VOLUME 37

SINGLE COPY 10 CENTS

CLARKSTON, MICHIGAN 48016, THURSDAY, JULY 21, 1966

NUMBER 47

Entering the regional Jaycee Golf Tournament last week were these 3 Clarkston boys. Pictured left to right are: Lyle Walter, Jim Navarre and Gordon Lee Booker. They had recently won the District Tournament which was played at Waterford Hill Country Club in their age divisions. Gordon was the youngest boy entered in the regional tourney and finished with a 49-49 for the 18 holes. He will be an alternate to the State tournament in Grand Haven.

Gordon Booker will be alternate golfer

Three Clarkston boys competed in the state Jaycee Junior Golf Tournament last week. The regional competition was held at the Pontiac Country Club. Thirty-five golfers competed in the tourney.

Gordon L. Booker, Jr. of Clarkston, who shot a 49-49-98 was named an alternate in the 13-Under Age Division to play in Grand Haven in State competition on July 25. Top scorers there will go to Greensboro, North Carolina for the national tournament August 7-12.

In the 16-17 age division, Lyle Walter of Clarkston had a 44-42-86.

Playing in the 14-15 age division, Jim Navarre of Clarkston shot 43-46-89.

The boys represented Jaycee organizations in Oakland, Macomb, St. Clair and Livingston counties. They played 18 holes on the 6,305 yard courses. The tournament director was Gerald Proudfoot of Union Lake.

Director for the local tournament was Dr. Alfred Hamilton.

Clarkston phones to be in North Area directory in April

Clarkston, along with Oxford, Lake Orion and Leonard, will be included in the North Area telephone directory beginning with the April, 1967 issue.

The announcement of this decision by Michigan Bell Telephone Company was announced this week by Charles B. Woodhead, area manager for Michigan Bell. He said the company's decision was made after conducting an extensive study of all factors involved.

The North Area directory presently includes part of Wixom and Farmington Township, Oak Park, Royal Oak Township and Ferndale on the south boundary, Hazel Park, Madison Heights, Troy, and Rochester on the east side, Rochester, Lake Angelus and Waterford on the north, and Drayton Plains, Union Lake, Commerce and Walled Lake on the west.

The study Woodhead referred to indicated that customers served by the four exchanges, Clarkston, Oxford, Lake Orion and Leonard, share a strong community of interest with Pontiac and other Oakland County customers in the larger directory.

Michigan Bell will issue separate directories this October for the four exchanges in conjunction with number changes scheduled in the Clarkston exchange. Nearly 40 percent of the telephones in Clarkston will have their numbers changed with the opening of the new exchange on Dixie Highway the first of October.

This October directory will be in use until April, 1967, then it will be replaced by the North Area directory, which will be released with all new listings including Clarkston, Oxford, Lake Orion and Leonard.

With that issue customers in these communities will be listed in the North Area alphabetical and Pontiac Area Yellow Pages directory.

Michigan Bell presently publishes 9 directories for serving customers in all the North Area. This number will be cut to 3 after April, 1967.

In Clarkston 852 of Michigan Bell's 2742 customers now receive the North Area directory at their request. Of Oxford's 2534 customers, 798 get the North Area book and 955 of Lake Orion's 3061 Michigan Bell customers receive the larger directory.

Cemetery developers seek approval for Hillview Memorial Gardens

By Faith Poole

The question of whether another cemetery is needed in Independence township has received a great deal of discussion in the past months.

A vote by the township board is expected momentarily on the issue. Township Clerk Howard Altman has been the prime opponent to the proposal which has been advanced by a corporation whose 3 members are from the Bay City-Saginaw area.

Mr. Altman, who has done considerable research on the subject came up with figures supporting his contention that there are now 116,421 grave sites available in the township's five ceme-

teries. These five cemeteries, of which 2 are privately owned, comprise about 145 acres of land.

The proposed new one would take in 40 acres of land, thus removing it from the township tax rolls and would be located on Clarkston-Orion Road near Pine Knob Road adjacent to the Bailey Lake School. The property is presently owned by Randolph Nelson, but the cemetery planners have an option on it.

To be known as "Hillview Memorial Gardens," it would be patterned after a similar cemetery "Eastlawn Memorial Gardens" which the developers now have in Saginaw.

The corporation is headed by Merrill LaRue of Bay City who is

the president. Other officers are Richard Pierson, Vice-president and treasurer Kirk Cordingly, vice president and secretary. The group incorporated just last month.

But when the trio appeared before the township board last week they hit a snag. The plat which they presented to the board was only a sketch. They claimed that they thought that the sketch was all that was needed, but it did not conform to township requirements. They promised to return to the board meeting this week with a plat of a small portion completed for the board's inspection. They plan to plat and develop the cemetery a garden at a time. They had hoped to be selling lots within 30 days after approval. According to the plan of the developers, they would sell "burial rights". No deeds would be given. They would then turn these lot contracts over to a bank for collection.

When queried by Township Attorney, Paul Mandel as to the capitalized value of their corporation, their answer was \$12,000. At a previous meeting, the men told Altman that they had purchased the property, but at last week's meeting, they told him that they were sorry that

he had been misinformed—that they had only taken an option on the property.

Mr. LaRue, spokesman for the corporation argues that they would not be in competition with any of the existing cemeteries in the township—that it would be an asset to the community as it would provide for new jobs.

The vote last week to deny the request failed, Trustee Merle Bennett siding with Altman in opposition. However there was no vote to approve the matter either.

Using population figures as part of his argument against the establishment of the cemetery, Altman states that the current population of the township is about 16,000. No new land for cemeteries will be needed until the population reaches 100,000. He feels that this land could be used to better advantage for new home development or recreational facilities. Present tax revenue per year on this property is about \$190 for the 40 acres. Under Public Act #206, land used for cemeteries is exempt from taxation.

Model egg factory now being constructed

One of the most modern egg factories ever built is going to be constructed on Clement Road in Independence township. Developer of the project is Jack Parr of Brown City. He received permission from the township board at its meeting last week.

The factory will be on property located ¼ mile from the intersection of White Lake road and Clement road. He owns 7.51 acres there. He also stated that in addition to the factory he will construct a home to be valued in the neighborhood of \$50,000.

