SINGLE COPY 10 CENTS

CLARKSTON, MICHIGAN 48016, THURSDAY, DECEMBER 23, 1968

NUMBER 17

## Foursome Schedules Quartet Show

Proving that there can be fun even in program planning are, from left to right, Walter Arsenault, 5456 Columbia; Homer Richmond, 6101 Overlook Dr., Program Advertising Chair-

man; Jerry Leroux, 5357 Columbia, General Chairman; and Rawley Hallman, 6101 Ortonville Rd., Publicity Chairman.

The Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America, Pontiac Chapter, will host their 23rd Annual "Holiday of Harmony" on January 22, at the Pontiac (Northern High School Auditorium.

Headlining this parade of quartets will be the "Four Rascals" of Boston, Mass., recently crowned 2nd Place International Champs. Also featured are the current Michigan Champions "The Four Fits" of Grosse Pointe, and the "Aire Males" of Wayne-Dearborn, who were International Quartet Finalists this year. Furnishing the comedy routines will be the "Spartone Aires" of Grand Rapids, whose presentations are strictly hilarious.

Tickets are now on sale at the Professional Service Pharmacy, on M-15 near Dixie Highway.

Santa Claus was reading letters from Clarkston children when we interviewed him recently.

## Independence Fire Department Report

Independence Township Firemen responded to thirty-two calls during the months of October and November according to their reports.

A building fire at Camp Frisby on Andersonville Road, October 1, was the only fire attributed to arson. The floor of the building had been soaked with fuel oil and set afire. The building was the old log chapel.

In two instances the department responded after Halloween pranks set fire to rubbish. Both of these runs were made October 30.

During the two month period dump fires were extinguished by the department on three occasions, October 19, 27, and November 18.

Fires originating in homes accounted for seven calls received by the department. Lint in an electric unit at the Herschel Fry residence, 6921 Ormond Lane, November 8, caused a fire to which seven volunteers responded. A \$25 loss was reported by Robert Coen of 4445 Oakvista when a blow-off motor caused a fire at his residence, November 16.

Two of the residence fires were blamed on furnace problems. These were reported by Charles Meadows, 4559 Summerhill, November 29; and Bill Watson 5330 Sunnyside, October 14.

A fire originating in an attic next to an over-heated chimney, October 30, at the George Smith residence, 7256 Andersonville Rd., caused damage estimated at \$50.

A \$25 loss was attributed to a fire caused by a water pump motor at Dr. Robinson's residence, 5570 Waldon Road, October 25.

The department responded to a call from the Texaco Oil Company, 7230 M-15, November 18, to "stand-by" when an oil furnace was reported to be dangerously over-heated.

There were six grass fires in Independence Township during October and November. Three of these were started by children or teenagers.

Two teenage boys started a grass fire on Dvorak near Maybee, October 26. A field fire was ignited by children at the end of Ascension Street, October 15, and a fire in a woods, November 5, on Maybee Road was attributed to children.

Burning rubbish in an open barrel started a grass fire on Felix Drive, November 14. An October 20 fire on Princess began when burning leaves ignited a field. The cause of a November 3 fire on Maybee Road was undetermined.

Firemen extinguished three car fires during the two month period. These fires took place October 2, at U.S. 10 and Foster Roads; October 11, in the A & P parking lot and November 19, on Waldon Rd.

In three instances the department was asked to assist other departments. Two tankers and seven Independence firemen assisted the Waterford Department at a gasoline station fire at the corner of Sashabaw and Walton Blvd. November 2.

When the Green Lake Meat Market burned, October 31, eighteen Independence firemen and all of their fire-fighting equipment were used in assisting Brandon.

Springfield called Independence Fire Department for assistance at a barn fire October 27.

Rescue equipment was used eight times during October and November.

## Santa Tells of Clarkston Mail

We interviewed Santa Claus to see if he was ready to make his usual Clarkston deliveries December 24. Santa told us that most of the toys are ready and he has spent the last week or so going over mail from Clarkston children to be certain that he has remembered everyone.

Steven Hutchins (5180 Steven Rd.) asked Santa for a baby brother. "That is probably the most difficult request I've ever had from a Clarkston child," Santa laughed. "But, I'll do my best."

We asked Santa if he would be giving all the children exactly what they requested. He must have thought that was a very funny question for he laughed so hard that his face turned as red as Rudolph's nose. When he finally stopped laughing he told us that if he gave children everything they wanted, some homes would be so full of toys there would be no room for anything else.

"Besides," he said, "the children would never have any surprises. They would know exactly

what they were getting every year, and that would spoil half of the fun of Christmas."

We wanted to know what kind of presents Clarkston children had requested, so Santa selected a few letters and read them to us. So many children requested dogs or puppies that I doubt if we will hear Santa's sleigh bell this year. If you hear a lot of barking Christmas Eve, look quickly. It could be Santa with a sleigh full of dogs!

Santa said he received some especially nice letters from boys and girls who are second graders at Sashabaw School. He showed us these letters and we thought these students did a lovely job of printing.

Some of these very good letters were sent to Santa by Weidon Graham (4875 Clarkston), Cindy Hamley (5356 Oak Park), Diane Bryce (5736 Mary Sue), Debbie James (5359 Cecelia Ann), Kay Ellen Eisenhardt (5189 Stevens), Jeff Brontley (5679 Mary Sue), Donna Long (5410 Columbia), and Jeff Richardson (5377 Burgandy).

Others came from Michelle Donnelly (5368 Burgandy), David Villeneuve (5770 Griggs), Sue Thomas (5530 Mary Sue), Tim Merenuk (5574 Clarkston), Darlene Luce (5115 Pine Knob Lane) and Bonnie Parker (5916 Mary Sue).

