CLARKSTON, MICHIGAN 48016, THURSDAY, AUGUST 4, 1966

NUMBER 49

Republican caucus will be Aug. 11

Sheldon B. Smith, 6450 Maybee Road, Clarkston, Republican District Director of the 61st Legislative District, today announced the call for the 1966 Legislative District Caucus for the Republican Party. The caucus will be held at 8:00 p.m. at the Independence Township Hall, 90 N. Main Street, Clarkston, on Thursday evening, August 11. All interested Republicans who reside within the boundaries of Waterford, Independence, White Lake or Springfield Townships or the city of Sylvan Lake are cordially invited to attend.

Smith commented, "The primary purpose of the District Caucus in Michigan is to nominate a slate of delegates to attend the Republican State Convention. Our state convention will be held on August 26 and 27, in Detroit, at which time candidates for Lieutenant Governor, the State Administrative Board, Michigan Supreme Court and the various educational Boards will be nominated. The 61st Legislative District is entitled to fifteen delegates at the State Convention, and we sincerely hope all interested Republicans will attend this caucus."

'56 Class

planning reunion

Members of Waterford Township High School's (W.T.H.S.) 1956 graduating class are wrapping up plans for a 10-year reunion to take place Aug. 20 at 8 p.m. in the Coral Reef Room of Airway Lakes, 4825 M-59.

Many of the class have already responded to invitations. However, the reunion committee is urging those graduates who have not been reached to contact Mrs. Nancy Minton (Nancy Dickman), reunion committee treasurer, at 6180 Lindsay, Drayton Plains.

A social hour will launch the reunion activities, followed by a buffet dinner at 9 p.m. Dancing and the renewing of old friendships will begin after the buffet and continue until 1 a.m.

A total of 278 students graduated from W.T.H.S. in 1956. All graduates and their spouses or guests are invited.

Co-chairman of the reunion committee are Robert Mawhinney, Jr., of 6047 Southward, and Tom Sweetman, of 5925 Loch Leven, both of Waterford Township.

HOWE'S READIES LANES FOR NEW BOWLING SEASON

Eight new alleys and approaches will be tested at Howes Lanes beginning Saturday evening. The other 16 alleys have been refinished and await open bowling during the month of August and league play beginning after Labor Day.

Last January the beach at Deer Lake looked like this. And during the hot months of June and July it has been a popular place for swimmers. Now the Village Council and the Township Board are wrestling with how to maintain it as a good swimming spot for residents. Their decisions are expected momentarily.

Full Military honors accorded Davisburg man killed in Vietnam

Less than a week after his family heard of his death in Vietnam, Sgt. Jarvis C. Lowder of Davisburg was brought home and buried in Lakeview cemetery. On Saturday, July 23 while serving in the 1st Battalion, 27th Infantry, Company B known as the "Wolfhounds", Sgt. Lowder lost his life. The next day his wife and family received the telegram of his death.

A week from the day he died his funeral was conducted from the Church where he was a member, the Dixie Baptist Church. He was buried with full military honors in the Veterans section of Lakeview Cemetery in Clarkston.

His body was accompanied by Sgt. Buddy M. Yeomans who is

stationed at Travis Air Force Base at Oakland, California. Sgt. Yeomans remained with the family and in the area until after the services for Sgt. Lowder were held on Saturday. He then returned to Travis Air Force Base where he will remain until he faces another grim task of the same nature. This is the 21st time that he has been called upon to perform this service since last January.

Sgt. Lowder was 23 years old and he had been in Vietnam since last December and had been in the Army since 1962. Among his other stations were Georgia, the State of Washington and Hawaii. When he was called to depart for Vietnam, his wife, the former Thelma A.

Haynes, returned to Davisburg to live with her parents. They had been married since June 1964. She resides at 10485 King Road in Davisburg.

Pall Bearers were enlisted men from Selfridge Air Force Base as was the Firing Squad. Dr. Paul S. Vanaman officiated at his services which were held at 2:00 p.m. on Saturday. The Lewis E. Wint Funeral Home made the arrangements.

Surviving besides his wife, Thelma, is his mother, Mrs. Nellie Returne of Ohio; two sisters, Mrs. William Chambers and Mary Returne, both of Florida. A brother, PFC. Ollie Lowder is stationed with the United States Army at Fort Knox, Kentucky.

Faculty votes 91-18 in favor of contract ratification

Under Act 379, Public Acts of 1965, Michigan school districts were required as a matter of law to negotiate with the representatives of their employes concerning wages, hours, and other terms and conditions of public employment. As a total staff, the teachers of the Clarkston Community Schools gave the Clarkston Education Association (CEA) overwhelming endorsement, through authorization cards, to act as their representatives for professional negotiations. In December, the Clarkston Board of Education approved of the Clarkston Education Association as the sole bargaining agent of the teaching staff.

The CEA negotiating team included four permanent members: Bob Mills (Sr. High), Leigh Bonner (Sr. High), Carolyn Moser (Sr. High), and Ken Wolven (Pine Knob Elem.). Three other members of the committee were Bill Adams (Sr. High), Dick Letta (Sr. High), and Anita Schultz (Clarkston Elem.). Bob Mills was selected to be chairman for the group with Carolyn Moser acting as chairman during the past month.

The Clarkston Board of Education selected Floyd Vincent and George Barrie to negotiate in its behalf.

Meetings between the two negotiating teams have been taking place since January 24. On July 6, the two teams finally reached agreement on the master contract. At their July 11 meeting, the Board of Education approved the proposed 1966-67 contract. Copies of this contract along with ballots were then mailed to

the teachers.

A general CEA membership meeting was held on July 25 at which time the ballots were tallied. As a result of the bal-

loting (91 affirmative votes and 18 negative votes), the contract was ratified. This master contract covers the school year from July 1, 1966 until June 30, 1967.

Grass and trash fires plague local firemen

Fire spread over half an acre at the Regine Bayus residence at 525 Baldwin Road, Oxford last Saturday afternoon. The Independence fire department answered the call at 4:21 p.m. and did not return until 7:30 p.m.

The fire started by someone's burning trash in a tub in an open field. It spread until both brush and muck were burning. Four fire engines were used to fight the fire.

The fire department answered two other calls last week. They were called when Tina Lavoy, the 20 month old daughter of the Paul Lavoy's of 5674 Everest became suddenly ill. She was taken to Pontiac General Hospital by the Wint ambulance.

