CLARKSTON, MICHIGAN 48016, THURSDAY, MARCH 3, 1966

NUMBER 27

Sewage or Not?

An interested reader, Mrs. Blumenschein of Clarkston, called the Clarkston News office with the following question on the proposed sewage system for Independence Township.

Q — Will the sewage proposal be voted on by Township residents?

A — No, by statutory authority, the administrative body (in our case, the Independence Township Board) may by resolution, establish a special assessment district for such a purpose. According to Independence Township Clerk Howard Altman, the fact that the entire Township is not being bonded, nor an increase in millage being sought, a resolution by the Township Board is sufficient.

Also, if 51 per cent of the residents in any district petition for the sewage service, a resolution would enable the Board to establish the assessment district and a referendum or vote of the people would not be necessary.

A district, in this case, may be considered as any area of description from a street or number of streets to a subdivision. The Township as a whole could be a district.

Q — Can you refuse to 'hook up' to a sewer system?

A — The state makes it mandatory, for obvious health reasons, that if a sewer line is made available for connection, an immediate potential user must 'hook up' within 18 months.

Q — If the Township Board adopts the sewage program, will there be an immediate start on the internal system?

A — Immediate plans for an internal system would be the only reasonable and most likely step; one demands the other.

Q — Will a millage vote be necessary for the interceptor sewage system?

A — No, a millage vote will not be necessary because there will not be a millage increase.

Q — Will an ordinance be necessary to make it mandatory for residents to hook up to the system?

A — Yes, an ordinance would be adopted to set forth the provisions and requirements for maintaining and operating a disposal system.

Q — Will the sewage system affect our water level?

A — There may be some concern as to the water table in relation to a sewer system, but people with whom this has been discussed (DPW), attach little or no significance.

Q — Is the Township Board near a decision on the sewage proposal?

A — The board has held and scheduled several public information meetings and more are anticipated. At this time no decision has been reached.

Q — Has the Township Board had any support for the sewage system?

A — Yes, citizens and business people of the area have indicated they recognize and support the need for a disposal system in this area. The Township Planning Commission has taken an affirmative position to the extent of desiring active participation in the promotion of a Township sewage system.

CLARKSTON COMMUNITY BULLETIN

A CLARKSTON JAYCEE COMMUNITY SERVICE THINGS TO DO PLACES TO BE WILL SHOW HERE FOR ALL TO SEE

A SHORT WARNING SPEECH was made to a chilly crowd, by JC President Robert Newlin, following the official lighting, by Don Cameron, of the Clarkston Community Bulletin.

Junior Chamber of Commerce. Hot coffee and doughnuts were rewarded at the Village Hall afterwards. Messages on the Bulletin will be further relayed through the Clarkston News. The verse on the board was through the efforts of Harry Fahrner.

Costume Event at Mt. Holly

Costumes, off-beat skiing events and prizes will be featured at Mt. Holly's annual Ski Carnival on Sunday, March 6, at 2 p.m. Gaily costumed skiers and conventionally clad visitors are invited to bring their cameras for such events as the "Silly Slalom" and other unique contests on skis.

Lawns and Shrubbery Damaged by Cars

Peace of mind is a gift that can seldom be bought or sold, only given. The same is true of friends. Until someone comes forth with the answers of "why" it happened, only what happened can be reported.

Attempting to understand what happened, the Bluegrass homeowners put bits and pieces of information together.

New Maps Here

M is for the many miles it saves you. A is for all its knowledge true P means only that it surely pays To own a map of Michigan that's new.

State Police, Sheriff Dept. Cover Numerous Accidents

Cars rounding a curve in opposite directions were involved in a February 22nd accident. No injuries were reported in the encounter near Waldon and Clintonville Roads.

Injuries both major and minor were inflicted after a series of chain reaction collisions on M-15 near Craberry Lake Road on February 26th.

The most serious injured was Anna Marie Hernandez, 17, of Flint. She was a passenger in the fourth car to strike. It was driven by her husband, Ramon.

Although seriously injured, Thomas, 20, was charged with a D.D. (driving while drinking) offense.

While in Green Beret

Local Man Fatally Wounded in Viet Nam Conflict

The sympathy of Clarkston is extended to Mrs. Robert M. Gronzo, who has received word that her son Staff Sgt. Burton Charles Montross has been killed in action in Viet Nam.

A member of the special forces known as the Green Beret, Sgt. Montross was killed instantly by mortar shell, in the recent fierce fighting at Bong Son. Members of the Green Beret are chosen to train the Vietnamese army. However at the time of his death he was in combat.

A five year veteran of the service, Sgt. Montross had been granted his request to be sent to Viet Nam a little less than a year ago.

As a Clarkston resident and student, Burton Montross had at-

tended Clarkston High School where he was on the Junior Varsity, track and baseball teams. He graduated from the Clarkston Senior High School in 1961.

His body will be returned to Clarkston where it will lie in state for two days, at the Lewis E. Wint Funeral Home, with services at the First Baptist Church. From Clarkston it will go to Leitchfield, Kentucky for final burial.

Sgt. Montross is survived by his mother, Mrs. Robert Gronzo of Clarkston, his wife Mary Helen and an infant son, Burton Charles Jr., of Kentucky.

Also surviving is Miss Dorothy Montross of Hollywood, California and Mrs. Margaret Stokes of Watertown, sisters of the deceased.

S/Sgt. Burton Montross.

Sashabaw School and Land Purchased by Township

The legal ball will begin rolling immediately for the buying and selling exchange between the Independence Township Board and the Clarkston Board of Education.

Members of the Township Board, who attended the March 1st meet-

ing, heard the report from Howard Altman stating that the deed to the old Sashabaw school property would belong to Independence Township in the near future.

Proving the value of the property purchase, will be the storing of a piece of fire equipment for use in that area, which is a high calling area to the Fire Department.

The moving of this piece of fire fighting equipment will also make room for a new tanker which is due to be bought.

The price paid for the Sashabaw school and land, by the Independence Township Board was \$7,750.

Also on the business agenda at the March 1st meeting was the voting approval of street light installation at two corners, M-15 and Paramus (Squirrel Rd.) and M-15 and Princess.

The public meeting room at the Township Hall on N. Main in Clarkston had been the February 24th setting of a pro and con hearing of a gravel operation, which is needed before the building of a new medical center in Clarkston can begin.

Permission was granted for the removal of the gravel in back of the present medical center. It is the hope of Dr. John F. Naz, that the new medical center can be completed this summer.

Clarkston Students to Attend Opera

Vocal groups from the Clarkston High School will be given the opportunity to attend "Overture to Opera V" the major project of the Pontiac Education Committee of the Detroit Grand Opera Association, on Thursday, March 10.

Bus transportation will be available for one hundred and fifty students who have shown a previous interest in music.

The first of two performances will be presented at the Pontiac Northern High School, for the students only. The following day, March 11 at 8:15 p.m. the second performance will be given to the public.

"Overture to Opera V" is jointly sponsored by the Detroit Grand Opera Association, Oakland University, the University Center for Adult Education, and the Detroit Public Library.

The program will consist of excerpts from four operas including two of the seven to be presented by the Metropolitan Opera during its annual visit to Detroit's Masonic Temple Auditorium, May 23 through May 28.

Included in the program will be the final scene from "FAUST" and the "Mad Scene" from "LUCIA DI LAMMERMOOR," both operas which will be included in the repertoire presented by the Metropolitan Opera Company. In addition, the first act of "THE MARRIAGE OF FIGARO" and the final scene of "DER ROSENKAVALLIER" will be presented.

The program is being personally produced by Dr. David Di Chiera, assistant dean for Continuing Education in the Arts, of Oakland University, who is also chairman of the Education Committee of the Detroit Grand Opera Association.

Mrs. Robert Anderson, of Birmingham, is co-chairman. Many of the leading operatic voices from the greater Detroit area will sing the roles. Included are Maria Bahas, Imogene Bird, Lee Davis, Alice Dutcher, Carolyn Grimes, Edward King, Ernest Nimmons, Russell Smith, and Fay Turner.

A small admission charge will be made for the public performance. Ticket information for the performance at Pontiac Northern High School may be obtained from Mrs. Frank Lambert — MA 5-3001.

15,127 Arrests Made in January

State Police officers made 15,127 arrests in January, 13,786 of them for traffic offenses and 1,341 on criminal complaints, according to the department's monthly activity report.

In addition, 375 juvenile traffic offenders were arrested and 370 delinquent and four wayward minors apprehended.

Troopers assisted 4,446 motorists, investigated 9,133 cars, issued 20,386 oral warnings to drivers, and made 19,096 property and 3,002 inspections.

Department vehicles traveled 1,661,627 miles, of which 1,002,253 were on traffic patrol and 659,374 to investigate criminal and other complaints.

