Local Boy: A National Merit Semifinalist

Clarkston High School Principal Mr. Milford Mason, announced today, that Roger Smith senior at Clarkston High School has been named a semifinalist in the 1965-66 Merit Scholarship competition.

He is among the highest-scoring students in the state of Michigan on the National Merit Scholarship Qualifying Test, administered last March in over 17,600 schools nationwide. More than 14,000 semifinalists were appointed across the

Another Independence Township teenager Jacqueline Gratopp, 17, of 616 Pinedale, was taken to Pontiac General Hospital following a two car accident early Sunday morning in Pontiac.

She was a passenger in a car driven by Peter Koneda of 4606 Pinedale, which collided with another car at the intersection of Wide Track and Auburn.

No injuries were reported in a rear end collision on Main Street at Laurelton in Clarkston Sunday. This accident occured when a car driven by Karen King of 6701 Laurelton was struck by one driven by Evelyn LaPlante of 6150 Overlook, according to Oakland County Sheriff Department records.

To become Finalists, the students must substantiate their qualifying test performance on a second examination, submit recommendations by their schools, and fulfill routine requirements. All Merit Scholars for 1966 will then be selected from the finalist group.

"Much of our future leadership will come from these young people", said John M. Stalnaker, president of the National Merit Scholarship Corporation. "Semifinalists are representative of our country's most intellectually able young people.

"In honoring them, we should remember that others have contributed significantly to their success by encouraging the characteristics which produce high achievement, including energy and hard work. The semifinalists bring honor not only to themselves, but also to their families, their teachers and their communities."

To increase their opportunities for financial assistance if they need it, NMSC sends the names of semifinalists to all regionally accredited colleges and universities and to other scholarship-granting agencies and sources of financial aid. Studies show that about half of the semifinalists in former years have obtained financial aid from sources other than the Merit Program. At least 97 percent of past semi-

finalists have become finalists. Each finalist receives a certificate of merit in recognition of his outstanding performance in the program. Finalists are eligible for the scholarships sponsored by NMSC and over 280 corporations, foundations, colleges, unions, trusts, professional associations, other organizations, and individuals.

Names of the Merit Scholars chosen from among the finalists will be announced about April 27, 1966. The exact number will depend on the extent of sponsor support. In 1965, over 2000 Merit Scholarships were awarded.

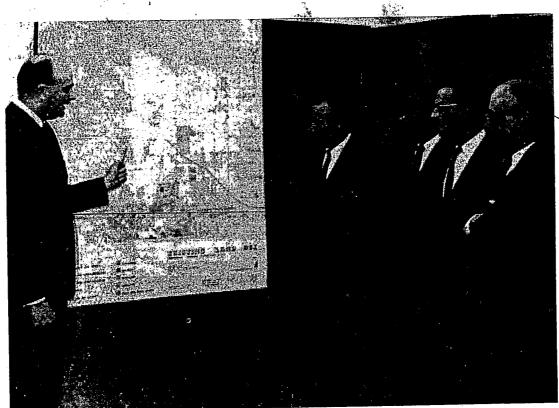

High school grades, creative accomplishments, leadership qualities, extracurricular activitise, and school citizenship of the students are evaluated, along with test scores, in selecting Merit Scholars. Winners of sponsored awards also meet sponsor criteria.

Each Merit Scholarship is a fouryear award covering the undergraduate college years. The winner's stipend is tailored to his need, up to a maximum of \$6000 for the four years in most cases. For the student already financially able to attend the college of his choice, the award is \$400 for the four years. Winners choose their own colleges

In many cases, the colleges attended by Merit Scholars also receive supplementary grants accompanying the scholarships.

and courses of study.

More than 11,000 students won Merit Scholarships in the first decade of the program, which was founded in 1955 with grants from the Ford Foundation and the Carnegie Corporation of New York. About \$42 million in financial assistance to Merit Scholars and their colleges has been expended or committed through the program thus far.

