Township paves way for Waldon st. improvements

At a recent meeting of the Independence township board, a resolution was passed which will pave the way for extensive street improvements on Waldon Road. The stretch which would be improved would extend from the Clarkston Methodist Church east to near Wealthy street. It is hoped that the work could be done this summer or before school starts next fall.

The cost of the project will be \$22,632 and the Charles W. Anderson Company submitted the lowest bid. They outlined four other firms. It was estimated that the project would cost \$22,029.

Sharing in the cost besides Independence township would be the Village of Clarkston and the county. Resolutions have been sent to each of those units of government for their approval.

In other business the board set a date for a Public Hearing relative to a lighting project on Guyette street. July 5 is the date set to review charges for five street lights which would be erected on Guyette between Maybee road and Eckles. Yearly service charges would amount to \$144 or about \$6 per lot. It would be paid for by the residents who would benefit by the installation of the lights.

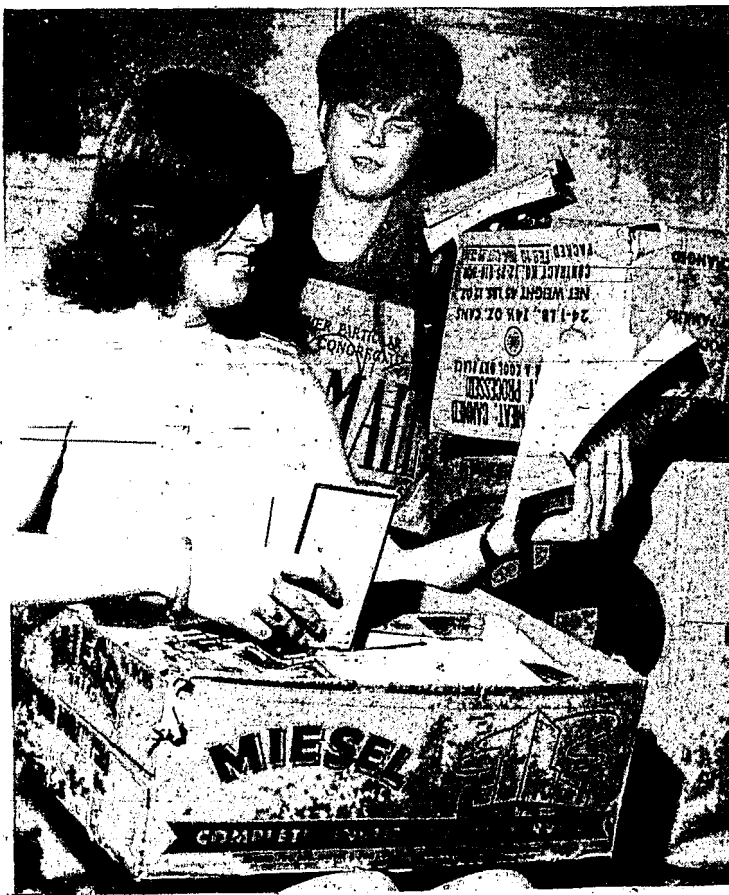

Four rezoning requests were approved while one was rejected.

Granted was a request to rezone from suburban farms to residential-1 a parcel of land at Allen and Rattalee Lake roads.

Also granted was a request to change from suburban farms to residential-1 and residential-2 two parcels of land which are adjacent to Spring Lake and the new Pine Knob Country Club.

The board approved a request to rezone from agricultural to residential-1 a 10 acre piece of land at Pine Knob and Orion roads.

The proposal which was

En route to army installations in Viet Nam are more than 16,000 paperback books collected in a month-long book drive by Oakland Community College students at the Highland Lakes Campus.

denied was rezoning from agricultural to residential several hundred acres north of I-75 and Holcomb road. Most of the residents living in the area objected to the rezoning and had petitioned the township and county to block the zoning change. It had also been recommended for denial by the county coordinating zoning and planning committee.

Graduation Supplement

The Clarkston News is happy to present to our readers this week, a supplement devoted to the Graduating Class of 1966.

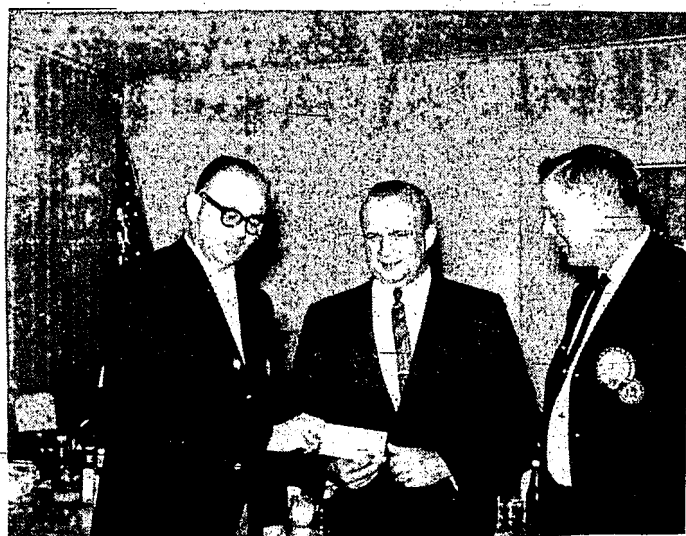

We wish to thank the advertiser's who supported it and the advance work done on copy and pictures by Mrs. Robert Wilson.

For those who wish to have the supplement as a keep-sake, extra copies will be available at the new office of The Clarkston News, at 55 S. Main street.

