VOLUME 37

SINGLE COPY 10 CENTS

CLARKSTON, MICHIGAN 48016, THURSDAY, APRIL 14, 1966

This Weekend

Art Show and Sale

Jeff Carr puts some final artistic brush strokes to a private painting in his home studio at 7129 Glenburnie. His wife Bernice and Mrs. Robert Porter, 4892 Lakeview Dr., who are artists in their own right, look on.

Many Clarkston Village store windows are now displaying the fine works of art the local artists have prepared for their April 14, 15 and 16 Art Show, to be held at Haupt Pontiac Showroom, on North Main in Clarkston.

Supervised Playgrounds are Planned for Summer Fun

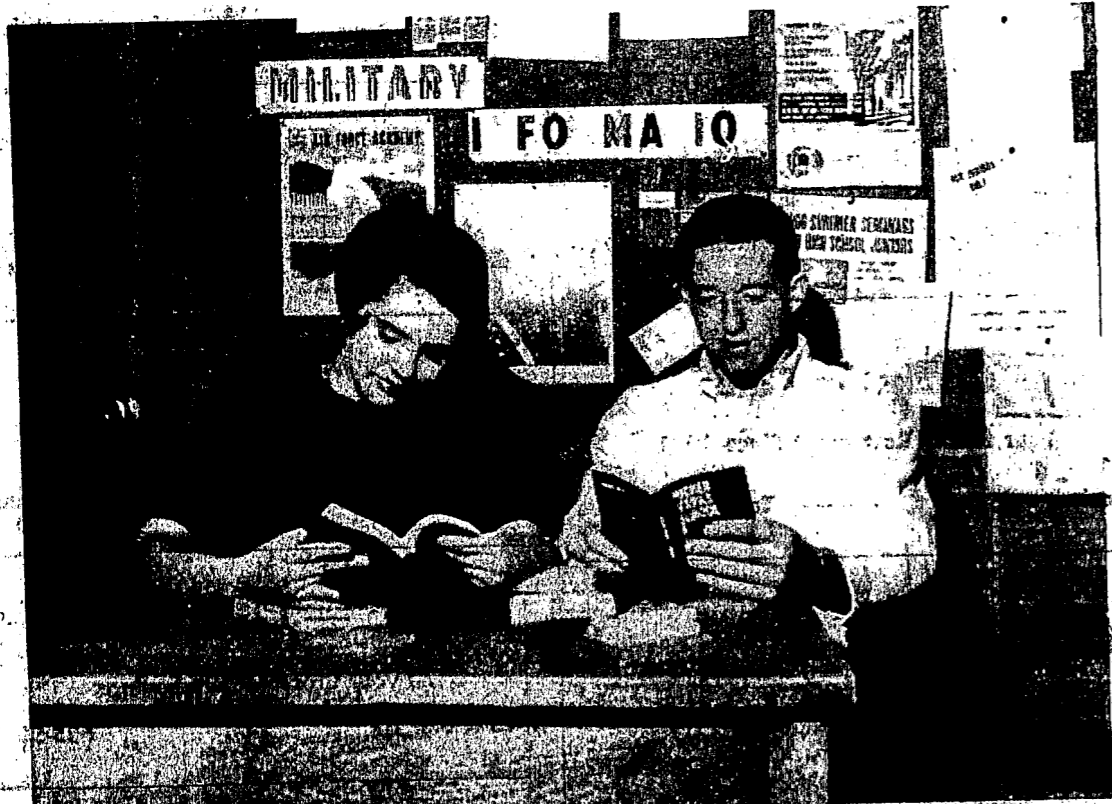

The summer recreation program for boys and girls in the Clarkston School System and the Independence Township is now on the planning table. Recreation Board members are busy setting up the summer program aimed at giving your child a safe supervised place for summer exercise. Playgrounds will be located at the same schools as last year, which were the Clarkston Junior High school, the Sashabaw Elementary and the Andersonville Elementary. One big change will be made this year. There will be NO Pee Wee League for the seven and eight year old boys. Replacing it will be a

beginners softball which will endeavor to really teach the beginning skills of playing ball and then provide the practice to carry the lessons out. Harry "Bud" McGrath has consented to be this year's summer recreation director, with Mrs. Vince Luzi acting as supervisor and planner of the playground games and crafts. Registration for the baseball league for nine, ten, eleven and twelve year old boys plus the seventh and eighth graders will be held when school reopens on April 18th. A meeting will soon follow this registration for the parents of participating youngsters.

Students Collecting Books for Boys in Vietnam

Paperback books are high on the list of leading issues for the Clarkston Junior and Senior High School's Student Government. A campaign has just been launched to collect these books with the intent of sending them to our troops in Viet Nam. Sponsored by the Oakland Community College, the drive will close on April 26. The winning area

school will then be awarded a prize dance. During the school vacation and throughout the drive there will be "Book Drops" at Rudy's Market on Main St., the Wonder Drugs on M-15, and the Pine Knob Pharmacy, Sashabaw Rd. All co-operation and donations will be appreciated.

Backing the paperback book drive are Sue Logan, 64901 Cramlane and Dennis Pike, 6121 Walden Road. Sue and Dennis are just two of a Student Government committee of eleven who

will be leading a search for paperback books to be sent to our troops in Viet Nam. Your support is needed to make this drive a success.

Contracts Awarded for School on Maybee

U-Turns are Cause of Two Area Accidents

Making a U turn was the cause of two separate accidents last week according to State Police at the Pontiac Post.

Michael Godoshian of Drayton Plains was slightly injured April 15th when his car collided with one driven by Charles O'Neil of 5240 Whipple Lake Road.

The accident occurred when Mr. O'Neil attempted to make a U-turn on Sashabaw Road at Pelton.

Clifford Seib of Flint was not injured when the car which he was driving collided with one driven by Robert Raymer of Davisburg.

Mr. Raymer, who was making a U-turn in Springfield Township, was not injured.

An accident on I-75 near Clintonville Road, Sunday, left both drivers uninjured.

Thursday morning two Clarkston men, Eldridge Moss of 5100 Sashabaw and James Cassin of 6625 Almond Lane were not injured when Cassin's car hit a slippery spot on a bridge and he lost control of his car.

The accident occurred on I-75 near Clintonville Road.

Lloyd Sibley of 129 North Main, Clarkston, was a passenger in a car driven by Elmer Wheeler of Union Lake when it collided with one driven by Belle Wasserman of Oak Park. Wheeler and Sibley both sustained minor injuries.

Other passengers in the Wheeler car were Richard Caldwell of Birmingham (seriously injured) and James Howard of Southfield (minor injuries).

Mrs. Wasserman, who was injured was stopping for a light on Telegraph Road near Elizabeth Lake Road when she was struck from behind by the Wheeler auto.

According to Wheeler, a wrecker which was in front of him, pulled off the road revealing the stopped car and traffic signal.

Dixie Highway near Waterford Hill was the scene of an accident Sunday evening in which a passenger in one of the cars, Sandra Sweeney of Pontiac, received minor injuries.

Mark Parrott of 5995 Middle Lake Road, Clarkston was stopped on Dixie Highway preparing to make a left turn.

The Parrott automobile was

struck from behind by one driven by Donald Van Dewarker of Pontiac.

Van Dewarker, Parrott and Parrott's passenger, Kirk Mathews of 5825 Hummingbird, were not injured.

Checking the rear view mirror after passing a disabled vehicle, a car driven by Glean Carter, of Highland Road ran a red light and was struck by another car driven by Elden Mudge, 5707 Griggs, Clarkston.

The Mudge car had just pulled onto the roadway from a shopping center exit.

No injuries were reported on this April 7th accident.

Harriet Fearn of Ortonville and one of her passengers Francis Richardson, received minor injuries at the intersection of East Washington and M-15, when the car they were in was struck while attempting to pass on the right of a car which had been stopped for a light.

