

Keith Hallman representing the Clarkston Rotary Club this week presented a \$500 check, a gift from that club to the Oakland County Society for Crippled Children and Adults. Mrs. Elizabeth Kirkby, the Executive Secretary is accepting the gift. Rotary money making projects throughout the year which raise money for these charitable gifts include: the Goodfellow paper sale, the annual fruit cake sale and two Pancake suppers.

Township units may form "dump authority"

At a combined meeting last week of the three townships, Brandon, Groveland, Independence—those involved in the dump which serves these 3 units, the group heard a favorable report from health authorities who were present.

The Health department had closed the facility located on M-15 in Brandon township in late summer because it did not meet health department standards.

A motion was made by Howard Altman that the supervisors from the three townships involved, seek legal assistance in investi-

gating the advisability of forming an Authority to run and maintain the dump. The group passed the motion.

If this were to take place, the "authority" would apply for a license to run the dump.

Public sentiment at the meeting was aroused over the incidents that have resulted in the dump's closing. In the meantime, Russ Farnier is still doing clean-up operations there, in conjunction with recommendations made by Keift Engineering regarding clean-up, to meet the health department specifications. They recently completed a survey there.

Timothy Wall named merit scholarship semifinalist

Principal Milford Mason has announced that 1 senior at Clarkston High School has been named a Semifinalist in the 1966-67 Merit Scholarship competition.

The student cited for his high achievement is Timothy Wall, son of Mr. and Mrs. Frank Wall, 4555 Major Drive.

He is among the highest-scoring students in the state of Michigan on the National Merit Scholarship Qualifying Test, administered last spring in 17,500 schools nationwide. More than 14,000 Semifinalists were appointed across the country.

The Semifinalists can advance to Finalist status by receiving the endorsement of their schools, substantiating their qualifying test performance on a second examination, and submitting information about their achievements and interests. All Merit Scholars for 1967 will then be selected from the Finalist group.

Semifinalists are representative of the country's most intellectually able young people, according to John M. Stalnaker, president of the National Merit Scholarship Corporation. "From them will come much of our future leadership," he said.

"These students bring honor not only to themselves, but also to their families, their teachers, and their communities," Stalnaker said. "Their success is the result of their own efforts, including well directed energy, usually coupled with the effective direction and encouragement of parents, friends, and teachers."

In past programs at least 97 percent of Semifinalists have become Finalists. Each Finalist receives a Certificate of Merit in recognition of his distinguished performance in the program. Finalists are eligible for the scholarships sponsored by NMSC and some 340 corporations, foundations, colleges, unions,

Area accidents result in minor injuries

A driver on the I-75 expressway was taken to Pontiac General Hospital on Sunday after he fell asleep while driving. Orville Arnold, 51 of 314 Garland street, Davison was going north just east of Clarkston Road when he dozed. His car struck the guard rail and exit sign. The accident occurred at 11:45 p.m.

At 1:15 A.M. on Sunday 2 local youths suffered B type injuries when their car blew a tire and struck a mail box and paper container in front of 6115 Maybee Road. The driver of the car was 19 year old David Osgood of 122 N. Main, Clarkston. His passenger was Dennis Lambert, also 19 of 35 Madison Court, Clarkston. They told sheriff deputies that they were travelling east at approximately 45 miles per hour when the tire blew causing them to lose control of the car.

Another accident occurred at 11:30 A.M. on Saturday on Dixie Highway just east of M-15. Fred Ahrens, 65 of 823 N. Wilson

in Royal Oak waited for traffic to clear before pulling onto the highway, but he obviously did not see another driver who said he could not stop in time. That driver was Loren Green, 18 of 6659 Balmoral in Waterford.

The corner at Main and Church streets in Clarkston was the scene of another collision at 11 A.M. on Saturday. Leonard Plankowski 50, of 3460 Loon Lake Shores was waiting for the light to change when he was struck by a car driven by Lawrence Parker, 16 of 6683 Eastlawn, Clarkston. Parker told sheriff deputies that he paused to wave to a friend and when he looked back he could not stop. Plankowski was taken to a Doctor for treatment.

Apply now for absentee ballot

Independence Township Clerk Howard Altman announced this week that the Absent voter ballots have arrived.

Persons who are to be absent from the community on election day should make application for an absentee ballot soon. Questions regarding these should be directed to the Independence township hall.

New registrations are continuing to come into the office, while the trailer units maintained by the Jaycees are picking up new registrants at the various shopping centers.

On September 24 at the Pine Knob Shopping Center 128 persons wishing to vote were registered. Last week Mr. Altman reported that 48 new registrations were taken at the M-15 shopping center. This Saturday the trailer will be located on the Village parking lot.

Jack Frost (left) of Clarkston, a member of the Executive Board of Clinton Valley Council, Boy Scouts of America is accepting a \$200 check presented by the Clarkston Rotary Club. Jess Berg, Rotary treasurer is making the presentation. The Boy Scout Council have just about reached their goal of \$600,000 in a capital funds drive to provide a new camp known as Lost Lake near Clare. An option was taken last spring to purchase this 2284 acre tract. This new facility will greatly expand the camping experience of local boy scouts.

