

The Clarkston News

NUMBER 41

CLARKSTON, MICHIGAN 48016, THURSDAY, JUNE 9, 1966

SINGLE COPY 10 CENTS

VOLUME 37

School Election is Monday

Some voters have voiced confusion as to what issues they may and may not vote on June 13 during the school election.

Following are the issues you may vote on as property owners or as qualified registered electors.

Registered voters who are not property owners may vote on all issues except propositions I, II, and III (see legal descriptions on page six).

Registered property owners may vote on all issues appearing on the ballot.

Brief resumes of the three candidates interested in filling the one vacant seat on the Board of Education will conclude the Clarkston News' pre-election coverage of the Clarkston Community School's June 13 election.

Ingrid Smith, a six year resident of Clarkston, lives at 6360 Eastlawn. She is married and has eight children.

Previous educational levels in-

clude attendance at the University of Michigan School of Education, with three and a half years in Medical School.

Her medical service has been

given to Michigan Hospitals and the Red Cross.

Mrs. Smith has served as interpreter for the U.S. Army Chemical Division and the Counter-Intelli-

gence Corps.

Her aims are to obtain easier and better communication between community and the Board of Education, to obtain safety measures for school crossings, to improve school playgrounds, and to bring a women's perspective to the Board of Education policies regarding the physical and educational needs of the students of the area.

Ingrid Smith

Richard Yarbrough

Walter Wilberg

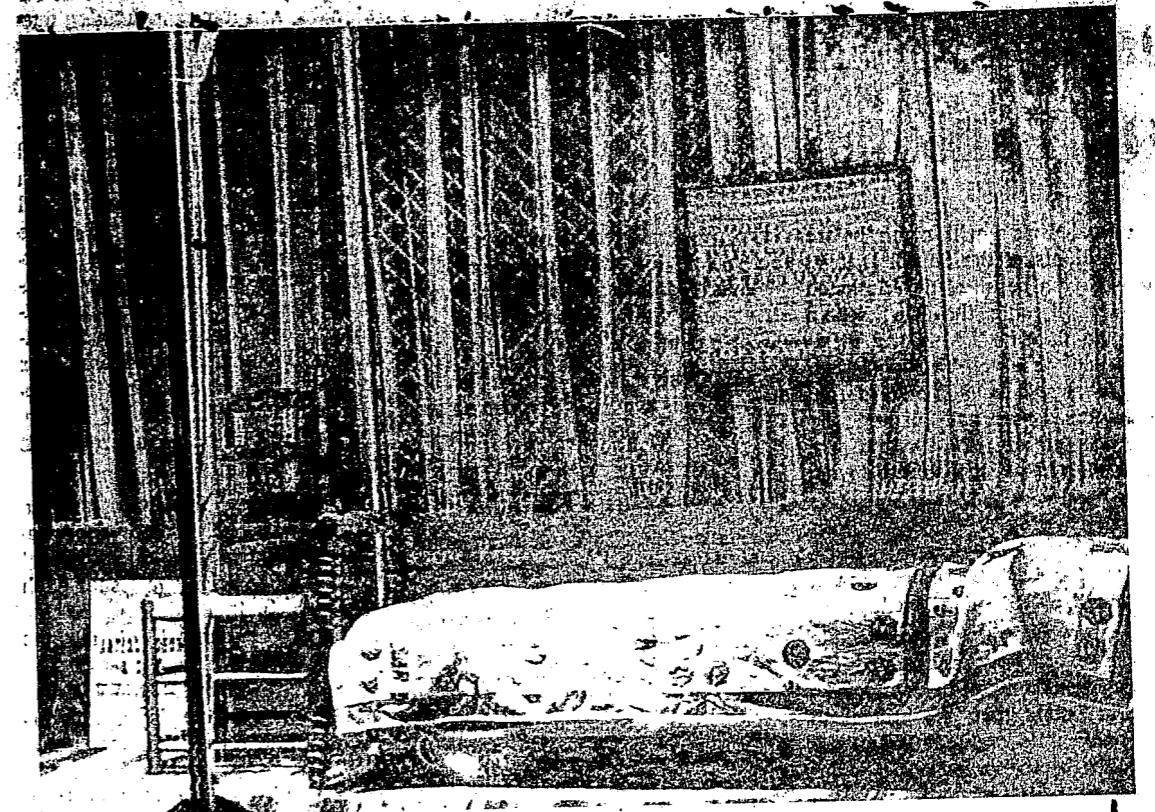

Mr. Richard Yarbrough has lived at 5220 Maybee Road in Clarkston for eight years.

He is married and has three children attending the Clarkston Schools.

A fifteen year employee at General Motors Truck and Coach, Mr. Yarbrough is presently employed in the Police Department at G.M. Truck and Coach.

He is a member of Cedar Lodge No. 60, a Dad Advisor with the Clarkston Chapter of DeMolay and has worked with the Boy Scouts for approximately eight years.

Mr. Yarbrough feels "Any changes or improvements in the School District will have to be determined by a detailed study of the immediate needs of the area" and "the most important qualification for a School Board candidate is the willingness to serve his community and represent the people who elect him. Secondly, a candidate should have children in the schools, as this creates a personal interest. He should serve on the Board with an open mind in order to decide what is best for the community as a whole. He should be willing and able to discuss school problems and needs with the citizens. Since school financing is a community affair, a school board member should work as a partner with the community in determining the most important needs for the school district.

Antique Show Opens Today

Conjunctive with the Antique Show, Clarkston Main Street merchants were treated to a befitting window dressing. Bob's Hardware is just one of many

store reminders that the Antique Show will be held at the First Methodist Church on June 9 (11:00-10:00) and June 10 (11:00-9:00).

Two Accidents

Last Week

The Sheriff's Department reports two accidents for the Clarkston area.

On June 4, a car driven by William Killian, 6025 Cramlane, went into the ditch off Sashabaw near Flemmings Lake Rd.

Minor injuries were sustained by Mr. Killian who stated he had fallen asleep.

A curve on Maybee Rd., east of Clintonville Rd. was the scene of a two car accident with no injuries reported.

While traveling on the curve a car driven by Freddy Smith, Clintonville Rd., Pontiac went over the centerline, with his car then striking the front, left fender of a car driven by James Gillon, of Pontiac.

An accident which occurred May 27 on Snow Apple Drive, Independence Township was incorrectly reported last week.

A car owned by Steve Simunic of 6460 Snow Apple was parked on the shoulder of that drive when it was struck by one driven by James Stinson backing out of a driveway.

In Uniform

Marine Private Peter F. Ottman, son of Mr. and Mrs. Charles R. Ottman of 4157 Ledgestone Drive, Waterford, has completed individual combat training at Camp Pendleton, California.

The four-week course included over 200 hours of instruction under simulated combat conditions, covering squad tactics, guerrilla warfare, day and night combat, patrolling and the use of infantry weapons.

His next stop is four weeks of basic specialist training in his military occupational field. Marines will be assigned to infantry units will be taught infantry sub-specialties, such as the machine gun, grenade launcher, rifle or mortar. Marines to be assigned to highly technical specialties will be sent to military technical schools for their specialist training.

Leathernecks bound for the Pacific will receive more training when they report to the Staging Battalion at Camp Pendleton, Calif. This training will emphasize jungle warfare, patrolling, and civic action based on experience gained in Vietnam.

