

Totaling \$20,802

Township Receives Grant

Eighteen Fire Calls Answered Last Month

The Independence Township Fire Department responded to eighteen calls during the month of August.

Among these calls were three house fires. On August 28, they responded to a call at the Dan Anthony home, 5173 Sashabaw Rd. Thirteen volunteer firemen fought the blaze which was ignited by hot grease on the kitchen stove. A home fire on August 6, at 6800 Oak Hill Rd., was caused by a leak in the bottle gas line. This home is owned by Alfred Bentley. The Marjorie McGregor residence, 24 South Holcomb was the scene of the third house fire reported in August. The fire started with a torch which was being used to burn paint from the house.

Four August fires were attributed to burning trash. Among these was one at 5856 Mary Sue on August 13. This fire started when occupants burned papers in an open tub. Sparks from an uncovered trash burner ignited grass at 5253 Oak Park, August 16. Another fire began when a property owner at 4885 Clintonville Road was burning rubbish in a sand filled swamp igniting a tree stump. In two of these instances Captain Wilson issued first warnings for not using approved fire prevention procedures in burning trash.

Two car and two lawn mower fires were extinguished by the Department according to the report. Of the three resuscitation runs reported, two of the victims were taken by ambulance to hospitals and one was electrocuted.

The Independence Fire force assisted other departments in two fires, one of which was at the Whoopee Bowl and the other a grass fire.

There was one field fire reported in August and one false alarm according to Independence Fire records.

Congressman Billie S. Farnum yesterday announced the approval of a Federal grant to Independence Township totaling \$20,802.

Known as a Michigan Department of Economical Expansion grant it is used mainly for planning and developing in the Township and Clarkston.

Two-thirds of the total grant will be paid by the Federal government, while the remaining third is paid by Independence Township.

Mr. Farnum said, "I am happy to announce the grant because it's good to see a fast growing community going in the best possible direction."

Couple Hurt in Week-end Crash

Gaye Lynn of 88 N. Holcomb in Clarkston and David Pylman of Davisburg were injured last Friday evening on Clarkston-Orion Road when their car overturned as they rounded a curve.

Gaye, a passenger in the car driven by Pylman, was pinned under the wreckage. The two were taken to Pontiac General Hospital according to Oakland County Sheriff Department records Mr. Pylman was released from the hospital Saturday and Miss Lynn on Sunday.

Hrvey's Colonial House was broken into Saturday night and \$95.30 taken from a cash box. Sheriff's officials said there was no sign of force used to enter the building.

Margaret Gray of 880 Croup Rd., Orionville reported a 19 inch television was taken from her home Saturday night.

Theft of a tire and wheel from a pickup truck was reported to Sheriff's officials Monday by Ham Amenson of 3845 Ormon Road, Davisburg.

Dotson Gets Merc 6 Months

Clark R. Dotson, accused of larceny from a building, pleaded guilty Wednesday before Judge William Beer to a lesser charge of larceny from a vacant building.

Dotson was sentenced to six months in prison. Had he been found guilty on the former charge, the sentence could have been five years.

Dotson and an accomplice were captured shortly after robbing Taylor's 5 & 10c Store earlier this summer.

State police records also show the theft of an automobile belonging to Gilbert Hillman of 5474 Parview Dr., Clarkston last Sunday morning. The car was recovered Monday in a vacant field by the Genesee County Sheriff's Department.

Chicken BBQ

Sunday, October 3rd, the Clarkston Area Jaycees will hold their fourth annual community wide chicken Bar-B-Q at the Junior High School from noon to 4 p.m. The menu will include chicken halves, Bar-B-Q'd over open pits and broasted with the Jaycees special Bar-B-Q sauce; potato salad, baked beans, rolls and butter, coffee or milk, and ice cream.

Tickets are available from any Jaycee member or at the door. Bring the family and enjoy your Sunday dinner out or take advantage of their convenient carry-out service.

Sashabaw Elementary School's annual fair, sponsored by the P-TA, will be held Saturday, September 25, from 2-5 p.m. at the school. Fish ponds, pony rides, games and a cake walk are among the many events open to the public at the fair. Advertising the event in the picture are students, Annabel Raackefellow and Roger Martin. The student teacher from Michigan Central College is Patsy Nyman. Also pictured is John Leppanen, teacher vice president of the P-TA and a sixth grade teacher at Sashabaw school.

Village Participating in Waldon Rd. Project

During a regular meeting on September 13th, the council members of the Village of Clarkston voted to participate in the Waldon Road improvement project which is sponsored by the county, Independence Township and the Village.

The project includes partial leveling of the Waldon Road hill between the First Methodist Church and the Clarkston Junior High School.

Other action taken during the meeting was the closing of the Village parking lot at Washington and Main, from midnight to 6:00 a.m.

