

Clarkston School Board Approves Annexation

Voting is Next Step in Proposed Brandon Merger

The Clarkston Community Schools Board of Education unanimously approved a request by the Brandon School District to amalgamate the two school districts.

If the two boards receive the consent of the State Department of Education an election for the approval of the annexation will be necessary on the part of the Brandon Board. The election must take place within 120 days.

Floyd Vincent, administrative assistant said, "We (Clarkston) will not lose our identity!"

Speaking for the Clarkston School Board Mr. Vincent pointed out that Brandon came to Clarkston and asked for the merger two months ago? A close study of the proposed merger showed nothing but advantages to both school districts.

Popular opinion has it that Brandon is a sparsely populated, high farming area. A physical profile report prepared for the two school boards shows the contrary to be true. Brandon has only eighteen farms still in agriculture production. Clarkston has eight to ten.

Neither of the districts have any major industry. Although Clarkston has an estimated population of 14,000 more than Brandon's 6,000, both areas contain 50 square miles each.

Clarkston with its \$4,248,900 bond indebtedness will pay their debt separately, as will Brandon. Brandon's debt totals \$1,051,200. Both schools have an average

teacher salary of \$6200. Brandon has a higher starting salary while Clarkston is ahead \$841 on top salary.

Among the specific advantages of amalgamation listed by the boards are:

The larger the municipality the more efficiently it can become through installation and use of electrical processing equipment.

Reduced duplication, through multiple use of equipment, releases additional funds for purchasing of a greater variety of educational equipment.

A larger system provides for a greater degree of specialization of manpower.

Governmental releases indicate larger units are more efficient and better able to participate in State and Federal reimbursement programs.

There is a vast area south of Brandon schools and north of Clarkston schools that is expected to develop into residential property.

A larger unit provides greater prestige in the County area in as much as a combined system would put the school district numerically in the upper rather than the lower half.

The larger unit creates a better image for college entrance, etc.

As proved in businesses amalgamation is necessary to survive and operate profitably in a competitive world. Likewise, schools can operate more efficiently if they represent a greater population.

The preceding advantages were among those in a report prepared for the combined school boards. No disadvantages were listed.

Brandon's School Board will be dissolved if and when the annexation vote is passed by Brandon residents.

Sports Map Ready

The new 1965-66 Michigan Winter Sports Map which pinpoints all of the state's 87 winter recreational centers and lists their facilities is now available for distribution, according to the Michigan Tourist Council.

Compiled and published by the four Michigan regional tourist associations, the map contains complete information of interest to skiers and other winter sports enthusiasts.

Copies of the Michigan Winter Sports Map are available without charge by contacting the Michigan Tourist Council, Lansing.

Name Smile Contest Winners

Cast 741 Votes

Thanks to the wonderful co-operation and interest of the Clarkston News readers, the winner of the Dental Health Contest held last week can really wear a satisfying smile.

After the phones cooled down, the votes were tallied and a little fanfare music played to the tune of 741 votes.

Taking the first place Clarkston position was Peggy Dougherty, daughter of Mr. and Mrs. Jack Dougherty of 6562 Pear Street. Peggy is a third grade student at Clarkston Elementary.

Retiring a close second was Robin Courrubias, daughter of Mr. and Mrs. Antonia Courrubias, 4820 Pine Knob Lane. She is a third grade student at Sashabaw Elementary.

Third place went to Kathy Adams. Her parents are Mr. and Mrs. Raymond Adams of 5253 Frankwell Street. Kathy is a sixth grader at Pine Knob Elementary.

Pictures of the smile contestants are published in this issue.

Clarkston Starts Reading Program

A supplemental reading improvement program has been officially approved under the provisions of the Elementary Secondary Education Act of 1965, p. 1, 89-10.

A Federal allotment of \$41,947.84 will be used to supplement the present program with extra materials and equipment.

The program is designed to aid children experiencing reading problems in Elementary, Junior and Senior High levels. The program will be confined to the Elementary level for the balance of this year. However, a six week summer program will involve children in Elementary through Senior High. The summer program will begin June 20, 1966 and end on July 29, 1966. The summer classes will be two hours per day, Monday through Friday of each week. A low pupil teacher ratio will be maintained to assure individualized instruction at the working level of each child.

The ultimate aim of the Federal program is a full time improvement program at all levels.

Andersonville School's Principal Mrs. VantRoe, 6674 Dixie Highway has been assigned to this reading improvement program.

He who drinks before he drives, puts the quart before the horse.

—Paul Holderaft

Bloodmobile Coming Feb. 22

Nurse Lynn Johnston stands by as patient Todd Johnston gives Dr. Timmy Birtsas a questioning look. The children are playing in earnest to remind us that the Red Cross Blood Bank, sponsored by the Clarkston Community Women's Club is just five days away. If you have not already made plans to be a donor, there is still time to contact Mrs. William Kreiner, 625-1209 or Mrs. Alan Van Loon 625-2638 and make an

appointment. The Blood Bank is scheduled to be held on February 22, from 3:00 P.M. straight through to 9:00 P.M. in the Community Center Building, downstairs.

