## Clarkston Marine Gets Silver Star

### Injured in Vietnam War

The Silver Star Medal was presented to Cpl. Charles L. Denton, Company "A", 2nd Tank Bn., Force Troops, on April 14.

Corporal Denton is the son of Mr. and Mrs. Frederick Denton, 18 S. Holcomb, Clarkston.

Making the presentation on behalf of the President of the United States was Brigadier General John G. Bouker, Commanding General, Force Troops.

The citation which accompanied the medal read in part: "For conspicuous gallantry and intrepidity in action while serving with Company 'C', Third Tank Battalion, Third Marine Division during Operation Starlite in the Republic of Vietnam on August 18, 1965.

While engaged in an attack against determined, well entrenched insurgent communist (Viet Cong) forces, Corporal Denton's tank was hit by an enemy anti tank rocket.

As a result of this hit, Corporal Denton, his platoon commander and the tank's gunner were wounded, and the tank set afire.

With complete disregard for his own wound and the intense enemy fire, he climbed out of the turret and assisted his seriously injured platoon commander to a position of relative safety.

Realizing that the burning tank was a hazard to the wounded Marines in close proximity to it, Corporal Denton returned through heavy enemy mortar and small arms fire to the tank.

Boldly using hand and arm signals while in a completely exposed area, he successfully guided the tank to a protected position where he fire could be extinguished.

Once again returning to the open area, Corporal Denton assisted in the evacuation of numerous wounded. Having completed this task, he selflessly refused to be evacuated and returned to his tank."

Corporal Denton has also received the Purple Heart as the result of his sustained injuries.

Charles Denton, 20, joined the Marine Corp on August 12, 1964.

Fourteen months of his three years military service were spent in Vietnam, with ten of these fourteen months in combat.

Corporal Denton, presently is serving as a tank commander with the First Platoon, Company "A", 2nd Tank Bn., at the Marine Corps Base in Camp Lejeune, N.C. expects to be discharged from the service in October of this year.

Tank Commander Corporal Charles Denton, sits on the tank that he was in when the tank was hit by enemy fire in Vietnam, causing Corporal Denton, his platoon commander, and the tank gunner to be wounded. Corporal Denton just recently received a Silver Star for his heroic actions in assisting the tank crew at the time of the crisis.

## Several One-Car Accidents Reported to Officers

### State Police

Traveling at a high rate of speed on April 24, a car driven by Jack Phillips of St. Clair Shores, turned onto Maybee Rd. from Waterford Road.

Unable to control the car on the turn, the car skidded off the road.

Patricia Phillips, a passenger in the car was seriously injured and taken to Pontiac General Hospital.

April 25, Raymond Hallis from Flint, left his car parked on the shoulder of the Dixie Highway five miles from Andersonville Rd. to have a flat tire from his car fixed.

When he returned he found his car had been struck by a car which apparently had left the accident scene.

Sylvia Jean Thompson, 55 Buffalo Clarkston, turned left from the Dixie Highway on April 29, believing no traffic was approaching, when she heard a loud noise.

She then discovered she had been struck by Douglas Bogert of Drayton Plains, who was riding on a motorcycle.

Mr. Bogert was taken to Pontiac General Hospital by ambulance. He stated he had tried to avoid the Thompson car as it pulled in front of him.

Another car went into the ditch, this time on April 29.

The car was driven by Rev. Paul Lederman of Northville.

Minor injuries were received by a passenger in his car, Mary Lederman of Ferndale.

Rev. Lederman reported his car had gone off the road on the I-75 expressway near the Holcomb overpass and he had been unable to get it back on the road before it went into the ditch.

On leaving the Pontiac Drive in exit to the Dixie Highway, Cecil Sherwood of 10221 Crosby Lake, Clarkston, failed to see a car which had pulled in front of him.

He stated he had checked traffic both ways.

His car struck the rear of one belonging to Charles Vogt of Pontiac. Both Charles Vogt and his passenger, Nancy Vogt, sustained serious injuries as a result and were taken to Pontiac General Hospital.

Passengers in the Sherwood car were Douglas Sherwood and Michael Huntworth, of 4781 Hillsboro.

Cecil Sherwood was ticketed for failure to yield right of way.

Falling asleep at the wheel of his car at three a.m. caused a car driven by Richard Krywick of Madison Heights to leave the I-75 ex-

pressway and strike the Baldwin Rd. exit sign.

No injuries were reported.

**Sheriff's Dept.**

An oncoming car passing over the double yellow line near 5195 Clarkston Rd. led to serious injuries for Harry Pendred of Pontiac.

Mr. Pendred stated the approaching car caused him to lose control of his car. The car continued on to hit a tree and mailbox.

The accident occurred on April 25. Emmanuel DeBono from Dearborn was injured on April 28 in the parking lot of the Tally Ho Restaurant, on the Dixie Highway when a car in front of him backed up suddenly.

Edward Church of Davisburg claimed he had been parked and saw no one behind him when he started to back up.

