## Clarkston's New Junior Miss To Be Selected This Saturday

### Prosecutor's Dance Is Scheduled

S. Jerome Bronson, Prosecutor of Oakland County and his staff announced that the office will sponsor a dance on Saturday evening, November 27, 1965.

The dance will be held at the Coral Reef Room of the Air-Way Lanes located at 4825 West Huron, Waterford, and will begin at 8:00 p.m.

The music will be provided by one of the finest Orchestras available, the nationally renowned Zan Gilbert and his five piece Orchestra. He has played in the finest Hotels in the Capital Cities of nearly every country in the World and is considered one of the finest society Orchestras in the Mid-West.

Proceeds from the event will be used for the financing of special programs related to law enforcement in the County of Oakland. The public is cordially invited and anyone interested in this event is urged to contact the Oakland County Prosecutor's office for tickets or further information, and tickets will be available at the door.

Each year the American Junior Miss pageant searches for the nation's ideal high school senior girl. These outstanding young ladies are rewarded with scholarships for the furtherance of their education.

Sandra Smalley, Clarkston's Junior Miss of 1965, will be returning from Central Michigan University, where she is a freshman, to crown her successor in the fourth annual Clarkston Junior Miss Pageant. The event will be held Saturday, November 27, in the Clarkston High School Little Theater.

### Goodfellow Edition on Sale Dec. 3-4

Clarkston Rotarians will bundle up December 3 and 4 for their yearly street corner sale of the Goodfellow's edition of the Clarkston News. Beginning at 6:30 a.m. the men will offer the paper throughout the day as a benefit for the Goodfellows fund.

Proceeds from the sale will be used to purchase shoes for needy children at Christmas. The fund will also benefit the student aid program and the Clarkston-Independence community service.

Christmas decorations in Clarkston Business district are also provided through the Goodfellows sale of papers.

Rotarians are confident that area residents will support their project as enthusiastically as they have in the past.

This year's pageant promises to be an exciting event as judges select the Junior Miss from the 22 qualified contestants, all seniors at the Clarkston High School.

The standards set by the pageant committee are exceptionally high. Special emphasis will be placed on scholastic achievement, poise, personality, physical fitness, and talent. Crowning the winner thus becomes a distinct tribute to all American Womanhood as each new

America Junior Miss steps forward as a symbol of the nation's best.

Each Clarkston candidate will be personally interviewed by the judges preceding the contest.

Highlighting the pageant will be the show portion which will be held Saturday evening. Each contestant will display her talent and appear in the evening gown competition. The climax of the event will be the presentation of trophies to the winner and runner-up.

The Clarkston winner will receive a trophy; crown and \$50.00 gown. Other prizes will include a Junior Miss bracelet, a gift from Ralph Chambers of the Good Housekeeping Shop in Pontiac, and a hair style from the Clarkston House of Style.

She will then go on to compete in the Michigan Junior Miss contest to be held in Pontiac at a later date.

This year's State Pageant will honor the five top contestants with prizes. Fifteen hundred dollars in savings bonds has been added to the awards by the Chevrolet Motor division bringing the total bond prize to \$3,000. This amount will be shared by the 1966 Junior Miss and the four runners up. In addition State Junior Miss is giving each State Junior Miss their complete Instamatic 304 camera outfit. Chevrolet will also award her a fine set of luggage.

The four state runners up will receive Kodak Instamatic 104 Camera outfits. Judges for the Clarkston contest include Miss Julie O'Brien, a secretary at Pontiac Motors, Mr. W. Cadman Prout, Oakland County Friend of the Court; and Mrs. Joel Murphy, Oakland County Auditor.

The public is invited. Tickets may be purchased at the door.

### Grand Blanc Man Dies in I-75 Wreck

Jack L. Florida was killed in an automobile accident on I-75 near the Clintonville Road overpass Saturday evening according to State Police records.

The accident occurred when the south bound Florida vehicle apparently left the road, rolled over at least twice in the median, and came to rest in the north bound lane of I-75.

Mr. Florida was pronounced dead on arrival at Pontiac General Hospital by Dr. E. Collins, M.D.

