CLARKSTON, MICHIGAN 48016, THURSDAY, OCTOBER 21, 1965

## Vice President Humphrey at O. University Friday

Vice President Hubert H. Humphrey's appearance at Oakland University tomorrow (October 22) is now scheduled for 11 a.m. in the Howard C. Baldwin Memorial Pavilion. Previously set for 1 p.m., the time of the Vice President's visit to the OU campus was shifted last week following word from his office that the change would be necessary.

Expected to be a major commentary on education, the Vice President's address will be open to the public. In the event of rain, it will be shifted to the Sport and Recreation Building.

Expecting a capacity crowd, University officials urge persons planning to attend to arrive early, or come prepared with blankets or

cushions to utilize the grassy hill sides in Meadow Brook Music Festival style.

"Naturally, we are honored that Vice President Humphrey has accepted the joint invitation of Congressman Billie S. Farnum and myself to speak at the University", Chancellor D. B. Varner said. "We are especially pleased that he has chosen this occasion to deliver a major address on educational issues, and are happy to open our facilities to the public."

The Pavilion entrance is on Waldon Boulevard, just west of Adams Road, and is marked with a large Music Festival entrance sign. The alternate site, the Sports and Recreation Building, is located in the main campus area, and is reached by coming in the University entrance at Walton and Squirrel Road.

The visit of the Vice President to Oakland University is one of several appearances he will be making in Michigan tomorrow. He will be the highest government official to appear at the six-year old institution.

## Road Improvement for Dixie Highway

The addition of a right-turn lane on the Dixie Highway at Sashabaw Road in Drayton Plains is one of five projects undertaken by the State Highway Department Traffic Division's continuing program to improve safety features of existing highways. This project, which is slated for completion June 30, 1966, was awarded to Max R. Frisinger, Ca., Ann Arbor, low bidder at \$12,853.

Roy Fruehauf, Inc. of Drayton Plains was low bidder on a highway project involving construction of 5.7 miles of divided-lane highway for I-75. Bid proposal also calls for the construction of 11 bridges and all associated drainage and grading structures. The completion date for this project is October 31, 1967.

## Scout Calendars on Sale Friday

Girl Scout Calendars for 1966 go on sale Friday, October 22, 1965, in Northern Oakland County Girl Scout Council. The colorful calendars will be sold through Saturday, Nov. 13 by all girl scout troops in the council.

The greater portion of the calendar profit goes directly into troop treasuries, helping to finance troop activities.

Mrs. DuWane Jones is chairman for the council.

## Clarkston Woman Serves on OU Town Information

Mrs. Richard Kroninger, 5881 Chickadee, Clarkston, is among twenty-three area women, all leaders in their home communities who have accepted Oakland University's invitation to serve as members of a newly-formed Town Information Council.

Sponsored for and by the Division of Continuing Education, the council is designed to bring residents of Wayne, Oakland and Macomb counties in more direct contact with adult education courses and conferences at the University.

The council members were carefully selected to represent their own towns because of their backgrounds of community service and their personal knowledge of the organizations, clubs, businesses, industrial firms and cultural groups located in their respective areas.

Faced with the constant problem of trying to reach people with programs that would interest them in an ever-changing society, the Continuing Education staff sought the assistance of these civic-minded women, bringing them together on campus in a group to form the new council.

Serving in purely volunteer capacities, they will be the direct links between the university and their towns and work mostly out of their homes, channeling information to the proper sources.

As soon as plans are completed for a given conference and the schedule of evening classes for adults is set for the fall or spring term, council members will swing into action.

They will have the brochures, catalogs and other printed materials on hand ready distribution to interested groups and individuals upon request. They also will know what speakers are available to talk at meetings in their areas.

Their functions will be to supplement the customary work done by the Continuing Education staff which is responsible for direct mailing operations, publicity and the Division's Speakers Bureau.

In between course terms and conferences they will be constantly updating the mailing lists in their towns, trying to keep abreast of constant flux, caused by families moving in moving out or just moving to another home in the same community. They also will be keeping track of elections held by local clubs so the lists of officers will be maintained on a constantly current basis.

The officers were welcomed to

membership on the Council and briefed on the importance of their jobs to the university by the Dean of Continuing Education, Dr. Lowell R. Eklund, at a recent get-acquainted luncheon. Also on hand were the directors of each Continuing Education Department who described their own jobs and told what adult activities they had planned for the coming season.

In addition to evening courses now just underway, they were told of the Writer's Conference set for October 16 and the Conference for Parents and Teachers of Pre-School Children to be held November 6.

Mrs. Richard Kroninger

## Clarkston Post Office

### Examination Announced

An examination for Rural Carrier for the post office at Clarkston, Michigan, will be open for acceptance of applications until November 9, 1965, the Commission announced today.