Still others included Michael Robertson (4950 Cecelia Ann), Debbie Hoskins (4975 Pine Knob), Stanley Drozdowski (5686 Everest), Ronald Tuningley (4931 Cecelia Ann), Mary Rossano (107 N. Main), Jackie Ross (5511 Mary Sue), Chris Townsend (5342 Heath), Kyle Brooks (5045 Greenview), and Kathy Danley (6665 Laurelton).

Santa also received letters from

Brian Dillin (10493 Green), David Green (5081 Oak Park) and Brian Marion (5700 Dvorak).

"Most of the children in Clarkston have been especially good this past year," Santa told us. "I'm going to have a full sleigh when I come into Clarkston. I'm sure this will be a very good Christmas," he added.

When we left Santa was reading more mail just delivered by the postman. It was plain to see that Santa was going to be a very busy man!

## Rotary Club Says "Thank You"

Sturdy, well-fitting shoes for needy children has once again been made possible through the generosity of Clarkston area residents. The shoes will be purchased before Christmas by the Clarkston Rotary Club with funds received from the sale of fruit cakes and the Goodfellow paper.

"Once again our Clarkston friends and neighbors made Christmas meaningful through their wholehearted support of these projects," Rotarian "Bud" Hawker stated. Mr. Hawker said that Rotary members wished to express their gratitude to all who helped by purchasing a Goodfellow paper and fruit cakes.

Many have commented on the beauty of the community Christmas tree which is displayed in the village parking lot — Area residents join with the Rotary Club in voicing a special "thank you" to Mr. and Mrs. Charles Floyd for donating this splendid tree.

## Minor Injuries

### Result of Wrecks

Two persons were injured when their cars collided on Sashabaw Road near Oak Hill December 13. Injured were Leora Draper of 4345 Seymour Lake Road and Tommy Lee Bliss of Ortonville.

Linda Jo Grace of Pontiac escaped injuries in an accident on Dixie Highway near Maple Road.

Charles Nolen was injured when his car overturned after hitting a culvert on Andersonville Road, December 14, according to State Police records.

David Aaron Ross of Pontiac was injured in an accident December 17, on Telegraph near Square Lake Road. The accident occurred when a car driven by Ernest Bowker of Rattalee Lake Road, Clarkston, struck the Ross vehicle after Ross made a sudden stop.

Allan Hill of Holly, an occupant in a vehicle driven by William Addis of Holly, received minor injuries when their car was struck by one driven by James Foster Sharon Bergin of Waterford and Josephine Shelton, 7230 Perry Lake Road were not injured when their cars collided on Dixie Highway near Midland Road, December 18.

## Reaching Out

### No Room at the Inn

Mary brought forth her first-born and laid him in a manger, because there was no room for them in the Inn.

Luke 2:7.

That was to be the Master's experience in coming to this earth — no room for the Teacher, for His message was a prophetic message of peace and plenty of His active life was the tragedy of mankind. Yet, in just three short years, He died to regenerate mankind from the moralists and pharisees of all time; and as in imagination we stand at the door of the Inn at Bethlehem on Christmas morning, we cannot fail to realize that to be hospitable to Jesus, and His message is the supreme act of life.

In a high place and in the many gifts of God, the most and most that can know and welcome the highest when He appears, and next in value to that ability is the capacity to recognize greatness and make room for it.

OUR FATHER, We would know Jesus for better than we now do. Constrain us, we beseech Thee, to welcome Him into our lives this Christmas Day and every day.

AMEN.

Everett Butters

## Legislature Eliminates Caucus

### Lighting Contest

The Davisburg Jayettes are sponsoring the second annual Springfield Township Christmas Tree Lighting Contest. Any resident of Springfield Township may be eligible by sending a postcard to Mrs. Elwyn Hillman, Box 104, Davisburg, by December 21.

A prize of \$25 will be awarded to the first place winner. Second and third prizes will be awarded. Judging will take place December 23 beginning at 7:00 p.m.

Only applicants applying by post card will be eligible.

### Sauna Is Open

The Waterford Hills' Sauna, a Finnish bath, has opened for business at 6110 Dixie Highway. The Sauna is jointly owned by two Clarkston families, Mr. and Mrs. R. D. Campbell and Mr. and Mrs. L. M. Johnson.

Facilities in the building include a reception room and five private dressing rooms, showers and Sauna rooms.

Sauna baths are recommended for improving the complexion, weight control, and relaxing purposes according to the proprietors. The sauna rooms are heated to a temperature of 150 to 170 degrees. Moisture is obtained by squirting water on the "electrified hot rocks". Thus, the individual bath controls both the temperature of the room and the amount of moisture in the air.

The Waterford Hills' Sauna is open daily from 1 to 9 p.m. and Saturdays from 9 a.m. until 9 p.m. Appointments may be made.

## Clarkston Village Candidates to be Selected by Petition

The Village of Clarkston, along with villages throughout the state, will eliminate the caucus as a means of selecting candidates for the 1966 election. The change was made mandatory through an act adopted by the Michigan legislature this year.

Village petitions, which must carry signatures of at least one per cent and not more than four per cent of the registered voters, will be substituted.

Petitions may be obtained from village clerk Art Pappas, 55 West Washington. These must be signed before 4 p.m. January 3, 1966.

A primary election will be held if there is a contest for any office. All of the incumbents with expired terms have filed petitions for re-election according to Mr. Pappas. However, there will be changes in the positions for which two of these incumbents are candidates. James Huttenlocher, present Village president has applied as a candidate for an office of trustee, while a present trustee Robert Werhman hopes to appear on the ticket for village president.

