

Rash of Personal Injury Accidents Plague Area

Three persons were hospitalized following this two car Wednesday morning collision on M-15 south of Seymour Lake Road. This was the second serious accident to occur at this location in less than a week, resulting in injuries to five persons.

Seymour Lake Road at M-15 Site of Wrecks

Three persons were seriously injured in a two car collision on M-15 at Seymour Lake Road Wednesday morning. In serious condition at Pontiac General Hospital with head injuries and facial lacerations, is Gerald Vantine, 19, of 490 Hadley Road, Ortonville. Lloyd Combs, 20, and Carol Jean Garner, 17, were reported to be in fair condition. Combs received a fractured ankle and facial lacerations while Miss Garner is suffering a fractured leg, lacerations to her chin, and a broken jaw, according to a Pontiac General Hospital spokesman.

Joyce Moors, of 368 Church, Ortonville, a witness to the accident, told State Police that she was traveling north on M-15 prior to the accident. The Vantine vehicle was traveling some distance behind her in the same direction. She stated that the Combs vehicle was traveling south and appeared to be heading over the center line forcing her to leave the road some distance from the point of impact. After maneuvering her car back onto the road she heard a loud crash and returned to the scene of the accident to assist the victims.

According to State Police reports The Vantine car made a complete U-turn at the point of impact. Following the impact Combs car skidded across the road and rolled into

the ditch.

Edward A. Legg of 937 Verneta, Lake Orion was fatally injured Wednesday morning when he was pinned between a truck and a supply tank.

Mr. Lang had been filling the truck with gasoline prior to the accident and left the truck to get a funnel from his car. As he went ahead of the truck the vehicle began to roll pinning him down.

Mr. Legg died instantly of a broken neck, according to State Police records.

John W. Lyons, 24, of Grosse Point was charged with reckless driving following an accident Sunday at Seymour Lake Road and M-15 after he failed to negotiate a curve according to Michigan State Police records.

Both Lyons and his passenger, Linda Meyer of Detroit, were taken to Pontiac General Hospital where they were treated for injuries and released.

Lyons stated that he was traveling between 50-55 miles per hour. However, two witnesses, Robert Madrigal and Paul Sanders both of Ortonville, stated that the car was traveling at about 100 miles per hour prior to the collision. The accident occurred in a 55 mile per hour speed limit zone.

"The early students get the books," ... without waiting too long in line. Mrs. Leslie Purslow, Clarkston Elementary School principal is shown writing a receipt for book rental fees for the Harrold Elliott children. Pictured (Left to Right) Philip, Mrs. Elliot, Jamie, Ruth, Stephen and Andy.

Buses Ready for Opening

A fleet of 23 buses and one special vehicle are used by the Clarkston Community Schools to transport a total of 3400 students daily. These buses will begin their daily schedule of routes September 8 when they will begin at 1435 miles at the rate of 1435 each day. By the end of the school year a complete total of 268,515 miles will be traveled by Clarkston school buses.

Four new 73 passenger vehicles have been added to the Clarkston School bus fleet for the year 1965-66. These larger buses have been purchased to keep pace with the ever increasing enrollment in the district's schools.

School bus operations are regulated by the State Department of Public Instruction, state and local police agencies, the State Highway Department, and by school board policy.

Clarkston bus drivers are required each year to pass a physical examination as well as their license examination for chauffeur's license. All first year drivers must complete 15 hours of driver training offered through the Oakland County Board of Education.

Many Clarkston drivers have con-

tinued with this educational program and there are now four drivers with over 100 hours of classroom experience. These courses cover material from driving to getting along with children. Every effort is made by school officials to make Clarkston School transportation facilities safe for area children.

Fred Turek Awarded Degree

Frederick Turek, Jr. of Clarkston, was among the 99 candidates for 101 degrees conferred August 25 at Michigan Technological University's 4th Summer Commencement, held at Houghton, Michigan.

Frederick, son of Mr. and Mrs. Fred Turek, 8809 Sashabaw, was a candidate for a Bachelor of Science degree in business administration. He is a 1959 graduate of Clarkston High School and at Tech has been active in the Society of Automotive Engineers, in which he served as chairman and the Sportsmen's Club in which he served as president. After graduation he plans to work for Chevrolet Division of General Motors in the Engineering Center at Warren, Michigan.

Clarkston Community Schools Bookstores will be open beginning August 30th through September 3rd with the following hours:

8:00 A.M. to 12 Noon
1:00 P.M. to 3:30 P.M.

The Clarkston Senior High School in addition to the above schedule, will be open Thursday evening, September 2nd, from 7:00 p.m. to 10:00 p.m. for the convenience of parents who find it difficult to come in during the daytime hours.

The Kindergarten fee will be \$2.00. The book rental for the first through the eighth grades is \$5.00. Book rental for grades nine through twelve is \$6.00. In the Senior High School the following charges have been established for supplies and materials to be used in various classes:

\$5.00, Art Fee; \$10.00, Mechanical Drawing I fee; \$4.85, Mechanical Drawing II and III fee; \$4.00, Towel fee; \$3.25 Shop fee; \$2.50, Shop card.

(Book rental and fees are to be paid in full when receiving books.)

Comencement speaker was Astronaut Donald K. Slayton, assistant director for flight crew operations at the National Aeronautics and Space Administration (NASA) Manned Spacecraft Center in Houston, Texas. An honorary Doctor of Engineering degree was conferred on him.

Two Bike Riders Hurt When Struck By Cars

Nine year old Shellie Hillman of 6380 Eastlawn was injured Tuesday after being struck by a car while riding her bicycle on Waldon Road near Cherrylawn.

Driver of the car, Christopher Charles Torr, 17, of N. Holcomb, Clarkston, stated that another car was ahead of him at Cherrylawn and he did not see Shellie until it was too late to avoid striking her. Shellie said that she had looked both ways before crossing Waldon and thought that there was no traffic approaching, according to Oakland County Sheriff Department records.

Shellie was taken to Pontiac General Hospital by the Sharpe-Goyette ambulance, where she was treated for injuries and released.

A 17 year old Holly boy who stated that he was not paying attention and approached a curve too fast losing control of his car was injured early Wednesday morning, according to Oakland County Sheriff Department records.

Phillip J. Henry, driver of the vehicle which was demolished, was taken to Pontiac General Hospital where he was treated for injuries and released.

Keith Hadrill, 5, of 6766 Almond Lane was seriously injured August 20 after being struck by a car while riding a bike on Almond Lane in Clarkston, according to Oakland County Sheriff Department records.

Lawrence Paul of Pontiac, driver of the vehicle which struck the child, stated that he first saw the boy when he was traveling north on Almond Lane. As he approached the child he pulled into the left lane to pass, but the boy swerved into the path of the car. Mr. Paul, who was not held, stated that he was still shifting gears at the point of impact.

Keith was taken to Pontiac St. Joseph Hospital with a fractured skull. His condition was reported satisfactory on Wednesday, by a hospital spokesman.

Also taken to the hospital was Debra Spore, 11, a passenger in the Paul vehicle. Debra was injured when she struck the dash as the brakes were applied. She was treated at St. Joseph Hospital for injuries and released.

Maxine Beardsley of 9406 Dixie Highway, Clarkston, was injured Saturday when her car was forced off the road and then struck by a vehicle driven by James Patrick of Pontiac, according to Oakland

County Sheriff Department records. Patrick who did not stop at the scene of the accident had been fired from a job at a pipe manufacturing company for reporting to work while intoxicated just prior to the accident. Before the accident involving Miss Beardsley, Patrick had struck another auto while leaving the premises of his former place of employment. After striking her car he proceeded to Baldwin and I-75 where he was involved in still another accident. All three accidents occurred within the space of 30 minutes, according to Oakland County Sheriff Department records.

Three teen-age girls were injured when their car, driven by Sharon Brill 16, of Waterford, went out of control on loose gravel at the Maybee and Waterford Roads intersection.

Sharon and her sister Carol 13, and Susan Bozek, 16, were all treated for injuries sustained in the Monday afternoon accident.

Patrick Harvey J. Atchison, 18, of Waterford escaped injuries in an accident Monday, in which the vehicle he was driving was forced off the road striking a tree and a sign.

Patrick stated that a 1965 black Ford forced him off the road after passing him on Andersonville Road near Windiate Road. The driver of the Ford failed to stop at the scene and Patrick was unable to obtain the license number, according to Oakland County Sheriff Department records.

Road Racing At Sportsmen's Club

On August 28 and 29, the Oakland County Sportsmen's Road Racing Club will hold its August Road Races at the Waterford Hills Road Course on Waterford Road in Independence Township.

Races begin at noon on both days. Plenty of free parking space is available.

There will be eight Novice and Class races on Saturday, and Sunday's program will include six class races, a Vintage Sports Car event, and three Feature races. The Vintage cars will tour the course during the lunch break (11:30-12:00), and will be on display in the infield area during the class races. Just prior to the Feature races, there will be a 3-lap event for these classic cars, on the track, at speed.