The identification bureau processed 13,131 sets of fingerprints, of which 7,527 were criminal and 5,604 noncriminal. Two wanted persons were identified.

Of 2,024 applicants for permits to carry concealed weapons, 249 were identified with criminal records through their fingerprints.

One unknown dead was identified by the same means. The scientific crime laboratory conducted 830 examinations, with 479 on questioned documents, 128 on firearms, 76 on glass, 73 on tool markings, 26 microscopic and 84 miscellaneous.

Laboratory assistance numbered 37 for State, Police posts, 64 for local police, 16 for sheriffs and three for state agencies.

The fraudulent check section received and processed 143 checks, identifying 58 of them by name or with previous specimen. Face value of the checks totaled \$14,864.98, an average of \$104.95.

Ulick O'Conner at Huron Theatre

Pontiac Oakland Town Hall is pleased to present the talented Irish poet and biographer, Ulick O'Conner, who will appear at the Huron Theatre on Wednesday, March 9th at 10:30 A.M. His topic will be "The Irish Renaissance."

Mr. O'Conner is much in demand for television appearances here as well as abroad. He had his own program on the BBC, has appeared on Johnny Carson's "Tonight" show and other leading programs. In addition to his literary accomplishments this witty gentleman is also a criminal lawyer with a degree in post graduate Law from Loyola University. As a practicing barrister he became State Prosecutor for the West of Ireland at age 26. Ulick O'Conner received his degree in Philosophy from the University of Ireland, has published two volumes of poetry and has lectured at universities in Sweden, Rome, London and Paris.

Not only a well educated man, but an accomplished athlete too, Ulick O'Conner combines remarkable facets into a sparkling personality.

A celebrity luncheon at Devon Gables will follow his performance. Reservations may be made by contacting Mrs. H. T. Baker, of 590 Scott Lake Road, Pontiac.

Gets Promotion

A native of Clarkston, Michigan, Mr. Radove is a graduate of Clarkston High School. He attended Western Michigan College at Kalamazoo and Iowa State College at Ames, during 1944-45 service with the U.S. Navy. He was awarded a bachelor of arts degree by Michigan State University at East Lansing in 1949.

In November, 1949, Mr. Radove joined Sun at River House (De-station salesman) later becoming a station manager. He was appointed a motor products salesman in November, 1950.

Mr. Radove and his wife, the former Mary E. Porritt of Clarkston, have three children: Carolyn, Judy and James.

Students Going to Scotland

Mr. and Mrs. David R. Telleen of 504 Hiscock Street, Ann Arbor, members of the faculty at the Clarkston High School have received announcement from the American Institute for Foreign Study of their appointment as teacher-chaperones for a group of high school students who are enrolled for a summer semester of English literature at St. Andrews University, Dundee, Scotland.

The American Institute, with national headquarters at Greenwich, Connecticut, is a non-profit membership association of high school teachers and students. Its major objective is to promote a better understanding between our American high school students and the youth of foreign countries, their language and cultures. This year the Institute is sponsoring summer courses at 17 university campuses in England, France, Spain, Germany, Italy, Austria and Greece. A Russian Seminar for high school students will be held at Unterwiesbach, Austria, and will be climaxed by a ten-day student tour into Russia.

Mr. and Mrs. Telleen and their students will fly on Trans International Airway Jet from Kennedy International Airport, New York, for Glasgow on July 12th. Among the students going to Scotland on the A.I.F.S. study and travel tour are Catherine Hoffman, Karen Norman, Nancy Richmond, Andrew Rossano, Katherine Rossano, Christine Quinlan, Philip Moon and Kathryn McCann from Clarkston High School, and Deborah Staak from the Kingswood School in Cranbrook.

St. Andrews University, Scotland, was founded in 1410. It is the oldest university in Scotland and the third oldest after Oxford and Cambridge in Britain. The university has three sections, one in St. Andrews close to the famous golf courses, and the other at Dundee just across the River Ty. American students will live in beautiful modern residences in Dundee and also take their classes there. Dundee, famed in song and prose, is close to some of the most beautiful scenery in the world — the famous heather bound Scottish Highlands. In addition, Edinburgh, capital of Scotland, is

only two hours away. The course will consist of three sections — English literature, modern Britain, and special interest courses, which will give the students an opportunity to study phases of the political history of the British Isles. Weekend trips will include a visit to the Western Isles of Skye, and Mull. A weekend visit to Edinburgh is on the agenda.

At the completion on August 8th of the four-week course, teachers and students who successfully pass the University examination will receive a diploma of attendance. Following graduation exercises, students will travel for nine days visiting Glasgow before proceeding by bus to England through the beautiful lake district to Lancaster and then to St. Peter's University in Birmingham. Enroute to London Mr. and Mrs. Telleen and their students will visit the re-built cathedral at Coventry, Shakespeare's birthplace at Stratford-on-Avon and the picturesque Anne Hathaway cottage.

While in London, the A.I.F.S. group will be guests at the Hotel Royal, a series of sightseeing trips will include the colorful changing of the guard at Buckingham Palace, the Tower of London, West-

minster Abbey, House of Commons and St. Paul's Cathedral.

An evening performance of the Royal Shakespeare Company at the Aldwych Theatre will constitute the night life program for the chaperoned students.

Enroute to Southampton for the channel crossing to France, students will visit Runnymede, historic scene for the signing of the Magna Carta; nearby is the recently opened John F. Kennedy memorial.

While in France the students will visit the Cathedral at Rouen and stay overnight at Tours in the heart of the Loire Valley Chateau Country. Stops will be made at the famous Chateau de Chenonceaux, Ambois and the historic cathedral at Chartres before their arrival for a three day concentrated tour of the historic locations in and around Paris. Visits to the Louvre, Notre Dame, Napoleon's Tomb, The Eiffel Tower, the famous gardens and palaces of nearby Versailles are being planned before Mr. and Mrs. Telleen and their students leave Le Bourget Airport in Paris aboard a T.I.A. jet on August 18th for the return flight to New York.

DUNDEE, SCOTLAND is landmarked as the summer residence of Mr. and Mrs. David Telleen, teachers from the Clarkston Senior High School.

The appointment as teacher-chaperone is roughly only four months, one week, five days and three thousand six hundred and fifty eight miles away.

FIRST CHURCH OF CHRIST SCIENTIST
Oxford, Michigan

The absolute equality of all men in the sight of God is the theme of this week's Lesson-Sermon on the subject "MAN," to be read in all Christian Science churches on Sunday. Bible references include Paul's interpretation of this fundamental spiritual premise: "For ye are all the children of God by faith in Christ Jesus..." There is neither Jew nor Greek, there is neither bond nor free, there is neither male nor female; for ye are all one in Christ Jesus" (Galatians).

Parallel references from the denomination's textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy, include this statement: "Through spiritual sense you can discern the heart of divinity; and thus begin to comprehend in Science the generic term man."

A cupboard was originally a shelf for cups, but later the term was used to describe a piece of furniture containing compartments and shelves for dishes and other articles.

Fables have been told for centuries but Aesop was the first to put them on paper.

Reaching Out Divine Authority

On the Sabbath Day Jesus went into the Synagogue and taught, and people were astonished, for He spoke as one having great authority . . . MARK 1:21-2.

It is recorded that immediately following His lonely sojourn in the desert places Jesus returned in the power of the Spirit to His beloved Galilee and forthwith began to preach the Gospel of the Kingdom. Many were drawn to Him, followed Him from village to village, and so great was the impact of His personality and of His words that His fame spread through the whole countryside and all were astonished to hear Him speak, not as the Scribes, but as One having far greater authority than they.

On one occasion, in a moment of high confidence, He said: "These words that I speak unto you, they are spirit and they are life."

Jesus' authority sprang from the truth of God which He exemplified, and what is more, He knew how to teach, not by acquired technique or devices of method, but naturally, directly, interestingly, and with amazing skill.

Jesus knew how to make men understand His Teaching. He was always ready with an example, a figure of speech, or a story which made the truth wholly clear even to humble and unlettered people.

He told many stories, among them the story of the Prodigal Son and of the Good Samaritan, for that is what all the great Parables are, highly effective as teaching instruments conveying the profound truth of the Fatherhood of God and the Brotherhood of all men.

OUR FATHER: Grant unto us, we beseech Thee, that we may ever be enlightened by the wisdom and by the understanding of Thyself that were displayed in Jesus. AMEN.

Lenten Carillon Program at Church

Beginning this week, February 25 and continuing through Good Friday, April 8, there will be half hour programs each Friday from 4:30 to 5:00 p.m. on the Memorial Coronation Carillon of First Methodist Church, Clarkston. Hymns of various denominations and faiths will be featured. There will also be one program of request hymns. So, if you have a hymn that you would like to share with the community call the church office and leave the title or the first line of your hymn.

