

Four young members of the Clarence Vidlund family who describe themselves as "explorers" came to the News office on Monday seeking information. They are holding a caterpillar which they wanted identified. Not being proficient in subjects of entomology, the Editor referred them to the Independence township librarian who quickly identified their find as a "Cecropia moth". Pictured are—(left to right) Paul 6, Lisa 7, David 9 and Tina 11. They are proudly wearing Tiger baseball caps as they also informed the News photographer that their family attended "Free Cap Day" on Sunday at Briggs Stadium. The youngsters live at 6400 Eastlawn, Clarkston.

### Manzella jury trial moved up to November

On Monday, August 1, the Prosecuting Attorney and the Defense Attorney for Angelo Manzella appeared in court and asked that Mr. Manzella's trial be set over into the November term of Circuit Court. This request was granted.

Mr. Manzella, who is being represented by Clarence Smith of Pontiac, is charged with assault with intent to do great bodily harm. The charge results from an incident which occurred in Manzella's Lounge at 7504 Dixie Highway earlier in the year. It was made by Mr. John Adams of 6501 Maybee road following the alleged beating of Mr. Adams.

When the calendar for the November session is established, the date will be set.

## Education board studies new Jr. High building plans

At the regular meeting of the Clarkston Board of Education held Monday evening, the Board approved the basic drawings of a new Junior High School. After viewing the presentation which had been prepared by the architectural firm of Richard Prince and Associates, they instructed him to prepare more working drawings. It is hoped that these would be available by February 1st. Then it would be possible

to be on a building schedule which would allow the building to be completed by 1968.

As it is presently drawn the building would house 1000 students. Encompassed in the building would be 39 teaching stations. It would be erected on property behind the North Sashabaw Elementary school.

In other action the board passed a motion fixing principal salaries. They also approved the

purchase of two Pontiac automobiles to replace those now in use. These are used in the Special Education and Administrative departments.

The board also received a request from the Waterford Jaycees to use the Clarkston High School track for a State wide Jaycee sponsored track meet some time next summer. This request was approved. There is no track available in Waterford.

### Your View

The News welcomes letters to the editor expressing any viewpoint on any issue of public interest. Letters must be signed, but names will be withheld on request. Please make letters as brief as possible.

## Peace Corps volunteer assigned to Turkey

DAVID SMITH

### County Republican convention Aug. 17

Governor Romney will keynote the Oakland County Republican all convention August 17, at the Southfield High School, 10 Mile and Lahser roads.

"The conventions of the 18th and 19th congressional districts, for the purpose of electing delegates and alternates to the State Convention, will begin at 8 p.m., followed by the convening of the County Convention," stated Oakland County Chairman Joseph R. Farnham.

The County Convention will act on a report of the joint committee on resolutions and any other business of concern to both congressional districts.

The County will send a total of 167 delegates and alternates to the State Convention at Cobo Hall, August 27, 1966. The number of delegate seats is allotted on the basis of the Republican vote for the Secretary of State in the November 1964 general election.

The 18th Congressional district will elect 112 delegates and 55 will be elected from the Oakland county 19th congressional district.

David P. Smith, son of Mr. and Mrs. Phillip R. Smith, of 6630 Cranberry Lake Road, Clarkston, Michigan, has been named a Peace Corps Volunteer after completing 14 weeks of training at Portland State College in Portland, Oregon.

The new Volunteers leave for Turkey August 1 to supplement the work of Peace Corps Volunteers now engaged in rural community development. They will be assigned to several rural com-

munities throughout the country to develop new projects for improving the conditions of rural life.

With their arrival, some 510 Peace Corps Volunteers will be at work in Turkey on Peace Corps projects which include teaching English as a foreign language, work with child care, and in rural community development programs.

During their training at Portland State College in Portland,

Oregon, the Volunteers studied the Turkish language and culture, U. S. history and world affairs. They also received instruction in group dynamics, general community development theory and physical education, and did field work in low-income areas near their training site. After their arrival in Turkey, they will have an additional 5 weeks training before leaving for their respective villages.

## New building occupancy expected September 1st

Auten's Furniture will move into new quarters at the end of this month. Now under construction on Dixie Highway is a new building that will house the furniture display area. It will encompass an area 2 1/2 times the size of the present quarters.

When completed, Mr. Auten will drop the Colonial title from the name as he will be broad-

ening the lines which he will sell. There will be a total of 4500 square feet of furniture display space. Suitable warehouse storage will be constructed after the move out there.

Ehler's of Mount Clemens is the general contractor. It is hoped that construction will be completed by September 1st. Preparatory to this move, Auten's

will be holding a removal sale beginning this week at their present location at 5 S. Main street.

Mr. Auten, who has been at the Main street location for 2 years was formerly with Thomas Furniture company in Drayton Plains and Pontiac for the past 14 years.

## Local auto dealership changes hands recently

The new sign over the door of Clarkston's Chrysler-Plymouth-Valliant-Jeep dealership now reads, Kessler-Hahn, Inc.

Bill Spence, who has had the agency for six years, sold the Chrysler, Plymouth, Valliant, and Jeep franchises to Bill Hahn and Ray Kessler. Spence had the Rambler franchise also, but didn't sell this part of the dealership.

The change took place July 18. Bill Hahn, 28, lives in Rochester and has been with Floyd Ford in Detroit for the past 7 years. His experience has been in all phases of auto agencies, sales, service and management.

He is a graduate of Ford Training School, attended University of Wyoming and has degrees from Wayne State and Detroit Business Institute with special courses in business management.

Hahn received the "outstanding salesman award for 1965" while with Ford.

He attends St. Paul Methodist Church, Rochester, is married, has two children and plans to move to Clarkston at a later date.

Ray Kessler, 38, has been in the automobile field all his life, and was most recently manager of Ed Schmid Ford in Ferndale. Prior to that he held a marketing position with Ford Motor Company.

He is a graduate of Ford Training School, attended University of Wyoming and has degrees from Wayne State and Detroit Business Institute with special courses in business management.

Now a resident of Birmingham, Kessler plans to relocate here with his wife and son.

The new agency owners have painters coming in this week to begin decorating the exterior and interior of the agency, located at 6673 Dixie Highway. They plan further remodeling that will continue to the 1967 new car showings in late September or early October.

Though they don't have the Rambler franchise, Kessler and Hahn plan to continue to service these cars for the convenience of past customers of Bill Spence, Inc. Mrs. Spence is continuing with the new agency in the bookkeeping department.

