NUMBER 45

Fourteen Leave on Alaskan Cruise

Gary Lewis (far left) stands with his traveling mates and trip sponsor, Ed Kuhn (on platform), at Windsor train depot as they wave their farewell before leaving for an Alaskan tour.

Clarkston Teen-ager Sees Dream Come True

A local 15 year old boy, Gary Lewis, of Church Street, Clarkston, is on his way to Alaska with the 9th Annual Alaska Cruise for Boys. Gary is the brother of Mrs. Robert Wilson with whom he is making his home.

In order to qualify for this expedition, Gary was required to earn at least one-third of his own expenses. Mr. Edward J. Kuhn, leader and sponsor of the trip, hopes that this requirement will encourage boys to save toward worthwhile things in life. Gary earned nearly all of his own expenses. He is employed at the Clarkston News and will resume his position there upon his return.

Governor William Egan of Alaska will present each of the boys in this years group with membership certificates and Walrus lapel pins as they become members of the "Order of the Alaska Walrus."

Gary, along with the other boys, left Windsor at 5 p.m. last Saturday. Later the same evening at a stop over in Toronto, the boys were given an interesting city tour.

The three days from Tuesday to Thursday were spent at Jasper Park Lodge. While there they visited the "Mother of Rivers", the largest body of ice south of the Arctic Circle, and had an exciting snowmobile ride on Atabasca Glacier.

A complete sightseeing program is planned for the boys upon their arrival in Vancouver, B. C. Friday. Among the interesting places they will visit are Stanley Park, the

famous Capilano Canyon suspension bridge, Grouse Mountain and China town business district.

The same evening the boys will board the Prince George which will be their home for the next eight days. A stop on Sunday at Prince Rupert, B. C. will take them to the largest cold storage plant in the world. Interesting totem poles will be viewed in Prince Rupert.

A sixteen mile trip over Glacier Highway to the very base of Mendenhall Glacier will be among the spectacular sights the group will see Monday after their arrival in Juneau, the capital of Alaska.

A peaceful cruise through different channels of the Inside Passage will take up a good portion of their twelfth day's journey. A stop at Wrangell, a picturesque lumber and fishing center and gateway to Northern British Columbia, and the viewing of totem poles in the Indian village here, will complete their day.

A scenic day of viewing mountain canyons, waterfalls and evergreen forests close to the ship will await the boys on Thursday, July 29.

The next day they will be served the Captain's Dinner after a day spent cruising Fitzhugh Sound, and Johnstone-Seymour Narrows.

Arriving in Vancouver, B. C. on Saturday, they will transfer by bus and ship across Puget Sound to Victoria where they will see many of the sights of this British city. They will arrive in Seattle Washington that evening.

Breakfast will be enjoyed atop the revolving Space Needle on Sunday, with the view of Puget Sound, Lake Washington, Mt. Rainier, the Cascade and Olympic Mountains. The group will then visit the many special exhibits at the Century 21 Center. Leaving Seattle for the Union Station at 5 p.m. they will arrive in Portland at 9:15 where they will transfer to the YMCA for a nights rest.

After breakfast the following day, the boys will make a trip along the Columbia River Highway to Bonneville Dam, with stops at Latourel Falls, Wakkeenah Falls, Multnomah Falls and the Sanctuary of our Sorowful Mother.

The last leg of the journey enroute home, will be a time of more sight-seeing from their train window. The group will arrive in Detroit in the late afternoon of Friday, August 6, after a three weeks fun packed expedition.

Entertainment and activities await persons of every age at the Mid Summer Carnival to be held at the Ivory Polo Grounds, 9990 Cooley Lake Road, Union Lake, on August 8. The event which is sponsored by the Lost Decibels, a parent's group for deaf children, will help provide educa-

tional training for children with serious hearing impairment. Six year old Greg Kaczmarek is pictured with his mother Mrs. Henry Kaczmarek presenting Mr. James Stiles of Clarkston Shoe Service a poster announcing the event. Clarkston News Photo.

