School's Out

You just can't blame a guy for wanting to "wet a line" once school is out. Chris Vosie, 10, was giving it a good try when the "News" photographer spotted him on Friday.

Roy Brothers found guilty will go to Court of Appeals

"We will definitely appeal the case", said Attorney Anthony Renne when questioned about the decision handed down last week in Circuit Court by Judge Frederick Ziem regarding Mr. Renne's clients, Jean and John Roy.

Judge Ziem found the two brothers, who operate a service station at the corner of M-15 and US-10, guilty of violating a township ordinance regarding junk yards. They were fined \$25 and court costs of \$10. The Judge did not order them to clean up the yard. The trial lasted for a day

and a half. Judge Ziem ruled that the ordinance was valid and constitutional. The case had been transferred from Judge Thornburn's court. It will now go to the Court of Appeals.

Meanwhile, the Roy Brothers have initiated two civil suits against Independence township. They are suing to have their location at M-15 zoned Manufacturing so that they have a right to continue under the "Non-conforming use" clause.

They are also suing to declare action against Independence township in refusing to re-zone

the White Lake road property, which they are purchasing, from Agricultural to Manufacturing 2. The property is bounded on 2 sides by land which is zoned Manufacturing and the third side is a gravel pit. This land lies on the south side of Dixie highway adjacent to the Grand Trunk railway tracks. They applied to the Planning Board of the township and they recommended that it be re-zoned to Manufacturing. But on December 7th the Independence Township Board denied their request.

Roy Brothers maintain that part of the 15.73 acre parcel on which they have an option, is low and swampy and could be filled, thus making it suitable for parking old cars. They would then operate a licensed junk yard and would install the suitable fences to hide the yard from public view.

Roy Brothers, they are operating a "garage with a towing service." They are asked by the police to tow in cars which have been abandoned and they must be held for 30 days before legal steps can be taken to junk them, they state. They also have wrecked cars which are towed and stored there pending insurance adjustments.

The Brothers contend that the township's refusal to re-zone the White Lake property was unreasonable and arbitrary.

Independence township is making a concentrated effort to rid the area of junked cars. Last year 50 contacts were made for violation of Ordinance 8 which deals with Junk yards and specifically junked cars. Of those 50 contacts, 16 resulted in court cases.

According to Howard Altman, township clerk, 116 cars have been removed in the past 3 months. Deputy L. C. Wilcox, a former deputy with the County Sheriff's department is cooperating with the township in enforcing the ordinance.

Parade, fireworks to highlight July 4 celebration

A big Fourth of July celebration is in store for Clarkston. The Independence township Fire Department is once again working on its annual observance of the day. "Tink" Ronk, chairman, is urging citizen participation so that the parade will be one of the best and biggest.

The parade is scheduled for 10:00 a.m. on the morning of the Fourth. It will commence in the north end of town at the corner of M-15 and Miller road. Three cash prizes of \$10 each will be offered.

It is hoped that Associations, clubs and organizations will enter floats in the parade. The firemen also hope that there will

be a lot of youngster participation, old cars, and horse units. Judges for the parade will be announced next week.

There will be a big fireworks display to conclude the day's celebration. These are scheduled for 9:00 p.m. or whenever it is sufficiently dark for a good display. Spectators are urged by Mr. Ronk to use the facilities for parking at both the Junior and Senior High schools.

Watch the News next week for more information pertaining to the events scheduled for that day. Persons who have questions regarding the parade should see Tink Ronk at Ronk's Barber shop.

Swimming off the Hydro at the Mill Pond are 5 Clarkston students; Karl Kerchoff, Lee Hawkins, Gerry Young, Dave Kowden and Dale Kerchoff.

Summer is the time for both "sunning and swimming." Here, Debbie Little of Birmingham, and Joan Smith of Clarkston, enjoy the first days off from school.

Time to sign for swimming lessons

It's swimming lesson time again and Everett MacDougall has set up his schedule of swimming classes. He will be instructing for the 14th consecutive year in front of his home on Deer Lake. Last year approximately 100 youngsters took part in the instruction program.

The classes will start this year on June 27 and will conclude on July 30. The boys will meet on Mondays and Thursdays, while the girls will have their lessons on Tuesdays and Fridays. Saturday afternoons will be scheduled for make-ups.

The Boys Beginners Class will be from 1:00 - 2:00 on Monday and Thursday with the Advanced boys meeting from 2:00 - 3:00. The advanced boys class will also feature sailing after they have had suitable swimming experience.

Beginning girl swimmers will meet from 1:00 - 2:00 on Tuesday and Friday and the advanced girls and sailing class from 2:00 - 3:00.

All interested swimmers are urged to call Mr. MacDougall at his home MA 5-1040 to sign up or else to come to downtown Clarkston on Saturday afternoon, June 25. He will take registrations from 2:00 - 4:00 that day at a location next to Rudy's Market.

At the end of the season he will be staging the annual Relay races. For three years in a row, the girls were able to beat the boys, but for the last two years, the boys have been the victors.

A former Swimming coach at Royal Oak High school, Mr. MacDougall, is now a Guidance

Counselor there. He teaches swimming here just for the love of the sport and to enable as many children as possible to learn to swim.

Named Cadet of the month

Gary L. Fitch, 19, son of Mr. and Mrs. Harold G. Fitch of 5744 Hummingbird Lane, Clarkston, has been named the Cadet of the Month at Michigan Tech University in Houghton, Michigan.

Cadet Corporal Fitch is a 1965 graduate of Clarkston High school and has attended the University for a year. He received the Cadet of the Month ribbon and various articles of merchandise from area business places in Houghton.

He is attached to the Senior Division of Fifth US Army ROTC Instruction group.

'Summer Fun 1966' now underway

It looks like a full summer for Clarkston youngsters following the announcements made last week of the organized summer recreation schedules.

Bud McGrath, Recreation director for the Independence Township Recreation department has announced that all phases of the Summer recreation program with the exception of basketball are now under way.

