

# The Clarkston News

## Manzella trial in December

The County Prosecutor's office told the News last week that the Anthony Manzella trial will doubtless not be held until sometime in December.

The case was originally scheduled for the November calendar of court cases. But jurors are not being called until November 29, hence it will probably be December before cases scheduled for November are heard. His trial had previously been set for August 2.

He will stand trial on a charge of assault with intent to do great bodily harm. The charge results from an incident which occurred in Manzella's Lounge at 7504 Dixie Highway earlier in the year. It was made by John Adams of 6501 Maybee road following the alleged beating of Mr. Adams. The attorney for Mr. Manzella is Clarence Smith of Pontiac.

In a communication read at the Township Board meeting this week it was learned that the State Liquor Control Commission does not review a license once it has been revoked. The township attorney Paul Mandel had written to the Commission when 3 men seeking to buy the establishment asked the township boards assistance in getting the license reinstated. The men are Paul G. Valentino and Jerome E. Mulligan, both attorneys and Joseph E. Tersigni, a real estate broker. The Liquor commission had revoked the Manzella license last spring when recommended to do so by the township board.

The alternative to this stale-mate would be if the interested parties were will-

What better way to relax during halftime of a football game than eating a carmel apple. Dawn Gottler knew her team, the Clarkston Wolves, would win, which they did, 45-20. Dawn is the daughter of Mr. and Mrs. Steve Gottler, 6371 Beach.

ing to finance an Independence township census. The information which the Commission uses to base the number of licenses on is the 1960 census. If population was found large enough, a new license might be available. First to be determined would be the population and then the license application, following which an investigation would be launched before a license would be approved.

## That's a lot of pancakes!

Bud Hawke, chairman of the Rotarians sponsored pancake supper told the News last week that over 350 persons were served. It was held at the Community Center on Monday evening October 24.

This is an annual affair sponsored by the Club to raise money for their community-wide projects.

## Local races will dominate Elector's interest Nov. 8

With the forthcoming election on November 8, campaigning in Independence township turned to a brisker pace during the past week. Local candidates as well as area office seekers began the last-ditch effort to woo the voters.

The supervisor's race in the township was generating interest as Duane Hursfall, incumbent supervisor campaigned against Robert Copeman for that office. Mr. Hursfall, Republican, who resides at 119 N. Holcomb street in Clarkston has held the office since 1958. In that capacity he has served on the County Board of Supervisors. He is currently the Vice President and President Elect of the Michigan Township Association and has held numerous offices and served on committees relative to the county supervisors association. He is a life-long Clarkston resident.

Mr. Copeman, a Democrat who is making his first try at elective office lives at 5266 Pine Knob road and has resided in the township for 20 years. He operates "Copeman's Dream Twist" on Sashabaw road. A veteran, he belongs to various veteran's organizations as well as being a member of the International Brotherhood of Teamsters, Local 614. He also belongs to the Building and Construction Trades Council and is a past-president of Michigan State employees association.

Howard Altman, Clerk and Kenneth L. Johnson, Treasurer have no opposition in this election. Mr. Altman, a Republican who is a resident of 61 S. Holcomb has been the Clerk since 1960 while Mr. Johnson, a Democrat was elected Treasurer in 1958. Mr. Johnson lives at 44 Church street.

Harold Bauer of 6111 Middle Lake Road is being opposed by Charles S. Curry, Jr. for his trustee seat. Mr. Bauer, who has served as Trustee for 10 years is the Executive Vice President, Secretary and Treasurer of Pontiac Paint and Varnish Company. Mr. Curry works at Pontiac Retail Store. He is a member of the Clarkston Jaycees and a former vice-president of that organization.

Three Democrats and two Republicans are seeking the four constable positions. The two Republican incumbents are, Harry R. Fahrner and Harry "Bud" Yoh. Mr. Fahrner, who resides at 10 Robertson Court was elected in 1964 on a write-in. Mr. Yoh, a Manufacturer's representative who lives at 7 Buffalo street has been a constable since 1961.

Paul Derryberry, 5208 Mary Sue is employed by Pontiac Motor. He is chairman of the Political Action Committee and is a member of Billie Farnum's campaign committee. Earl R. King, also an employee at Pontiac Motor

resides at 5550 Mary Sue, Donald Hester, a resident at 9632 Hadley Road works at Pontiac Retail Store. His memberships include the Clarkston Jaycees and the Pontiac Moose.

Incumbent Representative, Francis Crowley, Democrat is running against Loren Anderson for the 61st District while Carl O'Brien, incumbent state senator and a Democrat is being challenged for his job in Lansing by L. Harvey Lodge, Republican.

Voters next Tuesday will also have three questions to vote upon. One, a state question deals with a proposed amendment to lower the minimum voting age from 21 years to 18 years.

The other two are county questions. Proposal No. 1 is for the purpose of acquiring open space to develop parks and recreation facilities for the people of Oakland county. The other one deals with the County Merit System, asking whether the Board of Supervisors should establish a Merit System for the employees of the County.

Voters will have to make these other choices when they mark their ballots next Tuesday.

DEMOCRATS	REPUBLICAN
Zolton Ferency	Gov. & Lt. Gov.
John Bruff	George Romney
James Hare	William Milliken
Frank Kelley	Secretary of State
U.S. Senator (to fill vacancy and full term)	George Washington
G.M. Williams	Atty. General
Rep. in Congress	Lawrence Lindemer
Billie Farnum	Robert Griffin
State Bd. of Educ.	Jack McDonald
Leon Fill	Leroy Augenstein
Donald Thurber	James O'Neil
Regents of U. of Mich.	Robert Brown
John Collins	Trudy Huebner
Irene Murphy	Board of Trustees M.S.U.
Nathan Conyers	Frank Merriman
Warren Huff	Ken Thompson
Bd. of Governors Wayne State U.	Alfred Sokolowski
Jean McKee	Norman Stockmeyer
Leslie Schmier	

Also to be voted upon is the Non-Partisan Ballot. Because these candidates run on the non-partisan ballot, they are frequently overlooked by the voters. This is shown in past elections where court candidates received only a fraction of the vote cast for other offices.

## BANK DEPOSITOR INSURANCE TO \$15,000

Insurance of deposits in banks has been raised from \$10,000 to \$15,000 for each depositor. This increase was part of the program approved by the President in the "Financial Institutions Supervisory Act of 1966".

A copy of the new law and revised rules and regulations will be mailed to the banks as soon as they are available. However, the insurance of the Federal Deposit Insurance Corporation now stands at \$15,000 for each depositor.

## Two car crash injures four

A head-on crash on Andersonville Road about 11:30 p.m. last Friday night sent four persons to a hospital.

State police report that a car driven by Douglas Utter, 21 of 6511 Wealthy crashed head-on into a car driven by Donald L. Spangler, 18 of 7884 Perry Lake Road. Gerald Galligan, 21 of 7747 M-15 was a passenger in the Utter car. Both Utter and Galligan were

listed over the weekend as being in serious condition at St. Joseph Hospital.

Riding with Spangler was Cheryl Witherup, 18 of 5723 Chickadee. They were both treated and then released from Pontiac General

Hospital.

The police reported that Utter apparently was driving too fast as he rounded a curve west of White Lake Road. The vehicle swerved out of control and hit Spangler's car.

MAZE OF WIRES-For every telephone there has to be a pair of wires running from the station to the phone. One of the wires is held by Duane Hursfall. There are 3,000 of them in the large cable in the center. The Clarkston facility handles only the 625-exchange.

FREE TOUCH-TONE CALL-Michigan Bell showed off their new Clarkston station Thursday night to local village and county officials. Among the things shown was the touch-tone dialing which was tried by Duane Hursfall, supervisor, Frank Crowley, state representative, and Bob Wertman, village president. He touch-toned his daughter at Albion College and Mrs. Wertman edged in for a comment. The touch-tone phone is shown on the desk. Not seen is a speaker that carried both conversations to the group.

**Jim's Jottings**

I suppose this column should be started this week by telling people to vote Tuesday, but I don't think I will.

Instead let's talk about inflation. There's a commercial on the tube these days that asks the stirring question "You wouldn't use someone else's toothbrush, would you?" Then, of course, the company answers its own question. "Then you shouldn't use the same bathroom glass that other members of the family use."

Well, let's tear that apart. I see no relationship between teeth brushes and bathroom glasses. The only bathroom glasses in our bathroom are the ones I wear to see the hot and cold faucets and if I could remember which was on the right I wouldn't wear them then.

If they're talking about the other kind of glasses I'm lost. I can't understand why anyone would have a glass in the bathroom, unless it were left there by some poor soul who forgot it after taking his Alka-Seltzer. I don't think I have ever seen a glass come out of a bathroom in the same shape it went in.

Between wet hands and soap the glass doth slip. And, with all that white colored steel the glass doth break... in millions of pieces it doth break.

However, if a drinking glass were left in a bathroom, and if members of the family, or even close friends want to share it I see no cause for alarm. Or, in this case, no reason to go buy a paper cup dispenser and pound a nail through the ceramic to hold it up.

If you want to stick to sharing drink containers... everyone in our house, except 4-year-old Susan (and she's tried it) gets into the refrig and tips the 2-quart milk bottle. Oh, sometimes they try to be sneaky, but after seeing Dad being quite open about it their courage is bolstered.

On the other hand, have you ever drank from a public fountain, or let your children? The first thing you warn is "Now, don't put your mouth on the fountain" and the first thing they do is put

**THE INFERNAL MACHINE**—Doug Davey, station installation foreman, explains this tape cutting machine. Every call going to or from the 625-exchange is recorded on the tape. It tells the phone numbers used, time of day and time used for the call. This paper tape is then transferred to a magnetic tape from which bills are printed. It's called automatic message accounting.

*Ripples from the Pool* By Faith Poole

Each week sees a few more changes at the Clarkston News—however many of these changes are not evident to readers. For the past 3 weeks much of what we call "paste-up" has been done here, with only the dark room work and press run being done in Oxford. By "paste-up" I mean, the pages are put together on light tables—ads assembled and news fitted in. Much of this work is done with a waxer, tweezers and scissors. There's lots of trimming and fitting to make every-

thing come out as it should. Publisher Jim is trying to teach Rustie and myself the fine points of this composition, but we keep forgetting one thing. All these little snips of waxed paper that we cut off stick wherever they fall and I mean stick! This upsets Jim as he is great for working in neatness and not disorder. Which brings it all back to one thing he said when we first went into this offset business, "Since it will be a new experience for us it will be necessary to creep a while."

And so on a recent Tuesday night we have big Jim creeping around on his hands and knees with his tweezers trying to pick up these tiny waxed pieces before they become a permanent pattern on the linoleum. If you can imagine anything quite like it—Rustie and I trying to walk around him or wherever we might step in

this tiny 7 x 9 foot room where the paper is put together. It would have made an appropriate cartoon for a trade magazine!