Finian's Rainbow Mixes Mirth, Music

on Stage of Clarkston Little Theatre

Ten C.H.S. students and two Clarkston area adults will perform in the forthcoming musical, Finian's Rainbow, to be presented at the Clarkston High School Little Theatre at 8 p.m. Friday and Saturday, June 17-18.

Mary Wertman, who is remembered for her role as Eliza Doolittle in last year's C.H.S. production of My Fair Lady, will sing the lead feminine role of Sharon McLonergan. The other C.H.S. students, who portray the characters of happy-go-lucky Southern sharecroppers, dancing and singing in the major production numbers are: Charlene Bachand, Anne Lausten, Frances Locher, Diane Lundy, Cheryl Slade, Linda Slade, Jodie Strother, Paul Taylor, and Timm Wall.

The two Clarkston adults in the cast are Ron Lundy, who plays the title role of Finian McLonergan; and Marion Walker who is featured in one of the show's funniest musical spoofs, "Necessity."

Finian's Rainbow involves the antics of Finian McLonergan who has stolen a pot of gold from the leprechauns of Ireland and has come to America to the mythical land of Rainbow Valley, state of Missitucky, to plant the gold near Fort Knox and watch it grow until he becomes a millionaire. A leprechaun, Og, arrives to retrieve the gold, without which the leprechauns

of Ireland are unable to make wishes come true. Villainy is provided by Senator Rawkins who is attempting to drive the sharecroppers of Rainbow Valley from their land. There is romance (and an on-stage wedding) between Sharon McLonergan and Woody Mahoney (who owns Rainbow Valley) and between Og (who becomes mortal) and Woody's sister Susan.

Finian's Rainbow, a musical fantasy, is a delightful mixture of humor (both the warm and the ridiculous), songs both gay and romantic, and folk-style dancing. Some of the "hit" numbers of the show are "How Are Things In Glocca Morra," "Look to the Rainbow," "When I'm Not Near the Girl I Love," and "That Old Devil Moon."

Finian's Rainbow is being presented by Moore Studios of Ortonville, with a cast of children and adults from Ortonville, Clarkston, Waterford, Goodrich, and Oxford. It is under the direction of Lee

Moore; musical direction by Sherry Moore.

Tickets for the performances may be obtained from cast members or may be purchased at the door.

Students Make

Sound Study

Various demonstrations, centered around the aspects of sound, its volume, pitch, traveling waves, etc. was part of a special Bailey Lake program on May 26.

Third grade students in Mrs. Marsh's class had made the sound study and invited other pupils and parents to share their new found knowledge.

Two forty-five minute programs presented songs, poetry, and prepared speeches in addition to the demonstrations.

Punch and cookies were served to the audiences following the program.

Campers Receive

Emergency Word

Travelers in Michigan or out of touch in camps or elsewhere will be informed of emergency messages they may get through a co-operating system arranged by the State Police with the Michigan Association of Broadcasters.

All they need do is have their radios on between the hours of 12 and 1 p.m. If there is an emergency at home, the affected person will be told to call the nearest State Police Post for the contents of the message. A special tone signal will precede the emergency broadcast. The system began May 27.

The exact time of the broadcasts cannot be simultaneous throughout the state because of the program requirements of each station, but it will be sometime during the noon hour.

Posts will screen messages to assure they fall within the emergency category. In addition, none will be broadcast or otherwise delivered if regular commercial facilities - telephone or telegram - are available

Former Resident

is Commissioned

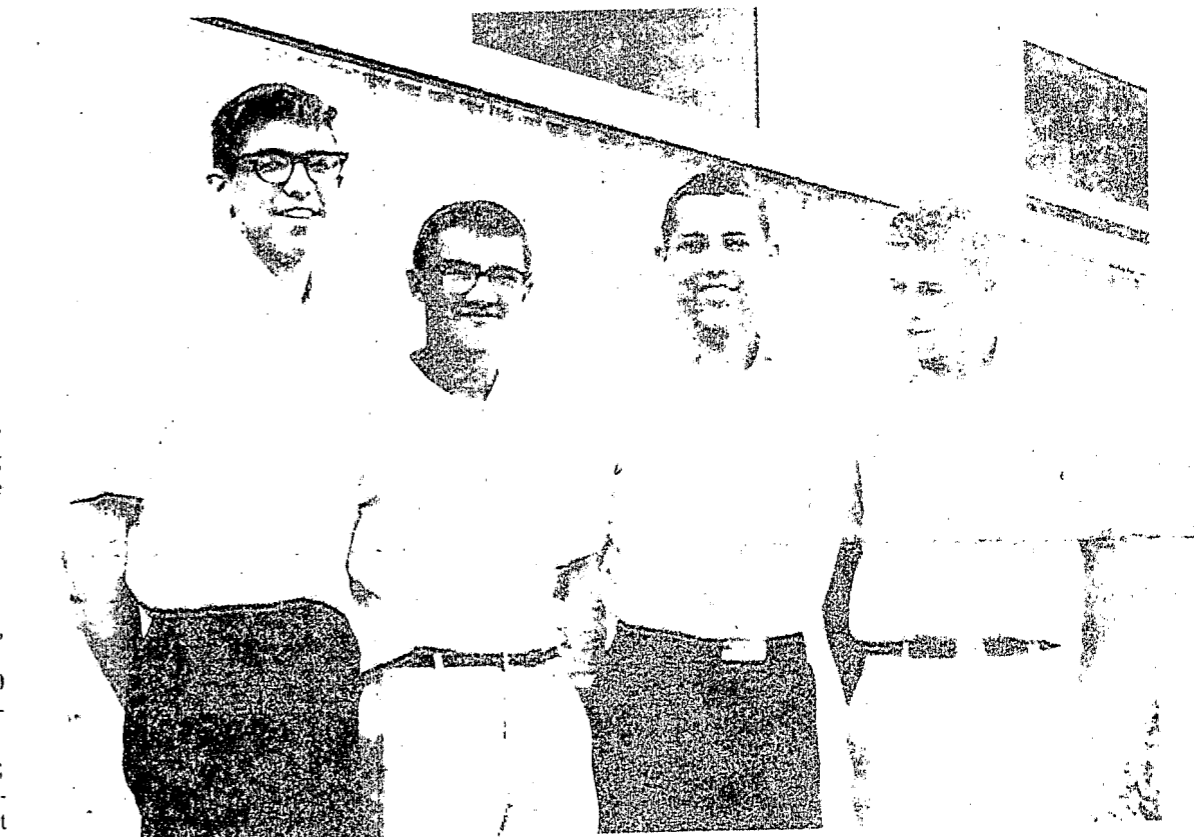

Dennis Dale Carpenter, formerly of Clarkston, is one of 27 senior men at Ball State University who will be commissioned second lieutenants in the U.S. Air Force Reserve during Commencement exercises held Sunday, June 5.

Carpenter, a physical education major with a minor in aerospace studies, is the son of Mr. and Mrs. Ward Carpenter, Clarkston, Mich. He is active in Arnold Air Society at Ball State.

Past President of the Clarkston Child Study Club, Mrs. Robert Kloc, of 6370 Wynton Rd., purchases the stockings from

Taylor's Dime Store that will be given to the underprivileged summer camp children at Camp Oakland by the Club.

Leave Soon for Boys' State

June 15 should find these four Senior High boys new residents for a week at Wolverine Boys State at the Michigan State University.

Heading for East Lansing are (left to right), Clay Wilson, Chris Maier, Jack Frost,

Mike Dougherty and John Getzan, who was absent from this picture.