Little League Play started last Monday. Schedules of teams with a roster of managers and sponsors appear elsewhere in the paper.

The basketball play had to be temporarily halted as there was no gymnasium open for play. 300 youngsters had expected to be able to participate, according to Mr. McGrath. It is hoped that the difficulties will soon be ironed out and play can begin.

Tennis will be played on the High school courts daily. In the golf division, there will be scheduled play on a Par 3 course as well as a regulation course and also on a miniature course.

All games of baseball will be played at 6:00 p.m. The Widge league will be for boys ages 9 and 10. The Midge league will include 11 and 12 year olds and the Class F group will be for 13 and 14 year olds.

Also available for adults will be a Men's softball league for men 21 years and over. Pee Wee Softball will be played with the Playground sponsored teams.

The Playground Director will be Marie Luzi. Playgrounds will see much activity at these three schools: Andersonville Elementary, Clarkston Elementary and Fine Knob Elementary. These playgrounds will be open daily Monday through Friday from 8:30 - 12:00.

Featured playground activities will be Softball, tennis, basketball, golf, chess, square dancing, track and field, soccer, arts and crafts, and badminton.

Comprised in the Arts and crafts field will be Basket weaving, Gimp work, Foil pounding, mobiles, popsicle stick creations, paper mache and many other activities.

Also on the playgrounds will be low organized games such as various girls games, checkers, jacks, horsehoes, washers, ring toss, etc.

There will be many special events such as a Tiger Ball game, various parades, a Bike rodeo, plays, stories, inter-playground competition, a July 4th carnival and games, as well as the usual All-star games.

Free bowling lessons offered 8-10 year olds

To interest area youngsters in bowling, a program is being initiated to get 100 children from the ages of 8-12 available for bowling lessons.

Howe's Lanes is sponsoring this project in conjunction with the Recreation department. Classes would be held twice a week for five weeks starting in Mid-July.

There would be no charge for the lessons which would be given at Howe's Lanes.

Children who have never bowled before in that age category should fill in the coupon printed below and mail it to Howe's Lanes. The success of the program will depend upon the number of children who sign.

LARRY PAWLEY

Sister receives Larry's diploma

There was one Clarkston High School graduate who wasn't able to attend his own commencement. But he has his diploma anyway thanks to his sister.

Larry Mark Pawley, 18, the son of Mr. and Mrs. Kenneth Pawley of 4725 Oak Vista, Drayton Plains enlisted in the Reserves last December. He was suddenly called to report at Great Lakes Training station to join a unit that was forming there on May 29. Clarkston High School quickly cooperated with Larry and the Services and he was able to finish his Senior year studies before departing for Illinois.

And so on Commencement evening, his sister Brenda accepted the diploma in his behalf.

His boot training will be completed in Mid-August and following that he hopes to be assigned to a Pre-Medical training group.

New office for News

The Clarkston News moved last week into new quarters at 55 South Main street. The office will be in the same building as that occupied by Dr. Gary Ushman. The phone number has also been changed to 625-1114.

Publisher Jim Sherman has announced those who will staff the office. Mrs. Faith Poole of Davison will be the Managing Editor. She will be assisted by her daughter Alyce who will be handling the advertising.

Mrs. Poole has been associated with weekly newspapers for the past 18 years. Last December she and her husband sold the Davison Index which they had owned and operated for 9 years. Prior to that time they had published The Brown City Banner in the thumb area.

Miss Poole is a second year Advertising student at Northwood Institute in Midland. She will also assist in the office and help with photography.

For the remainder of June and during July and August the office will be open Monday through Friday and closed on Saturdays. Office hours will begin at 9:00 A.M.

Printing which will be done by the new off-set method will be done in Oxford at the Leader office, Mr. Sherman's other paper. The News will handle all types of job printing orders and several lines of wedding invitations and other social stationery.

Due to the off-set method of printing, there will be more flexibility in the use of pictures.

Boy Scouts No. 105 will go to Canada

The Boy Scouts of Troop 105 are busily planning a weekend trip which will take them to Grand Bend Ontario. They will leave this Friday, the 24th and return on Sunday, the 26th.

Elected to the Order of the Arrow last weekend were: Roger DeRosa, Howard Bliss and Alfred S. Watson Sr. They also took part in the "tapping out" ceremony at Camp Agawam.

The Greensbar of Troop 105 will meet at 7:30 on Tuesday at the home of Mr. Van Hentryck on Tappan Drive.

ALYCE POOLE

Those interested in using pictures but who have questions are urged to call the news office.

Mrs. Shirley Lynch will continue to write "Round The Town" news. She may be reached by calling her at her home, 625-1065.

Still no trial date set

The County Prosecutor's office told the News on Monday that no date has been set yet for the jury trial of Angelo Manzella. When date is set, it will be heard in Judge Moore's court.

Manzella will stand trial on a charge of assault with intent to do great bodily harm. The charge was made by John Adams following the alleged beating of Mr. Adams at Manzella's lounge.

Recreation program in Waterford

The Waterford township Recreation Board has put out its Summer recreation program schedule. Featured will be Softball, Baseball, Tennis instruction, Golf lessons, Swimming program, Playgrounds, Basketball and Day Camp activities at Camp Tomahawk. Director is Thomas C. Simons.

Adults only may participate in the latest hobby, Sand Sculpturing. Lessons will be given at Loon Lake (back of Mason Jr. High) from 10-12 noon on Mondays for 5 weeks beginning June 27.

There will be a supervised Play Program at 13 Elementary school grounds for children 6-14 years of age. Activities at these playgrounds will have a full time crafts supervisor. There will be athletics, quiet games, hikes, and field trips to other cities as well as a boys and girls softball program. A weekly story telling hour will also be sponsored at each site.

The Recreation department will be scheduling all softball and baseball diamonds and permits must be picked up at the Recreation office. The department will also loan equipment to groups for picnics and will supply someone to run games at a small cost.

