Robert Jones buys cookies from Girl Scouts (left) Susan Elliot and Sheila Cole on the first day of the Girl Scout Annual Cookie Sale.

"Non-Stop to the Top" is the theme for this year's Girl Scout cookie sale. Northern Oakland County Girl Scouts will be taking orders for the five kinds of cookies from January 21 through February 1. Delivery and direct selling is scheduled for March 4 to March 20.

The cookie selection includes peanut butter, paties, sherbet, cream, mints, chocolate and vanilla sandwich, cream, and sugared shortbread. Cookies are priced at fifty cents. Goal for the sale is 180,000 boxes.

Cookie profits in this council, as in Girl Scout councils throughout the country, are used primarily to support the Girl Scout camping program. Both day and resident camping programs have benefited from the many boxes of cookies purchased by area residents. Patrol cooking kits and dish pans are examples of new day camping equipment.

Camp Sherwood, the council's resident camp near Lapeer, is maintained and developed solely with cookie money. The exteriors of all the camp buildings have been repainted this year and the caretaker's house repaired and remodeled. Sixty-five acres of property adjacent to Camp Sherwood was also purchased. The aluminum dock and the fleet of sport yaks were provided by cookie profits.

Cookie funds provided campships (camping scholarships) for over 40 girls who might otherwise have been deprived of a camping experience last summer.

Wider opportunities for Senior Girl Scouts are also financed by cookie sales. The eight girls who attended Senior Roundup on Idaho last July were sent on Cookie funds. A percentage is used to send Senior girls to regional and inter-council events throughout the year.

He has given numerous recitals, radio and television appearances, both in the States and abroad.

Don Henaban of the Chicago Daily News said of the young artist: "Talent is a big one... plays with a wide dynamic range, meaty tone, sensitive to nuances... able to fix his audience's attention."

## An Editorial:

## Hat's Off To Local Fire Department

A \$150,000 fire broke out in the heart of Lake Orion's business district at 7:52 a.m., Sunday, January 9. Within minutes the Lake Orion Fire Department, under the direction of Chief Jack Caylor, was at the scene and five other neighboring departments had been notified to stand by for assistance.

The blaze swept through the building rapidly, but with the efficient work of the combined departments the fire was confined to the building in which it originated. By 10 a.m. the crisis was over.

Chief Caylor attributed the quick results to the cooperation of the five departments. Although Independence, Oxford, Brantford and Lake Orion, these units were not called to have water, but their in-flight engines.

While major fires are fortunately a rarity to the small townships which rely upon the volunteer firemen, they are, nevertheless, a reality. The limited equipment and man power with which these departments operate have failed to hinder their efficiency.

Perhaps one of the greatest reasons for the success of these units is organizations such as the Northern Oakland County Firefighters Association, of which Independence Township Department is a member.

Through this association all member groups commit themselves and their equipment to respond upon the request of any other member group. The department making the request is in charge of directing all fire-fighting operations affecting a unit in the performance of their individual duties.

The effectiveness of the Northern Oakland County Firefighters Association was proved again January 9 at the Lake Orion Fire. The Clarkston News joins with the citizens of the area in congratulating the men of these departments in a job well done.

## Women's Club Sponsors Program

A film, "To Your Mental Health" will be shown as part of a public program sponsored by the Clarkston Community Club, January 27, at the Community Center Building. The program, which will begin at 8 p.m., will be presented by Alcoholics Anonymous. A brief business meeting will precede the program.

Son of Mr. and Mrs. William Smith, 6360 Eastlawn, Clarkston, he was recommended by the Hon. Francis Crowley, Representative, 61st District.

Cadet Smith will serve as page for four days a week while the Legislature is in session, attending classes at Clarkston High School on Mondays. Studies will continue at the evenings in Lansing with a tutor.

