SINGLE COPY 10 CENTS

Independence Twp. Land In Process of Change

Our Township is growing up, believe it or not, just look around you, the evidence is there.

What once were fields of corn, wheat, grazing cattle and the smell of new mown hay is now land just waiting to be cut up into streets, to be decorated with homes and to be dotted with schools, recreation areas, shopping centers, churches, and all of the facilities necessary to make orderly living possible.

Already the scene has changed in a good deal of the north areas. Our schools have long been consolidated, and more are being constructed. New churches in the area attest to our growth, and the quality of our new neighbors.

One might ask "What on earth are we going to do with all this land? What is going to become of it? What will it look like after it's all been cut up? What affect will it all have on me and my family?"

The purpose of this informal message is to try to make clear what is being done by the Township Officials and the Planning Commission in cooperation with land developers and our own good citizens, to guarantee the future citizens of our Township that they will live in an area with orderly, well laid-out subdivisions, with adequate well-placed school plots, that their homes will be readily accessible to fire protection.

In accessing land for its best use, certain consideration must be given to surrounding areas so that its ultimate use will blend in with as near as possible, the use or planned use of adjoining lands.

This is called comprehensive planning, and without knowing where we are going, we could wind up with a hodge podge that would look like what "topsy" brought home.

Therefore, sometime back, your Township Board made a wise decision to change from the "Township Zoning Board" to the "Township Planning Commission".

The Township Planning Commission has no power other than to recommend to the Township Board certain changes in our zoning map or changes in our zoning codes.

But the change opened the way for your Township to provide itself with the necessary Federal funds, to hire expert planners, who in working along with the Planning Commission could create in advance a picture of what your Township will look like when it is fully developed.

This process has been going on for the past year, and should be ready for your approval in about one more year.

Our Township is made up of rugged, hilly, land to gently rolling areas, spotted with lakes, swamps, open areas to wooded farm lots. We can provide for three acre plots, known as Suburban Farms in the

rugged hilly areas to 15,000 sq. foot plots in the residential (one) areas.

We will be able to set up sites for apartment dwellers, adjoining recreation areas where the elderly can enjoy the view of activities of the young in their declining years.

Planning of land use is done so that you can live better in the future in harmony with your neighbors, it is something that moves slowly but to an ultimate goal. It can be complicated with facts and figures and when the job is completed you will be provided with them for your ultimate decision.

Independence Township Planning Commission

Youths Questioned on Burglaries

Five juvenile boys and a seventeen year old, Larry Buhl of 3434 Floretta, Pontiac, were apprehended Sunday, May 15 in connection with two burglaries at the Clintonville Market, 484 Clintonville, Waterford Township.

Buhl pleaded guilty before Waterford Township Justice Christian Powell on Monday. A \$1,000 personal security bond was posted and Buhl was bound over to Circuit Court.

According to investigating State Police Troopers Charles Murr and Duane Gerstenberger, the juveniles were released to the custody of their parents and petitioned to Juvenile Court.

The first robbery occurred May 1 at 10:00 P.M., the second, May 14 at the same hour.

The May 14 burglary netted the pilferers twelve cases of beer, 38 cartons of cigarettes and many miscellaneous items.

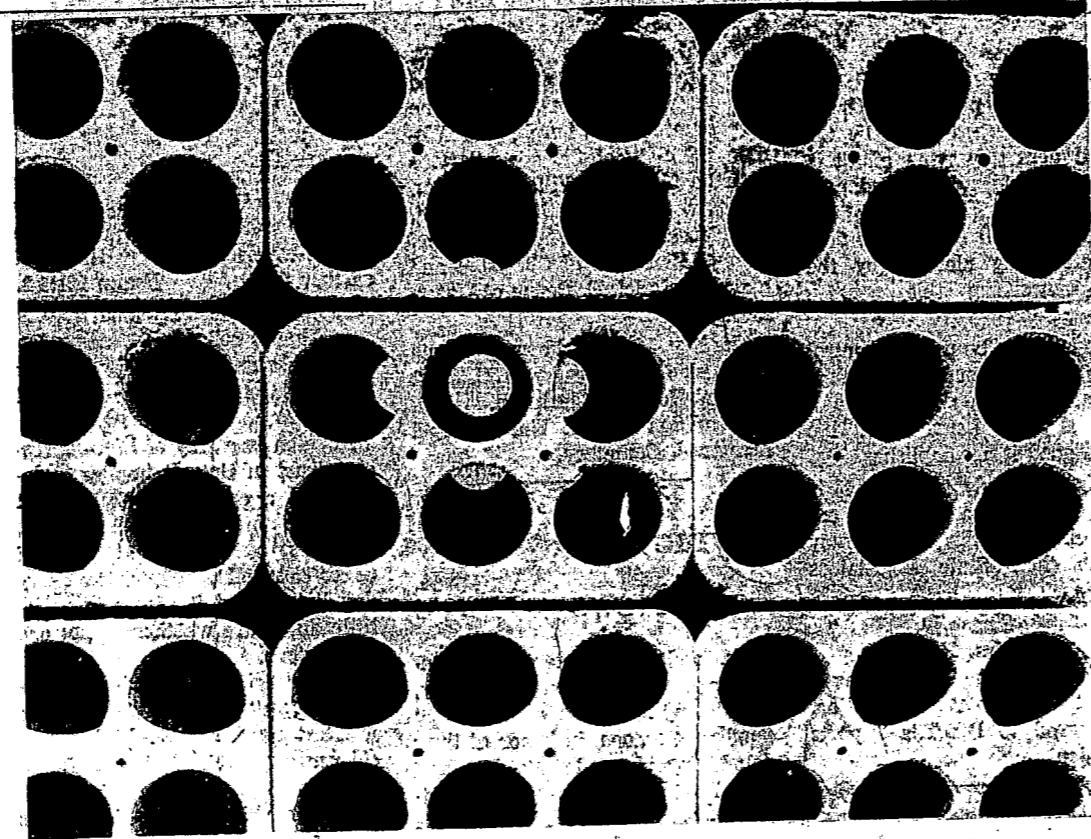

Access to the market, in both instances, was gained by the breaking of windows.

Band to Present All-School Concert

"Progress '66" describes the action taking place at 7:30 p.m. on May 24th in the high school gymnasium. At this time, an all-school band concert will be presented to the public. Three hundred and seventy-four students will be involved, ranging from the fifth grade to the senior high band.

A wide variety of songs will be directed by Miss Evelyn Peters, grade school instrumental instructor, and B. J. Connors, junior and senior high band director.

Tickets for the annual affair may be purchased from any band member or at the door Tuesday evening.

An air conditioned waffle? — Binoculars for a fifty eyed monster? — Check picture page for the real thing.

Poppy Day This Weekend

Against a backdrop created by the courageous efforts of our fighting men in Vietnam, The American Legion's 1966 Poppy Day observance will hold a very special significance for millions of patriotic Americans this year.

Through the wearing of the traditional red poppy... the symbol of remembrance for those gallant Americans of all our wars who gave their lives in defense of freedom... thoughtful citizens throughout the United States will offer simple

but sincere appreciation for the sacrifices being made by our armed forces.

Commander John J. Lynch of the Campbell Richmond Post No. 63 American Legion announces May 19, 20 and 21 as its annual Poppy Day

Dr. Charles Fusilier

Registration Date Is Announced

The Clarkston Community School District will register Kindergarten children for the 1966-67 school term on Friday, May 27, 1966, 9:00 A.M. - 4:00 P.M.