When the light turned green, the stopped car driven by James Terry, 9250 Crosby Lake Road, Clarkston made a right hand turn into the passing Fearn car.

A car belonging to Charles Galbraith, 6230 Overlook, Clarkston was struck in the rear by the Fearn car.

SHERIFF'S REPORT

Alex Madgral of Ortonville was struck when he drove his car onto Sashabaw from the I-75 exit, April 9th.

Heading south before striking the Madgral car was Harley Feall of Walled Lake.

Students Are Rehearsing for Opera

H.M.S. Pinafire, by Gilbert and Sullivan will be presented the first week in May by the Clarkston Junior High School.

Under the direction of Miss Grayce Warren and the piano accompaniment of Karen Dee, the operetta will be presented to the public at the Clarkston Junior High School gym on May 6 and 7.

Rehearsing for the role of Josephine is Linda Sanchie with Tammy Mahar set to do Buttercup. Roy Jennings - Ralph Rackstraw, Mark Taylor - Sir Joseph Porter, K.C.B. Tim Mapes - Captain Corcoran and Jim Decker - Dick Deadeye.

Nominating Petition Forms Changed

County Clerk-Register of Deeds, John D. Murphy today called attention to the change in the form of nominating petitions. He advised prospective candidates for office not to use any petition blanks left over from previous years.

The 1965 Legislature has changed the form of partisan, non-partisan, and precinct delegate petitions. The new form for all three is available in the Office of the County Clerk.

Precinct delegate petitions must be filed by 4:00 P.M., May 24th. Last filing date for all other offices is 4:00 P.M., June 14th.

Candidates for State Senator and State Representative may qualify by filing a One Hundred Dollar fee in lieu of petitions, however, this fee must be filed no later than 4:00 P.M., June 11th.

Murphy also noted that for the first time persons from eighteen to twenty one years of age may now circulate petitions if they have all the other qualifications of a qualified elector other than age. Such circulators must sign an affidavit which is available at the County Clerk's Office.

Total Cost is \$568,950

Contracts totaling \$568,950 were awarded for the construction of a new elementary school on Maybee Road in Independence Township.

Clarkston Board of Education members awarded the contracts during a regular meeting Monday evening.

Contracts were let to Waterford Construction Company, \$363,000; Anderson Plumbing and Heating, \$155,000; and Electrical Maintenance Service, \$50,950.

The Intern Teacher Training Program was presented to the board for discussion.

At the present time six communities in Oakland County are participating with Michigan State University on the Intern Teacher Program.

Participants are Pontiac, Water-

ford, Bloomfield Hills, Walled Lake, Keego Harbor and West Bloomfield. Superintendent Dr. Leslie F. Greene commented on the program.

"There'll have to be more details set up on this."

"It brings a new concept and new blood into the school."

"It gives us a good source for selecting new teachers."

"This is not a new program. It has been in operation several years."

Dr. Greene pointed out that the school is not committed to hire these teachers after they have served their internship.

Property for the new school on Maybee Road was purchased for \$1500 an acre. Thirty-nine acres were involved in the sale.

Board members, Ronald Webber and Walter Wilberg were chosen to issue diplomas during commencement.

The board accepted a request by Clarkston High School Principal Milford Mason to eliminate an outside speaker during the 1966-1967 commencement exercises.

Graduating students will have the opportunity to present their own commencement program.

Correspondence from the Brandon School Board was read by Secretary Vincent. Brandon Board members thanked the Clarkston board for their assistance prior to the annexation vote.

It was noted that the National Bank of Detroit, pay agent for one of the Clarkston bond issues, has increased the paying rates 10%.

According to Greene the overall increase is nominal.

Nancy Tilley, representing the Safety Committee of the Clarkston P-TA discussed the hazards of children crossing Waldon Road at Clarkston Elementary.

The committee requested that an adult crossing guard be placed at the crossing in question.

Dr. Greene advised that the board was aware of the problem on Waldon Road.

Mrs. Tilley mentioned an 'over-pass or cat-walk for children crossing. This brought out the fact that children on bikes could not use an overpass.

According to Dr. Greene no child has ever been hurt on Waldon Rd. during school hours, only on M-15.

On Mrs. Tilley's request the board said they would welcome any suggestions from AAA should they conduct a survey of the area.

A film, which was shot in the Spring of 1956, showing some of the hazards of the Waldon Road crossing, was shown by board member George Barrie.

Robert Brumback representing the Clarkston Jaycees discussed the possibility of a swimming pool at Clarkston High School.

The pool, which is only in the talking stages, could eventually be placed on the ballot during a school election.

Mr. Brumback's primary reason for bringing the issue to the board was merely to obtain the thoughts of the board on the issue.

The board said their opinion on a pool would be presented to the JC's before their April 20 general membership meeting.

Harmony blended the voices of these seven Junior High students in rehearsal for their May date production of H.M.S. Pinafire, the Gilbert and Sullivan operetta. Where she just naturally belongs is

piano accompanist, Karen Dee, surrounded (left to right) by Jim Decker, Roy Jennings Mark Taylor, Tim Mayer, Steve Miller, Linda Sanchie and Tammy Mahar. Sue and Dennis are just two of a stu-

Clarkston Students and Teachers Attend Convention

Misses Cathy Callen, Cheryl Gura Elaine Keeley and Joyce Roy, students at Clarkston Senior High School, will attend the Future Homemakers of America State Convention April 21 and 22, in Grand Rapids.

The convention, with headquarters in the Pantlind Hotel, Civic Auditorium, will draw over 1,500 delegates, members, and advisors from throughout Michigan to follow a theme of "FHA - Cast A Tall Shadow". Miss Judy Kalbfleisch, Home Economics teacher at Clarkston is FHA advisor and is in charge of the Clarkston delegation.

The conference is sponsored by the Home and Family Living Section. In addition to Mrs. Withers from the State Department of Education working with the program are: Miss Barbara Gaylor, Mrs. Thelma L. Graper, and Miss Marquerite E. Lofink.

Purposes of this state convention are to summarize the year's accomplishments, to set plans for future

projects and to carry out the business of the state organization including election of officers and the yearly awards of scholarship and honors. The meeting is also held to help members understand better the FHA goals and inspire them to higher achievements.

Village Council Meeting Monday

The April meeting of the Village Council will be held this Monday, April 18 at the Village Hall.

Meeting time is 8:15.

Clarkston residents are invited to show their support of this governing body's efforts by attending this first meeting of the new Village Council.

It would be an excellent time to register as a voter if you have been too busy to do so before.

Antique Show at All Saints

All Saints' Episcopal Church 14th Annual Antique Show and Sale will be held April 19, 20 and 21, in Stevens Hall, 171 West Pike Street, at Williams in Pontiac from 11:00 a.m. to 10:00 p.m. daily. A door prize will be given each day.

Antiques of every description will be offered for sale by 18 dealers from Michigan and Ohio. Among them will be Doris Baigent of the Green Shutters Antique Shop, 7870 Eston Road, Clarkston.

Heirloom quilts and flowers will add a festive note to the decorations in the dining room and on the balcony. Tea Room overlooking the show.

Many delicious and different salads and desserts will be prepared and served by the women of the church.

Elvis Presley will make three movies this year.

Ontons are produced in all western European countries.

FIRST CHURCH OF CHRIST SCIENTIST

Oxford, Michigan

"DOCTRINE OF ANTONEMENT"

will be the subject at Christian Science church services this Sunday. Bible passages to be considered will focus on Jesus' parable of the prodigal son (Luke 15), and end with his statement, "And I, if I be lifted up from the earth, will draw all men unto me." Related readings from the denominational textbook will include these lines: "Like our Master, we must depart from material sense into the spiritual sense of being. . . This is having part in the atonement; this is understanding, in which Jesus suffered and triumphed" ("Science and Health with Key to the Scriptures" by Mary Baker Eddy).