Sponsors for the Clarkston group are the American Legion Post No. 63, the Rotary Club and Chief Pontiac Post.

Jones Named Jaycee President

Robert C. Jones, 6683 Wealthy, officially accepted the position of President for the Clarkston Jaycees last night at a special 7:30 P.M. ceremony.

New officers were installed and awards announced at the June 8th evening program held in the C.A.I. Building, Waterford.

Taking their elected places next to Mr. Jones as 1966-67 officers were: Donald Hamaker, Internal Vice-President; Richard Wilton, External Vice-President; Ken Barks, Ways and Means Vice-President; Jerry Powell, Secretary; Gordon Spelbring, Treasurer; and Robert Skerratt, Steve Schroeder and Robert Brumback, Directors.

Presentation of the Jaycee of the Year Award was a highlight in the evening. The honor was bestowed this year on Lewis E. Wint.

A charter member of the Clarkston Chapter, Mr. Wint has also won the Distinguished Service Award, is Past President for the 1964-1965 year and District 18 Vice President Elect for the Michigan Jaycees.

Recipient of the Jaycee of the Year Award is chosen by secret ballot voting by the Jaycee membership. Members chose the man they feel has contributed most to the chapter in the last year and who symbolizes the Jaycees in the community.

Don Bostwick and Robert Newlin

are the two previous winners of this award in the four year history of the Clarkston Chapter.

Awards for the evening: Exhausted Rooster - 36 years or older:

Don Auten, Treasurer 1965-66; Harry Fahner, Director, 1965-66; Kelly Burnette, Dr. A. Hamilton Palmer (Bud) Swanson, and Milford Mason, Past President 1962-63.

Spoke Award - Jaycee who gave outstanding service in his first year of membership:

Don Hamaker, Internal Vice-President, elect; Jim Koslosky, Jerry Powell, Secretary elect; Don Hester.

Spark-Plug award - Jaycee who gave outstanding service from his second or on year of membership:

Ken Barks, Ways and Means Vice-President, elect; Kelly Burnette, Chuck Curry, Ways and Means Vice President, 1965-66; Robert Newlin, President, 1965-66; Gordon Spelbring, Treasurer, elect; Richard Wilton, External Vice-President, elect; Lewis E. Wint, Past President, 1964-65; District 18 Vice President, elect.

Guests for the evening included: Richard Hedley, Past National President of U.S. Jaycees; Jack Skviden, Michigan State President 1965-66, from Berkley; Ted McCullough, District Vice-President of

Michigan Jaycees from Waterford; Ron Rogers, Michigan Jaycee National Director from Waterford.

Another highlight of the evening

was a review of the past year of projects and events which have kept the Jaycees active and busy. This review was given by Richard Johnston, Past President in 1963-64.

With their fifth year of community service ahead of them, Clarkston Jaycees have chosen Robert Jones of 6683 Wealthy for their new President.

We Get Letters

Jaycees Speak Opinions On Ballot Issues

Several issues will come before the residents of the School District June 13 as a result of the Clarkston J.C.'s petitioning the local school board to place on the ballot a swimming pool proposal. The issues culminate several months of research, study, discussion and planning by the two groups. The voters are being offered an opportunity to endorse better educational facilities for the children of Clarkston along with sufficient funds to operate the total school programs and a community swimming facility.

The proposed issues were made public several weeks ago and the J.C.'s would like to emphasize several points that are crucial to the public understanding and acceptance of the proposals:

The J.C.'s are backing all issues as we feel that they are a necessary addition to our school program. The people in our school district have been very interested in the welfare of their children. Available channels of financing make all the proposed issues possible with a net increase in the tax rate for the schools of one (1) mill.

(2) Operating Millage Proposition the proposed increase of five (5) mills for the period of ten (10) years from 1966 to 1975 will be accomplished by transferring four (4) mills from debt retirement to operating millage and an increase of one (1) mill in operating.

(3) Building and Site and Swimming Pool proposition — the permission of the voters is required in order to sell bonds for acquisition of building sites and construction of additional facilities. These

two proposals would require no increase in the tax rate for schools. Funds required would be borrowed from the State School Bond Loan Fund at no interest.

(4) Fund transfer proposition — the permission of the voters is required to transfer the surplus monies (\$37,224.82) remaining from the 1954 Debt Retirement Fund to the Building and Site Fund. All bonds of the 1954 issue have been fully paid and these monies are surplus.

The J.C.'s propose the swimming pool to improve the high school physical educational program, to provide a more complete athletic program, to provide the only public swimming facility in the school district for public swimming instruction and to provide a swimming facility for the use of all residents of the district. Beginning in September 1966 only the ninth grades will have any physical education. It is not feasible to enlarge existing physical education facilities but a swimming pool would add another dimension to the physical education program and still allow for an increase in the school athletic program and a public swimming program.

Because of the many lakes and the short swimming season in this area a swimming pool is a natural addition to our community. The township recreation board has dropped its swimming instruction program for this summer due to an absence of adequate facilities, but they insist that the program is badly needed as indicated by previous years enrollment in the program.

The J.C.'s emphasize that this will be a community swimming pool. We feel that this is imperative. The school board approved its use as such if the voters approve its construction. There would be open swimming, instruction for all ages, and family swimming during the evenings and on week-ends at a nominal cost. Two recent studies in the Clarkston area indicated an increasing need for recreational facilities, and this would also be a very significant addition from an educational, physical, and psychological standpoint. Also, the few existing facilities in North Oakland County are used to the maximum and are relatively unavailable to our residents. These facilities will continue to become less available. If our residents are going to have this type of facility then they will have to provide it themselves.

In conclusion, the J.C.'s and the Clarkston School Board are presenting the residents of the school district a "package" of issues each of which is important to the educational enrichment of all the residents of the school district. The "package" will meet the building and operational needs of the district for the next several years along with providing a more adequate physical education program and a community swimming facility. If the issues pass, the school board would have permission to transfer, during the ten year period of time, of four mills from debt retirement to operations, as needed, with the possibility that one additional mill may be levied at some time during the ten year period. If it were not needed it would not be levied. However, the mills may not be transferred without the public's permission to increase the operation millage. The ingredients of this package are a real bargain for the maximum increase of only one mill, which will amount to approximately \$4.00 per year for the average home in the school district. The J.C.'s urge all residents to be aware of the proposals and to consider them seriously — then go to the polls June 13 and vote. Additional information is available from Robert Brumback, 674-2072 or any local Jaycee.

External Vice-President

Work Slowly This Spring

Michigan physicians recommend the use of moderation and precaution while tending to the lawn and garden this spring.

The weekend gardener, prone to be overly enthusiastic, is advised to take frequent rest breaks and work at a relaxed pace.

The Michigan State Medical Society says take it easy during the first several lawn and garden work sessions. Don't try to work a 10-hour day at hard manual labor on the early warm weekends. As the season advances, your muscles will be able to do more with less discomfort, the doctors advise.

Your physician also suggests careful study of power tool instructions, in order to prevent electrical shocks and mutilated fingers and toes. Power tools, especially lawn mowers, must be used properly and safely in order to be used advantageously.

The Michigan State Medical Society strongly recommends a booster shot of Tetanus (Lockjaw) toxoid prior to the gardening season for those who have not kept their immunization up-to-date. Tetanus germs are commonly present in soil. All minor cuts and scratches should be cleaned with soap and water and covered with a clean bandage.

