

Sewage or Not?

Mrs. C. Hoffman of 9543 Whipple-Shores Dr., Clarkston, sent the following letter in regard to Walter Grogan's letter last week.

Dear Sirs:
I want to support Mr. Walter Grogan, whose letter was in today's paper. I too feel that the expense of sewers and water should not be inflicted on all of Independence Township and without even giving us a chance to vote on the issue.

I think it is the responsibility of the newspapers to print about 'House Bills' that are put thru our legislature to take away our voting privileges.

Now I understand Bill No. 3948 is being considered and if it passes we won't have the right to vote on what goes on into drinking water.

I thought we had a government of the people, but apparently it's being taken away from us little by little.

Paul Johnson of 6011 Sunnydale asked the following question of The Clarkston News:

Q — How much of Independence Township will be included in the sewage system?

Another question was asked by Charles Weichel of 6609 Amy Dr. His and Mr. Johnson's questions will be answered together.

Q — Is it compulsory to hook up to the sewage system?

A — If the service passes in front of your home thereby making available the connection, the law requires that a home must attach to the service line within an 18 month period.

Because plans haven't been designed for the lateral system, it is difficult to say exactly where the lines will be installed.

It would be logical to assume that the heavily populated areas rather than rural areas would be the first to be affected.

Brandon Students Speak Out on Merger

Joint Meeting Approves Program for Retarded

A program to provide training for 60 retarded children between the ages of 14 and 21 was approved Wednesday in a special joint meeting of the Board of Education of Oakland Schools and the Superintendents' Special Education Committee.

This is Oakland Schools share of a proposal to operate a facility in conjunction with the Mental Health Board that would provide a complete program, including recreation and counseling, for trainable retarded youngsters beyond the age of 14.

Dr. Paul Thams, director of special education for Oakland Schools, said that twenty children now enrolled in ten Type B rooms in the county will reach the phase-out age of 14 by December 1.

The number of trainables between ages 14 and 21 known to special education directors in 25 districts is 84. No reports were available from Waterford, Rochester, Lamphere and Hazel Park.

Those children now enrolled in Type B rooms will reach age 14 this year will have priority placement in the new program.

Gerald Harrison, superintendent of Farmington Schools, said that it would be possible to retain some 14-year-olds in their present classes.

"Other children, at this age," Harrison said, "have become so large physically that they are uncomfortable in the elementary schools where these rooms are located. Placement of children in the programs will be the responsibility of the superintendent and special education directors in local districts."

The extension of the age limit of programs for children with I.Q. ranges between 30 and 50 is in addition to a plan to increase the number of Type B classrooms next year from ten to sixteen.

All of the new classrooms will serve as centers for combinations of school districts.

The Board agreed that the four rooms for those beyond age 14 should be located in the southern part of the county, near the center of population. The rooms will be leased and operated by the intermediate district, Oakland Schools, in accordance with the terms of the Phillips Amendment. The other rooms are to be built by local districts and paid for from county Special Education tax revenue.

There is a current waiting list of 66 children who have already been tested and certified as eligible for existing Type B programs. Six new rooms plus 9 available spaces in present rooms will provide 99 children under age 14 next year. An enrollment check this week revealed a total of 148 children now in Type B classes.

The eligibility of those beyond age 14 will be determined by school diagnostician in tests to be given before school starts in September. Parents who believe that their children might be eligible for the new program were advised to call their local school offices.

Clinic a Success

The Clarkston Elementary PTA Health Committee wishes to thank all the doctors, nurses and mothers who helped at the Measles Vaccine Clinic on Saturday, March 19. We feel it was very successful and worthy, and we appreciate the cooperation of all involved. Over 500 children responded to the call of churches, schools, the bulletin board, and newspapers to take part in the inoculation program. Those who donated their time and effort are:

Drs. R. R. LePere and J. O'Neill, Mrs. R. Warren, Mrs. H. Altman, Mrs. G. Birtas, Mrs. E. Story, Mrs. P. Hinkley, Mrs. L. Hoxie, Mrs. J. Whaley, Mrs. D. Cowdin, Mrs. W. Kreiner, Mrs. C. Daniels, Mrs. Hoff and Mrs. Kertoff, all being on the nursing staff. Mothers who helped were Mrs. D. Auten, Mrs. Jones, Mrs. K. Whitmer, Mrs. Dawley, Mrs. McLeod, Mrs. Searight, Mrs. D. Cooper, Mrs. Lowe, Mrs. Bond, and Mrs. Bickford.

Trash Scars Area on Maybee

Man's inhumanity to man has blighted one and six tenths miles of beautiful countryside along Maybee Road between Clintonville and Rohr Roads.

Collected items along the roadside include dead dogs and cats, a deer carcass, a refrigerator, davenport, and rubbish, rubbish rubbish.

The piles began approximately eight years ago and have grown steadily, well in proportion to the ire of the area residents who have to use the road.

State police and township officials are determined to back the efforts of the homeowners in their attempt to smother these thoughtless actions.

One warrant has already been issued for an offender who has left five separate piles of rubbish on the property.

It is regrettable that a situation that has been caused by many should be paid for by one, therefore every effort possible will be made to find all guilty parties to share in this cleanup.

An Editorial Beating in Bar Necessitates Hospital Treatment For Man

Unfortunate is one of the few words shared by Mr. and Mrs. John Adams and Mr. Nick Manzella and his brother Tony.

Through a misunderstanding, Mr. Adams was subjected to a beating by the Manzella brothers that required numerous stitches to be made at Pontiac General Hospital. The nightmare for the Adams' began last Friday night.

Mr. Adams had gone to Manzella's Lounge with members of

his Friday night bowling team. It was here that Mrs. Adams met him later.

After unwinding and rehashing the nights bowling game, most of the team had left, leaving Mr. Adams and a friend, Mr. Joseph Perry.

