News

Duane Hursfall, Independence Township Supervisor, and (1 to r) Mrs. K. B. Valentine and Librarian Esthe Smith have been making preprations for Children's Library Week to be obser-

Accent on

Elegance featured at Mall

The Pontiac Mall will feature a three day "Accent on Elegance" Thursday, Friday and Saturday, October 28-30, according to Virginia Loveland, resident director.

A 34 million dollar diamond collection will be among the many interesting displays to be shown during the event. Also to be shown will be six original creations valued between 8 and 10 thousand dollars, by Bernard Buffet, French Post

An original oil painting by Mark Chagell, "The Clown," will also be displayed as well as several original Currier and Ives lithographs of 19 century American life.

Organ concert music will be heard in the Mall every evening during the event.

Also to be shown will be the finest models of several cars. Included in these will be the Buick Riveria. Cadillac. Lincoln Continental, area at 9a.m. Chrysler, and Pontiac Grand Prix.

ved November 1-6. The Independence Library Staff is hopefull that every child living in the township will visit the Library during this time.

NUMBER 8

Library will observe Children's Week

The Independence Township Library extends a special invitation to all of the children of the area to visit their township library during National Children's Library Week observed November 1st through 6th. The Independence Library, previously the main project of the Clarkston Women's Club, became a tax supported township library March 31 of this year. There is no charge to anyone in the towship for the use of library books. A new feature in the library is "Story Hour." The special event

Area Jaycees Carnegie course The world famous Dale Carnegia course is coming to Clarkston under the sponsorship of the Clarkston

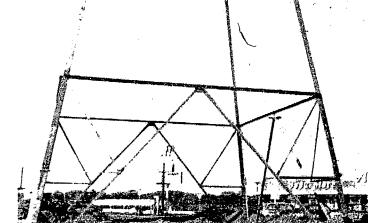

Area Jaycees and interested persons will have a chance to participate in a free demonstration meeting on Wednesday, November 17th in the cafetria of the Clarkston Senior High starting at 8:00 p.m. That was the announcement Mon-

to sponsor

day by Jaycee President Robert Newlin in outlining plans for the course

We believe the Clarkston Jaycee sponsorship of this program is a community service." said Newlin. "Businessmen, professional and sales people, housewives, club women, office personnel -- in fact every adult will benefit by this training. It will build a new enthusiasm, develop self-confidence and increase a new understanding among the citizens of our City."

Chairman Robert Skerratt announced plans for the free demonstration to which the public is in-

The first stages of work on Edison towers for new transmission line being errected at M-15 and Dixie Highway is pictured above. The new lines will provide bulk electrical power to meet the increasing demands of the township and other Oakland County communities.

Several injured in area auto accidents

Towers keep in step with area growth

Detroit Edison has begun work in customers as well as industrial and Independence ownship, south of commercial demands are factors Clarkston, in preparation for new a contributing to the mounting electransmission lines that will provide additional bulk electric power to ton and Independence Township. meet rapidly increasing demands - He said Detroit Edison now of the township as well as other serves about 12,270 people in the Oakland County communities. John D. MacKay, manager of Edison's Pontiac sales office, said the local project is part of thus company's five-year, system-wide construction program estimated at a cost of more than \$400 million and aimed at keeping the supply of electricity in step with growth patterns and the thriving econom, of Southeastern Michigan. The nevà 345,000-volt lines will be built in 330-foot-wide corridors purchased by the company for this purposes, during the early 1960's. The recently developed 345,000 volt transmission system will transmit approximately six times the electric power of the previous standard of 120,000 volts. New Lines Part of System Network

The new transmission facility will be an important part of a highcapacity transmission system linking Edison's St. Clair Power Plant on the St. Clair River with bulk electric power stations in St. Clair Macomb, Oakland Washtenaw and Monroe counties. Initial operatiou of the network is planned for 1968 to coincide with the completion of the 500,000-kilowatt addition to the St. Clair plant, MacKay noted. Growth Forecasts Cited

MacKay pointed out that population growth and increased use of electricity by individual residential

Busing students has problems - pleasures

nower.