Mr. Huttenlocher has served as Clarkston's President for the past year. Prior to that time he was a trustee for five years. Werhman has served on the village council

for a total of 1½ years. Other incumbents seeking re-election include Harold Goyette, a member of the council for five years; Donald E. Cooper, ½ years; and Keith Hallman who was appointed to the office of trustee in 1965 and is now seeking re-election to the same office.

Art Pappas, Village Clerk for the past four years has filed his petition as has his wife, Mary Ann, Clarkston Village Treasurer for the past 3 years.

Ralph Thayer, seeking re-election as Village Assessor, an office he has held for 1½ years, has a total of 1½ years as a village servant. Mr. Thayer was village clerk for 13 years.

Prior to 1966, candidates for village office were selected by caucus in February for election in March. The caucus was a single party meeting at which candidates were nominated. It was in effect a mail scale convention.

Clarkston village offices to be held in the March election include President, Clerk, Treasurer, Assessor and four trustees.

The last day for voters to register for the annual election will be Monday, January 23. The election will be held Monday, March 14.

## Dennis Urick Will Play at Rose Bowl

Dennis Urick, formerly of Clarkston, will attend the Rose Bowl Football game as a member of the Michigan State University Marching Band. Besides his affiliation with the 175 man Marching Band, Dennis belongs to the "A" Jazz Band, the Activities Band and the Phi Mu Alpha Sinfonian Wind Ensemble and Choir.

As a member of the MSU Marching Band, Dennis will be going to Pasadena, California to participate in the "Tournament of Roses" Parade on New Year's Day. Later he will play with the band at the Rose Bowl game.

Dennis expects to go on tour in Philadelphia in the spring along with fellow members of the "A" Jazz Band.

Attending MSU on a tuition scholarship, Dennis is now eligible and being considered for a Michigan Residence Scholarship. Having pledged Phi Ma Alpha last year, he is presently residing at the Fraternity House.

Dennis originally auditioned as a clarinetist, was accepted, and later asked to play the saxophone. He now plays the sax in each of the bands.

Band activities took Dennis to the Presidential Inauguration last year when he played with the MSU Marching Band.

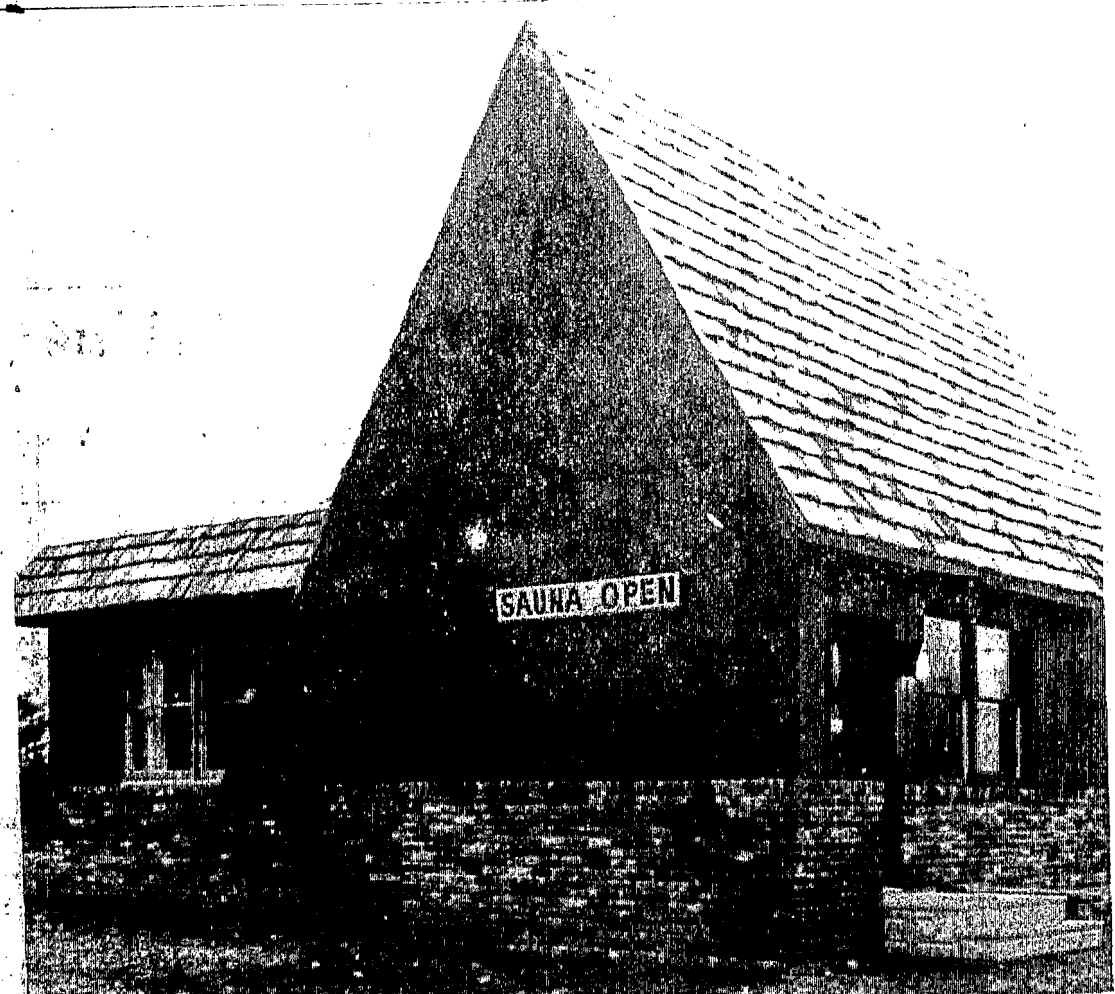

Dennis is the son of Mr. and Mrs. Nelson R. Urick of Armada.