The apparent misunderstanding began when Mr. Adams went to the bar in search of matches. It was hoped Mr. Manzella could tell us what happened to make him

feel it necessary to do what then followed. It has been indicated the presence of Mr. Adams behind the bar was the only thing. However, Mr. Manzella declined the offer.

Mrs. Adams and their friend Mr. Perry, realizing Mr. Adams had been taken into the restroom by the Manzella brothers, went to the restroom door and forced it open.

Discovering Mr. Adams had been beaten and was bleeding, they tried to help him.

Mr. Adams was then pushed from the restroom and then thru a glass partition.

Realizing her husband urgently needed medical treatment for the severe head wound he had received, Mrs. Adams told Mr. Perry to call an ambulance.

While waiting, they were approached by a friend who was checking to see what was happening. Seeing Mr. Adams on the floor he did not recognize who he was until Mrs. Adams turned around.

The violence was so swift and shocking that witnesses to it could not shake their unbelief fast enough to help.

The word unfortunate has never seemed smaller.

Women's Club Continues Support of Local Library

The Clarkston Women's Club has voted to continue its promotion of local library service by setting up a Special Library Fund at the Clarkston Bank.

Receipts from the annual sale of Community Calendars (now going on) by Women's Club members will provide the basis for such a fund, but it is hoped that other interested groups and individuals would also contribute toward building up the fund. Any special purpose for which such moneys were donated would be carefully considered by the Women's Club and the Library Advisory board.

The money could be used as a nucleus for a building fund, or for helping to provide such items

as a bookmobile or more attractive furnishings for the present library. The money would not be used for books. Donations for memorial books are collected by the Township Board. The librarian then purchases appropriate books and inscribes them with the honoree name.

The aim of the Women's Club and the Township Board is to maintain the small-library atmosphere and accessibility with the most comprehensive library service that can be managed.

College Using Hospital Facilities

An agreement between Oakland Community College and William Beaumont Hospital for the use of the Hospital's facilities for the clinical work in connection with the College's Nursing Program has been approved by the OCC Board of Trustees.

The College is presently in its second session and will also continue to use the facilities of Pontiac General Hospital. The addition of Beaumont will become effective in May, Associate Professor Mary E. Jensen, who directs the College Program, disclosed.

The Nursing Program is a two-year course of study which leads to the degree of Associate in Applied Science and enables candidates to write the Michigan State Board Examination leading to licensing as a registered nurse.

Grades 9 thru 12 Voice Opinions on Annexation

Because it is the students who will be affected should annexation take place between Brandon and Clarkston schools, a questionnaire was circulated in Brandon High School grades 9-12.

"Are you for or against the proposed Clarkston - Brandon annexation? What are your reasons?"

Of the 145 questionnaires returned 70 students were against, 66 were for and nine didn't care whether annexation takes place or not.

Following are some of the reasons the Brandon students were either for or against the annexation.

FOR

"... and if the schools get together they should have more and better subjects to offer," said a student who voted for.

Following are the views of student Mary Gates:

"It would give the children and teenagers of this schools a better education, which we need badly.

It would also help to offer more classes to the children who want to further their education.

"I think this program is a good one, but it isn't if you want to sacrifice your child's education for your petty reasons."

A young man wrote: "The curriculum would be much better if the two schools were brought together.

"They say 'In numbers there is strength,' so if we combine we would better ourselves."

The following was offered by a female student:

"I am for the proposed Clarkston Brandon annexation because I think this would give us a better education in the long run.

"It would prepare us for college if we plan to attend.

"Also, this would prepare those who can't afford a college education by offering more advanced courses."

"... it will give the younger people a better chance at a better education," wrote a senior Mike Shilling.

Steve Krant gave his views: "Because our facilities are almost totally inadequate, and if we want a better chance for continued education, this (annexation) is what we need.

"... acceptance to a college will be much easier."

A ninth grader, John Werner said: "Greatest thing that can happen to Ortonville."

Rick Kalinin, among other things said:

"... teachers would teach in the specific field in which they majored and not in the fields they have not majored in."

"I also think it would save both districts money by merging."

An interesting point was brought out by Robert Munsil:

"There wouldn't be as high taxes (if annexation takes place) as there would if we were to build a school by ourselves."

In giving her reasons for being for the annexation Gail Wray wrote:

"You don't lose your identity, really, you work harder to establish it."

Linda Breitmeyer who said she has attended a bigger school, feels one can get a better education in a bigger school system.

"Today you need all the education you can get," wrote Roger Ball.

In voting for annexation David Bradley felt he would be making more friends.

John Morgan said:

"... it would give Ortonville and Clarkston a chance to get better acquainted."

One girl emphasized:

"As for leading a sheltered life, what are those so-called students who are leading sheltered lives going to do when it is time for them to go to college?"

Dave Homan stressed:

"All those who have been against annexation had no good reasons other than selfish, personal reasons.

"So, adults, it is your duty to us who are the future of this community to vote for annexation."

The majority of the students who are for annexation mention

that they would eventually be offered a much better selection of courses. The obtaining of better shop, science and art facilities than are available to them now, as well as foreign languages, seem to head the list of facilities which need improving in Brandon.

AGAINST

In voting against annexation, Jan Guisbert noted:

"Clarkston is much larger than Ortonville and this tends to make Clarkston students feel superior over Ortonville."

One student said she didn't think the kids (from each school) would get along.

Virginia Tuttle voted no and continued:

"Sure there is better subject matter, but why start now?"

"Why combine a class C school with a class A school?"

After voting against annexation Dave Stowell gave the following as one of his reasons:

"Because we would lose our identity if we annexed with Clarkston."

Several students felt Brandon would be out-voted in elections.

Geraldine Denton swayed somewhat in her views:

"I feel the only reason Clarkston wants this is so we can help pay for the school they built last year or two years ago.

"In one sense I'm for it because it may give us a better education."