Fluoride Clinic starts June 26

Monday, June 26 will be the first day for a fluoride clinic to be held in the Clarkston Elementary school. The clinic will last for 6 weeks. Any parent who wishes the treatments for their children who are now in kindergarten, second, fifth or eighth grades and are not registered should contact the school. There will be a \$2.00 fee for the series of 4 treatments. Appointments will be set up for those desiring treatment for their children.

Named state chairman

Appointed State Membership chairman for the Michigan Federation of Young Republicans is Sheldon B. Smith of 6450 Maybee Road, Clarkston.

Mr. Smith, 27, is associated with his father, Rolfe H. Smith, a Pontiac realtor. He is well-known in Young Republican circles having begun serving as Membership Chairman of the Oakland Young Republicans in January. Since that time the organization has doubled in size and now has over 300 active members, the largest club in the state.

The appointment was made by David W. Kendall, Jr. newly-elected chairman of the federation in Jackson.

Speaking of his appointment Mr. Smith said, "There is a need for fresh, young thinking in politics. As State Membership Chairman I will be traveling throughout Michigan encouraging young people to become active in existing Young Republican clubs or to form new clubs."

Clarkston News changes

You may see some difference in your Clarkston News this week and wonder about it a little.

It is being printed by a different method, called offset.

This week William H. Stamp again became publisher of the News. He previously published this paper from April 15, 1933 to August 15, 1961. In assuming the ownership this time, he contracted with The Oxford Leader, the newspaper in Oxford, to produce the Clarkston News for him.

This brought about the change in printing. Offset printing is printing by photography as opposed to printing by metal. The Birmingham Eccentric, Inter-Lake News, Lakeland Tribune and Davison Index are a few of the over 100 newspapers in Michigan now being printed by the offset method.

To the advertisers this means there is no way mats can be reproduced. Copy has to take the form of a proof; preferably black print or pictures on white paper.

The most noticeable change readers will wonder about is the picture reproduction. With offset a finer line screen makes picture quality improve considerably.

The staff of the Oxford Leader will do their utmost to cooperate with the Clarkston community to present as much news as possible.

Since it will be a new experience for us it will be necessary to creep a while. We will have to make some changes, such as deadlines, but nothing so severe that it should hinder our relationship.

The Waterford Lions presents a \$500.00 check as their contribution to the Penriton Nursery for the blind and physically handicapped children. Incoming secretary, Lion Richard Smith (left), Mr. Donald Cardinal, Director of the nursery (center) and Lion President Harold LaBrosse (right). The donation was made possible through the annual "White Cane Drive" and annual "Eyeball Dance".

Pool down the drain other proposals pass

Voters in the Clarkston school election approved three issues, turned down the swimming pool proposal and re-elected the incumbent to another term of office on the Board of Education.

Ballot proposal number 1 was a \$2.5 million bonding proposal to acquire additional sites, site improvements, to build new schools, erect additions to existing schools and for furnishing and equipping these schools passed by a vote of 768 to 328.

Proposal number 2 which was a bonding proposal in the amount of \$600,000 to build and equip an indoor swimming pool to be attached to the existing high school was turned down by the voters. 601 cast their votes against the proposition while 509 persons voted in favor of the bond issue.

Third on the list of ballot proposals was the 5 mill increase. This passed by a vote of 670-436. This 5 mill increase would be spread over 10 years.

Superintendent of schools, Dr. L. F. Green stated that the increase in operating revenue would mean a boost of only one mill in the district's tax rate over the period. He went on to explain that even though the operational millage would be

gradually increased, the debt retirement levy would be lowered at the same pace until 1971 when the additional mill would probably have to be levied.

The last issue to be voted upon was also passed. It was a proposal to transfer the \$37,224 remaining in the 1954 debt retirement fund to the building and site fund. This money would be used to construct a physical education running track beside the existing football field and to blacktop parking lots and driveways at the Bailey Lake Elementary school and also at the Sashabaw School. Voters approved this issue by a vote of 658 in favor and 232 votes opposed.

Incumbent board member, Walter Wilberg was re-elected to a 4 year term on the Board of Education. Mr. Wilberg received 412 votes.

Richard Yarbrough, another of the 3 candidates seeking the board seat came just 5 votes behind Mr. Wilberg. He received 407 votes.

Mrs. Ingrid Smith, a Clarkston housewife, received 284 votes.

Mr. Wilberg has been a school board member since 1956 and previous to that he had served in the Bailey Lake district. He has been the Clarkston Board Secre-

Walter Wilberg

tary since 1963. He lives at 9520 Sashabaw Road and is a construction superintendent for the Schurrer Construction company in Pontiac. He campaigned for continued improvement of the curriculum offered to the students.

School officials state that it was a higher vote than usual for board members, but those voting on the Bonding proposals was about the average number for any election.

An organizational meeting for the new Board of Education will be held Monday evening. At that time the board of canvassers will canvass the election.

Candidates file for township offices

Tuesday, June 14 at 4 p.m. was the final date for filing petitions for township offices for the August primary.

Howard Altman, Independence township clerk, states that the following persons have filed for offices on the Republican ticket.

Supervisor: Duane Hursfal, 118 Holcomb St., Clarkston.

Clerk: Howard Altman, 61 S. Holcomb, Clarkston.

Trustee: Harold Bauer, 6111 Middle Lake Rd, Clarkston.

These three men are all incumbents. Terms for the supervisor and clerk are two years, while the trustee term is for 4 years. Merle Bennett is the other trustee

but he is not up for re-election at this time.

Filing for the constable position for a 2 year term on the Republican ticket are:

Harry Fahrner, 10 Robertson Court, Clarkston, Harry "Bud" Yoh, 7 Buffalo St., Clarkston.

