

Sewage or Not?

Because a good sewage system is a necessity in any community, The Clarkston News is publishing a series of questions and answers on the sewage system proposed for Independence Township.

If you have a question or comment on this sewage proposal call 625-1611 or mail it to The Clarkston News, Box 38, Clarkston, Michigan.

Q — What is the present status of the Clinton-Oakland proposal at the present time, and because each unit has Disposal System?

A — There are eight governmental units considering individual desires to protect or insure their needs, there has been some reluctance on their parts to sign a contract. It is likely that once they are reasonably satisfied that their interests have been considered and provided for, these municipalities will sign the contract with the DPW.

The initial contract as presented to the eight units by the Oakland County Department of Public Works, has been revised and is at this time being presented to one of the major potential participants.

If found acceptable the revised contract will be presented to the remaining units for their consideration within the next few weeks.

The following question was asked of Independence Township Clerk Howard Altman.

Q — Does the Township Board favor the sewer program?

A — "I can only speak for myself, but I am quite certain that each member of the Township Board is very conscious of what is before him. I believe we recognize the need for serious thought, now, not next year."

"We realize, from our exposure to reliable information, that our Township is a potential boom area."

"I feel sure that much consideration is being given to our opportunity to head off an eventually dangerous problem (sewage) if we continue or increase our present building rate."

"I use the word opportunity because we must recognize that Independence Township is on the 'tail-end' of the design. If we should decide against a contract now, the proposed system could very well go on and we would forfeit any chance to serve any need in disposal for years to come."

"It seems that cost factors are not on a downward trend, and an expenditure we might consider today, may be a major deterrent tomorrow."

"I am of my opinion, quite convinced that once Waterford and Avon Townships sign their contract the pressure will be on us for immediate action."

Q — How long will it take us to pay for both systems?

A — The Township's indebtedness would be for a thirty year period and residents, a ten year period.

Q — How long will I have to pay for the service?

A — The service is paid for as long as the service is provided. (Example) As long as you use Detroit Edison

Village Election Set for Monday

Ten Candidates Vie for Eight Positions

"Now is the time for all good men to come to the aid of their party."

You can do so by giving ten men your serious and sincere consideration and support at the March 14 elections.

Eight of them will be faced with the challenge of wisely spending your tax money and foretelling, to the best of their ability what is right for you and your town.

Being supported in mind only is a poor substitute for being elected by a strong voting community.

All registered voters — those who have registered with the Village clerk, twenty to thirty days before the election, may vote at the Village Hall, located next to Ronk's Barber Shop on So. Main, on March 14 between the hours of 7 a.m. and 8 p.m.

Village President for the Citizens Party . . . Robert Wertman, 52 South Holcomb, is a Clarkston hardware proprietor and retailer.

Mr. Wertman moved from Birmingham to Clarkston over eight years ago. He has been a council member for the last one and a half years.

The Wertman children include Mary, 18, Bill, 15, and Fred, 12.

Village President for the Clarkston First Party . . . Richard Weiss, 42 North Main, is a Sales Engineer for the Art Sawyer Associates, Inc. of Huntington Woods.

The Weiss family moved to Clarkston in September of 1964, from Detroit. They have one daughter, Nancy, 16.

Clerk for the Citizens Party: Art Pappas, 55 West Washington.

Mr. Pappas is in the Commercial Department at the Clarkston Senior High School. He moved to Clarkston eight years ago from Lincoln Park.

Mr. Pappas has been Clerk for five years.

Treasurer for the Citizens Party: Mary Ann Pappas, housewife, formerly of Bay City became a Clarkston resident ten years ago. The Pappas' have three children: Katie, 6, Kit, 5, and John, 4.

Mrs. Pappas has been Clerk for the last two years.

Assessor for the Citizens Party: Ralph Thayer, 15 Miller Rd, is a

teacher in the Commercial Department at the Clarkston Senior High School. Mr. Thayer moved to Clarkston twenty-eight years ago from Swartz Creek.

He is the father of Pat Lowry, of Watkins Lake and Mike Thayer, of Clarkston.

A political veteran, Mr. Thayer has been assessor for two years, on the village council for three and a half years and was clerk for eight and a half years.

One Year Trustee for the Citizens Party: Keith Hallman, 6024 Overlook. Mr. Hallman is a Pharmacist and partner in the O'Dell's Drug store and the Center Pharmacy. From Fenton, he is a twelve year resident of Clarkston. He has been a trustee this past year.

The Hallman's have five children: Linda, 19, Janie, 17, Danny, 12, Mark, 10 and Susie, 8.

One Year Trustee for the Clarkston First Party: Jack Hagen, 42 North Holcomb. Now a foreman, Mr. Hagen is a twenty one year employee at Infra-Corp, in Waterford. He has lived in Clarkston for thirty years, after moving here from Alpena. The Hagen's have four children: Chris, 16, Lori, 14, Jack, 11, and Colleen, 6.

There are three Two Year Trustees for the Citizens Party:

A. E. Butters, 37 East Church. Retired, Mr. Butters is a thirty year Clarkston resident, from Detroit, who has been a trustee for about ten years.

The Butters' have one daughter, Mrs. Duane Hursfall and a son, Spenceley Butters of Clarkston.