Brent Pangus remarked: "Our school system is running smoothly now and are little town is growing."

"Why should we risk this by joining Clarkston?"

Judy Young feels:

"... The students spend all their time on the buses instead of in school and if we annex it would be just more time on the buses."

"The school is all Ortonville has," said Mary Noble.

Student Gene Bryant remarked:

"I've went to Brandon all my life and this is the school I want to finish."

Duane Stowell felt that:

"... we have a peaceful town and a peaceful school and if the school curriculum is not good enough then something should be done to improve it."

"Clarkston has nothing written on paper stating exactly who's going to do what," mentioned Wilene Smith.

"Our school has made a lot of progress in our school in the last 10 years, and we don't need Clarkston to help us now," emphasized Karen Bradford.

In reference to the new high school which could be built after annexation, John Spencer remarked:

"Busses would be sufficient for going to and from school, but any after school activities would pose a problem with the distance."

Margaret Stevens gave her first reason for not wanting annexation:

"Because it would draw business into Clarkston."

Bill Flanders shared the views of several other students that:

"Clarkston and Ortonville have always been more or less enemies on our student level."

"My reasons are, we won't get that much more and if we do, one thing rises, taxes," stated Rodney Bradford.

One student said:

"The only so-called facts I know about the annexation is what I read in the Reminder."

Pancake Supper Set for Monday

Yours for the asking will be all the pancakes and sausages you can eat March 28. The Monday night feast by the Clarkston Rotary Club will be served at the Community Center, 90 N. Main from 5 to 7 p.m. Tickets may be purchased from any Rotary member.

Few Accidents in Area

State Police

The Independence Township Fire Department was called to extinguish a March 14 car fire at I-75 and M-15.

The engine of the car burst into flames after the driver Milton Thomas of Flint slowed his car upon noticing smoke coming from the hood of his car.

Stopping to make a left hand turn on the Dixie Highway, a car driven by Frederick Stitz, of Waterford was struck from the rear by Ester Thomas, 7098 Sashabaw, Clarkston.

The Thomas car was behind a car which had changed lanes just prior to reaching the stopped Stitz car.

Mr. Stitz received minor injuries in the March 17 accident.

Robert Bradley, 8879 Bridge Lake Road, Clarkston was ticketed March 19, after he fell asleep at the wheel of his car while traveling on the Dixie Highway near Maybee Road.

Crossing the center line Mr. Bradley's car sideswiped a car traveling in the opposite direction, driven by Jon Sells, of Detroit.

No injuries were reported.

Wesley Quertermous, of Waterford received injuries and a ticket for failure to yield the right of way after he drove into the path of an approaching car at the intersection of Sashabaw and Waldon Roads.

Driver of the car that hit him, Charles Richarb of Orchard Lake said he saw the Quertermous car stop at the stop sign before proceeding to cross in front of him.

Mr. Quertermous could not remember any details of the March 19 accident.

Artists Invited to 'Art Market'

The Pontiac Mall invites all artists to take part in an "Art Market" July 11 to July 16th.

Betty Baldwin of "The Artists Show Place Agency" will handle this art market. She will be at the Pontiac Mall on Saturday, March 26 at 1:00 p.m. to talk about her revolutionary new ideas of selling arts and crafts.

The meeting will be held in the community room.

The format and procedure followed by Mrs. Baldwin is different from other art shows, making it necessary to attend the meeting if the artist wishes to sell his works.

All work will be for sale. The meeting starts promptly at one o'clock.

Mrs. Baldwin has had recent successful shows at other suburban shopping centers.

Sheriff's Dept.

A car driven by Clayton Frick Jr. of Holly struck a northbound car as he attempted to turn left off the I-75 expressway onto M-15.

Driver of the northbound car was James McBroom from Pontiac.

No injuries were reported.

Following this March 17 accident was one on March 20 at Pinedale and Independence Road. Uninjured when he struck a parked car while traveling east on Pinedale was Larry Glen Johnson of Pontiac.

Educational GI Bill Extended

Veterans planning to go to school under the new GI Bill do not have to rush to meet a deadline, the VA pointed out today after President Johnson signed the Veterans Readjustment Benefits Act of 1966.

Although most benefits under the new Bill are effective immediately, the education assistance benefits will not begin until June 1, 1966, said Mr. Robert M. FitzGerald, Manager of the VA Regional Office in Detroit.

Late in April, the VA expects to have application blanks and full information available at all VA offices and at the admission offices in most approved schools.

Veterans will have ample time to select courses and make application without losing either class time or payment from VA, Mr. FitzGerald said.

Holy Week Drama Set

"Eyes Upon the Cross," written by Don A. Mueller, directed by Mrs. Paul Closson and produced by Mrs. J. Hugh Sone, will be given Holy Week at four churches in the greater Pontiac area. The time is 8 P.M.

April 3, Sunday — Central Methodist of Pontiac.

April 5, Tuesday — Oakland Park Methodist Church.

April 6, Wednesday — Davisburg Methodist Church.

April 8, Friday — United Presbyterian of Auburn Heights.

This historic drama takes place during the hours of the Crucifixion and the day following, thus presenting the thoughts and feelings of the men and women who witnessed it. As we each take our seat, let's watch the players with their eyes upon the Cross as Barabbas says, "A Man is dying for me, what will I do about it? What will you?"

FIRST CHURCH OF CHRIST SCIENTIST
Oxford, Michigan

A petition for growth in grace and spiritual perception will open the Lesson-Sermon on "Reality" at all Christian Science services this Sunday. The Golden Text is from Psalms: "Blessed art thou, O Lord: teach me thy statutes. . . . Open thou mine eyes, that I may behold wondrous things out of thy law."

Included in the readings is this statement from the denomination's textbook: "The enslavement of man is not legitimate. It will cease when man enters into his heritage of freedom, his God-given dominion over the material senses." ("Science and Health with Key to the Scriptures" by Mary Baker Eddy).