Filing on the Democrat ticket for Supervisor is:

Robert R. Copeman, 5266 Pine Knob Road, Clarkston.

Seeking the trustee seat on the Democrat side is:

Charles S. Curry, Jr., 5728 Warbler, Clarkston. Three men are seeking the constable position for that party. They are: Paul A. Berryberry, 5208 Maybee Road, Clarkston.

Earl R. King, 5550 Mary Sue, Clarkston.

Donald K. Hester, 9632 Hadley Road, Clarkston.

Filing also for the treasurer's position is:

Kenneth L. Johnson, 44 E. Church St., Clarkston.

Four days after the last day for filing petitions, the township clerk must certify to the county clerk the names, address, party affiliation and office sought of all candidates, who are qualified to appear on the township portion of the ballot. Members of the Board of Review are no longer elected, but are appointed.

August 2nd is the date for the Primary election.

Three summer programs slated at Clarkston high

The summer program for the Clarkston school system will be devoted to three different phases. Announcements as to beginning dates will be made later.

Driver Education training classes will be set up on the school parking lot and will be under the direction of Don Mauti, the Assistant Principal.

A Summer Reading Program will be headed by Genevieve Van't Roer. She is the former principal of

the Andersonville Elementary school. This program will be conducted in conjunction with the Federal program under the Economic Opportunity Act.

Terry Thomas, Guidance Director at the High School states that during July and August he will be in charge of a Counseling Clinic. This will enable the counseling department to devote more time to individual student needs and to spend more time with students wishing college information.

Cranbrook Graduate

Deborah Stackable, daughter of Dr. and Mrs. Donald T. Stackable of 8735 Parke Lake, was one of 57 girls to graduate from Kingswood School in Cranbrook.

Commencement exercises were held in Christ Church on June 11. Speaker was Dr. Rosemary Park who is President of Barnard College.

Among the many Clarkston High School graduates who were honored over the week end was Greg Klark. His parents, Mr. and Mrs. Don Klark and his brother, Jim, held "open house" on Sunday evening, at their

Summer Snowballs

When summer comes, can snowballs be far behind? This cool classic—Snowballs with Caribbean Sauce—makes a spectacular dessert for teen parties, bridal showers, or Saturday night company dinners.

They're simple to make, and they'll simply melt in your mouth! Just roll balls of vanilla, coffee, chocolate, or any of your favorite ice cream flavors in crisp flaked coconut, and freeze. At serving time, spoon over delectable Caribbean Sauce made with rich, unrefined molasses. This fine mellow molasses has been produced since Colonial days from the pure, concentrated juice of sugar cane grown in the sunny islands of the West Indies, giving it exotic, tropical flavor.

Go native—escape with this dessert all summer long!

Snowballs With Caribbean Sauce
1 can (3 1/2 ounces) flaked coconut
1 quart vanilla, coffee or chocolate ice cream
Spread coconut in small shallow pan. Scoop ice cream into balls and roll in coconut. Transfer to foil-lined shallow pan; freeze.

Caribbean Sauce
1/2 cup butter or margarine
1/2 cup sugar
1/2 cup unrefined molasses
1/2 cup evaporated milk
2 tablespoons rum flavoring, optional

Melt butter in saucepan; add sugar and molasses. Bring to a full rolling boil, stirring occasionally. Reduce heat and boil 2 minutes, stirring constantly. Remove from heat; stir in evaporated milk and rum flavoring. Serve warm or cold over snowballs. YIELD: 1 1/2 cup sauce.

home on Sunnydale Ave. Many friends from Waterford and Clarkston were on hand to greet Greg and extend congratulations. Among the guests from out of town were Mr. and Mrs. Buchmeister from New Baltimore; Greg's uncle and aunt, Mr. and Mrs. Gordon Cameron from Grosse Pointe; Father Venard from St. Paul of The Cross, Detroit; Mr. and Mrs. Carl Anthony of Pontiac, and Mr. and Mrs. Robert Kenney of Bloomfield Hills.

Beat The Heat With Tuna-Go-Round

When you feel like having a cool dinner on a warm day, try a Tuna-Go-Round Salad. The salad, as cool to make as to eat, is heartier than it looks or tastes—just the thing for summer.

Tuna, rich in protein and minerals, is solid nourishment combined with a delicate flavor that fits perfectly into a salad picture. Canned tuna is especially valued these days as an economical source of complete protein. As always, the tuna eliminates cooking chores; in this instance, you need not even mix it with other ingredients. Simply put it in the salad as is; the dressing provides a natural mixer at serving time.

Tuna-Go-Round Salad
1 small head cabbage, shredded
1 cucumber, sliced
2 cans (6 1/2 or 7 ounces each) tuna in vegetable oil
3 tomatoes, coarsely diced
2 carrots, shredded

Place cabbage in salad bowl; overlap cucumber slices around and fill with tuna. Surround tuna with diced tomato. Sprinkle shredded carrots just inside cucumber border. Serve with 1 cup mayonnaise or salad dressing thinned with 2 tablespoons lemon juice and seasoned with 2 tablespoons each chopped green pepper, parsley and chive. YIELD: 6 servings.

Interlochen Scholarship
Ellen Simmons of 2028 Hazel, Wixom, a flute student at Clarkston Conservatory of Music has won a 2 weeks scholarship to Interlochen. This scholarship has been presented by the Walled Lake Rotary Club.

Ellen is a 10th grade student at Walled Lake High School and plays in both the school band and orchestra. She has been studying the flute at the Clarkston Conservatory since 1963. She is also a member of the Southfield Junior Symphony.

Local girls will study in France this summer

Four Clarkston young ladies are anxiously awaiting their departure for France. They are part of a contingent of 10 area girls who will be studying the French language in that country this summer.