Lost Decibels Sponsor School For Hard of Hearing Children

The ability to speak, to express one's self in words, is an attribute most take for granted. Yet, without the aid of expensive special education programs, a small percentage of children, those suffering serious hearing impairments, would struggle through life using only their hands to communicate with others.

Schooling for these deaf children differs from that of the completely normal child and begins at the early age of three. Many of these children travel fifteen or twenty miles to a school district that has a deaf room available. Here they are taught to use their abilities to speak and lip read through the many special educational programs throughout the country.

Specially trained teachers and the invention of the hearing aid has helped these children make tremendous strides in their learning achievements. However, deaf children, though often extremely intelligent, tend to regress from two to three months during the summer recess period. Several months of reviewing is required in the fall before these pupils regain their class level.

That these deaf children may speak, is the hope and prayer of each of their parents. Motivated by this hope and the realization that these children need extra weeks of training, the Lost Decibels, a par-

ents group for deaf and hard of hearing children, has sponsored a six week summer school program for the past two years. This summer's sessions were made possible through the funds raised by holding canister drives, selling tickets, and from donations from service organizations.

A total of \$12,000.00, the amount needed for the summer school program, was raised through the combined efforts of parents, volunteers, Brownies, Girl and Boy Scouts, and neighbors and friends.

These gifts and projects made possible a summer school which is training sixty-nine deaf children in this session. Because these handicapped children require more individual attention, an average class is made up of one teacher to each seven children.

Parents of these children consolidate their efforts through programs such as Lost Decibels because of

their desire to give these children the best educational possibilities.

Even before this year's summer program has drawn to a close the Lost Decibels are making plans for a school fund for next year. This drive will have to be a greater endeavor as each year brings added registrations of students which in turn means more teachers and equipment.

The Mid Summer Carnival, to be held at the Ivory Polo Grounds at 9990 Cooley Lake Road, Union Lake, on August 8, will be their largest single money raising project. Rides, games and refreshments will be available along with skydivers, rock 'n' roll bands and other entertainment. The public is invited.

Education is the only possible "cure" for these children with nerve deafness. The Lost Decibels are determined that this "cure" will be made available to each of these children.

School Board Awards Contracts at Meeting

The Clarkston Community School Board of Education received bids for the sale of bonds and the construction of the Bailey Lake Elementary School addition at a special meeting recently.

Six bids were received for the

Water Deaths

Decrease in 1965

Michigan's water deaths this year through July 15 reached 136 in 218 accidents, decreases of eight and 43 respectively compared with the same period in 1963, according to provisional figures reported by the State Police.

In addition, 97 persons have been injured. Forty-five of the accidents were property damage only.

Of the 110 drownings on which official reports have been received, 18 were boat operators, 23 were boat passengers, 36 were swimmers or waders, 1 was a skin diver, 13 fell through ice and 19 fell from a bridge, bank, dock, pier or in some other manner.

CC Names Faculty, Buys Equipment

The appointment of eight faculty personnel, the purchase of equipment totaling \$29,094 and a contract for the development of specifications by the architectural firm of Giffels & Rossetti, Inc. were approved by the Oakland Community College Board of Trustees last night, George Mosher, OCC Board Chairman announced.

Among faculty personnel appointed were:

Alma Smith, 1316 Wrenwood Drive, Birmingham, as assistant professor, mathematics; Donald E. Helland, 2934 St. Jude, Drayton Plains, as faculty assistant accounting, and Leona L. Panza, 420 Berwyn Road, Birmingham, as faculty assistant, English.

Others were Connie Pinis, 600 Pierce Street, Birmingham, as faculty assistant, Social Science, Dorothy H. Tyrrell, 2602 Lance, Lake Orion, as faculty assistant, English, and Barbara Jean Velloff, 2355 Cheltenham, Pontiac, as Faculty assistant, Biology.