Donald Cooper, 29 East Washington. Mr. Cooper is an Industrial Arts teacher at the Clarkston Junior High School. Nine years ago he moved to Clarkston from Greenville. He has been a council member for one and a half years.

The Cooper's have three girls: Lynn, 8, Nancy, 6, and five year old Susan.

Harold Goyette, 149 North Main. Mr. Goyette is a Clarkston Funeral Director who moved to Clarkston from Pontiac in 1958. He has held the office of trustee for five years.

The Goyette's have a daughter Debbie, 13 and six year old son Terry.

Students Present Art Display

The Elementary Schools of Waterford Township School District will hold their Fifth Art Exhibit at the Pontiac Mall.

This exhibit is co-ordinated and supervised by Mrs. M. J. Root, Art co-ordinator for the school district and will tie in with Children's Art Month which is a national annual event co-sponsored by The Crayon, Water Color and Craft Institute and The National Art Education Association.

"Art Teaches Many Things" is the slogan for this year's exhibit.

Three-dimensional art work will be displayed in the store windows of Hudson's, Tandy Crafts, Sherwin-Williams and Montgomery Ward. Three display cases containing exhibits of jewelry and other small three-dimensional work will be seen in the public area of the Mall along with easels which will be placed throughout the Mall Concourse for displaying flat art work.

On Saturday, March 19, groups of children from each school will participate in art demonstrations. Starting at 1:00 p.m. there will be four demonstrations each half-hour until 4:00 p.m. At 4:00 p.m. Dr. Donald O. Tatroe, Superintendent of Schools, and Dr. Marshall C. Jameson, Co-ordinator of Elementary Schools, will each be presented a child's work of art.

OPERA BOUND, this group of girls from Miss William's fourth hour music class at the Clarkston Senior High School, are only a minority of the hundred and fifty students who will attend the March 10th presentation of "Overture to Opera V."

Musically inclined students from the Junior and Senior High Schools will be transferred by bus to the Pontiac Northern High School for the 1:30 matinee.

The program will consist of excerpts from four leading operas, including two of the seven to be presented by the Metropolitan Opera during its annual visit to Detroit's Masonic Temple Auditorium, May 23 through May 28.

A small admission charge will be asked for the public performance which will be on the following night Friday, March 11, at 8:15 p.m. Ticket information may be obtained from Mrs. Frank Lambert, at MA 5-3001.

Studying Vocational Schools

An eight member steering committee to study the possibilities of an Oakland County system of vocational high schools was selected Thursday night.

Headed by Maurine Prottengier, member of the Clawson Board of Education, the group was drawn from a committee of thirty representing all boards of education in the county.

The move toward vocational high schools is an outgrowth of a year and a half study of a superintendent's committee headed by Dr. William Early, Rochester, of the educational needs and school offerings to high school students who do not plan to go to college.

A survey two years ago indicated that 66 per cent of high school graduates were not in college at the end of their first year out of high school.

At a January meeting of 150 members of boards of education in Oakland County, Dr. Donald Currie, Royal Oak superintendent

pointed out that Federal funds to subsidize vocational training are channeled to cooperative programs involving several school districts. The special education program in Oakland County has worked along similar lines for 12 years. He suggested dividing the county into seven areas having high school populations ranging from 2,400 students in Brandon, Clarkston and Holly to 11,500 in Royal Oak, Berkley, Lamphere, Madison Heights and Clawson.

Waterford, Huron Valley and Walled Lake districts are represented by Eldon Rosegart of Waterford, Arthur Pellitier, of Southfield, will also represent South Lyon, Novi, Farmington and Clarenceville.

The steering committee will meet Thursday, March 11, to analyze existing vocational programs, Ohio, Michigan and Pennsylvania. David Soule, vocational education director of Oakland Schools, will serve as executive secretary to the committee. They are to report their findings and present a proposal for action to the larger group of 30 within a month.

The steering committee will meet Thursday, March 11, to analyze existing vocational programs, Ohio, Michigan and Pennsylvania. David Soule, vocational education director of Oakland Schools, will serve as executive secretary to the committee. Few Accidents in Past Week

Tires were the chief factor of the two accident reports from the Sheriff's Department.

The first was a blown tire on a car traveling on the Dixie Highway near Maybee Rd. March 2.

Serious injuries were received by the driver of the car, George Partlo, 35, of 6183 Sunnydale Clarkston, and a passenger, Harold Burgin, of Union Lake.

Another passenger, Larry Deess, of Pontiac was also injured. The car went out of control after the tire blew, and traveled 57 feet before hitting a culvert. The impact caused the other three tires to blow also. The car went on for 27 feet before stopping.

On March 6th another tire, this time a flat one, caused Albert Munson, of Pontiac, to lose control of his car and hit four reflector posts and a highway sign. No injuries were reported.

The State Police answered the March 5 call to an accident at Rattalee Lake and Allen Roads. While attempting a right hand turn, Joseph Gidley of 5210 Williams Lake Road, Drayton Plains, lost control of his car, causing it to roll over.

Township To Hold Public Hearing

Two areas are being brought before the Planning Commission of Independence Township for the purpose of rezoning, on March 17, at 7:30 p.m. The meeting will be held at the Township Hall at 90 N. Main.