Leaving Metropolitan airport in Detroit on July 5, the group will fly to New York where they will spend the night at the Times Square Hotel. They will

leave the following day by airplane for Paris. Upon their arrival in Paris they will travel by train to Montpellier where they will spend the first 3 weeks. The last 3 weeks they will spend at Etampes, near Paris.

Accompanying the girls will be Mrs. Howard Wieland of 104 1/2 University Drive, Rochester. She is currently teaching French at Clarkston High School.

The Clarkston girls who will be going are: Susan Bennett, 16, daughter of Mr. and Mrs. Samuel Bennett of 6718 Snowapple; Nikki Kratt, 15, daughter of Mr. and Mrs. William Kratt of 6169 Lakeview; Kathy Matlock, 15, daughter of Mr. and Mrs. Odie Matlock of 4870 Crestview and Diane Wagner, 15, daughter of Mr. and Mrs. Dan Wagner of 6967 Snowapple.

The girls are part of 4,000 American students who will be participating on 15 European campuses as part of

the Foreign Language League Schools. Headquarters for this school is Salt Lake City, Utah. "It's main purpose is to overcome our cultural isolation and to achieve an understanding and appreciation of the life of those who before were foreign to us."

Students will attend classes 4 hours each day and will be instructed by native teachers. The St. Cloud method of teaching foreign languages through audio-visual equipment will be used.

Many activities are being arranged for the girl's after-school hours. There will be sightseeing excursions and many recreational activities such as hootenannies, a talent show and such recreational activities as swimming and tennis.

The girls will return to New York by jet on August 16. Upon the successful completion of their course they will receive a certi-

cate of completion and a report card.

GUEST EDITORIAL

Dear Kid

Reprinted from BELLEVUE GAZETTE Bellevue, Mich.

Once in a while an editor gets a piece of copy in his hands that just pleads to be published, and such is the case with this one. It is written by one Donald E. Wood and may or may not have originated in Big Rapids. It was given to me by Principal Clara Bradley who came by it from Principal Bob Arends who got it from Harold Beebe, and so on.

It is entitled simply—
DEAR KID

Today you asked me for a job. From the look of your shoulders as you walked out, I suspect you've been turned down before, and maybe you believe by now that kids out of high school can't find work.

BUT I HIRED a teenager today. You saw him. He was the one with polished shoes and a necktie. What was so special about him? Not experience; neither of you had any. It was his attitude that put him on the payroll instead of you. Attitude, son. A-T-T-I-T-U-D-E. He wanted that job badly enough to shuck the leather jacket, get a haircut, and look in the phone book to find out what this company makes. He did his best to impress me. That's where he edged you out.

You see, kid, people who hire people aren't with a lot of things. We know more about Bing than about Ringo, and we have some Stone-Age ideas about who owes whom a living. Maybe that makes us prehistoric, but there's nothing wrong with the checks we sign, and if you want one you'd better tune to our wave length.

EVER HEAR OF "empathy"? It's the trick of seeing the other fellow's side of things. I couldn't have cared less that you're behind in your car payments. That's your problem, and President Johnson's. What I needed was someone who'd go out in the plant, keep his eyes open, and work for me like he'd work for himself. If you have even the vaguest idea of what I'm trying to say, let it show the next time you ask for a job. You'll be head and shoulders over the rest.

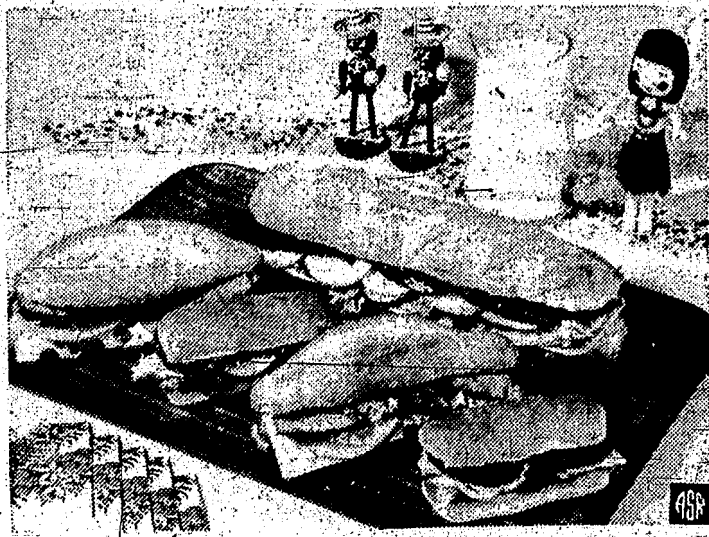

Look, kid! The only time jobs grew on trees was while most of the manpower was wearing G.I.'s and pulling K.P. For all the rest of history you've had to get a job like you get a girl. "Case" the situation, wear a clean shirt, and try to appear reasonably willing.

MAYBE JOBS aren't as plentiful right now, but a lot of us can remember when master craftsmen walked the streets. By comparison you don't know the meaning of "scarce."

You may not believe it, but all around you employers are looking for young men smart enough to go after a job in the old-fashioned way. When they find one, they can't wait to unload some of their worries on him.

For both our sakes, GET EAGER, will you?

Hero, Heroine Or Twosome

Jumbo frankfurter rolls, small loaves of French bread or poor boy rolls make perfect bases for hero sandwiches, and all are enriched with B-vitamins—thiamine, riboflavin, and niacin—and iron. No matter whether it is the traditional hearty Hero, the Heroine, or the Twosome, the larger one—tailored to be shared by "he" and "she"—all are fashioned in the same manner. Split the rolls in half, lengthwise, coat cut surfaces with a soft and flavorful spread or a dressing, then stack layers upon layers of meat, vegetable, cheese, relish—whatever strikes the fancy—between the roll halves. Let your imagination be your guide to flavor and texture companions and contrasts. Here are three delightful suggestions, each for 6 servings.