Any variation from the building code requires approval from the Board of Appeals. Mr. Parr revamped his plans to coincide with the code, so it was passed by the Appeal Board. Otherwise he would have gone through the normal channel of seeking a building permit.

The factory will be constructed

of Reynolds Aluminum and will be complete with a basement. When done, the operation will house 10 thousand chickens which Mr. Parr will have on lease. Experts in the field state that they will produce between 500 and 700 dozen eggs each day during their full productive period which lasts for about one year.

The building will be L shaped, 130 feet across the front and 134 feet deep. Both the exterior and interior walls will be of aluminum construction. The area will house both the chicken house and a sales office. Estimated construction cost is \$28,000.

Heavy equipment has been working on the site for the past several days and construction will start immediately.

Mr. Parr is also engaged in farming operations on Brown City Road in Brown City.

More teachers needed

Administrative officials told members of the Clarkston Board of Education at their meeting last week that interviews are being conducted for new teachers in the system.

At the time of the meeting it was announced that the Junior High had been staffed for next year, but that 19 more teachers were needed to fill elementary positions. Part of this need occurs because of the hiring of 9 new teachers in addition to the regular staff at Bailey Lake school.

Also discussed at the meeting was the matter of salaries for principals.

Teachers will be voting on July 25 on the ratification of the Master contract which was approved by the board at their last meeting.

Tennis entry deadline, Monday

Paul McGrath, Independence township Recreation Director has announced the dates for the Tennis Tournament. It will be held July 27 - July 30 from 9 a.m. until 12 noon. Entry deadline is 12 noon on July 25. There will be no entry fee.

Entry blanks may be picked up at the Township Hall, Clarkston Sporting Goods, the Senior High School Office, or the one printed elsewhere in this paper may be used.

Tournament pairings will be available at the High school courts at 9 a.m. on Wednesday, July 27. All first round matches will begin at that time. The final round will be played Saturday morning, July 30. Trophies will be presented to all champions.

Telephone men to inspect wiring

Michigan Bell Telephone company has hired 6 college students to inspect interior and exterior wiring of all telephone service in Clarkston on a door to door canvass.

This is an added precaution and in preparation to insure that all wiring meets the proper specification before the new Clarkston office is cut into service on October 2, 1966.

The inspectors are well trained

and carry official telephone company credentials. They will be under the supervision of B. W. Schalm, installation and repair foreman in the Pontiac district.

The inspectors are: William Dunzilla, John Fortune, Christopher Porter, Lee Gaylord, Michael Hawkins and Robert Noyes.

If there are any questions on the part of Clarkston customers they are invited to call the telephone company business office at 332-9911.

Area youngsters learn to bowl

One hundred boys and girls from the Clarkston area are receiving special training intended to make them proficient bowlers at Howe's Lanes, 6697 Dixie Highway, according to Les and Barb Howe, owners of the bowling center.

The youngsters are enrolled in the "100-Plus Youth Bowler Development Program" conducted by the United States Bowling Development Institute. A limited number of bowling centers have been approved to participate initially.

Mr. Howe described the program as "something unique for the bowling industry." He continued, "It's a chance for youngsters to learn fundamentals of the sport in a sponsored program, and then enjoy open or league bowling." He compared the undertaking to Little League and other similar programs.

The fledgling bowlers are between the ages of 8 and 12. They are attending the 5-week, 10-lesson course with the co-operation of the Independence Township Recreation Department.

Volunteers working to present the program locally are: Instructors, Norma Conley, Jean

Thompson, Thea Robinson, Amber Card, Evelyn Bartle, Shirley Fredricksen, Wanda Mayo, Ellie Rikerd, Kay Gamble, Penae Easton, Peg Carter, and Eula Vick, from the local area.

Supervisory personnel engaged in the program are proficient bowlers who also attended a special training clinic.

The nationwide program is sponsored by the Sport of Bowling Council and approved by the Lifetime Sports Foundation.

The program started Tuesday, July 19th. It will be held every Thursday and Tuesday thereafter, for five weeks.

Car hits tree

A car driven by Cheryl Gullett, 18, of 1001 Ellis Road, Clarkston, blew a tire on Sunday morning on M-15 one half mile south of Cranberry Lake road. The car went into a ditch and hit a tree. Neither the driver nor her passenger, Linda Duman, 17, of Ortonville, were injured.

The accident occurred at 5:20 a.m. according to Oakland county sheriff's officers who investigated the accident.

Jack Sansom, right, an instructor for the tennis courses now being held on the high school courts is being watched by Orison Bullard. Concentrated practice is now going on in preparation for the tournaments which will start next week.

Salary increases included in new master contract

A teacher's meeting has been tentatively set for July 25 at which time teacher's in the Clarkston school system will vote on ratification of the master contract which was recently approved by the Board of Education. Copies of this contract were mailed to the teachers following the Board meeting of July 11. A negotiating team representing the Clarkston Education Association (the bargaining group in this school system) had been working with the board to arrive at conditions in the master contract.

Salary increases will be as follows if the contract is accepted by the teachers. (First figure shows starting salary — second figure the pay after 10 years).

Ph. D.	Old Scale	New Scale
Ph. D.	\$5100-\$7913	\$5800-\$ 8698
M. A.	\$3229-\$5269	\$3983-\$ 5291
Specialist		

\$5568-\$8641 \$6252-\$ 9710

Ph. D. degree \$5818-\$9029 \$6534-\$10,147

Attorneys speaking for the Clarkston Education Association recommended that the contract be adopted. They were pleased to report that the contract was worked out without meditation or without fanfare and publicity. They went on to say that there is a real fine relationship between the Clarkston teachers and the board.

In other action the board set the school calendar for the year. It is as follows:

Sept. 6—School opens with teacher's meetings.

Nov. 24 & 25—Thanksgiving Vacation.

Dec. 24 to Jan. 2—Christmas Vacation.

March 24 - April 2—Easter Vacation.

Jan. 27—1st semester ends.

June 15 — Second-semester ends.

The board also agreed to provide two part-time employees in each Elementary building for lunch hour supervision. They will also make every effort to see that there is 30 minutes of release time during the lunch hour for every elementary teacher.

Bids for blacktopping parking lots at the three elementary buildings — Pine Knob, Bailey Lake and Sashabaw were submitted. The contract was awarded to A & A Asphalt Paving Company of Birmingham to do this work.