## New Post Office building approved for Clarkston

The announcement was made by Congressman Billie S. Farnum last Friday that a new Post Office building for Clarkston had been approved. Farnum said, "The Post Office Department has authorized a new building which will contain about 4,765 square feet of interior space, a platform area of 540 square feet, and parking and maneuvering area of 11,000 square feet."

"The location has not yet been established," Farnum said. However the Post Office Department is actively looking for a site and is interested in hearing from private citizens or businesses seeking to sell one.

Mrs. Elizabeth Ronk, Clarkston Postmistress states that the

present building encompasses 2421 square feet with 700 square feet exterior space. There is no parking space or maneuvering area with the present building. Clarkston's Post Office serves 3558 patrons.

### Building permits down

There was a total of 42 building permits issued in Independence township during the month of July. These permits had a total value of \$317,575.

Fourteen new houses were to be erected at a value of \$263,500 and 9 new garages valued at \$16,150.

Permits for additions and remodeling projects accounted for \$32,325. Also included in the list were 2 patios with a value of \$2,200, a swimming pool permit amounting of \$3,000 and 1 fireplace at \$400.

## Planning for Village Days

A gala celebration is being planned for the Sixth Annual Village Days which will be staged in Clarkston on September 2 and 3. Village Days will precede the annual Labor Day Parade. Clarkston merchants met Tuesday morning to begin the planning for these 2 annual affairs.

The Clarkston merchants will be participating in special sales for the event including special sidewalk sales. There will be outstanding prizes awarded by the merchants for various activities.

The Clarkston Area Jaycees are planning rides, concessions

and numerous other activities to be staged on the Village Parking lot. Other local groups are urged and encouraged to sponsor stands and concessions during the week end affair which will climax the Labor Day weekend and the last free weekend before school starts.

Ken Williams of the Town Shop is arranging to have the Mobile Unit from Radio Station WPON here on the Main street in Clarkston during the entire event.

The News next week will carry a more complete program of the various events as they develop.

**Bring 'em back ALIVE!**

**NOTICE  
TOWNSHIP OF INDEPENDENCE  
COUNTY OF OAKLAND  
STATE OF MICHIGAN**

**TITLE:** An amendment to amend ordinance No. 2, as amended, of Township of Independence.

The Board of Independence Township of the County of Oakland, State of Michigan, ordains: Text change to Independence Township Zoning Ordinance No. 2. To wit:

Section 2. Definitions, Sec. 2.35, Sec. 2.44 (new).

Section 3. General Provisions, Sec. 3.22.

Section 17. Trailer Coach Park District (new).

Section 13.5. Zoning Changes. Amend Section 3.22 to read:

Section 3.22. Trailer Coaches, Tents, or Portable Dwellings.

Trailer coaches, tents or portable dwellings shall not be considered either as a dwelling as herein defined and permitted, nor as a legal accessory use in Independence Township if the same is used for human habitation nor shall the same be used for the shelter of animals, except as provided for in Section 17, Trailer Coach Park District.

Add a new Definition, No. 2.44: **Group Usable Acreage:** Gross Usable Acreage is all the land within a given legally described parcel which is buildable and suitable for on-site sewage disposal.

Amend Section 2.35 Trailer Coach to read:

Section 2.35. Trailer Coach - Mobile Home.

A detached single-family dwelling unit with all of the following characteristics:

A. Designed for long-term occupancy, and containing sleeping accommodations, a flush-toilet, tub or shower bath, and kitchen facilities, with plumbing and electrical connections provided for attachment to outside systems.

B. Designed to be transported after fabrication on its own wheels, or detachable wheels.

C. Arriving at the Trailer Coach Park, where it is to be occupied as a dwelling, complete including major appliances, and furniture, and ready for occupancy, except for minor and incidental unpacking and assembly operations, location on foundation supports, connection to utilities, and the like.

Delete Section 3.1-(7) in its entirety, and add:

Section 17. Trailer Coach Park District (R-3).

Section 17.1. Uses: The following uses shall be permitted in a Trailer Coach Park District, to-wit:

A. Trailer park and mobile home courts subject to the requirements established and regulated by Act 243 of the Public Acts of 1959, as amended. Except that same shall conform to the following requirements:

(1) Any such use shall be constructed and operated in accordance with all applicable State laws, but no permit therefor shall be issued until a hearing has been held thereon after 5 days' previous notice thereof has been given to all property owners within 2,000 feet of the perimeter of the site of the proposed Trailer Coach Park or Mobile Home Site, and it is determined after such hearing to be held by the Planning Commission that the proposed site as a Trailer Coach Park or Mobile Home Site would not be detrimental to the health, safety or general welfare of the property owners within 2,000 feet of the perimeter of the proposed site. If the site is approved after said hearing, then the following site restrictions shall apply:

a. Minimum site size of 10 acres.

b. The site, proposed shall have not less than 50 completed mobile home spaces available at first occupancy.

c. Density of development shall not exceed 8 mobile home spaces per usable gross acre.

d. The entire site shall be enclosed by a greenbelt. Greenbelts shall be in accordance with Section 3.23 of the Zoning Ordinance and shall meet the following specifications:

1. A planting area, minimum width of six (6) feet which shall be completed within

six (6) months from the date of issuance of a Certificate of Occupancy and shall thereafter be maintained with permanent plant materials.

Specifications for spacing and plant materials are shown below. Materials to be used are merely suggestions and shall not be limiting. Other equivalent materials may be used.

**SPACING**

(a) Plant materials shall not be placed closer than three (3) feet from the fence line or property line.

(b) Where plant materials shall be planted in two or more rows, planting shall be staggered in rows.

(c) Evergreen trees shall be planted not more than three (30) feet on centers.

(d) Narrow evergreens shall be planted not more than thirty (3) feet on centers.

(e) Deciduous trees shall be planted not more than thirty (30) feet on centers.

(f) Tree-like shrubs shall be planted not more than ten (10) feet on centers.

(g) Large deciduous shrubs shall be planted not more than four (4) feet on centers.