We are pleased that the Clarkston Women's Club can assist this community by helping make this service to our residents.

Gravel Operation to Better Site for Medical Building

The community is developing at such a rapid rate that we're going to have to have more facilities.

These were the words of Dr. John Naz when questioned concerning the possibility of another medical building being constructed in the Clarkston area.

A public hearing for the purpose of probing the possibilities of a temporary gravel and sand mining operation on property owned by Dr. Naz will be held Thursday, February 24 at 7:30 p.m. According to Naz, the gravel operation would be in existence less than ninety days.

"There would be no gravel crushing nights or weekends," he said.

According to Dr. Naz the gravel operation is necessary in order to level the property in back of the existing medical center so another building can be erected.

"One thing is certain if I'm unable to get a building up by August I'll have to look somewhere else to practice," he emphasized.

Colonial or cathedral architecture will be used if the center is erected. It will be designed strictly for women and contain offices for three obstetricians.

The most recent census of Waterford Township shows them to have a population of 59,150 which was the projected growth for 1970." Dr. Naz brought out, Independence Township is being faced with the same growth problem.

Independence Township residents are urged to attend the Board of Appeals Public Hearing Thursday to voice their opinions on the gravel operation. The meeting will be held at the Township Hall, 90 North Main Street, Clarkston, 11th.

Accidents Covered by State Police

Serious injuries were sustained by two men in an accident on Dixie Highway and Foster Rd.

The driver of the car, James Ferguson, 5875 Andersonville Rd. and his passenger Larry Pointer, 3606 Lawrence, Drayton Plains, recalled passing a car south of the scene, returning to the right hand lane where the right hand signal light was turned on for a right hand turn.

However the action did not give a car driven by Martha Bruce, of Grand Blanc, enough time to avoid hitting them.

Two days later near the same location, Richard Durci of Pontiac, received a ticket for violating the basic speed law, after he drove his car at excessive speed around a curve. The car skidded on the wet pavement and went out of control, into a ditch and on to hit several trees.

No injuries were reported in a rear end collision on Ortonville Rd. near East Washington, February 11th.

Two Injured

Sashabaw and Maybee roads top this weeks list of accidents in the area.

On February 9th Dawn Savage 21, was injured when the car in which she was riding struck a car belonging to Kenneth Bebe of Rogers City.

The struck car had pulled out in front of the striking car which was driven by Thomas Savage of Pontiac.

Following on February 11th, the same corner was the scene of a serious injury to Ralph Ballachio of Detroit. His car was hit by Floyd Alcorn of 3344 Maybee Road who had not stopped for the posted stop sign.

The next accident which occurred on Sashabaw near Waldon, a February 12 mishap, brought serious injuries to LeVernon Latham of Clarkston. His car struck another car which had stopped for a police flasher. In the waiting car was John Ward 21, of Ortonville.

Township Churches to Pray Together

"Believing Ye Shall Receive" is the title that has been chosen for this year's World Day of Prayer service. The service will be held February 25th and begins at 1:30 p.m. The location is the Free Methodist Church on the corner of Maybee and Winell Roads, Clarkston.

All the ladies of the community are urged to attend, as they pray in faith, believing He will answer all needs.

Nursery facilities will be furnished. Refreshments will be served at the parsonage following the service.

The sponsoring churches are the Calvary Lutheran, Clarkston Methodist, Free Methodist, Church of the Resurrection, Episcopal, St. Daniels Catholic and the Sashabaw Presbyterian.

Choir to Perform

The stage of the Little Theater in the Clarkston Senior High School will be the February setting for the Wayne Oakland League Choir.

Some of the selections for the program which will begin at 8:00 p.m. are "South Pacific", a Negro spiritual entitled "Everytime I Feel The Spirit", "Sanctus" from St. Cecilia Mass, "Hallelujah Men" from Judas Maccabees, "This Is My Country", and many others.

Gathered together in a common dedication are seven of the World Day of Prayer organizers. Seated front left is Mrs. Melvin Smith and front right, Mrs. Alex Stewart. On davenport,

left to right are Patricia Stevens, Mrs. Michael Salzano, Mrs. Thomas Boyce, Mrs. John Stage-man and Mrs. Dallas Lippincott.

Edward E. Barker, Jr., President of Pontiac State Bank, announced recently that the Bank will install a new large computer in March of this year.

Pictured above are Mrs. Lorraine E. Owen, Controller of Pontiac State Bank, signing an order for the computer, together with O. B. Gardner, Vice President of National Cash Register Company, Fred R. Harroun, an Assistant Vice President in charge of data processing for the Bank, and Jack C. Shaeffer, Manager of the Pontiac office of National Cash Register Company.

Barker stated that it would entail an investment of over \$250,000 and will add materially to the Bank's service capabilities

as well as produce many new services for the thousands of customers of Pontiac State Bank.

