CLARKSTON, MICHIGAN 48016, THURSDAY, DECEMBER 16, 1965

VOLUME 37 **DPW Man Answers Township**

Residents Sewer Questions:

ment signed in two or three." was the desire expressed by R.J. Alexander during the sewage information meeting Tuesday right for Independence Township, Mr. Alexander, who is director of the Oakland County Department of Public Works was the main 'answer man' during this public information meeting.

The proposed Oakland -Clinton a year later.

"We would like to have the agree- Sewage Dispusal System would affect seven other municipalities; the tewrships of Avon, Pontiac, Waterford, Orion and West Bloomfield and the cities of Pontiac and Orchard Lake. If the communities could agree

on a propos d contract within the next few weeks, work on the project could get under way in the summer of 1966 and be completed

During their November 11 meeting, the Independence Township Planning Commission recommended approval of the sewage system. Several commission members as well as the Planning Consultant, Robert Dieball were on hand to

discuss the sewage. WHAT ABOUT WATER? Fred Ratl.ff, an area resident. asked how a sewage system would affect this areas declining water level. (Sewage is composed mainly of water, the proportion of solid matter being about one part per 1.000.) Mr. Ratliff said that at present sewage return to the ground; thus returning the water to its original habitat. He voiced concern that when the severage is piped out of the township, so is the water.

Planning Commission, member, Richard Johnston, questioned Mr. Alexander on the feasibility of a water system for Independence Township. Alexander's answer implied that water is as essential as a sewage system in order for an area to develop and attract the industry which could absorb 25% 30% of the real and property taxes. Supervisor Duane Hurstall said that a municipal water system would be possible in the Township in the near future. 🛥

Showing special concern for the vast financial investment the Township would undertake in this sewage project, Clerk Howard Altman questioned many of the 'estimated' figures presented by the DPW. The cost of \$16.500,000 plus 4% interest must be born by the eight municipalities.

Clarkston Community Schools Superintendent Dr. L. F. Greene said residents should take into account the costs of retaining their present individual sewage systems. Sewage disposal constitutes one of the barriers between disease and man. More than half of the population of the Unitted States is served by sewers and more than half the sewage discharged to sewers is treated in municipal plants.

In other business the Board approved the rezoning of a parcel of land on Andersonville Road across from the Bay Court Camp from R-1 to R-2.

No Injuries in 6

Reported Accidents

There were no injuries reported in the six accidents investigated by the Pontiac Post of the State Police and the Oakland County Sheriff Department.

Oakland County Sheriff Deputies assisted at a single car accident on 1-75 and Holly Roads, December 8. According to their report the vehicle struck a culvert after its driver, Lucille Benos of Troy,

Manuel Mclendez told State Police officers that a gust of wind and icy pavement caused him to loose control of his vehicle. The

Honorable mention awards were received by Trooper Robert W. Hagstrom, (standing) and Detective Edward Seath, for meritous service.

Both men, residents of Clarkston, are employed at the Pontiac Post of the State Police.

Cathy Lessard Is Selected For Clarkston DAR Award

to State Prison Three men convicted of break-

ing into the Robert Hall clothing store,, 6460 Dixie Highway, September 4, were sentenced to the State Prison for Southern Michigan at Jackson

Circuit Judge William J. Beer, sentenced Archie C. Brown, 37 and Donald N. Brandon, 27 to 214 year terms each. Johnnie Creed, 32, received a 112 - 10 year sentence.

A jury returned a verdict of guilty of burglarizing the store by removing cement blocks from a wall located at the rear of the building

State Police arrested Brown at the scene. The others were captured later in the day in Genesee

The General Richardson Chapter of the Daughters of the American Revolution entertained the nine "Good Citizen" and their mothers at the December meeting held Thursday evening at the YWCA. Sixty members and guests enjoyed the program under the direction of Mrs. John Tomlins of Rochester. The activities each girl participated in were given and the girls were "pinned" by their mothers. The following girls were honored: Carol Guy of Avondale Senior High daughter of Mr. and Mrs. James Guy of Auburn Heights; Catherine Lessard of Clarkston High School. daughter of Mr. and Mrs. Louis Lessard of Clarkston: Kathleen Ann Morgan of Rochester High Chapter.