Robert Hoopingarner of 6416 Church Street, Clarkston filled out an Albert Pick Weekend blank at the Clarkston Shoe Service last week. It resulted in his being the lucky winner. Posing here with the smiling merchant Jim Stiles are the Hoopingarner family: (l to r) Lois, Steven, Elizabeth, holding David Scott, and Martha. This week's winner was Mrs. Taylor of 5547 Kingfisher. She was the preliminary winner at Clarkston Sporting Goods.

These four Clarkston High School students received letters of commendation from the National Merit Scholarship program for outstanding performance on the test. They are (l. to r.) John Gettel, Edward Ellert, Jack Frost and Terry Dutcher.

Clarkston squadron honored at conference

Michigan Wing Civil Air Patrol was host to over 500 CAP members from Illinois, Indiana, Kentucky, Ohio and Wisconsin at the 25th annual Great Lakes Region Conference, held September 23rd-25th at the Sheraton-Cadillac Hotel, Detroit, Michigan.
 Two of the objectives of the conference were to discuss the expansion of the senior and cadet programs of CAP as well as CAP's flying programs through maximum use of CAP aircraft.
 Col. Lyle W. Castle, CAP National Board Chairman, urged the members of the Great Lakes Region to recruit more of the "flying farmers, businessmen and air travelers" from the Region's 80,000 pilots and 16,000 aircraft which he described as a "gold mine

of air-minded people".
 Clarkston Composite Squadron was honored at the final assembly of the Conference when Col. Robert H. Herweh, Commander, Great Lakes Region, presented awards to two members of the Squadron.
 Cadet/Captain Kathy Eudis received an award and trophy for being the "outstanding female cadet of Michigan Wing for 1966". 2/Lt. Marilyn Moore received an award for being Michigan Wing's outstanding Information Officer of 1966.

Still openings in Adult Ed classes

The Adult Education Program is now under way with classes meeting each night. There has been a splendid turn out in all areas, but there is still room for more. Those who wish to sign up for any of the classes offered may do so by calling the High School office during the day or attending the regular scheduled class any night next week.

A late offering in this program is Western Style Square Dancing. This will be taught by Mr. and Mrs. Don Ashley. They have been active in teaching young as well as older couples. If you would like to attend, the first meeting will be Monday, October 10th at the Clarkston Junior High School gymnasium. Fee for the course is \$10.00 for ten weeks (per couple). Interested persons please call the high school office for enrollment.

Clarkston squelches Clarenceville

By MEL VAARA

In a contest played before a good crowd Clarkston defeated Clarenceville 13-0.

Clarenceville came into the contest with 2 straight victories with the last coming over Milford. Clarenceville had visions of three in a row and were pretty proud of their ranking in class "B". One of the Detroit papers had Clarenceville ranked 15th in the state.

There were some difficulties in even getting the game started. There were only three officials for the game. The 4th Ralph Allan (well known official in the Pontiac area) moved out of the state of Michigan and Athletic Director Dom Mauti was unable to find another official. The construction workers working on the grass-tex track are believed to be responsible for the accidental severing of the cord running to the scoreboard and it wasn't discovered until game time. It was much too late to do anything about the situation so the game was played with the head official (Tom Pearsall) keeping time. It's very exasperating to the fans with this type of situation, but believe me its terribly frustrating to coach a ballgame without a scoreboard.

After the delays the game started, Clarenceville kicked off to Clarkston. Dan Fife ran around end for 15 yards but on the next three plays Clarkston lost 20 yards. Fife lost 18 of them attempting to pass.

Clarenceville failed to move the ball and were forced to kick. Tom Allen fielded the ball on his own 40 and sped to the goal line untouched. Tom gave one quick fake towards the middle and danced his way down the right side of the field. For some strange reason all the Clarenceville players were bunched up the middle and the poor punt coverage proved fatal to the Trojans.

Neither team could do anything for the next 10 minutes as drives were stopped by fumbles, pass interceptions and penalties.

Clarkston started a big push towards the Trojan goal line at their own 44. It started with Dan Fife running off tackle for 10 yards. Mark Erickson had a run of 10, Dan Fife for 7 more. Caverly ran up the middle for 11 more. Then Fife hit Gary Ostrum on a button hook pattern for 8 more. Dan Fife was pushed out of bounds on the 3 after an 8 yard pick-up, then covered the last three on a quarterback keeper. Rich Johnson passed to Dan Fife on a fake kick for the extra point.

Clarkston had a chance to score again as Dan Fife intercepted a pass and ran it back to Clarenceville's 38. But on a 4th down situation with Tom Allen wide open on the 18, the pass from Dan Fife was overthrown. This by the way was the last play for Allen as he was exhausted due to a severe cold.

Clarenceville drove to Clarkston's 4, but the clock ran out of time and the drive ended there.

Most of the second half was played between the two 30's and neither team sustained a drive.

Clarenceville has scored at least three touchdowns in their last two games.