Information is available from Robert Brumback, 674-2072 or any local Jaycee.

Obituary

MILDRED A. PELLEYMOUNTER
After a short illness, Mildred A. Pelleymounter, 58, of 50 Stout St., Pontiac, died June 2.
Miss Pelleymounter is survived by one sister and four brothers.
A niece, Mrs. Chester Adams lives in Clarkston.
The June 4 funeral arrangements were made by the Sharpe-Goyette Funeral Home.
Burial was at the Ottawa Park Cemetery.

Gets Honor

Ralph Dikeman, owner of the Ralph Dikeman Co., 226 White Lake Road, Clarkston, was honored June 8 by the Michigan Marine Dealers Association. He was presented with a plaque for "exemplary service" as a director of the statewide organization. The ceremony was held during a banquet at the Detroit Press Club. The MMDA owns and produces the annual Greater Michigan Boat Show at Detroit Artillery Armory.

Crowned Frat. Sweetheart

Crowned "Sweetheart" of Tau Kappa Epsilon Fraternity at Adrian was Mrs. Wayne Lancaster.
Mrs. Lancaster graduated from the Clarkston Senior High in 1964. Her maiden name at that time was Bonnie Black.
Bonnie is the daughter of Mr. and Mrs. Arthur Black of 6140 Lakeview, Clarkston. She will go on to represent the Theta-Omicron Chapter in the International TEKE Sweetheart contest.

"Great peace have they which love thy law: and nothing shall offend them." This promise from Psalms will be part of the Responsive Reading of Christian Science church services this Sunday. Subject of the Bible Lesson is "GOD THE PRESERVER OF MAN."

The lesson includes the story of Daniel and his three fellow captives whose spiritual steadfastness in worshipping only God preserved them from harm in the lion's den and the fiery furnace."

Among the related passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, are these lines: "The central fact of the Bible is the superiority of spiritual over physical power. . . The calm and exalted thought or spiritual apprehension is at peace."

Reaching Out

Neighbor

Thou shalt love thy neighbor as thyself. Matt. 19:19.

There should be no doubt concerning what Jesus meant when He used the term "neighbor", for our neighbor is every person with whom we are brought into contact.

First of all he is literally our neighbor who is of our own household. Then it is he that is close to us in our own village, in our own parish, in our own street. With these all true charity begins. To be kind to these is the very beginning of all true religion.

But beside these, as Jesus teaches our neighbor is every one who is thrown across our path by the chance and change of life, whomsoever it may be, whom we have any means of helping — the unfortunate stranger we may meet in traveling, the deserted friend whom no one cares to look after. These too are our neighbors.

Eternal God, our Father, constrain us to follow in the steps of Jesus and make the brotherhood which he proclaimed a living reality. AMEN.

A. Everett Butters

"ROUND THE TOWN"

By Mrs. Shirley Lynch
Maple 5-1065

John Merkel CT. Sn. arrived Friday for a two week visit with his parents Mr. and Mrs. Frank Merkel on Buffalo Street. Seaman Merkel has just finished twenty-six weeks at Communication technician School in Pensacola, Florida. After leaving Clarkston his next duty station will be Winter Harbor, Maine.

Also on visit at the Merkel home is their daughter and son-in-law Mr. and Mrs. Shannon Chapmar

A.D.J.2. They will return to their home sometime today.

Mr. and Mrs. Harry Squires and daughters, Debbie and Denise attended the graduation of Mrs. Squires nephew, Ronnie Larrance, at Rosebush Friday evening. An open house followed.

Mr. and Mrs. Grant Sutton of Clarkston attended open house in Detroit Sunday at the home of Mr. Suttons parents, Mr. and Mrs. George Sutton. The occasion celebrated the graduation of the youngest Sutton boy, Gerald, from high school.

Patrol Recognition Day was held Friday afternoon at the Clarkston Elementary School which honored the 6th grade Safety Patrol and Service Squad for the work they have done during the year. The girls and boys enjoyed games followed with ice cream, pop and candy.

Mr. and Mrs. Robert Kloc and Mr. and Mrs. Donald Graham of Clarkston enjoyed sight seeing in Detroit-Saturday, followed with dinner.

Sunday a dinner was held at the Derryl Batchelders on Waldon Rd. where farewells were said to Mr. and Mrs. C. E. Batchelder of Ferndale and Mrs. Ronald Broom of Orchard Lake. The Senior Batchelders and their daughter Mrs. Broom left for a month of travel and visiting in California.

Mr. and Mrs. Norman Miller and sons, Randy and Ricky, attended the wedding of Mr. Millers son, Terry to Margaret Sagamang of Oxford, Saturday evening. The wedding was held at the First Methodist Church, Clarkston.

A weekend was spent in Northern Michigan by the Richard Montleys of Pine Knob Rd. Mr. and Mrs. Montley and family, toured several points of interest and picniced at a local park.

Ten members of the Susanna Wesley Circle and their children gathered at the home of Mrs. Clark Souby on Church St. last Wednesday afternoon for their annual of picnic followed by a short meeting.

Happy Birthday for Joanne Erdmore who celebrated her 12th birthday with a visit to her grand parents Mr. and Mrs. George Erdmore of Port Huron. Joanne left Friday by bus and returned late Sunday. Mr. and Mrs. G. J. Erdmore on M-15 are her parents.

Mr. and Mrs. Richard Johnston and family of Northview have just returned from Hohenwald, Tennessee where they spent a week as guests of Mr. Johnston's parents Mr. and Mrs. William Johnston. The William Johnston's are former residents of Clarkston.

Cub Scout Pack No. 49 held a

picnic Sunday at the home of the John Adams on Maybee Rd. Twenty-five boys and their families were on hand to watch awards given out and cheer them on in the games.

A birthday was celebrated for Susan, daughter of Mr. and Mrs. Albert Cosselman on Lakeview, Saturday at "Bill Knapps" in Flint. Grandmother Mrs. Ed Wagner, Mrs. Archie Gerstenberner and children and Mrs. Christensen and children joined Susan and her mother in her third birthday party.

Returning from Northern Michigan Milton Cooney of E. Washington brought back enough fish for a fish fry on his birthday. Mr. and Mrs. Clark Souby, Mr. and Mrs. Maiken Ellsworth, Miss Priscilla Wice and Mrs. Margaret Billits enjoyed the fish. A lovely birthday cake and ice cream topped the special occasion.

Ten friends of Cindy Heazlit were guests Saturday afternoon at a birthday party for Cindy's 9th birthday, June 3. Games were played followed by ice cream and cake with candles. Cindy is the daughter of Mr. and Mrs. Robert Heazlit on Cramlane.

Mr. and Mrs. John T. Toppe and family enjoyed a week vacation in Quittenville, Ohio as guests of Mr. and Mrs. James Martin.

Mr. and Mrs. Byron Smithye of Dixie Hwy. were dinner guests of their son and family Mr. and Mrs. B. H. Smythe of Flint Sunday.

HAPPY BIRTHDAY TO:

Dick Kroninger, Mike Mercier, Richard Taylor, Billy Maier, Bernice Kieckline, June 9; Marshall Molsinger, Shelley Yantiss, Jane English, June 10; Suzie Auten, Dawn Fitzthomas, Ken Johnson, June 11; David Nelson Hunter, Barbara Coulter, June 12; Tammy Sullivan, Bobby Morse, Joseph Haines, June 13; Glen Milner, June 14; Yvonne Moon, Tom Wilford, Lori Ann Sutherland, Nancy Lasswell, Leil Gruenberg, June 15; Laurie Anderson, Mike Crabill, June 16.