Registration will be conducted in each Elementary School.

Parents are requested to bring the child's birth certificate or other proof of age at time of registration. Kindergarten children must be five (5) years of age on or before December 1, 1966 to be eligible for enrollment in the fall of 1966.

The State Law also requires Kindergarten children to have the protective shots and a doctor's statement attesting to the physical condition of the child. However, should this requirement conflict with religious convictions or other objections, the parent or guardian may be released from the above requirements by filing a statement of objection with the building principal at the time of registration.

Dr. Raymond J. Nagle, AFDE, president and dean of the New York University College of Dentistry, has termed the fellowships as of "inestimable" value in encouraging more dentists to go into teaching on a full-time basis. Since its creation in 1953, the AFDE has awarded \$160,555 in fellowships 13 per cent of its total allocations, to 20 dentists to enter teaching careers.

Fellowships are for one year's study at the postgraduate level. The majority of the fellowship recipients utilize the program to take a two-year course leading to a Master's degree.

One of the Fellowship recipients was Dr. Charles N. Fusilier, of Ann Arbor. He is the son of Dr. and Mrs. O. J. Fusilier, 8970 Dixie Highway.

Charles is entering his first year in restorative dentistry at the University of Michigan School of Dentistry.

His Fellowship is sponsored by the American Dental Trade Association.

Miniature ball bearings used in space vehicles are worth 150 times their weight in gold.

Dr. Fusilier Gets Award

The awarding of \$48,000 in dental teacher training fellowships was announced this month by the American Fund for Dental Education. At its recent annual meeting in New York, the AFDE Board of Directors approved the creation of two new fellowships, bringing the total annually awarded to eight \$6,000 fellowships.

State Police to Hold Open House

Visit your State Police post Friday, May 20, when they will hold open house. This is Hospitality Day of Michigan week. Visiting hours at the Pontiac post are from 9:00 to 5:00. A reception, free coffee, guided tour and exhibit will be offered. You'll enjoy it.

Over 200,000 gallons of water are used daily in the U.S. for home and industrial purposes.

Ask for Action

Woodhull Sub. Residents Attend Township Meeting

"We want action", was the plea of homeowners in the Woodhull Lake subdivision of Independence Township.

Numerous members of the subdivision brought their request to the Independence Township Board, Tuesday evening, looking for answers and suggestions.

Many homes in the area of Woodhull Lake were built for summer dwelling only. Time has changed the situation and many are now being used for year round resi-

gency.

Septic tanks in the neighborhood were not constructed to accommodate year round use.

Oakland County Health Department will make dye tests in the Woodhull area to determine where some of the sewage is flowing.

According to the department, rain and damp ground make it impossible to make a true dye test, thus, testing has been nearly impossible to date.

Only one home can be dye tested

at a time, which slows the testing process considerably.

According to Supervisor Duane Hursfall, four homes in the area are condemned. Verbal warnings have been given to approximately 25 people in Woodhull and other areas of the township, to dispose of junk cars on their property.

Lyle Wilcox has been hired as a special deputy for Independence Township.

The township agreed to pay half of the cost of installing a fence between the pump house and an adjoining lot. The township cost will be \$72.32.

William Powell, president of the Sunny Beach Country Club Subdivision Association, presented the board with a petition against having a class C license at the corner of Sashabaw and Maybee Roads in Independence Township.

It was announced that the Oakland County Road Commission will again take bids on the partial leveling and straightening of Waldon Road from the First Methodist Church east to Wealthy Street. The original bids, which were submitted last spring were said to be too high for consideration.

The resignation of William Cobb as township assessor, was received and approved. He will be replaced by Reginald Bart at a starting salary of \$6,000.

Township resident John Lynch pointed out to the Board that the original estimate of \$16,000,000 for the installation of sewerage trunk lines in the eight municipalities covered by the plan, is only good for another 14 to 15 months. The cost could go up after that period.

He mentioned that Waterford and Orion Township have signed contracts to participate in the sewerage project.

Township officials have set June 21, 7:30 p.m. as the date to review the possibility of joining with the sewerage proposal. Conflicting dates made it necessary to choose the June 21 date, rather than June 7 as indicated at the meeting.

Township officials have set June 21, 7:30 p.m. as the date to review the possibility of joining with the sewerage proposal. Conflicting dates made it necessary to choose the June 21 date, rather than June 7 as indicated at the meeting.

All entries submitted to this newspaper will be forwarded to Detroit for judging by a panel of safety experts supervised by the Michigan Press Association.

The student who produces the poster judged best in the state will be awarded a \$100 United States Savings Bond. First and second place runners-up will receive \$75 and \$50 Savings Bonds.

All entries must be submitted to the Clarkston News no later than June 15. Local winners will be notified by this newspaper as soon as judging is completed.

News to Sponsor

Safety Poster Contest

Independence Township youths will have an opportunity to promote traffic safety in Michigan this summer and at the same time compete for \$225 in money prizes through a poster contest sponsored by this newspaper as a public service.

This contest is open to all students 6 through 19 years old in the circulation area of the Clarkston News.

The Clarkston News is sponsoring this contest in cooperation with the Michigan Press Association to emphasize the need for placing increased attention on traffic safety throughout the local area.

All entries will be judged in statewide competition, and the top poster is slated for reproduction and distribution throughout Michigan this summer.

Persons submitting posters --

No Injuries in Two Accidents

Anthony Pretto of Union Lake was not injured when his car was forced off of Sashabaw Road, Saturday evening.

His passenger, Gerald Rose of Pontiac, was not injured, according to State Police records.

No injuries were reported in an accident Wednesday, May 11 on Dixie Highway at Hatchery Road. According to Helen Lapierre of 9700 Dixie Highway, Clarkston, she didn't see anyone coming from the south and pulled onto Dixie Highway from Hatchery Road.

Christopher Landon of Pontiac was traveling north on Dixie Highway and struck the Lapierre auto. From the Sheriff's Department we have a report of a May 14 accident on Ortonville Road which led to injuries for two drivers traveling in opposite directions.

Driving south on M-15, Thomas Harvey of Otisville started to pass a car when he saw another oncoming car. He headed for the left shoulder of the road, but was unable to avoid a head on collision with the oncoming car, driven by John Johnson of Ortonville.

Mr. Johnson was released from Pontiac General Hospital on May 16.

On May 15, Darrell Overly of Sheppard, Michigan was injured when he fell asleep at the wheel of his car while driving on the I-75 expressway near Clintonville Rd.

Carolyn Cooper Gets Cash Award

Carolyn R. Cooper, 9960 Dixie Highway, Clarkston, a freshman at the University of Michigan Flint College, Flint, has won a \$500 cash award in the third annual Educational Fund Award Program, an international competition sponsored by Great Books of the Western World.

According to Dr. Mortimer J. Adler, philosopher and Associate Editor of Great Books, Miss Cooper is among 77 students from 23 states, Australia and Canada sharing cash awards.

Presentation of the cash award to the local winner, plus a 54-volume set of Great Books of the Western World to her school in recognition of her achievement, will be made at a time set by school officials.

In announcing the names of the 1966 winners, Dr. Adler commented:

The electric eel is almost blind and locates its food by using a rudimentary radar system.