Independence Women Take Part in United Fund Rally

The Elk's Temple will be the destination of hundreds of publicspirted women Tuesday, October 5, as they come from miles around to attend the Hello Dolly Raliy designed for United Fund Compaign "dolls". Women from the entire Pontiae area - from Auburn Heights, from Orion and Independence and Waterford Townships and parts of neighboring Bloomfield Hills will congregate for the training session,

Mobilized during the past few weeks by their area or district chairmen, hundreds of volunteer workers are ready for service in the Women's Residential Campaign under the chairmanship of Mrs. with the 1965 United Fund Drive.

The theme for the Rally, selected by the United Fund Womens' Rally Committee, headed by Mrs. Merrell Petrie, was pirated from the Broadway play by the same name. The Rally will open with a bombastic welcome from Gunvor Ryden, local songstress, as she hails all campaign dolls with a lusty interpretation of the theme song.

Arthur Brooks, Program Director of Adams, Lafferty, Madden and Moody, employing the take-heart technique of a football coach at half-time or the spirited strategy of a commander before a pre-dawn encounter, will address the mass women on "The Feminine Touch". Mr. Brooks is a skilled William Wright, and in connection master of priming the pump of potential in people. He inspires

Blood Bank to be Held October 6

The ninth annual blood bank, sponsored by the Business and Professional Women's Club of Waterford-Clarkston, will be held October 6, in the C.A.I. building on Williams Lake Road in Waterford.

Kenneth Barnes, blood field representative for Southeastern Michigan Chapter of the American Red Cross, was guest speaker at the September meeting of the club. His presentation included an explanation of what his duties entailed with particular stress on the need for blood in all areas.

Mrs. Edwin Lally will serve as chairman for a dinner to be served to the Red Cross personnel at the October 6, Blood Bank.

The progressive women's group approved the support of the Children's Village and Camp Oakland. With plans to undertake these as major projects for the coming year. This dinner meeting, the first of the season, was held at St. Andrews Episcopal Church. Mrs. Dorothy Coes was a guest.

The first fall meeting for District 10 will be held at St. Clair Inn on October 17.

A membership tea, under the chairmanship of Mrs. J. A. McCurry will be held on Thursday, October 28, at the home of Mrs. W. H. . Stamp in Clarkston.

Federal Grant Aids Program

grant of \$20,802.00 will enable the Independence Township Planning Commission to put into effect the program embarked upon at their inception two years ago, according to Howard Altman, township clerk. The grant for Urban Planning Assistance commonly referred to as 701 program will provide the commission with \$13,868.00 of Federal aid, with the balance, \$6,934.00, being provided by the township.

The planning commission has been reviewing and outlining the needs of the township under the guidance of the Development Planning Company of Pontiac which they retained as consultants in December of last year. Mr. Jacob Driker, President of Development

"Teach me, O Lord, the way of thy statutes; . . . turn away mine eyes from beholding vanity."

These verses from Psalm 119 form the Golden Text for a Bible Lesson on "UNREALITY" to be read in Christian Science churches this Sunday. Passages from the Bible and the Christian Science textbook will bring out some of the different ways in which men discover the supremacy and power of spiritual reality.

Included will be these lines from "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Evil is not supreme; good is not helpless; nor are the so-called laws of matter primary, and the law of Spirit secondary . . . The Psalmist saith: 'The Lord on high is mightier than the noise of many waters, yea, than the mighty waves of the sea'" (pp. 207,505).

Here's low-cost Chevy-Van—economy champ of Chevrolet's long, strong covered delivery

truck line.

NEW HEAVYWEIGHTS UP TO 65,000 LBS. GCW!

The all-new Series 70000 and 80000 models are here-the biggest Chevies ever built, out to do the biggest jobs any Chevrolet trucks have ever done! They're ready to cut costs with new V6 gasoline engines, new V6 and V8 diesels. They offer, also, a new 92" cab that's the best yet for working efficiency, new higher capacity frames and axles and a high 65,000-lb, GCW rating.