ANNIVERSARY GREETINGS:

Mr. and Mrs. Milford Mason, Mr. and Mrs. Harold Goyette, June 9; Mr. and Mrs. Jack Roy, Mr. and Mrs. Bill Richard, June 11; Mr. and Mrs. Hawley Skarritt, Mr. and Mrs. Stewart Hart, June 13; Mr. and Mrs. Pete Thompson, June 15; Mr. and Mrs. Don Cameron, June 16; Mr. and Mrs. Frank Glowinski, June 16.

New Arrivals

Proud parents Mr. and Mrs. Louis Seffens of Waldon Rd. are thrilled with their new daughter Jill Anne. Jill was born June 5, weighing 5 lbs. 9 ozs. Brothers Chris and Mike are eagerly waiting for her to get home. Grandparents Mr. and Mrs. Albert Givens on Waldon Rd. and Mrs. Lawrence Seffens of Southfield think Jill is the loveliest baby they have ever seen.

Nine lbs. 10 ozs. of baby boy arrived on June 7, making Mr. and Mrs. Morgan Poole first time parents.

The baby was given the name Morgan Wendell.

Grandparents are Mr. and Mrs. Ward Poole of Clarkston and Mr. and Mrs. Jerry Miller of Highland.

A second son was born to Mr. and Mrs. Robert Lawson, 6160 Ascension, on May 27.

Weighing 8 lbs. 4 ozs. at birth, Christopher Dale joined his "big brother" Scott Robert.

Grandparents are Mr. and Mrs. George Lawson, 6075 Orion Rd. and Mrs. Gerry Derry of Auburn Heights. Great grandparents are Mr. and Mrs. W. J. Emery of South

The people who buy electric water heaters!

SATISFACTION GUARANTEED
DETROIT EDISON

With an electric water heater, you get all the hot water you need when you need it, or you get your money back... from Edison. Including any you may have spent on installation. And it doesn't matter where you bought your new electric water heater. If it's an approved product, the Edison full-year guarantee still applies. No strings attached. Does this guarantee cost you extra? Not a cent! And electric water heaters are backed by Edison's no-charge repair service on electrical parts. To get all the hot water you need—guaranteed—call your Edison Office or see the Qualified Retailer who displays the Edison Satisfaction Guaranteed sign.

Notice of Public Hearing

AMENDMENT TO ZONING ORDINANCE

The Planning Commission of the Township of Independence, County of Oakland, State of Michigan will hold a Public Hearing at Township Hall, 90 North Main, Clarkston, Michigan, at 7:30 p.m. o'clock on the 30th day of June 1966 on an amendment to the Independence Township Zoning Ordinance No. 2:

Section 2. Definitions, Sec. 2.35, Sec. 2.44 (new).

Section 3. General Provisions, Sec. 3.22.

Section 17. Trailer Coach Park District (new).

Section 9.1-(7) (delete).

Section 13.8. Zoning Changes. Amend Section 3.22 to read:

Section 3.22 Trailer Coaches, Tents, or Portable Dwellings.

Trailer coaches, tents or portable dwellings shall not be considered either as a dwelling as herein defined and permitted, nor as a legal accessory use in Independence Township if the same is used for human habitation nor shall the same be used for the shelter of animals, except as provided for in Section 17, Trailer Coach Park District.

Add a new Definition, No. 2.44: Gross Usable Acreage: Gross Usable Acreage is all the land within a given legally described parcel which is buildable and suitable for on-site sewage disposal.

Amend Section 2.35 Trailer Coach to read:

Section 2.35. Trailer Coach - Mobile Home.

A detached single-family dwelling unit with all of the following characteristics:

- A. Designed for long-term occupancy, and containing sleeping accommodations, a flush-toilet, tub or shower bath, and kitchen facilities, with plumbing and electrical connections provided for attachment to outside systems.
- B. Designed to be transported after fabrication on its own wheels, or detachable wheels.
- C. Arriving at the Trailer Coach Park, where it is to be occupied as a dwelling, complete including major appliances and furniture, and ready for occupancy, except for minor and incidental unpacking and as-

sembly operations, location on foundation supports, connection to utilities, and the like.

Delete Section 9.1-(7) in its entirety, and add:

Section 17. Trailer Coach Park District (R-3).

Section 17.1 Uses: The following uses shall be permitted in a Trailer Coach Park District, to-wit:

A. Trailer park and mobile home courts subject to the requirements established and regulated by Act 243 of the Public Acts of 1959, as amended. Except that same shall conform to the following requirements:

- (1) Any such use shall be constructed and operated in accordance with all applicable State laws, but no permit therefor shall be issued until a hearing has been held thereon after 5 days' previous notice thereof has been given to all property owners within 2,000 feet of the perimeter of the site of the proposed Trailer Coach Park or Mobile Home Site, and it is determined after such hearing to be held by the Planning Commission that the proposed site as a Trailer Coach Park or Mobile Home Site would not be detrimental to the health, safety or general welfare of the property owners within 2,000 feet of the perimeter of the proposed site. If the site is approved after said hearing, then the following site restrictions shall apply:
 - a. Minimum site size of 10 acres.
 - b. The site proposed shall have not less than 50 complete mobile home spaces available at first occupancy.
 - c. Density of development shall not exceed 8 mobile home spaces per usable gross acre.
 - d. The entire site shall be enclosed by a greenbelt. Greenbelts shall be in accordance with Section 3.23 of the Zoning Ordinance and shall meet the following specifications:
 - 1. A planting area, minimum

width of six (6) feet which shall be completed within six (6) months from the date of issuance of a Certificate of Occupancy and shall thereafter be maintained with permanent plant materials.

Specifications for spacing and plant materials are shown below. Materials to be used are merely suggestions and shall not be limiting. Other equivalent materials may be used.

SPACING

- (a) Plant materials shall not be placed closer than three (3) feet from the fence line or property line.
- (b) Where plant materials shall be planted in two or more rows, planting shall be staggered in rows.
- (c) Evergreen trees shall be planted not more than three (30) feet on centers.
- (d) Narrow evergreens shall be planted not more than three (3) feet on centers
- (e) Deciduous trees shall be planted not more than thirty (30) feet on centers.
- (f) Tree-like shrubs shall be planted not more than ten (10) feet on centers.
- (g) Large deciduous shrubs shall be planted not more than four (4) feet on centers.

PLANT MATERIALS

Minimum Size (In Height/Feet)

- (a) Evergreen Trees Five (5)
- (1) Juniper
- (2) Red Cedar
- (3) White Cedar
- (4) Pines
- (b) Narrow Evergreens Three (3)
- (1) Pyramidal Arbor-Vitae
- (2) Columnar Juniper
- (3) Irish Juniper
- (c) Tree-Like Shrubs Four (4)
- (1) Flowering Crab
- (2) Russian Olive
- (3) Mountain Ash
- (4) Dogwood
- (5) Redbud
- (6) Rose of Sharon
- (d) Large Deciduous Shrubs Six (6)
- (1) Honeysuckle
- (2) Viburnum
- (3) Mock-Orange
- (4) Forsythia
- (5) Lilac
- (6) Ninebark

(e) Large Deciduous Trees Eight (8)

- (1) Oak
- (2) Hard Maple
- (3) Ash
- (4) Hackberry
- (5) Sycamore

Trees Not Permitted

- (a) Box Elder
- (b) Soft Maple
- (c) Elm (American)
- (d) Poplar
- (e) Ailanthus (Tree of Heaven)

All streets within the project shall be private and paved with asphalt or concrete and designed in accordance with the following. Provided, however, if the project is to be platted, then said streets shall be dedicated to the public.