Dr. Greene Attends OU Conference

One of several moderators at a special conference program on Federal Assistance was Superintendent for the Clarkston Community Schools Dr. Leslie F. Greene.

Designed for administrators, teachers, and leaders in elementary and secondary education and for community officials and board members, the conference was co-sponsored by the Division of Continuing Education and Congressman William Broomfield and Billie S. Farnum.

The conference was held at the Oakland University on May 13.

Culminating the afternoon program was a banquet speech by Francis Keppel, Assistant Secretary for Education, Health, Education and Welfare Department.

Three panels were set up for discussion of Opportunities for the Disadvantaged, Meeting Manpower Needs Through Vocational and Technical Education and the Emerging Trends in Research in Education.

Dr. Greene was moderator in a second session panel discussing "New Opportunities in Teacher Education."

Three Petition for Opening on Board

Qualified voters (registered citizens residing within the boundaries of the Clarkston Community School District) will vote at the annual school board election on June 13 for a Board of Education member.

Their voting choice will be: Walter Wilberg, 9520 Sashabaw, who is the incumbent, Mrs. William Smith, 6360 Eastlawn and Richard Yarbrough, 5220 Maybee.

Seventy-one percent of the persons who read a newspaper read it page by page; twenty-seven per cent read by scanning.

It's bad enough to be a quitter. But it's worse to finish something you never should have started.

Area Booster Club Formed

Little white cards with the heading "Be a Clarkston High School Booster" are viewed by Rod Allen, Richard Nicolson, Bill Mansfield, Jesse Quigley, and Edmund Gunter. The men are members of the newly

formed Booster Club. Men in the Clarkston School District may obtain one of these cards for a small fee at the Clarkston News office, 5818 S. Main.

Town Hall to Elect Officers

"Pontiac Oakland Town Hall, Inc. will hold its annual board and membership meeting on Monday, May 23 at 10:30 a.m. This important event will take place at Holiday Inn, a brunch will be served prior to the installation of officers and the election of new board members.

Reservations are being taken by Mrs. Fred Coleman of 522 Iroquois. Officers for the coming year are: Mrs. S. V. Sokles, President; Mrs. B. B. Roush, 1st Vice President; Mrs. Lyman Hedden, 2nd Vice President; Mrs. Keith Leak, Secretary; Mrs. Andrew Gulasick, Treasurer; Mrs. Robert Niensstedt, Corresponding Secretary; Mrs. Elizabeth Mammiasian, Assistant Treasurer.

Chairman for the coming year are: Mrs. L. Hedden, Talent; Mrs. F.

Edison Announces Guarantee for Electrically Heated Homes

Homeowners installing new electric heating systems now can be sure of maximum knowing operating costs prior to installation.

The electric heating industry and The Edison Company have recently instituted a three-year guarantee which covers electric operating costs and is effective for a period that includes three full, consecutive heating seasons.

The first of its type, the guarantee is effective in Southeastern Michigan in the area served by Detroit Edison, according to Mr. Harlan Ritze, Edison Oakland Division Sales Manager.

Estimates of operating costs are based on a stated number of degree days per year, the source being U. S. Weather Bureau calculations. Ten per cent is added to the resulting cost estimate to allow for differences in family living hab-

its.

Should operating costs exceed the estimate by more than 10 per cent, Edison, with the cooperation of participating contractors and suppliers, will make any necessary steps to improve the installation to bring costs down to figures quoted and, in the meantime, will make adjustments for any electrical usage in excess of the estimate.

It was emphasized by Mr. Ritze that all segments of the electric heating industry -- manufacturers and distributors of electric heating equipment and insulation, insulation installers and electric heating contractors -- are participating with Edison in the guarantee program.

Homeowners wishing to take advantage of the guarantee offer can be certain that highly qualified suppliers and contractors are available for every phase of the installation,

the Edison executive said. "In addition, an Edison specialist will provide quality control through frequent inspections."

"The industry has set up standards for electric heating equipment and its installation and for insulation and its application," he added. "Edison will make inspections for compliance with these standards, which are designed to give the homeowner the utmost satisfaction with the comfort and cost of electric heat.

The guarantee covers all basic types of residential electric heating equipment: radiant ceiling heat, wall panel heaters, baseboard units, floor units and all-electric central heating systems.

Informational folders on Edison's Money Back Guarantee program are available without charge at Edison Customer Offices.

YOUNG PEOPLE 6-19

WIN \$100 SAVINGS BOND

SAVE A LIFE

The family you save - may be your own

1st Runner-up • \$75 Savings Bond / 2nd Runner-up • \$50 Savings Bond

1st Runner-up • \$75 Savings Bond / 2nd Runner-up • \$50 Savings Bond

RULES

Draw a poster you think best shows vacation travel by car in Michigan and at the same time remind motorists to drive safely and get their families back home happy and alive.

- You must be between ages six (6) and nineteen (19) to be eligible.
- The only words allowed on the poster are "Bring 'Em Back Alive!"
- Use pencil, ink, crayon, paint or colored paper. Use only two colors (black is a color).
- Draw on white paper or illustration board (ten inches wide and fifteen inches high (10" x 15").
- Print your name, address and age on the back of the poster.
- Mail your entry to this newspaper no later than midnight, June 15, 1966. Mail flat or rolled, do not fold.

Entries will be judged by Michigan Automobile Association. Thousands of copies of the winning poster will be distributed wide before the Labor Day holidays. Entries become the property of M.A.A. will not be returned. The right to use any poster entered, either in whole or in part, is reserved.

We Get Letters: Irene Denne Woman Concerned About Spraying

To the Editor:

Since noticing in the Detroit News that Beekeepers of the Grand Rapids area were aroused by the proposed aerial spraying of all of southern Michigan, I wonder if beekeepers and fruit growers of our rural area around Clarkston might appreciate being alerted (by the paper) concerning this pending hazard.

Malathion is to be used to control the Cereal Leaf beetle but such a mass spraying can certainly do a great deal more harm to all life than the good it accomplishes.

If it isn't already too late, it is suggested that those wishing to express feelings on this matter may write to their State Legislators in Lansing.

Sincerely,
Mrs. Hoffman

Editors Note: The food tolerance for Malathion is 8 parts per million, as compared to D.D.T.'s 7 parts per million.

Seymour Lake News

Mr. and Mrs. Peter Notch entertained about sixty relatives, friends and neighbors at their home Sunday afternoon, in honor of their daughter and son-in-law, Mr. and Mrs. Paul Lacey, who were recently married and are living on Ora Road in Oxford.

The hostess served a lovely turkey dinner at three, assisted by her friend Mrs. Fred Miller of Davison.

The remainder of the time was spent visiting and opening gifts.

Telephone calls were received from Missouri and Minnesota.

Guests were present from Waterford, Dearborn, Garden City, Auburn Heights, Pontiac and Seymour Lake.

Mrs. Ethel Rowley and Mrs. Winifred Porritt enjoyed a ride to Armada, Burrville and other places on Sunday afternoon.

W.S.C.S. are having a rummage sale on May 20 and May 21. The hours on Friday will be from 9 to 6, with 9 to 12 set for the Saturday time.

A bake sale is also scheduled for Friday, May 20.

Town Hall . . .

