Oxford Loses 3 Buildings; One Lost in Ortonville

Six Oxford businesses went up in smoke on the morning of January 31st. Strong winds whipped the flames from one building to the next, giving firemen from ten departments a six hour struggle. Although three buildings succumbed to the inferno, the success came in saving the rest of the block.

Nature seemed to be against the firefighters. The cold managed to play havoc with both firemen and equipment as a hydrant valve, apparently frozen, gave way when turned on. Hoses then had to be relocated and hooked up to other hydrants a block away. In repetition, dying down of the wind was attributed to finally allowing the fire to be brought under control and saving the rest of the block.

It was believed the flash fire started on the ground floor or the basement of the Oxford Supply Co.

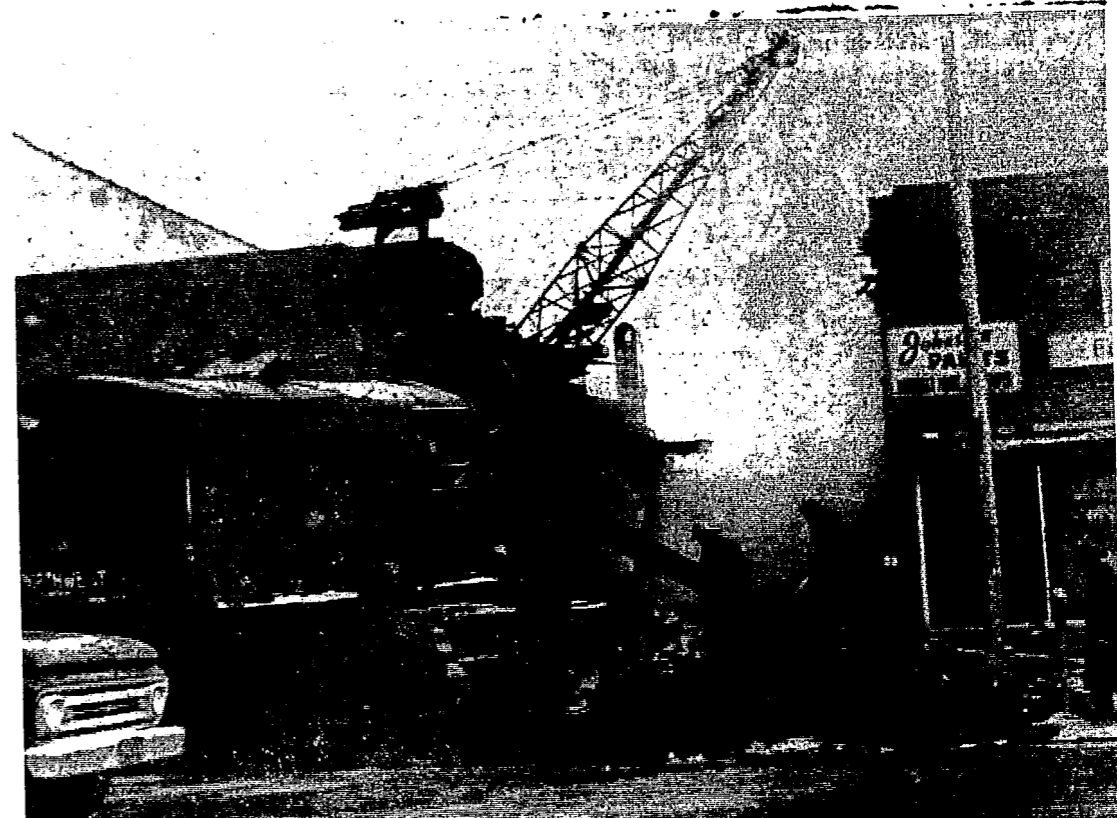

This was the second Oxford fire area in two days. A pre-dawn blaze caused extensive damage in the Mount Gramplan Ski Lodge on January 30. Firemen from surrounding areas had fought for five hours before it was brought under control.

The total estimated damages in the two fires \$320,000, a quarter of a million of which was lost in the downtown Oxford fire.

Firemen and equipment from four neighboring townships assisted the Ortonville fire department in the futile attempt to save the American Water Locks building on the morning of January 28th. Still smoldering but spent, the shell was all that remained at the M-15 and Mill Street location a few hours later. Water from Keasey Creek nearby had been used to keeping ten fire trucks in action. At the peak of the heat intensity, the roof collapsed, sending a mushroom of fire over the highway.