The firm of Giffels & Rossetti, Inc., will develop specifications and bid documents for the parking lots at the Auburn Hills and Highland Lakes campuses.

Three Break-ins Investigated

State police are investigating the theft of a camera taken from a car owned by Gary Haddrill, 6766 Almond Lane, Clarkston. The theft occurred July 19 according to state police records.

Thieves at Clarkston Golf Course took money from two coke machines and stole two dozen bottles of pop during the night of July 16, according to police records.

The same night the music machine at the Chief Pontiac Legion Hall, 4819 Edgewood, was forced open. Coins from the bar along with the money in the machine were reported taken.

State police are investigating the thefts.

Vacationers Beware

More motor vehicle deaths occur in August than in any other month, the American Insurance Association points out.

In 1964, 4,810 persons died in car accidents during August, almost four per cent more than in October, the next most dangerous month for driving.

According to the Association, the high total for August is attributable mainly to the large numbers of vacationers who take to the roadways during that month. If you plan to be among them, the Association advises, observe all the rules of driving safety and most important of all, don't overload your car or trailer.

CC Okeyed for VA

Oakland Community College has been approved by the State Department of Public Instruction for participation in the Veterans Administration program established under Public Law 634, Dr. John E. Tirrell, OCC President, announced recently.

The program provides for benefits to children of servicemen who died while a member of the armed forces. "Benefits received by such children extend through age 18," Dr. Tirrell said, "and continue through age 21 if the youngster is enrolled in an approved college, taking approved courses, and receives passing grades."

Announcement of the College's approved status was received from Ferris N. Crawford, Assistant Superintendent, for General Education, Department of Public Instruction.

Beach Cleaned by 'Men of Action'

A spur of the moment idea caused Clarkston Jaycee president Robert Newlin to call several club members Monday and ask them to meet him at Deer Lake beach with lawn mowers and clippers in their hands.

Before long several ambitious men were on the "beach scene" mowing, clipping and cleaning; a clean up job much needed at this Village owned swimming area.

Broken glass and papers were hauled away, and trash barrels placed in the area.

This fine civic organization is responsible for the marking of the safe swimming area at Deer Lake and also for the placing of a telephone on the beach.

Two Injured

Two teenage Clarkston girls were injured in an accident on Perry Lake Road in Independence Township, Monday, according to Oakland County Sheriff Department records.

Driver of the car Katherine Rossano, 16, of 107 N. Main Clarkston, stated that as she rounded a left turn she saw a car approaching causing her car to leave the road and strike a tree. Both Katherine and her passenger, 15 year old Leslie Bell, of 7951 Perry Lake Road Clarkston, received minor injuries in the 12:30 p.m. accident.

Postpone Play

The Clarkston Village Players have postponed their production "Picnic". The new opening dates, scheduled for sometime in September, will be announced later.

State Police Need Dogs

The State Police are seeking donations of German shepherd dogs to meet the increase demand for the services of department tracking dog teams, Commissioner Fredrick E. Davids announces.

The department first experimented with the use of a tracking dog in 1960 and the results were so good that the program was expanded in 1961 to five handler-dog teams. Two years later this was increased to 10 teams and the plans now are to add another five teams.

Because age limits the usefulness of a dog, replacements are also being sought. All of the dogs have been gifts.

Male German shepherds of pure strain and, if possible, registered are being sought as they are regarded as the best all-round type of dog for police purposes. Dogs selected must be between one and two years of age, large, big boned, and at least 24 inches tall measured from the ground to the top of the front shoulders.

Ears must stand up and there must be no noticeable scars or odd and unusual markings.

Donors are requested to get in touch with any State Police post.

A trooper is assigned to a dog and both are trained at State Police headquarters in East Lansing by Corporal Richard Abbott, who has headed up the program since the beginning.

Tracking teams are now assigned at the East Lansing, Ionia, Pontiac, Bay City, Jackson, Paw Paw, Grand Haven, Cheboygan, Houghton Lake and Marquette posts.