Obituaries

JOANNE IRENE WOODS
Services for Joanne Irene Woods, 18, of 5091 Eastview, were held at the Coats Funeral Home in Waterford, on February 23.

Miss Woods was killed February 21 in a traffic accident near Grayling.

Survivors include her parents, Mr. and Mrs. Ernest Woods, four sisters, Mrs. Lloyd Aldrich and Mrs. Russell Dawson of Pontiac, Joyce and Donna at home.

Also surviving are six brothers Joseph and Steven at home, Bruce who lives in Alabama, Dale and Gary of Redding, California. Grandparents, Mr. and Mrs. James Morarty of Kaleva, and Mrs. Emma Woods of Pontiac also survive her.

HARRY J. EMBREE
Funeral services were held for Harry J. Embree, 6780 Rattalee Lake Road, Independence Township, on February 26th, at the Lewis E. Wint Funeral Home, in Clarkston.

He died at the age of 84 after a long illness.

Mr. Embree, formerly an Inspector at the Fisher Body in Pontiac, was retired.

Survivors include his wife Ella and a daughter Mrs. Edward D. Whipple of Clarkston. Burial was at the Lakeview Cemetery.

Awards Presented at Banquet
Over two hundred were in attendance February 26th for this year's Blue and Gold Banquet sponsored by the New Hope Bible Church.

The annual cub scout event was held at the Clarkston Junior High School.

The invitation was given by Rev. Cooper, following an opening ceremony by the Webelos.

Entertainment after dinner was supplied with a take off skit on the Grand Ole Opry — with the grand ole den mom's in the leading roles.

After the guests were introduced, the Pinewood Derby Awards were made, with first and second place winners receiving trophies.

The Bobcat ceremony and advancement awards were next on the active schedule.

Special congratulations were given to Steve Graham and Steve Bushy on their advancement to Boy Scouts.

Webelo leader, Virgil Vanhorn, assisted in the closing ceremony.

Waters around Cozumel, an island off Mexico, are noted for their translucency.

Entered as second class matter, September 4, 1931, at the Post Office at Clarkston, Michigan, under the Act of March 3, 1879.

...and FORGIVENESS

Sin is a disagreeable word that millions shun. It casts a shadow of separation. It raises chill thoughts of an impenetrable and eternal barrier between humanity and God . . .

Forgiveness on the other hand is a warm and inspiring word. It promises that life's slate can be wiped clean. It brings us close to God — and to one another.

An Execution on a Friday centuries ago . . . an Empty Tomb in the dawn of the first Easter Day . . . a Faith that has gripped human souls for all the generations since — these are forever entwined with the stark realization of man's *sin* and the blessed assurance of God's *forgiveness*.

That is why, when we think deeply of the meaning of these words — of their implication in our own lives — we find ourselves at the very heart of the Christian religion.

And it is why these soul-stirring weeks at the threshold of Christ's suffering have long been the time for such searching thought!

Local News

By Mrs. Shirley Lynch
Maple 5-1065

Mr. and Mrs. Arnold Anderson of Otisville were dinner guests, Sunday at the home of Mr. and Mrs. Edward Rosson on Middle Lake Road.

The Gerald Mayo family on Chickadee celebrated Don Mayo's fifteenth birthday Monday with a family dinner followed by lots of ice cream and birthday cake.

Roger, son of Mr. and Mrs. Robert Smith on Eastlawn Ave., is a patient at St. Joseph's Hospital recovering from a broken leg. The leg was broken Saturday evening in a skiing accident at Pine Knob Ski Lodge.

Mr. and Mrs. J. K. Street on Pine Knob Road have returned home after visiting Mrs. Street's parents, Mr. and Mrs. Lee Grayson of Trent, Ohio. The Street's visited many friends and relatives during their two week visit.

A family dinner was in order to celebrate Greg Pierce's first birthday February 24. Greg is the son of Mr. and Mrs. Emery Pierce, Jr. on Cramlane Dr.

Christine, daughter of Mr. and Mrs. T. J. O'Rourke on Snowapple Dr., was two years old February 29. Because of the date, ice cream and cake was served Sunday at a family dinner.

Mr. and Mrs. Anthony Freitag

and family of Erie were Sunday guests at the home of their son and family, the James Freitag's, on Transparent.

Mr. and Mrs. Jerry Staley and family and Mrs. Elmer Thorpe of Pontiac were guests Saturday evening of Mr. and Mrs. Stanley Roosa on Eastlawn. A birthday dinner was held honoring Mr. Jerry Staley and Mr. Stan Roosa who's birthdays are on the same day.

Miss Thea Robinson spent the weekend with her parents, Mr. and Mrs. Al Robinson on Eastlawn Ave. Miss Robinson has returned to school in Elkhart, Indiana.

Mike Lynch is confined to his home with the mumps. With such nice weather he isn't happy.

David, son of Mr. Agathe Taylor, celebrated his 4th birthday March 1 with his grandparents, Mr. and Mrs. Paddy Donofrio on Norman Road. Ice cream and cake added to the fun.

The Pinochle Club was held at the home of Mrs. Clifford Bradley on Eastlawn Ave., last Wednesday. High scorer was Mrs. John Lynch with prize for low score going to Mrs. Eldin Justice.

Mr. and Mrs. Fred Fredrickson of Drayton Plains and Mr. and Mrs. Gerald Mayo of Chickadee enjoyed a dinner at China City

Mr. and Mrs. Kemmit Helms and family of Milford, formerly of Clarkston were guests Sunday of Mr. and Mrs. Emery Pierce on Cramlane Dr.

Mrs. T. T. Thomas of Sashabaw Road flew to California last week for a two week visit with her parents and other relatives. Mrs. Thomas plans to return home by car so she will be able to do some sight seeing.

Mr. and Mrs. Lyle Smith of Andersonville Road returned to their home Sunday after a vacation in Florida. They were able to see many points of interest and bring back souvenirs for their friends.

Mr. Frank Pelaski of Ludington surprised his grand-daughter and family, the Robert Wilson's of Church Street in Clarkston, with a visit over the week-end.

HAPPY BIRTHDAY TO:

- Harry Fahner, March 4; Henry Russell, March 5; Bonny Erb, Anne Van Loon, Ken Boyns, Cathy Kizer, March 6; Beth Ann Towler, Mary Ann Robbins, Mark Baynes, Eric Todd Neibarger, Dale Stelmach, March 7; Vicki Copper, Nancy Dureiko, March 9; William Smith, Jim Boyns, Beth Cameron, Scott Seagrigh, March 10.

ANNIVERSARY GREETINGS TO:

- Mr. and Mrs. Frank Keech, March 7; Mr. and Mrs. Keith Humbert, March 9; Mr. and Mrs. Pete Fox, March 9; and Mr. and Mrs. Earl Terry, March 10.

Eighty two per cent of frying chickens are produced in 10 states. They are: Georgia, Arkansas, Alabama, North Carolina, Mississippi, Texas, Maryland, Delaware, Maine and California.

School Lunch Menu State Police Have New Jackets

Menu for the Clarkston Community schools hot lunch program for the March 7-11 week.

7. Barbeque on Bun, Buttered Green Beans, Pickle Slices, Fruit Cobbler and Milk.

8. Chili & Crackers, Cabbage & Pineapple Salad, Bread & Butter, Cookie and Milk.

9. Barbequed Hot Dog, Browned Potato, Sweet Potatoes, Buttered Corn, Bread & Butter, Cake and Milk.

11. American Ravioli, Tossed Salad Homemade Rolls & Butter, Fruit and Milk.

11. Fish Sticks, Tartar Sauce, Parsley Buttered Potatoes, Buttered Carrots, Cornmeal Rolls & Butter, Apple Sauce and Milk.

The alternate choice lunch offered to the Senior High School students:

7. Fruit Bowl (1/2 Pear, Apricot, Prune with Cottage Cheese) Bread and Butter, Pudding and Milk.

8. Hot Dog in Bun, Baked Beans, Cabbage Salad, Jello and Milk.

9. Chili, Tossed Salad, Roll & Butter, Grapefruit and Milk.

10. Meat Ball, Buttered Green Bean Bread & Butter, Apple Cobbler and Milk.

11. Macaroni Salad, Asparagus, Raisin Bread and Butter, Fruit and Milk.

State Police troopers are being issued new field service jackets as a substitute for the uniform blouse for cold weather patrol duty wear.

The jackets are dark blue nylon with zippered front, small collar, and right and left front pockets. Tested for several weeks, the jackets are said to provide greater warmth in cold weather than the blouse and allow more freedom of movement.