Depot Road, which runs from Main Street at Bob's Hardware to Holcomb, was changed in name to White Lake Road.

The due date for village taxes, was extended to October 18th.

Accident Victims Covered by Fund

One of the most far-reaching and important citizen protection laws ever enacted in Michigan will go into operation starting this January 1.

It is the Motor Vehicle Accident Claims Act, passed by the 1965 Legislature. Its function is to protect innocent victims of uninsured drivers by setting up a Fund of more than \$11-million to pay claims.

The Fund is administered by the Secretary of State through a major division of the Michigan Department of State.

Although claims against the new Fund will not start until the first of the year, there is another important target date . . . November 1. This is the day that Michigan motorists begin to purchase 1966 Michigan license plates. And along with their plates, they will also pay into the Accident Claims Fund.

(Continued on Page 4)

Seniors, Dianne Martin and Larry Franklin, are shown selling Mrs. Howard Wixom of Paramus, magazines. The annual magazine drive, which started yesterday, is the only junior-senior money making project of the year. Students will be canvassing the Clarkston area door to door for this project.

Once There Was a Little White Schoolhouse

By Gracemary Young

For the Clarkston Community Schools the numbers 300, 3000, and 15 have a special significance of which the whole community can be justly proud.

Representing the tremendous growth of student enrollment -- from 500 to 5000 students in 15 years -- this amazing increase presents a substantial challenge to community educators.

Prior to 1951 only one building, the present Junior High, was sufficient.

Bowling Star at Howe's Lanes

Mike Samardzija, Stroh's bowling star, is currently giving professional bowling instructions Tuesday afternoons, 1 to 5 at Howe's Lanes in Clarkston.

In 1962-63, Mr. Samardzija had the highest average in the City of Pontiac with 211. An average of 226 also made him the cities highest average holder for 1963-64.

He is Michigan's 1964-65 Major Classic Champion, took second place in the national five-man championships and is Detroit's All Star Classic Champion.

You are invited to stop in at Howe's on Tuesday afternoons for instructions or just to watch Mr. Samardzija at work.

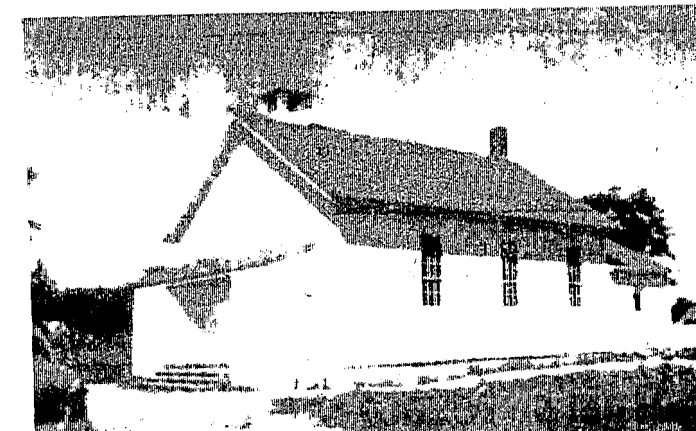

ent for the school needs. Housing 400 to 500 students from kindergarten through twelfth grade it was in every respect the school of a small rural community. However as Clarkston attracted more and more people the school system grew to provide the necessary facilities. "We have always tried," said Mr. George Barrie, assistant superintendent of schools, "to keep up with the growth of the community and to be conscious of its needs."

Plans for expansion began with consolidation of the Clarkston, Springfield Township and outlying Independence Township schools 14 years ago. This advanced the student enrollment to 1300 but seriously aggravated the building situation. At the time of consolidation there were 12 school buildings -- the one Clarkston school, eight-room Sashabaw elementary school and ten 1-room school houses.

Today however things are vastly changed. Not only has the number of students increased five times, but the facilities for them are much improved. A new high school, junior high addition and five modern elementary schools provide for the nearly 5500 students attending classes this fall.

Transforming the community schools over a 15 year period has not been an easy task. "When you have increases of up to 500 students a year you encounter many problems," continued Barrie. An adequate building program is foremost among them. Long hours of research, time and planning goes into the construction of each school building, far more than the average citizen realizes. In order to determine in what areas to locate new buildings and to improve existing ones, reports of Detroit Edison, Consumers Power and the Oakland County Planning Commission are thoroughly studied. By evaluating them the direction of the growth pattern for the next several years is found, indicating in what areas new facilities will be needed. Improvements such as new water and gas lines are also noted as they too help to determine into what sections more families are most likely to move.