It is an integral part of the Bank's present and future expansion program which includes the addition of three new offices in 1966, Barker said.

According to the recent report by the American Banker, a national banking publication, the Pontiac State Bank is now the 523rd largest bank in the United States. It's ranking of approximately 13,000 banks was 151 places above last year's.

Total deposits at the bank were \$71,813,000 on December 31, 1965 which was a gain of \$21,453,000 over the preceding year.

FIRST CHURCH OF CHRIST SCIENTIST
Oxford, Michigan

"Be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God", is one of the Bible passages included in this week's service on "MIND" to be read in all Christian Science churches this Sunday.

Also included are these related lines from "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The expression mortal mind is really a solicism, for Mind is immortal, and Truth pierces the error of mortality as a sunbeam penetrates the cloud."

This lesson is the last in a series exploring the nature of Deity through a group of special terms - Life, Truth, Love, Spirit, Soul and Mind.

Reaching Out

The Indispensable Man

Here am I, send me! Isaiah 6:8.
The hour came in 1776 when the Thirteen Colonies declared their independence and the Revolution against England was on, and what otherwise would have been a forlorn effort was given a fighting chance because one man, George Washington, had made his personal decision. Leadership called for one who enjoyed world respect because of his attainments and Washington, when he took the helm, was already a man of great personal fortune with more to lose if the rebellion failed than any of his contemporaries. All knew that well and to all his declaration was not the act of a man hungry for power, but rather the gesture of a real patriot.

To rally the new nation there had to be one shining central figure, as capable of leading troops in the field as in dominating political councils and the Revolution rallied around Washington because there was none other among its leaders of proven ability in both war and peace. Patrick Henry voiced great words of defiance and Thomas Jefferson composed the new Charter of Liberty, but the spirits of both shrank from the thought of human combat. So it was with all others among the Founding Fathers; they could all dream great dreams about the road to Freedom and Independence, but just one among them was prepared to walk the stony path whereby the dream came true.

Let no man among us say, on George Washington's Birthday, that there is no Indispensable Man!

OUR FATHER: Always in time of great stress Thou dost raise up men of strength and character to lend Thy people and for this we give Thee thanks. AMEN.
Everett Butters

Seymour Lake Study Group

The Seymour Lake Study Group will hold their February 24th meeting at the home of Mrs. Arthur Tondou, 5460 Orion Rd. in Clarkston. Anyone wishing to join the group will be welcome. The meeting begins at 7:30.
If you are a new bride this is the group for you.

Church to Show Color Film

World Parish, a documentary film in sound and color, will be presented at the Drayton Heights Free Methodist Church, on Wednesday, February 16 at 7:15 p.m.

World Parish gives firsthand glimpses of the delegates and the work of the recent Asia Fellowship Conference of the Free Methodist Church which was held in Osaka, Japan. Delegates from Egypt, Hong Kong, Formosa, and India are shown in their own countries as they prepare to leave for the conference and as they meet with delegates from the Philippine Islands, Japan and North America in Osaka. The on-the-spot filming was done by the Rev. Victor Macy, outstanding missionary photographer, who traveled to each country and to the conference in order to produce this authentic film.

The public is invited to attend the showing of this unusual and inspiring film.

Golden Agers Plan Card Party

The Waterford Golden Age Club members are now working on their annual card party to be held Tuesday, February 22 in the Community Activities Building, 5640 Williams Lake Road, Drayton Plains.

A nice variety of table and door prizes will be given. Refreshments will be served. This card party is open to the public and will be held from 7:30 p.m. to 10:30 p.m., so why not get a group together and come out and join in the fun.

The Golden Age Club is sponsored by the Waterford Township Recreation Department, for additional information for tickets please call the Recreation Office OR 4-0376.

Waterford Plans Day of Prayer

The Waterford Fellowship of Church Women announces their annual observance of the World Day of Prayer, at the Christian Missionary and Alliance Church on Cass Lake Road and M-59. It will be held Friday, February 25, at 1:30 p.m.

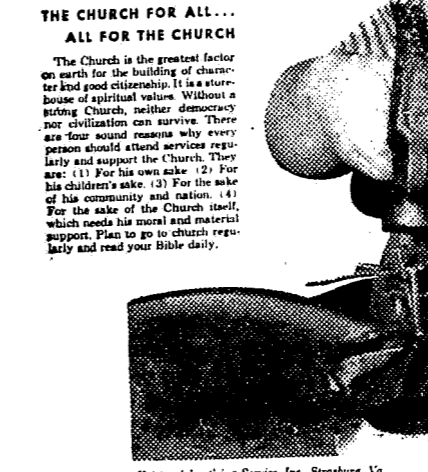

Miss Jerrie Branchard, Director of the Curriculum for the Waterford Township schools, will be the speaker, with Mrs. Don Broyles as soloist. Approximately eight to ten churches in the area will participate in the service. All area ladies are invited to attend.

Watch That THUMB!