Two men escaped injuries when their vehicles collided on the Dixie Highway near M-15, Nov. 16. Richard Moritz of Holly told State Police that he was attempting to pass a car driven by Ray B. Somerant of Davisburg. The cars collided as the Moritz vehicle moved into the passing lane.

## A Thanksgiving Meditation

by Reverend Thomas Dunn:

(The author of this article, Rev. Thomas Dunn, is the executive officer of the Independence Township Pastor's Association. This association is sponsoring a Union Thanksgiving Service to be held Wednesday, November 24, at 7:30, in the First Baptist Church of Clarkston.)

Thankfulness comes from a right attitude. It is an inward disposition. It is the proper evaluation of life.

William Parker said to his students at Northfield, Mass., "Two girls gather grapes; one is happy because they have found grapes and the other is unhappy because the grapes have seeds in them. Two women examine a bush; one is unhappy because it has thorns. The other notices the roses, and is overjoyed with their fragrance."

Dr. Parker then added, "We see exactly what we train ourselves to see in this life." Some people always see the worse in life because they have not learned to cultivate the habit of thankfulness. The quality of life which you live will be determined by the inward attitudes that you have.

Therefore, this Thanksgiving season I would encourage you to have and cultivate the habit of thankfulness. For the Christian it is his duty to be thankful in all

things for the Apostle Paul said, "In everything give thanks." This does not only include the pleasant things in life but also the painful.

How does one still have an attitude of thankfulness in that which is painful? For one thing we should be thankful that things are no worse than they are. We should be like the negro who said, "Bless de Lord, 'taint no worse." Or we should be like the man who complained about not having any shoes until he met a man who had no feet.

Furthermore, we should be thankful in disappointments, hardships, problems and sufferings for they can be a means of enlarging our compassion for people who have similar circumstances.

Moreover, one should be thankful in the abnormal circumstances of life for they help us to appreciate the normal. For example, one may not really appreciate good health until he has gone through a session of sickness.

Let us leave the area of the painful and move into the area of the pleasant. There are many pleasant things in life for which one ought to be thankful. Perhaps the Psalmist, David, in Psalm 103 has provided for us one of the best patterns of praise and thanksgiving in the Bible. You would

be recite this Psalm. Here we have praise for healing of diseases. God provides the recuperative force in human vitality.

Next there is praise for being saved from a life of destruction. Those who follow the Christian way of life are saved from a life of destruction. Again the Psalmist praises in God's loving kindness and tender mercies. He recognizes God as the One who provides salvation in life and the One who renews our strength.

He also ascribes to God the credit for national blessings. This is something we Americans have much for which to be thankful.

But that which heads the list of God's blessings is the fact of His forgiveness. We list it last here for emphasis sake. The one thing that God wants to do or us above every thing else is to forgive us. Jesus Christ, God's Son, has made atonement for us now God wants to accept and pardon every penitent heart. Of all the blessings of life I am most thankful for the Lord Jesus Christ who loved me and gave Himself for me. A person does not have to do much to be thankful for if he has Christ.

A city missionary in London found a woman in the last stages of disease in a cold and grimy room dying. The woman smiled

Sandra Smalley

and said, "I have all I really need: I have Christ." This incident inspired someone to write:

"In the heart of London City,  
Mid the dwellings of the poor,  
These bright, golden words were uttered.

I have Christ! What want I more?  
Spoken by a lonely woman,  
Dying of a garret floor.

Having not one earthly comfort,  
I have Christ! What want I more?  
"He heard them run to fetch her  
Something from the world's great store;

It was needless - died she saying,  
I have Christ! What want I more?  
"Oh my dear, my fellow-sinner!  
High or low, or rich or poor,  
Can you say with deep thanksgiving -

I have Christ! What want I more?"

If a person has Jesus Christ in his heart he will know what it is to be thankful. He will help to form the habit of thankfulness. Learn to be thankful for in so doing you will exalt God, you will expel gloom from your life and you will live a gracious life.

May the prayer of George Herbert be our prayer: "O Lord, Thou hast given so much to me, give me one thing more - a grateful heart."