**PLANT MATERIALS**

Minimum Size (In Height/Feet)

(a) Evergreen Trees Five (5)

(1) Juniper

(2) Red Cedar

(3) White Cedar

(4) Pines

(b) Narrow Evergreens Three (3)

(1) Pyramidal Arbor-Vita

(2) Columnar Juniper

(3) Irish Juniper

(c) Tree-Like Shrubs Four (4)

(1) Flowering Crab

(2) Russian Olive

(3) Mountain Ash

(4) Dogwood

(5) Redbud

(6) Rose of Sharon

(d) Large Deciduous Shrubs Six (6)

(1) Honeysuckle

(2) Viburnum

(3) Mock-Orange

(4) Forsythia

(5) Lilac

(6) Ninebark

(e) Large Deciduous Trees Eight (8)

(1) Oak

(2) Hard Maple

(3) Ash

(4) Hackberry

(5) Sycamore

Trees Not Permitted

(a) Box Elder

(b) Soft Maple

(c) Elm (American)

(d) Poplar

(e) Ailanthus (Tree of Heaven)

All streets within the project shall be private and paved with asphalt or concrete and designed in accordance with the following. Provided, however, if the project is to be platted, then said streets shall be dedicated to the public.

1. Recognition of Existing Facilities. The street system shall be designed: (a) to recognize existing easements utility lines, etc., which are to be preserved, and (b) to permit connection to existing facilities where necessary for the proper functioning of the drainage and utility systems.

2. Block Size and Shape. The street system shall be designed with blocks of proper size and shape to provide desirable mobile home lots and to reduce excessive length of street construction without impairing convenient circulation and access.

3. Circulation. The street system shall provide convenient circulation by means of minor streets and properly located collector streets. Closed ends of dead-end streets shall be provided with adequate paved vehicular turning or backing space. A turning circle shall be at least 80 feet diameter.

4. Pavement Widths. Pavements shall be of adequate widths to accommodate the contemplated parking and traffic load in accordance with the type of street with 10 feet minimum moving lanes for collector streets, 9 feet minimum moving lanes for minor streets 7 feet minimum lane for parallel guest parking and 2 feet additional width for pedestrian use where adjacent sidewalk is not provided.

(a) All entrance streets and other collector streets with guest parking both sides . . . 38' minimum.

(b) Collector street with no parking . . . 22' minimum.

(d) Minor or cul-de-sac street with no parking . . . 20' minimum.

(e) One-way minor street with no parking (acceptable only if less than 500' total length and serving less than 25 mobile home stands) . . . 11' minimum.

\*Reduce by 2' if adjacent sidewalk is provided.

5. Alignment and Gradient. Streets shall be adapted to the topography and shall have suitable alignment and gradient for safety of traffic, satisfactory surface and ground water drainage, and proper functioning of sanitary and storm sewer systems.

6. Intersections. Street intersections shall generally be at right angles. Off-sets at intersections and intersections of more than two streets at one point shall be avoided.

7. Extent of Improvements. The street improvements shall extend continuously from the existing improved street system to provide suitable access to the mobile home stands and other important facilities on the property to provide adequate connections to existing or future streets at the boundaries of the property and to provide convenient circulation for vehicles.

8. Grading. Streets shall be graded for their full width to provide suitable finish grades for pavement and any sidewalks with adequate surface drainage and convenient access to the mobile home stands and other important facilities on the property.

Said streets shall afford ready means of entrance and exit to a County primary road or State highway. Said County or State highway must have a minimum of two paved traffic lanes and a right-of-way width of 120 feet.

Lot area per trailer minimum 50 feet wide by 80 feet in depth. In addition to required lot area per trailer, no trailer shall be located nearer than 15 feet to any other trailer and street. The space between trailers may be used for the parking of motor vehicles; provided that such vehicles be parked at least 10 feet from the nearest adjacent site.

1. Parking Spaces.

(a) Number. Car parking spaces shall be provided in sufficient number to meet the needs of the occupants of the property and their guests without interference with normal movement of traffic. Such facilities shall be provided at the rate of at least one car space for each mobile home lot plus an additional car space for each 3 lots to provide for guest parking, for 2-car tenants, and for delivery and service vehicles.

(b) Location. Required car parking spaces shall be located for convenient access to the mobile home stands. Insofar as practicable one car space shall be located on each lot and the remainder located in adjacent parking bays.

(c) Individual On-lot Space. Width: 9 feet. Length: 20' feet minimum.

(d) Off-Street Parking Bays.

Parking Curv Minimum Minimum

Angle Degree	Length Per Car	Bay Depth*	Backing Depth*
90	9'	18'	26'
60	12.5'	17'	20'
45	12.7'	16'	19'

\*Perpendicular to curb line.

All plat plans and building plans for any proposed Trailer Coach Park or Mobile Home Site must be submitted in triplicate to the Township Planning Commission and Building Department for review of the site plan prior to a permit being issued.

Section 13.8. Zoning Changes. Add new paragraph (6), to read: Statement setting forth notice to adjacent land owners; reasons for not giving notices, if such is the case.

Passed this 2nd day of August, 1966 A.D. by the Independence Township Board.

Yes: Hursfall, Altman, Johnson, Bauer, Bennett.

Nays: None.

*Mrs. George Lang Jr.*

Funeral services were conducted on Saturday, August 6 for Sharon Ilene Lang of 349 Somerset Drive, N.E., Grand Rapids. Mrs. Lang, who was 26 died suddenly at her home there on August 3rd.

She was born in Clarkston on September 18, 1939, the daughter of James and Wilhelmina Maytag Glennie. She attended Clarkston schools where she graduated with the class of 1957.

Sharon was an active student during her years of attendance at Clarkston Senior High School. Among her activities, awards, and accomplishments were; Queen of the high school fair in 1954

during her Freshman year, a member of the Girls Athletic Association, member of the high school band, a Cheerleader her Sophomore, Junior, and Senior years, Junior Homecoming Maid, and Homecoming Queen during her Senior year.

After graduation from high school in 1957, Sharon attended Kalamazoo College and Flint Community Junior College where she was a member of the Synchronized Swimming Club.

On August 29, 1959, she was united in marriage to George H. Lang Jr. They had made their home in Grand Rapids for the past 5 years.

Mrs. Lang was active in the Advanced Welcome Wagon of Grand Rapids and was President of the Kent County Chapter of Muscular Dystrophy. She was a member of St. Andrews Episcopal Church in that city and Sharon worked actively as a member of the Episcopal Church Womens Group. Saskatoon Golf Club and the Y.W.C.A. are other organizations in which Sharon participated.

Her services were conducted by the Rev. Alex Stewart of the Church of the Resurrection and burial was in the Lakeview cemetery. Arrangements were made by the Shaibe-Goyette Funeral Home.

She is survived by her husband, George; her parents, Mr. and Mrs. James Glennie and her grandmothers, Mrs.

James S. Glennie of Pontiac, and Mrs. N.E. Maytag of Clarkston and one brother, J. Edwin Glennie also of Clarkston.