The estimated loss to the one story building was between \$40,000 and \$50,000. The presence of a cleaning establishment next door was of prime concern to the firefighters while fighting the blaze.

The first sign of trouble was reported by a service station attendant, working across the street. Answering his call, the Ortonville fire chief immediately placed calls to fire stations in Goodrich, Hadley, Oxford and Independence Township.

Fire destroyed three Oxford businesses early Monday morning. This crane was brought to the scene in order to knock down the charred walls that remained.

Clarkston Teacher Named Director of Mott Camp

James L. Davidson, a 27 year old Clarkston High School teacher and coach, has been named by the Flint Board of Education to head the summer camping program at Mott Camp on Peru Lake.

A chief counselor at the boys' camp for the past seven years, Davidson succeeds Richard M. Ehrbright, Principal of Dart Elementary School, Flint, as director.

An English teacher and a junior varsity coach in football and basketball at Clarkston, he will also teach in the Flint Community School System, starting with the 1966-67 school year.

Davidson is a native of Clarkston, Michigan, and a graduate of Midford (Michigan) High School. He received a bachelor of science degree from Eastern Michigan University in 1961 and is currently working toward a master's degree at Michigan State University.

Among his responsibilities will

be the development of plans for further improvements in camp facilities and programs. His duties also include working with school personnel in coordinating the camp program, and selecting and directing the training of a camp staff of 30 adults.

The new camp director served in the U.S. Army for two years, attaining the rank of second lieutenant. He is married and his wife also teaches in the Clarkston School System. The couple has a two year old son.

Davidson is the sixth man to head the 33-year old camp, which is operated by funds by the Mott Foundation. Floyd W. Adams operated the facility for Charles Stewart Mott during the years soon after its founding in 1933.

In 1937 Frank G. Farry, a district Boy Scout official, was named director. Following Farry's death in spring 1943, Joe Grady, former Northern High School athletic and coach, directed the camping program for two summers.

In addition to the boys' program during the summer months, the 80-acre camp, located 20 miles northeast of Flint, hosts a large group of physically handicapped children each August. It is used during off-seasons for various segments of the Flint Community School Program.

Local Junior Miss in State Competition

Endowed with natural poise, Cathy Lessard, 17, of 6431 Havenlock, Clarkston, gave her rendition of Dites' Moi and Wonderful Guy, for the Junior Miss Competition held January 28 and 29th at the Pontiac Northern High School.

The chosen talent test number was performed in front of a seven by thirteen foot mural, complete with a scar-crow, which Cathy had made herself.

Able assistance from Mrs. Robert Jones Jr. gowning Cathy in one of the most beautiful formals there. The gown was a gift from the Junior Chamber of Commerce in Clarkston. At the waist of the white, full bodied skirt, was a large white rose. The bodice of the gown followed a straight, simple line.

Victory was Cathy's in the reward of meeting twenty-eight wonderful girls from throughout Michigan.

Their friendly personalities helped to make the exciting occasion, a memorable one in the life of this year's Clarkston Junior Miss.

Power Failure Darkens Area

Flashlights that beamed, or candles that gleamed, anything that was capable of casting a shadow, on the evening of January 27th, was welcomed. The darkness that settled in at 9:22 PM caused every homeowner to search high and low for lights. Finding them without a light was quite a problem. Calls to Detroit Edison gave only busy signals. Within a short time, thermostats plunged in response to the frigid degrees outside.

Over 5000 homes were forced to "think warm," wait and hope. Blanketed in black were the townships of Independence, Springfield, Groveland, and Brandon. At approximately 10:40, the culprit was found. It was a broken connection of two wires, which would normally feed power to two sub stations in the area. It took another hour for the lighting to be restored in the homes at Brandon and Groveland.

An enlightening check, the next day, with spokesmen from the Detroit Edison Co. and the Consumers Power, brought forth this information for a possible recurrence. Calls to Detroit Edison are welcomed. The lines will seem hopelessly jammed, but patience will enable the Edison Co. to determine and map out the extent of the failure.

Consumers Power Co. also says to call them. Automatically your gas furnaces and utilities will shut off. The danger arises when someone tries to relight a furnace without every knowledge of how to do it so. The first notice of a power failure brings a "dragnet" of emergency crews, ready to service the troubled homes.

Icy Roads Hamper Drivers

The corner of Kent and Hadley Roads was the rerun scene of two accidents within twenty minutes on the night of January 28th.