Hans, a German Shepherd trained police dog is shown here with his handler, Trooper Richard Chartier of the Pontiac Post of the Michigan State Police. Hans was donated to the department by a New Baltimore family.

Hans, a German Shepherd trained police dog is shown here with his handler, Trooper Richard Chartier of the Pontiac Post of the Michigan State Police. Hans was donated to the department by a New Baltimore family.

He has been trained to track, search for lost property, attack, control crowds and protect his handler.

Trooper Chartier, to whom Hans has been officially assigned, assumes the regular duties of a trooper with the exception that he and Hans are available twenty-four hours daily to any police department in Southeastern Michigan needing their service.

Hans is a regular companion of Trooper Chartier accompanying him on all of his duties.

Proper kicking techniques are being practiced by a group of students who are taking part in the Independence Township Swimming lessons at Deer Lake beach. Under the capable instruction of (left to right) Betty Cobb, Chris Smith and

Greg Gordon, youngsters of school age will have the opportunity of becoming proficient swimmers. Swimming is only one of the many activities offered area children through the Independence Township summer recreational program.

FIRST CHURCH OF CHRIST SCIENTIST
Oxford, Michigan

"Lead me in thy truth, and teach me: for thou art the God of my salvation: on thee do I wait all the day."

This supplication from Psalm will begin this Sunday's Bible lesson at all Christian Science churches. The subject of "Truth" will be explored with particular emphasis on the teachings of Christ Jesus.

In addition to selections from the Bible, there will be readings from the Christian Science textbook. This passage will be included: "Christ, as Jesus taught it, was not a creed, nor a system of ceremonies, nor a special gift from a ritualist, Jehovah; but it was the demonstration of divine Love casting out sin and healing the sick, not merely in the name of Christ or Truth, but in demonstration of Truth, as must be the case in the cycles of divine light" (Science and Health with Key to the Scriptures by Mary Baker Eddy, p. 135)

after the Parade

The parade is over, and Tim is hot, dusty, and his feet hurt. This was his first parade, and somehow it didn't come off as he thought. He didn't expect to be the whole show, but he *did* think he and his tuba would stand out a little. As it happened, he was just "one of the band."

Later, he will realize that if each player weren't just "one of the band" there wouldn't be any band at all. He'll start thinking from there, and the parade will seem a lot better in memory than it does right now. For Tim has a good sense of value, for a boy his age—thanks in part, to the teachings of his church and church school.

Tim will weather his disappointments and march successfully through life, instead of giving up. Will your youngsters be as lucky?

Give your children the chance to go to church school.

Michigan State Police Issue Monthly Report

Michigan State Police officials made 24,642 arrests in May, 22,433 of them for traffic offenses and 2,209 on criminal complaints, according to the department's monthly activity report.

In addition, 718 juvenile traffic offenders were arrested and 594 delinquent minors apprehended. Troopers assisted 6,402 motorists, investigated 10,155 cars, issued 27,679 oral warnings to drivers and made 13,334 property and 2,791 liquor inspections.

Department vehicles traveled 1,975,778 miles, of which 1,232,855 were on traffic patrol and 742,923 to investigate criminal and other complaints.

The identification bureau received 12,457 sets of fingerprints, of which 6,784 were criminal and 5,673 non-criminal. Five wanted persons were identified.

Of 1,778 applicants for permits to carry concealed weapons, 173 were identified with criminal records through their fingerprints. One unknown dead was identified

by the same means. The scientific crime laboratory conducted 362 examinations, of which 293 were on questioned documents, 154 on firearms, 35 on tool markings, 33 microscopic, 13 botanical and 33 miscellaneous.

Laboratory assistants numbered 31 for State Police posts, 15 for sheriff, 45 for municipal police and four for federal, state or other agencies.

The fraudulent check section received and processed 149 checks. Of the 673 were identified by number with previous specimens. Total value of the processed checks was \$8,467.11.