NEW LIGHT-DUTY WORKPOWER!

The most widely used of all truck engines —the famous Chevy light-duty Six is built for bigger things in '66 with a big new 250-cubic-inch design. It's the standard power plant in most light-duty models. Also, users of ½-ton models can now specify a big 327-cubic-inch V8—the most powerful engine ever offered in a ½-ton Chevy truck. See the new Chevies now, at your Chevrolet dealer's.

Race Trophy Winners Waterford Hills Road

son at the Waterford Hills Road Course, Dave Johnson of Grosse Isle won the 1965 Point Championship in his home-built D. J. Special. Dave drove his H-Modified car to victory in the two class races on Saturday and Sunday, and placed first in class and sixth overall in the Large Production and Modified Feature race.

Overall winner of the Large Production and Modified Feature race, and winner of the Detroit News Trophy was Dennis Wazkiewicz of St. Clair Shores, driving a Corvette. Dennis was beset with problems throughout the weekend. On Saturday, poor handling due to a cracked valve cover which allowed oil to leak onto the rear wheels caused him to lose his class race. On Sunday he borrowed a valve cover from B-Production competitor Russ

In the Feature race, Dennis changed to dry-track tires, and took the early lead from Tom Swindell (Corvette, Pontiac) and Don Grohs (Lotus Super 7, Birmingham). His brakes overheated in the 12th lap of the 15-lap event, but he finished the race, with virtually no brakes, winning out over Swindell by one

The Falvey Motor Sales Trophy, for Small Production winner, went to Don Watson of Livonia, driving a Datsun. The Sedan Trophy, presented by English Line Ford, was taken by Jerry Thompson, of Troy, driving a Corvair. The Belle Tire Formult "C" trophy went to Ken Nielsen, Lotus 20, Clawson, and the Erhard Motors award went to Stu

Meter Readers In Uniform

Detroit Edison Company is dressing its meter readers throughout Southeastern Michigan in bright and snappy green uniforms with Eisenhower type jackets and trim neckties. Shown is John Breault of the company's Oakland division.

Thomas J. Peterson, manager of customer services, said the company decided on the uniforms for its meter readers to make them more readily identifiable to Edison's more than 1,300,000 customers. Heretofore the men who record the use of electric power have dressed in their own work clothes.

Fall and winter uniforms are a green shirt, jacket and trousers. The outfit includes a dark green tie and a green skier's cap. The jacket has a removable lining which will be worn as the weather

Distribution of the uniforms to the 140 meter readers in the Edison system began this week. Harlan B. Ritze, manager of the company's Oakland Division, said that all the readers will be uniformly dressed by the end of the month.

Sure, our '65 was great. But the '66 is

It looks better. Moves quicker. It's got a beautiful new front end and a very dramatic

It's got a bigger and more zesty group of V-8 engines. From a 383 cubic incher to a 440 TNT with twin exhausts and twin snorkels. (A "snorkel" is an air intake horn for the carburetor — does great

things for performance.) The interiors, all up and down the line, are more luxurious and comforting. Take our new shell bucket

seats, for example. It's almost as if they had been custom-fitted for you.

One thing we didn't even think about changing. It has to do with money. Five of our Newport models (real Chryslers - not junior editions) are priced just a few dollars a month more than the most popular smaller cars with the same equipment. This includes features like power steering, power brakes. a 383 cubic inch V.8, automatic transmission, radio and many standard items like safety door handles

Bailey Lake Elementary News

By Shirley Keneipx

Bailey Lake Elementary welcomed several new teachers to their staff this year. Among these are Mrs. Davidson, Kindergarten; Mrs. Preseau, First Grade; Miss Cueny, First Grade; Miss Olson, First Grade; Miss Williams, Second Grade; Miss Stack, Third Grade; and Miss Winterle, Fifth Grade.