Sidewalk Sales and Parade Set for Next Weekend

"A bigger and better than ever Labor Day Weekend", for Clarkston residents is the promise of Harold Goyette general chairman of the '65 Clarkston Rotary Labor Day events.

Plans are well underway and include the annual parade which will be one of the main highlights of the event. The parade will take place Monday, September 6 at 10 a.m.

Bob Jones will act as parade Marshal and has made plans for local businessmen and other local organizations to present float entries for the parade.

Prizes will be awarded to outstanding parade entries, childrens groups, decorated bikes, and float entries. All participants are requested to meet at Miller Road and

M-15 by 9:30 a.m. Week-end activities will commence Friday, September 3, with Clarkston Village Days, which will feature sidewalk sales Friday and Saturday. Unusual bargains will be presented by local businessmen and entertainment will be provided throughout the weekend. Among the interesting events scheduled for the public will be art exhibits, rides for children, and various other displays.

Drawings for prizes will climax the event immediately following the Monday parade.

Mr. Goyette urges local residences to stay off the highways over the long weekend and spend a safe and entertaining holiday with friends and neighbors in Clarkston.

Colombiere Priest Succumbs

Rev. Martin I. Carrabine, 71, a leader for several years in the Catholic youth movement and a veteran of many church posts, died August 17, in the infirmary of Colombiere College in Clarkston.

Requiem Mass was said on August 19 at the college, with Rev. John A. McGrail, provincial of the Detroit Province of the Society of Jesus (Jesuits), officiating. Arrangements were by Sharpe-Goyette Funeral Home.

Seriously ill for more than a year. Father Carrabine came to Colombiere College last November 11th.

He was regional director of the Sodality of Our Lady Catholic Youth Organization.

A native of Cleveland, he was ordained into the Catholic priesthood in 1926 after completing studies at Mount St. Michael's in Spokane, Washington, and St. Louis University.

Father Carrabine spent a major portion of his life working out of Chicago as the regional director of the Fodality of Our Lady Catholic Lay Organization. He was assistant novice master at Millford, Ohio and spiritual father to the theology students at West Baden College in Indiana.

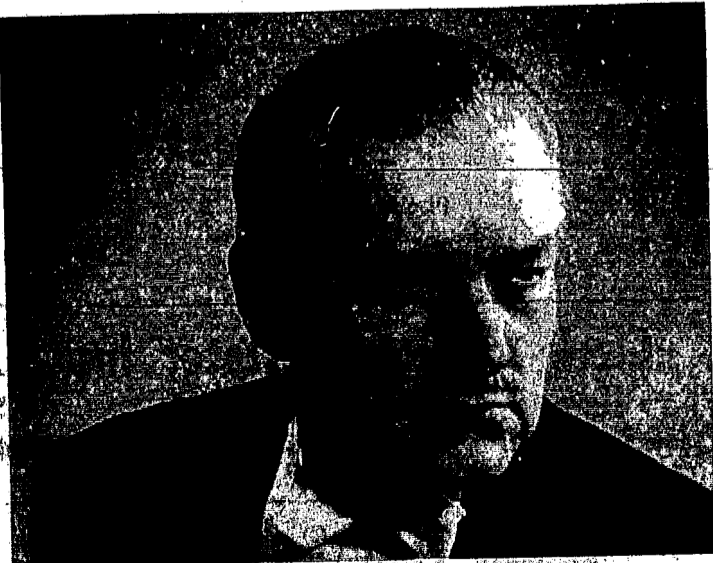

He is survived by a sister, Mrs. McKay of Lockwood, Ohio, and Sister Mary Marita H.H.M. of Villa Maria, Penn.

Two Thefts Reported

Larceny of auto parts from used cars on their lot was reported to Oakland County Sheriff's Department by Haskin's Chevrolet on Dixie Highway. The thefts occurred sometime in the night of August 20.

Jack Roy of Roy Bros. Garage called the Sheriff's Department, August 23 to report that two couples in a white 1960 T-Bird had stolen an air wrench valued at \$151.

Famous Violinist to Make Appearance Locally Sunday

Mr. Taras Hubicki, recently appointed instructor of violin at Clarkston Conservatory of Music, will be introduced to the Community on August 29. The occasion will be a four o'clock garden concert at "The Spillway", Clarkston home of Mrs. Frank Lambert, 43 North Main Street.

Mr. Hubicki is Honorary Representative of the Royal Academy of Music, London, England and Licentiate of the Royal Schools of Music. He is affiliated with the Meadowbrook School of Music and instructs at the Birmingham Conservatory of Music.

The public is cordially invited to welcome this fine musician to the area.

Congressman Billie S. Farnum (right) presented an American Flag to Dixie Saddle Club President, Frank Minton, Sunday during the club's 17th annual horse show. The flag formerly flew over the capital in Washington, D.C. (See story on inside page.)