I have always had to admit that my mother in law did a very good job bringing up her son, with the exception of perhaps one thing. To encourage his love for hunting and fishing, she was always there to help him clean his game. And so many years ago when we were married, we had some nice friendly little discussions on taking care of whatever came of the hunting or fishing expedition. As his business became more time-consuming there were less and less of these trips, but within the last couple of years, he has often again taken up the sport. So, this year on the opening day of bird season, I firmly announced "If you get any birds, have them taken care of when I get home!" But what happened! Just as I was driving in the yard that night, he sheepishly came over a fence carrying a pheasant—the excuse being that he had just downed it, so once more we had a little friendly discussion which ended with his plucking it and I did the rest. Later, feeling somewhat guilty I ran his hunting clothes through the washing machine thinking everything would be all set for the next trip.

But what do you suppose? Did you ever try to pick the pieces of a hunting license out of an automatic washer? Neither did I, but how do you ever explain anything like that without it sounding deliberate?

**"Bozo The Clown" Here on Sunday**

The Clarkston Jaycees and "Bozo the Clown" have completed all plans for the big family fun program at the Clarkston Sr. High this Sunday afternoon, November 6. Bozo will host the show and will present four of the best acts that he uses as he entertains children and families throughout Michigan and Ohio. Bozo will also spend a full half hour in his own routine of games and jokes with the children. After the show Bozo will see that every youngster takes home an autographed picture of him.

Bozo will open the show by presenting Fred Daye and his comic band. A variety

of unusual instruments will be used and the audience will take part in some of the routines. Milky will present his tricks of magic which are more unusual and versatile than those he performs on TV. Harold Ramm and his marionettes will present the best act of its kind in the country. Mr. Ramm has retired his Punch and Judy Act and the puppets are a permanent display at the Detroit Institute of Arts. He now devotes full time to his marionettes and specializes in difficult feats by the marionettes. Mr. Ramm wants the children to see him work the marionettes and so he works in full view of the audience. Red Ace will have balloons everywhere as he creates numerous forms for the children.

The climax of the program will be Bozo's own routine and the presentation of prizes. The prizes are a girls bike, a boys bike and a free dinner for a family at an area restaurant.

Tickets may be purchased at the door, at the Clarkston Junior High office, at Ronk's Barber Shop, or from any local Jaycee member.

**BECOMES REGISTERED ENGINEER**

Albert L. Schaller of 5587 Kingfisher is one of the 348 Engineers in Michigan to become registered by examination. In order to qualify for registration, the Engineer candidates were required to have a minimum of eight years of qualifying experience and college credits in their respective field in order to write the examination.

To give further public recognition and a formal welcome into professional status, these newly registered Engineers have been invited by the Architects, Professional Engineers and Land Surveyors' Council on Registration to receive their certificates at a meeting on November 5 at the Detroit Edison Office Building in Detroit. This meeting is sponsored by Apelscor so that the members of the family and friends can be present when these new registrants are presented with their certificates by Thomas Sedgewick, Chairman of the Michigan Board of Registration.

Friday, November 4  
Clarkston High vs. Milford High at 8 p. m.—Milford.

Sunday, November 6  
Jaycee sponsored entertainment featuring Bozo the Clown. 2 p. m. at C. H. S. Gym.

Monday, November 7  
Regular Board of Education meeting at 8 P. M. This will take the place of regularly scheduled meeting of November 14.

Wednesday, November 9  
Charter Night for the Clarkston Jaycees at Airway Lounge, Waterford.

Regular meeting of Clarkston Composite Squadron, Civil Air Patrol. 7:00 P. M., Annex Building, 90 N. Main Street, Clarkston.

## NOTICE

Persons who are going to be absent from the community on Election Day, November 8, should make application now for an Absent Voters Ballot. This should be in the form of a written request directed to the Independence Township Clerk. Persons who know of or have friends or relatives who are registered electors, but will not be here on November 8 are urged to apply now so that the ballots can be marked and mailed back by Election Day.

All Service personnel can still register and make requests for absentee ballots at the same time.

THE QUALIFIED ELECTORS OF INDEPENDENCE TOWNSHIP are hereby notified that 2:00 P. M. Saturday, November 5th is the deadline for making application for and ABSENT VOTERS BALLOT. For the November 8th GENERAL ELECTION.

# Wolves sink Lakers 45-20

By MEL VAARA

The Clarkston Wolves dropped 7 bombs on the West Bloomfield Lakers and sunk all hopes of a title or even a 2nd place finish. The bombs were well placed by the navigator Dan Fife.

1st Mark Erickson, 7 yard run.

2nd Cecil Caverly, 9 yard run.

3rd Mark Erickson, 30 yard run.

4th Dan Fife passed to Mark Erickson, 10 yards.

5th Tom Allen passed to Dan Fife, 30 yards.

6th Dan Fife passed to Mark Erickson, 30 yards.

7th Dan Fife passed to Tom Allen, 4 yards.

I certainly believe this was one of the finest victories by a Clarkston Football team. Sure they scored

45 points against Brighton but when you defeat an Art Paddy team by 25 points, you have accomplished something.

Clarkston received the kick-off and from their own 24 marched the rest of the way to the goal line. It took only 9 plays with Erickson gaining 31 yards on 5 plays and Caverly had 14 yards on 3 plays. The big play was a 22 yard pass from Fife to Tom Allen.

West Bloomfield came right back with cross-back after cross-back. Scored in 10 plays.

The Wolves charged back and scored in only 4 plays.

44 yards were gained on a pass play from Fife to Tom Allen. He button hooked back and faked the catch. Fife as he had a 2nd down

and 2 situation, Fife caught hand-offs to Erickson and Caverly, straightened up and fired a 10 yarder to Mark Erickson.

Fife called for his Thursday night play for the next td. The play starts with Fife handing off to Erickson. Erickson hands off to the end Tom Allen. Allen fires the ball to Fife and he takes it the rest of the way. Easy isn't it?

Clarkston recovered a fumble on West Bloomfield's 30 and on the 1st play, Fife passed 30 yards to Mark Erickson for their 6th td. We should really comment on a beautiful take by Tom Allen. He button hooked back and faked the catch, and all of the West Bloom-

field's defenders. This enabled Erickson to walk across the goal line.

Tom Allen scored the 7th td on a 4 yard pass from Fife. The play was set up on a 38 yard pass to Allen.

This is the 2nd time in a row that Clarkston scored 45 points in a row. They are almost scoring a point for every minute.

Coach Kenyon has his chargers playing outstanding ball. It's really a shame that they can't play Bloomfield Hills again. It would be a whale of a ball game. Speaking of Bloomfield Hills, they clinched their 2nd league crown in a row. They clobbered Brighton 54-6. I can't figure out why they are not rated in the top 20. They have a great team, and are deserving of a higher ranking.

\*\*\*

How about the play of Mark Erickson? His play has perked up to amazing heights. He carried the ball 12 times for 124 yards and caught 2 passes for 40 yards. His four touchdowns in one game, must be a Clarkston record.

Cecil Caverly played a fine game too by rushing for 84 yards on 13 carries and also scored a touchdown. On Caverly's td he lifted his head up for better vision and picked his way around for an easy score.

Tom Allen continued to impress everyone with his finesse as an end. Allen caught 7 passes good for 178 yards, and almost went all the way on a runback of a punt.

What more can we say about Mr. Quarterback Dan Fife. He passed 12 times and 10 of them were completed for 258 yards.

There are a few more boys too, who deserve a slap on the back for their sterling play. You keep on hearing about the fearsome foursome. Clarkston has four more to add to the long list. The three B's Bullard,

Birkelo and Bass along with big Tom Woodard. The middle linebacker Maslowski has been improving with every game, and his defensive play calling had a lot to do with stopping West Bloomfield in the 2nd half.

Coach Paddy commented after the game, "This isn't one of my finer teams" referring to the score. However, I think it wasn't the poor quality of his team, but the greatness of the Wolves!

\*\*\*

the defense in an 8 man line. There was still 2:46 left

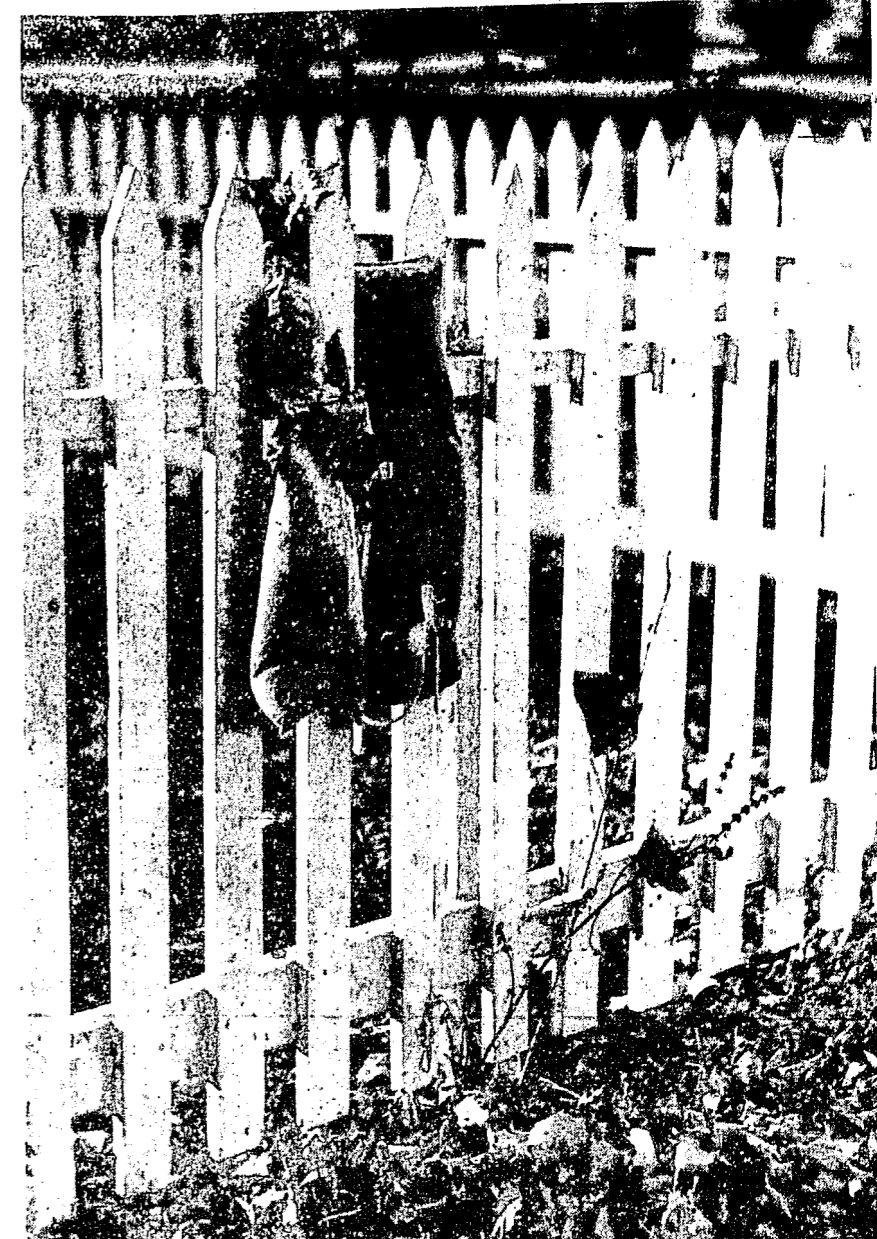

on the clock in the 1st quarter and three touchdowns had already been scored. One could sense a high scoring contest. The fans were not to be denied. The Lakers received the kick-off and in 11 plays they scored to take a 13-12 lead. With still 9:32 left in the 1st half, everytime a team had the ball they scored. However, for the time being the defenses seemed to solve the offensive patterns. Fife was nailed for a 25 yard loss by a former Clarkston athlete, Cordell Cox, and the Wolves found out how to solve the cross-backs of the Lakers.