They also answered an alarm on Clintonville Road, one block north of I-75 where a car was on fire. The car which was owned by Johnny Charles Miracle of 63 Hudson, Pontiac, was a 1962 Ford Fairlane. The car was insured.

The department answered a total of 22 calls during the month of July. Four of these were for the use of the resuscita-

tions, one was a false alarm, one was a stand-by call until utility crews could arrive to repair their lines.

There were several grass and trash fires, one of which occurred on July 7. This was on I-75 between US-10 and Holcomb Road. It spread over 3-4 acres and took over 2 hours to extinguish.

Township and village attorneys to discuss Deer Lake proposals

The question of what to do about the Deer Lake beach was aired at a joint meeting of the Clarkston Village Council and the Independence township board held last week.

Members of both governing bodies were in agreement that there should be no prime difficulty in finding a solution for maintaining the beach at Deer Lake.

A proposal which had been presented by Village attorney, Jack L. Banyky was discussed at some length. In it he sug-

gested that the Village issue a written license to the township of Independence to fence the Deer Lake property and to issue the necessary permits to allow residents of the township and the village to use the Deer Lake property for specific purposes.

The principal use of the property would be for a swimming beach. There would be no picnicking—no alcoholic beverages allowed there and no beverage containers.

The other use would involve limited boat launching—provid-

ing that it did not interfere with the primary purpose, which was swimming.

Mr. Hallman moved and Mr. Butters seconded the motion which was carried. Now the resolution will be taken up by the township board for consideration. That board will discuss the proposal with their attorney, Paul Mandel, who then will meet with the Village attorney to attempt to come to some agreement.

In the meantime, other residents of the lake irked by lack of action toward the problem, have talked of forming an association to impose restrictions on the use of the lake.

It would be necessary to provide parking facilities, sanitary facilities, and for life guards. It would also doubtless be necessary to adopt some type of ordinance for control of boats, horse power used on boats and to control water skiing. What type of identification would be used for swimmers who were residents of the township would also have to be decided upon.

Legal details of the situation will be worked out between the two attorneys following Mandel's return from vacation.

Township awaits more detailed report from firm

The awaited financial report from the Stratton Associates, Inc., was received and studied by members of the Independence township board when they met in special session last Thursday morning.

The board had hired this Detroit firm to make a study and try to determine the financial feasibility of the township's participation in the Clinton-Oakland Sanitary Sewer System. The report, which had to be in a brief form as the township board had asked that it be completed by July 19 involved their recommendations for the township as it related to the school, the village and the township in general.

But it did not turn out to be

brief nor easily discernible. Discussion relative to the report became so involved that another meeting must be held with representatives from the company. They were asked by the board to make themselves available to develop an "Outline of Procedures." Because Stratton Associates and the board were unaware of many of the aspects of the engineering of the internal system, some report more detailed must be prepared.

It is hoped that this outline of procedures on how best to proceed will enable the board members to see what Stratton Associates recommend in the pursuit of the contract.

Board meeting changes

Regular meetings of the Independence township board have been changed for the month of August.

The meeting which was to have been held on August 2, Election Day, will be held on August 9. And the meeting regularly scheduled for August 16 will be held on August 23.

These changes were announced by Howard Altman, township clerk.

"Will hold line" on school lunch prices

The Clarkston school system will endeavor to hold the line on the cost of school lunches served to Clarkston students. Most schools in the surrounding areas are upping the price of lunches for students at the beginning of the new school year.

"The State has cut down drastically on their expenditures to the schools and we are getting less and less in the way of food surpluses from the Federal government," stated a school spokesman. A wage contract has recently been arrived at for school employees which will also increase the costs of preparing and serving the meals. A survey will be done as soon as school com-

mences to arrive at a cost scale for the lunches, but every effort will be made to keep the cost to the student the same.

Lunches in the elementary grades have been 30c and in the Senior high school 35c and 50c, and 50c for adult lunches. The 30c and 35c lunches are a standard portion as prescribed by the Agriculture department, where the 50c meal is of jumbo size.

The Federal government has been contributing short supplies of butter and a very small variety of meats. Several years ago ham, chicken, turkey and hamburger was often received from the federal supply, but that supply has dwindled considerably.

Tennis court dance

On Tuesday evening, August 9, the Pep Club will sponsor a Tennis Court dance at Clarkston High School. The dance will be held from 7-9 p.m. and admission will be 25c per person.