"Day Camp—Camp Tomahawk" will be held in the Highland Recreation area. Each camper attends 5 days per week. There will be hiking, nature study, campercraft, folk dancing, fire building, swimming and a Council fire program. There will also be an overnight campout at Teepie Lake. This program is for township and school district children 8-14 years of age.

Using the theme, Recreation: The Enrichment of ones-Leisure Time Activities, is under joint sponsorship of the township and the school board. Advisory board members are Mrs. Marion Novess, Donald Porter, Mrs. Virginia Ross, William Dean, John Abel, Dorothy Olson, Robert Beattie Jr., and Dr. Don Tatroe. Additional information regarding registration etc., may be obtained by calling at 5640 Williams Lake Road or phoning OR 4-0376.

Waterford schools summer program starts Monday

The Waterford township schools have announced their plans for this year's summer school sessions which will begin next week. This year's program has been expanded to meet the needs of more students from the elementary level to the adult groups.

Registrations will be taken through June 23, but if there are vacancies after the sessions start on June 27 the school will still take registrations. These will be accepted from 11:30 A.M. until 4:30 P.M. at the Waterford township high school, 1415 Crescent Lake Road, Pontiac. Students may also register by mail if a check accompanies their request.

With few exceptions, classes will meet at Waterford Kettering High School located on Bender Road. Classes offered will pertain to some of the following courses: Commercial, English, Homemaking, Industrial Arts, Math, Music (these are non-credit courses) Science, Social Studies, Speech. There will also be Driver Education training and various field trips to Colleges and Universities.

The Junior High program features Art, Commercial studies, English and Social studies with emphasis on Reading Improvement, Homemaking, Math, Music and Speech correction.

The Elementary program is keyed more to an enrichment program states Don Arsen, who is the Summer school Principal. Over 500 youngsters were enrolled last summer and they hope to have at least 1000 children participating this summer. Prior to last year the courses were all of a remedial nature. It took a staff of 40 teachers last year to man the classes.

A highlight for girls this year will be a Western Michigan Tour. It will be limited to the first 25 girls who apply. Miss Ann Hamilton will conduct a bus trip that will leave Waterford and head for Benton Harbor where they will travel north to Traverse City, Charlevoix, the Mackinac Bridge and then return to Waterford. Cost of this will be \$18.00 and the girls will need sleeping bags and the food will be an additional expense.

There will be camping experiences for boys under the direction of James Maddox, sixth grade teacher. He will hold 2 day and 3 day camp sessions. These will be limited to 10 boys per session with a State life guard on duty.

Among the regular Elementary courses there will be Reading, Math, Arts and Crafts, Home-making, Science, Dramatics, Physical education, Instrumental music and Speech correction.

Featured also in the Enrichment program will be various field trips which will take youngsters to Kensington Park, Ann Arbor Historical museum, Belle Isle, the Flint Planetarium, Greenfield Village, Cranbrook, Detroit Art Institute, etc. These field trips will be centered around Art, Science, Physical Education and various outdoor activities.

Mr. Arsen, who is in charge of the program is beginning his third year as Director of the summer school. He has been in Education in Waterford schools since 1949. He urges parents to realize that these programs are not solely for the benefit of youngsters in just the Waterford district. They are also open to anyone in any of the adjacent areas.

Tennis anyone?

Want to learn to play tennis? As part of the Clarkston area summer recreation program, free instructions will be offered every day.

Play will take place on the High school courts every day from 8:30 until 12:00 noon. There will be qualified instructors there each day, states Bud McGrath, recreation director.

Later in the season there will be a series of tennis tournaments. These competitive games will be open to all ages.

Would you like a community Calendar

The Clarkston News is endeavoring to set up a Community Calendar. Clubs, church groups and civic organizations are asked to cooperate by giving us dates, times and places of their events. We urge that these listings be of meetings of general interest.

If your group wishes a listing, kindly call the News at 625-1114 and we will see that your date is put on the calendar.

"ROUND THE TOWN"

By Mrs. Shirley Lynch
MAple 5-1065

The Pinochle Club was held for the last time until September at the home of Mrs. John Lynch last Wednesday evening. Mrs. Stanley Rooks received the prize for high score with Mrs. Harry Squires low scorer. Refreshments were served at the end of playing.

Mrs. L. G. Ott of Buffalo, New York, is the guest of her daughter and family, the C. E. Hoffman's on Whipple Lake Drive.

Mr. and Mrs. William Alexander on Whipple Lake Drive, held open house in honor of their daughter, Cindy. Cindy was one of the graduates from Clarkston High School.

Friends of little Kathy Dennis, daughter of William Dennis, will be happy to know that she is home from the hospital now and doing nicely.

Mr. and Mrs. James Riggley on Maybee Road, spent the weekend at their cabin in Northern Michigan. They were able to catch all the fish they could eat but Mrs. Riggley cleaned them.

Mr. and Mrs. J. T. Jones on Dixie Hwy., celebrated their twelfth anniversary with dinner and a show in Detroit Saturday evening. Mr. and Mrs. John T. Sutton of Pontiac, joined them.

A lively birthday party for Jamie, son of Mr. and Mrs. J. William Snell on Pine Knob Road, was held Saturday evening. The house was decorated in the latest song hits, records and song sheets, with twenty friends dancing and eating throughout the evening. It was a 16th birthday Jamie won't forget.

The 4th grades at Bailey Lake School joined in a combined hot dog roast on the last day of school. One hundred and seven children played games and enjoyed the picnic.

June 28 the Austin Chapter 396 will hold Past Matron and Past Patron Night with a potluck supper. A program will follow.

Judy Hoffman is spending a short time with her parents, Mr. and Mrs. G. E. Hoffman on Whipple lake, during school vacation before she leaves for Camp Koahauhna near Traverse, City. A student at Colorado State, Judy will be teaching writing at Camp Koahauhna.

Mrs. Moore's second grade enjoyed a picnic and games at the home of the Robert Jackson's on the last day of school.

The afternoon Kindergarten class of Mrs. Lamm were guests at the home of Mr. and Mrs. L. M. Peacock on Hummingbird Lane the last day of school. Pat-

ty had lots of fun as did her classmates at her home.