Brownies of troop 907 practice Christmas carols which they sang at a caroling party held Monday.

Shown left to right are: (back row) Kathy

Cooper, Corriene Paul, Sherri Strine, Peggy Lorenz, Diane Pail, (kneeling) Jill Brown, Kathy VanDyke, Ellen Boyd, Robin Rowland and Jean Brown.

The Waterford Hills' Sauna, a Finnish bath, is open for business.

## FIRST CHURCH OF CHRIST

SCIENTIST

Oxford, Michigan

The service to be read in Christian Science churches this Sunday will emphasize the rich blessings which an understanding of Christ Jesus' mission brings to mankind. The Lesson-Sermon begins with the prophecy from Isaiah (9:6): "Unto us a child is born, unto us a son is given; and the government shall be upon his shoulder; and his name shall be called Wonderful, Counselor, The mighty God, The everlasting Father, The Prince of Peace."

Among the correlative readings will be the first tenet of the Christian Science Church: "As adherents of Truth, we take the inspired Word of the Bible as our sufficient guide to eternal life" (Science and Health with Key to the Scriptures by Mary Baker Eddy, p. 497).

The Lesson-Sermon subject is "Christian Science."

## CHURCH OF THE

RESURRECTION EPISCOPAL

# 'Twas the Night before Christmas...

"... And all through the house, not a creature was stirring" ... except these two little rascals! Christmas is their day ... dreams of toys, and sweets, and games, and lots of wonderful things!

Christmas is for children, yes. But, Christmas is for grownups, too. It's a time to give, a time to receive. But, sometimes the spiritual side is overlooked; not deliberately, of course, but lost in the delightful chaos of cheer and joy and fun.

Then remind yourself, to go to church—your choice! Pause there to pray, to give thanks for all you have received; especially, that wonderful gift, the gift of God Himself, in His infant Son. Christmas is Christ's day, His birthday!

## Christmas BLESSINGS

May the blessings of Christmas be yours during this holy season and may they continue long into the future.

Wonder Drugs

By Mrs. Shirley Lynch  
Maple 5-1065

Mr. and Mrs. Harold Collins Sr. and family, Mr. and Mrs. Harold Collins Jr. and family, Mr. and Mrs. Russell Collins and family and Mr. and Mrs. Richard Collins and family were guests Sunday at the home of the Ronald Collins' on Lakeview. During the family visit Mrs. Collins served a lovely dessert.

Coming December 23, a birthday party for Lynn Johnston who will be 5 years old. Lynn is quite eager and excited at having ten friends to her home for games, ice cream and cake. Mr. and Mrs. Richard Johnston on Northview Dr. are Lynn's parents.

Mr. and Mrs. Edward Ross and family of Middle Lk. Rd. will be attending a family gathering at the home of Mr. and Mrs. Clayton Ross of Drayton Plains Christmas Eve. After the gifts are unwrapped refreshments will be served.

The daughters of the Elwin Justice's on Eastlawn have been ill. Fay has returned to school after being home for two weeks with the chicken pox and Cindy is hoping that she will be well by Christmas.

Mr. and Mrs. Ken Pelkey of Stennie, Michigan are spending the holidays with the Edward Seath family on Cramlane Dr.

A Christmas and birthday party was held last Saturday, Dec. 18 at the home of the Arthur Kelley's on White Lake Rd. Sheila, the Kelley's daughter, was 5 years old and enjoyed opening both Christmas and birthday presents. Mr. and Mrs. Ralph Shiel with

Denise and Larry Shiel of Holly helped to celebrate the event.

Tom Hill, son of Mr. and Mrs. Albert Hill on Sherwood, left Monday for Fort Lauderdale, Florida, where he will be spending the holidays with his sister and her husband Mr. and Mrs. James Kelley. Tom will return home after New Year's to his studies at Flint Jr. College.

Guests at Edward Harding's first birthday party December 19 were Mr. and Mrs. Carson Bingham, grandparents, and great grandmother Mrs. E. L. Tremblay of Birmingham. Other guests were Mr. and Mrs. Charles Bingham, Mr. David Bingham, Miss Judy Bishop, Mr. and Mrs. Gene Apple of Royal Oak. Others were Frank Harding of Pontiac, Mr. and Mrs. Robert Hagstrom, Mr. and Mrs. Orval Duncan, and the Richard McKibben's of Clarkston. A buffet supper was served. The hosts were Edward's parents, Mr. and Mrs. John Harding of Peach Dr.

Mr. and Mrs. Ross Bishop, of Felix Dr. will be spending Christmas with the Jack W. Hancock's of Reese Rd.

A family Christmas party and dinner was held at the Community Center Sunday, Dec. 19. Forty-six members of the Jessie Weber family attended including Mr. and Mrs. Arthur Kelley and family of White Lake Rd.

Mr. and Mrs. Felix Mayo of Mio, were luncheon guests Monday at the home of their son and family the Gerald Mayo's of Chickadee. Mr. and Mrs. Felix Mayo were on their way to their winter

May the infinite

blessings

of the

first

Christmas

be yours to

cherish now and always.

home in Florida, where they will wait out the Michigan snows.

Brad Collins is a very happy boy right now for he is able to use both hands to open gifts on Christmas. On Brad's second birthday, November 23, he injured his right hand and underwent surgery to repair the tendons leaving his hand and arm in a cast until recently. Brad is the son of Mr. and Mrs. Ronald Collins on Lakeview.

A Christmas party was held at the home of Mrs. Wilbert Fitzthomas on Eastlawn last Wednesday evening for Pinocchio Club members. A gift exchange followed a game of cards. Mrs. Ernest Smith received first prize for high score and Mrs. Howard Elsholtz winner for low score.