Attend Convention

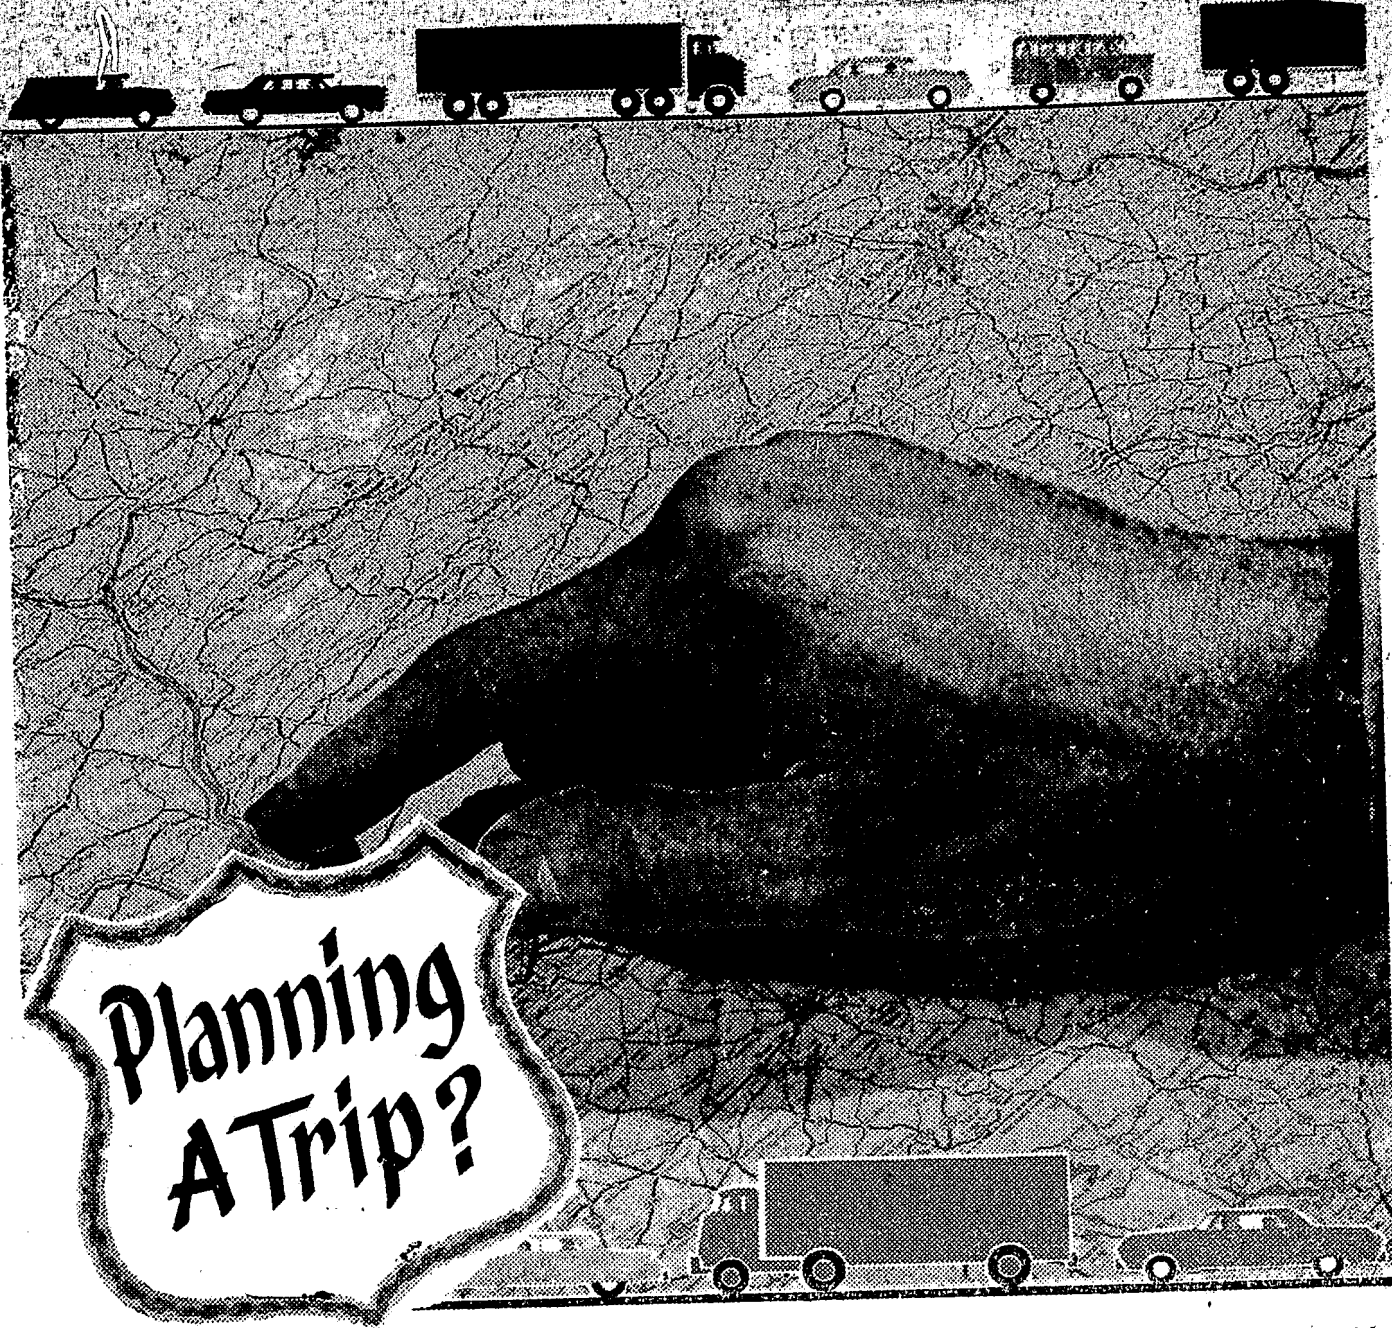

Joseph LaBarge, local presiding minister of Jehovah's witnesses, just returned from a four-day Bible convention held in Buffalo, New York, which ended Sunday evening.

LaBarge was part of 23,044 people that overflowed Memorial Auditorium. He said, "The convention was held to help Jehovah's witnesses and interested people to understand how to discharge their scriptural responsibilities in a more effective way."

"The convention high point," he went on, "was the talk given Sunday afternoon by the Vice-President of the Watchtower Bible and Tract Society, F. W. Franz, 'World Government on the Shoulder of the Prince of Peace.'" Commenting on the principal lecture, LaBarge said, "Vice-President Franz emphasized that 'world government for all man kind will mean only one supreme government over all the earth. It will be a symbol of the oneness of all the people, in peaceful brotherhood. It is staggering to think of what such a government could do for the good of all the people under it, without favoritism toward anyone and with prejudice toward no one.'"

As the talk developed Franz asked, "Will such a world government ever come into existence over our one human family? Till now such a political rulership has never been undertaken with the support of all the people who would come under its sway. Humanly speaking, world government needs quite a widespread desire of the people for it."

Showing how neither the League of Nations nor the United Nations could possibly accomplish this the minister continued, "World government is necessary to the preservation and happiness of the human family. There is a great Governor of the Universe of which our earth is a tiny part. As earth's Creator, He should be expected to govern it. He will do so."

THE CHURCH FOR ALL - ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Then you will visit a travel agency, study maps, read travel books, and talk with those who have already made the journey.
And what about that far more important (and uncertain) journey... the journey of life?
The Church offers wise counseling from those who have studied life.
The Church presents you with a map formed from the fundamental truths of God and his directives for living.
The Church interprets for you the greatest of all travel books, the Bible.
The Church gives you the companionship of the all-wise Guide, who made this journey without a mistake, the Lord Jesus Christ.
Agency, map, travel book and Guide for life's journey. Come to Church and find them all.

New England Honeymoon Follows Uynady-Powell Vows

On a honeymoon tour through New York and the New England States are newly-wed Adelen Helene Uynady and Jerry Powell. The couple repeated wedding vows before Rev. Lewis Sutton at the First Methodist Church of Clarkston August 21.

The bride is the daughter of Mr. and Mrs. Robert E. Uynady of Orion Road, Clarkston. Mrs. Bas Jamin Powell and the late Mr. Powell are the parents of the bridegroom.

The bride, escorted by her father, wore a gown of white silk of gauze featuring a detachable train and an empire waist. A closed tulip pattern was applied on the bodice and elbow length sleeves. Her bouquet veil of imported silk tulle was held in place by a small pill box headpiece of tulip appliques identical to those in the gown. She carried a cascade of white phloxes, roses, orchids and ivy.

Matron of honor, Mrs. Jeanette W. Bates, and bridesmaids, Mrs. Edna Glennie and Mrs. Richard Sauer were given alba in floor length two-tone dresses of tulle and lace over tulle. Pink appliques flared out at the high rise waist and also skirts. Matching linen corsages of pink applique flowers completed their outfits. Circular bouquets of ranunculus in shades of

Mrs. Jerry Powell

Accidental Deaths Decrease

Michigan's water and traffic deaths for July of 1965 show a marked decrease over fatalities recorded for July of 1964, according to State Police provisional figures.

The 186 traffic deaths in July were 32 or 15 per cent less than 218 in the same month a year ago. July was the fifth of seven months so far in 1965 with a decrease compared with the corresponding months last year. There were increases in April and June.

The July deaths bring the provisional seven-month toll to 1,060 which is 121 or 10 per cent lower than 1,181 in the same period in 1964.

More complete figures for the first six months show 874 killed and 68,880 injured in 147,867 accidents. Compared with the same period in 1964, this decreased nine per cent from 962 while injuries were up one per cent from 63,348 and accidents increased 14 per cent from 130,657.

Estimated travel for the first five months, the latest information available, totaled 137 billion miles, a gain of five per cent over the same period last year.

Obituaries

EVA L. DOBSON
Services were held Monday, August 23 for Eva L. Dobson of 2400 East Main Highway, Springfield Township who passed away August 20.

She is survived by Lewis C. Sutton of Detroit, her husband. Arrangements were by the Lewis E. Watt Funeral Home, 2400 East Main Highway, Springfield Township.

Survivors also are her husband, Robert Hubbert of Dayton, Ohio; and Mrs. M. Jean Hubbert of Dayton, Ohio; and seven grandchildren.

Also surviving are a sister, Mrs. F. M. Olson of Detroit and two brothers, Ernest A. Walling of Detroit and Leon L. Walling of Dearborn.

THOMAS E. PRESEAU
Thomas E. Preseau, 41, of 4990 Cecilia Ann, Independence Township, died suddenly August 19. Funeral services were Saturday, August 21 with the Reverend Marston K. Burton officiating. Burial was in Lakeview Cemetery.

A member of the First Congregational Church of Pontiac, Mr. Preseau was also a member of the Clair Pontiac Post of the American Legion No. 377. He was an assembly worker at Pontiac Motors for 14 years.

Survivors are his wife, Nena; three sons, Timothy, Paul and Peter, all at home; parents, Mr. and Mrs. Alfred Preseau of Oakley; and two brothers and two sisters.

Arrangements were by the Lewis E. Watt Funeral Home.

Corn Roast at Howe's Wet But Well Attended

Howe's Lanes 5th corn roast last Wednesday was well attended by friends and patrons of 'Barb and 'Toot' Howe. Although the weather was drizzly, parents and children alike enjoyed the corn and hot dogs.

Floyd Tower stop for an ear of corn. Below, Bill Mayne (left) Don Hughson and Ray Conley, huskers, hope not to see another ear of corn at least for another year after husking the 3,000 ears consumed by the hungry crowd.

Area 4-H Clubs Win Many Ribbons

CLARKSTON 4-H WRANGLERS RECEIVE HONORS AT FAIR

The Clarkston Wranglers, 4-H Club, under the leadership of Mrs. Richard Surre, just returned from a profitable week at the Oakland County 4-H Fair. The group which displayed their horses and ponies in the various classes brought back numerous ribbons and honors.

Members who won these honors include James Bond who received an A ribbon and 4th place rosette in horsemanship, an A ribbon and first place senior boys award in trail class, and an A ribbon in fitting and showing. Jim also received a B ribbon in pleasure class and a C ribbon in reining.

Another member, Mark Surre, returned with an A ribbon in horsemanship, two B ribbons, one in halter and one in pleasure and a C ribbon in trail.

Leslie Ball's honors included a 4th place rosette and A ribbon in horsemanship, a 3rd place ribbon and A rating in grade pony halter, and an A ribbon in pleasure class. She also received two B ribbons. These were obtained in fitting and showing and in trail class.

Marcia Perkins brought back three A ribbons. These she won in pleasure, horsemanship, and fitting and showing. Her single B ribbon was gained in trail class.

Also bringing back three A ribbons was Shelly Baumgras. Shelly's superior placings were in foal class, broadmare, and horsemanship.

Treasuring four B ribbons is Pam Gillis, who won her honors in English halter, 2 years, grade, English pleasure, and fitting and showing. Pam also brought back a C ribbon in English equitation.