1954 to 35,120,000 kilowatthours in 1964 and is expected to reach 68,100,000 kilowatthours by 1970. Experience also indicates that the requirements of individual residential customers will continue to rise. The average customer in the area now uses 6,597 kilowatthours of electricity a year as compared to 4,108 kilowatthours in 1954. By 1970, the average customer will require 8,200 kilowatthours annually, according to Edison forecasts.

MacKay said, "The new bulk supply lines, which will link the electrical systems of many communities for the benefit of all, are urgntly needed if this area is to continue to grow and prosper in the years ahead. It is through projects such as this one, which has been planned and engineered many years in advance of actual construction, that Detroit Edison always has been

throughout the year for pre-school children between the ages of four and five, "story hour' is held on the 2nd and 4th Thursdays of each month from 10 to 11 a.m.

Newly appointed members of the Library Advisor Board include Mrs. B. Valentine, chairman; Mrs. Evan Leonard, Secretary; Merle Bennett, Township Representative; Mrs. Richard Kroninger; Mrs. Glenn Bernoir; Mrs. Philip Stombert and Paul Johns. This advisor board was appointed by the Township Board of Trustees.

Librarian, Mrs. Phillip Smith or Assistant Librarian, Mrs. Esther Smith will be at the Library during regular opening hours, Monday, Tuesday, Thursday and Friday from 1 p.m. until 9 p.m. and Saturday

10 a.m. until 6 p.m. While the library is ordinarly closed on Wednesdays, special arrangements may be made for a classroom visit in the morning during Children's Library Week.

vited. Mr. Skerratt also pointed out that this is the first time that a Dale Carnegie Course has ever been offered in Clarkston, here is no cost or obligation in attending.

The purpose is to acquaint residents of the area with Dale Carnegie Methods in effective speaking, human relations, and leadership training, one of the features will be a demonstration of the remarkable memory-training techniques developed by Dale Carnegie. All attending will receive a free copy of one of Dale Carnegie's well-

known books.

Gary L. Himes, Independence Township Volunteer for Industrial Accounts for the 1965 United Fund Campaign reports that employees of the Saylor and Sons manufactures of auto tubing, located at 4900 White Lake Road, have already given 100% contribution to this years campaign. This brings this firms employee donations to an increase of 52% over the amount given last year.

Mr. Himes, reports that Robert Weir, formeman of the company, de serves special commendation for his efforts in the campaign. "The entire community will beneft from the unselfish contrimutions of this group of workers," Mr., Himes stated.

Inclement weather during the first week of the United Fund Drive has delayed the completion of calls necessary to meet the Pontiac Area Womens Division goal of \$35,008. By last Monday the women had collected \$23,379.00 of this amount. Independence Township women have reached \$4,362.00 of their \$5,502.00 goal.

The Pontiac Area United Fund Victory Luncheon originally scheduled for October 28 will now be held November 2 at the Elks Temple.

Charles A. Sparks, Oakland County Treasurer for the past 33 years died October 22 at Pontiac General

Hospital following a lengthy illness. He had entered the hospital October 15.

Mr. Sparks, 73, was serving in the first year of his 17th consecutive term.

Residing at 7010 Hatchery, Waterford Township, Sparks operated a real estate and insurance office in Pontiac for 12 years prior to being elected to his first term in 1932. A native of Knoxville, Tenn., he come to Pontiac in 1915 as an employee of the Oakland Motor Company. Later he worked as an auto salesman.

He was also a past exalted ruler of Pontiac Elks Lodge No. 810, and a past president of the Pontiac Exchange Club, Oakland County Sportsmen's Club and State Association of County Treasurers.