Rev. Caldwell to be Installed at Presbyterian Church

A Commission of the Presbytery of Detroit will install Mark H. Caldwell as Pastor of the Sashabaw United Presbyterian Church, Sunday, March 27, at 4:00 p.m. Members of the Commission to participate in the service are: The Moderator of Presbytery, Elder George P. Cobb, from Grace Church, Detroit, to propound the constitutional questions and lead the installation prayer.

The Reverend Paul H. Sutton, pastor of Southfield Church, to lead the opening worship.

Elder P. J. Dennis, Sashabaw Church Session, to read the Old Testament lesson and the Epistle lesson.

Elder H. Roy Fry, Jr., clerk of Sashabaw Church Session, to read the Gospel lesson.

The Reverend Harry L. Geisinger, pastor of Littlefield Boulevard Church, Dearborn, to preach the sermon.

Elder Robert J. Cameron, Sashabaw Church Session, to lead the prayer of intercession.

Dr. Samuel C. Weir, former

executive of Synod of Michigan, now Minister of Visitation, Cherry Hill Church, Dearborn, to give the charge to the pastor.

The Reverend Edward D. Auchard, pastor of the Orchard Lake Church, who has been Moderator of Sashabaw Session during the vacancy, to give the charge to the congregation.

The newly installed pastor pronounces the benediction.

The Sashabaw choir directed by Mrs. William Porter will lead the congregational singing and provide an anthem.

A reception for the new Pastor and family will be held in the Church dining room following the service. The reception is being arranged by Mrs. James Eaton and the Women's Association in cooperation with the Fellowship and Service Committee of Session.

Bible Conference

Edward C. Thornton, announced to the Pontiac congregations of Jehovah's Witnesses plans for a 3-day Bible Conference to be held in Port Huron April 1-3.

Thornton, Overseer of the congregations in greater Pontiac, said the conference will aid those attending to understand the meaning of the tense world situation in the light of Bible prophecy.

"Survival is important to all", explained Thornton, "and the conference will emphasize that all need to learn the Bible principles on how to meet God's requirements for living through the world crisis into a peaceful, trouble-free order."

Obituaries

WILLIAM GUNDRY

William Gundry, 68, formerly of Clarkston, died March 19, after a short illness.

Mr. Gundry is survived by two daughters, Mrs. Ferrest Fisher of Troy and Mrs. Hugh Wyatt of Yorktown, Virginia.

Also surviving are two brothers, Roy of Clarkston and John of Royal Oak.

Burial at Lakeview Cemetery followed funeral services at the Sharpe Goyette Funeral Home in Clarkston.

A baby boy was stillborn March 17 to Mr. and Mrs. Floyd Kizer, of 80 No. Main, Clarkston. Surviving in addition to the parents, are grandparents, Mr. and Mrs. Maynard Kizer of Clarkston, Mrs. Evelyn Thrall of Keego Harbor, Mr. Frederick Farquhar of Lake Orion.

Burial was in Babyland at Lakeview Cemetery, with funeral services at the Lewis E. Wint Funeral Home, in Clarkston.

The basis for the pecan as a commercial crop was realized in Louisiana in 1846 when a grower successfully grafted them.

"THE CHURCH FOR ALL ALL FOR THE CHURCH"

We might imagine this is a squirrel assuming a prayerful pose while satisfying his appetite . . . like a man pretending to be religious in order to gain the respect of others.

We are not often fooled by falsity, nor do we let it blind us to truth. We know our religion is our richest treasure. But we rate it worthless unless sincere.

Today millions are talking about the world's spiritual needs. Is talking enough?

Isn't faith more than a word . . . prayer more than a pose?

Attend church every week with your entire family. Support the Church with willing sacrifice. Offer your time and talents to God in your congregation's busy life. And live each day the truths you cherish.

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

The Clarkston News

Local News

By Mrs. Shirley Lynch
Maple 5-1065

Mr. and Mrs. Robert Tomkinson on Pine Knob Road were guests last week at the home of friends, in Port Huron. Mr. and Mrs. Tomkinson were formerly residents of Port Huron so the week was spent visiting old friends and attending many parties in their honor.

Mr. T. T. Schotches has left for Florida where he will make his home with his son and family, the Richard Schotches of Jacksonville. He is hoping that he will be able to visit friends in Clarkston later this summer.

Seven year old Cindy, daughter of the Richard Christiansen's on Middle Lake Road, was a patient at Pontiac General Hospital when she had her tonsils removed. Her friends will be glad to know that she will be back to school soon.

Last Saturday evening Mr. and Mrs. Ronald Clancy of Milford, Mr. and Mrs. Ronald Broome and family of Orchard Lake and the O.E. Batchelder's of Ferndale gathered at the Derrel Batchelder home on Waldon Road where they celebrated joint birthdays. Mr. Batchelder's birthday and his son Randy's are so close that they celebrated together.

Mr. and Mrs. Thomas Brown on Ortonville Rd. had as their dinner guests Sunday, Mr. Brown's parents

Mr. and Mrs. Thomas O. Brown of Jackson, Michigan.

Mrs. William Teeples of Georgetown is a patient at Goodrich Hospital where she will be for at least a week.

Sunday evening Mr. and Mrs. William Dennis of Eastlawn, celebrated Mrs. Dennis' birthday by dining out.

Last week Mr. and Mrs. Don Ashley, Mr. and Mrs. Marty Jackson and the Homer Richmonds of Clarkston, with Mr. and Mrs. George Shiner of Royal Oak, attended the See Saw Dance Club held at Flint Jr. College. Mr. Tex Brownlee of Texas was the caller.

Richard Collins has returned to his home in Carson, Oklahoma, after visiting friends in Clarkston. Mr. and Mrs. Andrew Collins of Waterford hope to return the visit some time this summer.