In addition to charting growth patterns School Superintendent Dr. Leslie F. Greene with the other members of the school administration make projections of probable school enrollment and growth. This helps in determining school costs and needs for the next two to three years. Compiled from census figures planning commission reports and building permits, (allowing an average of two children for each new house built in the area) projections are understandably difficult to make. However they are complicated further by the fact that enrollment rates are not constant, varying greatly from year to year. For example from 1960 to 1961 the student enrollment increased 1.6 per cent, from '63 to '64 it increased 6.9 per cent but from '57 to '58 the yearly gain amounted to 15.7 per cent -- over 500 students. Even

Clarkston area adults will be sitting on both sides of the desks when continuing education courses at Oakland University resume next week. Many local residents have registered for courses and one of them will be serving as a course instructor.

though a great deal of time and effort is expended "our projections are little more than educated guesses," admitted Barrie.

Unfortunately no matter how precise the planning problems will always arise in any school district. Clarkston is no exception. In 1957, the year the Community schools had their greatest increase in enrollment half day sessions were necessary until Pine Knob School and additions to other schools were completed to provide for the large influx of students. By January '57 building were finished and classes resumed on a full day basis. "This was the first time this has happened and we are working hard to see that it will be the only time," said Barrie.

Totally unforeseen difficulties also arise. Bailey Lake students sat on the floor for two weeks because furniture, ordered a year in advance did not arrive on time. Production problems, delaying the construction of the new high school's boiler room, caused the students to wear coats in the school until it was ready.

"Even though difficulties arise almost every day there are many advantages of a smaller school district in this type of area," said Barrie. He continued that he felt in this area there is more room for growth and a better atmosphere for student growth, as opposed to a more urbanized area. "There is greater freedom and more individuality for the child," Barrie said.

Another important feature, he added, is that people in this area are conscious of the values of education. They realize the necessity of good education for their children and are willing to support bond and millage proposals to provide it.

YMCA Offering Tap Lessons

A ten-week course in Beginning Ballet and Beginning Tap Dancing will start at the Pontiac Y.M.C.A. Friday, September 17, 1965. The 'Y' will also offer Kinderballet for 3-6 year old boys and girls. All classes are open to both 'Y' members and non-members.

Course fees: \$10 for Pontiac 'Y' members; \$15 for non-members. All classes will be held in the Y.M.C.A. Youth Department on Friday afternoons.

Schedule of classes are: Beginner Kinderballet (3-5 Yrs.) 3:00-3:45 p.m.; Advanced Kinderballet 3:30-4:15 p.m.; Beginner Ballet (6 and up) 4:00-4:45 p.m.; Beginner Tap 4:30-5:15 p.m.

All classes will be taught by Mrs. Dollye Dibley of Utica, who is an experienced instructor and Choreographer. For more information, call the Pontiac Y.M.C.A. 335-6116.

From Clarkston CE Teacher Oakland

Clarkston area adults will be sitting on both sides of the desks when continuing education courses at Oakland University resume next week. Many local residents have registered for courses and one of them will be serving as a course instructor.

The continuing education instructional staff is composed of members of the regular Oakland faculty and personnel from area business and industrial firms. The Clarkston area resident teaching this fall is William M. Aldrich, of 6431 Church Street, Mr. Aldrich, Assistant Heating, Ventilating & Air Conditioning Engineer with the Pontiac Motor Division of General Motors Corporation, is teaching Principles of Refrigeration.

Story Hour

The Independence Township Library Story Hour is presenting programs the second and fourth Thursdays of each month, from 10:15 to 11:15 a.m.

Sponsored by the Clarkston Women's Club, the story hours are open to children between the ages of 4 and 5.

Another example of citizen concern was the Citizens Committee Report on the High School, "Lending their cooperation, support and time they were a very great help in this project," concluded Barrie.

Community support, exhibited through such contributions, is perhaps the key to the successful growth of the Clarkston Community Schools. It took planning and effort on the part of administrators but without the wholehearted community support the school system could not have achieved what it has in the last 15 years.

GOP Ox Roast Saturday

Family fun will be combined with serious politics at the annual Oakland County Republican Ox Roast

to be held at Ivory Farms Saturday, September 25.

Senator Robert Huber of Troy will be master of ceremonies for the event, which will begin with a pancake breakfast at 9:30 a.m. The morning will include a puppet show and an appearance by Rickey the Clown of television fame. Games for all ages, prizes and a baseball game will mark the fun aspects of a day whose serious side begins at 1:00 with speeches by Governor Romney and Congressman Gerald Ford and appearances by Congressman William S. Broomfield and state and county officials.

The free barbeque takes place following the formal program at 2:00 p.m., and will be followed by a baseball game pitting the Oakland County Young Republicans against the Lawrence Institute Young Republicans.

Oakland County Republican Chairman Dale A. Feet issued an invitation to all Oakland County residents to attend the annual event at 9960 Cooley Lake Road, Union Lake.

"I would like to make sure all the people of the County realize that they are urged to attend the free Ox Roast and to hear Governor Romney and Congressman Ford," Feet said. "This is an excellent opportunity to meet and talk with your local, state and county Republican officials while giving the whole family a pleasant outing," he said.