Applicants must take a written test for this position. They must have resided within the delivery of the office for one year immediately preceding the closing date of the examination. In addition, they must have reached their 18th birthday on the closing date for acceptance or applications. There is no maximum age limit. However, persons who have passed the age of 70 may be considered

only for temporary limited appointments of one year. All qualified applicants will receive consideration for employment without regard to race, creed, color, or national origin.

Complete information about the examination requirements and instructions for filing applications may be obtained at the post office for which this examination is being announced. Application forms must be filled with U. S. Civil Service Commission, Washington, D. C. 20415, and must be received or postmarked not later than the closing date.

With one third of the Independence Area United Fund 1965 Campaign goal met, Clarkston fund solicitors prepare for the victory luncheon. Pictured are (left to right) Mrs. Donald Cooper,

solicitor, Mrs. Charles Robertson, District 14B chairman, and Mrs. Robert C. Jones, District 15B chairman.

## Recovery to Hold Meeting in Lake Orion October 25

Recovery, Incorporated, an international organization devoted to the prevention of relapses in former mental patients and in chronically nervous patients, will open a local group at the King of Kings Lutheran Church, 1715 South Lapeer Road (M-24) Lake Orion. The first of the regular weekly meetings will be held on Monday, October 25th at 8 p.m., according to an announcement from Recovery Headquarters in Chicago, Illinois.

Recovery was founded in 1937 by the late Dr. Abraham A. Low, Associate Professor of Psychiatry and Neurology at the University of Illinois Medical School. Local units are now established in thirty states and in several Canadian provinces. These groups meet on a regular weekly basis, providing people with a systematic method of self-help. Self-help is also an integral part of the operation, management, support, and control of the entire Recovery organization. Patients and former patients trained

in the method serve in the many positions required to maintain the organization and make it available to all who need it.

Recovery is non-sectarian. People of all faiths meet together in the social rooms of churches, synagogues, and other suitable public places in the community. There is never a charge for attending these meetings, only a free-will offering. Those who regularly attend usually become paid members. This is requested, but not required.

The self-help method is learned through study of the book, "Mental Health Through Will Training," by Dr. Lew, then put into practice by members in their daily lives and

their application of the method made more effective through the help of weekly panel discussions.

Recovery is a self-help method of after-care. It is in no way supplants the physician. No diagnosis, treatment, advice, counseling are offered. The patient is expected to follow the authority of his doctor or other professional. However, it is not necessary to have been hospitalized or under the care of a psychiatrist in order to take part in Recovery meetings.

Those interested in the local branch of this organization may contact MY 2-3653.

The National Headquarters of Recovery Incorporated is located at 116 South Michigan Avenue, Chicago, Illinois, 60603.

## Police Recover Stolen Car

A car belonging to Warren Priebe, 6540 Amy, Clarkston stolen October 16, was recovered the following day according to Oakland County Sheriff Department records.

The car, a 1965 Chevrolet, was parked at the Clarkston High School unlocked and with the keys in the glove compartment, prior to the theft. It was recovered by Clarkston Village Police the following day in a ditch on Paramus Drive.

Four wheels and tires valued at \$300.00 were stolen from the Jack Storm property, 5161 South Main in Clarkston, October. Sheriff detectives are investigating the theft.

Mrs. John West of 5334 Pine Knob reported the theft of \$24.00 from a purse in her home last week. A fourteen year old suspect is being questioned by Sheriff detectives.

## Halloween to be Observed Oct. 30

Witches and goblins will descend on Clarkston residents Saturday, October 30, according to a spokesman for the Clarkston area Jaycees. The Jaycees have a complete program outlined for the celebration. These plans will be announced in the next issue of this paper.

A special section of the October 28 issue of the Clarkston News will be set aside for area Halloween events. Schools, churches and other organizations planning celebrations should submit copy for this section to the News no later than 5 p.m. October 25.

## None Hurt in Sashabaw Wreck

Both drivers involved in a two car collision at Sashabaw and Maybee Roads, October 16, escaped injuries, according to Oakland County Sheriff Department records.

Freddie Smith, 4831 Clintonville Road, told Sheriff deputies that he had stopped for the intersection and failed to observe the vehicle driven by Fred Katus of Drayton Plains approaching. Pulling into Maybee Road, his car struck the Katus vehicle.

## One Third of U. F. Goal Met

The Independence United Fund Drive in progress since October 14, has reached \$2,017.00 of its goal of \$5,502 as of Mondays first report date.

It was the first of four scheduled reports to be held during the 10-day residential drive.

Mrs. James Cowen, women's campaign chairman, stated that \$886.00 of the amount is credited to the Women's Business Team which began one week ahead of the home calls. Mrs. Louis Lessard heads the Business effort.

Mrs. Cowen indicated that the 4-day report was encouraging and indicative of the enthusiasm of her 200 women campaigners and of community which wholeheartedly supports the township.

Today marks the second report

deadline. All solicitors are expected to call district chairmen by noon. In turn, district chairmen will inform area chairmen by 2 P.M. Area Chairmen will Contact Mrs. Cowen by 4 P.M.