1. Recognition of Existing Facilities.

The street system shall be designed: (a) to recognize existing easements utility lines, etc., which are to be preserved, and (b) to permit connection to existing facilities where necessary for the proper functioning of the drainage and utility systems.

2. Block Size and Shape.

The street system shall be designed with blocks of proper size and shape to provide desirable mobile home lots and to reduce excessive length of street construction without impairing convenient circulation and access.

3. Circulation.

The street system shall provide convenient circulation by means of minor streets and properly located collector streets. Closed ends of dead-end streets shall be provided with adequate paved vehicular turning or backing space. A turning circle shall be at least 80 feet diameter.

4. Pavement Widths.

Pavements shall be of adequate widths to accommodate the contemplated parking and traffic load in accordance with the type of street with 10 feet minimum moving lanes for collector streets, 9 feet minimum moving lanes for minor streets, 7 feet minimum lane for parallel guest parking and 2 feet additional width for pedestrian use where adjacent sidewalk is not provided.

- (a) All entrance streets and other collector streets with guest parking both sides . . . 36' minimum.*
- (b) Collector street with no

parking . . . 22' minimum.*

(d) Minor or cul-de-sac street with no parking . . . 20' minimum.*

(e) One-way minor street with no parking (acceptable only if less than 500' total length and serving less than 25 mobile home stands) . . . 11' minimum.*

*Reduce by 2' if adjacent sidewalk is provided.

5. Alignment and Gradient.

Streets shall be adapted to the topography and shall have suitable alignment and gradient for safety of traffic, satisfactory surface and proper functioning of sanitary and storm sewer systems.

6. Intersections.

Street intersections shall generally be at right angles. Off-sets at intersections and intersections of more than two streets at one point shall be avoided.

7. Extent of Improvements.

The street improvements shall extend continuously from the existing improved street system to provide suitable access to the mobile home stands and other important facilities on the property to provide adequate connections to existing or future streets at the boundaries of the property and to provide convenient circulation for vehicles.

8. Grading.

Streets shall be graded for their full width to provide suitable finish grades for pavement and any sidewalks with adequate surface drainage and convenient access to the mobile home stands and other important facilities on the property.

Said streets shall afford means of entrance and exit to a County primary road or State highway. Said County or State highway must have a minimum of two paved traffic lanes and a right-of-way width of 120 feet.

Lot area per trailer minimum 50 feet wide by 80 feet in depth. In addition to required lot area per trailer, no trailer shall be located nearer than 15 feet to any other trailer and street. The space between trailers may be used for the parking of motor vehicles, provided that such vehicles be parked at least 10 feet from the nearest adjacent site.

1. Parking Spaces.

(a) Number. Car parking spaces shall be provided in

sufficient number to meet the needs of the occupants of the property and their guests without interference with normal movement of traffic. Such facilities shall be provided at the rate of at least one car space for each mobile home lot plus an additional car space for each 3 lots to provide for guest parking, for 2-car tenants, and for delivery and service vehicles.

(b) Location. Required car parking spaces shall be located for convenient access

to the mobile home stands. Insofar as practicable one car space shall be located on each lot and the remainder located in adjacent parking bays.

(c) Individual On-lot Space. Width: 9 feet. Length: 20 feet minimum.

(d) Off-Street Parking Bays. Parking Curb Minimum Minimum Angle Length Bay Backing Degree Per Car Depth* Depth*

| | | | |
|----|-------|-----|-----|
| 90 | 9' | 18' | 26' |
| 60 | 12.5' | 17' | 20' |
| 45 | 12.7' | 16' | 19' |

*Perpendicular to curb line.

All plat plans and building plans for any proposed Trailer Coach Park or Mobile Home Site must be submitted in triplicate to the Township Planning Commission and Building Department for review of the site plan prior to a permit being issued.

Section 13.8. Zoning Changes.

Add new parakraph (6), to read: Statement setting forth notice to adjacent land owners; reasons for not giving notices, if such is the case.

Pictures of The Week

An unpleasant odor and tall grass are telltale signs of an overused sewer. This and scattered trash are typical to certain

areas of Woodhull Lake subdivision. The Oakland County Health Department is checking sewers in the area.

A few families in Woodhull would rather dump their rubbish over the banks

behind their homes rather than take time to take a trip to the dump.

Rubbish, tin cans and broken glass are common to a small park originally intended for use by Woodhull residents for

picnics, etc. Neighbors to this lot have taken it upon themselves to clean up a large area of this "park" not pictured.

Many lots in the Woodhull Lake Subdivision have been left piled with burned rubble after cottages have burned. Resi-

dents have urged lot owners to clean up their property which leaves a bad impression on visitors.

It is not unusual to find as high as five inoperable cars crammed near one cottage. Woodhull has several residents who

have been warned by Independence-Township officials to dispose of the junk cars.

This young lady and many other children in the area are exposed to the dangers of old cars jacked off the ground and left

to sit that way for months. This is not an uncommon sight in certain areas of the Woodhull subdivision.

Notice of Annual School Election

TO THE QUALIFIED ELECTORS OF CLARKSTON COMMUNITY SCHOOL DISTRICT OAKLAND COUNTY, MICHIGAN:

NOTICE IS HEREBY GIVEN, that the annual election will be held in Clarkston Community School District, County of Oakland and State of Michigan, on Monday, the 13th day of June, 1966.

NOTICE IS HEREBY GIVEN, that the polls for said election will be open from 7:00 o'clock A.M. to 8:00 p.m., Eastern Standard Time, and that the voting places will be as follows:

Precinct No. 1 — Independence Township Hall, 90 North Main St.
Precinct No. II — Sashabaw Elementary School Building, 5275 Mayhew Road.

Precinct No. III — Independence Township Fire Station No. 2, 7825 Sashabaw Road.

Precinct No. IV — Clarkston Elementary School Building, 6595 Waldon Road.

Precinct No. V — Pine Knob Elementary School Building, 6020 Sashabaw Road.

Precinct No. VI — Andersonville Elementary School Building, 10350 Andersonville Road.

NOTICE IS FURTHER GIVEN, that at said election, one member of the Board of Education will be elected for a term of four (4) years expiring June 30, 1970, for which position the following persons have been nominated:

WALTER WILBERG

INGRID SMITH

RICHARD R. YARBROUGH

NOTICE IS FURTHER GIVEN, that the following propositions will be submitted at said election: (Property Owners Only may vote on propositions I, II and III).

I. BUILDING AND SITE BOND PROPOSITION

Shall Clarkston Community School District, Oakland County, Michigan, borrow the sum of not

to exceed Two Million Five Hundred Thousand Dollars (\$2,500,000) and issue its bonds therefor, for the purpose of erecting, furnishing and equipping school buildings and facilities and additions to school buildings, remodeling school buildings, and acquiring school sites and additions to school sites and developing and improving the same?

II SWIMMING POOL BOND PROPOSITION

Shall Clarkston Community School District, Oakland County, Michigan, borrow the sum of not to exceed Six Hundred Thousand Dollars (\$600,000) and issue its bonds therefor, for the purpose of building and equipping a swimming pool in conjunction with the Senior High School Building?