### HAPPY BIRTHDAY:

Robert L. Jones, Cheryl Cinader, Chris Coulter, Bob Hodge, Diana Hyatt, Dec. 24; CHRISTMAS DAY, Holly Hawke, Chris Kortge, Alissa Goldfaden; Dr. A. S. Hamilton, Leland Gallivan, Janice Norberg, Michael Jewell, Dec. 26; David Cinader, Jack Frost, Robert Kuechle, Karen Kreiner, Dec. 27; Gloria Miller, Clark Riddle, Bill Richard, Michele Thayer, Ed Jennings, Dec. 28; Diane Leaf, Dec. 29; Mike Jensenius, Tommy Parrott, Philip Davidson, Dec. 30; ANNIVERSARIES:

Mr. and Mrs. Norn Raedeke, Dr. and Mrs. A. S. Hamilton, Dec. 27; Mr. and Mrs. John Witherup, Dec. 28; Mr. and Mrs. Bob Jensenius, Dec. 29; Mr. and Mrs. Beverly Sutphin, Dec. 30.

### Recipe of the Week

#### Holiday Punch

1 smile each  
1 song each  
1 laugh each

Mix one portion per person. Extra portions can be added to make it richer. Make enough for all. This punch when used freely makes the happiest holiday. Make a huge batch — It's especially good left over and will be enjoyed by all throughout the year — Hope you have the best Christmas ever... Shirley Lynch.

## Scouts Give Toys to Tots

One hundred and seventy Girl Scouts from Glenn Oaks neighborhood troops attended a combined Christmas party held at the Oakland County Sportsmen Club December 17.

Each girl brought a gift to donate to "Toys For Tots" fire fighters campaign. The girls decorated a Christmas tree with ornaments they had made the previous year. A toy march followed with each girl placing her gift under the tree.

Representing the fire fighters and accepting the Scouts gifts were Jack Douglas and Jerry Laurenger. Each of these men gave a brief presentation to the group. "The Joy of Giving" was the theme of Mr. Douglas' speech, while Mr. Laurenger's topic was "It is More Blessed to Give Than to Receive."

Also present was exchange student Roxanne Stella, who told the girls about Romania and Israel. Carols were sung and a time of refreshment was enjoyed by the group.

Mrs. Robert Summers and Mrs. James Hayes were co-chairmen for the event. Hostesses for the party were the Girl Scouts of troop 280. This troop, led by Mrs. Kenneth Carman and Mrs. Clifford Neville is sponsored by the Oakland County Sportsmen Club.

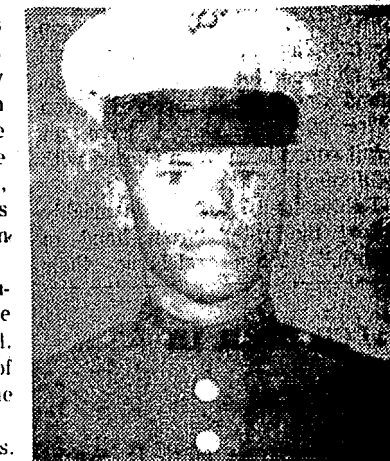

## Extension Club

### Visits Infirmary

The Clarkston Study Extension Group met at the Community Center, Dec. 14th at 10 A.M. At that time the members went to the Oakland County Infirmary to visit the patients and distribute Christmas gifts.

Following a tour of the Infirmary they enjoyed a luncheon at Harvey's Colonial House.

## Men in Uniform

Marine Private Scott W. Galbraith, son of Mr. and Mrs. Robert M. Galbraith of 7165 Glenburnie Lane, Clarkston, has graduated from Marine recruit training at the Marine Corps Recruit Depot at San Diego, Calif.

During his eight weeks of intensified recruit training under veteran noncommissioned officer Drill instructors, he learned small arms marksmanship, bayonet fighting, and methods of self-protection, as well as receiving instruction in military drill, history and traditions of the Marine Corps, and other academic subjects.

He has been assigned to Camp Pendleton, Calif. for four weeks of individual combat training and four weeks of basic specialist training in his military occupational field.

## Beware of Holiday Hazards in the Home this Week-end

Christmas is the time to be jolly -- but sad statistics show that it is also the time for an alarming increase in home accidents. To keep your holiday safe as well as happy, here are some hazards to look out for:

**TOYS** -- Air rifles, archery sets, dart games, hunting knives and chemistry sets make wonderful Christmas gifts -- but they can be crippling weapons in the hands of children too young to understand the hazards involved. Even older children should have an adult supervision when playing with equipment of this type.

Babies and toddlers invariably follow the rule, "from hand to mouth." When selecting their

Christmas toys, therefore, carefully avoid small objects, marbles, coins or beads, balloons, plastic bags, whistles with removable mouthpieces and pull-toys with removable parts. According to the National Safety Council, more than 600 children under five years old die each year as a result of suffocation from the ingestion of these small objects.

Parents also should see to it that Christmas toys are sturdy and well-made. Cheaply constructed or breakable toys will come apart or break under strenuous play, inviting cuts, infection and sometimes even deadly wounds. A simple test for toy sturdiness is to bend it slightly yourself first. If you can bend it easily you can bet that your four-year-old will be able to do it.

Electrical toys of any type are unsafe for younger children. For older children, only those electrical toys bearing the Underwriters' Seal of Approval should be selected. NEVER permit a child to experiment with an electrical toy himself -- first show him how to use it properly. After electrical toys have been in use for some time, inspect them for frayed cords or other defects that can cause shock. Above all, teach children never to play with electrical toys if they have wet hands or damp clothing.