College News

Joseph O. Baumunk, freshman in the Collegiate Technical Division and son of Mrs. Ethel Baumunk, 3317 Genoa, Clarkston, was among the more than 700 Ferris State College students who were named to the Dean's Honor List for academic excellence during the past quarter. Dr. Robert L. Huxol, Vice President for Instruction, has announced.

To be named to the Dean's Honor List a student must maintain at least a B average while carrying a full academic load.

Dan R. Craven, son of Mr. and Mrs. John R. Craven, 6666 Wealthy Street has been elected rush chairman of the Lambda Chi Alpha social fraternity at Michigan State University, East Lansing. Craven is a sophomore in packaging there.

O.E.S. Calendar

CLARKSTON: Joseph C. Bird chapter No. 294 Order of the Eastern Star will hold their monthly business meeting on Monday the 7th of March at 8 P.M. in the

Clarkston Masonic Temple. The station of Esther will be honored. All sisters who have held this station are cordially invited. On Monday March 21st the Chapter will exemplify the degrees at 8 P.M. in the Clarkston Masonic Temple.

Club Sees Wigs, New Styles

FASCINATING transformers known as wigs were the focus of hair fashion at the Women's Club February 24th meeting.

Modeled by members of the club the wigs and hairpieces were furnished and demonstrated by Anne Courtemanche, owner of Coiffure par Anne.

Running a close second in interest were those two little "bating" instruments, false eyelashes. Women are becoming more brave as the popularity of the lashes under glass increases.

Side pictures show the before and after affect of a blonde wig on the Women's Club model, Mary Alice MacDougall, with Betty Birkle intent on learning secrets of the trade from Anne Courtemanche.

Centered in the picture above is Darlene Pasternak, who just received the message that her false eyelash was about to fall off.

Is a Flasher the Answer?

By Sonja Wilson

The building of Pine Knob Plaza, a shopping center at the corner of Sashabaw and Maybee Roads, Independence Township is the probable cause of an influx of traffic at that intersection.

Since the opening of the Plaza in November 1964, ten accidents and heavy traffic flow prompted the Oakland County Road Commission to install a flashing signal at this increasingly dangerous intersection.

According to Robert Osgood, Traffic Engineer for the Road Commission, a traffic count on the two roads in question (Sashabaw and Maybee) was made extremely difficult last summer by youngsters who were constantly pulling the plugs from the counting mechanism.

These orange machines are a common sight on Michigan roadways and necessary in determining the number of automobiles traveling on roadways.

The basis on which the county Road Commission decides what type of sign or signal is necessary

at a corner such as Sashabaw and Maybee is as follows:

a) Five hundred cars must travel the main road (in this case Sashabaw) in eight out of twenty-four hours.

b) One hundred and fifty cars must travel the minor road (Maybee) in eight out of twenty-four hours.

Two thirty-six inch stop signs, stop or try to stop, traffic on Maybee Rd. prior to entering Sashabaw Road. Now a flasher has been added. And as shown by Road Commission records, in other such projects, this may or may not do the job.

The flasher will do its job from here on, warning people for all its worth; never failing.

What about the people? Sure, they'll be more cautious this week and maybe even next. But, after a few weeks the flasher will be 'old stuff' to area residents and many will go about their business as though it wasn't there.

Failure to stop at the stop signs was the cause of two of the ten

reported accidents at that intersection.

How many 'near hits' have you been involved in at that intersection? One family has experienced two close calls there where cars pulled from Maybee Road into their path as they were traveling south on Sashabaw. In both instances this family had pulled out of the plaza at the Sashabaw (most southern) exit.

This exit could have been a determining factor in these 'near' collisions. Too often drivers approaching the intersection and checking traffic before proceeding across Sashabaw, do not stop to consider traffic flowing from the shopping center.

In the ten accidents which occurred at that intersection since January of 1965, seven of the drivers said they did not see any cars coming, two failed to stop at the stop sign and the other was a rear end collision just past the intersection at the Sashabaw entrance of the shopping center.

In only one of these accidents the road was wet and slippery

although this was not the cause although this was not the cause of the accident.

Failure to see approaching traffic is nothing but carelessness on the part of the driver. The majority of our drivers can only think of getting where they're going, fast!

In Uniform

Radio Seaman Larry T. Lintz, USN, son of Mr. and Mrs. John M. Lintz of 5874 Pine Knob Road, Clarkston, Michigan is aboard the guided missile light cruiser USS Little Rock, which is being extensively overhauled at the Naval Shipyard in Norfolk, Va., after three years of continuous operation with the Sixth Fleet in the Mediterranean and Second Fleet in the Atlantic.

Little Rock is being overhauled and repaired to restore her to maximum combat readiness.

Letter to the Editor

There are four separate bills, that I have introduced, in the Conservation and Recreation Committee of the House of Representatives that, if passed, will give the voters of Orion, Oxford, Oakland and Addison townships permission to vote to, or not to, close the township in which they reside to hunting on Sunday.

I urge all residents, village council, township boards, and all other interested groups to write to myself, Chairman of the Sub-committee on the Closing of Townships to Hunting, and for Rep. Joseph Snyder, Chairman of the full committee, stating their views and reasons thereon on the question. Whoever is interested should write without delay.

Sincerely yours,

Robert J. Slingerland
State Representative
The State Capitol
Lansing, Michigan

Mr. and Mrs. Jerry Wilford of 91 North Main in Clarkston, enjoy Saturday morning coffee in their upper deck greenhouse.

Their son Jay, with his pet black cat, dropped in for a little-boy talk.

Greenhouse . . . How it Grew

Last spring when remodeling the one story kitchen in their home on North Main Street, Mr. and Mrs. Jerry Wilford added a greenhouse to their plans. There was no suitable ground level site, so they put it on the flat roof of the kitchen, and cut an entrance to it from an upstairs hallway.

The result is a glass-walled room furnished with flowers, with a view of snow covered lawns, and the kaleidoscopic patterns made by skaters on the Mill Pond.

The idea for a greenhouse began with a plan for closing in part of a side porch with old storm windows. But practical problems of heat, water and access ruled this out, and Lucia Wilford was not optimistic about the appearance of such a structure.

The solution to the problem was found in a visit to the Phil Smith's greenhouse which is attached to their home, overlooking Cranberry Lake. Prefabricated, costing less than a good used car, and satisfaction proved, the Wilfords contacted the firm which had supplied the Smiths with their garden under glass. By midsummer, a dream had become reality.

Propagation began immediately after Labor Day. Transplants from summer gardens, plant thinnings of cinneraria and snapdragons were donated by Harvey Kraft, of the Waterford Florists, Ivy

from the dime store, and bulbs from season-end sales launched the project.

In these last cold days of winter, the Wilford greenhouse provides a Springtime lift, with the perfume of hyacinths, the blaze of geraniums and red cyclamen and azalea, and the deep blues of crocuses. About twenty varieties of blooms can be seen. Star of the show

promises to be a fuchsia with more than 80 buds developing. This visit to the Wilford's greenhouse is the beginning of a new spring interest.

A collection of old and new secrets for successful indoor gardening will be published, as they are discovered.

If you have a green thumb we can print, please call 625-1611.