III OPERATING MILLAGE PROPOSITION

Shall the constitutional limitation on the total amount of taxes which may be imposed in any one year upon property in Clarkston Community School District, Oakland County, Michigan, be increased for the period of ten (10) years from 1966 to 1975, both inclusive, by five (5) mills (\$5.00 per \$1,000) on assessed valuation as finally equalized, to defray a part of the operating expenses of the school district?

IV FUND TRANSFER PROPOSITION

Shall the sum of \$37,224.82 now remaining in the Debt Retirement Fund for the School District Bonds

issued by Clarkston Community School District, Oakland County, Michigan, under the date of April 1, 1954 (which bonds have been fully paid), be transferred to the Building and Site Fund and used for construction of a physical education running track on the present football field and for black-topping driveways and parking lots at the Bailey Lake School and the Sashabaw Elementary School?

NOTICE IS FURTHER GIVEN, to vote for six (6) members of the Board of Trustees of the Community College District of Parts of the Counties of Oakland, Washtenaw, Livingston and Lapeer, Michigan (Oakland Community College), to be elected at large from the Community College District on a non-partisan basis, the qualified candidates for the Board of Trustees being as follows:

For the two year terms expiring in 1968
C. Ray Ballard
Thomas P. Czubiak
James W. Gell
David W. Hackett
Gordon C. Henderson
Donald W. Nick

For the four year terms expiring in 1970:
Earl M. Anderson
Vernon M. Fitch
Thomas W. Fowler, Jr.
Harold J. Robinson
Ralph F. Tyndall

For the six year terms expiring in 1972:

Lila R. Johnson
Thomas J. McGee
George R. Mosher
COUNTY TREASURER'S STATEMENT AS REQUIRED BY ACT 293 OF THE PUBLIC ACTS OF 1947

I, James E. Seeterlin, County Treasurer of the County of Oakland, State of Michigan, do hereby certify that according to the records in my office, as of May 17, 1966, the total of all voted increases in the tax rate limitation above the 15 mills established by Section 6 of Article IX of the Michigan Constitution of 1963, affecting taxable property in the Clarkston Community School District in said County, is as follows:

| Local Unit | Voted Increases | Years Increase Effective |
|---|-----------------|--------------------------|
| Clarkston Community School District, Oakland County, Michigan | 10.00 | 1954 to 1973 Incl. |
| | 3.00 | 1955 to 1970 Incl. |
| | 5.00 | 1963 to 1972 Incl. |
| Count School District of Oakland County | .50 | 1954 to 1969 Incl. |
| | .50 | Unlimited |
| Oakland Community College | 1.00 | Unlimited |

OAKLAND COUNTY TREASURER'S OFFICE
OAKLAND COUNTY
James E. Seeterlin, Treasurer

Dated: May 17, 1966

By: Robert E. Richmond, Chief Deputy
The Polls for said Election will be open from 7:00 o'clock A.M. and remain open until 8:00 o'clock P.M., of the same election day.
Walter Wilberg, Secretary
Board of Education

Caddies Deserve Consideration

Golfers, take better care of your caddies. You're hurting too many of them. That is the warning of safety experts.

More than 6500 caddies are hurt every year on the nation's public and private golf courses, a recently completed survey of golfing accidents reveals, and one of every three of these injuries is serious. Most of the accidents involve caddies struck by hard-hit balls. And, most of them could have been prevented if the golfers had given a little more thought to the safety

of their caddies. There is one simple, primary, rule for golfers.

Never allow a caddy to be in front of the golfer, unless the lad is "forecaddying" or shagging. If they are forecaddying, make sure the boys are far enough ahead of the players. When shagging, make sure the caddy is not looking into the sun; with the ball traveling at 200 miles per hour, the sun-blinded caddy hasn't a chance of seeing the ball in time to duck.

Other suggestions for golfers are: Don't send the caddy into places where you wouldn't go yourself — swampy areas where there might be poisonous snakes, wasp nests or other hazards.

Never let a caddy run your golf cart.

Always think of your caddy's safety.

Over-all, the survey showed that there were some 20,000 golfing accidents of all kinds last year. Nearly 30 per cent of these were caused

by golf balls. Fifteen per cent were caused by golf carts. And the third most frequent cause of trouble on the fairway was over-exertion, with a surprising number of deaths reported from this last cause.

"Remember your age, the golf course gets longer and harder every time you play it."

Remember your caddy, too.

Clarkston Man Completes Training

Farm Bureau Insurance has announced that Ron Dobson has successfully completed a comprehensive Michigan State University insurance training program and is now qualified to handle all insurance needs.

Mr. Dobson is the father of one son and lives in Clarkston at 49 West Washington.

Khrushchev was a locksmith.

Fire Safe Painting

A paint brush probably figures in your Spring Clean-Up plans, so keep these fire safety pointers in mind:

1. For paint removing and brush cleaning, solvents labeled "non-flammable" are safest, the National Fire Protection Association says. If you must work with flammable ones, better do it outdoors — but never in any area where there is open flame (as from a stove) or where anyone is smoking.

2. Get rid of old paint and solvent containers, and those with small left-over amounts. Store paints and solvents well away from furnaces, and only in capped metal containers — glass jars break easily, creating a definite

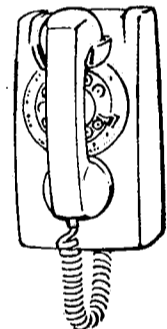

3. Safest practice with rags used to wipe up solvents or paints is store them, use a metal container fire hazard.

"Without my extension phone I'd be in a stew!"

An extension phone helps take the tension and the running out of housework. The cost is little but the convenience great. Call our Business Office. Or ask your Telephone Man.

Michigan Bell
Part of the Nationwide Bell System

Notice of Public Hearing

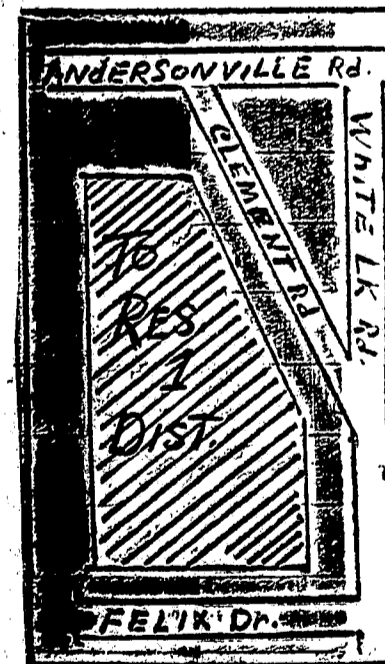

The Planning Commission of Independence Township, Oakland County, Michigan, will hold a Public Hearing on June 16, 1966, 7:30 p.m. at the Township Hall, 90 North Main Street, Clarkston, Michigan, to consider the following change in Township Zoning Districts:

To Rezone from Suburban Farms to Residence-1:

That part of NE 1/4 of Section 31, T4N, R9E, lying South of Jack's Greens Lake Park Subdivision and Easterly of Center Lines of White Lake Road and Clement Road. Also the W 1/2 of NW 1/4 of Section 32, T4N, R9E, except that part platted into Jack's Greens Lake Park Subdivision and Waterford Hill Golf Estates No. 2.

A map showing the proposed change in the Zoning Districts may be examined at the Township Hall during regular office hours.