*Mrs. Harry Rhoades*

Funeral services were held on Saturday, August 6 for Mrs. Lena Rhoades, 76, of 46 Tim, Waterford, township.

Mrs. Rhoades died on Thursday following a long illness. She was retired from Pontiac General Hospital. She was a member of Austin Chapter #396, O.E.S.

She is survived by one son, Erwyn of Holly; one sister, Mrs. John Tremper of Clarkston; one brother, Floyd Harger of Pontiac; 11 grandchildren; and 23 great-grandchildren.

Burial was in Davisburg cemetery with the Dryer Funeral Home in Holly making the arrangements.

*Seymour Lake*

By Miss Gladys Sherwood

Mrs. A. B. Bailey of Allen Park (Martha Cook) assisted by her mother Mrs. Milner Cook on Seymour Lake road are giving a luncheon at the home of the latter, Thursday at 1:00 p.m. in honor of bride-elect Marilyn Taylor, oldest daughter of Mr. and Mrs. Howard Taylor on Pine

Knob road. Miss Taylor has taught in the Rochester Elementary school for the past two years after spending 3 years in the American schools in Japan and Turkey.

Mr. and Mrs. Michael Cherwek daughters Nancy and Laurie, Mr. and Mrs. Harold Sheldon and son Stuart accompanied by their mother, Mrs. Belle McIntyre have been enjoying a camping trip in the north.

Mr. and Mrs. Roy Hotchkiss accompanied by Mrs. Lee Hotchkiss of Pontiac spent the last of the week at Fort Knox, Kentucky where Lee Hotchkiss is taking basic training.

Mrs. Winifred Porritt is a guest of Mr. and Mrs. Milner Perry, north of Glennie.

Plans are being made for the Seymour Lake homecoming on Saturday, August 20.

William Howard Stamp, Atty. 5818 M-15 Clarkston, Michigan No. 90,381

**STATE OF MICHIGAN**  
The Probate Court for the County of Oakland  
Estate of John Raymond Stackhouse, Deceased.

It is Ordered that on October 17, 1966, at 9 a.m., in the Probate Courtroom, Pontiac, Michigan, a hearing be held at which all creditors of said estate are required to prove their claims and on or before such hearing file their claims, in writing and under oath; with this Court, and serve a copy upon Eileen R. Stackhouse, executrix, 5891 Dixie Highway, Waterford, Michigan.

Publication and service shall be made as provided by Statute and Court Rule.  
DONALD E. ADAMS,  
Judge of Probate.

## Youth chorus at Meadowbrook

Two of the most impressive choral works ever written will be offered by the Meadow Brook Festival in its seventh week of programs August 11-14 on the campus of Oakland University.

On Thursday and Friday at 8:30 P.M., Robert Shaw will conduct the Detroit Symphony Orchestra and the Meadow Brook School of Music Youth Chorus in J.S. Bach's mighty Mass in B minor.

Soloists will be Charlene Peterson, soprano; Florence Kopleff, contralto; Seth McCoy, tenor; and Ara Berberian, bass.

On Saturday, August 13, at 8:30 P.M., and Sunday, August 14, at 6:30 P.M. Shaw will stage Benjamin Britten's "War Requiem" with the Meadow Brook Chorus. Edgar Billups of Christ Church, Grösse Pointe, has built a separate boys chorus of 52 from his own choir augmented

by boys from the Huron Choir Camp. Soloists will be Ella Lee, soprano; John McCollum, tenor; and Raimund Herincx, bass-baritone flying in especially for the concert from Great Britain.

Shaw has requested a special stage to be built in the Baldwin Pavilion pit to accommodate the separate chamber orchestra required for the Britten performances. Lew Betterly of Birmingham has arranged for installation of a newly developed Conn electronic organ to be delivered in time for the most elaborate staging mounted to date at Meadow Brook.

## In Marine Corps

Marine Private Charles H. Hillis, son of Mr. and Mrs. Frank Hillis of 6139 Waldon Road, Clarkston, Mich., and Marine Private Dale L. Malstrom, son of Mrs. Margaret E. Malstrom of 6773 Transparent, Clarkston, Mich., were graduated from eight weeks of recruit training at the Marine Corps Recruit Depot here.

Under the supervision of veteran noncommissioned officer Drill Instructors, they learned small arms marksmanship, bayonet fighting, and methods of self-protection. They also received instruction in military drill, history and traditions of the Marine Corps, and other academic subjects.

They will now undergo four weeks of individual combat training and four weeks of basic specialist training in their military job field before being assigned to a permanent unit.

## Independence Township Recreation

The Little League Season came to a close this week with a bang. Mr. Ruelle's Pine Knob Foodtown team beat League Champion, Jack Haupt, managed by Steve Nicholson, in the semi-finals of the playoffs. Also, a minor upset occurred in the semi-finals when Dr. Dennie's Green Giants beat Berry Door and went on to play Foodtown Monday night for the Championship. For six innings the game was a one to one tie with the fans looking for Don Aubert's team to furnish us with another upset, but a little wild spell from Tim Hinckley and a well-timed hit sent Ruelle's Foodtown team into a lead they never relinquished. Congratulations to both Pine Knob Foodtown, Champion, and Dr. Dennie's Green Giants, runnerup, in the Widget League, and Jack Haupt, Champion, and to Tom's Texaco, runnerup, in the Midget League.

All the boys who played and all the managers, fans, and parents had a wonderful time this summer and hopes are running high for more new managers to help bring the number of teams participating next year to an all time high for the Leagues. More teams mean that more boys may have the opportunity to play. This year there were 342 boys and we would like to see this number doubled for next year.

The Recreation Department announces the closing of it's program for the summer of 1966. The summer was a success, and the youngsters who took advantage of the program had a wonderful and learning situation. The playgrounds entertained 1000 boys and girls and hope that next years total goes over 2000.

A special thanks goes to the merchants who sponsored the Little League Teams. Below is a list of these business people who are to be commended for seeing that these young men were able to compete and enjoy a summer of baseball.

When this elevated lecture room is completed at Clarkston High school it will accommodate 150 students. It is one of two being completed for Science classes. There will also be one similar for Social studies which will hold 100 students. Eight of the 17 classrooms under construction will be ready when school opens with the other rooms due for completion 4 weeks later.