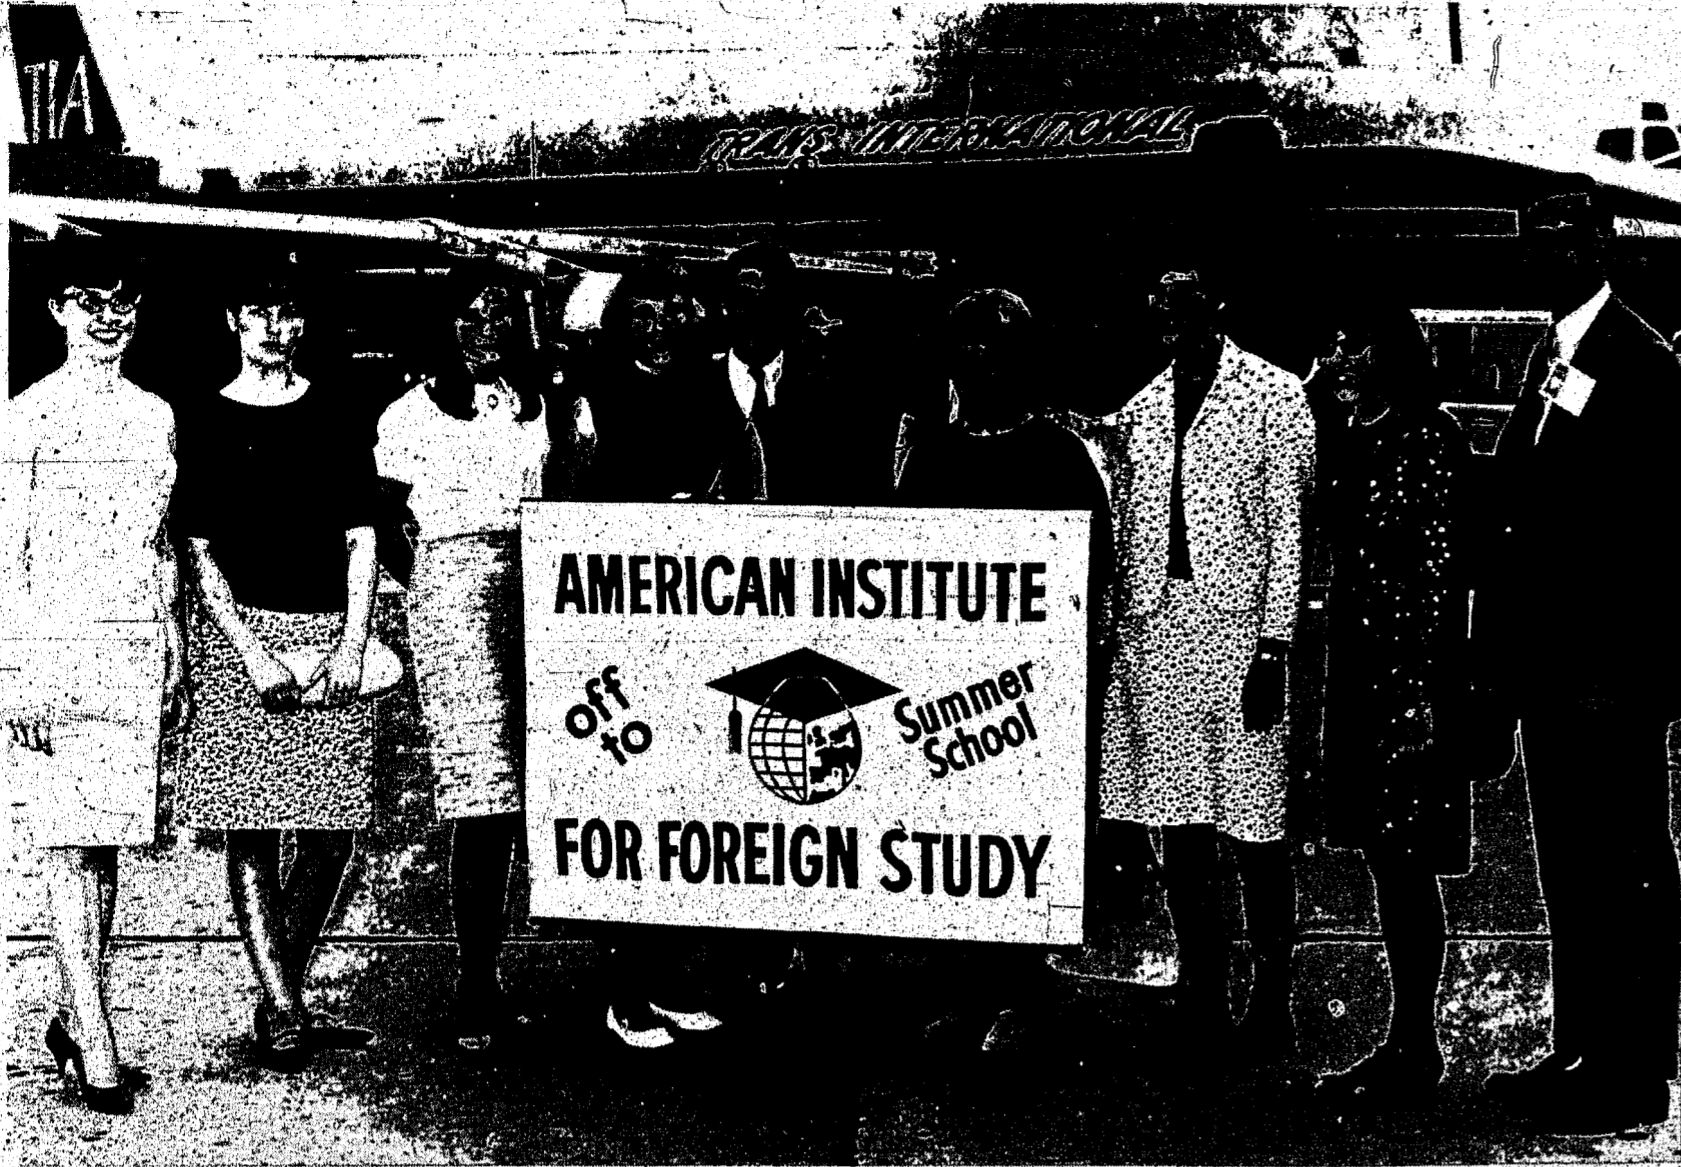

The Pep Club will be presenting a new band, "Nobody's Children". The band will be playing such popular hits as "Hanky Panky", "This Door Swings Both Ways," "Little Red Riding Hood" and many others.

Members of the Pep Club urge students to be on hand when the tennis court doors swing open.

"All wet" after swimming their way to victory are these fourteen students of "Mac" MacDougall's summer swimming class. Held at Mr. MacDougall's Deer Lake home on July 30, the swim-off forced the competitive male team to settle for fond remembrances of their previous wins of the last two years. Pictured left to right in the front row are: Janet Johnson and Yvonne Navarre. Second row: Janice Easton, Cindy Booker, Gail Stoppert, Cindy Schwab, Mary Butters and Michelle Navarre. Back row: Linda Skarritt, Nadine Boss, Cathy Wilson, Marcia Farner, Cindy Porritt and Karen MacDougall.

Mrs. Judy J. Telleen, left, of 504 Hiscock, Ann Arbor, a member of the faculty at Clarkston High School, was photographed at Kennedy International Airport on July 12th as she and a group of local students left for a four week semester of English Literature at the University of St. Andrews, Dundee, Scotland. Students in the group are Catherine

Hoffman, Karen Norman, Nancy Richmond, Andrew Rossano, Katherine Rossano, Christine Quinlan and Kathryn McCann of Clarkston High School; Deborah Stackable of Kingswood School, Cranbrook; Margaret Darragh of Bloomfield Hills High School, and Sam Tisdale, Jr. of Deerfield Academy. At the far right is Mr. Roger O. Walther, Director of the American Institute for Foreign Study.

Appearing next week at Meadowbrook

Three talented young musicians, winners of a concerto contest among students at Oakland University's Meadow Brook School of Music, will appear as soloists with the Meadow Brook University

Orchestra on August 7 and August 14.

They are Catherine Courtois, 27, of Paris, France; Thomas S. Schneller, 19, of Royal Oak, Mich.; and Eugene N. Fodor Jr., 16, of

Golden, Colo.

The concerts will take place at 2 p.m., in the Baldwin Pavilion, directed by Albert Tipton, solo flutist with the Detroit Symphony. They are open to the public free of charge.