Commenting on the death of Mr. Sparks, Dale A. Feet, Chairman of the Oakland County Republican Party, stated, "I'm sure that we all share a great sense of loss, not only as Republicans for Charlie was the candidate's candidate, but as citizens because Charlie was the kind of civil servant we wish all of our public officials would aspire to be. For over 33 years he served this County with dignity and integrity. We will miss him as a Republican, The County will miss him as the Oakland County Treasurer....We all

will miss him as a friend." Survivers include his wife Beatrice I. (Bently) Sparks and two daughters, Mrs. Galen A. Skutt of Los Angeles, California; and Mrs. Bill Olney of St. Louis, Mo. He is also survived by six grandchildren and

three great grandchildren Services were held Tuesday, Oct. 26 from the Lewis E. Wint Funeral. Funeral services were held Tues-Home with burial in Lakeview Cemetary. Rev. Galen E. Hershey officiated.

dilemma offered his assistance. Pro curing the school wrecker he proceeded to attach the front bumper to the winch. The students remained on the bus and 'Doc' Thayer, satisfied that the bus was secure, boarded the wrecker, let out the clutch and began to move. Unbeknown to him, the equipment to hoist the bus had been put into operation and to my horror the bus was slowly raising into the air. With the battery dead, I could not signal with the horn for the wrecker to stop, so I began to frantically pump the brakes. As 'Doc' Thayer glanced in his rear-view mirror he could see only the understructure of the bus. Fortunately the bus was lowered without incident, and in a short time we could laugh about this experience. Mr. Vincent hastily added that transporting children is not a humorous proposition, and there are few 'funny' incidents. This is one business you cannot take lightly.

Having served at the Clarkston School for twelve years, Mr. Vincent has watched the bus fleet grow from eight in 1954 to the present number of twenty-seven. Thirteen of the buses now in use have an eighty passenger capacity. The remainder can transport sixty-six. The staff of twenty-four full time drivers is made up of 23 women, and one man. In commenting about his female drivers, Mr. Vincent said he initially hired them because it is very difficult to get men to fill what can only be a part-time employment. However, experience indicates that the women can handle the buses and children as well or better than male drivers giving Clarkston School officials reason to be well' satisfied with their female drivers. "Our one man does a good job as well," Mr. Vincent added. Mrs. J. Nelson, Mrs. L. McDonald and Mrs. G. Bates and Mrs. P. Hickmont combine over 50 years of driving experience Mrs. E.

Beach contributes 16,000 miles to the annual 269,000 driven by the twenty four drivers. These trips carry as individual passengers a total

These days, our minds are as busy as switchboards! There are so many things to think about, at work, at school or at home. Even our leisure hours often require a lot of mental activity ... and peace of mind seems very far away.

Yet peace of mind is possible for us all, when we turn to God for relief from the tensions of modern living. He is fully aware of all our problems and difficulties, and He is always ready to lead us to a greater serenity of spirit than we have ever known.

That is why, when we take a little time from our busy lives to attend church, we leave feeling refreshed and strengthened. We have shared in His divine gift of

MRS. DUANE BAUMGRAS

Wearing a floor length gown of seating the guests. taffeta and Alencon lace, Patricia Sue Kath became the bride of Duane A. Baumgras Saturday, October 23, at the First Methodist

Victor Fisher and Jerry Baumgras. Following a reception at the

Italian-American Club, the newlyweds left for a northern honeymoon.

What's Up At C.H.S.

By Sandy Smith

To show that the younger generation is interested in worthwhile projects, was proven by the turnout of students that went to Oakland University Friday October 22. University Friday October 22. A bus load of students left the school at 9:30 A.M. and traveling to Oakland University heard Vice President Humphrey's speech in finding the Vice President hod been delayed, the group returned to the education. After arriving there and school unwilingly. Upon discovering that a bus wouldn't be available to go back later some of the students piled into cars and left hoping to get there before Vice President Humphrey started his speech. Although some of them didn't get seats, they saw, heard, and even a few had the honor of shaking his hand.