Reaching Out

Brotherhood

Except your brother be with you, ye shall not see my face. Genesis 43:3

Brotherhood is not an impractical dream; it is an urgent need, an inescapable necessity, and what is more, it is the desire of God for us: it is His Will for His children. It is of The Higher Law, which cannot be broken with impunity, and in what great sorrow have we learned that this is true!

Nothing in either the record of history or in the calm conclusions of science warrants a belief in racial superiority or justifies the contempt of one man for another, and a pure racial stock is a fantastic myth. Human life is the commingling of many streams and all ethnic groups find their origins in the benign purposes of our Creator and Father.

We must face up to these obvious truths, laying aside all personal bias and following the dictates of conscience and reason, otherwise our divisions can and may well be our undoing.

Hatred is a withering blight, but good will is eternally beneficent. National health, spiritual and material, both depend on tolerance in thought, patience in conduct and broad understanding. These virtues spring from human hearts fixed on God. Who says to man . . . 'You are forever your brother's Keeper'.

OUR FATHER: Move us to know, we beseech Thee, that to be truly at peace with Thyself we must first be at peace with our neighbor. AMEN.

Everett Butters.

Luncheon Served to Benefit Church

The Building Fund of St. Andrew's Episcopal Church will benefit from the "Luncheon Is Served" and card party being held in the church at 5301 Hatchery Road Wednesday, April 13. Luncheon will be served at noon followed by the prize drawings, and cards for those who wish to remain for the afternoon.

Chairman of the event is Mrs. Clark Easley. Other women from the church assisting her are Mrs. Burton Flock, Mrs. Bert Harvey, Mrs. Floyd Tonkin, Mrs. Walter Deacon, and Mrs. Richard Morgan. Tickets are available from Mrs. Easley at OR 4-3648.

A French franc is worth 20 cents. Yugoslavia has been granted a new credit of \$57 million by the U.S.

Easter AND CHICKS

Naturally, you've wondered! Easter is a Christian festival, and chicks are barnyard fowl. How did they get together?

And eggs, for that matter—how do they fit in?

And the lively bunny . . . what made him part of it all?

These are symbols of LIFE. And life is the theme of Easter.

Christ was dead! Christ lives! His resurrection promises life to men.

We would not expect a fact of such import to be remembered only in history. It has touched farm and home, community, nation, family . . .

It affects our lives—the humble and the mighty. Easter is God's call to worship and faith. A time to re-dedicate your life!

THE CHURCH FOR ALL • ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Tom R. Wood has returned to his home in Ohio after visiting friends and relatives in Pontiac and Clarkston.

Mr. and Mrs. Robert Knight with children Autumn and Sabra of Keego Harbor, were guests Friday for a pre-Easter dinner at the home of Mrs. Knight's parents, Mr. and Mrs. L. B. Eisenlohr of S. Holcomb. Mr. and Mrs. Richard Milson and family were also guests.

Mr. and Mrs. Gordon Adams of Berkley enjoyed Easter with their daughter and family the Richard Funk's on Cramlane. Richard Funk, Jr. is home on vacation from Northern Michigan University where he is a student.

Mr. and Mrs. William Hampshire and daughter, Mrs. Fallon and John Wilberg visited Sue Hampshire Sunday. Sue, a student at Western Michigan University in Kalamazoo and Miss Barbara Waltman of Holland, roommate joined them in an Easter picnic.

Mr. and Mrs. James Gwynon on Maybee Rd. celebrated a large Easter family gathering at their home. Thirty relatives from all over Michigan joined them for the day.

Mrs. Gwin Weston and her mother Mrs. H. J. Gador and Mr. and Mrs. H. E. Weston, were weekend visitors at the home of Mr. and Mrs. Jerry Hickman (Gail Weston) of Grand Rapids.

Mr. and Mrs. Guido Rizzuto with daughters Susan and Diane, left their home on Heath St. to be Easter weekend guests of Mrs. Rizzuto's mother in Arkansas.

HAPPY BIRTHDAY TO:
Patti Olney, Cathy Withrup, Melinda Ledbetter, Bev Neal, April 15; Marty Madison, Cheryl Gura, Mary Jane Anderson, April 16; Lori Cooper, Lisa Forsyth, Cam Laskwell, Beverly Lohoff, April 17; Rick Funk, Quinn Galbraith, April 18;
ANNIVERSARY GREETINGS TO
Mr. and Mrs. Dewaine Haggadone, April 18.

Air Force Says No More Waiting

SGT Hines, area Air Force Recruiter, announced that due to increased openings, there is no longer a waiting list for entry into the Air Force. Young men seeking entrance into any of the current Air Force career fields which include Electronics, Mechanics, Administration, and General Technical, may now apply, qualify, and enlist almost immediately.

He stated that young men interested in determining their eligibility may take the Air Force entrance examination any Tuesday at 9 o'clock A.M. There is of course, no obligation. From this ingenious series of tests, they can determine in which field their greatest potential lies. Call SGT Hines at 332-9116 for an appointment or for other information.

Schools Lunch

Menu Listed

The Hot Lunch Menu for Clarkston Community Schools for April 18-22 is as follows:

April 18. Hot dog on buttered bun, potato, chips, buttered corn, fruit cobbler and milk.

April 19. Vegetable goulash, buttered carrots, tossed salad, bread and butter, cake and milk.

April 20. Meat loaf and tomato sauce, mashed potatoes, buttered green beans, bread and butter, cookie and milk.

April 21. Baked beans and franks, apple sauce, bread and butter, fruit and milk.

April 22. Fish sticks, potatoes, cabbage and pineapple salad, roll and butter, apple crisp and milk.

Alternate salad menu for Senior High students.

April 18. Pineapple luncheon plate, cold cuts and cheese, bread and butter, cherry square and milk.

April 19. Meat loaf, vegetable jello salad, lima beans, bread and butter, cookie and milk.

April 20. Three deck sandwich, chef salad, kabobs, fruit and milk.

April 21. Chicken salad on lettuce, buttered corn, roll and butter, peach cobbler and milk.

April 22. Macaroni salad, buttered asparagus, raisin bread and butter, fruit and milk.

Shades of Christmas-no, just a small portion of an attractive gift arrangement on stage at Our Lady of the Lakes Auditorium. Pretty as the packages was Mrs. Lawrence Pope, this years Easter Monday Luncheon chairman.

Over six hundred women attended the luncheon with approximately one hundred lucky ticket holders receiving raffle or door prizes.

ENROLLMENT UP 25 PER CENT

The Michigan Department of Education reports public school enrollment has gone up nearly 500,000 during the past eight years, a 25 percent increase.

Earwax Can Cause Poor Hearing Problem

Everytime John stepped out of the shower, he felt the room was spinning around him. When he spoke, his voice sounded unusually loud, distorted and hoarse to him - like he was talking into a barrel.

In discussing the problem with his physician, he was relieved to learn it could be solved by merely having his ears cleaned. Excess earwax had formed a hard plug in his ear, completely blocking the auditory canal. This is what accounted for his strange symptoms.

Few people are aware of the problems excessive earwax can cause. In addition to dizziness and distorted hearing, it often causes pain, intense itching and provides an ideal place for bacteria which could lead to temporary and even permanent hearing loss.

Earwax - serves a very useful purpose. For it is nature's way of removing dead cells, dust, hair, and other foreign matter from your ear. This waxy substance, which is manufactured by the sebaceous and sweat glands located in your ear, is pushed along the ear canal, by your natural jaw movement. When it reaches the outer opening of the ear, the wax breaks into tiny particles and falls out, along with the debris it gathered along the way.

But, if something goes amiss with this "cleaning out" process, the earwax may form a plug. The most common conditions responsible for earwax plugs are (1) ears that have extremely small openings and (2) excess hair covering the ear opening. The glands which produce the earwax could also be at fault. If they do not secrete enough liquid to make the wax soft, it may harden before it reaches the outer ear.