Rosann Bobak, of Utica, was seriously injured when the car she was driving came over the hill, slid on the ice and hit a tree. The passenger in her car was uninjured.

Following, at 11:10 PM, a car driven by Donald Angell, 6969 Fredmore came upon the scene. Sudden braking caused his car to slide on the ice and hit a pole. He was ticketed for driving too fast for the road conditions.

Jane Dikeman, 19, of 8558 Longworth, Waterford, was treated at Pontiac Osteopathic Hospital, January 28th, for minor injuries received when her car went off the road on a curve, struck a guardrail, which spun the vehicle around. The car then came to rest against the guard rail. A basic speed law violation ticket was issued.

No injuries were reported from two January 24th, Dixie Highway accidents.

Edith Wampler, 9471 Eston Road was struck after entering from Silver Lake Road, by a car driven by William Shedlowsky of Drayton Plains. Mr. Shedlowsky was ticketed for running a red light.

An Ortonville driver, Jeanne Scagny, missed her intended right turn at Dixie and M-15, and failed to see the red light. Realizing her failure she applied her brakes and slid into a car driven by Jessica Jockwig, of Waterford.

A January 28th accident occurred when Alex Dixon fell asleep at the wheel of his automobile, while driving on the Dixie Highway on Groveland Township. Leaving the road, the car sideswiped two trees and hit a third head on.

Township Board Rezones Land for Golf Course

Pine Knob Country Club took one more step to reality, February 1st. Four Township officials voted unanimously in favor of rezoning the 120 acres, located on Maybee, north of Sashabaw, from suburban farms to recreational. The approval of the change followed that of the Planning Commission and the Oakland County Co-ordinating Zoning Committee.

The site will be greened in preparation for an eighteen hole golf course and private club. Reassurance was given that there would be no change in zoning for the area.

Vincent Price at Town Hall

Pontiac Oakland Town Hall will present the celebrated actor and art authority, Vincent Price, who will appear at the Huron Theatre on Wednesday, February 9th at 10:30 A.M. His versatile acting abilities will be well displayed as he dramatizes "The Letters of Vincent Van Gogh to His Brother."

Mr. Price, well known to motion picture and state audiences, has been seen in both romantic and sinister roles such as "Laura," "Angel Street" and "Little Foxes." More recently he has appeared in adaptations of Poe's mysteries, "The Fall of the House of Usher" and "Masque of the Red Death." Mr. Price admits that comedy is his presence but, "I'd never turn down a villain. They're the most fun in the world to play."

Although he doesn't sketch or paint, Mr. Price has gained renown as a major art collector and critic. He is a patron of several contemporary American artists and art consultant and buyer for Sears Roebuck and Company. His home in the California Hills with its unique collection of modern and primitive art, was displayed to fine advantage when it was visited by the "Person to Person" show several seasons ago.

A celebrity luncheon at Devon Gables will follow Mr. Price's performance. Reservations may be made by contacting Mrs. H. T. Baker of 500 Scott Lake Road, Pontiac.

Bosses' Night

The spotlight of achievement will be focused on one young man, between the ages of 21-35, the evening of February 16th.

For outstanding service to his community, he will be presented with a special token, the Distinguished Service Award.

Setting the stage for the presentation will be members of the Junior Chamber of Commerce, and their chosen bosses. If their own boss is unable to attend this fourth annual "Boss (dinner) Night" they are invited to adopt one for the evening.

Robert U. Safford, vice president of marketing, for the Alexander Hamilton Life Insurance Co. will be the featured speaker for the evening.

The dinner is to be held at the CIA building in Waterford.

Judging this year has been undertaken by Duane Hursfall, Floyd Vincent, Tink Ronk and Rev. Lewis Sutton.

Their decision is reached after considering applications sent to them by area residents.

Detroit - Edison Sponsoring Fifth Annual Cook - Off

Entries are now being accepted for the fifth annual Detroit Edison Company cook-off to select the "Queen of the Kitchen" among women who work.

Electrical appliances will be awarded to ten finalists.

The grand prize is a new deluxe range. The "Queen" will have her choice of six models from nationally known manufacturers.

The special second prize will be an open-hearth smokeless broiler-roaster complete with shish kebab attachment, and the third award will be a seven-speed blender. The other seven finalists will each receive an electrical appliance.