Cockle, Tickets; Mrs. J. L. Bennett, Luncheon; Mrs. J. Napley, Program; Mrs. B. B. Roush, House; Mrs. H. Kendrick, Budget; Mrs. W. Bruce, Promotion; Mrs. F. Coleman, Social; Mrs. D. Seed, Historian; Mrs. H. T. Baker, Parliament; Mrs. G. A. Sanford, Publicity.

These volunteer officers and chairman are chosen from the "membership" which is composed of ticket holders who contribute an extra dollar as an indication of willingness to work on various committees, policy making and use of funds. Tickets for the new season are available to the public. The opening speaker this year is Dr. Norman V. Peale.

Irene Denne Dead at 53

Irene R. Denne, of 8425 Ellis Rd. died on May 14 after a long illness. Mrs. Denne died at the age of 53. She was Secretary at the Oakland University and a member of the First Methodist Church, the Women's Society of Christian Service and the Clarkston Village Players. Survivors include her husband, Dr. Ernest Denne, a daughter, Carene E. Denne of Clarkston and a son Frederick E. Denne of Waterford.

The May 16 funeral arrangements were made by the Lewis E. Wint Funeral Home in Clarkston. Cremation was at White Chapel Memorial Cemetery.

Reaching Out Usable Religion

I will lift up mine eyes unto the hills, from whence cometh my help. My help cometh from the Lord, which made heaven and earth. Psalm 121:1-2.

The great question of our day is . . . What is religion? . . . Is religion usable and beneficial? . . . Is it really worth a man's time and effort?

Religion is a way of life, expressing trust in God. It implies a desire and a conscious effort to act according to His Will in all things, and what a tragedy that many of us do not relate religion to every day living, that it seems to make little difference whether or not one is religious.

True religion is a saving, redeeming experience. It satisfies man's greatest need, his need of a consciousness of God. It is a bulwark of strength, offering help for daily life. It enables one to face life's varied experiences unafraid, to see life steadily and to see it whole. It gives high meaning to the common experiences we all face, and it affords the power we all need to live victoriously, assured of sufficient strength to meet every chance and change of life.

Faith, hope, freedom from anxiety, peace with God and with our fellow men, these are among the fruits of true religion.

Eternal God, our Father, Thou who art the strength of our lives, lead us now, we beseech Thee, to fuller faith and greater courage. Make us ever conscious of Thy benign presence, we pray Thee, in Jesus' Name. AMEN.

Everett Butters

The first power-driven printing press was constructed in 1811 by a Saxon called Frederick Koenig. The first cylinder presses were erected in the Times, London, to print the November 29, 1814 issue.

U.S. oil companies give away about 150,000,000 road maps each year at a cost of about \$15,000,000.

FIRST CHURCH OF CHRIST SCIENTIST
Oxford, Michigan

The story of Job will form the basis for a Bible Lesson on "SOUL AND BODY" at Christian Science church services this Sunday.

Explanatory passages from the denominational textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will emphasize the theme that man's real existence is spiritual - in God - and that to accept this gives man dominion over the material body. Included will be these lines: "Man is tributary to God, Spirit, and to nothing else. . . . Having one God, one Mind, unfolds the power that heals the sick, and fulfills these sayings of Scripture, 'I am the Lord that healtheth thee,' and 'I have found a ransom.'"

"ROUND THE TOWN"

By Mrs. Shirley Lynch
Maple 5-1065

Mr. and Mrs. Richard Smith and family of Detroit visited the Warren Woods on Pine Knob Rd. last week for several days before continuing on to the Upper Tip of Michigan. They are planning a two week vacation of hiking and resting away from the telephones and TV.

Mr. and Mrs. Rod Taylor of Davisburg and Mr. and Mrs. Homer Richmond of Clarkston attended the "Square 8" final dance of the season Friday evening in Royal Oak.

Last Wednesday evening was a

wonderful birthday celebration for Karen Linger of Waterford Hill when several of her friends in Clarkston sprang a surprise party. The evening was filled with games, dancing and lots to eat.

On May 8 Mr. and Mrs. Bill Kelley on White Lake Rd. entertained Mrs. L. J. Chamberlain of Auburn Heights, Mr. and Mrs. Bruce Chamberlain and family of Holly, Mr. and Mrs. George Valerine of Madison Heights, Mr. and Mrs. Richard Porwood, Lake William and the Terry Kelley's and family of Clarkston. A family dinner was enjoyed on this special day.

Tom, son of Mr. and Mrs. William Williams of Allen Rd. spent the weekend with relatives in Adrian. While there they visited several friends that they had gone to school with and caught up on the whereabouts of their other friends.

Shirley Ann Riggley has returned home to Jackson after visiting her sister and brother-in-law, the Lyne Matersons on Dixie Highway. Miss Riggley is planning to return in September and make her home in Clarkston.

Mrs. T. J. O'Rourke on Snow Apple hosted a surprise baby shower Thursday evening for Mrs. Louis Seffens on Walden Rd. Mrs. Seffens received many lovely gifts including an old fashioned cradle from Mrs. John Adams, which she had finished herself. Refreshments were served at the end of the evening.

The Michigan Square Dance Leaders Annual Festival was held Sunday at Cobo Hall with Mr. and Mrs. Don Ashley, Mr. and Mrs. Mary Jackson, Mr. and Mrs. Homer Richmond, Miss Nancy Richmond of Clarkston and Mr. Roy LeFaver of Flint, attending.

Mr. and Mrs. Floyd Tower of Transparent spent the weekend visiting Mr. and Mrs. Dee Gayette of Fayette, Ohio. Mr. and Mrs. Gayette were former residents of Drayton Plains.

Guests from Detroit, Toledo, Jackson, Flint and Niles gathered at the A. J. Karrison's home on Andersonville Rd. Sunday. The occasion was a special one for it was the twenty fifth wedding anniversary of Mr. and Mrs. George Karrison of Flint. A buffet was set on the lawn with games for the young going on all the time. Others liked to just watch and catch up on the news.

Miss Jeanne Shoote and her mother Mrs. James Shoote of Sashabaw attended the 18th District Girls State Tea held at the Birmingham "Troy American Legion" Post Sunday afternoon. Girls with their mothers were there from Oxford, Lake Orion, Clawson, Troy, Birmingham, Pontiac, Royal Oak, representing local auxiliary units. Mrs. John Lynch, President of the Clarkston Unit and Girls State Chairman also attended.

Little Jannie, daughter of the Tom Shochield on Orion Rd., has returned home after a weeks stay in the Flint Osteopathic Hospital. After a few more days confined to home she will be able to return to school.

Alex, son of Mr. and Mrs. A. D. Doby of Ortonville Rd. celebrated his 4th birthday Sunday with his grandparents Mr. and Mrs. A. J. Doby of Detroit. Alex spent the day doing all the things little boys his age like to do, with his grandparents enjoying it as much as Alex. Ice cream was high on his list and repeated often.

**Attorney is Guest
Widows and Divorcees
to Attend Conference**

An all-day conference for widows and divorcees, scheduled Saturday, May 21, at Oakland University, will include legal advice drawn from the experience of attorney William R. Beasley of Ferndale.

The conference is billed as "a meeting of minds . . . common ground for women who live in a husbandless home." It will be held from 8:30 a.m. to 4 p.m. in the Oakland Center Building. Experts in a wide variety of fields from psychiatry to property management will offer helpful advice to widows and divorcees.