Other report dates have been set for October 25 and 27.

The campaign officially ends October 25. "We still have many calls to make before reaching our quota", Mrs. Cowen stated. "However, the last report date will allow the women to finish their call-backs, tally their receipts and return collection envelopes to chairmen or the Clarkston State Bank prior to the Women's Victory Luncheon".

The Victory Luncheon will be held at 12 noon, October 28, at the Elk's Temple, Pontiac. Volunteers

from Independence, Pontiac, Waterford, Lake Angelus and Orion Townships will join together to celebrate the expected success of the overall women's effort to meet the \$35,078 goal. All chairmen reaching their district and area quotas will be presented with an Indian "Oscar".

## No injuries in Area Accidents

The Pontiac Post of the State Police assisted at three accidents in the Independence area last week. No injuries were reported in any of these collisions.

A vehicle driven by Alfred Gawn, Oakhill Road, Ortonville, was damaged by a hit-run driver at 10:45 p.m. Friday, October 15. Mr. Gawn told State Police officers that he was traveling south in the right lane on the Dixie Highway when a second vehicle passed his car striking it on the left rear fender.

Mrs. Mary Brooks of 5045 Greenview, Clarkston and her nine year old passenger, Kyle Brooks, escaped injuries in an accident on I-75, October 12.

The collision occurred when a car driven by Louis Donault of Ontario, Canada pulled into Mrs. Brooks' lane as she attempted to pass a truck.

Failure to heed a stop sign resulted in a two car collision at Grange Hall and Holly Roads intersection, October 16. Both Nancy Ellen Peters of Milford and her passenger, Linda Madison, were unhurt after their car struck one driven by Douglas Barnes of Davisburg. Barnes was also uninjured, according to State Police records.

## Cyclists in 1,601 Accidents in First Six Months of 1965

Michigan had 1,601 accidents involving motorcycles and motor scooters (including motorized bikes) in the first half of 1965, an increase of 680, or 74 per cent, compared with 921 in that period a year ago, State Police figures show.

Registrations of these vehicles also rose sharply. In the first seven months this year, Michigan had 52,474 of them, a gain of 50 per cent over 32,801 in the same period last year and a 34 per cent increase compared with all of 1964.

There were 2,124 motorcycles and motor scooters involved in accidents last year in the state. There were 50 fatal accidents, resulting in the deaths of 51 persons.

In addition to the fatal acci-

dents in 1964, 675 other accidents involving these vehicles occurred in rural areas, 613 causing personal injury and 62 property damage only. In cities of 2,500 to 25,000 population there were 234 nonfatal accidents, with 294 persons injured and involving property damage only in 66 cases. Information was not compiled for injury and property damage accidents in cities or more than 25,000 population.

The fatal motorcycle and motor scooter accidents were 2.7 per cent of the state's total of 1,831 fatal traffic accidents in 1964 while the 51 deaths represented 2.4 per cent of the 2,120 persons killed.

## Coming Events

### Auxiliary Sponsors Gourmet Cooking

On Ortonville Rd. just north of the expressway at the American Legion Hall, the Campbell-Richmond Auxiliary will sponsor "Gourmet Cooking" by the Detroit Edison Company Monday night October 25 at 8:00 P.M. Following the program, refreshments will be served. Tickets may be purchased at the door.

### Methodist Women Plan Smorgasbord

The Women's Society of the First Methodist Church will serve a Harvest Smorgasbord on October 29 in the Education Building at the corner of Church and Buffalo Sts. Serving will begin at 5:00 and continue until 8 p.m.

The public is invited to attend. The regular meeting of the Women's Society for Christian Service will be held at the church Wednesday, October 27. A luncheon will be served at 12:30 by the Martha Circle after which a program will be presented. A meeting of the board precedes the luncheon at 11 a.m.

### Cub Scouts Plan Hike and Cook-out

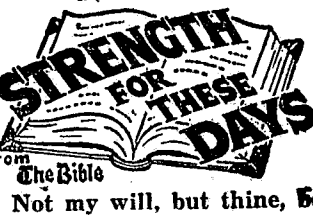

A hike and cook-out is scheduled for October 31, at Wildwood by the Cub Scout Pack 126. The group urges fathers to accompany their sons. The First Methodist Church of Clarkston will be the assembly point with fathers and sons meeting there at 2 p.m.

There is a need for an assistant den mother. Anyone interested may contact Mrs. Trajan Vossie, MA 5-2849.

### Missionary to Talk at First Methodist

Mrs. Herbert Murita, a missionary for the Far East Gospel Crusade, will speak before a meeting of the women of First Methodist Church at 8 P.M. Thursday, November 11. The Muritas are residing in Clarkston during their Sabbatical leave.

All area women are invited to attend the meeting and stay for a friendly cup of coffee.

