FIRST CHURCH OF CHRIST SCIENTIST
Oxford, Michigan

Continuing a study of the spiritual versus material concepts of substance, Christian Science churches this week will present a Lesson-Sermon on "MATTER."

Jesus' parable of the tares and the wheat (Matt. 13) will be used for the responsive reading. Another of the Bible references to be considered is from II Timothy: "In a great house there are not only vessels of gold and of silver, but also of wood and of earth; and some to honour, and some to dishonour. If a man therefore purge himself from these, he shall be a vessel unto honour, sanctified, and meet for the master's use, and prepared unto every good work."

A corresponding passage is from the Christian Science textbook: "The oppositional warfare between truth and error is only the mental conflict between the evidence of the spiritual senses and the testimony of the material senses, and this warfare between the Spirit and flesh will settle all questions through faith in and the understanding of divine Love" (Science and Health with Key to the Scriptures" by Mary Baker Eddy).

College Brothers Say Vows

Five young Brothers of the Society of Jesus will pronounce perpetual vows of poverty, chastity, and obedience here on March 19 at Colomiere College, the novitiate for the Detroit Province of the Society of Jesus. The vows are taken after a six-month postulancy and a two-year novitiate.

Rev. Fr. Marshall L. Lochbiller, president of the Jesuit seminary, will receive the vows of Brother Jim Buchanan, S.J., son of Mr. and Mrs. Frank T. Buchanan of Royal Oak, Mich.; Brother Jim Gates, S.J., son of Mr. and Mrs. Gerald Gates of Goodis, Mich.; Brother Joe Rastetter, S.J. of Alexandria, Indiana; Brother Dave Schertler, S.J., son of Mr. and Mrs. Welling, S.J., son of Mr. and Mrs. Duane Welling of Warren, Mich.

After taking their vows, these men will depart for Milford Novitiate, Milford, Ohio to continue their training as Jesuit Brothers. There they will continue their spiritual development and will be sent to various schools for the training needed for their future work in the Society of Jesus. Jesuit Brothers are active in teaching, administration, mission work, and all the other apostolic works of the Society.

Crucifixion Drama for Holy Week

"Eyes Upon the Cross," a chancel drama, will be presented in four churches in the greater Pontiac area, during Holy Week, by an ecumenical cast and crew. This historic drama makes the Cross and the Man upon it real to each and every one of us. It takes place in the hours following the Crucifixion and the next day, thus presenting the thoughts and feelings of the men and women who witnessed it. The time is 8 P.M. and the places are as follows: April 3, Sunday — Central Methodist of Pontiac; April 5, Tuesday — Oakland Park Methodist Church; April 6, Wednesday — Davisburg Methodist Church; April 8, Friday — United Presbyterian of Auburn Heights

Smorgasbord

The pleasant aroma of home cooking at the corner of Washington and Main in Clarkston will be the final invitation to all persons treating themselves to this Sunday's Smorgasbord dinner to be held at the Masonic Temple. Job's Daughters of Bethel 25 are making this family treat possible from noon to three p.m.

Chorus to Sing Requiem

Sunday morning, March 20th, at the 10 o'clock worship service, the Chancel and Wesleyan Choirs of First Methodist Church, Clarkston, will present Gabriel Faure's, "Requiem," as a sermon in song.

Featured baritone soloist is John Dietz, of Cleveland. Soprano soloists are Constance Grubbaugh, Kathleen Aldrich, Donna Redwood and Mary Wertman. Mezzo Soprano, Maria Dietz.

Accompanying the choirs are organists Barbara Clark and Louise Sargent. Also heard in the ensemble will be Mary Wignall, piano; Jane Butters, flute, and Grace Konopka, cello.

The music is under the direction of Adele Thomas, Minister of Music at First Methodist. The public is invited.

Obituaries

ROBERT MCGOWAN
Robert S. McGowan, died suddenly on March 9th, at the age of 59. Mr. McGowan, who lived at 4146 Island Park Drive, Waterford, was a self employed Roofing Contractor.

He is survived at home by a son David, a daughter Karen and his wife Margaret. Also surviving are sons Robert D. McGowan of Detroit, Harry McGowan of Clarkston, Kenneth McGowan of Pontiac and Michael McGowan of Lake Orion.

Another survivor is his brother John who lives in Dravton Plains. Funeral services were held at the Lewis E. Wint Funeral Home in Clarkston, on March 11, with Rev. Thomas E. Dunn officiating at the Seymour Lake Cemetery burial.