Honored on 40th anniversary

A local couple, Mr. and Mrs. Gray Robertson were honored on Sunday on the occasion of their fortieth

wedding anniversary. Hosting the affair were their son and daughter-in-law, Mr. and Mrs. Charles Robertson of 5898 Hummingbird Lane, Clarkston. The Open House was held outdoors from 2 until 4 p.m. Assisting the hostess with the serving were Mrs. Everett Butters and Mrs. Russell Colston. Miss Tricia Robertson, granddaughter of the honored couple was in charge of the guest book.

Mr. and Mrs. Robertson reside at 17 Robertson Court in Clarkston. He owns Reigle Feed and Supply in Bloomfield Hills and Drayton Plains. They were married in Pontiac, but have been long-time residents of the area. Mrs. Robertson was the former Lucille Ballenger.

They have another son, Dr. Gary Robertson, who is stationed with the Air Force in Rapid City, South Dakota. The Robertsons are members of First Methodist Church in Clarkston.

Arraigned on Monday

Appearing before Justice of the Peace, William H. Stamp on Monday morning was Howard J. Schulz of 730 Tamarac street in Davison. He was charged with operating a car in a careless and negligent manner while driving on Dixie Highway on June 9. While attempting to make a left turn on to Grange Hall road, he hit a 1966 Chevrolet in which Connie A. Palmateer died of injuries received in the accident. Schulz was driving a 1963 Corvair. State trooper Raymond Olson was the investigating officer. \$500 bond was posted and trial date was set for June 23.

Musical treat in store for area residents

Six special chamber concerts will be scheduled for Oakland University's Meadow Brook Festival this summer. These special chamber concerts are rare even for New York audiences.

Music—open to singers, instrumentalists, conductors and scholars.

The concerts are open to the public and will be presented in the university's new 600 seat Wilson Hall.

Scheduled are three performances each of the 10 member New York Pro Musica (June 26, 28, July 5) and three chamber concerts by the imposing piano trio whose members are Eugene Istomin, pianist, Isaac Stern, Violinist and Leonard Rose, cellist. These will be held (July 19, 26 and August 2).

The New York Pro Musica is on the Oakland campus to present a two week Institute for Medieval, Renaissance, and Early Baroque

Clean Water on The Way

Pledges have been made and plans mobilized to clean up pollution in Michigan waters of the Detroit River and Lake Erie. Under a massive program spearheaded by the Water Resources Commission (WRC), 36 Detroit area municipalities, industries, and governmental units have agreed to meet strict new water quality standards. As a result, an all-out effort estimated to cost \$200-\$300 million or more will be well underway by 1970 to wipe out and prevent ugly scenes of water pollution like the ones pictured here. Under firm guidelines drawn up by the WRC, a new wing of the Conservation Department, waste loads in the Detroit River-Lake Erie complex will be cut 95 per cent. An 80 per cent reduction has been set for phosphates, key factor in the stepped-up aging of Lake Erie.—Mich. Dept. of Conservation

High school sports roundup

By Mel Vaara

The High School concluded their season with a special sports banquet recently. It went as follows:

TENNIS

Coach Larry Thibault gave 13 varsity letters. This was the finest team in the history of the school. They could take all the marbles next year.

Award winners were Mike Dougherty, Kim Beattie, Tom Bullard, Kirk Beattie, Bill Bullard, Mack Erickson, Brian Gallo, Mel Green, Mark Griffin, Ray Hipsher, Dave Rowden, Jack Samson and Al Ventimiglia.

BASEBALL

The baseball team coached by Pete Thompson had a record of 13-5. This was the finest record in the last 16 years at Clarkston High.

LETTER WINNERS

Rod Allen, Tom Allen, Steve Barnett, Steve Crabtree, Dan Fife, John Gitzan, Wayne Goins, Rich Johnson, Bill Medlin, Randy Nicolson, Dennis Pine, Mike Schweitzer, Gary Steinhorn, and Lyle Wafer.

TRACK

Coach Bud McGrath had 13 letter winners. His team had a record of 3-4. Letter

winners were: Mark Adams, Rod Allen, Tom Allen, Rick Blimka, Cecil Caverly, Larry Franklin, Marshall Gratz, Paul Hoxie, Mike Madison, Ralph May, Drake Stalker, Neil Stalker, Gary Wade.

GOLF

Coach Ralph Kenyon passed out 6 varsity letters to: Kirk Maslowski, John Navarre, Larry Parker, King Robinson, Tracey Tuscon, and John White.

Their proudest achievement was earning 9th place in the Pontiac Press Tournament, 21 teams competed in the event.

OUTSTANDING - FOOTBALL: Front row, Kirk Dougherty, left, and Mike Turk. Back row, Dana Carlsen, left, Scott Robbins, center, and Steve Warmen.

ROD TREAIS MEMORIAL TRACK TROPHY: Left to right, Dana Carlsen, Jack Proffitt, and Rick Klein.

DAN FIFE
Most valuable baseball, batting average .375. As a pitcher allowed 3 hits per game.

ROD ALLEN
Outstanding Senior Athlete, 1965-66. Lettered in 4 sports, most valuable football, Don Mauti basketball award, earned all county and league and earned honors in basketball and football.

WAYNE GOINS
Most improved player award, baseball. Wayne led the team on defense and had a batting average of .290.