One is an acre of land on the SW corner of Waldon and Sashabaw Roads. The request is from suburban farms to commercial I.

The second parcel of land is 38.50 acres on the SE corner of Maybee and Waterford Road to be rezoned from suburban farms to residential I.

The First Asian International Trade Fair will be held this fall at Bangkok.

Auxiliary Names Winner

LADY LUCK chose Mrs. H. L. Nolen, 5449 Conside, Drayton Plains, to be the winner of an eleven inch portable GE television set, on February 28th.

The gift TV had been the prize offered by the Campbell-Richmond American Legion, and was presented to Mrs. Nolen by this year's top ticket seller, Margaret Minor.

Wearing the corsage she had received for the fifty-three ticket sales, Mrs. Minor, and Mrs. Nolen recalled the optimism of Mrs. Nolen as she bought the ticket with the famous last words "I never win anything." The winning ticket had been slipped into her purse and forgotten.

The money from the ticket sales will be used by the Legion is very proud to announce that this year's efforts will make it possible to triple this number of girls going next summer. The ticket sales and drawing will become an annual affair.

Guest speaker at the meeting was Bonnie Casey, a Royal Oak Senior High School senior, who was a Girls State resident last summer.

Her enlightening speech was followed by a question and answer period offered to the five Girls State candidates and their parents.

Calling All M's and J's

Spring cleanup time probably goes back to the time Wilma said to Fred "these rocks have got to go". It's that wonderful time of the year when each member of the family pulls in an opposite direction.

Dad secretly hopes "we'll work together on the garage first."

Mom really expects that "surely now we'll dig in and clean the attic."

And all the kids come down with a cagey case of disappearitis.

The Clarkston News loves spring clean-up time and cordially invites its readers to dig for gold and turn it magically into something green for spending.

An offer of free fifteen word ads selling spring cleanout items is being made to the first ten people to call or bring their ad into the office at 5818 South Main, with one other requirement. They must have the last name initial of M or J this week. Next week two other initials will be pulled with the same free ad offered.

So all you J's and M's start looking.

Retired Persons Plan Meeting

Members of the Pontiac Chapter of the American Association of Retired Persons will hold a meeting on Wednesday, March 9, at 1:30 p.m., in the United Fund Building, 132 Franklin Boulevard, Pontiac.

Samuel C. Boardman of the AARP Insurance Plan office in Chicago will be the featured speaker at the meeting. He will give a presentation on health insurance, covering the overall insurance program and how it will be affected by Medicare. There will be time for questions and discussion.

All interested persons are cordially invited to attend this meeting. The President of the Pontiac Chapter is Mrs. Laura Steinhilber, 444 Osun Street, Pontiac.

The American Association of Retired Persons is a nonprofit, nonpartisan organization of persons age 55 or older — whether retired or not. It is the cooperative enterprise of more than 850,000 mature persons reflecting to themselves and their fellow retirees dignity, security and purpose.

Group to Discuss Safer Crossing

If it's worth having, it's worth fighting for.

A safer school crossing system for the Clarkston Elementary School is worth having, and the invitation to fight for it is being offered by the Clarkston's school PTA.

Nancy Tilley has undertaken the chairmanship for a group to meet next Monday, March 14, at the Episcopal Church, on Orion Rd.

The purpose of the 7:30 meeting will be to find acceptable suggestions to act on.

Please be there to support the efforts of this group.

Accidents Are Up in February

February traffic deaths in Michigan numbered 136 and were 22 or 19 per cent more than 114 in the same month a year ago, according to State Police provisional figures.

The count tied with 1956 for the second worst February since record keeping in Michigan began in 1933. Highest February toll was 159 in 1964, the low 51 in wartime 1943.

The month's loss was also 28 greater than the February average of 108 in the five years 1961-65.

Tornado Forecast Gets New Name

On February 4, 1966, the United States Weather Bureau issued the following statement:

"As the 1966 tornado season opened on February 1, the weather Bureau of the Department of Commerce's Environmental Science Services Administration began using a new term — "tornado watch" — to alert the public to the possible development of tornadoes.

"The new term replaced the old designation — "tornado forecast" which the Weather Bureau used in the past. A Weather Bureau study of the 1965 Palm Sunday tornado disaster in the Midwest revealed that many people were not aware of the distinction between a tornadonado forecast and a tornado warning. The Bureau is therefore substituting the word "watch" for exactly what people should do.

"A tornado watch notifies the public to be alert and to be ready to take precautionary action if a tornado does form.

"When a tornado is actually sighted, the Weather Bureau issues a "tornado warning," giving the twister's location and, when possible, its heading and speed. People in a tornado warning area should move to shelter as rapidly as possible."

It is unadvisable to grow currants in some states because the plants spread a rust harmful to other trees.

THE DRIVER of this flatbed truck must have been carrying a cargo of good luck charms, with him on Wednesday, March 2nd.

When his cargo decided to leave him, it just took off.

Picking the curved ramp leading from the Dixie Highway to the I-75 expressway, would not at first appear to be the most

thoughtful spot for its departure, but the fact that the only thing damaged was the concrete pavement, the cargo sat on, may have proved otherwise.

The driver, Orill Collins of Davison, reported three lights, cables holding the concrete pressure pipes had broken as he headed up the ramp.