## Lawson to Speak at CEA Meeting

On January 27, Mr. Ray Lawson, President of the Michigan Education Association, will address the members of the Clarkston Education Association. ## Winter Classes Have Been Set By Pontiac YWCA

Winter term classes at the Pontiac YWCA are scheduled to begin the week of January 24, according to an announcement made by Mrs. John Street, Chairman. Emphasis will still have to be on daytime activities, since construction of the Y's parking lot, facing on Franklin Blvd., has not been completed. Nine sessions of Nursery service for preschoolers between the ages of 2½ through five years will again be offered, with priority for the five morning sessions reserved for mothers attending classes.

A class in Charm and Poise is a new offering, to be conducted on Mondays by Maxine Sheldon, whose workshop-type classes are well known in Birmingham and Detroit. She will also offer a Saturday morning class for teen-agers in making the most of their youthful loveliness, with a possible eye toward modeling.

Lucinda Wyckoff's ever popular Furniture Refinishing classes are again on the agenda, as are Aurelia Ochoa's morning and evening classes in Knitting and Millicent Hollis's Bridge courses. Spanish, both for students with no previous knowledge and those who want greater fluency will be taught two mornings a week by Ligia Bueno, who also teaches in the Birmingham Department of Added Education, and at the Village Women's Club.

The YMCA's pool and gym facilities will be utilized for the Wednesday morning swim and slim classes and for the dips without instruction. Mrs. Street supervises this program, assisted by Jeanne Stickney, Vera Watson, Anne Knox and Eleanor Yevich. Most of the swimmers return to the YWCA for low-cost noon luncheons and varied programs which comprises the Ladies Day Out, traditional in Y's all over the country.

China Painting, taught by Wava Warner, is another Wednesday offering, as is Creative Dancing, with Carolyn Markey instructor. Cake Decorating, another lady-like skill, appears on the Thursday

schedule, with Audrey Hines, instructor. Those who want more active recreation may bowl with the Y's girls at West Side Lanes, or study Yoga under Margaret Sitterlin.

Ben Creech of Dearborn Heights will continue to conduct his Saturday Guitar classes, which are especially popular with the younger set. Frank Machek, Art instructor, has had to withdraw, however, while preparing his Master's Thesis for Cranbrook. He will be replaced by Irene Cotcher, James LaVergne, Hair Stylist, who taught at the Y some time ago, before demands of national shows became too time consuming, will return to conduct a five-week evening class. He will also give a Ladies Day Out program on the care of wigs.

Potential students who do not see the class of their choice among those presently offered, are encouraged to call the Y and state their wishes. The Y stands ready to offer any class for which there is sufficient demand, if facilities permit and an instructor can be found.

Folders describing the classes in detail are available upon request.

## Children of School Age Increasing

For the fifth year in a row the number of school age children in Oakland County has jumped while the number of pre-school children has declined.

In the May census thirty school districts counted 82,087 pre-school children and 256,107 between the ages of five and nineteen.

Last year's figures were 83,179 under the age of five and 245,128 of school age.

Every year since 1960, when the pre-school total peaked at 91,124 this age group has become smaller.

## Annual Art Show Scheduled at Mall

The 4th Annual Oakland County Art Show will be held at THE PONTIAC MALL, beginning Monday, January 31 through Saturday, February 12, 1966. All artists in Oakland County are invited to exhibit their works within the seven categories listed: oil, pastel, water color, graphic, charcoal and mixed media and sculpture.

Co-chairmen of the show are Mrs. Kate McLean, local artist and art teacher, and William Finger, of Finger's in The Mall. The chairman state that this will be the largest art show held in this area. Last year more than 300 artists exhibited more than 800 pieces of art work. This year it is estimated that about 500 artists will display their creations.

Awards will be given in the seven categories listed. Art work selected by popular vote will also be given awards.

The services of three well-known Michigan artists have been obtained as judges of the Show: Edward Hissong of Franklin, Michigan, Guy Palazzola, of the University of Michigan and G. Alden Smith, of Wayne State University.