Mr. and Mrs. Ed Keisling from Pittsburgh, Pennsylvania, visited the C. E. Hoffmans last week. Mrs. Keisling is Mr. Hoffman's sister. So lots of renewing old times and catching up on current events were done.

Mr. and Mrs. Robert Smith on Eastlawn, held open house Sunday in honor of their son, Rodgers, a graduate of Clarkston High School. Many friends and relatives attended the happy occasion.

Mrs. Burget's 2nd grade at Bailey Lake School walked to the home of the Bakers on Pine Knob Road for a hot dog roast. The class presented Mrs. Burget with a lovely necklace, pill box and evening bag as a going away present. The class will be going into third grade and Mrs. Burget will not be teaching next year.

Mrs. Rodney McGraff on Sashabaw Road is vacationing in Florida for several weeks before she continues on to California, where she will stay with a daughter until she returns home sometime in August.

Den #5 of Pack 126 took Tuesday afternoon and spent time at Goings Candles, where they enjoyed watching the bees and the dipping of different candles.

Happy Birthday:
Bill Quigley, Mary Robbins, June 24; Corsey Rendell, June 25; Keith Hallman, Shirley Mahar, John Thompson, Chris Cowdin, Danny Davenport, June 26; Curt Odorizzi, Morgan Frederickson Sr., June 27; David Vincent, Red McEntee, Jill Norberg, Mollie Limbaugh, June 28; Penee Easton, Sue Hampshire, Arch Hinkley, Kathryn Ann Ronk, Pat McMilliam, Shirley Jean Keech, Geraldine Wertman, June 30.

Clarkston Women's Club held their annual Installation of Officers at a luncheon held at Pine Knob last Thursday. Pictured left to right are Mrs. Paul Bennett, Treasurer, Mrs. Cleon Korige, Board member, Mrs. Barton Connors, Vice President and Mrs. Richard Johnston, President. Not pictured but serving as officers are Mrs. B. J. Hansen, Corresponding Secretary and Mrs. Robert Tilley, Recording Secretary.

Taking registrations at Thursday's luncheon are members of the membership committee of the club, Mrs. Barton Connors, Mrs. Barry Breidenbaugh, Mrs. Paul Bennett and Mrs. Milford Mason.

MRS. JAMES BLANCHARD

Blanchard-Parker vows spoken Saturday evening

The Clarkston Methodist Church was the scene of the wedding ceremony which united Paula Lynne Parker and James Johnston Blanchard in marriage on Saturday evening, June 18. The bride is the daughter of Mr. and Mrs. William Parker of 6683 Eastlawn, Clarkston. The bridegroom is the son of Mrs. Daniel P. Snyder of 326 Catalpa, Royal Oak.

The Rev. Louis C. Sutton officiated at the ceremony before an altar decorated with baskets of white glads with yellow accents.

The bride who was given in marriage by her father, wore a gown of white peau de soie which featured a wattleau train. Daisies of venise lace trimmed the dress and train. Her chapel length veil of silk illusion fell from a circlet of venise daisies attached to the headpiece. She carried a bouquet of phalaenopsis and stephanotis, accented with sprays of ivy.

Miss Marie Peters of Aurora, Illinois served her friend as Maid of Honor while the other attendants were Mrs. J. Edwin Glennie of Clarkston, Miss Cathryn McCoy of Farmington, and the groom's sister, Mrs. Robert Brook of Mason. The Honor maids all

wore dresses of pale yellow silk shantung. The empire waists were accented with a brocade trim of pale yellow and green daisies. They wore ribbon headpieces and all carried baskets of cascading daisies, yellow mums, and ivy.

Serving as the best man was the Rev. Robert C. Brook. Ushering were Gary Knight, A. J. Harris, Allen Blaurock, Douglas Snyder, and Lawrence Parker. Miss Eileen Lacey was the flower girl and was gowned in a frock of green dotted swiss. Master Jeffrey Brook carried the rings.

Traditional wedding music was provided by the organist, Adele Thomas and soloist was Daniel Addis.

A reception in the church followed the ceremony with the collation table carrying out the same yellow and white theme.

Following a northern Michigan wedding trip, the couple will reside in Chaska, Minnesota where the bride will be teaching Elementary school in that area and Mr. Blanchard will be attending the law school of the University of Minnesota. Both are graduates of Michigan State University.

of Pontiac Lake Road, Waterford. Tom will also attend the final session of the World Wide MIA Youth Conference in the Salt Lake City Tabernacle.

The Gaddis's will be going through the Temple in Salt Lake City, where their marriage will be solemnized. Only members found worthy can enter the Temples and have these ordinances performed.

Elected Secretary
Walter F. Grogan of 4729 Monterey, has been elected to the office of Secretary of the Michigan Television Electronic Service Association. He was also recently re-elected to the post of Treasurer of the Television Electronic Service Association of Oakland County.

Mr. Grogan has Grogan Radio & TV of 4730 Clarkston road.

Immediately following their recent marriage in the Church of Jesus Christ of Latter Day Saints in Bloomfield Hills, Bill Bergman and his bride, the former Ellen Casey, left for Utah, where their marriage will be solemnized in the Temple in St. George. From there they will make a two weeks tour of the West.

For her wedding, Ellen wore a floor length white satin gown with a full pleated train. A tiara held her fingertip veil of silk. She carried an heirloom lace handkerchief which had been carried by the groom's maternal grandmother and his mother on their wedding day.

The bridesmaids were dressed in light blue floor length satin gowns.

Ellen is the daughter of Mrs. Marie Casey and the late Mr. Casey of Wise Road, Union Lake. Bill is the son of Carl and Francis Bergman of Northview Drive, Clarkston.

Upon their return, Bill will go into training for his new position with IBM.