## Sheriff reports several area accidents last week

A motorcycle accident on August 1 sent a Pontiac man to the Osteopathic hospital there. Leon Johnstone, 28, of 4781 Georgia, Pontiac was riding his cycle on Sashabaw and Woodhull when a car in front of him slowed down. He applied his brakes but the motorcycle was thrown from under him. Sheriff officers report that the mishap occurred at 3:05 p.m.

Two elderly people were taken to Wheelock hospital in Goodrich on Tuesday following an accident which occurred on Reese road, west of Oak Hill road. Homer Croup, 80, of 215 Mill street, Ortonville and his wife, who was 74, were injured when struck by a car driven by Robert Moore, Jr., 24, of 476 Prentiss, Detroit.

Moore stated that he lost control of his car and hit the Croup car. That same day at 11:10 p.m.

This view is of the Auto Repair shop being constructed at Clarkston High school. Shown in the lower right of the picture is one of the two hydraulic lifts which are being installed.

an accident occurred at Waldon and Sashabaw roads. Leroy Parks, 27, of 2664 Massena, Union Lake, was parked at a stop sign waiting to make a right turn, when Robert Lynady, 45, of 6582 Pear street, Clarkston made the turn too wide and hit the front of the auto driven by Parks. Officers cited Lynady for failing to yield the right of way and for being under the influence of liquor.

In other accidents that week, Edward McKinney, Jr. 19, of 760 Wildwood, Rochester lost control of his car when rounding a curve on Sashabaw just south of Hoyt and hit the embankment. That accident occurred at noon on Wednesday. Sheriff officers said his speed was too fast.

In swerving to avoid hitting a youngster on a bicycle, James Templeton, 39, of 1893 Oakfield, Ortonville hit a guard rail on Ortonville Road, north of Cranberry Lake Road. The boy darted in front of the driver, but he

was able to stop in time, causing damage to the front and right side of his car. That accident occurred at 9:50 a.m. on Thursday.

Cars damaged in collision

A rear end collision occurred on Ortonville Road in Clarkston on Saturday morning according to Sheriff's officers. It happened at 9:40 A.M. when Caroline Hooper, 29 of 2605 Bender, Drayton Plains was turning left into a Doctor's office. Robert Neff, 37 of 6420 Snowapple did not see the auto's directional signal operating and hit the car.

Both cars were able to be driven away and the woman was treated in a doctor's office, officers reported.

# Luellyn Brabbs weds Robert Young on Aug. 6

Miss Luellyn Brabbs, daughter of Mr. and Mrs. Harold Brabbs of 6621 Transparent, Clarkston became the bride of Mr. Robert Young in a ceremony at First Baptist Church, Clarkston on Saturday evening, August 6. Mr. Young's parents are Mr. and Mrs. Jesse Young of 53 E. Fairmount, Pontiac.

The candlelight, double ring ceremony was performed by Rev. David E. Dee at 7:00 p.m. The bride who was given

in marriage by her father wore a gown of peau de soie trimmed in lace and sequins. It featured a fitted bodice with lace sleeves. The skirt extended into a chapel train. Her veil of French illusion was held in place with a white satin bow trimmed with lace and sequins. She carried a bouquet of white gladiolus blooms and ivy. She wore a strand of pearls which had belonged to her great-grandmother. She was the second great granddaughter to wear them at her wedding.

The bride's sister, Mrs. Barbara Siegert was her Matron of Honor and bridesmaid's were, Jill Olliffe, and Gayle

Limbaugh. They wore gowns of pink brocade fashioned with empire waist lines and A-line skirts. Each girl wore a single strand of pearls and carried a pink gladiolus bouquet.

Attending the groom was Endell Stevens, Jerry Prudhamme and David Gruber. Ushers were Jerry Henry, Bruce Fraser and Kenneth Siegert.

The bride's parents were hosts at a reception following the ceremony in the church parlors where the pink and white theme was used in decorations and on the collation table. Mrs. Brabbs received the guests wearing a powder blue gown. She wore white

accessories and a corsage of pink carnations. Mrs. Young selected a beige and silver gown with which she wore white accessories and a corsage of white carnations.

The young couple left for a honeymoon trip to Mackinac Island. Upon their return on August 15 they will make their home in the Brookside apartments in Clarkston. The bride is employed in the office of Economy Oil company and the bridegroom by Grand Truck Railway.

The wedding party were guests of Mr. and Mrs. Jesse Young on Friday evening following the rehearsal. The event was held at Harvey's Colonial House.

plans on visiting many places of historical interest while there.

Jack Snowson was honored Wednesday, August 3, at a party held at "Teds" where seven boys surprised him with gifts and dinner. Afterwards they attended the movies with Mr. Terry Jory furnishing the transportation. Jack was 15 years old August 3rd.

Due to illness Mrs. Greg Thompson on Mill street was unable to accompany Mr. and Mrs. Greg Thompson Jr. and family to Ohio where they attended the wedding of a relative, Sunday, July 31.

Mark Edward, son of Mr. and Mrs. William Benchley on Orion Road, has left for a two week visit with his grandparents, Mr. and Mrs. William P. Benchley of Kansas City, Kansas. Mark was excited with the thought of a train trip as it is the first time that he will be away on the train on his own. His grandparents plan on returning with him.

Mr. and Mrs. Harold Russell celebrated their 10th wedding anniversary Saturday evening with dinner and dancing in Detroit. Mr. and Mrs. James Dutton joined them.

Mr. and Mrs. Carl Hoffmann of Whipple Shore returned after a weeks vacation in the Ozarks visiting friends and relatives also enjoying the lovely scenery. The Elwood Seaman

"Your Complete Food Market"

MAple 5-4341 Clarkston, Michigan

**FADING AMERICANA**—A concrete vestige of the old "three R's" educational theory is the one-room schoolhouse. This one, near Laingsburg in Shiawassee County, is one of 22 in Michigan that are more than 100 years old. It faces possible "retirement" in an upcoming consolidation vote. Schoolmarm Mrs. Thornton Parker and two of her students, watch as State Board of Education Member Donald M.D. Thurber of Grosse Pointe raises the flag during a visit to the school.

## 5200 could have voted - but only 1597 did vote

Independence township voters showed a great deal of apathy about last week's Primary election. Out of nearly 5200 registered voters, only 1597 bothered to trek to the polls.

Democratic voters in this township didn't go along with the general trend of casting their votes for Williams for Senator. Here they went for Cavanaugh. For the full term 427 favored him over Williams' 340 voters. Yet only 377 voted for Cavanaugh for the short term against 283 for Williams.