But Clarkston's stout defense held the Trojans from the goal line. The corner backs Gary Ostrum and Steve Parker played outstanding games, as they cut off Clarenceville's wide stuff and off tackle plays and the defensive line of Caverly, Woodward, Birkelo, Bullard, Bass put constant pressure on the quarterback as 5 of his passes were picked off. Dan Fife had 3 and saved a touchdown with a beautiful away as he flicked the ball away at the last possible moment on his own 3 yard line. Steve Parker and Gary Ostrum each picked off one pass.

Fife sure played one fine game. He gained close to 100 yards, scored one touchdown, intercepted three passes and caught one pass for the extra point. He threw

only 7 passes but he didn't have to throw the ball. When a team is controlling the game and is leading by 13 points a team plays a much more conservative game.

The Wolves will play at Holly next Friday. Holly is probably our biggest rival—it should be a typical Clarkston Holly game. Remember last year's game, two touchdowns were scored in the last 22 seconds, with Clarkston eeking out a 2 point victory.

The J.V. team evened their record at 1-1 as they defeated Bloomfield Hills 7-6. Clarkston scored their touchdown on a 3 yard pass from Bob Palladino to Dawson Bell. Palladino ran the ball for the extra point.

The cross country team continues on their winning

way as they defeated Clarenceville 26-29 this win gives them a record of 5-2. The 5 top runners in the meet were Neil Stalker, John Gettel, Mike Dougherty, Mark Adams, and Scott Embrey. This could be Clarkston's finest team since 1959. In 1959 Clarkston took 2nd place in W. O. League standings. The 5 mainstays were Jack McCall, Larry Morgan, Ron Highlen, David Grose and Gary Wood. They were coached by yours truly.

This Saturday Michigan State will play the U of Michigan in the game of the week. All the experts will be picking the giants from East Lansing. However I think they are ripe for an upset. Michigan wants that trip to the Rose Bowl—Michigan by three points.

Homecoming Queen and Court to be announced Friday

"Pre-Tapping" assemblies were held at Clarkston High School last week to make nominations for the Homecoming Queen and her court. Next week will see the start of the Homecoming festivities climaxed by the football game with Northville here on Friday, October 14 and the "Autumn Leaves" homecoming dance, an event of Saturday evening.

Also during that week will be the third annual Powder Puff Football game. This will be held Wednesday evening at 7:30 p. m.

The football team nominated 4 girls from the 9th, 10th and 11th grades, and those from the Senior class.

From the 9th grade the girls selected were: Carla Dutcher, Tammy Mahar, Nadine Blackett and Carrie Garlack.

Tenth grade girls nomi-

nated are: Cindy Ford, Terry McDougall, Shery Kosiba and Marty Woodward.

From the eleventh grade were Nancy Weiss, Cheryl Mansfield, Salli Radoye, and Jan Peters.

Pam Affolder, Caroline Giles, Shayla Smith and Karen Caldwell represented the Senior class.

The "Final Tapping" will take place during the Pep assembly on Friday. The voting is being done this week. One girl will be selected as the Homecoming Queen and one will be picked as Senior Maid as well as another Maid from each class. The Student Government is in charge of this phase of the homecoming.

Seniors pose for pictures

With the resuming of full time attendance at Clarkston High School, more events were scheduled for the students.

It has been announced that Senior pictures will be taken next week. Powell Studios will be here to take the pictures on Monday, Tuesday, and Wednesday. Hours for the picture-taking have been announced as 3 p. m. until 8:30 p. m.

The magazine sale which had to be postponed until the alternate day sessions ended will soon be re-scheduled.

THE CLARKSTON (Mich.) NEWS

Would you believe this is a scene of four people getting off the bus? It is and its just one of many fun filled scenes that have really challenged the imagination of the Clarkston Village Players in their latest play "Sunday in New York". Sound effects, lighting and quick change artistry are called on to make this first play of the season fast moving and witty. Season tickets may still be bought from Player member, Dr. Denne or at King's Insurance Agency. Apparently they are just what the people wanted as they are selling rapidly. Single tickets will also be sold. The play will once more be at the Depot Theater on White Lake Road. Dates are set for October 14, 15, 21, 22, 28 and 29. Curtain time is 8:30 p.m. John Witherup is directing this play. The production staff is at it night and day and getting everything in top shape. The feet above are anyone's guess but the heads from top to bottom are Vince Luzi, Marie Luzi, Char Frost and Dr. Denne.

Round the Town

By Mrs. Shirley Lynch

Mr. and Mrs. Stanley Harrison and family spent the weekend visiting friends in Algonac.

Mr. and Mrs. Willard Stone joined Mr. and Mrs. Robert Toppi bowling Saturday evening in Pontiac where the ladies went home with high score. Pizzas afterwards were enjoyed by both the winners and the losers.

Mr. and Mrs. Albert Givens on Waldon Road spent last weekend with their son and family the Phil Givens of Midland. Mr. Givens and son Phil left their wives in Midland while they went to South Branch for some hunting.

Mr. and Mrs. T.O. Thomans joined friends last week for a vacation in Colorado. The Thomans flew

their plane picking up Mr. and Mrs. James Scott at their home in Nebraska.

The Adult Chancel Choir of the First Methodist Church of Clarkston, and members of the Wesleyan and Epworth Choir presented a demonstration concert for the annual fall workshop of Detroit Conference, Chapter of the National Fellowship of Methodist Musicians. It was held last Friday evening in Davison.