The cook-off is held each year in cooperation with the Central Business District Association's annual Salute to Women Who Work Week which begins on March 13 this year.

The contest is open to any girl or woman working full time who lives in Southeastern Michigan.

Each is invited to submit a recipe for a one-dish meal that can be cooked in an hour or less. The recipe should be sent to Electric Living, 2000 Second, Detroit, Michigan 48226, or to the local Edison office.

Deadline for entries is midnight, Tuesday, March 1.

Each entry must include name, address, telephone number and occupation. The contestant must be able to compete in the cook-off which will be held in Edison's Electric Living Kitchen in Detroit on Thursday, March 17.

Professional home economists and cooks, and employees of Detroit Edison and members of their immediate families are not eligible.

Home economic experts from newspapers, radio and television will serve as judges and select the ten most interesting and promising entries.

The ten finalists will be announced Thursday, March 10, and will compete in the cook-off for

the top prizes a week later. The finalists will be guests of the Edison Company at the gala Salute to Women Who Work Week banquet at Cobo Hall on March 15.

Marion Ryan, supervisor of electric living at Edison, said the recipes of the finalists will be published in a handsome booklet again this year for general distribution free of charge.

For The Girls

Four hundred and sixty two Michigan girls will be chosen to attend the American Legion Auxiliary program Girls' State.

First established in 1941, this program is dedicated to the training and development of girls who have qualities of leadership. Girls' State will prove to the girls the advantages of citizenship, create an active interest in Government, develop responsibility and help provide educational guidance. Girls' State gives the girls the advantages of governmental training through practice and democratic procedure.

Girls are sponsored by the American Legion Posts and American Legion Auxiliaries. Civic, Social and Fraternal organizations may contribute and select a girl for Wolverine Girls' State. The girls are usually selected from a list obtained from the high school Principal of eligible girls who are in their Junior year in Senior High School. Girls who will start the final half of their Senior year in September will not be eligible.

Highly desirable qualifications in the girls are:

1. Marked qualities of Leadership
2. Scholastic ability
3. A high sense of duty and morality
4. Good health is essential
5. Honesty and industriousness
6. Mental alertness and intellectual curiosity
7. Vigor, enthusiasm and attractive personality
8. Sportsmanship and considerate feeling for others
9. Co-operative attitude and amiability.

Tickets will be sold this month by members of the American Legion Campbell Richmond Auxiliary, Unit 63, on a G. E. portable television set. The drawing will be held February 28th — with the proceeds used for support of the Girls' State program.

Introducing Rustie

Mrs. Walter Leaf, better known as "Rustie" has joined the staff of The Clarkston News. The Leaf's and their five children, Ricky, Chuck, David, Diane and Chris moved to Clarkston 1 1/2 years ago from Southfield. In her capacity as reporter-photographer, "Rustie" has requested that organizations in the area call her on their activities in order that she may schedule pictures and obtain information on special meetings and projects. Family Injured

Three members of a Waterford family of six, sustained injuries as the car in which they were riding lost control and struck a tree. The accident was blamed on icy Sashabaw road. Injured were Melvin, James and Cleo Lane, of Waterford.

Dan Fife Breaks Record

Clarkston's Dan Fife broke the school record of 35 points in a game by scoring 43 points against West Bloomfield last Friday. See the story on back page.

JC's Participating in Basketball

The Clarkston area JC's are participating in a JC basketball tournament held at Ortonville. The teams involved are from Holly, Davidsburg, Waterford, Rochester, Ortonville and Clarkston.

All teams played last weekend with Ortonville defeating Rochester 79-39. Holly defeated Davidsburg 61-45. Clarkston defeated Waterford 85-45. The Clarkston JC's are coached by Kelly Burnette.

Scoring for the JC's: Harold Weston, 16; Bob Brumback, 12; Jerry Powell, 12; Ralph Kenyon, 8; Kelly Burnette, 8; Terry Kelly, 6; Rich Chartier, 6; Harvey Schroder, 5; Jim Koslosky, 6; Doug Cowden, 2; Rich Wilton, 2.

Clarkston will play at Ortonville Saturday evening against Ortonville. If they win Saturday's game, they will play against Holly on Sunday for the championship.

The person in charge of the tournament is Bob Mills. Bob is President of the Ortonville JC's, and a good one too!