Beasley, who is attorney for the

**Professor Gets
Lecture Award**

Professor William M. Boast of the Oakland Community College English Department has been selected as the winner of the Fourth Annual William R. Kelly Lecture Award, by the University of Michigan Dearborn Campus Faculty. William E. Stirton, Dearborn Campus Director announced.

Dr. Boast's entry regarding the development and use of message models in teaching freshman composition was chosen for its effectiveness of research in a difficult area, timeliness and general interest to all community colleges, Stirton said.

Dr. Boast will deliver the lecture and be feted at a Tea at 3:30 p.m. Wednesday, May 18, at the Dearborn Campus Fair Lane Conference Center.

The Continuing Education Conference is sponsored by the Mott Center for Community Affairs.

TO AUTOMATIC, CAREFREE, CLEAN
GAS COOKING
Enjoy all the latest work-saving features!

Cooking with clean-burning gas is clean cooking. A smokeless gas broiler and convenience features such as lift-out burners, slide-out cooking tops, disposable oven liners . . . all make the modern gas range easier to clean — and keep clean too.

You'll be amazed at the big difference it makes every day to have the automatic features of the modern gas range. "Click-controlled Oven" and the "Burner-with-a-Burner" bring a wonderful freedom from pot-watching and oven-waiting. And the "Keep-Warm" oven control automatically keeps foods moist and juicy until you're ready to eat.

YOU'LL APPRECIATE A FEATURE-PACKED GAS RANGE THAT MAKES MENU-PLANNING A SNAP AND COOKING COMPLETELY AUTOMATIC

**Safety Tip On
Mower Refueling**

A springtime fire safety tip for homeowners is this:
When you fill the tank of that power lawnmower, be sure to treat gasoline with respect. Remember it gives off flammable vapors which need only a tiny flame or spark to turn into searing fire or dangerous explosion.

So do all refueling outdoors where the dangerous vapors can't accumulate. Keep away from all ignition sources, and observe a strict no smoking rule. Wipe up all spilled gasoline before starting the motor. Finally, keep your gasoline in a tight-closing metal can — never in a glass jug or bottle.

Pictures of The Week

From the Freitag home on Transparent to the Community Center on North Main will go these artistic table and door prizes, plus the attractive centerpiece. They will be moved in readiness for St. Daniel's Rosary Guild's May Pole Card

Party to be held on May 20. Decorating the May Pole are Guild members: Mrs. Frank Glowzinski; Mrs. Roger Weeks and Mrs. James Freitag. Tickets for the 8:00 P.M. event may be purchased by calling 625-4711.

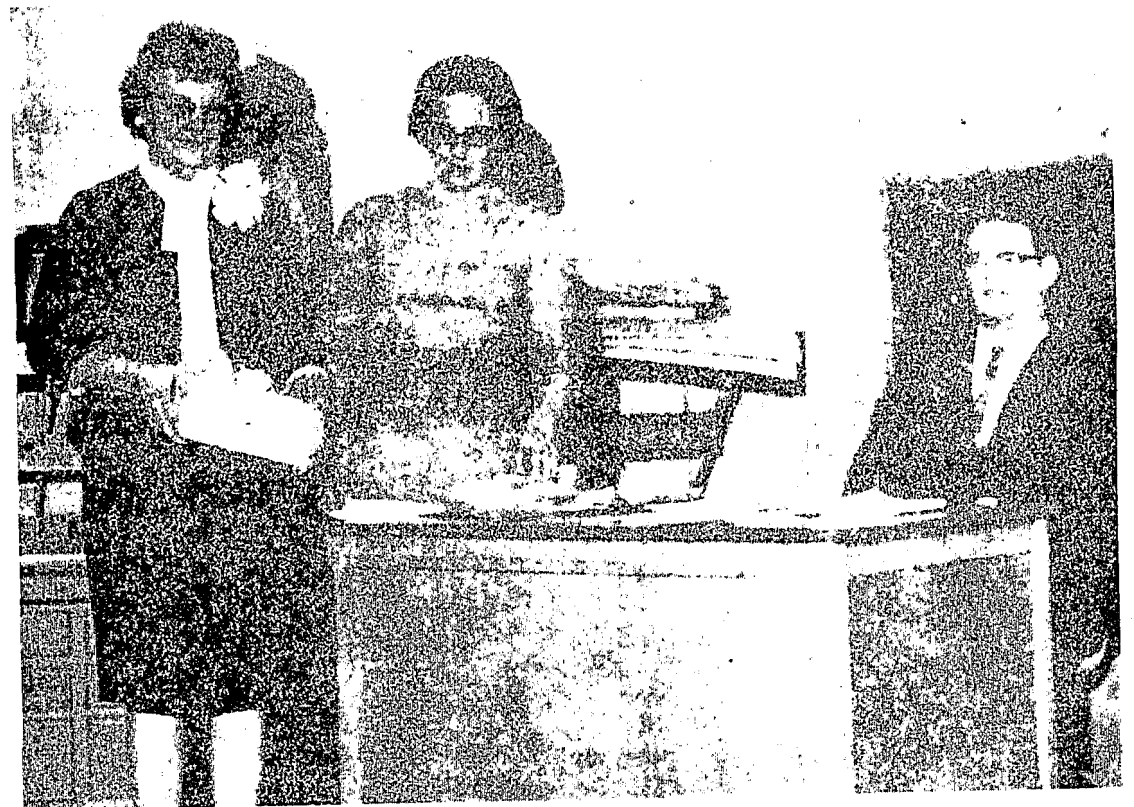

Workmen have really been hustling to meet this building deadline date, presently set for late June or early July. On completion the area will be offered

the banking services, including two drive-in-windows, of the Community National Bank.