Lynn Race placed in four separate classes with a C ribbon. These were pleasure, green broken, fitting and showing, and trail class.

Lynn Race placed in four separate classes with a C ribbon. These were pleasure, green broken, fitting and showing, and trail class.

Leslie Surre's two B ribbons were won in pleasure and fitting and showing classes. He also won a C ribbon in trail class.

SEYMOUR LAKE 4-H'ERS WIN FAIR HONORS

With the closing of the Oakland County 4-H fair, August 14, Seymour Lake 4-H members returned the proud possessors of a large array of awards, ribbons and trophies.

Winning blue ribbons in clothing categories were seven Seymour Lake girls. Carol Wright received her award in the senior division. Her homemade dress was a sheath style with long sleeves. Other senior division winners were Sigrid Medlen and Virginia Scott. Sigrid displayed a blue denim skirt she had made, while Virginia's award was received through her showing of a sheath and shorts with matching head scarf.

Junior miss clothing awards went to Patty Wright and Laura Medlen. Patty won with her sheath jumper. Laura's successful item was a gathered skirt with matching head square.

Debra Mersino and Margo Mersino both brought back blue ribbons for their home made aprons in the young miss category.

Several of the girls proved their cooking abilities by returning with ribbons they gained for their delicious preparations. Marilyn Wentz received a blue ribbon and Sandra Filton was awarded a red ribbon for their sponge cake specialties. Blue ribbons were earned by Margo and Debra Mersino for their taste tempting cookies. Sigrid Medlen's mouth watering coffee cake rated her a blue ribbon.

Sandra Filton, junior leader for first year foods, was awarded a blue ribbon for her junior leadership book.

Leathercraft projects under the leadership of Mr. Howard Hard accounted for seven youngsters acquiring blue ribbons. Gary and Rebecca Schaaf received their ribbons from the ladies purse and photo albums they made. A large picture and purse were made by David Milligan by which he acquired his award. Other awards in leathercraft were given to Nancy Milligan for a large clock, John and Dan Mersino for their belts, billfolds and key cases, and Dennis Hanson for his book mark and wall plaque.

Seymour Lake's vegetable gardeners are Carol and Patty Wright. Both girls received a blue ribbon for cabbage, squash and green tomatoes. They also received state show honors in horticulture.

Patty and Carol were also among the winners in the flower category. Patty received a blue ribbon and state show award for her display in flowers, and Carol obtained a red ribbon. Virginia

Scott returned with a blue ribbon and state show award in this category also.

Blue ribbons and state show awards were taken by John and Margo Mersino in entomology. Linda and Jack Wentz both received red ribbons in this category.

Proving the versatility of the group, several brought back honors for their outdoor meals. Blue ribbons were awarded to Bill and Patty Bevan and Linda Miller. Patty Bevan also won a trophy for her preparation. Bringing back red ribbons were Jack Wentz, and Margaret Stevens. Jerry Miller and Linda Wentz are the possessors of white ribbons, received for their outdoor meal. Patty Bevan was given the Farm Bureau Trophy for an "over all award" in outdoor meals. She also won state show with a demonstration action

exhibit. This was Patty's first year in the project.

Nancy Milligan won 3rd place advance novice in the Dog Obedience category. David Milligan received second place in sub-novice.

Donald and Tommy Wentz each received a blue ribbon for their Angus steers in the beef category. Donald placed 5th in senior showmanship. They are eligible to attend the junior livestock show.

A dairy display brought Virginia Scott 3rd place showmanship and a blue ribbon.

Carol Wright's swine exhibit accounted for winning a special blue ribbon award on champion pen of three. She also received the reserve grand champion ribbon.

Rebecca Schoaf brought home a blue ribbon and champion award for her goat. Gary Schoaf's goat gave him a reserve champion award.

Sandra Filton and Patty Wright each received a blue ribbon for their rabbits.

In the poultry category three Seymour Lake 4-Hers were awarded ribbons. Sandra Filton received a blue ribbon for group of three ancona chickens and one for a dozen eggs. Jack and Marilyn Wentz both received red ribbons for poultry.

Linda Miller and Jack Wentz each were awarded blue ribbons for their posters and note books on fishing. Jerry Miller received a red ribbon on a similar exhibit.

Mrs. Carl Wentz is the general leader for the active group. Other leaders are Miss Olive Taylor, project leader. She also assists in out door meals, entomology, flowers and vegetables. Mrs. Leslie Wright and Mrs. Millard Bixler, are clothing leaders while Mrs. J. D. Medlen is the project leader.

NOTICE OF PUBLIC HEARING

Notice is hereby given of a public hearing to be held by the Independence Township Planning Commission...

Section 2. Definitions. Sec. 2.7, Sec. 2.20, Sec. 2.21, Sec. 2.22, Sec. 2.23, Sec. 2.25, Sec. 2.39.

Section 3. General Provisions. Sec. 3.3, Sec. 3.4, Sec. 3.10, Sec. 3.20, Sec. 3.21, Sec. 3.22, Sec. 3.23, Sec. 3.24, Sec. 3.25, Sec. 3.26, Sec. 3.27, Sec. 3.28, Sec. 3.29, Sec. 3.30, Sec. 3.31, Sec. 3.32, Sec. 3.33, Sec. 3.34, Sec. 3.35, Sec. 3.36, Sec. 3.37, Sec. 3.38, Sec. 3.39, Sec. 3.40, Sec. 3.41, Sec. 3.42, Sec. 3.43, Sec. 3.44, Sec. 3.45, Sec. 3.46, Sec. 3.47, Sec. 3.48, Sec. 3.49, Sec. 3.50, Sec. 3.51, Sec. 3.52, Sec. 3.53, Sec. 3.54, Sec. 3.55, Sec. 3.56, Sec. 3.57, Sec. 3.58, Sec. 3.59, Sec. 3.60, Sec. 3.61, Sec. 3.62, Sec. 3.63, Sec. 3.64, Sec. 3.65, Sec. 3.66, Sec. 3.67, Sec. 3.68, Sec. 3.69, Sec. 3.70, Sec. 3.71, Sec. 3.72, Sec. 3.73, Sec. 3.74, Sec. 3.75, Sec. 3.76, Sec. 3.77, Sec. 3.78, Sec. 3.79, Sec. 3.80, Sec. 3.81, Sec. 3.82, Sec. 3.83, Sec. 3.84, Sec. 3.85, Sec. 3.86, Sec. 3.87, Sec. 3.88, Sec. 3.89, Sec. 3.90, Sec. 3.91, Sec. 3.92, Sec. 3.93, Sec. 3.94, Sec. 3.95, Sec. 3.96, Sec. 3.97, Sec. 3.98, Sec. 3.99, Sec. 4.00.

Independence Township. In the event that any person shall reside in any such temporary garage home for a period of more than six (6) months...

Accessory buildings not complying with this section shall not be allowed in Residence 1, Residence 2, Suburban Farms, Agricultural or Recreational Districts...

Section 3:30 RENTAL OF ROOMS OR LIVING QUARTERS. (REPEAL)

Section 3:21 SANITATION, OUTSIDE TOILETS.

(1) All sewage and toilets shall be connected to sewer mains or an adequate and effective septic tank and drain tile field as approved by the Oakland County Department of Health.

(2) Outside portable toilets or privies will be permitted in zoned recreational districts for a maximum period of ten consecutive days, not renewable within the following ten consecutive days...

Section 2:20 HIGHWAY. A highway is any public thoroughfare or street, except alleys, including but not limited to Federal, State, County and Township roads...

Section 2:21 LOT. A lot is a piece or parcel of land occupied or to be occupied by a building and its accessory buildings...

Section 2:22 CORNER LOT AND DEPTH. A lot situated at the junction of two or more highways is a corner lot. In the case of a corner lot, the owner may elect by statement on his plans either highway boundary as the front, providing the highway front selected allows the location of a building which meets with the provisions of this Ordinance...

Section 2:23 FRONT LOT LINE. The front lot line is that boundary of a lot which abuts on a highway, except limited access highways, unless such lot extends between a highway and a lake or river, in which case both the highway boundary line and the body of water line shall be considered front lot lines.

Section 2:24 SIDE LOT LINE. The side lot line is any lot boundary line not a front lot line or a rear lot line. A side lot line separating a lot from a highway is a side highway lot line. A side lot line separating a lot from another lot or lots is an interior side lot line.

Section 2:29 NONCONFORMING USE. The use of a building or of land that does not conform to the regulations of this Ordinance for the district in which it is located and which use antedates the effective date of this Ordinance is a nonconforming use.

Section 3:3 FORFEITURE OF RIGHT TO CONTINUE NONCONFORMING USE. When a nonconforming use of property is discontinued through vacancy, lack of operation, or otherwise for a continuous period of nine (9) months, thereafter no right shall exist to maintain on said property a nonconforming use.