FIRST CHURCH OF CHRIST SCIENTIST
Oxford, Michigan
"Can Deity be known through the material senses? Can the material senses, which receive no direct evidence of Spirit, give correct testimony as to spiritual life, truth, and love?" This thought-provoking question is part of the Lesson-Sermon on "SPIRIT" to be read from the denomination's textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, the Discoverer and Founder of Christian Science.

Bible passages will include Jesus' declaration: "It is the spirit that quickeneth; the flesh profiteth nothing" (John 6).
The service on "SPIRIT" is one of a series through which Christian Scientists seek a deeper understanding of the nature of God through the study of certain terms. Others to come include services on "Soul" and "Mind."

Reaching Out

Divine Requirements

He hath shown thee, O man, what is good; and what doth the Lord require of thee, but to do justly, to love mercy, and to walk humbly every day with thy God?
MICAH 6:8

Very early in life man by intuition comes upon the truth that he is responsible to his Maker for the ordering of his days, that there are inescapable requirements which he must meet if he is to be at peace with God and fulfill his life in the little span of years allotted him.

Yet too often the complexities and irrelevancies of denomination and creed render him confused and he is inclined to cry out . . . I am in truth a child of God. What does He actually ask of me? The great Hebrew Prophet Micah spelled out the answer centuries ago and it still stands, indestructible and like a high rock in a weary land. God requires justice; we must do that which is eminently right and fair by one another. God requires the kindness that goes beyond justice. God requires faith in Himself as Creator and Father, as the source of all wisdom and understanding, a faith that goes far beyond all creeds and finds expression only in Christlike living.

These are the fundamentals of religion. Here is the basis for a world faith. Very easy to understand, yet how hard to put into practice!

OUR FATHER: Help us to be just in all our dealings, to be kind in our judgements and to walk in reverent awareness of Thy living Presence. This we ask in Jesus' Name. AMEN

The Township meeting of the first was opened with the gracious giving and receiving of special recognition by Marilyn Moore of the CWO, to Supervisor Duane Hursfall. Mrs. Moore presented it with these words: "Colonel John Issitt, Michigan Wing Commander, Civil Air Patrol has asked that this Certificate of Appreciation be presented to the Board of Supervisors of Independence Township for their assistance in promoting the Civil Air Patrol program."
By permitting Clarkston Composite Squadron, CAP to use the Annex Building as a Squadron Headquarters for their Wednesday meetings teenage cadets and adult senior members have been able to participate in a valuable training program.

Two of our cadets have been singled out for their outstanding achievements in the Civil Air Patrol cadet program and will represent Michigan in the 1966 Cadet Special Activities. A third cadet credits the training he received in our Squadron with helping him gain an appointment as a page in the Michigan House of Representatives.
We are grateful that we live in an area interested in youth so that we can send teenage ambassadors out to represent not only Civil Air Patrol, but Independence Township."

Surviving are his wife Anna, three children, Robert and John of Detroit and Helen Gresham of Waterford.
Burial was at Lakeview Cemetery in Clarkston.

STAR BRIGHT

When Millie goes to bed she stops by the stairway window to say good night to her favorite star. It twinkles in the frosty evening sky, and to her it seems remote and cold. But to Millie, the star is a warm and glowing friend. It's just a matter of viewpoint. A grown-up sees through the eyes of experience. The child gazes through the eyes of innocence. And as we all know, it isn't easy to exchange our experience for innocence again.
Yet, this is exactly what many of us need to do. Many of us need a new approach, a new look at the old things, the old truths. We need to open our eyes, and let ourselves see; to open our ears, and let ourselves hear.
There is no better place to discover this new approach than in your church. In church next Sunday you will find a new point of view. Let yourself see, let yourself hear. You will be surprised at the results.

Couple Speaks Vows at Evening Ceremony

Lilies of the valley and white carnations were the chosen bridal bouquet flowers carried by Suzanne Marie Woodcum. Their delectable honeymoon is complemented her full length chapel gown of white tulle lace.
Suzette became the bride of Fred Allen Bradley on January 22.
She is the daughter of Mrs. Lois Woodcum and Fred M. Bradley on Woodcum 101 N. Hill only.
Fred is the son of Mr. and Mrs. Joseph Bradley on 8570 Beaufort Lake Road in Clarkston.
Mahest Woodward was the maid of honor, with Cathy Moon, Julie Jinks, and Linda Olson as brides maids.
The best man was Bob Bradley. Guests were Paul Ballard, Dave Ray and Ed Jinks.
A reception at the Oakland County Sanitarium Club in Waterford followed the non-traditional ceremony at Williams Lake Church of the Nazarene officiated by Rev. Cole Bliss.