Kathy McCurdy was the dinner guest last Wednesday evening at the home of Mr. and Mrs. Derrel Batchelder on Waldon Road. A special dinner with ice cream and cake was served to celebrate Randy Batchelder's 8th birthday.

Susan Geukes of Snowapple Dr. celebrated her 6th birthday with a party at her home on Saturday afternoon, March 20. Eleven neighborhood friends and her brother, Jimmy, had birthday cup cakes and ice cream and played games. The party had a "Little Red Riding Hood" theme with red and white decorations.

Susan's birthday was Tuesday, March 22, at which time she had a birthday dinner and cake with her parents, Mr. and Mrs. John Geukes, brother, Jimmy, and baby sister, Karen.

Mr. and Mrs. John Lynch attended an American Legion Birthday dinner at the American Legion Post in Auburn Heights Saturday evening.

HAPPY BIRTHDAY:

Mark Salzano, Todd Haggadone, John Pappas, March 25; Colleen McMillan, Perry Blair, George O'Brien, March 26; Vera Torr, Jerry Seffens, March 27; Verna Fogg, March 28; Mary Ann Curry, Debbie Limbaugh, Jane McLay, Adam Stiles, Mary Jane Neibager, March 29; Jeannie Bickford, Dale Humbert, Sue Lair, Kimberly Davis, March 30; Theresa Frederickson, March 31.

ANNIVERSARIES:

Mr. and Mrs. Charlie Kuhne, March 26; Mr. and Mrs. Teddy Bowers, March 29; Mr. and Mrs. Dick Leaf, March 31; Mr. and Mrs. Lawrence Walker, March 31.

Notice of Public Hearing

The Planning Commission of Independence Township, Oakland County, Michigan, will hold a public hearing on April 21, 1966, 7:30 p.m., at the Township Hall, 90 North Main Street, Clarkston, Michigan, to consider the following changes in Township Zoning Districts:

1. To rezone from Agricultural to Residence-1: All of Section 18, T4N, R9E, lying North of Holcomb Rd. and I-75 Highway.

2. To rezone from Suburban Farms to Residence-2: Part of the W 1/2 of SE 1/4 of Section 25, T4N, R9E, Independence Township, Oakland County, Michigan, described as beginning at a point located N 89 degrees 40' E 598.5 ft. and N 00 degrees 15' W 370.0 ft. from the S 1/4 corner Section 28; Th from said point of beginning N 00 degrees 15' W 83.0 ft.; Th N 22 degrees 00' W 150.00 ft.; Th N 60 degrees 00' E 365.0 ft.; Th on a curve to the left (R - 330.0 ft., Delta equals 55 degrees 30') an arc distance of 319.66 ft.; Th N 04 degrees 30' E 630.0 ft.; Th N 00 degrees 15' W 480.00 ft.; Th on a curve to the left (R - 330.0 ft., Delta equals 49 degrees 45') an arc distance of 286.54 ft.; Th N 40 degrees 00' E 330.00 ft. more or less to the E and W 1/2 line Section 28; Th N 89 degrees 45' 30" E 140.0 ft.; Th S 00 degrees 15' E 1104.18 ft.; Th S 00 degrees 19' 30" W 200.0 ft.; Th S 89 degrees 40' W 717.5 ft. to point of beginning.

3. To rezone from Suburban Farms to Residence-1: The W 1/2 of SE 1/4 of Section 28, T4N, R9E, Independence Township, Oakland County, Michigan, except that part described as beginning at a point located N 89 degrees 40' E 598.5 ft. and N 00 degrees 15' W 370.0 ft. from the S 1/4 corner Section 28; Th from said point of beginning N 00 degrees 15' W 83.0 ft.; Th N 22 degrees 00' W 150.00 ft.; Th N 60 degrees 00' E 365.0 ft.; Th on a curve to the left (R - 330.0 ft., Delta equals 55 degrees 30') an arc distance of 319.66 ft.; Th N 04 degrees 30' E 630.0 ft.; Th N 00 degrees 15' W 480.00 ft.; Th on a curve to the left (R - 330.0 ft., Delta equals 49 degrees 45') an arc distance of 286.54 ft.; Th N 40 degrees 00' E 330.00 ft. more or less to the E and W 1/2 line Section 28; Th N 89 degrees 45' 30" E 140.0 ft.; Th S 00 degrees 15' E 1104.18 ft.; Th S 00 degrees 19' 30" W 200.0 ft.; Th S 89 degrees 40' W 717.5 ft. to point of beginning.

4. To rezone from Agricultural to Residence-1: The NW 1/4 of SW 1/4 of Section 14, T4N, R9E.

5. To rezone from Suburban Farms to Residence-1: The E 1/2 of Section 34, T4N, R9E, lying North of Lake Oakland and Pelton Road, except the area West of the E line of Supervisor's Plat No. 8 and the extension to the South thereof.

6. To rezone from Suburban Farms to Residence-1: Described as beginning at SW corner of Section 5, T4N, R9E, th N 00 degrees 04' 20" W 545.91 ft.; Th N 89 degrees 41' 10" E 1072.10 ft.; Th S 00 degrees 04' 20" E 545.92 ft.; Th S 89 degrees 41' 10" W 1078.80 ft. Containing 13.48 acres.

S 00 degrees 15' E 980.2 ft.; Th S 89 degrees 40' W 717.5 ft. to point of beginning.

Following is the last of a series of articles written by David and Betty McGaffey as they work in Farah, Afghanistan. They are the son and daughter-in-law of Mr. and Mrs. Donald McGaffey of Holly.

McGaffies in Afghanistan

So after just a little over a year here we've seen most of the major cities of Afghanistan. And we think we've seen them in the best possible way, since in most of them we've had either Peace Corps friends of ex-students or both to show us the sights. We've also learned the language well enough so that it is a pleasure to start a casual conversation in a tea house or on a bus. Although we live in a modified American style inside our house, we are quite comfortable when we visit our friends' houses. We can sit with reasonable comfort on the cushions that serve as chairs, and when food is served, we can eat with our fingers without being TOO sloppy. But the best thing of all is the memories we have of places we've seen (how many people can go to Kashmir on their honeymoon?) and all the new friends we have made here. Naturally, in making these new friends we haven't forgotten our old friends.