If you experience excessive earwax, never attempt to remove it yourself. Sharp pointed instruments such as toothpicks, hairpins, and paper clips can easily pierce the delicate and sensitive tissues of the ear - and may cause deafness.

Leave the "unplugging" to your doctor.

Combing Michigan for Rare Footage Parks May Get State Aid

An unusual historical treasure hunt is under way in Michigan. The treasure may be almost anywhere in attics, in basements, in garages and probably is concealed in rusty old tin cans. It is old film footage, shot in Michigan between 1900 and the 1930's. If it can be found, some of it may wind up in an important new motion picture being produced by Consumers Power Company for use in Michigan schools.

An appeal for help in locating these rare and often unique bits of film is made by motion picture producer, William Murray of Portafilms, who is researching a half-hour film of Michigan during the first half of the 20th Century. The new motion picture, commissioned by Consumers Power, will be the third and last in a series of award-winning films about Michigan's history. The first, titled WHEN MICHIGAN WAS YOUNG, was released in 1964. It covered the period from the Ice Age to about 1800. The second film, titled MICHIGAN-I-A, was released late in 1965. It deals with Michigan's coming-of-age as a state in the 19th

century. The third film, as yet untitled, begins about 1900, and brings the story of Michigan to the 1960's. Since the movie camera wasn't invented until 1888, and because motion pictures didn't come into general use until early in the 20th century, the two earlier films utilized drawings, etchings, sketches and paintings of the period. These were brought to life by a process called iconographic animation. As the historical spotlight moves into the 20th century, however, it becomes possible to reflect this exciting period of Michigan's de-

velopment in true motion pictures. That is, if the right film can be found.

"By coincidence," says Murray, "motion pictures came to Michigan at the dawn of the 20th Century. The first movie known to have been made in Michigan was of the 1899 Memorial Day parade in Detroit. It was taken by George Sterling with a hand-made motion picture camera.

Mr. Sterling hired a hall to show his movie as a public marvel. No one knows what happened to that film. Perhaps it is in someone's attic.

"The Ford Motor Company pioneered in producing a newsreel for theaters, beginning in 1914. This was expended into educational films and travelogues. Much of Ford's early footage of Michigan was donated to the National Archives, and thanks to Ford's foresight and interest in history this footage is expected to make a valuable contribution to the story of Michigan in the first half of this century."

Murray says he is trying to contact as many of Michigan's old-time movie men as can be found, as well as persons who knew the ones who have died. He hopes in this way to discover long-forgotten caches of old film.

"Obviously, we can't include all of it in one 27 minute motion picture," he says. "But a good deal of important footage that otherwise might deteriorate and be lost forever, will thus be saved.

Murray asks anyone with old film in his possession to contact him at Portafilms, 4180 Dixie Highway, Drayton Plains. His telephone is (Area Code 313) 674-0489. Or contact your nearest Consumers Power Company office.

State Representative, Francis A. Crowley, D., of Clarkston, reported today that the sums of \$209,500 for the development of Proud Lake State Park and \$541,000 for Holly State Park, are written into the Michigan Conservation Department's \$2,300,000 appropriation bill introduced in the House of Representatives, covering state parks.

"I had previously introduced a bill calling for \$75,000 to build an urgently needed activities center at Proud Lake," said Representative Crowley, "but this greatly increased amount would go far toward really modernizing this popular Oakland County Park.

"In the total departmental picture, an additional \$2,700,000 will be available which should assure a \$5,000,000 program for the next fiscal year. These added revenues are itemized as \$200,000 from state park fees and revenue account; \$500,000 from park improvement

fund and \$1,000,000 each from the park bond fund and from the federal government."

Representative Crowley said the funds proposed for Proud Lake will also permit cleaning and dredging for beach impoundment, boat launching areas and numerous other facilities required for operating a modern park.

"A major use of Proud Lake is by students who share in nature studies each year and who have been required to contend with inadequate facilities," Representative Crowley said. "This park is located about four miles east of Milford and offers picnicking, hiking, boating and camping to many thousands of persons each year.

"Holly Park, a recreation area of 6,200 acres, is 12 miles north of Pontiac and has been in operation since about 1945. It is still without modern toilet facilities and electricity and it is planned for correct both of these situations. Approx-

mately \$300,000 will be spent in land acquisition and the development plans will also include added parking space and tree planting."

Representative Crowley said that Michigan's park planning is keyed to the anticipated population growth, which will bring an estimated increase of 2,500,000 within the next decade.

Representative Joseph M. Snyder, D., of St. Clair Shores, chairman of the House Conservation Committee, explained that the continuing program of park development follows guidelines established by the State Conservation Commission.

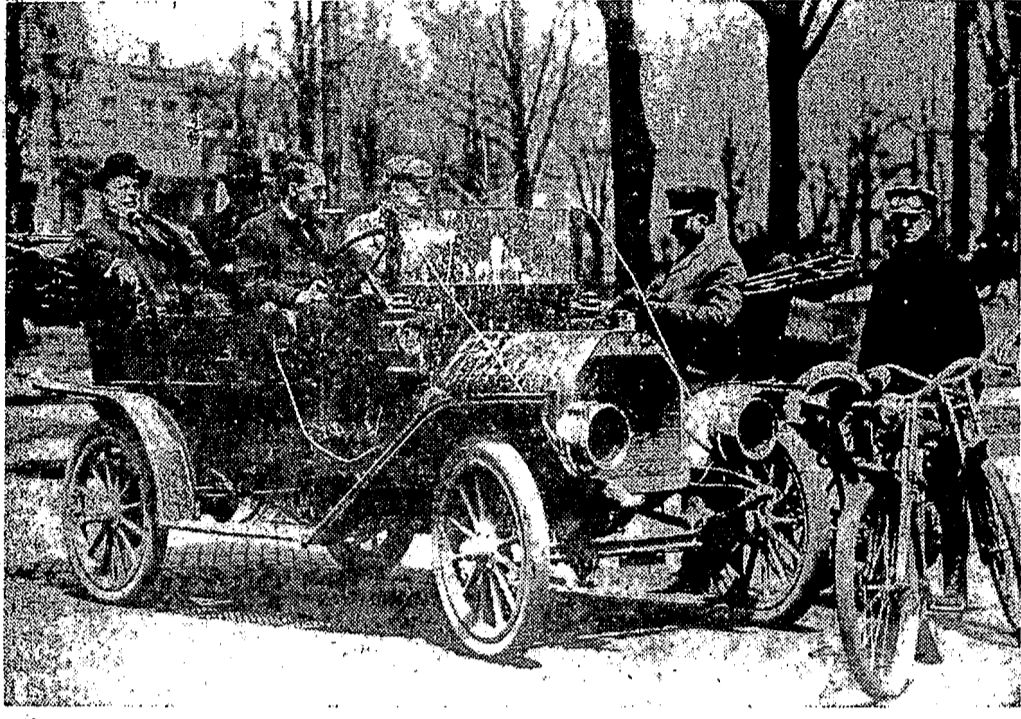

"If we are to meet our responsibilities to the people of Michigan and the growing demands of tourists, it is most important that we acquire desirable park properties before they cease to be available," Representative Snyder said. "Despite all of the progress we have made in park development, the public demand still exceeds park

Two Local Men Are Honored

Thomas C. Haessler, of Clarkston and William MacBeth, Davisburg were among more than 1,600 students who were feted at The University of Michigan's 43rd annual Honors Convocation, April 1. The ceremony in Hill Auditorium recognized undergraduate students who had attained outstanding academic records. Included were those students who had earned numerous terms of straight A, or perfect records, in addition to the many honor roll award winners.

Speaker for the event was Arnold Cantwell Smith, secretary general of the recently formed British Commonwealth.