Peter loves to "fix things" even though he sometimes gets hurt in the process. Yesterday he pinched his finger with the pliers. Today, he'll probably end up by banging his thumb with the hammer. But tomorrow he'll be right back at it again... learning the hard way!

From childhood, we learn best by personal experience. Our natural curiosity makes it difficult for us to accept advice from others. We want to find out for ourselves... and life has some hard lessons to teach us. Among other things, we have to discover that material possessions are no guarantee of happiness... and that money can't buy love, or health, or peace of mind.

Religious faith is another aspect of life that must not be left unexplored. Christianity has been tested by time... and it stands ready to be tested by YOU. Don't miss the greatest experience of all. Visit the church of your choice this Sunday.

By Mrs. Shirley Lynch

Randy, 7 year old son of Mr. and Mrs. Al Robinson is confined to his home with the mumps.

Mr. and Mrs. Evi Allen and grandson, Dale Allen, of Pontiac were dinner guests Sunday at the home of the Richard Snover's on Orion Rd.

Mrs. Carl Lindahl has returned to her home in Lake City after looking after her four grandchildren while their mother was in the hospital. Mrs. Robert Lindahl presented the senior Mrs. Lindahl with

another grandson.

Mr. and Mrs. Darrel Batchelder and family on Waldon Rd. enjoyed watching the Shrine Circus Sunday evening.

Mr. and Mrs. Richard Snover of Orion Rd. visited Mr. and Mrs. Lewis Snover of Royal Oak Saturday evening.

Mr. and Mrs. Mark Steiner have returned to their home on Dixie Highway after spending the weekend with friends and relatives in Lansing.

Mr. and Mrs. Larry Kesting of Detroit and Mr. and Mrs. Carl Hoffman of Whipple Shore Dr. were

dinner guests Sunday of Mr. and Mrs. Gordon Bray on Whipple Shore Drive.

Friends and relatives have been visiting Mrs. C. Christides on Eston Rd. since her return from the hospital.

Mr. and Mrs. Arthur Kelley on White Lake Rd. attended the wedding Saturday of Mrs. Kelley's cousin, Mr. Cecil Weber.

The Pinochle Club met at the home of Mrs. Harry Squires on Eastlawn, Wednesday evening. Mrs. Clifford Bradley won the prize for high score and Mrs. Wilbert Fitzthomas was low scorer.

Mr. and Mrs. Tom Purves of Allen Rd. spent the weekend in Tudyard visiting friends and relatives. They also attended the wedding of Mrs. Purves' cousin Saturday evening in Hessel.

Mrs. Emery Pierce on Cramlane Dr. flew to Florida with daughters Melodee and Tam to spend two weeks with Mrs. Pierce's parents, Mr. and Mrs. Clarence Smith of

Brooksville. Mr. Pierce joined the family and they enjoyed motoring home.

Mr. and Mrs. James Snover on Whipple Lake had as their dinner guests Sunday. Mrs. Snover's parents, Mr. and Mrs. Orville Cummings and sister Sandy of Maceday Lake.

Sheila, five year old daughter of Mr. and Mrs. Arthur Kelley, has returned home after being a patient at Pontiac General Hospital where she had her tonsils out.

Mr. and Mrs. J. J. Thomson on Rattaloe Lake Rd. have moved into their new home on Cranberry Lake To celebrate the occasion a party was in order.

Legionnaires and their wives attended a Valentine Dance Saturday evening at the American Legion Post on Ortonville Rd. Gaily decorated with plenty to eat and good music made it a grand time.

Sheila and Bonnie Bray are still pretty excited about their two week winter vacation. They motored with their parents, Mr. and Mrs. Lloyd Bray, from 6915 Tappan Dr. to St. Louis, where they met a great aunt for the first time. From there they continued on to relatives

in Orlando and Key West, Florida.

HAPPY BIRTHDAY TO:

Jennifer Davenport, Michelle Sloan, February 26; Karen Temple, Mary Ellen Whitmer, Gill ApMadoe February 27; Randy S. Bratt; Bobby Wilkinson, Ward H. Robbins, Phyllis Braun, March 1; Julie Beckford, Isabel K. Robinson, March 3.

ANNIVERSARY GREETINGS TO:

Mr. and Mrs. John Adams, February 28 and Mr. and Mrs. Norton Redwood, February 28.

Nutrition in Action

The importance of good nutrition, especially in the morning meal, was put to a working test recently.

The study which began in the classroom of Mrs. Burget, the second grade teacher at Bailey Lake Elementary, placed fruit juice, milk, oatmeal and eggs on the menu.

From there the mothers of the pupils took over with the preparation and serving. Special breakfast guests were Mr. Reabe, the school principal, and Mrs. Kitchner, the county nurse.

School Lunch Menu

The menu for the week of February 21, for the Clarkston Community Schools is:

February 21 Barbeque on bun, potato chips, buttered corn, apple sauce, cookie and milk.

February 22 Chili and crackers, cabbage salad, french bread and butter, fruit and milk.

February 23 Hamburg patty, browned potatoes, hot vegetable, rolls and butter, cake and milk.