Late in the second quarter Clarkston had a good drive halted on West Bloomfield's 4 when Mark Erickson fumbled.

At the start of 2nd half, West Bloomfield couldn't move the ball even when they were aided by 20 yards of penalties against Clarkston. The Wolves took over on their own 22 and in three plays scored a touchdown. A Fife to Allen pass gained 25 yards. Hard running Mark Erickson had two runs of 23 and 30, with the last run going all the way.

In the 4th quarter Clarkston exploded for 4 touchdowns. It started with Tom Allen running back a punt 43 yards. Even a 15 yard penalty against Clarkston couldn't hold back the on-charging Wolves. The drive culminated when Fife faked the Clarkston J. V. continued to look especially sharp, by defeating Brighton 47-18.

Jeff Keyser scored on runs of 1 and 45. Phil also tossed scoring pitches to Eric Hood and to Bruce Hardy. Hardy's touchdown covered 50 yards. His fine fire-hair runner also corry on a 25 yard run. Another freshman, Steve Warran picked up a 10 yard run near this year. He also scored. Still more on the scene. Dennis Thomas scored the last 5 yards on a drive. Not to be outdone, Dana Carlson ran over a extra point. he is a freshman too! Are you getting the picture that I have?

JUST A FORGOTTEN HAS BEEN.

## School Menus

Monday - Chicken, gravy on mashed potatoes, 1907 turkey, cranberry sauce, green bean casserole, baked apples, vanilla ice cream.

Tuesday - Spaghetti with meat sauce, french carrots, apple slices, cinnamon rolls, vanilla ice cream.

Wednesday - Chili & crackers, lettuce salad, whole wheat roll & butter, fruit.

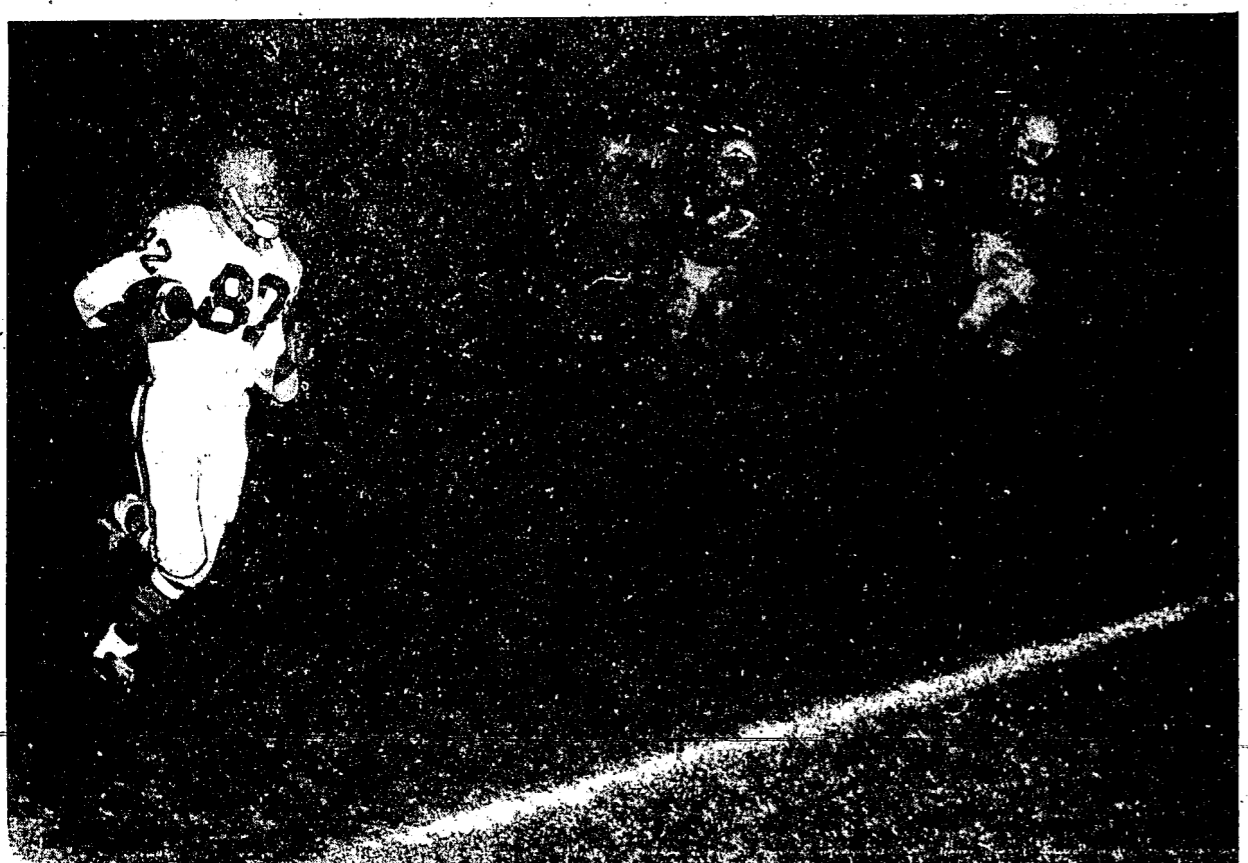

Thursday - Slice of meat loaf, jelly fruit salad, buttered corn, cookie.

Friday - Tomato macaroni salad, tomato juice, roll & butter, apricots.

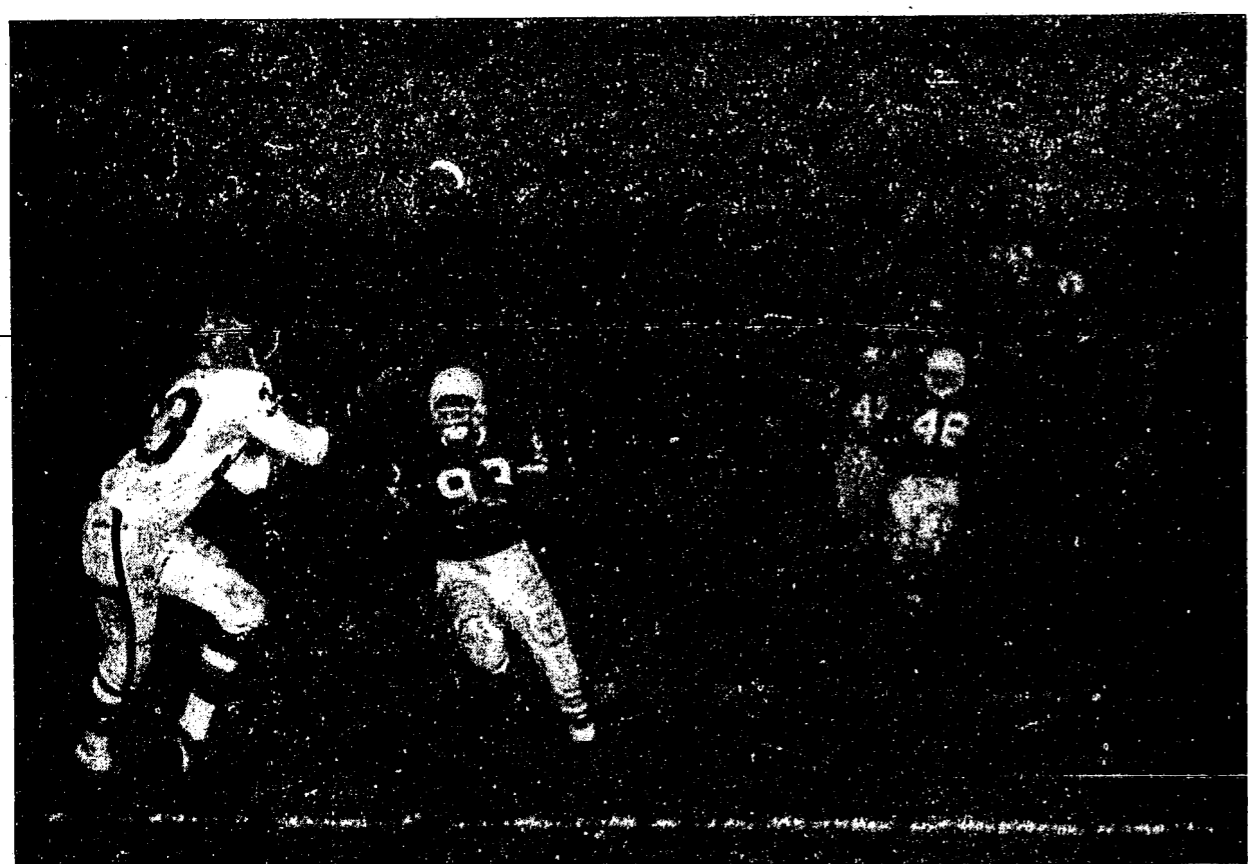

## NEWS IN ARMY

Phil Roach, son of Mr. and Mrs. Kenneth Roach, 8705 White Lake Road, Clarkston recently enlisted for a 3 year hitch in the Army. In 1966 Clarkston High School graduate, he left on October 24 for Fort Belvoir, Kentucky, where he will take his basic training.

1 of 10-Clarkston end Tom Allen, all alone, heads for a touchdown. He had a great night against West Bloomfield, catching 10 passes for 220 yards and passing to Dan Fife for another touchdown. The Wolves won, 45-20.

A LITTLE DIFFERENT-Some might think Dan Fife is out of position on this play, but the quarterback was sent out to catch a pass from end Tom Allen, and catch it he did. He waits for the ball here on the 5 yard line, turned and went in to score.

## UF Drive Reaches Successful Conclusion

Jubilant township women celebrated the successful conclusion to the United Fund residential drive at the women's Victory Luncheon held at the Elks-Temple, Pontiac, last Thursday.