Kelly Sue, daughter of the Berry Lane's, blew her one candle out that was on her birthday cake with help from her brother, Mark, at a family dinner Thursday evening.

Trudy Martin has left for school in Georgia where she will attend a private

school for girls. Trudy's parents are the Andy Martins on Clintonville Road.

Mr. and Mrs. Paul Whilly and family have returned home after a three day vacation in Chicago where they visited friends.

Several friends surprised Mrs. Louis Seffens October 3 with a birthday cake decorated with candles for every year. After blowing out the candles everyone enjoyed coffee and cake.

George Brown spent the weekend in Northern Michigan bow and arrow hunting for deer. He was joined by several friends from out of town.

Mrs. Edward Black of Mackinaw City is visiting her son and family the Robert Black's of Clarkston for several days.

Art and Carl Bergson were among several hunters from this area that were hunting for partridge this weekend.

Mrs. Norton Redwood and daughter Julie attended "Sound of Music" Saturday afternoon with lunch and sightseeing first.

The tenth wedding anniversary of Mr. and Mrs. John Bateman was celebrated with dinner and a movie.

Mr. and Mrs. George Campbell attended a musical in Detroit Saturday evening in which their niece, Debbie played the piano.

Pinocle club met at the home of Mrs. Ernest Smith Wednesday evening with Mrs. Stanley Roosa receiving a prize for high score and Mrs. Eldon Justice as low scorer. Refreshments were served later in the evening.

Bobby, son of Mr. and Mrs. William Jackson, has returned home from the hospital where he had his arm reset after being broken in a fall from Bobby's favorite tree.

A going away party for Mary Ann Summers was held at the home of the Jack Millers Saturday evening. Twenty-two people presented her with a matched set of luggage. Miss Summers is taking a job in New Jersey and does not plan on returning to Clarkston until later next summer.

The Thomas Bell family spent the weekend fixing their cabin for the winter. The cabin is set so far into the woods in Northern Michigan that they are unable to use it during heavy snow.

Roger, son of Mr. and Mrs. Robert Smith of Eastlawn, has left for school in East Lansing where he will be attending Michigan State University as a Freshman.

United Fund Campaign Rally

The theme "I'm Just a Gal Who Can't Say No" proved to be very appropriate for the United Fund Campaign Rally held at the Elks Temple Tuesday at 1:15 p.m. This song was used in the program by a singing group "The Affirmatives" (comprised of talented, witty, off-key/on-key, harmonizers known better as United Fund Women Workers of assorted types!) Representatives in the group from Independence Township were Mrs. Richard Johnston; Mrs. Robert Jones, and Mrs. Charles Robertson.

Included in the program was a pictorial review of what United Fund Dollars Do by Mr. William Belaney, chairman of the Pontiac Area United Funds Speaker's Bureau. Also a cooking demonstration with Barbara Zimmerman and Harriet Cannon of Consumer Power Company was of special interest to the volunteer workers present.

The rally was not only informative but helped create enthusiasm concerning the forthcoming drive which begins October 11, 1966.

Mrs. Stan Jones, Mrs. Andre DeWild, Mrs. Elmer Barker, Mrs. Robert Irwin, Mrs. Richard Johnston, Mrs. Robert Jones, and Mrs. Charles Robertson whose combined talents make up "The Affirmatives" took part in the U. F. Rally at the Elks Temple on Tuesday.

Lillian and Don Ashley (left) are the instructors and callers for the "Square-Rounders". Mr. and Mrs. Homer Richmond (right) are the President and Treasurer, respectively.

Dinner Dance Highlights Club Year

The second dinner dance of the "Square Rounders" was held on Tuesday evening, September 27th. Nick's Restaurant on M-59 in East Highland was the scene of the affair.

The club which is now in its second year is basically a round dance club who do some square dancing. For this party, there were a total of eight squares. A guest caller, Martin Lock from Pontiac made things lively for the dancers.

Lillian and Don Ashley are the regular callers and instructors. The group meets twice a month, on the 2nd and 4th Tuesday in the Township Hall. Starting on October 4, there will be 10 weeks of a new class in Basic Round dance steps. The Ashley's will be the instructors for these classes.

Those interested in more information should call either 625-0174 or 625-1914. Homer Richmond is President of the group, while Mrs. Richmond serves as the Treasurer.

Modernizing?
New Heating System?

Decisions. Decisions. Decisions.

(May we help you with an important one?)

Your choice of a heating system is one you'll live with for a long time. So, naturally, you'll want to make sure you get a system that won't cost too much to own. That's where our new electric heat guarantee comes in.

Here's how it works: We'll see that you get a written estimate of heating costs—before you buy. Then, your monthly bills may be less, but they won't be one cent higher than the estimate. We guarantee it.

If the installation needs adjustments to meet the guaranteed cost figure, we'll see that it's done. And if at the end of three complete, consecutive heating seasons the system is still not operating within our estimate, we'll remove it and refund your money.

Before you make any more important modernizing decisions, get the facts on modern electric heat. You can't lose!