Memories From Corp Experiences

Since we just got back from a trip to Kabul, I've been in the kitchen for three days. We keep bread and milk and some sort of dessert in the refrigerator all the time, and it takes a while to get things organized when we first return from a trip. I know we'll be amazed at all the food that is available in the States when we get back because I can barely remember how scant we thought it was here last year. Now there seems to be an infinite variety—sometimes two kinds of vegetables are ripe at the same time!

David is teaching Habib English for an hour every day and he learns very rapidly. He can take the shopping orders in English and give us the accounts with only an occasional Farsi word. I've taught him how to cook a few things, so we think he could get a job with another Peace Corps household and make out very well. He would like to see some of the country after he finishes his two years in the Army, and here there is no better paying job than working for foreigners. He is certainly one of the main reasons that we have been able to organize our lives here. We're planning to give him the best reference ever in the

Seeking Title of Representative

Seeking the title of State Representative from the 61st district is Loren Anderson of 2361 Edinburgh, Waterford.

Mr. Anderson has been a Waterford Township Board member for the last five years.

Sales representative for Michigan Mutual Liability Co., has been with profession for seventeen years.

He is married and the father of three children aged 16, 14 and 12.

How to add a room...

without cooling off the rest of the house

consider electric heat

Give your new room its own heating system—a modern flameless electric heating system. Electric heat is clean, comfortable, perfectly controllable. Simply dial the warmth you want and you get it exactly—without stealing heat from the rest of the house. How much will electric heat cost to install and operate? That depends on your particular home. One thing sure, it won't cost you a cent to find out. An Edison Heating Specialist will gladly come out to discuss equipment and cost of operation with you. No obligation for this estimate, of course. Just give us a call.

Physical Profile of Clarkston-Brandon Schools

BRANDON

CLARKSTON

BRANDON

CLARKSTON

AREA

50 sq. miles in Oakland and Lapeer Counties; in Townships of Brandon, Groveland and Springfield of Oakland County, and Hadley of Lapeer County.

50 Sq. miles, major portion of Independence Township, about 50% of Springfield Township and small portions of Waterford and White Lake.

ECONOMY BASE

Former agricultural, now predominately residential. Farms have broken up into 5 and 10 acre plots for small residential development. New parcels are built upon with parcels averaging \$20,000 to \$25,000 in cost. Proximity of I-75 and Chrysler expressway on south and western boundary of school district and M-15 cutting midway through district to north and south provides quick accessibility to industrial employment in Flint, Pontiac and Detroit. Only 18 farms yet in agricultural production, rest of area is commercial life along highways and in Village of Ortonville. There is no principle industry.

Once farming area, the area is now largely residential with many fine homes and several new subdivisions. Many new homes are brick construction ranch style, priced in a range of \$15,000 to \$25,000. U. S. - 10 and I-75 cutting generally NW to SE across the center of the district and M-15 bisecting the district in a NS direction places the area with links to all major highways in State as well as industrial areas of Flint, Detroit and Pontiac. The Village of Clarkston and high way commercial business along with scattered shopping centers and a few small industries provide the business profile. There is no major industry.

SOCIAL CULTURE

Cultural center is Ortonville. Area supports good schools. Passed last bond issue 3 to 1. Has approved every bond issue this decade.

Center of area - Village of Clarkston. Area supports good schools and has approved every millage increase for capital outlay or operation in at least 3 decades.

SUMMARY

Area, economy base, social culture are enough alike that one area's description could be read for other area. School census, population, valuation, debt, school operation costs, all center around a ratio of 1 to 3. Per capita debt, per capita valuation, ratio of debt to valuation, tax rates, tax collection histories, source of revenues and percent of state per pupil expense, expense per classroom teacher and year's percentage of growth are for all practical purposes at a ratio of 1:1.

There appears to be ample evidence that unit B is spending higher percentage of budget for instruction and operation and lesser percentage for administration, maintenance, etc. which may be attributable to the fact that a larger unit can operate more efficiently than a smaller unit. If such be the situation then the combination of two districts would result in a better and stronger educational program for both areas as well as a more efficient and economical operation.

For Brandon Residents An Editorial

In order to shed an unbiased light on the proposed Clarkston-Brandon annexation, The Clarkston News is sending this issue to all Brandon area residents.

It is the duty of a newspaper to present both sides of an issue so that the people can make their own decisions.

Although we must admit that your (Brandon) decision does not

matter to us, we feel an obligation to present you with as many facts as possible.

Please read the articles and facts in this issue carefully, then be sure to attend the final public information meeting Monday, March 28, 8:00 p.m. at Brandon High School.

Brandon residents interested in touring the Clarkston Jr. High and High School facilities have been invited to an open house Wednesday, March 30, 7:30 p.m. at Clarkston.

Further information on the open house may be obtained by calling Burl Glendonning, superintendent of Brandon Schools.

Absentee ballots for the April 4 annexation vote may be obtained via a written request to Burl Glendonning, Brandon Schools superintendent.

Remember, your vote will decide the future education of your children.

Your vote could very well decide the annexation issue.

Petitions for Safety Circulated

These petitions are being circulated by the Clarkston Community Elementary PTA Safety Committee.

We, the undersigned being residents of the Clarkston School District, being concerned for the safety of those children having to walk along or to cross Waldon Road in the vicinity of the Clarkston Elementary School, do hereby petition the School Board of the Clarkston Community Schools to provide better safety precautions than are afforded these children at this time.