Seniors are all excited this week because they have received their pictures. Everyone's exchanging their ideas and trying to decide which ones they want for their finished portrait. Underclassmen received their pictures this week. Orders will be taken for senior graduation announcements in the near future. Senior class advisor, Mr. Casteel has requested that prospective '66 graduates prepare an estimate of the number of announcements they will be needing.

Gem and Mineral Club Plans Meeting

The Waterford Gem and Miineral Club will meet at the C.A.I. Building on Williams Lake Road in Waterford, Thursday, October 28. Those attending are urged to bring their good rocks, minerals, fossis and slabs to enter in both the silence and voice annual auction sale at 7:30.

County Road Commission at Davisreports. He will then travel by carthe most treacherous roads in the system before a decision on sending . cut buses is made. He has made it a point to always notify the radio station no later than 6:30 a.m. in order that cooks, parents and other school personnel will be able to plan accordingly.

Consideration of the children is foremost in all the plans and rules set up by the transportation department. Sometimes parents become annoyed because their child may have to walk a block to board the bus when the bus passes at their

weather bureau and the Michigan) door. A Michigan law stating that State Police, and the Oakland a bus must pick-up and deliver children at a stop with unobtructed burg, for their individual weather, visibility of at least 500 feet prohibits drivers from stopping at each home. Another regulation prohibits drivers from making more than four stops in each mile. These laws originated, through the need for better safety precautions in transporting children to and from schools. Children in Clarkston are grouped for pick-up with up to forty-eight children getting on in a single stop. While most stops are multiple, there are still many where

> one child will board the bus. The expense of operating and maintaining Clarkston school buses totaled \$78,874.00 last year. Some

of the larger expenditures in this amount would include bus parts, salaries for drivers, mechanics and insurance. The larger buses can usually be used for ten years while seven years of service is the average life of the smaller buses. It is usually upon the recommendation of the mechanies and Mr. Vincent that buses are replaced.

A school bus driver may well be the first member of the school staff your child will meet upon his introduction to his school days. Appropriately, she may also be the last member of the school staff the child will bid farewell as he completes his education. The fine staff of drivers in the Clarkston system assures this to be a pleasant experience.

Legal Notice The Township of Independence County of Oakland, State of Michigan; Ordains; that the Indepen-dence Township Ordinance No. 8

A Marth

Moved by Bennett supported by Bauer that Section 1A definitions of Independence Township Ordinance No. 8 as amended shall hereby be amended, to read as follows, to wit:

Junk Yard and Auto dismanteling

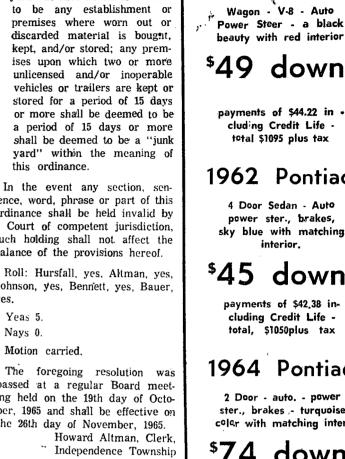

Section 1. (b) A "junk yard" as used herein is defined to be any establishment or premises where worn out or discarded material is bought, kept, and/or stored; any premises upon which two or more unlicensed and/or inoperable vehicles or trailers are kept or stored for a period of 15 days or more shall be deemed to be a period of 15 days or more shall be deemed to be a "junk yard" within the meaning of this ordinance.

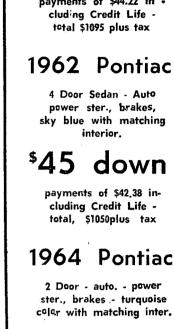

In the event any section, sentence, word, phrase or part of this ordinance shall be held invalid by a Court of competent jurisdiction, such holding shall not affect the balance of the provisions hereof.

Johnson, yes, Bennett, yes, Bauer yes. Yeas 5.

Nays 0. Motion carried.