Also awarded was a \$21,000 contract to Ann Arbor Construction Company. They will construct a new running track at the high school. The board also approved a bid which was submitted by Anchor Fence for fencing the running track.

Voters in the June 13 School elector had approved these 2 construction projects.

Manzella trial set for Aug. 2

Angelo Manzella will stand trial on August 2 on a charge of assault with intent to do great bodily harm. The charge results from an incident which occurred in Manzella's Lounge at 7504 Dixie Highway earlier in the year. It was made by Mr. John Adams of 6501 Maybee road following the alleged beating of Mr. Adams.

The jury trial will be conducted in the court room of Judge Arthur E. Moore. The attorney for Mr. Manzella is Clarence Smith of Pontiac.

Nicholas Manzella was acquitted of a charge of assault and battery on May 19. He has since asked the township board to reconsider their action in his case and that they recommend that the State give back his Class-C liquor license. No action was taken on this matter by the board.

Appeal board reviews application

The Independence township board of appeals met last Friday evening and reviewed an application for a Mobile Home Park. Stanley Eaton and James D. Humphrey hope to construct this trailer park on Clintonville road.

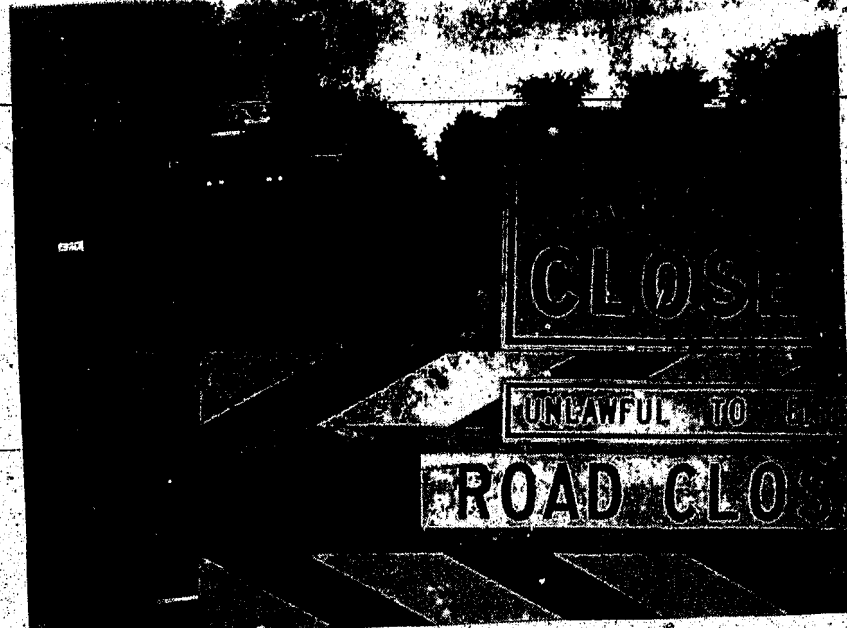

However, the board took no action that evening. A date will soon be set for a Public Hearing on the matter. Prior to that meeting all residents within 2000 feet of the intended site will be notified as well as the applicants so that the matter can be aired at the hearing.

Roy brothers back in court

A "Show Cause Hearing" will be held on August 8 in Circuit Court on the petition of Roy Brothers who seek a restraining order against Independence township. They seek to restrain the township from issuing further violation notices on their present site of business—the corner of M-15 and U.S.-10. The hearing will be held in the Court of Judge Philip Pratt.

Roy Brothers were recently convicted in Circuit Court on a criminal charge of violating the Junk Yard Ordinance in force for Independence township.

Their appeal of that case is now in the process of going to the Court of Appeals.

This sign may be an aggravation to some motorists on Waldon Road, but they will find it pleasant driving when the construction is completed.

It's Lions vs. Cardinals on Jaycee football day

Harvey Schroeder, of the Clarkston Area Jaycees, has been appointed the local ticket chairman of the first annual Michigan Jaycee Football Classic, Clarkston Area chapter president Bob Jones announced today.

The Jaycee Classic is scheduled for Thursday, August 11, 1966 at Tiger Stadium, where the Detroit Lions will play the powerful Eastern Division St. Louis Cardinals. Game time is 8 p.m.

In special ceremonies last week in Lansing, Governor George Romney proclaimed August 11 as "Jaycee Football Classic Day" in the state of Michigan.

Co-sponsors of the game will be the Michigan Jaycees and the Michigan Jaycee Foundation. Funds from the Classic will be used to finance Jaycee community development programs throughout the state.

"It is our hope to meet not only the needs of today's communities, but to meet those of tomorrow's as well," said chapter president Bob Jones. "This game creates another avenue for meeting these needs, thus enabling us to better serve the community."

For further information

on how to obtain tickets for the Jaycee Classic, contact Harvey Schroeder, at 625-2969 (telephone number).

Robert Carr Heads Republicans

The Independence township Republican club was re-activated and officers were elected in a meeting held at the township office building last Wednesday evening.

Elected to serve as chairman was Robert W. Carr. Mrs. Virginia Leonard was elected vice-chairman. Mrs. Jean Bray will be serving as Secretary and handling publicity for the group. Treasurer will be Mrs. Charlene Frost.

A "Meet the Candidates" night will be held tonight (July 20) but another meeting of the group is not scheduled until August 10—after the Primary election. After that a concerted effort will be put on for a "Get Out the Vote" campaign.

Utilities authority re-elects officers

The Genesee Valley Utilities Authority of which Independence township is a member recently re-elected their officers for 1966-67. This election was held two weeks ago when the group met in Flint. Delegates from this township were: Howard Altman, clerk and Merle Bennett, trustee.

All officers are Genesee county members and are as follows: Chairman, Oliver A. Kribs, Vienna township Supervisor; vice chairman, Sherman H. Miller, Richfield township Supervisor; secretary, Carl R. Ammerman, Genesee township Supervisor, and treasurer, Stephen A. Dodge, Burton Township trustee.

The authority is negotiating with the City of Flint for purchase of water to supply several area townships and villages.

Slippery black-top causes accident

Rain-slickened black top was the cause of an auto accident last Tuesday morning that sent a Drayton Plains mother to the hospital. The accident occurred at 11:29 a.m. during the rain.