All artists in Oakland County are urged to get their registration forms at Finger's in The Mall or the Sherwin Williams store in The Pontiac Mall.

Art work will be received for exhibit on Sunday, January 30, 1966, from 10:00 a.m. to 2:00 p.m. The center doors (main entrance) of the shopping center will be open at that time for the artists to bring in their works.

## Boy Sledding on Road is Stuck by Local Driver

Nine year old, Charles Gross, escaped serious injury when he was hit by a car while sledding on Dartmouth Road, January 15. Driver of the car, Nora E. Booth, 9825 Marmora, told Oakland County Sheriff Deputies that she could not avoid hitting the youngster. She was not held.

Charles was taken to St. Joseph Hospital in Pontiac by his grandfather. A hospital spokesman reported that he was treated for minor injuries and released.

In another accident, January 14, Jimmy Winslow of Clarkston received minor injuries after the car he was driving went out of control striking two parked cars and a telephone pole. The accident occurred on Dixie Highway according to Oakland County Sheriff Department records.

There were no injuries in a two car collision on Dixie Highway near Silver Lake Road, January 25, according to State Police records.

## Teachers Holding Degrees Increase

In the rising numbers that favored Oakland County Schools and school children in the past five years, one figure has decreased. This is the number of teachers who do not have degrees.

In 1960 there were 335 persons, 5 percent, without degrees teaching under professional certificates. This school year only 105 teachers, 11 percent, do not hold degrees.

There are 9,582 certified people this year employed to teach and administer schools for the 211,064 children in Oakland County. In 1960 public school enrollment was 175,160 with a total faculty of 6,975.

## "Holiday of Harmony" Will Feature Noted Quartet

The four rascals will be featured by the twenty-third annual "Holiday of Harmony" to be held Saturday, January 22, at the Pontiac Northern High School. The event is sponsored by the Pontiac Chapter of the Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America.

The four rascals proudly boasts as members of the quartet two who are judges of quartet and chorus competition, a chapter chorus director, a past chapter president and a former president of the Northeastern District association of the Chapter of S.P.E.B.S.Q.S.A., Incorporated.

The quartet members range in age from twenty-five to thirty six and they are employed as a carpenter, treasurer of a bank, social work supervisor and a taxi driver. Two of the four

some are brothers and are married with young growing families.

Although none of the members of the quartet has a formal music background, their unusual background and blend of voices is considered to be among the best in barbershopping and their ability to interpret the story of a song, whether it be light and lively or a serious ballad, brings pleasure to the audience.

Also to appear in the "Holiday of Harmony" will be the Four Fits, 1965 Michigan champs from Grosse Pointe; The Air Males, 1965 International quarter finalists from Dearborn and Wayne and the Spar-Tone Aires, a hilarious comedy foursome from Grand Rapids.

Tickets for the event may be purchased at the Professional Center Pharmacy on M-15 just south of Dixie Highway, in Clarkston.

## FIRST CHURCH OF CHRIST

### SCIENTIST

Oxford, Michigan

The nature of God as "TRUTH"

will be the subject of the service in all Christian Science churches this week. Scriptural readings will include the Psalmist's prayer: "Withhold not thou thy tender mercies from me, O Lord; let thy loving kindness and thy truth continually preserve me."

Paralleling the Bible passages will be references from the denomination's textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, including — "Let there be light" is the perpetual demand of Truth and Love, changing chaos into order and discord into the music of the spheres."

## Reaching Out

### Intelligent Religion

Thou shalt love the Lord thy God with all thy heart and mind and strength, and thy neighbor as thyself.

Mark 12:30-31

Jesus explicitly associates intelligence with religion and knowledge with faith. He makes no attempt to capture people by appeals to prejudice or to passion.

His call is to the intelligence, to the conscience and the will, rather than to the emotions, and he fully expects us to use the strength of our minds in God's service.