The Safety Committee of the Clarkston Elementary PTA recommends that the ideal situation would include the erection of a student overpass and sidewalks along Waldon Road. The committee realizes that this proposal would take some time to be studied and acted upon by various bodies and during this time, asks the school board to provide two adult crossing guards to be used at either end of the school grounds to facilitate the crossing of said students.

Large and small organizations are urged to take an active part in backing the efforts of this Safety Committee.

AE Repeating Sewing Classes

The Adult Education at Clarkston High School will repeat the Bishop Sewing I class starting Wednesday, April 6.

Classes start at 7:00 p.m. Anyone interested in this class may register April 6.

It is believed the petrified trees found in Arizona did not grow there. They were probably washed down streams from the highlands.

Clarkston, Brandon Curriculum Outlined

Brandon

Required courses in ninth grade: English I, General Math or Algebra, Physical Science, Physics, Physical Education.

Required courses in tenth grade: English II, Biology, World History.

Required courses in eleventh grade: English III, American History.

Required courses in twelfth grade: Government 1/2 semester, Economic 1/2 semester.

Elective subjects:
Senior band, Senior Chorus, Art I, II, III, Remedial reading, 12th grade English for college preparation, Speech and Dramatics, Home Economics I, II, III, Metal shop I and II, Workshop I and II, Girls Shop — Arts and Crafts, Shop Math, 1 semester of general electricity, 1 semester of power mechanics, Drafting I, II, III, Personal Typing, Typing I, II, Business English, Bookkeeping I, Business Math, Office Practice, Shorthand I and II, Sociology, Contemporary History, Geography, Physics, Chemistry (alternate 1 year courses) Conservation, Biology II, Geometry, Trigonometry, 1/2 semester Advanced Math 1/2 semester, German — three years, Electrical physical education for 10,11,12 grades.

You can "walk all over Michigan" at an exhibit featuring a huge map at the Flower & Garden Show of Michigan, to be held at the Michigan State Fairgrounds from March 26 through April 3.

Clarkston

The following subjects are offered to students attending Clarkston High School. We are planning to describe each of these subjects in detail in the weeks to come. If you have any questions regarding these subjects, please call Clarkston High School (MA 5-5841).

The grades in which these subjects are available, follow the name of the course.

Valuable tips for the home gardener will be offered at the Flower & Garden Show of Michigan, March 26 through April 3 at the Michigan State Fairgrounds.

'Voices from Home' Brandon — Clarkston

Recordings Made

Free Red Cross "VOICES FROM HOME" recordings will be made at the Oakland Regional Office, 118 Franklin Blvd., Pontiac, from Monday, March 21 to Saturday, April 7, according to Mrs. Paul Crider, 400 North Cranbrook, Birmingham, area chairman for the project.

"With the build-up as it is in Vietnam, we are sure that every family in the area will be vitally interested in sending 'talking' messages, in addition to writing letters," she said. "However," she continued, "VOICES recordings do not only go to Vietnam, but can be sent anywhere in the world. They are recorded by families of servicemen stationed overseas, in military hospitals here in the United States, as well as by families of Peace Corps members and foreign students studying here. The records are then sent, free of charge, to designated areas by the Southeastern Michigan Chapter of the American Red Cross."

For an appointment, call Red Cross FE 4-3575.

Schools get Federal Funds

Nearly \$18 million in federal education funds have been allocated to Michigan school districts since the start of school last fall. Clarkston Community Schools received \$41,948 for supplemental reading and Brandon Schools were allotted \$10,249 for language improvement.

Thomas J. Brennan, President of the State Board of Education, said Michigan is one of the first states in the nation to pass the half-way mark in distribution of its federal funds.

Congress appropriated nearly \$1 billion to improve educational services for disadvantaged children throughout the nation under a formula based on the number of families with annual incomes of less than \$2,000.

Michigan's share of these funds amounts to \$34.7 million for the current school year. In addition, it will receive an additional \$7.7 million for expanded library services, textbooks and other instructional materials and for development of supplementary educational centers.

Brennan said the Department of Education (SDE) has approved 384 projects totaling \$17.8 million. An additional 81 projects totaling \$3.7 million are expected to be approved soon, he said.

The State Board President said federal education funds have been allocated to 281 school districts in 71 Michigan counties.

How to Hold a Telephone

Telephone engineers have improved voice transmission today to the point that telephoning is like talking face-to-face with a person three feet away.

A voice is most natural in tone and volume when the user speaks in a normal conversational pitch and holds the mouthpiece directly in front of his mouth and 3/4 on an inch from his lips.

When the phone drops 1/4 inches away, there is more hearing loss on the other end of the line than occurs when a call travels from coast-to-coast.

Ninety years of engineering can be undone when a phone user allows the mouthpiece to slip down two inches from his lips. It's like trying to talk to someone 22 feet away.

SPORTS

By Mel Vaara

Crystal Ball Was a Bit Hazy

Well the ole crystal ball took a few lumps over last weekend.

Some of the semi-finalists won, but all my final picks went down the drain.

East Detroit was upset by Ferndale. Allegan and Middleville were outclassed by Grand Rapids and Flint Holy Redeemer and Covert took Trout Creek.

This was a tournament marked with upsets and few more shames went down the drain too!

This is one of the greatest amateur shows sponsored by the state of Michigan. Some 755 High Schools take part in basketball tournament. One hundred and fifty-six of them were crowned district champions and there were 32 regional champions crowned. Four of the 32 were crowned state champs last Saturday.

Some 12,000 high school boys competed in the 1966 state basketball tournaments.

Class "A"
Ferndale took the honors in Class "A" by upsetting East Detroit on Friday and defeating Ann Arbor in overtime. Ferndale didn't possess an outstanding scoring machine, but they had a very good defense. This defense, especially the half court zone press, was effective against East Detroit and the man-to-man press bothered Ann Arbor.