Congressman Ford and Congressman Broomfield, who are flying in from Washington to attend the Ox Roast, are expected to provide the current picture of United States involvement in Viet Nam as well as the India-Pakistan situation.

Preparing for the forthcoming Oakland County Republican Ox Roast is Sheriff Frank Irons of Pontiac. The Free Ox Roast will take place Saturday, September 25, at the John Ivory Farms, 9960 Cooley Lake Road, Union Lake.

Shown above is one of the eyesore homes in the Woodhull Lake area, that was burned Sunday morning by the Independence Township Fire Department. Several other homes in the area are being torn down.

FIRST CHURCH OF CHRIST
SCIENTIST
Oxford, Michigan

"We must look deep into realism
instead of accepting only the out-
ward sense of things."

This statement from the Chris-
tian Science textbook (Science and
Health with Key to the Scriptures
by Mary Baker Eddy) is a central
theme of the Bible lesson to be
read Sunday in Christian Science
churches across the world. The

Missionary at Free Methodist

The Rev. Roy Kenny, Free Meth-
odist missionary to Brazil, will be
the guest speaker at the Drayton
Heights Free Methodist Church on
September 24 and 25 at 7:30 p.m.
Rev. Kenny will also speak Sun-
day September 26 at 11:00 a.m. and
7:00 p.m.

Since 1955, Mr. Kinney has served
as an educational, evangelistic mis-
sionary in Brazil. His most recent
work has been that of organizing
and conducting crusades in various
towns with a view to establishing
new churches. Much time has also
been spent in building prefabricated
"tabernacles". These can be set
up or torn down in a few days,
and are erected at the crusade
site. Mr. Kenny reports, "The
Cruzadas Luz e Vida are proving a
success in Brazil. This new venture
in evangelism is paying off in
church growth." In addition to
crusade work, Mr. Kenny has or-
ganized and served as pastor of a
number of churches.

In presenting his account of mis-
sions in Brazil, Mr. Kenny will use
pictures and colored slides. The
public is invited to attend.

glory of the Lord, as the waters
cover the sea."

HAPPY LANDING

This takes nerve! Imagine dropping into
space with nothing but a "silk umbrella"
between you and eternity! Yet men do it
every day, and they trust that umbrella as
we would trust our best friend.

Faith is something like that white para-
chute, as thousands upon thousands of
Christians can testify. Faith upholds you
and supports you, no matter how rough the
going may be. Without faith in a loving
God, man is very much alone . . . and man
was never meant to deal with life's problems
by himself.

Like the first parachute jump, faith
isn't easy at the beginning. It takes courage
to hand over the reins of one's life, but you
can be sure of one thing . . . you'll always
land on your feet. Strengthen your faith by
attending the church of your choice.

Day	Book	Chapter	Verses

Saturday	Hobrews	10	32-39

THE CHURCH FOR ALL
ALL FOR THE CHURCH

The Church is the greatest factor
on earth for the building of charac-
ter and good citizenship. It is a store-
house of spiritual values. Without a
strong Church, neither democracy
nor civilization can survive. There
are four sound reasons why every
person should attend services regu-
larly and support the Church. They
are: (1) For his own sake, (2) For
his children's sake, (3) For the sake
of his community and nation, (4)
For the sake of the Church itself,
which needs his moral and material
support. Plan to go to church regu-
larly and read your Bible daily.

Local News

By Mrs. Shirley Lynch
Maple 5-1065

Mrs. Gilbert Galligan of St. Ann's Apple Dr. is a patient at Pontiac Osteopathic Hospital.

Denise, daughter of J. J. Freitag's on Transparent was five years old September 17, she was unable to have a birthday party due to the measles. Three other children in the family also have the measles.

Grant Sutton was the guest of honor at a going away party in Flint Saturday. Mr. Sutton is leaving for a new job later this week in New York.

Mr. and Mrs. Lewis H. Halsey of Sashabaw Rd. enjoyed dining out Sunday to celebrate their fifth wedding anniversary.

Friday, September 17, was a big day for Kimberly, daughter of the Ronald Schebors of Northview Dr. To celebrate her fifth birthday, she took cupcakes to her classmates in Kindergarten at Pine Knob School.

In the evening, she had dinner with her grandmother, Mrs. Harris of Waterford. Ice cream and cake was served. Kimberly's parents, sister Karen, and brother Ricky were also guests.

Nancy Cole returned home this week after a weeks stay in the hospital due to a broken nose. Nancy's parents are the late Cole's of Transparent Drive.

Mrs. Harold Brabbs of Transparent is a patient at Pontiac Osteopathic Hospital where she underwent surgery Tuesday.

Mr. and Mrs. Louis Seffens and sons of Waldon Rd. enjoyed the weekend in Northern Michigan. As the leaves were beginning to change color, it was a lovely drive.