Madame Courtois, an attractive brunette who surmounts language barriers by her virtuosity as a violinist, will play the Brahms Violin Concerto, on Sunday, August 7.

A meeting with Isaac Stern in Paris last spring led to her application for and acceptance in the Piano Trio Institute which Stern, Eugene Istomin and Leonard Rose are conducting at Meadow Brook for master students and teacher participants.

Thomas S. Schneller and Eugene Fodor will share the program on Sunday, August 14. Both are members of the Meadow Brook University Orchestra, which matches the Detroit Symphony in size and balance.

Tom, son of Mrs. George R. Schneller, of 415-S. Campbell road, Royal Oak, and the late Mr. Schneller, will play Milhaud's Percussion Concerto.

Eugene, son of Mr. and Mrs. Eugene N. Fodor, of Golden, Colo., will perform the Saint-Saens Violin Concerto No. 3 which he played last March as first prize winner in the Young Artist Solo Competition for violin sponsored by the Denver Symphony Guild. He will appear with the Denver Symphony during the coming season.

Among the many accomplishments of this young musician is the memorable

honor of playing the first movement of the Bach Double Violin Concerto with Jack Benny at Benny's request when Eugene and his brother John performed at a luncheon honoring the famous comedian in Lakewood, Colo.

Play golf for March of Dimes

Golfers with handicaps will be participating in the March of Dimes Handicap Golf Tournament from August 1st to August 15th.

The \$1.00 entry fee will be used to fight crippling birth defects.

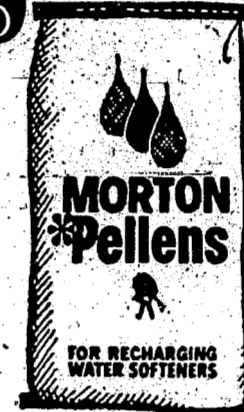

Each participating golf course will have trophies for

the top man and woman golfer. An Oakland County championship play off will be held with trophies going to the county playoff winners.

Golf league secretaries are greatly assisting the benefit tournament by selling the \$1.00 entry score cards to league members. Golfers may enter as often as they desire by paying \$1.00 each 18 hole game.

March of Dimes scorecards will also be sold at the golf courses by teens every day except Saturday and Sunday. Interested teens may call Li 9-6778 or Fe 8-0411 if they want to assist on the tournament.

In the Novice Division, 13 years and under in the Singles, Louie Lessard, left, defeated Bart Giles to win the championship. Playing in the tournaments, they paired up to defeat Mike Humphrey and Bruce Soulbj.

Independence Township Recreation
Tennis Tournament

NOVICE DIVISION-13 and under-Doubles:

First Round:
L. Lessard-B. Giles defeated J. Smith-P. Humphreys

In the Junior Division-14 through 17 Singles, Mike Dougherty defeated Mark Erickson. Mike is pictured on the left and Mark on the right. The tournament play was concluded on Monday.

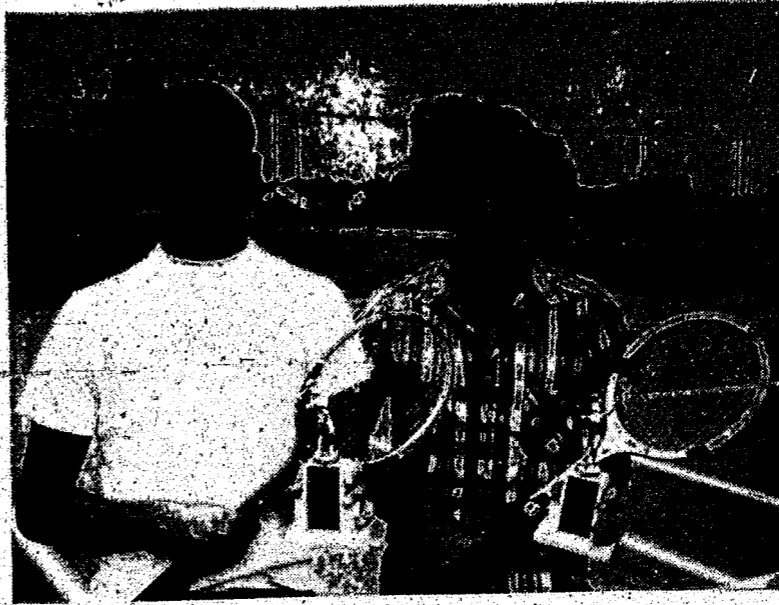

Second Round:

L. Lessard-B. Giles defeated R. Klein-T. Mauti
M. Humphreys-J. Lessard defeated T. Hinkley-B. Soulbj

Finals:

L. Lessard-B. Giles defeated M. Humphreys-B. Soulbj
JUNIOR DIVISION-14 thru 17 years-Doubles:

First Round:
Kim Beattie-T. Bullard defeated A. Ventimiglia-B. Bullard

Also winning trophies in the Tennis Tournament were Tom Bullard and Mel Green. Not present for the picture was Tom's partner, Kim Beattie and also not present was Dan Craven.

Five golfers

The following five men from Clarkston qualified last week for the Hale Open Golf Tournament: Dr. Al Hamilton, Jake Leonard, Dr. Harold

Ford, Jerry Anderson and Terry Thomas.

For the past three years Clarkston has dominated the winners circle. Jerry Anderson won the championship in 1963, Dr. Harold Ford was the victor in 1964 and Terry Thomas took the championship in 1965. Terry was the 1966

favorite until three weeks ago, but Terry like Arnie is having trouble with his tee shots.

The tournament will be held August 12, 13, 14 at the West Branch Country Club located in West Branch, Michigan. For the benefit of those who will be in the area and would like to be part of the gallery the Clarkston men will be off the first tee at 11:00 a.m.

Tickets may be purchased from any of the qualifiers for three dollars. This ticket includes a dinner at the Winners Banquet immediately following the tournament.

Congratulations for qualifying men and lets all hope that Clarkston will produce a champion for the fourth straight year.

Additional information about the tournament may be secured from the Hale Open Oakland County District Committee Member Jake Leonard.

Second Round:

Kim Beattie-T. Bullard defeated M. Griffiths-Kurt Beattie
M. Dougherty-J. Sansom defeated O. Bullard-P. Dougherty

Final Round:

Kim Beattie-T. Bullard defeated Mike Dougherty-Jack Sansom

Jack Sansom defeated Kirk Beattie
Mike Dougherty defeated Jack Sansom

Finals:

MIKE DOUGHERTY defeated Mark Erickson

SLUGGED

Western bird shooters always carry a slug or two. If a wolf turns up the slug will reach out far enough to drop him. Watch state laws on this tip. Some states makes it illegal to carry a slug outside of deer season.