Take A Pay Cut

How do you convince a young high school graduate that he might be better off in the long run to turn down a \$3.00 an hour production line job and accept one for half that much?

The reasons behind the idea of accepting less money aren't as hair-brained as they may seem.

College-bound graduates expect to spend four or more years with little or even no income. They know they will make more in the long run with the additional training college offers.

But somehow, even though the same principle applies, entry into a skilled trade has never been approached from the same direction.

That skilled tradesmen command more pay than unskilled is no secret. In fact, a four or five year apprenticeship will often pave the way to jobs paying much more than many college-degree jobs. And yet, skilled trades, even when jobs in general are scarce, go unfilled.

The causes of the problems of too few skilled tradesmen are many, but two stand out. For the past several years there has been a marked labor shortage in general with unskilled, but very high paying jobs plentiful. And the trade unions have fallen flat in their training programs.

As a result, it is difficult to get into apprenticeship programs in the higher-paying metropolitan areas, and easy to get high pay in unskilled jobs. It's hard to make anyone worry about the future of his job when he is taking home over \$150.00 per week, as is often the case in the auto industry during the past couple, record years. But they are dead-end jobs, the first to go during periods of decline, and with little or no chance for advancement of skill.

But for those with more vision who are willing to make some sacrifice in starting wages, training in the skilled trades is available. (We must hasten to point out that the "sacrifice" is much less than that made by college-bound youth.)

Another, and perhaps even better, solution to the problem is a cooperative program between industry and the schools, whereby students in early high school could get actual on-the-job training. In effect, this would give the schools the advantages of local industrial machinery and technical skills without the fantastic cost of buying the necessary equipment for training.

This is not possible at the present time. State labor laws prohibit youth under 18 from working around machinery except in school. But it is possible to pass the necessary legislation to make such a program a reality. Tremendous improvements have been made in working conditions since these laws were passed and many of the situations which prompted the laws no longer exist.

It would make it possible for youngsters to get a two or three year head start in their job skills, and make it possible for industry to pay more competitive wages to these youngsters on graduation.

It was midnight, and on that humid August night, the small cabin was quiet. Upstairs in the loft, young Francis Davis was sleeping.

When his father and another man in the neighborhood had gone to the Big Meadow in Brandon to cut hay for the winter ahead, Francis had

been left behind to help his mother and aunt with the chores. There was little diversion in that pioneer settlement but the boy had managed to swallow his disappointment and "Maybe next year" his father had told him.

It hadn't been easy for anyone to sleep for even though the glass-less windows gaped open, there was no cooling breeze to come in. A noise outside the cabin awakened Mrs. Davis and running to the door, she listened in apprehension.

The early farms were isolated—miles from their nearest neighbors. And until the forests were pushed back, wild animals were a threat to both people and livestock. Courtesy Michigan Historical Commission

CLARKSTON, (Mich.) NEWS Thurs., Oct. 6, 1966 7

Going back to the bed, she awakened her younger sister, Emily Green. Mrs. Davis was certain there was a bear outside the cabin! Emily sleepily scoffed. There hadn't been bears around for quite a while but at her sister's insistence, she went to the door and looked out. There in the moonlight, the frightened women saw the outline of a bear. As they watched, the bear began clawing at the side of the cabin, and Mrs. Davis' first thought was that he could very easily climb the log walls of the low house and enter the big open window at the head of the loft where Francis was sleeping. In desperation, Emily snatched up some food from the cupboard and threw it into the clearing. Snuffling hungrily, the bear lumbered over and began to eat. Awakened by the commotion, Francis scrambled down the ladder from the loft and the three tried to think of a plan to drive the bear away. Left to his own devices, a bear could ruin crops and gardens and kill the livestock, something no pioneer family could afford.

The bear, finished with the food, was already turning back toward the cabin. Before either his aunt or mother could stop him, Francis snatched up an ax, and ran out the door toward the bear. The bear paused in surprise and Francis swung the ax at the bear's head. Horrified, Emily and her sister ran after him. The boy landed several good

blows before the bear, as angered as he was injured, charged Mrs. Davis and her son, driving them back into the cabin. Now the bear was between Emily and the cabin, and the young girl, cut off from retreat, picked up a hoe that had been left leaning against the fence, and ran toward the bear. Frightened for her own life, Emily desperately chopped the blade of the hoe into the bear's skull. By now, the ax blows had begun to take effect and most of the fight had gone out of the animal. Slowly, he keeled over at Emily's feet and lay still. Francis ran out with his ax and for good measure, hit the bear a few more times. Trembling, the young boy and his aunt stared in amazement. They had actually killed a bear—with an ax and a hoe.

The year was 1833—on a farm newly cut out of Independence Township, and so laudable did the early pioneers consider this brave deed, that it was made a matter of record in the annals of Oakland County's history.

In the search for information and pictures for these articles, we have met some lovely people. This week, our special "Thank you" goes to Miss Geneva Kebler head of the Archives of the Michigan Historical Commission in Lansing. She not only furnished the pictures for the article but she got them in the mail so fast we received them the day after calling her.