Local News

By Mrs. Shirley Lynch

MAPE 5-1065

Mr. and Mrs. James Townsend of Dixie Highway enjoyed a weekend in Chicago except for the snow storm they drove through.

Judy and Jody Johnson on Pine Knob are visiting friends in Harrisburg, Pennsylvania. Before returning home they plan to visit points of interest in Philadelphia.

Mr. and Mrs. Glenn Kirchoff of Allen Road celebrated their 21st Wedding Anniversary, March 2, with dinner in Pontiac.

Mr. and Mrs. Kenneth Harrison on Marconi had as their guests Sunday, Mr. and Mrs. Joe Ash, from Saugatuck. It was a long, over due visit as they have been trying to see each other for over a year, but due to illness this was the first chance they had.

Mrs. J. M. Kobrak has just returned to her home on Waldon Road after around the World trip. During her two month travels she took 400 pictures and saw many interesting things.

Mr. and Mrs. Clyde Highlen of Snow Apple and Mr. George Bur-

ham and son Rick of Griggs enjoyed Sunday at Rosscommons. Picnicking was great even with a little snow.

Mr. and Mrs. Larry Stone, Diane, James, Nancy and Robert Chapman hosted an anniversary open house for their parents Mr. and Mrs. Harry Chapman on Maybee Road on their 20 anniversary. Guests were from Bay City, East Lansing, Alma and Detroit.

Mr. and Mrs. Charles Lippincott and family on Snow Apple spent Sunday visiting the Charles Lippincott's in Holy.

Mr. and Mrs. T. R. Sutton of Pontiac, formerly of Clarkston, held open house for their many friends Saturday evening. A tour of their new home which they built themselves was the highlight of the evening.

Mr. and Mrs. Paul Johnson Jr. on Sunnyside celebrated Mr. Johnson's birthday, March 4, by attending the Ice Capades in Detroit, Sunday.

Mr. and Mrs. Glen Arthur are now residing on Dixie Lake in Clarkston. Mrs. Arthur is the former Nancy Gobel of Lake Orion.

An all pink birthday was held Saturday in honor of Beth Ann's 10th birthday. Ten girls attended with a lovely lunch held before the games. Beth Ann is the daughter of Mr. and Mrs. Floyd Tower on Transparent.

Martha Halsey, daughter of Mr. and Mrs. Samuel Halsey on Andersonville Road, flew to Germany Saturday where she will be the guest of her aunt and uncle Mr. and Mrs. Joseph Dodd of Farmington, now of Austinburg, Germany. Martha will be touring Europe during her stay.

Mr. Harry Chapman of Maybee Road hosted a birthday dinner for his wife Saturday at the Chuck Wagon. Joining their parents were Dianne, a student at Michigan State University, Nancy, Robert and Mr. and Mrs. Larry Stone of Howell, and Miss Cheryl Nelson of Grand Blanc.

HAPPY BIRTHDAY:
Michelle Davis, Nancy Cooper, Chris Dawley, Nancy Wheeler, March 11; Jan Schultz, Kyle Satterlee, March 12; Don Lytle, March 13; Kim Beattie, Eric Bennett, Harry Chapman, March 14; Norman P. Galligan, Janie Adams, Donald Moon, Jim Muscat, Stephanie Altman, March 15; Billie Beach, Kent Ash, Mark Fitzthomas, March 16.

ANNIVERSARIES:
Mr. and Mrs. William Sharp, March 12.

Ferns do not reproduce from seeds.

RH Negative? ... Don't Panic

If you're among the 15 per cent of people who have Rh negative blood, don't panic. This inherited characteristic in no way affects your health. What's more, your chance of having an "Rh baby" is very slim indeed.

Actually, there is no chance at all of having an Rh baby if both parents have either Rh negative or Rh positive blood. There also is no problem when the father is Rh negative.

Only when the mother is Rh negative and the father Rh positive is there a chance that they will have an Rh baby — and this chance is less than one in 200.

A so-called Rh baby or "blue baby" is one who has developed a severe anemia before birth known as erythroblastosis fetalis. The condition develops because the baby's Rh positive blood — some of which escapes through the placenta into the mother's circulation — is incompatible with the mother's Rh negative blood.

To protect against this Rh incompatibility, the mother's blood forms protective antibodies, much like the antibodies formed when persons are immunized against diphtheria, whooping cough or polio. It is these antibodies — passing

through the placenta in to the infant's circulation — which destroy the infant's red blood cells to cause severe anemia.

If you are an Rh negative mother-to-be having your first child, don't worry. It usually takes two or three pregnancies before you can manufacture sufficient antibodies to do any harm.

During subsequent pregnancies, however, regular blood tests should be made a ritual! Through these tests your doctor can determine exactly when and if sufficient antibodies have formed to cause real trouble.

If trouble is imminent, he'll arrange for an exchange transfusion to be given the baby as soon as possible after birth. This life-saving procedure replaces the baby's Rh positive blood with Rh negative blood, coincidentally removing the antibodies which passed from mother to baby before birth.

Seymour Lake News

The Pontiac Post Office retirees and employees and their wives were guests of the Pontiac Post Office Departments at a roast beef dinner in St. Benedict's Hall in Pontiac last Saturday.

