whitmore and Jessie G. Whitmore of Drayton Plains and Billy Joe Whitmire of Clarkston.

Navy Forms Special Company of Recruits

Commander H. D. Knosp, USN, officer in charge of Navy recruiting in Michigan has announced the formation of a special company of recruits to be known as the Tiger baseball company.

Navy recruiters throughout the state are accepting applications of young men between the ages of 17 and 31 that are interested in enlisting in this select group.

Those that are enlisted in this company will be sworn in the Navy in a special ceremony at Tiger Stadium prior to an afternoon baseball game with the Washington Senators on July 19, 1965. The company will be presented with a Tiger pennant and will remain to watch the ball game prior to departing for the naval training center at Great Lakes, Illinois to begin their 7 weeks of basic training. They will remain together as a company until the completion of their recruit training.

For further information, young men urged to see their local Navy recruiter.

Tomorrow is the greatest labor-saving device of today.

Co-eds Try For Home Scholar Ships

Girls with an aptitude for home economics are encouraged to maintain high ratings in both 4-H and school work by the lure of home economics scholarships.

Again in 1965 six scholarships of \$800 each and three of \$500 each are offered to college juniors majoring in home economics. The National 4-H Service Committee has announced. The candidates must have high scholastic standings and a background of 4-H work. Winners will be announced next December.

Candidates must be currently enrolled in a 4-H Club or have been a former 4-H member. The girls should make application to the state 4-H Club leader. The completed special scholarship application must include a statement explaining interest in home economics as a major course of study and financial need.

The business concerns providing

these 4-H home economics scholarships are: Sunbeam Corporation, Chicago; The S & H Foundation, Inc., New York; The West Bend Company, West Bend, Wis., and Pyrofax Gas Corporation, New York.

More than 2 million home economics projects are completed annually by 4-H Club members, according to figures released by the Federal Extension Service, U.S. Department of Agriculture. These include nutrition, bread baking, meal planning, sewing, food preservation, home improvement and related endeavors.

The scholarships are provided by the sponsors through the National 4-H Service Committee with the Cooperation Extension Service designating the recipients. More information and application forms are available from the county or state 4-H Club office.

BEATTIE MOTOR SALES, INC.

ORlando 3-1291

Waterford, Michigan

By Mrs. Shirley Lynch
MAPLE 5-1065

Mrs. James Clark and family of Felix Dr. have returned home after visiting relatives and attending a family reunion at Loraine, Ohio. The family was celebrating Mrs. Clark's brothers return from a tour of duty in Korea.

Four year old Lonnie Hunt was confirmed last Sunday. Out of town guest for the occasion arrived from Birmingham, Rochester and Pontiac. Lonnie's parents are the Forrest Hunt's on S. Main.

Relatives gathered at a dinner honoring Mr. John F. Criss on his birthday last Sunday. The happy party was held at the home of his daughter and family, the Thomas Hunter's on Snow Apple Dr.

Mr. and Mrs. Robert Jones and family were in Cleveland over the weekend to attend the wedding of Mrs. Jones' brother, Four year old Jennifer Jones was unable to go due to the chicken pox.

Mr. and Mrs. Richard Kelly, Mr. and Mrs. Bill Kelley and Mrs. Victoria Engler were luncheon guests of Mr. and Mrs. Garden Kelley Sunday. The occasion was Mr. Kelley's birthday.

Mrs. Tenuta's second grade class at Bailey Lake School enjoyed the birthday treat brought by Kenneth Garrison. Kenneth was 9 years old May 19.

The Big Lake Pinochle Club met at the home of Mrs. Marvin Jackson last week for their final game of the year. Refreshments were served later in the evening.

Mrs. Herbert Beach of Middle Lake Rd., is leaving this weekend

for South Carolina where she will pick up her daughter, Pam, who is a student at Bob Jones University. They will take a leisurely trip home through the Smoky Mountains.

Relatives and friends of the Edward Foster's of Flemings Lake Rd., gathered to celebrate the birthdays of Michon who was one year old May 19 and Robin who was five May 31.