Jesus presents no code of laws for conduct, and of commandments in the proper sense of the term. He confirms but two — Thou shalt love thy neighbor as thyself — all the rest of His marvelous Teaching follows by way of application and counsel from these.

Just what in specific detail shall be the decisions and the paths of action befitting those who seek first the Kingdom of God and His righteousness is left to their own judgement, to be learned through experience, in the full light of His great Spirit.

OUR FATHER: We would know Jesus. To His great aristocracy of the pure and gentle heart we do aspire and to none other on this earth. AMEN  
Everett Butters

## Christian Scientist Will Hear Lecture

The availability of true freedom and harmony will be emphasized in a public lecture to be given in Pontiac by Elbert R. Slaughter, C.S., of Dallas, Texas, Thursday, January 27, at 8 p.m.

A member of The Christian Science Board of Lectureship, Mr. Slaughter is a native of Edgewood, Texas. He became interested in Christian Science in 1936 when he accepted a friend's invitation to attend a Christian Science lecture. ## A WORLD IN TROUBLE

### THE CHURCH FOR ALL ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

What has happened to this marvelous world of ours in this twentieth century of God's grace? Mankind seems to be passing through a sea of troubles which has no counterpart in human history.

There are wars and rumors of wars among the nations, and many of the nations themselves are split into warring factions, each faction striving for supremacy, and each intolerant of the views, hopes, and rights of others.

The great trouble with the world is that men have forgotten God. They no longer seek spiritual guidance, but follow the vain ways of the modern world. We have become a cynical, materialistic generation.

If this drift toward world tragedy and chaos is ever stopped, the churches of the world must do it. The world's hope — our hope — is in God and His Church. He alone can save mankind from a sorrowful fate.

The Church seeks to turn the hearts of men from the ways of war and fear and hate to the ways of peace and love.

## What's Up At C.H.S.

by Sandy Smith

Now that the students of Clarkston High School are back into the swing of things they are looking forward to January 28, when the first semester ends and they have a day off from school. At

this time teachers will grade tests and mark cards. Wednesday, January 19, the students and faculty attended a Student Government assembly which featured Don Lonic, Mr. Lonic, from Southfield, Michigan, is a noted youth speaker. His presentations include topics concerning health, manners, honesty, sex, belief in God and study habits. He has spoken at over 3,000 high school assemblies in 46 states

and he travels to the State of Michigan and Wisconsin. The students of Wheaton College, Illinois, have full time to work with teenagers. This weekend members of the ski club will travel north for the annual ski-trip. They will stay at the Wolverine Lodge and have fun on the slopes of Boyne Mountain, and Thunder Mountain. Sponsors are Miss Gabier, Mr. Jackson and Mrs. Thompson.

Winter weather has failed to hamper construction at the new Bell building. A plastic enclosure has been constructed for the workmen. Added comfort is acquired by the use of gas heaters throughout the area.

## Letter To The Editor

Dear Editor:  
Originally I ran this ad for 2 weeks. The first day after the ad appeared I called The Clarkston News to tell them I had sold the books, and to cancel the next week. Guess what? Next week the ad appeared in the paper. I called the Clarkston News again and told them of the mistake. They said it would be taken care of. So — guess what? I'm billed for 2 weeks!

I love your paper and am a good customer. I also would like ads in the future. Please accept one week's payment and buy your ad taker a memo pad, will you? The last time we ran an ad in your paper we had a lot of trouble, in reverse. It took us 3 calls and 3 weeks to get the ad in the paper and this time we can't get it out. Dear me!

Sincerely,  
Mrs. James O. Shoots  
(Editor's Note: We purchased the memo pad — we promise service with a smile. We didn't give service and you gave the smile — Try again, Mrs. Shoots. You have one free ad coming!)

## Area Couple Married

Wedding vows were repeated by Karen Sue Plourde and David Alan Ingersoll at the St. Alphonsus Catholic Church in Dearborn recently. The double ring service was performed by Rev. James Trent.