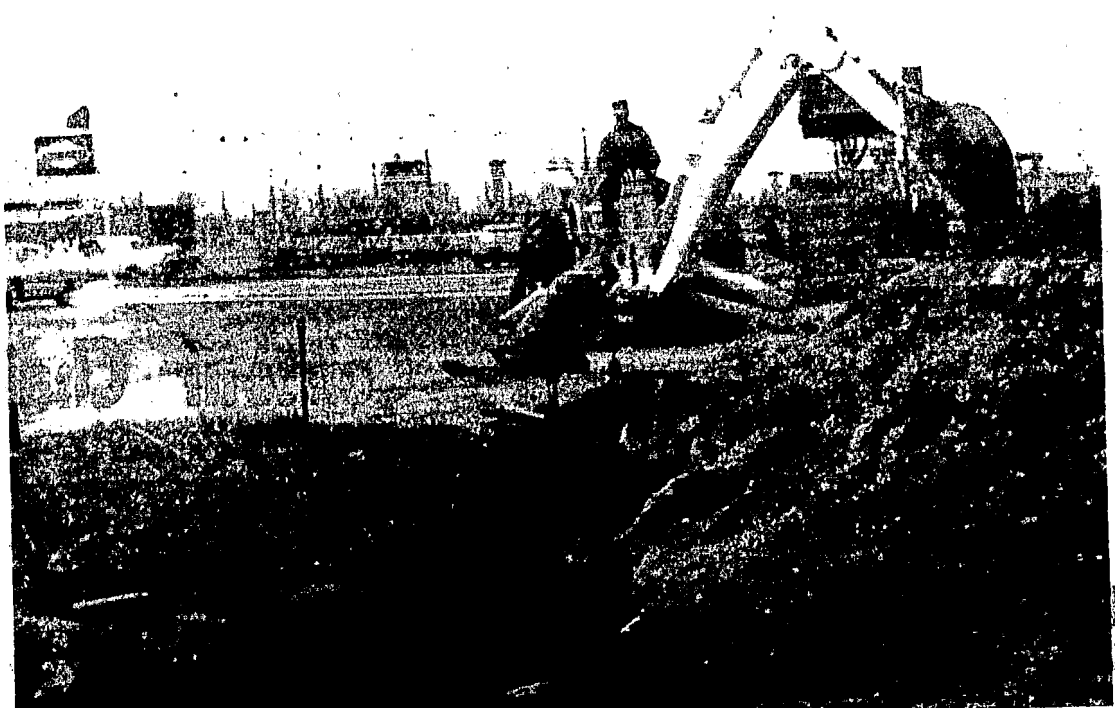

Coin exchanging, trading, buying and selling was the pre-election action at the May 12 meeting of the Clarkston Coin Club. Members of the Club were also treated to a Coin Auction, which is held about every three months. Comparing coins above are: Tom Wilford and Scott Robbins (Junior Board mem-

bers) Mr. Keith Humbert (Treasurer) Jay couple look on. Wilford and Greg Gardner. An unidentified Larry Powell was elected President; Dr. Ernest Denne, Vice President; Lois Powell, Secretary; and Bud Yoh, Senior Board member.

Perhaps it is the receiving of a gift after twenty-nine years of giving that makes this picture out of focus. Mrs. Ruby Owens accepts the gift of gratitude presented to her by Mrs. Robert Tilley, Mother vice president, while Donald

Humbert, Father vice president, looks on. The last eight of Mrs. Owens' teaching years have been in this district, with two of them at Sashabaw Elementary and six at the Clarkston Elementary. Mrs. Owens will be retiring in June.

Stacked conduits on page one are pieces of equipment used by Michigan Bell to hold the cables which will bring to the Independence Township area, the

Company's newest Touch Tone telephone. Here the conduits are being installed under a concrete overdrive on the Dixie Highway.

Parents and teachers recently elected to positions in the Clarkston Elementary School P-TA are: Teacher vice president, Mrs. Douglas Griffiths; Mother vice president, Mrs. Mae Callen; President, Mrs. Larry Yantiss; Father vice president, John

Guekes. Back row: Secretary, Mrs. Monroe Dutcher; Historian Parliamentarian, Mrs. Charles Robertson; Treasurer, Mrs. Robert Tilley.

Completes Sales Course

Maynard King (right) congratulates Carl Cornell, a salesman for Beattie Ford, Inc. on his completion of a truck selling course.

The course designed to familiarize truck salesmen with the techniques of presentation and truck selection to fit customer needs.

Wilmot Home Scene of DAR Meeting

Forty members of the General Richardson Chapter, DAR were entertained in the home of Mrs. Elbert M. Wilmot and Miss Margaret Wilmot on East Troguis Rd. recently.

Plans for the Oakland County picnic, General Richardson Chapter as Hostess Chapter, were made. The affair is to be held June 2nd, at the Y.W.C.A. building. This will conclude the meetings for the season. The State Regent, Mrs. James V. Zeder will be the Speaker, other State officials are expected to attend.

Reports of the Continental Congress held in Washington, D.C. April 18-22 were made by Regent, Miss E. Grace Clark, Mrs. John Tomlins, Vice Regent, Mrs. Frank E. Allen, Mrs. E. G. Clark and Mrs. T. W. Jackson.

Assisting Hostesses were Mrs. John Buchanan, Mrs. Hubert Hill, Mrs. Glen Dolan, Mrs. John Tomlins, Mrs. Robert Meikle, Mrs. Charles Whipple, Mrs. Mallory Coleman, Miss Janice Antona, Miss Iva Jane Price and Mrs. Louis Ludeck.

Plans were made for observance of Memorial Day at Oak Hill Cemetery, a service will be held and seven graves marked with flowers.

Servicemen in the News

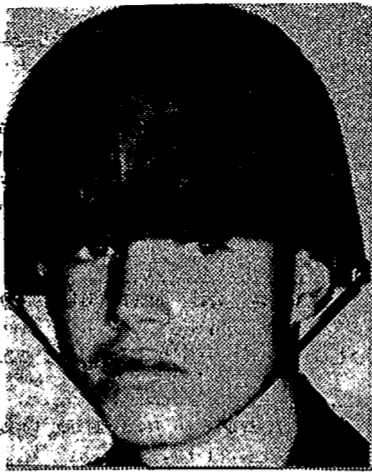

Airman Apprentice Lewis R. Bierwirth, USN, son of Mr. and Mrs. Robert Bierwirth of 264 N. Baldwin, Clarkston, has completed Aviation Mechanical Fundamentals School at the Naval Air Technical Training Center in Memphis, Tenn.

The four-week course introduces students to mathematics, physics and the principles of electricity. Subjects stressed include atomic theory, static and dynamic electricity, magnetic theory and the construction of aircraft batteries.

This month-long course prepares Navy, Marine Corps and Coast Guard personnel for entrance into more advanced courses at the center.

Storekeeper First Class Charles M. Beck, USN, son of Mr. and Mrs. Charles E. Beck of 3840 Maiden, Waterford, is helping celebrate the 66th anniversary of the Submarine Force being held April 10-17 while serving aboard the USS Darter.

The submarine force had its beginning in the year 1900 when the submarine "boat", USS Holland, was accepted by the Navy. Today, the submarine force is comprised of the most modern and largest submarines in the world, consisting of over 170 submarines, of which 55 are newly designed nuclear powered submarines.

specialties will be sent to military technical schools for their specialist training.

Marine Private Fred L. Chatterson, son of Mr. and Mrs. Howard Chatterson of 4280 Jackson, Davisburg, has completed the Field Radio Operators course at the Marine Corps Base, Camp Pendleton, Calif.

The course teaches technique in the reception and transmission of the International Morse Code, basic naval radio procedures and radio and equipment maintenance.

All new radio operators receive a familiarization of all field radio relay systems and the working characteristics of all communication equipment.

Morse Named to Honorary

Phi Kappa Phi, a national scholastic honorary, has initiated more than 400 new members at Michigan State University.

Among this scholastic group is Edward V. Morse, son of Mr. and Mrs. E. N. Kimball 72 N. Main. Edward is a senior, majoring in personnel.

Membership is limited to juniors, seniors and graduate students with superior academic standing and to faculty members who have made outstanding scholastic contributions to MSU.

Meeting is May 26

The annual spring meeting of the Oakland County Association will be held on May 26 at the Masonic Temple in Commerce, Michigan. Registration will be at 2 o'clock with the meeting at 3.

Dinner will be served at 6:30 p.m. Information on the dinner may be obtained from Worthy Matrons.

Lee Pike Is Initiated

Lee M. Pike, sophomore, son of Mr. and Mrs. Everett H. Pike, 6410 Paramus, Clarkston, was among 37 students recently initiated into Beta Beta Beta, the national biology honorary, at Albion College.

A candidate for Beta must have completed 10 hours in biology, have a 3.0 average in biology, and possess a 2.5 over all average (based on a 4. system).

Lee graduated from the Clarkston Senior High School in 1961.