Some 500 tired but happy volunteers cheered the victory announcement by Mrs. James H. Cowen, 6170 Overlook Dr., chairman of the Women's Division Campaign. The combined total of \$35,601 placed the women at 100.1% of their goal.

Mrs. Robert C. Jones reported the Independence Township drive "over the top" and at 104% of the \$5,755 goal with returns to date of \$5,929.

Mrs. Jones praised Independence residents for their generosity. "It shows," she said, "that Independence residents are not only behind the drive but concerned about the well being of other members of the community benefitting from the health, family, child care, recreation and youth services offered. The Independence Citizens Recreation Committee is one of the recipients of UF support."

High praise was given to volunteers working on the drive. "The outstanding achievement would not have been possible without the dedicated efforts of so many willing workers," Mrs. Jones stated.

The luncheon, sponsored by Fisher Body, GMTC and Pontiac Motor Division honored women campaign workers from Pontiac, Waterford, Lake Angelus and Orion as well as Independence Township.

Women reaching their area and district quotas received Indian "Oscar" awards presented by Mrs. Cowen. Independence women receiving Indian awards were Mrs. Robert C. Jones, Independence chairman, Mrs. Richard Johnston, Mrs. Harry Horsch, Area I co-chairmen; Mrs. Vincent Bronsing, Area II, chairman; Mrs. Arnold Getzan, Area III chairman; and Mrs. Norman Raedeke, Business

Chairman.

District chairmen receiving awards were Mesdames: Percy Lowery, Arthur Rose, Norman Daniels, Richard Christiansen, Charles Robertson, Wesley Sinader, John Craven, Harvey Schroeder, John Guekes, Mel Pohlkotte, Clarence Vidlund and Herbert Adams.

Also receiving awards were Mesdames: James Le-Kander, Richard Surre, Stanley Hubbell, Tommie Jackson, and Harold Westover.

### GOODWILL COMING

The next visit of Goodwill Industries pickup trucks to Clarkston is scheduled for Monday, November 7. Goodwill trucks collect household discards of clothing, shoes, hats, toys, most types of furniture and other household discards.

To arrange for a Goodwill Industries truck pickup, call the local Goodwill representative, 625-3381.

A moderately priced luncheon will be served at 12 noon. Plan your day-out Wednesday, November 9, at the Pontiac YWCA. Reservations for lunch will be accepted until Tuesday noon, November 8.

### MAKE RESERVATIONS FOR "LADIES DAY OUT"

The YWCA Ladies' Day Out program Wednesday, November 9, will feature local and state representatives from Law Enforcement agencies. All area women are invited to take part in the discussion concerning the vital role law enforcement plays in our modern day lives.

## Youth Protective Service subject of Club meeting

The program for the October meeting of the Clarkston Community Women's Club was given by Ralph Strahm, a case worker for the Oakland County juvenile court in the Youth Protective Service.

He spoke on the formation of the program by Judge Moore, how it is run by the various committees, and the purpose for having such an agency. Oakland County is unique in that it is the only County in the state of Michigan to offer such a service, and one of several in the entire nation.

As a case worker, Mr. Strahm works in five school districts, including Independence Township. He pointed out that children between the ages of 11 and 15 make up the largest group with which he works.

Mrs. Henry Brendle, chairman of the Clarkston Youth Protective was introduced. She was there to meet the Women's Club members and better acquaint

them with the local program.

In an effort to bring their program to the public's attention, Mr. Strahm expressed a need for volunteers from the community. Anyone sincerely interested in the youth of Clarkston is eligible to serve. For more information contact Mrs. Brendle or Mrs. Ron Balousek, Membership Chairman.

## Topic will be "New Fabrics"

The Clarkston Extension Group will meet on Tuesday, November 8 at 10 A. M. at the Township Hall. The program which will be on "New Fabrics" will be presented by Mrs. Lauston. A Safety Program will also be presented by Mrs. Lynch.

Luncheon will be served by Mrs. Hallman, Mrs. Sarvis, and Mrs. Lynch. Anyone interested in the meeting is cordially invited to attend.

## Police car struck, horse killed in weekend accidents

Last Saturday evening Jack McCall, 23, of 1910 Seymour Lake Road, Ortonville was on patrol and driving the Clarkston police car when he pulled Robert Sherman, 49 of 3510 Walton, Rochester over the shoulder. This happened on Ortonville road, just north of Cranberry Lake road. As patrolman McCall got out of his car, the car driven by Sherman rolled back into the police car causing damage to the front end. Sherman was arrested for driving while under the influence of liquor.

Also on Saturday, Charles Akry of 27051 Woodmont, in Roseville reported to sheriff officers that his parked car was struck and damaged. He had left it parked at 2751 Wardlow, west of Duck Lake road. Someone caved in the side and drove away.

A horse was killed in an accident which occurred

at 7:15 on Sunday evening. John Smith, 17 of 5260 Westview, Pontiac was driving on Maybee road just south of Pine Knob when a horse jumped from the shoulder in front of him. He told officers he was almost able to bring his car to a stop. The horse belonged to Raymond Stieves, 4980 Clintonville road, Pontiac. There was damage to the 1963 Ford which Smith was driving.

In another mishap which took place at 5:02 p.m. on Sunday, a driver was cited for failure to yield right-of-way and for improper overtaking. The driver was Thomas Masters, 18 of 9500 Bridge Lake Road, Clarkston. He was attempting to pass a car when he struck one being driven by Alfred Vick, 55 of 1017 Winchester, Lincoln Park. Vick was travelling in the center lane, Masters said he failed to see the car.

A new walk-way is under construction on Waldon Road just east of Clarkston Elementary School. Construction started this week. The banks will be sodded and pea gravel put in between the road and the bank.

Here are six pairs of hands that hope to reach across an ocean to let Clarkston men in service know the thoughts of the Girl Scouts are with them.

Special treats plus practical necessities were on the check list to be boxed. That box will soon have a Viet Nam address attached. Six of Mrs. Richmond's Girl Scouts in Troop #453 are: (left to right) Debbie McCarrick, Darlene Gottler, Ramona Perez and Cindy Hatler. Seated on the floor to the left is Brenda Lewis with Michele Richmond on the right.

### GIRL SCOUT NEWS

Troop 501 had their first Court of Honor Meeting Wednesday, October 26. The girls present were 4 patrol leaders and 1 assistant. Their names are Lisa Neff, Bonnie Keyser, Debbie Land, Patty Olney and Cindy Perry. The meeting was held at the Clarkston Elementary School at 4:00. If any girl

is more than two weeks behind in dues she will not be allowed to participate in any outdoor activities. Troop 501 is going to put on a skit for Juliet Lowe's birthday. She was the founder of Girl Scouts.

On November 3 the Brownies, Girl Scouts and Cadettes are going to round up at the Sportsman's Club.

### Our opinion on candidates

Tuesday is "VOTE DAY". This will be our last chance to remind you, but other media and friends will take up the last five days where we leave off today. Here we will tell our feelings toward some of the candidates and the election in general.

We are not in a position, having been publishers of the News for such a short time, to pass judgement on Independence Township candidates nor those from the 61st legislative district. We will say this about Howard Altman, Duane Hursfall, and Frank Crowley: By the nature of their offices, Altman, clerk, and Hursfall, supervisor, there is considerable contact between us (any newspaper). They have been fine men to do business with and cooperate fully keeping us, and you, informed.

We met Mr. Crowley only once. We don't know his voting record. His manner was pleasant, he seemed interested, and wants the job. We have met neither Hursfall or Crowley's opponents (Altman is unopposed), and this is our fault for not spending more time here.

If someone wants to take these comments as an endorsement, so be it, however, they are our personal observations and should be taken as a newcomer to the area without full knowledge of these men.

Copeman is opposing Hursfall and Loren Anderson is running against Crowley.

The next state office voters in Clarkston should be most concerned is for state senator. Here we have incumbent Carl O'Brien and candidate L. Harvey Lodge. We have yet to meet Mr. O'Brien.

Our contacts with him have been one sided... He sends numerous releases on what he is doing, however, the senate records indicate he has great absenteeism. Dale Feet, former Oakland County GOP chairman said in referring to a comment that O'Brien is a 'family man', "Senator O'Brien has a shameful record that stretches over a 20-year period and definitely not fit for public office."

Well, we don't know Mr. O'Brien that well, but can't bring to mind any accomplishment he has made to this area since he was elected.

Mr. Lodge is a former State senator from Waterford. (O'Brien is from Pontiac.) Though having a few years on Mr. O'Brien, he also has more political experience. He says he knows the needs of Oakland county and the 17th District and will work toward fulfilling them. We think he does know the needs and we'd like to give him a chance to work for us.

The Farnum vs. McDonald race for U.S. Representative is red hot.

Farnum's literature says, "He gets things done", but we read four pages before we found what it was... Medicare, old age assistance, and in education areas. Maybe he works hard for people in the district... since the people elected Democrats to run the country and he votes party lines you could say he's representing the people well.

But with the Democrat majority he wouldn't have to work at all, just vote.

The ones who will HAVE to work for us are Republicans. They will stay in the minority in Washington. McDonald has been an active man thus far. He's been named man of the year by the Jaycee's, been on the Wayne County Board of Supervisors, former township supervisor, and has a good background as a worker.

He is a former partner in a construction business... Farnum is a former labor union official, former assistant secretary of State, and former state Auditor General.

We favor McDonald because he appears to be more economy minded and his thinking is more along our lines.

If the above contests fail to excite us, the rest of the ballot puts us to sleep... except for a couple propositions.

We like Governor George Romney because he has done something, and if the President of the United States can't even pronounce the name of Romney's opponent, well...

We'll vote for Secretary of State James Hare and Attorney General Frank Kelley. Sen. Robert Griffin will get two votes from us, one for the full term and one to fill the vacancy.

A good friend of ours, who also knows Leroy Augenstein, says the candidate for member of state Board of Education, Augenstein, is a good man. From his say so we'll vote for him and fellow Republicans for Education and University posts: James O'Neil, Robert Brown, Trudy Huebner, Frank Merriman, Ken Thompson, Alfred Sokolowski, and Norman Stockmeyer.

We'll vote No on the state question lowering the voting age to 18. Why? Because we haven't had an 18-year-old tell us he wanted this privilege and we have had some say they didn't think they were ready.

We'll vote No on the county question on parks and recreation. They say in their literature they are asking only a quarter mill. What they will be getting if it passes is more than a full mill. Since our state taxes will match the quarter county mill and Washington will match both the

state and county it will actually cost us four times as much as announced.

Another thing, they want to purchase open space. That could mean gravel area around northeast Oakland. Maybe it's just coincidence but the county is also looking to this gravel area for recreation... after it is filled with refuse.

We think the county is headed for trouble with the merit system. But the constitution allows us to vote on it and we're for this proposition No. 2.