The bride is the daughter of Mr. and Mrs. Kenton Plourde of Saginaw Trail, Drayton Plains. Parents of the bridegroom are Mr. and Mrs. Clarence H. Ingersoll of Snowapple, Clarkston.

A bouffant illusion veil with a sequin crown complimented the bride's gown of white silk and chiffon styled with lace sleeves. A sequined bodice and chapeau train completed the effect. She

carried a bouquet of white carnations and baby red roses.

Donna Day, the maid of honor, wore a blue silk and chiffon gown with matching veil. She carried a blue sprayed carnation bouquet. Pamela Rodgers was the bride's flower girl.

Out of town guests were Michael Anderson, best man, with Jeffrey Ingersoll, brother of the bridegroom and Gary Niver seating the guests.

Out of town guests came from Pontiac, Ypsilanti and Maryland. Following a northern honeymoon, the couple will make their home in Lake Orion.

Beginning to sound like another broken sales record?

It is!

You bet it is. For the sixth straight year, Pontiac is outselling all but two makes, and already some 244,000 buyers have given the '66 Pontiacs and Tempests their own personal car-of-the-year award. And we're on our way to surpassing last year's record sales of over 800,000 cars. Another great thing about it all is that so many Pontiac owners are trading

in their present cars to help us get where we are. And that says quite a lot about the '66 tigers, doesn't it? But enough about us. Let's talk about you. Have you tried a Wide-Track tiger lately? We've got one waiting for you.

# Free Methodist Complete \$24,000 Parsonage

"To God be the glory, great things He hath done." These words taken from an old church hymn express the sentiments of Reverend Thomas Dunn as he considers his fruitful four and one half year old ministry at the Free Methodist Church of Clarkston.

These accomplishments were made possible through the sacrificial giving and tremendous vision of the dedicated members of our Church," the pastor said of the two projects.

The new parsonage is already occupied by Mr. Dunn, his wife, Barbara and their two sons, Glenn, 4, and David 1. A convenient three bedroom aluminum sided ranch, it features a full basement

and an attached two car garage. The availability of the parsonage to the church allows for its dual use. While it adequately serves the family as an all purpose area, it can be quickly converted to a Sunday School annex or fellowship hall to accommodate the needs of a growing church.

Guests are ushered into a spacious 15 1/2 by 16 1/2 foot living room from the home's main entrance. A formal dining area extends from the living room through a double opening. Polished oak hardwood floors enhance the two rooms.

The modern kitchen boasts a concealed laundry area. A half bath adjoins the kitchen and is equally available to the paneled 12 by 20 foot family room. A hide-a-bed couch allows the family room to double as an extra guest room.

The three bedrooms are located on the south end of the home as is the full bath.

Mrs. Dunn has selected shades of greens and blues throughout the house. Dark stained cabinets and paneling accent the combination in the kitchen and family rooms. The airy effect is complemented by double opening glass doors in the family room. A large braided rug emphasizing the theme colors adds to the comfort of this most lived in area. Furnishings tend to modern lines in

keeping with the simple design of the rambling ranch.