The foregoing resolution was passed at a regular Board meeting held on the 19th day of October, 1965 and shall be effective on the 26th day of November, 1965. Howard Altman, Clerk,

Clarkston Youth Collect Coins For Worlds Needy

On October 31, at 3 p.m,. the citizens of Clarkston will be asked to join some 13,000 other American communities where three and one half million of our boys and girls will collect Halloween "treats" of pennies for UNICEF and the less happy children of the world.

Under the auspices of the Youth Groups of the First Methodist Church of Clarkston, local organizers of the Trick or Treat for UNICEF program, residents will be asked to give pennies, nickels and dimes to save children's lives. UNICEF relies entirely on voluntary contributions for the vital work being accomplished through over 500 long-range programs in more than 100 countries. UNIOEF endeavers to hold out a helping hand to millions upon millions of human beings who cannot fend for

themselves. Born out of the needs of the vast expanses of Latin American, Asia, Africia, the Middle East, where there are children without childmusiched, prematurely aged by the burdens of misery and malnutrition A.C.T. this international organizaton, spearheaded by the United States ever since its inception, believes that 11 his nearly dives its children the best t has to give.

hundred million boys and girls of school age have no classrooms, no teachers, no books and cannot even write their names. Millions are weakened and bloated by hunger, burning with fever, listless and silent.

> The United Nations Children's Fund is dedicated to the belief that children are entitled to protection from disease and hunger from exploitation and abuse. It claims that a child has the right to grow up sheltered and strong, in tolcrance and friendship with his neighbors. It proclaims that children should be cared for around the globe, and that their need should be met, regardless of race, religion, color or creed.

> The Clarkston Methodist Youth deeply grateful that they live in an area of plenty, will appeal to community to extend through this great organization, their help. They are very hopeful that they will find Clarkston residents generous as they make this appeal Halloween.

Jaycee's to Hold Clarkston Area.

Halloween Party

All junior witches and goblins of the Clarkston Area will have the opportunity to display their talents this Saturday evening at a Community Halloween Party sponsored by the Clarkston Area Jaycees. The party will be held at the Clarkston High football field from 5 p.m. until 6:30 p.m. The celebration wil

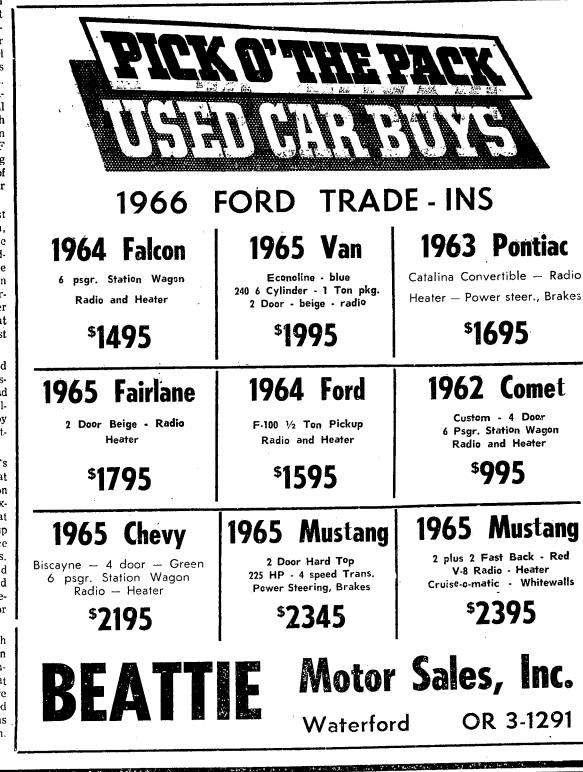

be in the form of a costume judging contest for all children of the Trick or Treat Period

This year a special time will be A Jaycee judging committee will child wearing the most original costume. Awards of \$1.00 will be made to the next 15 children wearing the most clever costumes. Free cider and donuts will also be provided for the contestants.