Section 3:4 RECONSTRUCTION OF DAMAGED NONCONFORMING BUILDINGS AND STRUCTURES. Nothing in this Ordinance shall prevent the reconstruction, repair, or restoration and the continued use of any nonconforming building or structure damaged by fire, collapse, explosion, acts of God or acts of the public enemy...

Section 3:10 TEMPORARY DWELLINGS. It shall not be lawful for any person to erect or occupy a temporary dwelling on any lot, provided, however, that a garage may be occupied as a temporary dwelling for a period of not more than six (6) months...

Section 3:25 PARKING REQUIREMENTS. Offstreet parking required in conjunction with all land and building uses shall be provided as herein prescribed:

(1) The minimum number of offstreet parking spaces shall be determined in accordance with the table in Section 3:27. For uses not specifically mentioned therein, offstreet parking requirements shall be interpreted by the Board of Zoning Appeals from requirements for similar uses.

(2) Any area once designated as required offstreet parking shall never be changed to any other use unless and until equal facilities are provided elsewhere. Offstreet parking existing at the effective date of this Ordinance in connection with the operation of an existing building or use shall not be reduced to an amount less than would hereinafter be required for such building or use.

(3) Two or more buildings of uses may collectively provide the required offstreet parking, in which case the required number of parking spaces shall not be less than the sum of the requirements for the several individual uses computed separately. However, in cases of dual functioning of offstreet parking where operating hours do not overlap, the Board of Zoning Appeals may grant a Special Exception based on the peak hour demand.

(4) Required offstreet parking shall be for the use of occupants, employees, visitors, and patrons and shall be limited in use to motor vehicles. The storage of merchandise, motor vehicles for sale, or the repair of vehicles is prohibited. Offstreet parking, whether public or private, for nonresidential uses shall be either on the same lot or within three hundred (300) feet of the building it is intended to serve...

(5) Whenever a parking lot is built as required offstreet parking, such parking lot shall be laid out, constructed, and maintained in accordance with the following requirements:

(a) Each parking space shall constitute a net land area of at least one hundred eighty (180) square feet. The total parking lot area, including access lanes, shall constitute three hundred (300) square feet land area per parking space.

(b) Adequate ingress and egress shall be provided for vehicles to the parking lot by means of clearly limited and defined drives.

(c) Where the parking lot abuts a residential district: Required setback of parking spaces ten (10) feet from such side lot line

contiguous common frontage in same block. equal to the residential required setback, or average of existing setback in common block frontage, whichever is greater.

across the street and opposite, opposite residential lots fronting on such street. ten (10) feet from street lot line.

across the street and opposite, and in same block, with residential side lot lines on such street. rear lot line. none.

(d) The land between the setback line and the lot line in a parking lot is for the purpose of this Ordinance called a buffer strip. There shall be bumper stops or wheel chocks provided so as to prevent any vehicle from projecting over the buffer strip. The ground of the buffer strip shall be used only for the purpose of landscape materials.

(e) Where buffer strips are not required, bumper stops or wheel chocks shall be provided and so located as to prevent any vehicle from projecting over the lot line.

(f) Where the parking lot boundary adjoins property zoned for residential use, a four (4) foot chain-link wire fence shall be provided, but shall not extend into the required front open space of the abutting residential lot.

(g) The parking lot shall be drained to eliminate surface water.

(h) The surface of the parking lot, including drives and aisles, excepting the bumper strips, shall be constructed of a dustless and durable alkali weather surfacing.

SECTION 3:26 OFFSTREET LOADING-AND UNLOADING. On the same premises with every building, structure, or part thereof, erected and occupied for manufacturing, storage, warehouse goods, display, a department store, a wholesale store, a market, hotel, motel, a hospital, mortuary, laundry, dry-cleaning, or other use similarly involved in the receipt or distribution of vehicles or materials or merchandise, there shall be provided and maintained on the lot, adequate space for standing, loading, and unloading services adjacent to the opening used for loading and unloading in order to avoid interference with public use of highways, streets, or alleys.

Such loading and unloading space shall be an area in minimum ten (10) feet by forty (40) feet with a four-foot (4) foot height clearance and shall be provided according to the following table:

Table with 3 columns: Gross Usable Floor Area in Square Feet, Loading and Unloading Spaces Required, One-space, Five spaces plus one space, Fifteen spaces plus one space.

Section 3:27 TABLE OF REQUIRED OFFSTREET PARKING SPACES:

Table with 4 columns: USE, SPACES, PER UNIT OF MEASUREMENT, (Rounded off to nearest unit). Includes categories like Multiple residential, Other residential, Hospitals, Private clubs, Tourist homes, Theatres, Churches, Elementary Schools, High Schools, Dance halls, Banks, Offices of architects, Professional offices, Stadiums, Bowling Alleys, Swimming Pools, Establishments for sale, Retail stores, Hotel, Residential Apartment, Furniture and appliance stores, Beauty parlor, Industrial establishments.

Section 3:28 MINERAL AND SOIL REMOVAL. When in the judgment of the Board of Zoning Appeals the public convenience and welfare will be substantially served and the appropriate use of neighboring property will not be injured thereby, and when the applicant complies with the requirements established by the Board of Zoning Appeals, said Board may authorize the Township Building Inspector to issue a permit for removal of sand, gravel, stone aggregate and other raw material in any District.

(1) Application. Before approving any permit, said Board shall hold a public hearing concerning the proposed use in accordance with the procedures required for a zoning district amendment and the applicant shall furnish said Board with the following to wit:

(a) Topographical survey map at scale of one (1) inch equals one hundred (100) feet showing existing grades on a two (2) foot contour interval of the land, prior to any removal, the grades of the proposed excavations, and the finished grades, to be prepared and sealed by a registered civil engineer or land surveyor.

(b) Detailed proposal as to method of operation, what type of machinery or equipment will be used, and estimated period of time that such operation will cover.

(c) Detailed statement, as to exactly what type of deposit is proposed to be extracted.

(d) Such other information as may be reasonably required by the Board on which to base an opinion as to whether a permit should or should not be issued.

(2) Bond. Before issuance of a permit, there shall be filed by the applicant a surety bond, executed by a reputable surety company authorized to do business in the State of Michigan, running to the Township in an amount established by the Board, conditioned upon the prompt and complete compliance with all the provisions of this Section and requirements of the County and State. The Board shall, in establishing the amount of the bond, consider the scale of the operations, the prevailing cost to rehabilitate the property upon default of the operator, court costs, and other reasonable expenses.

(3) Permits. After considering all the available facts and after public hearing, and if it shall determine that the proposed operations will not be injurious to the general public health, safety, and welfare of the Township and its citizens, the Board shall authorize the Building Inspector to issue a permit conditioned on compliance of the permit holder with all of the requirements of this Section. Said permit shall be for a period of ninety (90) days. Renewal shall be by written authorization of the Board of Zoning Appeals; however, no renewal shall exceed thirty (30) days. Said permit shall require a fee of \$50.00 for review of application plan and further provide that the sum of \$150.00 shall be deposited for engineering site inspection as may be required by the building inspector.

(4) Physical Requirements. In addition to the above, the following requirements are mandatory:

(a) No cut shall be made which creates a pit or depression in the earth nor shall it be made closer than thirty (30) feet from the nearest street, highway, or alley right-of-way line nor nearer than ten (10) feet to the nearest property line; provided however, that the Board may prescribe more strict requirements in order to give sub-lateral support to surrounding property where soil or geographic conditions warrant it.

(b) No soil, sand, clay, gravel, similar materials shall be removed in such a manner as to cause water to stand or accumulate or to result in a place of danger or a menace to the public health or safety. The premises shall at all times be graded so that surface water drainage is not interfered with.

(c) Where an excavation results in a temporary edge being formed which is in excess of a 5:1 slope, the applicant shall erect a fence protecting that portion of the site where said edge extends; said fence will be of wire mesh or other suitable material to afford protection to persons and property, and to be not less than five (5) feet in height.

(d) The finished slopes of the banks of the excavation shall in no event exceed a minimum ratio of five (5) feet horizontal to one (1) foot vertical.

(e) No roads may be used for the purpose of ingress or egress to said excavation, stripping, or removal site, which are located within four hundred (400) feet of occupied residences unless such roads shall be of a hard surface with concrete, bituminous substance, or chemical treatment.

(f) Wherever top soil exists suitable for growing turf or for other land use at the time the operations begin, a sufficient quantity of top soil shall be stockpiled on said site so that the entire site, when stripping or removal operations are completed, may be recovered with a minimum of four (4) inches of top soil and the replacement of such top soil shall be made immediately following the termination of the stripping or removal operation. In the event, however, that such stripping or removal operations continue over a period of time greater than thirty (30) days, the operator shall replace the stored top soil over the stripped areas as he progresses. Such replacement shall be in a manner suitable for growing turf or for other land uses.

(g) When the filling and grading has been completed, the Board may require a topographic survey by a registered civil engineer or land surveyor which shall be sealed and submitted by the

owner or operator of any such operation as a check on the completed removal and filling operations, which must be approved by the Building Inspector before release of the bond.