### 2 Hurt in Separate Area Accidents

Two persons were taken to Pontiac General Hospital last weekend separate automobile accidents occurred in Independence Township. Ross A. Dallochio was injured Sunday when his car left the road and struck a tree North of Clinton. He told Sheriff Deputies that he was forced off the road by an oncoming vehicle.

Luther Kelley of Lake Orion was injured in an accident on Sashabaw south of I-75 Saturday. His vehicle struck one driven by H. G. Brooks of Pontiac. Mr. Brooks told Sheriff Deputies that he had slowed to make a turn when the accident occurred.

Both Dallochio and Kelly are in satisfactory condition according to a hospital spokesman.

## O.U. Building \$43 Million Dorm - Food Service

A \$4.3 million dormitory-food service building under construction at Oakland University will be completed just in time to help the six-year-old state institution meet the pressure of sharply mounting enrollments. Slated for occupancy next fall, the twin-towered, seven-story structure will provide rooms for 572 students and food service for some 1600.

Enrollment at the University, located on 1600 acres 25 miles north of Detroit, has moved quickly from 570 when it opened its doors in 1959 to 2458 this fall. University officials' predictions, which have had to be revised upward several times in its brief history, indicate the number will exceed 7000 by the fall of 1970.

Primarily a commuter school when it opened, Oakland is faced not only with more students annually, but with a larger proportion of students living on campus. At present, one-third are resident students, the remainder commuting mainly from the three-county area including Wayne, Macomb and Oakland counties. With more and more students from other areas of Michigan and other states enrolling at the University, the proportion of dorm students is expected to increase.

The new dorm will relieve the present housing pinch, which necessitates some tripling of students in rooms designated for double occupancy, and it will accommodate

the annual increase expected. Another dorm is already being planned for the following year.

Designated by the architectural firm Ralph R. Calder and Associates of Detroit, the combination dormitory-food service building will provide a spacious central lounge, seminar rooms, recreational and office areas on the first level. The kitchen and dining room area will be located on the second level, with the twin towers housing the student rooms.

The new structure is located adjacent to the existing six residential halls, just north of the academic complex. Landscaping plans call for a small lake to be formed in the natural depression in front of the building and supported by natural runoff. A curved, concrete footbridge will connect the new dorm with walks leading to the Oakland Center.

According to James R. Appleton, dean of men and housing director at OU, the dorm is planned as a residential residence. "This new building will include many features that will enable us to do a better job of integrating the student living situation with the educational process at Oakland," Appleton said.

Contractors for the building are: J. A. Ferguson, Detroit, architectural trades; Eames and Brown, Inc., Pontiac, mechanical trades; Cates Electric Co., Royal Oak, electrical; Dover Elevator Co., Detroit, elevator equipment; and Great Lakes Hotel Supply Co., Detroit, kitchen equipment.