MIKE MADISON
Most valuable award, track. Set high hurdle record, 15.6, and member of record setting relay team. He scored 54 1/2 points. Mike is the 3rd highest point getter in the school's history in the sport of track.

MIKE DOUGHERTY
Most valuable tennis. Mike's record was 17-7, barely missed qualifications for state finals.

TOM ALLEN
Most valuable baseball, batting average .426. Coach Thompson calls Allen the finest clutch hitter he has ever seen.

NEIL STALKER
Most improved award, varsity track, member of record setting 880 Yard, relay team, and scored 54 1/2 points in track.

KING ROBINSON
Most valuable award, golf. King Robinson was the top medalist on the golf team.

ROD TREAIS MEMORIAL BASKETBALL TROPHY: Seventh grade, Don Brown, left, and Greg Curry.

OUTDOOR TIPS

from the Ancient Age Sportsman's Idea Exchange

RED WORMS

Why do fish bite more readily on red worms than worm-colored worms? Ask the fish. But they do. Dye worms with red brick dust spread over worm box or artificial food coloring.

FRONT HITCH

Mount an easily removable trailer hitch on your front bumper when you have to use a boat or travel trailer in or out of a tight spot. You'll be astonished how much easier it makes a tricky job.

HELLGRAMITES

To drift a hellgramite over a rocky bottom, clip off the end of the mid-year commencement held recently.

RAWHIDE LACES

Rawhide laces will thread easier if you harden the end by singing over a cigarette lighter.

WASP LARVA

If you've run out of ways to make bluegills bite, try baiting your hook with wasp larva. The wasps may not like it but the bluegills will. Crappies too.

MINK TRAP

Find a hollow log along a stream and you'll catch a mink with a trap in it. The lively mink almost always shoot through these places... mostly for the fun of it apparently.

TROUT CHEESE

Heading for a stock trout stream? Put some cubes of velveta cheese in your bait can. Often works wonders.

SNOW SUIT

Planning to do any winter hunting next year. Buy a couple of old fashioned white night-shirts. Slip right over your regular clothes and the crows or ducks never know you're there.

U. of Wisconsin degree recipient

Suzanne Hagen Larkin of 160 N. Holcomb in Clarkston received her degree from the 117 year old University. The commencement was held at Wisconsin's historic Camp Randall on the campus.

There were graduating students from 49 of the 50 states and from 51 foreign lands.

To locate in Peoria

Alan W. Wells received the degree of Bachelor of Science in Mechanical Engineering from Michigan Technological University at Houghton, Michigan. He and his wife, the former Kathleen Henretty of Pontiac, will reside in Peoria, Illinois where he has accepted a position with Caterpillar Tractor. Alan, a graduate of Clarkston High School, is the son of Mr. and Mrs. Willard H. Wells, of 502 1/2 Mary Sue St., Clarkston.

Receive degrees from Wayne U.

Two Clarkston men are recipients of degrees from Wayne State University. These were granted at the mid-year commencement held recently.

James Francis Ladd of 5775 Kunglischer Lane, received his Master of Science degree in Electrical Engineering.

Barry E. Breidenbaugh who lives at 6525 Maybee Road, earned his Master of Arts degree while attending the University.

Drake U. graduate

Among the senior and graduate students receiving his degree from Drake University at their spring commencement exercises was Craig Smith of 6450 Maybee Road, Clarkston. He is the son of Mr. and Mrs. Rolfe H. Smith.

He received a Bachelor of Fine Arts degree on June 6 at ceremonies held in Drake Stadium. His major area of study was commercial art.

There were 650 students receiving degrees, and Marvin C. Whatmore, President of Cowies Communications, Inc. delivered the address.

Retiree honored at Bailey Lake

Mrs. Marlon Burget will be honored with a surprise tea at 3 p.m. Thursday, June 16, in the large instructional room at Bailey Lake. Punch and cake will be served by the school Social Committee. A retirement gift and congratulatory card will be presented to Mrs. Burget by her co-workers.

Mrs. Burget is retiring after twenty-one active years in the teaching profession. She has been employed by the Clarkston School System for six years, having taught at both Clarkston Elementary and Bailey Lake. Previous to her employment in Clarkston, Mrs. Burget taught for seven years in Ortonville.

In addition, scrolls will be presented to three other Bailey Lake teachers for having served for more than twenty years in the teaching profession. The recipients will be Mrs. Grady Steele, 25 years; Mrs. Roy Best, 25 years; and Mr. Marlon Burget, 42 years.

Students, parents, friends and co-workers would like to congratulate each honoree and extend best wishes for the future.

"Finian's Rainbow" this weekend at Little Theater

The Musical production of "Finian's Rainbow" will be presented this Friday and Saturday, June 17-18 in the Clarkston High School Little Theatre. Both performances will begin at 8 p.m.

The two area adults in the cast are Ron Lundy, who plays the title role of Finian McLonergan; and Marlon Walker who is featured in one of the show's funniest musical spoofs, "Necessity."

The cast will consist of 10 Clarkston high school students and two area adults. It is under the direction of Lee Moore and musical direction is by Sherry Moore.

"Finian's Rainbow" is a delightful combination of humor, songs, both gay and romantic and folk-style dancing.