BIRTIE A. BRADY
Services were held Wednesday in Washington, Pennsylvania for Birtie A. Brady who died Monday at the age of 88.

Mrs. Brady was a frequent visitor at the home of her daughter, Mrs. L. B. Eisenlohr of Clarkston. Mr. Brady preceded her in death. A and Robert W. both of Pittman, New Jersey and two daughters, Mrs. L. B. Eisenlohr of Clarkston and Mrs. Richard Milson of Pittsburgh, Penn.

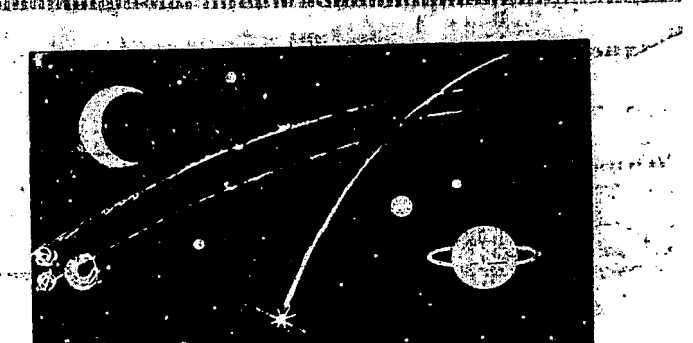

Birth

Shawn Bernedette Roy, carried more than her 9 lb. 2 oz. arrival weight.

The March 4th birth debut was a big breaking event in the Gene Roy family of four boys and four girls.

The grandparents of Miss Roy who will reside at 8001 South Main in Clarkston, are Mr. and Mrs. Alexander Kroepflin of Pontiac and Mr. and Mrs. Gerard Roy of Waterford.

Tomatoes, when staked, will often produce three to four times more than when plants are close to the ground.

WHAT DOES HE SEE?

What a birthday present! Young Dan can see all sorts of things with that telescope that are invisible to the naked eye. The sky, with its stars and its moon, seems so much closer.

Yet, there is still so much that remains unseen. The best instruments man can make are insignificant when measured against the scope and depth of God's universe.

That's where faith comes in. We know that there are other galaxies that can't be seen through even the most powerful of telescopes. And we know, too, that faith, though invisible, is the greatest power of all.

If faith is something that doesn't quite come across to you, the Church is the best place in the world to help you solve its mystery. If faith is already yours—what better way is there to reaffirm it than by going to church this Sunday?

Mumps Can be Serious

Mumps is considerably more than a case of swollen neck glands. One complication of this disease — called orchitis — can cause sterility in the adult male. In the adult female, an attack during pregnancy may harm the unborn infant.

Generally, a childhood bout with the mumps does not lead to serious complications. For this reason many authorities recommend exposing children to the disease before they reach puberty. This is NOT positive protection, however, because the disease can strike a person more than once during his lifetime.

An acute virus disease especially prevalent in winter and early spring, mumps usually causes painful enlargement of the salivary glands in front of the ears, under the tongue and lower jaw. Though it's quite common for only one side to be affected, both sides of the face can be involved. In either case, it's difficult for the patient to talk and eat.

Contractable at any age, mumps most frequently attacks children from four to 15 years of age. The infectious stage begins a day or two before the swelling appears, and lessens as the swelling subsides.

The two days before swelling appears are usually beset with other miseries for the hapless mumps victim. Usual problems are fever, lack of appetite, headache, vomiting and a general aching throughout the body.

While there may be a fever, slowly reaching a peak of 102 degrees to 103 degrees, there may be none at all. Fevers higher than 103 degrees usually indicate some serious complication.

Fortunately, mumps contracted in childhood is seldom painful or serious. The disease process is self-limiting, with a gradual subsiding of symptoms which usually disappear after 8-10 days.

The real problem is protecting adults from mumps — especially adult males. Whenever an adult who has not had mumps is exposed to the disease, he should report to his physician immediately. The physician can advise him how to prevent complication. He also can provide temporary immunity with a special type of gamma globulin, followed with an injection of mumps vaccine to provide longer immunity.

Remember: mumps in adults is dangerous. What's more, it's so highly contagious that infection in adults is common. For these reasons this little bit of advice to adults is worth repeating. If you've been exposed to mumps and haven't had the disease previously, see your physician — immediately.