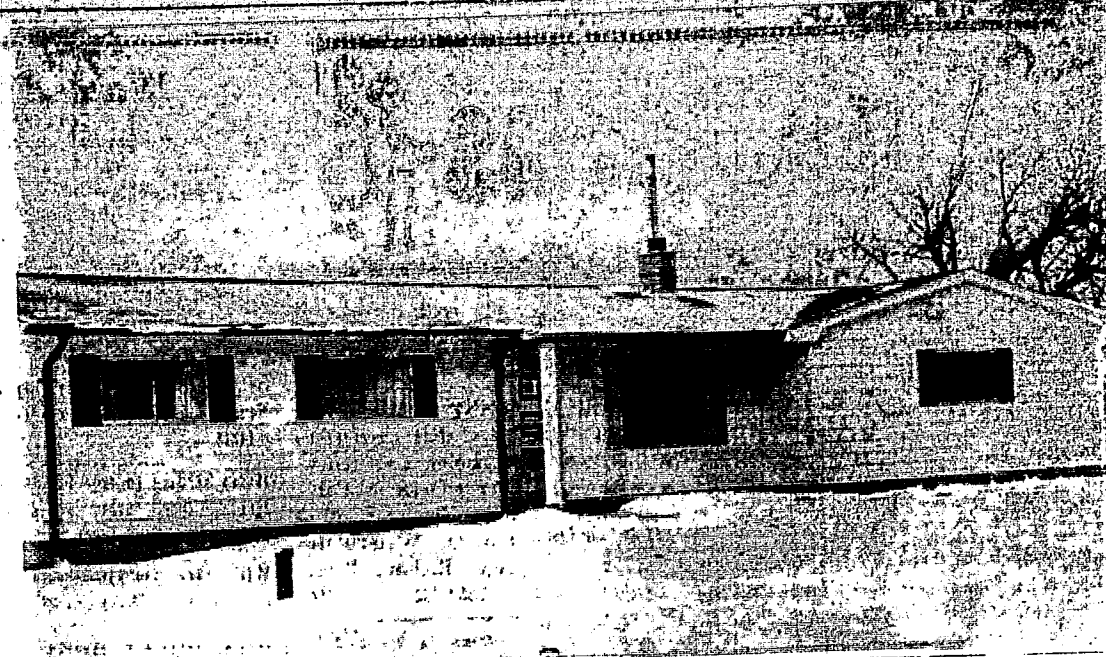

Mrs. Dunn's favorite features in the parsonage are the large double closets which are located in nearly all the rooms of the home. The dining room boasts two such storage areas.

"After moving from the small two bedroom former parsonage, I am really delighted with all the storage space," Mrs. Dunn said. While attending Greenville College, Rev. Dunn received his Bachelor of Arts degree, and his wife was awarded her Bachelor of Science degree. His Bachelor of Divinity Degree was earned at Asbury Theology Seminary.

Coming directly from Seminary to the Clarkston area in 1961, the young pastor began the work of establishing a Free Methodist Church. A group of interested people met with him holding regular services in the Pine Knoll School.

"Realizing the need for a building in which to better carry out the ministry of the Gospel, these people set themselves to the task of providing for this need," Rev. Dunn reminisced.

By October of 1962 the building was ready for occupancy. The first project was barely finished when the members, facing the need for providing adequate housing for

An especially happy celebration marked the first birthday of David Dunn shortly after the Dunn family moved into the new Free Methodist parsonage. Helping in the celebration are (l to r) Rev. Dunn, David, Mrs. Dunn and Glenn.

the pastor began once again to make plans for a building. These plans materialized quickly, and in less than five years the members witnessed the completion of their second building endeavor.

The congregation, which started

as a small group, has grown to an average attendance of 165. Their accomplishments are a testimony of their sincerity echoing the words of the hymn, "To God be the glory, great things he hath done."

## Tor Hegland at Conference

Regional Director Tor A. Hegland, 6085 Cramlane Drive, Clarkston, attended a two-day meeting for Lutheran Mutual Life Insurance company general agents in Chicago January 5 and 6.

Approximately 50 general agents for the company attended the meeting. Theme of the meeting was recruiting, training, financing, and supervision of new agents. Lutheran Mutual Life Insurance company was founded in 1879 and currently has more than \$185 million in assets and more than \$1 million of life insurance in force.

David (left) and Glenn, children of the Rev. and Mrs. Thomas Dunn, enjoy playing in the family room of the new parsonage. Mrs. Dunn can oversee their activities from a work area in the kitchen which adjoins the family room.

## Hunters Aiding March of Dimes

Mort the Moose and Danny the Deer laid down their lives for a good cause.

Oakland County hunters are donating their kills for over 25 wild game and tame dinners whose gross proceeds will be given to the March of Dimes in the fight against crippling birth defects.