Ninotti of Pontiac Central High School, daughter of Mr. and Mrs. Perry, Ninotti, Pontiac: Barbara Ann Nelson of Pontiac Northern High School, daughter of Mrs. Francis Nelson, Pontiac; Genevieve Burns of Waterford Kettering High School, daughter of Mr. and Mrs. Shufer Burns., Drayton Plainst Lucille F. Alix of West Bloomfield High School, daughter of Mr. and Mrs. Neree Alix, Birmingham: and Mary Ott of Waterford Township High School, daugh ter of Mr. and Mrs. Wilbur Ott, Pontiac.

Mary Kathleen Ott's Mother was named "Good Citizen" from her school by the General Richardson

NUMBER 16

Local State Police

Receive Awards

Detective Edward E. Seath and Trooper Robert W. Hagstrom of the State Police Pontiac Post were honored recently by the State's Department Board of Awards at East Lansing. he officers were present ed honorable mention awards for meritous service. Both are residents of Clarkston.

The award resulted from the apprehension of approximately twenty criminals which led to the solution of a number of unsolved burglaries.

The investigation initially began over a year ago when Trp. Hagstrom arresting a local criminal caught in the act of burgularizing a television store.

Hagstrom notified Detective Seath and the two officers began an interregation of the criminal and investigation which continued for several months. The criminal subsequently confessed numerous crimes and implicated several other known criminals in the greater Pontiac area.

The arrests along with the solution of several unsolved crimes of burglarary, safe burgulary with explosives, and grand larceny were attributed to the efforts of the pair.

Announcment of the citations was made by Col. Frederick E. Davids, director of the East Lansing Board of Awards.

Jaycee's Toy

Project Underway

The Clarkston Area Jaycees wish to remind all residents of the need for toys to give to children this Christmas. This annual Javeee project; which is well underway for this year, will insure that every child has a toy at Christmas.

All toys should be placed in the box located in the Clarkston State Bank, If possible, the toys should be wrapped and marked on the outside specifying age, and whether it is for a boy or a girl.

Jaycee members will distribute all the foys on Christmas Eve. Any resident knowing of deserving children may add the names to the Jaycee list by calling either 625. 4041 or 625-2387.

Wendell Club annual Christmas party. The Green, Miss Elizabeth Hoheisel, event is scheduled for Sunday. December 19 and will he held from Mrs. James R. Laidig, Mrs. Norman J. Boyd, Mrs. Marian Benter,

2 until 4 p.m. at the clubhouse. Santa Claus will be present also with gifts for all. Door prizes will be awarded to lucky winners.

Children of the area are invited as well as the children of Oakland County Sportsmen's Club members.

TV Star Attends Children's Party

Clarkston Area Jaycees announced today that Popeye's friend, Poopdeck Paul, the star of CKLW Channel 9, Mike Patterson, Magician, and Ken Maynard, The Mechancial Man, will appear at the 2nd annual Javcee Christmas Program for boys and girls of the Clarkston area. The event will be held Saturday, December 18, at 4:00 P.M. in the Clarkston Senior High School Gym; and is open to all children from 3 years old through elementary school age. Santa Claus will also be on hand to see all the boys and girls, and there will be gifts for all from

the Jaycees. Clarkston's Junior Miss, Cathy Lessard, will also be present to help with the festivities. Opening the program will be the magician. followed by Poopdeck Paul, and the Mechanical Man. The program will end with the Junior Miss leading Christmas carols, and Santa Claus distributing the candy canes.

If you are involved in a hunting accident, you must identify yourself, give all the assistance you can and report the accident to the nearest Stat- Police post or sheriff departm it, the Conservation Department says.