Mrs. Robert Smith of Eastlawn, is a patient at the St. Joseph Hospital. For her friends convenience, her room number is 474. She will be hospitalized for at least another week.

Mr. and Mrs. Willis Ross stopped on their way home from a camping trip to help Mr. Ross' son Edward of Middle Lake Rd., celebrate his birthday September 16. They enjoyed cake and coffee in the evening.

September 17, Sally, daughter of the Donald Auten's of Overlook St., was 8 years old. To celebrate the occasion, ten girl friends gathered at Sally's home Saturday for ice cream and birthday cake.

Lori Anderson, 7 year old daughter of Mr. and Mrs. Duane Anderson of Cramlane, started the school year with a broken wrist. Of course it is hard trying to write left handed but she is doing quite well.

The Jerry Watts of Hillsboro Rd. enjoyed the warm weekend by taking a boat trip on Lake Michigan. Friends from Chicago joined them.

Mr. William Sharpe of Paramus

St. is a patient at Pontiac Osteopathic Hospital. He is in room 233 and his bed is number 4.

A pre-Christmas gathering for the family of Willis Ross was held at the home of the Edward Ross' of Middle Lake Rd. Monday. Thirty relatives were on hand to draw names for Christmas. Dessert was served later in the evening.

A miscellaneous surprise bridal shower was given for Pat Kath of Hummingbird Lane Wednesday evening at the home of Mrs. Edward Jenks, Clarkston. Assisting the hostess was Mrs. Robert Jenks.

Games were played and prizes

Celebrate 25th Anniversary

Mr. and Mrs. L. B. Eisenlohr celebrated their silver wedding anniversary Wednesday, September 8. A dinner at Holiday Inn at Flint as guests of their daughter and son-in-law, Mr. and Mrs. Robert Knight of Pontiac marked their twenty-fifth year of wedded bliss. The Eisenlohrs have two other children, Lewis Boyd, Jr. and Beth Ann both at home.

Beverly Galligan Weds Robert M. Sherman

Wearing a chapel-length gown of white cotton ottoman, featuring elbow length sleeves and a scoop neckline, Beverly Louise Galligan became the bride of Robert Martin Sherman at an afternoon wedding at the First Methodist Church of Clarkston, Saturday, September 11. Rev. Lewis Sutton performed the wedding vows.

The bride's gown was complemented by an illusion veil secured by a pillbox of starched net. White roses, gladiolus, and Stephanotis covered her small white Bible.

Parents of the newlyweds are the Roger L. Galligans, of Cherrylawn Street, Clarkston, and the E. A. Shermans of Goodrich.

Wearing identical dresses were the maid of honor, Cheryl Cnador, and bridesmaids, Martha Mahison, Patricia Sherman, and Joan Cross. Their white modified A-line dresses feature an empire waist outlined with a band of yellow daisies accented with green ribbon. Yellow Dear bows held their net veils. They carried colonial bouquets of white daisy mums with yellow centers accented by green ribbon.

Clark Johnson was best man with David, Dennis, Frank and Patrick Galligan ushering at their sister's wedding.

The mother of the bride chose a turquoise sheath with matching accessories for her daughters wedding. A corsage of yellow sweetheart roses complimented the outfit.

The elder Mrs. Sherman selected a costume of beige lace with matching accessories. Her corsage was also yellow sweetheart roses.

A reception followed the ceremony and was held in the church parlors, after which the newlyweds left for a honeymoon trip to Montreal and Quebec City.

The bridegroom is a graduate of Wayne State University. The couple will reside in Ortonville.

Pat will marry Duane Baumgras on October 23.

HAPPY BIRTHDAY TO: Chris Mast, Hillard Limbaugh, Kay McMillan, Linda Parrott, David Picketstaff, Jr., September 24; Pamela Forsyth, Jim Mansfield, September 27; Peggy Thomas, Norman Miller, September 28; Mike Couture, Kate McLean, Don Hoff, Dave Hollis, September 29; Glenn Jensenius, Judi Tilley, September 30.

ANNIVERSARY GREETINGS GO TO: Mr. and Mrs. Ron Balousek, September 26.

Check the many extra jobs a modern GAS DRYER can do for you...

IN ADDITION TO ENDING LIFTING, LUGGING AND HANGING CLOTHES ON WASHDAY!

- VALET SERVICE—wrinkles can be removed from corduroy, velveteen or wool garments by placing them in dryer for short tumbling period with damp sponges or bath towels. Place sponges or towel in dryer before putting in clothing to build up steam. Use medium heat setting. Bath towels leave lint on dark cottons, so damp, color-fast sponges are best. There must be moisture to release wrinkles and prevent shrinkage. Remove garments before completely dry and hang on wooden or plastic hangers until completely dry.
- FLUFFING OR DUSTING draperies, chenille bedspreads or other articles that need airing. Place in dryer on "no heat" setting and allow to tumble for 5-10 minutes.
- REMOVING MOTHBALL ODORS from clothes that have been stored. Use "no heat" setting and short tumbling time.
- BATHING SUITS & SNOW SUITS can be dried in preheated dryer with bath towels (which have been in dryer during preheating). Dark towels are advisable with dark fabrics.