Making the trip to St. George, Utah, for the ceremony are the bride's mother and sister, the groom's parents and several close friends. Also making the trip are the groom's brother, Thomas of Henrietta St., Birmingham, and Mr. and Mrs. David Gaddis

Club officers installed at Pine Knob luncheon

The Clarkston Women's Club concluded their club year with a luncheon at Pine Knob last Thursday. The meeting was not a business session but members witnessed the installation of officers for the 1966-67 year.

President, Mrs. Richard Johnston has announced her committee chairmen for next year. Heading the year's programs will be Mrs. Frobe Gruenberg and serving as Social chairman will

be Mrs. Donald Hamaker. Mrs. Milford Mason will be the Telephone chairman and Mrs. Melvin Pohkotte will be handling publicity for the club.

Mrs. Kenneth Valentine will serve as the Library chairman while Mrs. Richard Kroninger will serve as the club's Parliamentarian. Mrs. Michael Thayer will hold the post of Club Historian.

Meetings of the group are held monthly from September through June. The first meeting of the new year will be a tea which will be held in September.

Marriage vows to be repeated in Mormon Temple

Immediately following their recent marriage in the Church of Jesus Christ of Latter Day Saints in Bloomfield Hills, Bill Bergman and his bride, the former Ellen Casey, left for Utah, where their marriage will be solemnized in the Temple in St. George. From there they will make a two weeks tour of the West.

For her wedding, Ellen wore a floor length white satin gown with a full pleated train. A tiara held her fingertip veil of silk. She carried an heirloom lace handkerchief which had been carried by the groom's maternal grandmother and his mother on their wedding day.

Ellen is the daughter of Mrs. Marie Casey and the late Mr. Casey of Wise Road, Union Lake. Bill is the son of Carl and Francis Bergman of Northview Drive, Clarkston.

Upon their return, Bill will go into training for his new position with IBM.

Making the trip to St. George, Utah, for the ceremony are the bride's mother and sister, the groom's parents and several close friends. Also making the trip are the groom's brother, Thomas of Henrietta St., Birmingham, and Mr. and Mrs. David Gaddis

Public invited to view data center

Oakland Schools' new Data Processing Center at 63 Oakland Pontiac, will be open for inspection by its clients between 1 and 5 p.m. Thursday.

Merlin Reeds, director of data processing for the intermediate district, said 500 invitations have been mailed to the members of boards of education and school administrators in the county.

Powered by a 1620 computer and supporting equipment, the Data Processing Center distributed bills this year for \$160,000 of services to the 29 school districts in the County. Some of the applications were test scoring for 200,000 children, payrolls for 11,000 school employees, tabulating census cards for 348,000 children and scheduling 50,000 secondary students.

The center was moved to the 63 Oakland location from the offices of Oakland Schools in the County Service Center early this month to accommodate increased business from constituent school districts.

The Sashabaw Neighborhood Girl Scout Day Camp is in full swing at Oakland Lake this week. Here girls from Unit 4 are relaxing after lunch on Monday. Pictured with them are their leaders, Mrs. Glen Brokenshaw, Mrs. John Klyder and Mrs. Ken Vallienecort.

Girl Scout day camp at Oakland Lake this week

The Sashabaw Neighborhood Girl Scout Day camp opened on Monday morning and will continue through Thursday of this week. It is being held on the 80 acres belonging to the American Legion at Oakland Lake.

Approximately 150 girls are expected to participate in this 4 day event. It is being held daily from 9:00 a.m. until 3:00 p.m. Transportation to and from the camp was furnished by parents.

In charge of the camp this year is Mrs. Farrell Wagner. Co-directors are Mrs. Russell

Boyd and Mrs. Orval Warren. Eight different units are in attendance at the camp. These included 3 units of Brownies, 2 Junior Units, 1 Cadet unit, 1 boys unit and 1 nursery unit.

The first day found the Scouts taking a sack lunch as that day

was devoted to setting up camp and arranging their units. Each unit has its own activities. They were responsible for setting up their own hand washing facilities and their own fire building area. Arts and crafts and various outdoor activities will fill the girls' time.

On Thursday evening, the Junior and Cadet Girl Scouts will be holding an over-night camp at the same location.

Lions charter night at Ortonville Sat.

The new Lions club in Ortonville will hold their Charter Night ceremonies on Saturday evening, June 25. The club which was organized on April 27 is co-sponsored by the Oxford Lions and the Goodrich Club. This is quite unique among Lions' organizations as these two sponsoring groups are located in different districts.

The Ortonville group meet on the second and fourth Wednesdays at the fire hall in that village. President of the new club is Carl Robinson. Secretary is Gordon Bonser and the treasurer's post is held by Frank Sherman.

All area clubs will be sending representatives from clubs to the Charter night ceremonies. This will include clubs from both districts. The usual procedure is for these clubs to make donations of equipment used for club meetings. New members are most welcome and those interested are urged to contact any Lion member.

A new club was recently organized in Drayton Plains. They too, are making plans for their Charter Night which will be held on August 23.

Officers of that group include: Seymour Karp, President; Ronald Fenn, Secretary, and Walter Lagerquist, Treasurer. Their

meetings are held on the second and fourth Tuesday of each month at 7:30 p.m. in the Old Mill Tavern in Waterford.

Further details will be announced later relative to their

Charter Night states Jim Schell, Zone Chairman.

Will the strike at Edison affect your electric service?

Local 223, Utility Workers Union of America, AFL-CIO, representing about 3000 of Detroit Edison's 9500 employees, called a strike at midnight, June 15.

Local 223 is chiefly composed of operators of power plants and substations, underground linemen, and construction and maintenance personnel.

As in the case of Local 17, International Brotherhood of Electrical Workers, AFL-CIO, which is already on strike, the issue is money.

The present average pay of Local 223 members is \$3.46 an hour. Benefits are additional. Edison has offered the union a two-year contract—21.4 cents an hour more in cash and benefits in 1966 and 17.2 cents more in cash and benefits in 1967. The offer amounts to a 10.9 per cent raise in cash and benefits by June 1967. According to Edison's understanding, the union leaders want a 12.5 per cent increase.