Awards were given to three carriers by Postmaster William Donaldson for heroism during delivery of mail. Honored were Louis Zonch, Harry Longacre and Tom Barnes.

Guido Rizzuto of 5470 Heath St., Independence Township, also a carrier, had the experience the following Monday, while on duty of being called into a home to witness a marriage ceremony.

 18. Tuna Sandwich, Stuffed Celery, Harvard Beets, Apple Pie & Cheese Wedge and Milk.

College News

Mr. James Walton, 7033 Felix Drive, Clarkston, Michigan, has graduated from the Famous Artists Schools of Westport, Connecticut. Mr. Walton specialized in commercial art and illustration during his three-year course with this home-study school.

Directing the art courses is a faculty of distinguished artists among whom are Norman Rockwell, Austin Briggs and George Giusti.

Area Couples Have March Weddings

Mrs. Larry David Powell

Lapham - Powell Vows Spoken

Wearing a fitted white lace gown, with an illusion veil secured to a bridal crown of pearl and crystal, Lois Evelyn Lapham became the spring bride of Larry David Powell.

Given in marriage by her grandfather Albert Smith, she wore a gold cross belonging to her grandmother and carried a lace covered prayer book with a white rose corsage on the cover.

Miss Lapham, the daughter of Mrs. Doris Smith Lapham, of 9124 Ortonville Road in Clarkston chose seven thirty P.M., March 4th as her wedding time and date at the First Baptist Church of Clarkston. The bridegroom is the son of Mrs. Ben Powell, 6440 Orion Road, Clarkston.

Miss Katherine Goodall was the Maid of Honor with Miss Karen Woolley and Miss Carolyn Musters in attendance.

Five year old Timothy Goodall performed the ring bearing honors.

Bestman for Mr. Powell was Larry Auten, of Drayton Plains. Acting as ushers were Richard Lippert and Louis Jaenichen of Clarkston, Albert Cook of Flint, William Bishop of Pontiac and Ben Powell and James Antczak of Waterford.

Following the church ceremony was a reception in the church parlors.

Where're the Signs

The Michigan Road Commission answered the big question asked by several readers. "What happened to the posted street name signs?"

Everyone can relax. The temporary white plastic cards are only substitutes until the ordered new ones arrive to replace them.

Local Girl is Married

Mr. and Mrs. Gordon Buzzells have announced the March 5th marriage of their daughter, Connie, to Garry Vieu, son of Mrs. Laitia Vieu and the late Clarence Vieu of Flint.

Mr. and Mrs. Gary Vieu were married at the Christ Episcopal Church in Flint.

Maid of honor was Martha Madison.

Best man was David Alunno.

The bride wore a white lace suit for the wedding. They will reside in Grand Blanc after a honeymoon trip to Washington D. C. and the southern states.

CLARKSTON

First Grade Students Tell of Various Activities

Five first grade students in Mrs. Moore's class at Clarkston Elementary have submitted the following articles for publication.

The Clarkston News welcomes news items from students in all grades.

February 28, 1966

We start to write for the Clarkston News today.

Ricky has the mumps.

Mike is absent again today.

Billy is not here either.

We are going to have a grocery store in our room. We will be customers and clerks. We must learn to count money.

by Barry Adams, 3-1-66

We are learning how to get ready to have a store. First we must stock our store. Then we

learn how to advertise. Each will bring 2 "groceries" to sell.

by Kirk Baumann, 3-2-66

We made get well cards for Mrs. Schultz. She is one of the other first grade teachers in our school. She got her leg broken skiing.

by Karen MacGregor, 3-3-66

Our store is full of merchandise to sell. Some of us will be customers. Some of us will be packers, check outs, butchers, and managers.

by Karla Hafner

We are learning about the different kinds of meat.

Pork comes from pigs. Beef comes from cows. Lamb and sheep are mutton. Chicken and turkey are poultry.

LINDA HOLCOMB, a Girl Scout for the last five years, has eighteen merit badges to her credit.

Linda, who lives at 6415 Lakeview Drive, Clarkston, is also on the Service Squad.

Scouts Celebrate Birthday

"On my honor I will try . . ." begins the Promise made every week by over three million Girl Scouts in the United States of America. Across the nation these girls and adults celebrate the 54th birthday of Girl Scouting during Girl Scout Week (March 6-12). Theme of the celebration is "Girl Scouting - A Promise in Action."

Many Northern Oakland County Girl Scout troops are composing Promissory Notes to give troop service to their own communities, practicing their Promise "to do my duty to God and my country, to help other people . . ."

Girl Scouts also promise to obey the Girl Scout laws of loyalty, honesty, courtesy, cheerfulness, kindness and thrift. Girls give countless hours of service making life brighter for those less fortunate than themselves. Rest homes and children's agencies are prime targets for the girls' kindnesses.

This character-shaping program also offers opportunities for fun in the out-of-doors. Troop cook-

outs, hikes, overnights and canoe trips are popular with area Girl Scouts. Many also enjoy day, troop and resident camping. Last summer 1420 Girl Scouts attended twelve day camps operated by the Girl Scouts in Northern Oakland County. Numerous girls went troop camping throughout the year - nearly 1500 using either Camp Sherwood, the resident camp near Lapeer, or the John Ivory Farms. Over 300 girls attended two-week sessions at Camp Sherwood last summer.