**Trailers, Coaches are Popular**

Trailers and trailer coaches are gaining in popularity here in Michigan.

Annual report issued by the Michigan Department of State, showed increases of around 6,000 trailers to 367,800, and a like hike in coaches from 35,900 to 41,900.

## Board Tables Section 18 Rezoning Request

Factions of discontented homeowners spoke at the Independence Township Board meeting held on May 5 in the lower meeting room of the Township Hall.

First concern voiced was by homeowners of Section 18. Approximately twenty people were there to personally back up a petition, presented to the board, requesting that Section 18 not be rezoned from its present Agricultural zoning to Residence 1.

It was the strong consensus of audience opinion that the Planning Commission did not have an open mind toward their pleas at their April 21 meeting, at which time the Planning Commission had proposed the zoning change.

Trustee Harold Bauer, who had not attended the April 21 meeting, explained what he felt had prompted the Planning Commission to take the action.

In establishing a Master Plan, areas and adjacent areas that are in the center of development for the near future, are reviewed because they would most likely be in demand for rezoning.

Independence Township Supervisor Duane Hursfall said no action would be taken at this (May 5) meeting but would be tabled until the June 7th meeting.

Woodhull Lake Subdivision was also strongly represented. Problems of inadequate sewage and general worsening of conditions prompted some people in the area to seek the help of the Independence Township Board.

Basic septic tank problems apparently stem from the fact that the homes and septic systems were originally built for three month summer residency only.

Presently these homes are being resold for year round use. Thus, the sewage system setup has automatically magnified.

Supervisor Duane Hursfall stated he recently made a trip thru the area and felt part of the situation was in rubbish, boards, abandoned cars etc. being left on vacant and occupied property.

After viewing the area, Supervisor Hursfall made the request that the Health Department be called to check the area's septic system.

The Health Department is due to check the area next week, at which time they will run dye tests of the ground. It was pointed out that this was the most effective way to test for improper sewage.

Once it is established who is at fault, action can be taken by the Township Board.

Township Attorney Paul Mandel reiterated that only if a health or safety factor is involved can the Township Board take any action.

It is necessary for a specific complaint to be leveled against a specific piece of property.

Residents of the Pine Knob area have discovered the winter time noises of the Pine Knob Resort snow making machines have recently been replaced with car racing in the parking lot of the Resort.

Realizing that the racing, although noisy, is harmless, the residents are concerned for the increased number of racing cars coming and going to and from the area. The roads also have a heavy use by springtime Sunday afternoon drivers.

The suggested request for a sheriff's car to be posted in the area at that time with the hope of insuring safety, met with general agreement.

It was also proposed by an area resident that a large red stop sign be installed at the exit of the Pine Knob Ski Resort at Sashabaw Road, as drivers do not always realize they have approached Sashabaw Rd. until it is too late.

Consideration and courtesy brought Merrill LaRue of Bay City, before the Independence Township Board to relay a search he and a group of interested investors are making for a parcel of land to be eventually made into a cemetery. The cemetery would be on the order of the White Chapel Cemetery.

The land search calls for forty or more acres of land.

During a special meeting of the Independence Township Board Tuesday, April 26, the firm of Johnson and Anderson Consultant Engineers were appointed alternate engineers for the township.

The special meeting was called mainly to discuss cemeteries and review the prices of grave lots and service charges.

Independence Township Cemetery Superintendent Jack Parker and Bernard Rapin, secretary-treasurer of the Michigan Cemetery Association were on hand to answer questions from the Board.