Edison has always treated employees fairly. Pay and benefits are higher than those provided by most other major employers in the area. The company is widely known as a good place to work.

On any basis of comparison, the present offer is a good one.

Although about one-third of our employees are on strike, Edison intends to maintain near-normal customer service with the help of supervisors and other employees. Unless a severe storm causes an emergency, it is unlikely that the two walkouts will affect users of electricity.

Walker L. Cisler, Chairman of the Board
The Detroit Edison Company

Donald F. Kigar, President
The Detroit Edison Company

We need your help

We hope that our readers like our new off-set method of printing. Beginning with this issue there will be some changes in the format of the paper.

Whenever different steps are taken, we must seek cooperation of those who supply us with the news and advertising material. We pledge our support to all projects, club activities, church, school and civic functions which will tend to aid the growth of Clarkston and its environs. Our news column will always be open to promote these causes and to inform our readers of them.

To be a true community newspaper, we must chronicle the activities of the people who comprise the area. So, we trust that you will supply us with the news of your families, the births, the engagements, marriages and other happenings. We will welcome pictures pertaining to these events. We make no charge for any photos used in the paper.

And as the paper grows in circulation and readership, we will be better able to serve this community as a bright and lively publication should.

The time is now

Voters will go to the polls on August 2 for a Primary election and again in November for the general election. As you go into the polling booth at either election, it is a little too late to evaluate the candidates and the issues that you are called upon to support or reject. Now is the time for every eligible voter to gather information and discuss with others the issues and their effect on the people, the community and the nation. Now is the time to take an interest in public affairs and support those candidates and measures that appear to offer the best long run solutions to the problems before us.

Every voter will have his chance this fall to express his opinion as to policies and proposals that involve war and peace, national solvency or bankruptcy. An active and informed electorate is more vital now than at any other time in our history.

Reaching out

— SPIRITUAL WELL BEING —

God is our refuge and strength, a very present help in trouble.

Psalm 46:1

Highly effective physical and mental means to healthful living are set forth by physicians and psychiatrists for the benefit of those who come to them for help, yet above and beyond these lie the spiritual means, the most potent of all.

Consider well the way to spiritual health which Jesus sets forth. Faith in God and in His good and perfect Will is basic. Love toward God and man is vital. Said Jesus . . . Thou shalt love the Lord thy God, and thy neighbor as thyself. Prayer is indispensable. Pray always said Jesus . . . Pray for them that despitefully use you.

Many physicians recommend that their patients seek Jesus' way to spiritual health and urge them to participate in the experience of worship. Said Jesus . . . Worship is of the spirit, they that worship God must worship Him in spirit and in truth. Those of us who are disturbed in mind need to humble ourselves before our Maker and speak to Him of that which troubles us, seeking understanding and forgiveness. Kneeling thus is humility before God, we shall rise refreshed in mind and renewed in strength.

Eternal God, our Father, Thy mercy and Thy providence do ever sustain us. Renew a right spirit within us, we beseech Thee, in Jesus' Name. AMEN. Everett Butters, 6/20/66

Notice of Public Hearing

AMENDMENT TO ZONING ORDINANCE

The Planning Commission of the Township of Independence, County of Oakland, State of Michigan will hold a Public Hearing at Township Hall, 90 North Main, Clarkston, Michigan, at 7:30 p.m. o'clock on the 30th day of June 1966 on an amendment to the Independence Township Zoning Ordinance No. 2: Section 2. Definitions, Sec. 2.35, Sec. 2.44. (new);

Section 3. General Provisions, Sec. 3.22.

Section 17. Trailer Coach Park District (new).

Section 9.1—(7) (delete).

Section 13.8. Zoning Changes. Amend Section 3.22 to read:

Section 3.22. Trailer Coaches, Tents, or Portable Dwellings.

Trailer coaches, tents or portable dwellings shall not be considered either as a dwelling as herein defined and permitted, nor as a legal accessory use in Independence Township if the same is used for human habitation nor shall the same be used for the shelter of animals, except as provided for in Section 17, Trailer Coach Park District.

Add a new Definition, No. 2.44: Gross Usable Acreage: Gross Usable Acreage is all the land within a given legally described parcel which is buildable and suitable for on-site sewage disposal.

Amend Section 2.35 Trailer Coach to read:

Section 2.35. Trailer Coach — Mobile Home.

A detached single-family dwelling unit with all of the following characteristics:

A. Designed for long-term occupancy, and containing sleeping accommodations, a flush-toilet, tub or shower bath, and kitchen facilities, with plumbing and electrical connections provided for attachment to outside systems.

B. Designed to be transported after fabrication on its own wheels, or detachable wheels.

C. Arriving at the Trailer Coach Park, where it is to be occupied as a dwelling, complete including major appliances and furniture, and ready for occupancy, except for minor and incidental unpacking and assembly, operations, location on foundation supports, connection to utilities, and the like.

Delete Section 9.1—(7) in its entirety, and add:

Section 17. Trailer Coach Park District (R-3).

Section 17.1 Uses: The following uses shall be permitted in a Trailer Coach Park District, to-wit:

A. Trailer park and mobile home courts subject to the requirements established and regulated by Act 243 of the Public Acts of 1959, as amended. Except that same shall conform to the following requirements:

(1) Any such use shall be constructed and operated in accordance with all applicable State laws, but no permit therefor shall be issued until a hearing has been held thereon after 5 days' previous notice thereof has been given to all property owners within 2,000 feet of the perimeter of the site of the proposed Trailer Coach Park or Mobile Home Site, and it is determined after such hearing to be held by the Planning Commission that the proposed site as a Trailer Coach Park or Mobile Home Site would not be detrimental to the health, safety or general welfare of the property owners within 2,000 feet of the perimeter of the proposed site. If the site is approved after said hearing, then the following site restrictions shall apply:

a. Minimum site size of 10 acres.

b. The site proposed shall have not less than 50 completed mobile home spaces available at first occupancy.

c. Density of development shall not exceed 8 mobile home spaces per usable gross acre.

d. The entire site shall be enclosed by a green-belt. Greenbelts shall be in accordance with Section 3.23 of the Zoning Ordinance and shall meet the following specifications:

1. A planting area, minimum width of six (6) feet which shall be completed within

six (6) months from the date of issuance of a Certificate of Occupancy and shall thereafter be maintained with permanent plant materials.