Picture - Feature Page

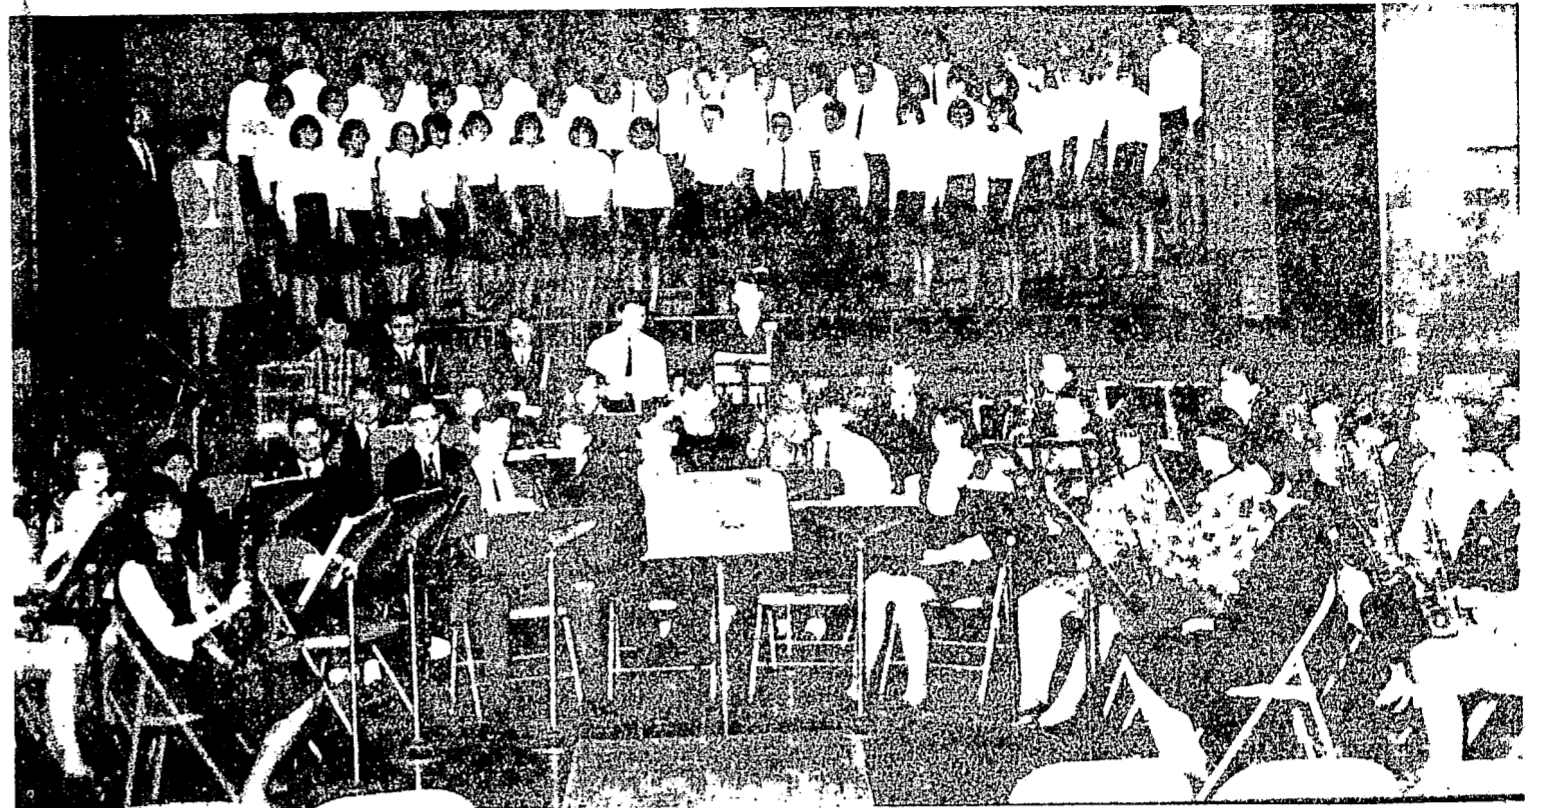

CLIMBING THE WALLS and on it's way across the ceiling is this colored graph representing the efforts of the students in the Clarkston Junior High School in behalf of the March of Dimes.

Money from cake raffles, a bake sale, room races and a concert given by the Junior High Band and Chorus have contributed to the large jackpot.

The \$63.96 donated to their concert recently boosted the grand total to \$681.30.

Special treats will be given the winning team at the end of the race.

Climbing the ladder to victory is Randy Carpenter, with Greg Longstaff at the top. Their teachers are Mrs. Sandra Leach, left and Mrs. Judy O'Brien, right.

TIME AND TALENT were donated by the Clarkston Junior High Band and Chorus, as they played and sang in a concert for the benefit of the March of Dimes campaign.

UNPRECEDENTED, this unpretentious trio led the between acts sing along at last Friday's performance of "Deadwood Dick".

Only their shadows knew which one had the most talent, as their do, re, mi's were drowned in good old fashioned harmonizing by their followers.

Terry Thomas, Keith Leake, and Charlie Robinson were truly un"beatle"able.

The play by the Village Players will close this weekend, with all tickets sold.

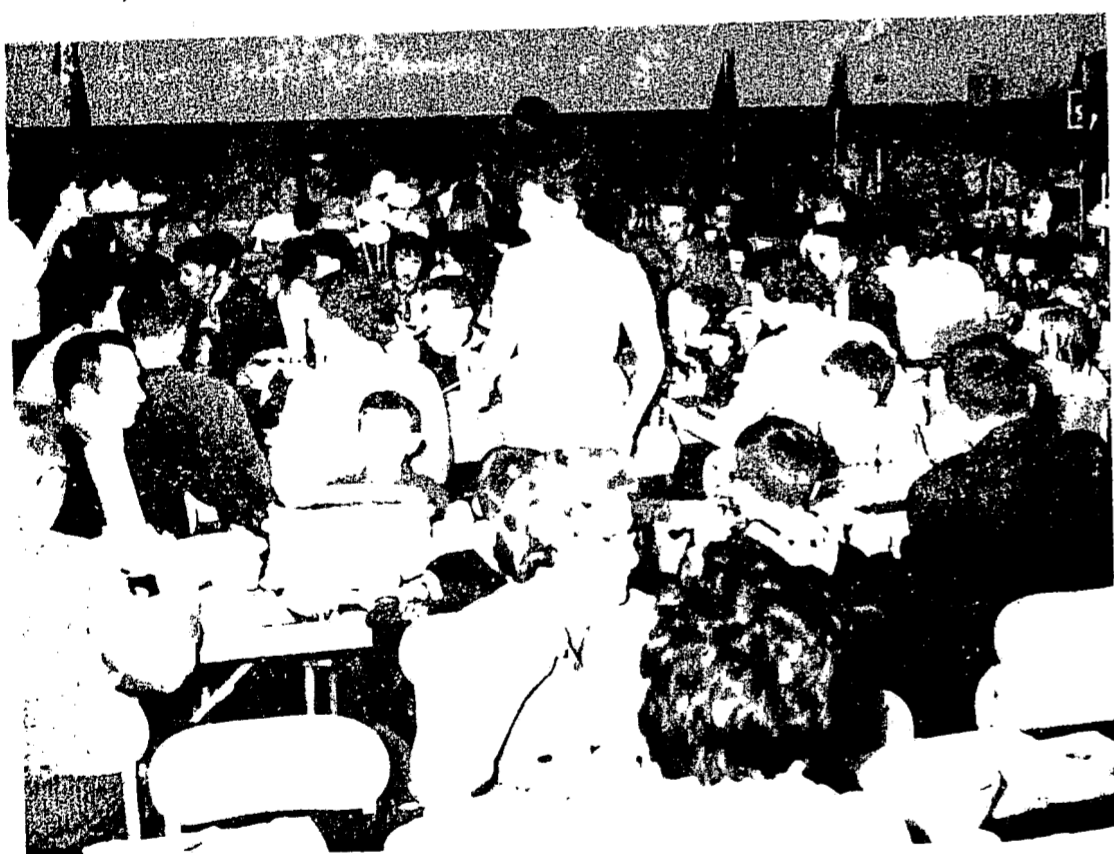

SILVER THREADS AMONG THE GOLD -

A card regretting his absence was sent by Robert Rhyndress, 27, of Central, Washington to his son Robert on the occasion of his 25th silver wedding anniversary celebration. The father regretted that he would be there for the "golden" one.

Seventy guests attended the February 27th celebration party for Mr. and Mrs. Russell Rhyndress, of 5411 Delmas, Clarkston.

The party was given by the Rhyndress' daughter, Mrs. Richard Bullen, Clarkston and their son Robert, who lives at home.

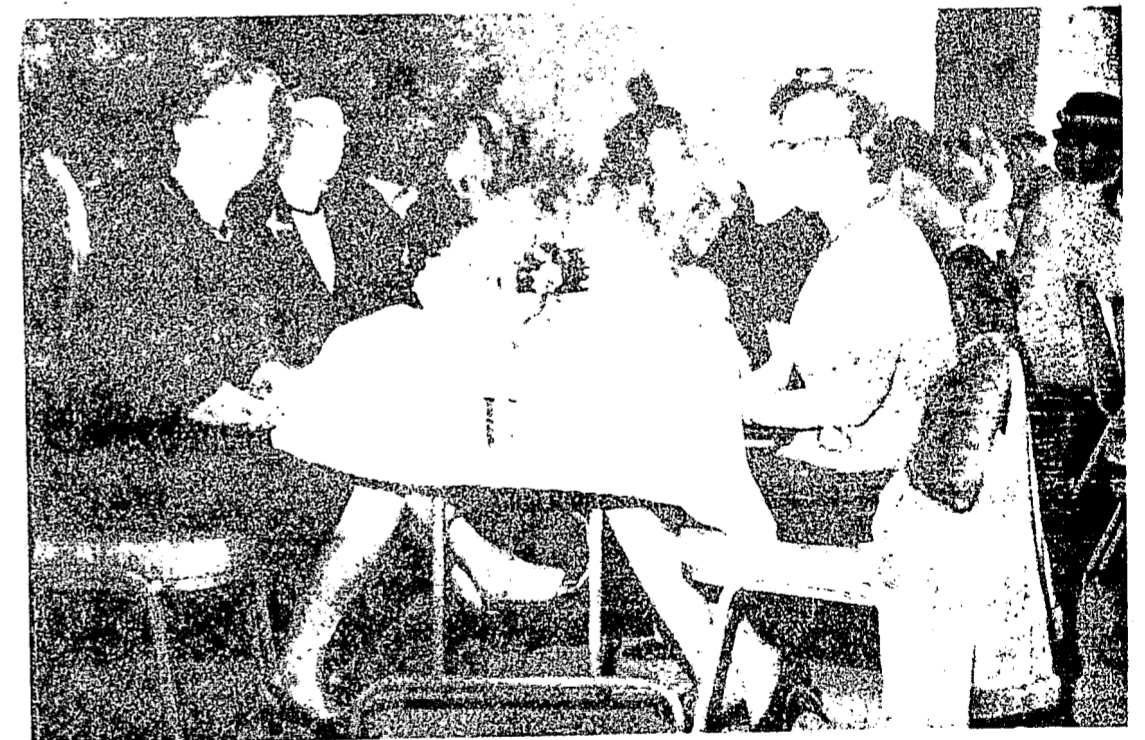

Highlighting the memorable occasion was the exchanging of gold wedding bands by Mr. and Mrs. Rhyndress.