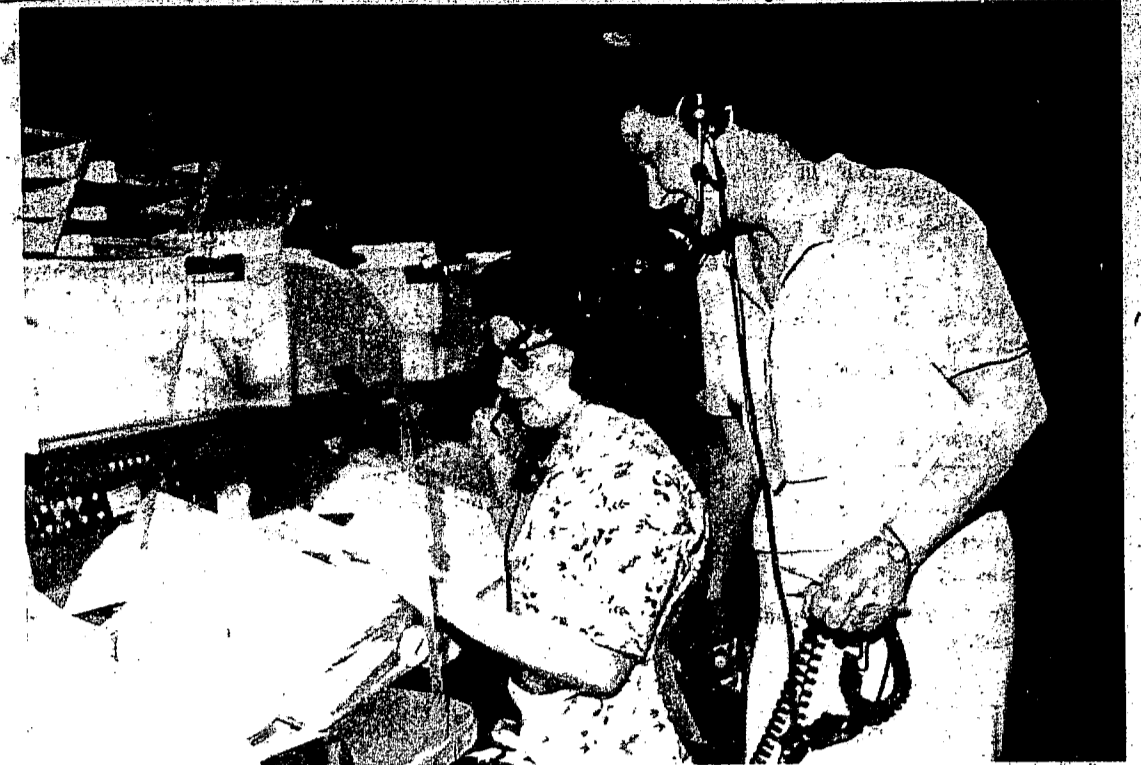

At present the Township owns a 25 acre parcel of land on Flemings Lake Rd., which backs up to I-75. The property was purchased two years ago for development and use as a cemetery in the future.

An electrical permit fee of \$139 for the North Sashabaw Elementary School on Mappee Rd. was waived by the Board.

**OES Banquet**

The Thomas Order of the Eastern Star at Oakwood will hold a Mother-Daughter banquet on Friday, May 6 at 6:30 p.m.

There will be a charge for the banquet.

## Michigan Bell Operators Send Help to Local Woman

Alertness on the part of the two Michigan Bell telephone operators pictured above (seated, is information operator Eugena Turner, and service operator Olive Zimmerman) may well have saved the life of Mrs. Vincent (Donna) Goldade, of Clarkston.

On Saturday morning, March 5, Mrs. Goldade had called information and asked for the number of a doctor. Information operator Eugena Turner took the call and connected her with a doctor.

Mrs. Turner realized that although the doctor had hung up his phone, Mrs. Goldade's phone was still off the receiver.

"I tried to get her to answer me," explained Mrs. Turner. "I was worried about her."

Mrs. Turner then notified the service operator, Mrs. Zimmerman.

The operator then checked the cross reference file and found Mrs. Goldade's number and address.

Next they called the Independence Township Fire Department.

"We kept trying to call her number and kept getting a busy signal," said Mrs. Zimmerman.

Finally the number rang through and a man answered.

The man, a fireman, told the operators they had called an ambulance for Mrs. Goldade.

"I have been wondering ever since, how the woman was," said Mrs. Turner.

The heart condition which sent Mrs. Goldade to the hospital, still leaves her weak.

She returned from the hospital Monday, May 2, very much alive thanks to two Michigan Bell operators "just doing our job".

## Oakland Children's Village Badly in Need of Homes

An appeal has been relayed to the Clarkston News from Mrs. George Gray, of 6013 Middle Lake Rd. who is well qualified to understand its need.

Nevertheless, there remains an urgent need for additional foster homes, especially for older children.

As a foster mother twenty four times over a twelve year span, Mrs. Gray knows the rewards of having responded to its request.

Following is a letter Mrs. Gray brought to us. It is from Donald Rolph, Program Coordinator of the Oakland County Children's Village. Dear Parents:

We sincerely appreciate your unflinching support in meeting the very special need of boarding care, as part of the total Children's Village program. Without you we would be

in dire need when confronted with many children referred to us.

Offer Child Care at OU for Mothers

Something new has been added! A Child Care Center for mothers who want to complete or add to their education has been established at Oakland University. The Continuum Center, part of the Division of Continuing Education, announced today that mothers may register their pre-school children for the Child Care Center on April 29 from 8:30 a.m. to 4 p.m. at Room 114, Oakland Center.

Women interested in taking a course this summer should call the University immediately as the new semester began May 2.

Cost of this new service to mothers is nominal and operating hours of the Center will be flexible. The Child Care Center will be located at Five Points Church opposite the campus on Walton Boulevard and will be staffed by a professional director with students as assistants.

An advisory board, concerned with the fact that women must be educated if they are to be useful to a specialized society after their children are grown, explored the possibility of a nursery-day care plan for Oakland University students. The consensus was that this

Buffet Served at Card Party

The annual spring card party, with a dessert buffet, will be held at the Church of the Resurrection, on May 9.

The Episcopal Church is located on the corner of Perry Lake and Clarkston Roads.