Specifications for spacing and plant materials are shown below. Materials to be used are merely suggestions and shall not be limiting. Other equivalent materials may be used.

SPACING

(a) Plant materials shall not be placed closer than three (3) feet from the fence line or property line.

(b) Where plant materials shall be planted in two or more rows, planting shall be staggered in rows.

(c) Evergreen trees shall be planted not more than three (30) feet on centers.

(d) Narrow evergreens shall be planted not more than three (3) feet on centers.

(e) Deciduous trees shall be planted not more than thirty (30) feet on centers.

e. All streets within the project shall be private and paved with asphalt or concrete and designed in accordance with the following. Provided, however, if the project is to be platted, then said streets shall be dedicated to the public.

1. Recognition of Existing Facilities. The street system shall be designed: (a) to recognize existing easements utility lines, etc.; which are to be preserved, and (b) to permit connection to existing facilities where necessary for the proper functioning of the drainage and utility systems.

2. Block Size and Shape. The street system shall be designed with blocks of proper size and shape to provide desirable mobile home lots and to reduce excessive length of street construction without impairing convenient circulation and access.

3. Circulation. The street system shall provide convenient circulation by means of minor streets and properly located collector streets. Closed ends of dead-end streets shall be provided with adequate paved vehicular turning or backing space. A turning circle shall be at least 80 feet diameter.

4. Pavement Widths. Pavements shall be of adequate widths to accommodate the contemplated parking and traffic load in accordance with the type of street with 10 feet minimum moving lanes for collector streets, 9 feet minimum moving lanes for minor streets, 7 feet minimum lane for parallel guest parking and 2 feet additional width for pedestrian use where adjacent sidewalk is not provided.

(a) All entrance streets and other collector streets with guest parking both sides . . . 36' minimum.*

(b) Collector street with no parking . . . 22' minimum.*

(d) Minor or cul-de-sac street with no parking . . . 20' minimum.*

(d) One-way minor street with no parking (acceptable only if less than 500' total length and serving less than 25 mobile home stands) . . . 11' minimum.*

*Reduce by 2' if adjacent sidewalk is provided.

5. Alignment and Gradient. Streets shall be adapted to the topography and shall have suitable alignment and gradient for safety of traffic, satisfactory surface and ground water drainage, and proper functioning of sanitary and storm sewer systems.

6. Intersections. Street intersections shall generally be at right angles. Off-sets at intersections and intersections of more than two streets at one point shall be avoided.

7. Extent of Improvements. The street improvements shall extend continuously from the existing improved street system, to provide suitable access to the mobile home stands and other important facilities on the property to provide adequate connections to existing or future streets at the boundaries of the property and to provide convenient circulation for vehicles.

8. Grading. Streets shall be graded for their full width to provide suitable finish grades for pavement and any sidewalks with adequate surface drainage and convenient access to the mobile home stands and other important facilities on the property.

Said streets shall afford ready means of entrance and exit to a County primary road or State highway. Said County or State highway must have a minimum of two paved traffic lanes and a right-of-way width of 120 feet.

Lot area per trailer minimum 50 feet wide by 80 feet in depth. In addition to required lot area per trailer, no trailer shall be located nearer than 15 feet to any other trailer and street. The space between trailers may be used for the parking of motor vehicles, provided that such vehicles be parked at least 10 feet from the nearest adjacent site.

1. Parking Spaces.

(a) Number. Car parking spaces shall be provided in sufficient number to meet the needs of the occupants of the property and their guests without interference with normal movement of traffic. Such facilities shall be provided at the rate of at least one car space for each mobile home lot plus an additional car space for each 3 lots to provide for guest parking, for 2-car tenants, and for delivery and service vehicles.

(b) Location. Required car parking spaces shall be located for convenient access to the mobile home stands. Insofar as practicable one car space shall be located on each lot and the remainder located in adjacent parking bays.

(c) Individual On-lot Space. Width: 9 feet. Length: 20 feet minimum.

(d) Off-Street Parking Bays. Parking Curb Minimum Minimum Angle Length Bay Backing Degree Per Car Depth* Depth*

90 9' 18' 28'

60 12.5' 17' 20'

45 12.7' 16' 19'

*Perpendicular to curb line.

All plat plans and building plans for any proposed Trailer Coach Park or Mobile Home Site must be submitted in triplicate to the Township Planning Commission and Building Department for review of the site plan prior to a permit being issued.

Section 13.8. Zoning Changes. Add new paragraph (6), to read: Statement setting forth notice to adjacent land owners; reasons for not giving notices, if such is the case.

REGISTRATION NOTICE

FOR
General Primary Election
TUESDAY, AUGUST 2, 1966

TO THE QUALIFIED ELECTORS OF THE TOWNSHIP OF INDEPENDENCE, COUNTY OF OAKLAND, STATE OF MICHIGAN

Notice is hereby given that in conformity with the "Michigan Election Law", the undersigned Clerk, will, upon any day, except Sunday and a legal holiday, the day of any regular or special election or primary election, receive for registration the names of any legal voter in said Township, City or Village not already registered who may APPLY TO ME PERSONALLY for such registration. Provided, however, that I can receive no names for registration during the time intervening between the Thirtieth day before any regular, special or official primary election and the day of such election.

NOTICE IS HEREBY GIVEN THAT I WILL BE AT THE INDEPENDENCE TOWNSHIP HALL, 90 N. MAIN ST., CLARKSTON, ON

Tuesday, July 5, 1966 - - Last Day

The Thirtieth day preceding said Election

As provided by Section 499, Act No. 116, Public Acts of 1954.