THE CUB SCOUTS of Pack No. 126 held their annual Blue and Gold family banquet on 2-16-66 at the Clarkston Junior High School with 225 in attendance.

Pack No. 126 is made up of Dens 1 to 6 and Webelos and sponsored by the Clarkston Methodist Church. The Cub Master is Mr. Alan VanLoon.

The after dinner entertainment was Mr. Mike Patterson, a very talented magician.

ENJOYING A BRUNCH recently held at the Holiday Inn in Pontiac, are four Clarkston women. The brunch was sponsored by the Pontiac-Oakland Town Hall.

Left to right are Mrs. Swayze, Mrs. Milton Courney, Mrs. Richard Bullen and Mrs. Reginald Bird.

A Letter From Viet Nam

Mrs. Grace Rockwell Hoyt shares this letter from her son. Recent word from Viet Nam

L/Cpl. Charles Rockwell

from: Serviceman who resides at 11 S. Holcomb St. Clarkston, Son of Mrs. Grace Rockwell Hoyt.

L/Cpl. Charles A. Rockwell, 2073196, Second Battalion, Third Marines, II & S Company Comm. FPO San Francisco, California. 96601.

Charles has been stationed in Viet Nam for several months as Tele-Type Operator. He receives messages and delivers them to the front lines in a helicopter. He says:

"We have lost quite a few helicopters lately, but mostly because of severe leading of the engine.

In our last Battalion Command Post, two of our men were killed. When the last one was killed, he got shot through the head, and a Corpsman ran up to help him, and he lost part of the side of his head, then a Lieut. ran up to help and he got shot 4 times but was still walking around afterwards for a while. They dropped me from the helicopter about 60 yards from the Perimeter of the airfield snipers opened up on me. The helicopter opened up with their machine guns and I was in the middle, the bullets were flying all around me and came within 15 feet of me. Somehow I escaped and got back into the helicopter, but it was over-loaded and started jumping across the fields in 30 foot jumps like a giant grasshopper and for another 200-300 yards it did it again until they got it in the air - we thought for a time it was all over for all of us.

I sure would like to be back there in the snow. It is so hot here - 110 degrees all the time. How is Freddie, (our dog)? I still have 184 days of this yet (I hope).

Chuck

Wayne-Oakland League Choir at a recent concert.

Anti-Doe Killing Committee Hears Strong Testimony

(Continued from Last Week)

Following is the remainder of a speech given by Barney Betka, during a meeting in Baldwin recently. The first part was published in last week's paper.

Their elaborate "school" at Higgins Lake, the baronial estate at Haven Hill, their cruisers on the Great Lakes, their fleet of aircraft, these are all used for the transportation, accommodation, entertainment and just plain "brainwashing" of certain elected dignitaries and a few selected citizens.

As we view this continued preoccupation with "selling the program", when we see agency brass who are more concerned with what is going on in the bar at the Jack Tar Hotel than they are with producing for our citizens in the field, then we again see why this agency has piled up on the rocks of public opinion—not only as far as deer are concerned, but in many of its other activities as well.

We can then see what the primary interest of this agency is: It is not whether you or I got a deer this year, or even saw any, or whether our grandchildren will ever see them. It is not in whether or not our kids can go out and catch a decent mess of bluegills, or whether or not the small towns of northern Michigan will suffer because of the mismanagement of our resources. Oh, of course, they will pay lip service to these things and their propaganda mill will grind out more and more releases about what they expect to do—someday—some far, far away day—after some more research, perhaps—but right now the hand is out (as it always is) for more and more money to carry us to that promised land—and the concern with providing for the people is always secondary. THE PRIMARY CONCERN OF THE AGENCY IS SOLELY ONE OF SELF-PRESERVATION!

Any bureaucracy, and the bureaucrats who head them, are interested in perpetuating themselves in power, in gaining more authority, larger organization, and ever larger budgets—AND IN COVERING UP FOR ANY INADEQUACIES THAT MAY THREATEN THEIR POSITIONS.—And in all fairness let us give credit where credit

is due: The Department of Conservation has been doing an excellent job in these fields — the propaganda mills and the brainwashing sessions are rolling at an unprecedented rate, lubricated by the fat-laden budget in its history, and their power in the legislature is probably at an all-time high and it may carry them into even lusher financial pastures next year, but let us all hope and pray that enough men like Russell Hellman of Dollar Bay will stand up and fight against this shameful trend.—So then let us not lose sight of these basic facts, self-preservation, personal prestige, politics, and just plain MONEY are important factors that sometimes underlay some of the questionable actions and attitudes of this Department of Conservation.

Now, I have gone on here for quite some length and probably I have mentioned very little that most of you did not already know, or at least suspect. I have only one other factor which I would like to touch on in this discussion of our deer problem and the application of discretionary power. And at this point I hope you will bear with me and appreciate the fact that I cannot talk as freely as I wish that I might, for I do not wish to compromise the safety of a number of people still working for the Department, or expose to possible libel others both in and out of the Department, for I am going to mention a very sticky and dirty affair, and the full story will have to wait until those who can talk may do so under guarantees of security and protection.

I will pose the situation very simply and bluntly, for it is not a pretty picture and one which has remained buried under the rug for far too long: A NUMBER OF THE PRESENT HIGH OFFICIALS OF THE DEPARTMENT OF CONSERVATION ARE INDIVIDUALS WHO HAVE PREVIOUSLY BEEN CITED, OR INVESTIGATED, BY GRAND JURY ACTION FOR CORRUPTION IN OFFICE. This situation, and its ramifications, has been hushed up for too long and it is time that the sportsmen of this state were made aware of the facts.

In 1954 an editorial in the Detroit Free Press made the following comments, and here I quote: "In the minds of most

people the violation of the public trust is a serious matter, meriting something more drastic than a reprimand. Most public employees who get caught appropriating or misusing public property which they are supposed to guard, either go to jail or make restitution. The very least that happens to them is that they are fired—in all branches of government, that is, EXCEPT THE CONSERVATION DEPARTMENT."

I doubt if many of you assembled here today can remember the scandals of a decade ago and about which that editorial was written. Few of you can probably recall the names that figured so prominently in that mess, and fewer still can recognize these same individuals among the Department's hierarchy. Let me very briefly review the history.

In 1953 a special Grand Jury investigation was conducted to look into the activities of the Department of Conservation in the Upper Peninsula. This investigation which ran on for the better part of a year and ranged from one end of the U.P. to the other, exposed irregularities that included the stealing of timber from state lands, the misuse of public funds, the use of state equipment and manpower to build private homes, cabins, and resorts, neglect of duty, and a number of other offenses.

Of the names that figured most prominently in this affair, not all were included in the final indictment, and there are those who think that a net that was set to catch some big fish came up with relatively small minnows. But, nevertheless, the Grand Jury did cite seven employees of the Department of Conservation for misfeasance, malfeasance, and gross misconduct in office. The Grand Jury and the Attorney General made the recommendation that all seven of these characters be immediately fired.—and so, what happened? NOT A SINGLE ONE OF THEM WAS EVER FIRED! Thus you can understand that bitter editorial in the Detroit Free Press.

But that is far from the end of this story, for today as we look over the high echelons of the ever-expanding hierarchy of the Department of Conservation we find a surprising number of these same individuals who were cited, or who were cen-

tral figures at the time, or their friends, relatives, and hangers-on—we find this group occupying many of the most powerful and dominating roles.

And so I ask you citizens this: we are gathered here to testify to these legislators as to our dissatisfaction with the wanton deer seasons—and I think we have reason to believe that our legislators will react favorably to our wishes—but can we as citizens tolerate this sort of situation in the Department of Conservation? Do you think that we will ever gain any satisfactory solutions to the problems of managing our resources when we must deal with characters such as this?