Mrs. Betty Jean Mosher, 31 of 4696 Secord was travelling east on Maybee road at Clintonville road at about 50 miles per hour. With her were her two children, Mike, 13 and Michelle, 4. She tried to stop but had no brakes, so she was forced to take to the ditch.

She was taken to Pontiac General Hospital for treatment of her injuries, but the children were not injured. Oakland County Sheriff officers investigated.

Heads space week program

Mr. J. David Vander Veen, Acting Manager of the Pontiac Municipal Airport, Pontiac, Michigan, is serving as county chairman of Oakland County for the 1966 "Michigan Aviation and Space Week" program, it was announced by H.G. Bixby, General Chairman of the event. Mr. Bixby is the president of the Ex-Cell-O Corporation. The program is sponsored by the Michigan Aeronautics and Space Association.

"Michigan Aviation and Space Week," scheduled for September 10-18, has the objectives of advancing public knowledge, interest, and education in Michigan aviation and space activities and accomplishments, and to encourage the development of Michigan's Aviation and Space industries, facilities, and trades.

More than sixty of the state's airports are planning airport open house programs in connection with the Aviation and Space Week program.

Seymour Lake

By Miss Gladys Sherwood

The W.S.C.S. meeting was postponed but will be held in the Methodist Church parlors on July 27. A pot luck dinner will be served at noon.

Mrs. Oral Alder of Springfield, Missouri arrived Saturday to be a guest of her daughter and son-in-law, Mr. and Mrs. Edward Bolin of Seymour Lake Road.

Becky Carter, 6 year old daughter of Mr. and Mrs.

Daniel Carter had the misfortune to fall Sunday a.m. at the home of her grandfather Roy Hotchkiss breaking both bones in her right arm. She was taken to Wheelock Hospital.

Taking short course at U-W.

Frances L. Bellamy of 6022 Cramlane, Clarkston is among 230 students from four countries who are attending the CUNA School for Credit

Union Personnel on the campus of the University of Wisconsin in Madison, July 10-22. Mr. Bellamy is assistant treasurer—senior clerk for the Consumers S.E. Employees Credit Union. To complete the course, students must attend the summer sessions at the University of Wisconsin for 3 years, and submit additional work by mail during the winters.

3. Clarkston Shoe Repair	5	2	0
4. Pine Knob Pharmacy	4	3	0
5. Clarkston Standard Service	3	4	0
6. Elden Hardware	1	5	1
7. Tom's Texaco	1	5	1
8. Beach Fuel Oil	0	7	0

Tuesday there will be three games before the playoff starts on Thursday due to two protests and a tie game. If these change the final standings in any way a correction will be printed next week along with the playoff results.

Clarkston Shoe Repair, managed by Vicky Zimmerman and Chris Plummer, will play Jack Haupt (protest of June 30th). Clarkston Standard Service, managed by Carl Golding, will play Pine Knob Pharmacy, managed by LeRoy Davis (protest of June 28th). Eldens Hardware, managed by Richard Molter, will play Tom's Texaco, managed by Steve Götter. This will playoff the tie game of June 30th. These results will then allow the playoff bracket to be filled in by the final standings, as the playoff is set up in 2 divisions, upper four teams and the lower four teams with the winners playing for the championship. Good luck and may the best team win.

Final rounds will be played Saturday a.m., July 30, with trophies for all champions.

College week spiced with variety

If variety is the spice of life, College Week for Women should be pretty spicy and pretty lively this year.

The conference, July 26-29 at Michigan State University, is based on the theme, "Target -- You and Your Government." But classes and special sessions are designed to intrigue homemakers of all interests, says Mrs. June L. Sears, Michigan State University Extension home economist serving Wayne, Macomb and Oakland counties.

College Week, which is sponsored by the Extension Service, is featuring a U.S. Congresswoman, two Michigan legislators, a legislative counselor, a news reporter, and University administrators in the special sessions.

Instructors of the 36 different classes, which will be offered, come from 11 state

departments and service organizations and 20 MSU departments.

Each woman attending College Week may choose to attend three classes. Each class meets three times, Mrs. Sears says. The subjects range from psychology to Michigan history from geneology to managing the family budget.

Many women who attend the entire conference will stay at Shaw Hall, a University dormitory. Registration, housing and meals for the four days will be \$29.00. Those who attend for only one day can register for \$2.75. July 28 has been designated as visitor's day.

For more information on the conference, pre-registration forms and information on possible travel arrangements, contact June Sears at the Cooperative Extension Service office in Wayne County, P.O. Box 550, Wayne, Michigan 48184.

Clarkston man in Vietnam

Marine Lance Corporal Ned H. Seath, son of Mr. and Mrs. Edward E. Seath 6437 Cramlane Drive, Clarkston, Mich., is serving with the Third Battalion, Fourth Marine Regiment, Third Marine Division, Vietnam.

Members of the unit participate in day and night patrols, ambushes, and extended search and destroy operations against the insurgent communist forces. They also man positions in the defense perimeter around the airfield south of Hue Way.

Seeking nomination

A Clarkston man will be seeking the nomination for State Senator from the 17th district on the Democratic ticket in the August 2 primary. He is Richard D. Campbell, 37 of 5705 Hummingbird Lane. This district is comprised of Waterford, Independence, Orion, Brandon, Oxford, Addison and Oakland townships as well as the city of Pontiac and Lapeer county.

Mr. Campbell, who is a native of Pontiac and Auburn Heights has resided in the district for 7 years. He is the owner of City Soft Water Company of Waterford and is a partner in Waterford Hill Sauna.

He is a veteran of the Korean conflict and is a long time member of Pontiac Elks Lodge #810. He is a charter member of the Drayton Plains Lions Club, is an "exhausted rooster" of the Clarkston Jaycees. Active in the Oakland County Democratic party, he is also associated with the Water Conditioning Association of Southern Michigan and Boy Scouts of America, Pack #126.

He is married and the father of 2 children.

McIlrath-North vows Couple wed Saturday
spoken Saturday evening will live in Georgia

The Clarkston News

SECTION TWO Thurs., July 21, 1966

Linda Ann McIlrath of Pontiac became the bride of Ben W. North of Highland in a ceremony performed in First Baptist Church in Pontiac on Saturday evening, July 16 at 8:00 P.M. The Rev. Robert Shelton officiated at the doubling ceremony in front of an altar decorated with baskets of gladiolus and lighted candleabra. The bride is the daughter of Mr. and Mrs. James McIlrath of 11 N. Shirley in Pontiac. The grooms parents are Mr. and Mrs. Eugene North of 8480 Foster road, Clarkston.