From 8 o'clock a.m. until 6 o'clock p.m. on each said day for the purpose of REVIEWING the REGISTRATION and REGISTERING such of the qualified electors in said TOWNSHIP, CITY or VILLAGE as SHALL PROPERLY apply therefor.

The name of no person but an ACTUAL RESIDENT of the precinct at the time of registration and entitled under the Constitution, if residing such resident, to vote at the next election, shall be entered in the registration book.

ELECTOR UNABLE TO MAKE PERSONAL APPLICATION, PROCEDURE

SEC. 504. Any elector who is unable to make personal application for registration because of physical disability or absence from the Township, City or Village in which his legal residence is located may be registered prior to the close of registration by a duly qualified person, or by applying in person for a proxy. The Clerk shall issue through the last address, ward and precinct number and record the new address, ward and precinct number on the original and duplicate registration cards, and shall place the original registration card in the proper precinct file. Such transfers shall not be made within 30 days next preceding any election or primary election, unless such transfer shall fall on a Saturday, Sunday or legal holiday, in which event registration transfers shall be accepted during the next full working day, provided that no such transfer shall permit any person to vote in any Township, City or Village in which he has not resided 30 days next preceding any election or primary election.

UNREGISTERED PERSONS NOT ENTITLED TO VOTE

SEC. 491. The inspectors of election at any election or primary election in this State, or in any District, County, Township, City or Village thereof, shall not receive the vote of any person whose name is not registered in the registration book of the Township, Ward or Precinct in which he offers to vote.

TRANSFER OF REGISTRATION, APPLICATION, TIME

SEC. 506. Any registered elector may, upon change of residence within the Township, City or Village, cause his registration to be transferred to his new address by sending to the Clerk a signed request stating his present address, the date he moved thereto and the address from which he was last registered, or by applying in person for a transfer. The Clerk shall enter through the last address, ward and precinct number and record the new address, ward and precinct number on the original and duplicate registration cards, and shall place the original registration card in the proper precinct file. Such transfers shall not be made within 30 days next preceding any election or primary election, unless such transfer shall fall on a Saturday, Sunday or legal holiday, in which event registration transfers shall be accepted during the next full working day, provided that no such transfer shall permit any person to vote in any Township, City or Village in which he has not resided 30 days next preceding any election or primary election.

Letters to the Editor

Let's talk about swimming

Dear Editor:
Should children be taught to fear deep water? No, they should not, but they should be educated to have respect for water. Too many mothers who have had unpleasant experiences around lakes, or rivers unwittingly pass their negative experiences on to their children. These children then become more difficult to teach. It is best if the parents keep fears to themselves.

I am often asked what is the best age for a child to learn to swim. Most babies can be taught to swim before they walk, but this takes individual instruction and patience and each year for the first four or five years the instruction must be repeated. I would say that a 5 year old can gain a great deal from swimming instruction, but many 5 year olds cannot take group work

and often get afraid of large numbers of other children or the temperature of the water makes it difficult for them to be taught. The best age for lasting results is 7. It takes about 3 summers to make a better than average swimmer.

If parents are going on a vacation and the child will be near water up to their waist then they should turn around and practice floating and kicking, but always toward the shore or to someone else. The beginning swimmer should never swim alone, especially at the beach on Deer Lake.

One word of caution to the swimmers: Always dive into water the first time feet first. You can repair a broken foot, but not a broken neck.

Last but not least: If you are near a place where someone gets in trouble in the water, just remember **THROW -- ROW -- GO**

Several weeks ago John Geukes of 6405 Snow Apple Drive started work on a play house for his youngsters. It is now completed and the neighborhood children love it. Pictured are: Kim Story, Susan Geukes, Jimmy Geukes and Diane Neff. It is being furnished by the children themselves and note the flower landscaping already done in front. The Geukes have another little girl Karen, 11 months, who will be enjoying it later, too.

Dear Dad,
We are sorry we forgot you Fathers' Day. We hope you have a happy July 4th.

and if you are not an excellent swimmer don't go, but keep looking for something to throw.

I will be teaching swimming again for the 14th year at the same old spot on Deer Lake. I was sorry to see the people of Clarkston vote against the swimming pool. This town needs one badly. Just check a city that doesn't have a high school pool compared with one that has and you'll find the number of lives lost in water accidents far outweighs the few dollars spent. Most pools today can almost pay their own way.

The classes will be June 28 - July 30. Call MA 5-1040 to sign up or come down town in Clarkston next to Rudy's Market Saturday afternoon, June 26 between 2 and 4.

Thank you.

Reagan film, feature at GOP meet

The Township Republican club will be holding a re-organizational meeting in the Independence township hall this Thursday evening, June 23 at 7:30 p.m.

The Ronald Reagan film "Decision 1966" will be shown and an election of officers will be held. Letters of invitation have been mailed by Lloyd Anderson, deputy state treasurer. Mr. Anderson is the former Representative from the 61st district.

Anyone in the area interested in the re-activation of the club is urged to attend.

Rev. Sutton Re appointed

At the recent meeting of the Annual Conference of the Detroit district of the Methodist Church, the Rev. Lewis Sutton was returned to the pastorate of the Clarkston Methodist Church. He has been serving this charge since December 1963.

Bishop Loder, in a surprise move, made the appointments at the opening sessions of the Conference which was held on the campus of Adrian College. Several changes in appointments were made this year. These are usually announced during the closing session.

BRINGEM BACK ABOVE

New officers
Officers were elected at the June 12 meeting of the Whipple Shores Improvement Association. At the Sunday meeting, James Blumensheln was elected President; and the Secretary-Treasurer named was Jean Bray Gordon.

Four residents were elected to the Board of Directors. They are James Gates, Robert White, E. E. Hoffman, and James Blumensheln.

Goodwill coming
The next visit of Goodwill Industries pickup trucks to Clarkston is scheduled for Tuesday, July 5. Goodwill trucks collect household discards of clothing, shoes, hats, toys, most types of furniture and other household discards.

To arrange for a Goodwill Industries truck pickup, call the local Goodwill representative, Mrs. Alfred Lee, MA 5-3381.