In the November election, Duane Hursfall will be opposed by Robert Copeman, Democrat for supervisor. Neither Republican Clerk, Howard Altman nor Democrat Kenneth L. Johnson, Treasurer had opposition.

Voting in Independence township went as follows:

Governor: Ferency (D) 418, Romney (R) 514.

U. S. Senator (full term): Cavanaugh (D) 427, Williams (D) 340, Griffin (R) 567.

U. S. Senator (Vacancy): Cavanaugh (D) 377, Williams (D) 283, Griffin (R) 518.

U. S. Representative: Farnum (D) 545, Kuhn (R) 408, McDonald (R) 197, VanderMollen (R) 15.

State Senator: Campbell (D) 292, C. O'Brien (D) 336, Brown (R) 116, Harsen (R) 74, Lodge (R) 404.

State Representative: Collier (D) 188, Crowley (D) 489, Anderson (R) 356, McKinlay (R) 130, Vallancourt (R) 77.

Supervisor: Copeman (D) 510, Hursfall (R) 527.

Clerk: Altman (R) 554.

Treasurer: K. Johnson (D) 569.

Trustee: C. Curry, Jr. (D) 442, Bauer (R) 512.

Constable: Derryberry (D) 364, Hester (D) 312, King (D) 326, Fahrner (D) 437, Yoh (R) 416.

Delegates to County Convention: Poage (D) 102, Cooper (R) 165, D. White (R) 164, J. Bray (R) 86, V. Pawley (R) 32.

Register now for fall classes

The registration schedule for the Fall Session at Oakland Community College was released today by Philip D. Conklin, Registrar. The schedule is as follows:

**Advance Registration**  
August 16 (Returning Students)  
August 17 (New Students)  
**Regular Registration**  
August 29-30 (Returning and new students not registering on August 16-17)

**Late Registration**  
August 31 (Any student who has been admitted but not previously registered)

Registration is open at both the Auburn Hills and Highland Lakes Campuses from 9 a.m. through 9 p.m. on the registration dates listed above.

**VISITS SPECIAL SCHOOLS**—Dr. Leon Fill of Huntington Woods, Vice President of the State Board of Education, helps children with their mid-morning snack during a recent tour of schools in Western Michigan. The tour covered schools taking part in special programs being conducted under the Elementary and Secondary Education Act passed by congress last year.

For further information, call the counseling offices at Auburn Hills Campus, 852-1000, or Highland Lakes Campus, 3637191.

## Contractors need license beginning September 1

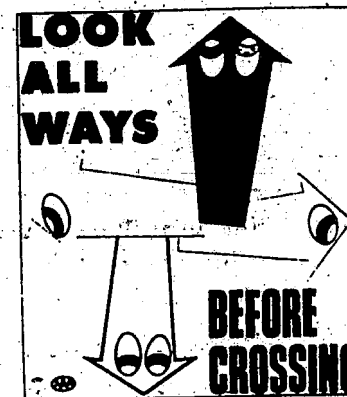

Do you consider yourself a residential contractor? If you are engaged in the home building or home improvement business, you probably are considered a contractor by the State and would be affected by some recent legislation: The Home Builders and Contractors License Law, effective September 1, 1966 (Act No. 383, P.A. 1965).

The intent of the Act is to safeguard and protect homeowners and stipulate that it shall be unlawful to engage in the business of or to act in the capacity of a residential builder or maintenance and alteration contractor without having a license. The following trades are subject to the act:

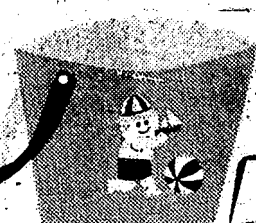

1. Carpentry
2. Concrete
3. Electrical work
4. Excavation & Sewer Installation
5. Floor laying
6. Heating & Air conditioning
7. Insulation work
8. Lathing
9. Masonry work
10. Painting and decorating
11. Plastering
12. Plumbing
13. Roofing and siding
14. Screens & storm sash
15. Sheet metal work

16. Tile and marble work
17. House moving and raising
18. House wrecking
19. Swimming pools
20. Basement waterproofing
21. Garage building
22. Awning
23. Asphalt paving
24. Fences
25. Dry Wall
26. Formica installation
27. Water softener installation

In order to get the license, you need to qualify as outlined in the act and you will also need a Bond. If you are engaged in only one trade, the required amount of the Bond would be only \$2,000. A general contractor would need \$10,000.

### A NEW INDEPENDENCE

With L.B.J.'s Poverty Program now getting into high gear more and more people are looking to Washington for a freeride. Not too many years ago it was considered a dishonor for any individual to accept public assistance unless he was in real need.

As the federal government has stepped deeper and deeper into the financial picture this feeling has gradually disappeared. In its place we are raising a generation which is looking to government to provide all their daily needs no matter what their financial status.

Nations Business, in pointing out the dangers of this trend, has called for a New Independence based on "life, liberty and the pursuit of happiness". In a recent editorial it goes on to say:

What do we mean by "life, liberty and the pursuit of happiness"?

Jefferson penned the words that summer in Philadelphia just 190 years ago. Then George Washington and his half-starved army of revolutionists won these inalienable rights for us after a bloody eight-year struggle.

But in today's welfare state, Uncle Sam takes from many to provide a subsidized good life for a few, winks while some take liberties with others' rights and property and serves up ready-made happiness prepackaged in Washington.

Somewhere along the line we've forgotten there can be no rights without responsibilities. The federal government has sought to give people many new rights, even freedom from work. At the same time, it has eliminated their responsibilities.

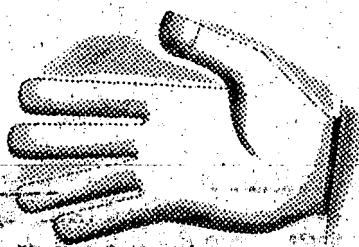

It is time for patriotic citizens to call for a new declaration of independence, an independence from Washington's Big Brother bureaucracy.

More Americans should be saying, "Give me liberty," not just "Give me, give me, give me."

Guest Editorial from Gratiot County Herald

### -ABIDING MERCY-

Come unto me, all ye that labor and are heavy laden, and I will give you rest. Matthew 11:28.

One of Jesus' eminent biographers points to Him as the most compassionate figure in human history, and says as well that Jesus, in His deep and genuine concern for His brother man of whatever social level, and in His ability and His desire to conquer sickness and suffering by the power of calmness and love, is the highest expression ever witnessed of that wide mercy which is of the very essence of the true nature of God the Father.