Family Reunion at Phoenix

Mr. and Mrs. George R. Lawson, 6075 Orion Rd., Clarkston, have recently returned home from a trip to Phoenix, Arizona, where they visited at the home of Major and Mrs. Richard Lawson and family.

Also attending the reunion of the Lawson family were Mrs. Joyce Tersigni of Clarkston, Mr. and Mrs. W. E. Shriber, Sr. of Sawyer, Michigan and Mr. and Mrs. Wm. B. Miller of Fort Lauderdale, Florida.

The group enjoyed a wonderful week of visiting, and seeing many points of interest, including a visit to the Grand Canyon and Flagstaff, Arizona.

Six New Rooms to Accommodate 90 Children

Twenty six parents of trainable children heard the board of Oakland Schools outline plans for six new rooms that would accommodate 90 Type B Children.

Located in Clarkston, Farmington, Ferndale, Walled Lake, Hazel Park and Waterford, the new 'B' rooms are to serve as centers for combinations of districts. Nine rooms now in operation enroll 151 trainable children. Dr. Paul Thams, director of special education, reported.

Mrs. Theodore Ostrowski, 2610 Gittins, Union Lake, as spokesman for the parents, protested the age 14 limitations of the Type B program. She cited an estimate of the State Department of Education that there are 500 retarded boys and girls of school age in the county.

"There are provisions in state law," she said, "to offer training programs to these children until they are 21 years old." She referred to the Phillips Amendment which permits an intermediate district to build and operate classrooms for older trainables.

"Not all the children under 14 are accommodated in programs; after age 14, there is nothing," she said. She pointed out that sheltered workshop programs do not accept children younger than sixteen.

She said she favored plans to begin a pilot program with the Mental Health Department to extend training for retarded beyond 14, but with no upper cut-off age.

"A lot of time has gone by and

there are still plans. Moreover, the plans are for 60 people, and would still leave a gap in serving the 500 children I am talking about," Mrs. Ostrowski said.

Dr. William Emerson, Superintendent of Oakland Schools, said the special education program is operating under a substantial deficit this year and next. Budgetary limitations permitted only seven new rooms this year; six are to be for trainable children, one is for elementary deaf children in Waterford.