Class "B"
Grand Rapids East, Christian clobbered River Rouge by 10 points 76-66. The Dutchmen from Grand Rapids were too big and strong for River Rouge. Grand Rapids lost 8 games during the year.

mainly because of injury problems. However during tournament time, the injuries were healed and Christian took care of their opponents.

River Rouge was going for six in a row, in fact they had patches make 6 in '66.

Now they will either have to turn them around and have them read 9 in '99 or have new ones made 1 in '67.

Class "C"
The pride of th U.P., L'Anse, took care of the Flint team 89-70. It was strictly no contest, as the L'Anse team ran Flint wild. They scored with ease, as time and time again L'Anse scored on fast breaks. Their big center Gerry Gerard would throw the ball some 70' down the court and it drop it in for an easy bucket. This L'Anse team was unrated all year, they certainly made believers out of the sports writers.

Class "D"
This class "D" game was the most interesting contest of the day. Powerful Covert defeated Trout Creek 84-70. The game was closer than the score indicated as Trout Creek had a lead of 55-54 in the 4th quarter. Covert was just too big and talented for Trout Creek and all the little school from the U.P. possessed was a boy named Robert Gale. Trout Creek had 12,000 people pulling for them, but Covert was just too tough.

"Outstanding Players"
Without a doubt Bob Gale deserves recognition as the outstanding player in the tournament. Gale, a student at Trout Creek, a school with only 53 students,

gave the fans a treat with his spirited play. Gale dropped in 40 points and set a new tournament record with 18 field goals. This boy moves well, rebounds with authority and can score from anywhere on the floor. When Gale fouled out with 1:36 left in the game, the 12,000 gave him a 90 second standing ovation. This tribute is only reserved for the greatest. In all my 11 years of observing state final competition, I can recall only two other athletes who received the same recognition. Dave DeBusschere of Detroit Austin Catholic and Ernie Thompson of Saginaw.

1st Team
Bob Gale Trout Creek
Bill VanderWoude, Grand Rapids
Farle Higgins, Ann Arbor
Maurice Armstrong, Covert
Ron Binge, East Detroit

2nd Team
Dwight Dunlap, Ferndale, Captain
Rick Bloodyworth, Ferndale
Gerry Gerard, L'Anse
Frank Price, River Rouge
Roland Swartz, L'Anse

As Jeff Sees It

By Jeff Fisher

As spring approaches for 1966 the Senior class of Clarkston High enters into a flurry of activity.

Last minute preparations are underway for their yearly trip. The Seniors will leave May 4 for Washington D.C. and then to New York City.

The talent show "Toyland Fantasy" is now in rehearsal for its March 31 to April 1 run.

Among the many acts are several school bands, a short dramatic reading, tap dancing, and several vocal groups.

Chris Dougherty was named chairman of the talent show committee and she is assured talent is abundant for this year's show.

In the forensic's competition, first and second place winners were: Pat Davidson and Lucia Wilford, original oratory: Mary Ann Coronado and Gery Williams, declamation: Penny Cook and Neil Stalker, humorous reading: Charlene Bachand and Brooksie Newton, serious reading: Larry Klem and Mike McMillan, radio news: and Terry Dutcher and Diane Lundy, extemporaneous.

Attorney Speaks at AAUW Meeting

Mr. Thomas Hunter of Clarkston spoke at the March 17th meeting of the Waterford branch of the American Association of University Women at the John D. Pierce Junior High School, in Waterford Township.

Mr. Hunter received his A.A. and LL.B. degrees from the University of Michigan. He was clerk for Probate Court under Judge Moore, attorney for Juvenile Court, legal advisor for Probate Court. He is at present, Deputy City Attorney for the city of Pontiac.

On the topic "The Law and the Incompetent" Mr. Hunter discussed criteria used for establishing the legal status of persons who are irrational or incompetent.

He described the alternatives open to families headed by an alcoholic and the legal status of the insane and defense of insanity. Insanity was defined as whether or not the person involved had the ability to discern between right and wrong at the time of the involvement.

Guests were Mrs. Larry Timm and Mrs. William Crominett. Hostesses for the St. Patrick Day coffee hour were Mrs. Thomas Hunter and Mrs. Palmer Burns.

"Uses of Mass Media" will be the topic for the April 21 meeting when Harry Reed, managing editor of the Pontiac Press, and Judge Philip Pratt of the Circuit Court will be the speakers.

Any women holding a baccalaureate degree from an AAUW approved institution is invited.

Membership information may be obtained from any member or by calling the membership chairman, Mrs. Gerald Irish at 674-1257.

Several Tour ETV Facilities

Members of the State Board of Education's Educational Television (ETV) Committee toured ETV facilities in Detroit and Marquette recently.

ETV Committee Chairman Dr. Edwin L. Novak of Flint said his committee hopes to develop plans for greater use of ETV in Michigan schools.

Novak and Rev. Charles Morison of Detroit inspected educational television facilities at the University of Detroit and at Channel 56, an educational TV station owned by the Detroit Board of Education.

At Marquette, Board Member Carmen Dell'Quadri of Houghton toured Northern Michigan University's ETV facilities. Novak said his committee plans to study all existing educational television programs in Michigan as well as several in other states.

Mr. Potvin's 7th grade team had a record of 4-3 in league play and a 2-2 record in tournament play. Karl Fredricks led the team in scoring with 92, followed by Rick Lilley's 65 and Rick Prasil's 34.

Kneeling left to right are Kevin Kelly, Chip Greene, Dan Emery, Blair Warren and Dan Rush. Standing are Rick Prasil, Rick Svetkoff, Rick Lilley and Alan Hyde. Missing from the picture are Karl Fredricks and Mike Crabtree.

Everything has changed ... but the Source!

This statement probably best describes the happenings in the 50 year story of the Michigan Milk Producers Association.

To the managing staff and all the members of M.M.P.A. we offer congratulations on your 50th anniversary for the efficient and excellent manner in which you have met each challenging change.