The former Canadian, who heads a permanent secretariat in London, which has the duty of being the impartial servant of all its nation members, discussed "The Commonwealth in World Politics."

"HOLD ON THERE, MISTER, JUST A MINUTE! You've exceeded the speed limit!" Woodward Avenue, Detroit has changed a lot, since 1908, but traffic cops were present then, as now. Photo from the Burton Historical Collection.

Seymour Lake News

Mrs. Clark Miller will open her home to the Women's Society of Christian Service, Wednesday, April 20. Dinner will be served at noon.

Mr. and Mrs. Thomas Valliancourt, son Joey, daughter Gretchen and Miss Bernice Hanson were guests in the George Miller home two days last week.

They also called on Gladys Sherwood, Wednesday afternoon.

Paula Notch has been quite ill with influenza.

Mr. and Mrs. Peter Notch were guests of their daughter and son-in-law, Mr. and Mrs. Jerry Buck in Dearborn for Easter.

Mr. and Mrs. Albert Schubert with son Tom and daughter Jane were weekend guests of relatives in Tennessee.

Mrs. Gladys Sherwood was pleasantly surprised when three members of their Methodist choir ap-

peared at her door with a lovely Easter basket.

David Porritt and Kim Stayton conducted Easter services at their Assembly of God Church. Both boys are studying for the ministry at Beulah Holiness Church in Georgia.

Kathleen Beardsley, who attends college at Mt. Pleasant spent the Easter weekend with her parents Mr. and Mrs. Frederick Beardsley.

Sidney Miller has recently returned from Germany after three years in the service.

Two car loads of ladies attended a luncheon at the Chuck Wagon on April 7, in honor of Mrs. Amy Gule's 85th birthday.

Mr. and Mrs. George Miller visited Grant Beardslee at Pontiac General Hospital last Friday and Saturday. Mr. Beardslee was seriously injured in a tractor accident.

OES News

Joseph C. Bird Chapter No. 294, Order of the Eastern Star will hold its annual Friendship and Oakland County Officers night, Saturday April 16th at 8:00 p.m. in the Clarkston Junior High School.

The Elks Chorus, Pontiac and Jobs Daughters Bethel No. 25 will participate.

Officers from other chapters in Oakland County will be honored guests for the evening.

The meeting is open and everyone is cordially invited to come.

Going, Going, Gone

JC's will be making a house to house search for auction items between April 16 to 23rd.

The collected items will be used on Saturday, April 30 for the Clarkston Area JC's Auction.

Bargain hunters are welcome to be at the vacant lot on the southwest corner of Washington and Main, in Clarkston at 11 a.m. sharp.

WE NEED YOU EXCELLENT OPPORTUNITIES IN PUBLIC SERVICE

Easter Around Town

Spinning a yarn for Easter's sake is Nancy Weiss, 42 North Main, and Mark Egckson, 6140 South Main. Around and around the yarn goes and

where it stops only Mrs. John Bisha knows. It was thru the knitting efforts of Mrs. Bisha, the Weiss's neighbor, that the large styrofoam eggs were eventually covered.

Richard Logan smiles his approval as his own private Easter parade takes time to fix their coiffure. About to make their Easter debut from

their home at 6490 Cramlane are (left-to right) Sue, 17½, who is adjusting the bonnet of 5½ year old Wendy while Mrs. Logan combs the long tresses of Jan 4½.

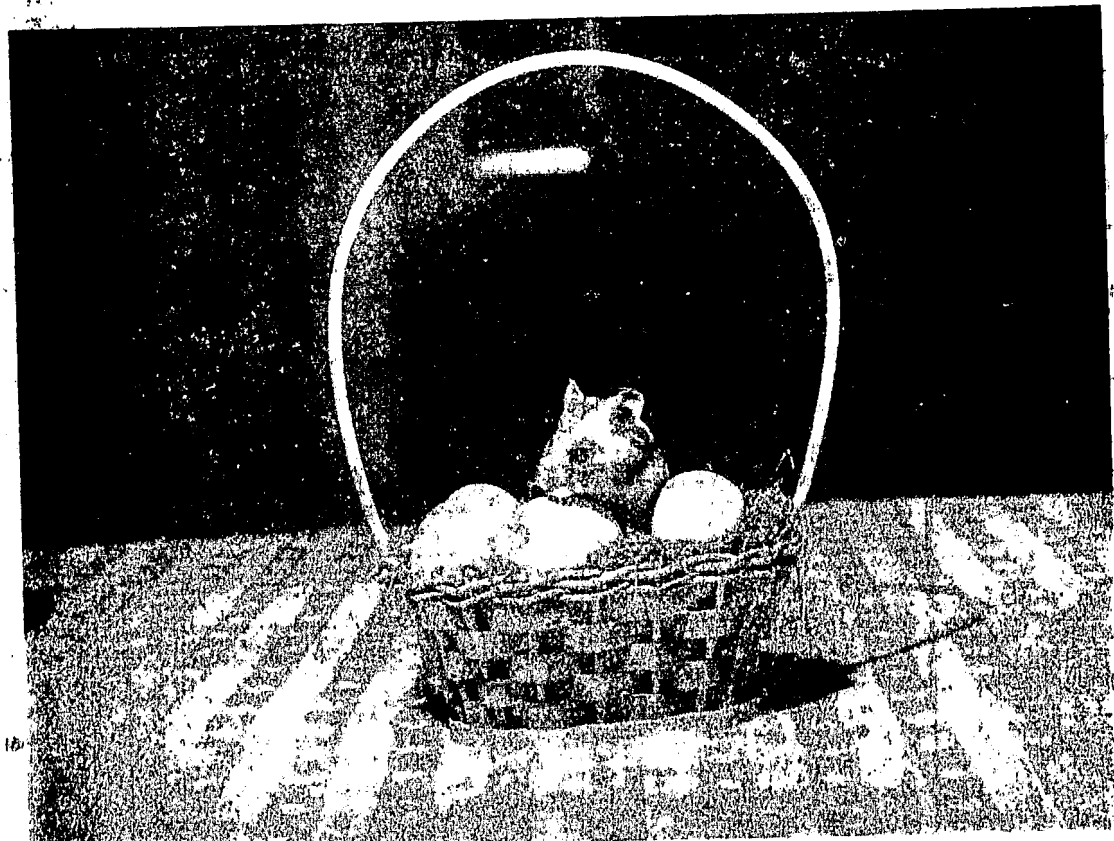

Something new has been added to this year's Easter picture of the John Williams family and it isn't really very special. Supporting plaster casts on their left legs are two of the Williams children, Mary, 8 and William, 13. The break in Mary and Bill's winter fun arrived on January 28 while tobogganing.

Accepting their blight with a smile around the clock are Mr. and Mrs. Williams, Urane 15, Mary, Paul, 6, Laura, 5, Joan, 7, William, and Edna, 17. Centered in the middle of the picture is John, 11. Absent for this Easter Sunday service was Linda, 16.

Charlie, Greg and Trish Robertson reach for past confections for the road, while their mother, Mrs. Charles Robertson hopes the road won't lead to the bottom of their

Easter baskets. The typical Easter morning scene was found at the Robertson home at 5898 Housompland.

Holy cow, a million and one bunnies around and we get a hamster!