The bride, who was given in marriage by her father chose a gown of white nylon over taffeta. It was fashioned with a modified Sabrina neckline which was lace-trimmed. It had a fitted bodice, long tapered sleeves and a bell shaped floor length skirt. The lace-trimmed wattleau train was detachable and her bouffant butterfly veil was fastened to a head piece trimmed in seed pearls. Her cascade bouquet of carnations and stephanotis was centered with a corsage of pink sweetheart roses.

Rosemarie Sprague was the Maid of Honor and brides-

maids were Donna Knisely, Ruth Bearden, and Sue North. They were gowned in pink crepe and lace. Their floor length dresses were made with lace bodices and sheath skirts. Satin bands emphasized the empire waistlines. The maid of honor's cascade bouquet was centered with pink sweetheart roses and surrounded by light pink and rose carnations. The bouquets of the other attendants were comprised of the two shades of pink carnations.

Staff Sergeant Tom North served as his brothers best man. Ushers were Bob Hennecke, Emmett Morris, Jan North, Jerry North, and Ted Taylor.

A reception followed the ceremony and was held in the church parlors. The bride's mother greeted guests wearing a gown of powder blue linen with accents of lace. Her corsage was white carnations and pink roses. The groom's mother was attired in a gold suit with avocado accessories. With it she wore a corsage of white carnations and yellow roses.

For travelling on their northern Michigan honeymoon, the bride chose a mint green sheath dress with pink accessories. With it she wore the corsage from her bridal bouquet. Upon their return they will reside in Highland.

Patricia Jean White, daughter of Mr. and Mrs. Samuel E. White, of Birmingham, became the bride of Christie Jay Buehrig, Saturday afternoon July 16, in St. James Episcopal Church of Birmingham with the Rev. John H. Hayden officiating. Mr. Buehrig is the son of Doctor & Mrs. Robert Charles Buehrig of Clarkston.

The bride wore a gown of white silk organza over taffeta with a detachable chapel train. Pointe d'Venise lace defined the empire bodice and accented the elbow length sleeves and the train. Her fingertip veil cascaded from a tiara of live flowers of white camellias and stephanotis. She carried a bouquet of white orchids, cascading ivy, and stephanotis. Miss Gerry Schubeck of Birmingham, was Maid of Honor, and attending her as bridesmaids were: Miss Gretchen Deuble, of Canton, Ohio, and Misses Bobette and Heidi Buehrig of Clarkston, sisters of the groom. Sherri Hawkins, cousin of the bride, was the flower girl.

The attendants' gowns were empire styled floor length lavender silk organza,

with contrasting violet lace bodice and sleeves. Their headpieces were lavender Dior bows with matching veiling. They carried crescent-shaped bouquets of blue and lavender-tinted glamelias.

Attending the groom as his Best Man was Atsuhiko Hanamura, of Tokyo, Japan.

The ushers were: James Morrow Jr., of South Bend, Indiana; Ronald Woodworth of Clarkston; and Samuel E. White Jr., of Birmingham, brother of the bride. Acting as his brother's Ring-Bearer, was Dana (Chipper) Buehrig.

Following the nuptial ceremony, a reception was held at the Birmingham home of Dr. and Mrs. Edwin Deer, uncle of the bride.

Both the bride and groom are Graduates of Psychology of Hillsdale College, Hillsdale, Michigan where Chris was an officer member of Tau Kappa Epsilon Fraternity.

The newly weds will live in Augusta, Georgia where the bridegroom is stationed as a psychologist in the Medical Corps of the United States Army.

Miss Eunice McLain of Honolulu, Hawaii is visiting at the home of Mr. and Mrs. O.C. Adams this week.

House guest of Dr. and Mrs. Robert C. Buehrig of Clarkston Hills Estates for the past ten days has been Mr. Atsuhiko Hanamura of Tokyo, Japan, here to visit with the Buehrigs and to attend their

On Wednesday July 20th Mr. Hanamura will depart via American Airlines for Tokyo, Japan.

On Friday evening, following Chris' (their son) and Pat's wedding rehearsal at St. James Episcopal Church in Birmingham, Dr. and Mrs. Buehrig hosted a rehearsal dinner for twenty guests of the nuptial party in their honor. It was held in the Clinton Room of the Old Mill Tavern in Waterford. The decor was lavender and white with floral centerpieces of white glads, and pale lavender and white mums. Tall white tapers with matching miniature floral bases complimented the arrangements. This also marked the occasion of the 19th birthday of the groom-to-be's sister, Bobette. A surprise dessert of individual petit fours and lighted yellow candles on each, centered by a miniature arrangement of live yellow roses was delightfully received by a most surprised Bobette as the guests all sang to her. Bobette was here for the week end to attend Pat as her bridesmaid, and returns to Cedar Pointe, Sandusky, Ohio on Sunday where she is employed for the summer.

Miss Heidi Buehrig, daughter of Dr. and Mrs. Robert Buehrig left Sunday

morning for Marquette, Michigan for orientation classes for 3 days. She and Cindy Johnson are to be roommates at Northern University in Marquette in the fall. Mr. and Mrs. Elmer Johnson drove the girls to their far north destination.

Mr. and Mrs. Richard Kroninger with children, Rick, Kristina and Tim, have moved into their newly acquired home in Oxford. The house is the former home of Brace Beemer, the Lone Ranger.

Mr. and Mrs. John J. Lynch have returned home from the American Legion

convention held in Detroit last week. Mr. Lynch is the 1st vice Commander of the 18th District and past Commander of the Clarkston Post #63.

Mr. and Mrs. Robert Jones celebrated their 31st wedding anniversary July 22 as guests of their son and wife, Mr. and Mrs. Robert Jones Jr. for dinner at "Sids" in Algonac.

Birthday greetings were in order for Miss Judy Johnson who celebrated her 21st birthday with friends in Jackson Sunday. The weekend was topped off with a pool side party for twenty of Miss Johnson's friends.