A family dinner in Ortonville May 31 will be held in honor of Anita Lyns Faust's birthday May 28. Twelve years old Anita is the daughter of Mr. and Mrs. Raymond Faust of Clarkston Rd.

Mr. and Mrs. Rexford Graham of Ascension Street spent the weekend in Ohio. They attended the confirmation of Karen Chipps. Mrs. Graham was Karen's sponsor.

P.F.C. Gregory Gray is home for a two week furlough from Camp Campbell, Kentucky. His parents are Mr. and Mrs. Stewart Gray of Transparent Street.

The third grade children and their teachers, Mrs. Dunn and Mrs. Burgett spent Tuesday at the Royal Oak Zoo. Several mothers furnished transportation and chaperoned.

E-5 Burton Montross and family left this Thursday for Kentucky. Mr. Montross will leave his wife and family with his parents before proceeding to Saigon. The Montross' have been visiting Mr. and Mrs. Robert Gronzo on Hadley Rd.

Kelli Harrod was 5 years old May 20, and to celebrate the happy day a family dinner was held. Kelli is the daughter of Mr. and Mrs. James Harrod of Kingfisher Ln.

Friends will be glad to hear that Mrs. Harry Waggener of West Palm

Beach, Florida, (formerly of Clarkston) has returned home from the hospital where she underwent surgery.

The Pinochle Club met at the home of Mrs. Howard Elzholz last Wednesday evening. Mrs. William Dennis received a prize for high score. Mrs. Stanley Roosa was low scorer for the evening.

Robyn and Kelli Harrod and Cindy Chaffee performed a doll dance for the Mother and Daughter Banquet held at the United Presbyterian Church in Pontiac last Friday evening.

Mrs. Charles Helsel is visiting her husband's parents, Mr. and Mrs. Roscoe Helsel of Whipple Lake Rd. Mr. Helsel is in the Navy. Mrs. Helsel will stay here until the middle of June.

Darl Hess returned last week from a two year tour of duty with the Air Force in Alaska. He is staying with his parents the Gerald Hess' of Flemings Lake Rd.

Mr. and Mrs. William LaPeer from Baldwin Park, California are visiting their daughter and family, the Lloyd Hobbs on Ellis Rd. They plan to stay a month or two.

Mr. and Mrs. Charles W. Robinson and family attended the 90th birthday reception of Mr. Robinson's mother, Mrs. Laura Robinson, in Mt. Pleasant Sunday, May 23rd.

Joe Jennings of Waldon Rd. has two of his charcoal drawings exhibited in the annual student exhibition at the Society of Arts and Crafts in Detroit. Joe is a first year student at the school.

HAPPY BIRTHDAY TO: Larie Walter, Marcia Johnson, Socratina McLean, and David Grimes, May 28; Billy Williams and Edye Beach, May 29; Randy Miller, Jim English, Kevin Searight and Forta Monroe, May 30; Maynard Kizer, May 31; Charles Hodge, Lori Landon and Marpheus Wilford, June 1; Gregory Thomas and Pat Roy, June 2; and Dale Adams, and Cindy Heazlit, June 3.

ANNIVERSARY GREETINGS TO Mr. and Mrs. Frank Reynolds and

Mr. and Mrs. Fred Turek, May 28; Mr. and Mrs. Del Walter, May 29; Mr. and Mrs. Lawrence Walker, May 31; Mr. and Mrs. Jack Gardner, Mr. and Mrs. Gar Wilson and Mr. and Mrs. Stanley Ash, June 1; and Mr. and Mrs. Bruce Embrey, June 2.

Don't forget to stand at attention and salute the Stars and Stripes, your flag, as it passes you at the Memorial Day Parade.

Have a nice safe Memorial Day weekend!

JEAN BELKNAP TO SPEAK AT WATERFORD CLUB
"Jewelry and Silver Service," a slide program, will be shown and narrated by Jean Belknap, at the last meeting of the season of the Waterford Gem and Mineral Club. Location for the 7:30 p.m., May 27, meeting will be the C.A.I. Building in Waterford Township.

An auction of minerals and lapidary items has also been scheduled. Members are preparing items for the show which will be held at the C.A.I. Fair, June 18-19-20.