Birthdays Can be Fun

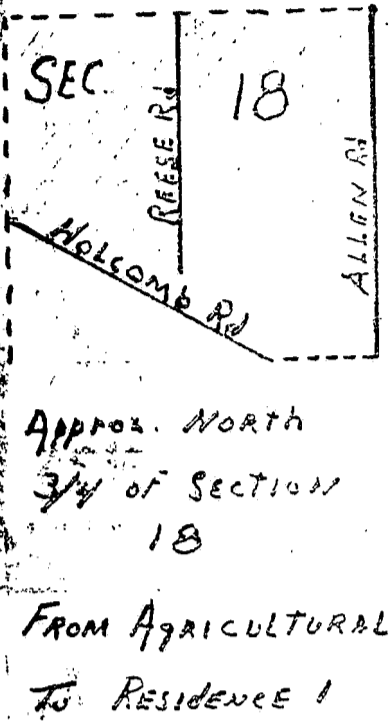

Upset? You bet. Everyone else here has already had their April birthday, but Steve Petroff 2, has to wait till April 20th for his "big day". The April birthday children are sharing in this combined celebration (this a celebration?) to help spread the word the Clarkston Community Birthday Calendars

may now be ordered. Lending their feminine best to the occasion were Lisa Jo Varra, 5, with Julie Schroder, 3, on her left. Floored by it all were Greg Thayer, 4 and his brother Brett, 1. Hostess for the picture gathering was Mrs. Ronald Balousek, at 6622 Amy Dr.

Notice of Public Hearing

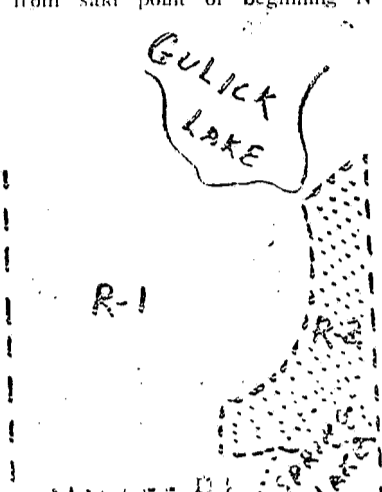

The Planning Commission of Independence Township, Oakland County, Michigan, will hold a Public Hearing on April 21, 1966, 7:30 P.M., at the Township Hall, 90 North Main Street, Clarkston, Michigan, to consider the following changes in Township Zoning Districts:

1. To rezone from Agricultural to Residence-1:
All of Section 18, T4N, R9E, lying North of Holcomb Rd. and 1-75 Highway.

2. To rezone from Suburban Farms to Residence-2:
Part of the W 1/2 of SE 1/4 of Section 28, T4N, R9E, Independence Township, Oakland County, Michigan, described as beginning at a point located N 89 degrees 40' E 598.5 ft., and N 00 degrees 15' W 370.0 ft. from said point of beginning N 00 degrees 15' W 83.0 ft.; Th N 22 degrees 00' W 150.00 ft.; Th N 60 degrees 00' E 365.0 ft.; Th on a curve to the left (R - 330.0 ft.,

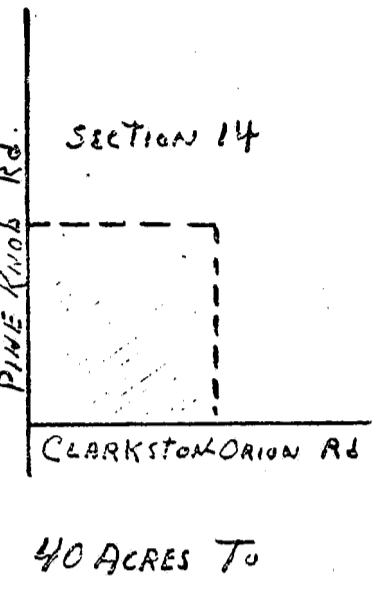

delta - 55 degrees 30') an arc distance of 319.66 ft; Th N 04 degrees 30' E 630.0 ft; Th N 00 degrees 15' W 480.00 ft; Th on a curve to the left (R-330.0 ft, delta - 49 degrees 45') an arc distance of 286.54 ft; Th N 40 degrees 00' E 330.00 ft more or less to the E and W 1/4 line Section 28; Th N 89 degrees 45' 30" E 140.0 ft; Th S 00 degrees 15' E 1104.18 ft; Th S 00 degrees 15' W 200.0 ft; Th S 00 degrees 15' E 980.2 ft; Th S 89 degrees 40' W 717.5 ft to point of beginning.

3. To rezone from Suburban Farms to Residence-1: The W 1/2 of SE 1/4 of Section 28, T4N, R9E, Independence Township, Oakland County, Michigan, except that part described as beginning at a point located N 89 degrees 40' E 598.5 ft and N 00 degrees 15' W 370.0 ft from the S 1/4 corner Section 28; Th from said point of beginning N

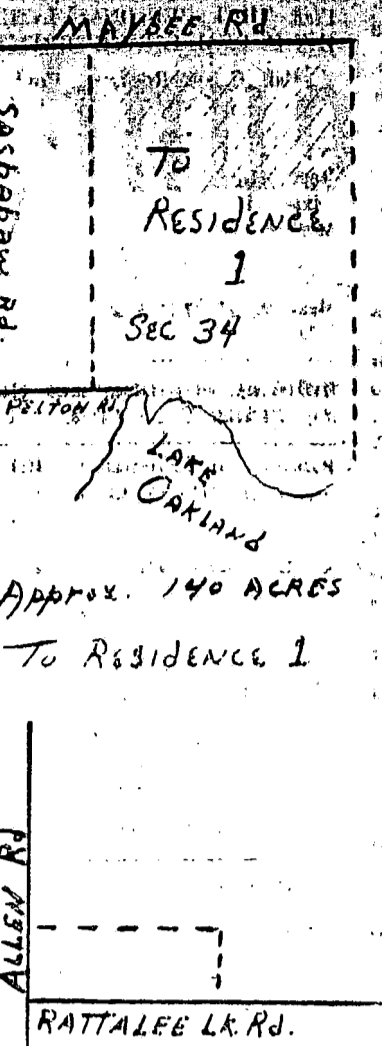

00 degrees 15' W 83.0 ft; Th N 22 degrees 00' W 150.00 ft; Th N 60 degrees 00' E 365.0 ft; Th on a curve to the left (R - 330.0 ft, Delta equals 55 degrees 30') an arc distance of 319.66 ft; Th N 04 degrees 30' E 630.0 ft; Th N 00 degrees 15' W 480.0 ft; Th on a curve to the left (R - 330.0 ft, Delta 99 degrees 45') an arc distance of 286.54 ft, Th N 40 degrees E 330.00 ft more or less to the E and W 1/4 line, Section 28; Th N 89 degrees 45' 30" E 140.00 ft; Th S 00 degrees 15' E 1104.18 ft; Th S 00 degrees 15' W 200.0 ft; Th S 00 degrees 15' E 980.0 ft; Th S 89 degrees 40' W 717.5 ft to point of beginning.

4. To rezone from Agricultural to Residence-1: the NW 1/4 of SW 1/4 of Section 14, T4N, R9E.

5. To rezone from Suburban Farms to Residence-1: The E 1/2 of Section 34, T4N, R9E, lying North of Lake Oakland and Pelton Road, except the area West of the E line of Supervisor's Plat No. 8 and the extension to the South thereof.

6. To rezone from Suburban Farms to Residence-1: Described as beginning at SW corner of Section 5, T4N, R9E, th N 00 degrees 04' 20" W 545.91 ft; Th N 89 degrees 41' 10" E 1072.10 ft; Th S 00 degrees 04' 20" E 545.92 ft; Th S 89 degrees 41' 10" W 1078.80 ft. Containing 13.48 acres.
A map showing the proposed changes in the Zoning Districts

13.48 ACRES FROM SUB. FARMS TO RESIDENCE 1

may be examined at the Township Hall during regular office hours. Delton Lohff, Secretary Independence Township Planning Commission M. 24, A. 14

Clarkston P-TA Elects Officers

Plan now to attend a most important meeting of the Clarkston Elementary P-TA on Thursday, April 21, 7:30 p.m. Several vital issues will be presented.

Members will hold the annual election of officers for the coming year. This election affects each and every parent in the school. Many offices need to be filled, and the Nominating Committee is having a very difficult time finding parents who are willing to serve. Nominations will be accepted and welcomed from the floor. Parents are asked to be prepared to nominate candidates at this time.