Ripples from the Pool By Faith Poole

Don't forget that the Jaycee sponsored Chicken Bar-B-Que is this Sunday—the Junior High cafeteria is the location!

we can't print the picture we can offer our congratulations to the organization. Their coming "Flea Market" to be held on October 22 will have a lot to interest area buyers.

We took to the roads Sunday as seemingly everyone else did. However, our choice this time was the countryside over in Canada. We have a favorite circle tour which we make every year or so—spring or fall whichever suits our taste or penchant for travel. For a color tour I prefer to take an early one—before the black frost lays waste to all the flowers. Last weekend was the right one for that—the gardens which abound so plentifully in our neighboring province were a riot of color—especially near St. Mary's and Stratford—the profusion of maples just starting to turn was something to see. One thing we noticed was the conspicuous absence of the dying elms—something that is becoming most depressing in this area of Michigan. A few antique stops, some favorite dining spots rounded out a perfect two days.

The Rotary Club of Clarkston was passing around some big checks this week. A lot of hard work went to back these checks up. Elsewhere you will find pictures of the recipients and those who presented the checks.

Two fire departments fight house fire

It was a quiet month for the Independence Township Fire Department!

Ten alarms were answered during the past month—four were for the use of the inhalator, one was a rescue call and one was a grass fire on I-75, supposedly started by a cigarette.

The most recent fire was early Monday morning in a vacant house in Waterford. The blaze which started about 2:30 A. M. was at 5855 Mill. Both the Independence department and the Waterford department battled the blaze. It took approximately 45 minutes to get it under control. The second story was completely burned off and the lower level was gutted. Cause of the fire is unknown.

ORDER CANDY NOW

The Boy Scouts of Troop #126 have started their Halloween Candy Sale. Dates of the sale are October 5-20.

Area residents who are not contacted as the boys go door to door are urged to call W. E. Whitmer at 625-5431 to place their candy order.

FLOWER ARRANGING CLASS OFFERED

Community Activities wishes to announce that arrangements have been made to teach a class in fresh flower arranging and centerpieces at The Community Center on Tuesday mornings. Classes to start as soon as enough registrations permit. The class will be taught by Mrs. Olive Caruso who is employed by Dunstan Florists. For registration call OR 3-9102.

The Clarkston News

SECTION THREE

Thurs., Oct. 6, 1966

9 CLARKSTON (Mich.), NEWS

The pile of yellow pipes at the side of Main Street in Clarkston, Consumers Power report is necessary in order to replace 2,300 feet of 4 inch natural pipes with new 6 inch main lines. This increase in pipe diameter will increase the gas use capacity north of Main. West of White Lake Road is also scheduled to receive gas with 1,100 feet of two inch main line going in. This will bring Consumers Power service to the Langle Street area. The company is reassuring in the report that large trees in the way will be dredged under, unless already scheduled for removal. Sidewalks that must be torn up will be replaced.

"Flea Market", Oct. 22 project of Legion Auxiliary

The American Legion Auxiliary will be holding a Flea Market on Saturday, October 22 at the Legion Hall on M-15. Selling in the market will be local collectors who have "over-purchased".

This is the first year for such an event and the ladies are hoping for an enthusiastic turn out. The

sale will go to help underwrite the expenses for sending a girl to "Girls State".

The Flea Market will be held from 9 A.M. until 5 P.M. There will be a general line of antiques and other articles including 2 gun collectors booths.

The Auxiliary will be serving coffee and doughnuts also on that date.

IN AIR FORCE

John L. Kranich of 6280 Eastlawn, Clarkston is undergoing his Basic training at Lackland AFB, Texas. A recent enlistee, he is the son of Mr. and Mrs. Donald Kranich.

John is a Clarkston High School graduate with the Class of 1966. His enlistment is for a 4 year hitch.

His basic training will conclude on October 23 following which he will be assigned elsewhere.

Edith Tower honored

Austin Chapter No. 396 Order of the Eastern Star of Davisburg had their advanced officers night and annual memorial on Tuesday night September 27 in the Masonic Temple at Davisburg.

They honored their secretary Edith Tower and presented her with a 50 year pin and two dozen red and white carnations (her favorite flowers) for 50 years of faithful service to the Eastern Star.

Reaching out . . .

-CHRISTIAN STEWARDSHIP-

It shall come to pass, saith the Lord God, that I will pour out my Spirit upon all flesh; your sons and your daughters shall prophesy, your old men shall dream dreams and your young men shall see visions: upon all will I pour out my Spirit.
Joel 2:28-29.

The Church has a valid claim upon every man's allegiance because it is an essential, vital part of the life and ministry of Jesus of Nazareth. He whose spirit lives in and moves through His disciples to create a world community which in its corporate life and action can and will express and bear witness to those eternal values and ends which constitute God's purpose for His world. This is what the Church is for and this is what it has been trying to do throughout the nearly two thousand years of its history.

It is the Church of the prophets and the martyrs, the Church of Peter and Paul, of Augustine, John Wesley and John XXIII, and of all those who have been the light of the world in their several generations, that demands our allegiance.

Let us therefore heed well the call of the Church for active, able stewardship. Let us rejoice that there is in the Church this day strong evidence of a resurgence of faith and courage and of the spirit of brotherhood, both of which hold out great promise to a world weary of divisive issues and weary of strife and violence.