Receipte Drayton Plains Plans Center

SUMMER QUICKIE RECIPE TAKES CARE OF LEFTOVERS

This weeks recipe, submitted by Mrs. Donald Kranish of Eastlawn, has been tested and approved by her family.

"This is a quick and easy meal for busy summer days" Mrs. Karnesh stated, "and one of our family enjoys so thoroughly that we never have any leftovers."

TEXAS HASH

3 Large onions sliced
1 Large green pepper, minced
cook in 3 t. fat until yellow; add and fry until mixture falls apart,
1 lb. ground beef.

Stir in:
2 c cooked tomatoes (1 lb. tall can)
1/2 c washed uncooked rice (noodles)

1 t chili powder
2 t salt
1/2 t pepper
Place in 2 qt. casserole; cover and bake at 350 degrees for 1 hour. Remove cover last 15 minutes.

A Nature Center which will offer the people of southeastern Michigan an "island of green" in the midst of metropolitan development is planned by the Drayton Plains Nature Center, Inc. Selected location for the center will be the former Drayton Plains Hatchery.

The Nature Center has filed a formal request for purchase of the property from the Michigan Department of Conservation. This was done following the passage of Senate Bill 50 which authorizes such purchases.

Fifty-five acres of woods and fields adjoining the former hatchery have been purchased and will be included in the 138 acre Nature Center development which is designed to get under way this summer.

Plans include a fish-for-fun area for children, wooded nature trails, outdoor study areas and a sanctuary for Waterfowl species.

"If Johnny Refuses to Eat" Try These Helpful Hints

If Johnny refuses to eat "new" foods, mothers might try these hints from dietitians at The University of Michigan Medical Center:

First offer the new food during a meal where favorite foods are also being served.

Give the child a very small portion.

Do not draw undue attention to the new food.

If he doesn't eat it the first time, serve it again a few days later. The U-M food specialists say you

should wait until the child has become acquainted with a new food before you start increasing the size of his portion.

And if there is any unpleasantness associated with the new food, put off serving it again until the child has had time to forget.

Milk remains the least expensive and most palatable source of calcium in your daily diet and is needed all through life. Although growing children and pregnant women have a special need for calcium, adults need it too.

According to food specialists it may be difficult to get adequate calcium without milk. For most people, foods other than dairy products provide less than 25 per cent of typical daily needs.

In addition to promoting healthy bones and teeth, calcium aids in body functions such as blood clotting, nerve response and muscle contraction. Experimental animals have shown that adequate intake of calcium also leads to greater vitality and a longer prime of life.

A Book Fair, sponsored by the Library Board of Clarkston Elementary School, will be held during the week of June 3 through June 10.

Library mothers will assist in the sale of the books which will be on display in the main lobby from 9 a.m. until 4 p.m.