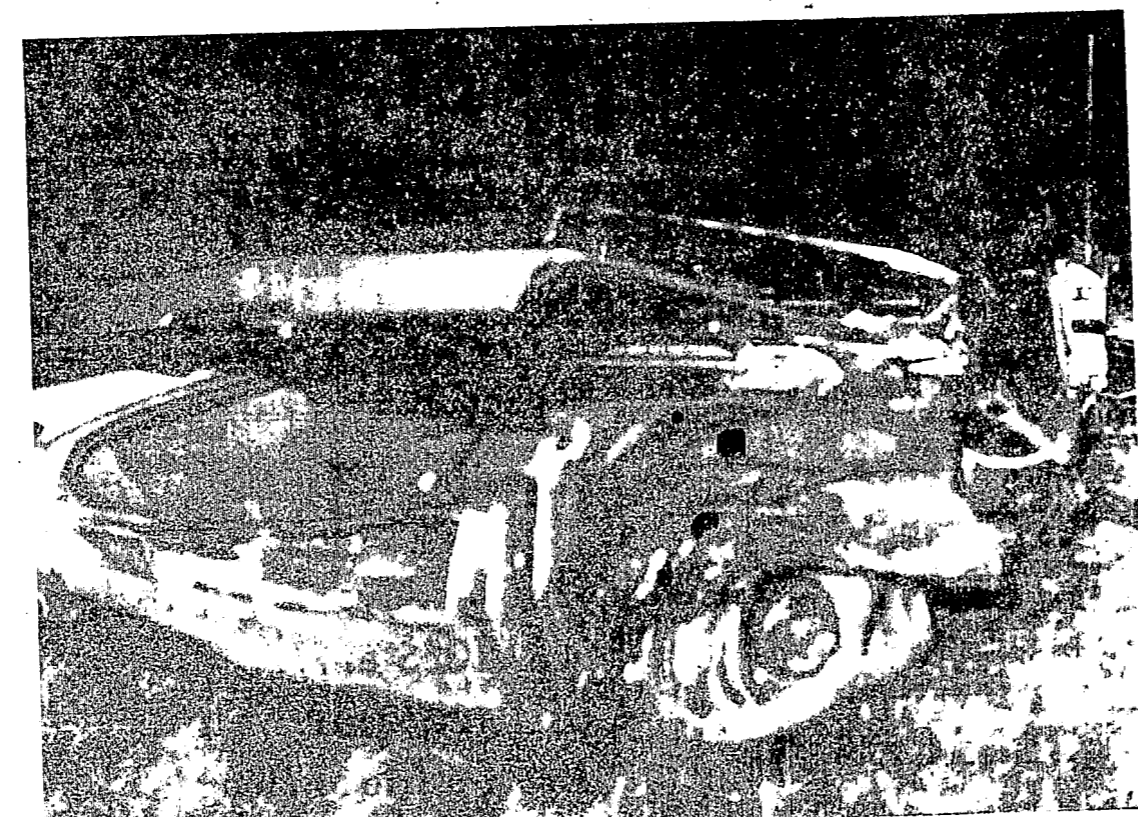

Admitting that facilities should be expanded, Board Member George Coombe cautioned that it might not be possible to institute meaningful programs in a short time.

The board deferred action on the special education budget until March 24.

Clarkston Hosts Virginia JC Couple

The warm hospitality of Bob and Marietta Jones, 6683 Wealthy St. brightened the arrival of David and Cora Lou Richards, on their arrival last Friday, which at its best was wet and gloomy.

In behalf of the "On to Detroit" convention committee, Mr. and Mrs. Richards had motored from their home in Front Royal, Virginia for a weekend visit in Clark-

ston. Detroit has been chosen as this year's National Junior Chamber of Commerce Convention city.

The Virginia couple were given a chance to meet other Clarkston JC members at a dinner given in their honor at the Clarkston Country Club, on Saturday night. From the country club the group went to a "ON TO DETROIT" party

held at the Legion Hall. The meeting gave them an opportunity to discuss plans for the National Convention, which will be held this summer from June 28 to July 1, in Detroit.

We've already congratulated our Master Salesmen award winners.

Now we'd like to thank you.

Because people like you helped our star salesmen receive these coveted awards from the Pontiac Motor Division—by buying a record number of new Pontiacs and used cars from them during the past year. We're proud to have salesmen like these working for us. The kind of men on whom you can depend for

courteous treatment and for genuine assistance in buying. And we're just as proud to have the kind of customers who recognize these abilities—and reward them with their business. So thanks very much to each and all of you who bought a car from our star salesmen in '65. You're "star customers" in our book.

Vaara's Tournament Predictions

By Mel Vaara

My predictions were horrible last week, as South Haven, Ironwood, Marquette Baraga, and Frankenmuth were all defeated — but here goes again.

Class "A"

East Lansing will ease out Ann Arbor. East Lansing is a tournament team and they have momentum on their side. The game between East Detroit and Detroit Mumford will be close. I will stay with East Detroit.

Ferdale won't be playing on their own floor, but they still should handle the tractors from Fordson with ease.

Grand Rapids Catholic came out of a tough regional so Alpena will have a sad ride home.

My pick for Class "A" Champions — East Detroit.

Class "B"

Maryville is hot and should wipe out Royal Oak Shrine.

Allegan, a town that eats and sleeps basketball, will clobber Grand Rapids East Christian. I saw Holt defeat Holly in last week's regional and they had lady luck on their side. They will need more than luck when they meet River Rouge. Rouge by 14 points.

Isperming squeaked by a very

good Ironwood team, Belding could do it, but I have to stick with the UP team.

My pick for Class "B" champion. I should go with River Rouge, they are after 6 in a row, but Allegan is my pick.

Class "C"

Middleville will dispose of Leslie by 21 points. Saginaw S. S. P. & P. defeated the No. 1 team in the state, Frankenmuth, and I look for Scottville to play a poor game, Saginaw by 4 points.

L'Anse, a team loaded with shooters will out gun Traverse St. Francis. This Detroit Visitation team is tough and Flint Holy Redeemer is vulnerable. Visitation by 11 points.

Class "C" Championship. It has to be Middleville. They were No. 1 in football and they feel they deserve the same ranking in basketball.

Class "D"

Free soil, coached by Mac Carey is a tournament team. It will be close, with Free soil taking Ellsworth by three points. I hear by way of Grand Blanc that Flint St. Mary's is loaded, so maybe Maple Grove will have their 8th loss of the year.