Men as well as women are cordially invited to spend a pleasant evening playing cards, beginning at 8:00 p.m.

Table and door prizes will be given.

Tickets may be purchased ahead from any Episcopal Church Women Club member, at the door, or by calling Mrs. Robert Whaley at 625-2698.

Assisting Mrs. Whaley, this year's chairman, is co-chairman Mrs. Richard Logan.

ren. We are, therefore, requesting your assistance in order to resolve this rapidly increasing problem.

May I first define the problem for you. There are presently 15 to 20 children at the Village, ages 8 to 16 years, girls and boys for whom no other plan is available.

These youngsters are both permanent and temporary wards of the Court, Catholic and Protestant, Caucasian, Negro, and Mexican.

It is true that the older youngster presents some unique problems, as do all our children, but as with all ages these problems are best resolved in a home atmosphere as compared to the institutional setting.

Unfortunately, the problems of the older children are often "over-rated", hence, no one is interested in this pressing and rewarding challenge.

We honestly believe that a foster home is the answer for these youngsters, but once again, none are available.

May we ask you to publicize our need for new foster homes, with special recognition given this definite need. Needless to say, we are always interested in those prospective homes for the younger children, too.

Thank you again for your dedication to our foster care program and for your consideration of our current need.

Appreciatively yours, Donald W. Rolph, Program Coordinator.

Anyone wishing to personally discuss this possibility further, may do so by contacting Mrs. Gray.

## Calendar Sales in Village

The annual village sales of Women's Birthday Calendars will be held this Friday and Saturday.

Money received from this May 6 and 7 sale will join the special library fund already established in the Clarkston Branch of The Pontiac State Bank.

Making their final appeal, Women's Club members will be stationed in front of the Bank from 3 to 6 p.m. on Friday and 9 to 10 a.m. Saturday.

## Changes at Post

Shifting in State Police posts has transferred Trooper Gary H. Veurink of Pontiac, to White Pigeon.

Arriving at the Pontiac post from Paw Paw is Trooper Richard C. Nelson.

Arbor day, nationally celebrated on April 29, was also commemorated here in Clarkston. As part of the Arbor Day program in the State, Bailey Lake Elementary School was the recipient of a Blueana Plum tree.

Presently 7-8 ft. the tree will grow to a height of 15-18 feet and have purple leaves and double pink flowers.

Engrossed in the tree, Mr. Floyd Vincent (Assistant Superintendent), with a shovel in his hand, and their school principal Mr. John Reabe, are two kindergarten children who will probably be partners in growing up with the tree.

The children are Beth Ann Rofik and Mark Lindahl.

Spiritual versus materialistic views of man's nature will be explored at Christian Science church services this Sunday in a Bible Lesson on "Adam and Fallen Man."

In addition to passages from the opening chapters of Genesis, Bible readings will present the account of Jesus raising Lazarus from the grave, and these lines from Ephesians and Isaiah: "Awake thou that sleepest, and arise from the dead, and Christ shall give thee light... Shake thyself from the dust."

Interpretive statements to be read from the Christian Science textbook will include these: "This awakening is the forever coming of Christ, the advanced appearing of Truth, which casts out error and heals the sick... When we wake to the truth of being, all disease, pain, weakness, weariness, sorrow, sin, death, will be unknown, and the mortal dream will forever cease" ("Science and Health with Key to the Scriptures" by Mary Baker Eddy).

OUR FATHER: Constrain us, we pray Thee, to meditate on Thy precepts, to have respect unto Thy words, and never to forget Thy Word. AMEN.

## Reaching Out

### The Book of Books

Thy word is a lamp unto my feet, and a light unto my path. Psalm 119:105

Our beloved country, in every critical period of her history, has been led by men of intelligence, discernment and faith, by deeply religious men well grounded in the Word of God who diligently searched the Scriptures for guidance.

To George Washington the Bible was the benign light of revelation. He spent many hours meditating on its transcendent message and his life is ample testimony to the courage and strength this affords him.

John Quincy Adams declared that the Bible is the Book to be read at all ages and all conditions of life, that it should be read in small portions every day and never interrupted except by some overruling necessity.

Pathetically deficient in schooling, the boy Lincoln turned to the few books available to him, among them the Bible, and the Bible served as his unfailing support all the days of his life. The Bible is suited, he later said, to men of all conditions of life. It plainly sets forth every duty one owes to his Maker and to his fellow men. It truly is God's best gift to His children.

The crying need of this our own day is a religious revival which will animate men in all walks of life. An earnest return to Bible reading and study will surely supply the spiritual heaven required to start and to sustain such a beneficent movement.

OUR FATHER: Constrain us, we pray Thee, to meditate on Thy precepts, to have respect unto Thy words, and never to forget Thy Word. AMEN.

Everett Butters.

**Christian Scientists Have Lecture**

**Auction to Pay for Band Uniforms**

Antiques turn up in the strangest places. After weeks of digging in old barns and musty attics, many fine antiques have been found and will be auctioned off Saturday, May 14, at 10:00 a.m. on the corner of Grange Hall and Fish Lake Road in Holly.