"ROUND THE TOWN"

By Mrs. Shirley Lynch
Maple 5-1065

Sealley, on Pine Knob road spent the weekend fishing the different lakes in Michigan. They were quite successful and froze several large ones for eating later in the year.

Nick Matz joined a friend, Bob Littlejohn of Detroit, for a hiking weekend. They really didn't hike too far. They spent most of their time swimming in Lake Michigan.

The Leslie Purslow's had as a house guest for the past 3 weeks, Mr. Purslow's cousin Iris Brown from Birmingham, England. While she was here they went to Niagara Falls, Lake Michigan and spent a few days at their cottage on Grand Beach Lake near Brighton. She flew back to her home in England last Wednesday evening.

Mrs. Roy Gundry, Mrs. Ralph Kreeger, and Mrs. William Sharp were entertained at a bridge luncheon on Monday at the home of Mrs. Leslie Purslow.

HAPPY BIRTHDAY:

Sue Yoh, Howard Kieft, August 5; David Brancheau, August 7; Mae Callen, August 8; Gordon Tilley, Malcolm MacKougall, Linda Howe, August 9; Toni Cagle, Sandra Altman, Kit Pappas, Stanley Ash, Watson Siecinski, August 10; Chuck Beach, Cynthia Ford, Lynn Howey, August 11.

ANNIVERSARIES:
Mr. and Mrs. Frank Mallams August 5.
Mr. and Mrs. John Walts August 8.

Bridal Shower

Mrs. Arthur Kirchoff of Detroit hosted a bridal shower for Barbara Kirchoff August 2. Twenty-five guests presented Barbara with many lovely gifts in honor of her coming marriage to Ed Stanley of Drayton Plains, September 10. Barbara is the daughter of Mr. and Mrs. Glenn Kirchoff on Allen Road.

New Baby

Mr. and Mrs. Paul Johnson Jr. on Sunnydale, parents of Paul III and Rhonda Lee now have an addition, Jon Daniel born July 17 weighing 8 lbs. 2 ozs. Grandparents are Mr. and Mrs. Paul Johnson Sr. and Mr. and Mrs. Ralph Brownell of Pontiac.

New Baby

Mr. and Mrs. Gerard Patalidis of 8884 Mohawk Boulevard, Clarkston are announcing the arrival of their first child, a daughter born on July 29. She has been named Annette Pascale and weighed 6 lbs. 12 oz.

On tour in Rhode Island

Civil Air Patrol Cadette Kathy M. Eudis, 17, daughter of Mrs. Dorothy Eudis, Oakland Motel in Clarkston, Michigan is currently visiting the state of Rhode Island with other female cadettes from the CAP's Great Lakes region as part of the organizations annual girl's exchange.

The cadettes were welcomed at Rhode Island by CAP officials who presented them with tourist literature and "Rooster Booster" pins supplied by the Rhode Island Development Council.

During their stay in the nation's smallest state, the girls visited some of the states many ocean beaches, were guests at a famous Rhode Island shore dinner, and were given guided tours of some of the state's industrial plants.

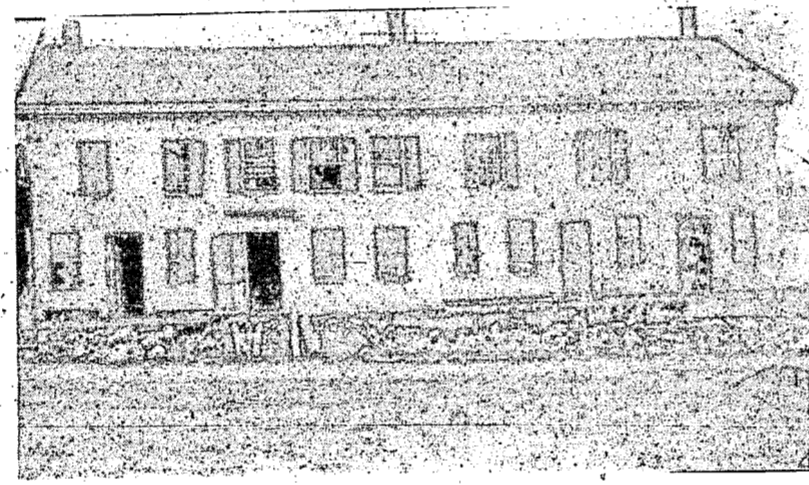

Highlight of the trip was a visit to the office of Rhode Island's Governor John R. Chafee who told the girls how happy he was to have them in the state.

Before returning to their homes the girls will be treated to several dances in their hon-

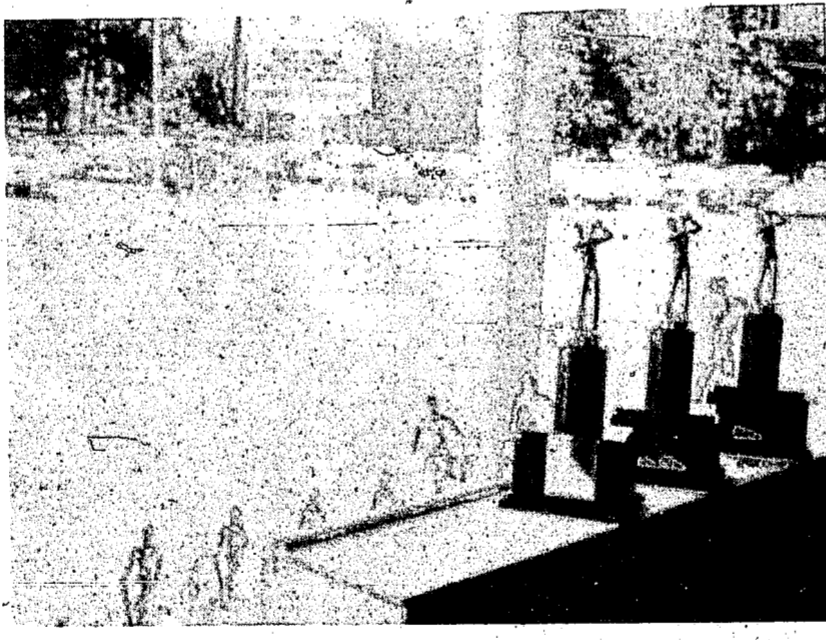

or at various Rhode Island CAP units and will be given a tour of the state which will start with historical buildings in Providence, some of which date back to the 17th century and conclude with a tour of Newport where the girls will visit the mansions of the glamorous era of American society.