Not my will, but thine, be done—(Luke 22:42).  
We should relax. We should let go. We should let God's will be done in us, through us and for us. If there is a need for peace in our mind we relax. We should let God's peace come flooding in upon us. We know that God's will is good, and God's good is ours if we seek it out.

## YOU won't KNOW yourself!

Dressing up is always fun! Whether it's Hallowe'en, Mardi Gras, a Hawaiian luau or a masquerade ball, almost everyone of every age enjoys wearing a costume. It makes us feel "different" . . . less restrained and more light-hearted. Perhaps it's a relief to leave our everyday self at home for a while. For many of us, that tired, worried, unhappy self is far from satisfactory but we seem to be stuck with it.  
Yet consider this. The burden of self that we carry is unnecessary . . . and we have a standing invitation to lay it down! One of the joys of following Jesus is that we must "leave self behind." There is no place in the Christian life for worry or woe, because the logical sequences of faith in God are contentment and serenity. Yes, the gloomiest pessimists become clear-eyed optimists when they are filled with the light that only God can give.

Mr. and Mrs. C. Waldrop returned to Detroit Wednesday after a visit with their daughter and family the Allen W. Hawke's of Middle Lake Road.

Mrs. L. Johnson of Dixie Hwy. had as her guest for the weekend her parents, Mr. and Mrs. W. R. Adams of Traverse City.

During the first part of the week, Mr. Richard Kilburn and Mr. Al Johnson joined Thomas Byington of Flint at his cabin near Houghton. They enjoyed getting ready for the hunting season.

A couple of Sunday's ago, twenty-two relatives gathered at the home of the Rodger Galligan's on Cherrylawn to honor Mr. Frank Waid of Walters Rd. on his 70th birthday. Mr. Waid's brother and family Mr. and Mrs. Tim Waid of Flint and his sister Mrs. Catherine Baker and daughter of Sylvan Lk. were there. Other guests were his children, Mr. and Mrs. Robert Waid and family and the Tom Waid family of Piac Lake.

Sunday, Tracie Lynne the four month old daughter of the Thomas Hawke's, was christened. A dinner was held afterwards at the home of her grandparents Mr. and Mrs. Allen W. Hawke of Middle Lake Rd. Grandparents Mr. and Mrs. A. Secord of Drayton Plains, Great Grandparents Mr. and Mrs. C. Waldrop of Detroit, Mr. Clyde

Madison of Davison, and Mr. and Mrs. Allen E. Hawke were guests. Mr. Lee Perkins has returned to his home in St. Louis, Missouri after spending a few days with his sister Mrs. H. J. Gador of Andersonville Rd.

Mr. Floyd Tower of Transparent Drive and Mr. John Lynch of Eastlawn attended the American Legion Fall Conference last weekend at Battle Creek, Michigan.

Norman, son of the Rodger Galligan's of Cherrylawn, spent the weekend with his sister and brother-in-law, Mr. and Mrs. Robert Sherman of Orionville.

Happy birthday was sung to Marcia Greg on her seventh birthday October 15 by ten friends that gathered at her home for a surprise birthday party. Marcia is the daughter of Mr. and Mrs. Walt Greg of Sashabaw.

Mr. and Mrs. Robert King of Andersonville Rd. have returned to their apartment after a week in northern Michigan. They enjoyed hunting and sight-seeing while they were there.

Mr. and Mrs. Al Robinson and family of Eastlawn returned home after spending the week-end visiting relatives in Monroe.

Mrs. Grant Smith of M-15 has left for a two week tour of the Eastern States. She will be visiting many friends and relatives during her trip.

Residing in an apartment waiting for their new home to be completed is Mr. and Mrs. Roy

Haeuser. While they were tearing down their old home, they discovered many old items of memories and some that dated back to the first owner.

Members of the Waterford-Clarkston Business and Professional Women's Club meeting at the St. Clair Inn on Sunday were, Mrs. H. C. Tinney, Mrs. Oliver Dunstan, Mrs. C. H. Baynes, Mrs. Florence Schlosser, Mrs. Elizabeth Ronk and Mrs. W. H. Stamp.

**HAPPY BIRTHDAY TO:** Greg Fogg, Kevin McMillan, Greg Gordon, Shannon Lynch, Phyllis Stewart Terry Lee Goyette, October 22; Danny Cinader, Kris Kreiner, Shanna Hickman, Cecilia Smith, Helen Rossano, October 23; Karen MacDougall, E. D. McNamara, October 24; Matthew Witherup, Lee Rossano, Brian Tilley, Sharon Kish, Diane Curry, Jack Roy, October 25; David Delong, Janie Hallman, Gary Evans, Nancy Evans, October 26; Jeffery Thayer, Steve Jewell, Sandra Landon, October 27; Tim Neal, George McCall, Deborah Thomas, October 28.

**ANNIVERSARY GREETINGS:** Mr. and Mrs. John Winter, October 22; Mr. and Mrs. Eugene Copeman, October 25; Mr. and Mrs. Jim Gardiner, October 26; Mr. and Mrs. Tom Hunter, October 27; Mr. and Mrs. Robert Wilson, October 28.