There will be many items of interest for everyone, such as antique furniture, dishes, miscellaneous furniture, appliances, sports equipment and tools.

Children will be especially interested in a black Cocker Spaniel puppy specifically donated for the auction.

As an added attraction at the same location, will be an old fashioned country store. It will be open for five days prior to the auction, beginning May 9. The hours are from 10:00 a.m. until 7:00 p.m.

The public is invited to come out and browse through these sale articles. Small antiques, new and used items, hand made articles and baked goods will be offered.

Displays by local artists and antique collectors will also be featured.

The purpose of the auction and country store is to raise funds to pay for the recently purchased band uniforms for the Holly Senior High school band members. The auction is sponsored by the Holly Band Boosters Club and the services of a professional auctioneer have been obtained. In case of rain, the auction will be held the following Saturday, May 22.

**O.E.S. to Hold Card Party**

Past matrons of the Joseph C. Bird Chapter, O.E.S., are having a card party on Friday, May 6.

The public is invited to attend the party at the Clarkston Masonic Temple.

Seven thirty is the time set for the party to begin.

Door prizes will be given and refreshments served.

**Spiritual Discovery**

It may well be man's most important challenge: to search and probe his intuitions about religion until he discovers that point in his consciousness where spiritual reality breaks through, the divine touches the human, and God transforms the world with His image. You are invited to hear this public lecture titled "The Demand of Spiritual Discovery" by OTTO BERTSCHI, C.S.B., a member of The Christian Science Board of Lectureship.

Strange how a landscape sets the imagination to work. Right now, looking at this scene, I can imagine all sorts of things. Winged steeds riding to heavy music... pioneers in the wilderness... castles on the cliffs... boating at high speeds. Look at the magic that enables the lake to mirror the rocky mountain peak and the heavens! The vastness and stillness of the scene sets my mind to wondering about time and space and things I will never understand. But in standing here and wondering so, I feel like I've been near God. There is a place where I can find Him always in Church. Will you come with me?

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church: They are: 1. For his own sake. 2. For his children's sake. 3. For the sake of his community and nation. 4. For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

## Spiritual Discovery

It may well be man's most important challenge: to search and probe his intuitions about religion until he discovers that point in his consciousness where spiritual reality breaks through, the divine touches the human, and God transforms the world with His image. You are invited to hear this public lecture titled "The Demand of Spiritual Discovery" by OTTO BERTSCHI, C.S.B., a member of The Christian Science Board of Lectureship.

# "ROUND THE TOWN"

By Mrs. Shirley Lynch

MAple 5-1065

Kathi, daughter of Mr. and Mrs. William Dennis of Eastlawn, has returned home after being in the hospital where she had her tonsils removed.

Mr. and Mrs. Gerald Smith of Andersonville Rd. enjoyed vacationing last week in Northern Michigan. Most of the time was spent in sight seeing and visiting relatives.

Mr. and Mrs. William Pirtle and family of Detroit were dinner guests of the Lynn Pirtle's on Flemmings Lake Rd. Sunday.

Mr. and Mrs. Merle Riddle of Tappan Dr. had as their guests last week Mrs. Riddle's parents, Mr. and Mrs. Oscar Waltz of Atlanta.

Mr. and Mrs. Arthur Keeley on Waldon Rd. attended the wedding Saturday evening of their cousin, Mary Sue Horner to Steven Wayne Allen of Detroit.

Mr. and Mrs. Louis Seffens and family on Waldon Rd. gave a birthday dinner in honor of Mrs. Seffens' mother, Mrs. Albert Givens, who's birthday was April 25.

Mr. and Mrs. Dewey Johnson have returned to their home on Harsen Island after spending the winter in Florida. The Johnson's were dinner guests Sunday at the home of their daughter and family, the Floyd Towers' on Transparent. Later in the afternoon other relatives joined them at the Tower home to welcome them back.

Mr. and Mrs. George Robinson of Maybee Rd. celebrated their wedding anniversary Saturday evening with dinner and dancing in

Detroit. Mr. and Mrs. Walter Amern of Lansing joined them.

Mr. and Mrs. Lavern Nelson of Southfield and Mr. and Mrs. Wilbert Erickson of Detroit were guests at the home of the Albert Givens on Waldon Rd. last Tuesday. The occasion was the celebration of Mrs. Givens' birthday.

Mrs. Arthur Kelley of White Lake Rd. and Mrs. John J. Lynch attended an American Legion Auxiliary membership luncheon last Saturday at the Birmingham Troy Post. As second Vice President and Membership Chairman, Mrs. Kelley received a gift for the Clarkston Auxiliary reaching their quota. Clarkston was the first to reach quota in the District which is an honor.

Mr. and Mrs. Rodger Dennis and family of Battle Creek visited the William Dennis family on Eastlawn Sunday. They enjoyed dinner and a family visit.