Obituaries

MARVIN S. JACKSON

Services for Marvin S. Jackson, 50, of 12921 15th Lake Road, Clarkston, Mich., was held Sunday from the Lewis E. West Funeral Home with

burial in the Lochalsh Cemetery, Lucknow, Ontario. Rev. Melvin Younger, pastor of the Gethsemane Lutheran Church in Holly, officiated. Mr. Jackson who was a member of the Lutheran Church, died suddenly July 15.

He was a well known Detroit Area night club entertainer having appeared at Fox and Hounds, Jerry's and most recently at Girard's in Detroit. A member of the Federation of Musicians and the D. A. V., he was best known for his piano artistry.

He is survived by his wife Katherine, and a son Jeffrey at home. A brother Johnny King of Myrtle Beach, South Carolina, also also survives.

CHARLES W. PRICE

Services will be held Thursday at Farm's Cove, Ill., for Charles W. Price, 49, of 5290 Clarkston Road, Clarkston.

A truck driver for Motor Car Transport Co. of Pontiac, Mr. Price passed away Sunday, after an illness of several months.

He is survived by his wife Emma, mother, Mrs. Laura Newberry of Ill., three brothers and five sisters. Arrangements were made by the Lewis E. West Funeral Home.

Local News

By Mrs. Shirley Lynch
MApple 5-1065

Mr. and Mrs. Louis Lessard and family of Havelock have just returned following a three week trip through Ocean City, Maryland; Washington, D.C.; the New York World's Fair; and Niagara Falls. The highlight of the Washington trip was having luncheon in the House of Representatives dining room as guests of local congressman, Billie Farnham.

Sandra Dandy and Pauline Brewer were co-hostesses at a personal shower in honor of bride-to-be Mary Lynn Hinz. Sandra, who will be Mary Lynn's maid of honor, hosted the shower in her home on Cramlane. Fifteen girls were present and enjoyed the "bride" games that were played. Most of the guests were girls from the '64 class of Clarkston High. Wedding bells of various sizes were used in the decorations. Mary Lynn received many lovely gifts.

Mr. and Mrs. William March and children of Toronto are house guests of the John Adams on Maybee Road for several days.

Mrs. John Walts, John Jr. and Pam of Snow Apple are spending a week at Kaska near Cadillac.

Ingrid Black of Tarpon Springs, Florida is visiting in the Hawkey Skarritt home on Miller Road as a house guest of Linda.

A surprise birthday party in honor of Kristina Kroninger who was nine years old July 18 was held recently. Nine girl friends enjoyed a pink and white cake with ice cream and pop, following a swimming party. Kristina is the daughter of the Richard Kroninger's on Chickadee.

Billy Lovejoy was home for two weeks visiting his parents the Frank Lovejoy's on Waldon Road.

Boy Scouts of troop No. 126 have returned to their homes after spending a week at camp Agawam.

Forty relatives helped Tim Adams, son of Mr. and Mrs. John Adams of Maybee Road, celebrate his eleventh birthday at a party in his home July 21.

A weekend near West Branch was spent by the Arthur Kelley family of White Lake Road.

Judy Seffens, daughter of the Gerald Seffens of Snow Apple, is at Girl Scout Camp Sherwood for several weeks.

Mr. and Mrs. Richard Funk of Cramlane were joined by the Homer Boindia's when they celebrated their wedding anniversary with dinner and dancing Friday.

Mr. and Mrs. Robert Foster and family of Fleming Lake have returned to their home following a week's vacation at East Tawas.

Spending the summer in California

with relatives is John Glander, son of Mr. and Mrs. Lynn Pirtle of Flemings Lake Road.

Jeffery, son of Mr. and Mrs. Rexford Graham of Ascension has returned home following a week's stay in St. Joseph Hospital.

Mr. and Mrs. Harry Squires with daughters of Eastawn have returned home after visiting the World's Fair and other points of interest in New York and surrounding areas.