One may ask, what does it profit him who hears Jesus' persistent pleading and in an act of faith and worship assumes the burden of Christian stewardship? That fortunate man does thereby add the vital cubit to his own spiritual stature. His life, a living stone, is taken up and set into the growing wall of the temple of God. His faith justifies him in God's sight, and what is more, his Church is aided and abetted in its eternal striving to be the conscience and the backbone of the good society.

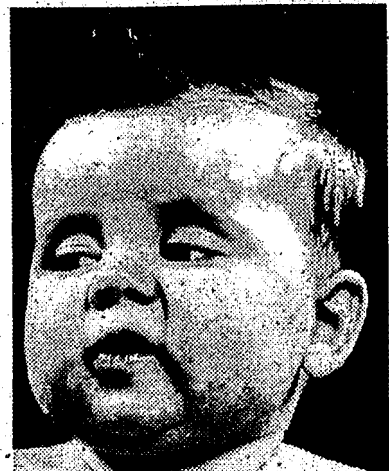

Eternal God, our Father: Open our eyes that we may see Thee high and lifted up. Open our ears that we may hear Thy voice and be at peace. Surely our desire is unto Thy Name and to the remembrance of Thee forever. AMEN.

We've just invented some bright new ways to say Wide-Track.

Hideaway headlights, disappearing windshield wipers, a 350-hp, 400 cubic inch V-8 and a new convertible make the Grand Prix more desirable than it's ever been—if you can imagine that!

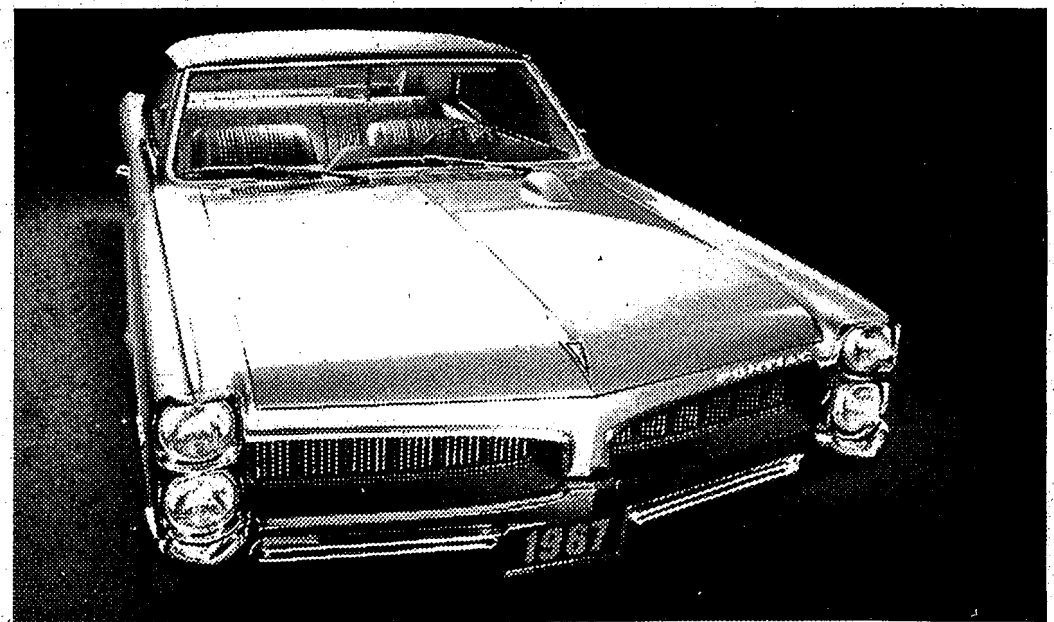

An elegant way.

Besides a new front, new fastback, new inside, new engine and new Wide-Track ride, our Catalina also features the newest engineering trick in years—our disappearing windshield wipers which are less subject to icing and freezing.

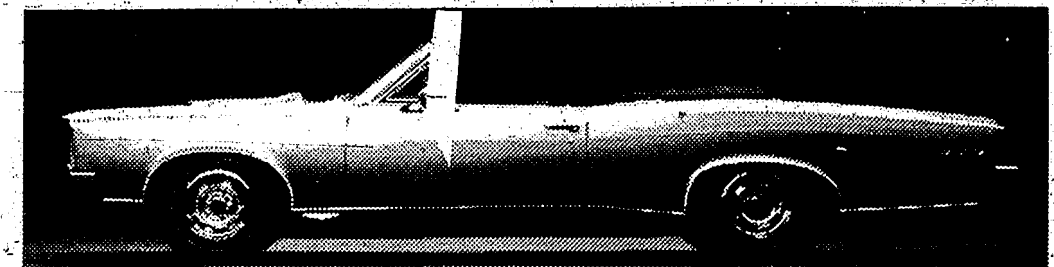

A bold way.