Cummings - Snover Wed

The bride and groom were joined in matrimony by Rev. J. Cummings at the home of the bride's parents, Mr. and Mrs. J. Cummings on 14444 E. Lumber. The bride, Mrs. J. Cummings, was accompanied by her bridesmaids, Mrs. J. Cummings, Mrs. J. Cummings, and Mrs. J. Cummings. The groom, Mr. J. Cummings, was accompanied by his best man, Mr. J. Cummings. The ceremony was officiated by Rev. J. Cummings. The bride wore a white gown and the groom wore a dark suit. The reception was held at the home of the bride's parents.

Pontiac Mall Art Show In Progress

Three original Salvador Dali paintings will be on display at The Pontiac Mall during the 4th Annual Pontiac Mall Art Show held from January 31 through February 12, 1966.

These three original Dali's will be exhibited at the cosmetic counter of the Montgomery Ward store in The Mall from February 2, through February 8. Valued at \$100,000 the paintings comprise a trio commissioned by Shulton, Inc., to interpret their famous Desert Flower perfume. They have just completed a tour of Latin America and Canada, and plans for a European tour for the paintings are now under way.

Called "Trilogy of the Desert," these paintings had their first private showing in New York in 1946 at the Knoedler Galleries. First public showing was at the Society of the Four Arts Club in Palm Beach.

The southwestern desert was an excellent subject for Dali's unique concepts of color and perspective. He lived there for some years and in his inimitable style has captured on canvas the very depth, the mystery, the intensity of the desert as well as the hauntingly beautiful desert flower fragrance. Since the Trilogy was inspired by this romantic perfume, Dali has used Venus and Apollo as the eternal symbols of love.

Dali's own descriptions of the "Trilogy of the Desert" are as follows:

1. "THE INVISIBLE LOVERS" - Two lovers are imprisoned in the mystery of limitless space, romantic essence of the desert. Of one of the fossilized footprints of the feminine lover is born the dandelion, echo of the moon - the symbol of femininity and purity.
2. "MIRAGE" - The aura of classic antiquity evokes the desert flower, issuing from the forehead of Apollo.
3. "OASIS" - The invisible lovers. At the approach to the oasis, Apollo and Venus materialize in empty space. By grace of the desert flower they rise into view from the aridity of the rocks.

Clap Your Hands

"Goodnight Sweetheart" played in a square dance tempo closed a memorable evening for about 100 brownies, girl scouts and their best beaus last January 27th.

The nostalgic evening began at 7:30 in the gymnasium of the Clarkston Junior High School with Don Ashley very much in command of the square dance rhythm needed by little girls. They clapped their hands and tapped their feet with few missing a beat. If there was a dad that just couldn't make it he was well substituted by a ready, willing and able Roarian, Demofarian, JC member or a wonderful big brother.

This is the second year Mr. Ashley, who is well known as the MC for the Dixie Square Dance group held at the Platter Box, came to the aid of the scouts "big night."

Coming This - A - Way

The Clarkston Village Players are well into rehearsal for the mid-winter production, "Deadwood Dick." It is a melodrama of the Old West, where justice is meted out in the local saloons and the fastest draw settles most differences.

Setting for the rootin', tootin' play by Tom Taggard, is Calamity Jane's Man Trap Saloon in Deadwood Gulch, year 1880. The plot centers around a hidden gold mine and the black secret of the sheriff's wife.

Cast as Calamity Jane is Pat

Major Klann Helping Cadets

Major Charles W. Klann, 6682 Pear Street, Clarkston has been appointed Deputy for Cadet Training of Michigan Wing, Civil Air Patrol and will join the Michigan Wing staff at the Selfridge AFB headquarters.

As Squadron Commander of Clarkston Composite Squadron, CAP for three years, Major Klann was responsible for the training of about 20 cadets. His new duty will require him to supervise the training program for CAP cadets in units throughout Michigan and will include coordination between the Cadet Special Activities and Cadet Aerospace Education Programs.

Major Klann recommended that Lt. James Hubbell, 4395 Seeden, Drayton Plains, Michigan succeed him as Squadron Commander.

Colonel John Issig, Michigan Commander, approved the recommendation and Lt. Hubbell has accepted the appointment.