### Ortonville Phone Service Improved

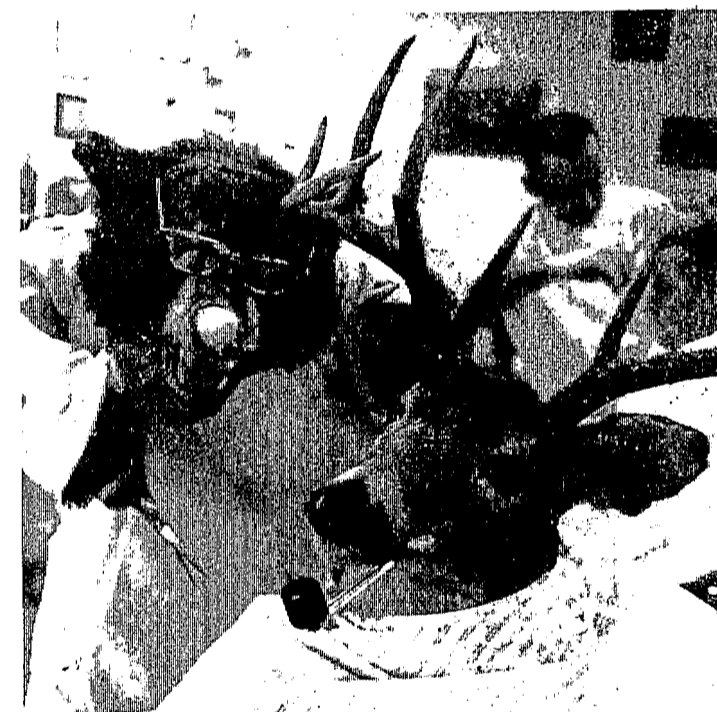

Peter B. Spivak, chairman of the Michigan Public Service Commission, announced that 260 customers of General Telephone Co. of Michigan's Ortonville exchange will benefit from today's Commission approval of the enlargement of the Ortonville base rate area whereby areas totaling approximately seven square miles will be added to the present base rate area, an increase of almost 90% in the size of such area.

Spivak stated that the 260 customers being brought into the enlarged base rate area would save approximately \$2,183 annually; 28 customers who presently have urban classes of service will save, on an average, \$38 per year through elimination of their mileage charges, and 232 rural residence customers will have their rural multi-party service upgraded to 4-party urban service while their rates will be reduced \$4.80 per year. Ten business rural customers located in the area and being added to the base rate area, will be upgraded to individual line service at an increase of \$2.80 monthly.

These praying children silhouettes are displayed at Sashabaw School in Mrs. Adam's First Grade room as a Thanksgiving project. Shown beside by their silhouettes are Danny Bugz and

Roxane Tunmingley. The spirit of Thanksgiving is displayed by projects in classrooms throughout the Clarkston Elementary schools.

When Clarkston barber, 'Tink' Ronk goes on his yearly hunting expedition, he announces his absence from his shop with an unusual display. This year's display (pictured above) tops all previous ones!

Mrs. Sanford McLean of Clarkston (left) is shown with some of her paintings, which are on exhibit at "The Rooms", a gift shop located at 2159 Orchard Lake Road. Sculpturing by Mrs. Hazel Nauman (pictured right) is also displayed at the shop.

Arthur Rooks (center) has monthly exhibits featuring works by Michigan artists at his gift shop. The McLean, Nauman exhibit will continue through December 12. Robert Fritz, a potter from Cranbrook, will display his art the following month. Photo by Charlie Kuhne.

## Scientist's Service For Thanksgiving

The traditional Thanksgiving service of the 1st Church of Christ, Scientist 71 S. Washington St., Oxford, will take place at 11:00 Thursday morning. Friends, neighbors, and the public are especially invited.

This annual service is distinctive for its concluding testimony period when any Christian Scientist in the congregation may rise and openly express his individual thanks to God for blessings received.

A hymn and reading of the President's national Thanksgiving Day Proclamation will open the service, followed by Scriptural selections, prayer, and a Lesson-Sermon on "THANKSGIVING" taken from the Bible and from "Science and Health with Key to the Scriptures" (the Christian Science textbook, by Mary Baker Eddy).

This year's Thanksgiving readings include Jesus' well-known injunction, as recorded by Matthew: "Seek ye first the kingdom of God and His righteousness; and all these things shall be added unto you" — and these lines from Science and Health: "God is not moved by the breath of praise to do more than He has already done, nor can the infinite do less than bestow all good, since He is unchanging wisdom and Love."

## FIRST CHURCH OF CHRIST SCIENTIST

Oxford, Michigan

The divine protection to David in his fight with Goliath and later his fight with the jealous rage of King Saul will be included in the Lesson-Sermon this Sunday at Christian Science churches. The subject is "Ancient and Modern Necromancy, alias Mesmerism and Hypnotism. Denounced."

In the Responsive Reading will be this verse from Ephesians 6: "Put on the whole armour of God, that ye may be able to stand against the wiles of the devil."

Related passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include this statement: "Evil thoughts, lusts, and malicious purposes cannot go forth, like wandering pollen, from one human mind to another; finding unsuspected lodgement, if virtue and truth build a strong defense" (pp. 234, 235).

# BIG BOOK

The atlas is quite an armful. Chip had a time lugging it down off the shelf, but he wanted, once again, to look at some of the fascinating pictures.