Accident Victims

(Continued from Page 1)
Each uninsured motor vehicle owner pays \$25 into the Fund.
All insured owners, on the other hand, pay only \$1.00 into the Fund.
The uninsured motorist receives absolutely nothing for his \$25 fee. This is not insurance. Actually, this is a penalty he pays for the option of remaining uninsured.

On the other hand, the insured driver does get something for his \$1.00 fee... insurance protection. This protection is much like the uninsured motorist rider which sold through private insurance companies and which costs several

times more than the \$1.00. "The Fund offers excellent protection on accidents with uninsured motorists here in Michigan," says Hare, "but does not apply outside of Michigan. This is where the private option pays off."
Hare estimates there are between 100,000 and 600,000 uninsured vehicles in Michigan, about 15 percent of the total number in the state.

Hare further figures that if Michigan follows the pattern established by other states, about half of the current uninsured drivers will get into the insured class before they contribute into the Fund.

Will the Fund end up in the red? Hare said he didn't know... that is depended on too many intangibles. He cited these intangibles as possible amendments to the law, such as increasing minimum claims from \$50 to \$200 or \$300 and removing claims on hit-and-run property damage accidents.

The Fund is patterned after one which has been highly successful and solvent in Ontario, Canada," Hare said.

He added that a good deal depended on some legal questions which have remained unresolved. These include questions such as whether an uninsured motorist can collect from the Fund if he is innocent in an accident with another uninsured motorist; how to handle self-insurers, such as large fleet units; into what category to fit government vehicles; whether persons would be paying into the Fund only once or each time they might purchase a vehicle; and other problems.

"The attorney general has assigned a staff to work out some of the legal snarls, and we are anxiously awaiting his opinions," in the meantime, we are going to do the best job we can of keeping Michigan citizens appraised of what is going on and how to proceed."

CMC Branch

(Continued from Page 1)

decision of Citizens to open an office in Flint were the dynamic growth of the area; belief that the growth would continue; the considerable mortgage portfolio the firm now carries in the area, and the need to provide local service for the firm's clients.

Otto E. Fox

The firm now operates branches, in addition to its headquarters at 600 Woodward Ave., Detroit, in Grand Rapids, Cleveland, Dayton, Canton and Toledo.

Fox is a native of Bay City but has been a Flint resident 40 years. A veteran of World War II, he served in both the European and Pacific theaters.

Fox was active in Flint lumber, building, real estate and land development circles from 1946 until 1958.

He was interested in various firms, including Forcitt-Lowen Millwork Co., Dort Wood Products, Clifton Homes and Greater Flint Building Corp.

He joined the Flint FHA staff in 1958 as a construction analyst, later serving as FHA real property officer for 18 counties of eastern and northeastern Michigan until his appointment as manager of the new Citizens Mortgage office.

Among the top 10 mortgage companies in the United States, Citizens' portfolio is now approximately a half billion dollars and growing at the rate of more than \$25 million a year.

Besides major servicing activities in Michigan and Ohio, Citizens has in its portfolio millions of dollars worth of loans on properties in New York, Arizona, Texas, California, Kentucky, Colorado, Washington and Oregon.

Citizens is mortgage loan correspondent in Michigan for John Hancock Mutual Life Insurance Co. of Boston and Mutual Life Insurance Co. of New York. Both these firms are active in residential and commercial lending in the Saginaw Valley cities. Citizens is also mortgage loan correspondent for some 300 other banks, savings and loan associations and insurance companies throughout the United States.

Trail Ride

Set for Sunday

The Dixie Saddle Club will sponsor a trail ride Sunday, September 26. It is scheduled to start at noon. The riders will meet at Sands Road in Ortonville, where the trail has been marked by Gordon Cascarden.

Young and old alike are invited to join the ride and the pot luck luncheon.

BIRTH

Mr. and Mrs. Dan MacLennan of Overlook Drive are very happy to announce the birth of a son. David Dan was born at St. Joseph Mercy Hospital on September 1 and weighed 7 pounds 10 ounces. He joins a sister Karen, now 4.

Grandparents are Mrs. Alexander McEwen and Mr. and Mrs. Harwell MacLennan all of Alpena, Michigan.

Auxiliary to Meet

The Campbell-Richmond Auxiliary Unit will hold their monthly meeting September 27th at their post home. The business meeting will start at 7:30 with a program at 8:00. The guest speaker will be Mrs. Wickman, head supervisor of girls, from the Oakland County Childrens home.