The final chapter of the Grand Jury investigation, its findings, and the reasons why some of the "big ones got away" has never been made public. For over a year a number of us both outside and inside the Department have sought to have this mess thoroughly probed and laid before the people of this State. Some preliminary work in this field has produced indications that this affair could well blossom into a major scandal.

Early efforts to obtain action from the Governor's office produced no concrete results. An approach to the Conservation Commission met only with a retort of "no cause for action". When one of the greatest conservationists this state ever produced, Harry Gaines, former executive-secretary of the MUCC, sought to bring this affair to light in a series of writings, he found his efforts blocked by pressure from the Department.

And in the meantime, within the Department, a series of strange and suspicious events continue: personnel suspected of disloyalty to the regime have been hauled in, threatened, cursed at, and intimidated. Certain personnel have been promoted, demoted, and transferred in manners which seem to make a mockery of the Civil Service system. Department leaders have told out-and-out lies to their own people to try to justify their actions, and the public has been provided with a series of broken promises—as the Baldwin and Traverse City areas especially know.

A formal complaint has since been lodged with the Attorney General, together with certain specific privileged information

to facilitate the gathering of statements and testimony. People are ready to talk whenever they are given protection to do so. But as of this date, no action has been discernible.

I now wish to make a personal plea to this Committee, praying that you will use your authority and your influence to force this thing into the open. And to you fellow citizens who are here today, I ask these questions:

Do we want people administering our resources who live by the philosophy of "ramming it down our throats"?

Do we want the public trust to rest in the hands of those who have already been cited for betrayal of the public trust?

Do we want our heritage, and that of our children, to be in the hands of those whose primary concern is political expediency, personal ambition, and covering up their own shortcomings?

Do we want to say that we are concerned only with the deer problem and can close our eyes to the rest of this mess?

Let us say NO! NEVER! THERE IS NO ROOM FOR CORRUPTION IN CONSERVATION!

Village Board of Review

The Board of Review for the Village of Clarkston will
be held Tuesday, March 8, 1966 from 8:00 a.m. to 5:00 p.m.
in the Village Hall to review the 1966 property assessments
for said Village.

Property owners should at this time check their pro-
posed assessed value. Persons who may feel aggrieved by
said values should register their complaints to the Board of
Review at this time.

SPORTS

By Mel Vaara

Wolves Bomb Milford 91-71

This was the last home game of the year for all the seniors and they certainly put on a fine show for their mothers.

This was Mom's night at Clarkston High and all mothers of the boys were seated in the bleachers.

The seniors who did such an outstanding job for the Wolves were:

King Robinson — King scored his personal high in a Clarkston uniform with 17 points in the first half. King hit on 7 out of 7 shots. Since his early basketball days in Junior High, King could always shoot with the best of them. These 17 points proved to King he could play with the best of them.

Mike Madison — Mike scored 12 points and cleared both ends of the boards with his rebounding ability. Mike can jump with the best of them, but due to a knee injury, it has taken Mike some time to round into shape. It has been only the last month that Mike has played up to par. Just in time for track, right Mike!

Rod Allen — Rod had only 6 points, but he too helped clear the boards. Rod always gives 100% on the floor and last Friday was no exception. Rod also had a lot of assists, as he was feeding his teammates with beautiful passes. Rod set up Dan Fife 4 times in the first quarter as he helped Dan Fife score 22 points in the first quarter.

Clarkston started like a house on fire as they outscored Milford 28-19. Dan Fife scored 22 of the points. Coach Bud McGrath threw a slight press at Milford, with Tom Allen and Dan Fife applying most of the pressure. Both boys had a time of their life as they intercepted numerous passes for easy buckets.

The Wolves didn't press in the 2nd quarter as neither team played any defense. Clarkston concentrated on offense and outscored Milford 24-19. Most of the scoring punch was provided by King Robinson.

The Clarkston team didn't let up in the third or 4th quarters as they continued playing offensive

basketball and taking full advantage of mistakes by the Milford squad. They outscored Milford 39 to 33 in the 2nd half.

The 91 points by Clarkston is the most points they have scored all year. Almost half of them were scored by Dan Fife, as he had 42 points. This brings his total to 528 points, another new record.

Scoring for Wolves:

VARSITY	
Dan Fife	42
King Robinson	17
Mike Madison	12
Rod Allen	6
Mark Richard	6
Tom Allen	3
John White	2
Mike Dougherty	2
Rich Bass	1

The Clarkston J.V. team won their 6th ballgame of the year 69-59 over Milford J.V. Eric Hood led all scorers with 19 points, followed by Bill Medlin with 15 and Steve McGill with 14.

Tournament Predictions

It is always tough to predict state champions in the unpredictable game of basketball but here goes.

The three top picks in class "A" are from the Detroit area, East Detroit, Detroit Austin and Detroit Northwestern. East Detroit is loaded, they have almost everybody back from last year's team. They should go all the way. Rated an outside chance if they can get by their tough district, are Detroit Austin and Detroit Northwestern. Both teams have suffered only one loss and could meet each other in a quarter final game. The only upper peninsula team with any chance in class "A" is Escanaba.

In class "B" there are four teams with outstanding records. River Rouge, South Haven, Grand Rapids South Christian and Ironwood. The team from Grand Rapids has the top rating in class "B", but I will go out on the limb and pick South Haven. South Haven lost to Rouge in last year's final game, and they have everybody back for this year's big push. River Rouge could make it six titles in a row, but watch for Ironwood, the team 600 miles from East Lansing. This team has a record of 16-1. They are the class of the upper peninsula. I certainly hope they make it all the way, just seeing their unusual uniforms will be worth the price of admission.

To pick a champion in class "C" is like trying to find a needle in a haystack. Muskegon Christian has won its share of titles and could add another one. Frankenmuth has a fine club, so does Middleville and Detroit St. Hedwig. Saints Hedwig has won too many close games, so their luck could run out.

A former coach from Middleville claims they are tough, but not strong enough to go all the way. So that leaves it up to Frankenmuth and Muskegon Christian, with Marquette Baraga from the upper peninsula rated an even chance too.

In class "D" everybody claims Covert will pick up all the marbles. They have virtually everybody back from last year's championship club. They are big, and they average close to 6' 11" per man. But if I may pick a sleeper it could be Trout Creek. This little town from the upper peninsula has a 6'5" center that has broken all sorts of scoring records. Coach Bruce Warrens boys used to win all the titles in class "E". But class "E" was abolished so they have moved up to class "D". This town is so small it has only one gas station, a couple of stores and about 10 Sauna Baths.

With these illustrated picks I rest my case.

Flint Creeps by Clarkston

Clarkston lost a heartbreaker to the Flint Southwestern Colts 74-70. This was an extremely tough defeat for coach McGrath and his boys to take.

This Southwestern team was favored to take the Wolves by a wide margin. Southwestern is a member of the famed Saginaw Valley Conference, and they also defeated Pontiac Central 61-50 on Central's floor. Central is rated 9th in the state.

There was one major item that Southwestern didn't realize about Clarkston. These Wolves had hustle and desire in the likes they hadn't exhibited all year. Coach McGrath had his boys higher than a kite for this tough opponent. Clarkston completely outshouted the Colts in the first half.

Southwestern had built up a 20-17 first quarter lead, but in this quarter a couple of their big guns were in foul trouble. In this quarter Dan Fife had 11 points, with 4 of them coming on two gorgeous drives. Tom Allen, Rod Allen and King Robinson added one bucket a piece. Clarkston took only 22 shots and made 7. Southwestern took 16 shots and made 9.

It was in the 2nd quarter that Clarkston really put on a show of desire and talent. The Wolves outscored the Colt's 22-13. They completely dominated the play, took the play away from Southwestern and at one point held a 10 point lead.

The big gun for Clarkston was Mike Madison. Madison scored 12 points, took 4 shots and made all of them. Madison took only one other shot in the whole game and that was in the 4th quarter. Dan Fife added six more, Rod Allen and Tom Allen made one bucket each, with Tom's basket coming on a 35 foot shot at the buzzer. Clarkston took 16 shots and made 7, with Southwestern taking 16 shots and making 6 of them. Southwestern saved themselves in the 2nd quarter, by hitting on their last 4 shots in a row.

In the 3rd quarter Flint outscored Clarkston 21-19, but Clarkston still led 58-54, as Tom Allen sunk one of his patented 35 footers at the buzzer to give Clarkston a 4 point lead.

Ladies Volleyball

The Waterford Township Recreation Women's Volleyball League is now meeting at Mason Junior High School, Walton Blvd. Results of Monday night games.