February 24 Toasted cheese sandwich, potato salad, buttered peas, pudding with fruit topping and milk.

February 25 Tuna salad, buttered green beans, roll and butter, fruit p.e. and milk.

February 28 Hot dog in buttered bun, corn pickle slices, fruit and milk.

The alternate salad lunch offered high school students will be:

February 21 Chili and crackers, lettuce salad, fruit bread and butter, apple sauce and milk.

February 22 Hot dog in buttered bun, lima beans, cake with fruit topping and milk.

February 23 Fishwich, potato chips, buttered carrots, fruit jello and milk.

February 24 Spaghetti and meat sauce, green beans, bread and butter, fruit and milk.

February 25 Fruit plate, cold cuts and cheese, roll and butter, cookie and milk.

February 28 Cottage cheese and fruit salad, asparagus, roll and butter, cookie and milk.

Engagements Announced

Mr. and Mrs. Malen Ellsworth of North Main in Clarkston, announce the engagement of their daughter, Lynn Ellsworth, to Dennis M. Kacy, son of Mr. and Mrs. Al Kacy of Lasher Road Birmingham.

The newly engaged couple are students of Michigan State University.

The date of the wedding has not been set.

Births

Mr. and Mrs. Robert Lindahl of Orion Rd. are the proud parents of Todd Eugene, 6 lbs. 11 1/2 oz., born February 8. Todd has four brothers.

Grandparents are Mr. and Mrs. Albert Matson of Traverse City and Mr. and Mrs. Carl Lindahl of Lake City.

Cheryl and Dick Burgette have joined the rank of parenthood, with the arrival of a 6 lb. 5 oz. Rebecca Jane, Mrs. Burgette is the former Cheryl Miller of Clarkston.

One of the most twenty fourth wedding anniversary presents Mr. and Mrs. Cushman, of 98 Holcomb, received this February 14th was from their daughter Sue. She presented them with their first grand daughter. The proud parents are Mr. and Mrs. Michael Brown, on Rattaloe Lake Road in Davidsburg. The Browns also have two sons.

Mr. and Mrs. Jerome Orland of Peach Springs, Arizona, announce the engagement of their daughter, Grace Marie, to Morgan Fredrickson, 7000 Fox Drive, Clarkston. A September wedding is planned.

Alpha Delta Kappa Meets

The February meeting of the Epsilon chapter of Alpha Delta Kappa was held at the home of Mrs. Norman Underwood of Pontiac.

Mr. Hugh Mingle the registrar of Michigan Christian College, Mr. Mengesha Wonaferrow a student from Addis Ababa, Ethiopia and Mr. Reiner Kallus a visitor from Wiesbaden, Germany formed a panel to discuss the education of Ethiopia and Germany.

The panel was very informative and interesting.

Platter Hop Set

A "platter hop" is scheduled for the Clarkston Girl Scouts dancing pleasure, Thursday, February 17 at the Clarkston Community Center.

Leaders are making a sincere effort to return a theme of folk dancing to the annual affair. Therefore this will be the mode from 4 to 5 p.m. At five the older girls will be allowed to step up the tempo with more popular, up to date selections. Parents that would like to watch are welcomed.

Come in and take on a tiger!

The only thing that looks low-priced on a Pontiac Tempest is its price sticker.

And that's removable.

Take it off, and there's just a pure, unabridged Pontiac: Crisp, Wide-Track style and handling. A handsome interior. Plus the effervescent performance of a new overhead cam 6 engine that puts out with all the spunk of an 8, yet saves like the traditional 6. And of course, being a Pontiac, Tempest allows you the luxury of choice—with options in engines,

transmissions, suspensions, practically everywhere. And like all Pontiacs, Tempest also has a standard safety package with items like seat belts to buckle—front and rear. (That ought to do for now. We'll tell you the rest when you get here.)

Wide-Track Pontiac GM

Mrs. Monroe Hosts D.A.R.

General Richardson Chapter of the Daughters of the American Revolution, enjoyed the hospitality of Mrs. Allen Monroe, who opened her home to thirty members and guests for the February meeting of the Chapter.

A very interesting talk was given on "American Indians" by the State Chairman Mrs. Charles R. Fraser, of Detroit. Mrs. Fraser was introduced by Mrs. Eldon Gardner, local chairman of that program.

Regular Committee reports were given and further discussion on plans for the State Conference to be held in Saginaw, March 15-17, and the Continental Congress to be held in Washington, D.C. April 18th-22nd.

The chains of habit are too weak to be felt until they are too strong to be broken. —Dr. Johnson

The Why's of Girl Scout Cookies

WE'D LIKE TO EXPLAIN - It has been brought to our attention that all people in our area may not fully understand the reasons concerning the following:

- Why Girl Scouts sell cookies and where the money goes.
- Why our request for support for cookie sale is over such a long period of time.
- Why we need your understanding and aid.