Clarkston of yesteryear

An old landmark in Clarkston is the McClelland Terrace Building. Located on the east side of Main street, two houses were joined together. This picture was taken at the time that construction was being done on the building, so note the different windows and door frames. This photo was loaned to the "News" by Mrs. Richard Bullen of King's Insurance.

Clarkston Sporting Goods Store has had a window full of trophies for a week or more. They are part of those to be awarded to winners in the Summer Recreation program.

Dr. Peale will open town hall series

A recent Pontiac Oakland Town Hall board meeting the pleasant task of disbursing profits of a successful past season took place.

The Pontiac Symphony Orchestra always receives at least one-third of the money. This year the percentage was exceeded when \$1575.00 was awarded by the officers. Pontiac-Creative Arts Center, Inc. was sent a check for \$500.00 the next largest amount was set aside for scholarships. Divided between Oakland Community College and Pontiac Business Institute was the sum of \$433.00. It covers two full semesters session. More than \$100.00 was sent to "Salute to Youth Program" of the Pontiac Citizen's Committee on Youth.

Town Hall opens for the 1966-67 season on October 5th with Dr. Norman Vincent Peale as the speaker. Series Tickets are available from Mrs. Frederick Cockle of Drayton Plains.

Perfect grades at Colorado State

A total of 155 students recorded perfect "A" (4.0) grade point averages for all studies during the recent spring quarter at Colorado State University.

These honor students included 126 from throughout Colorado with the remaining 29 representing 17 other states.

Included in the list was Miss Judith L. Hoffman of Clarkston.

Goodwill coming

The next visit of Goodwill Industries pickup trucks to Clarkston is scheduled for Monday, August 1. Goodwill trucks collect household discards of clothing, shoes, hats, toys, most types of furniture and other household discards.

To arrange for a Goodwill Industries truck pickup, call the local Goodwill representative Mrs. Alfred Lee telephone number MA 5-3381.

Two Clarkston men receive GMI degrees

Dr. Frederick L. Hovde, President of Purdue University made the commencement address at General Motors Institute's graduation exercises Friday evening, July 29, at the IMA Auditorium. A total of 350 Bachelor degrees in Mechanical, Industrial and Electrical Engineering were granted. Forty-five General Motors Overseas Scholarship students received certificates for having completed a special two-year cooperative program and approximately 220 graduates of the Class of '56 will receive ten-year graduate keys in recognition of high performance on the job that has warranted recommendations by their divisions for the honor. The ceremonies marked

the 39th commencement for General Motors Institute, an accredited college which provides General Motors with about 25 per cent of its engineers. The student body of 2,900 is made up of top-flight high school graduates selected by GM units for appointment to cooperative programs in either Mechanical, Industrial, or Electrical Engineering. Baccalaureate services were held at 1:30 p.m., July 29, in the GMI Auditorium and an open house and reception was held afterwards in the gymnasium for graduates and their families and friends, by the faculty and GM unit representatives. Receiving degrees from Clarkston were two men: Johnnie J. Greer of 74 N.

Holcomb street who received his in the Mechanical Engineering field. He had been affiliated with the GMC Truck & Coach Division in Pontiac. Lyman L. Thornton of 5650 White Lake Road received his Industrial Engineering Degree. He had been with the Fisher Body Division at their general offices in Warren.

One of the recipients of the Graduate Key Award was also a Clarkston man. He was James F. Ladd of 5775 Kingfisher Lane.

Seymour Lake

By Miss Gladys Sherwood

Mrs. Loren Hotchkiss assisted by Mrs. James Porritt as co-hostess will entertain a shower in the home of the former Saturday evening in honor of Sheelah Bundy of Elizabethville, North Carolina. She will become the bride of David Porritt in

August. There were two guests at the W.S.C. meeting on Wednesday, Mrs. E.D. Stephens of Walled Lake, a former member who is visiting her daughter Mrs. Harlow Phipps on Hadley Road also Mrs. Michael Cherwek of Springfield, Virginia who with her husband and 2 daughters are guests of her mother Mrs. Lee McIntyre and son Carl. Mrs. George Grainger gave an interesting talk on their trip to Mexico.

Construction work is progressing on Seymour Lake Road from M-15 to Sashabaw Road.

Walter Ash is a patient in Pontiac General Hospital. Mrs. Maurice Hoolihan of Seymour Lake road has received a letter from her sister Barbara Perry formerly of Seymour Lake who is an exchange student and is living in the home of Senor Jaime Urbangarin Santiago, Chile. The home is in the

city but Senor Urbangarin is the owner of a large farm where they do a great deal of horse-back riding. Barbara will reach the states August 30. Her brother, Earl Perry will return from Germany August 15, after spending 3 years in the U.S. Service.

Accident in parking lot

Damage to the right side of her car occurred last week when Sophia Copeland, 35 of 4905 Sashabaw Road, Drayton Plains was parked in a parking lot at 5730 Maybee Road. She was shopping in a store at the time.

Sheriff's officers investigated the accident when Walter Guibard, 28 of 5425 Winnell, Clarkston was backing out of a parking spot and hit the Copeland car. He told officers that his view was obstructed. No ticket was issued.

The Clarkston News

editorial page

Let's Get Ready for Next Summer

Last week members of the Clarkston Village Council met with members of the Independence township board to set up plans for the swimming and picnicking area of Deer Lake. Although it was perhaps late in the summer for this meeting, we are certainly glad that the two parties are getting together on proposals for more efficient operation of the area. Undoubtedly the meeting was set up before the appearance of a Letter to the Editor in the News from the Clarkston Area Jaycees.

We urge that constructive action be taken immediately. Deer Lake is the only potential site for a beach which can be used by township residents. We agree with the Jaycees that it should be operated as such. Other communities have been successful in developing beaches, policing such, providing life guards and supervision for same. We think that it can be done here, if the move is made now.

Let's not let another summer season open without being ready for it. There is a long winter ahead, when all proper negotiations and plans can be completed.

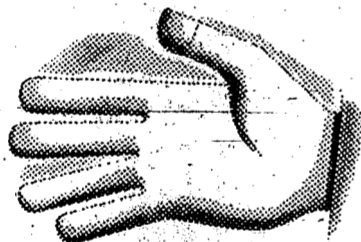

Go East, Young Man

Horace Greeley made famous the remark, "Go west, young man". In the West lay opportunity and freedom for those with the courage to grasp them. There was risk, hardship and oftentimes, failure. But many came and found Horace Greeley's advice good.