Reading Ralph Waldo Emerson we find him setting forth the claim that Jesus is the only soul in history who has fully appreciated the worth, the value in the sight of God, of one man.

"The pure in heart shall see God," said Jesus in the Great Sermon, and it was His own unmatched purity of heart that enabled Him to see God where alone He could be seen, in the faces of his fellow men. And we are certain, we know well that the zeal and the triumphant power of the early Church was due in no small part to Jesus' ministry of kindness among the little people of the Galilean countryside, among the ill, the infirm and the outcasts. The Good News of the power of His transcendent personality and of His gentle tolerance and God-like understanding spread rapidly across the great Roman domain and came to be of the cornerstone of the edifice of the Church Universal.

Eternal God, our Father: Constrain us to know, as Jesus knew, we beseech Thee, that this world's only substantial treasure is human personality. Grant us the desire and the courage, we pray, ever to move toward a true brotherhood of all men, Thy children. AMEN.

Everett Butters

### Returns from active duty

Seaman Recruit Gary W. Tatu, 22, USN, son of Mr. and Mrs. Kenneth B. Tatu of 3238 Pirrin Drive, Waterford, Michigan, has completed his two weeks of annual active duty for training at the Naval Training Center, Great Lakes, Ill., and has returned to his

### local Naval Reserve unit.

Naval Reservists receive intensive training in subjects such as naval history and organization, customs and gunnery, seamanship, damage control, first aid, swimming and survival, shipboard drills and sentry duty. A vigorous physical fitness program rounds out the training.

## PEEKIN' into the PAST

### 10 YEARS AGO IN THE CLARKSTON NEWS

Lee McIntyre has sold three acres bordering on Sashabaw road to the Brandon Township Cemetery Association.

The shelf for the Pioneer Book Shelf in the Township Library has already been installed.

Lem VanSyckle celebrated his 98th birthday with an Open House held at the home of his daughter, Mrs. Ferry Hunt.

Clarkston Rotary Club are making plans for their Labor Day parade.

Clarkston Garden Subdivision Improvement Association elected G.A. Ellertorpe as their President. The group will meet quarterly.

### 25 YEARS AGO IN THE CLARKSTON NEWS.

The immediate construction of a causeway from the north shore of the Straits of Mackinac, designed to ultimately fit in with a bridge spanning the straits will be undertaken by the state highway department.

For the last few weeks workmen have been busy at the Baptist church. A stone retaining wall along the front of the property is almost completed. The front entrance will then be repaired. Much work has been done on the parsonage and plans are being made to grade the property and plant grass seed.

Mrs. Elizabeth Ronk and sons, Miss Ada Scrace and Mrs. E.D. Brand of Flint are enjoying a trip through northern Michigan.

The Rotary Club heard Mr. Vaughn of Birmingham tell of the Zoning proposal that is now possible in townships under our state law.

## Vacation Bible school at Calvary Lutheran

Calvary Lutheran Church will hold its annual Vacation Church School on weekday mornings, August 15-26, from 9:00-11:30 a.m. Classes will be offered for Kindergarten age through Ninth Grade, with recreation periods and refreshments furnished. There is no enrollment fee, but a free-will offering will be received by each class each day to help off-set costs.

The theme for this year's school is "Jesus and the Church," part of a three-year course published by the Lutheran Church in America. It attempts to point up God's concern for His people by taking a close look at the modern Church in action, with special emphasis on the unusual work going on in the Lutheran Church of Japan and other world-wide bodies. Each activity or handicraft project in all classes will be closely connected to the lesson material for that day, thus providing a varied but co-ordinated program.

Teachers for the two-week schedule include: Mrs. David Bixby and Mrs. Donald Cooper (kindergarten); Mrs. Arlon Stubbe (first grade); Mrs. Robert Heazlit and Mrs. Charles Schlutow (second grade); Miss Karen Johnson (third grade); Mrs. Leo Erickson (fourth grade); Mrs. David Blomquist (fifth grade); Mrs. Howard Helm (sixth grade); and Pastor Arlon K. Stubbe (seventh-ninth grades). Mrs. Mel Vaara is the school superintendent. Mrs. Dallas Lippincott is in charge of recreation.

The school is open to the public, and children may be registered by calling 625-7722 or 625-0340 at any time. Transportation is available.

Returning to his local unit, he will be provided with modern educational and technical facilities, and training under regular Navy officers and petty officers to enable him to become proficient in one of the many Navy technical fields.

## Wins \$500 scholarship

John Slade, a 1966 graduate of Clarkston High School won a \$500 scholarship in a Regional Speech contest held in Indianapolis last Sunday. He is the son of Mr. and Mrs. Archie B. Slade of 5490 Waldon.

His subject was "Liberty Regulated by Law". The contest was sponsored by the Knights of Pythias. The first place winner was from a group of states represented by Tennessee. John's group comprised 9 other states including Canada.

The finals were conducted at the Claypool Hotel in Indianapolis before an audience of approximately 1000. John's coach, Miss Patty Looman, speech instructor at Waterford-Kettering High School travelled from West Virginia for the finals. 5500 students had participated in the contest

list, a student must have attained a scholastic index of 3.25 out of a possible 4.0, carried a minimum of 12 credit hours of study and earned at least 45 honor points.

Richard L. Funk, of 6184 Cramlane Drive, Clarkston was one of the students named to that list.

### Studying in Utah

A Clarkston, Michigan, resident is continuing her higher education this summer in classes at the University of Utah in Salt Lake City.

Barbara Ann White, 5356 Sashabaw, is enrolled in the oldest state university west of the Missouri River, situated on a 637-acre campus in the foothills of the Wasatch mountains.

Founded in 1850, the University of Utah is now the major research center of the region and the cultural hub of the community.

Summer school students attend one-hour classes during the comprehensive eight-week quarter, in contrast to the ten-week quarters and 50 minute periods of the regular school year.

## Your Dental Health

Most of the tissues of the body can restore themselves or fill in gaps caused by injury, but tooth tissues cannot. A damaged tooth can never heal itself.

That's why dentists place so much stress on preventing dental disease—stopping it before it starts.

Dental decay—the eating away of the hard tissues of the teeth by acids in the mouth—occurs most frequently among children and teenagers—and can largely be prevented.

What causes tooth decay?

Dental scientists believe that decay is caused by chemical changes which take place in our mouths as a result of bacteria acting on the food we eat. These scientists explain that our mouths contain billions of organisms, so small that they can only be seen with a microscope. Most of these microorganisms, as they are called, are bacteria. As many as 5 1/2 billion microorganisms may exist in a few drops of saliva. Others cover our tongues. Still others coat the oral cavity.