Paper back fiction, non fiction and workbooks

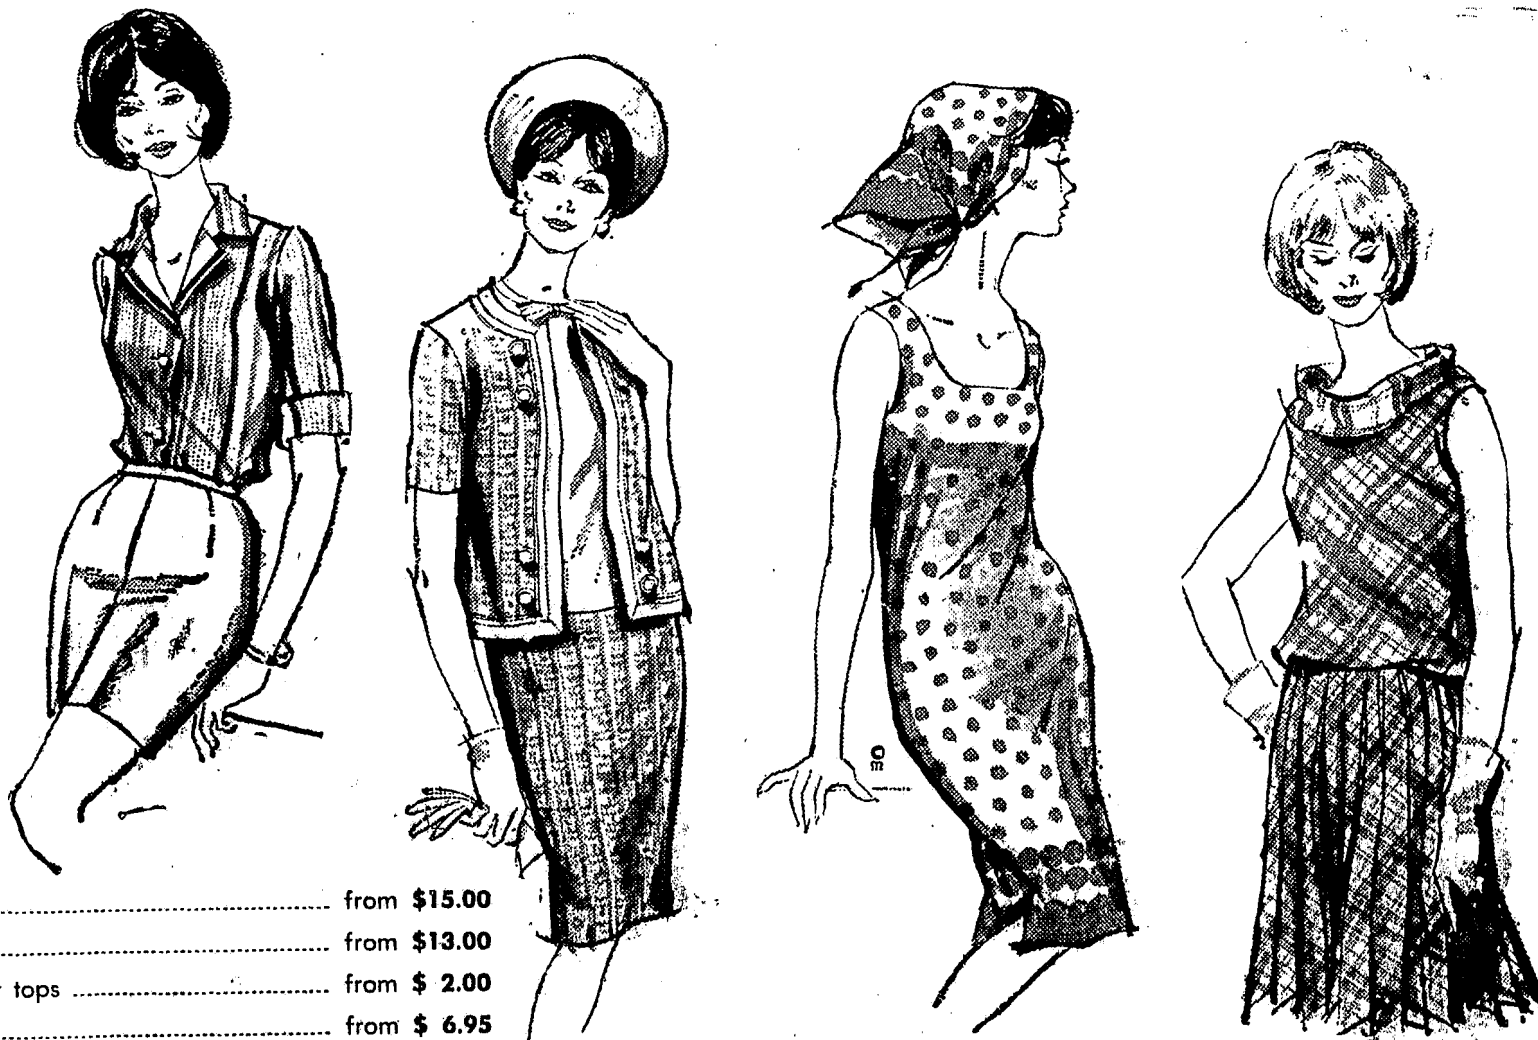

will be available at the sale which will end at 2 p.m. June 10. The public is invited.