WHY COOKIE SALES AND WHERE THE MONEY GOES

We are sure everyone knows that cookies are sold to make money. But, did you know that cookie money alone is what pays for our camps and that cookie money pays for about 20% of our operating expenses.

Girl Scout councils receive generous gifts from the annual United Foundation Torch Drive. However, United Foundation officials recognize that it is not possible to provide all money needed for approved operating expenses. Consequently, United Foundation asks Girl Scout councils to provide additional funds for their expenses and for their camping programs. We are proud that we can do this through our annual cookie sales.

Without the cookie sale, there would be no Girl Scout camps and many services to girls and troops would be curtailed or eliminated.

WHY COOKIE TIME IS SO LONG

The Northern Oakland council has advance order taking for our cookie sales. This will take place January 21 through February 1, with the delivery of cookies to coincide with the National Girl Scout Week.

HOW WE CAN HELP EACH OTHER

It would be most helpful to us if you could support cookie sales at the order taking time and during Girl Scout Week.

You may be interested to know that the Northern Oakland council serves over 8,000 Girl Scouts (7 to 17 years of age). Over 2,500 men and women volunteer their time to provide the Girl Scout program to these girls.

We sincerely hope that this explanation will help you to better understand our requests and long-term dates.

We more than appreciate all you have done for us in the past and wish to cooperate with you in every way we possibly can. I will be glad to answer questions you may have.

On behalf of all Girl Scouts in the Northern Oakland area, we THANK YOU!!!

Success is not so much a matter of talent as of concentration and perseverance. —Anonymous

McGaffies in Afghanistan

Betty Learns to Sew, Play Guitar

In Kabul, we bought a hand-crank sewing machine, which Betty has finally mastered. She is making all of my shirts into short-sleeves, because I persist in going through the sleeves. She is also making light-weight clothes for our projected trip through Europe and the Near East, after we finish with the Peace Corps. We miss you all, but still don't intend to miss what may be our only chance to see Europe close-up. Betty is also making dolls, she says to give as gifts, but I suspect for her own enjoyment.

Betty has also spent her time perfecting her guitar-playing. She now has such a repertoire that I have to tell her what she knows. She even taught me one song, which I butcher, but persist in despite her anguished screams. We are both studying written Farsi, which is almost a different language from the Farsi we speak. We are now at about the level of accomplishment that we were in spoken Farsi when we arrived. That is, we don't know a thing, but we can put on a brave show. Perhaps after another year, we'll

VIP Keeps David on His Toes

In my adult course, I am teaching almost all of the important people in town, and it is totally different than teaching the beginning students. These men have all either once studied English, or have picked up some in their careers, and they keep me on my toes. Betty's course also is enjoyable for her. The girls she teaches come after school, out of their own desire to learn, so she has none of those students who dislike English, and can make a class period so very difficult. They are all eager to learn, and run her ragged, trying to think of things to keep them happy.

Fishing - Skating

Members of Pack 128 are planning an ice fishing and skating shindig for Sunday, February 27 at Cemetery Lake. Hot dogs and hot chocolate will be served around the bonfire. Each cub will be expected to bring his father and be there by 2 p.m.

MORTGAGE SALE
DEFAULT having been made for more than thirty days in the conditions of a certain mortgage made by Horace H. Dalton and Nora V. Dalton, his wife to Capitol Savings & Loan Association, Michigan Corporation dated the 22nd day of October, A.D. 1964, and recorded in the office of the Register of Deeds for the County of Oakland and State of Michigan, on the 26th day of October, A.D. 1964 in Liber 4956, on pages 30, 31, and 32, Oakland County Register of Deeds, there is claimed to be due at the date of this notice, for principal and interest the sum of Thirty Thousand Eight Hundred Sixty Two and 67/100 (\$30,862.61) Dollars, and an attorney's fee of Seventy Five and 00/100 (75.00) Dollars, as provided for in said mortgage, and no suit or proceedings at law or in equity having been instituted to recover the moneys secured by said mortgage, or any part thereof.

NOTICE IS HEREBY GIVEN, that by virtue of the power of sale contained in said mortgage, and the statute in such case made and provided, on Tuesday the 15th day of May A.D. 1966, at 10:00 o'clock in the forenoon, Eastern Standard Time, the undersigned will, at the Court House in the city of Pontiac, Michigan, (that being the place where the Circuit Court for the county of Oakland is held), sell at public auction, to the highest bidder, the premises described in said mortgage, together with said attorney's fee, and also any sum or sums which may be paid by the undersigned necessary to protect its interest in the premises, which are described as follows: to-wit: Lot 6, Green Meadows, a Subdivision of part of Southeast 1/4 of Section 8, Town 5 North, Range 10 East, Orion Township, Oakland County, Michigan, as recorded in Liber 108, Page 4 of Plat, Oakland County Register of Deeds Records.

Dashing new American out-accelerates Corvair, Falcon, Dart at Daytona! Chalks up 24.5 mpg, too!

And it's still the lowest-priced car made in the U.S.A.!