Gets Scholarship

University of Michigan Regents-Alumni scholarships have been awarded to 982 Michigan high school seniors, Ivan W. Parker, assistant director of financial aids, announced Thursday, May 12.

The winners were selected by the Committee on University Scholarships from 2,900 applicants representing approximately 550 state high schools. Last year 879 seniors

in 547 high schools won the scholarships.

Among the Scholarship recipients is Kathleen Yarbrough, of the Clarkston Senior High School. Stipends vary according to the financial need of the winners, and range from honorary \$50 entrance awards to \$700 per-year grants. Awards continue for the normal length of the student's degree program if his academic record justifies renewal.

Rummage Needed

A chance to get rid of all the unwanted things that have cluttered up your house and garage is being offered by Cub Scout Pack 126.

Appealing on a "better late than never" hope the Scouts would greatly appreciate any last minute donations for their rummage sale.

The rummage sale will be held at the Community Center on North Main in Clarkston, on Friday, May 20 from 9:00 A.M.-4:00 P.M. and Saturday, May 21, from 9:00 A.M. to 12:00 P.M.

Donations can be brought to the Community Center today (Thursday, May 19) or you may call 623-2658 for pick up service.

Women to Meet

The Campbell Richmond Auxiliary Unit No. 63 will hold its regular meeting and election of officers May 23, at the home post North of Clarkston.

Legal Notice

PROCEEDINGS OF THE VILLAGE COUNCIL REGULAR MEETING HELD MAY 9, 1966

Meeting called to order by President Wertman.

Roll: Cooper, Goyette, Kushman, Mahar, Hallman, Butters, present.

Minutes of the last meeting were read and approved.

Moved by Butters, "That the following accounts be paid:

- GENERAL FUND
- Huttenlocher Agency, Truck Insurance, 2.00; Clarkston News, Publications, 56.40; Waterford Greenhouses, Flowers, 15.60; Oakland County Road Commission, Traffic Signal, 23.98; W. S. Darley & Co., Flares, 56.80; Bob's Hardware, Street Materials, 2.50; Pontiac Tractor and Equip. Co., Tractor Parts, 50.32; R. D. Spohn, Wages, 19.00; Albert Domroese, Wages, 27.50; Jack McCall, Wages, 148.80; Jack Hess, Wages, 19.20; Robert Phillips, Wages, 52.00.

Seconded by Mahar. Roll: Cooper, yea; Goyette, yea; Kushman, yea; Mahar, yea; Hallman, yea; Butters, yea. Yeas 6, Nays 0. Motion carried.

The clerk was instructed to forward a letter from Mr. Allen Hawke requesting a zoning change to the Board of Appeals.

Moved by Hallman, "That the clerk be instructed to deposit reserve funds, both sewer and general in Time Certificates at the Clarkston Branch of the Pontiac State Bank at five per cent interest. Further, that these funds should be deposited in the lowest possible denominations." Seconded by Goyette. Motion carried.

Trustee Butters was instructed to obtain a report from the Village Forester for 1966-67 plans for village trees.

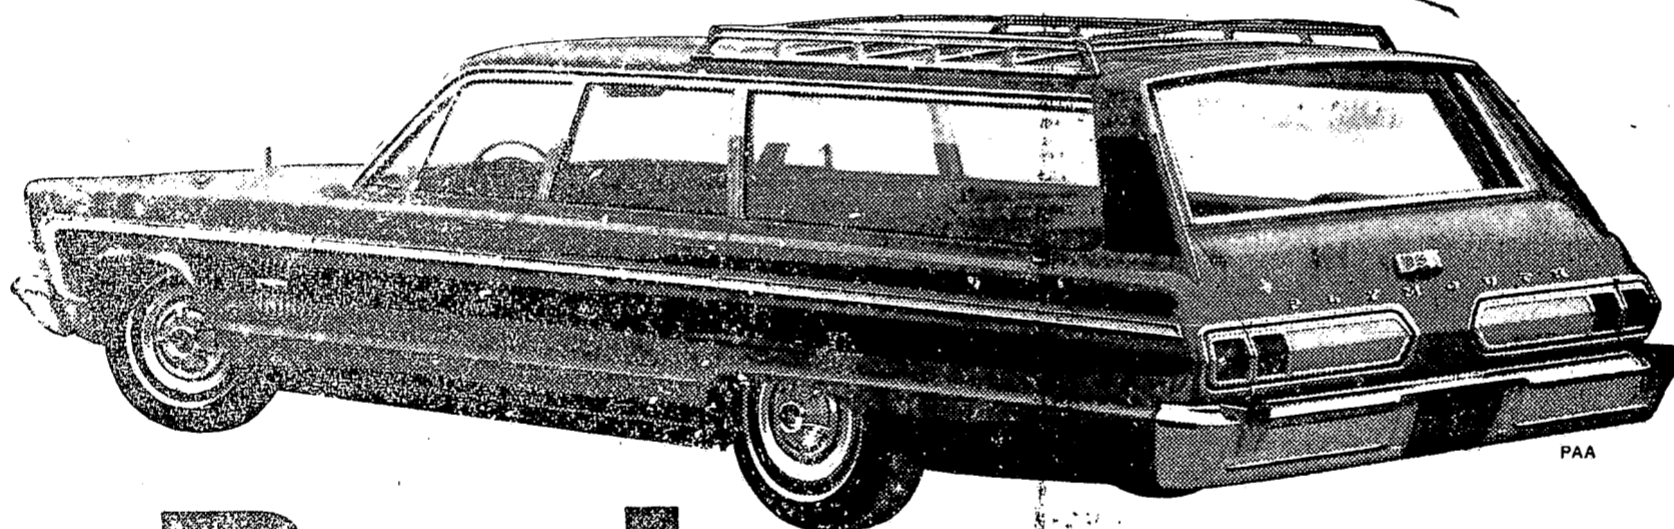

The clerk was instructed to write a letter to the owner of property on Holcomb Street to bring to his attention the possibility of a mishap because of a water hole that exists there.

Moved by Goyette, "That the meeting be adjourned." Seconded by Kushman. Motion carried.

Artemus M. Pappas, Village Clerk

SPORTS

By Mel Vaara

Tennis Team Rated High

The tennis team coached by Larry Thibault took 2nd place in the W.O. League Meet held last week end at Bloomfield Hills.

Northville took 1st place with 15 points and Clarkston was next with 12 points. Bloomfield Hills was third with 6 points followed by the rest of the teams in the Wayne Oakland League.

Northville was favored to win as they were the only ones to defeat Clarkston in dual competition.

Kim Beattie and Tom Bullard reached the finals in double competition as they won three matches and lost the final round. Jack Samson and Brian Gallipo reached the semi-finals before they were defeated. I understand these two boys played very fine tennis during the week end.

Mark Erickson and Pete Dougherty also reached the semi's before being defeated in singles play. Mel Green won one match and Al Ventimilia and Dave Rowden lost their opening round.

All these boys will represent Clarkston in the Regional Match, held at Flint Central on Friday and Saturday.

This was a very disheartening loss for the tennis squad. They really had their hearts set on the league title.

They will have to use the now famous phrase "Wait Until Next Year"! Coach Thibault is, losing only one boy from this year's team, so one can see they have a good chance to take the league title next year.