**CHRISTMAS DECORATIONS** -- The fire hazard posed by the Christmas tree cannot be overestimated. First of all, make certain that tree lights are UL approved and that no portion of the electrical wiring is frayed or exposed. NEVER place candles or flammable decorations on the tree. It's also wise not to let the Christmas tree

stand for more than a week. Even if watered faithfully it tends to dry out quickly in warm room temperatures.

Decorations which are especially hazardous to inquisitive children include Christmas Tree Light Bubbling Fluid, which contains the poison methylene blue; and Fire-place Colors made of toxic metallic salts. Snow Sprays contain highly poisonous propellants, which may be inhaled. Even Metallic Icicles -- if ingested by a curious youngster -- can cause serious lead poisoning.

Still another frequently overlooked hazard at Christmas time is aspirin, the cause of one-third of all accidental poisonings in children under four years old. Usually in abundant use during the holidays, aspirins are frequently left within reach of small children.

Remember: Christmas is the happiest time of year for your children. Keep it that way -- by keeping it safe for them.

## Letter to the Editor

Dear Editor:

I am writing, in regard to the very dramatic cancellation of the play "The Red Shoes," last week-end.

Many youngsters spent long hours in rehearsal for this play, only to be told at the final dress rehearsal, that they were not good enough and did not sell enough tickets.

I am sure that the parents and people planning to attend did not expect a Broadway performance from these children in their first attempt on the stage.

I know my young son will have

to face many hard knocks in life before he becomes an adult. But, to have his first big kick in the teeth comes from an adult, an educator and a father many times himself, is simply beyond me.

Sincerely,  
Betty Hallman

(Editors note: I personally contacted school authorities to find out their reasons for cancelling "Red Shoes." I was told that improper scheduling coupled with laxity in preparation and student backing precipitated the decision to cancel the play.)

## Seymour Lake

### News

There was a good attendance at the Christmas program in the Methodist Church Sunday afternoon. The choir was conducted by Sandra Miller with her sister, Mrs. John Cook, organist.

Mrs. Helen Boyer, an 80 year old resident on Seymour Lake Road, had the misfortune of slipping and falling on her porch last Monday. After waving her arm for help and receiving only friendly greetings from friends passing

by, she managed to enter her home. The only injury was a sprained wrist.

Burial rites for Mrs. Agnes Wright of Lake Orion, who died last week, was at Seymour Lake cemetery last Thursday. Leslie Wright of Seymour Lake Road is a son. Two daughters also survive.

John McClymont of Pontiac passed away Thursday. Burial was Saturday afternoon.

as the Seymour Lake Cemetery Eleanor Scott of Cincinnati will return this week to spend Christmas with her aunt, Miss Carrie Buckindale.

Happy Christmas

May all the joys of the season be yours in great abundance.

Marine Private Mark D. Seath, son of Mr. and Mrs. Edward E. Seath of 6473 Cramlane, Clarkston, Mich., completed individual combat training Nov. 3 with the Second Infantry Training Regiment at the Marine Corps Base, Camp Pendleton, Calif.

The four-week course included over 200 hours of instruction under simulated combat conditions, small unit tactics in both conventional and guerrilla warfare, day and night combat, reconnaissance and combat patrolling, and the effective use of infantry weapons.

He is undergoing four weeks of basic specialist training in his military occupational field.

The Leathernecks bound for the training at the Staging Battalion at Camp Pendleton, Calif. This training will emphasize jungle warfare, patrolling and civic action, based on experience gained in Viet Nam.

Marine Second Lieutenant Charles H. Bodmer, son of Mr. and Mrs. Henry E. Bodmer of 3210 Whitefield Drive, Waterford, Mich., is attending Pre-Flight School at the Naval Air Station, Pensacola, Fla.

During the five-week training, he will study aerodynamics, mathematics, physics, naval orientation, navigation, engineering leadership and other subjects essential to a Naval Officer.

Upon completion of the course, he will undergo flight training at Pensacola.

# Going to Florida Next Year?

Nearly two-thirds of the total mileage on the four main routes available to half a million Florida-bound Michiganders this winter are four-lane superhighways. Automobile Club of Michigan touring manager Jerry E. Fisher reports.

This means easier, safer driving than ever before for motorists who plan a vacation in the Sunshine State. For those with less than two weeks of time, Fisher advises going by air. Eastern and Delta Air Lines fly 13 daily express flights between Detroit and Florida. Jet time, Detroit-Miami, is 2½ hours.

The anticipated contingent of 500,000 Michiganders represents a 12 per cent increase over the number who went there last year.

As before, the greater number — some 86 per cent — will go south by automobile. Economy and convenience, plus highway conditions that are getting better all the time, were cited by Fisher as main reasons most vacationers will drive.

It will cost each auto passenger \$15.50 daily for travel, food and lodging. There will be an average

of 2.5 passengers a car. Motel costs en route will average between \$10 and \$14 a couple a day.

Most motorists will utilize the two western-most routes between Michigan and Florida, Fisher said because they offer almost complete freedom from mountains. They also offer the most miles of four-lane highway, 1,172 and 1,072 miles respectively, over the other two more eastern routes.

All told, about 100 miles of four-lane highway have been added to three of the four main routes to Florida since last year.

Route A on the accompanying map, taking motorists through Nashville, is the most popular with Michigan residents, even those going to Miami. It is practically non-mountainous, and during winter is usually in better condition than other routes. It is not the shortest. Route B holds that distinction. But it does offer some 100 more miles of four-lane freeway.

The second most popular route is B. It takes a course through Lexington, Knoxville, Atlanta, and

Ocala, on its way to Miami. It is 142 miles shorter than Route A. The other two routes, mountainous in sections, are quite popular during spring and fall, when they are snow-free and blossom-lined. Longest of the routes is C, which takes advantage of the Ohio and Pennsylvania turnpikes. Route D is considered hazardous when ice conditions prevail in the West Virginia and North Carolina mountains.