The non-partisan ballot: We think Otis Smith merits re-election as justice to the supreme court and favor Meyer Warshawsky over the other incumbent. Circuit court judges for terms ending in 1977, Clark Adams and Arthur Moore are unopposed. The same is true of Judges William Beer and Frederick Ziem for the Circuit Court judgeships expiring in 1973.

There is a real race for the other three Circuit Court seats. We like William Beasley, Farrell Roberts and Robert Templin. Donald Adams is unopposed for one probate judgeship and the other is between Eugene Arthur Moore and Burton R. Shifman. Moore will win this one and that's the only prediction we will make.

That's the way our ballot will read after we come out of the polls. They are our opinions. We know you have yours and hope you express them Tuesday, November 8.

## PEEKIN' into the PAST

### 10 YEARS AGO IN THE CLARKSTON NEWS

Attendance at the morning worship services at the Methodist Church last Sunday was 329, the largest regular Sunday attendance in the history of the church.

Waterford Civic Music Association will open the season with a concert by Blanche Thebom, mezzo-soprano star of the Metropolitan Opera.

Lyle Garnett will be the new president of the Dixie Saddle Club. Vice-presidents will be Harold Vance and George Murphy; Treasurer, Kenneth Geek; Secretary, Mrs. Louella Bryant; Corresponding secretary, Mrs. George Perry and Ringmaster, Ardie Grubaugh.

### 25 YEARS AGO IN THE CLARKSTON NEWS

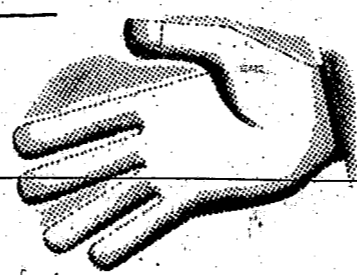

On the evening of November 4th many interested Clarkston residents were delighted to witness the water in the Mill Pond finally flow over the over-flow dam near Mrs. Lambert's residence. The people in this district have taken the water in the pond for granted for a great many years and it was almost impossible to get used to the dry ditch that existed there this past summer. Now that the pond is full again, and free from weeds and the muck that has been accumulating for years, the result of a careful job done by Mr. Ford, the people of Clarkston have just cause for pride and should make an effort to keep the place as clean and beautiful as it is right now.

Lee McFarland has sold his home at the corner of Church street and Roselawn drive to Garrit Vandenbos.

Mrs. David Newlands spent the past weekend in Detroit. She will leave soon for Asheville, N. C. where she will visit before going to Delray Beach, Fla. to spend the winter.

## Reaching

out . . . .

-NOT BY BREAD ALONE-

Man doth not live by bread alone, but by every word that proceedeth out of the mouth of God, doth man live. Deuteronomy 8:3.

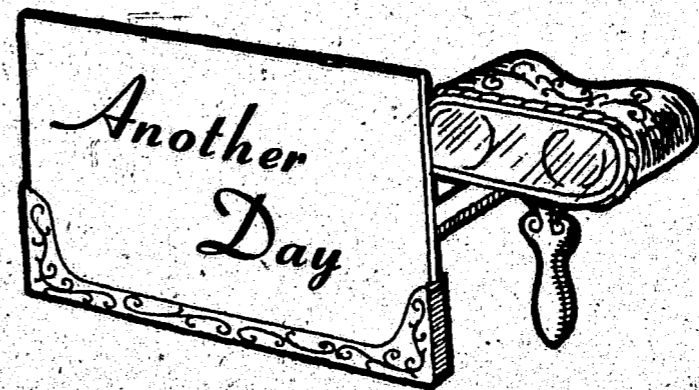

When we come to know that life is much more than food and shelter and play and that we should try, above all things, to serve God well every day, then do we know also that this is a conviction native to all men. Let us never lose the strength that this knowledge affords, nor so misread the story of man that it shall seem that when we

story of man that it shall seem that when we try to do right we are among the first to make the attempt. Rather let us put ourselves and our little struggle of all time and see in our fight against our selfishness and our laziness as just one little skirmish in that battle whose field covers the whole earth.

Let us learn well that in the endless conflict of good and evil the drive to rightness is eternal, universal and divine, that the higher needs of men are forever asserting their necessity and that in their persistent assertions lies the prophesy of their final success. In this knowledge let us take courage and press on in a striving toward that high level of nobility which is at once our birthright as the children of God and the great desire of Jesus for us.

Eternal God, our Father: We know that virtue is the movement of the spirit of man toward Thyself. Constrain us, we beseech Thee, so to adore the virtue that we see in Jesus, that we may desire and strive for perfect nobility. AMEN.

Everett Butters

By Constance Lektzian

This year's Halloween has come and gone. Batman and Robin costumes are put away, what's left of the jack-o-lanterns has been relegated to the trash box and the soggy remains of cookies, candy bars and bubble gum has been raked out of the shrubs where some child dropped his trick or treat bag. Handing out treats on Halloween is fairly new but playing tricks—no. That's almost as old around here as the village itself.

Back almost a half century ago, a young man was never able to afford his own transportation until about the time he was old enough to go courting. A system which worked out pretty well, considering that the boy of that day owed his parents his working years between the end of his schooling and his 21st birthday. But of course not every young man managed to own that horse and buggy by the time he noticed that there were some very pretty girls living in the village, in which case he settled for someone within walking distance. But out Pine Knob way, there was one particular gay young blade who high stepped his horse down the road every Sunday to pay his respects to a certain young-village lady, swirling up a cloud of dust to coat anyone who happened to be walking to visit his light of love. Oh, not that he was overhearing about it! But he was considered very fortunate. Now that year Halloween came on Saturday, and Sunday morning this young man and his father carefully looked over all the buildings around the farm, house and noted that everything was secure—and right where it was supposed to be. The fellow got spruced up to take his girl to church and went to hitch up his horse—and the horse was gone. In vain he whistled and called and searched and finally got his family into the hunt. Every cranny of the pasture was looked into; they ran behind every clump of trees big enough to conceal the animal—all to no avail. The horse just wasn't anywhere around. They looked until the last possible moment and finally, in disgust, the young man started out on foot, joining a group of others who, one by one, dropped off at the nearby farms to do their visiting. Dusty and disgruntled, cold from the autumn air, he made the rest of the journey alone. He was late, he had to make explanations and at the end of the day, since the fathers of these young ladies didn't smooth anybody's path, he had to walk home. But when he arrived, there was

his horse. His sister had discovered it, shortly after he had left home across the road in an old, little-used barn, safe and unharmed. He still, every Sunday, high-stepped that horse down the road to Clarkston but he very solicitously picked up passengers along the way and dropped them at their destination. After all, another year would bring another Halloween.

There came a time when the ladies societies decided that there just wouldn't be all that trickery on Halloween if they planned something else for the youngsters, something in the way of entertainment. So there was an evening of piano duets, group singing, apple bobbing and refreshments with all the young people in their Sunday dress and on their best behavior. The girls had a wonderful time, but the boys held out in grim patience until after refreshments—and they disappeared. Some were heard to mutter that they would have to hurry or it would take them all night. Maybe it did, too. But the next morning, farmers driving into town discovered they couldn't get down Main Street, at least not all the way. And Washington Street was blocked. Someone had strung fencing from where the bank stands now, down to the Caribou Inn (the parking

lot), across the street to the Masonic Temple, up to Alger's Hardware and back across Main Street. Of course, any really determined person could cut across lots and up back alleys but the merchant's didn't want that for their customers. Snorting with indignation, they all came out and rolled up the fencing and took it back to Alger's Hardware, where, as it turned out, it had come from in the first place. In fact, there was a rumor that a boy of the same name was in the group that strung the fence up, but no one was ever found that would swear to that. In the middle of their labors, someone hap-

pened to look up and there on top of the Maccabee Temple was a buggy—complete to every detail. And that had to come down the same way it went up—in bits and pieces. But by the middle of the afternoon, what with everyone standing around chuckling at the storekeepers as they put the fence away, even they began to think it was funny. After all, no one's property had been destroyed and no one had been hurt. And years afterwards, grown men were heard to say "Remember the year we fenced in—that is, somebody fenced in the middle of the village?"

## Letters

To the Editor:

Since moving to Clarkston from Detroit last winter, I have come to enjoy the many special advantages that only small-town living can afford.

The people are very friendly, and the merchants outstanding in their willingness to be accommodating.

Yet, with all the many and varied community activities and facilities available, there is one we sorely lack: a local co-operative nursery school.

I would like to meet with other pre-schoolers' mothers interested in establishing a co-op nursery in our town.

Perhaps by publishing this letter The Clarkston News could aid in giving a start to such a school.

Yours truly,  
Mrs. Joel D. Cohen  
6642 Wealthy Street  
625-5134

Dear Editor:

The people of the 17th Senatorial District are certainly fortunate to have a man of Harvey Lodge's background and experience as a candidate for the Michigan State Senate. He served the people of his district and of the entire state in a commendable fashion while in the Senate from 1957 to 1959.

As the present Minority

Leader I am probably more aware than most people of the importance of a Republican-controlled Senate for the four years ahead. We need Harvey Lodge and others like him to carry on the tremendous progress under the leadership of our good Governor, George Romney.

I feel certain most of the people will concur with my opinion of Harvey Lodge and with the importance of electing a Republican Action Team.

Sincerely,  
Emil Lockwood  
State Senator  
Senate Minority Leader

# Flint exhibit to show work of local sculptor

Pictured in his New York City studio is John Bennett, the son of Mr. and Mrs. Merle Bennett of Clarkston. When the piece of his sculpture which will be on exhibit in Flint travels again, it will be displayed at the Whitney Museum in New York City.

When the new \$800,000 wing of the Flint Institute of Arts is opened on November 4, a local sculptor will have a piece of his work on exhibition there. John F. Bennett, now of New York City, but a Clarkston native has been asked to place one of his works on exhibit there. He is the son of Mr. and Mrs. Merle Bennett of 7958 Dixie Highway, Clarkston.

The new wing of the Art Institute, a gift of Mr. and Mrs. C.S. Mott will be offi-

cially opened and dedicated at a special membership preview and reception Friday evening, November 4. Also in attendance will be officials from art museums in Buffalo, Chicago, and Detroit as well as noted art collectors and artists from the area.

The exhibition area of the Art Center will be doubled and is being opened with a first Flint Invitational (Nov. 4-Dec. 31) a major survey attracting national interest. The work of na-

tionally prominent contemporary painters and sculptors is featured as well as a small foreign representation.

From the nearly 150 entries, including 11 artists from a juried Open Section, purchase prizes totaling \$25,000 are being offered—the works being added to the

permanent collection of the Flint Institute of Arts. Jurors for the selection are Charles C. Cunningham, Director of The Art Institute of Chicago, and Gordon M. Smith, Director of the Albright-Knox Gallery, Buffalo. Works chosen will be announced at the November 4 ceremonies by the director, Dr. G. Stuart Hodge.