"Is the Universe, Including Man, Evolved by Atomic Force?" This is the subject of the Lesson-Sermon to be presented in Christian Science churches this Sunday

A major theme will be the ultimate supremacy of the spiritual laws through which God's will and government of the universe is expressed. The Golden Text is from I Chronicles (16:31): "Let

the heavens be glad, and iet the earth rejoice: and let men say among the nations, The Lord reigneth. In addition to selected passages from the Bible on this topic, there will be readings from the Christian Science textbook. Among them will be these lines: "Suns and planets teach grand lessons. The stars make night beautiful, and the leaflet turns

naturally towards the light. In the order of Science, in which the Principle is above what it reflects, all is one grand concord" (Science and Health with Key to the Scrip-

THE CHURCH FOR ALL ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a store-house of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regu larly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church reglarly and read your Bible daily,

Select Your Christmas Tree

Mrs. John Adams and son, Paul, have selected their Christmas true from those offered by the Church of the Resurrection Men's Club and the Camp Fire Girls.

The trees will be on sale at Camp Oweki located on Gulick Road off Waldon Road, Saturdays from 10 until 4 p.m. and Surdays from 1

un(il 4:30

During Christmas week the trees will be sold daily Monday through Thursday from 3:30 until 5 p.m. and until Christmas Eve from 9 a.m. until noon.

Mr. John Chinman is shown cutting the tree.

The Clarkston News, Clarksten, Michigan

Letter To The Editor Obituaries

After returning from a full sea- mount that is accumulated from son hunting trip to the U.P., I can heartily agree with Senator Mack's stand regarding the conservation department's depletion of

our deer herd. I hunted with 15 other experienced hunters, many of whom were natives, who know the woods and know where the deer should be found. Our total take was one eight point buck and one small spike.

The first day of the season from a blind in a well chosen spot, I saw nineteen hunters and not one flip of a white tail, and this condition continued for two weeks. I am not a beginning hunter, I have hunted bucks, never does or fawns, for 40 years and I love the sport.

Apparently the only thing our conservation department in Lansing is interested in is the almighty license fees. Where and how they obtain their statistics is beyond my comprehension, and how the conservation department was able to brainwash the Sportsmens organizations and individual alike is also beyond my comprehension. We know they have a super

organization and why sales shouldn't they have, with the a-

license fees Let's do away with the devastating doe and fawn season and get back to the one buck law before our deer are extinct.

A SALAS

It is still possible to bring the herd back to what it was fifteen years ago. The private clubs never did go along with "shooting the goose that laid the golden egg" and they still have enough breeding stock to replenish our forests. The Department need not worry

about over populating the herd. The life expectancy of a deer is less than 10 years and we may expect to lose 10% per year. The old must die and the young may too. it is the law of nature that only the strongest and heartiest will survive.

> The natives who live in the north country and have a half dozen mouths to feed, will take care of the sumlus Let's all get behind this thing

and give Senator Mack a helping hand in whatever manner he may need it.

"For The Gain of Everyone"

"For the gain of everyone" is a phrase characteristic of Representative Frank Crowley of Clarkston in describing his political motivations. Spending the past year in Lansing serving the 7200 people of the 61st district. Crowley has completely devoted himself to his work.

"I campaigned that I would be a full time legislator," he said, "so I am present at every session. In addition, in order to learn all that I can, I stay to the bitter end.

A native Vermontor, Crowley has lived in Clarkston 18 years. **Prior to moving to this area he** was a member of the 1932 US Olympic team as a 1500 meter man and, as National Champion in running, made several good will tours for the United States. After graduating from Manhatten College in New York. Crowley served four years in Europe during the war and then came to this area as a malt beverage salesman. He soon became a distributor and in 1947

into business in Clarkston. went An active Lion for 16 years, Crowley has always been a citizen interested in public affairs. After being confined to a wheel chair as the result of an ill-fated golf swing a few years ago Crowley became more interested in Michigan politics. This interest found expression last November when he was elected State Representative after a home-spun campaign. His commitment to be a full time legislator keeps him on the go most of the time. A typical day

for this session, would begin at 10:00 a.m. by attending a hearing in Ann Arbor on the Presidential Succession Constitutional Amendment or the same type of hearing in the Supreme Court Chambers, At 2:00 the legislator would convene to debate a current bill under discussion and at 4:30 there would be a Democratic caucus to attend. This caucus could last well into the night as there are always many diverse plans to consider. Life is hectic for Crowley whe-

ther the legislature is in session or not. Membership on four committees: election, liquor, village corporations and federal relations, keeps him "running from one committee to another most of the time," In various committees the proposed bills are examined some being rejected with the remainder sent to the floor for consideration. Bills under debate this session are the milk bill, fiscal reform, county home rule and an amendment to the uninsured motorists