In Memoriam

In Memory of Specialist SP4 David E. Taylor who drowned in Germany June 10, 1962. No one knows the silent heartache Only those who lost can tell. The grief we bear in silence For the one we love so well Some day, some time Our eyes shall see The face we keep in memory And God will link The broken chain Still closer when We meet again. Sadly missed by wife Agathe, son David, and Mom and Dad. 41c

D.A.R. Has Annual Picnic at Y.M.C.A.

The Pontiac Y.W.C.A. was the scene of the Annual County Picnic of the Daughters of the American Revolution Thursday noon. Sixty-five members representing six Chapters enjoyed the Co-operative luncheon.

Following the luncheon a business meeting was held, featuring the interesting talk given by the guest of Honor, State Regent, Mrs. James V. Zeder of Au Gres, her subject being "The Chain of Duty". Several other State Officers and past State Officers were present.

Plans were made for a trip to Lansing next September when the National President General, Mrs. William Henry Sullivan, Jr. will visit Michigan.

Meetings of General Richardson Chapter will re-convene for regular meetings next September.

Selected for '66 Club'

Paula Parker, daughter of Mr. and Mrs. William Parker, 6683 Eastlawn, has been selected as one of sixty-six outstanding seniors, for membership in Michigan State University's "66 Club".

Members of the "66 Club" will be the core of alumni relations for the class and will assist in planning reunions.

The seniors were selected by the Senior Council on the basis of their undergraduate service and contributions to MSU.

Members of the club, including the four outstanding senior scholars were honored at a banquet at MSU.

Seymour Lake News

Mrs. Ethel Rowley was made "Queen for the Day" on Sunday afternoon from 1-5, when one hundred and three relatives, friends and neighbors met in the parlor of the Seymour Lake Methodist Church to bestow their respects on the honored guest for the many years she has given to the teaching profession.

Colors were in green and white at the refreshment table with Mrs. John Cook and Mrs. Jerry Ballard, assisted by Mrs. Mildred Bixler, pouring.

Mrs. Walter Ash gave an original poem and Gladys Sherwood gave a reading entitled "The Magic of the Words, God Bless You".

Many lovely gifts were received. Guests were present from Bad Axe, Pigeon, Flint, Pontiac, Clarkston, Drayton Plains, and Seymour Lake.

Mrs. Rowley is closing her career as a teacher at the Pine Knob School and after making visits among her many friends will make her home with her sister in Texas.

Mrs. Mildred Perry of Glennie entered St. Joseph Hospital in Pontiac on Sunday for observation.

Members of the Mothers group were entertained by Mrs. Douglas Gordon on June 6 in Farmington. Mr. and Mrs. Albert Schubert

will entertain at an open house on Sunday, June 12, from 2 to 7 p.m. in honor of the graduation of their son, Tom, who is a member of the Brandon High School graduating class.

Cruel Handicap Crossed Eyes is Doubly

Crossed eyes in your child not only evoke teasing and abuse from other children, they produce defective eyesight that retards progress in school.

What's more, they are a needless handicap. With exercise, eye-glasses and/or surgery, normal appearance as well as normal vision can be restored in most cases.

As a parent, you may find it difficult to detect crossed eyes in your infant. This is natural since a baby's eyes normally "float" during the first three months of life. After that, they may appear close together due to the illusion created by the underdeveloped bridge of the baby's nose.

By the age of two years, however, your child should have sufficient muscle control to make both

eyes work together. Your suspicions should become aroused if you notice him close one eye, rub at it, or tilt his head to focus on an object. At this stage, it's a good idea to seek medical advice.

If your child does have crossed eyes, your physician may cite such possible causes as near or farsightedness, underdevelopment of the muscles controlling eye movement, excessive nervous innervation, a blow on the head, heredity or disease. Any of these factors can cause the eyes to turn either inward, outward or upward.

As a result, the world your child sees is double and flat—double because he views objects from two widely different angles; flat because his inability to visually fuse two objects into one makes it difficult to perceive an object's depth.

Once the diagnosis of crossed eyes is established, your physician can institute treatment almost immediately—and the sooner the better. If treated early—preferably before the age of four—the defective eyesight that accompanies crossed eyes can almost always be restored. After that time, prolonged disuse permanently weakens the bad eye to a point where it can never regain its full potential.

If your doctor recommends an operation, don't be alarmed—it is no more dangerous to your child than removing his tonsils. One op-

eration may be all that's needed; however, two or even three operations may be necessary when several muscles are involved.

Whatever treatment your physician recommends, crossed eyes can be corrected safely and effectively.

(Potassium is obtained from Kelp.)

Why a strike against Edison?

Some Unpublished Details of Edison's Proposal to Local 17, IBEW

A strike against Detroit Edison has been called by Local 17 of the International Brotherhood of Electrical Workers, AFL-CIO, representing 747 of our 9500 employees. About 450 of the men on strike are linemen.

Background of the Dispute

The current contract expired May 30. Since April 7, union representatives have discussed, in many meetings with the company, terms of a new two-year contract.

The union is asking for 20 per cent more in cash and benefits, effective immediately.

The company offers a 10.3 per cent increase in cash and benefits—5.6 per cent in June 1966 and 4.7 per cent in June 1967.

This is well in excess of the 3.2 per cent guidelines urged on industry and labor by the Federal administration.

The union has rejected this offer.

The Edison Linemen Are Well Paid
Edison linemen are currently paid a base rate of \$8380 a year—guaranteed. There are no layoffs, and overtime is frequent. Of our 450 linemen, 355 made over \$11,000 in 1965.

The hourly rate for our linemen, before the offered increase, is \$4.03 an hour. This is 15 to 25 cents an hour more than comparable skilled tradesmen earn working for representative steel, auto manufactur-

ing and refining companies, and other major employers in Metropolitan Detroit. Our lineman rate is 30 cents an hour more than the average lineman rate of the three major electric companies close to Detroit.

In addition, so-called "fringe benefits" cost Edison \$1.06 an hour—\$2200 a year—per employee. This includes life insurance, pensions, health and major medical-surgical insurance, and pay for time-not-worked (holidays, vacations, sickness, personal affairs). Edison's fringe benefits are well above the Metropolitan Detroit average.

Edison's Offer Is Fair and Reasonable

In Metropolitan Detroit the cost of living has gone up 7.4 per cent since January 1, 1961 (Federal Index of April 1966). In that time Edison's base rate to linemen has increased by 16.6 per cent, not including our present offer.

Edison is proud of its linemen. Theirs is often difficult work. We believe they should be well paid. They have been and, with our offer of \$4,165 per hour, they will continue to be.

At the same time, this company is regulated by the Michigan Public Service Commission so far as rates and earnings are concerned. We have a continuing responsibility to serve customers well and at a reasonable cost.

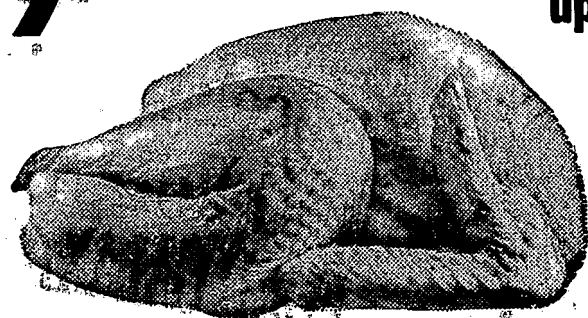

Why, then, a strike against Edison?

Walker L. Cislak, Chairman of the Board
Donald F. Kiger, President