He's a small boy for such a big book. Maybe he doesn't understand all of it. But it whets his curiosity, and the curiosity of a small boy is truly insatiable.

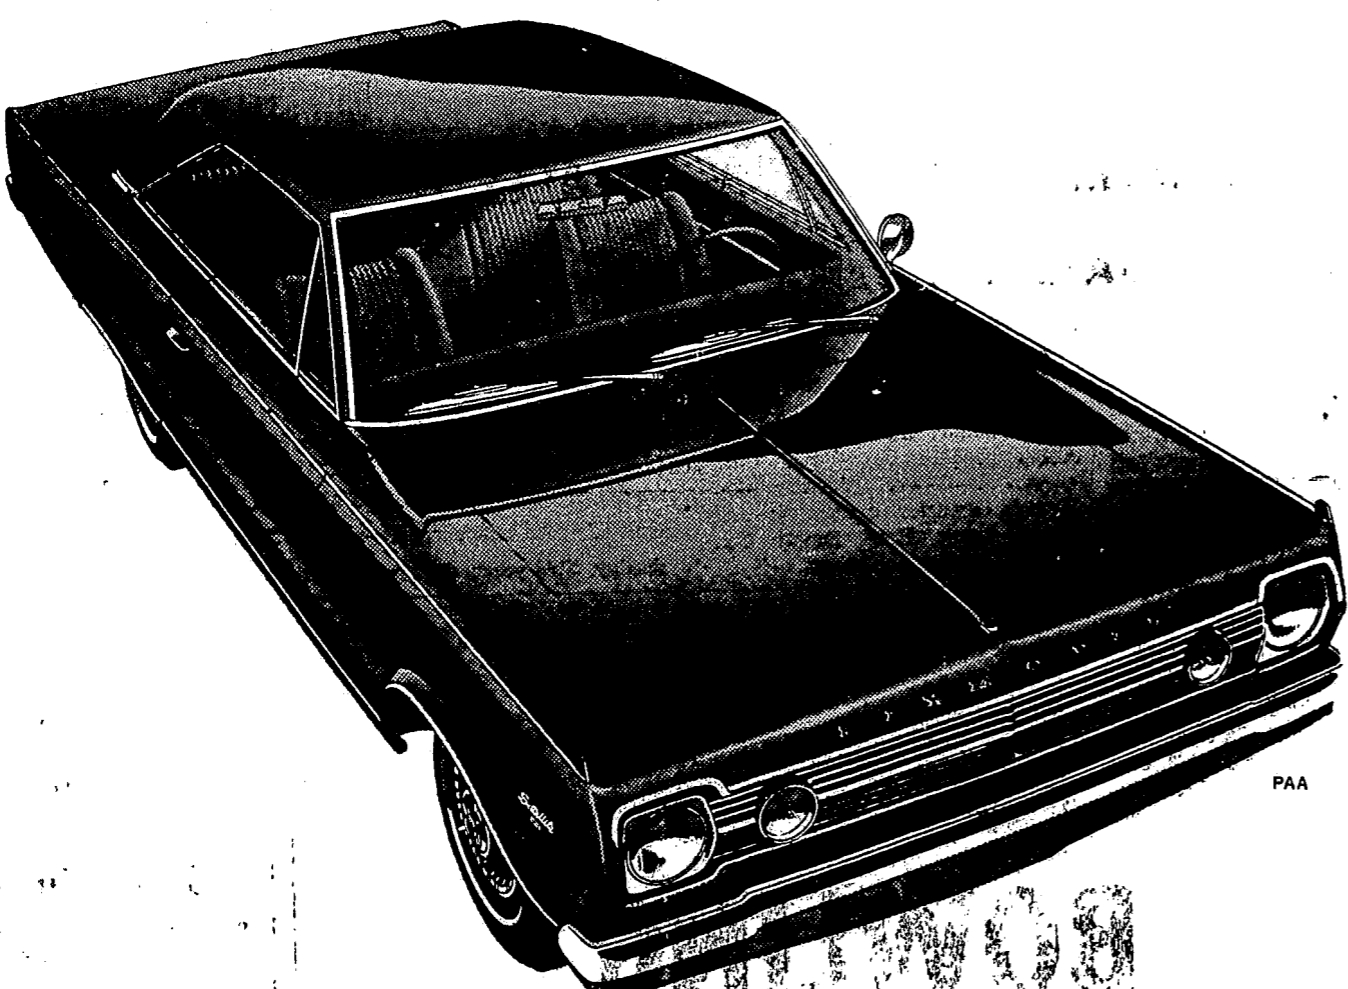

Even as Chip glances at the pictures, questions are racing through his mind. And to whom will he address these questions? To you!