Thomas, Harry Fahrner as Ned Harris the hero and Chuck Robertson as his partner Wild Bill Hickok. Nancy Frady and Georgia Chambers are two sweet young sisters, Lily and Rose Blossom. Vince Luzzi blackheartedly plays the villain, Black 'N' Red.

Judge Nix (Pete Rose) and Sheriff Loveless (Jim Frady) represent the law. La Paloma (Marie Luzzi) and Piano Annie (Barbara Steele) provide entertainment for Calamity's "guests." Chet Pussy (Jim Tyrell) runs the bar and Pong Ping (Pat Breidenbaugh) does the cooking and a little sleuthing. Molly Loveless (Jane Cain), the sheriff's wife has the secret, and Teetotal Tossie (Margaret Smith) is out to wreck all saloons.

The producer for the play is Mrs. Jack Frost and the director is the well-known producer of the "Works at the Crossroads," Carl Wampler.

Play dates are the 18th, 19th, 25th and 26th of February, and March 4th and 5th. Curtain time is at 8:30.

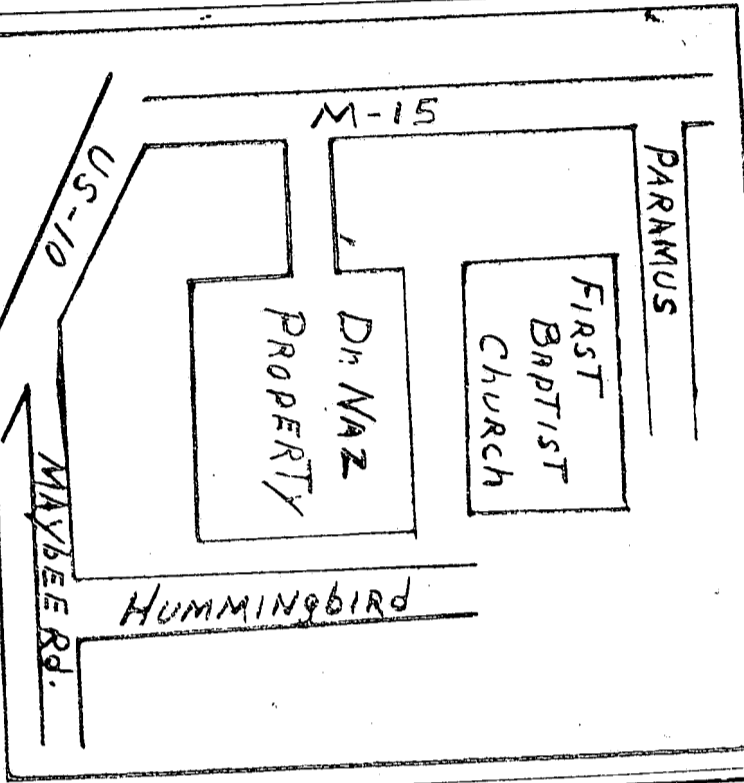

Tickets may be purchased from any Village Player member, or at 22 So. Main in Clarkston.

Why do people with hard-to-heat rooms turn to electric heat?
It's pure and simple

Electric heat is the clean, modern heat—no flame, no fumes. It's a snap to install—costs less, too—because it's more compact and needs no flue. And only electric heat is 100% efficient; the heat is created right where it's used. It's also economical. You can buy an attractive, low-operating-cost unit for as little as \$35-\$40 (plus thermostat and installation). And we're talking about a unit that can turn a 12' x 20' polar region into a tropical delight. Just dial the warmth you want, and you get it. Give us a call. We'll send an Edison Heating Specialist to discuss equipment, installation, and operating cost with you. No obligation, of course.

Fife Breaks School Record With 43 Points Last Friday

In a game that was thrilling from start to finish, Clarkston out-east West Bloomfield 65-62, to remain deadlocked with Northville for 1st place in the Wayne-Oakland League. The win gives Clarkston a record of 7-2 in league play and 7-3 overall.

Dan Fife, Clarkston's brilliant Junior, netted 43 points to break the scoring record set by Leroy Parks and Ken Maslin, both with 38 points. This boy put on a fantastic performance for the fans. But before we get carried away with Fife's performance, a few important points should be commented about Dan's teammates.

1. Mike Madison — Madison scored only one basket, but it was a big one! West Bloomfield had forged ahead on two free throws by Tim Burt. With 23 seconds left, every Tom, Dick and Harry expected Fife to take the shot (including West Bloomfield). Madison somehow got his hands on the ball and hit on a 20' jump shot to put Clarkston on top by one point. Without Madison's only basket, Fife's 43 points could have been tossed out of the window.