In dual competition, the boys with the rackets defeated Milford 5-0 and Waterford Kettering 4-1. On Monday the Rochester squad won over the Wolves 4-3.

This loss gives the tennis team an outstanding record of 12-3.

BASEBALL SQUAD CONTINUES TORRID PACE

The baseball squad won their 8th straight ball game as they defeated Oxford 8-0, Clarenceville 5-4 and Brighton 7-1.

Coach Pete Thompson and the boys are the hottest item in the league. Even though they are two games down on Milford, they still have an outstanding chance at league honors. Milford has two games with Northville and one more against Clarkston.

OXFORD GAME

Clarkston won this game 8-0 in 5 innings. Rich Johnson pitched a 2 hitter and had 5 strike outs. Dan Fife had 2 hits and one of them was a triple. Clarkston put the game away in the 3rd inning as they scored 6 runs.

CLARENCEVILLE GAME

The Clarenceville game was a finger nail contest for Coach Thompson. His boys were losing in the last inning 4-2. There were two out and no one on base, then things began to happen. Rich Johnson walked and the Wolves one-two punch Tom Allen and Dan Fife hit singles to knot the scores 4-1. In the 9th inning Dan Fife tripled and Bud Allen spaced him home for the winning run. Fife also pitched the last two innings for his 6th win.

BRIGHTON GAME

Clarkston won their 8th game in a row 7-1. Dan Fife won his 7th game of the year. He allowed 1 Brighton 2 hits and had 13 strike outs. John Getzan was the hitting star as he had a perfect day at the plate, 2 doubles and 1 single.

JUNIOR VARSITY BASEBALL

The JV team is coached by Bill Hanson. Their record is 3-2. They have defeated Milford once and Holly twice. They were defeated by Milford and Waterford Township.

Mike Cummings and George King have held the pitching chores, with Jeff Keyser handling the catching duties.

In Mondays game, Mike Cummings struck out 18 batters as Clarkston pounded out a 14-0 victory.

Cummings and Jack Dougherty are the leading hitters, with George King leading the team in R.B.I.'s.

TRACK

Coach McGrath took 7 boys to the Regional Meet held at Clarenceville. Mike Madison and Ralph May ran the hurdles, Rick Blimka and Neil Stalker 440, Marshall Gratz 220 and Gary Wade in the Pole Vault. None of the boys qualified for the State meet held this week end.

The Wolves competed in a meet at Milford and the Redskins won 75-34. High Jump, 1st, Neil Stalker, 2nd Dawson Bell. Broad Jump, 1st, Neil Stalker, 19' 10". Mile, 1st, John Simonds 4:52. High Hurdles, 2nd, Neil Stalker. 3rd Ralph May. 100 yard dash, 2nd, Neal Stalker. Low Hurdles, 2nd Mike Madison, 3rd Rick Blimka. 220 yard dash, 2nd, Gary Wade, 3rd Cecil Caverly.

Marks Anniversary

The Waterford Organization for Retarded Children (W.O.R.C.) will mark its first anniversary at an 8 p.m. meeting Tuesday, May 25, in Pierce Junior High School, Waterford Township. A unique program has been developed for the occasion, illustrating the group's extensive participation in community activities. It will be highlighted by a locally-produced slide presentation which shows current educational, recreational, vocational and religious programs available to retarded children in this area.

As Jeff Sees It

By Jeff Fisher

As the 1964-1965 school year draws to an end, many of this year's events will long be remembered. This year's Homecoming was memorable, and, as usual, the traditional Junior-Senior Prom is eagerly awaited.

But there is an organization that is often forgotten when the end of the year rolls around. That organization is our Student Government. Clarkston's Student Council is one of the finest in the area, therefore they deserve a word of praise.

This year the Student Council has been quite active in lining up events for the student body. All school assemblies are arranged for by the Council, and the money for these events comes from the Councils treasury.

The Student Government has been responsible for many new innovations this year. Student Activity Cards, which enable the purchaser to be admitted to all athletic events, subscription to the Wolf-Cry, and the Yearbook, were begun this year and have been quite a boost to athletic attendance.

The Student Government has also begun a series of films which are shown at regular intervals to the student body for only 35 cents. The films, such as Bridge on the River Kwai and The Notorious Landlady, were all of high quality and were enjoyed immensely by the students.

The Student Government conducts campaigns to collect funds for worthy charity's such as the United Fund, every year. Sue Logan, Chairman of the Book Drive, announced that almost 1200 paperback books were raised to send to our soldiers in Vietnam.

These have been just a few of the many projects which the Student Government has undertaken and, completed with great success. Therefore, a word of praise is given to this fine organization.

Duties of officers in Student Government:

1. The President shall preside at all meetings of the Student Government in accordance with "Roberts Rules of Order"; shall call special meetings when necessary; shall appoint all committee chairmen; may appoint committees; shall represent the Student Government on all public occasions; shall act as executive officer of the Student Government; and jointly with the Secretary, shall be responsible for the agenda of all meetings.

2. The Vice President shall perform the duties of the President during his or her absence; shall maintain an attendance, and tardiness record for all meetings, and shall be responsible for all assembly programs presented by the Student Government.

3. The Secretary shall keep a permanent record of the minutes of all meetings of the Student Government; shall be responsible

for all Student Government correspondence; and shall be along with the President responsible for an agenda of all meetings.

4. The Treasurer shall receive disburse, and account for all funds and securities of the Student Government; and make a report of the Government's financial status at each meeting. The Treasurer shall be responsible for seeing that the books are audited at the end of the year.

CARD PARTY

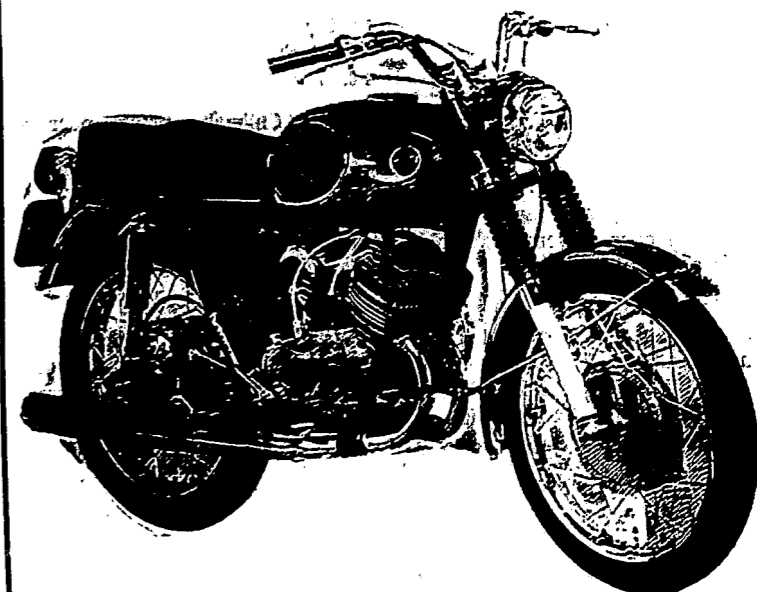

The O.D.O. Club of Waterford Township is sponsoring a card party at the Community Activities Building, 5640 Williams Lake Road, on Wednesday evening, May 25, 1966 starting at 7:30 p.m. Proceeds will be donated to the C.A.I.

There will be door and table prizes, refreshments will be served. Tickets will be on sale at the door. Public is invited.