**Seymour Lake News**

Gladys Sherwood entertained her piano students Saturday afternoon. Besides the parents, two friends were present. Those who participated in the program were Diane and Suzanne Rizzuto, Susan and Ronald Arnold, Margaret Arnold, Mary McFarland, Debra and Brenda Fritch, Mrs. James Taylor and daughter Susan, gave a vocal duet, "How Great Thou Art." and Mrs. Guido read poems. The students who were unable to attend were Mrs. Orville Sowers, and Mrs. Raymond Marshall. Refreshments were served by Mrs. Vance Glick and Mrs. Lee McIntyre.

Mrs. Winifred Porritt and Mrs. Belle McIntyre accompanied Mr. and Mrs. William Harrison to Glennie Saturday, where they were guests in the Millard Terry home. They returned Sunday in time to attend the Walter Ash golden wedding anniversary being held in the Clarkston Community Center. Many local people attended the open house.

**Recipe of The Week**

**COCONUT-ORANGE PIE**

3 egg whites  
1/2 t Cream of tartar  
3/4 cup sugar  
1 pkg. toasted coconut instant pudding  
1 1/2 Cup milk  
1/2 cup heavy cream whipped  
11 oz. can mandarin oranges.  
Combine egg whites and cream of tartar, beat at high speed until whites start to stiffen; Gradually add sugar, beating well until meringue is stiff and glossy. Spread in 8" pie plate. Bake at 300 degrees for 1 hour; cool.

Mix milk and pudding. Add whipped cream. Cover bottom of meringue with 3/4 of the oranges. Cover with pudding mixture. Decorate with remaining oranges and chill at least 2 hours before serving.

This is a delightful touch to meals and parties.

Rawoman Seaman Larry T. Lintz USN, son of Mr. and Mrs. John M. Lintz of 5874 Pine Knob Road, Clarkston, returned to Norfolk, Va., October 7 aboard the light guided missile cruiser USS Little Rock, following a six-week Northern European cruise.

Little Rock, flagship of the Second Fleet, visited Stockholm, Sweden; Southampton, England and Amsterdam, Netherlands.

The cruise was Commander Second Fleet's annual good-will trip to Northern Europe.

Marine Private Timothy P. Lipka son of Mr. and Mrs. J. Lipka of 7785 Clement Road, Clarkston, was graduated September 14 from Marine recruit training at the Marine Corps Recruit Depot at San Diego, California.

During his eight weeks of intensified recruit training under veteran non-commissioned officer Drill Instructors, he learned small arms marksmanship, bayonet fighting, and methods of self-protection, as well as receiving instruction in military drill, history and traditions of the Marine Corps, and other academic subjects.

Under the intensified program he received all the training and instruction formerly given in 2 weeks. The stepped up schedule has been instituted to help the Marine Corps expand its strength as directed by the President.

He has been assigned to Camp Pendleton, California for at least four weeks of advanced infantry combat training before being assigned to a school or a Marine combat or support unit.

As the first six-weeks period quickly came to an end Friday, October 15, students received their report cards on Wednesday October 20. While some of the students were eager to see if they worked as hard as they thought they did, others were not so inquisitive about their grades.

Senior girls interested in competing for Junior Miss were urged to sign up this past week. The pageant will be held Saturday November 27.

Girls will be judged on personality, poise, talent, leadership and their academic achievements.

A luncheon will be held in honor of the competing girls, then on Saturday night, November 27, each girl will be given three to five minutes for the talent she chose and thinks she can do best in.

The spectacular highlight of the evening will come when the girls will appear in their evening gowns for the judges final decision. Then

In Michigan, after golf beer's the one... for good taste, good fun

After a hard-played 18 holes, it's good to settle down on a soft chair in the club house and add up the score with friends. What better time for the drink that scores with almost every golfer—cool, thirst-quenching beer? Yes, beer's great to relax with, great for refreshment, great for taste. So whatever your sport—boating or baseball—swimming or tennis—relax afterwards with the zestful taste of beer.

# Michigan Has Profitable Nos. Game

Between 1906 and 1909, a round, lightweight metal dashboard disc was issued in Michigan. This was a little larger than a silver dollar. As an outside ornament on their cars, the small number of car owners in Michigan bought numbers and placed them on a stout piece of leather to display as a plate.

The numbers in this case are those stamped on the nearly four and one-half million sets of 1966 license plates being readied for distribution starting Nov. 1. Plates have been produced at the prison since 1918.

Vehicle license plate revenue in Michigan is very profitable. Total revenue from the sale of 1965 plates this year will gross more than \$85-million. Profits from the sale are used by the state to build and maintain highways and roads.

An early October check of the '66 run of plates at the Prison revealed that it was well past the half-way mark. It will be the second year in succession for full-sized plates after tabs were used on 1959 and 1962.