(h) Additional equipment or machinery for the additional operations on premises shall not be permitted unless specifically applied for in the application and for which a permit is issued.

(i) Reasonable operation hours for any permitted use under this Section shall be as established by the Board.

(j) The Board may establish other reasonable requirements as deemed necessary to properly protect the general health, safety, and welfare of the Township of Independence.

(k) No stockpile of sand, gravel, stone aggregate or other raw materials shall remain on the site for a period longer than thirty (30) days after expiration of said permit.

Section 4. DISTRICTS. For the purpose of this Ordinance, Independence Township is hereby divided into the following zoning districts which may be referred to as either districts or zones and designated as follows:

RESIDENCE 1 DISTRICT, designate as R1
RESIDENCE 2 DISTRICT, designate as R2
COMMERCIAL 1 DISTRICT, designate as C1
MANUFACTURING 1 DISTRICT, designate as M1
MANUFACTURING 2 DISTRICT, designate as M2
SUBURBAN FARMS DISTRICT, designate as SF
AGRICULTURAL DISTRICT, designate as A
RECREATIONAL DISTRICT, designate as R

The boundaries of said districts shown upon the map marked and designated "Zoning District Map of Independence Township" which is attached hereto and made a part of this Ordinance is hereby established. Said map, and all notations, references, and all information shown thereon shall be as much a part of this Ordinance as if the matters and information set forth by said map were all fully set forth and contained herein.

Section 6. RESIDENCE 1 (R1) DISTRICT.

Section 6.1 USES.
(1) Dwellings (single family).
(2) Churches, public schools, public libraries, museums, private schools (not commercial) and educational institutions.

(3) REPEAL
(4) The use of open land and water in a particular subdivision for recreation purposes, owned and operated by a nonprofit corporation for the sole use and benefit of members of said nonprofit corporation whose membership consists solely of property owners or tenants of property in the same recorded subdivision.

(5) Rental of rooms or living quarters. The fee owner or purchaser of a single dwelling may rent in a Residence 1 District in a home occupied by him not more than two rooms for two (2) persons per room provided such rental is not for a continuous period of more than sixty (60) days.

Section 6.2 AREA OF BUILDING. No dwelling shall be erected or altered in this district which provides less than seven hundred twenty (720) square feet of floor area per family at the first floor level exclusive of any garage area or area in any accessory building. The area of utility room in dwellings constructed without a basement shall not be included in the computation of square feet.

Section 6.3 AREA OF LOT. In a Residence 1 District no dwelling shall be erected on any lot having a minimum width less than one hundred (100) feet at the front lot line; provided, however, that if the lot abuts on the outside curve boundary of a curving street and as a result the side lot lines diverge toward the rear, the measurement of the width may be taken incidental to the width and parallel to the front building line of the principal building; and provided further that if the lot abuts on an inside curve boundary of a curved street wherein the lot lines converge toward the rear, the measured width shall be taken at a point seventy (70) feet from the street boundary line of said lot. The area of any lot upon which a dwelling shall be erected in a Residence 1 District shall contain not less than fifteen thousand (15,000) square feet exclusive of any area under water; the depth of any lot shall not be greater than three (3) times the width of the lot at the front of the building line; provided, however, that this requirement shall not apply to a piece or parcel of land platted or identified as a single parcel of a plat recorded prior to the effective date of this Ordinance.

Section 6.4 DIVISION OF EXISTING LOTS. Lots in a Residence 1 District which are part of a plat recorded prior to the effective date of this Ordinance and which have more than one hundred (100) feet of width at the highway or street may be divided into a larger number of lots usable for dwelling, provided each of such lots shall meet the area requirements set forth in Section 6.6 hereof and conform to Act 172 of Public Acts of 1929, as amended.

Section 7.2 AREA requirements per dwelling unit. A minimum lot width of one hundred (100) feet at the front lot line, provided, however, that if the lot abuts on the outside curve boundary of a curving street and as a result the side lot lines diverge toward the rear, the measurement of the width may be taken incidental to the width and parallel to the front building line of the principal building; and provided further, that if the lot abuts on an inside curve boundary of a curved street wherein the lot lines converge toward the rear, the measured width shall be taken at a point seventy (70) feet from the street boundary line of said lot.

Every building hereafter erected or altered for multiple family use shall provide lot area of not less than that required in the following table.

Table with 3 columns: Type of Dwelling, Lot Area, Efficiency or. Includes 1 Bedroom (3,000 sq ft), 2 Bedroom (4,000 sq ft), 3 Bedroom (5,000 sq ft).

Section 7.2 (b) Area of buildings. For apartments and multiple dwellings housing two (2) or more families and containing complete housekeeping units, the floor area shall contain not less than the requirements shown in the following table; these measurements exclusive of any garage, accessory building, or utility room space and this area shall be divided into not less than two (2) rooms and one (1) bath.

Section 7.3 (b) Area of buildings. For apartments and multiple dwellings housing two (2) or more families and containing complete housekeeping units, the floor area shall contain not less than the requirements shown in the following table; these measurements exclusive of any garage, accessory building, or utility room space and this area shall be divided into not less than two (2) rooms and one (1) bath.

Section 9.1 REPEAL
(1) REPEAL
(2) The executive or administrative offices or department of professional, philanthropic and commercial activities, theaters and other places of amusement and recreation; mercantile establishments for the sale of goods at retail; public garages, and the repair, conversion, alteration, finishing, assembling, fabrication or storage of goods or for sale at retail on the premises; provided, there is not in connection therewith the operation of any machinery or the conduct of any process or activity or the storage or display of goods in such manner as to be noxious, or offensive by reason of the emission of odor, fumes, dust, smoke, waste, vibration, or activity involving the use of machinery in excess of five (5) horsepower in the aggregate.

(3) A Trailer Coach Park if constructed and operated in accordance with all applicable state laws, but no permit therefor shall be issued until after the hearing has been had thereon, after five (5) days' previous notice thereof has been given to a majority of property owners within two thousand (2,000) feet of the perimeter of the site of the proposed Trailer Coach park, and it is determined after such hearing that the use of the proposed site as a trailer coach park would not be detrimental to the interest of the majority of the property owners within two thousand (2,000) feet of the perimeter of the proposed site. If this is approved, then the following site restrictions shall apply:

(a) Minimum site size — Ten (10) acres.
(b) The site proposed shall have not less than fifty (50) completed mobile home spaces available at first occupancy, and shall have no more than eight (8) mobile home spaces per gross acre.
(c) The entire site shall be enclosed by a "greenbelt."
(d) All streets and driveways shall be constructed, and maintained with a hard surfaced road which affords

(continued on page 6)

(continued from page 5)
 ready means of egress and exit to a County primary road or State highway, said County or State highway must have a minimum of two paved traffic lanes and a right-of-way width of one hundred twenty (120) feet.

(8) Multiple dwellings in accordance with the requirements as stated in Section 7, Residence 2 District.

Section 9.2
 (a) Side Yards. In a Commercial 1 District side yards are not required along interior side lot lines if all walls abutting or facing such lot lines are of masonry fire proof construction and wholly without windows or other openings. If wall facing such side lot lines contain windows or other openings, side yards of not less than ten (10) feet shall be provided. Side yards abutting upon a street shall be not less than forty (40) feet.

Section 9.8 AREA OF LOT. In a Commercial 1 District, no building shall be erected on any lot having a minimum width of less than one hundred (100) feet on the highway or street, together with an area of not less than fifteen thousand (15,000) square feet, exclusive of any area of said lot made available provided, however, that the area

ment shall not apply to a piece or parcel of land platted and identified as a single unit on a plat officially approved and recorded prior to the effective date of this Ordinance.

Section 10.1 MANUFACTURING (M1) DISTRICT - USES
 10.2 All residential units.
 Section 10.3 All buildings permitted in Commercial 1 District in this district shall comply with the requirements for buildings provided in Commercial 1 District; however, all residential uses are prohibited.

Section 11.2 AREA OF BUILDINGS AND LOTS. No building shall be erected or altered in this district which provides less than seven hundred twenty (720) square feet of floor area per family at the first floor level exclusive of any garage area or area of any accessory building. The area of a utility room in dwelling is not included within the computation of square feet. Multiple dwellings shall contain a minimum of three (3) acres and shall have a minimum width on the highway of two hundred (200) feet and the depth of any lot shall not be greater than 3 1/2 times the width of the lot at the front building line.

Section 11.3 YARDS. In this district there shall be a front yard of a minimum depth of forty (40) feet. Side yards of a minimum width of ten (10) feet.

Section 11.8 TENANT HOUSE. (REPEAL)
 Section 11.9 ROADSIDE STANDS. When operated by and for the exclusive use of the occupants of the land on which the stand is maintained and selling exclusively that which is raised on the premises.