Mr. and Mrs. Thomas Toukson of Dixie Hwy. were weekend guests of Mr. and Mrs. Guy Toukson of Grand Haven. The brothers retold family stories for the benefit of their children as it was the first time they had been together for several years.

Mr. and Mrs. Lynn Pirtle spent Sunday teaching Carol, Kathy and Danny, three of their seven children to ride horses. One spill by Carol without any damage was the only error of the day. A few more lessons will be needed before they are on their own.

Open house in honor of Mr. and Mrs. Richard Christinson's twenty-fifth wedding anniversary April 27

was held at their home Sunday. Their children Lynn, Cindy and Larry as well as other relatives, hosted the occasion. Miss Carol Storm cut the lovely wedding cake with Miss Jennifer Pike serving punch, Mrs. Ed Wagner and Miss Diane Wagner poured. Seventy friends and relatives attended the open house and buffet.

Mr. and Mrs. James Clark have returned to their apartment on Dixie Hwy. after spending most of the winter in Arizona.

Lt. JG Nathan Riffle, son of Mrs. Sherman Lowery of 40 Buffalo, spent three days visiting Clarkston. He was accompanied by his wife and four children.

Lt. Riffle has spent the last two years in Guam as navigator in a weather reconnaissance plane, as part of his duties in the Naval Air Force.

His next assignment is a computer school in San Diego.

Mrs. Elaine E. Lilmatta of Independence Township, is recuperating after minor surgery. She is a patient at the William Beaumont Hospital in Royal Oak.

Her sister and brother-in-law, Mr. and Mrs. Pete Sormunen were involved in a serious accident patients in the John F. Memorial Hospital in Atlanta, Florida. They while on their way to Lake Worth. The Sormunen's reside in Chassell, Michigan.

## Booster Meeting Meets Monday 7:30 - High School

Mr. and Mrs. Emil Nagher, 2455 LaMothe, Detroit announce the engagement of their daughter, Linda Diane, to Neal Norgrove, son of Mr. and Mrs. Ivan Norgrove, of Macedonia Lake.

Neal Norgrove is a graduate of Clarkston Senior High. The wedding date has been set for August 13.

## Glasses Offered at YWCA

The Y.W.C.A. of Pontiac has announced openings in the Monday evening upholstery classes which meet for a ten week period from 7:30 to 9:30 p.m.

Mrs. Reba Netzlar, director of the Y.W.C.A., states that it is not necessary to be an expert in sewing. Any beginner can learn to do upholstery.

Each student brings a chair and during the course tears the chair down, mends the construction and makes repairs before the process of recovering begins.

The chairs are stored at the Y.W.C.A. Classes are open to both men and women in the area.

A charm and poise class for teens, under the direction of Maxine Sheldon, well known charm expert in the Birmingham and Detroit area, is also offered.

Covered in the course are visual poise, makeup, skin care, hair grooming and styling, figure exercises and diet and wardrobe planning.

These classes are for girls between the ages of 13-18 and are held on Saturday mornings at the Y.W.C.A. from 10-12.

The Y.W.C.A. is located at 269 West Huron in Pontiac.

Anyone interested may call 334-0973.

## Class Learning Put to Test

Twenty two students in the Retailing and Salesmanship class at the Clarkston Senior High school will be seeking the practical experience of their classroom lessons, this Friday, May sixth.

Door to door, the students will offer a variety of serviceable paper products such as typing paper, stenographers pads, etc.

The hours of the sale are from noon to three.

Salesmanship experience with no monetary gain is the only profit the eleventh grade students and their teacher, Pete Thompson, are seeking.

It's all over but the shouting for these seven young girls. Voted to lead the cheering at next years sports events were: Shala Smith, Nancy Weiss, Cheryl Manstield and mana-

ger Priscilla Wice. Front row in the same left to right order are Shawn Blazey, Caroline Giles and Jan Peters.

Stepping up to the plate to lead cheerleading are the Clarkston Varsity cheerleaders. Forward from the back are: Bill DeKey,

Terry McDermott, Nancy Ballard, Nanette Cole, Cheryl Lee, Susan Judwin, Karen Gatt, Jennifer and Joe Bennett, manager.

Ships ahoy! As the stage of the Clarkston Junior High School prepares to set sail on its musical venture into H.M.S. Pinafore, The Gilbert and Sullivan operetta, under the direction of Miss Gryce Warren, will

be publicly presented on May 6 and 7, and begin at 7:30 p.m. Karen Dee will accompany the eighty seven students at the piano.