From left to right are Mrs. Donald Kranich, cataloger; Mrs. Leslie Purslow, principal; Mrs. Floyd Gordon, book fair chairman and Mrs. Wallace Whitmer display some of the books to be offered at the fair.

CLARKSTON Track

NEWS

PHOTOS

Clarkston's track team coached by Bud McGrath and assisted by Jim Davidson competed in 13 meets this year. Ending up with a record of 6 wins and 7 losses. They competed in three glamorous meets, Mansfield relays, Central Michigan relays and Waterford relays.

Clarkston tied Holly for 4th place in the league meet held at Clatsopville. Some 37 boys turned out for track, with 11 of them earning a variety letter. 26 boys earned a J.V. letter.

Six new records were set by the track team. They were, Bob Gray in high jump, 6' 1/2" and in the high hurdles, 61.0 sec, Mike Turek, in the mile run, 4:37, 880 yard relay team composed of Tom Morris, Marshall Gratz, Neil Stalker, Rick Blimka, at a time of 1:36; mile relay team composed of Neil Stalker,

Harold Allen, Mike Turek, and Rick Blimka at a time of 3:38 and the shuttle hurdle relay team composed of Mike Madison, Mark Erickson, Mike Turek, and Bob Gray, time of 1:02.

Listed below are the letter winners and their points scored.

1. Bob Gray	73	Listed below are letter winners and their batting average.
2. Mike Madison	53	1. Tom Allen .362
3. Rick Blimka	31	2. John Seaman .260
4. Tom Morris	29	3. Rich Palladino .257
5. Marshall Gratz	13	4. Steve Barnett .244
6. Mike Turek	13	5. Dan Fife .240
7. Chuck Underwood	12	6. John Woolley .215
8. Cecil Caverly	9	7. Paul Allen .215
9. John Simmons	9	8. Gary Pearson .196
10. Neil Stalker	6	9. Rod Allen .143
11. Gary Wade	6	10. Tom Schoff .091
		11. Wayne Gohs .000

in league play this year. Their record is 8 wins and 7 losses.

Gary Pearson was the leading pitcher with a record of 5 wins and 3 losses. Dan Fife took second and third pitching honors and freshman Rich Johnson, pitched one game beating Waterford 1-0.

Coach Thompson's ball club cost many close ball games. This was due to the poor hitting of many or all of his players except Tom Allen. Two or three timely hits and their record could have been 11-4 instead of 8-7.

These five seniors will be playing their last ballgame for Clarkston High next weekend in the Pontiac Press tournament. Kneeling, left to

right, Gary Pearson, Tom Schoff. Standing, left to right, Paul Allen, Rich Palladino, and John Woolley.

Clarkston News Photo

Tom Schoff on the left and Gary Pearson were the team battery for Clarkston for 4 years. Schoff caught all of Pearson's victories — 15 of them. Pearson has been offered a baseball scholarship at Flint Junior College.

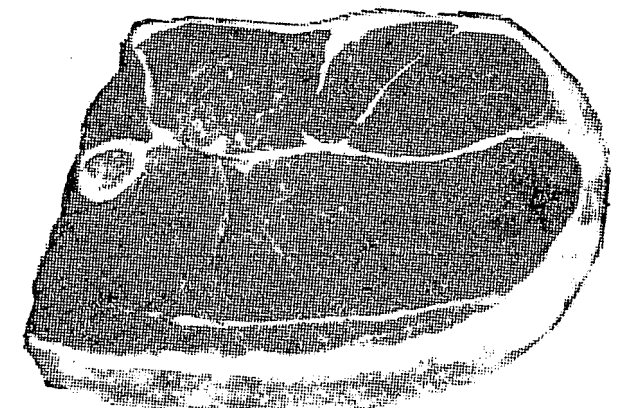

The double play combination for Clarkston — Dan Fife and Tom Allen. Dan Fife was also a pitcher for the Clarkston Wolves, posting a record of 2-3. Tom Allen is Clarkston's leading hitter with an average of .362.

Senior members on the track team were, left to right, manager Bob McCarrick, Harrold Allen, a member of the record mile relay team;

Bob Gray, Clarkston's great high jumper and hurdler; Mike Turek, Clarkston's finest miler and manager Rich Funk.