"ROUND THE TOWN"

By Mrs. Shirley Lynch
MAPLE 5-1065

Mr. and Mrs. Ward Robbins have sold their home on Orion road and moved on Saturday to their Mobile Home at Trailer City, Winter Garden, Florida. They have lived in Clarkston for over 22 years, but have been spending their winter's at Winter Garden for the past 7 years.

Mr. Jack Robin has left Pontiac General Hospital where he was a patient for several days. Mr. Robin will be the house guest of his son and family the J.T. Robin's at their home in Lansing until later in September.

Harsens Island is the vacation spot for Mr. and Mrs. Robert Jones Jr. Their guests for the weekend are Mr. and Mrs. Chuck Robertson and family of Robertson Court.

Mr. and Mrs. Tom Purves of Allen Road had as their guests Mr. and Mrs. Clair Thompson of Ruyard.

Mr. and Mrs. Norman Miller and sons on Transparent have returned home from a camping trip through Michigan.

Mr. and Mrs. David Randell and family have returned to their home on Ortonville Road after vacationing for two weeks in Canada and Northern Michigan. They are busy getting their pictures in order to show their friends.

A camping trip was enjoyed by the Ted Lester family on White Lake early this week. The Lesters pitched their tent in a state park in Northern Michigan and took motor trips from there.

Barbara Collins daughter of Roland Collins on Pine Knob Road has left for New York where she will study painting.

Mr. and Mrs. Robert Jones are vacationing on Harsens Island and after a scare on the lake they have outfitted their boat with all safety items necessary.

A large cook out was held Sunday at the country home of the Bennet Berdettes on Rattalee Lake Road. Relatives from Illinois, Ohio and Tennessee were able to attend the party. It was a surprise reunion for Mr. Berdettes' father, K.L. Berdettes of Chicago.

Tommy and Timmy celebrated their joint birthdays July 14 with a movie and hot dog roast. Each invited four friends and after the games they ate their way through three pounds of hot dogs and a cowboy birthday cake with eight candles on it. The boys are sons of Mrs. T.J. Walker.

A family reunion for the L.S. Smith family was held in Flint Sunday with fifty relatives from different parts of Michigan attending. After dinner they enjoyed getting the history book out and reading from it and additional pictures were added.

Bobby Jackson son of the Robert Jacksons, is spending several weeks with relatives in Canada.

A vacation at their grandmothers in Holly was enjoyed by Mollie, Mike, Shannon, Aaron and Kelly Lynch last week. While there they visited their many cousins and other relatives.

HAPPY BIRTHDAY:
Fay Justice, Jim Fuller,

Michael Sloan, Kathleen Altman, Mark Evans, Mark Adams, July 23; Kim Kushman, Robert Keech, Lorraine Mayo, July 24; David Erickson, Betty Hallman, Jeff Elsholz, July 25; Mike Waterbury, Cricket Embrey, Dan Moore, Jim Kennedy, Cindy Waterbury, July 26; Gary Klann, Linda Baynes, Feather Frechette, Tracy Mayo, July 27; Larry Walker, Cathy Moon, Elizabeth Ronk, July 28.

Engaged

Mr. and Mrs. Thomas Gray of 7859 Dubuque, Clarkston have announced the engagement of their daughter, Barbara Carol to Roy Holmsstrom. His parents are Mr. and Mrs. Clayton Whitman of 3095 Pontiac Lake Road, Waterford. No date has been set for their wedding.

ANNIVERSARIES:

- Mr. and Mrs. Don Dougherty July 22
- Mr. and Mrs. Robert Jones, July 22
- Mr. and Mrs. Leslie Purslow July 23
- Mr. and Mrs. Bob Johnson July 25

PEEKIN' into the PAST

Clarkston of yesteryear

Let's Get the Job Done!

In spite of tremendous population increases in Oakland county, the number of registered voters has dropped rapidly. Figures recently released from the county clerk's office point out that although the county's population has increased by 140,000 since 1960, the number of registered voters has fallen by 24,000 during the same period. In 1960, 52% of Oakland's residents could vote; four years later only 47% were eligible. Today the figure is only 40%.

These figures are perplexing when placed beside those for Wayne county where registrations are rising while the population is declining.

County Clerk, John D. Murphy is warning that "This alarming decline should be reversed". He challenges civic groups, interested citizens and both political parties to roll up their sleeves and do their part to see that a majority of Oakland county's citizens are once again registered to vote.

Although it is now too late to recruit these voters for the August Primary election, we suggest that there is a big job to be done before the November election if we are to have real "Citizen Participation".

What Price Kids?

There's no price tag on the kids at our house. We learned long ago that any parent who thinks he can budget a precise figure for shoes, pants, vacations, doctor bills, church and school activities and the inevitable unforeseen expenses is stark, raving mad or soon will be. How much food can a teenager consume, for example, in a year?

But Uncle Sam very confidently does set a price tag on our kids, \$600. That figure was established by the 1939 Internal Revenue Code. That's what the government allows us for each dependent child, as a deduction on our income tax.

Several million young married couples who were not yet born in 1939 are raising families and paying taxes now under that antiquated \$600 deduction per dependent.

It costs the government \$7,000 a year for each member of its Job Corps.

The cost of maintaining an inmate in a federal prison is \$2,300.

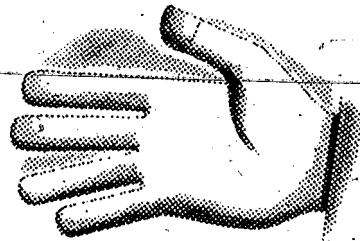

In New York City's Harlem, poverty war officials have been shoveling out \$190 a month to hundreds of teenagers requiring only that the payee stay out of trouble with the police.

In short, when Uncle Sam "adopts" a dependent, that \$600 business goes out the window.

That 27-year-old \$600 deduction is preposterous. Making it even more ridiculous is the fact that we have a 42¢ dollar today as compared with 1939. Realistically the \$600 deduction is only \$252.HELP!

U.S. Press Association, Inc.

Reaching out

-INVINCIBLE FAITH-

And all things, whatsoever ye shall ask in prayer, believing, ye shall receive. Matthew 21-22.