Section 12.2 DWELLINGS. All dwellings hereafter erected in this district shall provide a minimum of seven hundred twenty (720) square feet of floor area per family at the first floor level exclusive of any garage area or area of any accessory building. The area of a utility room shall not be included in the computation of square feet. Dwellings and garages used in connection therewith in this district shall have a minimum front yard depth of forty (40) feet and a minimum side yard depth of ten (10) feet, and the parcel of land shall have a minimum width of two hundred (200) feet on the highway or street. The depth of any lot or parcel shall not be greater than four (4) times the width of the lot at the building line.

Section 12.3 AREA. No auxiliary dwelling in this district shall be built on an area of less than ten (10) acres or land for use in connection with the principal dwelling, except to house the occupants employed in connection with the land by the owner thereof.

Section 12.6 (1) In a recreational

District no land or buildings shall be used or erected except for one or more of the following purposes, whether or not privately or publicly owned:
 (a) Marinas.
 (b) Riding academies, riding clubs, and riding stables.
 (c) Ski resorts.
 (d) Golf courses.
 (e) All uses similar in nature to those listed above.
 (f) All accessory uses incidental to the above.

(2) Stack Requirements in a Recreational District: No building or structure shall be erected within forty (40) feet of any side, front, or rear property line and no building or structure shall be erected in a Recreational District within two hundred (200) feet of any adjoining, adjacent, or abutting residential districts. All buildings permitted in Residence 1 District or Commercial 1 District when erected in a Recreational District shall comply with the requirements for a Residence 1 District or Commercial 1 District.

Section 12.6 (3) Parking Requirements in accordance with Section 3.25, 3.26, and 3.27.

(4) A greenbelt is required wherever a recreational use in this district is adjacent to or adjoins a Residence 1 District or Residence 2 District.

Section 12.A GRAVEL-SAND

DISTRICT (REPEAL)
 Section 13.8 ZONING CHANGES. No application by a property owner for a change of zoning regulations for any property in Independence Township will be considered by the Planning Commission unless and until the following requirements have been met:
 (1) Applications shall be in writing, signed by the title owner of record, and shall state the names of all parties in interest, if any.
 (2) Application shall state the location of the property involved.
 (a) By reference to roads, streets, etc.
 (b) By description as contained in tax assessment rolls; and
 (c) By description as contained in deed or other evidence of ownership.
 (3) Map or drawing showing location of property in reference to nearest public highway, adjacent land, and any public plot or plats. This map shall be inscribed with the name of the reputed owner or owners of the adjacent lands.
 (4) Statement of present zoning classification of land requested to be rezoned, property restrictions, if any, zoning classification of adjacent properties.
 (5) Specific and detailed reasons

for rezoning with statement concerning intended future use.
 Section 16.2 In residential 1 district and Suburban Farms District the only signs permitted are as follows, to wit, (a) and (b).
 Section 16.4 The words "and Suburban Farms District" shall be deleted.
 Section 16.6 In Commercial Manufacturing-1 and Manufacturing-2 districts, signs not exceeding 240 square feet advertising or calling attention to a product, use, or business actually being produced or conducted on the premises.
 Section 16.10 Nonconforming Signs and Billboards.
 "All signs and billboards shall conform to the regulations as set forth in this Ordinance and its amendments. Any sign or billboard not conforming shall be deemed a nonconforming use, and shall either be made to conform or shall be removed by the owner within five (5) years from the date of the building permit or the effective date of this amendment. If the owner of said sign fails to remove such nonconforming sign or bill, board it shall be deemed a violation and the property owner shall be charged with a violation and subject to the provisions of Section 14 of the Zoning Ordinance."
 "It shall be the duty of the Township Board of Independence Township to notify the sign or billboard

Letters To The Editor

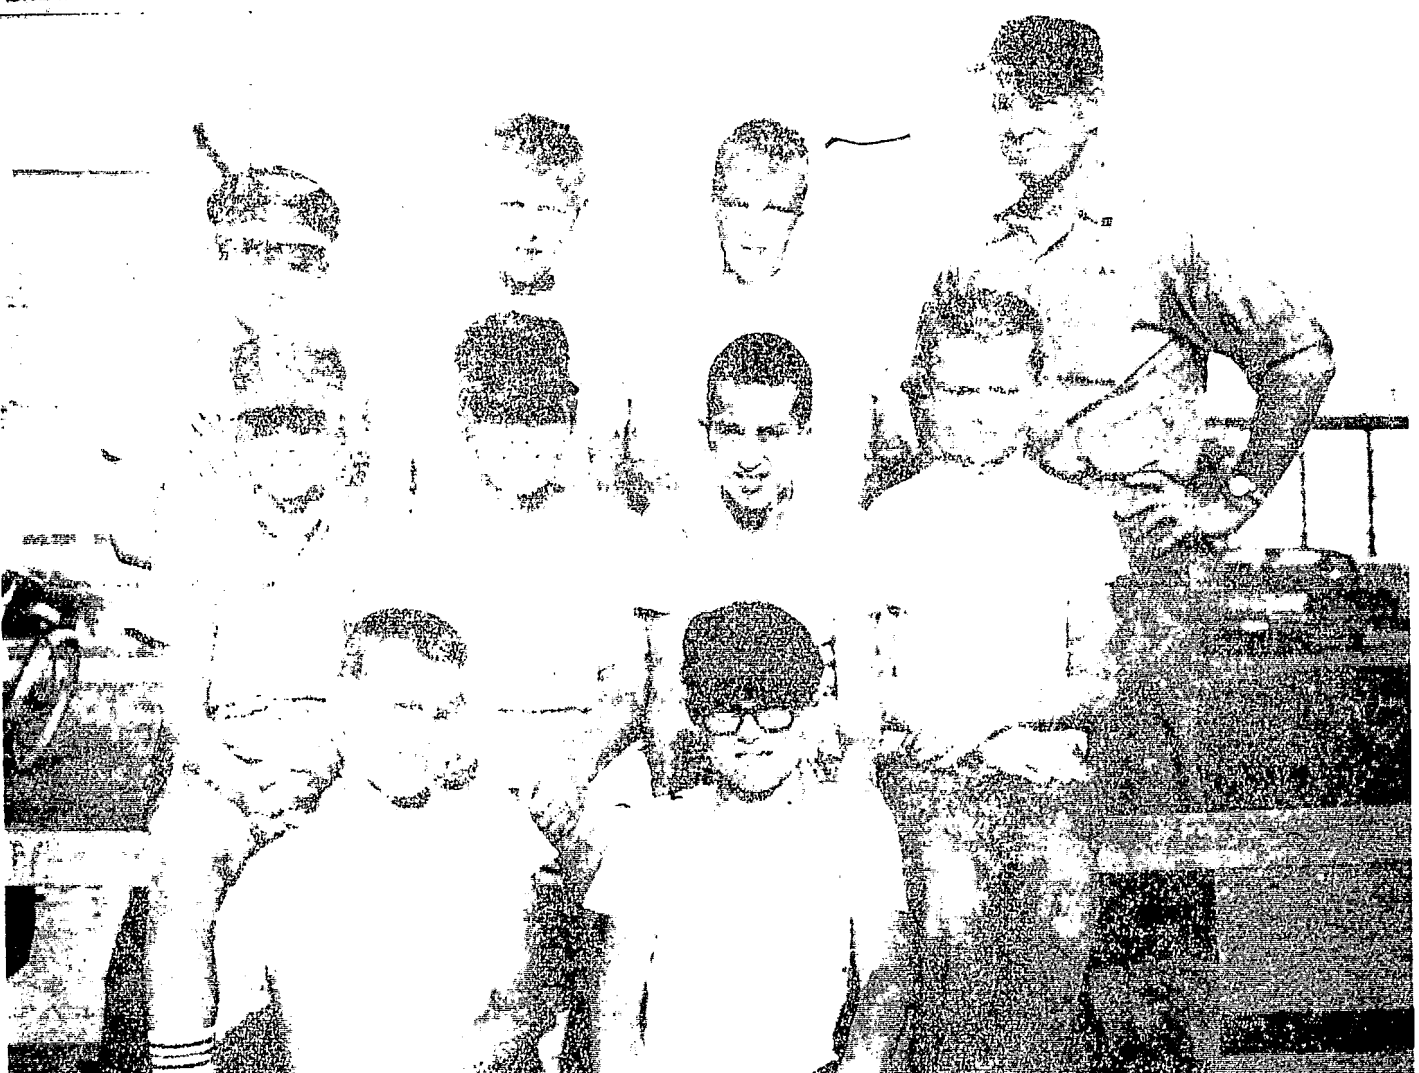

There was a death on Holcomb Street last Friday.
 It happened right in front of a house that is very full of people, cats, and kittens - seven children, three cats, and five new kittens, to be exact.
 The house is a noisy house - considerable yelling goes on - but it's a happy house with lots of visitors.
 Last Friday, for a few minutes, there was a stunned silence.
 The car going down the street wasn't speeding - just traveling somewhat over the 25 mile speed limit. And, there on the street was a still little form.
 This time it was a cat. The one thought in the minds of children owner, and the property owner upon which all nonconforming signs exist, via registered mail, of the nonconformance and the date by which said sign or billboard must either conform or be removed. Such notice shall be given within ninety (90) days of the effective date of this amendment."
 Howard Altman,
 Independence Township
 Clerk

and mothers who saw it: "What if it had been a child?"
 On most streets where children live, the posted speed is 25 miles per hour. If one observes that speed, it seems as though the car is hardly moving. That's why drivers who do keep it seldom have to live with the nightmare of having injured or killed a child.
 Our expressways are made for speed.
 Please slow down for our kids!
 Mrs. Harold Elliott