When youngsters ask questions, it is up to us, supposedly "grownup" and therefore wiser, to try to give them the right answers. In this day of sometimes dubious and changing values, that isn't always easy. We must first make sure that we have the true basic answers ourselves. There is no surer way of doing this than by arming ourselves with the faith and wisdom found in the Holy Scriptures and in our churches.

### McVittie School Sponsors World Fair

An Around-the-World Market, sponsored by the McVittie PTA, will be held on Saturday, Dec. 4, from 2:00 p.m. - 8 p.m. at McVittie Elementary School on Midland, one block east of the Dixie Highway in Drayton Plains.

Booths will feature items for sale and display from many countries - leather goods from Mexico, brass from India, candles from Norway, and gift items from Israel, Japan, Germany, France, Italy and others. Of special interest to skiers will be the Scandinavian froth with ski fashions direct from Norway, furnished by Knut Eriksen. The market will provide an excellent opportunity to shop for distinctive Christmas gifts.

ket. This unusual event is sponsored by the McVittie PTA and is open to the public.

Judge Beer (left) was guest speaker at a recent Pioneer Club dinner. Also featured on the program was Rev. Lewis Sutton. Mrs. Donna Redwood (center) sang "The Lord's Prayer" at

the meeting. Also shown are Pioneer Officers, Mrs. George Perry (left) and Mrs. Orrie Adams (right).

### Judge Beer Club Guest

Circuit Judge William J. Beer, presently the Presiding Judge of Oakland County, spoke to the Clarkston Pioneers' Club at the Community Center Thursday, Nov. 18.

In his address, the Judge noted that one out of every three marriages in Oakland County is collapsing into divorce. Judge Beer stated that he felt the divorce rate is a greater threat to the American way of life than any foreign enemy.

Some of the measures the judge felt should be taken to solve this problem include: prohibiting anyone from filing a divorce until they have been married for three years, or until their youngest child is at least five years old.

An international buffet supper will be served from 5:00-6:00 p.m.

Following the dinner there will be entertainment provided by folk dancers from the International Institute in Detroit and some local folk singers.

There will be a student program from 2:00-4:00 with the folk singers teaching some songs, and the dancers from the Institute teaching some simple folk dances.

For children under 3 yrs, a nursery will be available.

Setting up a 30-day waiting period.

od for marriage licenses would avoid hasty marriages, he added. Finally, he stated, that young people having more than one child should not be permitted a divorce until the children were grown up.

Judge Beer also spoke on the crime situation today. In quoting from a recent publication, he questioned whether the decisions of the U. S. Supreme Court were fair to law-abiding citizens.

The Judge, in concluding, said the high court in Washington should reconsider some of its recent decisions which, the judge said were handicapping the arrest

and conviction of criminals. Other guests at the meeting included the court clerk and court reporter connected with Judge Beer's office. The court clerk exhibited a switch blade knife recently found in the possession of a criminal.

Rev. Sutton, from the Clarkston Methodist Church, was also present presenting a meditation on "The Birth of Thanksgiving."

"The Lord's Prayer," was sung by Mrs. Norton Redwood also of Clarkston.

Preceding the program, The Pioneers and their guests enjoyed a turkey dinner.

You could go for Bonneville-style luxury? Catalina-style price?

You don't have very far to go—new Executive.

If you thought the Star Chief was something special before, wait until you shake hands with its swaggering successor: the new Star Chief Executive. That's look new 4-door hardtop you're smiling at above. Plus an elegant new 4-door sedan. Plus a dashing all-new hardtop coupe.