Prayer may give voice to confession or to adoration and praise; it may express a longing for release from the burden of our lesser selves; it may be just quiet meditation at the close of day when our inner lives are refreshed and renewed by the beauty of God's creation. But the prayers which enabled Jesus to cure a child of an infirmity before which others were helpless; to restore sight to the blind beggar Bartimaeus, had deeper roots. We shall never understand that inward support which kept Jesus steady and strong through every adversity right to the end of His days until we are able to pray as He prayed, with invincible faith.

Its ingredients are diverse. Profound conviction that God is the only answer to the deepest needs of life and the sure knowledge that He can and will do anything reasonable that we ask of Him are both indispensable. Such prayer expresses the sincere desire that God dispel our doubts and our unbelief. It does not imply blind faith. It involves rather the discovery of the reality of God; in whom we live and move and have our being, He who is our refuge and strength and whose mighty arm does ever sustain and keep us.

Eternal God, our Father: We believe in Thy power and Thy willingness to meet our deepest needs and are impelled to seek Thee often, praying that Thy gracious ministry will be visited upon us, in Jesus' Name. AMEN.

TEN YEARS AGO IN THE CLARKSTON NEWS

G. Clarence Nichols, Rotary District Governor will be making his annual visit to the Clarkston Rotary club on Monday evening.

The school board, the architect, and the construction companies are doing everything they can despite the steel strike to complete the school buildings by the time school opens in September.

Mr. and Mrs. Leslie Greene and son are vacationing in California.

The Clarkston School Reunion will be held on August 11 at the Community Center.

A Giny Doll club has been formed for the young girls of Clarkston. The purpose of the club is to learn the history of the dolls and how to take care of the present day dolls.

Obituaries were printed for Daniel B. Jones, Mrs. Alice Smith and Edmund Wells.

The Clarkston Pioneers will meet Thursday for a picnic on the grounds of the Jack Chisholm home on Miller road.

A sewing bee will be conducted by members of the Eastern Star at the Edwin Filer home on the 25th.

25 YEARS AGO IN THE CLARKSTON NEWS

A total of 1303 participants attended the water safety program of the Oakland County Chapter, American Red Cross last week, the fourth week of the program.

Attendance at Springwater Beach, Maceday Lake, totaled 63; at Palmer Park, Drayton Plains, it was 98; Bald Eagle Lake 12; and at Deer Lake it was 78.

The home extension members and any ladies interested are invited to attend a canning demonstration to be held at Davisburg today (Friday) at 2:00 p.m. The meeting is in charge of Mrs. Lola Dudgeon, County Agent, at the Methodist Church.

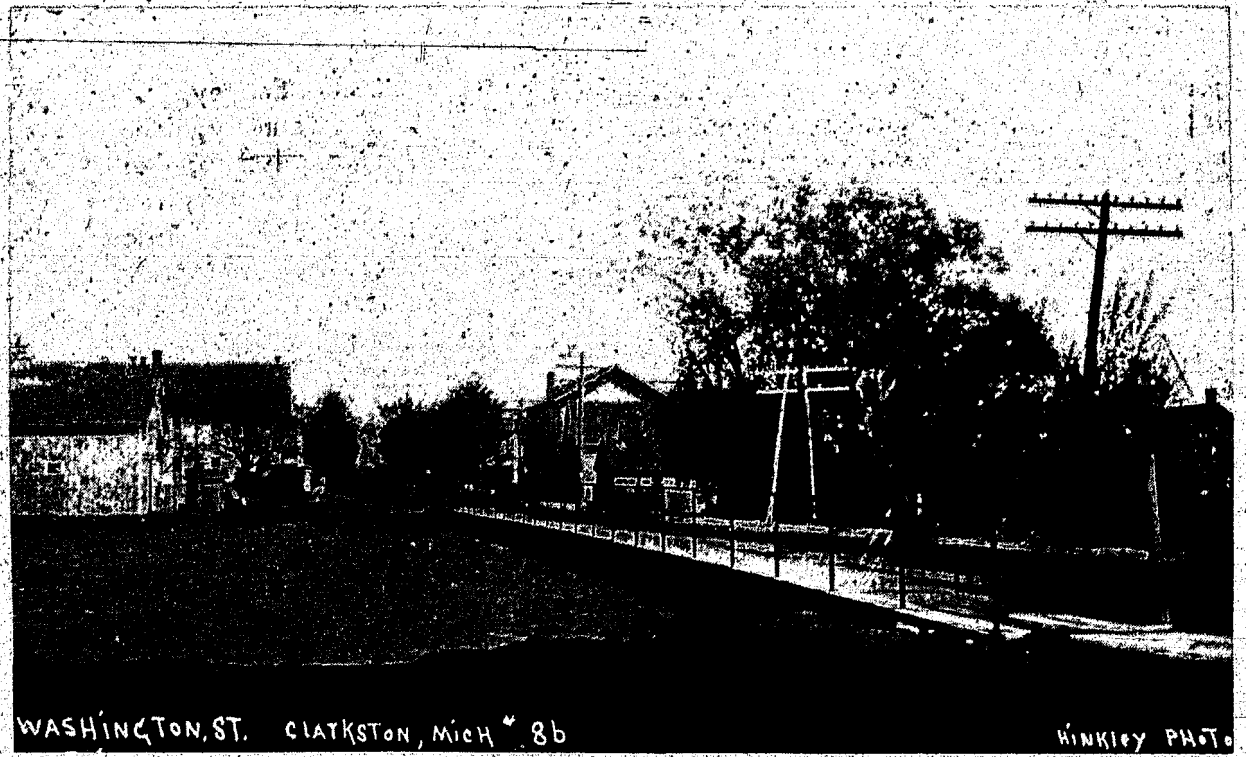

The boys on the last call for service from Drayton Plains are Albert F. Pauly Jr., Arnold J. Sonnenberg, Jr., Alpha Ray Vick, Robert Bruce Maltby, Jack Kenneth Boyd, Bert E. Furman, Donald Elmer Doelle, Russell Earl Landon, Gerald Ray Shell and William Brown.

Mead Myers, son of Mr. and Mrs. John Myers accompanied by his wife left Sunday for Pensacola Fla., where he will begin work as an instructor in the Army Air Corps.

Attended Orientation

Taking advantage of the summer registration-orientation program for new freshmen during the past week at the University of Wisconsin in Madison was Mary Ann Yasaitis, daughter of Mr. and Mrs. John Yasaitis, of 100 Baldwin Road in Clarkston.