The new playground equipment has arrived and been set up for use by the children.

Mr. Burget's sixth grade class gathered and artfully displayed a vast collection of fruits and vegetables appropriate to the harvest season. The colorful displays were labeled, and guides pointed out interesting and unusual facts abou! each example as visiting classes toured the room. Some unusual specimens included white tomatees and everbearing raspberries. All of the items were gathered by Mr. Burget and his students from the

Wolves Take Northville

the team will lose more than they win and this also helds thus an

Clarkston had the defence seeing Northville which accounted for their defeating this team for the list time since 1955.

In 1955 a team, enached by Ed Hintz, defeated North, He 11 12 Under Ralph Kenyon's enachang Clarkston tied Northydle two years ago 13-13 for the league title.

Friday's game was a tremenate victory for Clarkston. After wanting eleven years for a victory over Northville, it is worth talking and writing about the fact.

The defense was tremendous, the line was charging hard, the lanebackers filled the holes and the defensive backs hall good ascoverage. This was a good Northville team, not as good as the "Steve Juday era" when he was personally responsible for defeating Clarkston by the scor. s of 520, a. 1

Northville had a good quarterback in Tom Baugamen, although he did have trouble in throwing a pass lower than 20 cond & co. ville had two fine ends in Evans and Imsland, a good running back

In the second half they had plenty of chances to score by intercepting a pass deep in Clarkston

Defense-defense-defense. A team territory, by recovering a fumble cannot win without defense In on Clarkston's 41 yard line, and by any sport - basketball, bas hall, receiving a fumble when a Clarksvolleyball, etc., without a defense ton player attempted to field a Northville punt. But each time the decensive team was equal to the (A'la Pete Gogalack) for the 7-0 task and held the Northville team

> fact showing was the excellent game. The starting time will be scouting report done on Northville. 3:30 p.m.

The scouting report can lead a team awry, but this one was 'right on the money'.

115th teams had numerous chances to score as Northville lost the ball five times in the first half. But, Clarkston could only capitalize on one break when Dan Fife intercepted a Northville pass and ran 37 yards for Clarkston's only score.

This Friday Clarkston will play Another reason for Clarkstons at Bloomfield Hills in an afternoon

SHEPPHERD BOWLS 298

Ben Sheppard of Drayton Plains made 11 strikes in succession in his third bowling game at the Waterford Merchants League held at Howe's Lanes. His last delivery left him with two pins bringing his total score only two points under a perfect 300.

Sin Mare

Sheppherd, of the Head's Barber Shop team, had scores of 188 and 185 for his first two games and finished with 671, the night's top Child Study Club

The first Child Study Club of the year was held September 9th at the home of Mrs. Don Johnson on Hogback Lake Road. The guest speaker was Mr. Keith Paulson of Camp Oakland. Mr. Paulson spoke on the summer camp program of which he is superintendent. The next meeting will be October 7th

Powder Puff Football team members take out a few moments from practice to pose for a team picture. The 'jolly juniors' will challenge the 'mighty seniors' at the annual Powder Puff Football game, October 6, at 7 p.m. The public is invited to what the female team has dubbed 'the game of the year.'

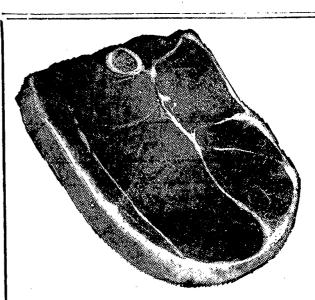

YOU MIGHT tell her that in 15 years the annual death rate has dropped from 19.8 to 9.2 deaths per 1000. This means that antibiotics, hormones and other miracle prescriptions helped to save 1,800,000 lives. That's why we say TODAY'S PRESCRIPTION IS THE BIGGEST BARGAIN IN HISTORY.