(And don't let the "new" scare you. We wouldn't think of changing Star Chief's famous big-car-everything-but-price character. You still get the big V-8, superbly luxurious interior, and plush Bonneville

chassis and ride at a price that reads like a mistake in your favor. Except that you can get it in three swarming models now instead of two. One more thing: Now that you've met our new Star Chief Executive, don't be so formal. Just call it Executive. **Special safety note:** All 1966 Pontiacs include dual-speed windshield wipers, windshield washers, outside rear view mirror, padded dash and sun visors, back-up lights, and seat belts front and rear (be sure to fasten them before driving).

## Michigan Auto Accidents Claim 187 in October

Michigan traffic accidents killed 187 persons in October, 11 or six percent less than in the same month a year ago, according to State Police provisional figures.

The month's toll was above the average of 175 for October in the five years, 1961-64. Record high October was 230 in 1941, the low was 97 in 1944, a war year.

The deaths bring the 10 month provisional toll to 1,164 which is 88 or five per cent less than 1,252 in the same period last year.

Meanwhile, final figures for September showed 201 deaths and 12,910 injured in 23,863 accidents. Compared with the same month last year, deaths were up 14 percent over 177, injured were increased four percent over 12,454 and accidents rose four percent over 22,865.

Available accumulated figures for the first nine months showed 1,487 persons killed and 109,139 injured in 219,930 accidents. Deaths were down four per cent while injuries increased eight per cent and accidents 11 percent compared with the same period in 1964.

Estimated travel for the first eight months, the latest available information was 26.5 billions, an increase of six per cent compared with the same period last year, while the death rate of 4.9 per 100 million vehicle miles was down 11 per cent on the same comparative basis.

## Women's Club Sets Variety Show for December 4th

The Clarkston Women's Club will be presenting a variety show in twelve acts at the High School Little Theater on Saturday, Dec. 4 at 8:00 p.m.

Producer Marty Johnston, and Director Laura Logan, together with their assistants Kay Robertson, and Marietta Jones have assembled a large group of talent in order to present an

evening of laughter and entertainment. Choreographer Beth Ladd is busy coordinating and instructing dance routines such as the can-can. Musical director Pat Race is selecting appropriate musical themes for the songs and dances which will be a part of the show. The public is invited.

### Area Men In Uniform

Fireman Apprentice LeRoy Franklin, USN, son of Mr. and Mrs. Cecil H. Franklin of 6480 Pine Knob Road, Clarkston, Mich., is participating in the U.S. First Fleet's training exercise "Range Bush" Nov. 18-24, while serving aboard the attack aircraft USS Ranger.

The week-long exercise off the coast of Southern California involves ships of the First Fleet and several naval air units, comprising "friendly" forces, in aerial reconnaissance, anti-air and anti-submarine warfare operations against the "enemy" air, surface and subsurface units portrayed by other Navy units. The exercise will increase the combat readiness of the First Fleet.

Exercise "Range Bush" is under the overall command of the First Fleet Commander, Vice Admiral Lawson P. Ramage, USN.

In addition to providing a mobile

landing field at sea for patrol, attack, fighter and reconnaissance aircraft, the Ranger is also the "friendly" forces flagship.

Fire Control Technician Third Class James R. McCormick, USN, son of Mr. and Mrs. Robert McCormick, Jr., of 5947 Dixie Highway, Clarkston is attending the Naval Preparatory School at the Naval Training Center in Bainbridge, Md. He is one of 250 students who have been selected from Navy and Marine Corps applicants for their qualifications as future Naval Academy Midshipmen and future officers in the Navy and Marine Corps.

The intensive academic program includes English, algebra, trigonometry, geometry, and physics, and is designed to prepare the student for college level work.

We'll even refund any installation cost. And it doesn't matter where you buy your electric water heater; if it's Edison-approved, the Edison guarantee applies. What size heater will you need? Call us. We'll send out a specialist who can point out the proper heater size and the best location for it. He can also tell you about the low operating cost—as little as \$3.88 a month for a 50-gallon heater. Get all the hot water you need—guaranteed. Call your Edison Office or see the retailer who displays the Edison Satisfaction Guaranteed sign.