If Horace Greeley were around today, he might well suggest, "Go east, young man". The opportunities now seem to lie in the burgeoning bureaucracies spreading out from Washington. Newsweek, in a late issue, featured a breakdown of the operation of just one government department, which spends over \$10 billion a year, and is responsible for the direction of nine subsidiary agencies. These agencies include the Social Security Administration, Office of Education, Food and Drug Administration, Welfare Administration, Public Health Service, Administration on Aging, etc. The department at the head of all these agencies is Health, Education and Welfare. Medicare also falls within the province of HEW and will require the enlistment of additional thousands of personnel.

The opportunities for a career in the faceless Washington bureaucracy are indeed unprecedented. It will be a wonder if enough taxpayers in productive enterprises remain outside the fold to support those who serve so faithfully in Washington.

Reaching out . . .

-ADVANCING GOD'S CONQUEST-

Judge not, that ye be not judged, for with what judgment ye judge, ye shall be judged, and with what measure ye mete, it shall be measured to you again. Why beholdest thou the mote that is in thy brother's eye, but considerest not the beam that is in thine own eye? Matthew 7:1-3.

In the struggle of the Spirit of God with the spirit of man the demands which Jesus sets forth represent the points where God seeks to advance the line of His conquest of the human heart and mind. Hearing Jesus speak to us in the Gospels we see clearly the ground which God is trying to gain and the points which Jesus covers are those where God's pressure is being brought to bear. These are also the points of our most persistent resistance and this resistance takes many forms. Often we choose not to believe that Jesus means exactly what He says, that there is an element of exaggeration, saying to ourselves that He makes use of an oriental figure of speech which should not be taken literally. If these attitudes do not suffice, we seek to avoid God's pressure by both inattention and neglect, but whatever its form, if it is resistance, we resist the Spirit of God; we fight against God.

How slow we are to realize that in a complete cessation of resistance and in a zealous seeking of the will of God lies our one chance to achieve spiritual wellbeing and peace, our only chance to really fulfill our lives in the relatively few days allotted us.

Eternal God, our Father: With great patience Thou dost strive with our spirits. Endow us, we beseech Thee, with the desire to see, in the person and in the Teaching of Jesus, the Way, the Truth and the Life. AMEN. Everett Butters

PEEKIN' into the PAST

10 YEARS AGO IN THE CLARKSTON NEWS

Dr. John Workman, Optometrist from Davison has opened an office in Clarkston. He will practice here two days a week.

Harold Elliott has started work in his new cabinet making shop at 5390 M-15. His building just recently constructed houses machinery for doing special cabinet work. He will still be associated with his two brothers who own and operate Elliott Furniture Company on the Dixie.

August 1 marked the 25th anniversary of Robert L. Jones association with the Clarkston State Bank. During his 25 years he has seen the personnel expand from 3 employees to 14, the size of the bank from \$358,000 to \$5,300,000. Twice the bank has been remodeled and enlarged during the period.

Housing in Independence township increased by 107.9 per cent from 1950 to 1956.

Roger Johnson, Joe Lepard, Fred Hanzek and Chuck Graves will be playing for Clarkston in the All Star game in Durand.

25 YEARS AGO IN THE CLARKSTON NEWS

One night last week Mr. and Mrs. Pat O'Brien of Pontiac were forced to land their airplane in the wide open spaces back of the W.H. Stamp home south of town on account of motor trouble.

Taking part in a 4-H Judging contest at East Lansing are Eugene Hubbard, Kenneth Beard, Mary Edgar, Honor Stickney and Robert Hubbard, all of Clarkston.

Roy Alger, Gerald O'Dell, Durand Ogden and W. Harold Pailthorp attended a District Assembly of Rotary which was held at the Country Club near Windsor, Ontario.

A decision to use the West Bloomfield Fire Hall at Keego Harbor as temporary headquarters for the Oakland County State Police post has been reached.

obituaries

Rev. Edwin DuBois

Funeral services were conducted on Friday, July 29 for the Rev. Edwin H. DuBois of 35050 Cosseyburn, Waterford township. He was 70 and had been ill for only 4 days. He died on Wednesday, July 27.

Rev. DuBois was a former minister of the Andersonville Community Church. He had been a pastor for nearly 40 years, having been first ordained as a Methodist minister. Later he was ordained into the Baptist conference. Rev. and Mrs. DuBois had also served at one time as house parents at the Starr Commonwealth for Boys.

Recently he had been a member of the Waterford Community Church and taught the Adult Bible class there. His services were conducted from that Church with burial in Ottawa Park Cemetery. Arrangements were by the Sharpe-Goyeffe Funeral Home.

He is survived by his wife, Nydia; two sons, Edwin of Grand Rapids and George of Detroit; five daughters, Mrs. Charles Guetho of Pontiac, Mrs. Charles Hamilton of Leonard, Mrs. Donald Rose of Nainz, Germany, Mrs. Kenneth Pawley of Drayton Plains and Mrs. Frank Berry of Northville. He also leaves 16 grandchildren and 4 great grandchildren; a sister, Mrs. Albert Landershier of Utica and two brothers, Charles of Boca Raton, Florida and Walter of Livonia.

Marjorie Gulewicz

Funeral services were conducted on Wednesday, August 3 for Mrs. Marjorie Ann Gulewicz of 1859 Watkins Lake Road, Waterford township. Mrs. Gulewicz, who was 45 died on Saturday, July 30 following a long

illness. She was a member of Our Lady of the Lakes Catholic Church where her services were held. She was also a

member of the Immaculate Conception Altar Society of the Church. Rev. F.J. Delaney officiated and burial was in the Catholic section of Lakeview Cemetery. Arrangements were made by the Lewis E. Wint Funeral Home.

She is survived by her husband, Alexander; five children, Sally, Suzanne, Anne, Peter and Paul, all at home; her mother, Mrs. William Smith; also two sisters, Mrs. Delores Coe and Mrs. Madeline Bellows, both of Waterford township.

Paul Bunyan days at Union Lake

Paul Bunyan is coming to Union Lake August 7, 8, and 9 with fun for all. The daily activities will be held at the Main Fair Grounds located at the shopping center on Cooley Lake Road.