Exhibition of his work is not new to Mr. Bennett. His studio and home are located at 300 Canal Street in New York City. His work is presently handled by Brusberg Gallery in Hanover, Germany and the Fischbach Gallery on 57th Street in New York.

Several of his pieces of sculpture are in Art museums and private collections in Germany. One piece, "Celibacy" was on exhibition at the New York Museum of Modern Art. "Little Ear-Muff" was exhibited by invitation in Westmoreland County Museum, just outside of Pittsburg.

A Clarkston high school graduate in 1953, he spent five years in Hamburg, Germany where he studied at the College of Fine Arts. While there, in June of 1965 he married a German girl, Miss Gabriele Fischer of Hamburg.

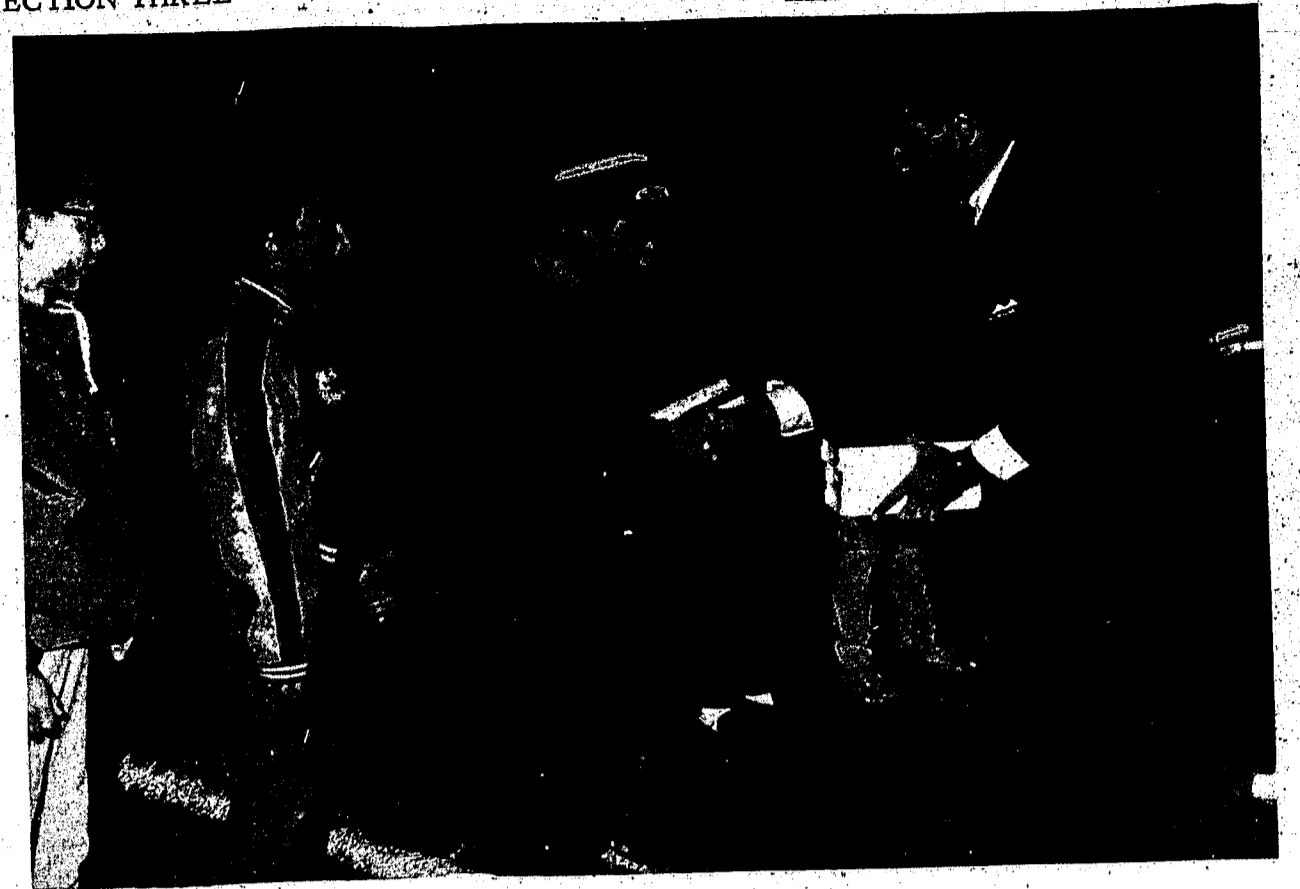

In August of that same year, he came to the United States and established his Canal street studio. He chose an old building in Manhattan, but was assisted in the refurbishing project by his father, Merle Bennett

of Clarkston. When the studio was complete, he returned to Germany and brought his new bride to the States. She had remained there to complete her college work.

Friends of Mr. Bennett who have been unable to view his work except by photograph are pleased to learn that the Flint exhibition will be open daily from 10 A. M. to 5 P. M., on Sunday's from 12 noon to 5 P. M. and on Tuesday and Thursday evenings from 7 to 10 P. M.

In addition to the Flint Invitational, a special loan exhibition of traditional paintings will be on view throughout November; also a collection of 127 antique paperweights recently added to the permanent collections.

WINNER AT 11—During halftime Friday night the winners of the Ford Punt, Pass and Kick contest, sponsored locally by Beattie Motor Sales, were announced and given their awards. Greg Bogg accepts the first place for 11 year olds from Gary Hendershot. Gary, a Clarkston Jaycee member, was helped by Dick Wilton. The Jaycees handled the contest here.

Measles, once considered just another childhood disease, has found itself under attack from health officials and citizens alike. The latest inoculation program was called "End Measles" and had 704 from this area joining the march. In charge once more were members of the Clarkston Women's Club, Jaycees and Doctors from the Service center. Eddie Lee, the sixteen month old son of Mr. and Mrs. Jerry Lee, 7411 Cortez, Clarkston was one of the last of the 704 to receive the protection in the October 23 drive. Eddie has one older brother who received his shot last year from his doctor and another brother, this one younger who is still due to get his vaccination inoculation. At this time a third large scale measles program is not scheduled however people are urged to use the services of the Health Department or, to see their family doctor.

## Round the Town

By Mrs. Shirley Lynch  
Maple 5-1065

A Halloween birthday party was held Saturday evening at the home of the Neil Overtons with gifts and celebrations centered on Kathy, sixteen year old daughter of the Overtons. Mr. and Mrs. Ed Wagner are visiting their son Rodger and family in Gilder-

### Your Dental Health

#### THUMBSUCKING AND PACIFIERS

Will thumbsucking cause a child to have crooked teeth?

Dental authorities now generally agree that it won't—provided the habit ends before the child reaches age five. In those early years, any irregularity in tooth position caused by sucking habits probably will correct itself.

But by age five, the permanent teeth begin to erupt, and these can be seriously affected by the thumbsucking, fingersucking, lip biting, tongue thrusting and similar habits.

Sucking is one of the earliest habits a baby develops, and is related to his need to obtain his food from breast or bottle. Psychologists believe that sucking also gives a baby a feeling of comfort and pleasure, and is a natural and normal habit which should be allowed.

Sucking may increase when a baby is tired, bored or frustrated, but from a dental viewpoint, there's not likely to be any harm from it during the early years.

Some babies prefer a pacifier to the thumb, and a rubber pacifier in the years before five will not injure the teeth either. In fact, some dentists think it preferable, since it is softer and exerts less pressure on the dental arches and teeth than does the thumb.

At age five, however, persistent thumbsucking may permanently affect both jaw shape and tooth position—narrowing the dental arches and forcing the teeth out of position.

Persistent thumbsucking should be brought to the attention of both the physician and the dentists for corrective action. Above all, don't substitute the lollipop for the thumb. It's a formidable ally of tooth decay.

Saturday evening for members and guests.

Mr. and Mrs. Gerald Schultz visited their daughter Linda, a freshman at Muskingum College in New Concord, Ohio during parents weekend.

Mr. and Mrs. Fred Bates and guests attended a Halloween party Saturday evening at friends home in Pontiac.

Mrs. Alfred Kuenzer of Bear Lake was the house guest of her daughter Mrs. Stanley Roosa last week. Two grandsons, David and Doug were over-joyed that she was visiting.

Mr. and Mrs. Harry Chapman spent the weekend at their cabin in northern Michigan.

Mr. and Mrs. Stanley Sutton and family visited friends in Northern Michigan this past weekend. Due to the pleasant weather they were able to have a picnic lunch outside.

Saturday evening Mr. and Mrs. Richard Sandberg of Utica and Mr. and Mrs. Walfred Sandberg of Clarkston attended a show in Detroit.

Mr. and Mrs. Ronald Witford attended the fifth wedding anniversary of friends in Port Huron Sunday. Over seventy friends and relatives were gathered for the joyous occasion giving the Witfords a chance to visit with many that they hadn't seen for many years.

Rosalind Byers of Clarkston and Cherie Kelley of Lake Orion were delegates from the Oakland County Senior Girl Scouts North District Troop #48 to the National Convention held in Detroit at Cobo Hall last week. The girls attended the banquet Wednesday evening with guest speaker Mrs. George Romney. Debbie Reynolds was also a guest during the convention which caused quite a bit of excitement.

Mr. and Mrs. Clay Powers and family of Pontiac were guests Friday evening at the home of Mr. and Mrs. Walfred Sandberg.

Glenda, daughter of the Ronald Jones on Sunnysdale, is home recuperating from an appendectomy.

American Legion held a Halloween dance and buffet

ment. Pinochle Club met at the home of Mrs. Wilbert Fitzthomas Wednesday evening. Mrs. Stanley Roosa won first prize with Mrs. Howard Elshotz the prize for low score. Refreshments were

served later in the evening. Mr. and Mrs. Joe Pearson attended the wedding and reception of Miss Gloria Klowski to Mr. George Wolski Saturday evening in Detroit.

Mr. and Mrs. Walfred

Sandberg were guests at a surprise party for Mr. and Mrs. William E. Long of Birmingham on their twenty fifth wedding anniversary Sunday.

# You don't believe a 6 can act anything like an 8?

## With our new Overhead Cam Six you'd better believe it.

A few short years ago automotive engineers were struggling to coax 165 hp out of a four barrel V-8 using premium gas. Remember? Our single barrel OHC 6 gets 165 hp on regular. And 215 from the premium gas four barrel option.

Most American sixes (and some underprivileged V-8s) don't even come close. Expensive European sports machines do. But they're overhead cams, too. In fact, they inspired us. But we like to think ours is better.

Our OHC 6 is standard on all Tempests and Le Mans. To say nothing of new styling, new interiors, new colors, new options (like that hood-mounted tach) and new standard safety features (like passenger guard door locks, General Motors' new energy absorbing steering column and a four-way hazard warning flasher).