Interested in education, Crowley feels that, "Education is the answer to most of the problems. in the world today." He has also supported recently signed legislation which prevents job discriminstion for men over 40. Husband and father in private life Mr. Crowley has four child-

ren: Frances Ann Hertler, Paula Bishop, Mike and Tim Crowely, and six grandchildren. Mrs. Crowley is active in the Clarkston Village Players and St. Daniel Cath-

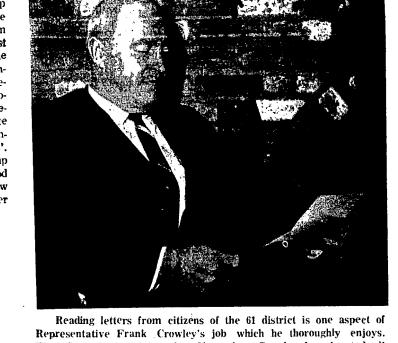

olic Mission

Crowley recently summed up his political outlook with these words. "There is one thing I am trying to accomplish in the 61st district -- I want to see all the people interested in state government. The apathy of people regarding state government is appaling. When people refuse to become interested in local and state government, they are leaving themselves open to all sorts of 'isms'. When an important issue comes up I feel it is the duty of a good citizen to let their legislator know how they feel on the subject under discussion."

My Neighbors

Elected to the legislature last November, Crowley has devoted all of his energy to his work of being a full time representative.

THE STATE S

NOTICE

Notice is hereby given that I will receive Nominating Petitions for the following Village Offices for the Vil-Zage of Clarkston County of Oakland, State of Michigan, up to and including the Third day of January. 1966.

PRIMARIES FOR VILLAGE AND TOWNSHIP OFFICERS

Sec. 6

In order to secure the placing of the name of any candidate upon any ballot, it shall be necessary for such candidate to file with the village or township clerk, on or before the seventh Monday before the day designated for the holding of such caucus, a petition signed by not less than one per centum nor more than four per centum of the electors of such village or township, as shown by the registration books thereof, asking that his name be placed upon such ballot and designating the office and the political party or organization upon whose ballot he desires to have such name so placed.

President. Clerk. Treasurer. Trustees. and Assessor. Petition Blanks may be had from the Village Clerk on request.

How to Apply Under New Social Security Law

Many older citizens in Independence Township may miss important protection under the new social security law, unless they take proper action as soon as possible, William E. LaRock, District Manager of the Pontiac Social Securiity office said today. Medical insurance to pay for a large part of hospital and doctor bills is available to almost everyone age 65 or older, but they must apply soon in order to be qualified when the program gets underway July 1,

There is an important deadline on the supplimental insurance part of the law, LaRock pointed out. Anyone who will be age 65 or older by January 1, 1966, must apply before March 31, 1966, or they will have to wait until October 1, 1967 before they will have another opportunity

Anyone age 65 or older now receiving social security checks, or who has filed an application is automatically entitled to the hospital insurance portion of this new program. However, people of this age group who have not yet retired. or who have never worked under social security, can also qualify for the hospital insurance by filing an application at the Pontiac office. and providing proof of age. There is no premium to be paid for the hospital protection. LaRock emphasized, since the cost will be paid out of a special social security fund. A second important program a-

vailable to senior citizens is supplimental insurance to help pay the major part of doctor's and surgeon's bills. This insurance is available to anyone who is entitled to the hospilital protection, but there is a charge of \$3.00 per month for each person who wants this extracoverage. This part of the program

Eastern Star Sets **Christmas Partv**

The Austin Chapter 396 of the Order of the Eastern Star of Davisburg, with their families and friends, will hold their annual Christmas Party on Saturday, December 18. bgeinning at 5 p.m. The affair will feature a pot luck supper and a program for the children. It will be held at the Masonic Temple in Davisburg.

will also start next July first. "The people in our office will be glad to explain the details of the two programs," LaRock said. "We also have booklets available which explain in detail just how much of the medical and hospital bills are paid under this program. I hope that anyone in this area age 65 or older who has not already made application will contact our office in Pontiac and tearn the facts about this medical insurance."