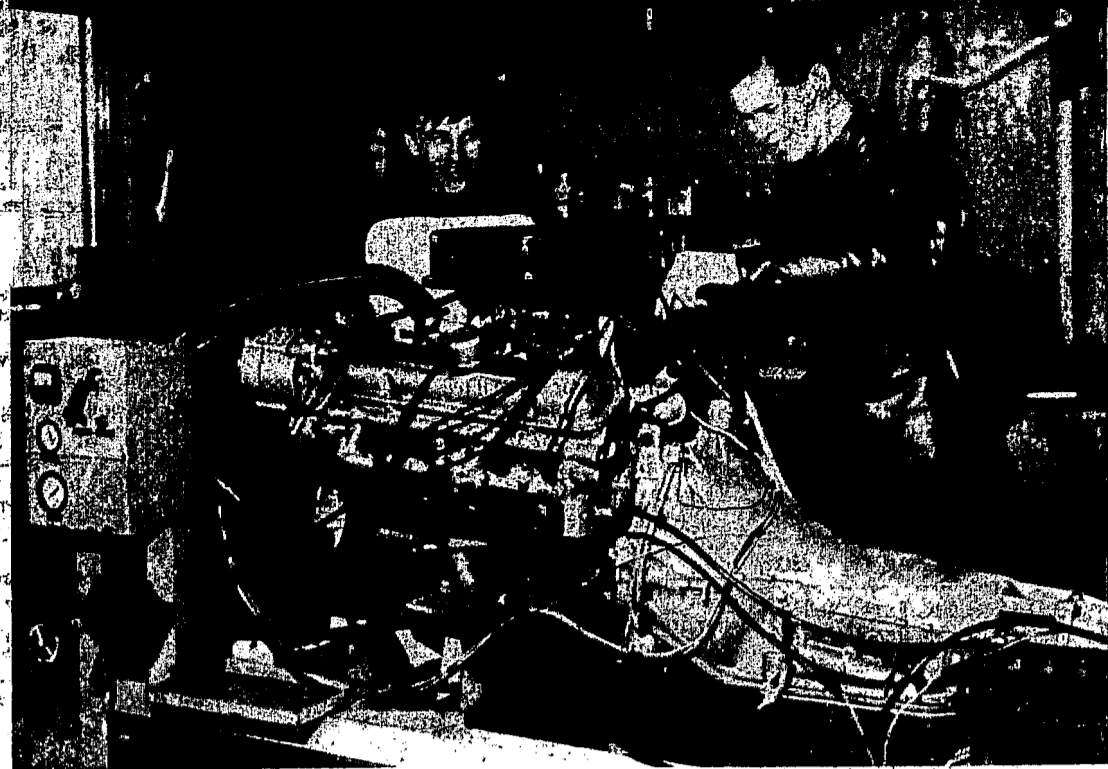

Also on the program will be an excellent speaker, Mr. Ralph Straum, Probate Court case worker for this area. His timely topic, "Prevention of Delinquency" is a subject of great interest to all parents.

The P-TA Safety Committee Chairman Mrs. Robert Tilley, will present a report on the result of their special meetings and discussion with the School Board.

Exploring the wide world of a working engine are Ron Love (left) of 5879 Waldon Road and Rich Bass, 5920 Waldon Road.

The two boys are members of Explorers Scout Troop 134 and the new engine is their newest acquired pride and joy. The engine was a donation from a car manufacturing company.

All the necessary requirements are in the engine allowing the boys to start and stop it or build it up and tear it down. The one stipulation is that it never be used for a car engine.

Other fortunate members of Troop 134 are Dan Van Horn, John MacGregor, Tim Kitchen and Ronald Young, who is the advisor.

DAR Welcomes New Members

The Williams Lake Road home of Mrs. L. G. Rowley was the scene of the April meeting of the General Richardson Chapter, Daughters of the American Revolution April 7th. About 30 members were present. Reports of the Sixty-sixth State Conference were given by Miss E. Grace Clark, Mrs. E. G. Clark, Mrs. T. W. Jackson and reports read from Mrs. John Tomlins and Mrs. Frank E. Allen.

Four new members were welcomed. Mrs. J. M. Lomerson Lake Orion, Mrs. D. C. Newman, Mrs. K. R. Newell of Pontiac and Mrs. F. J. Humes of Lansing, Mich., the latter three members being sisters.

Plans were made for attendance to the Continental Congress to be held in Washington, D.C. later this month. General Richardson Chapter will host the Oakland County picnic, June 2nd, to be held at the Y.W.C.A. Mrs. Grant Beardslee, Chairman of Committee assisted by Mrs. Theodore Cleveland, Mrs. Elbert M. Wilmot, Mrs. Allen H. Monroe, and Miss Alice Serrell, Assisting Mrs. Rowley were Mrs. E. Grant Beardslee, Mrs. L. C. Barner, Mrs. Theodore Cleveland, Mrs. E. M. Peterson, Mrs. W. H. O'Laughlin, Mrs. Lloyd Porter, Mrs. James Yeager and Mrs. Frank E. Allen.

More Maps Available

Be wise, before you travel have a car that's ready for the road and a map that's up to date. Latest Michigan Highway Maps will keep you abreast on what's old and new ahead. These maps are available at the Clarkston News office, 5818 S. Main, Clarkston. Give us the pleasure of giving you one of these maps soon.

Consumers Give Refunds

Consumers Power Company's natural gas customers this week began getting a share of refunds recently received by Consumers Power from its natural suppliers.

The Company is passing on the customers' share of the refunds in the form of a credit on their next bill. Gas space heating customers will receive credits averaging about \$1.50. Gas customers who do not use space heating service will receive credits averaging about 30 cents.

The refund is going to customers who took gas service from the Company during October, November and

December of 1965, and who still were customers of the Company on March 25, 1966.

Those who changed their address after December will have to apply to Consumers Power directly, before July 1, if they want their refund.

The refund credit is going to some 697,000 customers as a result of lower wholesale gas rates than those originally collected by the suppliers. The total amount returnable to customers of the Company was set at \$1,326,122 by the Michigan Public Service Commission in March 1966.

Man Completes Marine Training

Marine Private Paul K. Tatu, son of Mr. and Mrs. Kenneth Tatu of 3238 Perrin Drive, Waterford, has completed individual combat training at Camp Pendleton, California.

The four-week course included over 200 hours of instruction under simulated combat conditions, covering squad tactics, guerrilla warfare, day and night combat, patrolling and the use of infantry weapons.

His next stop is four weeks of basic specialist training in his military occupational field. Marines to be assigned to infantry units will be taught infantry sub-specialties, such as the machine gun, grenade launcher, rifle or mortar. Marines to be assigned to highly technical specialist schools for their specialist training.

Leathernecks bound for the Pacific will receive more training when they report to the Staging Battalion at Camp Pendleton, California. This training will emphasize jungle warfare, patrolling, and civic action based on experience gained in Vietnam.

MORTGAGE SALE

DEFAULT having been made for
more than thirty days in the con-
ditions of a certain mortgage made
by Horace H. Dalton and Nora V.
Dalton, his wife to Capitol Savings
& Loan Association, a Michigan
Corporation dated the 22nd day of
October A.D. 1964 in Liber 4646,
on pages 20, 31, and 32, Oakland
County Register of Deeds Records,
for principal and interest, the sum of
Thirty Thousand Eight Hundred
Sixty Two and 61/100 (\$30,862.61)
Dollars, and an attorney's fee of
Seventy Five and 00/100 (75.00)
dollars, as provided for in said
mortgage, and no suit or proceedings
at law or in equity having been
instituted to recover the moneys
secured by said mortgage, or any
part thereof.