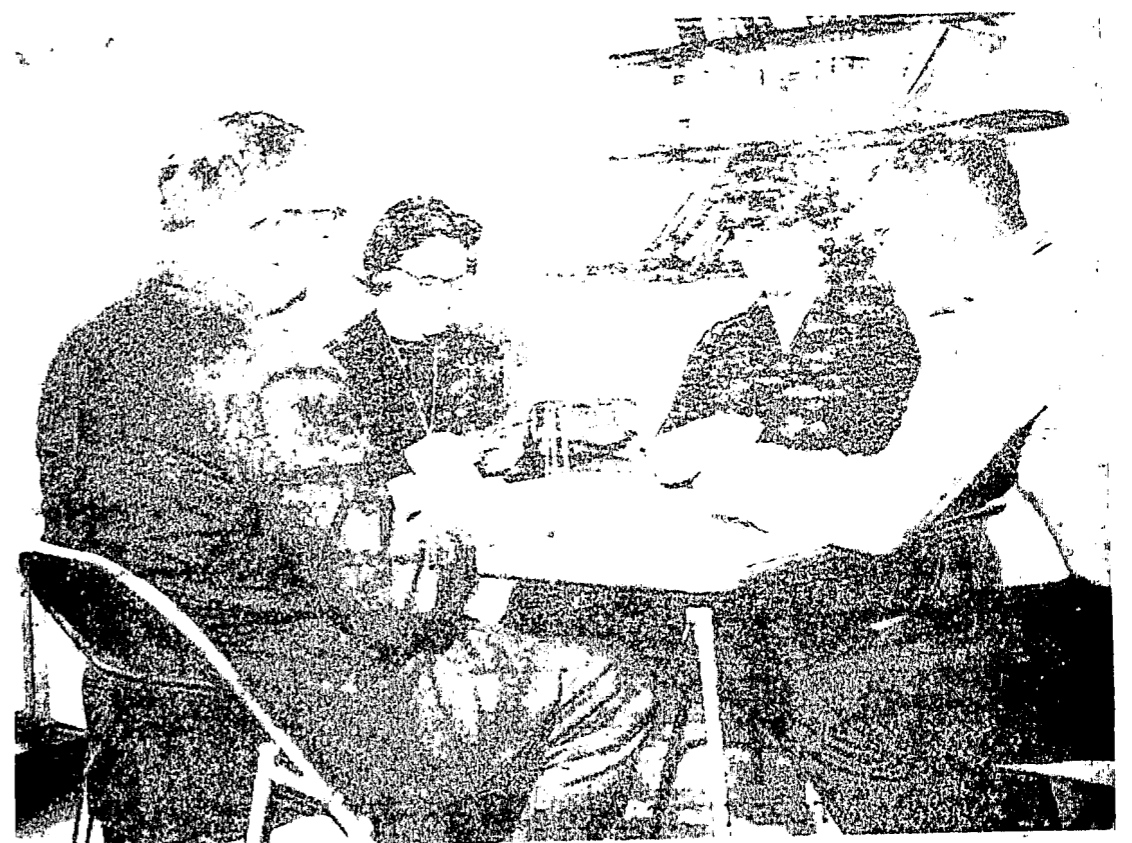

Mother Nature found her way to the Clarkston Junior High School brightly in an eerie yet beautiful display. The display was on display Wednesday.

At the beginning stages of the JC auction, with dark, forboding clouds hanging low over the corner of Washington and Main, congenial Howard Weaver obediently sits in a donated chair for a simulated chair pickup by Harry Fahrner and Chuck

Curry. The hard working efforts of Mr. Weaver and many other JC members paid off on April 30 to the financial tune of almost \$200.

Keeping the cards warm for their planned May 9 Card Party are the Rev. Alex Stewart, Vicar of the Church of the Resurrection, and church members Mr. and Mrs. Robert Tilley. Mrs. Robert Whaley, on the right, is

this year's card party chairman. A dessert buffet will top the social evening. Tickets for the event may be obtained from church members, or at the door, at 8:00 p.m.

### More on Manzella Incident

To the Editor:  
I doubt if Mr. Long was an eyewitness to the incident that occurred at Manzella's Bar, since his recounting of the circumstances conflicted with the owners sworn testimony in several places.  
I, too, was not present at the time. However, after having heard both sides of the story in a properly conducted hearing, I definitely feel that the bar owner and his brother were in the wrong, regardless of the circumstances.  
Any property owner does have the right to protect himself and his property. But the way in which the Manzella brothers chose to do this cannot be condoned. In the course of operating a public establishment serving liquor, the owner will un-

doubtedly encounter the "belligerence" of many customers with a few drinks too many. Would this be the way to handle them?  
I feel, as many others must, that a beating requiring 58 stitches to close the wounds in addition to indescribable bruises, was not in the normal course of protecting oneself from anything short of armed assault.  
This is an age of many false justifications for lawbreaking, but I doubt the responsible citizenry will swallow these excuses in allowing such flagrancy of the law to exist in Clarkston.  
FOR JUSTICE  
Florida produces crops valued at \$4-billion a year.

## Celebrate Anniversary

With quiet dignity, Mr. and Mrs. Guy Walters pose for their ninth wedding anniversary picture. Congratulations on this special May first day. Mr. Walters, who is over ninety years young, is one of Clarkston's earliest pioneers. Mrs. Walters, the former Viola Alger, also remembers Clarkston as a young community.