Our '66 Rambler Americans are full of surprises. Two of them just knocked off Corvair, Falcon, and Dart, finishing 1, 2 in the Class VI Acceleration Test in the NASCAR-supervised '66 Pure Oil Performance Trials. Proof of more power for safe passing. How did American do it? With a surprising new Six. The biggest, newest, most powerful standard Six in its class. Yet the same car that won the Acceleration Test, posted a remarkable 24.5 mpg in the Economy Test. (And that was with automatic transmission!)

The Rambler American 220 two-door (shown below) still carries the lowest price of any U.S. car. And now during his "Big Win Weeks" celebration, your American Motors/Rambler Dealer is pricing his Americans lower than ever.

"Big Win Weeks"
now on at your American Motors/Rambler Dealer. Win a '66 car in his free drawing. Enter today!

Americans don't really come with Rally stripes. They just drive that way!

Win Big at your friendly American Motors/Rambler Dealer!

Northville Takes Title Step

Northville took another step towards its second league title in a row, by stopping Clarkston 60-50. The win gave Northville a mark of 10-2. Clarkston is in third place with a record of 8-4 and Bloomfield Hills is second with a 9-3 record.

Northville has two more tough ball games. They play at Bloomfield Hills and West Bloomfield.

Northville had one thing on their mind. Stop Dan Fife and we will hold Clarkston down.

The Mustangs played a strong zone defense. It was mostly a 2-3 zone, but sometimes they would switch to a box and use a man chaser. The chaser was John Jamison and he followed Fife around like a dog tied to a leash. If Fife broke free from Jamison, he would go to his right and head for the base line. However there was always another Northville player to help Jamison to protect the base line.

I don't believe Fife had a lay-up from the base line all night. When he stepped from his drive for a jump shot there was always a hand in his face.

This is what Northville did to Fife.

1. Held him to his lowest point effort of the year — 18 — the last time they played they held him to his 2nd lowest output 22.

2. Held him to only 14 shots and made only four percentage of 28.

Fife is averaging 25 shots per game, and his field goal percentage is 33.

3. At one stretch Northville held him scoreless for 13 minutes and 58 seconds. Dan scored a free throw at the 5:15 mark in the 2nd quarter and didn't score again until the 7:17 mark in the 4th quarter.

4. For the 2nd time Northville caused Fife to foul out of the game. The 1st time with 7 minutes to play and this time with two minutes to play.

The game was played to a capacity crowd, with as many Clarkston fans as Northville fans, a great tribute to Clarkston.

The Mustangs opened up a 6 point lead at the first quarter mark. Neither team was very hot as Northville shot 19 times and made five. Clarkston hit on three out of 16 attempts. Fife scored 8 of 10 points or Clarkston.

In the 2nd quarter both teams continued their poor shooting. Northville hit on 4 out of 20 attempts and Clarkston had three out of 9 attempts. Northville built up the biggest lead of the game with 15 points but was narrowed down to 11 points at the close, as King Robinson and Rich Johnson dropped in two long shots.

The third quarter was Clarkston's big chance to move up on Northville as they were content to sit on their lead. They took only 8 shots and made three of them. Clarkston

did drop the lead to 5 points, but nobody had the hot hand for Clarkston and Northville increased the lead to 11 before the quarter came to an end. The Wolves took 14 shots and made 5 points. Rod Allen was high in the quarter with 4 points but no one else had more than two points.

The fourth quarter was more of the same poor shooting, with more erratic play by the Wolves. However Dan Fife picked up some steam and added 9 points to the losing cause. But it was too late, as Northville was able to keep a 10 point lead throughout the game.

In previous games both teams have played a better brand of basketball and I believe if Clarkston would have played up to par, Northville could have been taken, Amen.

The Clarkston JV was defeated by Northville 50-33. Coach Davidson's crew did a good job, as the half time difference was only 3 points. This Northville team has been defeating everybody by 30 points or more and have a record of 12-0 in league play.

Steve McGill	6
Gary Mize	4
Eric Hood	3
John Craven	1

These 18 points by Fife gave him a total of 404 points. This breaks the scoring record for one season, and Fife has three games to go.

I bet you would have a tough time remembering his name — he scored 399 points. I will give you a little clue. His name was not Dan Craven, Mike Applegate, Ken Miskin, Mike Bray, Clark Rouse, Bob Porritt or Dick Caverly.

Read next weeks paper for the answer.

Clarkston Blasts Waterford 69-65

Clarkston played its finest game of the year, when it defeated Waterford Tuesday night.

There play had been a little erratic but this game showed team effort all the way, with each boy contributing to the win.

Clarkston had a lead of eight

points in the first half but was also down by 8 points in the second. They came charging back in the last quarter to outscore Waterford 18-8.

Waterford's big gun was Rick Ziem, who dropped in 27 points. He had 22 in the first half as Clarkston had no defense for him but in the 2nd quarter Coach McGrath switched Tom Allen to guard Ziem, which held Ziem to 2 points in the third quarter.