Red Jets	13-15-15
Voleycats	15-4-13
Kittens	7-8-14
Darts	15-15-15
Red Jets	15-9-15
Satellites	8-15-3

Voleycats	23	7
Red Jets	16	14
Satellites	8	14
Kittens	4	24

League highlighted last week's play in the Men's Basketball leagues sponsored by the Waterford Recreation Department.

Spencer's unbeaten quintet, by virtue of last week's win led on to their narrow one game lead over second place Frushour and Struble who have lost but once in their seven starts. Fourth place Wayne's Service ambushed powerful Lakeland Hardware in Thursday's Congressional surprise, sending the Hardware cagers down to their second straight loss and knocked them out of the three way knot for first place at that division. Buckner Finance and Ryeson's Market now share the Continental lead with 5-1 slates one game ahead of the slumping Lakeland Hardware five.

A pair of stunning upsets marked Monday night's National League card as both co-leaders, Fredman's Construction and 6 R's Construction, fell to Coleman's Crew and Howe's Lanes respectively. The double loss allowed Coleman to pull within one game of the "Construction Crews" with Howe's Lanes now only two games behind the leaders with three weeks left in the season.

American League action last week saw Spencer's remain unbeaten by bombing C.I.O. Local 594, 94-80. Frushour & Struble stay one game back of Spencer's with a 65-48 conquest of last place Powell's Trucking, and Drayton Drug move ahead of Lakeland Pharmacy into third place with a 69-53 victory over Lakeland. Continental League games resulted in the upset win for Wayne's over Lakeland Hardware and victories for Buckner Finance 76-59 over Zilka Heating, and Ryeson's Market 55-47 over Bundy Built Homes. Monday's National League title found Colman's Crew surprising Fredman's Construction 58-55. Joe's Bar No. 1 stopping Joe's Bar No. 2 60-48, and Howe's Lanes shocking 6 R's Construction 90-46 in a card full of surprises.

Spencer's outscored Local 594 in every period and led at half-time 45-35 in taking their seventh

Howe's Lanes Ten Pin Chatter

D. Perry on the Community League with a 131 avg., shot a 144 triplicate game. The Merry Mixers' Glen Robinson also shot a triplicate at 139.

Thursday nights Waterford Men's League tallied seventeen games in the 200 bracket with Chris Nicholas as high at 236. He shot a 610 series. Ivan Norgrove came through for his team with a 221 and 626 series. Also high on the list was Larry Meyers with 203 and 222 scores and a 605 series.

Other high scores were: Cliff Thompson, 222; Chuck Mueller, 218; Russ Poole, 215; Joe Sarvis, 212; Ed Woolley, 212; Ken Dawley, 213; Al Bennett, 204; Paul Atkins, 202; Wayne Lucas, 201.

Walt Lucas with 225, 243 and 627 series, led the Senior Classic League Friday night.

straight. John Keller (27) and Bill Gappy led the Spencer offense while Mike Shipman's 20 markers were high for the Union-men who have lost six of seven.

AMERICAN LEAGUE	
Spencer Floor	7 0
Frushour & Struble	6 1
Drayton Drug	4 3
Lakeland Pharmacy	3 4
C.I.O. Local 594	1 6
Powell Trucking	0 7

NATIONAL LEAGUE	
6 R's Construction	6 2
Fredman Construction	6 2
Coleman's Crew	5 3

Joe's Bar No. 1	3 5
Joe's Bar No. 2	0 8

CONTINENTAL LEAGUE	
Buckner Finance	5 1
Ryeson's Market	5 1
Lakeland Hardware	4 2
Wayne's Service	1 5
Bundy Built Homes	1 5

A total of 26 '200 or more' games were tallied by this league. Some of the outstanding games were: E. Solecki, 212; Gar Gohl, 212; Al Bennett, 209; Meij Norman, 213; Robert Giroux, 236; G. Paulson, 236; Ed Scot, 226; Chris Nicholas, 223; Bill Rogers, 221; Lee Marino, 220; Ken Mitcomb, 219; Bill Johns, 212; Dwane Fornwall, 211; Al Swansy, 208; Bob Carter, 207; Gene Thornton, 204; Norm Andress, 201; Ernie Kulazewski, 201; B. Tracey, 201; Art Witt, 200.

Vic Cheadle with a 245 game and 607 series was tops in the Thursday Morning League. Sixteen 200 games were bowled by the following men:

Steve Oliseck, 236; Chuck Billings, 236; Ted Moore, 228; Glynn Sherman, 222; Al Robinson, 211, 213; Ed Clark, 214; Lloyd Dyker, 219; Chuck O'Shust, 208; Dick Hummel, 208; Robert Price, 202; John McFall, 201; Charles Sniffin, 201; David Thompson, 201; Let Samuel, 200.

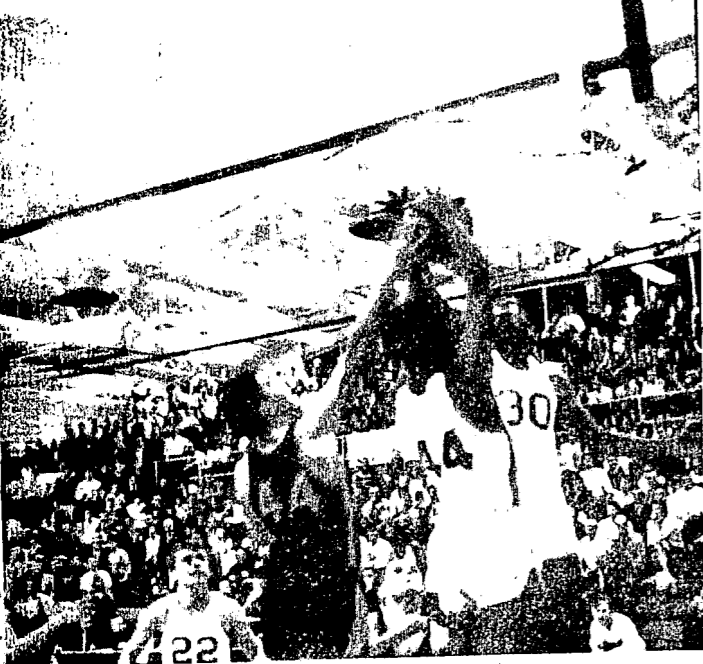

A 242 game, 600 series was displayed by Let Samuel on the G.M.C. Truck and Coach League.

Other high scorers were: Glynn Hopkins, 202; Gary LaClair, 200; Lee Louzenhiser, 201; Dick Earle, 212.

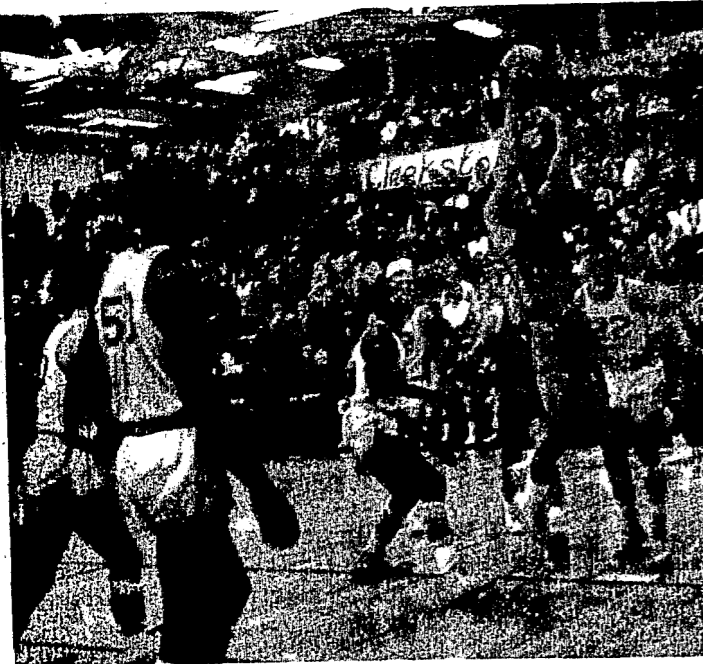

Reward

Reward given for capture of secret agent 006. He's wanted for stealing lines and letters at the Clarkston News office.

The lines read: Village President . . . Bob Wertman; clearing (not cleaning) house; Beach (not BeBeach). P.S. Do not apprehend. He's probably mean enough to be in one that threw m's overall in the Mrs. Clancy's clobber.

SCENES OF EXCITEMENT from Clarkston's first game of the tournament season. Played at Grand Blanc on February 28th against Flint's Southwestern Colts they were defeated by only four points.

WE CUT DOWN THE WRONG TREE?

TWENTY YEARS AGO, 7000 children died every year of whooping cough . . . last year only 300 died. Why the difference? Improved medical care and wonder drugs — priceless in saving lives. TODAY'S PRESCRIPTION IS THE BIGGEST BARGAIN IN HISTORY.