Comparative figures on the four

principal routes from Michigan to Florida are:

Route	Mileage	4-lane hwy.	Toll
A	1560	1172	\$6.20
B	1418	1072	\$4.80
C	1599	1020	\$6.60
D	1439	607	\$4.35

Motorists heading for Florida during the 1965-66 winter will find little change in rates for accommodations over last year. This is the motorist bound for the south-

land must remember to be alert true also in Florida.

in areas that insist upon strict enforcement of traffic laws. While these are few this year, motorists should still use caution.

On Route A, Bonnieville, Ky., is listed on the latest AAA report, while Livingston, Ky., is on Route B. Ludowici, Ga., a spot often in the news in the past, is back again and the motorist must watch his speed carefully driving near it. Ludowici is on both Routes C and D. In Virginia, the area from Staunton to Lexington on US-11 on Route C is listed, while in addition to Ludowici, Route D includes a stretch on Virginia 100 from US-11 to US-221 and on US-52 from Mt. Airy to Country Route 607.

For those who don't want to drive, or whose time is limited, flying is the answer. Delta Air Lines and Eastern Air Lines, the two major airlines with service between Detroit and Florida, have both beefed up winter schedules in anticipation of a 30 per cent or more increase in air travel this season.

Train travelers have a choice of routes to Florida. They can go to Chicago and take the Pennsylvania's South Wind or the Illinois Central's City of Miami which leaves on alternate days; or they can go to Washington on the Baltimore and Ohio where connections can be made on the Atlantic Coast Line or Seaboard.

Greyhound again will offer its "Straight Thru Service" from Detroit to Miami, leaving Detroit at 6 p.m. daily and arriving in Miami at 6 a.m. the third day. Special winter package rates are available in such key cities as Miami, Fort Lauderdale, Palm Beach, Jacksonville, Sarasota, Tampa and St. Petersburg.

'Jimbo the Clown' was one of the main attractions at the Oakland County Sportsmen's Club annual Christmas party. Here he is showing an unidentified child some fascinating tricks.

## U.S. Army Nurse Tells of Vietnam

"It was the only hospital on the Mekong Delta equipped to care for any type of illness or injury," stated Captain Jeanne Hoppe, U.S. Army Nurse, who recently returned from the war in Vietnam. This is the way Captain Hoppe began to describe the 10-bed hospital she helped open at Soc Trang, 145 miles south of Saigon. At that time there were only 15 Army nurses in Vietnam. "This was September 1964," and now, "there are over 100 Army nurses in Vietnam," states Captain Hoppe, "and more will go as the size of our forces there increase."

Captain Hoppe visited with the U.S. Army Recruiting personnel in Detroit, Michigan on November 10th to assist in Project 500, a current drive to obtain 500 registered nurses urgently needed in the U.S. Army Nurse Corps. During her visit she related that "Army nursing is a career with a cause, and it is a very easy cause to believe in wholeheartedly and one that is as rewarding as any career in nursing can be."

Captain Hoppe went on to describe her tour in Vietnam by telling of care given not only to American soldiers, but also to Vietnamese wounded. Her small hospital was equipped to give full medical and surgical care to American soldiers stationed there. More than once, after a sweeping operation across the Delta, the hospital overflowed with American and Vietnamese wounded. On four occasions, the compound's theater was utilized for hospital space to render first aid to Vietnamese soldiers before moving them on to their own hospitals.

# Merry Christmas

It's Christmastime. The land is cloaked in white serenity . . . hearths are aglow with golden embers of warmth and homeliness . . . peace and happiness fill the air. With our deepest appreciation for all the blessing bestowed upon us, we reach out to our friends and neighbors to share with us the joys of this Holy Season.

## Howe's Lanes

There was candy and gifts for all the children who attended the annual Christmas party at the Oakland County Sportsmen's Club recently.

Santa made the representation to the glee of young and old alike.

## Health Education and Welfare

The 1965 amendments to the social security law provide for hospital and medical protection starting next July for millions of people age 65 or older, William E. LaRock, District Manager of the Pontiac Social Security office, announced today. This includes many people in Independence Township who are still working, and also, people who have had little or no work under the social security program.

Insurance to help pay part of the cost of hospital bills will be automatically available to any resident of Independence Township, age 65 or older if they have already filed for monthly social security benefits. People who are still working, and those with little or no work under social security, can get this important protection, LaRock pointed out, by filing an application.

"Even though this program does not go into effect until July 1966, I want to urge everyone age 65 or older to contact our office as soon as possible to make the necessary application," LaRock stated. "We have already taken thousands of these applications, but there are still many people in this area who have not applied."

## November Traffic Fatalities

November traffic deaths in Michigan, totalling 156, were 22 or 12 per cent less than 178 in the same month a year ago, according to State Police provisional figures.

The month's average was 158 for the five years of 1960-64, while the record high was 219 in 1941 and the record low was 87 in 1942.

The November count brought the 11-month total to 1,802 which was 68 or 3.5 per cent less than 1,930 killed in the same period last year. Delayed death reports will increase somewhat the November and accumulated totals.

More complete figures for October showed 195 killed and 14,785 injured in 27,995 accidents. This was a reduction of two per cent

in deaths but injuries and accidents both increased 10 per cent over the same month last year. Injuries have been up for 46 successive months compared with the same month a year earlier.

Accumulated figures for the first 10 months were 1,693 killed and 123,024 injured in 247,025 accidents. This was a three per cent decrease in deaths but a nine per cent rise in injured and a 12 per cent increase in accidents compared with 1,752 killed and 114,057 injured in 222,109 accidents in the same period in 1964. The 10-month statistics this year are already higher

than for the whole year of 1962 when 1,574 were killed and 108,443 injured in 233,078 accidents.