Similar dinners in the last eight years have raised nearly \$40,000.00 said Manny Aws, Executive Director of the Oakland County Chapter of The National Foundation-March of Dimes. Last year \$10,300 was raised for the March of Dimes.

Members of the Wild Game & Tame Dinner Committee are Lou Michot, Pontiac; Jack Kinnally,

Ortonville; and Ken Cumberworth, Pontiac.

The public is invited to attend these dinners in 25 restaurants and lounges throughout the county.

As of this date the following dinners have been scheduled: January 25, Colonial Post House, Troy; January 26, Club 99, Pontiac; February 1, Jassi's Sand Bar, Pontiac; February 2, Roy's Bar, Clawson; February 9, Cloverleaf Inn, Keego Harbor; February 14, Bob-Ken's Bar, Pontiac; February 16, Silver Moon Bar, Troy; February 17, Pontiac Lake Inn, Pontiac; February 22, The 11 Club, Troy; March 1, Alibi Lounge, Troy; March 2, Bald Eagle Hotel, Ortonville; March 16, Miracle Lounge, Pontiac, and March 17, Oxford Tavern, Oxford.

## Clarkston Whips Holly 67-59

Clarkston triumphed over their cross town rival, the Holly Bulldogs, by the score of 67-59. It was a contest where coach Leroy Willis of Holly had to stop Dan Fife and still concentrate on his offensive game plans. Coach Bud McGrath had to have the same scoring punch from Dan Fife and also get some much needed scoring help from his teammates.

In the first half Holly did well on their defensive plans as they held Fife to three points in the first quarter and only eight more in the second quarter. But, their offensive plans netted them only twenty-five points. They could have broken the game wide open as Fife's teammates contributed little in scoring help. Tom Allen was next high for Clarkston with four points. Randy Nicolson had three.

At the start of the third quarter Holly gambled and switched to a man to man coverage. This was fatal as any team will have trouble in covering Dan Fife on a man for man situation.

Dan Fife started scoring at will and got some help in scoring from teammates, notably Randy Nicolson.

Clarkston quickly built up a ten point lead on this man-to-man coverage, so Holly had to change tactics. They switched to a half-court zone press. This, too, was futile as Clarkston broke apart the press with a fine display of passing and teamwork which resulted in easy lay-ups. By now Clarkston had a 16 point lead. With six minutes left McGrath switched to a zone defense to protect the lead. Clarkston was home free with a 67-59 victory at the buzzer.

Holly possessed some fine ball players. Mark Phalen was high with nineteen points and displayed a fine talent in dribbling the basketball. Bill Taylor had seventeen points, with most of them coming on his jump shot. Here is a boy with a sweet shot. If he is clear he can be counted on to get two points. Another player who makes a little left-hander has a good change of direction and has that fine touch as a shooter.

Coach Bud McGrath had some scoring and rebounding help from Tom and Rod Allen. Randy Nicolson and Mark Richard. As Tom Allen had eight points, four rebounds, Randy Nicolson poured in twelve points and five rebounds. Rod Allen contributed five points and seven rebounds. Mark Richard didn't score but had seven rebounds.

However, Mr. Everything, Dan Fife did just about everything except keep score. He led the team in scoring with thirty-seven, one shy of the record. He led in rebounds with nine, helped bring the ball down the floor when Holly pressed. He is a mighty handy guy to have around and, just think, he is only a junior!

The Clarkston Junior Varsity Team stopped a losing streak by routing Holly 51-43. Eric Hood led all scorers by piling up 24 points and Bob Palladino had seven.

Clarkston's victory over Holly was a significant one, especially considering the fact that Holly is a perennial contender for the state championship.

Dan Fife had a great shot at a school scoring record of 38 points held by Ken Miska and Leroy Parks, but he fell 2 shy. Speaking of Leroy Parks, I met him at Wilder Sporting Goods the other day and to and behold basketball complet with a rim, he was buying his young boy a net and back board. Leroy was telling me you have to start them young and right now he is — who knows 12 years from now his boy might be trying to break his father's record at Clarkston High.