Clarkston's Dan Fife was the high point man with 32 points. He spearheaded Clarkston's big victory but had lots of help from Mike Madison and Mark Richard. Both helped clear the boards at both ends.

Another big factor in the game was the 12 points scored by Tom Allen, and his defensive prowess and ability to get the ball to Dan Fife.

Scoreboard

Dan Fife	32
Tom Allen	12
Mark Richard	10
Mike Madison	7
Rod Allen	4
Mark Erickson	2

Waterford defeated Clarkston's Junior Varsity by 45-36. Eric Hood was high scorer with 14 points.

Waterford Men's Basketball

The halfway mark has been reached by two of the three divisions of the Waterford Recreation Department's Men's Basketball. Spencer Floor Covering and Lakeland Hardware continued unbeaten and lead the American and Continental Leagues by one full game over their nearest rivals. Six R's Construction and Fredman Construction remained tied with 5-1 records as both squads posted victories in last Monday evening's National League encounters. Important games this week include tonight's Class C clash between Lakeland Hardware and Buckner's, and next Monday's battle between

triple beaten Howes Lanes and once beaten Fredman Construction.

Both American and National Leagues began their second round action this week, but because of the first week postponement the continental loop finishes its first round February 10th.

Slow starting Spencer Floor Covering led Drayton Drug only 31-26 at halftime but turned on the steam in the second half to win in a walk. John Herrington's 19 points led Spencer's balanced offense (4 men in double figures) while Mike Miley and John Saum bucketed 12 points apiece for the Druggists. Jim Chamberlin's 35 points (15 in the third quarter) led Frushour and Struble past Lakeland who led the realtors 36-35 at halftime. Tom Nickman scored 24 points to lead Lakeland. C.I.O. Local 594 stretched a 55-53 third quarter lead by outscoring Powell's 26-11 in the fourth stanza to post its first win. Dick Olive's 35 points paced the

unionmen while Ron Lundy meshed 33 for the luckless Powell's quintet.

Lakeland Hardware's potent and balanced scoring machine stung Ryson's with quarter advantages of 24-14, 44-31, 67-38 enroute to their fourth triumph without a loss. Mike Read's 23 points led the winners who had four men in double figures. Gus Pantelide's 16 points were high for Ryson's. Duane Presson's 23 markers led Buckner's over Wayne's who cut the winners lead to 3 points midway through the fourth quarter only to see the Buckner's squad pull away again with four shots. Dave Goff's 21 points were high for Wayne's Bundy. Built Homes padded a 31-29 halftime lead to 51-42 at the end of three quarters and held off a late Zilka rally, to win their first game. Randy Parson's 24 points led Bundy's while Jack Lundy (18) and Marty Everett (17) contributed over half of Zilka's total.

Coleman's Crew (3-3), although they played shorthanded for the last half of the fourth quarter, outscored Howe's 27-24 in that stanza to take its close decision Bill Lemaux led all scores with 35 points for the winners. Jim Devine's 25 points paced Howe's whose record now is (3-3). Six R's triumph was highlighted by Ken McClintock's 49 point spree which is a program record for 65-66. McClintock's total included 21 fielders and 7 for 8 at the free throw line, and his 20 points in the fourth quarter provided the winning margin. Dick Hesselgrave pumped in 16 points for Joe's No. 1 (2-4). In the final game of the evening Fredman's bent pace with Six R's as Bob Smith's 26 markers led Fredman's outshot the losers 19-14 in the final stanza to win going away. Andy Miceli's 13 points led a balanced attack for Joe's No. 2.

College News

Placed on the all A honor role which offers "recognition of the highest attainment in scholarship" at Michigan State University in East Lansing, was Ronald Fuslier. He is the son of Dr. and Mrs. Ozman Fuslier of 8970 Dixie Highway, Clarkston.

From the University of Michigan comes the news report that William MacBeth, of 5392 Ormond, Clarkston, has received his Bachelor of Science in Engineering degree.

Gary L. Fitch, son of Mr. and Mrs. Harold Fitch, of 5744 Hummingbird Lane, Clarkston, received the Outstanding Basic Cadet Award for being in the top ten per cent of the ROTC (Reserve Officer Training Corp) at Michigan Technological University in Houghton, Mich.

A graduate of the class of '65 Clarkston High School, Fitch is a member of the Army ROTC Drill Team and the Society of American Military Engineers.

Left for Service

Daryl Kay, son of Mr. and Mrs. Kenneth Kay, of 6465 Waldon Rd., Clarkston, left for the Air Force, February 10th.

A Clarkston resident, James Haddock of 101 N. Holcomb, was among thirty-three Oakland University students who completed requirements for their bachelor's degrees at the close of the University's fall semester.

James received his bachelor of arts degree in business administration.

Central Michigan University's Mid Year commencement exercises culminated the scholastic efforts of two Clarkston students. Receiving his Bachelor of Science degree at the January 29th ceremony was Michael Alan Tate. Terry Andrew Winterbottom accepted his B.S. in B.A.