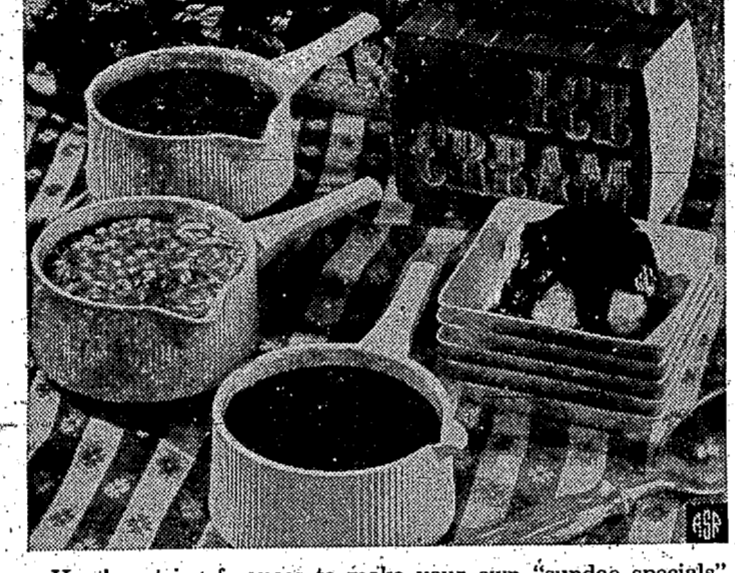

Jaycees stage clean-up

Clarkston Area Jaycees were out in force for their annual Deer Lake clean-up campaign a week ago last Sunday. Early morning found many members out mowing grass and picking up glass and other debris.

The Jaycees perform this task annually so that the area will be ready for the onslaught of swimmers and loungers during the summer season.

Past President Robert Newlin urges all who use the area to be especially careful about throwing glass on the ground. "A litter bug can be very dangerous to all of us as well as to himself," he said.

Make Your Own "Sundae Specials"

Here's a trio of sauces to make your own "sundae specials" any day of the week! Everybody's favorite Hot Fudge is equally good and gooey cold! Glowingly pink Peppermint Stick and sophisticated Coffee Pecan are great for change-of-pace flavor. The rich and creamy qualities of smooth-blending evaporated milk assure success of these preparation-easy sauces.

Hot Fudge Sauce: In a small saucepan add 1 package (6 ounces) semi-sweet chocolate chips to 3/4 cup evaporated milk. Stir over low heat until chocolate is melted and sauce is smooth. If desired, add 1/2 teaspoon vanilla. Serve warm or cold. Makes about 1 cup sauce.

Peppermint Stick Sauce: In a medium saucepan mix 1 cup sugar, 1/4 cup water and 1/2 cup light corn syrup. Bring to a boil, stirring constantly. Continue cooking 3 minutes over medium heat. Remove from heat; add 1/4 cup crushed peppermint stick candy and stir until dissolved. Stir in 1/2 cup evaporated milk. Just before serving, stir in an additional 1/4 cup crushed peppermint stick candy. Makes about 1 1/2 cups sauce.

Coffee Pecan Sauce: In a medium saucepan mix 1 tablespoon instant coffee with 1 cup sugar. Stir in 1/2 cup light corn syrup and 1/4 cup water. Bring to a boil, stirring constantly. Continue cooking 3 minutes over medium heat. Remove from heat and cool 5 minutes. Stir in 1/2 cup evaporated milk. Before serving, stir in 1/2 cup chopped pecans. Makes about 1 cup sauce.

"Poison Proof" Your Home, Says WSU Doctor; Gives Rules

storing poisonous materials in other than their original containers. Putting kerosene, paints, solvents or other poisonous liquids into discarded beverage bottles may bring serious illness to a child.

"Similarly," warns Dr. Meyer, "children should not be told medicine is 'candy' for this may lead them to seek it out privately and consume a poisonous amount."

Dr. Meyer lists seven rules for the homemaker who wants to safeguard the family against accidental poisoning.

1. Keep household cleaners, bleaches and medicines out of the reach of children and preferably locked up.
2. Be sure that all products are labeled properly.
3. Never take medicine in the dark where you can't read the label or re-read the instructions.
4. Never take medicine in a child's presence; he may try to imitate you.
5. Refer to medicines by their real names — not as "candies."
6. Clean out your medicine cabinet often, rinsing the empty containers before discarding them.
7. When poisoning is suspected, call for a doctor immediately. The poison container and as much of the contents as possible should be kept for the doctor's analysis so that the proper antidote can be quickly determined. Many hospitals have poison control centers which work with the doctor to help speed diagnosis and treatment.

DETROIT—Tragedy can lie in a poisonous substance left within the reach of children. More than half a million U.S. youngsters were victims of accidental poisoning last year.

"Curious children will eat and drink anything which looks like food," says Dr. Ruben Meyer, professor of pediatrics at the Wayne State University School of Medicine and staff member at Detroit's Children's Hospital. "Parents should strive to make their homes 'poison proof' by locking up medicines and poisons."

Common medicines which may be beneficial in small amounts can cause poisoning if an overdose is taken.

"Aspirin is the greatest cause of accidental poisoning," cautions Dr. Meyer. "Because adults consider the tablets harmless, they sometimes have them where small children can eat them in quantities with dangerous results."