Older Girl Scouts - Cadettes and Seniors - have taken troop trips through Michigan to Chicago, and to Camp Rockwood, the national Girl Scout camp near Washington, D.C.

Senior Girl Scouts (15-17 yrs.) were especially active during the past year, attending National Roundup, Alternate Roundup and five regional conferences. Senior Girl Scouts helped for the second year to conduct a five-day camp for mentally handicapped children.

Co-sponsor with the Girl Scouts was SPUR, special education parents' unit.

Keeping up with the younger generation was a challenge to Girl Scout adults. These dedicated volunteers absorbed 5,335 hours of Girl Scout training to help them as troop leaders, service team members or day camp counselors. Board and staff members participate in Girl Scout training as it is offered either locally or regionally.

Heading the volunteers is Mrs. Elwyn Tripp, president of Northern Oakland County Girl Scout Council. Mrs. Donna LaMacchio is executive director.

The council has recently leased new office space in Tel-Huron Shopping Center, Pontiac and plans open house festivities April 29 and 30. Mrs. Fred Hoppe is open house committee chairman.

Girl Scout adults are planning for the National Girl Scout Convention to be held for all adults in the Girl Scout movement at Detroit's Cobo Hall, October 23-27, 1966. Mrs. Richard F. Morgan, board member of the local council, has been appointed a member of the Convention Arrangements Committee.

Operation of the Girl Scout Council is currently financed by five funds - Pontiac area, Detroit, West Bloomfield, Avon and Oakland. Camping activities are supported by the annual Girl Scout cookie sale now being conducted March 4-20.

When canal traffic was in its prime, Easton, Mass. was a coal receiving point.

McGaffies in Afghanistan

Following is the fifth of a series of articles written by David and Betty McGaffey as they work in Farah, Afghanistan. They are the son and daughter-in-law of Mr. and Mrs. Donald McGaffey of Holly.

in Lash-kar-gah and Baghian for sale to tourists. This project, which has been going on for a few years now, is the beginning in Afghanistan, of all the women's clubs which do so much work in the States. The money is used for school trips or for helping to start kindergartens for the young children.

Abundance of Souvenirs

We are collecting a great variety of souvenirs to bring back. Besides our pictures, we have two excellent prayer rugs, gifts to us, varieties of Afghan jewelry, bits of embroidery, Afghan materials, half of that made into dresses for Betty, prayer beads, odds and ends of every description, and one complete set of Afghan dress clothing for each of us. Our home, when we ever set one up, will be a marvelous mess.

David forgot to mention that we are also getting a set of Afghan dolls with hand-embroidered clothes. They're made by Afghan women

Area Principals Attend Conference

Representing the Clarkston community schools at the March 2-4 conference were Pine Knob's principal, David Westlund and Lynn Jervis, the school principal at Sushabaw Elementary.

More than 1,000 Michigan elementary school principals met in Grand Rapids, for the 40th annual conference of the Michigan Association of Elementary School Principals, a department of the Michigan Education Association.

THE BEST THINGS

'Project Handclasp' Collects Staples for Overseas

Ever bathe without soap? Or eat food without salt? Or write without a pencil?

These three items — soap, salt, pencils — will be collected throughout March by the Telephone Pioneers of America for distribution to destitute people overseas.

Edward Aulgar, President of the Woodward Council of the Pioneers said the organization of active and retired employees with 21 or more years of telephone work, has volunteered again to collect these items to aid the U.S. Navy's "Project Handclasp."

This is the second annual drive for soap and pencils. Last year, five tons of soap and hundreds of stub pencils were collected by the Pioneers and distributed by the Navy in Spain, Vietnam and South America.

Salt has been added to the drive for the first time this year. So vital is its need in Vietnam that already 15 tons have been given to Project Handclasp by a St. Clair salt company and sent on its way.

Bars and slivers of soap, pencils and pencil stubs, and all kinds of table salt will be collected from Michigan Bell telephone employees at business offices throughout the state, and flown from the Naval Air Station at Grosse Isle to Norfolk, Va.

Local residents who wish to

contribute to Project Handclasp may take their donations to their nearest Michigan Bell business office, or give the items to any telephone employee.

Project Handclasp was begun by Navy Commander Donald (Hoppy) Hanson in 1948 following his return from the Far East where he served four years as a pilot.

Disturbed by the poverty and suffering he had seen, Hanson interested crew members in this charitable venture. In off-duty hours the crew collected a half-ton of clothing.

Since that modest beginning, the project has snowballed and each year more cargoes of supplies are delivered to the needy around the world.

The Michigan Pioneers have received letters of appreciation for last year's drive from E. W. Walt, Major General, U. S. Marine Corps, Commanding III Marine Amphibious Force, and from A. R. Gralla, Rear Admiral, U. S. Navy, Commander South Atlantic Force.

The "thank you" letters were for the third of last year's soap collection which was sent to the Marine Corps for distribution in Vietnam, and for the large quantities of soap and pencils which traveled to South America.

Sashabaw P-TA has Teachers Night

The regular PTA meeting of the Sashabaw Elementary School will be Thursday, March 10th at 8:00 p.m. It will be Teacher's Night. Mr. John Lappanen will show a film on "Children at Work in Their Classrooms."