## Notice of Registration

Citizens not now legally registered, and who reside within the boundaries of the Clarkston Community School District, may register prior to 5:00 P.M. May 16, 1966, with their township clerk, to be eligible to vote at the annual school board election of June 13, 1966.

## Continue Tennis Winning Streak

The tennis team continues on their winning way as they defeated Rochester 4-3 and Bloomfield Hills 4-1.

In the Rochester match Mike Dougherty was defeated 6-4 and 5-3. One should point out that Dougherty gave the Rochester boy his roughest competition of the year.

The double team of Kib Beattie and Bullard-Samson and Gallipo, Kirk Beattie and Griffiths were victorious.

Mark Erickson won the lone singles match.

For the second time this season the netters from Clarkston defeated Bloomfield Hills 4-1.

Mike Dougherty started another victory streak as he won easily, whereas Mark Erickson was defeated in a close match.

The doubles team of Samson and Gallipo won their 9th straight match without a defeat.

The double team of Beattie and

Bullard won their 7th match of the year, they have lost one match.

These two victories gave the tennis team a record of 7-1 this year.

### Baseball

The baseball team coached by Pete Thompson defeated West Bloomfield and Bloomfield Hills.

These two wins give the baseball team a record of 5-2 in league play.

Last week the boys defeated Bloomfield Hills 8-4. Dan Fife was the winning pitcher. Dan had 11 strike outs and also had 2 for 3 R.B.I.'s.

Clarkston was behind 4-3, but scored 5 runs in the later stages of the game.

Clarkston had a field day at West Bloomfield as the boys pounded out a 15-2 victory.

The Wolves had a track meet of their own by scoring 15 runs.

Don Spangler was the winning pitcher as he allowed only two hits. Don also struck out 6 West Bloomfield hitters.

He slugged two long doubles and had the three R.B.I.'s.

Tom Allen continues to lead the team in hitting with a .410 batting average.

This week the team has two games against Holly and Waterford. Both games are away.

### Golf

The golf team had two matches, and they lost both of them. Holly defeated the Wolves by two strokes and Northville took Clarkston by twenty strokes.

According to Coach Kenyon, the Clarkston golfers were an improved lot - as King Robinson shot a 38, John White and Kurt Maslowski 40 each, Larry Parker a 42 and Tracy Tucson 48.

However when they traveled to

Northville the Mustangs clobbered the Wolves by 20 strokes.

This week the golf team will have matches against Lake Orion, Milford, Rochester and Davison.

### Track

The track team competed in only one meet and that was over at Mt. Pleasant, Mich. The coaches took several boys to the Central Relays with none of them qualifying for the finals.

This week the running Wolves will compete at Bloomfield Hills, Oxford, and again at Oxford for the Oxford Relays.

### Little League

#### Managers are Needed Badly

Unless some fathers care enough to come to the rescue, about three hundred boys will not be playing Little League baseball this summer. Bud McGrath has sent out an urgent appeal for fathers to help as managers in one of the favorite Township Recreation sports.

There will be a meeting in the high school cafeteria, Monday, May 9, at 7:30 p.m., for all managers and men and women who are interested in managing a team.

Four leagues are now scheduled: Widgets (9-10), Midgets (11-12), Jr. High (13-14) and a slow pitch league for men 21 years old, and over.

Mr. McGrath would like any person, college age and over to meet with him on May 9th. Don't let our boys down.

### As Jeff Sees It

By Jeff Fisher

During the last week, I had the opportunity to interview a few high school students, the topic being the recent Northern High School strikes and a few of our own school complaints.

The subject of the Northern strikes has made quite an impression on many of the students. Opinions range from extreme support of the movement to complete indifference to the problem.

The only complaint any of Clarkston students have is that they still have not accustomed themselves to the lack of class bells. The bells, which dismissed the students from one class to another have been discontinued for several months.

Oddly enough, there were none of the traditional lunch complaints. On the Senior High fashion scene, the Modnik look is coming and tight pants are still the vogue. The Modnik look is, naturally, a British import.

The style is typified by a wide belt with an extremely large buckle, high collared shirt, and pants

that narrow at the waist, and become even more narrow as they descend.

Tight pants are now even more than a fad. I asked one wearer of the apparel why he wears them. He replied, "It gives me that really secure feeling".

Before closing, I would like to extend my congratulations to Jan Peters and Nancy Weiss upon being chosen as Varsity cheerleaders.

The Varsity squad now consists of Caroline Giles, Pam Affolder, Shayla Smith, Shawn Blazey and Cheryl Mansfield, alternate. The Varsity squad is managed by Priscilla Wice.

The Jr. Varsity squad now consists of Salli Radoye, Sherry Jadin, Cindy Ford, Nancy Bullard, Nanette Giles, Terry MacDougal and Karen Kraft as alternate. The Jr. Varsity squad is managed by Sue Bennett.