"Another dangerous practice," says Dr. Meyer, "is

Open house honors couple on 60th anniversary

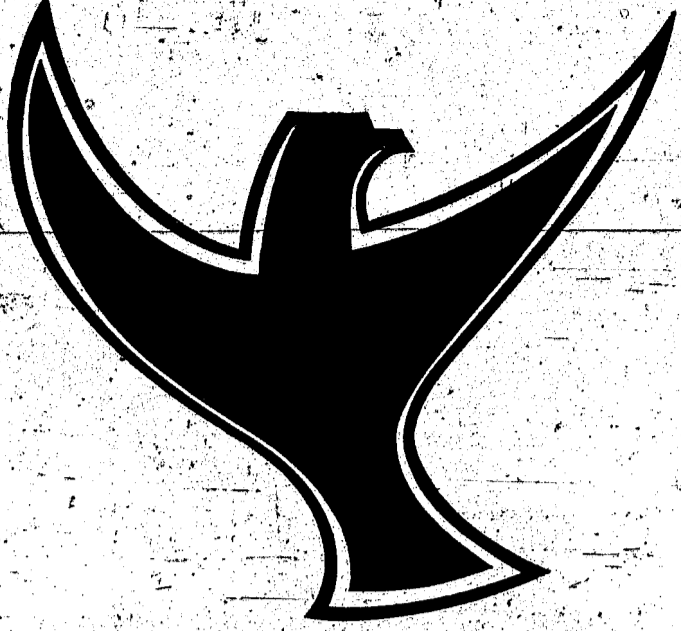

Honored upon the occasion of their 60th wedding anniversary were Mr. and Mrs. Wellington Clements of 4868 Clinton in Drayton Plains. An open house was held on Sunday, June 19 from 2 to 5 p.m. at the home of their son and daughter-in-law, Mr. and Mrs. Byron Clements also of Clinton Drive in Drayton Plains. They were married 60 years ago in Pontiac and have lived all of their lives in this area. Their four children were all present to honor them. They are: Donald of Belding, Michigan, Arlyle Cromis of Danville, Pennsylvania, and Kenneth and Byron, both of Drayton Plains. The Clements also have 12 grandchildren and 9 great grandchildren.

Clarkston people at trailer rally

The Wally Byan Air Stream Trailer club is known around the world and several from Clarkston have helped to increase the membership. This past week end a Michigan Rally was held on the fairgrounds in Saginaw. Among those who were initiated at this gathering were Mr. and Mrs. Glenn Howland and Mr. and Mrs. William Owen. Also attending the rally were Mr. and Mrs. Richard Morgan and son, John, and Mr. and Mrs. Merle Bennett. This next week end there will be a rally in Gladwin. On June 29th the National Convention will be held at Cadillac. The announcement was made in Saginaw that there are already 200 trailers from Europe and California parked on the fairgrounds and at the airport in Cadillac in anticipation of the event.

Your Passport to Outdoor Fun

Under this year's "Operation Golden Eagle," a program to boost federal outdoor facilities nation wide, the Michigan Department of Conservation is selling the above entrance permit at a number of its offices. The \$7. annual permit is a passport to 7,000 federal recreation areas throughout the country, including nearly 50 in this state. Besides being just the ticket for outdoor fun, the permit provides revenues which are used to help pay for expansion of public recreation facilities in Michigan and other states. The golden wallet-size card is now on sale at the Conservation Department's Publications Room in Lansing and its information office in Detroit. It also may be purchased at the Department's regional headquarters in Marquette and Roscommon and all of its district headquarters, except the Rose Lake office near East Lansing.

Lutheran ladies hold final meet

Mrs. Theo Schraeder opened her home on Silverside Drive Thursday evening for the season's final meeting of the women of the Lutheran Church of Ascension. Chairman for the meeting was Mrs. Harold Wood who is the out-going President. New officers for the '67-'68 season were elected. Among the projects in which the Association has been active are: Sponsorship of a Korean orphan, regular entertainment visits to the Pontiac State hospital and the making of cancer pads. The group also regularly gathers clothing for the needy at the State hospital and the Children's Home. The latest project has been the securing of playground equipment for the home. Thirty-five members participated in the buffet luncheon which was served at the close of the evening's program.

Bus drivers awarded

Six Clarkston school bus drivers have been awarded certificates attesting to their capabilities as school bus operators. They have successfully completed the satisfactory hours in the Oakland County School Bus Driver Education Course. Those receiving the certificates are: Elva Birchett, Florence Blimka, Sara Boggs, Leone McDonald, Nina Olson, and Audrey Peeters.

Introduction

Clarkston High School graduation awards

By Terry Thomas, Director of Guidance

Senior awards are an effort on the part of the school to provide recognition to students who achieve a standard of proficiency in each of the areas listed in this booklet. A cooperative attitude toward the school and fellow students is an important criterion in most of the selections.

In some areas, scholarship is the only factor considered in determining the recipients of the awards. In other instances, scholarship is the only factor considered in determining the recipients of the awards. In other instances, scholarship is used as the initial requirements to be eligible. Participation in the various activities also is very important. All awards are based on a composite of the student's four years in high school.

Posing with her family is Mrs. Maxine Garnett, who received her High School diploma at Commencement Monday night. Pictured left to right are her children: Johnny, Corinne, Jack, Mrs. Garnett, Steven and Lynette. The family lives at 6787 Snow-Apple. Mr. Garnett is employed at Yellow Coach in Pontiac.

Mother graduate

Receiving her diploma Monday night in ceremonies at the High School, was a Clarkston housewife and mother of 5, Mrs. Jack Garnett.

She entered Clarkston High School 2 years ago to finish her high school training which was interrupted in 1952 when she was a student at Pontiac High School. She is graduating with Honors following this last 2 years of study.

How does it seem to go back to high school after so many years? This attractive student states that "you have to really want to—it's hard on the family." But her desire for a diploma was great enough to cause her to

make the necessary sacrifices. At first she thought she would feel "odd and out of place" and that perhaps the teachers would find it un-nerving to have an adult in their classes.

But her fears were groundless. She adapted well and everyone was most encouraging. She pursued a commercial course with her favorite subjects being Government and shorthand. She hopes to continue in the commercial field.

Studying was done early in the morning or whenever time was available. Mrs. Garnett states however, that she is not the first adult to finish their high school work here.

Congratulations