Secretary of State James M. Hare who orders plates, determines color and finally sells them through his more than 200 branch offices in Michigan, said there was no doubt in his mind that the state's motorists wanted "full-sized plates instead of tabs."

Frankly, I think we ought to provide plates every year," Hare said. "Sure we save money in tabbing, but since the state is now financially solvent and drivers want plates, I am 'boggled' that the Legislature will continue to appropriate sufficient funds to provide them."

Hare said this year's plates have blue letters and numbers on a beige (light tan) background. It's the first time the combination of colors has ever been used.

Most people seem to take license plates for granted. Few know that motor vehicle registration in Michigan goes back to 1906. License plates themselves were first issued back in 1910 ... more than a half century ago.

It was felt that the special coating would make the plates tougher and more resistant to Michigan's harsh winters in the event the three-year cycle of tabbing plates was continued, said Hare.

"Since we don't know what the Legislature will do next year, and as a precautionary measure in the event we're forced to tab again, we have once more decided on galvanized steel." According to Hare this adds a penny to every set of plates.

The Secretary of State said that if Michigan ever returned to a tabbing system, that it would be changed radically from the metal tabs used in the past. "Our plans called for a sticker type tab which would be easy to affix to the plates," said Hare. Once on, it couldn't be removed short of mutilating it. And nobody would have gotten their hands cut or pinched in the cold trying to put tabs on."

Again this year, the double-letter four-numeral system will be used starting with "0001." Then we'll have to go to a three-letter, three-numeral system such as some of the larger states have had to adopt," Hare said.

License plates are not only good revenue producers, they are often used to extol the virtues of a particular state. This is done through slogans.

For instance, Florida calls itself "The Sunshine State." Nebraska is the "Beef State"; Arkansas, "Land of Opportunity"; Louisiana, Sportsman's Paradise"; New Mexico, "Land of Enchantment"; Wisconsin

"America's Dairyland." Michigan is the only state which has a double plug with the slogan, "Water-Winter-Wonderland." Actually it's a three-barrel approach. It promotes Michigan's water resources for industry as well as its water recreation and its growing winter sports activities. Michigan first used the Water Wonderland slogan back in 1954.

Michigan's rates compare favorably in the price of plates. Formula based on 35¢ a vehicle hundred-weight has not changed since the mid-1930's, said Hare. And then it was dropped from a higher ratio. Average set of passenger car license plates costs nearly \$12.00.

This year, because of the Motor Vehicle Accident Claims Act collections, all insured motorists will be paying an extra \$1.00 at the time they buy plates, while uninsured motorists have to pay \$25.

What are license plates made of? Here in Michigan it's steel. Some states use aluminum. But it's expensive and most states which use it tab over an extended period of years, some for as many as 10 years.

From 1910 through 1914, cast iron was porcelainized, making the plates extremely tough and very durable. As a matter of fact, says Hare, he has plates made during those years which are in better shape than many of more recent vintage.

After that, it was cold rolled steel, bought in huge sheets and stamped out.

The Independence Township Planning Commission finalized the Federal grant to the township under the 701 Program for Urban Planning Assistance by the signing of the contract last Thursday.

## All Employers Must Have 177 Die in Sept. Traffic Accidents

### Workmans Compensation

Weldon O. Yeager, Director of Workmen's Compensation Department, expressed great concern over the fact that many small companies, individual employers and householders employing domestics have not taken out proper workmen's compensation coverage, as provided by law.

"The new Act went into effect September 1," Yeager said, "and all employers hiring one or more people for 35 hours a week for 13 weeks duration during the past year must get workmen's compensation insurance coverage, or be subject to penalties of the law. We urge all employers to make arrangements now by contacting their insurance agent."

"Agricultural employees will not be affected until May 1, 1966, but domestics and other will."

Yeager said there will be a total of twenty-three major changes and these changes affect only those injuries occurring on or after September 1, 1965.

The August death record was the highest for any month so far this year. It also was the highest August toll in 25 years and the third worst on record, the top counts being 231 in the month in 1941 and 234 in 1937.

Injuries and accidents through August continued upward trends which have prevailed for many months. Compared with corresponding months while accidents have been up in 42 out of 44 months.

The provisional September count brings the Michigan death toll for nine months to 1,463, which is 91 or six per cent less than 1,554 killed in the same period last year. The reduction, though encouraging, has been slowly diminishing and ahead are three of the worst months for traffic deaths.

Estimated travel for the first seven months, the latest information available, totaled nearly 22.9 billion miles, a gain of five per cent over the same period last year while the death rate of 4.7 per 100 million vehicle miles was down 13 per cent on the same comparison basis.

## Where can you see the '66 cars the "Big 3" should have built, but didn't?

At your friendly **Giant-Killer**

(Authorized)

Come join the friendly bedlam at your American Motors/Rambler Dealer.

Friendly crowds are flocking to friendly Giant-Killer Headquarters to see the 4 new lines of '66 cars that challenge the "Big 3" with quality built in, not added on. And they come out smiling every time.