The Pontiac Social Security office is located at 35 E. Huron St. and is open to the public from 4:45 p.m., Monday through Friday. Anyone unable to come to the office can telephone FE 8-4501 or write for more information.

A. Addley Opens **Therapy Offices**

Andrew E. Addley, Physical Therapist, has recently opened a clinic at 5217 Dixie Highway, Drayton Plains.

Mr Addley received his degree in Physical Therapeutics from Western University, San Diego, California. He is also a graduate of the college of Swedish Massage, Chicago: and the institute of Drugless Therapy, Tama, Iowa, Mr. Addley is presently a member of the Michgan State Physical Therapy Society.

For six years before coming to the Drayton Plains area, Mr Addley served on the Physical Therapy Staff at Henry Ford Hospital in Detroit.

Episcopals Make Plans For Christmas Services

Children from the Church of the Resurrection's Church School will bring wrapped gifts of toys Sunday, December 19, for distribution at the Lapeer State Home. The gifts will be purchased with the children's own money so that they might learn the joy of giving, according to Reverend Stewart, Vicar. Some of the youngsters may choose to bring a toy in good condition of which they are particularly fond.

Family Holy Communiton Service will be held on Christmas Eve at 7 p.m. in the Church. The family Creche will be placed in the church and the children will receive small gifts from the Church School. A

The traditional midnight service will begin at 11:30 Christmas Eve. The Holy Eucharist will be celebrated and the adult choir will present a special Christmas anthem.

Holy Communion and a sermon will be observed at 10 a.m. Christmas Day. Scheduled for St. Stephen Day, December 26, is Holy communion and a sermon beginning at 9:30 a m. Holy Communion will also he observed December 27, St. John

Mrs. Verl Kline, Mrs. W. H. Stamp, Mrs. Homer Tinney and Mrs. John Sapsford, were in charge of arrangements. The centerpiece on the officers' table emphasized the theme. It was composed of a candleabra with five red candles surrounded by red berries and holly leaves interspersed with tiny flags representing the nations of the world

The arrangement was made by Mrs. Sapsford who also was responsible for the Christmas novelties marking the places. Following a brief business meeting the members and guests were taken on a trip through the Holy

Land via colored slides taken by Area Men in Mrs. Florence Schlosser when she went on an "around the world" trip last spring. Uniform

The program also included readings by Mrs. Kline and Mrs. Oliver Dunstan and the singing of Christmas Carols by the group led by Mrs. Dunstan with Mrs. George Tallerday at the organ.

Lakers Squeak by Wolves

In the first cliff hanger of the year the Lakers from West Bloomfield defeated Clarkston 60-58. West Bloomfield let a 17 point lead get away from them, as Charkston had a chance to tie the score with two seconds left on the clock, but a pass from Fife to Rod Allen was flicked away by a W. Bioomfield player.

Page, Eight

Clarkston took a two point lead when the first quarter ended 12-10. as Tom Allen hit on his first of three shots. Tom had the hot hand but he didn't take one shot in the second half. Fife took five shots in the first period and hit on only one. Clarkston played a tight zone defense and West Bloomfield had a hard time penetrating the zone. In the second quarter Art Paddy's boys started to run more as their two big boys, Bill Burt and Tim Moller controlled the boards giving them opportunity to run. W. Bloomfield continued to play fine defense as they held Clarkston to only eight points with Randy Nicoson setting five of them. Dan Fife took six more and failed on all of them. Greg Hepinstall (remember the fine job he did at quarterback in football) had the responsibility in guarding Fife and he didn't give Fife the opportunity to drive the base line one time in the first half. He made Fife go to his left, which could have been a factor in Fife missing 10 out of 11 shots.