NOTICE IS HEREBY GIVEN, that
by virtue of the power of sale
contained in said mortgage, and
the statute in such case made and
provided, on Tuesday the 3rd day
of May A.D. 1966, at 10:00 o'clock
in the forenoon, Eastern Standard
Time, the undersigned will, at the
Main and South entrance of the
Court House in the city of Pontiac,
Michigan, (that being the place
where the Circuit Court for the
county of Oakland is held), sell

at public auction, to the highest
bidder, the premises described in
said mortgage, or so much thereof
as may be necessary to pay the
amount so as aforesaid due on said
mortgage, with 7 per cent interest,
and all legal costs, charges and
expenses, together with said attor-
ney's fee, and also any sum or
sums which may be paid by the
undersigned necessary to protect
the interest in the premises, which
are described as follows: to-wit:

**Why buy a low-priced car
when you can get
a high-priced car
for the same money?**

Especially when you can get that big Catalina there. With
wheelbase that's a good two inches longer, interiors a
lot roomier and a 389 cu. in. V-8 out front that gives you at
least 50 more standard horsepower. Along with typically
Pontiac virtues like the bold, split-grille styling, Wide-
Track ride and handling, and a resale value the record
books show is consistently up there with the leaders. And,
of course, a package of seven standard safety items like
padded visors and dash. Come in and look over our Cata-
lina. Drive it. Price it. And then you'll know what we mean
when we say if you're spending about \$3000 for a new car
and not getting a Pontiac, something's wrong

Wide-Track Pontiac Catalina
(A big, powerful Pontiac for less than \$3000*.)

*Manufacturer's suggested retail prices for Catalina 2- and 4-door hardtops and 2- and 4-door sedans are all less than \$3000. These prices include excise tax and suggested dealer delivery and handling charges. Transportation charges, state and local taxes, accessories and optional equipment add to total.

Child Study Club Alex Solly Honored at MMPA Meeting

The Clarkston Child Study Club held their April 7 meeting at the home of Mrs. Kenneth Barks, 5872 Warbler Drive.

The program for the evening was presented by Mrs. Hughie Warner who spoke on "Sex Education in Children".

Refreshments were served following the meeting.

Illinois University pioneered vocational education.

Dairy farmers with long records of service to their state have been honored by the Michigan Milk Producers Association.

MMPA is observing its golden anniversary year. Special ceremonies marking the milestone were held at the Association's Annual Meeting at Michigan State University.

Among those honored were Fred Tyson, of Lake Orion; Earl Voorhees, of Davisburg; Alex R. Solly, of Ortonville, and Harold Spicer, of South Lyon.

All were among the 50 active milk producers with longest continuous membership in MMPA at the time of the 50th Anniversary celebration.

Solly is a former member of the MMPA Board of Directors.

Besides the 50 MMPA members with longest membership in the Association, a former President of MMPA, Ivan K. Maystead, of Osseo and two former managers of the state's largest milk marketing cooperative, Howard F. Simmons of Pontiac, and B. F. Beach of Adrian, were also honored.

Thomas K. Cowden, Dean of the Michigan State University College of Agriculture, spoke at the honors program held in the auditorium at MSU. Also taking part in the ceremonies were the current MMPA President Glenn Lake, of North Branch; Vice President Harold Blaylock of Vassar, and other officers and Board members.

A cod fish has very little fat. Rock collectors are known as "rock hounds."

Boy Scouts Deserve Support

One of the most urgent problems this country must deal with is the growth of juvenile delinquency. This means that the Boy Scout movement, more than ever before, deserves the active down-to-earth support of everyone. The boy who is inculcated with Scout training and ideals isn't going to develop into a juvenile gangster.

In our area, the Clinton Valley Council of the Boy Scouts of America is currently conducting a drive to raise \$50,000 to purchase and develop Lost Lake Reservation, 2,284 acres of land near Clarkston, Michigan. A new camp is urgently needed, for the present one can accommodate only 30% of the boys now enrolled - and, conservative estimates are that membership will be doubled by 1975.

The future of our community and our nation will depend on the people who are the youngsters of today. An investment in that future is one of the soundest any enterprise or individual can make.

Persons, organizations and firms that contribute to the Clinton Valley Council Boy Scout LOST LAKE RESERVATION DEVELOPMENT FUND should derive a great deal of satisfaction in realizing they are helping to develop boyhood for the future of this area. Our Boy Scouts need and merit the interest and generosity of all good scouts.

Special Classes Set for Stroke Victims

Designed especially for Oakland County men and women who have suffered a stroke or heart attack, a class in the efficient use of the body and arms in accomplishing work will be held Monday, April 18, 1966 from 2:00-4:00 P.M. at the Oakland County Heart Information Center, 286 Hunter Blvd., Birmingham.

Sponsored by the Michigan Heart Association, the class will be held by the Association's teacher, Mrs. Alice Epple of Ann Arbor, a Home Economics expert. The Association is a United Fund Agency.

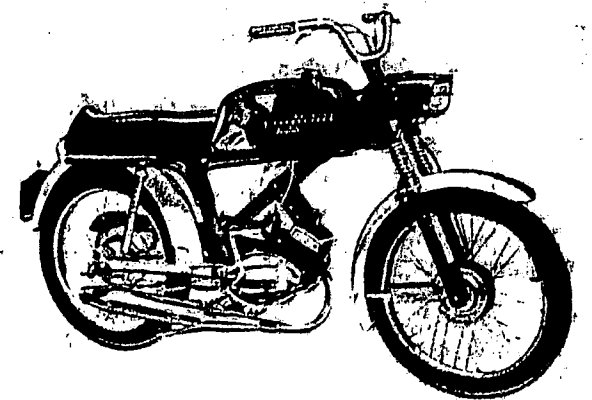

The classes are designed to teach body efficiency in two complementary ways, one for housekeeping and two, holding a job or accomplishing work. The principles, derived from standard industrial work time studies, are the same and are applicable to the stroke patient who has lost use of a limb or a heart patient who has been ordered to "take it easy."

Mrs. Epple, who does most of her teaching by demonstrations with actual tools, - she doesn't tell pupils how to sweep, she demonstrates with an actual dust mop (brooms take too much energy) - says that she concentrates on the efficient use of the arms.

Mercury is a frustrated messenger. He's been replaced by Mr. ZIP, symbol of the ZIP Code program to improve service. When you use ZIP Code in your address, it assures speedier, faster delivery.

NOTICE OF REFUND TO GAS CUSTOMERS

The approval of the Michigan Public Service Commission, Consumers Power Company will refund to its gas customers during the next few weeks a pro rata share of refunds recently received by Consumers Power from its suppliers of natural gas. Refunds are to be made in the form of credits on customer bills mailed after April 4, 1966.

To be eligible for a refund, the customer must have received gas service from Consumers Power Company during October, November and December, 1965 and must have been a customer of the Company on March 25, 1966. The amount of individual refunds will be based on each customer's gas usage during the last three months of 1965. Customers using gas to heat their homes during that period will receive refunds averaging \$1.50; non space heating customers will receive refunds averaging 30 cents.

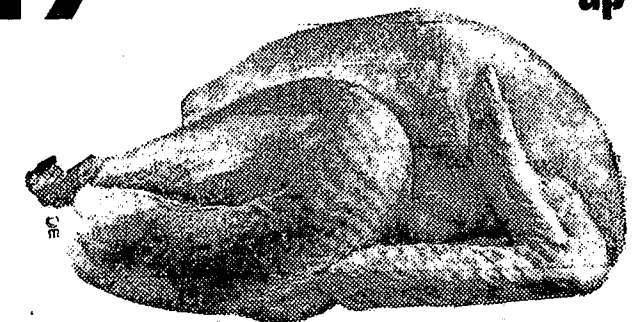

Customers who moved since December may not receive the refund automatically in the form of a credit on their next bill, because of their change of address. To obtain their refund, these customers should apply to their nearest Consumers Power Company office no later than July 1, 1966. The Company urges these customers to contact Consumers Power Company as soon as possible.