Meet the Rogue.  
New razzle-dazzle Rambler (yes, Rambler!) outperforms every other car in its class. ("Do Rogues really come with rally stripes?" "No, but with the big new engine they drive that way.") More standard horsepower than Corvair! Valiant! Falcon! And you, too, Mustang! See the Rogue and the eight other Rambler Americans.

This is Rebel.  
New zoomy, roomy Rambler doesn't cramp your style, or your legs, or your family, or your pocketbook. Has surprises you won't find in Fairlane, Chevelle, Belvedere, Coronet! And wait till you see the seven other '66 Rambler Classics at your friendly Giant-Killer.

The DPL by American Motors.  
Now you can have your first luxury car—while you're still young enough to enjoy it. Has coil-spring seats, like Cadillac. Double-Safety brakes, like Cadillac. And the price? Like Impala, Fury, Galaxie. Or take your pick from seven other new '66 Ambassadors.

Marlin '66 by American Motors.  
Full-size, family-size sports fastback seats six in comfort. Even with bucket seats. How? Ask your friendly Giant-Killer.

## Trojans Humble Wolves 26-12

It was 'heartbreak hotel' around the Wolves den as Clarenceville surprised Clarkston 26-12. This was Clarenceville's Homecoming game and the Trojans were higher than a kite as they wanted to win this one for the old grads and their

litable coach Ralph Tenbey. Clarkston received the kick-off with a punter at the quarterback post, senior Wayne Goins moved the team well as Erickson and Caverly ran off huge gains, but a penalty hurt the drive. A well

thrown pass by Goins was intercepted and Clarenceville moved in for six points. Goins moved the team down to Clarenceville's 40-yard line, but a third down pass went astray and Clarkston had to punt.

held Milford at a standstill, but in this one Clarenceville had the best of it.

Clarkston opened the fourth quarter by scoring their second touchdown on a seven yard pass from Fife to Williams. Most of the yardage was gained on passes from Fife to Osgood, using the Flea Flicker option to a halfback. Clarenceville wasn't content to sit on their lead and they fought their way for another touchdown to make the final score 26-12.

Clarkston will have to be at their best when they travel to Holly as this will be Holly's Homecoming game, too. This is a 'must' game for the Wolves, the defense will have their hands full in trying to stop the high powered offense of Holly. Clarenceville used to be the Doormat in the league as far as facilities are concerned, but, now they have the only swimming pool in the league... a new gym... outstanding facilities for gymnastics... a well lighted field and a new \$25,000.00 grass track. This they have done in the last three years.

After having correctly forecasted last week's Lions-Packers game, I can go out on a limb and try my luck. I must admit the Lions almost sent me down to defeat, but I was holding the high card because I knew that Jack Fette (he was the official in the Lions game) had a very quick whistle and we all know what the toot, toot, did to the Lions.

The Lions should get back on the winning track when they travel to the Paul Bunyan State, Minnesota. The fans were hoping the Vikings would take off where the Twins finished — but the Vikings have lost three, one to the Lions, so now the fans have turned over to the first place gophers. But Michigan should stomp them in the ground and have them scurrying for their holes. Michigan by 10 points.

The Michigan State-Purdue game should be a barnburner. Both teams have their eyes on Purdues quarterback Bob Griese or they will be having their New Year's turkey on the banks of the Red Cedar instead of on the warm west coast. Purdue has Griese and State has an equal in Juday. Purdue also has Griese's toe, but not of the quality of Kenny's toe — the bare footed kicker from Michigan State. Michigan State 17, Purdue 15.

The Lions travel to Chicago to meet the big bad Bears. The Bears are on the way up — but the Lions will be taking out their hurt feelings on the Bears (they will have Jack Fette on their mind) by 11 points. Lions 28, Bears 17.

### J.V. Remains Undeclared

Clarkston Junior Varsity won

their fifth game in a row by defeating Milford JV 28-13 to remain undefeated for the year.

Steve Parker scored two touchdowns, one on a 14 yard run and another on a 22 yard run. Another touchdown was scored on a pass from Rich Johnson to Lyle Walters. The fourth touchdown was scored by Robert Palladino on a six yard scamper.

Clarkston JV is coached by Bill Mackson, and some of the outstanding defensive boys for the JV are Ray Hipsher, Gary Stelmach, Kert Maslowski, Chris Rose, Chris Birkelo, Tom Bullard, Chris Poole, and Gerald Osrum.