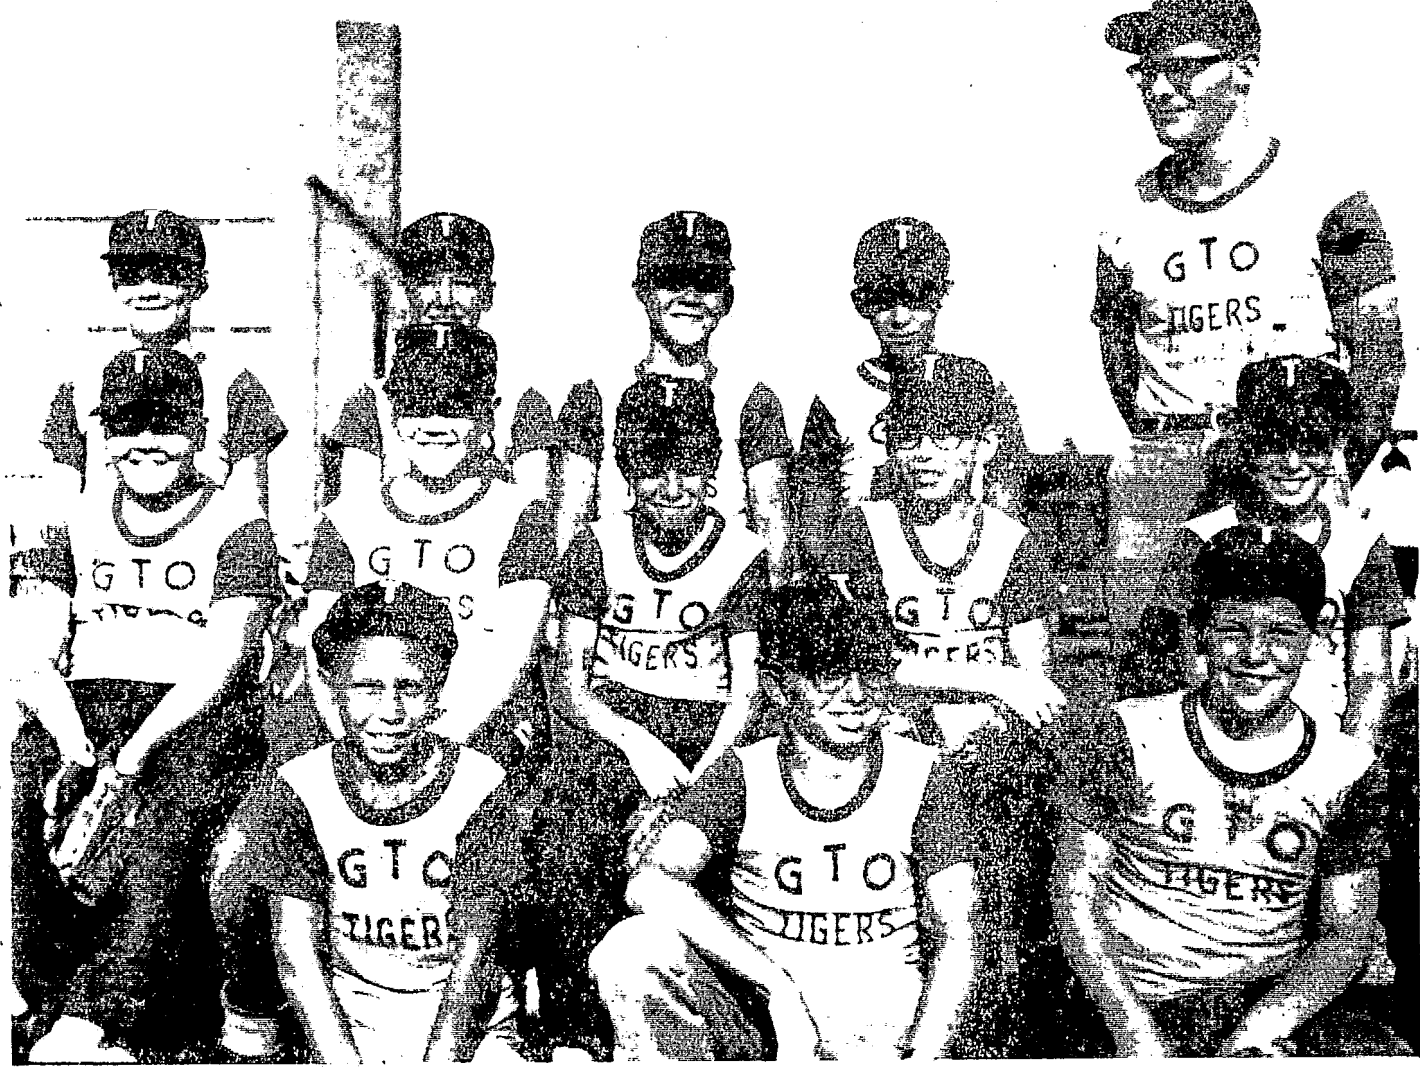

Dear Sirs:
 The parishioners and I of St. Anne's Church, Ortonville, wish to express our appreciation to you for your generous help. Because of it our Festival Dinner was a great success.
 Gratefully,
 John Hardy,
 Pastor

Old Timers' Day at the Michigan State Fair will be Monday, August 30. In former years it has been scheduled on Wednesdays. The fair opens Friday, August 27, and runs through Monday, September 6.

Farnum Presents Flag To Independence Women Attend United Fund Orientation

Congressman Billie S. Farnum was on hand Sunday during Dixie Saddle Clubs 17th Annual Horse Show to present the club with a flag of the United States.

Hearing that the U.S. flag belonging to Dixie Saddle Club turned up missing following their May 8 Benefit Horse Show in Ortonville, Mr. Farnum contacted the group and offered them an American flag which had flown over the capital of the United States. The presentation was made on the Glenn Ellis Farm in Springfield Township.

Judging the Horse Show were Harry Williams and Ed Dodge. Ardie Grubaugh was ringmaster and Frank Green did the announcing for this full day event.

Following is a list of the winners.

Speed and Action — 16 and over: 1st, Jim Wittenberg; 2nd, Jim Stafford and 3rd, Sandy Komasa.

Enthusiastically displaying material to be used in the I.T.A. reading program at Clarkston Elementary School are Mrs. Leslie Purslow, Principal; and Mrs. George Barrie, Assistant Superintendent in charge of elementary education.

Mrs. T. Godfrey who will be teaching the new method of reading to first graders on a voluntary basis, is attending classes at the Oakland County Board of Education this week.

Parents with questions or problems concerning students at the Clarkston Elementary School will discuss these in comfort at the new conference area in the school's lobby.

Mrs. Leslie Purslow, (right) principal and Mrs. Harold Elliott (left) are pictured in this conference area.

"Funds and Fashions" was the theme of the Pontiac Area United Fund Women's Division Orientation luncheon held August 17 at Kingsley Inn. Hair Stylist, Peter, off Wigs 'N' Things in Bloomfield Hills, presented the program. Attended by nearly 100 women, including some 25 from Clarkston and Independence Township, the meeting was arranged by Mrs. William G. Wright of Pontiac, women's campaign committee chairman. To acquaint area and district chairmen of their part in the campaign and the procuring of 200 volunteers to assist in the drive which will start October 14, Mrs. Virginia Loveland, women's division director of the United Fund, conducted the orientation. Mrs. James Cowen, Independence Residential Chairman, was introduced, as were the women who will directly assist her. They are Mrs. Harry Horsch and Mrs. Richard Johnston, co-chairmen of Area I; Mrs. Vincent Bronsing, Area II chairman; Mrs. Glenn Bernor, Area III chairman, and Mrs. Louis Lessard, Chairman of Business Solicitation. Also on the program were Calvin J. Werner, general campaign chairman, and Donald J. Frey, executive director of the Pontiac Area United Fund. Others were Mrs. Merrell D. Petre, Women's division chairman, Mrs. Neil Wasserberger and Mrs. Richard Veazy, publicity co-chairman, and Glenn Griffin, president of Pontiac Area United Fund Board of Directors. The women's Division is made up of units from Clarkston and Independence Township, Waterford, Pontiac, Lake Angelus, Lake Orion and Orion Township. The luncheon was sponsored by Sears, Roebuck and Co.

Welcoming Independence Township United Fund District Chairman to the orientation meeting is Mrs. Frank Hansack (left). District chairmen are (l to r) Mrs. Harold Westover, Mrs. Lynn Wychoff, and Mrs. James Cowen. Photo by Charlie Kuhne