## Christmas Wishes

## Be Concious of School

### Bus Laws

Almost every driver is aware of Michigan's school bus law that requires stop for a bus that is taking on or discharging school children. Often though, there is some confusion among drivers as to the letter of the law and the best practice to follow.

The Michigan Dept. of Transportation reminds that the law has four basic points to remember about the school bus:

1) The driver must not overtake or pass a school bus which is stopped to receive or discharge passengers.

2) The driver must stop at the red, alternating flashing lights on the front and rear of the bus. You are expected to stop at a full stop.

3) You must remain at the stop until the operator has moved the flashing signals.

4) You must stop upon meeting a bus which has stopped across the road on a four lane highway, as indicated by a bar-

rier. (This law applies to Dixie Highway) A driver failing to stop not only jeopardizes the safety of children loading or unloading the bus, but risks getting a ticket.

5) One last reminder . . . When in doubt, STOP!

Some other points to keep in mind about school busses and their precious cargo, might be these: because of their passengers, school busses have a recommended route speed of 35 mph. Even on the highway they are limited to 50 mph. Expect the operator to go slower and he'll appreciate your courtesy.

The bus will stop for all railroad crossings. After stopping, opening the door and observing, the operator will then move carefully across the tracks. Again, your patience as the driver following the bus is both a courtesy and a necessity.

By observing the laws Michigan's motorists can make the task of transporting thousands of school children a safer experience.

## Edison Reduces

### Rates

The Michigan Public Service Commission recently gave approval to the Detroit Edison Company for a reduction in electric rates amounting to \$4,000,000 given to domestic and commercial (non-industrial) customers.

In making the joint announcement, Peter B. Spivak, Chairman of the Michigan Public Service Commission, and Walker L. Cislak, Chairman of the Board of Detroit Edison, stated that the new reduction would save electric space heating customers going on the new commercial space conditioning rate \$40,000. There would be a \$400,000 reduction for Detroit homes who use over 400 kilowatt-hours per month. Rates for every large commercial and industrial customers taking electric service at primary voltage would amount to \$4,060,000 less per year.

Detroit Edison's last rate increase was in 1949 and residential rates have since been reduced in 1959, 1963, November of 1964, and today.

# A Joyous Christmas

"Unto you is born this day in the city of David a Saviour, which is Christ the Lord"

As brightly as the star of Bethlehem, that Silent Night, may the spirit of the first Christmas shine forever in your heart.

May its message of Peace and Good Will become an abiding source of hope to you and yours.

## Clarkston Beats Bloomfield

You have heard of the TV version of "Run For Your Life." Clarkston's basketball team had its own version last Friday as they ran Bloomfield Hills right off the court 79-51!

Clarkston had only a slim lead in the first quarter. But, it wasn't McGrath's fault, because his chargers couldn't make a lay-up . . . namely, Randy Nicolson. His team mates set him up time and again but he couldn't put the ball in the hoop.

Surprisingly Clarkston controlled the boards. Dan Fife and Rod Allen, along with some late help from Alan Mortz, did most of the heavy work. Fife himself ended up with 22 rebounds.

It was in the second quarter when the running paid off for the Wolves. They out-scored Bloomfield Hills 22-11, as they ran and ran and ran some more. When the half was over the Bloomfield boys were a tired group of Barons.

Clarkston had a 16 point lead at half time with Dan Fife having 17, and Randy Nicolson cashing in on 9.

The second half was a replica of the first half with Clarkston still controlling the boards, enabling them to run with ease. Bloomfield Hills attempted to press the Wolves, but their press was futile as failed to intercept one pass.

It was Clarkston's press that bothered Bloomfield Hills as the Wolves forced the opposition into making numerous errors, such as traveling, double dribbling, or throwing the ball away. Clarkston was quick to capitalize on a break, as they scored on numerous occasions, many of them lay-ups.

Dan Fife led all scorers with 33 points to match his jersey number. Thirty-three is getting to be a popular number, as Cazzie Russell of Michigan and UCLA's fabulous freshman, 7'1" Lou Alinder, wear the jersey number 33. Dan is averaging over 30 points a game and over 20 rebounds a game . . . so one can see he is playing a mighty fine brand of ball for the Wolves.

Randy Nicolson was next high for Clarkston with 11 points. Alan Mortz and Rod Allen added 8 each. This was the first varsity game experience for Alan Mortz and his play was a pleasant surprise. Clarkston does not play another game until January 3rd when they will play an important conference game against Northville.

The Clarkston Junior Varsity team looked impressive in downing Bloomfield Hills 56-41.

Coach Jim Davidson had his chargers fixed up for this encounter. The score read 24-22 at half, but in the second half the Junior Varsity found the target quickly built with a 15 point lead which they held through out the ball game.

Scores for the JV men were: Mark Erickson 19, Steve McGill 12, Rich Johnson 10, Gary Ostrum 7, Eric Hood 6, and Kim Beattie 2.

## Women's Club has December Meeting

The December meeting of the Clarkston Women's Club was held at the home of Janet Rose at 8:00 p.m. on December 16. After a brief business meeting, the group enjoyed a musical program given by the Clarkston High School Vocal Ensemble under the able direction of Miss Charlene Williams, Vocal Director. During refreshments, colored movies were shown of the recent variety show, "Syn-copated Skirts," together with many photographs of the different acts.

Christmas cookies are carefully decorated by Brownies of troop 907. The artistic creations will be given to the girls' mothers for Christmas gifts.

Pictured left to right are: Patty White, Robin Plauffe, Pamela Watson, Lora Crosby and Beatrice Murrell.