2. Rich Johnson — Johnson played almost two quarters as a sub for Tom Allen. Johnson wasn't outstanding, but the important item: the sophomore didn't make any mistakes.

3. Rod Allen — Rod scored 11 points, 5 out of 6 free throws, playing his steadiest game of the season. Rod has been guilty of erratic play in the past few games.

but came through against the Lakers.

4. Tom Allen — Tom's play in the 1st half was uncertain and he was benched by Coach McGrath. He came back in the 4th quarter to steady Clarkston's offense. There isn't a better passer on the team, and he has a great ability in feeding Fife.

5. Randy Nicolson — Mark Erickson — These boys plus the above four boys, with their unselfish play enabled Clarkston to defeat West Bloomfield and enabled Dan Fife to set a new record at Clarkston High.

These six boys took only 26 shots, the same as Dan Fife. They hit on 7 for a shooting percentage of 27. They had 14 free throws and made 9 for a percentage of 64.

The exploits of Dan Fife — on his way to 43 points —

1. He scored all the points in the 1st quarter, a total of 12. He took 8 shots and made 5 and two free throws. His teammates took 4 shots.

2. He scored 6 points in the 2nd quarter, taking 6 shots, hitting on three. His teammates added 8.

3. In the third quarter he took 5 shots and made them all.

4. He continued his torrid pace and he five more consecutive field goals in the 4th quarter. That made 10 shots in a row. He also made 5 free throws in this quarter for 15 points.

5. He led the team in rebounds with 11.

6. Fife took 26 shots and made

18 for a percentage of 69. Had 8 free throw attempts and made 7, for a percentage of 88.

The game was well played by both sides, with few errors committed by either team. The game was close all the way, with the biggest margin of 7 points held by West Bloomfield in the 2nd quarter. The Lakers held the lead for almost the whole game and Clarkston had their first lead with only three minutes left.

Coach McGrath's defensive alignment bothered West Bloomfield and it was particularly effective in the later stages of the game, as Clarkston would switch from a man-to-man defense to a zone defense at a moments notice.

We have commented many times on the well coached teams of West Bloomfield. But I was amazed at the way they defended Dan Fife. No team is going to handle Fife on a man for man situation. Those 43 points will contest to that statement.

Zilka's who trailed 37-24 at the half.

National League action saw 6 R's Construction (3-1) take a forfeit victory from Coleman's crew (1-3) when disciplinary suspensions from last week, cut Coleman's players roster to only four eligible players for last night's contest. The second tilt found Joe's Bar No. 1 (2-2) scoring league leading Fredman Construction before bowing 64-58, and in the nightcap Howes (2-2) Lanes trimmed winless Joe's Bar No. 2 (0-4).

In the Fredman victory the winner's outscored a game Joe's No. 1 crew 21-14 in the third quarter and a pair of buckets in the last two minutes of play by Bob Peterhans and Bob Smith squelched a late rally for the losers who had cut the margin to three points. Paul Emerson bucketed 22 for Fredman's while Joe Umphrey collected 20 for Joe's. In the night's finale Howes raced to an early 7-0 lead and coasted to the easy victory holding quarter leads of 19-13, 44-23, and 61-38. Jim Devine (17) and John Keating (16) led the winner's offense while Jim DeLauter and Andy Miceli scored 11 markers each for Joe's No. 2.

Standings as of 8 a.m. January 25, 1966:

In the Continental Division all of last week's winners continued to win. Ryeson's Market, Buckner Finance, and Yapo's Five all made their slates 2-0 with victories over Wayne's Service; 66-43, Bundy Built Homes; 71-57, and Zilka Heating; 90-46 respectively. Ryeson's victory over Wayne's was sparked by Mike Duff's 17 points with Gary Metz chipping in 16 and Gus Pantelides 14. Dave Goff scored 19 for Wayne's. League's top scorer, Jerry Paul's 26 points led Buckner's over Bundy who held the winners to a 27-27 halftime tie before bowing. Randy Parsons 18 and Bill Jaquay's 15 point efforts were high for Bundy in a losing cause. Yapo's five total was accumulated with a balanced scoring effort with Jim Spadafore's 24 points and Mike Reed's 22 leading the way. Gene Riabucka netted 21 for outmanned