Parents and friends are welcome to

watch the contest from the stands.

set aside for "Trick or Treating" in the Clarkston Area. On Saturday Whistle will blow, signaling the start of "Trick or Treat". At 8 p.m. the Fire Whistle will again blow signaling the end of the "Trick or Treat" period for the youngsters. All children are asked to observe the indicated times.

We promised a barn burner and we had one last Friday night on · Holly's field as Clarkston won in the last 21 seconds of the game, 20-19. It was like a pro football finish with two touchdowns scored in 10 seconds in the last one-half minute of the game. Clarkston scored with 21 seconds left and Holly came right back to score with 11 seconds left in the game and had a chance to tie the game but the extra point try attempt went astray.

would add the year 1965 to their re-Holly has held the magic wand cord, but Clarkston was not to be over Clarkston for the past nine

الا بالمعتب سيد المعاد

denied on the Holly turf. Clarkston defeated Holly in '56

Clarkston scored first on a 50-yd pass-run play from Fife to Rod Allen. Clarkston was holding a 4leaf clover in its pocket on this play as the pass could have been intercepted, but due to the heads up play of Rod Allen the play went for a touchdown. The extra point attempt failed. Holly scored 48 seconds later as

their phenomenal haif-back, Mark Phalen ran 70 yards for a touchdown, and Perry Lier kicked the extra point. Holly pushed for another touchdown late in the 2nd quarter, but Clarkston held them on the two yard line.

At the start of the 3rd quarter Holly began to push for another 13-13 score, but the drive bogged down on the 42 yard line and with inches to go for the first down, Holly

r -- The Clarkston News, Clarkston, Michigan 48016 on the 29 yard line and they were elected to punt. The punt rolled dead on the 25 yard line, Clarkston had the ball and were 75 yds away from pay-dirt. Coach Ralph Kenyon instructed his quarterback to run off tackle and stay away from end sweeps. His strategy paid off as Clarkston started to move the ball. Caverly ran for five and Steve Crabtree ran for five wore for a first down. Caverly ran for five, Crabtree five more, 1st down: Caverly ran for seven,

than Fife spotted Dave Osgood wide open but Osgood was pushed by a Holly defender and 15 yards were marched against Holly, 1st down. Ron Sanchez ran for three, Caverly for four and Caverly again for three, 1st down. Crabtree down. ran for five and two yards, and Caverly ran six more to Holly's six yard line, 1st down. Quarterback Dan Fife rolled out six yards for Clarkston's second touchdown. The extra point was scored when Fife spotted Osgood all by himself

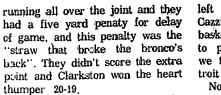

in the end zone. Again Holly came right back to score the tying touchdown, most of the yardage was gained by Phalen and Hayes, with Hayes going the last three. Phalen was stopped on the 1 yard line on the extra-point attempt. The score was

With seven minutes left in the game, Clarkston regained the ball

80, yards, from the final strip. Fife stuck to the game plans by sending Caverly off tackle for five. Holly had a five yard penalty. Caverly had runs of five and six. Crabtree ran for three more, then Fife hit Allen with a 38 yard pass. With time running out he hit Osgood for 14 more. Clarkston had the ball on Holly's seven yard line but they were fighting the clock as was Holly. Clarkston used all their time-outs and on the fourth down and with seven yards to go for a touchdown, Fife looked and looked and finally saw Dave Osgood change his pass pattern and land the ball in his hands for a touch-

Caverly ran for the extra-point but he had to run over two defenders and carry two more with him for the all important extra point. It locked like Clarkston's victory 20-13. There were only 21 seconds left and Holly used up all of their time outs. The Wolves tried an cn-side kick, but it didn't go the necessary distance. Holly had time for one play and it was a good one . . . A 48 yard pass play to "you know who" (Phalen the Golden Jet) and Holly had six more points. The crowd was in an uproar. Spectators were running