We've said enough. If a test drive won't convince you, nothing will. 67 Pontiac OHC Sprint/Ride the Wide-Track Winning Streak

All that's needed for this sing along group is a baton, more children, parents, and Father Singlyn with his guitar. Together the group had spent the month of October in special prayer at Saint Daniel's Chapel. With the conclusion of the final church service, a donut, cider and sing along was to be held. Following the leader (Laree Klann) are Mary Townsend, Jim Klark, Kurt Salzano and Michael Klann.

Hawaiian pineapple slices, sweet and juicy, combine with light refrigerator rolls to make this thirty minute baked delight. Served piping hot, it is excellent for breakfast or lunch. Serve it with ice cream to make a cobbler like dessert; or after an evening of card-playing or television viewing it is delicious with coffee or tea.

**Pineapple Petal Ring**  
 5 Hawaiian Pineapple Slices  
 10 biscuits (1 package refrigerator biscuits or your favorite recipe)  
 2 tablespoons vegetable oil  
 1/4 cup sugar, mixed with  
 1/2 teaspoon cinnamon

Grease ring mold; gently bend pineapple slices to fit into bottom, spacing evenly. Then dip and turn each biscuit—first in oil, then in cinnamon-sugar mixture. Now stand one biscuit on edge in each of the 5 pineapple slices. Lay remaining five biscuits flat in the spaces between. Bake 15 minutes at 425°; invert on serving dish. Let ring mold set 5 minutes before lifting off. Makes 6 generous servings.

**CASTING TO BEGIN**

Chet Smith, director of the forthcoming stage play "A Touch of the Poet" has announced he will begin casting soon. A tentative date of November 13 has been set.

Time and place will be announced next week.

Clarkston Village Players are hoping this may be the chance some new members have been waiting for. "A Touch of the Poet" by Eugene O'Neil will help the Players celebrate their sixth anniversary and promises to be special, both on and off the stage.

**NOW AUDITIONING**

John Dovaras, Director of Choral Activities at Oakland University, is now auditioning singers for soprano, tenor and bass arias in the forthcoming production of Johann Sebastian Bach's "Magnificat". To arrange for an audition, please contact Mr. Dovaras at Extension 2127 at the University, Rochester, Michigan.

Dovaras is director of the University Chorus which is sponsored by the Division of Continuing Education.

# The Clarkston News

SECTION FOUR Thurs., Nov. 3, 1966 13 THE CLARKSTON (Mich.) NEWS

Mr. and Mrs. Roland Allen will be following the pattern of the previous Albert Pick winners by taking time to decide when and where they will use their free weekend. Winners are allotted six months time to use the offer. First time winners, the Allens are looking forward to the pleasant prospect of the short vacation. Along for the ride, from 6570 East Washington to the Town Shop, was Kim, the Allen's three year old grandson. Completing the picture, with Mr. and Mrs. Allen on the right are Mr. Williams, owner of the Town Shop on the left and Mrs. Madison, a lady who has patiently solved many wardrobe problems in her 8 years as a saleslady in the Town Shop. Richardson's Dairy was this weeks star merchant with Mary Ann Roy, of 6700 Dale Court, their preliminary winner becoming the final one. Congratulations to both.

## Dump talks continue

Last week members of the Independence township board expected to announce that the Dump which serves the three townships would be open this week. But a meeting which was held last Thursday night in Brandon township has further delayed the opening—in fact may have triggered off a whole new series of meetings and proposals for disposing of refuse from the three townships, Independence, Brandon and Groveland.

It was expected that from Thursday night's meeting would come a request for

a license to operate the dump by Brandon township. And in turn a contract would be set up between Russell Farnner and Brandon to run the dump.

But at the meeting was State Senator Carl O'Brien, Democrat of Pontiac who presented petitions and arguments against reopening the dump in its present location. He was representing over 30 persons who attended the meeting and about 100 petition signers. O'Brien talked in terms of making a trade with the State conservation department for land

that was more remote from the highway. He is currently serving as chairman of the state's committee on conservation, but is running for reelection in the November 8 election.

When questioned about water pollution in the area, he urged those with complaints to take the matter to the State Water Resources Commission. Therefore, a motion was made by Bill Solley and seconded by Clerk Lucille Saunders to refer the matter to the conservation department and the Water

Resources Commission. Richard Wilcox, supervisor of Brandon said Monday that "It may take quite awhile before we hear from the commission and the department". However, he also stated that negotiations would still include Independence and Groveland townships as they are still co-owners of the dump.

## NEW TOUCH-TONE® PHONES

Now available to  
Clarkston customers

Just touch  
and  
talk!

The new TOUCH-TONE phone is a modern electronic telephone with push buttons to press in making your calls instead of the regular dial. Most people find they can "tap out" a number in half the time it takes to turn a dial.

TOUCH-TONE telephone service brings greater calling convenience to desk sets, wall phones and the Princess® phone—makes calling easier and faster than ever.

TOUCH-TONE phones come in a variety of colors and styles. And this optional new service costs only slightly more than conventional dial service. For more information, just call our Business Office—or ask your Telephone Man.

Part of the Nationwide Bell System

### Andersonville Cub Scout Pack #133 Receive awards

In the September and October meetings of Andersonville Cub Scout Pack #133 many awards were given out. Under the leadership of the new cubmaster, James Zelenak, these boys were awarded their Bobcat pins: Bobby Lucas, Gene Lucas, Brian Holcombe, Doyle Moore, Patrick Lane, Keith McDonald, Steve Walls, David Johnson, and Rodney Frick.

One year pins went to Gordie Riddle, Bobby Newman, David Kras, Gary and Jerry Molina, Ronald Gratton, Danny Walls, Steven Dubats, Curtis Smith, Kelvin Perkins, Richard Moshier, Gerry Runkle, Bruce Hubbard, Mike Hooper, Ronald King, Mike Robenault and Mark Hyndman.

Two year pins were awarded to Dennis Loba, Jimmy Smith, Lori Perkins, Greg Moshier, Mark Zelenak, Neil Stuart, David Sexton, and Kirk Robenault.

Other awards went to Ronald King, 2 silver arrows; Kirk Robenault, Bear; Mike Robenault, Wolf; Randy and Barry Miller, 2 Bear, 2 gold arrows, and 2 silver arrows; Johnnie Moore, 1 silver arrow; and Curtis Smith, 1 silver arrow. Also was Mark Hyndman with a Bear, 1 gold and 2 silver

pilots, but there are few pilots who are old and bold."

"Airports, Airways and Electronics" was the subject of the course completed by the cadets who received the Doolittle Award. Mr. J. David Vanderveen, guest speaker for the evening, discussed the proposed developments and recent changes at the airport facility nearest Clarkston, Pontiac Airport. Mr. Vanderveen, administrative assistant to Pontiac's City Manager and Acting Manager of Pontiac Airport, told how Oakland County has more aircraft and registered owners than any other county in Michigan with 350 planes based at Pontiac Airport. The airport is the state's second busiest airport for general aviation and the fifth busiest for total air traffic.

### RED CROSS MAKES HOLIDAY RECORDS

Larry Wittlief was presented as the new Webelos Leader and Danny Taylor, Den #3, and Jimmy Loba, Den #5 has joined as Den Chiefs.

One year service awards were given to Mrs. Marge Runkle, Mrs. Martha King, Mrs. Dorothy Gratton, and Mrs. Ruth Kras, with the last two den mothers being given appreciation awards for their work. Mrs. Barbara Stuart was awarded her 2 year service award.

On Oct. 17th, several scouts and their leaders and parents enjoyed a cooking demonstration by Miss Barbara Zimmerman at Consumers Power Company. An outing for November 16th is being planned for the Ice Revue at the Olympia.

Want Ads, 20 words 60c; 2 weeks \$1.00. The Clarkston News, 55 S. Main

Oakland County offices, of the Southeastern Michigan Red Cross Chapter are now offering families with servicemen overseas an opportunity to make "Voices from Home" recordings for the holiday season.

Voices recordings are twelve minute records made by families at no charge. Wherever servicemen are located, facilities are available through the Red Cross field director for the serviceman to hear his own family's very personal message.

Mrs. R. B. Wehrman, 6831 Spruce Drive, Birmingham, chairman of the program in the Oakland Region, says, "Families can make records any day or evening, by appointment, between November 7 and December 17. This is the most per-

sonal Christmas present you can give your serviceman. Call your nearest Red Cross office today."

The Red Cross offices are located at 118 Franklin Blvd. in Pontiac and 315 W. 6th Street in Royal Oak.

### RADIO, TV PERSONALITY AT PONTIAC TOWN HALL

"Pontiac Oakland Town Hall is presenting on November 9th at 10:30 a.m., Miss Beverly Younger at the Huron Theatre. This radio and television actress will entertain with "Original Character Sketches." Her one woman program has been nominated for an "Emmy" as the best single performance and the best program coming out of Chicago.

A celebrity luncheon at Devon Gables will follow Miss Younger's appearance. Reservations may be made by contacting Mrs. William H. Taylor."

Extra, extra, read all about "It". What's "it"? "Its" just about anything that comes between two covers of a magazine. Only a few days remain for you to help Clarkston Junior and Senior students push their magazine drive over the top. At this time the Juniors are ahead of the annual competition, but the Seniors could still forge ahead, after their show of strength last year. Well maybe its something in the Junior blood. Rehearsing their door to door bell ringing pitch to the left are John Simonds and Jack Frost, while Pat Stutzman plays the role of the "tell me all about it" housewife. First in line of the right hand group is Wendy Lekander with her Junior classmate, Debbie Head. Ken Porter was sufficiently cornered to play another prop part.

### CAP Cadets receive Mitchell awards

Five-cadet members of Clarkston Composite Squadron, Civil Air Patrol received General Billy Mitchell Awards at a ceremony held Wednesday, October 26th.

Captain Clifford Moore, Oakland County Group Commander presented the Award to Cadet/Tech. Sgts. Karen Hawkins, Lee Hawkins, Stewart Moore, David Rowden and Cathy Witherup and appointed them to the grade of Cadet/Master Sgt.

The Gen. Billy Mitchell Award is a Certificate of Proficiency and is presented to CAP cadets who have com-

pleted six achievements in Phase II of the cadet program; participated in a CAP encampment; developed leadership skills; mastered six courses in CAP aerospace education program; have maintained good moral leadership in their daily lives and have attained a high standard in the CAP physical fitness program. The award makes these cadets eligible for many of the special activities of the Civil Air Patrol cadet program.

The Doolittle Award was presented to Cadets/1C Robert Klann and Pete Wor-

den who were appointed to the grade of C/SSgt; and to C/SSgts Gary Klann and Tim Morris, who were appointed to the grade of C/TSgt. The Curry Award, for completing Phase I of the CAP cadet program, was presented to Karl Arrington, who was appointed to the grade of Cadet/Basic.