Fife didn't even break the record for scoring in one half as Dick Lippert holds the record by scoring 30 points against Holly in the old cracker box gym. I can still see Coach Mauli telling the mild mannered easy going boy to shoot but Lippert wouldn't shoot as he was content in passing the ball to his teammates. Finally Dom had to pull him from the game or he had a 30 point lead.

I had the opportunity to spend the Christmas holidays in Ironwood where they have snow upon snow, 80 inches of the white stuff. They have 2 tremendous ski hills in Powder horn and Indian head Mt. One weekend 20,000 ski fanatics were on the slopes with 23 of them earning a fractured bone. One doctor himself fixed 10 of them. Together these two hills have 4 chair lifts, 2 T-bars, and 4 rope

tows. Lodging is really at a premium in fact on occasion some stay at the city jail because they have no place to sleep for the evening. Speaking of Ironwood they will

have the largest ski jumping hill in north America. They call it ski - flying as these ski - jumping boys will be able to jump up to 500 ft. There are only four other slides of this type in the world. Two of them in Germany one in Yugoslavia and one in Czechoslovakia. The federal government gave the city of Ironwood a \$250,000 grant to build this fantastic ski hill. They plan to use this for olympic jumping try - outs and also as a tourist attraction.

## Men's Basketball Ends First Week

The Men's Basketball league sponsored by the Waterford Recreation Department ended its first week of action and began its second with Class A wins for Drayton Drug, Frushour and Struble and Spencer Floor Covering, and Class B triumphs for Fredman Construction, G.M.C. and 5 R's Construction. The scheduled Class C debut was postponed by a gymnasium reservation conflict. In the Class A opener's, Drayton Drug crushed Powell Truckings 23-18 half-time edge with a 24 point third quarter and went on to win 57-51. Mike Miley took game scoring honors for the Drugists with 16 points while Dwight Spiker led the loser attack with 13 markers. Frushour and Struble opened with an 84-67 decision over Local 504 with Dave Strubles 20 points leading the way. F&S poured 48 points through the hoop in the second half to widen a 36-33 half-time lead. Dick Oliver led the losers with 14 points.

In the night's finale arch rivals Lakeland Pharmacy and Spencer Floors clashed with Spencer's defending champions winning the 79-68 verdict. Bill Gappy (25) and John Keller (21) paced the losers. A 24-17 fourth quarter edge supplied most of the winning margin for Spencer.

The opening of the Class C, Continental League, was delayed a week when gymnasium facilities were not available for play last week. The hoop will begin action this week playing the second week's schedule. The postponed games will be rescheduled for March 17.

The Class B National League

played its second round of games Monday night with Fredman Construction (2-0) nipping Howes Lanes (1-1) 65-64, G.M.C. (1-1) routing Joe's Bar No. 1 (1-1) 90-63, and 5 R's Construction (1-1) stopped Joe's Bar No. 2 (0-2), 69-48. Fredmans won its thrilling victory on Bob Peterhans foul shot in the last two seconds, when Howes Lanes called one too many time outs. Howes had fought back in the second half from a twenty point deficit to tie the game at 64. Only to see possible victory elude them on the technical foul. Dick Smith led Fredman's with 27 points while Jim Devine led Howes with 19.

G.M.C. evened its record with an easy victory over Joe's Bar No. 1. Bill Lemaux's 25 markers paced G.M.C. who had quarter leads of 20-13, 44-24, and 65-39. Roy Beagle had 24 points for the losers.

5 R's Construction also evened its record at 1-1 with a rather easy verdict over Joe's Bar No. 2, widening a half-time lead of 39-20 to the final margin. Ken McClintock paced the winners with 19 points. Ollie Wright scored 15 for Joe's No. 2.