Obituaries

KAREN LOUISE SMITH

Karen Louise Smith, 20 of 6035 Waldon Rd., Clarkston, died September 21 after a short illness.

Born to Mr. and Mrs. M Ivan B. Smith, Karen, in her high school years, became a member of the Art Club of Clarkston High School. A member of the Sashabaw United Presbyterian Church she chose the occupation of dental assistant.

Surviving besides her parents are two brothers, Melvin, Jr. of U.S.A.F. in Oseola, Mich. and Richard, at home. Also surviving is her grandmother, Mildred Miller of Union Lake.

Service will be Friday, September 24, 2:00 p.m. at the Sashabaw United Presbyterian Church. The Reverend Donald M. Sinclair will officiate. Interment will be in Sashabaw Plains Cemetery. Arrangements were made by the Sharpe-Goyette Funeral Home.

HENRY E. DRILLEN

Services will be Friday, September 24 at St. Andrews Episcopal Church for Henry E. Drillen, 63 of 6178 Hillsboro Rd., Davisburg. Mr. Drillen died suddenly, September 21. Father Edward A. Lowry will officiate with burial in Lakeview Cemetery.

Mr. Drillen married the former Violet (Pattie) Rushmore in 1925 in St. Paul Minn. He was employed for 39 years as an engineer on the Grand Trunk Western Railroad and was a member of St. Andrews Episcopal Church in Drayton Plains.

Surviving besides his wife are two daughters, Mrs. Hugh E. Grieve and Mrs. Robert C. Tripp, both of Plymouth and three grandchildren. Also surviving is a sister Mrs. Fred Goodfellow of Canada and brother, Elwin of St. Paul, Minn. Arrangements were by the Lewis E. Wint Funeral Home.

Womens Club

Tea Held

The Main Street home of Mrs. Frank Lambert and Mrs. Janet Lookadoo was opened to the Clarkston Womens Club for their annual Membership Tea on Tuesday evening September 14.

Mrs. Richard Johnston, President, welcomed former members, Mrs. John Adams, and Mrs. William Race and new members, Mrs. Thomas Brooke, Mrs. Robert Brumback, Mrs. Donald Milner, Mrs. Raymond Pasternak, Mrs. Robert Schons, Mrs. Kenneth Whitenton and Mrs. John Winter.

The following officers for the 1965-1966 season were introduced: Vice President, Mrs. Robert Jones; Treasurer, Mrs. DeWaine Hagga-done; Recording Secretary, Mrs. Paul Bennett; Corresponding Secretary, Mrs. B. J. Hanson; Board Members, Mrs. Ronald Balousek and Mrs. Lewis Wint; and Historian Mrs. Frobe Gruenberg.

Refreshments were served by Mrs. Robert Jones, Chairman, assisted by Mrs. Gerald Anderson, Mrs. Betty Briedenbaugh, Mrs. William Dennis, Mrs. Donald Hanson, Mrs. Douglas Kuechle and Mrs. Milford Mason.

The September meeting will be held at the Clarkston Community Center on Sept. 23 at 8:00 p.m.

Cub Scouts to Meet

Cub Scout Pack No. 126 will hold their meeting 7:30 September 29 at the First Methodist Church on Waldon Road. All interested boys, ages 8 through 11, with their parents are invited to attend. Dens will be open for the boys who are interested in joining.

School Menu

Baked ham, goulash, and meat balls, are some of the main dishes scheduled to tempt Clarkston students this last week of September. Other delicious dishes that will usher in the autumn season at school cafeterias are as follows:

September 27. Barbeque on bun, battered corn, mashed potatoes, coleslaw and milk.

September 28. Cold beef salad, potato salad, french bread and butter cherry cobbler, and milk.

September 29. Baked Ham, au-gratin potatoes, sliced tomatoes, bread and butter, fruit and milk.

September 30. Meat Balls, tomato sauce, mashed potatoes, tossed salad, fruit juice and milk.

October 1. Turnaburger, battered peas, date bars, ice cream and milk.

Clarkston's hard running halfback, Rick Blimka, is brought down by three Oxford tacklers during last Friday's game.

SPORTS

By Mel Vavra

Wolves Beat Oxford 19-6

Well, another football season is upon us and Clarkston opened the season on a successful note by defeating Oxford, 19-6.

The weather was extremely warm and in the 1st quarter, Clarkston was as hot as the 80 degree temperature, making two touchdowns before the 1st quarter was over.

On Oxford's kick-off, Clarkston immediately pushed towards their first touchdown of 1965. Rick Blimka ran a power sweep to Oxford's 40 yard line, while Tom Allen looked impressive in runs of 12 and 9 yards at which time he suffered an ankle injury.

Fife continued to move the team towards pay dirt when he hit Dave Osgood on an in and out pass play. Fife threw five times on the drive and completed three.