C/SSgt. Pete Worden, the first cadet from Clarkston Squadron to earn his wings, received his Cadet Solo Badge. Capt. Moore read a letter of congratulations from Major Charles Klann, Michigan Wing Deputy for Cadet Training, reminding Cadet Worden to always be a careful pilot, as there are "old pilots and bold

Whoever heard of  
guaranteed hot water?

The people who buy  
electric water heaters!

**SATISFACTION  
GUARANTEED**  
DETROIT EDISON

With an electric water heater, you get all the hot water you need when you need it, or you get your money back from Edison. Including any you may have spent on installation. And it doesn't matter where you bought your new electric water heater. If it's an approved product, the Edison full-year guarantee still applies. No strings attached. Does this guarantee cost you extra? Not a cent! And electric water heaters are backed by Edison's no-charge repair service on electrical parts. To get all the hot water you need—guaranteed—call your Edison Office or see the Qualified Retailer who displays the Edison Satisfaction Guaranteed sign.

## To answer the Republican Candidates

WHO SAID WE HAD

COMPLETE LACK OF KNOWLEDGE OF THE ISSUES WE CHOSE TO USE

.... LET'S SET THEM STRAIGHT!

1. Was the Pontiac Press lying about Mr. Hursfall trying to use the taxpayer's money to install a water system in His Spring Lake Development?

If he was elected, what would Mr. Hursfall do June 1, 1967 when the conflict of interest law takes effect?

Would he be a developer or supervisor?

2. When we went to the dump, it was closed.

3. We drive by Deer Lake and see people as far away as Detroit using it, no lifeguards, no restrooms, and other areas in the township we see growing up that could be developed.

4. We don't see our fire station at Maybee Road and Pine Knob.

5. We drive by our schools and see no pedestrian overpass.

6. Do we have a police department?

7. Are we not paying \$1100.00 per month for one car, part-time as our police protection?

8. Are the people fully informed as to what is going on?

9. Can the Republican candidates say, we don't need traffic lights at the dangerous intersections?

10. What was wrong with our statement that we will work with the Clarkston School Board for the best education possible for our children?

11. Why are some people assessed more than their property is valued?

THESE ARE THE ISSUES WE USED, COULD IT BE THE REPUBLICAN CANDIDATES HAVE A LACK OF KNOWLEDGE OF THE ISSUES? IS THAT THE REASON THEY HAVE BEEN DRAGGING THEIR FEET AS STATED (ABOUT THE DUMP) IN THE CLARKSTON NEWS EDITORIAL 10-27-66?

VOTE FOR THESE CANDIDATES

Independence Twp. Dem. Club

Question of the day: If a young man's thoughts can turn to love in the spring, why can't a young girl's turn to shop in the fall. There must be an answer but it fails me. With plugs and light sockets the object of this first Shop class, the lights in town could go any minute. The look of curiosity in the eyes of those gals was strong. Giving up the needle and thread for the day to find what effect Shop Class might have on their delicate minds were: Karen Proffit, Diana Strall, Jody Walker, Shelley Decker, Elaine Hensey, Barb Lease and Denise Jadwin. The lucky man in the middle is Mr. O'Brien, teacher in the finest sense of the word.

Don't look now girls but the boys are catching on. In another two million years they probably won't need us at all. The button sewing class was part of a once a month exchange between Home Economics and Shop at the Clarkston Junior High. Giving the first aid lesson to a buttonless shirt was instructress Mrs. Grandlund, while looking on from left to right are Bob Risinger, Mike Huntwork, Richard VanCurler, Darryl Gauthier, Ron Evely and Don Moore. Come to think of it girls, maybe we don't have to worry about that two-million years, the boys were sewing but they weren't smiling much.

don Township for a more suitable dumping area. The two months need not have been wasted if they had checked into other possibilities rather than trying to go ahead, because that was the easiest solution they could think of. We all agree a dump is needed, but is it needed so badly you must sacrifice the health and happiness of other people? We know you wouldn't like us dumping garbage 30 feet from your house. Stop and Think. Our Supervisors' promises have done nothing for us in the past and we have no faith in them for the future.

Joseph F. Perry

OPEN TO INDEPENDENCE TOWNSHIP VOTERS

The largest privately owned log home in Michigan will host a "Coffee Hour" for our Republican Candidates and Judicial Candidates.

Turn north on Eston Rd. off Clarkston Rd., then left on Mohawk to Thendara Blvd.

OUR READERS WRITE

Dear Editor:  
Referring to the Clarkston News editorial of October 27th, I read the article concerning the dump and am of the impression you are either misinformed or not informed of the facts. We are residents of Brandon Township and have lived at the present address for 40 years. We are very much interested in the same dump you are anxious to see open on an additional 10 acres bordering

our property. A survey was made by your Independence township engineer on the 10 acres where the old dump site is located and on the adjoining 10 acres. The plans as given by him at a meeting of the three township boards, were to open a sanitary land-fill operation, meaning garbage and other refuse. The plans were to dump only 25 feet from our driveway and only 35 feet from our house.

They planned to dump 30 feet from the ditch across the road from Solleys' front yard. This is going to present problems for all people in the area. On the old dump site we had many problems, such as rats, smoke, traffic accidents and numerous other problems. We have asked all the township boards for help with the smoke and to try to get a more suitable location for the dump.

There is so much being done to beautify our main highways and to prevent water and air pollution and you are willing to sacrifice

all this for a chance to empty your garbage and junk.

We do not feel as Brandon Township residents that we should have to sacrifice our township to keep yours from being used for your disposal. We asked the boards to try to get other land away from a populated area possibly on State land, but they would not consider asking our State Officials. According to the October 28th issue of the Pontiac Press, Senator Carl O'Brien suggested a land swap might be arranged between the State of Michigan and Bran-

VW HITS HORSE

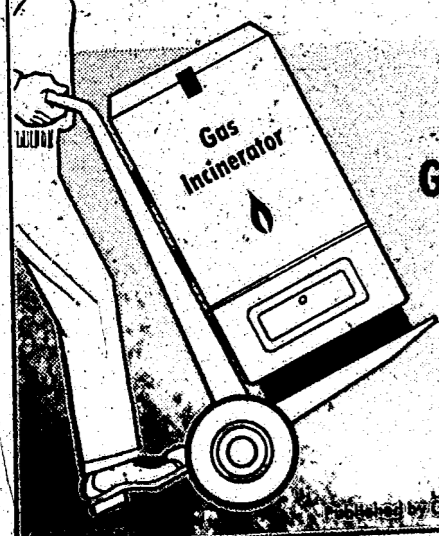

An accident occurred last Tuesday night on Clintonville Road when a horse jumped out in front of a man driving a Volkswagen. The driver was Steven Scherrick of 40 Dwight street in Pontiac. Sheriff deputies report that after the car struck the horse, the horse then ran up into a driveway at 4980 Clintonville Road. There was damage to the front end of Mr. Scherrick's car.

"What's a GAS INCINERATOR got that I haven't?"

"Maybe I don't look so good... but I do lend a bit of atmosphere to the place. And I'm quite a drawing card when it comes to flies and varmints! What's so great about a Gas Incinerator... always bragging about its health and cleanliness—that it doesn't even smoke when it consumes rubbish and refuse. Well, I'm not taking any more 'garbage' from them! You'll see... replacing me with an automatic Gas Incinerator will make a big difference in their life!"

You, too, can end trash and garbage problems by switching to a new, smokeless, odorless Gas Incinerator

Antiquated? That's a perfect time to antique or refinish a piece of furniture. Known for her guidance and instructing ability, Lucinda Wyckoff of Pontiac, made a return appearance at Al's Waterford Hardware, on the Dixie Highway, October 26, to unmask many trade secrets of the antiquing and furniture refinishing world to a group of interested students. Standing by for instructions are Mrs. John Greer (right) and a husband and wife team, Neil and Judy LaVere, of Davison.

### Round the Town

By Mrs. Shirley Lynch  
Maple 5-1065

Walter Yarl has returned home after spending two weeks taking special training in Chicago, Illinois for the Walter Mead Company. Returning from a months vacation of visiting friends and relatives in and around Kansas City, Missouri, Mr. and Mrs. John Hammond are having friends in for coffee and to catch up on the current happenings.

Mrs. Fredrick Wolfgang is visiting her daughter in New York for several days while her son-in-law is on a business trip to Germany. Mrs. Durand Ogden, a former long-time resident of Clarkston now residing in Detroit called on friends in Clarkston on Thursday.

### Babies Love Florida Orange Juice

Vitamins are unknown quantities to this bright-eyed little moppet, but she certainly knows what she likes—flavorful Florida orange juice. To grow healthy and strong, babies need orange juice—the best natural source of vitamin C—daily since little bodies (and adult ones, too) can't store much of this valuable vitamin. Babies need the healthful benefits of orange juice; for vitamin C is one of the safest and sanest precautions against colds and infections. It is important to the construction and maintenance of body tissue, and helps build sound bones and teeth, healthy gums, strong blood vessels and good red blood. To keep the glow of vitality sparkling in your baby's eyes, give her (or him) daily amounts of orange juice. One-half cup of fresh juice—or reconstituted frozen orange juice concentrate contains more vitamin C than the daily dietary allowance recommended by the U.S. Dept. of Agriculture for infants up to one year. Frozen Florida orange juice concentrate, popular for its convenience and flavor appeal, is a completely natural, wholly pure product made from the juice of fresh, high quality oranges. Each 6-ounce can now contains the juice of nearly one additional orange, making the product sweeter, richer and more flavorful than ever before.

### Second Helping Soup Stew

That's right... This Corn Oyster Stew is so good you'll certainly want a second helping and perhaps even a third. It is the main course of the meal. Serve it with crusty hot Italian or French bread, Favorite Asparagus Salad and cup cakes topped with Hot Cherry Pie Filling. It is an easy-do family meal to please all.

**Corn Oyster Stew**  
1 medium size onion  
1 tablespoon butter, or  
margarine  
1 can condensed cream of  
celery soup  
1 cup half and half, or  
light cream  
2 cups milk  
1 can (8 oz.) oysters  
2 teaspoons Worcestershire  
sauce  
1 can (12 or 16 oz.) whole  
kernel corn  
Minced parsley  
Cook chopped onion in butter until tender. Add celery soup, half and half, milk, liquid drained from oysters and Worcestershire sauce; mix well. Add corn and oysters; heat. Add a sprinkling of salt if needed. Serve topped with minced parsley. Six to eight servings.

**Favorite Asparagus Salad**  
1/2 cup French, or Italian  
dressing  
2 cans or jars (13 1/4 to 14 1/4  
oz. each) asparagus spears  
1 large head iceberg lettuce  
3 hard cooked eggs  
Canned anchovies  
Pour salad dressing over drained asparagus spears; cover and chill. Arrange asparagus on top of shredded lettuce on individual salad plates. Garnish with sliced hard cooked eggs and anchovies. Six servings.