Trout Creek will side track De-

tour by seven points and Covert will massacre Grosse Point University High.

My pick for Class "D". Why of course Trout Creek. I must go with one U.P. team!

Fife Named on League Team

The following boys were selected as members of the Wayne Oakland All League teams.

Selected for the first team were: Jerry Insland, senior, Northville; Bill Taylor, senior, Holly; Dan Fife, junior, Clarkston; Dave Robillard, senior, Bi'field Hills.

Tim Moller, senior, W. Bloomfield. Selected for the second team were: Mark Phalen, senior, Holly; Bruce Hall, junior, Bi'field Hills; Chris Hawkins, senior, Cl'ville; Bruce Evanson, senior, Brighton; Rick Musch, senior, Brighton.

Rod Allen of Clarkston received honorable mention.

Mr. Cooper's team finished the regular season in a tie for second place with a record of 4-3. In the tournament their record was 2-2. Harold Hall led the team in scoring with 123 points. Steve Kratt was next with 96.

Kneeling: Mark Milobar, John Naumen, Bill Vascasseno, Jeff Smith, George Herr. Standing: Mr. Cooper, coach, Mike Ledbetter, Harold Hall, Steve Kratt, Rick Leaf, John Chad-

Mr. Potvin's 8th grade team — a record of 4-3 in regular season and 0-2 in tournament play. The three top scorers were Mike MacAlpine with 76 points, Tom Lane, 41, Jeff Ingersall 41. Kneeling are: Ron Gilbert, Joe Newbigging, Floyd Emery, Bill Hughson. Standing: Jeff Ingersall, Mike MacAlpine, George Easton, Dan Ward, Tom Lane.

Area Jaycees Begin Mental Health Workshop

Through the efforts of their mental health committee, Jaycees of District 10 (Northern Oakland County) are joining forces with staff members at Pontiac State Hospital to establish a sheltered workshop for mentally ill patients.

Jay-Shops, Inc. will be designed to provide a degree of vocational rehabilitation for those patients that will encounter the transition from hospitalization to regular employment in the community.

Actual work experience will be provided and will allow the patient to master a wide variety of work tasks and skills. These experiences will also contain therapeutic value and permit the patient to experience actual working conditions and situations in an emotionally supportive environment.

Work activities will be gradually increased until the patient is working a full 8 hour day. Renumeration on a piecework basis will be provided for the patient at the going rate in the local community.

In addition to providing vocational experience for patients, the workshop will aid hospital staff members in determining strengths and weaknesses of patients in a vocational setting. This will be of particular value in the direction of therapeutic efforts.

The workshop will operate as an independent industry as nearly as possible, and provide experiences, training and opportunities that are much like those in the community. It will be located on the grounds of the Pontiac State Hospital and it initially will be supervised by the Occupational Therapy Department.

Jobs that involve assembly, pack-

aging, clerical duties, printing, fabrication, etc. will be contracted from local industry and businesses. Thus, the workshop will also provide a valuable service to the industrial community.

On March 21, at 8:00 p.m. the Pontiac State Hospital will host the first official meeting of the newly formed Board of Directors of Jay-Shops, Inc. Another Jaycee service in the interest of Mental Health and the community.

Waterford Lions Plan 'Eye Ball'

The Waterford Lions Club is making plans for their fourth annual Dinner Dance at Pine Knob Ski Lodge at 6:30 p.m. on April 10 at St. Regis, P.O. 944, 9061. It is the major fund raising campaign of the year. The proceeds will enable the Waterford Lions to meet the many demands for such worthy causes as eye glasses and eye examinations for the needy, contributions to the "Leader Dog School" that enables any blind person to have a "Leader Dog" without cost, the Webster Home for the blind, the Pentrickton Nursery and many others. Tickets may be obtained from any member of the Waterford Lions Club or at the door. A fun packed evening of entertainment, dinner and dancing is promised for all who attend.

Vocational Tech. Programs at OCC

Oakland Community College is presently conducting 21 Vocational-Tech. Programs. Albert A. Canfield, Vice President for Curriculum reported to the Board of Trustees last night.

Approximately 500 students or 20% of the student body, are presently enrolled in these programs, Dr. Canfield said.

Programs offered are: Accounting and Office Management, Automotive Technology, Commercial Art, Cooking and Baking, Data Processing, Dental Assisting, Electronics Technology, Executive Secretarial, Field Service Technology, Information Resource Technology and Landscape Technology.