The Clarkston Choral Group will also be on hand to sing under the direction of Charlene Williams. The fourth grade homeroom mothers will serve refreshments.

Everyone is welcome to attend.

Clarkston JC's in Publication

Clarkston area Jaycees have announced the inclusion of three of its members in the 1966 edition of Outstanding Young Men of America. These members are Richard Chartier, Richard Johnston and Milford Mason.

Nominated earlier this year by the Jaycee Chapter these men have been selected by a thirteen man National Board of Editors for the publication.

Doug Blankenbuck, Past U.S. Jaycee President (1962-63) who is serving as chairman of the Board, stated that men were selected between the ages of twenty-one and thirty-six who "had distinguished themselves in one or more fields of endeavor to the point of being outstanding."

"This book," states Henry Ford II "serves as more than a tribute to those it is meant to honor. It calls attention to the great capabilities of our young men and their capacity for getting things done."

The Junior Chamber of Commerce has long been active in the recognition of outstanding achievement.

Car parts valued at \$300 were taken.

Esther McGowan of Livonia reported State Police regarding discovery that her mother's house located at 4271 Ellis Rd. Clarkston had been broken into sometime during the last week.

She had left the home on February 28, and returned on March 1 to discover the illegal entry. A rear door lock had been forced. Candles had provided the light. A paraffin candle and a pair of pants which had been taken.

ment among America's young men. Each year since 1938 the U.S. Jaycees have selected the Ten Outstanding Young Men of America. Among past TOYM winners are such famous personalities as John F. Kennedy (1946); Nelson Rockefeller (1941); Dr. Tom Doolley (1956); and Henry Ford, II (1945). The publication Outstanding Young Men of America will feature the 1966 TOYM winners. President Lyndon B. Johnson will write the foreword for the 1966 edition.

Timber . . . Tree Comes Down

The promise to "leave the Christmas tree up as long as it stays nice and you don't bother it," has had to one-decorated Christmas tree recently standing in the home of one Carl Wentz, 8550 Pine Knob, Clarkston.

Little did Mrs. Wentz realize at the time of the promise that both could or would be managed for this length of time. Watering every day has been the seasonal tree's only need.

The family had picked and cut their tree this year, as before, from a Christmas tree lot on their corner that is operated by Arthur Toedt.

None of the Wentz's ten children are home to enjoy the tree stay in college. The children range in age from two to college age. The fourth is married.

Latest word from Mrs. Wentz reports the tree is destined for proper burial this weekend.

When danger approaches the mother grunts will pay injured by sprouting out a wing as if it is broken in order to protect her little ones, who also freeze and do not move until she tells them.

Sweet Adelines to Perform for Lukemia Fund Benefit

The Sweet Adelines Chorus will sing "arranged" on their March 12th show at the Washington Junior High School in Pontiac. Proceeds from the performance will go to the Children's Lukemia Foundation of Michigan.

CAP Alerted

Civil Air Patrol units in Michigan were alerted by the FAA Saturday to join the State Police and the Coast Guard in a search for a light plane reported overdue on a flight from Cleveland, Ohio to P-Histon, Michigan.

CAP members from Clarkston who reported to the base on operations at Clemmons Field Bay City, Michigan were Lt. James Daniel, Captain of the County Squadron Commander, and Major Charles Kimm, Oakland County Group Commander who piloted a Beechcraft Musketeer. Senior member David Hawkins, A 1-C, and cadets John Bushart and Tim Morris also reported for land rescue.

The search was ended when the plane, pilot D. Piggot of Cleveland, and passenger Sanford Treat, also of Cleveland were found to be safe in Boyne City, Michigan.

Waterford Recreation Scores

The three divisions of the Waterford Township Recreation Department's Men's Basketball Program entered the home stretch of the season with Spencer Floor Covering leading the American League by two full games. In the Continental League a tight three team race continues but the title chase in the National League narrows to a two team battle as Coleman's Crew dropped its fourth and left the Fredman and 6R's Construction five to contend alone. Lakeland Hardware, Ryerson's Market and Buckner Finance still vie for the Continental crown. At this writing the American League squads have three games each to play, the Continental teams four and the

National League quintets but two. In last week's games Spencer's nipped Powell's Trucking 90-87, Frushour & Struble forfeited to Drayton Drug, and Lakeland Pharmacy belted CIO No. 594 73-64 in American League encounters. The red hot Continental League race saw Lakeland Hardware end its two game losing streak with a 106-68 rout of Zilka Heating. Buckner Finance clung to a share of the top rung with a 72-30 victory over Bundy-Built Homes, and Ryerson's Market a man in contention with a 67-50 decision over Wayne's Service.

Monday's National League tilt resulted in wins for Howe's Lanes and 6 R's Construction as they

scored 75-53 and 76-73 victories over Joe's Bar No. 2, and Coleman's Crew respectively. In the other contest Fredman's Construction took a 2-0 forfeit decision from Joe's Bar No. 1. Winless Powell's Trucking gave unbeaten Spencer's the scare of its life last Wednesday night as the Truckers outscored the league leaders 40-21 in the final quarter and came within 3 points of erasing the 69-47 lead the Spencer quintet had built up in the first three quarters. Roa Lundy led the rally with 27 of the last quarter points and finished with 41 points for the game. John Herrington led Spencer's with 39, 23 of which came in the second half when many of his baskets kept Powell's from catching up. Frushour and Struble, Spencer's nearest challenger, could not put a full team on the court for its scheduled game with third place Drayton Drug and thus fell two games behind Spencer's and now lead Drayton Drug by only a game. In the other contest Lakeland Pharmacy broke a two game losing skin with Dale Fussman (22) and Stu Thorell (18) leading the Pharmacists over CIO Lakeland led 44-31 at halftime and led throughout the second half also. Ray Heaton's 25 points were high for the union.