HAPPY BIRTHDAY: Mark Evans Mark Adams, July 23; Mark Gage, Les Boyns, Robert Keech, Kim Kushman, July 24; Jeff Elshotz, Betty Hallman, Bob Johnson, David Erickson, Cricket Embrey, July 25; Fern Wertman, Mary Fenstermaker, Gary Klann, Feather Frechette, July 27; Elizabeth Ronk, Julie Johnson, Pat Littleton, July 28; Leo Erickson, Ricky Evetkoff, Steve McGill, July 29.

ANNIVERSARY: Mr. and Mrs. Leslie Purslow, July 23; Mr. and Mrs. Bob Johnson, July 25; Mr. and Mrs. Bud Temple, July 29.

Mr. and Mrs. Ken Johnson returned Monday from a five day tour of south-western Michigan. While in Holland they visited Mr. and Mrs. Orlo Willoughby. Mr. Willoughby was formerly choir director at the First Methodist Church in Clark ton.

Seymour Lake News

Mrs. George Scott accompanied by her granddaughter Mrs. Grant Beardslee have returned from a trip to Cincinnati, Ohio where they visited Eleanor Scott. They also took a plane to Jonesboro, Georgia where they were guests of Mr. and Mrs. Dale Scott.

Mr. and Mrs. Albert Schubert and children, Tom and Jane, were called to Sparta, Tenn. last Friday by the death of his mother.

Mrs. Albert Schubert and Jane, accompanied by Mrs. Lee Porritt, attended the theatre in Pontiac last Thursday.

Couple Honeymoons in West

Wearing a floor length gown of silk organza over taffeta with re-embroidered Aloncon lace trim, Karen Jay Rousse became the bride of Ronald L. Johnson at the Zion Lutheran Church, Manistique, July 10th.

The empire waist of the bride's gown set off a scalloped subrina neckline and full length tapered sleeve. Her chapel train, secured with a bow, complimented the "A" line bell shaped skirt. Her veil was a montilla of Italian Aloncon lace and silk illusion of elbow length. She carried a cascade of happiness roses and white larkspur.

The bride is the daughter of Mr. and Mrs. Wilbert Rousse of Manistique. Mr. and Mrs. L. Johnson of Flemings Lake Road, Clarkston, are the parents of the bridegroom.

Rev. Ingmar Levin performed the double ring ceremony before an altar banked with pink peonies, blue delphiniums and white canterbury bells.

Mrs. Larry Knuth was matron of honor. Bridesmaids were Miss Diane Christensen, and Miss Karen Johnson. They wore identical open-blue floor length gowns of silk organza over taffeta featuring subrina necklines and double ruffled sleeves. Their petal headpieces were of matching material and held silk illusion veiling.

Colonial bouquets of pink Jack Frost roses and Lily of the valley completed the effect.

Carrying a basket of Jack Frost roses and rose petals, Gwen Christensen, flower girl, preceded the bride down the aisle.

Serving as best man was Robert Keller with Dennis Hink and Francis Johnson as ushers. Duane Christensen and Robert Reid seated the guests.

The bride's mother wore a pink

lace over taffeta sheath with matching accessories. A corsage of happiness roses completed the effect.

The bridegroom's mother chose a blue lace over taffeta with matching accessories. Her corsage was pink sweetheart roses.

Following a buffet dinner reception held at Augusta Hall the newlyweds left for a honeymoon touring the west. The bride chose a two

piece aqua crepe ensemble with ruffled trim complimented by a pink spider web stole and matching accessories for her going away costume.

The new Mr. and Mrs. Johnson will make their home in Grand Forks, North Dakota, where the bridegroom will serve as assistant professor of Sociology at the University of North Dakota.

Mr. and Mrs. Ronald Johnson

IT'S A FACT...

* GAS PROVIDES ABOUT 80% OF ALL AIR CONDITIONING AT THE NEW YORK WORLD'S FAIR.