Also, Law Enforcement, Marketing, Mechanical Technology, Medical Esthetics, Nursing, Radio and Television Servicing, Reception, Supervision, Stenography and Drafting.

In addition, two courses are being conducted by the College at its new and industrial off-campus locations.

OCC recently graduated its first Management and Training Act (M.T.A.) class, in which the students received training as Counselor Aide to work in the Oakland County Anti-Poverty Program. A social Counselor Aide class is under way and OCC has been asked by the state Department of Vocational Education to conduct a additional program in the area of training of M.T.A.'s.

The program has been on the state's list of courses with the highest number of graduates and is highly in the production of new graduates in the program.

Travel Makes Summer Pleasant

Now for a summary of our year. We taught till July, when the weather got to about 120 degrees, and more important, we taught them not to cheat. We established ourselves as part of the town, and made some real friendships. We spent a lot of time exploring the surrounding area, visiting ruins, parks, pilgrimage spots, and some of the surrounding villages. I went on some hunting trips, one a fantastic three-day mule, horse, and camel-back trip into the mountains for a mountain goat. I learned how to play Afghan chess, and we introduced the game of Monopoly to Farah. We were both sick several times, got and got rid of various diseases, fought with a variety of insects, and tried unsuccessfully to raise a calf. We made our house-inhabitable established a pleasant pattern to our lives, and then left for the summer.

Over the vacation we took one

in September 1966. The society organization, 21 Vocational Technical Advisory Committees with more than 150 members, of the community who are specialists in their fields who meet with members of the College staff to develop and evaluate the various programs.

month for traveling. We saw much of Afghanistan, then went down to Kashmir, leaving just before the fighting started. We also saw much of Pakistan, and visited Swat. Back in Kabul, we went to work on the first population census of Afghanistan, in Kabul, for which we received a citation from the Government of Afghanistan. We met a great many very nice people, and enjoyed American society for a change. We took a lot of slides, and we hope to show them all to you when we get back.

Summer is very pleasant in Kabul, but we heard reports of 155 degree weather in Farah. When we finally got back to Farah, at the beginning of the school term, we found that our attempt at a garden had failed under those temperatures.

It had cooled to the 100s by the time we returned. Since then, we have been busy with school, and have had no notable adventures, but have found this year much pleasanter than last because we are more capable, and are accomplishing more. We went to Kabul to take the Foreign Service Exam, and managed to spend Thanksgiving with friends in Kandahar. If I pass this exam, we may spend a lot more of our lives in this part of the world.

The first Michigan showing of the John F. Kennedy rose, a pure white variety, will come at the Flower & Garden Show of Michigan, March 26 through April 3 at the Michigan State Fairgrounds.

Caring for Cancer Patient in Home

Do you know you can obtain FREE the loan of a hospital bed - a wheel chair - a bedside table - and many other sick room supplies necessary to make your patient more comfortable?

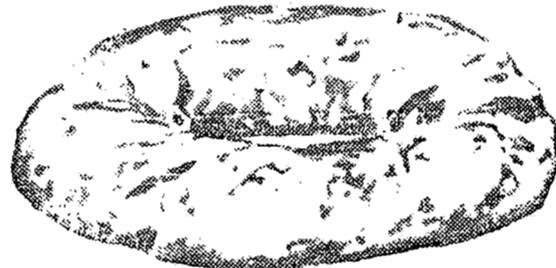

These, along with expendable items such as adhesive tape, powder, alcohol, and various sized dressings are available to you from the Michigan Cancer Foundation a United Fund agency.

Contact Mrs. Joe Sarvis, Service Chairman for the Clarkston Branch of the Michigan Cancer Foundation. Her phone number is MA 5-1529; or call the North Oakland County Unit Office at 64 W. Lawrence, Pontiac, FE 2-5620.

Any car that looks like this
is unfair to organized competition.

And if Wide-Track styling doesn't prove it for you, take a look at the way we're outselling all but two makes for the sixth straight year. Or take a look inside one of our 40 Pontiacs. You'll find extravaganzas like pile pelting, genuine walnut and the roominess Pontiac is so

well-known for. Or peek under the hood at one of the 15 renowned Pontiac engines. And if you're still hard to convince, take a look at what that price sticker does to those other cars. It's a conspiracy, that's what it is. And more people have been taking part in it than ever before in Pontiac history. How about you?