In the Continental League, Lakeland Hardware also broke a two game winless string as they got their potent offense in gear once more in reaching the century mark again against Zilka. Mike Reed (37) and Jim Spadaro (23) contributed 170 points to the Lakeland total while George Billock scored 29 for Zilka's. The Hardware crew led 48-33 at the half and 74-51 at the three quarter mark. In other

games Gus Pantelides' 22 points led Ryerson's Market to its sixth win in seven starts over a dangerous Wayne's Service five. Wayne's who upset Lakeland Hardware last week, couldn't find the range in the second half after the first half ended in a 25-all tie. Dave Goff scored 15 points for Wayne's. Jerry Paul's 40 points (28 in the second half) led Buckners to their easy victory over Bundy who had the smallest game total in the program this season. The Buckner quintet head Bundy to six point totals in the first, second, and fourth quarters as they raced to a 23-12 halftime lead and held Randy Parson's (Bundy's top scorer) to 12 points.

The National League contests narrowed the number of title contenders to two as Coleman's loss left the Fredman's and 6 R's Construction, squads in the title chase. 6 R's built up a 46-30 halftime advantage and held on for dear life as the Coleman's chipped away at the lead until the final buzzer ended the rally three points short of tying the count. Bill Lemaux had 23 points for Coleman's but Ken McClintock took game honors with 25 for 6 R's. Howe's Lanes pulled into a third place tie with Coleman's in besting Joe's Bar No. 2 as Jim Devine's 20 points led the way. The winners took a 19-10 first quarter lead, stretched it to 35-21 at the half and coasted throughout the second half to victory. Andy Mitchell bucketed 23 markers for Joe's who are still winless in nine tries. Fredman's remained tied with 6 R's as they took an easy forfeit victory from Joe's no. 1. The two co-leaders now will meet head-on two weeks in a row, once in the final regular season game next Monday, and again on March 14 in the position night finale. In order to win the title, 6 R's must defeat Fredman's twice or outscore them by 19

points in a split, as league rules stipulate that if two teams have identical records after position night, the title will go to the squad who has outscored its opponents by the most points during the eleven game season. Fredman's has a 18 point advantage with two showdown matches to go.

AMERICAN LEAGUE	
Team	W-L
Spencer Floor	8-0
Frushour & Struble	6-3
Drayton Drug	5-3
Lakeland Pharmacy	4-4

Free Ride Offered to Deer Tour

Persons interested in a guided tour by the Conservation Department of the deer yarding area in Tawas, are invited to accept a ride with Keith Humbert, 6640 Snow Apple.

Mr. Humbert is driving an eight passenger station wagon to Tawas City this Saturday, March 12. He plans to leave about 7:30 a.m. and arrive in Tawas by 10:00 a.m. Following the tour, Mr. Humbert will start back to Clarkston about 3:00 p.m. and arrive by 6:00 p.m. For reservations call 625-7526.

CAP Conducts Orientation Flights

Civil Air Patrol's cadet aerospace education texts were the basis for orientation flights recently at Pontiac Airport. Twenty CAP cadets and five senior members from Squadrons in Clarkston and Rochester participated.

Major Charles Klann conducted a pre-flight briefing to acquaint the cadets with local weather conditions and with the two aircraft to be used. Major Klann also explained the contents of the survival pack carried by CAP pilots.

Cadets who recently completed the text "Power for Aircraft" were flown in a Beechcraft Bonanza and were shown how powerful an aircraft with a 260 HP fuel injected

engine can be. With clearance from Pontiac Tower the cadets experienced flying over the field at nearly 200 MPH. They were also shown power settings and the differences between torque and acceleration.

Lt. James Hubbell, Clarkston Composite Squadron Commander, conducted orientation for the cadets who had studied "Navigation and the Weather." Flying in a Cessna 172 Skyhawk the cadets were given the opportunity to do some navigating using visible and familiar landmarks. Lt. Hubbell checked their navigating ability and demonstrated omn approach to the airport.

Major Klann, Deputy for Cadet Training of Michigan Wing CAP, feels that the plan for coordinating orientation flights to academic training will mean more flying for all Michigan cadets.

Baby Showered With Gifts

"Welcome Little Stranger" was the message set amongst blue booties on top of a very special cake served at a baby shower for Mrs. James Patrick.

The cake had been baked and decorated by Geri Lane, who was putting her night school training to an artistic and culinary test.

Her efforts were greatly appreciated by the twenty five women who gathered at the Almond Lane home of Mrs. Clayton Davis, to extend the cakes message.

Co-hostesses for the showering of the Patrick's first blessed event were Mrs. Floyd Davidson and Mrs. Ann Currier.

Pure gold is 24 carats fine.