Whenever a team plays an Art Paddy team one can count on a good defensive club, one of the best in the league.

In the third quarter coach Bud McGrath made some half time changes. He switched into a tight pressing man-to-man defense. It worked reasonably well, but a

couple of the Wolves missed defensive assignments at times and West Bloomfield had some easy buckets. It was on these easy buckets that West Bloomfield built up a 17 point lead. The Wolves didn't give up as they kept the pressure on and it began to tell in the third quarter as Clarkston whittled the lead to 12 points.

the Wolves was pressure -pressure. Tom Allen led the pressure charge as he intercepted a couple of passes and along with Nicoson and Schweitzer broke down the Lakers offensive game. Also in this quarter Dan Fife woke up and went on a scoring binge as he beat his man to the base line continually four dropped in 17 points. Dan ended up with 28 for the evening. West Bloomfield was hampered by the loss of their two big men via the foul route, however, Clarkston's defensive pressure led to Keego's mistakes and foul trouble. It almost led to disaster, as Art Paddy is mighty thin on the bench. But time ran out on the Wolves and the game ended 60-58.

> points down, and when a team comes rounding back it's very gratifying to the fans and to the the coach. Right Bud?

boys winning 52-45. Mark Erickson, a refuge from the varsity, led the Jr. Wolves to victory with 17 points. He had a lot of help from Steve McGill, Rich Johnson and Eric Hood

It's basketball time for the Big Ten around this great land of ours, Michigan led by Cazzie Russel is highly rated. They lost to Witchita last week, but they look-

el mighty impressive against San Francisco. Ole Cazzie dropped in points and set two records. 45 Michigan State seems to be on the come-back trail, however, they play St. Joseph (rated 4th) this Saturday. UCLA was dropped by Duke twice and Duke will play Michigan on December 20th at Cobe Hall. (Does anyone have a spare ticket?). Duke and Michigan In the fourth quarter the cry for are highly rated teams, so this

game at Cobo Hall is the game of the month! (Again does anyone have a spare ticket?). Heard a couple of reports about two former athletes. One of them is Bob Porritt. Bob won all kinds honors in football, track, basketball and baseball. Bob earned 12 varsity letters at Clarkston. His latest achievement is as coach

at Okemas High School. Bob coached his JV football team to an undefeated season with a record of 8-0. Some of this coaching was done from a wheelchair, as Bob suffered a terrible accident when hot grease was spilled on him.

State Fund Gives Clarkston \$1481

The Department of State Highways is distributing third quarter Motor Vehicle Highway Fund collections to Michigan counties and incorporated cities and villages. Howard E. Hill, State Highway Director, said net receipts of the Highway Fund during July, August and September of 1965, amounted to \$52,436,035, an increase of \$3,376,660; or 6.9 per cent, compared to the same period of 1964.

The increase reflects a sharp upturn in summer vacation travel compared with 1964 Hill said. Total for the first nine months of the year show a 3 per cent increase of only \$5,843,060 more than receipts during the first nine mon-

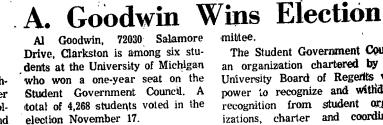

ths of 1964, he said. Increased maintenance costs and an intensified safety program costing an added \$3 million this year will absorb the Department of State Highways' increase leaving no new revenue for new construction, he said

Oakland County's share totaled \$1,127,816 while Olarkston received \$1.481.00.

All state gasoline and diesel fuel taxes and license plate fees go to the Motor Vehicle Highway Fund. After deduction of collection costs and the Waterways Commission's share, the money is distributed with 47 per cent to the Department of State Highways, 35 per cent to the State's 83 counties, and 18 per cent to 521 incorporated cities and

vilages. Under this formula, the Department of State Highways will receive \$24,644,937 as its share of the third quarter colections. The counties will receive \$18,352,612 and the incorporated cities and villages wil get \$9,438,486.

Michigan squirrel hunters had a banner season in 1964, scoring a kill of 970,000. Their shooting last year was the highest since 1958 when more than one milion squirrels were taken.