Oxford failed to move the ball and was forced to kick. Fife again directed the team to a 68 yard touchdown march, most of which was gained on Fife's passing arm as the scrambling quarterback hit Dave Osgood with a 20 yard pass. He then sent Cecil Caverly up the middle for 12 yards, hit Osgood again for 10 yards, ran Blimka on a sweep for 11 yards, hit Rod Allen with a 10 yard pass and finally hit Osgood on a 5 yard pass for a touchdown.

But, the play was called back for a penalty and Rick Blimka ran around the end for six points.

The second quarter was rather listless as the heat began to show on the boys. Coach Kenyon substituted freely in this quarter in an attempt to give his starters a breather.

Clarkston had a nice drive going on runs by Dave Sanchez and Caverly, but the Wolves fumbled on Oxford's 25 and Oxford turned around and marched 75 yards for a touchdown. Most of this advance came on a 50 yard pass-run play. Half-time score, 12-6.

In the 3rd quarter, neither team could move the ball due to the hard charging line led by Paul Hoxsie. Late in the quarter, Fife started to move the team with Blimka running 20 yards around the end. Blimka ran 7 more on a pitch from Fife, and Fife ran 7 more on a key 4th down play. Blimka ran for 10 more and Sanchez ran up the middle for seven yards. Fife finished the drive by throwing a 10 yard touchdown pass to Dave Osgood. King (Soccer foot) Robinson connected for the extra point. Clarkston controlled the 4th quarter. They had some scoring

chances but couldn't cross the final yard stripe.

The heat was so intense, it affected the play of both teams, defense and offense. This Friday, the weather man has promised cooler weather and with Northville com-

ing to town, it promises to be an exciting night for football. Both teams rely on their passing, same as Northville and Clarkston used the passing attack in defeating Plymouth and Oxford.

The J.V. team coached by Bill Mackson defeated Oxford J.V. 13-0. Mark Erickson scored all the points for Clarkston. Both teams had numerous chances to score, but the Wolves threw them out the window by pass interceptions or fumbles.

Clarkston Varsity Football Schedule

Watching the Clarkston Wolves at practice after school each day is an encouragement to all avid fans. Looks as if these 'hungry' Wolves have the capacity to devour all the teams on the league. (Hope we don't have to eat these words!) Following is a schedule of all Clarkston football games for this season.

Friday, September 24, Northville Home.

Friday, October 1 Bloomfield Hills Away.

Friday, October 8 Milford (Homecoming) Home.

Friday, October 15 Clarenceville, Away.

Friday, October 22 Holly Away.

Friday, October 29 Brighton Home.

Friday, November 5 W. Bloomfield (Dad's night) Home.

Friday, November 12, Rochester Away.

NOTE: Oxford and Rochester are non-league games.

Starting time is 8:00 p.m. with the exception of Bloomfield Hills which is 3:30 p.m.

Road Races at Waterford Saturday and Sunday

The last event of the season will be held at the Waterford Hills Road Course on September 25 and 26. Entries for the annual Fall Classic sports car races are anticipated at 130 cars, which will compete in eight races on Saturday and nine races on Sunday. The events begin at noon each day. Plenty of free parking is available, adjacent to the track.

The results of the weekend of racing will determine the 1965 Point Champion. Top six contenders who have accumulated points throughout the season by winning class races and setting class records, are Dave Johnson (D. J.

Special, Grosse Ile), Bill Clawson (GSM Delta, Dearborn), Larry Naar (Volkswagen, Detroit), Paul Sonda (Corvette, Detroit), Ken Nielsen (Lotus 20, Clawson), Ron Justice (Lotus Super 7, Warren), and Tom Varner; (Austin-Healey Sprite, Rochester).

Three Feature events on Sunday will be split-grid races (two races within a race) for the annual trophies presented by local manufacturers and dealers. Awards are presented to the winners of the three races in six categories: Large Production and Modified, Formula Junior and Formula Vee, and Small Production and Sedans.

Under the supervision of his father Harold, Terry Goyette proudly shines up "Daddy's new ambulance." The thoroughly equipped ambulance was recently purchased by the Sharpe-Goyette Funeral Home in Clarkston.

You build a new home to get exactly what you want

why not get the heating system that gives you exactly what you want

Electric heat is custom heat. There's a thermostat in each room so you can dial the exact warmth you want... in the baby's room, the den, the kitchen, every room! Electric heat is the clean, modern heat. No drafts or cold spots. You get even heat from head to feet. Ideal for your new home.

It's also a good choice as supplemental heat for your present home—to warm up a chilly bedroom or new family room.

The cost? That depends on your particular home. Electric heat may be your most economical heat. It won't cost you a penny to find out for sure! Just call Edison for a free estimate.

EDISON

A lower all-electric rate saves you as much as 20% on your heating bill if yours is an All-Electric Home. More reason than ever to enjoy all-electric living.