* IN ADDITION, GAS PROVIDES ABOUT 90% OF THE HEATING, 99% OF THE COOKING AND 90% OF THE WATER HEATING AT THE FAIR.

NATURAL GAS
— Does So Much,
Costs So Little

In Michigan, after a day's fishing beer's the one... for good taste, good fun

Wherever you fish for sport—on the ocean, by the booming surf, or on some quiet country pond, it's great at the end of the day to head for a rewarding glass of beer. While you're talking over the ones that got away, or pan-frying the ones that didn't, you enjoy the hearty taste and cool refreshment only a glass of beer can give you so well. Yes, whatever your sport—bowling or strolling, golfing or gardening—a frosty glass of beer makes a naturally great accompaniment.

College News

Receiving a bachelor of arts degree in chemistry, from Andrews University in Berrien Springs, is William Charles Glennie of 5850 Kingfisher Street, Clarkston.

His education will continue this fall in the form of a teaching assis-

WILLIAM CHARLES GLENNIE

tantship, which includes a tuition scholarship at Illinois Institute of Technology. While there, he will take graduate work toward his master of arts degree in physical chemistry.

William is the son of Mr. and Mrs. Forrest J. Glennie.

Degrees were awarded to 2,444 candidates at Wayne State University this month setting a new record in the University's history. Dr. Clarence B. Hilberry, who is retiring from WSU July 1, conferred degrees for the last time as president of the University.

Among the graduating class was Nena E. Baird Precau of 4999 Cecelia Ann who received a bachelor of science degree.

Included in the 897 students participating in graduating ceremonies at Eastern Michigan University June 12 was Judy L. Booth of Davisburg.

She was awarded a bachelor of business administration.

Linda Jean Chapman, daughter of Mr. and Mrs. Harry Chapman of Maybee Rd., one of 2,500 seniors to graduate from MSC on June 13, received a Bachelor of Arts degree in Speech Education from the College of Communication Arts.

While maintaining a B scholastic average, Linda engaged in many extra curricular activities during her college years. Some of these were:

Served as publicity chairman of the Fresh-Soph and Junior Councils; Was a member of the Union Board; was on the publicity committee for Greek Week; was President of the Junior Panhellenic Council and wrote theme and continuity for the annual Water Carnival.

Linda was a member of the local honorary, MSU Players and Vice-President of the national dramatics honorary, Theta Alpha Phi. As the MSU reporter on Lansing radio station WILS, she gave a weekly program of campus news. She also filled the position of director of Student Government Services for the All-University Student Government.

For Delta Gamma, Linda's sorority, she was Projects Chairman and Scholarship Chairman and in 1964 was chosen by her sorority sisters as their Outstanding Junior. As a Senior Council member she has served her class as student Commencement Chairman, the only student on the Faculty Commencement Committee. Also this year, she was assistant director and stage manager of the University Theatre production of "The Marriage of Figaro", and was invited to give a reading before the East Lansing Women's Club. As a student teacher at Waterford-Kettering High School during the '65 winter term, she directed the school play, "Tom Jones".

On June 6, Linda was among those honored at "Intern Night" ceremonies as one of the fifty outstanding senior women. In the June 7 edition of the Michigan State News, she was named "Senior of the Week". She was also named to the '65 Club, the outstanding sixty-five seniors chosen to form the nucleus of the Alumni group.

In her spare time, Linda taught a fifth grade Sunday school class at People's Church in East Lansing and was assistant leader of an East Lansing Girl Scout Troop, 50.

Chevrolet

workpower

"walks" right over bumps and trouble

Independent front suspension takes the "truck" out of truck ride. It smooths rough roads, protects truck, driver and cargo from excessive jolting. And on Chevrolet pickups it's a proved system with millions of miles of user experience behind it. Try it out on one of Chevrolet's great Fleetside or Stepside pickups. It's one of the big reasons that Chevrolet is first choice with pickup users from coast to coast.