What else is new in Wide-Track Country? We've got new 400 and 428 cubic inch V-8's. New interiors. A host of new standard safety features such as folding front seat back latches on all two-doors, a dual master cylinder brake system with warning light, the energy absorbing steering column developed by General Motors, and a four-way hazard warning flasher. Options? Everything from front-wheel disc

It isn't enough that we give you our revolutionary Overhead Cam Six in a beautiful new Tempest and Le Mans for '67. We go ahead and improve the ride, handling and comfort, too.

A brash way.

If we have to tell you about The Great One (otherwise known as the Pontiac GTO), maybe you just don't like cars. You can order it in 335- (standard), 235- and 350-hp versions.

And a way that just won't quit.

brakes to an eight-track stereo tape player. And, of course, all Pontiacs boast the road-hugging security of Wide-Track ride and handling. Northern Oakland Girl Scouts will conduct \$70,000 appeal within 6 area communities

The Northern Oakland Girl Scout Council will conduct an appeal for \$70,000 in Independence township and five other communities.

The purpose of the appeal, which will be held throughout November, is to raise funds to continue and sustain Girl Scout programs and services in these areas. Also included in the appeal are Pontiac, Waterford, Orion, Oxford and Brandon.

Mrs. Elwyn Tripp of 2551 Voorheis Road, Pontiac, Council president, stated "since our Council has been excluded from the Pontiac Area United Fund, we must go to the community residents for financial support if we are to continue services to 4,800 Girl Scouts within the area."

Mrs. Tripp noted "we feel that the public is unaware of this decision by the Pontiac Area United Fund and does not realize that when they contribute to the Pontiac Area United Fund they are not contributing to Girl Scouting."

According to Mrs. Tripp, the Girl Scouts were excluded when they were unable to complete an agency survey sponsored by the Pontiac Area United Fund and conducted by a professional firm last year.

The Northern Oakland Council provides scouting services for 8,000 girls in 20 communities and has a waiting list of 2,500 girls wishing to become Girl Scouts. The Council serves one girl in every four within its jurisdiction.

Within the Appeal area

of the six communities the 4,800 Girl Scouts make up nearly 60% of the Council's girl membership.

The Council does receive support from four other funds and community chests including the United Foundation of Detroit.

Your help is needed. Sign up—men—as Red Cross volunteers. Call FE 4-3575.

Great versatility in YWCA Class

New fall classes at the Pontiac YWCA offer many exciting learning possibilities. Curriculum titles suggest a diversity of interests, designed to capture the imagination of anyone with a yen to sharpen skills, increase knowledge, promote good health or create a new hobby.

Appearing for the first time on the Y agenda is THE

ART OF SELF DEFENSE. This class is being taught by Douglas Kalish and is a combination of ju-jitsu, sport judo, karate and goshin-jitsu. Kalish has taught self defense in Y's and recreation centers for eight years. He is a Grosse Pointe Shores policeman who believes women and girls need to know how to defend themselves from rapists, robbers and

murderers.

Another novice in the curriculum is POWDER PUFF MECHANICS, a simplified course in automechanics. Mr. William Kennerly, instructor, will demonstrate how to recognize trouble, identify parts and make simple repairs. A five-session class, it begins October 12.

MODERN MEMORY METHODS, a nationally recognized course, will be taught by Kurt Wheelock, who promises to those who successfully complete it "the ability to remember anything they wish for as long as they wish to remember it."

Noel Rice Loveland, local free lance writer, will conduct CREATIVE WRITING, in which class the techniques of writing for fun and profit will be highlighted. Subjects to be explored during the 8-week course are approach to writing, forms of expression, gags and fillers, market disciplines regarding articles, short stories, poetry and photo-journalism.

Maxine Sheldon, well-known Birmingham charm expert, will conduct a CHARM AND POISE workshop. "The Personal Touch" is particularly adapted to the mature woman, the homemaker, the executive's wife, the mother-of-the-bride, the woman who wishes to re-enter the business world. In fact, it's for any woman who wants more satisfaction

THE CLARKSTON, (Mich.) NEWS Thurs., Oct. 6, 1966 11

in day-to-day living.

Yoga is again being offered with Margaret Sitterlet, Instructor. Adapted from an old Hindu exercise, Yoga is gratifying to any woman in search of health and beauty.

Hairstyling Do's and Don'ts, a repeat of a popular course conducted by Mr. James will be a Wednesday evening class. In five lessons women will be shown how to care for and style their hair between sets.

In addition, morning or evening classes are being held in furniture refinishing, knitting, book reviews, upholstery, cake decorating, floral arranging, swimming, bridge, sewing, guitar, arts for adults. Also arts for children and knitting for teens will be conducted Saturday mornings.

The YWCA's classes are planned to meet the needs of the residents of Pontiac and adjoining areas. Men are welcome in all classes except swimming. Further information regarding classes which begin the week of October 10 may be obtained by contacting the YWCA, 334-0973.

In addition to the above classes, the Pontiac YWCA sponsors an International Club, a group of people of foreign birth, who meet, mingle and make friends. There is also a Golden Age group, women 65 years or older. This group meets on the fourth Tuesday for dessert luncheon and varied programs. Transportation is provided if needed. Also, meeting on Mondays for a recreational evening is the PSH-Y group, a coeducational group of convalescent patients in the young adult range.

Interested persons are invited to attend any of the above groups.