The specialties of the festival will include an exhibition tent, live trout fishing, pony rides, covered wagon rides, stage coach rides, helicopter rides, and an automobile display. A rummage sale, balloon game, jar games, a 5¢ pitch, a bake sale, fish pond, dunk a man, spin a picture, baseball pitch, and coin pitch will offer, to the public, games of chance. The aroma of freshly popped pop corn, roasting corn, cotton candy and juicy hot dogs with soft drinks, and snow cones will enlighten and feed the atmosphere.

THE CLARKSTON, (Mich.) NEWS Thurs., Aug. 4, 1966

These daily activities will open at 4 p.m. each day and run throughout the evening.

The Honorable Lt. Gov., William G. Milliken, will head the colorful parade of floats, bands, bicycles, and other exciting entries. It will begin at 1 p.m. Sunday, August 7, at the Clifford Smart Jr. High School and finish at the Main Fair Grounds. A vocal harmony by the Barber Shoppers and Sweet Adelines will follow on the main platform.

Monday, August 8, the Union Lake Ski and Boat Club will perform in a Water Show at 6 p.m. at the Fishing Site. Pets of all sizes and shapes will march in the Pet Parade Tuesday, August 9 at 2 p.m. It will begin at the Community National Bank and finish at the Main Fair Grounds.

Senior Citizens Picnic

Attention Pioneer Members! On Tuesday, August 9 starting at 10:00 A.M. there will be a picnic at Avon Park in Rochester for Senior Citizens. It is sponsored by the Oakland County Senior Citizens Committee. For those who are driving, they are directed to turn left from Walton Blvd. on Ludlow.

Those attending are asked to bring their own lunch and beverage and a can of food for prizes. The affair will last until 4:00 P.M.

Your Dental Health

Despite modern knowledge, dental disease is on the rise. In this country alone, it has been estimated that about 97 per cent of the population suffers from dental decay or diseases of the gums and other supporting tissues of the teeth. Yet dentists tell us that most tooth loss can be prevented, that most dental disease can be stopped before it starts. So that you may act to improve your health, THE CLARKSTON NEWS in cooperation with the Oakland County dental society today begins a series of articles on "Your Dental Health."

Members of ancient tribes often wore teeth around their necks as a mark of beauty. We moderns like to wear them in our mouths.

But it has only been in recent centuries that man has considered his teeth to be of real importance. Until the major killing diseases were brought under some measure of control, men had too many other things to worry about. Why be concerned about keeping his teeth when his life expectancy was only 35 or 40 years?

But now, the average man lives until age 70—and in his seventieth year he should still have his natural teeth.

If we follow the rules of good dental health, the American Dental Association says, our teeth can last a lifetime. Nature meant them to.

Strange, isn't it, that although our teeth are naturally strong and although we know more than ever about how to keep our teeth, most Americans suffer from dental disease.

A recent national survey showed dental patients under four years of age had an average of three teeth in need of fillings

—those aged 15 to 19 had five on the average. And these figures don't include those persons who never see a dentist.

—one American in eight has no teeth at all.

Yet if we understand the cause of tooth loss and act on our knowledge, we need not be a nation of dental cripples. What are our teeth like?

A tooth consists of a crown and a root.

The crown is protected by a hard outer coat of enamel. The bulk of the tooth under the enamel consists of dentin. Inside the dentin is the pulp, a delicate tissue, which contains nerves and blood vessels.

The root of the tooth is covered with cementum, which serves to bind the tooth to the jawbones and the gums by means

of periodontal fibers projecting from it. The jawbone, periodontal fibers, and the gums are the tooth's supporting tissues.

The enamel protects the tooth against damage from the outside and provides the hard surface we need for biting and chewing. The dentin, which is also hard, and the pulp, provide the pathways for tooth nourishment. Food for the tooth is carried by the blood stream through the jawbone and into the tooth's blood vessels in the pulp.

So long as the teeth remain intact and the supporting tissues are kept strong, our teeth remain healthy.

Good dental habits assure good tooth health. In future articles, we will discuss what these dental habits are.

The Blue and Grey Shoot held at Davisburg on July 30 was a family affair for the Donald Goetz family of Dundee, Michigan. Surrounded by the drabness of the authentic war uniforms are Gayle, 12 and Mara, 4. The girls were sweet reminders that everything has a gentle side, even the Civil War.

Revisiting the battleground setting of the Civil War are 5 of the 168 men who traveled to Davisburg from Ohio and Michigan to be part of its annual Blue and Grey Shoot. This group was preparing one of the three "big guns" for target shooting action.

season in Detroit.

Mitch Kehetian, general chairman of the Jaycee Classic and editor of the Warren and Center Line Community News, said a "large portion of the game's proceeds will be awarded the Michigan Jaycee Foundation for the purpose of distributing grants for Jaycee community development projects in Michigan."

Kehetian, a past executive vice president of the Michigan Jaycees, said more than \$75,000 can be realized from the game for Jaycee community development activity.

According to Harvey Schroeder, all seats reserved through the Jaycees are for \$4 and \$5 and will be sold on first-come, first-served basis. Tickets can also be ordered directly from the Detroit Lions or at the gate on the night of the game.

Ticket orders can be obtained from Harvey Schroeder, at 21 Orion Road or call 625-2969.

Bob Jones, president of the Clarkston Area Jaycees, said a large delegation of his chapter membership plans to attend the game.

Gov. George Romney has proclaimed Aug. 11 as

Michigan Jaycee Football Classic Day and has indicated he will also attend the Lions-Cardinals clash.

120 Teachers meet at WSU for Adult Ed. Institute

A total of 120 teachers from six states will participate in a four-week Teacher Training Institute for Adult Basic Education from August 8 through September 2 on the Wayne State University campus.

The institute, offered by the U.S. Office of Education, will draw teachers from Michigan, Ohio, Indiana, Illinois, Minnesota and Wisconsin.

Personnel from WSU's Division of Urban Extension will direct the sessions to be held at the McGregor Conference Center. The training director will be Dr. Ben Jordan, 33059 Meritt Court, Garden City. Paul A. McWilliams, 1910 Dorchester, North Troy, will be the program administrator.

The institute, one of several being held at universities throughout the United States, is designed to prepare teachers in the use of the latest techniques in special programs for under-educated adults.

Want Ads, 20 words 60c; 2 weeks \$1.00. The Clarkston News, 55 S. Main. Phone 625-1114.

NOTICE

Please be advised that the regular township board meeting scheduled for August 16 will be held August 23, 7:30 p.m., Independence Township Hall.