Under the program, the young men and women visit the campus for at least a day, often with their mother or father or both parents, arrange for their housing if that is not already done, take some placement tests, meet some student leaders and faculty members, and register for their coming University

Fine arts competition scheduled at State Fair

All resident artists of Michigan are eligible to enter original works in the annual Art Exhibition and Competition to be held at the State Fair which opens Friday, August 26, and runs through September 5 (Labor Day).

General manager Walter A. Goodman announced that the show will be greatly expanded this year. Increased area will make possible more exhibits shown to better advantage.

Competition will include three classes: oil-based media, water color-based media, and prints. Three prizes - not purchase prizes - of \$125, \$100, and \$75 are to be awarded in each class.

All works should be delivered to the Community Arts Building at the Fairgrounds on or before August 5. Judges will then select the works suitable for exhibition and competition during the Fair. Preliminary and final judging will be done by Walter McBride, curator of

the Grand Rapids Art Gallery, and Jean Dodenhoff, assistant curator, Detroit Institute of Arts.

One entry is allowed from each artist. Only works not previously shown at the Fair are acceptable. The entry fee of \$3 must accompany the fine arts entry blank which can be obtained from Pauline Harris, Community Arts Department director, Michigan State Fair, Detroit.

Letters to the Editor

Dear Editor:

Many Clarkston area Jaycees have recently been asked why the Clarkston Jaycees failed to place buoys at Deer Lake beach for the current swimming season. We feel that our position regarding the Deer Lake beach should be clarified and that responsibility for it should be placed in its proper perspective.

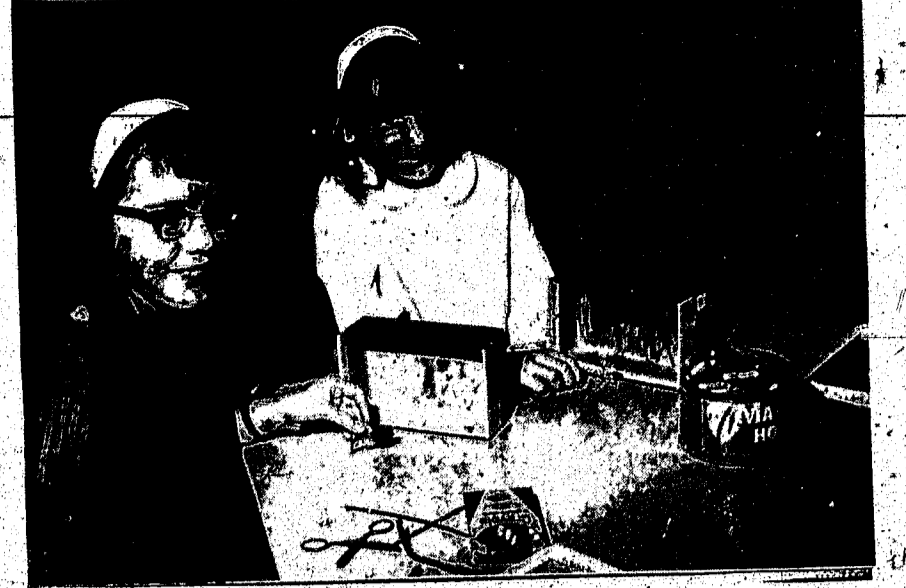

One of the first projects the Clarkston Jaycees undertook was cleaning up the Deer Lake beach. Since that time we have continued to pick up the glass and papers off the

Gathered around the piano with Mrs. Walter Norberg are Debbie Merkel, Scott Leak, Gary Cole, Vicki Rowland. They were among the 5th and 6th graders at the Bible school.

shore, mowed the lawn distributed trashbarrells and arranged for the installation of a phone. We even undertook the expense and installa-

tion of buoys to mark the dangerous drop offs. We have experienced considerable destruction to the buoys and the phone was damaged so often that it finally had to be removed. A great deal of Jaycees effort has gone into this beach and we feel that the community has benefited.

However, during this same period of time the owner of this property, the Village of Clarkston, has put very little effort into its maintenance. During past years they have discussed plans for the property but have never taken any direct action. They have always allowed the Jaycees to continue with established projects but cautioned that the beach could eventually be closed.

Finally, when we sought permission this spring to again work on the beach we were told that we should hold off because the Village was either going to close the beach or make it into a fenced facility for the use of local residents only. We discussed this matter with our membership at a regular meeting and it was the feeling of the total club that we should not invest any more money or effort until the Village Council quit discussing and took some direct action. Our club recognizes that Deer Lake is the only potential site for a beach available to township residents and we feel that it should be operated as such. Our club is ready, willing and anxious to invest both time and money at Deer Lake but not until the Village Council takes direct action. Our members have dedicated their efforts to improving this community and we raise our funds for these projects locally. We do not want to improve a facility to be used

Making Missionary maps with yarn and glue occupied part of the time at Methodist Bible school for these youngsters in Grade 4. Pictured are Pam McDonald, Jane Ann Soulbly and Greg Cole.

There's time for refreshments at Bible school too! These first and second graders posing are: Jim Dennis, David Kenyon, Steve Dennis, Diane Hughlett, Shelley Connors, Wayne Thompson, Mary Jane Anderson, Kathy McGill and Bill Aldrich.

by "imported" people while our peoples needs go unmet. We also do not want to provide a half safe beach but would like to see a fence, life guard and supervision at a "community facility".

We have a fine community but it will take a concentrated, cooperative effort to see that Clarkston continues to meet the needs of local residents. The Clarkston Jaycees are anxious to work at improving our community and hope that we may again serve in some way at the Deer Lake beach. However, we will do so after the Village Council takes some long overdue constructive action.

Clarkston Area Jaycees

Marine graduate

Marine Private Jimmy R. Simpson, son of Mr. and Mrs. James E. Simpson, 6075 Cramlane, Clarkston, Mich., was graduated recently from eight weeks of recruit training at the Marine Corps Recruit Depot here.

Under the supervision of veteran noncommissioned officer Drill instructors, he learned small arms marksmanship, bayonet fighting, and methods of self-protection. He also received instruction in military drill, history and traditions of the Marine Corps, and other academic subjects.

He will now undergo four weeks of individual combat training and four weeks of

basic specialist training in his military job field before being assigned to a permanent unit.