Our teeth, too, are covered by a thin film of bacteria. Many of these bacteria are apparently not harmful, but some will produce various acids which can dissolve some of the tooth enamel.

At the same time, the breaking down process releases lactic acid and other acids, strong enough to resorb some tooth enamel. A harmful amount of acid can develop within five minutes! Fortunately for our teeth, saliva neutralizes acid.

But if the acid is produced in a tooth crevice or pit where it may be protected from saliva, enough can accumulate to dissolve some tooth structure. Once a hole has been made in the enamel, the acids attack and destroy the softer dentin underneath, and then attack the tooth nerve. Untreated decay may mean loss of your teeth.

How can decay be prevented?

The American Dental Association recommends a four-point program:

1. Brush your teeth right after eating. If you can't brush, rinse your mouth vigorously with water to wash away food particles.
2. Eat a proper diet. Cut down on the amount of sweets you eat a day.
3. Have regular checkups. With the use of x-rays the dentist can detect cavities too small to be seen by the eye alone. He can fill these before they get larger. He can also detect and correct other dental troubles under the gums and in the supporting bone which may not yet be visible to the naked eye.
4. Drink fluoridated water. Fluoridation is a tooth-strengthening procedure we'll talk about in later articles.

## "ROUND THE TOWN"

By Mrs. Shirley Lynch  
Maple 5-1065

Mr. and Mrs. Robert Corke of Milpitas, California were guests of Mr. and Mrs. William H. Stamp last Friday evening. The group which included the four children of Mr. and Mrs. Corke dined at Devon Gables. Mr. Corke is a cousin of Mrs. Stamp. They left for their home on Monday after having spent a week visiting relatives in Michigan.

### IT'S A GIRL

Mr. and Mrs. Floyd Menzies of 6151 S. Main street are happy over the arrival of a baby daughter, Kimberly Kay. She was born on Friday, August 5 in Pontiac General Hospital weighing 9 lb. 7 oz. A 3 1/2 year old brother Michael Curtis awaits her arrival at home.

### NEW BABY

Mr. and Mrs. Thomas Humphreys Jr. (the former Jane Powell) are the proud parents of an 8 lb. 5 oz. daughter, Michele Ann born

on July 31 at St. Joseph Mercy Hospital in Pontiac. The new baby has a brother, Tommy, 18 months old to welcome her at home and grandparents are: Mr. and Mrs. Thomas Humphreys Sr. of S. Marshall street in Pontiac and the Jess Powell's of Orion Road, Clarkston.

Working on Master's

Hazel Moore, a first grade teacher at Clarkston Elementary School, is completing work on her Master's degree by participating in an institute emphasizing new horizons in reading instruction at Michigan State University, August 1-12.

Many new trends are being evaluated through demonstrations and actual work with recently developed reading materials.

Participants are examining the use of the initial teaching alphabet, programmed instruction, instrument training, tape recordings, paper-back libraries, and the linguistic approach.

Elementary school techniques are of major concern but secondary instruction is also being discussed to lend perspective to the workshop.

Conservative Club will meet Tuesday

On Tuesday, August 16, at 8:00 p.m., the Oakland County Conservative Club will show the film, "Inquisition—Communist Style". This film is the story of an ordained Lutheran minister, Rev. Wurmbrand, recently ransomed from his native Rumania. Rev. Wurmbrand gained nationwide interest, and gave testimony before hearings in Washington in May. He is currently traveling throughout the United States speaking of his experience as a minister under Communism.

The meeting will be held in the Knights of Columbus Hall, 30755 Southfield Rd., Southfield. The public is invited to attend.

Pontiac Motor Division

from novice to the most expert. The state's best baton twirlers always compete in the State Fair contests.

For girls a bit older, the Miss Michigan State Fair competition offers a chance to be named fairest of the fair. Contestants who have won beauty queen titles in the past year in Michigan are eligible to compete. Competition will start Wednesday evening, August 31, with the crowning of the queen slated for Thursday evening, September 1, in the Music Shell.

Teen-age singers and musicians will compete in the Teen Scene section of the fair. Preliminaries in the amateur band contests will be held a week before the Fair, with the 36 top groups slated for competition during the Fair. Folk-singing groups, also of high school age, will vie daily in the Teen Scene.

On Old Timers' Day at the Fair, Monday, August 29, the state's senior citizens will take part in contests for oldest man and woman, longest married couple, longest mustache, and most grandchildren.

Husband calling and hog calling will be in the spotlight on Friday, September 2, with cash prizes going to those with the best (or loudest) voices.

Sheep shearing contests also are on tap for Friday, September 2, with Michigan champions being crowned.

Of course, the spirit of competition also will be present in all the livestock and farm classes. The Fair is offering more than \$140,000 in premium money for those with the best cows, steers, swine, sheep, horses, pigeons, rabbits, and poultry. Even bees will get into the act, with prizes going to top hives and best honey.

The Coliseum will be in constant use for contests, with judging of livestock during the days and horse shows in the evenings.

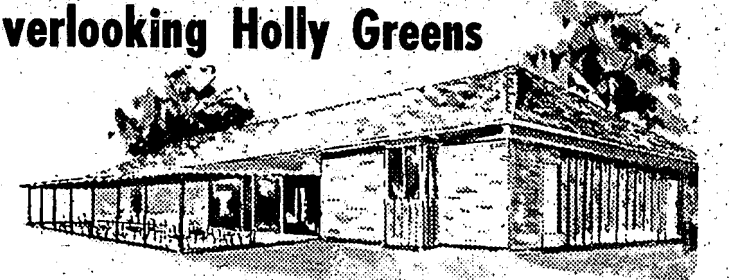

Americans thrive on competition. And the State Fair, proves it.

We can keep you in hot water.

In fact, we guarantee it!

**SATISFACTION GUARANTEED**  
by **DETROIT EDISON**

An electric water heater is for the people who don't like to run out of hot water. We're so sure you'll like one, we guarantee your satisfaction—for a whole year! What do we mean by satisfaction? Simply this: If you don't get all the hot water you want, when you want it, you get all your money back, including any you may have spent on installation. And it doesn't matter where you bought your electric water heater. The Edison guarantee still applies. No strings attached. Fair enough?

**EDISON**

PS. Average-size families with electric water heaters pay as little as \$3.88 a month—a standard rate—for hot water. How much are you paying?