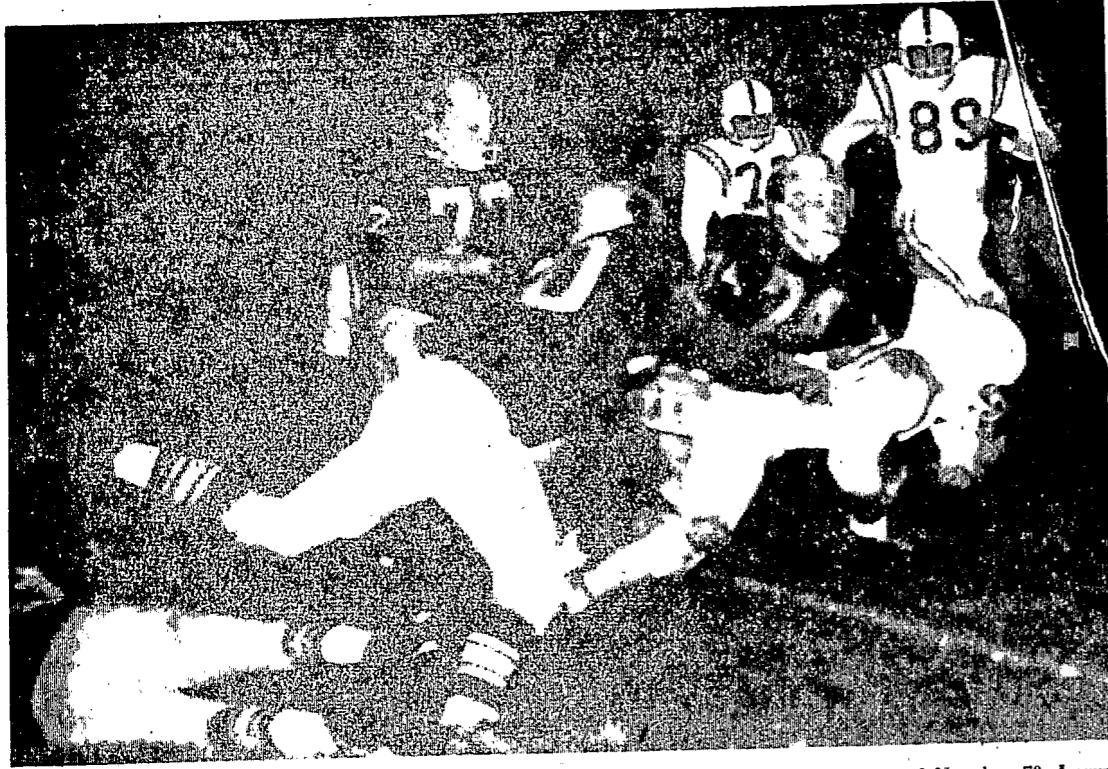

Also some of the outstanding offensive boys in Tuesday night's game was Gary Wade. Wade had a 55 yard run from scrimmage. Others were Jeff Keyser and Bill Bullard.

The two offensive ends who have

been catching a lot of passes are Larry Lewis and Lyle Walter. The boy responsible for running the team is quarterback Rich Johnson.

This is the second year for Johnson at the quarterback post and he certainly directed his team well in conquest for an undefeated season.

There are only two games left one October against Holly, and another November 2 with Brighton.

Paul Hossie, Number 71, is shown tackling Clarenceville's ball carrier, Dennis Ashley, at the recent Clarenceville-Clarkston football game. Number 72, Tom Woodard, and Number 70, Larry Franklin, are assisting Hossie.

Late in the quarter Fife entered the game and hit Rod Allen with a beautiful come back pass for a 63 yard touchdown. Allen shook off a couple of defenders and out sped the rest of the defenders.

In the second quarter Clarenceville scored twice, one on a long sustained drive as Clarkston's defense couldn't contain Clarenceville offense. Clarenceville scored again on a long pass play when Clarkston's defensive halfback, Tom Allen, gambled on a pass interception and missed the ball and Clarenceville had six more points on the scoreboard. Score at half-time Clarenceville 20, Clarkston 6.

In the third quarter Clarenceville had the ball for nine minutes of the quarter, as Clarkston's defense couldn't contain Clarenceville's offense. Clarenceville didn't score but they certainly made it tougher by controlling the game. Clarkston had played some good defense this season, but they have trouble playing two defensive games in a row. Last week they

We can keep you in hot water.

by **DETROIT EDISON**

An electric water heater is for the people who don't like to run out of hot water. We're so sure you'll like one, we guarantee your satisfaction — for a whole year! What do we mean by satisfaction? Simply this: If you don't get all the hot water you want, when you want it, you get all your money back, including any you may have spent on installation. And it doesn't matter where you bought your electric water heater. The Edison guarantee still applies. No strings attached. Fair enough?

**EDISON**

Average-size families with electric water heaters pay only \$3.88 a month — a standard rate — for their hot water. How much are you paying?

The 1965 annual Punt, Pass and Kick Competition is over and winners have been announced according to Terry Kelley, Competition Director.

Winners pictured include (standing left to right) Greg Swanson, 2nd place, 10 year old; Neal Philpott, 3rd place 11 year old division; Donald Auten, 1st place, 9 year old division; Ray Ballard, 1st place, 13 year old and Allen Hux, 1st place, 10 year old.
